

## Chapter 3971

More importantly, Ginger disturbed Shennong's rest.

"senior!"

Seeing this scene, Ginger was very anxious, knelt at the door and begged: "Senior, I beg you, you must help me save people. If he dies, I really don't know what to do in the future."

When he said this, Ginger's tears couldn't stop flowing.

However, the more she was like this, the more disgusted Shennong was. At that time, there was no nonsense: "If you want to kneel, just kneel."

Squeak!

When the voice fell, Shennong closed the door and went directly back to the house to rest.

Faced with this situation, Ginger was unspeakably lost and cried even more. Before he left, he would definitely make a fuss, but after so many things, he had already matured.

"Sword Comes"

Especially thinking of Tie Bowen, who was still lying in the family's secret room, only Shennong could save him, and Ginger didn't dare to mess around.

After crying for a while, Nalan Wu's eyes flashed with determination, and he continued to kneel.

She did not believe that the senior Shennong, who was respected by the world, would be so ruthless and hopeless.

Time passed by minute by minute.

Soon, it was late at night.

Ginger knelt on his feet for more than ten hours, his legs were sore and numb, and he was almost unconscious, but he still didn't move.

At this time, Shen Nong slept and walked out of the room slowly, ready to go fishing by the lake.

Shennong has a hobby, and he likes fishing at night.

Um?

However, the moment the door was opened, Shennong was stunned when he saw Ginger still kneeling there.

Is this girl still alive?

So persistent.

At the same time, seeing Shennong coming out, Ginger was also happy, and quickly shouted: "Senior."

Shennong nodded calmly and asked, "Who are you trying to save?"

"He is from the Rakshasa tribe." Ginger replied quickly.

Rakshasa people?

Hearing this, Shennong was suddenly a little curious: "Why do you want to save a Rakshasa?" You must know that many years ago, the Rakshasa crossed the wild and strange realm in an attempt to occupy the entire Kyushu. At that time, in order to resist the Rakshasa, Kyushu The various rivers and lakes do not know how many people died.

Although the Rakshasa and Kyushu are now living in peace and do business with each other, some people still grit their teeth with hatred when they mention the Rakshasa.

call!

Ginger took a deep breath, and explained in detail what he had lost his memory, and what he and Tie Bowen had experienced together until the end.

At the end of the story, Ginger's delicate face was full of expectation and pleading: "Senior, please show your kindness and save Brother Bowen. If he dies, I don't want to live anymore."

Knowing the situation, Shennong's expression softened, and his heart was also moved by the two people's affairs.

“Get up!”

A few seconds later, Shen Nong didn't talk nonsense at all, nodded at Ginger and said, “Take me to meet that Rakshasa clan.”

“Thank you senior.”

Seeing that he finally agreed, Ginger was full of joy, standing up and thanking him continuously.

A few minutes later, Shennong packed up his things and rushed to the Nalan family's manor with Ginger.

.....

On the other hand, the Wudang faction.

In the side hall where the head of the sect rested exclusively, Prince Aotian was leaning on the soft couch, closing his eyes and resting.

At this moment, a disciple walked in quickly and said respectfully, “Senior brother, a few patrolling disciples just now found a letter outside the mountain gate with the name of the brother in charge, but I don't know who it is. sent.”

With that said, the disciple handed over a letter.

Prince Aotian frowned, took the letter and waved for the disciple to step back. Then slowly unfold the letter.

Others can't see it, but Prince Aotian can see at a glance that this letter is sent by Qin Tianjian.

Swish!

Soon, seeing the contents of the letter, Prince Aotian's expression changed, and he couldn't help but scolded: “Idiot, mud can't support the wall.”

What was written in the letter was exactly what happened in the Rakshasa in one day. Ital failed to seize the throne, and Mona returned to the palace and regained power. The purpose of the establishment of Qintianjian is to monitor Kyushu. Any major event that occurs anywhere, Qintianjian knows all about it.

At this time, Prince Aotian was very angry.

I thought that I could use Itail to control the entire Rakshasa clan, and I would have more power in the future regardless of Darryl or other forces, but I didn't expect Itail to be so stupid. The smoke disappeared

## Chapter 3972

Ital was unreliable, so he could only pin his hopes on Gone's wedding a month later.

Thinking of this, Prince Aotian used his internal power to burn the letter directly.

Afterward, Prince Aotian continued to close his eyes and rest.

rustle....

However, at this moment, there was a slight sound of footsteps outside the side hall. At this time, it was late at night, and there was silence around the side hall. In addition, Prince Aotian was very alert, and he opened his eyes instantly.

Across the window, I vaguely saw a slender figure, parked at the door, wandering uncertainly.

This figure...is Senior Sister Qianyun?

Prince Aotian's observation was keen, and he could see at a glance that the person standing outside was Ye Yun's senior sister Qian Yun.

When Prince Aotian seized Ye Yun, he also obtained his memory. From this, he learned that because Ye Yun was too good, he had always been the best among young disciples, so there were very few medicines dispensed. The only thing that had a good relationship with him was this one. Sister Xiyun.

It's just that there are various things going on in the Wudang faction recently, and Prince Aotian has taken the position of the head again, so Prince Aotian has almost never communicated with this senior sister.

And Senior Sister Qianyun, because of their identities, never came alone to find Prince Aotian.

I just didn't expect that in the middle of the night tonight, Senior Sister Qianyun came over suddenly.

call!

At this moment, looking at Qianyun standing outside the door, Prince Aotian frowned secretly.

What is she doing with me so late?

Right now, outside the door.

Qianyun stood there, with a delicate face, unable to hide the hesitation.

Qian Yun is two years older than Ye Yun, introverted, gentle and kind. Ye Yun has a lively temperament, and more importantly, Qian Yun is an orphan who was brought to the Wudang School by Edgar when he was five years old.

It stands to reason that the two sides are incompatible, and there will be no more intersections except for the simple relationship between brother and sister.

It's just that when Ye Yun was very young, the road to cultivation was very bumpy. For a simple exercise, others needed at most half a month to master it, but Ye Yun needed at least a month, and mistakes were often made.

It's not that Ye Yun is too stupid, on the contrary, he is extremely talented, he can draw inferences from one case when he encounters a problem, and he likes to try new methods when practicing exercises.

This caused Ye Yun to be ridiculed by his fellow apprentices and brothers for a long time when he was a child.

Every time at this time, Qian Yun would patiently persuade Ye Yun, accompany him, and figure out the key to failure. It can be said that Ye Yun could become the leader of Wudang disciples later, and Qian Yun worked behind his back. big association.

Because of this, the two have an excellent relationship.

In Ye Yun's eyes, he regards Qian Yun as his sister, and in Qian Yun's heart, he regards Ye Yun as his closest person.

Today is the fifteenth, a specific day between the two.

Thirteen years ago today, Ye Yun learned about the Wudang sect's 'Pan Cloud Palm'. Because he was distracted at the time, he almost went into trouble. At the critical moment, Qian Yun rescued him with all his strength, and finally successfully helped Ye Yun stabilize the situation. He almost lost his life due to severe internal energy consumption.

At that time, Ye Yun was very moved, so he suggested that the day be designated as a memorial day, and every year in the future, no matter how busy the two of them are, they should commemorate them together.

From then on, on this day every year, the two would go to the forbidden room in the back mountain to meet and share their cultivation experience with each other.

However.

Tonight, Qian Yun went to the secret room in the forbidden area, and waited left and right, but Ye Yun never showed up, so she came to the side hall.

At this moment, Qian Yun looked at the lights in the side hall, her delicate face couldn't hide the complexity.

Since Junior Brother Ye Yun became the head, the whole person seems to have changed, turning a blind eye to himself, and even seems to have forgotten such an important day as today.

Can... status and power really change a person?

well!

Thinking about it, Qian Yun sighed softly and wanted to turn around and leave, but she couldn't let go of this emotion with Ye Yun.

Yes, after so many years of getting along day and night, Qianyun has fallen in love with this junior brother, but she is a woman and it is inconvenient to open her mouth, so she has always buried this love in her heart.

Chapter 3973

what's the situation?

At this moment, Prince Aotian in the side hall heard Qian Yun sighing softly outside, and his heart became even more puzzled.

If you have something to do, senior sister, why don't you come in and sigh?

Thinking to himself, Prince Aotian couldn't help getting up, walking over, and opening the door.

Squeak!

Hearing the door open, Qian Yun instantly woke up.

Prince Aotian smiled slightly: "Senior sister, it's so late, what's the matter?"

At this time, Prince Aotian didn't know Qian Yun's purpose. Although he took Ye Yun and inherited his memory, he couldn't remember the secret between Ye Yun and Qian Yun for a while.

"I...."

Seeing Prince Aotian's expression, Qian Yun bit her lip lightly, feeling the indescribable loss in her heart.

It seems.... Junior Brother really forgot.

Thinking to herself, Qian Yun was about to leave, but for some reason, she couldn't help but say, "Junior Brother, you forgot that today is our anniversary."

Anniversary?

Hearing these three words, Prince Aotian froze for a moment, and then suddenly remembered.

In my memory, on this day every year, Ye Yun and Qian Yun would meet alone in the secret room of the forbidden area in the back mountain at night to talk about his cultivation experience.

Thinking of this, Prince Aotian patted his forehead and said apologetically, "Look at me, I've been busy recently, and I forgot about such an important day. Senior sister, don't blame me."

Having said that, Prince Aotian leads the way in front.

Seeing that he hadn't forgotten, Qian Yun showed a smile and followed behind happily.

After a while, they arrived at the forbidden area of the back mountain.

Squeak!

Prince Aotian pushed open the stone door of the secret room, walked in first, smelled the old smell inside, and couldn't hide the conflict between his eyebrows.

I really can't figure it out, this place is rotten and old, and the two of them come here every year to meet...

Qianyun, who followed behind, stood at the door and looked at the back of Prince Aotian, stunned for a while, and felt more and more that the junior brother in front of him was different from before.

You know, every time he came here in previous years, Ye Yun would open the door, stand aside quickly, and let himself advance with a smile...

But just now, Prince Aotian didn't say anything and walked in first.

More importantly, he didn't seem to like the place very much.

At this time, Qian Yun didn't realize that the person in front of her was not the Junior Brother Ye Yun that she liked at all.

call!

Soon, Qian Yun put away her loss and walked in quickly.

The space of the secret room is very large. The surrounding corners are covered with dust and cobwebs. There are some Taoist scriptures engraved on the walls. Because of this, the two met quietly for so many years, and no one found out.

"Senior brother!"

At this time, Qianyun looked around the secret room, and said softly to Prince Aotian: "My Tianxiu Jue has reached the eleventh floor, how have you been this year?"

Every time they meet here, the two will tell each other's cultivation experience and have formed a tacit understanding.

Prince Aotian smiled lightly: "It's okay."

Hearing this perfunctory answer, Qian Yun didn't care, and slowly raised her hand: "Come on, let's see how much you have improved over the past year." Every time they exchanged ideas, the two would learn from each other.

Of course, this kind of sparring is just a stop, and it does not use internal force.

However, Prince Aotian is not the deity after all, and he completely forgot the agreement between the two. At that time, he was stunned and said with a smile: "I don't think it is necessary. I am afraid that I will accidentally hurt Senior Sister."

Hearing this, Qian Yun's relaxed mood instantly fell to the bottom.

The junior and junior brothers have really changed. Compared with the past, they are completely different from each other.

For a time, Qianyun felt lost, and smiled bitterly: "Okay, then it's not comparable." Saying that, Qianyun secretly comforted herself, the younger brother became the head, and the affairs became so busy, why should he care about it?

call!

Thinking to herself, Qian Yun let out a sigh of relief, adjusted her emotions, looked at Prince Aotian and said softly, "Junior Brother, what are your plans in the future?"

Although the two are brothers and sisters, after all, there are differences between men and women. It was nothing to be young before, but now they are adults. If someone finds out dating here, it will definitely cause misunderstandings.

Chapter 3974  
after?

Hearing this word suddenly, Prince Aotian didn't understand what Qianyun meant, and was a little confused for a while.

Seeing him stunned, Qian Yun bit her lip lightly and continued: "You are now the head of the sect, and you will meet me here in the middle of the night. If you are seen, it will inevitably spread rumors."

so...

Hearing this, Prince Aotian nodded suddenly, and then smiled at Qian Yun: "What is the plan of Senior Sister?"

Because of the failure of Itair's plan, Prince Aotian was very angry. At this time, when he came out with Qianyun, the main purpose was to relax, and he didn't think much about it at all.

Swish!

Facing Prince Aotian's rhetorical question, Qian Yun's delicate face suddenly flushed.

"I...."

The next second, Qian Yun lowered her head and said in a very soft voice, "I don't want to be sneaking around like this anymore." The voice was as thin as a mosquito, and if you didn't listen carefully, you couldn't hear it at all.

Seeing her like this, Prince Aotian was also stunned.

What's the matter, sister? how to say weird...

But I have to say, this Senior Sister Qianyun's shy look is very charming.

With emotion, Prince Aotian couldn't help but say: "Senior sister, what are you trying to say?"

"you...."

Seeing his puzzled expression, Qian Yun's face turned even redder, and she stomped her feet in a hurry. Is this Junior Brother Ye Yun doing this on purpose? He has said it so clearly, but he still doesn't understand?

Embarrassed, Qian Yun took a deep breath and met Prince Aotian's gaze: "Junior Brother, you... do you like Senior Sister?" When she asked these words, her delicate body was trembling.

A few years ago, Qian Yun had been hiding her love in her heart, waiting for her younger brother to take the initiative to confess, but until now, the other party was like a piece of wood. In this case, Qian Yun couldn't help but take the lead in saying it.

"The First Minister of the Ming Dynasty"

What?

Hearing this, Prince Aotian's head buzzed and he was completely stunned.

It turns out... It turns out that this Senior Sister Qianyun is so strange because she likes herself.

"I know, you liked Nalan Xinran before." Seeing that he didn't speak, Qian Yun said softly, "It's just that it's impossible for you to get into this situation now. As long as you want, Senior Sister can be the woman behind you. , help you to carry forward our Wudang together."

When she said the last sentence, Qian Yun's face turned red.

In front of outsiders, she has always been a cold and beautiful senior sister, but at this time, she let go of her restraint and took the initiative to confess to her junior brother, which is really too embarrassing.

This.....

Faced with this situation, Prince Aotian's mind was completely messed up.

As the royal family of the gods, his ultimate goal is to seize the throne of the emperor of heaven and stand above all people. How can he marry a mortal woman?

However, in order to appease Qianyun, Prince Aotian turned his head quickly and looked very happy: "Of course I would."

Hearing him say that, Qian Yun smiled and was very happy.

However, at this moment, Prince Aotian turned his head and said slowly: "It's just that we Wudang faction have faced too many things recently, and the grievances with the Nalan family are getting deeper and deeper. The uncle's revenge has not been avenged, and if the secret door rashly gets married, it will cause dissatisfaction among those senior brothers."

"But don't worry, when these things are resolved, I will definitely marry you."

It is impossible to get married, so I can only think of a reason temporarily, and stabilize Qianyun first.

Um!

At this time, Qianyun was in great joy, and she didn't know what Prince Aotian was thinking. She nodded at that time and couldn't help rushing into Prince Aotian's arms.

In an instant, the gentleness fell into his arms, and Prince Aotian did not lose his mind, but his mind was extremely clear.

With one more senior sister entangled, many things will be inconvenient in the future, and we must find a way to solve it. . . .

.....

On the other side, the Nalan family.

Outside the door of the secret room in the backyard, many elite disciples of the clan gathered.

Half an hour ago, the news that Ginger invited Shennong spread in the whole family, and many disciples were shocked beyond words. You must know that Shennong is a god-like existence in Kyushu. How many sects want to make him a god. It was a guest, but it turned out that it was difficult to see each other. And Ginger actually invited Shennong to the family, how could it not be shocking?

Chapter 3975

At this time, someone shouted, and the elite disciples present stood up straight.

I saw that at the end of the corridor, Shennong and Ginger walked slowly.

Whoa!

For a time, everyone immediately parted ways, looking at Shennong respectfully one by one, with admiration and admiration that could not be concealed in their eyes.

God pesticide ancestor, this is a living fairy.

Seeing this, Ginger's delicate face was full of displeasure. If it was before, she might still be complacent and proud of inviting Shennong.

But at this time, I was thinking about Tie Bowen, and I had experienced so much during this time, and my mood was already different from before.

“What are you doing?”

At the door, Ginger frowned and shouted at the elite disciples: “Who told you all to gather here? It’s really unruly, hurry back.”

Whoa!

Seeing that the young lady was angry, the disciples dared to stay any longer, so they quickly dispersed.

“Senior laughed.”

Seeing the crowd dispersed, Ginger smiled lightly and said, “They just want to see the senior’s demeanor. No offense.”

Hearing this, Shennong laughed and walked into the secret room with Ginger.

At the moment of entering the secret room, Ginger’s delicate face could not hide the tension and worry.

call!

Shen Nong took a deep breath, walked slowly to the Hanyu bed, and carefully checked Tie Bowen’s condition. He saw that because he had been placed on the Hanyu bed, Tie Bowen had a layer of ice all over his body, and his face was pale and pale...

Seeing this situation, Shen Nong frowned.

The person in front of him has been dead for many days, but the body is well preserved, just trying to save it...it’s not an easy task.

“senior!”

Ginger stood aside, his eyes full of urgency: “Is there a way to save Brother Bowen?”

Shennong pondered for a while, and was about to answer when Nalan Hongzheng, Nalan Xinran and others walked in. After all, Shennong was a well-known figure in Kyushu, and when he came to the Nalan family, he naturally had to treat each other with courtesy.

“I’ve seen seniors!”

Entering the secret room, Nalan Xinran and the others bowed politely.

At the same time, Nalan Hongzheng was also smiling, and complimented Shennong: "Senior Yaozu is here, my Nalan family is really flourishing."

Having said that, Nalan Hongzheng glanced at Ginger in a complicated way, and continued: "This girl, Wushuang, has always liked to play tricks. This time, Senior Yaozu has been disturbed, and I hope seniors don't take offense."

In his opinion, Ginger to alarm Shennong for a dead person is a big deal.

"Ha ha!"

Shen Nong smiled slightly, waved his hand and said: "The patriarch's words are bad, this doll has already told me about the matter, the two share life and death, and never give up, it is really touching, especially the female doll's deep love and righteousness, she was kneeling outside my door at that time. Over the night, the old man was moved by her sincerity, so he came to the door in person."

call...

Hearing this, Nalan Hong was very embarrassed. He immediately took a deep breath and smiled: "In this case, it is important for the senior to save people. I still have something to do, so I won't be here for the time being."

The last word fell, and Nalan Hong was turning around and walking out of the room.

Um?

However, it was at this time that Shennong stared at Nalan Hongzheng's back and pondered.

The patriarch of the Nalan family looks normal, but there is a black aura on his face, something is wrong... Nalanhong is being secretly controlled by Gone, and ordinary people can't see the clue at all, but Shennong is the world's The respected Yaozu, his medical skills are superb, just at a glance, he can see that something is wrong.

"Deceiving Kangxi"

It's just that Gone's control method is very clever, Shen Nong just noticed something wrong, but didn't see the truth.

"senior!"

At this moment, Ginger couldn't help but ask again, "Is there a way to save Brother Bowen?"

well!

Shen Nong came to his senses, sighed softly and said slowly: "He has been dying for a long time. With my ability, I can only temporarily help him to continue his life, but I can't bring him back to life."

What?

Hearing this, Ginger's delicate body trembled, and his ability was full of hope. Hearing these words at this time, his heart sank to the bottom of the valley.

Afterwards, Ginger looked at Shennong eagerly: "Senior, is there really no other way?"

#### Chapter 3976

Shen Nong took a deep breath, pondered, and smiled bitterly: "There is, but there is, it's just a once-in-a-million-year medicine lead."

Medication?

At this moment, Ginger's eyes lit up and he quickly asked, "What kind of medicine?"

Shen Nong looked out of the window, his eyes flashing with complexity: "This kind of medicinal herb is the most amazing medicine in the world, it is called Jiuzhuan Sun-Returning Grass, but this kind of herbal medicine grows in a very special environment. Will appear."

"For so many years, I have searched countless times and only found one, but it was an old friend five hundred years ago, and it has been used."

Speaking of which, Shennong looked at Ginger quietly: "Daughter girl, if you can find the 9th revival grass, the old man has full confidence to wake up your sweetheart, but whether you can find it or not depends on your good fortune and luck. already."

Nine Turns Returning Sun Grass....

Hearing this, Ginger's eyes glowed with new hope, he muttered a few words to himself, and then nodded: "Senior, don't worry, no matter how much you pay, I will definitely find the Rank Nine Grass."

After saying this, Ginger hurried out the door.

call...

Seeing this scene, Shennong breathed a sigh of relief and couldn't help but admire: "It's rare to have such an emphasis on love and righteousness."

When the voice fell, Nalan Xinran, who had been watching quietly beside him, couldn't help but nodded and said, "Yes, Wushuang has experienced a lot during this time, and has become a lot more mature."

When he said this, Nalan was a little distressed. The niece is still young and has to endure so many things.

Thinking about it, Nalan happily ordered to the disciple outside the door: "You should have heard what Senior Shennong said just now. From now on, do all you can to find the Nine-Rank Sun-Returning Grass."

"Yes, Miss."

Hearing the order, several disciples responded, and then summoned the others to go out to look for the Nine-turn Sun-Returning Grass.

At this time, Shennong used his medical skills to extend Tie Bowen's life.

It takes a lot of energy to give people a life. After the end, Shennong's forehead is full of sweat.

"senior!"

Nalan happily handed over the handkerchief: "It's hard work."

Shen Nong smiled slightly: "It's not worth mentioning the effort."

As he said that, Shennong suddenly thought of something, and said to Nalan happily: "Ling Zun, have you played against anyone recently?" Just now that he

noticed that Nalanhong was wrong, Shennong has never forgotten it. With the heart of the doctor's parents, he couldn't help but ask. a moment.

Fight with people?

Hearing the question, Nalan's delicate face was full of doubts, and he shook his head and said, "My father has been in the manor all this time.

After speaking, Nalan couldn't help but ask back, "Why do you ask that, senior?"

That's weird...

Hearing the answer, Shennong frowned and was at a loss for a moment.

In the next second, Shennong didn't hide anything and said slowly: "Just now when I was talking with Ling Zun, the old man found that there was a black aura hidden between his eyebrows, obviously he was disturbed by external forces, however, there was no injury inside or outside his body. Therefore, this is the question."

What?

At this moment, Nalan was stunned for a moment, and his mind was a little dazed.

To be honest, if someone else said that, Nalan would just take it as nonsense, but Shennong was different. He was a famous doctor in Kyushu and was honored as the ancestor of medicine by the world. His words were definitely not groundless.

More importantly, Nalan also felt that something was wrong with his father recently.

Thinking to himself, Nalan willingly asked for advice: "Senior, what should I do?"

Shen Nong thought for a while: "It's best to let the old man take a good look at Ling Zun. At that time, it needed his cooperation."

Um!

Nalan nodded happily: "Then I will trouble the seniors, please wait in the hall first." After saying that, he took Shennong to the hall.

When he reached the hall, Nalan gladly ordered his servants to be treated with good tea, and then went to the backyard to see his father.

At this time, in the backyard study, Nalan Hong was sitting there, flipping through an ancient book.

“Father!” Nalan walked in happily and called out softly.

Nalan Hong was closing the ancient book with a calm expression: “What’s wrong?”  
call!

Nalan took a deep breath with pleasure and said softly, “Senior Shennong, who is waiting in the hall, said he wanted to show you.”

Chapter 3977  
have a look?

Hearing this, Nalan Hongzheng frowned: “What are you looking at?”

Nalan hesitated for a while, and said slowly, “Senior Shennong looked at his father’s face just now and said that there was a black aura between your brows, maybe...”

When he said this, Nalan’s delighted and beautiful face showed a bit of complexity.

Just before she could finish speaking, Nalan Hongzheng stopped her drinking.

“Nonsense!” Nalan Hong stood up abruptly, and said angrily, “I’m fine, what’s wrong? You treat Senior Shennong well, and let him do his best to save that Rakshasa clan, you don’t need to show me.”

The last word fell, and Nalan Hong was waving his hand, signaling Nalan to leave happily.

call...

Seeing his father’s reaction, Nalan Xinran was even more puzzled.

It was just for Senior Shennong to take a look, not doing anything else, why did my father make such a big fire?

Could it be....Does Father really have an unspeakable secret?

Thinking to herself, Nalan was glad to persuade her, but Nalan Hongzheng didn’t give her a chance at all. After bowing, “Why don’t you leave? Hurry up and don’t disturb my reading.”

“All right!”

Faced with this situation, Nalan gladly stopped insisting and left the study with a reply.

Back in the front hall, I saw Shen Nong sitting there, sipping tea slowly.

“Senior!” Nalan walked over happily, her delicate face very helpless.

Shen Nong put down the teacup and showed a smile: “Where’s Ling Zun?”

well!

Nalan sighed happily and smiled bitterly: “Father insists that he is fine and doesn’t want to let senior see it.” After speaking, he briefly explained the situation just now.

Knowing the situation, Shen Nong frowned secretly.

Nalan Hong is resisting like this, which means that there is a problem.

Thinking to himself, Shennong gave Nalan a cheerful command: “From now on, pay close attention to the movements of your commander, and if there is anything suspicious, tell me immediately.”

“Understood, senior.”

Nalan nodded quickly.

.....

On the other side, the Rakshasa.

After a day of training, Darryl’s condition has improved a lot. Although he can’t completely return to his peak state, if he encounters Prince Aotian, he can still fight.

At this time, Darryl was sitting in the back garden of the palace, basking in the sun leisurely.

“Darryl!”

At this moment, a crisp voice came, Darryl looked up and saw Ilona walking over quickly.

When she got to the front, Ilona bit her lip lightly and said, “You gave me the animal language last night. I don’t quite understand some things. If you have time, teach me again?”

When speaking, Ilona’s eyes were full of anticipation.

call!

Darryl took a deep breath, sat up and said with a smile: “Seven points of this kind of thing depends on talent and three points on hard work. I explained it so clearly last night, you can’t help me if you don’t understand me.”

Having said that, Darryl thought for a while and continued: “Speaking of which, the animal masters were developed in Kyushu, and the use of formulas and tricks are also in line with the habits of Kyushu people, and you are a Rakshasa tribe, because of cultural differences, It’s normal to be hard to understand for a while.”

“That...”

Hearing this, Ilona was a little anxious, and hurriedly asked, “Is there any other way?”

Darryl looked at her and said with a smile: “If you really want to be like me and immerse yourself in animal language, you must first learn the culture of Kyushu. If this is Donghai City, maybe I can find some ancient books of Kyushu for you to read. , unfortunately, this is the Rakshasa clan.”

Is it so troublesome...

At this moment, Ilona frowned, very depressed.

Kyushu’s ancient books... there!

In the next second, Ilona suddenly thought of something, took Darryl’s arm and said, “Actually, it is not difficult to find ancient books in Kyushu. There is an antique street in the business district of the clan, we can go shopping. The weather is good today, you Come with me to find it.”

Ilona is right. After several years of development, not only a prosperous business district, but also an antique street has emerged in the Rakshasa clan.

What? Is there an antique street here too?

Hearing this, Darryl was stunned for a moment, and then became interested, and immediately nodded: "Okay, then go have a look."

Great.

Seeing his promise, Ilona was very excited and pulled Darryl away from the palace without any explanation.

## Chapter 3978

Half an hour later, Darryl and Ilona arrived at Antique Street.

I go....

At this moment, standing on the antique street, Darryl saw the bustling crowd, as well as the large and small antique shops on both sides. Although he was well prepared, he couldn't help but admire secretly.

I didn't expect that the antique street here is quite lively. I didn't know it, but I thought it was an antique market in Kyushu.

"How about it?"

Seeing Darryl's shocked look, Ilona smiled and said proudly, "I didn't lie to you."

Darryl nodded: "Yes, really good."

While they were talking, the two went shopping at the street stalls, while Darryl briefly told Ilona about the cultural history of Kyushu.

Ilona listened with relish, and admired Darryl more and more in her heart.

Um?

After walking for a while, Darryl suddenly stopped, and he clearly sensed that there were two men with bucket hats behind him, who had been following him unhurriedly.

Obviously, he was being followed.

Seeing Darryl suddenly stop, Ilona asked curiously, "What's the matter?"

“It’s nothing!” Darryl shook his head: “I suddenly feel a little uncomfortable in my stomach. I’ll find a convenient place. You can stroll around first.” Because he didn’t know who he was following, Darryl decided not to let Yiluo go. Na knows.

After all, Ilona is too young. If she knows that someone is following her, she will be scared.

Um!

Ilona nodded without doubt.

Darryl said no more, and after separating from Ilona, he walked quickly towards a small alley ahead.

Seeing this scene, the two men wearing hats in the back quickly chased after them.

On the other side, Ilona and Krista finished shopping at the street stalls and entered an antique shop.

Um?

As soon as they arrived in the alley, the two men wearing bucket hats were stunned.

I saw that the narrow alley in front of me was empty, how could there be a shadow of Darryl?

For a while, the two looked at each other, both secretly anxious.

Oops, found out.

“Can’t find anyone?”

Just when the two were secretly anxious, a magnetic voice came from behind, revealing a bit of mockery.

Swish!

The two of them were startled, and they looked back quickly to see Darryl standing a few meters behind him, with a faint smile on the corner of his mouth.

Seeing Darryl, both of them were a little confused.

Darryl was too lazy to talk nonsense, he took two steps forward slowly, and said straight to the point: "Tell me, who asked you to follow me."

call!

The two didn't answer, but after looking at each other, they ran to the depths of the alley. Obviously, the two have special identities and do not want to be exposed.

"Run?" Darryl chuckled lightly, urging the figure to quickly catch up, but in just two breaths, they blocked their way.

After blocking the way, Darryl said slowly: "The question has not been answered yet, do you think you can run away?"

Mad!

Feeling Darryl's contempt, both of them were angered, and after scolding, their internal energy exploded and rushed directly towards Darryl.

The two cooperated very tacitly, one left and one right, forming a double-team against Darryl, the air was distorted when the figure passed, and the power was amazing.

However, Darryl didn't panic at all. He smiled slightly at that time, went up to meet them, and fought fiercely with the two in the alley.

bang bang....

In less than two minutes, the two of them were knocked to the ground by Darryl, each with a pale face and extremely weak.

Darryl's shot was very measured. He didn't seriously injure the two of them, but only made them lose their combat effectiveness.

popping...

After knocking down the two, Darryl quickly stepped forward and raised his hand to seal the acupoints of the two. In an instant, the two trembled and could not move.

"Speak!"

Darryl squatted down and looked at the two with a half-smiling smile: "Who sent you here, as long as you answer honestly, I won't embarrass you."

The two looked miserable, they didn't answer Darryl's words, their eyes rolled quickly, as if thinking about countermeasures.

In the next second, the two looked at each other with a certain determination on each other's faces.

Gudong!

Immediately afterwards, the two of them squirmed a few times before they heard the sound of swallowing something.

Seeing this, Darryl's face changed, and he immediately guessed that the two had hidden poison in their mouths.

Chapter 3979

Realizing this, Darryl wanted to stop it, but it was too late.

puff...

After swallowing the poison, the two of them spit out a mouthful of blood at the same time and died.

Mad!

Seeing this scene, Darryl's face was extremely solemn, and he couldn't help but curse in his heart.

It's so bloody, I'd rather die than give in...

Thinking to himself, Darryl bent down and carefully searched the two of them. Soon, two delicate black jade cards were found in the interlayer of their clothes.

A member of the Nalan family?

Seeing the words on the black jade plaque, Darryl was stunned, his brain buzzing.

Although Darryl rarely visited the Nalan family, he could see at a glance that these two black jade plaques belonged to the Nalan family and were symbols of the family's disciples. Because this black jade was very special, it was impossible to imitate it.

The Naran family is following me...

For a time, Darryl stood there, unable to calm down for a long time.

Could it be that... these two were sent by Nalan with pleasure? Just because of Ginger's disappearance?

If so, there is no need for these two to commit suicide...

The more Darryl thought about it, the more confused his mind became, and he realized that things were not that simple.

It seems that we have to return to Kyushu quickly.

At this time, Darryl didn't know that the two following people had nothing to do with Nalan Xinran, but were sent by Gone secretly to monitor Darryl's every move.

.....

On the other side, Ilona was bored walking on the street, waiting left and right, and she didn't see Darryl coming back, she felt very boring.

At this moment, seeing a new antique shop opened next to it, Ilona walked in directly.

This store is not big, but it is very elegantly decorated. Walking in it, it gives people the feeling that they have come to the Jiangnan water town.

Ilona looked around and saw a scroll of jade slips on display on the booth inside. She immediately became interested and asked the boss, "Boss, how much is this?"

The boss hurried up and introduced attentively: "Girl, you have a good eye, this scroll of jade slips is something from the ancient imperial palace in Kyushu, made of pure white jade, and there are characters inscribed by the emperor on it. It just opened today. Discount, one million Kyushu coins!"

Although this is the Rakshasa tribe, the coins in circulation are Kyushu coins.

One million Kyushu coins? Not cheap.

Hearing this, Ilona clicked her tongue secretly, then picked up the jade slip and looked at it.

I have to say that this jade slip is indeed exquisite, and it is very gentle in the hand, but it is not something from the ancient palace, and Ilona can't see it. After all, she is a member of the Rakshasa tribe, and she does not know anything about the history of Kyushu.

At this time, several more guests came in and exclaimed when they heard the boss's offer.

"God, one million!"

"Is this jade slip so valuable?"

Hearing the discussion, the boss looked proud: "Of course, things in the palace are of course valuable."

Saying that, the boss looked at Ilona attentively: "Girl, do you want it?"

Ilona bit her lip lightly, hesitant.

Speaking of which, she was not interested in antiques at first, but after listening to Darryl's suggestion just now, she decided to learn about Kyushu culture, and then she decided to learn more.

It's just that one million Kyushu coins is not a small amount.

"oops?!"

Just when Ilona was hesitating, she heard a surprised sound from outside the door, and then, a gorgeously dressed figure walked in.

It is a young man, wearing noble fur unique to the Rakshasa tribe, with thick eyebrows and big eyes, but there is a bit of arrogance between his eyebrows.

The man's name is Haogel, the son of a Rakshasa leader, who idles around all day.

Hauge has always liked Ilona, but as the only female general of the Rakshasa tribe, Ilona spends most of her time in the military camp, and it is difficult to see each other. Therefore, Hauge has never had the chance to show his favor.

call....

At this moment, looking at Ilona dressed in casual clothes, Hauge was stunned.

The Ilona I saw before was all soft armor and valiant, but I didn't expect that she would be so s3xy and charming in a girl's clothes.

After watching for a few seconds, Hauger walked over slowly, smiled at Ilona and said, "Ilona, what a coincidence, I didn't expect us to meet here."

Today, I finally met my sweetheart, and Hauge decided to show it well.

Chapter 3980  
how is he here...

Seeing Hauger, Ilona frowned and was very disgusted.

This Hauger, relying on his father as the leader, idles around all day and does not seek to make progress. In the words of Kyushu, he is a playboy. This kind of person is annoying to see.

Hauge didn't care about Ilona's indifference, and looked at the jade slip in her hand: "Ilona, do you like this jade slip? I'll buy it for you."

will you buy it for me?

Hearing this, Ilona was stunned for a moment, then chuckled and refused: "No need!"

She knew Hauge's mind, how could she give him a chance?

Well...

Seeing Ilona's rejection, Hauge was a little embarrassed, but he still said unwillingly: "Ilona, we have known each other since we were young. I'll buy a jade slip for you. It's nothing, why refuse?"

Ilona was annoyed and shook her head: "No!"

Seeing this scene, the other guests around couldn't help but talk in a low voice.

"Spending one million Kyushu coins to please beautiful women is a big deal..."

“Yeah, it’s a pity that people don’t appreciate it.”

Hearing the discussion, Ilona’s delicate face suddenly became embarrassed. I just wanted to get angry at Ogle.

Hauger also frowned secretly, looked around and said coldly: “What are you talking about? Do you know who I am? Get out of here!”

hula...

The guests who come here have some knowledge to some extent. From Hauge’s clothes, they know that this is not to be provoked. Seeing him getting angry at this time, they all shut up and slipped out.

“Ilona!”

At this moment, Darryl’s voice sounded from outside the door: “Are you inside?” The voice fell, and Darryl walked in slowly.

Seeing Darryl, Ilona showed a smile on her face, and hurriedly greeted her: “You’re back.” The gentle tone was completely different from how he treated Hauge just now.

Um!

Darryl nodded.

At this moment, Hauge frowned and looked at Darryl with a frown, with a bit of hostility in his eyes.

Who is this man? Ilona was so gentle to him.

Thinking to myself, Hauge suddenly overturned the vinegar jar, and his good mood suddenly turned bad.

“Hey!”

At this time, Haogel took a step forward and looked at Darryl up and down: “Who are you?” Although he is the son of the leader, he never cares about the important affairs of the Rakshasa clan. Naturally, he doesn’t know that the person in front of him belongs to the queen. The honored guest, the famous Darryl from Kyushu.

“Hauger...” Seeing Hauger’s arrogance, Ilona was very unhappy, and quickly came out and said, “Don’t be rude, he is...”

Before he could say anything, Darryl stopped him.

At this moment, Darryl shook his head at Ilona, then turned around and smiled at Hauge: “I’m her friend!” I came out today to relax, and I didn’t want to be too public.

friend?

Hearing this, Hauge suddenly chuckled: “I thought there was something to it, but it turned out to be just a friend. Let me tell you, I am Ilona’s childhood sweetheart playmate.”

The words are full of provocation.

Shameless!

Ilona couldn’t help rolling her eyes. At that time, I didn’t bother to pay attention to it, so I whispered to Darryl: “I just saw a jade slip, and the boss wants one million Kyushu coins. I don’t know if it’s worth it.”

Hearing this, Darryl tilted his head to look at the jade slip and shook his head slightly.

With Darryl’s attainment in antiques, it is obvious at a glance that this jade slip is a high imitation.

Mad!

Seeing the two whispering, completely ignoring himself, Hauge was very upset. He didn’t care about getting angry at Ilona, but he could only pour his anger on Darryl.

“Hey!” Hauge said to Darryl: “Looking at your appearance, you can’t get a million, so don’t whisper.” In his opinion, Darryl and Ilona were whispering to each other. Research the price of jade slips.

Saying that, Hauge said to Ilona with a flattering face: “I can’t even buy a million gifts, so how can I be your friend? I bought this jade slip for you.”

The last sentence fell, and Hauge said to the boss with a proud look: “Wrap it up!”

okay!

The boss responded happily and hurriedly prepared to pack. It just opened today and sold 1 million, which was a good start. I'm really happy.

"Fairy Wood"

Ilona was displeased and frowned: "Hauger, who said you want to buy something? Are you bothered!"

Chapter 3981

This Hauge is really blind.

Even if you don't know Darryl, he still makes a rude statement.

Hauge smiled shyly and said, "Ilona, don't be angry, I'm not wrong!"

Ilona was so angry that she would scold her.

"Ha ha!"

At this moment, Darryl smiled slightly, and persuaded Ilona: "Ilona, don't slap the smiling face, people kindly give you a gift, just accept it."

Saying that, Darryl gave Hauge a light look, and said meaningfully: "People have a lot of stupid money, and they are willing to spend so much money to buy a high-quality imitation product, so don't care about it."

To be honest, Darryl and Haogel have no grievances, but the other party has been belittling him just now, no matter how good Darryl is, he can't bear it anymore.

fake?

Hearing this, Ilona's body trembled, and she stared at Darryl blankly, feeling a little incredible.

How did he know that this jade slip was a high imitation?

"What did you say?"

At the same time, Hauge's face changed, and a burst of anger rose in his heart, glaring at Darryl: "Who do you call stupid and more money? Boy, I think you are tired of living."

Mad, even if this kid has no money to buy it for Ilona, how dare he scold me? Just looking for death!

But seeing so many people around, especially with Ilona present, Hauger abruptly suppressed the urge to shoot, and sneered at Darryl: "Boy, why do I feel that you can't afford it, and my heart is sour?"

When he finished the last sentence, Hauge looked contemptuous.

Darryl smiled and said lightly: "I can't afford it? Sorry, I will only buy the real thing."

"you..."

Seeing Darryl's determined face, Hauge's face was extremely ugly, but he also calmed down.

Could it be that there is something wrong with this jade slip?

Thinking to himself, Hauge called the boss and said coldly: "Boss, is your jade slip a high imitation? I tell you, if you dare to sell me a fake, I will tear down your shop."

"Oh, this young master, you can't talk nonsense." The boss's face was startled, and then he said excitedly: "How can I sell fake products in such a big store? Besides, today is the first day it opened, and I don't dare to sell fakes."

"Look at the texture of this jade slip and the inscription on it. How could it be fake?"

The voice fell, and many people around nodded.

"Yes, this jade slip is so beautiful, how can it be a high imitation?"

"yes..."

Seeing that everyone said the same, Hauge's gloomy face relaxed, and then he looked at Darryl with a half-smile: "Boy, did you hear? This is not a high imitation at all, I see you, just can't afford it, That's what I said on purpose."

Saying that, Hauge turned his head to look at Ilona: "Ilona, your friend, you seem to be honest, do you lack kindness in doing things, slander what you can't get, tsk tsk..."

“you shut up!”

Ilona bit her lip tightly and scolded softly, “He won’t see it wrong.”

Ilona didn’t know Darryl’s achievements in antiques, but she trusted him very much in her heart. Since Darryl said it was fake, it must be fake.

Mad!

Seeing that Ilona was still protecting Darryl at this time, Hauge was furious.

“Boy!” Hauge looked at Darryl and said coldly: “You said that the jade slip was fake, do you have any evidence? Let me tell you, if you talk about it, you are spreading false remarks and hindering other people’s business. If you don’t explain it well, you will be arrested.”

The voice fell, and many people around also booed.

“Well said.”

“Don’t talk nonsense without evidence.”

At this moment, the boss also came over and looked at Darryl in a complicated way: “This friend, you keep saying that my jade slip is fake, please tell me the details, otherwise, the business of my shop will be lost. , but it will be affected.”

call!

Darryl took a deep breath and smiled bitterly: “Boss, don’t get me wrong, I’m not targeting your shop, but... this jade slip is indeed a high imitation.”

With that said, Darryl pointed at the jade slip and said slowly, “The quality of this jade slip is good, it is indeed high-quality white jade, but the inscription on it was written recently. As for the simple luster on the surface of the white jade, a It’s done in a very special way.”

Chapter 3982

“This kind of counterfeiting is very clever, but a high imitation is a high imitation, this is a fact!”

Having said that, Darryl looked at the boss and smiled: "I believe that the boss has been in this business for many years, but this jade slip, you should have been deceived."

After some remarks, Darryl talked eloquently, his voice was not loud, but there was no doubt about it.

This....

Seeing Darryl's straightforward words, the boss took a deep breath and his expression became complicated.

You know, this jade slip, but he paid hundreds of thousands in a private auction, how could it be fake?

But what the man in front of him said was so sure...

At this moment, the other guests present were also stunned by Darryl's self-confidence and whispered one by one.

"Listening to him, is this jade slip really a fake?"

"It's hard to say..."

"If it's really fake, that's interesting."

Hearing the discussions around, the shop owner became more confused and lost his mind for a while.

"Ha ha!"

However, at this moment, Hauge sneered and said to Darryl: "You keep saying that this jade slip is a high imitation, how can you convince people with one-sided words alone? "

When he said this, Hauge's eyes flashed with a hint of coldness.

Mad, this kid is just making trouble, what a high imitation, just to show off in front of Ilona...

At this time, Hauge had thought about it, and when Darryl couldn't hold convincing evidence, he would teach him a lesson.

yes!

Hearing this, everyone around him nodded subconsciously.

"If you are so sure, you always have to show evidence."

"Yes, there is no reason to say..."

At this time, the shop owner also reacted, looking at Darryl in a complicated way, and squeezed out a smile: "This friend, since you insist that the jade slip is a high imitation, please come up with conclusive evidence."

At this time, the owner of the store was also a little bit angry. You know, this is the first day it opened, and if you encounter such a thing, anyone else will feel uncomfortable.

call!

Faced with this situation, Darryl breathed a sigh of relief and said slowly: "Okay, since you want evidence, okay, please get the boss a basin of salt water."

As soon as the words fell, the shop owner immediately ordered to the guy: "Go, get a pot of salt water over here." The things in his shop can't be fake, but he has to see what tricks this person is going to do.

Soon, the shop assistant brought a pot of salt water.

Whoa!

At this moment, the surrounding guests all gathered around, wanting to see how Darryl proved.

With a smile on his face, Darryl put the jade slip in salt water, soaked it for about half a minute, took it out and handed it to the shop assistant, and asked him to wipe it with a clean towel.

At the same time, Darryl looked around and said, "Since ancient times, there have been endless ways to counterfeit and make old antiques, but there are some things, no matter how realistic they are, it is difficult to be the same as the real thing."

“The surface of this jade slip has been treated with special methods, but as long as it is soaked in salt water, the old traces will disappear.”

The crowd listened with disbelief.

Hauge sneered even more, couldn't help but pouted: “It's really interesting, it's like saying that he is an antique expert.”

In the face of mockery, Darryl smiled and said nothing.

The shop owner was standing there, pondering secretly. Speaking of which, it was the first time that Darryl had seen the means he used at this time. Although he didn't know if it would work, he felt inexplicably uneasy in his heart.

call!

And Ilona, who was standing aside, looked at Darryl closely, her eyes showing a strange brilliance.

As expected of a hero from Kyushu, with such high strength and knowledge, he actually knows so much about antiques.

“Boy!”

At this time, Haogel seemed to be impatient, and said coldly to Darryl: “I tell you, wait for this jade slip to find out the problem, you are slandering the store's reputation and disrupting the market, and you are waiting to be arrested. Bar.”

idiot...

Hearing what he said, Darryl chuckled lightly, ignoring it.

It was at this moment that the shop assistant wiped the moisture off the jade slip and gently placed it on the table. In an instant, everyone gathered around and carefully identified it.

“what?”

Soon, someone discovered something and couldn't help but shouted, “It seems that it's really different.”

The voice fell, and everyone around was talking about it.

### Chapter 3983

I can see that the jade slip at this time has lost the quaint and moist feeling. Although the texture is delicate and snow-white, it gives people a dull feeling, and the inscription on it has also become lighter in color.

More importantly, the primitive traces on the edges and corners of the jade slip also disappeared.

This... how could this be?

At this moment, if the shop owner was struck by lightning, the whole person was dumbfounded, and his body trembled faintly.

I spent hundreds of thousands of dollars to buy a high-quality fake...

Mad, it's fake!

At the same time, Hauge's face was extremely ugly.

"Hauger!"

Seeing Darryl's words, Ilona's indescribable admiration, she glanced at Hauge with disdain, and said coldly: "If you don't understand antiques in the future, don't buy them blindly. My friends all say they are fake. Now, you don't listen."

Swish!

Hauge was in a bad mood at first, but when he heard Ilona's words at this time, it was like adding fuel to the fire, and he immediately became furious.

"Made!" In his anger, Hauge scolded and grabbed the shop owner's collar: "You are very courageous, dare to lie to me?"

The last word fell, and Hauge slapped it hard.

Snapped!

Hearing a crisp sound, the shop owner was slapped to the ground, half of his face swollen.

Speaking of which, the owner of the store is also a respectable person in this area. Usually, if someone dares to do something, they would have called someone long ago, but at this time, how dare the owner of the store dare to resist.

“This friend!” At this moment, the shop owner covered his face, feeling aggrieved and frightened: “I am also a victim. This jade slip was bid by me from an auction...”

“Fairy Wood”

“To shut up!”

Hauge roared angrily, his eyes full of suffocation. He had lost his face in front of his sweetheart just now, but now he is willing to listen: “Don’t ask me who I am, dare to lie to me?”

Saying that, Hauge waved his hand: “Come on, smash this store.”

In the entire Rakshasa clan, such ugliness has never been seen before, especially in front of Ilona, Mad, this black shop must be smashed today to relieve his anger.

Whoa!

Hearing the order, a few men outside the door rushed in quickly, ready to smash.

Seeing this, the shop owner almost cried.

“Wait!”

However, at this moment, Darryl frowned and stepped forward to stop Hauge’s subordinates.

Darryl has been through the rivers and lakes for a long time, and it can be seen at a glance that the owner of this store is not deliberately selling fake things to deceive people. After all, the first day this store opened, it sold fake things. It was too daring, and the owner must have been deceived.

Speaking of it, it has nothing to do with Darryl whether the store owner sells fake things, but speaking, if it were not for Darryl, so many things would not have happened.

Um?

Seeing Darryl coming out to stop him, Hauge had a grim expression on his face: “Boy, it’s none of your business here, get out of here.”

Darryl breathed a sigh of relief and said slowly, “The owner of this store must have been deceived. He didn’t deliberately sell you fakes. It’s unreasonable for you to smash his store like this.”

“Yes...” The shop owner nodded again and again.

At the same time, Ilona took a step forward, frowning her eyebrows and said, “Hauger, don’t mess around.”

Hauger glanced at Ilona and ignored it. However, he felt even more resentment and resentment towards Darryl in his heart. Madd, this kid is out of the limelight and makes me look like a fool.

“Go to Nimad!”

The more he thought about it, the angrier he became. He pointed at Darryl’s nose and cursed: “What is your special code? It was you who just said it was fake. Now it’s you who ran out to be a peacemaker. Do you think you are? Who is it? I have to smash this shop today, if you dare to stop it, I will clean it up with you.”

Ha ha!

Hearing this, Darryl couldn’t help laughing: “It’s a big voice, and I’ll tell you, if I’m here today, I won’t let you mess up.”

The voice was not loud, but there was an aura that could not be refuted.

Swish!

Hauge was stunned for a moment, and then said angrily: “I think you are courting death, beat me, and abolish this short-sighted boy.”

Hearing the order, several subordinates rushed toward Darryl.

“Hauger!” Seeing this situation, Ilona was anxious and angry, and was about to rush over to stop it, but was stopped by Darryl.

“Don’t panic, I’ll fix it.”

Darryl whispered something, let Ilona stand aside, and then went up to meet him.

Also a man, Darryl was very aware of Hauge’s heart at this time. He was humiliated in front of his sweetheart, and he couldn’t bear it. So, this fight is unavoidable.

wow...

Seeing this situation, the surrounding guests all quickly retreated out, for fear of being affected by the fish pond.

At this moment, Hauge stared at Darryl closely, his face full of hideous and proud.

Boy, on my site, dare to challenge me...wait for you to cry!

In Hauge’s heart, the man in front of him was just an ordinary friend of Ilona. He had no background, no strength, and was not his opponent at all.

However! He was wrong!

Bang bang bang!

In the blink of an eye, Darryl and several of Hauge’s subordinates collided, and a few dull sounds were heard. Everyone outside the door did not see what was going on, and saw that those subordinates had fallen to the ground. One by one, their faces were full of pain, and they were crying.

Speaking of which, Darryl has already shown mercy, otherwise, these men might have already entered the gate of hell.

What?

Seeing this scene, Hauge’s face changed, and he only felt his brain buzzing.

All of these subordinates are not weak, but they were all beaten down by this kid in one round.

And... I didn’t see clearly how the other party shot just now.

“Boy!”

Frightened, Hauge looked at Darryl and asked coldly, "Who are you?"

Darryl smiled slightly: "I said just now, I am Ilona's friend."

With that said, Darryl glanced at the few people lying on the ground, and said slowly: "Hauger, right, everything has to be reasonable, not everything can be solved with fists, take your men and go quickly. "

To be honest, Darryl, a stubborn son of Hauge, really disdains his efforts, and wants to let the other party retreat.

Mad!

However, Darryl's words were an indescribable humiliation to Hauge.

"Boy!"

At this moment, Hauge looked grim and said coldly: "You are quite kind, dare to oppose me, you think you are very powerful, right, okay, I want to see how powerful you can be."

hum!

The voice fell, Hauge howled, and a vigorous step rushed up, smashing his fist at Darryl.

I saw Hauge's figure passing by, and the fist wind whistled.

Although Hauger is a playboy, he has cultivated since childhood and his strength is not weak. This punch almost exploded with full force, and the power is amazing.

"Hauger!"

Seeing this, Ilona stomped her feet in a hurry, and couldn't help crying: "You're crazy, do you know who he is? He's an honored guest by the Queen's side!"

This Hauger is so arrogant, daring to fight with Darryl is simply courting death.

However, at this time, Hauge had completely lost his mind for self-esteem, and could not hear Ilona's words at all.

well! Why bother.

Seeing Hauge rushing up, Darryl couldn't help but sighed and shook his head.

The next second, Darryl stood there as still as a mountain and threw a punch lightly.

boom!

In an instant, the fists of the two sides collided, and a dull sound was heard. Immediately afterward, Hauge screamed, clutching his fists and backing up again and again, and he stopped after retreating more than ten meters, his face pale and pale.

“The Exotic Land Reclamation of Vegetable Skeletons”

Mad!

The severe pain came in waves, and Hauge kept gasping for air, while staring at Darryl, both angry and shocked.

Is this kid so strong?

Hauge clearly felt that his fingerbones were all shattered.

At this time, Hauge didn't know that the person in front of him was the famous Darryl in Kyushu, and his strength was simply beyond his imagination. Moreover, Darryl only used one layer of strength just now, otherwise, Hauge would be destroyed.

call!

Seeing this situation, both the owner of the store and the guests outside the door were all stunned. They looked at Darryl one by one, with complicated expressions in their eyes.

Is this guy so strong?

It's just.... This Hauge has a lot of background, and now he has suffered a loss, and he will definitely not let this person go.

Worried, the shop owner walked over quietly and whispered to Darryl behind him: “This friend, let's go, the other party has a lot of background. If you hurt him, he will definitely retaliate.”

Speaking of which, the store owner was very unhappy when Darryl pointed out in public that his collection was fake just now, but he stopped Hauge from smashing the store at a critical moment just now. Such chivalrousness made the owner admire him.

“Ha ha!”

Facing the concerns of the shop owner, Darryl smiled lightly, shook his head and said, “It’s alright.”

In Darryl’s eyes, this Hauge was just a dude, not even an enemy.

Seeing that Darryl was not in a hurry, the shop owner was very anxious, but there was nothing he could do.

Ilona is also extremely calm. After all, Darryl is the Queen’s VIP, and it is not something that a playboy like Hauge can provoke.

But what made her helpless was that Hauge didn’t listen to her repeated dissuasion.

“Good boy!”

At this moment, Hauger reacted and pointed at Darryl with resentment on his face: “You wait for me, don’t run here. I will call someone.”

call someone?

Hearing this, Darryl was instantly happy, nodded, and said, “Okay, you go and call.”

Saying that Darryl walked to the side slowly and sat on the chair with a relaxed expression on his face.

Seeing this scene, the shop owner and the guests outside the door secretly sweated for Darryl.

Although this man is powerful, his personality is also too stubborn.

Although you are very powerful, this is the Rakshasa clan after all, and this Hauger looks like a person with a background. No matter how strong you are, you can’t be someone else’s opponent.

Just looking at Darryl's confident face, everyone is not easy to persuade.

"Hauger!"

At this moment, Ilona frowned and shouted at Hauge Jiao: "Can you stop making a fool of yourself, this matter is your fault."

Ilona didn't say anything. Hearing this, Hauge was even angrier, and immediately shouted: "Ilona, don't talk for this kid, it's a matter between the two of us now, you It's better not to get involved."

The last word fell, and Hauge strode out to call for someone.

This pig brain.

Seeing this, Ilona was furious.

"This girl!" The shop owner came over and whispered to Ilona: "Hurry up and persuade your friend, Qianglong doesn't overwhelm the snake, I'm afraid it will be too late."

Seeing Ilona's anxious face, the shop owner thought she was worried about Darryl.

However, he didn't know that Ilona was not worried about Darryl at all, but felt helpless because of Hauge's arrogance and ignorance.

"It's alright..."

Hearing the store owner's words, Ilona smiled lightly: "You don't have to worry."

Seeing that she didn't listen to dissuasion, the shop owner sighed.

WOW....

Soon, there was a sound of neat footsteps outside the store, and I saw that Hauge came with dozens of warriors in armor.

Seeing this scene, the guests outside the door quickly dispersed.

The shop owner's face was also pale in an instant. It's too bad, things are getting worse and worse, and I'm afraid that this shop can't be kept.

Darryl's face was calm.

“Boy!”

Hauge walked in quickly and saw that Darryl was still there, and immediately smiled coldly: “It’s quite kind, and he didn’t leave.”

loubiqu.net

“Interesting!” Darryl smiled slightly: “I didn’t do anything shameful, why did I leave?”

Swish!

Seeing that he was still stubborn at this time, Hauge was too lazy to talk nonsense, and shouted: “Abolish him for me.” Today, if this kid’s hands and feet are not abolished, how will he meet people in the future?

wow...

Hearing the order, dozens of warriors pulled out their machetes and charged towards Darryl.

Seeing this scene, both the shop owner and the customers standing outside watching the fun all sighed secretly and couldn’t bear to watch any more.

“stop!”

However, at this moment, there was a loud shout outside the door, and then, a burly middle-aged man, surrounded by a few valet, walked in quickly.

Wearing a gorgeous robe, he is not angry and arrogant, and his body is filled with a good aura.

It is Haogel’s father, Haotai.

Haogel came home just now and said that he had been beaten, and then quickly summoned his subordinates to come back for revenge. Haotai was not at ease, so he had to follow him to take a look.

“Father!”

Seeing Haotai, Hauge was more confident, walked over quickly and said, “Why are you here?”

Haotai said angrily: “Why do you think I’m here? You idle around every day and cause trouble everywhere. What do you want to do with so many people this time?”

## Chapter 3986

As a father, Haotai knows this son very well.

“Father!”

Facing the accusation, Hauge was very disapproving: “How can I cause trouble every day? I really don’t blame me today. This kid deliberately played with me and injured me.”

The more he thought about it, the angrier he became: “I have to abolish him today.”

While speaking, Hauge glared at Darryl fiercely.

call!

Hearing this, Haotai frowned, and then followed Hauge’s line of sight.

The moment he saw Darryl, Haotai was shocked, his head was buzzing, and he almost collapsed on the ground in fright.

Ma De, this renegade son, actually wants to abolish Your Excellency Darryl.

At this time, Hauge, hadn’t noticed his father’s fault, and shouted at the warriors: “What are you doing? Do it!”

Hearing the order, dozens of warriors waved their machetes again.

“stop!”

At this moment, Haotai was frightened to death and hurriedly shouted.

Immediately, both Hauge and those warriors were stunned, and they didn’t seem to understand why Haotai reacted so much.

Snapped!

The next second, Haotai rushed forward and slapped Hauge in the face. This slap almost used all his strength, and when Hauge snorted, he turned around in a circle, and half of his face was swollen.

“Father!”

Hauge was blinded, covering his face and staring at Haotai: “Why are you hitting me?”

Snapped!

As soon as the words fell, Haotai slapped him again and shouted angrily: “Shut up for me, you renegade son, cause me trouble every day, how can I give birth to such an unsatisfactory thing of you.”

This is Darryl, the Queen’s VIP, the benefactor of the entire Rakshasa clan.

And this renegade actually wanted to abolish him...

“Father!”

Facing the scolding, Hauge was very aggrieved and said unwillingly: “He wounded me first, and I came back to trouble him, what’s wrong?”

Until now, Hauge had not realized that he had almost made a big mistake.

At this time, Haotai was trembling with anger, and cursed: “You blind thing, he is the Queen’s VIP, the famous Your Excellency Darryl, you ... you want to kill yourself, harm yourself Do you want to kill me?”

What?

Hearing this, Hauge trembled, and he was dumbfounded.

At the same time, the shop owner and the people watching the lively outside were also stunned, silent.

Hauge’s head was buzzing, staring at Darryl blankly, unable to tell the fear, who doesn’t know Darryl’s name? It can be said that he is the benefactor of the entire Rakshasa clan, and the queen must be courteous three points when she sees it.

And himself, he was going to abolish him just now.

The shop owner was completely stunned.

No wonder this person is so calm, it turns out that he is the famous Darryl.

“Your Excellency Darryl...”

At this time, Haotai walked over quickly, his face full of embarrassment and shame, and smiled bitterly at Darryl: “I’m really sorry, the dog is rude, I hope you don’t take offense.”

Saying that, Haotai turned his head and shouted at Hauge: “Nizi, come over and apologize.”

call!

Hearing the scolding, Hauge woke up, took a step forward, and saluted Darryl, his voice trembling: “Your Excellency Darryl, I was wrong just now, I have eyes and don’t know Mount Tai.”

Hauge was almost crying at this point.

I thought it was an ordinary person from Kyushu, but I never thought that the other party turned out to be Darryl, who was famous in Kyushu.

call!

Darryl breathed a sigh of relief, and said lightly to Hauge: “It’s good to know that it’s wrong, and stop doing bullying things in the future.”

Thinker

“Yes, yes...” Hauge nodded repeatedly.

Darryl was too lazy to talk nonsense and waved his hand to indicate that he could leave.

At this time, Hauge didn’t dare to say a word and quickly left with dozens of warriors.

“Your Excellency Darryl!”

As soon as his forefoot left, Haotai was ashamed and bowed ninety degrees to Darryl: “It’s okay for me to discipline you, I really made you laugh just now.”

Darryl smiled: “The leader is polite, I’m not a stingy person, so don’t worry about it.”

Afterward, Darryl and Haotai exchanged a few words and left the antique shop with Ilona.

“Ilona!”

When they got outside, Darryl laughed and joked, “That Hauger seems to like you very much.”

Ilona’s delicate face instantly flushed, and she couldn’t hide her disgust: “Don’t mention this person, it annoys him to death.”

After speaking, Ilona changed the subject: “By the way, Darryl, do you have a lot of research on antiques?”

Chapter 3987

Um..

Darryl pondered for a while, nodded and said, “That’s right.” Then, he briefly told Ilona about his knowledge of antiques.

Ilona was very fascinated, and she admired Darryl even more for a while.

The two walked and chatted, and unknowingly returned to the palace.

When he arrived at the palace, Darryl went directly to Mona to say goodbye. It was almost time to recuperate in the past few days, and it was time to return to Kyushu.

Both Mona and Ilona were a little reluctant, but they also knew that Darryl had a heavy responsibility and could not stay here forever, so he had to be sent all the way outside the palace.

Leaving the Rakshasa, Darryl did not fly, but walked for a while to enjoy the scenery along the way.

Um?

At a mountain intersection, I saw a little girl sitting on the side of the road, all dirty, with a broken bowl in front of her, begging there.

It’s just that at this moment, there are few pedestrians on the road, and it seems that the girl is alone there, which is pitiful.

Seeing that the girl's eyebrows and eyes were somewhat similar to Krista's, Darryl raised sympathy, walked in slowly, and asked in a warm voice, "Girl, why are you alone, where are your parents?"

These Darrylnian walked around the rivers and lakes, and were used to seeing life and death parting, but they couldn't see the children suffering the most.

The girl seemed timid, and when she heard the question, she did not answer, but stood up and took a step back.

call!

Seeing this, Darryl breathed a sigh of relief, squatted down, and prepared to continue asking.

However, at this moment, the girl suddenly raised her right hand, and a cloud of white powder sprinkled over her head and face. Darryl didn't have time to react, and her whole body was instantly shrouded in powder.

Yes, this little girl is not a beggar at all, but is here to attract Darryl's attention.

Nima...it's a trap.

The moment he inhaled the powder, Darryl felt that the world was spinning, and he cursed inwardly, and then his eyes darkened, and he didn't know anything. Speaking of which, Darryl possessed the Primordial Spirit and was immune to a hundred poisons, but at this time his strength had not fully recovered, and the sudden incident made him fooled.

Not knowing how long he had been in a coma, Darryl finally woke up.

call!

When he woke up, Darryl took a deep breath and felt his brain swell.

Nima, what a shame, the teacher of the dignified Heavenly Emperor was raided by a little girl...

Cursing inwardly, Darryl wanted to stand up, but found himself bound by five flowers, and then looked around, completely stunned.

I saw that I was in a secret room.

Um?

The next second, Darryl's eyes fell directly in front of him, and he couldn't move his eyes away.

I saw that there was a chair in front of me, and there was a beautiful and sexy woman sitting quietly on it. She had beautiful facial features and graceful curves, so people couldn't move their eyes when they saw it.

Who is this?

At this moment, Darryl was stunned for a moment, and at the same time, he was also a little puzzled.

This woman looks about the same grade as Ilona. Although she is beautiful and sexy, she is very face, and she has never seen it before.

Could it have something to do with that Hauge?

No, Hauger knew his identity, so he didn't have the courage.

At this time, Darryl did not know that the beautiful woman in front of her was Xu Shaojun, the younger sister of Xu Wei, the leader of the Tiandao Society.

The business of Tiandaohui spreads all over the continent of Kyushu. Xu Wei is mainly in charge of the business at the headquarters of the Rakshasa tribe, while his younger sister Xu Shaojun has been in Kyushu. Half a month ago, when the headquarters of Tiandaohui was sacked by Yi Taier, Xu Shaojun was on the ground. Yuan Continent was very saddened when he learned what happened to his brother at that time.

Two days ago, Xu Shaojun came to the Rakshasa clan quietly, preparing to take revenge, but he couldn't find the opportunity. He accidentally learned that Darryl left the palace today and secretly set up an ambush.

"You are Darryl!"

At this moment, when Darryl was secretly doubtful, Xu Shaojun's delicate face showed a bit of grief and anger, and said lightly: "The hero of Jiuzhou, helping Zhou to abuse, I didn't expect that I would be arrested one day."

When speaking, Xu Shaojun couldn't hide his grief.

In her heart, her brother and the headquarters of the Tiandao Society were wiped out by the Rakshasa clan, and Darryl had a close relationship with the Rakshasa clan queen, so naturally he could not escape the responsibility.

Help Zhou to abuse?

Hearing this, Darryl's mind was full of greetings, and he immediately smiled bitterly and said, "Beauty, what do you mean? I don't understand, do we know each other?"

### Chapter 3988

Xu Shaojun breathed a sigh of relief, stood up slowly, and said slowly: "It seems that you don't know me yet, okay, then I tell you, I am the leader of the Tiandao Society, Xu Wei's sister, Xu Shaojun!"

Tiandao Society?

Hearing this, Darryl frowned secretly and couldn't help laughing: "I don't know your brother, did you arrest the wrong person?"

Of course, Darryl knew that Tiandao would be wiped out. At that time, Mona also convicted Yitai because of this.

Moreover, Darryl also heard that Xu Wei is a character.

I just didn't expect that the other party has such a sexy and beautiful sister...

Muttering in his heart, Darryl couldn't help looking at Xu Shaojun up and down, and saw that she was wearing a light yellow short skirt, which showed her exquisite and graceful figure vividly.

Coupled with those slender snow-white legs, any man will be unable to extricate himself when he sees it.

Swish!

Seeing Darryl staring at him tightly, Xu Shaojun's delicate face showed a bit of coldness, and then quickly walked to Darryl.

Gudong!

At this time, when he observed closely, Darryl was stunned and couldn't help but twitch his Adam's apple secretly.

Snapped!

However, at this moment, Xu Shaojun bit his red lips tightly, raised his jade hand, and slapped Darryl without warning!

A crisp sound rang out, and Darryl was a little stunned.

"What Kyushu hero is just a womanizer. I warn you, if you dare to look at me with this kind of eyes, you will dig out your eyeballs!" Leng Xiaoxiao said coldly. .

The girl is young and quite fierce.

Hearing the warning, Darryl did not panic at all, but just smiled bitterly.

With emotion in his heart, Darryl breathed a sigh of relief and looked at Xu Shaojun: "You look so naturally beautiful, I just appreciate it, why are you so lustful? Besides, there is no grudge between us, it's not good for you to catch me like this. "

When he was talking, Darryl tried to open the acupoints, but the powder he inhaled before, he didn't know what the ingredients were.

"No grudge?"

At this time, Xu Shaojun sneered and looked at Darryl's eyes with a bit of hostility: "I have thousands of brothers in the Heavenly Dao Society, and my brother's life is all gone, this hatred is not shared, and you are The VIP of the Queen of the Rakshasa clan, and you were in the Rakshasa clan when our headquarters of the Heavenly Dao Society was wiped out, you said it had nothing to do with you?"

It was because of this...

Hearing these words, Darryl was very helpless, and explained with a wry smile: "Girl, you are a bit unreasonable, it is Itaire who will slay your Heavenly Dao Society!"

"At that time, he acted privately and was already punished by the queen. In other words, the main responsibility lies with Itair, and it has nothing to do with the queen..."

At this time, Darryl was very speechless. This Xu Shaojun was also true. He just arrested people without investigating the matter well.

“you shut up...”

Just before Darryl finished speaking, Xu Shaojun snorted: “You and the queen are the same raccoon dog, do you think I will believe what you say?”

Uh....

Seeing the other party messing around, Darryl was speechless: “Then what are you going to do?”

Xu Shaojun thought for a while, and said slowly: “It’s very simple, you take me into the palace, I want to meet the queen in person, and ask her clearly.” Brother can’t die in vain, this hatred must be guaranteed.

“no!”

Seeing the killing intent in Xu Shaojun’s eyes, Darryl didn’t even think about it, shook his head and refused, “I can’t do this.” This Xu Shaojun, who can use the little girl to plot against me, does not compromise on means to achieve his goals, how can he bring her Enter the palace?

Snapped!

As soon as the words fell, Xu Shaojun’s face turned cold, he raised his hand and slapped Darryl again, and said coldly, “Do you think you have the right to negotiate with me? Let me ask again, will you take me into the palace?”

Nima...

With this slap, Xu Shaojun almost used all his strength, Darryl only felt his face was hot, and suddenly he was a little angry, but his hands and feet were tightly bound, and he couldn’t break free at all.

Holding back his anger, Darryl showed a smile: “Xu Shaojun, if you really want to see the queen, I can be a middleman and help you connect, but I want to take you directly into the palace, please forgive me for not being able to do it.”

Chapter 3989

When he said this, Darryl’s tone was flat, but there was no doubt about it.

“it is good!”

Hearing this, Xu Shaojun lost his patience and sneered immediately: “Darryl, I don’t want to embarrass you, as long as you cooperate, but I gave you a chance, but you are so ignorant of praise, then don’t blame me!”

After the last sentence fell, Xu Shaojun turned around and picked up a strange box from the corner.

What the hell!

At this moment, when he saw the contents in the box, Darryl’s face changed, and he was shocked and angry.

I saw that there were more than a dozen fingernail-sized scorpions in the box. They were golden all over. At first glance, they looked like exquisite handicrafts, but Darryl knew that this was an extremely rare golden armored scorpion.

The golden armored scorpion is not highly poisonous, but it makes people in the world change the color of the conversation because this kind of scorpion likes to sting people’s meridians the most.

At this time, Darryl never thought that Xu Shaojun in front of him was so sexy and charming, but his methods were so cruel.

call!

Soon, Darryl reacted and said coldly: “Hey, girl, don’t go too far.”

“Am I too much?”

Hearing this, Xu Shaojun’s delicate face was full of contempt: “I just want to avenge my brother and ask you to do me a favor, but you push back three and four, and now you say I’m too much, don’t you think my brother should die?”

When the words fell, Xu Shaojun quickly picked up a golden armored scorpion and placed it on Darryl’s shoulder.

In an instant, the golden armored scorpion raised its scorpion tail and stabbed the meridian on Darryl’s shoulder.

hiss!

For a moment, Darryl only felt a piercing pain coming, and his whole body trembled. This kind of pain did not agree with a wound and went straight to the soul, but Darryl still gritted his teeth and did not shout.

The next second, Darryl gritted his teeth and said, "Girl, I advise you to calm down, you can't solve the problem like this."

"To shut up!"

At this time, Xu Shaojun was angry and scolded coldly: "Don't tell me these big truths, how do I do things, it's not your turn to comment, I just ask you if you agree to take me into the palace."

Darryl smiled bitterly and did not respond.

"It's tough!"

Xu Shaojun sneered, then took out a few golden armored scorpions and threw them on Darryl.

Puff puff...

Several golden armored scorpions quickly spread out on Darryl, and then raised their tails one after another, stabbing on the acupoints and meridians everywhere. In an instant, Darryl felt that his soul was torn apart, and he could still grit his teeth at first. He endured it, and in the end, he couldn't bear it any longer, so he screamed loudly.

"Nima..."

"Girl, wait for me..."

"One day you will fall into my hands and see how I teach you..."

To be honest, Darryl didn't want to be so rude, but the pain of the golden armor scorpion's stab on the meridians was really unbearable.

While scolding, Darryl trembled all over, cold sweat soaked his gown, every inch of muscle was twitching, and his face was extremely pale.

"Ha ha!"

Hearing the scolding, Xu Shaojun was not angry, there was a smile on his delicate face, and he said to Darryl playfully: "As expected of Darryl, it's this time, you dare to threaten me? It seems..."

Before he could finish speaking, Xu Shaojun suddenly frowned, his face showed a bit of pain, his delicate body trembled faintly, and he almost fell to the ground.

Um? what's going on?

Seeing this scene, Darryl frowned secretly, while watching Xu Shaojun closely. Seeing that her face suddenly turned pale, her whole body was extremely weak.

Could it be that this girl suffers from a hidden disease and has an attack at this time?

Ha ha...

Realizing this, Darryl endured the pain on his body and smiled.

It seems that my luck is not bad. At a critical moment, I encountered this girl's illness. Otherwise, I don't know how to be tortured by her later.

Thinking to himself, Darryl observed Xu Shaojun carefully and soon saw the clue.

This girl, it seems that the poison in her body has attacked, and it seems that she has been caught by the fire poison of the Taipan snake.

Taipan snake is a rare spirit snake that likes to haunt underground magma and hot environments. It has a powerful fire poison in its body, and this fire poison has a long incubation period. As long as it is bitten by a Taipan snake, the fire poison will kill it. It will penetrate deep into the dantian meridian, and it is difficult to eradicate it.

## Chapter 3990

Darryl guessed right, Xu Shaojun was caught by the poison of Taipan snake.

Two years ago, Xu Shaojun inspected an ancient tomb. The ancient tomb was built near the underground magma, and inside it was a Taipan snake that had been practicing for hundreds of years.

At that time, Xu Shaojun and the Taipan snake fought fiercely for dozens of rounds. Although she was successfully killed in the end, she was also poisoned by fire.

In the following two years, Xu Shaojun tried many methods, but he couldn't completely disperse the fire poison. He could only rely on his internal strength to suppress it, but it would happen every six months.

Every time I have an attack, I feel like I'm on fire, and the pain is unbearable.

call...

At this time, Xu Shaojun's delicate face was extremely flushed, and the fire poison in her body made her groan uncontrollably.

Ha ha...

Seeing this situation, Darryl laughed secretly, this girl's methods are so hot, and being tortured by fire poison at this time can be regarded as retribution.

Swish!

Seeing Darryl's face full of ridicule, Xu Shaojun was very annoyed, enduring the burning pain in his body, he shouted at Darryljiao: "Darryl, you can't protect yourself, you dare to laugh at me, wait and see how I torture you."

This Darryl, who was tortured so badly by himself, even dared to laugh at this time, he was simply courting death!

Well...

Seeing her fierce face, Darryl was speechless: "Girl, you are unreasonable. You arrested me and tortured me like this, and you still don't allow me to laugh?"

With that said, Darryl looked at Xu Shaojun up and down, and continued: "Besides, your current situation is not much better than mine, the fire poison of Taipan snake is not something that ordinary people can bear, you should take care of yourself. ."

Um?

Seeing Darryl mention the Taipan Snake, Xu Shaojun was shocked, his delicate face, unable to hide his shock, said to Darryl: "How do you know that I am the Taipan Snake's fire poison? "

Darryl smiled slightly: "This is nothing unusual, you can see it at a glance."

Seeing his determined face, Xu Shaojun was stunned, and then instinctively asked, "Do you...know how to treat it?"

"of course I know."

The corners of Darryl's mouth twitched, and he said slowly, "Actually, it's not difficult to solve this fire poison. You only need to take the Cold Marrow Pill to get rid of it."

Cold Marrow Pill?

At this moment, Xu Shaojun became excited, and looked at Darryl closely: "You... Do you have Hansui Dan?"

When speaking, Xu Shaojun had a bit of expectation in his eyes.

You must know that in the past two years, in order to remove the fire poison from the body, Xu Shaojun has searched for elixir everywhere in the rivers and lakes, and even tried to find a way to eradicate it through the personal connections of the Tiandao Society, but in the end, he found nothing.

At this time, seeing Darryl explain his problem in one sentence, and also know the solution, why not get excited?

"Yes, I have!"

Seeing Xu Shaojun's excited appearance, Darryl smiled secretly, nodded and said, "The cold marrow pill is not particularly rare. I happen to have one on me."

Darryl is not bragging, he does have a cold marrow pill on his body.

"You're not lying to me?" Xu Shaojun was suspicious.

Darryl smiled lightly: "If you don't believe it, forget it."

Hearing this, Xu Shaojun hesitated, endured the pain of the fire poison, and walked slowly.

When he got to the front, Xu Shaojun untied the rope for Darryl and asked, "Where is the cold marrow pill on you?"

call!

Darryl took a deep breath and said with a smile, "I'll get it for you if a man or a woman is not married, but you have to help me take out the golden armored scorpion first."

Mad, a dozen or so golden armored scorpions, the scorpion tail stabbed on the meridians of the whole body, this feeling is really uncomfortable.

Hearing this, Xu Shaojun thought for a while, then took out a pack of special medicines, led out the golden armored scorpion on Darryl's body, and put it in the box.

The moment the golden armored scorpion was taken out, Darryl only felt relieved.

Afterwards, Darryl took out a cold marrow pill from his body, and saw that the cold marrow pill was completely white, and in Darryl's hands, it exuded bursts of fragrance.

Is this the Cold Marrow Pill?

Seeing Hansui Pill, Xu Shaojun was suspicious. In the past two years, Xu Shaojun has checked many ancient books, trying to find a solution, but he has never heard of Hansui Pill.

However, upon smelling the fragrance of the Cold Marrow Pill, Xu Shaojun could clearly feel that the pain of the fire poison raging in his body suddenly eased a lot.

Chapter 3991

Obviously, this elixir does work.

In the next second, Xu Shaojun stretched out his jade hand and said in an unquestionable tone, "Give it to me!"

"Well, for you!"

Seeing the urgency in Xu Shaojun's eyes, Darryl smiled slightly and handed over the Cold Marrow Pill. Just at the moment Xu Shaojun picked it up, he accidentally dropped the medicinal pill on the ground.

pat!

The Cold Marrow Pill was very fragile. It fell to the ground and shattered into pieces in an instant.

Yes, Darryl did it on purpose.

This girl tortured him half to death just now, how could she give her the Cold Marrow Pill so easily?

“oops?”

At this moment, Darryl looked at the elixir that was shattered on the ground, and said hypocritically, “I was stung by a golden armored scorpion just now.

Saying that, Darryl looked at Xu Shaojun with a half-smile.

“you...”

Xu Shaojun’s pretty face changed, and he was very angry at the time: “Well, you Darryl, you are playing with me...”

When saying this, Xu Shaojun’s eyes flashed with cold light, and a powerful killing intent permeated his body.

This Darryl is really abominable, it is obviously intentional, and he also makes an innocent appearance.

The more Xu Shaojun thought about it, the angrier he became. At that time, his inner strength urged him to raise his hand and hit Darryl.

“Hey!”

Seeing Xu Shaojun’s palm call, Darryl didn’t panic at all, and didn’t even hide: “Girl, if you kill me, don’t even think about getting the Cold Marrow Pill in the future!”

call...

Hearing this, Xu Shaojun’s delicate body suddenly froze and withdrew his palm force abruptly.

Yes, if you kill him, you won’t be able to save yourself.

Thinking to himself, Xu Shaojun glared at Darryl: “But the cold marrow pill has been destroyed by you, you...”

Before she could finish speaking, Darryl smiled slightly: “What are you panicking about, I can refine it!”

What?

At this moment, Xu Shaojun was stunned again, looking at Darryl blankly, thinking that he had heard it wrong.

Can he refine the Cold Marrow Pill?

After thinking about it, this person is a well-known figure in Kyushu. It is said that his achievements in alchemy are unprecedented, and no one has come since. He said that he can refine cold marrow pills, which is definitely not false.

Thinking about it, Xu Shaojun hurriedly urged: “Then what are you doing still, don’t refine it yet.”

The tone is high, unquestionable.

However, Darryl sat lazily on the chair and instructed Xu Shaojun: “It’s not difficult to make Hansui Dan, you go find me a porcelain jar.”

Seeing that he turned his back on the guest, Xu Shaojun was stunned for a moment, then frowned: “What did you say?”

Does this Darryl actually treat me as a servant?

Who gave him the courage?

Darryl had a leisurely expression on his face, while kneading the place where he was stung by the golden armored scorpion, he said slowly: “Girl, you have to figure out, now you are begging me, and if you still want Hansui Dan, you must be obedient. , understand?”

you...

Xu Shaojun stomped his feet angrily, but he had nothing to refute, so he could only suppress his anger, walked out of the secret room quickly, and went outside to find a porcelain jar.

Darryl took the porcelain jar, and then took out the herbs he had collected from his body. These materials were all collected by Darryl before, and each of them was a rare spirit herb in the world. Carry it with you all the time, just in case.

Soon, everything will be ready.

However, Darryl was not in a hurry to refine, but sat on a chair and looked at Xu Shaojun with a smile.

“You...” Seeing him like this, Xu Shaojun frowned and said angrily, “What else are you doing? Why are you looking at me like this?”

call

Darryl sighed lightly, squeezed his shoulders behind him, and said meaningfully: “Alchemy is a physical task, you stung me with a golden armored scorpion just now, and your meridians are still hurting, I’m afraid that I will fail alchemy accidentally next time. , that would be troublesome, you know, these herbs are not easy to find.”

Hearing this, Xu Shaojun couldn’t help but say, “What the hell are you talking about!”

Darryl smiled and said, “You give me a massage and pinch my body. My muscles and bones are comfortable, so I can conscientiously concoct alchemy.”

Swish!

Hearing this, Xu Shaojun’s pretty face changed, and he was ashamed and angry: “Darryl, you are courting death!”

I was so clean and pure that I didn’t even hold a man’s hand, but this Darryl asked me to beat his back and rub his shoulders, which was just wishful thinking.

But... if he didn’t massage him, he wouldn’t be able to refine the Cold Marrow Pill.

## Chapter 3992

Seeing her tangled face, Darryl made an indifferent look and said with a smile: “If you feel reluctant, then forget it.”

Having said that, Darryl sat on the chair and stretched: “But, I have to rest.”

rest?

Xu Shaojun was stunned for a moment, and said anxiously: "Why do you need to rest? Hurry up to make alchemy." She clearly felt that the fire poison in her body was raging, and it was getting worse and worse.

Darryl sighed and said hypocritically: "I also really want to make it now, but just now so many golden armored scorpions stabbed my body, my meridians were damaged. You don't massage me, I can only rest by myself. relieved."

Hearing this, Xu Shaojun was in a hurry.

He couldn't stand being tortured by fire poison, how could he have time to wait for Darryl to rest.

"it is good!"

After some inner entanglement, Xu Shaojun nodded, then bit his lip, and walked slowly behind Darryl, a pair of jade hands placed on his shoulders and kneaded gently.

To be honest, giving Darryl a massage, Xu Shaojun felt ten thousand reluctance in his heart.

But no way. The fire poison in the body is getting more and more serious, as if the whole person is about to burn, the taste is really unbearable.

"Darryl, are you feeling better?" Xu Shaojun couldn't help but ask while pressing lightly.

She didn't care about Darryl, she just wanted him to make alchemy quickly.

"Um!"

Darryl squinted his eyes, with the attitude of an uncle: "It's so-so, but the strength is not enough, it will be better if you use more strength."

Hearing this, Xu Shaojun was furious.

You bastard, Darryl, I put down my dignity and give you a massage.

However, Xu Shaojun still suppressed his anger, his hands gradually increased a little bit of strength, biting his lip and asked, "Is that so?"

Um!

Darryl nodded comfortably, then pointed to his legs: “You don’t need to press your shoulders, your legs are a little numb, you pinch me...”

“you..”

Seeing Darryl’s progress, Xu Shaojun’s face flushed with anger: “Do you want to die...”

Feeling Xu Shaojun’s anger, Darryl did not panic at all, he smiled and said, “Do you still want Hansui Dan?”

Hearing this, Xu Shaojun had to suppress his anger, squatted in front of Darryl, and started pinching his legs.

call!

At this moment, Darryl only felt comfortable all over, and couldn’t help sighing in relief.

At the same time, from Darryl’s point of view, Xu Shaojun’s perfect curve can be seen.

I have to say, this girl has a really good figure...

shameless...

Aware of Darryl’s gaze, Xu Shaojun was ashamed and angry. He scolded secretly at the time, pinched it for a few minutes, and finally couldn’t hold it any longer: “Darryl, it’s time to make alchemy now.”

“Practice, practice!”

Aware that Xu Shaojun was on the verge of an attack, Darryl stopped when he saw it, and immediately nodded with a smile: “Practice now!”

With that said, Darryl stretched his waist and stood up, and started igniting alchemy.

Xu Shaojun stood aside, watching intently, and saw Darryl skillfully sorting the medicinal materials, then lighting the fire, refining... Every step was orderly.

For a while, Xu Shaojun couldn't help but admire secretly even though he was very angry.

This Darryl is worthy of being a famous figure in Kyushu, refining medicinal pills is so easy and comfortable, I am afraid that those alchemy masters will not be able to reach this level...

Bang!

Just when Xu Shaojun was secretly admiring, he heard a vibration from the porcelain jar, and then, a scent of medicinal herbs came out, exuding bursts of fragrance.

Immediately afterward, Darryl opened the porcelain jar and took out a refined cold marrow pill.

For a time, Xu Shaojun's delicate body trembled, and his face was full of excitement and excitement.

Great, the Cold Marrow Pill has been refined.

"Here!" Darryl looked at her with a smile and handed over the medicinal pill.

Xu Shaojun quickly got the result of Hansui Dan, and he took it without any hesitation at that time.

Gudong!

After taking Hansui Dan, Xu Shaojun was pleasantly surprised to find that the burning sensation on his body was relieved a lot.

What made Xu Shaojun puzzled was that although the burning sensation in his body was gone, the fire poison had not been completely eliminated.

With doubts, Xu Shaojun explained the situation, and then asked Darryl: "What's going on?"

Chapter 3993

Darryl breathed a sigh of relief and said slowly: "The fire poison has been in your body for too long, and it has penetrated into the meridians. It is impossible to recover at once. In your case, you need to take one pill every month. It takes a year to completely eradicate it."

so...

Hearing this, Xu Shaojun bit his lip and thought for a while, then looked at Darryl and said, "Then... can you help me refine some more."

What?

As soon as he finished speaking, Darryl couldn't help shouting: "Girl, you think it's a cabbage radish, you want as much as you want, do you know how many precious herbs are needed to make Hansui Dan? Besides, The materials on my body are only enough to make one."

What to do then?

At this moment, Xu Shaojun frowned slightly and became a little anxious.

At this moment, Darryl showed a smile and said slowly: "In this way, I can give you the pill recipe for refining the cold marrow pill. You not only have to let me go, but also promise me a condition."

"In addition, let me reiterate that your brother's death was caused by Itail, and has nothing to do with the Queen or even the Rakshasa. Moreover, Itail has paid the corresponding price."

Hearing this prosperity, Xu Shaojun bit his lips lightly and pondered.

"it is good!"

A few seconds later, Xu Shaojun nodded and said to Darryl, "I promise you that I won't take revenge on the Rakshasa, but I can let you go. What are your conditions?"

Darryl thought for a while and said, "I know, what does that little girl who plotted against me have anything to do with you?"

After all, he is also a hero of Kyushu, the teacher of the Emperor of Heaven, but it is too embarrassing to be raided by a child of a few years old. More importantly, that little girl is somewhat similar to Krista, so Darryl has always kept it in his heart.

Xu Shaojun was stunned for a moment. He didn't seem to expect that Darryl would suddenly mention this. He immediately thought about it and said, "That is an orphan. I met him on the side of the road half a month ago."

Hearing this, Darryl felt a little sympathetic: "Can I see her?"

"It is good!"

Without any hesitation, Xu Shaojun nodded in agreement, and then called his subordinates outside to bring the little girl over.

The little girl was still wearing the clothes that Darryl wore when she saw her before, and she was not stage fright at all. After she came in, she said to Xu Shaojun, "Sister, what's the matter?"

Saying that, the girl was stunned when she saw Darryl: "Ah, are you awake?"

Darryl smiled and asked directly, "What's your name?"

"My name is Ajiu." The girl answered neither humble nor arrogant, as if afraid of Darryl's revenge, and quickly added: "It's my sister who asked me to sneak attack on you, it has nothing to do with me."

Ha ha....

Hearing this, Darryl was instantly happy.

This Ah Jiu is very interesting, he is a big kid.

Xu Shaojun's face flushed, and he frowned at Ah Jiu: "You little girl, I will bring you back, give you food and drink, and you will betray me when you turn around."

Ah Jiu was not false at all, and pouted: "I'll tell the truth, you made me stun this person."

"you..."

Xu Shaojun was annoyed: "You're honest, right? I'll see how I deal with you later."

Seeing this situation, Darryl hurried over to persuade him, and said to Xu Shaojun: "Okay, she is still a child, what do you care about with her? Well, let me take her away."

Xu Shaojun's methods are ruthless, and Ajiu will definitely not have a good life if she stays by her side, so she might as well take it back to Tianmen.

Hearing Darryl's words, Xu Shaojun pouted: "This stinky girl is a white-eyed wolf. Take it away if you want."

Seeing her promise, Darryl turned to look at A Jiu: "A Jiu, from today onwards, will you come with me?"

However, Ah Jiu's answer made Darryl be amused.

"Why should I go with you?"

Ah Jiu tilted her head and looked at Darryl with a bit of vigilance: "You don't want to take revenge on me, I'll tell you, I know how to do it, but I'm not afraid of you."

Ha ha....

At this moment, Darryl couldn't help laughing again, and then looked at Ah Jiu seriously: "Don't be nervous, I won't take revenge on you, I see you and my little sister look alike, and I want to take you with me. live together."

"When you go back, how about I let someone teach you kung fu and send you to school?"

Chapter 3994

At this time, Darryl liked this Ah Jiu more and more.

To be honest, seeing Ah Jiu in front of him, Darryl suddenly remembered the scene when he first met Krista. The two girls were orphans, and they knew each other too well, regardless of background or experience.

The only difference is that Krista is gentle and considerate, while this Ah Jiu is very sharp. If it is trained, it will become a great tool in the future.

Um!

After listening to Darryl's words, Ah Jiu thought for a while, and finally nodded: "Well, I have nothing anyway, and I'm not afraid of what you will do to me."

Seeing her promise, Darryl smiled.

Immediately, Darryl wrote the recipe for Hansui Dan and gave it to Xu Shaojun. Xu Shaojun kept his word and immediately let Darryl and Ajiu leave.

"Ugh!"

When they got outside, Ah Jiu looked at Darryl: "I still don't know what your name is."

Darryl smiled and replied, "My name is Darryl, you can just call me Brother Feng in the future."

Ah Jiu nodded with a mature look: "Okay, you said just now that you will find someone to teach me kung fu, and also help me go to school, so what am I going to do for you?"

Darryl was stunned: "You don't have to do anything, you just need to be happy. Why do you ask this?"

Ah Jiu's eyes flickered, and she said word by word: "I wandered around, and I understood a truth very early, there will be no pie in the sky, just think of the big sister from before, she gave me a place to live, and also provided for me. Eat, I'm going to help her knock you out.."

Uh.....

Seeing her serious appearance, Darryl felt a little distressed and at the same time a little helpless.

Such a young child has experienced so many sinister things in the arena.

With emotion, Darryl smiled and said, "You don't have to do anything for me. From now on, you will treat me as your family."

"Okay." Ah Jiu nodded suspiciously.

While talking, the two rushed towards the Diyuan Continent.

Two hours later, Darryl and A Jiu arrived at Yunfeng City in Xuanye Continent. At this time, night fell, and Ah Jiu was still a child. After walking for several hours, she was already exhausted. Darryl immediately decided to find a place to rest.

Yunfeng City is one of the most prosperous cities in Xuanye Continent.

At this time, the lights on the street were just beginning, the traffic flowed continuously, and the pedestrians were woven together on the sidewalk, which was very lively.

Darryl and A Jiu walked a few streets, and soon, they saw a chain hotel ahead.

The name of this hotel is very interesting, called black tiger, and the decoration is very luxurious. Under the name of the hotel, there is a line of small characters that reads the words of Heihu Industry...

Seeing the name, Darryl couldn't help laughing.

There is no need to guess, this chain hotel must be opened by Li Heihu, but it is unexpected that Li Heihu, a big and rude, even gave the name of the hotel a foreign language.

Speaking of which, I haven't seen Li Heihu for a long time.

With emotion in his heart, Darryl pulled Ah Jiu and said, "Just this hotel in front."

ah?

Ah Jiu thought she had heard it wrong, so she froze and said, "It's expensive to live in this place, isn't it?"

Darryl couldn't help laughing: "It's just for one night, but you can still afford it." Where does it cost to stay in Li Heihu's hotel?

Darryl thought about it, and when he got to the front desk, he called Li Heihu to meet and catch up.

While speaking, Darryl took Ah Jiu into the hotel lobby.

Wow!

The moment she entered the hall, seeing the luxurious decorations around, Ah Jiu couldn't help but grow her mouth. Although she has been wandering around the world, she is well-informed. This is the first time she has come to such a luxurious hotel.

Darryl, on the other hand, looked indifferent. Seeing that there was a sofa not far away for the guests to rest temporarily, he said to Ah Jiu, "You go there and wait for me first."

Ah Jiu responded.

Darryl went straight to the front desk and said politely, "Can you let me make a phone call?"

The lady at the front desk is very beautiful. She is dressed in professional attire, which sets off a charming curve. When she hears this, she can't help looking up and down at Darryl, and her tone is cold: "I'm sorry, our hotel does not lend out the phone."

The person in front of him, dressed in ordinary clothes, looks like a poor man. He even ran here to borrow a phone. He must be sick.

Noticing the contemptuous gaze of the lady at the front desk, Darryl didn't care, and wanted to explain his purpose.

Chapter 3995

However, at this time, he heard a crisp sound from the lounge area in the hall. Darryl hurriedly looked over, and saw Ah Jiu standing in front of a broken porcelain bottle with an embarrassed expression.

Darryl hurried over and said softly, "What's the matter? Are you cut?"

Ah Jiu shook her head and said with lingering fears: "There are no cuts, I just saw how beautiful this big vase is, so I couldn't help but touch it. I don't know that it will fall over when I touch it."

With that said, Ah Jiu whispered, "Is this thing very expensive?"

"It's okay!" Darryl smiled and comforted: "It's just a vase."

Saying that, Darryl glanced at the broken vase. The texture was delicate and the glaze color was bright. Judging from the style of the painting, it should have a history of hundreds of years, and it is an antique.

But to Li Heihu, a porcelain vase is nothing.

“Ugh!”

While the two were talking, the lady at the front desk walked over quickly and when she saw the broken vase, she couldn't help exclaiming: “What's the matter with you two? Do you know how much this vase is worth? Can you afford it? ?”

When the voice fell, several security guards rushed over and surrounded Darryl.

“Boy!”

The next second, the security captain looked up and down at Darryl: “Looking at you, you look so poor, and you went to our hotel to make trouble. Do you know how much this vase is?”

Seeing his attitude, Darryl frowned secretly.

A Jiuren is a big kid, and he couldn't help it at this time. He stuck out his tongue at the security captain: “Isn't it just a vase, what's so amazing.”

“What did you say?” The security captain stepped forward, glared at Ah Jiu viciously, and was about to start.

Darryl's figure flashed, blocking A Jiu's face, and said to the security captain, “A big man, threatening a child?”

The security captain blushed and shouted at Darryl: “A stinky girl, I feel like I'm getting my hands dirty when I beat her. I tell you boy, hurry up and lose money, or don't want to leave.”

“Who said I was leaving?” Darryl said lightly.

It's just a vase, isn't it?

“Hula..”

Hearing the noise here, many passing guests stopped to watch.

“what happened?”

At the same time, the hotel manager, surrounded by several subordinates, walked in quickly.

The hotel manager's name is Zhao Liang. He has some contacts in Yunfeng City, and he is considered the number one person. Two years ago, Li Heihu took a fancy to him and asked him to manage the hotel.

Swish.

When he walked to the front and saw the broken porcelain vase on the floor, Zhao Liang's face instantly became ugly, and he said coldly: "What the hell is going on?" You know, the boss got this vase from Diyu Continent. Fei, placed in the hall, means breaking disasters and bringing fortune... Obviously it's broken!

"Manager." The security captain nodded and greeted, then pointed at Ah Jiu: "This stinky girl broke it."

Having said that, the security captain looked at Darryl again: "She and this poor man are together. The two should be thieves, and I blame myself. I didn't pay attention to the team members and let them slip in."

In the eyes of the security captain, Darryl's clothes were more shabby than the other, and they were no different from beggars.

Nima!

Hearing this, Darryl was both ridiculous and angry.

This security captain is really arrogant. He just said that I can't afford the porcelain bottle, but now he says I'm a thief?

Whoa!

At this moment, after listening to the captain's words, the crowd watching the excitement couldn't help but talk in a low voice. At the same time, they looked at Darryl with disdain.

"Now the thief is so bold that he dares to steal from a high-end hotel..."

"It's his bad luck, he didn't steal anything, and he broke a vase..."

"It is said that this vase is very valuable. Looking at his appearance, I am afraid that he will not be able to pay for it if he sells his body."

The surrounding discussions kept coming, and Darryl just pretended that he didn't hear it.

However, Ah Jiu couldn't bear it any longer, and shouted angrily to the surroundings, "Don't talk nonsense, we are not thieves, we are here to live in the store."

Ha ha...

Hearing Ah Jiu's words, everyone around was stunned for a moment, then burst into laughter.

"Haha... what did she say? Want to live here?"

"Laughing at me, just like you, begging for a year, I'm afraid you can't even stay a night."

Chapter 3996

Hearing the ridicule around her, Ah Jiu's face flushed red.

Seeing her like this, Darryl smiled slightly, and whispered comfortingly: "Don't care about them, it's unreasonable to talk to these snobbish people."

Ah Jiu hummed, endured her anger, and stopped talking.

At this time, Zhao Liang took a step forward and looked at Darryl: "The porcelain bottle, was this girl broken?"

"Yes." Darryl nodded.

Seeing Darryl's admission, Zhao Liang sneered: "Speaking of which, how to deal with this matter?"

Darryl smiled and said slowly: "You ask me to borrow the phone, and within half an hour, I will give you a satisfactory answer."

As long as you get in touch with Li Heihu, things can be solved easily.

What?

At this moment, whether it was Zhao Liang or the others around, they were all stunned, and then many people burst into laughter.

“Fairy Wood”

“This kid is really interesting. He dares to borrow a phone at any time.”

“I think I want to take advantage of the phone call to escape.”

“Yes, I think so too...”

Everyone was making fun of Darryl.

Zhao Liang couldn't help laughing. With a condescending attitude, he said coldly to Darryl: “Boy, don't play tricks with me, break the vase, and still want to borrow the phone? Are you in a state of water?”

Facing the humiliation, Darryl did not get angry, but took a deep breath and said seriously: “If the phone is inconvenient to borrow, then forget it, then please call Li Heihu and say that an old friend wants to see him.”

Um?

Hearing this, Zhao Liang's expression froze, and he was stunned. He looked at Darryl, full of doubts.

Does he know Mr. Li?

You must know that Li Heihu is the big boss of Heihu Industry, and the industry is all over Kyushu. Speaking of which, Zhao Liang is also a well-known figure in Yunfeng City, but in front of Li Heihu, he is not qualified to carry shoes.

And this shabby boy in front of him actually called Li Heihu by his name and claimed to be his friend?

Who is Mr. Li, how can he have such a poor friend?

“Boy!”

Finally, Zhao Liang reacted and sneered at Darryl: “I don't have time to waste my saliva with you. Since you can't give a satisfactory answer, I have to be polite.”

With that said, Zhao Liang shouted at the surrounding security guards: "Don't be stunned, tie the two of them up."

wow...

Hearing the order, the security captain raised his hand and waved, and the other security guards rushed towards Darryl.

Seeing this, Darryl shook his head secretly, pulled Ah Jiu with one hand, and dashed out of the siege with his figure. At that time, everyone hadn't seen clearly what was going on, but Darryl had already brought Ah Jiu to the front desk.

Later, Darryl was too lazy to talk nonsense, picked up the front desk phone, and dialed Li Heihu's number. Li Heihu's phone number ends in six and six. It is easy to remember, and Darryl has never forgotten it.

Since the other party does not borrow the phone, he can only do it himself.

What?

At this moment, both the lighting and the security captain were stunned.

This person is so fast, could it be that he is a master on the rivers and lakes.

Soon, the security captain was about to bring his accomplices to surround him again, but at this moment, Zhao Liang stopped him.

At this time, Zhao Liang clearly saw that when Darryl made a call, he pressed a string of six.

he....

For a time, Zhao Liang stood there blankly, his mind blank.

This person actually knows the boss's number... Could it be that he is really the boss's friend.

beep...

Just when Zhao Liang was stunned, the phone rang a few times and connected, and then Li Heihu's low voice came: "Which one..."

On the phone side, Darryl showed a smile: “Li Heihu, it’s me!”

Hearing Darryl’s voice, Li Heihu seemed to be stunned, and then he shouted excitedly: “I’m going, Brother Feng, am I dreaming? Is it really you, Brother Feng?”

In the past few years, Darryl has been busy with matters in the arena, rarely contacting Li Heihu, and Li Heihu did not dare to take the initiative to disturb him. At this time, Darryl called him personally, could he not be excited.

What?

Li Heihu’s excited voice was very loud. Whether it was Zhao Liang or the others around him, he could hear it clearly, and all of them were dumbfounded.

what’s the situation?

The big boss of the dignified black tiger industry, how to be so respectful to a boy in shabby clothes?

Also, call him Brother Feng?

What happened to this kid?

Chapter 3997

Feeling Li Heihu’s excitement, Darryl smiled slightly: “Who else could I be? Are you in Xuanye Continent now? We haven’t seen each other for a few years, let’s catch up!”

“Okay...” Li Heihu was so excited that he could barely speak.

Even if you are not in Xuanye Continent, you have to come here by plane.

“correct!”

At this moment, Darryl glanced at Zhao Liang, and said to the phone: “Just now at your hotel, my people broke a vase. Your people are unrelenting, you can deal with it.”

What?

Hearing this, Li Heihu on the other side of the phone was furious and immediately said, “Brother Feng, is the person in charge with you? Give him the phone...”

Who doesn't have long eyes, dare to trouble Brother Feng...

Darryl smiled, and without saying anything more, he gestured to Zhao Liang and asked him to answer the phone.

Gudong!

At this time, Zhao Liang was inexplicably frightened. He was not a fool. Now the situation is very obvious. The person in front of him really knows the boss, not all, and has a good relationship.

Soon, Zhao Liang arrived at the front desk, picked up the phone, and stammered: "Old... Boss!"

"Zhao Liang, right? Are you blind, or is your brain caught in the door? What did you do as a manager?" On the other side of the phone, Li Heihu, like a furious tiger, scolded, "Have you treated VIPs like this? ?"

"I warn you, give me a treat. If there is a slight chance, you will get out of my way..."

Zhao Liang was scolded by the dog-blood spray, and almost couldn't stand, but nodded again and again: "Yes, it's the boss..."

After hanging up the phone, Zhao Liang squeezed out a smile and said respectfully to Darryl: "Sir, I'm really sorry, it's because I don't know Taishan, I offended you."

With that said, Zhao Liang scolded the security captain, "Blind your dog's eyes, quickly take someone down."

At this time, Zhao Liang was unsettled in his heart.

He never thought that the man in shabby clothes in front of him was so big, and he was actually the boss's honored guest.

Hearing the scolding, the security captain wanted to cry without tears, but he didn't dare to say anything. He quickly took the other security guards and walked out of the hall in despair.

At this time, Zhao Liang smiled and said politely to Darryl: "I will immediately arrange a suite for Mr., if you have any requirements, just mention it."

Li Heihu said on the phone just now that if he didn't entertain the distinguished guests properly, he would not be able to keep his position as manager, so how dare he slack off.

Seeing that his attitude changed, Darryl smiled slightly: "What about the vase? Do you want to lose it?"

"No, no..." Zhao Liang quickly shook his head, his forehead covered in a cold sweat.

This....

Seeing this situation, all the guests who were watching the life around were dumbfounded.

Whatever the case, after just one phone call, the manager's attitude changed 180 degrees.

What is the origin of this shabby boy?

Darryl didn't care about the expressions of the people around him. Under the guidance of Zhao Liang, he took Ah Jiu into the VIP elevator.

A few minutes later, Darryl and the two were placed in the most luxurious suite. The suite was located on the top floor, standing in front of the floor-to-ceiling windows, overlooking the night view of the entire Yunfeng City.

Wow!

It was the first time for Ah Jiu to live in such a high-end place. When Zhao Liang left, she ran to the floor-to-ceiling windows and exclaimed, "This is too luxurious, it's like living in the sky."

Saying that, Ah Jiu looked at Darryl curiously: "Brother Feng, who are you?"

Darryl sat on the sofa and looked at her with a smile: "Didn't I tell you before, my name is Darryl."

Darryl....

Ajiu tilted her head and muttered a few words in her mouth, then her eyes flashed and she looked at Darryl in shock: "You...you are Darryl, who is called the hero of Kyushu in Jianghu? The one who founded Tianmen?"

When she said this, Ah Jiu was shocked.

Speaking of which, when he heard Darryl introduce himself before, Ah Jiu didn't think about his background. Although he felt that the name was a little familiar, he also thought it was the same name as Darryl, who was circulating in the rivers and lakes.

But just now, after seeing Darryl's powerful contacts, Ah Jiu realized that he had been wrong before.

Chapter 3998

"What's wrong?"

Seeing Ah Jiu staring blankly at him, Darryl couldn't help laughing: "Stupid?"

Ah Jiu calmed down and jumped onto the sofa opposite, pretending to be old-fashioned, "I'm just sighing that I was adopted by the famous Darryl."

Seeing her appearance, Darryl couldn't help laughing: "Don't be emotional, wait for someone to bring food in. If you are tired, you should rest early. I have to go see an old friend."

"Okay, go get busy, don't worry about me."

Darryl smiled, warned a few more words, and walked out of the room.

Half an hour later, an exclusive plane landed in Yunfeng City several times. It was Li Heihu who came. Li Heihu was not in Yunfeng City, but he rushed over immediately after receiving Darryl's call.

The arrival of Li Heihu caused a great shock in the business circle of Yunfeng City. The local wealthy businessmen and families all visited him immediately, but they were all rejected by Li Heihu.

A private club in Yunfeng City.

In the largest box, Li Heihu was sitting there, his face full of excitement. Opposite him, Darryl was sitting leisurely on the sofa.

"Brother Feng!"

Li Heihu was full of smiles, and said with emotion: "After so many years, you still have the same style. It's rare to see each other. How about we have a few drinks?"

Um!

Darryl nodded and said with a smile: "You can have a few glasses, but not too much. I have to travel tomorrow."

Li Heihu was very excited. Knowing that there were not many opportunities to drink with Darryl, he immediately called the waiter to get the most expensive wine in the clubhouse. Also let him get some snacks.

After a while, the wine and dishes were served, and the two chatted while drinking.

Darryl talked about his own experience over the years, but Li Heihu was fascinated by it, and immediately couldn't help but sigh: "Brother Feng's experience is legendary."

As he said that, Li Heihu's eyes were full of fascination: "If it weren't for the fact that I had too much industry in my hands, I would have wanted to go to the rivers and lakes for a while."

Darryl smiled: "You are not bad, the industry is all over Kyushu."

Talking here, Li Heihu suddenly thought of something and scratched his head: "In recent years, I have also been paying attention to the situation in the arena. By the way, Brother Feng, in a month, the Nalan family will hold a wedding, do you know?"

The Nalan family?

Hearing this, Darryl was stunned: "Who wants to get married?"

"Nalan is delighted!"

Li Heihu took a sip of wine, his eyes flashing with strange brilliance: "It's the female classmate who was with you in Shangwu Academy back then, the one who looks as beautiful as a fairy."

"Speaking of which, in my opinion, a goddess of this level can only be controlled by a character like Brother Feng, but I heard that the person she is going to marry is a

little-known guy, what is his name Nie? Zhan... I heard that the Nalan family has spread invitation posts, and the whole arena has become a sensation.”

Nie Zhan...

Hearing this name, Darryl couldn't help but murmured in his heart.

Isn't that the kid who just joined the Nalan family? How long has it been since then, it has captured Nalan Xinran's heart...

To be honest, Darryl has many confidantes around him, so Nalan's willingness to get married doesn't feel much uncomfortable, but he instinctively feels that something is wrong with this wedding.

However, Darryl didn't think much about it and continued to chat with Li Heihu.

After drinking for several hours, Darryl did not return to the hotel until the middle of the night.

Squeak!

As soon as she entered the room, she saw the door of the suite next to it opened, and Ah Jiu rubbed her eyes and walked out.

Darryl was stunned: "Why haven't you rested yet?"

Ah Jiu's delicate little face flashed complicatedly: "I...my legs are cold, so I just got out of bed and moved around."

Cold legs?

Hearing this, Darryl was secretly surprised, how could he have cold legs at such a young age?

Thinking to himself, Darryl walked over: "Come on, let me take a look." After saying that, he squatted in front of Ah Jiu and checked.

At this time, Ah Jiu, wearing a cartoon nightdress, was indescribably cute.

However, Darryl could clearly see that her exposed legs had a dark cyan color on her skin, and her hands touched them, as if they were ice, cold to the bone.

At the bend of the leg, Darryl could clearly see that there were two faint scars on it.

This...it was bitten by an ice ring snake.

#### Chapter 3999

The ice ring snake is a rare venomous snake. It is recorded in the "Wuji Pill Art". Its snake skin is a kind of alchemy material. This kind of snake only appears in the cold environment.

As long as it is bitten by the ice ring snake, the cold poison will quickly spread throughout the body, and then the person will freeze to death.

As for A Jiu's small grade, who was bitten by the Ice Ring Snake and survived, it was a big fate.

"Ice Ring Snake?" Hearing Darryl's muttering, A Jiu's face was full of doubts: "So that icy blue long worm has such a special name."

Darryl asked seriously, "When did you get bitten?"

Um.....

Ah Jiu pondered for a while, and said slowly, "It was half a year ago, at the foot of a snowy mountain. I didn't see it clearly at the time, and I was bitten. I just remember that the long worm was beautiful and icy blue."

"Afterwards, I was so cold that I lost my legs and lost consciousness. I thought I was going to die, so I kept running, kept running..."

Having said that, Ah Jiu raised her head to look at Darryl, her delicate face full of stubbornness: "Afterwards, every time my legs get cold, I keep moving and walking."

call....

Hearing this, Darryl felt distressed.

Ah Jiu suffered so much at a young age, but speaking of which, although her method was stupid, it had some effect. However, this method cannot eradicate the cold poison that has penetrated into the legs.

Thinking to himself, Darryl showed a smile: "When I pass you a set of formulas after you practice, you can relieve the cold."

Speaking of which, the Red Lotus Karmic Fire in Darryl's body could expel the cold poison from Ah Jiu's legs, but Ah Jiu was too young to withstand the powerful power of the Red Lotus Karmic Fire.

In this case, Darryl can only use other

Um!

Hearing Darryl's words, Ah Jiu nodded obediently.

Afterward, Darryl passed the formula to Ah Jiu, and then quickly walked out the door.

In order to completely eradicate Ah Jiu's situation, he must take the 'Chiyan Pill'. Of course, the Chiyan Pill Yuefeng can be refined, but it lacks the same important material, the blood of the Chiyan Sable.

The Red Flame Mink is also a rare spirit beast, the nemesis of the Ice Ring Snake. Using its blood to make the Red Flame Pill can completely eradicate Ah Jiu's disease.

Darryl remembered that there was a valley more than ten kilometers away from Yunfeng City, where the environment was unique, and there should be red flame ferrets infested.

After a few minutes of flying, Darryl finally reached the valley.

At this time, it was the second half of the night, and the light was dim, but Darryl had excellent eyesight. After walking around the valley, he soon found a tall blood-scale tree.

The blood scale tree is one of the rare trees in Kyushu. It is named because the bark is blood red and has the shape of fish scales. The fruit of the blood scale tree is the favorite of the red flame sable. Red Flame Mink.

call!

At this moment, seeing the tall blood-scale tree in front of him, Darryl couldn't help heaving a sigh of relief.

Found the blood scale tree, now just need to wait for the rabbit on the line.

Thinking to himself, Darryl saw a piece of grass not far away, so he was going to take a rest and wait quietly for the red flame sable to appear.

“Hey!”

However, before taking two steps, I heard a clear voice from the grass: “Don’t get in the way here, leave quickly.”

Hearing the sound, Darryl was stunned for a moment, only then did he find two slim figures sitting on the grass.

The two girls were not very old, in their twenties, one of them was wearing a white dress and couldn’t hide her charming temperament. At first glance, she was the eldest lady of which family.

The other one looks pretty and should be a personal maid.

Darryl guessed right. The one wearing a white dress is called Wang Qing, the eldest lady of the Wang family in Yunfeng City. The Wang family is famous in Yunfeng City and has strong financial resources.

Beside Wang Qing was her personal maid Li Xue.

As the daughter of a rich family, Wang Qing doesn’t like famous brands, but she likes spirit beasts. She recently learned that there are red flame ferrets in this valley, so she brought Li Xue to investigate at night.

Before coming, Wang Qing deliberately went through the information, knowing that Chi Yan Sable likes blood scale fruit, so she and Li Xue hid to observe quietly, but unexpectedly, an uninvited guest suddenly came.

In Wang Qing’s eyes, Darryl was dressed in ordinary clothes. He should be a nearby mountaineer. He came out in the middle of the night to collect medicine, so he didn’t take it seriously.

#### Chapter 4000

At this moment, Darryl first looked at Wang Qing and then at Li Xue, and couldn’t help but admire secretly.

Unexpectedly, in the middle of the night, I could meet two beauties.

Wang Qing felt very unhappy when she noticed Darryl’s gaze.

At the same time, Li Xue couldn't bear it anymore, took a step forward, and said contemptuously at Darryl: "What are you looking at? Do you know who my young lady is? Hurry up!"

The sound is crisp, but unmistakable.

Hearing this, Darryl frowned secretly, and it was a little ridiculous at the same time.

The next second, Darryl said lightly: "Even if you are rich, this valley is not yours, right? You can be here, why can't I?"

Seeing that he still dared to speak up, Li Xue was very angry, and she shouted: "You scumbag, do you understand that you will come first? I don't have time to waste words with you, hurry up and leave."

It's disgusting for a poor man to reason with us.

Ha ha...

Darryl chuckled lightly, and didn't bother to argue, so he turned and left, waiting quietly on the distant hillside.

The most important thing at the moment is to catch the red flame sable, and it is meaningless to argue with such a rich lady.

At this time, the grass is here.

Seeing Darryl turn and leave, Li Xue couldn't help but pouted: "This kind of troublemaker is really hateful."

Wang Qing felt a little irritable in her heart: "If this person dares to come over again later, you will teach him a good lesson." This kind of poor person is annoying to look at.

rustle....

Just as he was talking, he heard footsteps.

At this moment, Wang Qing and Li Xue thought that Darryl had left and returned, but their pretty faces changed and their hearts were angry.

"Hey!"

Li Xue stood up angrily and drew out her short sword: "You treachery, I think you are really not afraid of death." Although it is a business family, Wang Qing cultivates freely, and Li Xue, as a maid, is also strong. Not weak.

However, seeing the person coming in the next second, Li Xue was stunned for a moment.

I saw that the person who came was tall and tall, with a strong atmosphere of rivers and lakes, and it was not Darryl at all.

This person is about thirty years old, with a long knife hanging from his waist, he has a good momentum, and his eyes are flickering with evil spirits. At first glance, he is not good. This person's name is Du Du Hong, a Jiangyang robber who committed crimes in other places a few days ago, and fled to Yunfeng City tonight.

Swish!

Du Hong had been running around all the way, he was exhausted at first, but when he saw Wang Qing and the two, he was refreshed and his eyes were straight.

So s3xy.

Unexpectedly, in the middle of the night, in this wilderness, I can still meet two superb beauties.

With emotion, Du Hong grinned and walked over slowly to chat up: "Two beauties, what are you doing here late at night? Do you need help?"

While speaking, Du Hong's eyes kept looking up and down on Wang Qing and the two of them.

"Go away!"

Du Hong's appearance made Wang Qing and Li Xue extremely disgusted, and then Li Xuejiao shouted: "Who needs your help, I warn you, this is the eldest lady of the Wang family in Yunfeng City, don't make any crooked ideas, know each other. Hurry up and get out."

The Wang family is well-known in Yunfeng City, and no one dares to provoke them. If the other party knows their identity, they will definitely leave.

Wang Qing also frowned, unable to hide her contempt.

Tonight is really unlucky, first I met a bad guy, and then I met a satyr...

"Oh, so it's the rich lady."

However, when Du Hong heard it, instead of leaving, he smiled and stared at Wang Qing: "I look so s3xy and come from a delicate family, so I have to get closer."

"Sura Wushen"

With that said, Du Hong walked towards Wang Qing quickly.

Swish!

Feeling the frivolity in the other's eyes, Wang Qing was extremely embarrassed and her face flushed.

"shameless!"

Li Xue also gave a coquettish snort, without hesitation at the time, she held the middle dagger tightly, thinking of Du Hong stabbing directly.

Seeing Li Xue rushing over, Du Hong didn't panic at all, instead he showed a playful smile: "The beauty is quite temperamental, it suits my appetite, but it's boring to fight and kill, let's play interesting later, I guarantee you will have a lot of aftertastes, hehe ."

When the voice fell, Du Hong's figure flashed, and he directly met Li Xue.

Dang!

In just one round, Du Hong knocked out Li Xue's dagger, and then quickly shot and hit Li Xue's acupuncture point.
