

CHAPTER 271:

"Yes, I'm threatening you." Wu Tian also showed an air of integrity, and did not pay any attention to the so-called Hong Tai Chang.

"Just a hotelier, he really takes himself seriously." Shaking his suit, Mr. Hong exclaimed, "see what you can do to me."

"Then you'll see." Wu Tian said this and took out his mobile phone from his pocket and opened a recording.

This recording is just the conversation between Wang Gang and Wang Gang. Wang Gang claims that he has a good relationship with Hong Taichang, and threatens to slander Tianhao Hotel and let Tianhao collapse in a short time.

After listening to this recording, director Hong's face suddenly sank. He turned his head and glared at Wang Gang. "It's a waste that we can't accomplish enough and fail more than we can."

I didn't expect that Wang Gang had no hidden words. He threatened to bring down Tianhao with false reports, and even dragged him into the water.

"Mr. Hong, if I expose this recording, do you think you can sit still in the position of director?" Wu Tian shook his mobile phone and asked with a smile.

"You..."

Hong Taichang bit his teeth and quickly changed his tone of flattery: "enemies are easy to solve and not suitable for knot. There were misunderstandings before. Let's sit down and talk slowly about what we have to say."

Naturally, he knew the seriousness of the matter. If this recording was exposed, it would be a fatal blow to the reputation and image of the TV station, and then he would not be the head of the station.

"I think director Xie is conscientious and should not be dismissed. What do you think?" Wu Tian asked with a smile.

"Yes, yes, yes."

Mr. Hong then responded and quickly went to Xie Mei and apologized: "director Xie, I was confused for a while and listened to Wang Gang's one-sided words, so I solemnly apologize to you."

Xie Mei looked at Wu Tian and couldn't help admiring him secretly. He didn't expect boss Wu to put down director Hong with a few words.

After a few seconds of hesitation, she began to speak: "it's good that Hong Tai Chang can recognize his mistakes. It's just so-called that he can correct his mistakes and be merciful."

"I promise I won't make the same mistake again." Mr. Hong promised, then added: "from now on, resume your position as director of advertising department, and continue to be responsible for following up the promotional videos of Tianhao hotel."

"Thank you, Mr. Hong."

"You're welcome." After saying this, Hong Tai Chang set his eyes on Wu Tian again. "Boss Wu, in order to express my sincerity, I decided to give your hotel a year's advertising campaign for free."

"Mr. Hong Tai, it's rare that you have such a heart. I'd better obey your orders than respect."
Wu Tian couldn't help but feel happy.

Luzhou TV station to help promote, not only can save a lot of promotion funds, but also improve the hotel reputation.

"That's settled." Director Hong immediately ordered Xie Mei: "director Xie, you should follow up on this matter, and don't make any mistakes."

"Don't worry. It's OK." Xie Mei promised with a smile.

"That's good." Mr. Hong nodded and tried to ask Wu Tian, "boss Wu, can you give us a face and have lunch together?"

"You don't have to eat." Wu Tian resolutely refused, and then walked up to Wang Gang. With a smile of schadenfreude on his face, Wu Tian said with a smile of schadenfreude: "if you do more injustice, you will die. Are you still satisfied with the result?"

"You..." The corners of Wang Gang's mouth twitched violently, and he could not say a word for a long time.

I didn't expect to be calculated by a little boy this time. He was unwilling but helpless. Now, there is no way to take this boy.

"Don't fight me next time, or it will be worse." After saying goodbye to Hong Tai Chang, Wu Tian Hao Yan turned and walked towards the red flag car.

After a short walk, he saw Xie Mei trotting after him.

"Thank you, boss Wu." Xie Mei pulled his hair around the corner of his ear and said gratefully, "thank you for helping me out this time, or I will be in trouble."

"Don't be so polite. You are in trouble for our hotel. To help you is to help myself."

"Thank you anyway." Xie Mei said this, and took the initiative to extend his right hand, "from now on, we are friends, if you need me, just open your mouth."

"Good!"

Wu Tian reached out and shook Xie Mei's arm. He said with a smile, "I'm very happy to be friends with you."

"Boss Wu..."

"Since we are friends, don't call me boss Wu. You can call me little Tiange."

"How old are you? Let me call you brother." Xie Mei slightly rolled his eyes and said carelessly, "then I'll call you Xiaotian later."

"Call me that one."

"It's a little strange." Xie Mei, with a bitter smile, shifted the topic and said, "you go to be busy first. I'll contact you another day."

"Well, I'll go first. Goodbye, sister Mei." Wu Tian waved and turned to get into the red flag car.

I wanted to let uncle Fu take him home, but I suddenly remembered that Qinglong's sister, Xiaofeng, was still hospitalized in a nearby hospital. She simply told uncle Fugui, "go to the hospital in front of me." "OK."

Liu Fugui answered and drove to the hospital building not far away.

Wu Tianxia car, bought fruit to come to Xiaofeng's ward.

Xiaofeng is lying on the hospital bed alone. She looks much better than before. Now she is playing with her slender fingers, which is quite lovely.

"Xiaofeng, what are you doing?" Wu Tian put down the fruit and asked.

"Ah

Xiaofeng seems to be scared, Jiaohu a, when see into the ward is Wu Tian, she immediately happy, "Xiaotian brother, how did you come?"

With these words, he sat up on the bed.

"I'll drop by to see you." Wu Tian sat down in front of the hospital bed and couldn't help joking, "Xiaofeng, are your fingers fun?"

"Brother Xiaotian, you even make fun of me." Xiaofeng flat mouth, face a bit embarrassed.

"Hey, hey

Wu Tian laughed two times and looked at the empty ward. He couldn't help asking, "where's your brother?"

"He went out to buy me food, and he'll be back in a minute."

"Are you hungry

"Hee hee, a little bit."

"I'll peel an apple for you first." After that, Wu Tian grabbed the apple and fruit knife and began to cut it.

Just after cutting the apple and handing it to Xiaofeng, Qinglong comes into the ward with a box of rice. When he enters the room, he asks, "young master, what do you want me to do?"

"I came here to do business. I came to see Xiaofeng just by the way." Wu Tian said this, a little spoiled pinch Xiaofeng's delicate face.

"Thank you, Mr. Wu."

"We don't have to be too polite. By the way, Xiaofeng is hungry. Let her eat as soon as possible." Wu Tian points to the box lunch in Qinglong's hand and reminds him in a low voice.

"Yes." Green Dragon this just returned to God, quickly opened the box lunch placed in front of his sister, "Xiaofeng, eat quickly."

"Brother, you feed me." Xiaofeng raised her face, a little bit coquettish and angry.

"If you are so big, let your brother feed you and eat by yourself." Qinglong picked up the chopsticks and handed them over.

CHAPTER 272:

"No, I want you to feed it." Xiaofeng has a bit of willful pursed mouth, waiting for her brother to feed.

"I'll feed you." Wu Tianyi grabbed the box lunch and chopsticks and said with a smile: "I want to have such a lovely sister, then I will feed her to eat every day."

After saying this, he picked up the chopsticks and took the rice to Xiaofeng's mouth.

"Little brother, I'd better eat by myself." What's more, Xiao Feng asked Wu Tian to feed her rice. She took the lunch box and ate it with her head down.

"You girl, eat slowly." Wu Tian smiles bitterly and shakes his head. The eyes of Xiaofeng are spoiled.

I really envy Qinglong. It's really happy to have such a cute and playful sister doting on her.

"Young master, come out and I have something to tell you." Qinglong looks at Wu angel and walks out of the ward first.

"Xiaofeng, please eat slowly. I'll go out for a while." Wu Tian said this and turned to follow him out.

Out of the ward, I saw Qinglong staring out of the window.

Wu Tian went to look at it and found a familiar figure downstairs. It was Zhao Yang in the school.

"Why is this boy downstairs in the hospital?" Wu Tian's brow tightened, and he felt uneasy.

"That boy has been wandering downstairs since yesterday afternoon, probably aiming at me and Xiaofeng." Qinglong explained.

"This guy has a real thick skin."

"Young master, what shall we do now?"

"I'm afraid the boy will be bad for Xiaofeng." Wu Tian rubbed his chin with his hand, pondered for a moment, and then proposed, "take this boy to a remote place, break one of his legs, and

let him live in the hospital, and suffer a bit."

"Well, I'll do it right away." Qinglong answers and goes downstairs quickly. He can't wait to teach Zhao Yang a lesson.

Wu Tian didn't follow him downstairs. Instead, he stood in front of the window and watched quietly. His whole body was full of murderous spirit.

After waiting for less than a moment, he saw Qinglong come back. He reported: "I have taught Qinglong a lesson. This boy will stay in the hospital for at least half a month."

"Good." Wu Tian nodded with satisfaction, and ordered, "be careful of Zhaoyang, lest this beast be harmful to Xiaofeng."

"Xiaofeng is almost recovered. I plan to discharge her today."

"Sure it's ok?"

"I have done a comprehensive review, no big problem. I plan to take Xiaofeng home for recuperation."

"No problem."

"I'm going to let Xiao Feng go to school when I have a rest."

"I have the same idea." Wu Tian nodded with approval, and promised: "you first let Xiaofeng take a good rest, and then I will arrange for school."

"OK, I'll go through the discharge procedures first." Qinglong said this and turned to the doctor's office.

Wu Tianze returns to the ward and sees that Xiaofeng has finished her meal and is nibbling at the apples she hasn't eaten before.

Wu Tian poured a cup of boiling water and handed it to him. Smiling and concerned, he said, "Xiaofeng, are you full?"

"I'm so full." Xiaofeng patted her stomach and couldn't help but wonder: "brother Xiaotian, what are you sneaking about with my brother? What are you going to say behind my back? "

"It's just fear of affecting your appetite."

"What did you say to my brother?"

"Nothing." Naturally, Wu Tian would not tell Xiaofeng about Zhao Yang, and said, "I'm going to discuss with your brother that you can go to school after you recover."

"School?"

"Yes."

"Great." When she heard that she could go to school, Xiaofeng danced happily: "I always want to go to school, but I didn't expect that I could finally achieve my wish."

"You have a good health. I'll arrange school for you."

"Thank you, brother Xiaotian."

"Good, sweet mouth."

"Hee hee!"

The two chatted for a few words. When Qinglong finished the discharge procedures, they were busy packing up and leaving the hospital.

The rich and noble uncle will return the brothers and sisters of Qinglong to their residence. After having dinner at Qinglong's house, Xiaofeng leaves.

Before Wu Tian paid for a servant to take care of Xiaofeng's daily life, so that several people could be at ease.

"Qinglong, otherwise you stay at home and take care of Xiaofeng?" Out of the gate, Wu Tian turns his head and suggests to Qinglong.

"You helped Xiaofeng hire a nanny. I'm very relieved to have her take care of me." Qinglong said this, embarrassed to grasp the head: "what's more, I'm stupid watch feet by Xiaofeng dislike, stay at home also can't help."

"That's true, ha ha..."

After Wu Tian finished this, he burst out laughing, which made the rich and noble uncle laugh.

After laughing for a long time, Wu Tian stopped smiling and said, "how long does Xiaofeng need to recuperate before going to school?"

"It's hard to say. It depends on the situation."

"Is there any problem?"

"No big problem." Green Dragon sighs, a face depressed said: "she is not too stable now, the recovery may be slow." "Don't worry. Take your time." Wu Tian patted Qinglong on the shoulder and said with a smile, "I believe Xiaofeng will recover completely."

"I hope so."

"Well, let's get on the bus first and go to the company." Wu Tian has not been to Tianmu technology for a long time. He plans to go back to the company to see the situation.

Several people get into the red flag car. Wu Tian's buttocks are not stable yet. The mobile phone rings in his pocket.

Touch out the mobile phone, eyes suddenly become extremely bright, the number shows that Qiao Fu just called.

How did director Qiao suddenly think of calling him when he was filming in demon capital?

After the micro Leng, he quickly connected the phone and asked, "director Qiao, what can I do for you?"

"Hello, boss Wu." The voice on the other end of the phone was a little noisy. Qiao Fu just said in a loud voice, "I'm here in Luzhou, and I want you to come and have a meal together."

"Director Qiao is in Luzhou?"

"Yes, I took pictures in Qianfu ancient town of Luzhou."

"Why didn't you call me when you came to Luzhou?"

"Excuse me, boss Wu. I'm really busy." After apologizing, Qiao Fu Gang suggested with a smile, "if boss Wu has time, come to Qianfu ancient town, let's have a meal and get together."

"Well, I'll be right here." With all this said, Wu Tian had to take time to pass even if he didn't have time.

Qiao Fu just brought his team to Luzhou to make a film. As the host, he must go to see it.

Hang up the phone, and immediately said to Uncle Fugui: "Uncle Fugui, drive quickly, let's go to Qianfu ancient town now."

"Hello After Liu Fugui answered, he started his car and drove away at the fastest speed, leaving behind bursts of black smoke.

All the way, the car soon arrived at Qianfu ancient town.

This is a film and television base built by Luzhou with a huge amount of money. It integrates leisure tourism. It is relatively good, but it is a little far away from the urban area.

When I came to Qianfu ancient town, I soon found Qiao Fugang's shooting team. They were busy filming.

Wu Tian didn't disturb director Qiao's filming. Instead, he went to sit down in front of a sunshade and quietly watched the people of the crew busy.

It seems that everyone is very serious and devoted to their work.

CHAPTER 273:

As soon as Wu Tian Gang sat down, he saw an actor coming up and yelled: "silly boy, get out of here. This is my position."

"There are so many seats nearby. You can just sit down." Wu Tian looked up at the actor and didn't care about the boy.

"This is my position. What qualifications do you have to be equal to me?"

"is there any qualification that has the final say?"

"Go away." The actor was very angry and pointed to Wu Tian's nose and threatened: "if you don't go away, don't blame me for being rude to you."

"Fool!" Wu tianbai cast a glance at the actor, simply touched out a cigarette to light, puffed and smoked.

"You're looking for smoke." The actor is very impatient. After saying this, he is ready to fight Wu Tian.

But he was not close to Wu Tian. The green dragon beside the wine cup twisted his arm and pressed his head on the table.

The actor struggled to wriggle for a few times and roared: "how dare you treat me like this? Do you know who I am?"

"I don't know." Wu Tian didn't even look at the actor. He looked at the front and spit out three words.

"I am a famous star, Jiang Qi." The actor directly reported his name, thinking that Wu Tian would be afraid.

"Hoo!"

As a result, Wu Tian didn't like it. He took a puff of smoke and said with a smile, "even if you are the king of heaven, if you offend me, you will eat the soil."

Just after saying this, Qinglong forced Jiang Qi's face down and rubbed his mouth on the ground.

"Bah, cough, cough..."

Jiang Qi took a bite of tuba and coughed fiercely.

He was so angry that he yelled: "son of a bitch, how dare you let me eat dirt, I'm not finished with you."

"This time it's just dirt. Next time I'll let you eat shit." Wu Tian finished saying this and waved to Qinglong: "OK, let this boy go first."

"Yes." Green Dragon got the order, he let go of his hands and retreated to one side.

"Pooh, Pooh, Pooh!"

After Jiang Qi was free, he spat out some dirty things on the ground, pointed to Wu Tian's nose and growled, "Wang Badu, how dare you humiliate me? It's not over with you."

Such a roar soon alerted the crew.

Just after shooting a piece of play, Qiao Fu just came over with the crew.

Jiang Qi rushed forward and said to Qiao Fugang, "director Qiao, I've been beaten. How do you think this matter is?"

"Beaten?" As soon as I heard that he invited the popular flow star to be hit in the crew, Qiao Fugang was stunned.

Other members of the crew and actors are also surprised, did not expect that someone dare to

start in the crew against Jiang.

"That's the boy." Jiang Qi pointed to Wu Tian under the umbrella and yelled, "that boy hit me just now, director Qiao. Today you must help me teach this boy a hard lesson."

"Boss Wu?"

Qiao Fu just found out that Wu Tian didn't know when he was coming.

Slightly a Leng, pointing to Wu Tian, he introduced Jiang Qi: "his name is Wu Tian, and he is the investor of our film."

"Investors?" Jiang Qi Mou color is slightly surprised.

He was very surprised. He didn't expect that the boy was the investor of the film. No wonder he dared to be so arrogant in the crew.

Staring at Wu Tian for a few eyes, Jiang Qi once again said: "what about the investor? Even if he is an investor, he should not beat people in the crew."

"Mr. Jiang, I think this is a misunderstanding. Don't worry about it." Qiao Fu just became a partner, smiling and advising.

He's just an ordinary little director. Neither side dares to offend him.

One side is the movie investor, is his gold master, the other side is the popular traffic star, is the actor of this play.

"It's not over." Jiang Qi did not intend to give up.

If it's just plain and obvious, if it's hit by investors, it's sure to turn a blind eye.

But Jiang Qi is different. He is a popular film and television star with many fans. He has a high price, so he can't tolerate being beaten by investors.

"Cough!"

Qiao Fugang coughed awkwardly and tried to ask, "Mr. Jiang, what do you want?"

"He hit me and he has to apologize to me, or it won't be over." Jiang Qi yelled in a loud voice.

"Well, how about I apologize to you on behalf of boss Wu?" Qiao Fu just lowered his posture and flattered with a smile.

It is absolutely impossible for boss Wu to bow down and apologize.

But now, with Jiang Qi's attitude, if he doesn't apologize, he won't give up. He simply puts down his posture and apologizes to Jiang Qi instead of boss Wu in order to resolve the matter.

"Well, in the face of director Qiao, boss Wu doesn't have to apologize, but I have to deal with the boy." When he said this, Jiang Qi turned his head and glared at Qinglong.

Just now, it was Qinglong who hit him and pressed him on the ground to eat soil, which made

him lose face.

"No way."

Wu Tian didn't want to think about it. He refused decisively: "Qinglong is my brother, not a tool for you to get angry." "So boss Wu is going to fight against me?" Jiang Qi clenched his fists, and his angry face turned to pig liver color.

He had already made a great concession. He didn't expect that boss Wu would not give face at all. What a shame.

"If you don't find fault, there won't be so much nonsense." Wu Tian did not show weakness. He always had this attitude.

Not because the other side is a popular traffic star and put a low profile.

"Believe me or not?" Jiang Qi seems to be approaching, canthus teeth cold sound threat way.

As soon as the words came out, there was a little commotion at the scene, and everyone was frightened by the words.

In particular, Qiao Fugang, a flow star who was finally invited, heard that the other party would refuse to perform, so he rushed to please him: "Mr. Jiang, don't be angry, we have something to say..."

"Fart." Jiang Qi had no patience for a long time, and threatened: "I'll give you two choices, either let the boss Wu apologize, or I'll stop playing."

"This..." Geoffrey was just beginning to get embarrassed.

Let boss Wu apologize for such a thing, he is a director certainly can not do the master.

But Mr. Wan Yijiang's strike is equivalent to the lack of heavyweight stars, which is a heavy loss for the crew.

"Director Qiao, change this actor surnamed Jiang directly." Wu Tian pinched out the cigarette butt in his hand, looked up and ordered Qiao Fugang in a commanding tone.

For the crew, actors would rather be short rather than excessive, especially the leading actor and heroine. He would never allow such a black sheep to flaunt his power in the crew and tyrannize by virtue of fame and flow.

"Boss Wu, Jiang Qi is a popular star. If you change it now, I'm afraid it will..."

Qiao Fugang also wanted to get around. Before he finished speaking, he was interrupted by Wu Tianleng: "if you don't remove this actor, I will immediately withdraw my capital and recover all losses."

"Change it, change it now." Hearing this, Qiao Fu just knew the seriousness of the situation, turned to Yan Jie and said, "change people immediately."

He can't offend boss Wu because of this.

Don't say boss Wu is an investor. Even if he is not an investor, he can't offend him.

But I have seen boss Wu's influence in the entertainment circle before, and ordinary people dare not offend him.

CHAPTER 274:

In this way, the crew temporarily decided to withdraw from Jiangqi, suspend filming and look for a new hero.

This can make Jiang Qi angry. He is at least a famous star in the entertainment industry. He did not expect to be changed.

I've been busy for most of the day. I didn't finish the movie. I still played in the cast for nothing. I couldn't swallow the evil spirit.

Jiang Qi slowly approached Wu Tian and said: "boy, you have completely angered me this time."

"So what?" Wu Tian doesn't care. He doesn't pay attention to the famous star in front of him.

Originally, he hated this kind of fresh meat star who had no ability but could only play big brands. This time, Jiang Qi's face made him feel sick.

"Kid, if you offend me, I'll ruin your reputation and ruin your movie." Jiang Qi clenched his fists and said fiercely with his teeth.

"Well, I'm afraid you don't have that ability."

"Boy, it seems that you really don't know my strength." Jiang Qi bit his teeth and raised his head

haughtily: "let me tell you, my fans are all over the south of the Yangtze River. Even if they spit, they will drown your crew alive."

"Come on, you play one and let me see." Wu Tiangou fingers, cold voice provocative way.

"Good boy, you wait, wait for my fans to get angry." Jiang Qi, with a grim smile, turned and walked away quickly.

"Fool!"

Wu Tianan scolded and turned to Qiao Fugang and asked, "director Qiao, who found this actor?"

"Yes It's me. " Qiao Fugang, with an embarrassed smile, explained, "I'm worried that the flow of our new movies is not enough. I'm looking for Jiang Qi as the male host to improve the flow."

"Our crew is looking for the kind of powerful actors, not this kind of fresh meat." Wu Tian gave a silent warning, and told him, "I hope that when director Qiao chooses actors again, he must polish his eyes."

"Understand!" Qiao Fugang grabbed his head awkwardly and took the initiative to change the subject: "boss Wu, I have people prepare some simple meals. Let's eat first."

"Everyone is working hard, so let's have dinner." Wu Tian did not mention it again.

After all, director Qiao and the crew came from afar, so we can't keep chasing this thing.

"Dinner." With Qiao Fu Gang's order, the scene instantly became lively.

The meals in the crew were very simple, but everyone had a good time. Everyone had a smile on their faces.

Yan Jie took two portions of boxed rice, one of which was handed to Qinglong and the other to Wu Tian.

"Boss Wu, it's just like that in the crew. You can have whatever you like." The corners of Yan Jie's mouth sparked a shallow smile.

It doesn't look like a young woman. It looks like a girl of eighteen or nine years old. It looks a bit charming.

"Good!"

Wu Tian took the lunch box and said to Qiao Fugang and Yan Jie, "you come all the way. I'll sit in the East in the evening. Please go to the hotel and have a good meal."

"Boss Wu, we have to shoot in the afternoon and edit in the evening. We can't afford time." Qiao Fugang politely refused.

"Well, let's talk about dinner another day. I'll arrange accommodation for you then." Wu Tian didn't force him to put forward the proposal.

"Thank you, boss Wu."

"If you encounter any difficulties in Luzhou, let me know, and I will definitely try to help you solve them."

"There is no suffering for the time being." Qiao Fu just finished saying this, Chao Yan Jie made a look, "Yan Jie, you tell boss Wu about our crew's recent situation."

"Good." Yan Jie nodded and began to report the latest situation.

After listening to the situation in the crew, Wu Tian was very satisfied: "yes, you are excellent in all aspects, I really did not mistake you."

"The main reason is that Qiao has good leadership." When it comes to the key point, Yan Jie still does not forget to give Qiao Fugang a "gold stick".

"Director Qiao is really an excellent director. After the play is finished, we will find a wife for him." Wu Tian said half jokingly.

I've heard that Qiao's wife died in a car accident when she was young. She has been busy with her career and has been single all the time.

"That's a good suggestion, ha ha..." Hearing this, Yan Jie could not help but smile with her mouth covered.

"Cough!"

Qiao Fu just coughed twice, but he was a little embarrassed. He took the initiative to change the subject: "boss Wu, you have a rest, we continue to film, Yan Jie, you accompany boss Wu."

Having said this, he arranged for the crew to continue to work.

In shooting this aspect, Qiao Fugang is meticulous and takes every detail very seriously.

"By the way, does Joe have a woman she likes?" Wu Tian put down the lunch box and asked Yan Jie.

"No Yan Jie shrugged: "never see which woman she is interested in."

"In fact, you and director Joe are very suitable. How about a couple of you?"

"I don't want that old man." Yan Jie waved her hand and quickly retorted, "I just want to be busy with my career now, and I don't think about men's affairs." "What can I do about the emptiness, loneliness and coldness of sister Yan at night?"

"Stinky boy, you'd better take care of yourself." Yan Jiehong's face was angry, and she turned her head to the right side. She didn't want to discuss this topic.

"Here you are

Wu Tian took out a key and put it in Yan Jie's hand and said with a smile, "this thing is for sister Yan."

"What is this?" Looking at the key in her hand, Yan Jie frowned.

"The key to my house. If the acting sister is empty at night, you can go to me and I will help you

out."

"Go!" Yan Jie hurriedly returned the key to Wu Tian, and said with a red face: "sister, you are not rare to be such a little fart child!"

"If you say no, I'm afraid I've been itching for a long time."

"The more you say it, the more ridiculous it is."

"By the way, I'll arrange for you to have a rest at the Tianhao hotel in the evening." Wu Tian took back the key and said, "Tianhao hotel is my hotel. I will make people prepare dinner in advance. You are welcome."

"Boss Wu is really rich and bold."

"You work so hard that you deserve a reward." Wu Tian said this and stood up from his chair. "It's getting late. I'll go first. Later, you can help me talk to director Qiao."

With these words, he turned and walked towards the red flag car.

"Wait!"

Yan Jie got up to catch up with him and whispered, "this time you have offended Jiang Qi. With his shameless character, you will surely retaliate against you secretly. Be careful."

"A villain, I didn't pay attention to him."

"Jiang Qi has a strong appeal to fans. You should be careful and don't be careless."

"Sister Yan, if you care about me so much, you won't be attracted to me. Do you want to eat tender grass for old cattle?" Wu Tianzui has no way, and he can't help joking.

"Pooh!"

Yan Jie spat gently and scolded softly: "boss Wu is such a big man. He doesn't have a proper shape all day. How can he look like a boss?"

"It's reasonable and polite, but you don't have to be polite all the time. It's too tired to live like that." Wu Tian sighed and waved to Yan Jie: "you are busy first. I'm going."

CHAPTER 275:

After saying goodbye to sister Yan, Wu Tian returns to his residence by car and receives a call from sun Xiaohao as soon as he enters.

"Xiaohao, what's the matter with calling so late?" Connect the phone, Wu Tian on the phone to ask.

"Xiaotian, you don't know. You were scolded on the Internet." At the other end of the phone, sun Xiaohao's voice was obviously a bit agitated.

"Cursed?" Wu Tian slightly a Leng, toward the mobile phone urgent voice to ask: "I was scolded by who?"

"It's Jiang Qi's brain powder."

"Jiang Qi?"

"Yes."

"I see." Wu Tian probably knew what happened and comforted him on the phone: "don't worry. I'll soon be able to settle this small matter."

"What's going on? How can Jiang Qi's brain powder suddenly abuse you

"It's a long story. I'll explain it to you later. Don't worry about me. Go to bed early." Wu Tian said this and hung up the phone.

Then open the entertainment forum, found that under the leadership of Jiang Qi, many fans are crazy abusing Wu Tian.

Regardless of whether they are right or wrong, they all attack Wu Tian one-sided.

Some people even published Wu Tian's photo, school address and home address and other private things on the Internet.

Seeing these offensive language on the Internet, Wu Tian appears particularly angry and puts away his mobile phone and directly intrudes into Longyun's room.

Long Yun's hair didn't dry after taking a bath. Now he is reading in bed.

The young master suddenly broke in and let her face tight. She quickly wrapped up her body with a quilt. Ning Mei said, "young master, do you want to find me so late?"

"Something." Wu Tian sat down in front of the chair opposite the bed and said without expression: "some people attack Ben Shao on the Internet. You can find some computer experts and hack my website and forum."

"Now?"

"Yes, immediately, immediately."

"Well, I'll do it." After Long Yun answered, she grabbed her mobile phone and made two phone calls.

After calling Wu Tianhui, he reported: "young master, I have arranged someone to deal with it. Attacking your website and forum will soon be paralyzed."

"That's good."

Wu Tian nodded with satisfaction and waited for a few minutes before trying to open the entertainment websites and forums on the mobile phone.

Found that the website has been completely paralyzed, can not open at all, some website systems have even collapsed.

Seeing this situation, Wu Tian chuckled and couldn't help but extend his thumb to Longyun:

"good, very beautiful."

"Who has the young master offended?" Long Yun can't help but be curious, trying to ask a question.

"Is a popular star." Wu Tian bit his teeth and said angrily: "the other party called on the brain powder to attack me on the tire. It's really shameless."

"Should we wipe it out with the help of family forces?"

"No Wu Tian waved his hand and refused: "this kind of small role doesn't need a big fight. I can fix it myself."

"Yes." Long Yun didn't say anything more. Seeing that the young master didn't want to leave, he had to open his mouth to remind him, "young master, do you have anything else?"

"It's OK. You should have a rest early." After saying this, Wu Tian got up and walked out of the room.

Before leaving the room, Wu Tian suddenly said, "Secretary long, you are really sexy in black seductive style, and lace, I like it very much."

Then he walked away without looking back.

"Cough!"

Long Yun coughed a few times, and his face was suddenly embarrassed. He pressed his hand on

the neckline, and his heart beat speechless.

Just now, I've been covering my body with a quilt. I didn't expect to be seen by the young master.

Although the young master is a bit of color, fortunately, his character is not bad, and he has not done anything excessive to her.

She could not help but feel lucky to meet such a decent young master.

Besides Wu Tian, after leaving Secretary Long's room, he went directly into the bathroom and began to read after taking a bath.

Read books and go to bed late.

After a night of silence, he got up early the next day and began to practice martial arts after a simple wash.

Today is Sunday, no class, just take this opportunity to practice, try to improve their martial arts strength.

After practicing for several hours, he didn't stop practicing until noon. After dinner, he couldn't help turning on his mobile phone.

Found that there are still some abusive voice on the network, fortunately, are some small websites, and did not have much impact.

In the afternoon, Wu Tian took Qinglong to Tianmu technology company to discuss the latest development of the new operating system with his colleagues.

Wu Tian was very pleased to learn that the new system was developing smoothly. He immediately took out a sum of money from his own pocket and sent a red envelope to everyone.

The money of this red envelope is not much, but it is a kind of encouragement and affirmation for the employees, so that everyone is full of passion and enthusiasm for the work. After staying in the company for several hours, Wu Tian left the company and wanted to go home. On the way through Fuyuan restaurant, Wu Tian hurriedly asked Uncle Fugui to stop and propose: "Uncle Fugui, I haven't eaten in Fuyuan restaurant for a long time. Let's go in and sit down together."

"You go, I don't want to go in with you for dog food." Liu Fugui politely refused.

"Uncle Fu Gui, in fact, Shen Xue and I are just ordinary friends, not what you think." Wu tianguesses that uncle Fugui has misunderstood the relationship between him and Shen Xue. He wanted to take this opportunity to explain.

"Don't explain it." Liu Fugui grinned and said meaningfully: "those who are in charge of the game are confused and the onlookers are clear. The relationship between you is not general."

"Uncle Fu Gui..."

"Well, you go in. I'll wait outside."

"Well All right Wu Tian doesn't force him any more. It seems that uncle Liu misunderstands him deeply. He has already determined that Shen Xue and he are in a romantic relationship.

Now it's useless to explain so much. I'm too lazy to waste my saliva and walk straight into the restaurant.

Entering the restaurant, the manager of the lobby respectfully welcomed him and said with a smile, "boss Wu, I haven't seen you for a long time. We all miss you."

"Don't flatter." Wu tianbai looked at the manager of the lobby and said, "give me some special dishes and call Shen Xue out by the way."

"Mr. Wu, sit down first. I'm going to let the back chef serve the dishes." Having said this, the lobby manager ran to the back chef himself and arranged for the chef to serve the food to boss Wu as soon as possible.

Wu Tian found a seat by the window and waited less than ten minutes to see Shen Xue come out with the tray in his hand.

She put a few dishes in the tray on the table and asked with a smile, "how do you think of coming to eat today?"

"I haven't come to dinner for a long time. I want to try your craft." Wu Tian finished saying this and pointed to the position beside him, "Xiao Xue, have dinner with me."

"I didn't come here for such a long time. I thought you forgot me!" Shen Xue complained and sat down beside Wu Tian.

"Don't worry. I'll never forget it in my life." Wu Tian finished saying this, picked up chopsticks and ate them.

Xiaoxue's craftsmanship is still so exquisite. It has a unique taste and a fragrant taste, which makes people feel very good.

CHAPTER 276:

"Well, eat slowly." Seeing that Wu Tian is like a wolf, Shen Xue can't help pursing her mouth and laughing. She quickly takes out the paper towel and hands it over.

Wu Tian took the tissue and wiped his mouth. He said with a smile, "don't just look at me. You can eat it."

"Go, who's watching you." Shen Xue turned her white eyes and turned her head slightly to the right.

"Is it? Just now I don't know which little female dog is staring at me

"Stinking Wu Tian, who are you calling a little bitch?"

"I didn't scold you." Wu Tian licked his mouth and said with a full chuckle: "I said it was the female dog who stared at me to commit the flower mania."

"You, you, you..."

Shen Xuetu's face was flushed, and it took a long time to scold out a sentence: "you really hate,

ignore you."

"Ignore me, then I'll go." Wu Tian stretched out and got ready to leave.

As a result, Shen Xue hugged his arm and complained, "you are not allowed to go."

"Then do you pay attention to me or not?"

"I don't care about you."

"You woman, how can you be duplicity?"

"Eat your meal, what so much nonsense." Shen Xue bit his mouth and put a piece of braised pork into Wu Tian's mouth, trying to stop that cheap mouth.

Wu Tianmei chewed the stewed pork and could not help boasting: "Xiaoxue, your meat is really delicious, smooth but not greasy, tender and crisp."

"Whose meat?"

"Yours..." Wu Tian found out that he had made a mistake and quickly changed his words: "it's not your meat, it's your braised pork."

"Well, that's about it."

"If you have meat, I can't bear to eat it. Hey, hey, hey..."

"Fuck you." Shen Xue turns her eyes and picks up chopsticks to accompany Wu Tian for dinner.

While the two were flirting, a group of young men and women poured into the restaurant.

This group of people still hold a sign, which says Jiangqi fans support club.

Seeing these crazy guys, Wu Tian soon realized that these 80% were Jiang Qi's brain powder.

These fans didn't break into the restaurant to eat, but rushed to surround Wu Tian. They began to attack Wu Tian one after another.

Jiang Qi's group of brain powder is really not quality, swearing words are particularly ugly, vulgar and disgusting, it is really a great injury.

Some people call Wu Tian a scum, scum, animal, stepmother's son, and others threaten him to apologize to Jiang Qi.

Don't want to know that these fans are Jiang Qi's escape, just ran to attack Wu Tian.

"What's the situation?" Seeing so many people coming to scold Wu Tian, Shen Xue looks very

angry and puts his head close to Wu Tian and asks him in a low voice.

She wanted to find out what happened and why these people attacked Wu Tian like mad dogs.

"Movie star Jiang Qi, have you heard about it? They are fans of Jiang Qi. They came to attack me intentionally by Jiang Qi Wu Tian explained in a low voice.

"Why?"

"I taught Jiang Qi a lesson yesterday when he played big cards in the theater."

"I see." Shen Xue nodded and took a look at those crazy fans and frowned: "what shall we do now?"

"Let's get out of the restaurant first." Wu Tian said this and took Shen Xue's arm to leave.

He knows that reasoning with these fans now is tantamount to casting pearls before swine. It is better to leave first to avoid affecting the restaurant business.

As soon as I got up, I was stopped by the brain powder.

At the call of the leader, the group rushed to Wu Tian madly and threatened to make Wu Tian apologize.

To tell you the truth, Wu Tian has never seen such a crazy fan before. He's really mentally disabled.

Obviously, these people are brainwashed by Jiang Qi, and some of them are even bought by Jiang Qi secretly.

"Ah

In the crowd pushing and shoving, Shen Xue suddenly fell to the ground and made a scream.

Wu Tianxin was in a hurry and pushed aside the fans in front of him. He squatted on the ground and cared about Shen Xue: "Xiaoxue, what's the matter with you? Are you all right? "

"I got a bruise on my knee." Shen Xue was holding her knee in her arms. Her face was pale.

"Let me see." Wu Tian takes Shen Xue's small hand in front of his knee and finds that his knee has been broken, leaving a red blood mark.

Seeing the wound, Wu Tian felt a pain in his heart and was in a rage for an instant.

Originally, considering that these fans are bewitched and don't want to make a big deal, he never thought that these crazy guys are pushing their luck.

In a rage, he yelled to Qinglong and the manager of the lobby: "throw these mad dogs out to me."

"Yes Green Dragon got the order, he took several people in the restaurant and threw all the brain powder out of the restaurant.

Soon, the restaurant quieted down.

Wu Tian quickly reached out and lifted Shen Xue from the ground and ordered, "don't move. I'll take you to the medicine." With these words, he carried Shen Xue to the innermost lounge of the restaurant.

There are only two rooms in the rest room, which are not large in size. They are full of employees' clothes. They are usually here to change clothes.

Wu Tian put Shen Xue on the bed and apologized: "Xiaoxue, I'm sorry, but I didn't protect you."

"A little injury, no problem." Shen Xue smiles generously. Seeing that Wu Tian cares so much about her, she has long forgotten the pain in her knee and is warm in her heart.

"You have to apply medicine to avoid leaving a small scar. You lie down and have a rest. I'll go out and buy some medicine."

Wu Tian said this and ran out of the rest room.

Within a moment, he returned to the room with a large bag of medicine.

"My God Seeing such a big package of medicine, Shen Xue couldn't help exclaiming: "a little scratch, how can you buy so many medicines?"

"This is an anti-inflammatory drug for internal use, and this is an ointment for external application." Wu Tian pointed to the medicine and explained two sentences, then picked up the ointment, "lie down and don't move. I'll help you apply the medicine."

Finish saying, squeeze out ointment to daub in Shen Xue wound area.

"Oh

Shen Xuejiao called, and her white cheek turned red.

The knee is touched by Wu Tian. It seems that there is a worm crawling on it. It's itchy and numb.

"All right." Wu Tian smeared several kinds of ointment on her wound, and then asked anxiously, "besides the knee, are there any other parts injured?"

"No Shen Xue shakes her head and is taken care of by Wu Tian. She feels very happy.

"Here, I'll check it for you." Wu Tian grabs Shen Xuejiao Wan and checks carefully from bottom to top.

When he raised Shen Xue's right leg, the girl again uttered a coquettish cry. She quickly pressed down her skirt with her hands, blushed and whispered, "villain, where do you look?"

"I'm sorry, I..." Wu Tian quickly retracts his arm, hands embarrassed do not know where to put.

"You..."

Shen Xue bit her mouth, blushed and asked in a low voice, "you just What do you see? "

"White..."

"Ah, shut up." On hearing this, Shen Xue's pretty face was even scarlet, angrily scolding: "you just meant it!"

"I'm not careful."

CHAPTER 277:

"You're so annoying." Shen Xue clenched her lower lip, and her face was blushing.

"It's nothing to see."

"Villain." Shen Xue was so angry that she raised her leg and kicked Wu Tian. "I took advantage of me, but you said I'm not good-looking. You really hate it."

"I said the wrong thing." Seeing that the girl was angry, Wu Tian quickly changed her words: "Xiaoxue is very beautiful, charming and eye-catching..."

"Hooligan!" Who knows Shen Xue is more ashamed and indignant. He smashes Wu Tian's chest with a little pink fist.

"Er..."

Wu Tian was stunned for a few seconds and tried to ask, "should I say good-looking or not?"

She was angry when she said the girl was good-looking.

She was more angry when she said she was not good-looking.

"Then don't say it." Shen Xue rolled her eyes and climbed down from the bed. She said, "well, men don't have a good thing."

After this, he turned and left the lounge.

"Snow, slow down." Wu Tian ran after him and told him, "you have a leg injury. Have a good rest. Don't go to the kitchen."

"It's none of your business." Shen Xuehong's face was not angry.

"I..."

Wu Tian also wants to coax a few words. When he walks out of the lounge, he sees the restaurant attendants looking at him and Shen Xue with exaggerated and strange eyes.

Obviously, the restaurant staff misunderstood and thought that he and Shen Xue had done something about someone they could not see in the lounge just now.

"Don't get me wrong." Wu Tian rushed to protect in front of Shen Xue and explained to the restaurant staff, "I haven't done anything with Xiao Xue."

He doesn't care, mainly because he doesn't want employees to look down on Xiaoxue.

It's good if you don't explain. When he explains this, the staff's suspicious eyes are more intense.

"It's not what you think." Seeing that the staff didn't trust him, Wu Tian continued to explain: "Xiao Xue was injured just now. I helped her apply the ointment, but I accidentally looked at her
"Hiss..."

The words did not finish, feel the waist tender meat was pinched.

Turn head to see Shen Xuehong face to him softly drink to stop a way: "Hey, you don't say, more draw more black."

"I All right Wu Tian shrugged his shoulders in embarrassment and had to shut his mouth.

The current atmosphere, coupled with Shen Xue's shy appearance, is futile no matter how to explain it.

It seems that we have identified that he and Xiaoxue have that kind of improper relationship.

At this time, the lobby manager came to interrupt the embarrassment and exclaimed, "boss Wu, the more people who make trouble outside, what should we do?"

"Shit!"

Wu Tianan scolds, this just noticed that the crowd has been surrounded outside, are Jiang Qi's brain powder.

Those fans who were thrown out of the restaurant before did not leave, but entangled more fans to surround the restaurant, obviously to make things big.

If they are allowed to make trouble all the time, they are bound to lead the reporters here and make a random report at that time, which is very harmful to the restaurant.

No, we have to find a way to deal with it.

Jiang Qi is the key figure in this matter. If it was not for his encouragement, these fans would not be so crazy.

He decided to negotiate with Jiang Qi first.

At any time, as long as things can be solved peacefully, he will try his best to make peace. If there is no way, don't blame him for his ruthlessness.

Soon from Qiao Fugang there to Jiangqi telephone, directly dialed Jiang Qi's telephone.

After the phone call, Wu Tian said to his mobile phone, "I was Wu Tian, an investor in that year's Huakai film."

"It turns out to be boss Wu. Aren't you very corrupt? How can you remember to call me?" In the telephone, Jiang Qi a pair of complacent tone.

"Your fans are all around the restaurant, saying they want to attack me. If I'm not wrong, you're the one who deliberately scuttles behind your back?"

"When my fans heard that boss Wu bullied others, they spontaneously organized to fight against injustice for me..."

"Don't talk to me." Wu Tian interrupted impatiently and said to the phone, "let your fans get out of here and don't affect my normal life here."

"I can stand up and keep my fans away from you, but you have to have a press conference."

"Why do you have a press conference?"

"Kneel down in public and apologize to me. Please forgive me." Jiang Qi proposed such a cheeky condition.

"You're talking in your dreams." Wu Tian said impatiently, "I don't call you because I'm afraid of you. I just don't want to make things big. It's not good for you."

"Boy, are you still so arrogant

"You may have forgotten a word, water can carry a boat can also capsize a boat, your fans can praise you to the sky, but also can kill you alive." Wu Tian stopped for a moment and then said, "if you stop at the precipice now, I'll take it that nothing has happened." "What if I don't?"

"Then I'll ruin your reputation and disappear from the entertainment industry."

"Ha ha ha..." After hearing this, Jiang Qi couldn't help laughing.

After laughing for a long time, Jiang Qikai was very arrogant and said: "you boy is really boastful. I want to see how you ruin my reputation."

"I've given you the chance. If you don't know how to cherish it, don't blame me for being rude to you." Wu Tian said this, but he didn't want to talk nonsense any more. He hung up the phone directly.

Light a cigarette, slowly pace to the window, looking at those arrogant brain powder outside the window, his eyes calm without a trace of waves.

Stupefied for a few seconds, then he took out his mobile phone and dialed Li Mu's phone. He said, "let people black into Jiangqi's personal computer. I need his black material."

After making this call, he called Longyun again: "send someone to collect Jiangqi black material, the faster the better, the more the better."

After the two phone calls, Wu Tian turned back to the lobby manager and said, "don't be silly. We should do what we do."

"But..." The manager of the lobby frowned slightly and felt a little anxious.

Under the siege of those brain powder, there are no guests in the restaurant now, so it is not a way to go on like this.

"Do what I tell you. We should do what we want." Wu Tian repeated the same tone again.

"Yes." After the lobby manager answered, he told the people to keep busy.

Outside the restaurant, there was chaos, but inside it was orderly.

It seems that Wu does not care about the rest of the people who smoke outside.

"When is it? You're still in the mood to smoke." Shen Xue walked past, some of her flat mouth.

"Hey, hey

Wu Tian vomited smoke and said with a calm smile, "you're not angry about what you took advantage of just now?"

"Told me about that." Shen Xuejiao's face turned red. She soon recovered her calm and looked out of the window. "Why do you think those fans are so sincere to Jiang Qi?"

"It's not heartfelt. It's just that people have aroused negative emotions. Frankly speaking, it's a group of stupid people who are being used by others." Wu Tian laughs bitterly and shakes his head. He sees a lot of this kind of brain powder.

CHAPTER 278:

"It's no way to be entangled by them all the time, or we'll call the police?" Shen Xue bit her mouth and tried to make the suggestion.

"No use." Wu Tian puffed out a cigarette ring and said: "from the appearance, they just gathered to discuss the argument. There was no illegal act. It was useless for the police to come."

"What shall we do? Is that how you're going to die? "

"Everything has a cause and effect. To solve things, you have to find out why they do it."

"Why?"

"It's simple." Wu Tian shook the ash and said patiently, "the reason why they did this is because they were bewitched by Jiang Qi."

"I know that."

"The crux of the problem is why they were bewitched by Jiang Qi."

"Why?"

"Yes." Wu Tian looked up at Shen Xue standing in front of her, pointing to her head, "you don't have a brain, think about it yourself."

"I I can't think of it. "

"I can't blame you..."

"Go to you, don't hurt me." Shen Xue rolled her eyes and then said, "don't interrupt. Why are those fans bewitched by Jiang Qi?"

"Because Jiang Qi is the object of their worship, so they stand in the same camp with Jiang Qi."

When Jiang Qi gives in to them, they can arouse their negative emotions and regard Jiang Qi's enemies as their own enemies..."

"It's too complicated." Shen Xue rubbed her head and went straight to the key question: "then tell me what to do now?"

"The way is very simple. As long as Jiang Qi is ruined, his fans will naturally be disappointed and even hate Jiang Qi."

"How can Jiang Qi be ruined?"

"I've had people secretly collect black material from Jiang Qi."

"Are you sure he has black material?"

"As long as people have a shadow, with Jiang Qi's character, there are not a few black materials." Wu Tianyi looks confident.

"It seems to make a lot of sense." Shen Xue nodded with approval, and then turned her tone: "I always don't understand. How can your brain melon seeds work so well? Everything you can think of? "

"Because I have a small chest."

"Go, no serious." Shen Xue rolled her eyes, covered her mouth and giggled.

Every time I am with Wu Tian, I feel carefree and happy.

Sometimes when I haven't seen Wu Tian for a few days, I feel absent-minded and absent-minded, and have no motivation to do anything.

She didn't want to admit it, but she had to admit that she was attracted to Wu Tian.

But this guy's mind she some can't guess, also is not good directly to ask, she is a girl, can't take the initiative to express it.

"Do you still have pain in your knee?" After smoking a cigarette, Wu Tian snuffed out the end of the cigarette and couldn't help but care.

"Only a little." If you don't, Shen Xue has forgotten that he has a knee injury.

Together with Wu Tian, she can forget all the pain and worry. I'm really worried that one day she will be inseparable from this boy.

"Don't stand, sit down." Wu Tian took Xiaoxue and sat beside him and suggested, "otherwise I can massage the wound for you to activate blood circulation and remove blood stasis?"

"Not at all." Shen Xue was scared and pressed her skirt with her hand. She refused with a red face.

Wu Tian saw what Wu Tian shouldn't have seen in the lounge just now. He felt very shy. At that time, he wanted to find a place to drill in.

Now with so many waiters watching, she is even more embarrassed to let Wu Tian touch her

body, so as not to be embarrassed again.

"It's like I'm going to take advantage of you." Wu Tian smiles bitterly and shakes his head. Seeing that Xiaoxue is so alert, he does not force him to take medicine and apply medicine on time

"Well."

"By the way, I'll give you a few days off, and you'll go home and have a good recovery."

"It's just a little injury. There's no need to make a fuss about it."

"Don't talk nonsense." Wu Tian instantly changed into a bully president, a pair of unquestionable tone said: "from now on, go home to rest, come back to work in three days."

"All right." Shen Xue nodded her head, sweeter than honey.

"Well, I'll let uncle Fu take you home..."

"Wait a minute. I'll see you deal with the brain powder before you go home."

"No problem." Wu Tian nodded and touched out a cigarette to light it again.

When he saw Shen Xue's frown, he quickly put out his cigarette.

Shen Xue was deeply moved by this small move. He laughed and asked, "why don't you smoke

when the smoke is lit?"

"You are injured now. Smoking is not good for your wound." Wu Tian said this and threw his cigarette into the dustbin.

"It's very considerate of you. Whoever marries you will be happy." When Shen Xue said this, her smile was more brilliant than flowers.

"I'm very considerate of not having a beautiful girl."

"You..." Hearing this, the smile on Shen Xue's face disappeared in an instant, and he spat out a sentence: "big radish with flower heart." "Hey, hey

Wu Tian grinned and didn't refute. In his opinion, there is no man in the world who doesn't love his heart. As long as he is a normal man, he will have a heart.

Just then, the cell phone in my pocket rang.

It was Li Mu who made a phone call. After only saying a few words, the corner of his mouth was filled with a smile of schadenfreude.

Just after answering Li Mu's call, he received a call from Long Yun.

The call made him more excited. He said a few words to his mobile phone and hung up.

This phone call makes Shen Xue's face a bit ugly, cocked his mouth and questioned: "was it a woman who called you just now?"

"Yes."

"Well, you're a woman."

"This woman was my secretary just now."

"Oh It is said that it is the secretary. The haze on Shen Xue's face is dispelled. She is in a good mood."

"Just now the secretary called and found a lot of black material from Jiangqi." Wu Tian took a sip of tea and then said, "Jiang Qi is such a scum. I heard that he had his female fans abortion for him."

"What a scum." Shen Xue scorned a sentence.

"More than that, Jiang Qi not only harms female fans, but also has sex with old women in order to be on top."

"Gee, it's disgusting."

"Regardless of the entertainment industry, those who are obviously beautiful on the surface, most of them are dirty, and people who sell their bodies and dignity for starroad are everywhere."

"Is Huang Lan such a woman?" Shen Xue deliberately leads the topic to Huang Lan, which is obviously a hint.

"No!" Wu Tian shook his head and denied: "sister LAN will not sell her body and dignity. She is the cleanest woman in the entertainment industry."

"How do you know she's clean?" Seeing Wu Tian so protect that female singer, Shen Xue felt a little sad.

"I know sister LAN. She is a very strong woman. She will not sell her body even if she dies."

"Even if the body is clean, the heart is dirty." Shen Xue spits out such a sentence.

I don't know what good that woman has. Let Wu Tian defend her like this.

CHAPTER 279:

Seeing that Xiaoxue is very angry, Wu Tian doesn't mention sister LAN any more, and quickly switches off the topic: "now I know the black material of Jiangqi, and then there is a good play to watch."

"What are you going to do?" Shen Xue asked in a depressed mood.

Originally in a good mood, but a mention of Huang Lan, the mood inexplicably became a lot worse.

She is not stupid. She has already seen that the woman named Huang Lan has moved her heart to Wu Tian.

The woman's face is beautiful and her figure is more sexy than her. The key point is that the woman is still a popular singer. I'm afraid any man can't control it.

Maybe Wu Tian is also fascinated by the woman.

"I have asked Secretary long to expose these black materials to the media, and I believe it will soon cause a sensation in the entertainment industry." Wu Tian didn't notice Shen Xue's displeasure, and a winning smile appeared on her lips.

As long as Jiang Qi's black material is exposed, I believe that Jiang Qi will soon be criticized by public opinion, and there will be no less abuse.

"It turns out that anyone who is against you is going to have a bad day." After hearing this, Shen Xue can't help but feel a little sympathy for Jiang Qi.

Jiang Qi is a celebrity in the entertainment industry. It took him several years to get to this point. However, he will be ruined and his star career will be ruined.

It's strange that the boy offended Wu Tian. He can only die.

"I don't get into trouble, but I've never been afraid of anything. I've offended me, and I'll double his pain." Wu Tian looks up at the window with a murderous look in his eyes.

Shen Xue was shocked by this kind of eyes and tried to ask: "if one day I hurt you, would you use such cruel means to me?"

"We are friends. How can you hurt me?" Wu Tian conceals the murderous spirit in his eyes, and instantly becomes more gentle.

"I mean, what would you do to me if I accidentally hurt you and became your enemy?"

"I'll try to turn an enemy into a friend."

"Don't worry, we will never be enemies."

"I hope so."

Shen Xue looks up at the window with a sentimental look.

Both of them didn't speak. They sat in a daze, thinking about their own thoughts.

I don't know how long it took. The manager of the lobby came to break the embarrassment. He saw an entertainment newspaper in his hand. "Boss Wu, there's news, there's big news."

"Is it related to Jiang Qi, saying that he caused his fans to abort him and borrow an old woman to take over the position?" Wu Tian was very calm and asked with a smile.

"Boss Wu, how do you know?"

"Because I sent people to dig up all these big materials."

"God The lobby manager couldn't help but stretch out his thumb and boasted, "boss Wu, you are really a God."

"Come on, show me." Wu Tian reached for the newspaper and saw Jiang Qi's news on the front page of entertainment.

Shocked, Jiang Qigang made female fans abortion for him when he just started. After the incident, he tried his best to buy the female fans and suppressed the matter.

Shocked, Jiang Qi was hidden by a 55 year old female boss in the middle of her career, so she had a chance to play the leading role and became famous overnight.

These two big materials can be fatal to Jiang Qi. In an instant, they make others collapse and change the image of a good man into a dreary man.

After reading the two news, Wu Tian was very satisfied and asked the manager of the lobby, "what's the matter with the brain powder outside the restaurant?"

"When the fans learned that Jiang Qi was such a bad man, they were very disappointed and despairing. Even many people felt heartache. The fans also turned from pink to black because of love and hatred, and they all clamored to attack Jiang Qi..."

"Good." Wu Tian was very satisfied. He put down the newspaper and said, "it seems that things have reached the expectation."

"Those brain powder have a feeling of being cheated, and I believe they will soon run to besiege Jiang Qi."

"Go, give the fans Jiang Qi's address and itinerary."

"Hello After the lobby manager answered, he ran out for a walk and took Jiang Qi's address and formation.

After getting the address of Jiangqi, the brain damaged powder clamoured to attack Jiang Qi one after another, and soon left the restaurant in a swarm.

In this way, things were solved perfectly.

Only then did fans understand that they were cheated by Jiang Qi.

The image of Jiang Qi's scum and scum has been deeply rooted in the hearts of the people, and has been reviled and despised by all fans. Everyone spontaneously blocked Jiang Qi.

For a moment, Jiang Qicheng became a street mouse, and everyone yelled at him.

Soon, Wu Tian soon received a call from Jiang Qi.

As soon as I got through, I heard Jiang Qi's hysterical voice: "Wu Tian, are you kidding behind your back?"

"Yes, I'm just looking for someone to dig up your dirty black material." Wu Tian said with a smile

to the mobile phone.

"You are so shameless."

"I can only use shameless means to deal with such a despicable person as you." Wu Tian laughed twice and said in a cold voice, "I told you that I would let you fight against me, so as not to be ruined. You don't listen. Now you know how to regret it?" "Wu Tian, you're a jerk. I'm 18 generations of your ancestors. You wait. I'm not finished with you." Jiang Qi roars this word, hang up the mobile phone directly.

"You'd better not fool around, or you will be doomed." Wu Tian whispered to himself, put away his mobile phone and said to Shen Xue, "Xiaoxue, go, I'll take you home to recuperate."

"Good." Shen Xue nods gently.

"Shall I carry you in the car?"

"No, I'm not that coquettish." Shen Xue shakes his head and politely refuses.

Although she likes being spoiled by Wu Tian, she doesn't want to be laughed at by her colleagues.

What's more, she also wants to keep that precious and shy, and she can't lose herself just because she likes Wu Tian.

"Well, let's get in the car." Wu Tian didn't force him to go outside the restaurant.

Just out of the restaurant, received a call from Huang Lan.

Staring at the phone hesitated for a few seconds, connect the phone and say: "Lan elder sister, do you want to find me something?"

"Nothing." At the other end of the phone, Huang Lan's voice was a bit soft and charming, "what's the matter with Jiang Qi?"

"It's nothing. The boy played big cards on the set. After I taught him a lesson, he used his fans to retaliate against me."

"That kind of scum is worse than a pig or a dog." Huang Lan secretly scolded, then concerned: "how are you now?"

"I'll find someone to dig up the black material of Jiangqi, and I believe it will soon bring Jiang Qi into disrepute."

"It turns out that you exposed all those black materials from Jiangqi."

"Yes, it's me."

"Well done." Huang Lan boasted a sentence, Jieqi way: "such scum as Jiangqi should get out of the entertainment circle."

"I didn't want to quarrel with him, but he was forced too hard. Don't blame me for my ruthlessness."

"Xiao Tian, as far as I know, Jiang Qi is a vicious dog. I'm afraid I won't let it go. Be careful."
Huang Lan was not at ease.

"Don't worry, I have my own discretion."

"That's good." Huang Lan finished saying this, then turned her tone: "how about the new movie you invested in?"

CHAPTER 280:

"After breaking the contract with Jiang Qi, the new film is a hero." At present, Wu Tian is worried about the hero.

In fact, Qiao Fugang and Yan Jie can handle this kind of thing, but they are not very relieved. They are worried that they will find such scum as Jiang Qi to play the leading role.

"I have a suitable actor. How about recommending it to you?" At the other end of the phone, Huang Lan tried to ask.

"Certainly not." Wu Tian was so happy that he couldn't help asking, "how about character and acting?"

"Don't worry, the character and acting skills are first-class, and the film pay is not high."

"That's good, LAN elder sister's fancy person certainly can't be bad."

"Well, I'll ask him to go to your production team to find director Qiao. How about further negotiation on specific matters?"

"Well, I'll trouble sister LAN." Wu Tian now has a special trust in sister LAN.

After all, Lan Jie's popularity and strength in the entertainment industry are obvious to all, and she is a real strength singer.

And she has a high vision, and the people she likes will not be bad.

The most important thing is that Lan Jie sincerely wants to help him, and there is no conflict of interest with him.

"Stinky boy, if the actor I recommend is suitable, you can invite my sister to dinner." Huang Lan's charming voice came from the phone.

"Certainly."

"Well, let's make it another day."

"Goodbye, sister LAN." Wu Tian hung up the phone and walked towards the red flag car on the street.

After a few steps, she remembered that Shen Xue was forgotten by him. She turned around and

saw that Xiaoxue was still standing at the door of the restaurant, biting her mouth and looking very angry.

Shit, I just ignored Xiaoxue just now.

Hurry to run over to take Shen Xue's arm and smile: "go, get in the car, I'll take you home."

"Who called you just now?" Shen Xue looks up at Wu Tian with that kind of catch traitor's eyes.

"It's sister LAN."

"It's a lovely call." Shen Xue's nose was sour, and she pulled back her arm. "What's that woman looking for you?"

"Talk about something about work..."

"Hum!" Shen Xue didn't finish listening to her, she snorted and walked in the opposite direction.

Wu Tian rushed to catch up in front of Shen Xue, "Xiao Xue, didn't you say let me take you home?"

"No, Miss Han." Shen Xue pushes Wu Tian away, stops a taxi to get in, and soon disappears in front of him.

"Hello..."

Wu Tian wants to cry without tears. What kind of woman is she? When she mentions Huang Lan, she looks like an explosive bag.

Sometimes really do not understand women, inexplicably angry, inexplicably become a big vinegar jar.

Originally, I wanted to explain a few words to Xiao Xue and coax her to be happy. As a result, the woman didn't give him an opportunity to explain, so she took a taxi and disappeared.

Seeing the taxi disappear in front of his eyes, Wu Tian had to sigh deeply and turn back to his own red flag car.

Rich uncle started the car, but at the same time he couldn't help laughing: "young master, it seems that Miss Shen is jealous."

"Sister LAN called me. What kind of vinegar does this woman eat?" Wu Tian shook his head speechless.

"A woman's heart, a needle in the sea, you'll gradually understand."

"Shen xuena is good, but his heart is too small." Wu Tian secretly complained and told Liu Fugui, "Uncle Fugui, let's go home."

"Hello After Liu Fugui answered, he turned the car and drove toward home.

Back home, Wu Tian first went to the bathroom to take a bath. After the bath, he got into his study and began to read and study.

As he looked at it carefully, he heard footsteps outside the room.

Is it Secretary long?

No, Secretary long and Qinglong should be asleep at this time. Is there anyone else in the room?

Wu Tian put down his books and walked out of the study carefully. He tried to shout to the outside of the living room: "Secretary long, Secretary long..."

After shouting twice without any response, Wu Tian crept out of the room and turned around to look around. He found that there was movement in the direction of the toilet.

Slowly walk to the outside of the toilet, listen to the side of the ear, make sure there is movement in the toilet.

Hearing the movement, Wu Tian Mou color a tight, body close to the door, kick the door open with a kick.

After kicking open the door, he was silly. He saw that Long Yun pressed her skirt with her hands in panic. She looked at him in surprise, and her eyes were full of shame and indignation.

The girl is squatting on the toilet to solve the problem. Seeing Wu Tian break in, she quickly presses down on her skirt.

"Young master, you Why did you come in? " Long Yun pressed the skirt with her hand, and her eyes were full of vigilance and shame.

"I Take a walk. " Wu Tian grabs his head awkwardly.

I thought that there was a thief at home and hid in the toilet. I wanted to do something bad. But I didn't expect Secretary long peed in the toilet.

"Ah?"

Long Yun opened his mouth and asked, "young master, how do you run to the toilet for a walk?" "I That... " Wu Tian scratched his head awkwardly and asked, "Secretary long, what are you doing in the toilet so late?"

"In the toilet, of course, it's pee. What else can I do?"

"I thought Secretary long was hiding in the toilet and eating shit."

"Young master, you..." Long Yun's face was embarrassed, with some anger and resentment in his eyes.

"You're kidding. Don't get angry."

"Young master, do you have anything else to do?" Long Yun pressed the skirt with her hands, and her face became more and more ugly.

"It's OK."

"Can you go out first?"

"ok! " Wu Tian nodded and glanced at Longyun's skirt. He scolded him: "Secretary long, why are you so tight? Are you still worried about my young master's peeping at you?"

"Please go out first, young master. I want to pee." Long Yun bit the mouth, face ugly low voice urges a way.

If the man in front of her was not her young master, he would have been furious and scolded, and he would have been driven out.

"Secretary long, you go to the toilet so hard, do you want me to help you?" Wu Tian didn't have a word to talk about. He deliberately abused the way.

"Cough!" Long Yun dry cough a few, a face depressed way: "thank you for your kindness, I don't need help."

It's really flattering. If you want to take advantage of it, you can say it directly and find such a mean excuse. It's really irritating and funny.

"Then I'll go first." Wu Tian waved, turned out of the toilet, and threw out a sentence before going out: "Secretary long, you taste really Sao, almost didn't smoke Ben Shao."

"Cough..."

Long Yun coughs fiercely, almost did not choke to death by oneself saliva.

Wu Tian walks out of the toilet and closes the door as he leaves.

I thought someone broke into the toilet just now, so I opened the door of the toilet. But I didn't expect Secretary Long was in the toilet. As a result, there was a big black dragon.

After a stretch, I went back to my study and continued reading.

When he was serious about reading, he heard the trivial footsteps coming from outside the study again. Thinking it was Long Yun, he didn't pay much attention to it. He continued to read at the table.

"Bang!"

With a dull sound, the door of the study room was suddenly knocked open.

Jiang Qi and three thugs burst into the room.

To tell you the truth, Wu Tian was surprised to see Jiang Qi break into his house in the middle of the night.
