

Magic Doctor:CEO Lady's Humble Husband

Chapter 1946

At the moment, the martial arts circle in Beijing, as well as the Internet, about Gao Han challenging Chen Fei, spread quickly.

Someone wrote a detailed description of the cause and effect, and also brought a video of the competition.

Of course, the cause and effect of the article is simply that Chen Fei injured Gao Lei, Gao Han came to revenge, and was injured by Chen Fei.

.....

Shao Yun smelled the speech and said with a smile: "in that case, it's settled. Let's get ready! "

Realizing this, he nodded his head and said, "my teacher once told me to learn more from you. I listen to my master. "

The three decided and looked at the young monk.

Lu Lei also thought of something and said with a smile: "I heard that Liang Yu is a beautiful woman. I don't know if I can have a chance."

Baichuan nodded and said, "that's right."

Shao Yun nodded and said, "it's Liang Yu. I've heard that Liang Yu has built a special hall on Xiangyun mountain in the suburb of Beijing. It's very elegant and exquisite. Why don't we make an appointment to visit it? "

"Zhao Hu comes from the army. It's hard to talk. The rest of Liang Yu is a good choice. " Baichuan looks at Shaoyun.

On one side, Shirakawa pondered: "among the top ten, the sixth is a southern casual practitioner, who we are not familiar with. The other positions are basically ours. In addition to the second place and the third place Liang Yu

"Others!" What does Lu Lei think of? "Brother Shao, are you talking about other people on the list?"

Shao Yun said with a smile: "we have some grudges with Chen Fei. We ask him out directly for fear that he won't keep the appointment. But if it's someone else, he might keep the appointment. "

"Brother Shao, what can you do?" Lu Lei asked.

On one side, Shao Yun said with a smile: "if it's difficult to make a direct appointment, I have a way."

Lu Lei was stunned for a moment.

Baichuan was slightly surprised, and then said: "brother Lu wants to make a direct appointment with Chen Fei. I'm afraid he won't come out."

With that, Lu Lei directly felt out his cell phone and was ready to make a call.

"What can't be underestimated. Isn't it just hype? His real strength, in my opinion, is just like that. It's not worth mentioning. " Lu leihao said, "if you don't believe me, I'll ask Chen Fei to come out and fight with him to make up for you."

Bai Chuan said with a smile: "brother Lu is heroic, but Chen Fei can have today's status and fame. I'm afraid his strength can't be underestimated!"

The rest of the burly man is Lu Lei, a disciple of the Lu family. He

was a hot tempered master. Hearing the words, he patted the teacup on the table and said: "Brother Shao, brother Bai, little monk. If you want me to say, you're all too fussy. If I ask Chen Fei out directly, I'll get rid of him and understand everything. "

The young monk is the awakening monk of thousand Buddha Hall. He is very young, but he is only 18 years old. But his expression was calm and heavy. When he heard Shao Yun's words, he gave a faint smile. Amitabha said in a soft voice, "benefactor Shao, I'm wrong. Just wake me up. As for Chen Fei, I think we have a chance to meet in the trials. "

With that, Shao Yun looked at a very young monk and a burly man on the other side and said with a smile, "what do you think of master Jue Wu and brother Lu?"

Shao Yun smelled the speech, laughed and said confidently: "he Chen Fei has long been the meat on the chopping board. If you want to move him, you can do it anytime. Don't worry

This Brother Shao, of course, is Shao Donghua's nephew, Shao Yun, who ranks first in the list.

Then, Bai Chuan looked at the man in the suit and said with a smile, "Brother Shao hasn't moved all the time. Doesn't Brother Shao want to fight against Chen Fei?"

Baichuan laughed and said, "I just played a move of chess. I'm not surprised that Gao can see it."

The white robed man is no one else. He is Mei Changlin's disciple of QIANXING academy, that is, Bai Chuan, the fifth in the selection list.

A young man in casual clothes picked up his tea cup and laughed. Then he said to a man in a white robe: "brother Bai, it seems that the Gao family is not stupid. They don't want to be your chess pieces."

At the same time, in a luxurious and quiet manor in the northern suburb of Beijing, several young men sat together, with teacups in

front of them, smiling and talking softly.

For these extreme guys, Chen Fei is even more lazy to pay attention. Most netizens will not believe it.

Chen Fei's reputation on the Internet is so little clarified. Of course, there are still some people who tirelessly scold Chen Fei for leaving messages. In their mouth, Gao Zun and Gao Han father and son clarify the video, but also under the pressure of Chen Fei, helpless.

But one day later, Gao Zun and Gao Han, father and son of the Gao family, took the initiative to show that it was a misunderstanding. Gao Lei's serious injury has nothing to do with Chen Fei.

In this regard, Chen Fei completely ignored and did not explain anything. In a word, the Internet is full of hype.

Many netizens accused Chen Fei of bullying, secretly not angry. Some netizens even disliked the upsurge of "flying backwards" on the Internet, calling on everyone to boycott Chen Fei and refuse to buy Chen Fei's products. At the same time, they reported to wudaomeng and asked to cancel Chen Fei's qualification to participate in the trials.

All kinds of rumors spread, and Chen Fei's reputation has been greatly affected.

.....

"Yes, first of all, I hurt Gao Lei. Other people's elder brother came to talk about it, and he wounded Gao Han again. He wantonly bullied others by force. It's too bad. "

"To win is to win, but I don't like Chen Fei any more. Just hype. It's too much to bully and bully now. "

"Gao Han only ranks 14. Chen Fei ranks seventh. If you beat Gao Han, what can you boast about?"

"Before, who said that master Chen had his name? Now, this is

master Chen's strength."

"Master Chen is really powerful. In three moves, he can defeat fourteen Gao Han. It's amazing."

As soon as the news came out, it immediately caused a heated discussion on the Internet.

The closer to the start of the trials, the more heated the discussion about the players. There are not only comments and comparisons from various netizens on the Internet.

There are even special TV stations and video websites that invite some martial arts experts to comment on and compare the martial arts on the list, and infer who will win the final victory.

Among these players, the most popular one is not Chen Fei or Shao Yun, but Liang Yu.

Chapter 1947

The main reason is that Liang Yu is the only woman in the top ten. Besides, she is a beautiful woman.

Some photos and videos about Liang Yu have been exposed on the Internet. In the antique courtyard, Liang Yu is wearing a light gauze and walking slowly in the mist, just like a fairy falling from the sky.

For a time, it caused numerous netizens to pursue Liang Yu. Someone even found Liang Yu's "green bamboo house" in another courtyard on Xiangyun mountain, waiting for a long time at the gate of the other courtyard, hoping to see the beauty.

At the moment, Chen Fei can understand them.

No wonder countless men never forget Liang Yu. They stay outside and don't want to leave.

For a moment, the noble saint and the charming lady appeared on the

woman at the same time. It's amazing, and it's more and more prying.

But under the translucent veil of her body, the white skin and gullies, which are indistinct, give people a kind of unspeakable temptation.

Green bamboo at the door, at the moment Chen Fei looked at the woman in front of him, nodded slightly. This woman's face is really exquisite and beautiful, and her whole body is as noble as bamboo.

.....

"It's master Chen. It's him. I'm sure."

"I think he looks familiar. It seems that he is similar to master Chen."

"Before the guests, Liang Yuke has never personally met ah!"

"Liang Yu came out to meet this man himself. What's his status?"

"It's really beautiful Liang Yu. Take a quick picture. Hurry up!"

"That, that's Liang Yu."

Passers-by see, a glasses all look straight, with a look of consternation.

On the contrary, a woman in a light green gauze dress came to the gate of qingzhuju, bent slightly, and said to Chen Fei, "master Chen's presence makes my humble home shine!"

After Chen Fei crossed the safety line, the guard in qingzhuju didn't make a move.

But then they saw a scene that shocked them.

Many people shake their heads and sigh. It seems that they have foreseen the tragic ending that is coming to Chen Fei.

.....

"Another one who's fooled by beauty, and who doesn't want to die."

"Didn't you hear us? Don't get close

"Boy, you don't want to die, come back quickly!"

Roadside people see this, immediately began to talk.

Then, without stopping, he continued to march towards qingzhuju.

Chen Fei gently smile, said: "thank you for reminding."

.....

"Just wait here with us. Beauty Liang should come out. Then she will be able to have a look."

"Don't get close, brother. In front is the safety distance set by Liang Yu. If you cross the safety line, the people inside will do it. "

"Brother, you're here for Liang Yu, too."

Seeing Chen Fei close to qingzhuju, someone on the side of the road made a sound to remind him.

Chen Fei knows that some of these people are gossip reporters, and some of them come for Liang Yu's good name. However, their status is ordinary and they are not qualified to enter.

When Chen Fei approached the bamboo house, the roadside around the bamboo forest was full of people.

Looking at the cornice in front of him from a green bamboo forest, Chen Fei stepped closer and said: "this green bamboo house is not a loss of fame. Sure enough, it's elegant and fresh. Even the aura of heaven and earth here is a little stronger than that on the ordinary ground. No wonder Liang Yu built another courtyard here. "

At noon the next day, Chen Fei, dressed in casual clothes, came outside the green bamboo house.

Then, a loud noise and Chen Ziling's cry came from the room.

"You little girl, I haven't taught you a lesson for a few days, and your skin is itching again, right?" Chen Fei rolled up his sleeve and went to Chen Ziling, "let me try your strength and see if there is any progress."

Chen Ziling gave Chen Fei a white look, "brother, I think you are an excuse. I want to hook up with that beauty. Look, I don't tell my sister-in-law that you're going around in her absence. "

"It's best for you to have confidence, but you can't be wrong if you are more prepared." Chen Feidao.

Hearing this, Chen Ziling glared at Chen Fei and said, "brother, we are all disciples of master. Why are you sure? I'm not sure. You look down on me. I'm sure I can beat those guys. "

"I have no problem with the two places in the trials. But the other one, Ziling, you may not be sure. So it's more sure to get to know your opponent in advance. " Chen Fei looks at Chen Ziling.

"Don't be ridiculous." Chen Fei glared at Chen Ziling and then said, "however, Liang Yu can be ranked third. It's no harm to know more before the competition."

Chen Ziling shriveled his mouth and said: "brother, what do you mean, you don't understand! They have a crush on you and want to invite you in. "

Putting the delicate and fragrant invitation on the table, Chen Fei looked at Chen Ziling and asked, "Ziling, what do you mean by Liang Yu?" However, Chen Fei, who usually doesn't pay much attention to the Internet, didn't understand these contents at the beginning. It was not until he received an invitation from Liang Yu that he learned something about it on the Internet.

On the whole, none of them is not a strong expert in the list or a noble person in each major family.

For a time, many people on the Internet are talking about it. Some even listed a cousin who was invited by Liang Yu to enter Qingzhu residence.

Of course, to some extent. Also let can be invited to enter the bamboo house of martial arts, also won a different kind of glory.

In the past few days, except for some people with the same status and high strength who were invited by Liang Yu to enter qingzhuju, no one else could get close to qingzhuju.

As a result, the number of people living outside of Qingzhu is much less.

After this, the madman realized. This young beauty is not a net star, but a real martial arts master, not an ordinary person can covet.

As a result, as soon as he stepped into another hospital, he was bounced out and fell to the ground, covered in blood and flesh, dying and half dead.

However, Liang Yu has always lived in seclusion, without a trace, ordinary people simply can not capture Liang Yu's whereabouts. Some brave warriors have dreamed of breaking into the green bamboo house and getting to know the beauty.

However, Liang Yu's temptation to Chen Feilai was just a moment of surprise. Then, with a smile on his lips, Chen Fei said, "it's my honor to invite Miss Liang to you."

"Master Chen, please come in." Although Liang Yu is famous and powerful. But in front of Chen Fei, he didn't show any pride. Instead, he respected Chen Fei very much.

Chen Fei nodded slightly, then stepped into the green bamboo house.

Chapter 1948

The green bamboo house is not small. Chen Fei can see that the environment is elegant, quiet and full of aura. It's a very good place for recuperation.

After walking for a few minutes, Liang Yu and Chen Fei come to the front of an antique wooden house.

Before entering the room, Chen Fei smelled a faint fragrance of pure sandalwood, and the sound of Qingyue piano came out, which was refreshing.

At the moment, Shao Yun said in a voice: "Miss Liang, it happens that all of us here are the players who are going to participate in this trial. Let's take this opportunity to exchange martial arts with each other, so that we can promote each other and make progress. "

After the tea ceremony, they chatted a few words. Lu Lei and they looked at each other, and then they looked at Liang Yu together.

For a time, several people praised.

It has to be said that Liang Yu's tea art is very good, not only elegant and charming posture, good materials, brewed tea is also fragrant and far away, the taste is endless.

In such a situation, they can only suppress their anger and begin to wait for Liang Yu to make tea.

Just at this time, Liang Yu came in with the tea set and began to make tea.

A few people cold hum, eyes cold.

At this time, Chen Fei said with a smile: "don't be surprised. I'm just fascinated by the dance, but I didn't hear your words for a while. Excuse me, excuse me!"

This time, not only Lu Lei, but also Bai Chuan and Shao Yun almost lost their temper.

"You -"

facing these people's fierce eyes, Chen feidun for a few seconds, then slowly put down the cup, looked at some people, and said: "are you talking to me?"

The monk didn't speak, but he looked coldly and came over.

Shao Yun also said coldly: "master Chen is famous. Maybe he has never heard of us little people."

However, one side of Baichuan held him, snorted and said in a voice: "it seems that master Chen didn't pay attention to us

This time, Lu Lei's eyes were red, and he almost started because he was angry.

Chen Fei still did not pay attention, light drink a cup of tea.

Seeing this, Lu Lei's face sank, and he said in a voice, "some people are not very good at it, but they are very good at it."

In the face of satire, Chen Fei's face is indifferent, and he doesn't pay attention to his meaning.

Lu Lei, who is hot tempered, is the first to open his mouth again. He says coldly: "master Chen, who is hot on the Internet, is just like this. It seems that it is better to meet each other

After Liang Yu retreated, the four people on the opposite side looked at Chen Fei more directly without any cover up.

Liang Yu naturally understood the meaning of Chen Fei's eyes, but her face was as usual. She pretended to know nothing and said with a smile, "wait a moment. I'm going to make tea for you."

Thinking of this, Chen Fei looks at Liang Yu.

A few people, all enemies of their own, are gathered here at the moment. To say that it was an accident, Chen Fei would not believe it.

Behind Lu Lei is the Lu family where Lu Yang and Lu Xuanling live, behind Baichuan is the thousand Star Academy, and behind the enlightenment monk is the thousand Buddha Hall. Let alone Shao Yun, the Shao Donghua behind is obvious.

Before the online rankings have been introduced, Chen Fei naturally also has an impact on them. Chen Fei also knows the background of these people.

After the introduction, Chen Fei looked at several people and couldn't help squinting slightly. His eyes stayed on several people for a few more seconds.

When Liang Yu heard the speech, she gave a little meal, but still with a smile on her face, and took the initiative to introduce: "master Chen, this is Lu Lei, the eighth in the selection list. This is the fifth in the list. This is the Fourth Enlightenment master on the list. Finally, this is Shao Yunshao, the first in the list. "

Chen Fei light way: "Miss Liang is the host, who to invite, is your freedom."

At the moment, Liang Yu said to Chen Fei, "master Chen, these are also young martial artists from Beijing. They all participated in this competition. I'd like to invite some of them to join us. Does Master Chen mind?"

Looking at the strange appearance of several people, Chen Fei faintly feels a little bit wrong.

.....

"As soon as I saw you today, I didn't expect master Chen --"

"this is master Chen, who is very popular on the Internet. It turns out that he looks like this."

"It turned out to be a young master. I've been looking up to you for a long time."

Several people look at Chen Fei, pretending to be just informed.

At the end of the speech, Liang Yu immediately looked at Chen Fei and introduced him to several people: "this is master Chen Fei, who is famous in the capital recently. I specially invited master Chen to my humble abode today. "

Beside them, there was a young monk. At this moment, without saying a word, it is the consciousness of the thousand Buddha Hall.

Around Baichuan, Shao Yun, dressed in casual clothes, said with a smile: "we are all acquaintances, so we don't have to be polite. Please take a seat. I've heard that Miss Liang Yu's tea art is unique. I can't wait to taste the tea made by Miss Liang herself. "Behind Lu Lei, Bai Chuan, dressed in a white robe, has a handsome face. He holds a folding fan in his hand and says with a smile: "Miss Liang, don't blame me. Brother Lu's words are just a joke."

Liang Yu turned her head and said with a smile, "I'm sorry, Mr. Lu. It's the little girl who is impolite. Please take your seat

It was Lu Lei who was talking about a big young man.

With the sound, several young men stepped in.

"Liang Yu, when are you going to be polite! Did Miss Liang forget us

Two people politely, at this moment, suddenly a heavy male voice,

interrupt their conversation.

.....

Liang Yu said, "I can't compare with master Chen

Chen Fei arched his hand slightly and said, "Miss Liang has been praised falsely. Miss Liang Yu is very famous. It's my honor to be invited by Miss Liang. "

"Today, I invite master Chen to come. I have heard about him for a long time. I've never been able to see you. I'd like to invite you to see Master Chen. " Liang Yu is smiling.

Liang Yu led Chen Fei to a seat and said with a smile, "master Chen, please take a seat."

But at this time, they are here as maid and dancer, also can see Liang Yu's deep background.

These women are absolutely selective. Everyone's figure and appearance are excellent. If you take them outside, they are definitely not inferior to all kinds of female stars on TV.

Inside, several young women in gauze and thin skirts are playing the piano. In the middle of the room, there are several other women dancing.

Chen Fei nodded and stepped into the cabin.

"Master Chen, please come in!" Liang Yu smiles at Chen Feidao.

"It's a good way. It's only a few days before the game. I'll have a good time."

"It's also good to drink so much tea and exercise."

.....

Chapter 1949

Seeing this, Liang Yu said in a voice: "since several young masters are interested in fighting, let's go to the backyard. There is a training ground there. "

"Please Miss Liang." Shao Yun gets up, and Lu Lei follows them immediately.

Immediately, Liang Yu looks at Chen Fei and asks.

The light of the knife is flying and the strength of Qi is roaring.

With the words, Lu Lei's tiger sword dances out countless shadows. With the fierce sword spirit, it forms a curtain wall and attacks Chen Fei.

He gave a sharp drink, his legs worked hard, and suddenly rushed to Chen Fei, "Chen, you are too crazy. Then I'll teach you a lesson. "

This word, like a heavy hammer, smashes Lu Lei's heart hard, which makes Lu Lei's anger more intense.

"Of course, if Mr. Lu really doesn't think it's suitable, then I'm still empty handed." Chen Feidao.

At the moment, facing Lu Lei with a gloomy and angry face, Chen Fei said faintly: "this green bamboo, I use it together."

"Amitabha!" The monk of consciousness, who has never uttered a voice, now calls out a voice of Buddha.

Bai Chuan snorted: "if he didn't choose weapons, he agreed to choose weapons, but he picked up a piece of bamboo from the ground. It's more exciting for brother Lu than not choosing! Brother Lu is the one who can't stand the most stimulation. "

Shao Yun glanced at the corner of his mouth, showing a sneer, and said, "he's acting like this. Is he trying to show his authority in front of us on purpose?"

Liang Yu looked at Chen Fei and said in a voice, "master Chen is really, really - has a character!"

Liang Yu and Shao Yun are also changing their faces.

Seeing this, Lu Lei's face was stunned. Then he was as deep as water and said angrily, "Chen, are you teasing me?"

Ignoring Lu Lei's sarcasm, Chen Fei finally stooped down, picked up a bamboo with arm length beside the weapon rack, weighed it in his hand, and said, "I've chosen it. This is my weapon."

After a few minutes, master Chen was impatient? Or are you afraid? If so, just give up and don't waste your time. "

As he spoke, Chen Fei went to the weapon rack, looked at it carefully, and walked back and forth. Facing dozens of extremely refined weapons, he did not choose the weapons he needed.

Hearing this, Chen Fei sighed and said, "in that case, I'll choose a weapon."

Hum, I don't care. But I, Lu Lei, don't need others to give in. If you don't use weapons and lose in my hands and say that I've taken advantage of it, you will lose the significance of competition. "

"I didn't mean that!" Chen Fei light way.

Lu Lei's eyes are full of anger, staring at Chen Fei and saying, "master Chen, this is not a useful weapon, or do you look down on me?"

"You --" Wen Yan, not only Lu Lei, but also several people nearby, showed a look of surprise in his eyes.

Chen Fei glanced at the weapon rack, drew back his eyes, shook his

head and said, "no, there is no weapon I can use here."

Hearing this, Lu Lei's eyes brightened. "In that case, master Chen, choose weapons!"

But at this time, Chen Fei light mouth way: "in my heart, no dare two words."

With that, Lu Lei was about to put the sword back.

Seeing this, Lu Lei said sarcastically, "if master Chen doesn't dare, I don't need this knife. It's a pity. It's a good knife. "

Chen Fei squints at Lu Lei and is silent for several seconds.

"It's boring to compete with each other empty handed. Let's fight with each other. " Lu Lei looks at Chen Fei with a defiant look in his eyes.

Lu Lei held the broadsword, laughed and said: "good sword, good sword, it's worthy of Miss Liang's treasure."

The corner of his eye twitches, and Lu Lei's big hand moves. A tiger's sword flies from the weapon rack to Lu Lei's hand.

Chen Fei's indifferent appearance makes Lu Lei feel very upset.

Seeing this, Chen Fei squinted and looked at several people around him. Then he stepped out and said faintly, "since you want to challenge, I will accompany you to the end."

Said, Lu Lei provocative to Chen Fei hook finger.

Then his eyes swept over Bai Chuan and monk Jue Wu, and finally fell on Chen Fei. His eyes were fixed, his mouth turned, and he said, "master Chen is very famous. Today, it's hard to see him. I'd like to see the strength of master Chen. "

As they retreated, Lu Lei stood up, glanced at Liang Yu and Shao Yun, and said, "Miss Liang and Shao have just finished the

competition, but their physical strength has not recovered, so I will not challenge them."

Liang Yu said, "I understand. Mr. Shao doesn't have to explain."

Shao Yunbai glanced at Lu Lei, then arched his hand to Liang Yu and said, "Miss Liang, I didn't mean to fight just now. Please don't blame Miss Liang. "

Smell speech, Liang Yu can't help but face a red, force a palm to beat back Shao Yun, and then arch hand way: "Shao childe, I lost."

Seeing this, Lu Lei couldn't help saying: "Brother Shao, are you competing or taking advantage! If you go on, I think you will find out Miss Liang's body. "Even some movements, let Shao Yun and Liang Yu intimate contact.

In the struggle, their movements were light and graceful, just like dancing.

Shao Yun is not good at his own swordsmanship. But with the same soft palm technique, they intertwine with Liang Yu.

Liang Yu's moves are soft and changeable, just like countless silks. He wants to control his opponent's entanglement.

It has to be said that as the top three experts in the ranking, although they are just a simple competition, they have a high level, with subtle changes in each move.

Immediately, the two men came off the court, did not choose weapons, directly fight empty handed.

Liang Yu laughed and said, "it's my honor to fight with Shao Gongzi."

Shao Yun was the first to stand up and challenge Liang Yu. He said, "Miss Liang, can you give me some advice?"

Then, a few people came to the backyard of qingzhuju, which is a

large area of grass. There are various weapons on the weapon rack around. There is also a small pharmacy nearby in case of accidents.

Chen Fei didn't understand their thoughts. He took a sip of tea and got up and said, "I'll go and have a look, too."

Chen Fei attacks with green bamboo. Although his moves are very accurate, he can hit Lu Lei's sword.

But green bamboo is only bamboo after all, which can't be compared with Liang Yu's refined tiger mouth sword. Under the cutting of the blade, the bamboo, which was originally arm long, flew up one by one, and only half arm long was left in the end.

Lu Lei's fierce attack took the upper hand for a moment and completely enveloped Chen Fei. Unexpectedly, he forced him to retreat until he reached a corner of the training ground. Finally, there was almost no way to retreat.

Chapter 1950

Such a scene, let the side to watch Shao Yun and others, at the moment can not help but smile, have comments.

"Brother Lu is a genius of the Lu family. He got the true biography of Master Lu Xuanling. This is a big knife with a tiger's mouth. It's awe inspiring and aggressive. No one can stop it! "

"Brother Lu's Sabre technique is really powerful and exquisite. However, Chen Fei also has some skills. Just now, he has a green bamboo hand and one move in one style. It's quite ingenious. He can hit brother Lu's key point in his Sabre technique. "

"Chen, take my knife!" Lu Lei Li gave a drink and cut it down.

Liang Yu's face sank and her expression was not good-looking. She took back her steps without making a sound. He just looked at Chen Fei with a firm look in his worried eyes.

On one side, Baichuan also said in a voice: "isn't Miss Liang confident about Chen Fei just now? Why are you starting to worry now? "

But at the moment, Shao Yun gently waved his hand, a surge of strength out, stopped in front of Liang Yu, gently said: "Miss Liang, two people contest, we outsiders or don't interfere."

Seeing this, Liang Yu's eyes sank slightly. When she took a step, she was about to stop Lu Lei's attack.

But Lu Lei, who is angry, doesn't want to pay attention to Liang Yu's words. His eyes are full of anger and he storms down.

The place of the contest is in the middle of Qingzhu, and Chen Fei is invited by himself. Therefore, Liang Yu does not want to have an accident on her side.

Only Liang Yu, now with a worried look on her face, said in a voice: "Mr. Lu, this is just a duel. If it hurts someone, it's not good."

Shao Yun and Bai Chuan have an expression of schadenfreude.

.....

"Look! This move can be regarded as a catch. If he doesn't die, he will be injured. I think he is in danger in the trials a few days later. "

"How does Chen Fei deal with it?"

"Lu Lei is serious!"

To see such a fierce move, even the next few people were surprised, for a time exclaimed.

"No way!" Lu Lei Li gave a drink, and then stepped heavily. The whole person jumped up directly, holding a knife in both hands and exerting force in both arms. Like a heavy burden, he fiercely

chopped down at Chen Fei.

Chen Fei turned the bamboo in his hand and said faintly, "you are not my opponent. You have lost."

In this way, after more than a dozen moves, Lu Lei was defeated, and his whole body was in a mess. He was panting, staring at Chen Fei with resentment, and gritted his teeth: "you, you should --"

before he touched Chen Fei, Lu Lei's fierce offensive was slightly deflected by Qingzhu, and he directly lost his aim, so he couldn't attack Chen Fei at all.

Just now, green bamboo was cut by Lu Lei's sword. Now, Chen Fei's green bamboo can hit the tiger's sword with every blow.

It's similar to the scene just now, but the result is totally different.

But Chen Fei's action does not stop, in the hand green bamboo nimble incomparable turned. With a red light, directly into the flying shadow of the knife.

The sword is fierce, and the real yuan is surging. It is almost fierce and fierce.

This time, Lu Lei was a little surprised. His face sank, he pursed his mouth, and his eyes were sharp. The big knife in his hand moved like countless cold blades.

Then, in less than three seconds, Lu Lei's sword was all broken under the impact of the red light. Lu Lei's attack is easily defused by Chen Fei.

A circular arc spreads out and impacts with the awn of Hukou broadsword. Under the agitation of Zhenyuan, it suddenly splashes with innumerable strength.

Then, Chen Fei's right hand in the air, green bamboo with red light, swept out.

Chen Fei took a step lightly, and the breath of Zhenyuan in his right hand gathered on the green bamboo. Instantly, a layer of red light lingered on the surface of green bamboo.

In the face of such a desperate situation, Chen Fei at the moment finally began to work.

As he spoke, the tiger's sword quickly chopped down, and dozens of awns of the sword surged in the air, completely covering Chen Fei in the corner. There was no way out.

"It's still tough!" Hum, since I don't know how fierce the attack is, I'll let you feel even colder

At the moment, after listening to Lu Lei's words, Chen Fei chuckled and said, "do you really think you won?"

Chen Fei only had the last green bamboo in his hand. Although he had retreated to a corner, his face was still calm and incomparable.

.....

"If you kneel down to me and beg for mercy, I can consider stopping. Ha ha

"You were arrogant just now? He also said that if you don't use weapons to deal with me, how can you be so virtuous now? "

"Master Chen, is that the strength?"

At the moment, Lu Lei's face is full of excitement and elation. He dances with a big knife in his hand. He doesn't stop to sneer at Chen Fei.

"Is it?" Shao Yun stares at Liang Yu and lengthens his voice. Then he looks at the competition field and says in a voice, "then keep looking!"Hearing the speech, Liang Yu's face changed slightly. After a moment's silence, she said in a voice: "master Chen is very famous. I don't think master Chen has done his best."

But Shao Yun on one side seemed to hear something else from Liang Yu's words. "In the current situation, Chen Fei is forced to retreat by brother Lu, and he has little power to fight back. Miss Liang also said that she can't judge who wins and who loses. It seems that Miss Liang has a lot of confidence in Chen Fei! "

Liang Yu made up her mind not to offend others. She was tactful and didn't want to express herself easily.

Liang Yu shook her head and said, "it's hard to say. Both of you are very powerful. It's hard to judge."

As if not satisfied with Liang Yu's vague statement, Baichuan continued to ask, "I don't know who is more optimistic about winning?"

Hearing the speech, Liang Yu turned her head and looked at them. She said with a smile, "Master Lu and master Chen are both young masters. They have exquisite moves and strong strength. I admire them very much."

Seeing this, Baichuan could not help but ask in a voice: "Miss Liang is so engrossed in her eyes. What's her opinion?"

Several people comment with a smile, but only one side of Liang Yu did not make a sound, but focused on the two people who are still fighting in the field.

.....

"It's his own business to choose green bamboo. It's normal to be too proud of yourself and have such a result. "

"It's just that green bamboo is only green bamboo after all. It can't be compared with refined steel broadsword. So, at the moment, I'm forced to such a situation by brother Lu, just a few moves. "

Seeing this, Chen Fei shakes his head and looks at Lu Lei. He raises his right hand and throws it into the air.

With a streamer in his hand, the green bamboo flies towards Lu Lei.

Lu Lei snorts coldly, but he doesn't pay attention to Chen Fei's attack.
Prepare to chop the bamboo with a knife.
