Cheng Yuan and Li Nan Di walked to the parking lot. "Ah!" Just as Cheng Yuan was going to open the car door, he heard a scream.

He turned around abruptly and found Li Nan Di being held hostage by a few men with a small dagger.

"Brothers, you're here for money, right? Don't do anything rash." Cheng Yuan swiftly said.

Who would not be tempted after seeing him give a young lady 50 thousand in public? Sure, ordinary folks would be tempted, but most of them would obey the law.

However, it was an unlucky night for them as they ran into these men who would risk their lives.

It was easy for Cheng Yuan to guess that they were going after money.

The young men were dressed in fashionable clothes and rocked punky hairstyles. All of them were also wore a thick makeup similar to that of the lady rogue earlier.

The men glanced at each other briefly, then

one of them with earrings who held the small dagger against Li Nan Di's pure and slender neck said, "Cut your crap, if you dare retaliate, I will stab her."

"Sure, sure, sure." Cheng Yuan gave in right away, "Sir, please tell me what you want, I'll give you whatever you want."

He reached one hand into his pocket as he spoke, attempting to ring Bai Long.

"Show me your hand!" The man in earrings shouted, Cheng Yuan startled in response.

Seeing as Li Nan Di was in their hands, he did not dare to refuse, so he quickly pulled his hand out.

The man with earrings gave the other guys a look, then two of them walked up and tied Cheng Yuan with a rope.

Cheng Yuan had no choice, to prevent any casualties, he could only let them do as they will.

After both Cheng Yuan and Li Nan Di were tied up, they were tossed into Cheng Yuan's car, then the few men squeezed into the car

and completely crowded it.

Luckily, these few men did not make a move on the beautiful Li Nan Di.

The man with earrings turned over the engine and drove them to an unknown place. Cheng Yuan had no idea where they were as his head was covered with a black bag.

Numerous turns and one hour of journey later, the car finally came to a stop.

Then, Cheng Yuan and Li Nan Di were dragged and shoved into a room by the men. "Bang!" The door was shut and locked.

After a long moment, the surrounding remained extremely quiet, Cheng Yuan was convinced that nobody was around anymore, so he said, "Li Nan Di?"

"I'm here."

The two of them felt around the room and regrouped. Cheng Yuan removed the black bag from Li Nan Di's head with his mouth, while Li Nan Di followed suit.

Upon getting the bag removed, Cheng Yuan

noticed that he was locked in a huge cage. He had no idea where they were at the moment.

The funny thing was, after removing the bags, they realized a few youngsters in the room, standing or sitting at the other end of the cage, staring at them fascinatedly.

'Bloody hell,' Cheng Yuan thought, 'Are they enjoying a circus?'

After all, these guys did not care if they still had the bags over their heads.

"Hey, brothers, there's no need for this, what do you want? Just let me know, I'll make sure I see to it if I can, alright?" Cheng Yuan tried to court the few young men.

The colorful 'turkeys' with punky hairstyles ignored him completely.

Li Nan Di rolled her eyes at Cheng Yuan and said, "Stop wasting your energy, these guys are only here to guard us."

Cheng Yuan was intrigued, "Why are you not worried at all?"

To be honest, Cheng Yuan was not concerned, because he knew that Bai Long would track him down with the GPS if he was missing for a prolonged period of time.

However, Li Nan Di was unaware of that, so why was she not nervous at all?

Li Nan Di said with resentment, "Who would've thought that I'd face the misfortunes?"

"Misfortunes?"

"This is the second time I got kidnapped within the first month of returning to the country." Li Nan Di said frustratingly, "If it were you, would you still be nervous?"

"..." Cheng Yuan was speechless.

"Squeak!" The steel door was opened again, a young lady with a voluptuous body was shoved into the cage. Her head was also covered with a black bag while her body tied up in a similar fashion.

"Brother, I beg you to let me use my body to pay you, please don't take my money, alright?" The lady stumbled to the ground,

but quickly raised her head and shouted anxiously.

Cheng Yuan and Li Nan Di gazed at each other.

They could tell from the voice that she was the lady rogue from earlier.

Certainly, they also noticed the dandan noodles all over her body and the ripped jeans with exaggerated holes.

Similarly, after getting locked up, the men ignored whatever the lady said.

Seeing as nobody responded to her, the lady started to get distressed and begged them continuously. In the end, she realized that her pleadings were not being entertained, so she started threatening them again.

"Let me tell you what, my brother, that is, my birth brother is Bald Man Xu, have you heard of Bald Man Xu? Give the money back right now and I can forget about everything, otherwise, my brother will never let you go."

The words of threats did not seem to be working, the men who were guarding them

maintained their listless attitude.

Finally, without any other choices, the lady suddenly broke into tears.

She was literally wailing, giving others an idea that she was mourning a death.

'Bald Man Xu's sister?' Cheng Yuan could not help but feel surprised.

Thinking back at Bald Man Xu's ugly features, no wonder this lady rogue would 'paint' herself with makeup. Perhaps if some parts of the makeup were chipped, the face would be an unbearable sight.

Meanwhile, in a villa at Yue Liang Wan.

Under Li Ning Juan's barbarous request and Bai Shi Ju's countless persuasive words, they finally managed to convince Master Bai to live with them.

Master was utterly excited the moment he stepped into Bai Shi Ju's villa.

## Chapter 216 The Peculiar Lady Rogue

Some long time ago, he had a dream of owning a villa at Yue Liang Wan, which would symbolize the status of the Bai Family. However, little did he know, this dream of his would be fulfilled by his most disdained son and daughter in law.

Bai An Xiang stood at the doorway and hesitated for a moment before saying, "Dad, mom, I'll go home first."

Li Ning Juan felt sorry as Bai An Xiang became even meeker than before, "Daughter, why don't you stay back tonight."

Bai An Xiang kept her head lowered fearfully without saying a word.

At this sight, Bai Shi Ju quickly said, "Ning Juan, go and walk An Xiang home."

Li Ning Juan was reluctant.

But Bai Shi Ju added, "She's an adult now and she has her own family, don't be overly concerned."

Master Bai twitched his lips, as if he wanted to share his views, but did not end up talking.

Li Ning Juan sighed helplessly.

"If the bastard Cheng Yuan dare to bully my lovely daughter, I don't care if he's the chairman of Jun Feng, I will choke him to death.'

Bai Shi Ju shook his head with a wry smile.

She knew Bai Shi Ju had a point, their child was already over twenty years old. Besides, she was also married, whether to stay back or not, Bai An Xiang could make her own decisions.

Li Ning Juan felt helpless and troubled, she wiped her tears continuously on the way to Bai An Xiang's home.

After seeing Li Ning Juan and Bai An Xiang out, master's tears also started rolling down uncontrollably.

He wiped his face with his left hand.

Then wiped his face with his right.

Following which, he started using both hands.
