

Chapter 4041

“what...”

The woman’s name is Wang Xiaoman. She is the coach of this yoga fitness company. She just finished teaching the students and took a bath by the way. But I never thought that there would be a pervert sneaking in.

You must know that this high-end yoga club, whether it is a coach or a student, is a beautiful woman, and men with bad intentions often appear nearby.

“abnormal!”

After screaming, Wang Xiaoman pointed at Darryl, and his delicate face was full of shame and anger: “Damn, I’ll call the police to arrest you.”

Saying that, he took out his phone.

What the hell!

Faced with this situation, Darryl couldn’t help laughing and laughing, and waved his hands again and again: “Beauty, don’t get me wrong, I’m not a pervert, and I didn’t mean to break in.”

However, Wang Xiaoman didn’t listen at all and took out the phone.

Darryl was in a hurry all of a sudden. He was not afraid to call the police, but he was afraid that Qin Tianjian would find the news when he got news.

This time, Wang Xiaoman panicked even more, took a step back and said nervously: “You....what are you doing, I warn you not to mess around...” The pervert is so daring now that he still wants to do it.

When he said this, Wang Xiaoman’s voice trembled.

Um....

Before Darryl could rush to the front, suddenly his body trembled, his hands covered his heart, and he squatted down with pain on his face. The movement was too large just now, affecting the injury of the heart.

Darryl was seriously injured in the fight with the God King Haotian before.

Seeing this scene, Wang Xiaoman was stunned, looked at Darryl carefully, and said cautiously, “Hey, what’s wrong with you?” Although he was not a cultivator, Wang Xiaoman also clearly saw that the man in front of him was pale and his forehead was covered in cold sweat. , apparently injured.

The pain came in waves, and Darryl didn’t have time to respond.

Seeing him like this, Wang Xiaoman wasn’t as frightened as before, and continued to ask, “You...you’re injured.”

While asking, Wang Xiaoman murmured inwardly.

Could it be... I misunderstood him, this person really broke in unintentionally? Is there that pervert who would do such nasty things when he was injured?

Um!

Darryl endured the pain and nodded: “Yes, I was robbed by a gang of bandits.” The woman in front of her was an ordinary person. The truth was too shocking to her, so she just made up a lie. Bar.

Hearing the answer, Wang Xiaoman was stunned: “Are you a cultivator?”

Darryl nodded again. Immediately said: “I was chased by those mountain bandits just now, and I didn’t know how to escape to this place. I also scared you, sorry.”

It turned out to be so.

Wang Xiaoman is kind by nature. Hearing this, he no longer doubts it at all. He looks at Darryl with sympathy: “Then... Do you want to help you call the police?”

Ha ha....

Darryl couldn't help laughing bitterly, this woman is really interesting, she can think of calling the police for anything.

Thinking to himself, Darryl shook his head and said: “No need, the whereabouts of those bandits are erratic, and they can't be caught at all. I am lucky to be able to get rid of them.”

“Then take you to the hospital?”

“No, I'll be fine after a few days of rest.”

After a few exchanges, Wang Xiaoman found that Darryl was not as dangerous as he thought, so he helped him to the sofa in the lounge next door, and poured a glass of water.

After doing this, Wang Xiaoman said, “Then what can I do to help?” Speaking of which, the two did not know each other, and they were shocked just now, but she was kind in my heart, seeing Darryl's injury so badly, I really can't bear to care.

call!

Feeling the sincerity in her eyes, Darryl breathed a sigh of relief, a little moved, and then smiled: “Thank you, just let me make a phone call.”

Since they were sent away from the Wudang faction, Haotian God King and Aotian Prince will definitely not give up, they must inform Brother Wen.

Wang Xiaoman nodded, then took out his mobile phone and handed it to Darryl.

Darryl immediately dialed the villa's number.

beep...

However, after several calls, no one answered the phone.

Darryl fought a few more times, but it was still the same, and he had a bad premonition in his heart.

Seeing this, Wang Xiaoman couldn't help but ask, "What's wrong? Can't your family be contacted?"

Darryl nodded with a wry smile, and then returned the phone to Wang Xiaoman.

Chapter 4042

Brother Wen and the others couldn't get in touch, and he was hit hard again, which is in trouble.

"you...."

Seeing Darryl's helpless look, Wang Xiaoman suddenly felt sympathetic and couldn't help but ask in a low voice, "Where are you from? Otherwise, I'll send you back?"

Although he had just met, Wang Xiaoman could feel that the man in front of him was not a bad person, not to mention that he was seriously injured.

"Donghai City!" Darryl replied.

What?

Hearing this, Wang Xiaoman trembled and was stunned: “Is it Donghai City in Diyuang Continent?” The distance from Donghai City is more than 10,000 miles, and it takes several days to drive...

Seeing her such a big reaction, Darryl couldn't help but ask, “What is this place?” Damn, he won't be teleported to other continents, right?

“This is the Yellow Sea Continent!” Wang Xiaoman replied softly.

Uh....

Knowing the situation, Darryl couldn't help but smile bitterly. The Yellow Sea Continent is thousands of miles away from the Diyuang Continent. No wonder she was so surprised just now.

At this moment, Wang Xiaoman looked at the time, his delicate face showed a bit of complexity, and he seemed to have experienced several inner struggles, and said in a low voice: “Or...you go to my place to rest first tonight, tomorrow morning What do you decide to do?”

When speaking, Wang Xiaoman lowered his head and did not look at Darryl, very shy.

To be honest, if it was really a pervert, Wang Xiaoman would have called the police long ago, so he would not care about his life or death, and would not take the initiative to invite a man to live in her house temporarily. After all, she lived alone and suddenly brought a man back, It's so inconvenient.

But the person in front of him was seriously injured, and he was from Diyuang Continent, so he couldn't bear to leave him alone.

This.....

Darryl was stunned for a moment. He didn't expect that the other party would take the initiative to invite him. He scratched his head and said embarrassedly, “Is this...convenient?” This girl is really bold, so she is not afraid of being a bad person?

“I...” Hearing Darryl’s words, Wang Xiaoman bit his lip lightly: “I have a spare room there, no inconvenience, but you...you can’t stay for too long.”

Ha ha...

Seeing her like this, Darryl couldn’t help laughing.

This yoga teacher is quite interesting.

Thinking to himself, Darryl nodded and said, “Don’t worry, I won’t disturb you for too long.”

Wang Xiaoman responded, and without saying much, he took Darryl to the underground garage.

The underground garage is very large, and there are luxury cars everywhere. In comparison, Wang Xiaoman’s small car looks a bit unpopular, but it looks neat and tidy, and it is decorated with some small accessories, which is very warm.

Speaking of which, as a yoga teacher, Wang Xiaoman also belongs to the high-income group in this city, but she is more frugal and does not love vanity like other girls.

call!

When he got into the car, Darryl couldn’t help but let out a sigh of relief, feeling very emotional.

I really can’t imagine that one day my dignified teacher of the emperor will be protected by an ordinary girl...

At this time, Wang Xiaoman was about to start the car and leave.

drip....

However, at this time, a whistle suddenly came from behind, and Darryl looked back subconsciously, and saw a luxury car parked in the back at some point.

Immediately afterwards, a man in leather shoes got out of the car and walked over slowly.

The man was in his thirties, he wore gold-wire glasses, his body was slightly fat, and his hair was meticulously combed, but Darryl could tell at a glance that this man was wearing a wig.

“Xiaoman!”

The man came to the driver’s window, leaned down and showed a slight smile, and said to Wang Xiaoman, “Why is it so late, I’ve been waiting for you for a long time.” He spoke politely and with a gentleman’s demeanor.

However, those eyes strayed from Wang Xiaoman’s charming curves, intentionally or unintentionally.

The man is Zheng Qiang, the boss of a yoga training company and the boss of Wang Xiaoman.

Zheng Qiang is a local, and his family is very powerful in the local area. It can be said that Zheng Qiang is an out-and-out second-generation rich man who likes to spend time and money. He founded a yoga company a year ago. It’s for hunting.

Half a year after the company was founded, Zheng Qiang has captured many beautiful yoga instructors with clever means. Recently, Zheng Qiang has set his sights on Wang Xiaoman again.

Chapter 4043

Wang Xiaoman only came to work in this yoga training company three months ago.

On the first day she came to the company, Zheng Qiang was attracted by her delicate appearance and graceful figure, but she never had the chance to get close.

It was not until today that Zheng Qiang found an opportunity and took the initiative to invite Wang Xiaoman to dinner. However, Wang Xiaoman refused at the time, and Zheng Qiang did not give up, so he waited in the underground parking lot in advance.

“Mr. Zheng!”

Seeing Zheng Qiang appear, Wang Xiaoman seemed startled, especially when he felt Zheng Qiang’s gaze, which kept swiping on him, and felt even more uncomfortable.

But the other party was the boss, so Wang Xiaoman was unhappy and didn’t dare to show it: “Why are you here?”

Zheng Qiang said with a smile: “I’m waiting for you. I forgot to tell you during the day that we had dinner together at night.”

Speaking, Zheng Qiang said solemnly: “Recently, in our training company, there have been some problems in many aspects, resulting in serious loss of members. I want to have a good discussion with you and listen to your opinions.”

Discussing the problem is just a gimmick. In the past few years, Zheng Qiang used this kind of work as an excuse to approach the beauty’s subordinates, which can be said to be unfavorable.

question?

Hearing this, Wang Xiaoman bit his lip tightly and was very conflicted.

The company is doing fine now, so what’s the problem. If you really want to talk about the problem of the loss of members, you have to blame Zheng Qiang. If he hadn’t used various means to chat up those beautiful customers, would the members be lost?

Although Wang Xiaoman is not deep in the world, he is not a fool. He knows what Zheng Qiang is thinking in front of him.

“Mr. Zheng!”

At this moment, Wang Xiaoman thought to himself, then smiled Wan Yan and refused: “Otherwise, let’s talk about these things when I go to work tomorrow. I have some personal things to deal with now, and it’s off-duty time now.”

Going out to eat with him is like sheep entering the tiger’s mouth, so I’m not that stupid.

When Wang Xiaoman first came to work, he heard other colleagues say that this boss relied on his wealth, and he would talk sweetly, so he didn’t know how many girls he had harmed.

Swish!

Seeing Wang Xiaoman’s rejection again, Zheng Qiang became a little unhappy and said solemnly: “Xiaoman, I have always been very optimistic about you. If you have such an attitude, I will be disappointed.”

“I don’t look for so many coaches in the company, but I find you. Don’t you understand? Because you have a good image, strong business ability, and you are a yoga professional, I plan to propose you as the head coach next month.”

Saying that, Zheng Qiang made a harmless look: “Besides, it’s just eating, and I won’t do anything to you.”

When he said this, Zheng Qiang looked serious and serious, but he sneered secretly in his heart.

Over the years, I have tasted so many beauties, as long as they are attracted by me, none of them can escape from my hands. Wang Xiaoman, I’ve got you covered tonight.

At this time, Zheng Qiang only had Wang Xiaoman in his eyes, and he hadn’t noticed Darryl sitting in the back seat.

Ha ha...

Seeing this, Darryl couldn't help sneering secretly.

Although I don't know the details, Darryl has been in the arena for so many years and has a wealth of experience. At this time, he can guess a general idea: the boss in front of him is actively waiting for the beautiful subordinates in the underground parking lot, obviously it is unspoken rules.

But I have to say that this person is really shameless, thinking of dirty things in his heart, but his mouth is high-sounding.

“First Evolution”

This.....

At this moment, Wang Xiaoman bit his lip lightly and wanted to refute for a while, but he didn't know what to say.

If you don't eat with Mr. Zheng, you will be irresponsible for your work.

But I really want to go, who knows how this Zheng will arrange himself...

After hesitating for a moment, Wang Xiaoman's palms were sweating, and he showed an apologetic smile: “Mr. Zheng, I'm so sorry, I have something to do tonight, or... next time.”

At this time, Wang Xiaoman was very nervous.

She knew Zheng Qiang's methods, and even if she refused, he would chase after him. But no matter what, it's a day if it can be delayed.

What's more, I really have something to do today, and I have to go back to settle Darryl later. Because the man looked badly hurt.

Wang Xiaoman thought about it, and when the assessment this month is over, he will resign immediately.

Chapter 4044

Seeing Wang Xiaoman's refusal again, Zheng Qiang lost his patience and laughed in anger.

However, Zheng Qiang still held back his face and said with a smile: "What can happen at such a late hour? If you have any difficulties, I'll ask the assistant to help you later."

As he was talking, Zheng Qiang opened the car door directly and grabbed Wang Xiaoman's wrist: "I have already ordered the restaurant, Xiaoman, if you don't appreciate your face tonight, I will be very disappointed, let's go."

At this time, Zheng Qiang had a smile on his face, but evil light flashed in his eyes.

In the past, there were also beauties who rejected them, but after using forcible means, the other party also half pushed them, and in the end, everything came naturally.

In Zheng Qiang's heart, Wang Xiaoman in front of him is also of this type. On the surface, he is reserved, but he will soon become obedient.

"Mr. Zheng!"

Suddenly being pulled out, Wang Xiaoman couldn't help exclaiming: "You...you let go, it's not good to be seen by others." The boss was so shameless, he started directly after being rejected..

In a panic, Wang Xiaoman wanted to curse, but thinking that the other party was the boss, he held back.

Um?

At the same time, Darryl, who was sitting in the back seat, also frowned.

This man is not too timid, he started to move so quickly?

“Xiaoman!”

Feeling Wang Xiaoman’s nervousness, Zheng Qiang smiled and comforted: “Don’t be nervous, I don’t mean anything else, I just want to have a meal with you, by the way, I went to the headquarters of Estee Group some time ago and saw them When a new product is launched, I will buy you a copy.”

Saying that, Zheng Qiang took out an exquisite small box from his body, took out an exquisite bracelet from it, and put it on Wang Xiaoman’s wrist.

As you can see, the bracelet has a novel style, and it is full of jewels and diamonds, and the largest one is at least dozens of carats. It’s worth a lot at first sight.

This....

At this moment, Wang Xiaoman’s body trembled, looking at the bracelet on her wrist, her heart was shocked.

A new product from Estée? How much does this cost.

In the mainland of Kyushu, there is no girl who does not know about the Estee Group. At the beginning, the Estee company was only famous in the Diyuan mainland, and only made skin care cosmetics. The new products launched every year can cause many women to go crazy. buying spree.

Later, when the boundary of the continent of Kyushu disappeared, Estee took the opportunity to expand its business to various continents, and the company’s products also expanded from cosmetics to jewelry and clothing at the beginning. The company’s reputation has also completely covered the entire Kyushu continent.

It can be said that the current Estée company is the popular wind vane in Kyushu. As long as the new products launched, they can be wildly sought after by the majority of women.

Of course, Estée's products are not affordable for ordinary people, but high-end luxury goods. Anything is astronomical. Just think of a professional elite like Wang Xiaoman, even if he has a lot of income, he is not strong enough to buy the products of Estee, and he can only take a look at it from a distance.

Such a beautiful bracelet.

At this moment, Wang Xiaoman looked at the shiny bracelet on his wrist and felt dizzy. To be honest, Wang Xiaoman was on TV at the press conference of Estée a week ago and saw this bracelet, which is said to be priced at 888 Wan Jiuzhou coins, but I never thought that Zheng Qiang bought a pair in order to please himself.

hey-hey....

Seeing Wang Xiaoman foolishly there, Zheng Qiang showed a smile.

There is no woman who doesn't eat this set. It seems that a good thing has happened tonight. I will call the hotel later and ask them to prepare a room with sentimentality.

Thinking to himself, Zheng Qiang smiled and said, "Xiaoman, do you like it?"

Hearing the question, Wang Xiaoman came back to his senses, quickly took off the bracelet, shook his head and said, "Mr. Zheng, this thing is too precious, I can't take it, you should take it back."

Having said that, Wang Xiaoman handed the bracelet to Zheng Qiang.

Naturally, Zheng Qiang would not accept it, so he took advantage of the situation to launch a sweet-talking offensive: "Xiaoman, you are now out of the picture. In the past few months, you have been responsible for your work and taught the students with all your heart. This is the reward I gave you on behalf of the company. "

“You are so beautiful and your skin is so fair. This bracelet is called ‘Galaxy Love’, and the gems on it are all natural, so they are perfect for you.”

Chapter 4045

However, at this time, Wang Xiaoman was very clear-headed, shook his head and said, “Mr. Zheng, I really can’t have it.”

As he spoke, Zheng Qiang wrapped his other hand around Wang Xiaoman’s waist.

Swish!

Like a frightened rabbit, Wang Xiaoman hurriedly ducked, but at this time he lost his patience: “Mr. Zheng, please show some respect.”

When talking, Wang Xiaoman was very nervous. She really didn’t expect that Zheng Qiang was so courageous, and his hands and feet became more and more dishonest.

Wang Xiaoman’s words did not make Zheng Qiang restrained, but more stimulated his interest. At that time, he smiled and said, “Xiaoman, don’t refuse, to be honest, I really like you.”

“Do you know how many girls dream of being my woman, I don’t even look at them, I only see you.”

When the words fell, Zheng Qiang suddenly pulled Wang Xiaoman into his arms. He smelled the fragrance on her body, and his face was intoxicated: “It smells so good, did you just take a bath?”

At this time, Zheng Qiang was unable to restrain himself.

After all, this underground parking lot belongs to the company, and now that the off-duty time has passed, no one will know even if Wang Xiaoman is run here.

Swish!

At this moment, Wang Xiaoman's delicate face flushed with shame and anger:
"You...you let me go." As she spoke, she was about to break free, but she was only a weak woman and could not break free at all.

"Xiaoman!"

At this time, Zheng Qiang's eyes flashed with evil light: "What's wrong with me? I live the life of Mrs. Kuo every day, and I don't have to show up to teach yoga. Don't worry, I only love you one in my life..."

Before the last sentence was finished, Zheng forced his lips together.

"You let me go, let me go..."

Shame and anger, Wang Xiaoman struggled hard, but where did he break free, and in the end his heart was full of despair.

So grown up, haven't talked about a boyfriend, is it going to be here tonight, sullied by this bas***?

Thinking about it, Wang Xiaoman couldn't help but cry.

boom!

Just when Wang Xiaoman was in complete despair, the sound of closing the car door sounded behind him, and then, a hand clapped on Zheng Qiang's body.

Hearing this news, Wang Xiaoman just remembered that Darryl was still sitting in the car, but he soon became worried. This man was seriously injured, and I am afraid that the matter could not be solved, and Zheng Qiang would take revenge.

"Made, who?"

The good thing was interrupted, Zheng Qiang was full of fire, scolded, and looked back at the same time.

Seeing Darryl, Zheng Qiang immediately frowned: “Boy, who is your special code? How did you get in?” This man dressed so shabby must be a homeless person or a beggar who entered by mistake.

Mad, looking after the security guard in the parking lot, how do you see the door? How did you put such a person in?

Darryl did not answer immediately, but took advantage of the situation to grab Wang Xiaoman and drag her behind him.

Afterwards, Darryl looked at Zheng Qiang up and down, with absolute contempt in his eyes, and said lightly: “Tsk tsk, the second generation of the rich is really becoming more and more shameless. It’s really shameless to force the action.”

After walking in the arena for so many years, Darryl has encountered many wicked people, but the most disgusting thing in his heart is this kind of playboy who bullies women.

“Anti-God Evil God”

Swish!

Hearing Darryl’s scolding, Zheng Qiang’s face was instantly gloomy, his eyes spitting fire: “Boy, you are courting death, do you know who I am?” With the influence of his family in the local area, Zheng Qiang almost did whatever he wanted, who would dare to face insult him?

At this time, this guy in shabby clothes, dared to scold himself, and even in front of the beautiful woman, was simply impatient.

“you....”

At the same time, Wang Xiaoman was also very frightened, and quickly pulled Darryl, biting his lip and said, "Don't be impulsive..." To be honest, he was very grateful for his help, but the other party was Zheng Qiang.

He is a foreigner, how could he be the opponent of the local rich disciples?

Darryl smiled and signaled not to be nervous.

The next second, Darryl looked at Zheng Qiang and said indifferently, "I don't care who you are, as far as your behavior just now, you're not as good as a beast. Hurry up and apologize to him, then get out!"

Chapter 4046

Apologize?

Hearing this, Zheng Qiang was stunned, thinking that he had heard it wrong.

What is this poor guy saying? Want me to apologize for thinking I'm the savior?

In anger, Zheng Qiang grinned: "Good boy, it seems that you really don't know who I am. Let me tell you, if I kill you tonight, it is no different from killing an ant."

"Cao Nima's, disturbing Laozi's interest, go to hell!"

The last word fell, and Zheng Qiang came down the mountain like a tiger, thinking of Darryl rushing directly.

Seeing this scene, Wang Xiaoman trembled with fright, and quickly pushed Darryl: "You...you go!" This Zheng Qiang has learned Taekwondo, and it is said that he has won an award.

And this man, with injuries, how could he be Zheng Qiang's opponent?

To be honest, Wang Xiaoman was very moved when he stood up for himself just now, but he didn't want him to be beaten to death by Zheng Qiang.

However, Darryl stood there, motionless. Looking at Zheng Qiang rushing up, a smile appeared on the corner of his mouth, without the slightest panic.

Although Darryl was injured, it was a piece of cake to deal with Zheng Qiang.

Ugh...

Seeing that Darryl didn't leave, Wang Xiaoman was completely anxious, and hurried to the back of the car to call the police. It's just that the signal in this underground parking lot is very poor, and I can't get through no matter how I call it.

“Boy!”

At this moment, Zheng Qiang had already rushed in front of Darryl with a grim face, shouting: “A hero to save the beauty in front of Lao Tzu? Don't take a piss to take care of yourself, do you have the strength to die for Lao Tzu?”

When the words fell, Zheng Qiang raised his fist and smashed it towards Darryl's face.

Seeing this, Wang Xiaoman exclaimed, unable to bear to see this cruel scene, and quickly covered his eyes, worrying about Darryl.

boom!

Just as Wang Xiaoman covered his eyes, a dull sound came, followed by a miserable howl from Zheng Qiang.

what's the situation?

Hearing Zheng Qiang's miserable howl, Wang Xiaoman moved his hands away, and when he saw the scene in front of him, his body trembled, and the whole person was stunned.

I saw Zheng Qiang holding his right arm and fell to the ground, his face pale, his forehead was covered in cold sweat, and he looked very painful.

However, Darryl was standing there with a calm expression on his face.

This....

Seeing this, Wang Xiaoman only felt that his mind was blank, and looking at Darryl's eyes was full of inconceivable.

Did he win?

Isn't he injured? Can you beat Zheng Qiang?

At this time, Wang Xiaoman didn't know that although Darryl was injured, his background was not comparable to that of Zheng Qiang. Although he practiced taekwondo, in front of a real cultivator, he was like a child facing an adult, not an adult at all. level.

“damn thing!”

Zheng Qiang covered his arms, his face was hideous, he stared at Darryl closely, his eyes were full of resentment: “You dare to beat me... I have to abolish you, not only to abolish you, but also to let you see with your own eyes, I And Xiaoman is...”

Under his anger, Zheng Qiang said more and more vicious and unbearable.

Just before he could finish speaking, Darryl walked over quickly and slapped him in the face with a slap in the face. He heard a crisp sound. Zheng Qiang turned around in a

circle, and finally sat on the ground with his buttocks on the ground. It was humming like a roller coaster.

“Shameless scum, dare to threaten!” Darryl said coldly.

The sound is not big, but the aura is powerful and breathtaking!

“you...”

Feeling Darryl’s aura, Zheng Qiang was stunned for a moment, and then shouted: “Wait, wait for me with the special code, if you don’t cramp and peel, I will not be Zheng Qiang.”

In this place, I always bully others by myself. When have you suffered this loss?

Simply shameful.

“Isn’t it a joke?” Darryl chuckled lightly, stepped on Zheng Qiang with one foot, and slapped him again and again.

clap clap...

Not a single slap was slapped on Zheng Qiang’s face, making a loud noise.

Wang Xiaoman’s heart skipped a beat when he saw it, and he was completely dumbfounded.

“Ah... your special code...”

“I’m going to kill you, kill you...”

At first, Zheng Qiang kept yelling, but slowly he couldn’t hold it anymore. He screamed with snot and tears: “Friend, stop hitting, don’t hit, I was wrong...”

Chapter 4047

To be honest, Zheng Qiang has been domineering in the local area for so many years. He is the only one who bullies others, and has never been beaten like this before. In his heart, he doesn't want to bow his head like this.

It's just that if you don't give in, you're going to be beaten to death.

“Don't fight, big brother, I was wrong...” At this time, Zheng Qiang kept yelling, his whole face was swollen, like a pig's head, and he was completely different from the arrogance and arrogance just now. .

Ha ha...

Hearing that the other party softened, Darryl smiled coldly: “Isn't it very arrogant just now? How many times have you just suffered? Can't hold it anymore?” After speaking, he kicked Zheng Qiang again.

Zheng Qiang snorted and almost passed out. At the same time, he was also angry, and he swore in his heart.

Ma De, this poor boy dares to let himself be so embarrassed. Today's shame must be recovered with interest.

This.....

Seeing this scene, Wang Xiaoman was completely dumbfounded, staring at Darryl blankly, unable to speak for a long time.

Who is he who can teach Zheng Qiang a lesson so miserable?

“Let's go!”

Just when Wang Xiaoman was stunned, Darryl stopped, turned around and smiled at her: “It’s getting late.” After saying that, he walked over, opened the car door and sat in the back seat, calm, as if everything just happened. , has nothing to do with him.

“Oh!” Wang Xiaoman responded subconsciously. I don’t know if I was frightened just now, or if I wanted to escape as soon as possible, and quickly got in the car and started.

The next second, with the roar of the engine, the car quickly drove out of the parking lot.

“Wang Xiaoman, wait for me.”

At this moment, Zheng Qiang stood up with his face covered, shouting and scolding: “I will play with you sooner or later, and that kid won’t survive the sun tomorrow...”

While scolding, two security guards ran over quickly.

“Mr. Zheng?”

“What happened, Mr. Zheng, your face...”

At this time, the two security guards were extremely surprised. You must know that Zheng Qiang is like a prince in the local area. Who would dare to beat him like this?

Zheng Qiang was on fire in his heart, and when he saw the security guard coming, it looked like a lit dynamite keg: “Go to Nimad, are you both blind or deaf. Can’t I see when I was beaten?”

“It’s really special waste, get out, get out now, you won’t be going to work tomorrow.”

The two security guards didn’t dare to come out, and left in despair.

“Hey!”

After scolding the security guard, Zheng Qiang took out his mobile phone and dialed a phone number: “Find me the identity of a kid, he is with Wang Xiaoman now, who is Wang Xiaoman? What’s the use of your special code? It’s that one. The one who teaches yoga...the dick...”

“Also, find this kid, don’t kill him first, leave his life to me...”

After hanging up the phone, Zheng Qiang looked at the direction the two were leaving, his eyes full of gloom and resentment, Ma De, if a poor man dares to touch me, I will let you know what will happen to me.

At this moment, Darryl is here.

woohoo....

The car was speeding fast on the viaduct, and the wind was howling outside the window. Just like Wang Xiaoman’s mood, he could not calm down for a long time.

Darryl was sitting in the back seat, his expression was indifferent, his eyes were slightly closed, and he was quietly resting.

“you.....”

Finally, Wang Xiaoman came to his senses, and while driving the car, he asked softly, “Who the hell are you?”

Darryl opened his eyes and smiled slightly: “I didn’t tell you before, I’m a practitioner who walks the rivers and lakes, so you don’t have to worry, even if Mr. Zheng has learned boxing, he’s not my opponent.”

Wang Xiaoman bit his lip lightly: “However, he is very powerful in the local area. I’m afraid...he will retaliate tonight. Otherwise, I’ll take you out of here directly later.”

When speaking, Wang Xiaoman’s delicate face could not hide his nervousness.

With Zheng Qiang's stubborn personality, he will not only retaliate against him, but also fear that he will also get into endless trouble. The best way is to leave the city tonight and find a new job elsewhere.

call!

Sensing Wang Xiaoman's nervousness, Darryl breathed a sigh of relief and pondered.

That is, at this moment, Darryl glanced at the billboard on the roadside outside, and suddenly showed a smile, and said to Wang Xiaoman: "The matter is not as serious as you think, let's go back to your home first."

Chapter 4048

"It's really getting serious, it's not too late to leave."

When he was talking, Darryl looked relaxed, as if nothing had happened.

To be honest, with Darryl's strength, even if he is injured at this time, he is not afraid of Zheng Qiang's revenge. Moreover, Darryl clearly saw just now that the roadside billboards are full of new product advertisements of Ase Group.

Not only that, the advertiser also said that Chen Shishi, the CEO of the group, will set up a branch here.

With Chen Shishi here, Darryl is even more calm. You must know that the two sides are old friends. Ten years ago, without the help of Darryl, Chen Shishi's career would not have been so great.

This....

Hearing Darryl's words, Wang Xiaoman bit his lip lightly and got into a tangle.

After a few seconds, Wang Xiaoman nodded: "Okay."

To be honest, she didn't trust Darryl unconditionally, but she didn't pack a lot of things at home, so she left in such a hurry, it was a bit hasty.

Ten minutes later, Wang Xiaoman took Darryl back to where he lived.

This is an old community located in the suburbs. It has been baptized by wind and rain for more than ten years. The public facilities are old, but the environment is not bad, clean and tidy.

The building where Wang Xiaoman lives is located in the last row of the community, with a small rest square behind it. It was late at night and it was quiet.

Squeak!

Wang Xiaoman took out the key to open the door, perhaps because of what happened just now, his mood has not calmed down, and he was a little silent.

Darryl was in a comfortable mood, looking at the elegant and warm deployment of the room, he couldn't help but breathe a sigh of relief.

“Just now...”

At this moment, Wang Xiaoman seemed to have calmed down, biting his lip and saying to Darryl, “I really thank you just now.” Seriously, in the underground parking lot just now, if he hadn't acted in time, he really didn't know what to do. .

Darryl sat on the sofa casually, and smiled: “You're welcome, it's a hand.”

Having said that, Darryl couldn't help but admire Wang Xiaoman again.

I have to say that Wang Xiaoman's figure is really terrible. As a yoga instructor, the proportions of the curves are perfect. No wonder that rich second generation can spend nearly ten million on a bracelet to win her favor.

Swish!

Aware of Darryl's gaze, Wang Xiaoman was very shy and blushed. In order to avoid embarrassment, he quickly turned on the TV: "You...you watch TV for a while, and I'll go to the room to clean up."

Zheng Qiang must be thinking about how to take revenge at this moment, and he has to leave early tomorrow morning.

Darryl nodded and sat there, watching TV casually.

Speaking of which, Darryl hadn't watched TV for many years. He felt bored after watching it for a while, so he was about to close it. However, at this moment, a financial news message popped up.

"This reporter reported that Ms. Chen Shishi, President of Estee Group, will appear at the business exchange meeting held in this city tomorrow, which will have a great impact on the future development of our city..."

Ha ha...

Seeing this, Darryl couldn't help showing a smile.

I didn't expect that Chen Shishi was really here.

At this moment, Wang Xiaoman packed up and came out. Seeing Darryl sitting there with a relaxed face, he said softly, "I've packed up, we will leave early tomorrow morning."

When he said this, Wang Xiaoman was very complicated.

It was a good job, but it's gone... But then again, thanks to him tonight, otherwise the consequences would be even more disastrous.

Ha ha!

Hearing this, Darryl smiled: “You don’t have to leave tomorrow. I taught that Zheng Qiang a lesson just now, which caused you to lose your job, but don’t worry, I will introduce you to a new job tomorrow.”

As long as you contact Chen Shishi and arrange a job for Wang Xiaoman, it is a piece of cake.

ah?

Hearing this, Wang Xiaoman was stunned for a moment, thinking he had heard it wrong: “Are you looking for a job for me? Are you confused?” He is a foreigner, and he has no family and no reason here. If he has any connections, how can he find it for me? Work?

What’s more, he had offended Zheng Qiang just now.

Seeing her face of disbelief, Darryl smiled: “I’m not joking, you’ll know until tomorrow, well, it’s getting late, hurry up and rest. You don’t need to help me clean up the room, I’ll just sleep on the sofa.”

Chapter 4049

well!

Seeing the seriousness he said, Wang Xiaoman burst into tears and laughter, thinking that Darryl was just comforting her, and he didn’t say anything at that time, so he turned and went to the room.

Darryl turned off the TV, and did not rush to rest, but tried to call the Donghai City Villa again.

After calling several times, no one answered.

For a time, Darryl was very anxious.

Looking at the situation, there must be a situation in Donghai City, and he must restore his strength as soon as possible and go back.

There were also Ya'er and Ling'er, who didn't know where they were sent.

After thinking for a while, Darryl lay down on the sofa to rest.

The night is deep.

Before you know it, it's already midnight.

rustling....

Suddenly, there was a slight sound of footsteps in the silent corridor, the movement was very small, and there were a lot of people listening to it. In an instant, Darryl opened his eyes and sat up instantly.

The next second, Darryl heard clearly that several people went outside the door and whispered.

"It's here..."

"It's not wrong. I've already investigated. That Wang Xiaoman moved in three months ago."

"Well, I'll tie up the girl first, and then teach that kid a lesson. Mad, he's not too timid. Dare to do something to Mr. Zheng, I'm tired of living."

The discussion of several people was very small, but Darryl could hear it clearly.

Ha ha...

At this moment, Darryl couldn't help laughing when he heard this. Then Zheng Qiang's work efficiency is good, so he sent someone to come to the door so quickly.

Thinking to himself, Darryl stood up slowly, looked around the layout of the living room, then moved the sectional sofa, combined with the coffee table, and deployed a simple five-element array.

Although Darryl couldn't see the appearance of several people outside through the door, but with his perception, he could also perceive that these people were ordinary thugs and bodyguards, not cultivators at all.

To deal with such a person, Darryl does not need to do it himself.

clack clack...

As soon as Darryl was deployed, he saw the door handle shake a few times, and then several men in black suits pushed the door and rushed in.

Darryl was not in a hurry, stood in the Five Elements Formation, smiled at a few people and said, "Are you looking for me?"

Um?

At this moment, several men in suits were stunned for a moment, and by the moonlight pouring in from the outside, they saw Darryl standing there with a half-smile, his expression indifferent, showing a bit of mockery.

what's going on? How did this kid know we were coming?

"Good boy!"

Soon, the leading man reacted with coldness in his eyes, and said to Darryl: "You still dare to stay in this place after hitting President Zheng, you really don't know how to write dead words."

The voice fell, and the leading man pulled out a dagger and charged directly towards Darryl.

“oops!”

Seeing the other party rushing towards him, Darryl pretended to be panic and said, “You guys are so unreasonable, you’re killing people...” The voice fell, and Darryl pretended to dodge backwards.

Darryl’s movements, which seemed to be flustered, led the opponent into the Five Elements Formation.

Pfft!

The leading man in black didn’t know what was going on, and before he took two steps, he stumbled on the sofa, fell to the ground, and the dagger in his hand flew out of his hand.

“Ma De!” The straight and handsome man in black who was leading the black-clothed man’s heart was filled with evil fire.

what’s the situation? When he rushed over just now, Sha Ming was clearly beside him, so why did he suddenly stand in front of him?

It’s really wicked.

In anger, the leader yelled at his companions: “What are you doing? Abolish him for me.”

Whoa!

Hearing the shouting, the other men in suits swarmed up and quickly surrounded Darryl.

“Oops, bully the less with more.” Darryl shouted again, dodging left and right while shouting, seemingly clumsy, but cleverly avoided the siege of the other party.

Not only that, because the lights were not turned on and the living room was dimly lit, the men in suits not only failed to catch Darryl, but hit their own people every time they made a move.

“Oh, you are blind, what are you beating me for?”

“Go to Nima, it’s you who stood in front of me, get out of the way...”

“What are you arguing about, quickly abolish this kid, and then find that Wang Xiaoman.”

For a while, the living room was in chaos.

These men in black did not realize that they had entered the Five Elements Formation deployed by Darryl, and their every move was firmly controlled by Darryl.

Chapter 4050

Ha ha!

Darryl played around for a while and couldn’t help sneering secretly.

With this little ability, you dare to come out and engage in the assassination? What a shame to go home.

Muttering in his heart, Darryl lost his patience, urging his figure to rush in, and shot like lightning.

bang bang bang...

Almost in the blink of an eye, several men in black were all knocked into a coma, falling to the ground one by one, unconscious.

After getting these men in black, Darryl lay down on the sofa again and continued to close his eyes.

A few hours later, the sky was bright.

Squeak!

At seven o'clock in the morning, Wang Xiaoman pushed open the door and walked out. He was shocked when he saw the scene in front of him.

I saw that several men in black were lying on the floor, their eyes closed, as if they had passed out. On the sofa next to him, Darryl was lying there comfortably.

“Awake?”

Hearing the movement, Darryl opened his eyes and smiled at Wang Xiaoman: “It’s still early.”

Seeing him so calm, Wang Xiaoman only felt confused, and pointed at the few people lying on the ground: “This... what’s going on?” When he spoke, Wang Xiaoman was inexplicably nervous.

Looking at it like this, it must be someone sent by Zheng Qiang.

“It’s all right!”

Darryl waved his hand with a relaxed expression: “These little thieves are too stupid. They broke in last night to arrest me, but they got into a fight...”

Your own fight?

Hearing this, Wang Xiaoman was even more puzzled. The people sent by Zheng Qiang couldn’t be so stupid.

“Let’s go!”

Just when Wang Xiaoman was secretly suspicious, Darryl stood up and said with a smile, “It’s almost time, let’s go somewhere.”

“Where to?” Wang Xiaoman was stunned.

Darryl said slowly: “I’ll introduce you to a new job.” The business meeting started at nine o’clock, and it was just past time.

What?

Wang Xiaoman’s tender body trembled, and she looked at Darryl in disbelief: “Don’t be ridiculous, Zheng Qiang sent someone to my place last night, how can I still work in this place?”

Having said that, Wang Xiaoman couldn’t help but glance at the few people lying on the ground.

More importantly, how could the person sent by Zheng Qiang still be in a coma in his own home?

“Don’t panic!”

Darryl looked at her seriously: “You have to believe me. For someone like Zheng Qiang, the more you avoid him, the more he will pester you. You can only let him stop thinking about it.”

Having said that, Darryl walked over and pulled Wang Xiaoman involuntarily: “Come on, let’s drive over, I’m not familiar with this place, and I still need you to be the driver.”

This....

Hearing this, Wang Xiaoman's mind became even more confused, and before he could react, he was pulled out of the door.

When he got to the car soon, Wang Xiaoman reacted, his delicate face was full of anxiety: "Don't be fooling around, Zheng Qiang is very powerful in the local area, we can't all beat him."

Darryl smiled slightly: "Lang Lang, the evil does not overwhelm the good."

Hearing this, Wang Xiaoman was stunned for a moment, and was immediately stunned by Darryl's aura. That's right, in broad daylight, no matter how strong Zheng Qiang is locally, it's impossible to mess around in public.

Muttering in his heart, Wang Xiaoman couldn't help but look at Darryl.

This guy is... so unpredictable.

"Drive."

Seeing her in a daze, Darryl urged with a smile: "The business meeting is about to start. If you can't catch up, your new job will be ruined."

Um!

Wang Xiaoman was in a mess, but he still responded and started the car.

On the way, Wang Xiaoman calmed down: "You just said a business meeting? What business meeting?"

Darryl scratched his head and said slowly, "It's the business meeting that the CEO of Ase Group participated in. I watched TV last night, and it seemed like I was in some Saint Luo Hotel."

Estee Group?

Hearing this, Wang Xiaoman's body trembled, and he was shocked. He stared at Darryl blankly: "You...you know someone from the Ase Group?" When he spoke, Wang Xiaoman's voice trembled.

You must know that Estée Group is well-known in Kyushu, and it is the vane of the fashion industry. It is said that a small executive of Estée Company has an annual salary of tens of millions.

And the man in front of him, dressed in ordinary clothes, could actually know the people of the Ase Group, which is really incredible.

Chapter 4051

At this time, in Wang Xiaoman's heart, he thought that Darryl was only a small leader of the company.

Um!

Seeing her surprised look, Darryl nodded and said lightly, "I used to be good friends with the boss of Yashi Group, but we haven't seen each other for several years."

Darryl is right, he has been walking around the rivers and lakes all these years, and it is true that he has not seen Chen Shishi for a long time.

What?

At this moment, Wang Xiaoman was stunned again, but soon he couldn't help laughing.

"What are you laughing at?" Darryl asked.

Wang Xiaoman's eyes flickered with complexity, and he looked at Darryl with a half-smile but not a smile: "I read a book before and said that most men like to brag. I didn't expect you to be more powerful than what is written in the book."

“The boss of the Estee Group is said to be a beautiful woman, can you recognize him? Stop bragging.”

Seeing that she didn't believe it, Darryl smiled and didn't explain much.

.....

On the other side, in the Zheng family villa.

Zheng Qiang was wearing a nightgown, leaning on the sofa, his face covered with ice, and he was in an indescribable embarrassment.

Next to it, several young girls are waiting carefully.

It's already eight o'clock?

At this time, Zheng Qiang looked at the time, and immediately sat up straight. Last night, he sent someone to teach that kid a lesson, and it should have been done.

When he thought of being beaten up by Darryl in the underground parking lot last night, Zheng Qiang became angry.

The next second, Zheng Qiang took out his mobile phone and dialed a phone number: “How are things going? I didn't see what time it was? Do you still need me to call you for this kind of thing?”

“Mr. Zheng!”

Feeling Zheng Qiang's anger, on the other side of the phone, he replied in an uneasy tone: “You calm down, I just called and asked about the situation. The people sent... all passed out at that Wang Xiaoman's house, And Wang Xiaoman and that kid drove away, and I'm checking their whereabouts.”

What?

Hearing this, Zheng Qiang was furious: “Is your special code a pig? You can’t do this well? A few people can deal with a kid, and he can even let him run away. What’s the use of your special code alive?”

After scolding the last sentence, Zheng Qiang hung up the phone angrily, and said to the girls around him, “Quick, get me some clothes.” The business meeting is about to start, and Chen Shishi from Estée Group is coming, wait Be sure to receive it well.

“Fairy Wood”

A month ago, Zheng Qiang’s family, through hard work, finally negotiated several business cooperation with the Estee Group, and their influence in the local area has increased a lot.

Zheng Qiang has thought about it. He must perform well at the business meeting. As long as he has a good relationship with Chen Shishi, and catches up with the business giant of the Estee Group, He Chou will not make a lot of money in the future...

“Yes, Mr. Zheng!”

Several girls responded in unison, and then dressed Zheng Qiang intimately.

A few minutes later, Zheng Qiang left the villa and drove a luxury car towards the Saint Luo Hotel.

.....

the other side.

Wang Xiaoman drove Darryl and finally arrived at the Saint Luo Hotel.

The San Lo Hotel is the largest and most upscale hotel in the area. The decoration is magnificent, comparable to a palace. What can be consumed here is either rich or expensive.

Today's business meeting was held here, and I saw luxury cars in the parking lot in front of the door, red carpets on the steps, and cordons on both sides.

Outside the cordon, many local journalists gathered.

The business meeting this time is related to the local economic development. The CEOs of major enterprises have all come, and it can be said that businessmen gather here.

call...

Wang Xiaoman parked the car, and when he saw the scene in front of him, he couldn't help but get nervous, and said to Darryl, "This kind of business meeting is very strictly managed. We don't have an invitation letter, can we go in?"

Wang Xiaoman is also regarded as an elite in the workplace, but this is the first time I have encountered such a scene. The old people are all bigwigs. Can you not be nervous?

"You don't have to worry about this." Darryl smiled slightly, with a leisurely expression: "Just give me your phone to use later." Although he hadn't seen each other for several years, Darryl still remembered Chen Shishi's phone number.

For others, it would be difficult to enter this kind of business, but for Darryl, it was a matter of making a phone call to Chen Shishi.

Chapter 4052

Hearing this, Wang Xiaoman was skeptical, but handed the phone to Darryl: "Who are you going to call?"

Darryl smiled slightly: "The CEO of Ase Group."

Having said that, Darryl looked at the scene in front of him, and couldn't help feeling secretly in his heart. In my own impression, Chen Shishi is not only beautiful but also a strong woman in the business world.

Over the years, Chen Shishi's company has grown bigger and bigger, and she has almost become a legendary woman in the entire Kyushu business community, and she has lived up to her expectations.

“you....”

Wang Xiaoman's tender body trembled and stomped her feet in a hurry: “Don't be fooling around, okay?” This person is really getting more and more out of line, the female boss of the Estee Group, but a legend in the business world, how could she know him?

To be honest, when I heard Darryl say this on the road just now, Wang Xiaoman thought he was just joking, but when he saw him saying this again, he just felt that he was making fun of himself, and was speechless.

“I'm not fooling around!”

Seeing that she didn't believe it, Darryl didn't want to explain too much. He smiled and said, “You'll find out later.”

Just as he was talking, he saw a commotion from the hotel entrance.

buzzing....

Immediately afterwards, a gorgeous sports car came galloping and stopped steadily at the gate. I saw that Zheng Qiang was sitting in the driver's seat in a suit and leather shoes, with an arrogant look on his face, showing the attitude of a wealthy disciple, but the swelling on his face had not subsided, and he looked a bit funny.

“Mr. Zheng is here.”

“It's Zheng Shao...”

Seeing that it was Zheng Qiang, the door immediately gave way, and immediately, the hotel manager and a few staff members rushed up to meet him.

When they got to the front, the hotel manager looked flattering: “Mr. Zheng is here.”

Zheng Qiang pushed open the car door, got out of the car very smartly, threw the key to the security guard next to him, and then asked lightly, “How is the preparation of the venue?”

Yes, this business meeting was specially organized by Zheng Qiang in order to welcome Chen Shishi’s arrival. Although he is in the local area, he can only talk about one thing, but in the face of a behemoth like the Estee Group, he can only look up and please.

book

“Don’t worry, Mr. Zheng...”

The hotel manager patted his heart and said with a look of flattery: “It’s all arranged according to your instructions. It’s absolutely luxurious and won’t lose face for you.”

Then, the hotel manager looked at Zheng Qiang’s face and said cautiously, “Mr. Zheng, your face...”

Before he could finish speaking, he was interrupted by Zheng Qiang.

“Don’t ask what you shouldn’t ask, why is there so much nonsense?” Zheng Qiang frowned and scolded angrily.

The hotel manager didn’t dare to ask any more questions, and with a shy smile, he accompanied Zheng Qiang into the hall.

Oops...

Seeing Zheng Qiang appear, Wang Xiaoman, who was standing in the crowd at the foot of the steps, suddenly trembled, his heart was indescribably nervous, his face turned pale, and he whispered to Darryl: "I almost forgot, Zheng Qiang and The Estée Group has cooperation, so let's not go in later."

Zheng Qiang covered the sky with only one hand in the local area, and the business meeting in front of him was also held by him.

For a time, the more Wang Xiaoman thought about it, the more anxious he wanted to pull Darryl away.

However, Darryl stood there, motionless. Looking quietly at Zheng Qiang, who was surrounded by everyone, he sneered secretly in his heart. It's kind of interesting to meet him so soon.

Seeing that Darryl didn't leave, Wang Xiaoman became even more anxious: "Let's go, Zheng Qiang will find out later."

Swish!

As soon as he finished speaking, Zheng Qiang's eyes came over.

Seeing the two of Darryl, Zheng Qiang was stunned for a moment, and then endless anger emerged in his eyes, and he gritted his teeth at Darryl and said, "Good boy, you are not too brave, you dare to send it to your door."

Being beaten up by him last night was a shame.

Feeling Zheng Qiang's anger, Darryl did not panic at all, and said lightly: "It's a coincidence, we meet again."

wow....

At this moment, the eyes of everyone around them converged on Darryl, and they couldn't help but talk in a low voice.

“what's the situation?”

“Who is this kid, dare to talk to President Zheng like this...”

“Looking at his dress, he should be an ordinary employee, but the woman around him is really beautiful...”

Under the discussion, many people's eyes were deeply attracted by Wang Xiaoman, and some eyes were straight.

Chapter 4053

At this moment, Zheng Qiang reacted and said with a wicked smile at Darryl: “Boy, you are really kind. You are the first one who dares to fight with me for so many years and can still appear in front of me again.”

Speaking, Zheng Qiang's voice was cold: “Today I'm going to see if you have three heads and six arms.” Zheng Qiang said the last sentence completely through gritted teeth.

When I thought of being beaten by Darrylfeng last night, I wanted to tear him apart.

What?

Hearing these words, the surrounding people who were not aware of the situation suddenly burst into an uproar, and they all looked at Darryl, shocked.

What did Mr. Zheng say?

This kid... did you do it with Mr. Zheng before?

Looking at his clothes, he obviously has no background, and he dares to provoke Mr. Zheng. Isn't this lighting a lamp in a dungeon... Isn't it courting death?

At the same time, Wang Xiaoman was also very frightened, hiding behind Darryl, clutching his arm tightly, his delicate body trembling faintly.

While nervous, Wang Xiaoman looked at Darryl and was full of complaints.

It's all his fault. After getting up in the morning, he obviously had time to leave, but he had to come to attend this business meeting. Now, let's meet Zheng Qiang...

The surrounding discussions kept coming, Darryl's expression was indifferent, without the slightest emotional fluctuation, he said lightly to Zheng Qiang: "Zheng Qiang, it seems that you are here, and you are really covering the sky with one hand."

"What happened last night, you and I both know clearly, even if you are rich and powerful, can you be ignorant?"

wow....

Hearing this, the people around were talking again.

what's going on?

Last night, this kid had a conflict with President Zheng? As a boy without power and power, he dares to provoke President Zheng, isn't he courting death?

Ha ha...

At this time, Zheng Qiang sneered and looked at Darryl with contempt: "Boy, you are right, I am the king here, Ma De, you dared to beat me last night, and you will not lose your legs and feet today. , I'm not called Zheng Qiang."

"I Have a Scroll of Ghosts and Gods"

The last word fell, and many hotel security guards rushed out and quickly surrounded Darryl and the two.

wow...

Seeing this situation, everyone around, whether they were here to attend the meeting or the reporters, hurriedly backed away, fearing that the fish pond would be affected.

Facing the situation, Darryl did not panic at all, and a smile appeared on the corner of his mouth.

This kid really doesn't remember to eat or fight. He forgot how he was taught a lesson last night and how he begged for mercy. Now he is arrogant again in his own territory.

"Mr. Zheng!"

At this moment, Wang Xiaoman was anxious, and he didn't know where the courage came from. He walked over to stand in front of Darryl, and said in a complicated tone: "He didn't mean it last night, please, don't bother with him."

When he was talking, Wang Xiaoman was so nervous that his legs felt weak.

Wang Xiaoman is kind-hearted and timid, and the situation in front of her is almost paralyzed, because she knows Zheng Qiang's methods, and there is nothing he can't do. It is said that half a year ago, a shopping mall manager did not know how to offend him. The next day It disappeared, and some people said that it was thrown into the river to feed the fish.

And last night, Darryl hit him, and the end will be even worse.

It's just that this man came forward for his own sake, so he couldn't just watch him get revenge by Zheng Qiang and remain indifferent.

"Ha ha.."

Seeing Wang Xiaoman come out to clarify, Zheng Qiang grinned, looking up and down her graceful curve, and said coldly: “You b!tch, I gave you a gift and gave you a chance, but you didn’t grasp it, but you humiliated me with this poor man. “

“You wait for me, and I will take care of you slowly when I solve this kid.”

When he said the last sentence, Zheng Qiang couldn’t hide the evil fire in his eyes, Ma De, when he got the news in the morning, he thought this Wang Xiaoman had already fled to another place, but he didn’t expect that she would dare to take the initiative to send it to the door.

Zheng Qiang thought about it, and after he got Darryl, he would take Wang Xiaoman to the hotel room, wait until the business meeting was over, and then enjoy it slowly.

Done!

Feeling the coldness in Zheng Qiang’s eyes, Wang Xiaoman’s heart trembled. In extreme panic, his legs were weak and he could barely stand still. Zheng Qiang’s eyes were too evil and terrible.

She seemed to have foreseen her own fate.

Chapter 4054

At this time, Zheng Qiang looked at Darryl with a cold and arrogant attitude in control of the audience: “Boy, if you have a last word, say it quickly, I’m afraid you won’t have a chance later.”

At this time, Zheng Qiang was full of pride.

He knew that the man in front of him was very powerful, but on his own territory, no matter how powerful one person was, he couldn’t hold back many people. After all, two fists were no match for four.

At this time, Zheng Qiang didn't know what a terrible existence he had provoked.

call!

Facing Zheng Qiang's arrogance, Darryl smiled lightly: "I have no last words, you can say what you want."

To be honest, when dealing with a scum like Zheng Qiang, Darryl didn't want to talk nonsense. If he really did it, he wouldn't be afraid of dozens of security guards around him. However, considering Wang Xiaoman's safety, Darryl decided to deal with him temporarily.

"What do I want?"

Hearing this, Zheng Qiang thought that Darryl was cowardly, so he couldn't help laughing: "Excuse me, do you still want to talk to me about conditions? You are so poor, can I ask you to compensate for the loss? ?"

"The Age of Rebirth"

The words are full of contempt.

Darryl smiled slightly: "Okay, I will pay, how much do you want."

With Chen Shishi around, money matters are a piece of cake.

Um?

At this moment, Zheng Qiang thought he had heard it wrong. He was stunned for a moment, and then laughed: "Did I hear it wrong, this kid just said that he wants to compensate me? Haha..."

The voice fell, and everyone around was laughing.

Is there something wrong with this kid's brain? To be compensated for Mr. Zheng's losses, just like this poor and sour look, I am afraid that even a button on Mr. Zheng's clothes can't be compensated.

While everyone was laughing, Zheng Qiang looked at Darryl up and down and sneered: "I want you to pay 10 million Kyushu coins, how about it? Do you have it? I don't think you have seen what 10 million looks like?"

Ha ha....

All of a sudden, the surroundings burst into laughter again, and everyone looked at Darryl's eyes as if they had seen a poor clown.

Swish!

Seeing this scene, Wang Xiaoman was so embarrassed and angry that he finally couldn't help it. He summoned his courage and said to Zheng Qiang, "Zheng Qiang, don't deceive people too much..."

This Zheng Qiang is really abominable. Just because he has money, can he trample on the dignity of others at will?

"The b!tch even spoke for him."

Zheng Qiang had a gloomy smile on his face, and said coldly, "He said he wanted to compensate me. I asked for the price. How could it be too much of a deception?"

"Mr. Zheng said it well."

"It's this kid who doesn't know how high the sky is, how can you blame Mr. Zheng?"

There are many people present, all of whom have interests in Zheng Qiang, and they can't flatter Zheng Qiang on weekdays. How could they miss such a good opportunity at this time?

“you....”

At this moment, Wang Xiaoman’s face flushed, but he was speechless to refute.

Because what Zheng Qiang said was right, Darryl did offer compensation just now.

“Okay, don’t get excited!” At this moment, Darryl whispered to Wang Xiaoman, “I’ll handle this matter.”

Saying that, Darryl looked at Zheng Qiang: “10 million Kyushu coins, okay, I’ll give it to you, I’ll call someone to bring it to you.” After saying that, he took Wang Xiaoman’s mobile phone and walked to the side. Called Chen Shishi’s number.

beep...

The phone rang a few times and was quickly connected, followed by Chen Shishi’s voice: “Who is it?”

Darryl breathed a sigh of relief and said slowly, “It’s me.”

“Feng... Brother Feng?”

Hearing Darryl’s voice suddenly, Chen Shishi was stunned for a moment, and then shouted with great joy: “Brother Feng, is it really you? Am I dreaming?”

Five years, exactly five years, and suddenly received a call from Darryl, why was he unhappy?

After a few casual greetings, Darryl cut to the point: “Are you going to attend a business meeting now?” Then, Darryl said the name of the place.

“Well, I’m in the car now, brother Feng, where are you?” Chen Shishi was very excited.

Darryl said slowly: “I’m right in front of the hotel where the business meeting is held. You go and prepare 100 million Kyushu coins for me now. I need all cash, and bring it to me in a car.”

“Okay brother Feng, I’ll do it right away.”

Soon, Darryl hung up the phone, turned to look at Zheng Qiang quietly, and said word by word, “If you want 10 million, I will give you 100 million. I’ll see if you can take it away later.”

Chapter 4055

One billion....

Hearing these three words, both Zheng Qiang and everyone present were stunned.

Especially those security guards around you, all of them are a little messy, 100 million, I’m afraid they can’t spend it in two lifetimes.

he is crazy...

At the same time, Wang Xiaoman also trembled, staring blankly at Darryl, speechless.

Ha ha.....

After a short silence, Zheng Qiang was the first to react, covering his stomach and laughing loudly: “Is there something wrong with my ears? What did you say just now? Would you like to give me 100 million?”

“Do you know how much 100 million is? Boy, I know you’re bragging about delaying time, but please do it a little like that.”

boom!

The last word fell, and there was laughter around, and at the same time, many people also mocked Darryl.

“I heard it right, he said he would pay 100 million yuan?”

“Haha... There’s something wrong with this kid’s brain.”

“Interesting, is he pretending to be rich in front of our President Zheng?”

Darryl didn’t get angry at all, but looked at Zheng Qiang and said lightly: “It’s up to you to believe it or not, but I want to tell you that when the money is really delivered, You have to kneel down in public to apologize to Wang Xiaoman for your actions last night. How?”

When he said this, Darryl’s tone was slow and leisurely, but it gave people an unquestionable aura.

call!

Zheng Qiang took a deep breath, squinted and looked at Darryl for a moment, and then smiled coldly: “Okay, if you really get someone to send 100 million yuan, I will kneel down and apologize to her, not only that, I won’t be embarrassed anymore. you.”

Immediately, Zheng Qiang said to the security guards around him, “Just guard the two of them. If anyone runs away, don’t mess around.” When the voice fell, he called the others to enter the hall and wait.

“you...”

Seeing Zheng Qiang and the others entering the hall, Wang Xiaoman recovered and looked at Darryl in a complicated way: “Are you really crazy? One hundred million, do you have it?”

This man, he encountered mountain bandits before, and all the valuable things on his body were robbed. Now, let alone 100 million, I am afraid he can't even get ten yuan.

What's more, the other party is Zheng Qiang, and the consequences of teasing him in front of so many people are even more unimaginable.

Feeling Wang Xiaoman's nervousness and anxiety, Darryl smiled slightly: "You will find out later."

Seeing his confident face, Wang Xiaoman opened his mouth to say something, but in the end he didn't know what to say, so he could only sigh and think wildly.

In the hotel lobby at this time.

Zheng Qiang sat on the sofa, staring closely at Wang Xiaoman outside the gate, his eyes were a bit gloomy.

Ma De, how can I not compare to that poor sour?

Just thinking about it, the hotel manager next to him couldn't help but asked in a low voice, "Mr. Zheng, you don't really believe that kid can send 100 million, right?"

"Short code nonsense." Zheng Qiang scolded angrily: "I need you to teach me how to do things? Since this kid likes to pretend, I will give him this opportunity to prevent people from saying that I am bullying others."

Saying that, Zheng Qiang looked at the time: "Ten minutes is the limit. If you don't see anyone sending money within ten minutes, then give that kid to me."

call...

Hearing this, the hotel manager immediately nodded and bowed: "What Mr. Zheng taught is that I am small."

Just as he was talking, he saw Darryl pull Wang Xiaoman in, and sat on the sofa opposite without anyone else.

Um?

Seeing this scene, both Zheng Qiang and everyone around were stunned.

The next second, Zheng Qiang reacted and looked at Darryl with a gloomy face: “Boy, who let you in?”

As soon as the words fell, the hotel manager was also full of contempt: “Is this place you can come in? Get out.”

“The Guard is Here”

Dogs fight people.

Darryl glanced at the hotel manager indifferently and ignored it at all.

Immediately, Darryl smiled at Zheng Qiang: “What? One hundred million is about to be delivered, can’t I sit here for a while?”

Seeing him take it for granted, Zheng Qiang was very angry.

woohoo....

However, at this time, two large trucks suddenly came from the street outside and stopped steadily at the entrance of the hotel.

Chapter 4056

Whoa!

The next second, the two trucks lifted the trunk at the same time, and in an instant, bundles of bills poured down like a tide, and they piled up like a mountain in an instant, blocking the hotel door tightly.

Oh my god.

Seeing the mountains of bills, the security guards guarding the gate all had their legs weak and slumped on the ground.

Money... so much money, it fills two trucks full of money.

hiss!

At the same time, everyone in the hall couldn't help gasping for air. Looking at Darryl's eyes, it is also full of incredible.

This kid really got so much money, looking at the level of accumulation, it seems that there is really 100 million.

Zheng Qiang was completely stupid there.

And Wang Xiaoman, who was sitting beside Darryl, trembled, completely stupid, thinking he was dreaming. Someone really sent 100 million yuan, is it...all what he said before is true? Is the boss of the Estee Group always his friend?

Only Darryl sat there with a leisurely expression on his face, like no one else.

This...it's impossible.

At this time, Zheng Qiang was stunned for more than ten seconds, then quickly reacted, and said to the hotel manager next to him: "Go, go check it out." As he spoke, he looked at Darryl in shock.

Impossible, this kid is so poor, how can he get 100 million yuan? You must know that the Zheng family is also a well-known family in the local area. .

And the boy in front of him really sent 100 million with just one phone call.

“you...”

In shock, Zheng Qiang shouted at Darryl, “What conspiracy is your kid playing with me?”

conspiracy! ?

Darryl shrugged and smiled: “You can tell at a glance whether it is real money.”

As soon as he finished speaking, the hotel manager took a bundle of money, quickly returned it and handed it to Zheng Qiang, with a trembling voice: “Zheng...Mr. Zheng, this is all true...”

goo-dong,

Hearing this, Zheng Qiang couldn't help swallowing his saliva, his eyes were buzzing as he looked at the pile of bills at the door. After a few seconds, he looked at Darryl and said coldly, “Good boy, I didn't expect you to actually send the money here.”

Speaking, Zheng Qiang stood up slowly, his eyes flickering, thinking about how to deal with it.

rustle!

However, at this moment, there was a sound of footsteps outside the door, and then, a slender figure, accompanied by several bodyguards, walked in from the side door of the hotel. Come.

This is a very beautiful woman, wearing a long wine red dress, covered with all kinds of original jewelry, shining under the lights of the hall, the woman's facial features are exquisite and beautiful, and the body is hot.

It was Chen Shishi.

Whoa!

As soon as Chen Shishi appeared, it immediately attracted the attention of the audience, whether it was Zheng Qiang, the hotel manager and others, all of them were dumbfounded.

At the same time, they are also full of admiration.

She deserves to be a famous businesswoman in Kyushu. It is rumored that this Chen Shishi is not only talented in business, but she is also a beautiful beauty. When I see her today, she really lives up to her reputation.

Finally, Zheng Qiang was the first to react, quickly walked up to meet him, and stretched out his hand: "Haha, Mr. Chen, you are looking forward to you, and today I hope to use this business meeting to strengthen our cooperation. .."

However, Chen Shishi didn't even look at Zheng Qiang, and walked right past him, walking towards Darryl on the sofa, her beautiful face was full of smiles, and she couldn't hide her joy.

what's the situation?

For a time, Zheng Qiang was a little surprised.

At the same time, everyone around was a little confused.

Didn't Chen Shishi come here this time to discuss cooperation with Zheng Qiang? Why did you just ignore him?

Da da da...

Just when everyone was stunned, they saw Chen Shishi walking in front of Darryl on high heels.

“Brother Feng!”

The next second, Chen Shishi was like a pure girl who saw an idol, her tone was joyful, and she was a little bit coquettish: “It’s really you, Brother Feng, when I called me just now, I thought you were Just kidding.”

Chapter 4057

As he said that, he hugged Darryl’s arm very intimately, as happy as a child, without the lofty attitude of a strong woman in the business world.

What?

Seeing this scene, whether it was Zheng Qiang or the local business tycoons around, they were all dumbfounded.

Especially Zheng Qiang, his mind was buzzing and blank.

What did President Chen call this kid? Brother Feng?

Did I hear it wrong? How could this kid be President Chen’s friend?

This....

At the same time, Wang Xiaoman was also shocked, staring at Darryl, speechless for a while.

She could clearly see that Chen Shishi, a legendary businesswoman in front of her, was extremely respectful and joyful in front of Darryl at this time, even happier than seeing her relatives.

He didn't lie to himself, he was really friends with Chen Shishi...

Darryl didn't care about the eyes of the people around him, and smiled at Chen Shishi: "When did I make a joke on you? I watched the news on TV last night and knew you were here, so I called you."

As he spoke, he admired Chen Shishi up close.

I have to say that Chen Shishi has an excellent temperament, and it is even more charming after not seeing her in a few years.

Hearing this, Chen Shishi nodded: "Why is Brother Feng here?"

In her impression, Darryl has been running around for the affairs of the rivers and lakes, and this place, there is no cultivation sect nearby, so I have some doubts in my heart.

call...

Darryl breathed a sigh of relief and smiled bitterly: "It's hard to say anything."

Chen Shishi is a smart person, so he didn't ask more, but glanced at Zheng Qiang, who was not far away, and asked in a low voice, "Brother Feng suddenly asked for so much money for what? What happened here?"

Darryl smiled: "It's nothing, I beat a rich second generation last night, and they want me to compensate today."

After that, Darryl explained the matter simply.

What?

Knowing the situation, Chen Shishi's delicate face instantly flushed red, and she was extremely angry.

This Zheng Qiang is really an a, lustful to beat the attention of female subordinates, and dare to threaten Brother Feng?

“Zheng Qiang!”

At this moment, Darryl took two steps forward slowly and looked at Zheng Qiang with a smile: “The money has been sent to you, it's at the door, it's up to you if you have the courage to take it.”

“I...” Zheng Qiang opened his mouth, his face was like a purple eggplant, and his heart was inexplicably complicated: “You and President Chen...”

Before he finished speaking, Chen Shishi walked over quickly on high heels, raised her jade hand, and slapped Zheng Qiang hard.

Snapped!

The crisp sound sounded, and the entire hall was dead silent.

With this slap, Chen Shishi used all his strength, Zheng Qiang was completely blinded, and the hearts of the people around him were slammed.

You must know that Zheng Qiang is very powerful in the local area and is respected as the prince. Who dares to be rude to him, but Chen Shishi slapped him in public.

Although Chen Shishi's identity, there is nothing wrong with teaching Zheng Qiang, but there is a saying that is good, Qianglong does not overwhelm the snake.

“Mr. Chen...”

Finally, Zheng Qiang regained his senses, covered his face and looked at Chen Shishi, pretending to smile: “We are partners anyway, there is no need to hurt our harmony for this kid.”

When talking, Zheng Qiang was very angry.

Madd, who was slapped in the face in front of so many people, where will he put his face in the future? However, thinking of Chen Shishi’s strength in the business world, he temporarily endured it.

After all, I have to work with her in the future.

However, Chen Shishi didn’t give him a good face at all, and scolded coldly: “Don’t talk nonsense with me, do you know who he is? He...” Brother Feng is a famous hero in the entire Kyushu. Safety, how many times has he disregarded his own safety, without him, how could the prosperity and stability of Kyushu be today?

And this Zheng Qiang, who dared to trouble Brother Feng, was simply digging his own grave.

He was interrupted by Darryl before he said the next words: “Shi Shi, don’t talk about it.”

At this time, the subordinates of the Haotian God King should search the world for their whereabouts. In this case, they must not reveal their identities.

Um!

Seeing Darryl’s solemn expression, Chen Shishi nodded in understanding.

At this moment, Zheng Qiang endured the unhappiness in his heart and said to Chen Shishi: “Mr. Chen. Since he is your friend, I will give you a face, and forget about it.”

Chapter 4058

Speaking, Zheng Qiang showed a smile: “I have been preparing for today’s business meeting for a long time. Let’s discuss further cooperation later...”

In Zheng Qiang’s heart, Chen Shishi is a businessman. Since he is a businessman, he must put his interests first, and he will not quarrel with himself because of a poor person.

“All Worlds”

Zheng Qiang thought about it, Darryl is Chen Shishi’s friend, so there is no need to embarrass him, but this Wang Xiaoman must give her some color.

However he was wrong.

“Cooperation?”

The corners of Chen Shishi’s mouth rose, revealing a trace of contempt: “From now on, we will not have any cooperation, and the previous ones will be voided. I am looking for someone to cooperate with, and the most valued character, a despicable and shameless person like you is not qualified. In cooperation with our Estée Group.”

Resolute attitude, no doubt.

What?

Hearing this, Zheng Qiang felt as if he had been hit by an invisible sledgehammer. He couldn’t breathe for a while, and his face was extremely ugly.

For this business meeting, I have been preparing for a full month. After promoting the cooperation, I will return more than ten times the income. At that time, the Zheng family will become the first business family in the local area and even the entire Yellow Sea Continent. .

But Zheng Qiang never thought that Chen Shishi would resolutely give up cooperation for a man.

Is this woman crazy?

At this time, Zheng Qiang still didn't know what Darryl meant to Chen Shishi. Without Darryl, Chen Shishi would not be where he is today, let alone give up his cooperation with Zheng Qiang, even if the entire Ase Group was handed over to Darryl, Chen Shishi would not be where he is today. Don't frown.

call....

At the same time, when Wang Xiaoman saw Chen Shishi make such a choice, he was completely stupid. Looking at Darryl's eyes, it is also full of incredible.

Who is he?

The female president of the dignified Ase Group gave up business cooperation with Zheng Qiang for his sake...

This kind of plot that only appeared on TV was staged in front of his eyes.

This is not a dream.

Muttering in his heart, Wang Xiaoman couldn't help but stretched out his hand and pinched himself... Not a dream!

“Zheng Qiang.”

At this moment, Chen Shishi looked at Zheng Qiang, and said lightly: “My friend beat you up last night, and the 100 million at the door is compensation. From now on, your Zheng family and our Estee Group will have nothing to do with each other. , but I warn you, if you dare to take revenge on my friend, I will make your entire Zheng family disappear completely.”

Speaking, Chen Shishi turned to look at Darryl, smiled, and her tone became gentle: “Brother Feng, let's go.”

Um!

Darryl nodded and was about to greet Wang Xiaoman and leave with Chen Shishi.

Ha ha....

However, at this moment, Zheng Qiang regained his senses and laughed loudly:
“Interesting, really interesting.”

Saying that, Zheng Qiang looked at Chen Shishi with bright eyes: “Mr. Chen, Mr. Chen, I really admire you, a woman can spell such an achievement in the sinister business world, but... you too underestimate me Zheng Qiang. Now, 100 million, tsk tsk, it’s really a lot of money, but I’m not uncommon.”

At this moment, Zheng Qiang’s eyes flashed with madness.

Ma De, after all, he is also a well-known person in the local area. If Chen Shishi takes people away today, how can he still be in the business world in the future?

Um?

Hearing this, Chen Shishi was stunned and looked at Zheng Qiang in surprise: “What do you want?”

Darryl also frowned secretly. He didn’t expect this Zheng Qiang to have a strong self-esteem, and he didn’t want one hundred million.

Next to Wang Xiaoman, she was inexplicably nervous. She knew Zheng Qiang too well. She was very powerful in the local area. .

Thinking about it, Wang Xiaoman’s legs were weak, and he could hardly stand still.

“Don’t panic...”

Aware of Wang Xiaoman's nervousness, Darryl smiled and comforted: "It's alright."

Wang Xiaoman nodded, but did he calm down in his heart?

At this time, Zheng Qiang smiled evilly and said to Chen Shishi: "Mr. Chen, of course I won't embarrass you. If you want to take this kid away, you can, but before leaving, let him kneel and kowtow three times for me. ."

Saying that, Zheng Qiang's eyes fell on Wang Xiaoman: "As for this b!tch, I can't go with you, I want to stay."

Chapter 4059

When the words fell, Wang Xiaoman trembled and shook his head desperately: "No, I don't want to stay, Zheng Qiang, I have resigned, and it has nothing to do with you."

His voice trembled, unable to hide his fear.

Ha ha....

Zheng Qiang chuckled, with a cold arrogance in control: "It doesn't matter, it's not up to you, b!tch, don't think that if you get to know President Chen through this kid, I can't do anything about you, wait a minute. Come into the room, I will make you kneel in front of me obediently."

"Reincarnation Paradise"

Feeling the coldness in Zheng Qiang's eyes, Wang Xiaoman's face turned pale, and he was too scared to speak.

She knew that Zheng Qiang definitely had this ability.

call!

At this time, Chen Shishi reacted and looked at Zheng Qiang quietly: “What did you just say?” For so many years in the business world, Chen Shishi has a good quality and can control her emotions better, but this time, she is really angry .

This bas*** actually wanted Brother Feng to kneel down and apologize to him?

Really looking for death.

“Hey!” Zheng Qiang laughed evilly and reiterated: “I said, if you want to take him away, this kid has to kneel down for me and kowtow three times.”

“Anyway, we don’t cooperate anymore, and I don’t need to give you face, do I?”

At the end of the speech, Zheng Qiang’s face was cunning and sinister, and his eyes flashed with the pleasure of revenge.

“You are courting death!” Chen Shishi’s red lips parted lightly, and coldly uttered three words.

Um?

Zheng Qiang was stunned for a moment, and then said calmly: “Oh, Mr. Zheng is angry, does this want my life? Don’t forget, whose place this is.”

Seeing Zheng Qiang becoming more and more arrogant, Wang Xiaoman was almost unable to stand.

Darryl had a leisurely look on his face, walked to the side slowly, sat on the sofa, and said to Chen Shishi, “You can deal with it.”

“Okay, Brother Feng.” Chen Shishi responded.

Afterward, Chen Shishi glanced at Zheng Qiang, holding back his anger, but took out his mobile phone and quickly sent a message.

After doing this, he looked at Zheng Qiang with a calm expression, and said lightly, “Zheng Qiang, I wanted to keep you alive, but if you insist on courting death, don’t blame me.”

“I know that you have a lot of power in the local area, so you are so arrogant and domineering. However, I will inform you in advance that your Zheng family will soon go bankrupt, and there will be no possibility of a comeback.”

What?

As soon as these words came out, the audience was shocked, and Zheng Qiang’s expression changed.

But soon, Zheng Qiang recovered, looked at Chen Shishi and sneered: “Chen Shishi, you are scaring me, our Zheng family has billions of assets, you say bankruptcy means bankruptcy?”

The people around also nodded secretly.

Because what Zheng Qiang said is right, the Zheng family’s industry has penetrated into all walks of life in the local area. Not only that, but there are also many industries in other places. Such a behemoth cannot be said to go bankrupt if it goes bankrupt.

Ha ha...

Seeing Zheng Qiang’s conceited face, Chen Shishi chuckled lightly, ignoring it for the time being, but took out his mobile phone to read the information and began to state: “Your Zheng family designs 16 industries locally, the main industries are hotels and clubs, but A minute ago, there was already a department to seal it up.”

“In addition, there are five companies established by the Zheng family in other places, two logistics companies, one real estate company, and two electronic production plants. However, starting from one minute ago, the logistics company will not receive any consignments. The real estate company The development of the real estate will be suspended.”

“As for the two electronics factories, the suppliers who provided you with parts have now all been cut off.”

Speaking of which, Chen Shishi looked at Zheng Qiang calmly: “According to this rhythm, after two hours, the capital chain of all your Zheng family’s industries will be broken... Not only will the capital chain be broken, but the bank will also stop lending.”

This....

Facing Chen Shishi’s eloquent chatter, Zheng Qiang’s originally confident face lost its blood in an instant, his legs were weak, and he almost fell to the ground.

You know, the industries that Chen Shishi said are all correct.

What Zheng Qiang could not have imagined was that the Zheng family was well hidden in several industries in other places, and was even found out by Chen Shishi, and in such a short period of time, it was simply unbelievable.

At the same time, everyone around them also exploded.

Chapter 4060

This Chen Shishi is worthy of being the president of the Ase Group. He has found out all the properties of the Zheng family so quickly.

It’s just.... It seems that it is not so easy to destroy the Zheng family based on the strength of the Estee Group.

Mad!

Listening to the discussion around, Zheng Qiang also quickly reacted, staring at Chen Shishi and shouting: “Chen Shishi, you are bluffing me with a special code, I know that your Estee Group has strong financial resources and can find out these properties of our Zheng family, It’s really powerful, but it seems like it’s almost to destroy me completely.”

When he spoke, Zheng Qiang's eyes were full of gloom.

Mad, was almost fooled by this woman.

bluff you?

Chen Shishi showed a smile and said lightly, "Zheng Qiang, you're right, the Estee Group really doesn't have that much energy, but the Kyushu Pavilion does."

"Jiuzhou Pavilion?" Zheng Qiang's expression froze.

Others don't know, but Zheng Qiang knows something about this organization. It is rumored that it was established half a year ago. Those who can join the Kyushu Pavilion are all business leaders in Kyushu, and their worth and assets must reach at least 100 billion...

It can be said that the Kyushu Pavilion is equivalent to controlling the economy of the entire Kyushu mainland, and a decision made in it can subvert the entire Kyushu commercial market.

For an organization like this, Zheng Qiang can only look up.

Gudong!

At this time, Zheng Qiang tried hard to calm himself down, swallowed secretly, and looked at Chen Shishi: "Are you from the Kyushu Pavilion?"

Chen Shishi nodded: "Yes, I am the vice president of Jiuzhou Pavilion, and I am not afraid to tell you that the president is also my friend. Just now we unanimously decided that your Zheng family will be completely bankrupt within one day."

"I gave you a chance just now, but unfortunately, you are very self-righteous."

After saying the last word, Chen Shishi turned to look at Darryl: “Brother Feng, are you satisfied with the result?”

Um!

Darryl nodded, looking indifferent: “That’s it.”

At this moment, Zheng Qiang was full of fear and looked at Darryl in shock, his mind buzzing.

Who is this kid?

To allow Chen Shishi to use the power of the Kyushu Pavilion...

Wang Xiaoman was also extremely shocked. Looking at Darryl closely, he only felt that the man in front of him was as unfathomable as the ocean.

A businessman like Chen Shishi respected him so much that he even used the power of Kyushu Pavilion to directly bankrupt the Zheng family.

If he hadn’t seen it with his own eyes, Wang Xiaoman wouldn’t have believed that this kind of thing happened right in front of his eyes.

poof...

A few seconds later, Zheng Qiang only felt that his eyes were blackened, and finally he closed his eyes and fell directly to the ground.

Darryl didn’t even look at Zheng Qiang, got up slowly, and greeted Chen Shishi and Wang Xiaoman to leave.

“you....”

Outside the hotel, Wang Xiaoman was still a little dizzy, but he couldn't help but said to Darryl, "Who the hell are you?"

Darryl smiled slightly: "I didn't tell you, a cultivator who mixes rivers and lakes."

Having said that, Darryl introduced to Chen Shishi: "Shishi, this is Wang Xiaoman, a yoga teacher. He just lost his job. Please arrange it."

"Okay, Brother Feng." Chen Shishi nodded without thinking, and then called his personal assistant to arrange positions for Wang Xiaoman.

call....

When Wang Xiaoman and his assistant left, Chen Shishi breathed a sigh of relief, and her delicate face couldn't hide her worry: "Brother Feng, are you injured?"

Although not a cultivator, Chen Shishi could also feel that Darryl's complexion and spirit were not as good as before.

Darryl nodded: "Yes, but it's not very serious. I need a hidden place to practice recovery. In addition, you can help me get some alchemy materials, and also, help me investigate the situation in Donghai City."

To be honest, at this time, Darryl really wanted to rush to Donghai City immediately, but his divine power was not completely restored.

The only thing to do now is to restore strength as soon as possible.

"Okay Brother Feng. I'll make arrangements as soon as possible." Chen Shishi nodded again and again, very excited. For so many years, I have been thinking about repaying Darryl, and now I can finally contribute, can you be unhappy?

.....

On the other side, Donghai City.
