

I' m Sorry My Love Novel Chapter 1344 - 1345

Chapter 1344

Suzi: “.....”

There has never been a moment of despair in my heart.

She took the only one, and since coming back to Nancheng with this Arron for more than a year, she has always been very stable, don't worry about anything, and don't have any sense of crisis.

Not only that, she also made friends.

Moreover, in my spare time, I can also ask about the life and death of Sister Shan.

She hasn't had a sense of crisis for a long time.

At this moment, a sense of crisis suddenly spread all over Suzi's body.

The heart gradually became cold.

It's just that, compared with himself six years ago, or even a year ago, Suzi is more calm and indifferent than then.

It was Arron's wife after all.

The calm posture learned from Arron alone was enough for Suzi to cope with the situation before him.

The so-called losers do not lose the battle.

Even though his heart was flustered, Suzi was also very calm on the surface.

She wants to wait and see what happens next, but she is thinking about how to get out.

This thought of watching the change did not last more than three minutes, and Suzi saw a person rushing in from the door of the hotel.

The man was jeweled, carrying a large bag in his hand.

Suzi was silly when he saw it.

The person here is not his mother-in-law Qin Wenyu, who is it?

I saw Qin Wenyu carrying a big bag and a small bag first came to Gu Jianing and handed the bag to Gu Jianing: "Sister Jianing, my sister-in-law doesn't know what you like, so I bought it for you in the mall upstairs. Look at you, the first time I saw my sister-in-law, I gave me millions of diamond earrings..."

Suzi: "....."

The two mothers and daughters, the pattern is really not small.

Is willing to spend capital.

The so-called wolves who are reluctant to put their children together! This is really very appropriate when applied to Gu Jianing.

"Sister-in-law, look at you, you are so foreign. When I was a child, I knew Zhengxiong brother when I was still wearing diapers, but I have been abroad for more than 30 years. It happened to go to school out of town. I heard that you are brother Zhengxiong's favorite."

Qin Wenyu immediately smiled very happily: "My brother Zhengxiong and I have lived in the same boat for a lifetime."

"Yes, my sister-in-law, I also treat Zhengxiong as my own brother, so you are my sister-in-law. It is normal for my sister-in-law to give diamond earrings to my sister-in-law. Buy me so many gifts." Gu Jianing's sister-in-law took a bite.

It was as if Qin Wenyu was really her sister-in-law.

Qin Wenyu was yelled and couldn't even tell the east and the west. She only said kindly: "Sister Jianing, my sister-in-law knows that you are sensible. I would rather be here with my daughter and accompany your brother Zhengxiong. I don't want to follow me upstairs. Buying

gifts, so my sister-in-law can only choose what she likes. I don't know if you like it or not. Open it and have a look."

"I like it, I like it all, what my sister-in-law bought is good." Gu Jianing didn't look at the gifts.

But her heart was full of joy.

The diamond earrings bought for Qin Wenyu were actually the money Fu Zhengxiong gave her.

It is equal to the left hand in and the right hand out.

However, the things Qin Wenyu bought for her Gu Jianing were really good products. Gu Jianing didn't need to look at them, and knew that they absolutely liked them.

She packed the big and small bags, and said to Qin Wenyu:
"Sister-in-law, you should look at my Zhengxiong brother now, Zhengxiong brother was just getting angry."

Qin Wenyu just remembered that the old man called and asked her to come down quickly, as if he had caught Suzi.

She only noticed that Fu Zhengxiong was glaring at Suzi.

And Suzi...

Qin Wenyu saw Suzi being held by two security guards, but Suzi's expression was as calm and indifferent as before.

Chapter 1345

This woman!

Qin Wenyu lost his temper after thinking about it.

She immediately came to Suzi, raised her hand and fell heavily on Suzi's face.

Suzi: "....."

“Zhengxiong! Who did she hook up with? People? Today, we caught a manifestation and immediately sent her to Arron, and let Arron see what she really was.”

“And Mr. Shu! I have to show Mr. Shu anyway, this is his good granddaughter! Now it seems that Suzi is not as good as his fake granddaughter!”

With that, Qin Wenyu raised his hand and wanted to hit Suzi again.

At this time, another person came in at the door of the hotel: “Don’t beat my daughter! Who beats my daughter, who I will fight!”

Hearing this voice, Suzi’s heart suddenly became sour.

She looked back at Alyce who ran over in a panic: “Mom, why are you here! What are you doing here?”

After asking, she felt that she should not blame her mother.

She came to this Qingshan International Hotel where she knew temporarily, how could her mother know?

Unless someone informs the mother in advance.

Suzi looked at Gu Jianing: “It’s you, you let my mother come?”

“It’s me!” Fu Zhengxiong blocked the responsibility on himself.

This is what Gu Jianing had agreed with Fu Zhengxiong in advance. After a while, Alyce came, and this matter was on Fu Zhengxiong’s head.

Fu Zhengxiong has been fascinated by Gu Jianing these days, and he can be regarded as obedient to Gu Jianing.

“I told your mother to let her come. Your mother is an elder, and we are considered to be in-laws. Naturally, if you have a relationship with us, we will solve it face to face. If the evidence for you to raise a wild man outside is conclusive, we will catch it. If you do, you can only let your mother take you home!”

“Yes, from now on you and our Fu family, it doesn’t matter! Because you are derailed in marriage!” Qin Wenyu added.

Hearing Fu Zhengxiong and Qin Wenyu condemning their daughter at the same time, Alyce immediately opened his arms to stop her daughter: “You...who dare to bully my daughter!”

“Alyce, your daughter called the upper beam not right and the lower beam crooked!”

“The Shu family’s face and the Fu family’s face are all lost by your daughter!”

At this moment, it was really when Gu Jianing gave full play to her own specialties. Her three-village tongue can really stir the situation in the entire South City.

However, Alyce is not someone who has never seen the world.

That’s it, all she has to do now is to calm down.

While protecting his daughter with both arms, Alyce also looked around, before and after: “I said that my daughter had cheated on her marriage. What about your evidence? Show me the evidence...”

Alyce didn’t finish her words. The man with his arms around Suzi broke in again ten minutes ago. He looked at Suzi and Alyce in surprise.

Then looked at Fu Zhengxiong and Qin Wenyu, as well as Gu Jianing and Gu Xiaoqing.

After scanning a circle, the man immediately pushed away the two security guards and hugged Suzi: “Don’t be afraid of Suzi, I will protect you. No matter what happens, I will stand with you...”

Suzi looked at the man holding her very calmly: “What is your grudge against me? Are you trying to frame me like this?”

The man pretended to be crazy and behaved stupidly: “What’s wrong with you Xiangxiang, you... are you mad, it’s okay, it’s okay if we can’t be together, I’ll protect you...”

Suzi: “.....”

She almost got angry with Qiqiao, and then raised her wrist to hit the man.

But at this moment, another man in a hard-dressed man broke into the door. The arrival of the man shocked the hotel staff.

The black man with strong attire barged in and scolded Suzi: “You are so innocent!”

Say yes, the man in the black costume didn't say anything, he just quickly came to the man Mi who was holding Suzi, and kicked the man away.

Then, the man in black costume came to the man again and stepped on the man's chest: “Say, are you Gu Xiaoqing's dog licking!”
