“Oh wow! Mr Niu, I was going to go over to visit you this afternoon. I didn’t think you’d beat me to it,” said Ye Ya when one of his guests arrived. Ye Ya quickly straightened his clothes and beamed as he brought his wife over to welcome him.

Ye Ya smiled as he reached his hand out and held Mr Niu’s hand warmly.

“Oh my. Mr Ye is a big shot in our town now and a famous entrepreneur in the county. How can you visit me? I should be the one calling on you. Come, Honey. Say hi to Mr Ye. We will need Mr Ye’s help if we are to make any money in the future.”

After they met, they kept chatting and asking after each other.

But Mr Niu was a shrewd man. He knew that he would need Ye Ya’s help in the future, so he humbled himself before Ye Ya and put him on a pedestal.

Ye Ya clearly enjoyed his fawning and couldn’t help smiling from ear to ear.

He even called his son, Ye Jian, and said, “Jian, come over and say hi to Uncle Niu.”

“Dad, coming right over!” replied Ye Jian when he heard his father calling and immediately put his head up high.

Ye Jian finally had the chance to strut around like a rooster!

Ye Jian took out his phone and checked his hair before running over smugly.

Before he left, Ye Jian purposely glanced at Ye Fan proudly as though he was showing off.

“Is this your son, Ye Jian? Oh my, he’s so tall now! You’re as handsome as your father. Do you have a girlfriend yet? Or else, I have a niece I can introduce you to,” praised Mr Niu nonstop the moment Ye Jian came over.

Ye Jian and his family were ecstatic from his flattery.

Ye Ya’s wife beamed and replied, “Oh, you’re so kind, Mr Niu. Come on in and have a seat.”

Ye Ya’s family led Mr Niu and his wife into the Ye residence.

Niu Ji-Li quickly walked over to Old Master Ye and said reverently, "Happy New Year, Old Master Ye. I am friends with your second son, Ye Ya. My name is Niu Ji-Li, and I'm the director of a feed mill. Your son is such a talented man, and your grandson looks so handsome. You're all set to relax and enjoy life, right?"

Niu Ji-Li offered Old Master Ye a gift as he smiled and spoke to him.

Everyone liked to hear their offspring get flattered at this old age.

Old Master Ye felt so happy from hearing Niu Ji-Li that it felt as though he had eaten honey, and he beamed particularly brightly.

"You're absolutely right. I'm very happy with my youngest son and his son. Mr Niu, don't be shy. Please take a seat and have some tea to warm yourself," replied Old Master Ye courteously.

Niu Ji-Li put down his gift and quickly sat down next to Ye Ya.

Barely before Ye Ya had warmed his seat, more guests arrived at their door.

Chapter 771 Who on Earth Is That?

“Mr Du from the Fair Wind Flour Mill is here!”

“Mr Tian from the Red Star Brick Factory is here!”

“Mr Zhu from the Prosperous Stone Factory is here!”

Guests arrived as cars pulled up outside the residence.

The boy at the door received the guests and shouted their names one by one.

Hordes of people kept coming by to visit like water bursting from a broken dyke!

“Oh my! Welcome!”

“Happy New Year! Thanks for coming!”

Ye Ya and his family busied themselves as guests arrived to visit them one after another.

Ye Ya shook their hands and asked after them while his wife smiled and helped welcome them.

Ye Jian was kept busy too. He kept greeting

his elders and did his best to play his part as the young master of the Ye family.

Before long, the Ye family's living room was bustling with activity.

The empty tables and chairs were filled with guests.

The scene was really grand.

"My goodness!"

"They have so many guests!"

"Ye Ya's family has stolen the limelight."

"So many guests turned up because he's so capable."

"They are all scrambling to pay their respects!"

"Ye Ya's family must be the one with the most guests this year."

"Look at how impressive his family is!"

Their neighbors looked on from outside the old residence and sighed enviously at Ye

Ya's massive turnout.

They felt that it was worth dying for if so many people visited them for Lunar New Year like Ye Ya.

"What do you think, Ye Fan? Do you still think you can compare to us? Look at all the guests who have come to visit our family? And what about you? Both you and your mother are just sitting around without a single visitor. You look so pathetic that even I pity you. Shall I tell Dad to send some guests your way, so things don't look as lonely and sad for you folks?"

They were kept busy for almost an hour before they finally found some time to catch a breather.

Ye Jian sat back down in the courtyard. Then he picked up his teacup and drank lots of tea.

Ye Jian couldn't help ridiculing Ye Fan while he drank tea.

He was so bigheaded that it seemed as though he was a crown prince who had just ascended the throne.

Chapter 771 Who on Earth Is That?

Ye Fan was unmoving and didn't bother with him.

Instead, it was Jiang Yu-Lang and Jiang Yu-Qing who were sighing enviously. Jiang Yu-Lang said, "Jian, did you make a killing this year? I recall you only had four or five guests last year, but this time, you've got more than ten guests already and they've filled two tables. That's simply incredible!"

"That goes without saying," replied Ye Jian cockily, "Yu-Lang, I'm not bragging here. Our food factory is already the biggest business in town. I plan on expanding the business and making Jianya Food Factory one of the top three businesses in the county."

"Jian, you're incredible! You're the best! You are a role model for all of us! Come, Jian. Let me offer you a toast with this tea," flattered Jiang Yu-Lang before he and Jiang Yu-Qing toasted Ye Jian with tea.

After toasting Ye Jian, Jiang Yu-Lang immediately looked at Ye Fan in disdain.

"What do you think, Ye Fan? Can you finally see how much better Jian is? No matter what a smart mouth you are, the truth is,

you're insignificant and as trivial as an ant. You are the truly vile one and a frog in the well! What else do you have to say about yourself now?" said Jiang Yu-Lang in ridicule.

Ye Jian's heart brimmed with arrogance as he looked at Ye Fan smugly.

He looked at Ye Fan loftily as though he were an ant.

Ye Jian and his father had stolen the limelight without a doubt.

All the entrepreneurs praised him for being so capable at such a tender age. They were confident he would have a bright future and bring the family glory.

In comparison, Ye Fan was just a useless live-in husband and a spectator.

Ye Fan could only stand on the sidelines and watch in admiration as everyone paid tribute to Ye Jian.

And the useless Ye Fan would have no part in this glory!

Just as Ye Jian gloated...

A black Cayenne slowly pulled up outside the old residence.

All the neighbors looking on from outside exploded when they spotted the car.

“Oh my god!”

“Is that a Porsche Cayenne?”

“It must cost at least a million, right?”

“Who can drive such a posh car?”

“Heavens, who on earth is that in the car?”

The people outside were going crazy with excitement.

Villagers like them who farmed for generations felt cars worth tens of thousands were already considered luxurious. Now they were looking at a million dollar posh car straight out of the movies with their own eyes, so everyone was dumbfounded.

They felt anyone who could drive a posh car like this must be a truly influential man.

“Oh my god!”

“Ye Ya is incredible!”

The crowd was in an uproar outside.

The Porsche Cayenne was like a huge rock that had fallen into the ocean and caused waves of tsunami in the already bustling town.

Ye Tian looked out the window when he heard the commotion. He instantly smiled at the sight of the car and said, “Ya, don’t just stand there. More guests have arrived. Hurry over and invite them in. Judging from the posh car, it must be a big shot.”

Ye Ya nodded and said, “Honey, Jian, let’s go

out and receive our guests!”

Ye Ya remembered to call his wife and son along to welcome their guest, since he wasn't going to steal all the limelight for himself when it came to showing off.

But shortly after they walked out of the living room, the boy receiving guests at the door said melodiously, “The General Manager of Lei Group, Mr Gu Jia-Xiang is here!”

What?

Lei...Lei Group?

General...general manager?

Ye Ya's mind exploded like a thunderclap when he heard this.

After the thunderous rumble, Ye Ya was at a loss!

His foot paused in mid-air, and he didn't dare to continue walking over.

“What on earth? The Lei Group? Don't tell me it's Lei Group from Jingzhou that belongs to the Lei family? Master Lei San is directly

affiliated with the company! Well done, little brother. I didn't think you would be able to invite the GM of Lei Group. That's incredible!"

Ye Tian was equally surprised when he heard someone from Lei Group was knocking on their doors. He was so shocked that he couldn't stay seated.

In an instant, there was something different about the way he looked at his little brother.

Ye Tian never had much regard for Ye Ya, no matter how well Ye Ya's business was doing.

After all, Ye Tian knew best about how well Ye Ya was really doing.

He knew that Ye Ya's business had an inflated reputation. The reason he could become the model business in town this year was because of him.

So Ye Tian didn't think much of his little brother because his business was small-scale.

But Ye Ya was now connected to the Lei family, so everything changed.

Chapter 772 Here to Visit Mr Chu

Ye Tian had heard of Gu Jia-Xiang too.

Ye Tian met Gu Jia-Xiang once the year before when the county wanted to invite foreign investors.

Although he was not from the Lei family, he had high status in Lei Group and was Master Lei's trusted subordinate.

He was the one helping Master Lei take care of a lot of important matters.

Even Ye Tian had no right to meet someone as important as Gu Jia-Xiang.

But now Gu Jia-Xiang had come over to visit them for the holidays because of his little brother, so Ye Tian's opinion of Ye Ya naturally changed.

"Oh wow!"

"Mr Ye has hidden his talent well!"

"I can't believe he knows Gu Jia-Xiang?"

"It's the Lei family from Jingzhou!"

"Tsk tsk tsk..."

Chapter 772 Here to Visit Mr Chu

“That’s incredible. Simply incredible!”

“Mr Ye is going to rise through the ranks and become a big shot in no time!”

“Dude, don’t forget about us after you succeed.”

Gu Jia-Xiang’s arrival clearly stirred a commotion in the Ye residence.

Ye Ya’s business partners who had come to visit him for the new year congratulated him and kept flattering him.

But Ye Jian wasn’t so sure about it.

He didn’t recall his father having anything to do with a massive corporation like Lei Group.

Did his father hide it from him?

Ye Jian looked at Ye Ya perplexedly and asked softly, “Dad...Dad, have...have you met anyone from Lei Group before? Is Mr Gu really here to send well wishes for the new year?”

“I...I guess so,” stuttered Ye Ya. His voice

sounded like he was clearly somewhat panicky and thrilled at the same time.

How could he not be thrilled?

The GM of Lei Group was here to see him!

Even though Gu Jia-Xiang merely worked for the Lei family, he managed hundreds of billions worth of assets, so he was certainly a giant in the corporate world. How could those feed mills and stone factories from a small town compare to him?

Ye Ya spent his life ingratiating himself to influential men like Gu Jia-Xiang with trepidation, and it was the first time a giant like him visited, so Ye Ya was beside himself with joy in his heart.

He was so smug he felt as though he was floating in the air!

Good heavens, had Ye Ya become so important that even the Lei Group would send representatives to visit him?

Ye Ya initially suspected these influential men were here to visit his older brother, Ye Tian.

## Chapter 772 Here to Visit Mr Chu

But if Ye Tian was the one who invited them, he would probably have already walked out to receive them.

Given the situation, Ye Ya was certain the GM of Lei Group was here to visit him!

“Stop standing around. He’s already on his way in, so go over and welcome him,” said Ye Ya’s wife conceitedly. Her face flushed crimson as she urged Ye Ya to bring her and Ye Jian over to welcome Gu Jia-Xiang together.

She could spend the rest of her life bragging about someone as important as Gu Jia-Xiang visiting them.

So Ye Ya’s wife couldn’t wait to go over.

In the end, Ye Ya decided to bring his wife and son over with him.

“Hoho! Happy New Year, Mr Gu! I visited Lei Group half a year ago, hoping to see you, but you were too busy. I didn’t think Mr Gu would visit us personally during the holidays. It’s such an incredible honor. Also, you even came bearing a gift. You’re too kind. Small fry like me is completely undeserving of it,”

Chapter 772 Here to Visit Mr Chu

said Ye Ya. The moment he saw Gu Jia-Xiang, he hurried over and shook his hand.

He held Gu Jia-Xiang's arm with both hands and chatted.

At the same time, he signaled for Ye Jian to collect the gift from Gu Jia-Xiang.

But Ye Jian failed to take the gift from Gu Jia-Xiang.

Gu Jia-Xiang seemed to have no intention of handing over the gift.

He was dressed in a neat suit and looked perplexed as he scrutinized these people.

"Ye Ya?" asked Gu Jia-Xiang perplexedly before he shook his head. "You must be Mr Chu's relatives, right? Can you please bring me to him? I have something to tell him."

Hmm?

"Mr Chu? Mr Gu, aren't you here to wish us a happy new year?" asked Ye Ya. His entire family went into shock.

"Wish you a happy Chinese New Year?"
