

"Don't say that." Bai Shi Ju said listlessly.

"Shi Ju, you have no idea how many sleepless nights I've been through these days."

"I kept thinking about how I treated you and An Xiang before, how upsetting that must have been..."

"But in the end?"

Master was choked up and could not continue talking.

In the end?

The sons and grandchildren that he had been doting on did not pay him a single visit since he moved to the old house.

As he got older, it was logical for him to transition to retirement life, but retiring meant loneliness in his case, everyone stopped caring about him.

Most old people lack affection, not respect.

While Master Bai was completely disheartened, Bai Shi Ju and Li Ning Juan's

insistence in bringing him over to stay with them brought a glimmer of warmth to his

heart.

The son whom he most disdained was the only son who took him as a father.

"Humans, they'll can only be sure who're the good and bad guys the moment before their death." Master sighed.

Bai Shi Ju did not speak a word and kept his head lowered.

...

...

Meanwhile, also at Yue Liang Wan, there was a guest in Long Chen Yu's villa.

Lin Chang Yi.

After making a call, Lin Chang Yi said to Long Chen Yu, "Mr. Long, Dading and the rest have made their move, they've seized Bald Man Xu's sister, Xu Li, that means he'll be at your disposal in our upcoming plan."

Long Chen Yu asked, "Are you sure?"

Lin Chang Yi quickly nodded, "Don't worry Mr. Long, everyone in Xin Yang City knows that Bald Man Xu treats his sister even better than his wife."

"Ok." Long Chen Yu nodded.

"But there's a pleasant surprise." Lin Chang Yi continued, "Dading said they also kidnapped a rich man, perhaps we could make an extra buck from him."

Long Chen Yu scowled as he heard this, "Be careful, try not to get distracted during this period."

"Sure, I'll let him know." Lin Chang Yi nodded.

"Fine, let me see you out."

After making his orders clear, Long Chen Yu chased him out right away.

Lin Chang Yi's company used to be a subsidiary of the Long Teng Group. Although Long Teng became insolvent in the later stages, Long Chen Yu remained in control of Lin Chang Yi's company.

Now great, because Lin Chang Yi crossed Bai An Xiang, his company also went bankrupt as a result.

Currently, he had no choice but to be focused in working for Long Chen Yu.

The two of them were not that close to each other. Long Chen Yu was also not

particularly fond of the simple minded dude. Hence after their discussion, he did not want to waste another second on him.

Lin Chang Yi let out a stiff smile, he felt like the atmosphere was getting more awkward by the second, "Then I shall go now."

"Yes you shall." Long Chen Yu rose to his feet.

The two of them started heading out, just as they left the door, they noticed two people passing by the gate.

'Bai An Xiang?'

Long Chen Yu startled, his eyes were gradually filled with gentleness.

Lin Chang Yi turned around, planning to bid Long Chen Yu goodbye, but upon noticing his odd expression, Lin Chang Yu followed his gaze and noticed Bai An Xiang passing by.

He had a lightbulb moment.

In reality, Lin Chang Yi had always held grudges against Bai An Xiang. He crossed her before, leading to Jin Jie using Jun Feng's name and boycotted his company.

However, Lin Chang Yi had another surmise.

He figured, Bai An Xiang must be cheating on Cheng Yuan with Jin Jie, otherwise, with his father and Jin Jie's friendship, Jun Feng would never target his family business.

In any case, now that he boarded the same ship with Long Chen Yu, Lin Chang Yi would definitely seize every opportunity to fawn him over.

At this moment, Li Ning Juan had sent Bai An Xiang to her villa's entrance, they exchange a few words, then turned around and left.

Bai An Xiang was disciplined, she courteously waited at her gate, gazing at Li Ning Juan as she walked away.

After Li Ning Juan had walked a fair distance, Lin Chang Yi headed straight toward Bai An Xiang.

Initially, Long Chen Yu intended to return to his house, but he noticed Lin Chang Yi was approaching Bai An Xiang and started frowning.

"Bai An Xiang, we've met again." Lin Chang Yi chuckled and greeted Bai An Xiang.

Bai An Xiang startled heavily, she turned around and saw Lin Chang Yi, then put her guards up instinctively before asking meekly, "Hello... Do we know each other?"

Lin Chang Yi let out a grim expression upon hearing this.

'You crushed my company and now you're asking if we know each other?'

"What the hell are you faking for?" Lin Chang Yi scoffed, "I used to think Cheng Yuan did not deserve a beauty like you, but it seems like both of you are equally as obnoxious."

"Huh?" Bai An Xiang was at a loss as she saw Lin Chang Yi became enraged, she had no idea what she said wrong.

"Please, stop pretending to be pitiful, I don't buy that shit, I know what's happening between you and Jin Jie." Lin Chang Yi said angrily.

"Jin Jie?" Bai An Xiang mumbled the name as she was nervous and suspicious.

"Hoho, you've cheated on Cheng Yuan and acting innocence now?" Lin Chang Yi could not bear Bai An Xiang's guilty look.

"Shut up!"

Suddenly, a shouting was heard.

Bai An Xiang startled once again.

In this instance, Long Chen Yu came to her rescue in a dazzling manner.

"Who the hell are you? Mind your own business!" Lin Chang Yi pretended to not know Long Chen Yu, he turned around and scolded him.

Long Chen Yu instantly understood Lin Chang Yi's little plan, he said to him solemnly, "Get away from An Xiang."

"What is it, are you trying to save the day here?" Lin Chang Yi continued with his sarcastic remarks.

Long Chen Yu understood it tacitly, he took a step forward and kicked Lin Chang Yi on the belly, while Lin Chang Yi stumbled to the ground.

He staggered to his balance, then pointed at Long Chen Yu and scolded, "This is not over."

He turned around and fled afterwards.

Bai An Xiang was stunned at this scene, she planted her feet on the ground and did not know where to put her hands.

After 'driving away' Lin Chang Yi, Long Chen Yu walked up to Bai An Xiang and said with a smile, "An Xiang, are you alright?"

Bai An Xiang scowled and took on a troubled look, "I'm so sorry, I've lost my memory so I can't remember you, do we know each other?"

"Lost your memory?" Long Chen Yu was surprised to learn the news.

But very quickly, he was filled with joy.

'Bai An Xiang has amnesia, does that mean I have a chance now?'

Long Chen Yu swiftly put his smile away and pretended to be shocked, "You've lost your memory? Have you forgotten who I am?"

Bai An Xiang shook her head.

"We're classmates during university studies, besides, we used to see each other during those days, but in the end... Sigh, never mind." Long Chen Yu said.

'See each other?' Bai An Xiang was bewildered.

"An Xiang, great to know that you're fine." Long Chen Yu reached out his hand to hold

Bai An Xiang's.

Bai An Xiang was stunned by the idea of them being a couple, but when she felt her hand touched by Long Chen Yu, she withdrew it instantly as if she got shocked by electricity.

"Sorry, I... I'm married."

Following this, Bai An Xiang turned around and ran into her house.

While Long Chen Yu remained astonished at the gate.

After a long pause, a grimace was brought to his face.

"Why, why would you use the same excuse to reject me even after losing your memory? Does that mean Cheng Yuan is better than me even when you have amnesia?"

He was fuming.

But that was the truth.

In the past few days, Bai An Xiang heard too many people talk about Cheng Yuan, especially what Cheng Yuan had done for her.

Despite not ringing a bell, every time she heard the stories, she would be astounded.
