

"Smack!" He got struck across the face violently.

Bai Long suddenly appeared in the crowd and towered over Lin Chang Yi. Upon hearing Cheng Yuan's orders, he did not hesitate before slapping Lin Chang Yi.

Luckily he reserved some strength, otherwise Lin Chang Yi's face would have been heavily swollen at this point.

Actually, getting slapped across the face was not about how hard the strike was, it was also not about how much it hurt, the embarrassment aspect of it was more profound than the previous factors.

Lin Chang Yi was stunned for a moment after getting slapped, then felt mortified.

He had never seen Bai Long before so he surely was not afraid of him.

He cracked his neck and glared at Bai Long, "How dare you bloody hit me?"

"Smack!" Just after he finished his words, Bai Long gave him another backhand.

"Bloody hell, you..."

"Smack!"

"I..."

"Smack!"

"I'll bloody kill..."

"Smack!" This time, Lin Chang Yi got knocked to the ground right away, he instantly saw dazzling stars and felt the sky was spinning. He was stupefied at this stage.

In total, Bai Long slapped him five times, his cheeks were apparently larger than before.

The rest of the crowd was flabbergasted.

Despite not knowing Bai Long, judging by his build and temperament, nobody dared to cross him.

Long Chen Yu knew Bai Long so he definitely would not say a word.

The surrounding instantly filled with a deafening silence.

Cheng Yuan pointed at Lin Chang Yi, "You just won't bloody learn your lesson, insisting to seek troubles in front of me, fine! I'll give it to you, are you not appeased? I will beat you until you surrender!"

"Do you give in?"

How could he give in? During university studies, he was one of the more highly regarded people in class, he did not even notice Cheng Yuan at the time.

Now this dude was asking him if he would surrender?

"I won't..." He struggled to his balance, but after noticing Bai Long was rolling up his sleeves, he lied back down on the ground, "I won't tell you!"

He said in a stubborn manner.

'Heh, I won't tell you if I'll surrender, what are you going to do about it?'

Cheng Yuan snorted, then turned to Bai Long, "Keep going, even if won't say it, beat him until he surrenders!"

'Bloody hell!'

Lin Chang Yi got perturbed upon hearing his words, "I didn't even say I won't surrender!"

"Smack!" He received another slap to the face.

This time, Bai Long tuned up his strength

slightly, Lin Chang Yi rolled on the ground multiple times before he came to a halt, he started yelping in pain.

"Keep going!" Cheng Yuan said.

"No, no, no, I surrender, I surrender, I bloody surrender!" Lin Chang Yi was seriously petrified at this point.

"Smack!"

This time Lin Chang Yi no longer yelped, he blacked out right away.

Everyone was silenced.

Long Chen Yu gasped uncontrollably, he was truly afraid of Bai Long.

However, in this instance, he must not act diffidently in front of Bai An Xiang so he would not be looked down upon. Thus he said to Cheng Yuan adamantly, "You barbarian, this is too violent, we're humans too, everyone has their rights, you can't..."

"Shut up!" Cheng Yuan scolded furiously, he interrupted Long Chen Yu and asked apathetically, "If someone wants to court your mother, would you gladly tell your mother to make her choice?"

"..." Long Chen Yu instantly got muted.

Cheng Yuan continued listlessly, "Since everyone has made their ways here today, then let's not hurry to leave, including you Long Chen Yu."

"What do you mean?" The crowd was shocked to hear that.

Long Chen Yu scoffed, "Just because you said so, you think we won't leave? The legs are grown on our bodies, what is it? You think you can stop us all?"

"Yea, who do you think you are?"

"This guy is too barbaric...!"

"Exactly, he's an absolute dumbass!"

Everyone started expressing their disdain and scorn toward Cheng Yuan's hostility.

However, Cheng Yuan said to Bai Long, "Whoever tries to run, break their legs!"

He said it in a normal voice, but it was enough so everyone on the scene could hear it clearly. The surrounding fell into a deafening silence again.

In reality, if everyone were to start scattering

around at this moment, Bai Long would not be able to catch them all. But the issue was everyone waiting for each other, nobody wanted to be the first prey. Thus, nobody dared to say another word.

"What are you trying to do exactly?" Long Chen Yu was also terrified at this stage.

Cheng Yuan said indifferently, "It's not normal to see a gathering at the entrance of my house, especially after I lost 10 million."

"What?" Everyone was dumbfounded to hear that.

"That's right, I just lost 10 million in cash at home." Cheng Yuan pointed at the people, "All of you could be an accomplice, Nan Di, call the police for me."

Li Nan Di listened to Cheng Yuan's words and took out her phone to call the police.

"Cheng Yuan, don't push it, who would put 10 million in cash at home for no reason?" Long Chen Yu muttered furiously.

"Me!" Cheng Yuan stared at him as if he was looking at an idiot.

Long Chen Yu was left with no words.

Cheng Yuan had made himself clear, he was saying, 'Sure, I didn't lose any money, but if I insist that I've lost 10 million, what can you do? Can you prove that I haven't lost the money?'

'You guys came to my place to make a scene in the first place, it's exactly my plan to frame you, what can you do?'

The crowd started to lose themselves.

Long Chen Yu held his rage back and said with a flush, "You... This is blatant frame-up!"

Cheng Yuan shrugged in response.

"..."

Long Chen Yu suddenly had a lightbulb moment, "Hoho." He calmed himself down and chuckled.

"Don't forget, Cheng Yuan, the suburb is surrounded with CCTVs, especially your place, as to whether we entered your house or not, it'll show up clearly on the surveillance footage." Long Chen Yu reminded Cheng Yuan.

Cheng Yuan scowled at his words.

Then gradually turned around and walked to

the CCTV cameras, tilted his head and pondered.

"Haha... Cheng Yuan, you know what are the consequences of making a false repo..."

"Crack!"

Before finishing his sentence, Long Chen Yu saw Cheng Yuan pick up a pebble and threw it right on the camera facing his house. It instantly got smashed.

Then smiled at Long Chen Yu, "Luckily you reminded me in time."

"..." Long Chen Yu was dumbfounded.

Cheng Yuan gave Zhang Xun a call, then said, "Remove all of the video surveillance files in the suburb at once. Also, start the preventative maintenance of the CCTV equipment right away."

Long Chen Yu was on the verge of being driven mad.

Very quickly, Li Wei brought his men and arrived at scene. Everyone, including Long Chen Yu and Lin Chang Yi were arrested.

"I need your cooperation for a testimony." Li Wei said to Cheng Yuan.

Unlike before, Cheng Yuan was not bothered this time, he held Bai An Xiang's tiny hand and headed straight into their villa.

Li Wei was left alone with an awkward expression.

Meanwhile, just as he was being dragged into the police car, Lin Chang Yi woke up and shouted, "Mr. Officer, look, he disregarded the police."

"Shut up!" Li Wei rebuked him angrily.

"Sir?" One of his men asked.

Li Wei wagged his hand, "Bring them back for a deposition, I have business to take care of."

They nodded and brought everyone away.

While Li Wei walked into Cheng Yuan's villa.

"You're giving me the attitude because you take me as a friend." Li Wei said to Cheng Yuan as he walked into the living room, "But as a police officer, I need to tell you that if you won't cooperate, the case will not proceed and I will let them go."
