After hanging up the phone, Master Hogan paced up and down in the living room.

“Housekeeper!” Master Hogan yelled after walking around twice.

When Mr. Todd heard the sound, he immediately ran over.

Mr. Todd: “Master, what are your orders?”

“Hurry up! Tell the kitchen right away that there is a distinguished guest coming tonight. Tell the kitchen to prepare quickly. I don’t

know what the daughter of the Lawson family likes to eat... Hurry up and ask the lady.”

“Okay! Is the daughter of the Lawson family coming?”

Mr. Todd confirmed.

“Yes! This daughter of the Lawson family really has a unique eye! She watched the video of Lucas fighting, and she fell in love

with Lucas! I really don’t understand the young people nowadays! But I am very happy hahaha! Go find

Lucas.” After Master

Hogan finished speaking, he strode towards the auxiliary building.

The bodyguard guarding the auxiliary building saw Mr. Hogan coming, and immediately opened the door of the auxiliary building.

Seeing Mr. Hogan coming, Mrs. Perry immediately said with a frowning face: "Master, Young Master Hogan hasn't eaten for two days. No matter how much I try to persuade you, it won't work. He locked the door behind him. I want to open it for him. He can't even get in the food. Even if he has a body made of iron, he can't help but go on such a hunger strike!"

Master Hogan frowned, looking for a spare key.

A quarter of an hour later, Master Hogan found a spare key and opened the bedroom door.

Lucas lay on the bed, motionless, not sure if he fell asleep or fainted from hunger.

Master Hogan felt a little embarrassed when he thought of the punishment he had given him before.

"Lucas, I heard that you haven't eaten for two days, so I asked the servant to cook porridge for you. You can have some porridge

later!" Master Hogan finished speaking, and reached out to pat Lucas's face outside the quilt.

Lucas lifted his hand away, sat up suddenly from the bed, and looked at him with hostility: "Say what you want to say, don't be hypocritical here!"

Seeing that his son was still alive, Master Hogan felt relieved, “I admit that I treated you a little harder a few days ago, and I apologize to you. Also, I shouldn’t have locked you up. I was afraid that you would run around. Thopiavelle is very big, and it is not the same as your mother’s. If you get lost, I can’t tell your mother.”

“Did my mother call you?” When Lucas said these words, his stomach convulsed.

He hadn’t eaten for two days, and his energy for arguing with his father was weakened.

“No. How can your mother care about you now? She has a new boyfriend, and she might give birth to a younger brother or sister

for you!” Master Hogan said, and changed the subject,

“The daughter of the Lawson family will come later.

She wanted to meet you by name. So...”

“That’s it. I said, why are you pretending to be a loving father?” Lucas sneered, “Looking at your flattering smile, Lawson family is even more powerful!”

“What are you talking about? Lucas, after I bring you back, I will provide you with food and drink, and I will send a servant to

serve you. If you don't make such a big fuss, you think I want to punish you? You are my own son, I only hope for your wellbeing, how could I harm you? I know your stepmother doesn't like you, and you have been wronged, but you are going to college soon, and you won't see your stepmother much."

Master Hogan said, and out of the corner of his eye, he saw Mrs. Perry bringing the porridge.

Ask Mrs. Perry to bring the porridge right away.

"Even if the daughter of the Lawson family doesn't come today, I will come to see you tomorrow at the latest." After Master

Hogan brought the porridge bowl over, he wanted to feed Lucas the porridge with his own hands.

Lucas was disgusted and quickly pushed the porridge bowl away.

Lucas: "What do you want me to do? Chat with Lawson family's daughter? Or let me marry her?"

"She just want to meet you, not necessarily willing to marry you! What kind of daydream are you kidding! If the daughter of the

Lawson family is willing to marry you, then our Hogan family's ancestral grave will be smoking haha!" Master Hogan was just

fantasizing like this. After a while, he was so happy that he could not close his mouth from ear to ear, “Lucas, you should take advantage of this opportunity. The Lawson family is very rich, and they love this daughter very much. If you can be with her, you can save twenty or thirty years of struggle in the future. You’re about to finish the porridge. Then go take a shower and change into clean clothes. By the way, do you have decent clothes to wear? How about I buy them for you now?”

Master Hogan looked at his son.

Among the three sons, Lucas was the most handsome, because Lucas looked like his mother.

“I have a request. If you don’t agree, I won’t see you even if the king of heaven comes today.” Lucas didn’t give his father time to think, and made a request, “Get Siena back. And promise, as long as she doesn’t If you ask to leave, none of you can drive her away. The double salary promised to her must also be fulfilled!”
