

The Ultimate Husband Chapter 4101 - 4150

Chapter 4101

After all, in Kyushu, there is no one who has the strength to deal with the demons except Darryl.

Shennong didn't know yet that Darryl was in this Taihe Hall.

At this time, Old Master Su, still immersed in excitement, waved at Su Xueying and said, "Go and make tea." Such a fairy-like character suddenly came, and he must be treated well.

Um!

Su Xueying responded and walked out quickly.

"Sir!"

As soon as his forefoot left, Mr. Su said excitedly: "This is really like a dream. I didn't expect that the younger generation would see you again in my lifetime."

If there are residents of the small town present at this time, they will definitely be surprised.

You must know that Mr. Su is very prestigious in the town, but at this time, in front of Shennong, he is like a child.

Shen Nong smiled slightly, looked at the old man Su and said, "Looking at your state, you have also achieved good attainments in medical skills. It's very good. It did not live up to my expectations of you back then."

Hearing the compliment, Mr. Su had a humble expression on his face, and then he couldn't help but say, "The old gentleman suddenly visited, is there anything you ordered?"

call!

Shennong took a deep breath, and said a little embarrassedly: "I'm not afraid of the jokes of the little friend, the old man passed this place, and wanted to take a break in your place." After speaking, Shennong couldn't help coughing, and his face also showed a bit weak.

Shennong was severely injured in the previous fight with Gone, and he fled all the way to the present, and he couldn't hold it anymore.

"Old Senior!"

Seeing this situation, Mr. Su was taken aback: "You... Are you injured?"

Although Mr. Su did not know the true identity of Shennong, he was like a god in his heart.

And now, it is incredible that someone actually injured him.

Shennong nodded, but didn't want to say more, just said slowly: "Excuse me." That Nie Zhan, but a demon, has an ordinary identity fee, and the old man Su in front of him knows, there is no benefit at all.

"Old sir, you're welcome." Mr. Su is a wise man. Seeing that Shennong didn't want to say more, he didn't ask any further questions. He just said respectfully, "It's an honor for the junior to come here. If you need anything, just tell me."

Shen Nong nodded, and he was not polite at the time. He named more than a dozen kinds of herbs. With these herbs, the injury can be quickly healed.

Hearing the order, Mr. Su did not dare to neglect, and went to the prescription to get the medicine in person.

call!

Seeing Mr. Su leave, Shennong breathed a sigh of relief.

I can finally breathe a sigh of relief.

.....

the other side.

At the foot of Mount Hua, Tracy brought Nalan Wushuang and Tie Bowen to the ground slowly.

Soon, at the entrance of Lu Bu's ancient tomb, Tracy said slowly, "It's very hidden here. You Nalan family won't be able to find it in a short period of time, so let's take a break here."

Back then, Tracy had visited this ancient tomb and was familiar with the environment here.

Um!

Hearing this, Nalan Wushuang and Tie Bowen did not hesitate and nodded in agreement.

Tracy stopped talking nonsense and entered first, followed by Nalan Wushuang.

Soon, in a hall in the ancient tomb, the three began to rest.

"Sister Frost!"

At this moment, Nalan Wushuang couldn't help but said, "I thank you just now. I used to treat your brother like this, I hope you don't take offense." He almost ruined Gary's reputation, but just now, Tracy was able to ignore it. Nalan Wushuang was very grateful for the former suspect to help.

Tracy smiled lightly: "The past is over."

With that said, Tracy took out two medicinal pills from his body and handed them over to Nalan Wushuang and Tie Bowen respectively: “This is Huiyuan Dan from our Emei faction. It is helpful for restoring strength. You should take it first.”

Nalan Wushuang nodded and took the medicine pill.

Tie Bowen said gratefully: “Thank you.” The voice fell, and he also took the medicine pill. Then sit cross-legged and begin to recover internal strength.

In a blink of an eye, half an hour passed.

call!

At this moment, Nalan Wushuang and Tie Bowen slowly opened their eyes and exhaled at the same time, unable to hide the ease on each other’s faces.

They clearly felt that after taking Huiyuan Dan, the power of Dantian had recovered by 70% to 80%.

At this moment, Tracy stood up slowly and asked, “What’s the matter? Why did the old man Nalan pursue you? Also, you said that the old man was controlled by Nie Zhan, what is that Nie Zhan? people?”

Chapter 4102

Hearing the question, Nalan Wushuang thought for a while and replied, “I don’t know the origin of this Nie Zhan. The origin of this person is unknown, and I didn’t know what happened to my grandfather at the time, so I agreed to let him stay in the family. And also made an exception to accept as a disciple...”

Having said that, Nalan Wushuang explained the scene at that time in detail.

This Nie Zhan is so mysterious?

Knowing this, Tracy frowned.

oops...

At this moment, Nalan Wushuang thought of something and patted his forehead: "Oh, I almost forgot about Senior Shennong, we must go back and save him."

I just cared about being happy, how could I forget about Senior Shennong...

What?

Tracy was taken aback and looked at Nalan Wushuang in astonishment: "Senior Shennong? He... how could he be in your Nalan family?" Because of Darryl's relationship, Tracy and Shennong have several ties, and they are right in their hearts. This senior is very admirable.

Nalan Wushuang hesitated for a while, then explained the situation in detail. At the end, he couldn't help but look at Tie Bowen, his face couldn't hide the shyness.

It turned out to be so.

Seeing the expressions of the two of them, Tracy's face was stunned, and he was very happy for Nalan Wushuang. This unruly young lady of the Nalan family almost ruined her brother's reputation at the beginning. She thought that her bad habits would be hard to change, but now it seems that she has completely changed for this Rakshasa man.

It's a really gratifying thing to do.

Thinking about it, Tracy smiled and said, "Don't worry about Senior Shennong, if he wants to leave, that Nie Zhan may not be able to stop him."

With that said, Tracy glanced at the sky outside: "The most important thing now is to go to Donghai City first."

Two days ago, news came from Donghai City that nearly 10,000 heavenly soldiers and generals in the diligent Tianjian had surrounded the Tianmen villa, and the situation was in critical condition.

call!

At this moment, Nalan Wushuang did not hesitate, took a deep breath and said, “We will accompany you.” Family affairs still require Tianmen to come forward.

Tracy nodded, and immediately rushed towards Donghai City with Nalan Wushuang.

After a four-hour flight, the three finally arrived in Donghai City.

Today’s weather is not good, the fog is foggy, making people feel depressed.

Over Donghai City, Tracy and Nalan Wushuang slowly landed at the seaside villa.

Um?

As soon as his feet landed, Tracy frowned, feeling that something was wrong. You must know that this seaside villa is the secret hall of Tianmen, and there are usually many people patrolling nearby, but today, the surrounding of the villa is deserted, and there is not a single person.

At this time, Nalan Wushuang and Tie Bowen looked at each other and had a bad premonition.

Soon, Tracy took the lead in reacting and walked into the gate of the villa first, followed by Nalan Wushuang and Tie Bowen.

This.....

When they arrived at the villa, the scene in front of them made the three of them gasp for air, and their minds were dazed!

I saw that blood was everywhere on the ground in the courtyard of the villa, and all the doors and windows of the villa were all shattered, and there were traces of fighting everywhere!

Obviously, there has been a tragic fight here.

Did something happen to Tianmen?

At this moment, Nalan Wushuang frowned, and her delicate body trembled, unable to hide her inner shock.

“Uncle Wen.... Uncle Great Sage...” Tracy’s heart trembled even more and couldn’t help shouting.

When he shouted, Tracy’s legs became weak, and he could hardly stand still. At that time, Tracy tried hard to calm himself, walked quickly into the villa, and quickly searched.

However, to their disappointment of Tracy, the inside and outside of the villa was almost completely destroyed, not to mention people, not a single corpse was seen.

“Uncle Wen, Uncle Great Sage, where are you? I’m Tracy...” Tracy kept shouting, her beautiful face was full of anxiety.

Nalan Wushuang and Tie Bowen kept looking around, but the whole villa was really empty.

Done!

At this moment, Tracy’s delicate body trembled, and she slumped on the ground: “Uncle Wen and the others... must have been captured by the Qin Tianjian.”

Hearing this, Nalan Wushuang and Tie Bowen looked at each other in shock.

Afterwards, Nalan Wushuang reacted and couldn't help but say: "Qin Tianjian? Why do they deal with Tianmen and Wendian Master?"

Chapter 4103

"I am not sure as well!"

Tracy shook his head: "It is said that it has something to do with my father. At that time, when I got the news from the Emei School, I quickly went down the mountain, and I met you on the way..."

This....

Hearing this, Nalan Wushuang bit his lip tightly and lost his mind for a while.

She originally thought that after escaping from the family, she rushed to Donghai City as soon as possible to seek help from Tianmen, but she never thought that Tianmen also suffered disaster.

Tie Bowen still remained calm, but couldn't help saying at this time: "Why don't we go to Qintian to investigate. If Palace Master Wen and the others are really caught, let's find a way."

"Yeah!" Tracy took a deep breath and nodded, "Now that's the only way to do it."

When the words fell, the three of Tracy did not delay, and immediately set off to rush to Qintianjian.

Two hours later, on the hillside north of Qintian Supervision, the three of Tracy stood there quietly, looking at them from a distance, each with an extremely solemn expression.

I saw that around Tiantian Prison, there were patrolling heavenly soldiers everywhere, and the guards were heavily guarded.

Ugh...

Seeing this scene, Tracy couldn't help but sighed.

At the same time, Nalan Wushuang was also extremely shocked and couldn't help saying: "This... such a defense, I'm afraid even a fly can't get in."

Tie Bowen, who was beside him, was also frowning.

Tracy pondered for a moment, had an idea in his heart, and said slowly: "We want to go in and investigate, it's definitely not possible to break in hard, it will only kill you in vain, you can only think of other ways."

With that said, Tracy glanced at the main entrance of Qintianjian, and said to Nalan Wushuang: "Wait, please both of you, attract the gods and soldiers of Qintianjian at the main entrance. When the time is right, I will go from the other direction. , look sneak in."

Tracy has been intelligent since childhood, and he quickly came up with countermeasures for the situation in front of him. Although it is a bit risky, he must try it no matter what. After all, Uncle Wen and Uncle Great Saint are his relatives.

This....

Hearing this method, Nalan Wushuang hesitated a little. You must know that there is a diligent supervisor in front of him. But in the end, he gritted his teeth and nodded: "Sister Hanbing, don't worry, Brother Bowen and I will definitely buy you time."

"Fairy Wood"

He had slandered Gary before and almost ruined his reputation, but this time, risking his life to help Tracy can be considered as compensation.

After agreeing, Nalan Wushuang and Tie Bowen quickly rushed towards the main entrance of Qintian Supervision.

Frost continued to stay on the hillside, quietly waiting for an opportunity.

Swish!

When they approached the main entrance, the eyes of several divine soldiers guarding there focused on Nalan Wushuang.

“stop.”

In the next second, one of the leading soldiers took a step forward and couldn't help scolding: “Who are you? Leave quickly, this is the place where Diligent is imprisoned, don't get close!”

The other divine soldiers were also full of vigilance.

call!

Hearing the scolding, Nalan Wushuang took a deep breath, a smile appeared on his delicate face, and he pretended to be calm and said, “Don't let your anger down, Your Excellency, we have something important to report.”

Important event report?

Hearing this, several magic soldiers looked at each other, their expressions solemn. Then, a magic weapon captain walked out quickly and looked Nalan Wushuang up and down: “What's the matter?”

“Is such that...”

At this moment, facing the gaze of the captain of the magic weapon, Nalan Wushuang felt nervous in his heart, his palms were sweating, his mind quickly turned, and he said, “We are two disciples of Tianshan Mountain. When we passed a small town just now, When we encountered the remnants of the demon race, we desperately fled, only to escape the disaster.”

Said, Nalan Wushuang's face was full of sincerity: "I urge the diligent Tianjian to send troops quickly to clear it up."

When he said this, Nalan Wushuang was nervous, but on the surface, he appeared very sincere. To be honest, she has been unruly and willful since she was a child, and lying is almost commonplace, but this is the first time she has lied in Qin Tianjian.

Seeing her nonsense, Tie Bowen, who was beside her, also secretly sweated.

What? Devil's Remnant...

Hearing this, whether it was the captain of the magic weapon or the other magic soldiers around, their expressions changed.

In the next second, the captain of the magic weapon looked at Tie Bowen with a burning gaze: "Is the situation true?"

Chapter 4104

"True!" Tie Bowen endured his nervousness and nodded again and again.

"You two are waiting here."

Hearing the answer, the captain of the magic weapon had a solemn expression on his face, gave an order, and hurriedly walked into the Qintian Prison.

After a while, several gods walked out quickly, asked Nalan Wushuang again about the situation, and then began to discuss.

"What should I do? His Royal Highness is not in Qintianjian..."

"This time is no trivial matter. In my opinion, let's convene the soldiers immediately to clear up the remnants of the demon clan as quickly as possible. When His Royal Highness the King of God returns, it will not be too late for us to report."

“it is good...”

After some deliberation, one of the god kings looked at Nalan Wushuang and said, “You two, lead the way ahead.”

Nalan Wushuang nodded quickly, feeling nervous and excited at the same time.

These gods and soldiers who are diligent in Tianjian are also too deceived. They made up their own creations, and they even believed them.

A few minutes later, several gods summoned thousands of soldiers and left Qin Tianjian. Under the leadership of Nalan Wushuang, they headed for the town dozens of miles away.

“Fairy Wood”

call....

At this moment, Tracy, who was guarding on the hillside behind, couldn't help but breathe a sigh of relief when he saw this scene, and couldn't help but admire secretly in his heart.

This Nalan Wushuang really has a way to attract so many gods and soldiers so quickly.

With admiration in his heart, Tracy didn't hesitate for a moment, he directly moved his figure, quickly approached the back door of Qintian Prison, and then flew in quietly.

Speaking of which, the luck of Tracy and Nalan Wushuang is very good today. The God King Haotian is not in the Tiantian Supervision. Otherwise, such a simple trick of adjusting the tiger and leaving the mountain will easily be seen through.

.....

At this moment, Qin Tianjian is in prison.

Lorenzo and Sun Da Sheng were all tied up with five flowers, and they all looked extremely depressed and anxious.

They have been arrested for three days. For the past three days, Qin Tianjian has only detained them here without interrogation. It is precisely because of this that everyone in Lorenzo feels more uneasy.

Squeak!

At this moment, the prison door was gently pushed open, and then, a figure flashed in quickly.

Oops! Did Feng Zi also get caught?

Hearing the movement, Lorenzo, Peter and others all opened their eyes, but when they saw the person coming, they all frowned, unable to hide their disgust.

I saw the coming person wearing a gray robe, with a wretched smile on his face, and a bit of cunning in his eyes.

It is Wu Yong of the Wudang faction.

Nima! What is this scumbag?

Seeing Wu Yong, Peter couldn't help but curse.

Previously at the villa in Donghai City, this Wu Yong relied on the support of the diligent Tianjian, and spoke to Maria sloppily. When it was time to start, he hid aside and became a tortoise, greedy for life and fear of death. His nature was on full display in him.

This kind of person, Peter is the most despised.

At the same time, Lorenzo, Maria and others also frowned secretly.

This Wu Yong, with a sneaky look, must be fine.

Soon, Peter was the first to react, and said to Wu Yong: “What are you doing?” Mad, if his hands and feet were not tied, he really wanted to teach this shameless man a good lesson.

Ha ha....

In the face of Peter’s anger, Wu Yong was not angry at all, and he ignored it at the time, but went directly to Lorenzo.

“Master Wendian!”

When he got to the front, Wu Yong squeezed out a smile and flattered at Lorenzo: “Everyone is a fellow in the rivers and lakes, there is no need to meet each other, just look like a bitter hatred.”

“Before cooperating with the Tiantian Superintendent to arrest you, it was the intention of our head. It has nothing to do with me. Speaking of which, you are all heroes and heroes in the arena, but now you have ended up in such a field, and I am very sorry.”

call...

Seeing his face, Lorenzo was disgusted in his heart. He didn’t give him a good face at that time, and said coldly, “What do you want to say?”

“hey-hey...”

Wu Yong sneered and said in a low voice: “Palace Master Wen is really a happy person, so I won’t play dumb. Just now, the Tiantian Superintendent mobilized a lot of troops and horses to go out. This is a good opportunity. The town school’s unique technique of ‘transferring flowers to join trees’ is passed on to me, and I can quietly release the Palace Master.”

Chapter 4105

“Of course, I’m only responsible for guarding you here. I don’t have much power. I can only let go of the Palace Master, but in any case, this is better than waiting for you to die here. Right?”

When saying this, Wu Yong looked at Lorenzo closely, waiting for his response, with anticipation flashing in his eyes. You must know that moving flowers and connecting trees in the Hall of Longevity is one of the most domineering stunts on the rivers and lakes.

In particular, this kind of exercise can increase the speed of cultivation. Back then, when Lorenzo was in charge of the Hall of Longevity, his strength was only a military commander, but after cultivating it, he broke through Emperor Wu in just a few months.

Speaking of which, Wu Yong had coveted the secret of ‘transferring flowers to join trees’ as early as a few years ago, but he never had the chance, so naturally he would not miss it at this time.

At the same time, Wu Yong also kept an eye on the movement outside and was extremely cautious.

After all, this is Qin Tianjian, not Wudang. If something leaks out, he will have to peel off his skin if he doesn’t die.

This shameless man.

Understanding Wu Yong’s intentions, Lorenzo didn’t respond, but sneered, and couldn’t help but curse inwardly.

For an unprincipled scum like him, he still delusionally wants to get the cheats?

Go dream.

“Master Wendian!”

Seeing that Lorenzo didn't answer, Wu Yong was not in a hurry, and patiently persuaded: "I know you don't want to hand over the cheats, but look at your situation, the cheats are not as important as your life, this is the Tiantianjian, even if you With the ability to reach the sky, without my help, it is impossible to escape!"

"Besides, once you escape and find Darryl, you will have a chance to rescue others. Did you just accept your fate like this?"

Hearing these words, Lorenzo sneered.

At this moment, Maria next to him couldn't bear it any longer, and said coldly to Wu Yong: "Just a villain like you, you also want to get the secret book of Changsheng Palace, don't be foolish."

"Oh?"

Hearing Maria's words, Wu Yong not only was not angry, but said with a smile: "Beauty Su looks so beautiful when she is angry."

While talking, Wu Yong looked Maria up and down.

It has to be said that this Maria is worthy of being the goddess of the rivers and lakes, even if she is tied up with five flowers and is so embarrassed, her aloof and elegant temperament is still fascinating.

Gudong!

After watching for a few seconds, Wu Yong couldn't help secretly swallowing his saliva.

Mad, if there were not so many people here, I would really like to enjoy the tenderness of this beautiful Su Da beauty right away.

Feeling Wu Yong's gaze, Maria was ashamed and angry.

At this time, Peter couldn't bear it anymore, and cursed at Wu Yong: "Wu Yong, even a villain like you is worthy of negotiating conditions with Brother Wen? Go out and pee and take care of yourself, you are qualified to study in the Hall of Longevity. Town faction secrets?"

Mad!

Hearing Peter's scolding, Wu Yong's face changed and his face flushed with anger.

This Peter is really looking for death, he is already a prisoner, and he dares to be so arrogant.

The more Wu Yong thought about it, the more angry he became. He wanted to go over and teach Peter a lesson, but in the end he held back. The purpose of today is to get the secret book of moving flowers and connecting trees, and the rest can be tolerated.

Wu Yong thought about it, and after he got the secret book, he would torture Peter.

After making up his mind, Wu Yong took a deep breath and calmed down. He smiled at Lorenzo and said, "Palace Master Wen, you are a smart person. You only have one chance. You should consider it carefully."

call!

At this moment, Lorenzo took a deep breath, and without looking at Wu Yong, he said coldly, "Go away, I, Lorenzo, act upright and aboveboard, and will never do such shameless deeds with a villain like you."

A villain like Wu Yong, Lorenzo is too lazy to say a word.

Lorenzo knew very well in his heart that Wu Yong said he was beautiful on the surface, but he was not trustworthy at all.

More importantly, moving flowers and connecting trees is the secret of the Hall of Longevity. Even if he dies, he cannot pass it on to outsiders, let alone a shameless villain like Wu Yong.

“good very good!”

Hearing this, Wu Yong’s face flushed red. At that time, the dog jumped off the wall in a hurry, and said fiercely: “Well, you are ugly and ugly, you are very principled, right? I don’t believe it anymore.”

When the words fell, Wu Yong drew out his long sword and pressed it directly against Lorenzo’s heart: “If you don’t hand over the secret book, I will give you a cold heart.”

When the last word fell, Wu Yong’s eyes were full of killing intent.

Chapter 4106

Swish!

Seeing this scene, whether it was Maria or the other people around, their expressions changed, and they couldn’t help worrying about Lorenzo.

This Wu Yong is a complete scum, and annoys him, afraid that he can do anything. If Lorenzo doesn’t hand over the flowers and join the trees, I’m afraid he will really kill.

“Cao Nima!” At this time, Peter was also extremely frightened and couldn’t help howling: “Wu Yong, let go of Brother Wen, what is coming at me.”

“If I frown, I will give you your surname in the future.”

Hearing the scolding, Wu Yong sneered: “Peter, don’t make a fuss, and I will play with you after I have finished talking with Hall Master Wen.”

After speaking, Wu Yong's eyes fell on Lorenzo again: "Lorenzo, you still need a cheat book, you can choose one." When the voice fell, the tip of the sword moved forward a little, instantly piercing Lorenzo's heart and skin, the blood seeped out instantly.

However, Lorenzo's expression remained the same, and he did not panic at all.

Looking at the blood oozing from his heart, Lorenzo looked indifferent, looked at Wu Yong and said, "I have been around for decades, and I have already lived enough. If you are really brave, you will kill me with one sword. If you want a secret book, there is no door."

Having said that, Lorenzo glanced outside the cell and continued: "I'm afraid that you will end up with nothing in the bamboo basket and kill me without getting the secret book, and you will be held accountable by the Qin Tianjian in the end."

Lorenzo knew very well that Wu Yong didn't dare to do anything at all. After all, this was not the Wudang faction, but the Diligent Supervisor.

This shameless scum will only scare and scare people. If he really wants to do it, he will not dare to borrow his two courage.

Mad!

Seeing Lorenzo's attitude, Wu Yong couldn't tell how depressed he was.

As expected of Lorenzo, his own thoughts were actually guessed clearly by him. If he left like this, it would be too embarrassing. No, he must find some face.

Muttering in his heart, Wu Yong tilted his head to see Maria not far away, and immediately came up with a plan.

"awesome."

In the next second, Wu Yong held back his anger, showed a smile, clapped his hands at Lorenzo and said: “Wen Palace Master is indeed a hero of the Jianghu generation, so bold, it really makes me feel inferior. You are right, this is Qin Tianjian. Prison, I have ten courage, and I don’t dare to do anything to you. But...”

After saying that, Wu Yong paused deliberately, and looked at Maria: “I should be fine if I touch the beauty of Su. I don’t know, what is more important than the innocence of your brother and woman?”

Swish!

Hearing this, Lorenzo’s face changed, and he said angrily, “What did you say?”

Wu Yong smiled evilly and walked straight to Maria. While admiring it up close, he replied, “Palace Master Wen, I have already said it so clearly, do I need to repeat it?”

When the voice fell, Wu Yong leaned forward and sniffed Maria, his face full of intoxication: “It’s really fragrant!”

“Go away!” Maria’s tender body trembled, her beautiful face couldn’t hide the disgust, and she shouted: “Stay away from me!”

At the same time, Peter couldn’t help shouting angrily: “Wu Yong, you shameless scum, stay away from my sister-in-law, Ma De, if you dare to touch her, I will surely turn you to ashes.”

Swish!

At this moment, Lorenzo’s eyes were also extremely blood red, and he said coldly: “Wu Yong, you are courting death!” Lorenzo originally didn’t want to talk nonsense, but seeing Wu Yong so insidious, he immediately became angry.

This bas***, his tricks can’t be successful, and he even wants to use Maria to threaten him, which is extremely shameless.

“Go to Nima!”

Hearing the anger, Wu Yong’s face was grim, his figure flashed and he rushed over quickly, and slapped Lorenzo’s face with a slap: “I’m a prisoner under the order, and you want to threaten me? What strength do you have now?”

With this slap, Wu Yong tried his best, Lorenzo trembled, and a bright red slap print immediately appeared on his face.

Swish!

Seeing this scene, both Peter, Maria and the others were extremely angry.

However, Wu Yong still felt that it was not enough, and slapped Lorenzo again: “You care about the fame of Su Da beauty, don’t you, then Lao Tzu will deal with her in front of you.”

Chapter 4107

When the words fell, Wu Yong turned around and walked towards Maria, with a wicked smile on his face: “Beauty Su, you and Darryl get together less often, you must be very lonely in your heart, hehe, let’s be happy together later.”

“you....”

At this moment, Maria was ashamed and angry, and she shouted: “Go away...”

If he was sullied in front of Brother Wen’s people, he might as well just die.

Nima!

At the same time, Lorenzo, Peter and others were also furious.

This Wu Yong is really a beast, he actually wants to really get his hands on Maria...

In anger, Peter's eyes were blood red, and he howled at Wu Yong: "Wu Yong, damn Nima, if you are still a man, don't touch my sister-in-law..."

When howling, Peter's voice was completely hoarse, and fire almost spewed from his eyes.

"Wu Yong!"

At the same time, Lorenzo's face was also ashen, and he couldn't help shouting: "Don't touch her, I will give you the secret formula." When he said this, Lorenzo was very angry.

To be honest, Lorenzo was extremely reluctant to agree to give Wu Yong the secret book.

But there is no way, the secret book is important, but it is not as important as the innocence of the younger brother and sister. If Maria is tainted, how will she behave in the future, and how will she face Fengzi?

"oops?"

Hearing Lorenzo's words, Wu Yong stopped, with a bit of abusive expression on his face: "Palace Master Wen has figured it out? It's a pity it's too late."

Having said that, Wu Yong couldn't help but look back at Maria, and smiled evilly: "This beautiful lady Su has already ignited my evil fire, and it can no longer be extinguished. Hehe..."

The last word fell, Wu Yong's figure flashed, and when he came to Maria, he grabbed the corner of the skirt and pulled it hard.

Stab it!

Hearing a crisp sound, a large piece of Maria's skirt was ripped off, revealing her snow-white straight legs...

Seeing this situation, Lorenzo and everyone was even angrier.

Maria's delicate face instantly flushed red, unable to hide her anger and disgust: "Go away, if you dare to touch me, I will tear you to pieces."

When she said this, Maria's face was full of frost, but her heart was filled with despair.

You and Brother Wen are both under control and can't resist at all. Is it really going to be succeeded by this shameless villain?

"hey-hey...."

Maria's reprimand, not only did not make Wu Yong restrained, but aroused his interest even more. At that time, she said with a smile: "Beauty Su's angry appearance is fascinating, don't worry, I will take good care of you later. of."

While talking, Wu Yong quickly grabbed Maria.

Maria couldn't break free, and in an instant, her heart became even more desperate.

"stop!"

Just at this critical moment, a cold scolding suddenly came, the sound was not loud, but it was unquestionable.

Swish!

At this moment, everyone was stunned when they heard the sound.

I saw a slender and charming figure, who did not know when to appear at the door of the prison. His facial features were exquisite and charming, with beautiful curves, and his body was filled with suffocating cold.

It is ice.

After Tracy broke into Qintian Prison, after some exploration, he finally found the underground cell where everyone was imprisoned. As soon as he arrived at the door, he heard that Wu Yong was going to sully Maria.

“Girl Frost?”

At this time, when Lorenzo saw that it was Tracy, everyone was surprised and delighted.

Wu Yong also quickly withdrew his hand, his eyes fixed on Tracy, faintly flickering with fear, as an elder of the Wudang faction, how could he not know Tracy? The daughter of Darryl and Han Ao Ran, the leader of the younger generation of the Emei School, with outstanding talent.

However, Wu Yong quickly calmed down, looked up and down at Tracy and said, “You... how did you come in?”

At this time, Wu Yong did not know that most of the gods and soldiers in the Qintian Supervision were led by Nalan Wushuang to a small town dozens of miles away, resulting in a lax defense of the Qintian Supervision. In this case , the ice can sneak in quietly.

call!

Tracy breathed a sigh of relief, and did not answer directly, but said coldly: “As a Wudang elder, but to do such despicable behavior, the face of the Wudang faction will make you lose all.”

In Tracy’s heart, Lorenzo and Maria were his relatives. At this time, he could clearly see a bright red slap print on Lorenzo’s face, and Maria’s skirt corner was ripped off.... Such a scene , how not to get angry?

Chapter 4108

“you.....”

Hearing Tracy's scolding, Wu Yong's face flushed, but he opened his mouth but didn't know how to refute.

After all, his actions are indeed disgusting.

However, Wu Yong quickly reacted. This is the Diligent Supervisor, and there are gods and soldiers guarding it outside. Why is he so timid?

Thinking to himself, Wu Yong smiled evilly and said to Tracy: "What a sharp-spoken girl, if I guess right, you sneaked in to save people, right? Haha, don't even look at where this place is, You alone want to save them?"

Afterwards, Wu Yong looked up and down at Tracy, his eyes flickering with evil light: "If you are sensible, you should be obedient and capture it, otherwise you will suffer."

As he spoke, Wu Yong couldn't help but admire secretly.

Mad, Darryl's daughter is also stunning...

"Shameless!"

Hearing this, Tracy's pretty face changed, and she couldn't express her anger. She was too lazy to talk nonsense at the time. After a coquettish shout, her figure rose up, drew out her long sword, and stabbed Wu Yong directly.

With this sword, Frost activated 90% of his internal strength, and the power was astonishing.

laugh...

It can be clearly seen that where the long sword passes, the air is suddenly torn, and the temperature of the entire cell plummets.

Seeing this situation, everyone around Lorenzo was very excited.

You must know that Tracy is extremely talented. He was proudly designated as the head of the Emei School when he was very young. Now that a few years have passed, his strength has grown by leaps and bounds. It can be said that his strength is comparable to that of Gary. At this time, it is more than enough to deal with a scum like Wu Yong.

“You’re not too timid, you dare to do it.”

Seeing Tracy stab at it, Wu Yong’s face changed, he shouted, and he also drew out his long sword and attacked.

bang bang bang....

In the blink of an eye, the two sides fought fiercely in the cell, and saw that the sword shadows of both sides were raging, and the silhouettes were constantly colliding, making waves of vibrations.

Soon, after a few rounds of fighting, Tracy found an opportunity, turned his sword, and stabbed Wu Yong’s dantian quickly.

Oops.

This sword was extremely fierce, and Wu Yong’s face changed. He couldn’t tell the panic at the time, so he had to block with the sword and dodge to the side at the same time.

Dang!

When dodging, Wu Yong pushed his movement to the extreme and narrowly avoided the sword, but the long sword in his hand also flew out and fell to the ground.

Tracy’s face was icy cold, and he clenched his long sword to pursue the situation, but Wu Yong was very cunning and dodged again, and behind Wu Yong was Peter.

Seeing this, Tracy quickly withdrew the sword in order to avoid accidentally hurting Peter.

call!

While withdrawing this sword, Tracy frowned, feeling very complicated.

This is trouble.

Uncle Wen, Uncle Great Sage, and others were all tied up with five flowers and couldn't move at all. In this case, if he fought against Wu Yong, he would accidentally hurt them...

Just when Tracy was secretly depressed, Wu Yong picked up the long sword on the ground again, with a playful smile on his face: "Tracy, although you are very strong, it is not so easy to defeat me."

Wu Yong is an old river and lake. At this moment, it can be seen at a glance that Tracy takes care of the safety of Lorenzo and everyone, and does not dare to do his best.

And he himself had no worries.

In this case, he has already won half the battle.

Swish!

Hearing the ridicule, Tracy was very angry, and said coldly: "Stop talking nonsense, you are about to die." The voice fell, and the delicate body erupted and attacked Wu Yong again.

Wu Yong smiled evilly, not panic at all, and fought fiercely with Tracy again.

Because he was worried about Lorenzo and everyone, Tracy did not dare to break out with all his strength. In the next fight, he was almost suppressed by Wu Yong everywhere.

This....

Seeing this scene, whether it is Lorenzo or Peter and others, they are all anxious.

It's broken, Binger has concerns and can't do her best.

If this goes on, the situation will only get worse.

Anxious, Lorenzo couldn't help but shouted first: "Bing'er, don't worry about our safety, quickly kill this scum of the rivers and lakes." This Wu Yong, threatening himself is not count, but also trying to sully Maria, such a bas*** Scum, he must not be left to harm people in the arena.

The voice fell, and Peter and others also responded.

"Yes, don't worry about us."

"kill him..."

Chapter 4109

The people's words kept coming, and Tracy bit his lip tightly and did not respond, but his attitude was firmer.

"Uncle Wen, you don't need to say anything!"

The next second, Tracy said, "I will not put you at risk, and I will not let you suffer any damage." When saying this, Tracy's delicate face was full of seriousness.

call....

Seeing her so persistent, Lorenzo was both moved and worried.

I have concerns, how could it be possible to kill this Wu Yong?

boom!

In the blink of an eye, another two minutes passed, Wu Yong found an opportunity and slapped Tracy on the shoulder. Hearing her groan, she took a few steps back, her face pale.

“Ha ha...”

With one palm, Wu Yong was very proud, and smiled at Tracy: “Girl fight with me, you are still tender.”

Shameless!

Tracy bit her lip tightly, and she couldn't express the anger in her heart. Wu Yong's palm was too cruel. She clearly felt that her dantian power was beginning to be disordered.

At the same time, Tracy was also a little anxious.

I have to worry about the safety of Uncle Wen's people, and I have to kill this scum. It is difficult to balance the two. What should I do now?

“hey-hey!”

Just when Tracy was secretly anxious, Wu Yong had a wicked smile on his face and approached step by step: “How is it, girl, the palm of your hand was uncomfortable, I told you just now that you want to deal with me here. Asking for trouble, I think you should just obey.”

“Above the Sky”

At this time, Wu Yong was very proud.

This Tracy, but a powerful figure of the Emei faction, was defeated by his own hands at this time, and he was really excited when he thought about it. Moreover, the other party was so beautiful, and after she was completely subdued, she must enjoy it.

Seeing Wu Yong getting closer and closer, Tracy's mind turned, and suddenly he had an idea, and said coldly: "Wu Yong, do you really think that I am the only one who sneaked in?"

Tracy is very smart. Knowing the situation in front of him, he can't hit Wu Yong head-on, and can only use extraordinary methods.

Um?

Seeing her expression, Wu Yong was stunned: "Do you still have accomplices?" Wu Yong's face was full of solemnity when he spoke. After all, this is the Tiantian Superintendent. She is a girl, and it is impossible for her to break through the numerous defenses of many divine soldiers.

At this time, Wu Yong didn't know that Tracy had no accomplices. What he said just now was just a psychological means against the enemy.

Seeing Wu Yong's expression, Tracy knew that he had been fooled. At that time, he looked at the direction of the prison door behind him and looked very happy: "Father, why are you so slow?"

Yes, the ice is trying to create an illusion of the arrival of the Yuefeng.

What?

Darryl is here too?

At this moment, Wu Yong's heart trembled, and he suddenly lost his calm. At that time, his face changed, and he looked back subconsciously.

However, there was nothing behind him, no one was there, how could there be a shadow of Darryl?

Oops, cheated.

Finding no one behind him, Wu Yong realized that he had been deceived, but it was too late.

“Go to hell!”

Without waiting for Wu Yong to turn his head, Tracy let out a coquettish cry, raised his jade hand, and quickly hit Wu Yong’s back. In an instant, a dragon roar could be vaguely heard in the palm of his hand, and at the same time, the surrounding temperature also suddenly increased. decline.

Yes, at this time, what Frost is using is the Big Ice Dragon Palm.

boom!

The palm of Wu Yong didn’t have time to dodge at all, and was directly slapped in the back of the heart. Under the terrifying force, the whole person was directly frozen, and the dantian meridians in his body were completely shattered.

At this moment, Wu Yong’s eyes widened, and before he could let out a tragic cry, he died.

call....

Seeing this scene, Lorenzo and everyone were excited.

This scum is finally dead.

Especially Peter laughed at Tracy and said, “Okay, Bing’er, you still have a solution.”

Tracy breathed a sigh of relief, showed a smile, and walked over quickly, quickly loosening the bindings of Dasheng Sun and everyone, and then took out the Emei sent elixir and distributed it to everyone: “Everyone is about to take it, and when you recover, let’s rush out together.”

Hearing this, everyone nodded, and after taking the pills one by one, they meditated and recovered.

.....

On the other side, there is a small town dozens of miles away from Qintianjian.

On the way to the town, Nalan Wushuang and Tie Bowen, as well as thousands of divine soldiers and generals, came mightily.

Chapter 4110

In the face of such momentum, all the residents of the town hid.

call!

At this time, the leader of the god general, looking at the quiet town in front of him, couldn't help but take a deep breath and asked Ginger, "Where are the remnants of the demon race?"

At the same time, other gods also looked at Ginger.

This town is quiet and peaceful, and there is no sign of the remnants of the demons haunting at all...

Ginger concealed his nervousness and pointed to the woods north of the town: "We met there at the time." When passing the town before, Ginger remembered that there was a river beside the woods to the north.

As long as they get to the river, they and Tie Bowen will have a chance to escape.

Hearing the answer, the headed god will stop talking nonsense and wave his hand: "Lead the way ahead."

Um!

Ginger nodded, looked at Tie Bowen, and walked quickly towards the woods.

Soon after they reached the river, Ginger and Tie Bowen did not hesitate, jumped deep and jumped directly into the river.

hateful!

When the incident happened suddenly, thousands of divine soldiers and generals had no time to stop it.

“These two are too cunning.”

“Go downstream and chase.”

Frightened, several gods advocated to pursue them, but they were stopped by the head gods.

“We’ve fallen for a trick.”

At this time, the leader of the god will have a solemn expression, saying word by word: “The purpose of these two people is not just to play with us. There must be accomplices. They are here for Lorenzo and others, and want to rescue them.”

“Quick, go back!”

As soon as the words fell, thousands of divine soldiers and generals rushed back to Qin Tianjian.

.....

On the other side, Taihetang.

It was getting late, Darryl packed up the hall and prepared to enter the backyard to rest.

After tonight, it's time to leave tomorrow.

“Hey!”

As soon as she walked out of the hall, she heard Su Xueying's voice behind her. Darryl looked back and saw that she was holding several rare spirit grasses in her hand.

Darryl was stunned for a moment. Su Xueying didn't let him touch these kinds of spirit herbs, but kept them in the innermost part of the pharmacy. Why did they take them out today?

Just when Darryl was stunned, Su Xueying handed the spirit grass to him: “Send the medicine to grandpa, let me tell you, grandpa has a friend who is a distinguished guest, so don't talk nonsense, don't ask Don't ask too much, just come out after the medicine is delivered, you know?”

When speaking, Su Xueying had an aloof attitude.

Although during the day, he lost the bet with Darryl, but in Su Xueying's heart, this man is still a soft eater.

VIP?

Darryl didn't pay much attention to Su Xueying's attitude, but was a little curious.

Mr. Su has never been out of the town in his life, so he has friends from other places?

Muttering in his heart, Darryl nodded and took the medicine to the courtyard where Mr. Su was.

At this time, in the main hall of the courtyard, Mr. Su prepared a table of wine and dishes, and chatted with Shennong while drinking.

Squeak!

Darryl pushed the door and entered.

Seeing Darryl, Mr. Su waved his hand: “Put the medicine on the table, and hurry up and rest. By the way, don’t tell the public about your distinguished guest today.”

In Old Master Su’s heart, although Darryl knew some medical skills, he was an outsider after all, and there was no need to know about Shennong.

“it is good!”

Darryl responded and walked in to prepare to put down the spirit grass and leave, but when he saw Shennong, he was stunned.

Darryl?

At the same time, Shennong was stunned when he saw Darryl, and then he was overjoyed.

“Haha...” The next second, Shennong took the lead in reacting, stood up and smiled at Darryl: “Why are you here? The old man is still thinking, how did he find you, haha, what a coincidence.”

When he said this, Shennong couldn’t tell how happy he was.

Darryl regained his senses, and followed with a smile: “It seems that my predecessors and I have a good fate.”

At this time, Darryl was also very surprised. He never thought that the distinguished guest Su Xueying said was actually Shennong.

This....

Seeing this scene, the old man Su was stunned for a moment, looked at Darryl, and then at Shennong, his eyes were full of incredulity, and his heart was also extremely doubtful.

This kid actually knew Mr. Jiang...

Chapter 411

In Old Master Su's heart, Shennong is a fairy-like figure. If ordinary people can see each other, even if it is burning a high incense, how can he not be surprised that this kid is very familiar with him?

“Hey!”

Just when Mr. Su was stunned, Su Xueying's voice sounded outside the door: “Why haven't you come out yet, don't disturb grandpa and the distinguished guests.”

Darryl ignored it.

Without getting a response, Su Xueying walked into the small courtyard angrily: “What's the matter with you? Why don't you have any rules? You...” Speaking of which, Su Xueying was stunned when she saw the scene in front of her.

I saw the distinguished guest, Mr. Jiang Lao standing there, looking at Darryl with a smile on his face.

what happened?

This old Mr. Jiang doesn't know him?

Impossible, this old Mr. Jiang is like a fairy, even his grandfather should be called senior, how could he know such a person?

Thinking to herself, Su Xueying was about to go in and pull Darryl away.

“Ha ha...”

However, at this time, Shennong took Darryl’s arm and said with a smile, “We haven’t sat down to drink together for a long time. Come, let’s have a few drinks together.”

Darryl nodded: “Okay!” After speaking, he sat down.

This....

At this moment, Su Xueying’s delicate body trembled and she was stunned at the door.

They...really know each other.

At this moment, Old Man Su reacted and said to Shennong, “Senior, you two... know each other?”

Shennong nodded and pointed at Darryl: “Of course I know him, but he is...” After that, Shennong was about to reveal Darryl’s identity, but at a critical moment, Darryl stopped him with his eyes.

Shen Nong is a smart person, he immediately understood that Darryl wanted to hide his identity, and immediately changed his words: “This little friend has some talent in medical skills. I taught him some medical skills before, but he doesn’t have the name of a teacher and a disciple, so he can be regarded as a friend. “

gosh...

Hearing this, Old Man Su was shocked and looked at Darryl, unable to hide his envy.

This kid is very lucky to be able to teach Mr. Jiang his medical skills...

At the same time, Su Xueying was also shocked beyond words. She looked at Darryl and was speechless for a while. She thought that this person had only learned a little medical skills, but she never thought that it was Jiang The teaching of the old gentleman.

At this time, Darryl didn't know the relationship between Shennong and Mr. Jiang Lao, so he smiled and asked, "Why is the senior here?"

call!

Shen Nong drank a glass of wine, and smiled and explained his relationship with Mr. Su.

After speaking, Shennong smiled at the old man Su and said, "This little friend and I have some personal matters to discuss. You and this girl should avoid it first." What happened to the Nalan family is no trivial matter, so it's better not to let them know. .

"Yes, senior." Grandpa Su didn't dare to be negligent, got up quickly, and pulled Su Xueying away, who was still stunned.

"Darryl!"

The grandfather and grandson just left, Shennong took a deep breath, and said solemnly to Darryl: "I haven't asked you, why are you here?"

Darryl smiled bitterly and told his own experience.

"There is such a thing."

Upon learning of the situation, Shennong frowned: "The head of the Wudang faction turned out to be the prince of the Divine Realm, and the Divine King Haotian of the Diligent Tianjian secretly joined with him."

"It seems that the entire Kyushu will inevitably suffer a catastrophe."

Having said this, Shennong took a deep breath and said to Darryl: "What this old man has experienced recently is no trivial matter." In the next few minutes, Shennong will explain his experience in the Nalan family in detail.

What?

At this moment, Darryl's expression changed: "Senior, are you sure that Nie Zhan is using the power of the Demon Clan?" .

"It's absolutely true." Shennong took a deep breath and said slowly: "The old man has fought against him, and the opponent's strength is unfathomable. If it weren't for the talisman on his body, the old man would be more fortunate than good."

With that said, Shennong looked at Darryl seriously: "Darryl, this remnant of the Demon Race must not be taken lightly."

call....

Darryl took a deep breath and said word by word, "Senior, this person is not a remnant of the Demon Race. If I guess correctly, this Nie Zhan is the lost Demon Race Supreme, Gone!"

Chapter 4112

"What did you say?"

The voice fell, Shennong's heart was shocked, he stared at Darryl with wide eyes, his head buzzed: "The Supreme Demon...Gone?"

Darryl nodded and said solemnly: "With such a strong strength, it must be him, you can't go wrong!" In the original battle between gods and demons, the demons were annihilated in one fell swoop, and Gone and Moyan were lucky to survive.

Mo Yanxiang lost her jade, and now there is only Gone left, who else is there besides him?

hiss.....

Seeing that Darryl didn't seem to be joking, Shen Nong couldn't help taking a deep breath and sighed, "No wonder the opponent's strength is unfathomable, it turned out to be him."

While feeling emotional, Shennong was also a little lucky.

Fortunately, there is a shape-shifting talisman on his body, otherwise, he would not have thought of leaving the Nalan family alive at that time.

Thinking to himself, Shennong stood up directly, his face solemn: "This time is no small matter, the patriarch of the Nalan family, and Nalan Xinran are all under his control, we must find a way."

"Um..."

Just as he was talking, Shen Nong suddenly frowned, groaned, and covered his heart with his hands, his face pale.

Shen Nong was injured when he fought with Gone before, and then escaped from the Nalan family's manor all the way here. Although he was strong, he couldn't hold it any longer.

"senior!"

Seeing this situation, Darryl was taken aback. He grabbed Shennong and said in amazement, "You...are you injured?" He clearly felt that there was a yin in Shennong's meridians. The power of evil spirits.

It is because of the suppression of this demonic soul that Shennong is so weak.

"fine!"

Shen Nong smiled weakly, and comforted Darryl: "I tasted all kinds of herbs, and I didn't die from more than a dozen types of poisons. This little injury is nothing."

When he said this, Shennong's face was pale and pale, shaky, and looked like he was going to faint at any time.

call!

Seeing his state, Darryl took a deep breath and said slowly: "Senior is too injured, we must expel the power of the demon soul as soon as possible."

While talking, Darryl looked outside the door, his eyes full of complexity.

With Gone's method, I am afraid that he will be able to find here soon, but Shennong's state, he can't leave now, he must expel the power of the devil soul in his body as soon as possible, otherwise, the longer it drags on, the more dangerous Shennong will be.

Thinking to himself, Darryl helped Shennong to sit on the chair, and then walked out quickly.

Outside the door, Mr. Su and Su Xueying stood there, still trying to figure out the relationship between Darryl and Shennong. Seeing Darryl coming out at this time, they all subconsciously greeted him.

"Father."

Darryl didn't talk nonsense, and asked Mr. Su straight to the point: "Is there a place to hide here? The more concealed the better." When asked, Darryl looked indifferent, but his eyes couldn't hide the anxiety.

Where to hide?

Hearing this, Old Master Su and Su Xueying looked at each other, both secretly surprised.

Then, Mr. Su reacted and said, "What happened?"

Su Xueying also looked at Darryl closely.

call!

Darryl took a deep breath and said slowly: “Senior was injured, very serious, and we need to find a quiet and undisturbed place for healing.” Until this time, Darryl still did not reveal the true identity of Shennong.

After all, Old Master Su and Su Xueying are both ordinary people. The less they know, the safer it is for them.

What?

Hearing this, Old Man Su and Su Xueying were both taken aback, they walked in quickly and were stunned when they saw Shennong’s state.

Mr. Jiang is an immortal existence, who can hurt him?

It’s just that at this time, it’s not convenient for the two old masters to ask more questions.

The next second, Mr. Su said, “Under the hall of Taihetang, there is a dark room that my ancestor of the Su family built hundreds of years ago to escape the war.”

“If Mr. Jiang doesn’t dislike it, he can use it for a while.”

Hearing this, Darryl was overjoyed, it’s great, there is a place to hide, so I’m not afraid that Gone will come to the door.

Um!

Shen Nong also nodded, and smiled weakly at Old Man Su: “Then I’ll trouble you.”

“Senior is polite.” The old man Su said with a humble look on his face, “The dark room has been idle for many years, senior can use it, and if you need it, just ask.”

Chapter 4113

Hearing this, Shennong smiled slightly, shook his head and said, “The old man is very grateful that you allowed me to use the dark room. I need to recuperate, so I can just let this little friend take care of me, no other help is needed.”

With Darryl here, no other help is needed at all.

Having said that, Shennong thought for a while, looked at the old man Su seriously, and continued: “Also, the matter of my healing in the darkroom must not be leaked, except for your two grandchildren, you can’t let a third person know, otherwise There will be a catastrophe, remember that.”

call!

Seeing his solemn expression, Mr. Su didn’t dare to neglect, and nodded again and again: “Senior, don’t worry, it’s very safe here, no one will know.”

When the voice fell, Mr. Su took the lead and walked towards the hall.

Darryl supported Shennong and followed closely behind.

Soon in the front hall, Mr. Su stopped in front of the medicine cabinet and reached out to activate the hidden mechanism.

clack clack...

I heard a sound of the mechanism, and a deep tunnel appeared on the counter floor.

At this time, Old Master Su stepped aside and respectfully said to Shennong: “Senior, the dark room is below.”

Shennong nodded.

Darryl also nodded in approval. The entrance to this dark room was indeed hidden, and he had been here for a few days, but he never found it. Muttering in his heart, he helped Shennong into the secret passage.

“Xueying.”

At this time, the old man Su ordered Su Xueying, “Go and prepare some daily use items.” The senior who admired, finally took refuge in his own place, so he must arrange it properly.

Su Xueying responded and quickly went to prepare.

After a while, Su Xueying prepared some daily necessities and slowly walked down the secret passage.

In the darkroom at this time.

Darryl looked around the darkroom and saw that the space was not bad. It was half the size of a basketball court.

Shen Nong breathed a sigh of relief and was very satisfied with this place.

rustle...

At this moment, Su Xueying walked down with her things in her arms. After putting it down, she respectfully said to Shennong: “Senior, take a look, what else do you need?”

While talking, Su Xueying couldn't help but glance at Darryl, her heart was very complicated.

I don't know what is so special about this person, so that Mr. Jiang can be treated so specially. He should be kept aside for such a big thing as healing.

Shennong smiled and shook his head: “No, girl, go up, unless this little friend speaks, don’t come down casually.”

“Okay, senior.”

Seeing that Shennong valued Darryl so much, Su Xueying was even more unconvinced, but she didn’t dare to show it. After she responded obediently, she turned and left.

call....

As soon as his forefoot left, Shennong took a deep breath, sat down cross-legged, and said to Darryl, “Darryl, are you sure you can be alone?” When he spoke, his face couldn’t hide the worry.

Although Darryl’s strength is very strong, what remains in his body is the supreme power of the Demon Race. Can he really expel it?

At this time, Darryl was not fully sure, and said slowly: “Try it.”

hum!

The voice fell, Darryl activated his divine power, and a golden light burst out from his body, and then quickly walked to the exit of the secret passage, deploying three enchantments in a row.

Shennong’s situation was very bad. Darryl could not be disturbed when he waited for his hands to exorcise the magic power, so he deployed three enchantments. With these three enchantments, even if Gone was nearby, he would not be able to detect it.

“Fairy Wood”

.....

At this moment, above the dark room.

After Su Xueying walked out of the secret passage, she twisted the mechanism to slowly close the entrance of the secret passage.

“grandfather!”

After doing this, Su Xueying walked over slowly, and said to the old man Su suspiciously: “What is the injury of Senior Jiang, did you see it just now?”

call!

Mr. Su’s face was solemn, and he shook his head: “I just thought that Mr. Jiang’s breath was weak, and as for the injury, I couldn’t tell at all.”

With that said, Mr. Su looked at Su Xueying seriously: “If you can hurt Mr. Jiang, the other party is definitely not an ordinary person. It’s not something we can imagine at all, so don’t speculate too much.”

Su Xueying nodded.

A few seconds later, Su Xueying thought of something, bit her lip lightly and said, “I’m just curious, what is the relationship between that Feng Tao and Mr. Jiang. He actually trusts him so much.”

Chapter 4114

Mr. Su thought for a while and said slowly: “The person who can be admired by Mr. Jiang must have something extraordinary. You have to respect this wind-wave in the future, and don’t yell at him at every turn, you know?”

“As far as I can see, this Feng Tao is also known by Mr. Jiang. Fortunately, he was taught some medical skills by Mr. Jiang. There is nothing special in itself.” Su Xueying looked disapproving.

well!

Hearing this, Mr. Su was very helpless, and waved his hand: “Forget it, how to treat that kid is up to you, but now the most important thing is Mr. Jiang’s injury.”

“Mr. Jiang doesn’t want us to help, and we can’t do nothing. In this way, starting from tomorrow, I’ll be watching from the hall. You go to the mountain to collect more medicine in case you need it.”

“Okay!” Su Xueying nodded.

.....

the other side.

On a mountain dozens of miles northwest of the town, it was late at night, and a figure was quietly suspended there.

Under the moonlight, this person was dressed in black, his face was extremely cold, and his eyes couldn’t hide the evil spirit.

It was Gogne.

At that time, after Shennong escaped from the Nalan family by changing the shadow talisman, Gone quickly reacted and chased him all the way, but what annoyed him was that he lost the chase to the place in front of him.

“It shouldn’t be...”

At this time, Gone’s pupils shrank slightly, looked around, and said to himself: “No matter how advanced Shennong’s medical skills are, it is impossible to remove the power of the demon soul in the body in the process of escaping.”

“But... how come suddenly, there is no sense at all.”

Because there is a power of demon soul remaining in Shennong's body, Gogone can catch up here all the way through the induction of the power of demon soul, but at this time Gogone clearly sensed his own induction of the power of demon soul in Shennong's body Disappeared.

Um?

At this moment, Gogone saw a small town not far away, and his eyes flashed slightly.

There is only such a small town more than ten miles away. Could it be that Shennong is hiding in it.

Muttering in his heart, Gogone's figure flashed and he quickly walked towards the town.

.....

Time flies, and in a blink of an eye, it's the next day.

Early in the morning, Mr. Su got up early and came to the hall. After a while, Su Xueying also got up.

“grandfather?”

Seeing that Mr. Su got up so early, Su Xueying couldn't help but said, “What are you doing up so early?”

Mr. Su made a gesture of silence and scolded: “Don't be so loud, Mr. Jiang is still healing down below, and he doesn't know what the situation is. We can't help, but we must guard the entrance.”

Hearing this, Su Xueying was dumbfounded.

The entrance to the darkroom is so hidden that it is impossible to be discovered. Besides, there are only so many people in the town, and no one will come to Taihetang to make trouble.

Thinking to herself, Su Xueying ate some breakfast and went out with a bamboo basket on her back. Today's weather is good, so it's suitable to go up the mountain to collect herbs.

Seeing his granddaughter go out, Mr. Su made a cup of tea, and then flipped through a medical book.

Um?

Just as he was fascinated, Mr. Su suddenly noticed something, raised his eyes to look at the door, and saw a man standing there quietly, dressed in black, his expression was indifferent, and he could not see his anger.

It's just that there is a suffocating sense of oppression all over the body. It was as if it was not a person standing there, but a mountain.

It was Gogne.

After Gone came to the town just now, after some observation, he locked Taihetang. After all, Shennong was injured, and this was the only place he could hide.

call!

Finally, Old Master Su came to his senses and slowly got up with a sigh of relief. He looked at Gone up and down and asked, "Who are you?"

Gone was too lazy to talk nonsense, and said coldly: "Is there an injured old man here to heal?" At the same time as asking, Gone looked around the hall, trying to find some clues.

However, at the entrance of the dark room below, three enchantments were deployed by Darryl, and even Gone would not notice it for a while.

It's him....

Hearing the question, Mr. Su's heart was shocked, and he immediately understood that Shennong's injury was related to the man in front of him. Anger instantly surged in my heart.

This person is not too timid, he even dared to come to Mr. Jiang's door.

Chapter 4115

At this time, Old Man Su wanted to turn his face immediately, but thinking of Shennong in the dark room below, he held back and said lightly, "No one came to see the doctor today, and no one was healed."

"If you're looking for someone, you're in the wrong place."

After saying this, Mr. Su continued to lower his head to read, but his attention was always on Gone.

No?

Hearing the answer, Gone frowned secretly, and when he saw Old Man Su pretending to be reading a book, he suddenly became suspicious.

"Sir!"

The next second, Gone walked slowly and looked at the old man Su quietly: "I know that the old man is hiding here. It is your duty as a doctor to save him."

"But I tell you, I have a personal grudge with him, so don't get into trouble and tell me where he is hiding."

When he said this, Goner's tone was very slow, and he seemed to be polite, but there was a cold glow in his eyes.

Gudong!

Upon meeting this gaze, Old Man Su couldn't help shivering.

What a terrible look, who is this person? What kind of hatred is there between him and Mr. Jiang?

But despite the nervousness in his heart, Old Man Su still had a firm attitude, shook his head and said, "This little friend, I really don't know what you are talking about. I am a medical center, not a refuge. There is no one you are looking for. Please leave."

What a pedantic old man.

Goner frowned, and was too lazy to talk nonsense at the time, and walked straight to the backyard.

"you...."

Seeing this scene, Mr. Su was furious and couldn't help scolding: "You stop, there is a private place behind you, you are not allowed to intrude." This person is so rampant, he is simply lawless.

However, Goner ignored it at all and continued to walk towards the backyard.

"What a lunatic."

Old Master Su was completely furious, stood up instantly, and raised his hand.

chi chi chi....

I heard a burst of air, and more than a dozen cold beams shot towards Gone like lightning.

It was a dozen silver needles,

Old Master Su is not a cultivator, and he has no inner strength at all. What he used at this time was the ‘Sumen Thirteen Needles’ passed down from generation to generation by their Su family. This needle method is unpredictable and mysterious.

Old Master Su’s purpose is very simple, even if the other party’s aura is very strong, he can’t avoid his own thirteen needles of Su Clan.

However, he was wrong.

ding ding ding....

In the blink of an eye, the silver needle slammed into Gone’s back, and a crisp sound was heard, and more than a dozen silver needles bounced off.

“how so?”

Seeing this scene, Old Man Su’s heart trembled, and he was stunned.

Such a sharp silver needle could not pierce his skin.

Is that human being?

At this time, Mr. Su didn’t know yet, the identity of the other party was far beyond his imagination.

Swish!

Just when the old man Su was shocked, Goniere stopped and looked back at him coldly, with anger flashing in his eyes: “Sir, you are courting death.”

The voice fell, and Gone slowly raised his right hand, five fingers forming claws.

In an instant, Mr. Su felt his body light up, as if his neck was caught by an invisible hand, and he slowly rose up. In the blink of an eye, his face turned red, and it became difficult to breathe.

“Speak.” Gone’s face was gloomy: “Where is the person?”

“Cough cough...”

The old man Su coughed violently a few times, and spit out a few words with difficulty: “You madman, it will not end well.” This man’s strength is too terrifying, and he must not know where Mr. Jiang is hiding.

Seeing that he was so stubborn, Gone no longer asked, but shouted at the backyard: “Shen Nong, thanks to your dignified Yaozu, you are respected by the world, but now you are like a tortoise with a shrinking head, and you have to rely on an ordinary person for protection.”

“If you still have a bit of backbone, show up quickly and don’t implicate innocent people.”

The low voice spread throughout the Taihe Hall for a long time.

However, half a minute passed without getting the slightest response.

At this time, the dark room where Shennong and Darryl were located was separated from the outside by three enchantments, so they could not hear it at all.

Shennong?

At this moment, when he heard Gone’s words, Mr. Su widened his eyes and was shocked.

What does this man say? Shennong?

Could it be that... Mr. Jiang Lao, whom I admire, is the well-known Yaozu Shennong in Kyushu?

Chapter 4116

Under the shock, Old Man Su only felt that it was getting harder and harder to breathe, and couldn't help but scolded: "madman, you have to die..."

Senior Shennong is respected by the world, and his enemy must be a wicked man.

"court death!"

Hearing the scolding of the old man Su, Gogne was annoyed and said coldly, and then his figure flashed to the front, and slapped the old man Su Tianling Gai with his palm.

boom!

With a dull sound, Mr. Su didn't have time to scream, his brain burst, and he fell in a pool of blood.

After killing Mr. Su, Gogne went directly into the backyard and started to search, but what annoyed him was that the entire Taihetang and the courtyard behind it were empty and there was not a single person.

When no one was found, Gogne became more and more annoyed.

Did Shennong leave?

wow...

Just as Gogne was frowning and thinking, footsteps suddenly sounded on the street outside Taihetang, followed by the voices of town residents.

“What happened just now?”

“I don’t know, but I can be sure that it was issued by Taihetang.”

“It won’t be an accident, go in and have a look.”

The discussion was getting closer and closer, and soon, many people rushed in, and the first few were Li Wei and others. Just now, the movement of Gone to kill the old man Su was very loud. When everyone heard the sound, they rushed over to investigate.

hiss!

The moment they entered the hall, everyone in Li Wei couldn’t help gasping for air.

I saw that the old man Su was lying in a pool of blood, the Tianling cover was shattered, and the death was very miserable, and in the passage leading to the backyard, there was a man with a very expression on his face.

For a time, the entire Taihetang hall was deadly silent.

Everyone’s eyes were focused on Gone, both shocked and angry.

Who is this person? He actually murdered Mr. Su.

Simply insane.

Seeing Li Wei and the others rushing in, Gone’s face did not fluctuate at all, but only frowned secretly.

Shen Nong couldn’t find it, and another group of annoying ants came.

“Hey!”

Finally, Li Wei took the lead in reacting, took a step forward, pointed at Gone and shouted: “Who are you? You dare to commit murder in Taihetang, is there any Wang Fa?”

The words fell, and the others also recovered, and they all attacked Gone.

“Old Master Su is so old, he can do it all, it’s just a loss of conscience.”

“good...”

In the face of everyone’s anger, Gone was annoyed, and said coldly: “Go away!”

Mad!

Hearing this, Li Wei’s anger was completely ignited.

“Killing people is so rampant!”

“Arrest him and avenge Master Su.”

“revenge!”

Everyone yelled, Li Wei picked up a wooden stick and rushed up first. In the small town, he was considered a demon king. How could he hold back when he saw someone committing murder on his own territory?

At the same time, the others rushed towards Gone.

“court death!”

Seeing the people rushing up, Gone’s face did not fluctuate in the slightest. After speaking coldly, he raised his hand and waved. In an instant, the entire Taihetang hall was enveloped in a red light.

As the red light flickered, streaks of blood-colored light burst out.

Puff puff...

Li Wei and the others didn't react to what was going on, and they were all swept through by the blood-colored light, and then fell to the ground one after another, dying out of breath.

The air was filled with blood, and Gone looked indifferent, turned and entered the backyard to search.

However, after searching several times, the figure of Shennong could not be found. Gone guessed that Shennong might have escaped, so he stopped staying and flew away.

.....

in the dark room.

Darryl sat cross-legged behind Shennong and focused on expelling the remaining demonic soul power in Shennong's body.

call....

I don't know how long it took, Darryl opened his eyes and withdrew his hands, took a deep breath, his forehead was covered in sweat, and his face was extremely weak.

I have to say that the power of Gone's demon soul is too strong, Darryl can't get rid of it by relying only on the power of the primordial spirit, and finally he used the power of the red lotus of the law to finally get rid of it, but in this way, Darryl also Spent a lot of power.

“Ha ha!”

The power of the demon soul in his body was expelled, and Shen Nong was relieved. At that time, he couldn't help laughing and stood up slowly: "As expected of Darryl, who shook Kyushu, such a powerful demon power was actually driven out by you so quickly. Apart from."

Chapter 4117

"Senior Liao Zan."

Darryl breathed a sigh of relief and smiled humbly: "The most important thing is that the senior is strong. The senior's injury is not serious, we should leave quickly."

Although it is hidden here, Gogne is not a fuel-efficient lamp, and it is better to leave early.

"Okay!" Shennong nodded.

Darryl stopped talking, walked over quickly, raised his hand and removed the three enchantments at the exit of the dark room.

Um?

The moment the barrier disappeared, Darryl and Shen Nong both frowned secretly, and they smelled a strong bloody smell.

Oops, something must have happened up there.

Aware that something was wrong, Shennong and Darryl looked at each other, hurriedly walked into the secret passage, entered the hall, and soon, when they arrived in the hall, seeing the scene in front of them, both of them couldn't help gasping for air!

I saw that there was blood everywhere in the hall of Taihetang. In the pool of blood, Li Wei and many residents of the small town were lying there, their pupils dilated, and they were dead!

“This...how did so many people die?”

At this moment, Shen Nong couldn't help but speak, his scalp tingling.

Darryl did not answer, but walked over quickly, checked the crowd, and found that they were all killed by one move, and their hearts were directly pierced.

Such a neat and ruthless method is definitely not what ordinary people call it.

“Gone!”

Realizing this, Darryl's eyes were blood red and his fists clenched.

There is no need to guess, it must have been Gogne who followed Shennong's whereabouts all the way and found Taihetang. He wanted to search here, but was blocked by everyone, so he started killing.

For a time, while Darryl was angry, he was also indescribably regretful.

“Little friend Su...”

At this time, Shen Nong saw the old man Su who was lying at the door, and couldn't help shouting, very sad.

When Darryl heard the sound, he heard a buzzing sound in his head, and the whole person was stunned.

I saw that the old man Su was lying at the door, covered in blood, and the Tianling cover was shattered, and his death was very miserable.

hum!

In an instant, the anger in Darryl's heart burned completely.

This Gonie is simply inhumane, and he actually shot at innocent people...

In anger, Darryl said to Shennong: "Senior... Old Master Su and these people, can they still be saved?" If it was anyone else, Darryl would definitely give up, but Shennong is different, he is a god in the medical world of Kyushu. the same existence.

well!

Facing Darryl's urgent gaze, Shennong calmed down and sighed heavily.

The next second, Shennong looked at the old man Su: "The heavenly spirit is destroyed, the immortals can't be saved, other people's hearts are injured, and there is no possibility of saving them."

Saying that, Shennong couldn't hide his grief: "It's all my fault, I didn't bring Gone here, and they wouldn't suffer from such an innocent disaster."

Hearing this, Darryl's face was sad and heartbroken.

Although he had only been here for a few days, Old Man Su was a humble man, and suddenly died tragically at this time, which made Darryl very uncomfortable.

As for Li Wei and other town residents, they were completely affected by Chiyu...

"grandfather!"

At this moment, Su Xueying's voice sounded outside the hall. In the next second, Su Xueying walked in briskly with a bamboo basket on her back. At this time, Su Xueying didn't know what happened, and she was in a good mood, because this time she went up the mountain and collected a lot of information. less medicine.

This.....

As soon as she entered the hall, Su Xueying saw a step in front of her, her body trembled, and she was dumbfounded.

I saw that the whole hall was filled with a strong bloody smell, and the ground was dyed red. Grandpa and many town residents fell into a pool of blood one by one...

“Grandpa...” In shock, Su Xueying walked up quickly and threw herself on the old man Su and burst into tears: “Grandpa, don’t scare me...Open your eyes, look at me, look at me...”

“You’re gone, what should I do...”

During the shouting, Su Xueying’s tears seemed to burst and flowed non-stop.

When she was very young, her parents died unexpectedly, leaving only her and her grandfather to support Taihetang and live together.

well!

Seeing Su Xueying’s grief, Darryl and Shennong both sighed secretly, and they couldn’t express their remorse in their hearts.

Chapter 4118

I don’t know how long I cried, Su Xueying took a deep breath and turned to look at Darryl and Shennong: “How did my grandfather die? Who is the murderer?”

As she asked, Su Xueying couldn’t help but glanced at Li Wei’s body, her heart skipped a beat.

Who in the end did such a ruthless shot, not only killed such a person, but also killed his grandfather...

well!

Facing the questioning, Shennong sighed, and the old face couldn't hide the guilt: "Girl, your grandfather and these people were all killed by my enemies, it's all my fault..."

"If the old man doesn't come, they won't suffer from such an innocent disaster. It's all caused by the old man..."

When he said this, Shennong blamed himself.

"you...."

Knowing the situation, Su Xueying was both angry and sad. She wanted to say a few words about her responsibility, but she only said one word, and her eyes went black and she fainted.

After all, Su Xueying was just a girl, and she couldn't bear it at all in the face of such a change.

Seeing this scene, Darryl rushed over and hugged Su Xueying in his arms.

Shen Nong also hurried over to check, and after taking a pulse, he said slowly, "This girl is fine, but she was too sad and passed out."

Um!

Hearing this, Darryl nodded and breathed a sigh of relief.

It's alright, if Su Xueying has three strengths and two weaknesses, I'm afraid she will feel sorry for her for the rest of her life.

After confirming that Su Xueying was not in danger, Darryl carried her to the backyard room to rest and let Shennong take care of her temporarily. Then Darryl returned to the hall and buried the bodies of Mr. Su and Li Wei in the woods north of the town.

book

call!

At this time, Darryl set up the last tombstone, clenched his fists, and his stern face was full of resentment: “Goni, if this revenge is not repaid, I, Darryl, swear that I will not be a human being.”

click....

The voice fell, and the originally clear sky was suddenly covered with dark clouds, thunder bursts, followed by pouring rain.

Darryl stood there, allowing the heavy rain to wash away without moving.

The icy rain continued to fall, but it could not extinguish the anger in Darryl’s heart.

A few minutes later, Darryl bowed at the graves of Old Master Su and everyone, turned around and returned to Taihe Hall.

Um?

Just arrived in the hall, Darryl frowned. I saw a few cars coming quickly on the street outside.

At the entrance of Taihetang, the car stopped steadily, and then, Chen Shishi, dressed in tight black clothes, walked in quickly, surrounded by dozens of bodyguards.

“Brother Feng!”

As soon as he entered the hall, Chen Shishi saw Darryl and hurried up to meet him. With a delicate face, he couldn’t hide his worry: “I heard that something happened to Taihetang, so I quickly brought someone here.”

While talking, Chen Shishi looked at Darryl up and down, wanting to see if he was injured: “Are you all right, Brother Feng.”

When Chen Shishi arranged for Darryl to come to Taihetang, although he did not send someone to secretly protect him, he kept paying attention to the situation in the town. An hour ago, Chen Shishi got news that Taihetang had died.

At that time, Chen Shishi was very nervous, thinking that something had happened to Darryl, so he hurriedly brought someone over. At this time, seeing that Darryl was safe and sound, a hanging heart fell.

call....

Feeling Chen Shishi's concern, Darryl breathed a sigh of relief and smiled bitterly: "I'm fine, but I killed you, a college classmate." Thinking of the tragic death of Mr. Su, Darryl blamed himself.

What?

Hearing this, Chen Shishi was stunned, and at the same time, he also found the blood stains on the floor of the hall.

Seeing this, Chen Shishi's delicate face was extremely complicated.

"Wow..."

Just then, a cry came from the backyard. Obviously Su Xueying woke up.

Darryl didn't have time to think, and walked quickly towards the backyard.

Chen Shishi reacted, and hurriedly took the bodyguard and followed.

When I entered the backyard room, I saw Chen Shishi sitting there, crying non-stop, with trembling shoulders, which made people feel pity.

Shennong stood by, with a look of self-blame.

well!

Seeing this situation, Darryl sighed and wanted to comfort him, but he didn't know how to speak.

Chen Shishi stood at the door and saw the scene in front of him. He was not happy, and asked Darryl, "Brother Feng, what happened?"

Chapter 4119

Because she just arrived, Chen Shishi didn't know the specifics yet.

Darryl took a deep breath and told the details. At the end, Darryl looked guilty: "It's all my fault, if it wasn't for me, this kind of thing wouldn't have happened."

well!

Chen Shishi sighed lightly: "The world is unpredictable, and Brother Feng doesn't have to blame himself." After speaking, he slowly walked into the room.

At this time, Su Xueying was still immersed in pain, and she was stunned when she suddenly saw Chen Shishi appear.

"Poetry?"

The next second, Su Xueying choked up: "You...why are you here?"

Chen Shishi had a complicated face, walked up to Su Xueying, bit her lip and said, "Xueying, I'm sorry, I didn't know it would be like this."

"The Guard is Here"

What?

Hearing this, Su Xueying was a little stunned: “Shishi, what are you talking about?”

Chen Shishi looked back at Darryl, and after being instructed by Darryl, she slowly replied: “Xue Ying, I won’t hide it from you now, he is not my friend, but my benefactor, and he is famous for Kyushu. The Darryl...”

“And I am not an ordinary company employee, but the boss of the Estee Group...”

In the next few minutes, Chen Shishi told the situation.

At the end of the story, Chen Shishi’s delicate face was full of shame: “I arranged for Brother Feng to come to you in order to restore Brother Feng’s strength as soon as possible, but I didn’t expect to hurt you.”

The last word fell, and Chen Shishi bowed at Su Xueying: “I’m sorry!”

“you...”

Hearing these words, Su Xueying only felt a thunderbolt flashing in her mind, her whole person was dumbfounded, and her brain was buzzing.

This wind wave turned out to be the famous Darryl in Kyushu.

And Chen Shishi is actually the boss of the Ase Group...

For a small person like Su Xueying, these two identities are out of reach for her... I never thought that a big person like Darryl would come to Taihetang to do chores.

But all of this happened just like that.

“you go...”

Finally, Su Xueying calmed down and looked at Chen Shishi closely, her eyes flashing with anger and complexity: “You go, I don’t want to lose sight of you.”

With that said, Su Xueying's eyes fell on Darryl: "You too!"

Although Grandpa's death was not directly caused by them, it had nothing to do with them.

Facing Su Xueying's anger, Darryl and Chen Shishi looked at each other, embarrassed to each other.

"Girl!"

At this moment, Shennong, who had been silent all the time, couldn't help but said to Su Xueying, "I understand your feelings. You are very sad about the tragic death of your relatives, but don't blame Darryl."

"Your grandfather, I killed him indirectly. If I hadn't led the murderer here, your grandfather would not have been in trouble."

At the end of the story, Shennong pulled out a dagger and handed it to Su Xueying: "It hurts people to die in vain. This old man has committed a lot of sins. I am willing to give Su Xiaoyou his life."

At this time, Shen Nong was very depressed.

As the ancestor of medicine, a living miracle doctor, who has been respected by the world for nearly a thousand years, I don't know how many lives have been saved, but recently, because of his own safety, Su Laoyuezi was innocently killed, which made Shennong very uncomfortable, and almost became There was a hurdle in my heart that I couldn't get past.

In this state of mind, Shennong could only ask for death to relieve his inner guilt.

"senior...."

Hearing Shennong's words, Su Xueying held a dagger in her hand, and she was stunned: "I..." Grandpa died tragically, she was very sad and angry, but she never thought of letting Shennong die. Faced with this situation, naturally Not sure how to be good.

What the hell!

At the same time, Darryl's face was also on the side, and he couldn't help but said to Shennong: "Senior Shennong, don't be impulsive.... The murderer is Gone. Even if you die now, Master Su will not survive."

"Besides, let Gone know that you are coming, he will only mock you for being pedantic, senior, calm down, there are so many righteous people on the rivers and lakes, waiting for you to save your life..."

When he said this, Darryl's face was full of anxiety, because he clearly felt that Shennong at this time was really going to die for Mr. Su.

call!

Hearing the consolation, Shennong's face changed, and he took a deep breath and pondered.

What?

Su Xueying and Chen Shishi were trembling, looking at Shennong tightly, speechless in shock.

Chapter 4120

What did Darryl call him just now?

Senior Shennong?

He...he is Shennong, who is honored by the world as Yaozu? The living gods of the Kyushu mainland?

In shock, Su Xueying stared blankly at Shennong, her red lips lightly opened:
“Senior...you...are you Shennong?”

Shen Nong smiled bitterly and nodded: “Yes.”

Dang bang.

After being confirmed, Su Xueying’s jade hand trembled, the dagger fell to the ground, and she said in a complicated tone, “If Grandpa knows his identity, he will be very honored and relieved.”

With that said, Su Xueying sighed: “Grandpa died tragically today, maybe it was his life, so how dare the junior ask the senior to take his life?”

At this time, Su Xueying was already awake a lot.

Hearing this, Shennong smiled bitterly, but he was still entangled in his heart.

At this time, Darryl continued to comfort him: “Senior, don’t be obsessed. I believe that Master Su will not blame you under Jiuquan. On the contrary, if Senior continues to help the world and save people, Master Su will be comforted by the spirit of heaven. .”

call!

At this moment, Shennong took a deep breath and said slowly: “Okay, I was reckless. However, Su Xiaoyou’s death was indeed caused by me...”

Saying that, Shennong looked at Su Xueying closely: “Girl, you have a good talent in medicine. If you don’t dislike it, the old man is willing to accept you as a disciple and teach you what you have learned in your life.”

When he said this, Shennong looked at Su Xueying with anticipation in his eyes.

Speaking of which, Shennong never accepted apprentices lightly. He had accepted no more than five apprentices for thousands of years, and all of these apprentices had passed away.

For nearly a hundred years, Shennong has devoted himself to the study of medical theory, and has no plans to accept any more disciples.

However, what happened today made Shennong very sad, so he thought of accepting Su Xueying as his disciple, in order to relieve the guilt in his heart.

Of course, Su Xueying has a good talent and is also a suitable candidate to inherit Shennong's medical skills.

call....

Seeing this situation, Darryl breathed a sigh of relief.

Shen Nong, the old man, is finally not persistent.

At the same time, Darryl looked at Su Xueying's eyes with a strange light. She was the first to be accepted by Shennong.

“I....”

At this moment, Su Xueying was also stunned again, facing Shennong's urgent eyes, thinking that she had heard it wrong, she was shocked and inexplicably happy:

“Senior...Senior want to accept me as a disciple?”

In front of him is Shennong, the ancestor of medicine known to the world.

Before I changed it, I didn't even dare to think about seeing him, but now, he actually wants to accept me as a disciple.

Shennong nodded solemnly and said with a smile, “What? Is the girl unwilling?”

“willing!”

When the words fell, Su Xueying nodded quickly, then bent her knees, knelt in front of Shennong, and said respectfully, “Disciple pays respects to Master.” At the same time as calling Master, Su Xueying thought of her grandfather, and she couldn’t help feeling a little sad.

Grandpa...Did you see that granddaughter became a disciple of Shennong....

“well...”

Shennong nodded again and again, raised his hand to help Su Xueying up, his face kindly said: “Follow me in the future, concentrate on studying medicine, and hope to achieve something in the future.”

With that said, Shennong said to Darryl, “This old man will go back to the place of seclusion first, and if something happens, let me know as soon as possible.”

Darryl nodded: “Okay, senior.”

Shen Nong said no more, let Su Xueying pack up, and then took her to the place of seclusion.

“Brother Feng!”

As soon as his forefoot left, Chen Shishi reacted and said to Darryl, “What are you going to do next?”

Darryl thought for a while, then waved his hand and said, “You don’t have to worry about these things. You can’t participate in the affairs of the rivers and lakes. Hurry up and leave with your people. Don’t worry about me.”

However, Chen Shishi was still a little worried: “But you are alone...”

Before she could finish speaking, Darryl interrupted with a smile: “My injury has healed, and my strength is almost restored. Even if I encounter the God King Haotian or the Supreme Demon, I can easily deal with it.”

Hearing this, Chen Shishi no longer insisted, nodded and said, “Well, Brother Feng, take care.”

The voice fell, and Chen Shishi left with the bodyguards.

After Chen Shishi left, there was only Darryl left in the entire Taihetang, which was very cold.

call!

At this moment, Darryl did not hesitate, and his figure flew high into the sky, rushing towards the Nalan family.

Chapter 4121

Darryl did not dare to take it lightly when he learned that Nie Zhan of the Nalan family was the one who pretended to be Gone.

Darryl thought about it, first went to the Nalan family to investigate the situation, and then act accordingly.

.....

On the other side, the underground cell of Qintian Supervision.

After Lorenzo and the others took the pills, they sat cross-legged and silently recovered their inner strength. Tracy stood at the door of the cell, watching the situation outside.

call....

After an unknown amount of time, Lorenzo opened his eyes first and stood up slowly.

Seeing this, Tracy hurried over and asked, “Uncle Wen, how’s your recovery going?”

Lorenzo showed a smile and responded: “The injury is almost healed, but the inner strength of the dantian has not fully recovered, and the meridians seem to be suppressed by a force, and the inner strength is running very slowly...”

When he said this, Lorenzo couldn’t help frowning, very puzzled.

The words fell, and Peter and others also opened their eyes and nodded in agreement.

“My meridians seem to be suppressed by a force.”

“Me, too.”

Hearing everyone’s words, Tracy frowned and couldn’t help but say, “What’s going on? Could it be that the Qin Tianjian has poisoned you?”

“Probably not.”

Lorenzo shook his head: “God King Haotian is very conceited and won’t let his subordinates do such despicable things, I guess, this strange power was beaten in the body by them when he fought with the gods and soldiers before. divine power.”

“Fortunately, these divine powers are not very strong. After a few days, they should be able to be completely dispelled.”

At the end of the speech, Lorenzo glanced outside the cell: “Let’s not talk about this, it’s not suitable to stay here for a long time, let’s rush out.”

Um!

Tracy nodded: "I'll go out first, you follow." After saying that, he should rush out of the cell first.

Lorenzo followed closely behind.

Because the large troop has not returned, the defense of Qintianjian at this time is very weak.

However, there were too many people in Tracy and Lorenzo. As soon as they got out of the cell, they were discovered by a team of patrolling soldiers.

"stop!"

At this moment, the leader of the patrol magic soldier, staring at Tracy, shouted loudly: "You are not too timid, come to Qintianjian to rob the prisoner. Take it."

The voice fell, and the strength of the captain of the magic soldier broke out, and the long knife in his hand slashed at the ice.

Whizzing...

More than a dozen divine soldiers followed, surrounded by the ice.

In the hearts of these patrolling soldiers, Lorenzo and others are very weak, and they are nothing to worry about. They only need to subdue the ice.

However, they didn't know that before leaving the cell, Lorenzo took the pills from the Emei faction. Although their strength had not completely recovered, they had recovered 70% to 80%.

Seeing these divine soldiers rushing up, Tracy bit his lip tightly, not panicking at all, and his long sword drew a cold glow and attacked him.

"WTF!"

At this moment, Peter scolded, summoned the opening axe, and charged directly.

Lorenzo and everyone also joined the battle one after another.

Oops!

Seeing this, the captain of the magic weapon changed his face. He wanted to ask for help, but it was too late.

bang bang bang....

In less than two minutes, this team of patrol soldiers were all knocked to the ground and passed out one by one. Of course, with the strength of Lorenzo and Peter, it is not enough to stun these magic soldiers, they all rely on Peter's axe.

After knocking out these divine soldiers, Tracy and Lorenzo quickly rushed out of the Qintian Prison without any hesitation, and walked away into the distance. In the blink of an eye, they left cleanly.

At this moment, in the sky several hundred meters away from Qin Tianjian.

The Haotian God King and a divine general were quietly suspended there, looking at the situation of Qin Tianjian from a distance.

The scene where Tracy rescued Lorenzo and everyone just now was clearly seen by the God King Haotian.

“His Royal Highness!”

At this time, watching the people in Tracy go away, the gods can't help but say: “Let's put Lorenzo and these people in the cell, the purpose is to attract Darryl to appear, but Darryl didn't come, his daughter came, and the plan was to be arrested. Disrupted, don't we have to chase?”

God King Haotian's eyes flickered, and he said lightly: "It's okay, since it is Darryl's daughter, to rescue Lorenzo and others, he must join Darryl."

Chapter 4122

"You immediately lead your cronies and follow Lorenzo and this group. You must not expose them until they meet with Darryl. Once you find Darryl, report it as soon as possible."

When he said this, there was a trace of wickedness in the eyes of the God King Haotian.

Yes, he said that Lorenzo was detained in Qintian Prison for a few days, and there was no interrogation. The purpose was to wait for Darryl to come to rescue, but he never thought that Darryl did not come, but his daughter came.

However, the God King Haotian was calm, and his plan was disrupted, so he decisively changed his strategy.

"Yes, His Royal Highness."

After receiving the order, the god general hurriedly responded, and immediately, he summoned hundreds of elite soldiers and quickly chased in the direction where the people in the cold ice were leaving.

.....

the other side.

In the rushing river water, Tie Bowen held Ginger's hand tightly, not daring to let go.

At the same time, Tie Bowen and Ginger also paid attention to the shore from time to time.

Seeing that there were no magical soldiers chasing after the shore, the two people's nervous mood relaxed a lot.

wow...

Finally, at a river bend, Tie Bowen emerged from the water and swam to the shore with Ginger.

Just after landing, Tie Bowen took a deep breath and said slowly: “Those gods and soldiers did not chase, they should have returned to Qintianjian, calculate the time carefully, that girl Hanbing should have sneaked in, but I don’t know. How is the situation now?”

When he said this, Tie Bowen’s eyebrows were solemn.

Although she bought time for Tracy, she is after all alone, and it is not an easy task to save people from Qin Tianjian.

At this moment, Ginger was also a little worried, and said softly, “How about we go back and check the situation?” If something happened to Tracy, he would not be at ease for the rest of his life.

“Okay!” Tie Bowen nodded without hesitation, and then rushed in the direction of Qin Tianjian with Ginger.

A few minutes later, the two came to the hillside north of Qintian Prison.

hiss...

Seeing the scene in front of them, Ginger and Tie Bowen couldn’t help gasping for air.

I saw that the entire Qintianjian was in a mess, and patrols left from time to time to probe the surroundings...

Oops...

Seeing this situation, Ginger's delicate face could not hide the worry: "Sister Hanbing, must have been discovered, otherwise, Qin Tianjian would not be in such a mess."

As he spoke, Ginger kept searching in Tiantianjian, trying to find the figure of Tracy. As a result, after watching it for a long time, I never saw the ice.

The more this happened, the more anxious Ginger became.

Tie Bowen calmed down a little, and couldn't help comforting: "Don't worry, look at it like this, that girl Frost Bing should have escaped. Let's observe for a while."

Um!

.

Hearing the consolation, Ginger nodded.

Soon, a few minutes later, Ginger still did not see Tracy, and at this time also agreed with Tie Bowen's statement: "It seems that Sister Hanbing has escaped, what should we do now?"

At this time, Ginger was very confused.

The Nalan family will definitely not be able to go back. Both grandfather and aunt are under control, and Tianmen is targeted by Qin Tianjian, and they cannot seek their help for the time being. Under such circumstances, Ginger does not know what to do for a while.

book

Seeing her helpless appearance, Tie Bowen couldn't help feeling a little distressed.

I can't go home, how helpless it must be...

“Wushuang!” Tie Bowen couldn’t help holding Ginger’s hand and said earnestly:
“Otherwise, you can go back to the Rakshasa clan with me. Now the situation in Kyushu is getting more and more complicated, and the two of us alone are powerless to change, why not Seek help from the Rakshasa.”

When he said this, Tie Bowen looked complicated.

After walking for so long, the Rakshasa clan didn’t know what was going on. Their father and family died tragically, and they didn’t go back to pay their respects.

“it is good!”

Ginger thought for a while, then nodded: “I’ll listen to you.”

After the discussion, the two quietly left the hillside, avoided the nearby soldiers patrolling, and quickly rushed towards the Rakshasa clan.

A few hours later, Ginger and Tie Bowen finally arrived at the Rakshasa clan.

call!

At this moment, stepping into the realm of the Rakshasa clan, Ginger couldn’t help taking a deep breath, recalling the previous experience here, it felt like a world away.

Chapter 4123

At that time, I lost my memory, and getting to know Brother Bowen here was like a dream.

Tie Bowen was even more worried.

Tie Bowen wanted to go home and have a look, but after Timur’s death, the manor had been sealed off, and the gate was guarded by warriors specially dispatched by the queen, so they couldn’t get in at all.

In this case, Tie Bowen had no choice but to take Ginger into the palace to meet the queen.

Today's palace has strengthened its defense. After the two entered the hall, they saw many warriors in armor standing neatly on both sides of the hall, each with a sacred expression and a solemn atmosphere.

Not only that, but the leaders were also present.

Queen Mona, sitting on the throne.

At this time, Mona, wearing a gorgeous golden robe, showed her graceful figure incisively and vividly, her facial features were exquisite and beautiful, and her body was filled with a powerful aura that could not be desecrated.

Feeling the majesty of the queen, Ginger's heartbeat couldn't help speeding up.

But seeing Mona's face, Ginger couldn't help but secretly admire.

so beautiful.

Rumor has it that the queen of the Rakshasa clan is an out-and-out beauty, with a dignified manner and a dazzling beauty. When I saw it today, it really lived up to its reputation.

"His Majesty."

At this time, Tie Bowen took a step forward and gave Mona a deep salute: "Tie Bowen, see Her Majesty the Queen."

"No gift!" Mona nodded, looked at Tie Bowen, and said with emotion: "I thought you were dead, but now that you are safe and sound, I feel relieved."

When Timur was murdered, Mona felt very uncomfortable and guilty, so she kept sending people to look for the trace of Tie Bowen to ensure that Timur would have someone to follow, but unfortunately, there was no clue.

“Sword Comes”

Now that Tie Bowen came back safe and sound, Mona was very relieved.

Whoa!

At the same time, the surrounding leaders saw Tie Bowen, and they all talked about it.

“This kid is really big.”

“Yeah, but it’s good to be back. Timur finally hasn’t been cut off.”

“This kid’s qualifications are good, and he can be of great use in the future...”

Listening to the praise of the people around him, Tie Bowen looked humble and clasped his fists at everyone.

The next second, Tie Bowen saluted at Mona: “Thank you for the Queen’s love.”

Saying that, Tie Bowen asked tentatively, “Your Majesty, may I ask my father...” Tie Bowen couldn’t calm down when he thought of the tragic death of his father and his family.

well!

Mona sighed, and her delicate face couldn’t hide the sadness: “It’s all my fault, I didn’t see through Ital’s ambitions at that time, and almost let him usurp power and kill your father...”

When saying this, Mona blamed herself.

What?

Father and family, really all died...

Hearing this, Tie Bowen staggered like he was struck by lightning, he could barely stand still, and endless grief took over his heart.

Seeing his expression, Ginger couldn't tell how distressed he was. He walked over silently, grabbed Tie Bowen's arm, and whispered, "Brother Bowen, don't feel bad, I will accompany you in the future."

Um!

Feeling Ginger's tenderness, Tie Bowen's heart surged with warmth and nodded.

Afterwards, Tie Bowen calmed down and smiled bitterly at Mona: "Your Majesty doesn't need to blame himself. Speaking of which, some things happened because of me. If I didn't break into the forbidden area of the ranch and take the sunset bow, Nor will it provoke the wild vengeance of Itel."

Mona's eyes flickered and she sighed: "Forget it, don't mention the past."

With that said, Mona's eyes fell on Ginger: "This is..."

Swish!

The voice fell, and the eyes of the surrounding leaders also converged on Ginger, and they were all attracted by her delicate face.

What a handsome, beautiful girl.

Feeling everyone's gaze, Ginger felt a little shy, and subconsciously pulled Tie Bowen's arm.

Tie Bowen patted the back of her hand, indicating that she should not be nervous, and then responded to Mona: “Go back to Her Majesty the Queen, this is Ginger, from the Nalan family of Diyu Continent. She was chased and killed at first. Caused amnesia, was rescued by my father, and then brought to the Rakshasa clan...”

Having said that, Tie Bowen explained the situation at that time in detail.

I see.

Knowing the ins and outs of the matter, Mona and the leaders present were all stunned.

Chapter 4124

Soon, Mona reacted, looked at Tie Bowen and said, “There are many things, maybe it’s fate, don’t be too sad about your father’s death.”

“Yes, Your Majesty!” Tie Bowen nodded.

“Everyone!”

Mona thought for a while, then slowly glanced at the audience, and announced: “This king has decided that starting today, Tie Bowen will be canonized as the new general, commanding 100,000 cavalry.”

When she said this, Mona looked at Tie Bowen’s eyes and couldn’t hide her admiration.

Speaking of which, Mona’s canonization of Tie Bowen is not simply because he loves Wu and Wu, because he is the only son of Timur, but Tie Bowen does have the demeanor of a general.

Whoa!

The voice fell, and the leaders present were in an uproar, but no one objected, and everyone congratulated them from the bottom of their hearts.

“Haha, congratulations, kid!”

“congratulations...”

In the face of everyone’s congratulations, Tie Bowen looked complicated, and said to Mona: “Your Majesty, I’m afraid I’m not up to such an important task.”

During this period of time, after experiencing so many things, Tie Bowen has already looked down on power, and now he just wants to live a life without competition with Ginger.

Seeing his resignation, Mona was stunned, and then said seriously: “The younger generation of the entire Rakshasa clan, except you, no one can take on this important task.”

“Your father has worked diligently for decades for the economic development of our Rakshasa. I hope you can inherit his legacy and continue to contribute to our Rakshasa just like him.”

At the end of the story, Mona’s eyes flashed a strange light: “I heard that you were the first to use the sunset bow and successfully inspired the power of the sunset bow, right?”

Uh.....

Hearing such a question suddenly, Tie Bowen was stunned for a moment, then nodded and said, “Yes.”

Mona said no more and waved her hand.

In an instant, the maid behind him understood, and hurriedly left the hall, returning shortly after, holding a delicate rectangular wooden box in her arms.

Swish!

At this moment, whether it was Tie Bowen or the eyes of other people present, they all focused on the wooden box. I vaguely guessed something in my heart.

“Iron Bowen!”

At this time, Mona motioned to the maid, handed the wooden box to Tie Bowen, and said earnestly: “The greater the ability, the greater the responsibility, the King Sakura gave you the sunset bow today, I hope you can get such a magical weapon and do your best to protect Luo The safety of the clan.”

call!

Tie Bowen took a deep breath, slowly opened the wooden box, and saw that there was a beautiful longbow quietly placed inside, the whole body shone with golden light, and the body contained infinite power.

It is the sunset bow.

For a time, Tie Bowen lightly stroked the arched back with both hands, feeling indescribable in his heart.

I really didn't expect that at the beginning, because of this bow, the family was destroyed. In the end, after a long circle, this bow was returned to my hands.

Could this be God's will?

“Brother Bowen!”

At this moment, Ginger came over and hugged Tie Bowen's arm tightly, with a smile on his face: “Congratulations.” The beloved man, not only became the general, but also got the sunset bow weapon. Happy for him from the bottom of my heart.

Tie Bowen smiled: “Do you like it?”

Ginger did not answer immediately, but tilted his head to think for a while, and said with a smile: “No matter what kind of person you become, I like it.”

“I Have a Scroll of Ghosts and Gods”

call....

Hearing this, Tie Bowen took a deep breath, immediately clenched the sunset bow, and knelt down toward Mona: “Don’t worry, Your Majesty, I will definitely live up to Your Majesty’s expectations.”

Hearing this, Mona was very relieved and nodded approvingly: “Okay, okay, get up.”

Tie Bowen stood up in response, and then looked at Ginger.

The next second, Tie Bowen said, “Your Majesty, I have something to report to you.” In the next few minutes, Tie Bowen explained what happened to the Nalan family, the situation that Tianmen was targeted by Qin Tianjian, and his own What I saw and heard, all said in detail.

At the end of the story, Tie Bowen looked solemn: “Today’s Kyushu Continent is peaceful on the surface, but in fact undercurrents are surging. My subordinates think that our Rakshasa clan can’t stand by and watch, please make a decision.”

What?

Upon learning of these circumstances, both Mona and the leaders present were shocked.

Chapter 4125

Especially Mona, her delicate body trembled, and her delicate face couldn’t hide her worry.

Tianmen was targeted by Qin Tianjian, and he didn’t know what happened to Darryl.

When she thinks of Darryl, Mona has an indescribable feeling in her heart...

At this time, the leaders present also began to discuss.

“The so-called dead lips and teeth are cold, if the Kyushu is completely in chaos, it will be difficult for our Rakshasa clan to be peaceful.”

“Yes, we have to take measures to deal with it as soon as possible.”

“Yes, you can’t sit still.”

When the discussion came, Mona pondered for a moment, and soon had a calculation.

“Iron Bowen!”

The next second, Mona looked at Tie Bowen and said slowly: “You said it right now, the situation in Kyushu is turbulent, we can’t stand by and watch, tomorrow morning, order you to lead 100,000 cavalry, go to Kyushu to help Tianmen, help the Nalan family Eliminate foreign enemies!”

Tie Bowen was overjoyed, and hurriedly knelt down and said loudly, “Yes!”

At the same time, Ginger was also indescribably excited and grateful, and knelt down: “Thank you, Your Majesty!”

Mona raised her jade hand, motioned the two to get up, and then explained a few more words.

Half an hour later, Tie Bowen and Ginger left the palace hall and went to worship in front of Timur’s tomb. “father!”

When he arrived at the tomb, Tie Bowen collapsed instantly, screamed and knelt down, crying non-stop.

Seeing this scene, Ginger didn't feel good in his heart. He gently stroked his back and accompanied him quietly.

“father..”

The more Tie Bowen cried, the more saddened he became. He kept blaming himself: “It's all my fault. If I hadn't taken Wushuang to the forbidden ranch on a whim, nothing would have happened. It was I who harmed you and the whole family.”

“My son is unfilial...”

Seeing her so sad, Ginger couldn't help comforting her and said, “Brother Bowen, don't be like this. Uncle in the spirit of heaven will be very sad when he sees you so sad.”

“Furthermore, everything is not your fault alone. If you want to blame it, it's that Itel. He has long had the intention of treason.”

Hearing the consolation, Tie Bowen gradually calmed down and choked at the tombstone: “Father, my son is now a general. Her Majesty the Queen appreciates me very much. Don't worry, I will revive the glory of the family and not embarrass you.”

“Fairy Wood”

Tie Bowen knelt in front of the tomb for a long, long time, until it was dark before leaving with Ginger.

Early the next morning, Tie Bowen put on the armor of a general and led a hundred thousand Rakshasa cavalry, accompanied by Ginger, and marched mighty towards Kyushu.

.....

the other side.

Darryl flew for more than two hours and finally arrived at the Nalan Family Manor.

Swish!

At this moment, the family disciples who were guarding the gate all locked on Darryl in midair, and their expressions changed drastically.

Darryl?

Why is he here?

In the next second, one of the disciples reacted, took a step forward, pointed at Darryl and shouted: “Darryl, you still dare to come here, your daughter injured our patriarch, how do you explain this?”

As soon as the words fell, the other disciples of the family looked at Darryl with anger flashing in their eyes.

Previously, Tracy severely injured Nalan Hongzheng. The disciples took him back to the manor and took good care of him. However, Tracy’s big ice dragon palm was too powerful. Nalan Hongzheng was seriously injured and is still in a coma.

What?

At this time, when he heard the other party’s anger, Darryl couldn’t help frowning secretly.

Frost injured Nalan Hongzheng? When did this happen? I do not know how?

Muttering in his heart, Darryl was too lazy to talk nonsense, suspended in mid-air, and said coldly: “I don’t know about this, let’s not mention it for the time being, I’ll come to Nie Zhan, and let him come out to see me quickly.”

When he said this, Darryl’s face was calm, but his heart was burning with anger.

Old Master Su and dozens of lives in the town are too numerous to list. This account must be settled with Gone.

If it was a few days ago, Darryl would never have dared to be so flamboyant, but now that his strength is almost restored, he is not afraid to fight Gone head-on.

Is he looking for Nie Zhan?

Hearing Darryl's words, the family disciples below looked at each other in dismay.

This Darryl is too arrogant, the patriarch was beaten so hard by your daughter, why don't you mention it if you don't mention it?

Chapter 4126

In anger, the leading family disciple couldn't help shouting angrily: "Darryl, don't do this, you must explain the matter of our patriarch."

"Otherwise, you won't want to leave today."

The last word fell, and the disciple pulled out his long sword.

shhhhhh...

At the same time, the other disciples also pulled out their weapons, and the atmosphere instantly became tense.

A bunch of idiots.

Facing this situation, Darryl did not panic at all, but frowned and cursed inwardly.

The next second, Darryl was too lazy to pay attention to these people. At that time, he shouted at the manor with a dantian: “Goni, you are killing innocent people. If you have the courage to do it, you must have the courage to admit it, and get out.”

The majestic voice spread throughout the manor, and everyone’s heart trembled when they heard it.

In particular, the family disciples who were guarding the gate were even more shocked when they looked at Darryl.

This Darryl is worthy of being a peak powerhouse in Kyushu, but just by shouting, he almost disturbed his dantian. With such strength, I am afraid that the entire Kyushu will not be able to find a second one.

But at the same time as the shock, these disciples were even more angry.

Darryl shouted so much, and he didn’t take the Nalan family seriously.

“Darryl!”

In anger, the leading disciple couldn’t help but shouted, “This is not the Heaven’s Gate, it is not the place where you go wild.”

hum!

The voice fell, and the headed disciple’s inner strength exploded, clenching the long knife, and rushing directly towards Darryl.

The other disciples around erupted one after another.

“Go away!”

At this time, Darryl was very annoyed. Seeing the people rushing up, he was too lazy to talk nonsense at that time. After shouting angrily, he raised his hand and waved.

In an instant, the surrounding air suddenly distorted.

“Roar!”

Immediately afterwards, a dragon roar sounded, and nine golden dragons condensed out around Darryl. These nine golden dragons, each 100 meters long, were lifelike, and the pervading power was even more suffocating.

That’s right, what Darryl performed was the first stunt he practiced back then, Nine Streets Ascension to Heaven.

hiss!

Seeing the appearance of the nine golden dragons, the disciples of the Nalan family couldn’t help gasping for air and trembled in their hearts.

boom!

In the next second, nine golden dragons erupted, and the terrifying power raged through the crowd. The disciples who were affected by the power all let out a miserable howl, and one by one, they were shaken and flew out, and finally fell to the ground and passed out.

Although Darryl was angry, he had not lost his mind. When he used Nine Streets Ascension to Heaven just now, he only used three points of his strength. Otherwise, these disciples would have already entered the gate of hell.

“what’s the situation?”

“Someone came looking for something...”

“It’s Darryl!”

Hearing the movement, more disciples in the manor rushed out, and when they saw Darryl suspended in mid-air, they were all stunned, and they couldn't hide the fear in their eyes.

At the same time, a slender figure flew over.

It was Nalan gladly.

Swish!

Arriving at the gate, Nalan was pleased to see the scene in front of her, and she was immediately angry. She clearly saw that dozens of disciples fell to the ground, unconscious. Although they were not life-threatening, they had to rest for at least a month. recover.

The next second, Nalan gladly locked his gaze on Darryl in midair: "Darryl? What do you mean by coming to my Nalan family to make trouble?" The tone was cold and without any emotion.

Um?

Facing the question, Darryl did not answer immediately, but quietly looked at Nalan Xinran, frowning secretly.

It seemed that what Senior Shennong said was right, Nalan Xinran seemed to be really under control.

Darryl clearly noticed that Nalan Xinran in front of him seemed to be the same as before, but there was a faint black air between his brows. Not only that, but his eyes were cold and indifferent, which was a sign that his mind was being controlled.

Upon discovering this, Darryl did not show it immediately, but asked lightly, "Old classmate, I don't mean to make trouble, I just want to talk to your fiancé, what about others?"

As he spoke, Darryl watched the surroundings vigilantly.

You know, Gone is insidious and cunning, and his methods are very spicy, and he may be hiding in the dark.

“He’s not in now!”

Nalan looked indifferent and said coldly: “I don’t care about you, your daughter hurt my father, and you hurt so many of my family disciples just now, what are you going to explain?”

Chapter 4127

Uh.....

Facing Nalan’s happy and cold attitude, Darryl scratched his head very helplessly.

Once a classmate of Shangwu Academy, Darryl knew Nalan Xinran’s personality very well. Back then, she was a famous iceberg beauty in the class and even in the school. Unexpectedly, after being controlled by Gone at this time, she became even more ruthless and ruthless. .

She understands what she said so clearly, and she still cares so much.

Thinking to himself, Darryl smiled bitterly at Nalan and said: “Old classmate, don’t be cold when you meet. If these disciples didn’t take action just now, I wouldn’t fight back.”

“Besides, I just knocked them unconscious, and didn’t kill them...”

Speaking of this, Darryl looked around and was sure that Gone was not there, so he didn’t want to stay any longer: “Since he’s not here, I won’t bother. Please tell him that I will definitely find him after dozens of lives. Get justice.”

When the last word fell, Darryl turned and left.

To be honest, Darryl didn't want to leave just after learning that Nalan Xinran was under control, but Nalan Xinran was only under control and had no life worries for the time being.

The most important thing right now is to return to Donghai City as soon as possible to investigate the situation of Lorenzo.

“stop!”

However, after walking too far, Nalan happily and coldly shouted from behind: “When someone from our Nalan family joins us, do you want to leave?”

hum!

When the words fell, Nalan's inner strength exploded with pleasure, her delicate body rose up, and she clenched her long sword and quickly stabbed towards Darryl's back.

“The Female President's Almighty King”

This sword contains Nalan Xinran's ten successful powers. It can be clearly seen that where the sword edge passes, the surrounding air is suddenly torn apart, and the power is amazing.

“Old classmate, what are you doing?”

Seeing that Nalan Xinran stabbed with a sword, Darryl sighed, immediately exerted his divine power, dodged the sword, and then fought with Nalan Xinran in mid-air.

In order to avoid hurting Nalan Xinran, Darryl did not dare to burst out with all his strength, but just blindly defended.

call.....

At this moment, the disciples of the family watching below stared at the two people in the air, each of them couldn't help cheering for Nalan Xinran.

“Miss, take down this villain.”

“Never let him run away...”

“What Jiuzhou hero, it's just that...”

In the eyes of these family disciples, Darryl was forced by Nalan Xinran's long sword to be in a hurry, and he had no power to fight back at all. Fortunately, he was still a hero of Jiuzhou, and he was a person who made a name for himself.

None of them knew that Darryl did not want to hurt Nalan Xinran, and wanted to do so.

Under such circumstances, Nalan gladly used his sword to become more and more fierce, and each sword aimed directly at Darryl's body. This made Darryl speechless.

well!

Soon, Darryl reacted and couldn't help laughing at himself in his heart.

What am I doing? Nalan Xinran has been controlled, even if she saw that her classmates had made her in the past, she didn't know it.

Thinking about it, Darryl's whole body exploded with power and turned from defense to offense.

In less than two seconds, Darryl found an opportunity to dodge Nalan Xinran's sword, flipped his wrist, slapped Nalan Xin with a palm and then backed.

This palm was fast and urgent, and Nalan Xinran didn't have time to dodge at all. At that time, her pretty face changed, and she could only use her internal force to meet her with a palm.

boom!

In an instant, the palms of the two sides collided, and a dull sound was heard. Nalan Xinran's delicate face flushed red, and her delicate body was also shaken back by the air.

What?

Seeing this scene, the disciples watching below all changed their faces, secretly surprised.

Didn't the eldest lady have the upper hand just now? Why did you lose all of a sudden?

Whoosh!

Just when everyone was surprised, Darryl took advantage of the situation to pursue, and without waiting for Nalan Xinran to stabilize her figure, she raised her hand to touch her acupuncture point. At that time, Nalan Xinran trembled and couldn't move.

"You..." Nalan was very surprised and shouted, "Let go of me."

Darryl showed a smile and said slowly: "Old classmate, I don't want to do this either, but you are being controlled, so I can't do anything about it. So, looking at our previous classmates' friendship, I will take you to see Senior Shennong for treatment. ."

When the voice fell, Darryl picked up Nalan Xinran by the waist, showed his figure, and flew towards the sky in the distance.

Chapter 4128

Swish!

Seeing this situation, many family disciples present were all furious.

This Darryl was really daring, and even kidnapped the eldest young lady.

What's even more hateful is that the eldest young lady is about to get married, but now she is being held by Darryl, what does it look like?

“stop!”

“Darryl, put down our eldest lady.”

Amidst the angry shouts, the disciples rushed towards Darryl like a tidal wave.

Bunch of idiots.

Seeing the people behind him, Darryl was speechless and said loudly, “Your eldest lady is in my hands, it will be very safe, you should go back and take good care of Patriarch Nalan.”

The last word fell, and Darryl raised his hand and waved.

hum!

As the air vibrated, a purplish red flame erupted, and in less than a breath, a sea of purplish flames formed behind Darryl.

Yes, what Darryl displayed was the Red Lotus Karmic Fire.

In the blink of an eye, where the sea of fire permeated, everything turned into a fly ash.

hiss.....

Seeing the power of this flame, the disciples who were chasing after them couldn't help gasping for air, and stopped one by one, with deep fear flashing on their faces.

Taking this opportunity, Darryl took Nalan to the sky with joy and disappeared from sight.

Darryl thought about it. After all, he was a classmate, so he couldn't ignore it, so he took Nalan Xinran to Shennong and asked him to help him heal Nalan Xinran and get out of Gogne's control.

After Nalan Xinran's situation is resolved, go to Donghai City.

At this time, in midair.

Nalan was delighted to be tapped on the acupuncture point and could not move at all, but being held in his arms by Darryl made her very uncomfortable, her face flushed red, and she kept making a noise.

"Darryl, let me down!"

"Asshole, let me down..."

Darryl looked helpless: "We are now at an altitude of more than 1,000 meters. If you let you down now, wouldn't you fall to your death?"

While speaking, Darryl couldn't help but admire Nalan Xinran up close.

I have to say that Nalan Xinran is truly stunning in the arena of Diyu Continent. Thinking back to the time when we went to school together is still vivid in my mind.

But after so many years, she hasn't changed at all, instead she has become more and more feminine.

At the same time, Darryl felt a little dizzy when he smelled the fragrance from Nalan Xinran's body again.

At this time, Nalan Xinran, because he was controlled, didn't notice Darryl's strange eyes at all, but was simply caught, and he was very angry.

"let me go..."

“Did you hear me, let me go.”

Seeing her non-stop shouting, Darryl had a headache, and finally had to knock her unconscious.

call!

The whole world was instantly purified, Darryl breathed a sigh of relief, and sped up to the place where Shen Nong lived in seclusion.

.....

On the other side, the small courtyard by the lake where Shennong lived in seclusion.

In the pavilion in the courtyard, Shen Nong sat there, dozens of medicinal materials and several prescriptions were placed on the stone table in front of him.

Su Xueying stood there respectfully.

“Art is broad and profound, and there is no end.” At this time, Shennong’s face was full of kindness, and he slowly said: “You must keep in mind the few things that I will teach you today.”

“Understood, Master.” Su Xueying nodded obediently.

When she and Shennong first came here yesterday, Su Xueying was still sad because of her grandfather’s death, but under Shennong’s teaching, she was immersed in the vast medical world.

It was only now that Su Xueying knew that her family’s medicine, in the thousands of years of medical inheritance, was just a drop in the ocean, and being taught by Shennong seemed to open a whole new door...

Um!

Seeing his apprentice being so well-behaved, Shennong nodded his head in relief: “Okay, take the prescription, take a look at it, and take a break for the teacher.” After speaking, he lay down on the chair and slowly closed his eyes.

Su Xueying responded, sat at the stone table, picked up the prescription and studied it carefully.

“Haha...Old Shennong...”

However, at this moment, there was a burst of laughter outside the yard, and then, a figure climbed over the wall and entered.

Dressed in black, his face is full of stubble, and his facial features are Zhou Zheng. At first glance, he looks like a calm middle-aged uncle, but there is a frivolous frivolity in his eyes.

It was Zhu Bajie.

Chapter 4129

“Hey!”

Seeing someone breaking in, Su Xueying was startled, and then she stepped up with courage: “You... Who are you? How can you break in casually?”

This person is really rude. Didn’t he see the door was closed and jumped in.

Moreover, this is the place where Shennong lived in seclusion.

well!

Just when Su Xueying questioned, Shennong opened his eyes and saw that it was Zhu Bajie, and immediately sighed, shaking his head with a headache.

Why is this guy here again...

“Yo?”

At this moment, Zhu Bajie stared closely at Su Xueying, as if he had discovered a new world, and said with a smile, “What a beautiful beauty, beauty, what’s your name? How old are you this year? Are you married?”

As he spoke, Zhu Bajie couldn’t help looking at Su Xueying up and down, the more he looked at it, the more it tickled his heart.

The beautiful woman in front of her has delicate facial features, and her figure is not to be mentioned. She has beautiful curves and s3x, especially this kind of Xiaojiabiyu’s temperament. Any man will lose his mind when he sees it.

Zhu Bajie was lecherous, and when he saw Su Xueying at this time, he immediately revealed his true nature.

“Shameless...”

Seeing him talk more and more, Su Xueying’s face flushed, she couldn’t help spit, and she said with a show of anger, “You are so bold, you speak frivolously and rudely, do you know where this place is?”

Zhu Bajie didn’t panic at all, and said with a smile: “Of course I know.”

As he said that, Zhu Bajie turned his head towards Shennong and joked: “I can’t see it, old Shennong, you look like a sane person on weekdays, but you are also doing a ‘golden house hiding arrogance’ behind your back. , where did you get this beauty from?”

Zhu Bajie and Shennong had known each other for a long time, and they had always spoken openly.

“Freeze said!”

Shen Nong looked depressed and said sternly: “What Jinwu Zangjiao, this is my new apprentice, Su Xueying.”

Female apprentice.

Hearing this, Zhu Bajie was stunned, and then jokingly said with a smile, “You old man has a good eye. Looking for an apprentice, and someone so beautiful.”

Afterwards, Zhu Bajie looked at Su Xueying again: “Su Xueying, ah, this name is not bad, very poetic.”

“you....”

At this moment, Su Xueying realized that the person in front of her was Master’s friend, but seeing his hilarious smile, she was indescribably resisted.

“Don’t be afraid, apprentice!”

At this time, Shen Nong walked over slowly and said with a smile: “This is Zhu Bajie, who likes to joke with people the most. If you don’t like it, just ignore it.”

What? Zhu Bajie?

Hearing this, Su Xueying’s delicate body trembled, and she was stunned.

The man in front of him with a serious speech and a frivolous face was the famous Zhu Bajie who disturbed the Beiyang Imperial City back then?

Although Su Xueying seldom left her hometown, she had also heard of some incidents on the rivers and lakes. Back then, the sudden death of Emperor Houyi was rumored to be caused by the rendezvous between Empress Chang’e and Zhu Bajie.

Although the rumor was later refuted, Zhu Bajie’s name also spread all over the country.

It's just.... the person in front of him speaks so frivolously, and the impression of Zhu Bajie is 108,000 miles away. Also, according to rumors, Zhu Bajie is an extremely handsome guy, how does he look like an uncle?

“he....”

Muttering in her heart, Su Xueying couldn't help but asked Shennong, “Master, are you right, he is Zhu Bajie?”

Shennong smiled and was about to answer, but was interrupted by Zhu Bajie.

“hey-hey...”

At this time, Zhu Bajie touched the stubble on his chin and smiled at Su Xueying: “There is no need to doubt the beauty, I am Zhu Bajie of real value. I was really distressed, so I asked old Shennong to change my face.”

When talking, Zhu Bajie looked proud.

Seeing his appearance, Su Xueying was a little amused, she couldn't help but pouted, “I'm so thick-skinned, I'm bragging about myself.”

Hearing this, Zhu Bajie wasn't angry at all, but leaned over and said with a smile: “Beauty, what's so good about studying medicine with old Shennong, studying medicines here all day, how boring, why don't you walk the rivers and lakes with me. “

“As long as you are willing, I will pass on you the most powerful secret in the world, and I will ensure that no one dares to bully you if you learn it.”

Chapter 4130

Facing Zhu Bajie's extraordinary enthusiasm, Su Xueying quickly took a step back, shook her head and said, “I won't learn from you.”

At this time, Shen Nong couldn't stand it anymore, and waved at Zhu Bajie: "Go go... This is the apprentice I have thoughtfully accepted, don't make bad ideas."

hey-hey....

Seeing Shennong's words, Zhu Bajie scratched his head, and temporarily became honest: "Are you kidding me, why are you so serious?"

Shen Nong was too lazy to talk nonsense, and said lightly: "What are you doing with me again?"

Zhu Bajie touched the beard and said with a smile: "I'm tired of using this face, it's very boring, I think, let you change my previous appearance back."

When saying this, Zhu Bajie looked relaxed.

What?

Hearing this, Shennong was so angry that his beard blew up: "What kind of place do you think I am? You can change a face if you want, do you know how much talent and energy it takes to change your appearance? ?"

As he said that, Shennong waved his hand angrily: "I've been very busy recently, and I don't have time, so hurry up and leave."

This Zhu Bajie treats this place as his own. He can come here whenever he wants, and do whatever he wants. It's really annoying.

This....

Su Xueying was also secretly amazed by what she was listening to.

It seems that he is really Zhu Bajie, but there is something wrong with his brain. He used to be so handsome, he had to become a middle-aged uncle, and now, he wants to change back...

“hey-hey....”

Seeing Shennong’s angry face, Zhu Bajie had a smile on his face: “Why are you still angry? I didn’t tell you to help me now, you don’t have time, I can wait.”

As he spoke, Zhu Bajie sat on the stone bench next to him, staring at Su Xueying, obviously, he was going to stay here for a long time. Moreover, the purpose is not only to change his appearance, but also to have more contact with Su Xueying.

What kind of character is Shen Nong? In an instant, I saw Zhu Bajie’s intention, and said angrily at that time: “You don’t mess around. Recently, I want to teach my disciples, so I can’t be disturbed.”

“You hurry up and don’t disturb us.”

This Zhu Bajie is as lustful as his life, but he must take good care of his apprentice, and he cannot be fooled by him.

Zhu Bajie looked like a dead pig that wasn’t afraid of boiling water, and said slowly, “Why do you keep driving me away? You teach your disciples, so I won’t bother you.”

“Besides, your apprentice is so beautiful, what if there are bad people to make trouble? I’m here to protect you all.”

Seeing his appearance, Shennong was both angry and funny: “Get out, you are the bad guy.”

“Old Shennong, you are slandering...”

“Don’t be long-winded, hurry up!”

“Hey, I’m not leaving.”

Seeing how the two were arguing, Su Xueying couldn’t help laughing, but she still couldn’t help but laugh out loud.

“Senior Shennong!”

Just as the two were arguing, shouts came from outside the yard again.

Swish!

At this moment, Shen Nong and Su Xueying all looked up and saw Darryl hugging a slender figure, descending from the sky.

The woman in her arms looked beautiful and beautiful, but she closed her eyes and was in a coma.

It was Nalan gladly.

“Brother Zhu?”

At the moment of landing, Darryl saw Zhu Bajie sitting in the pavilion, and was surprised and happy: “Haha, you are here too.”

Zhu Bajie sighed: “Hey, don’t mention it, this old man is about to drive me away.”

Having said that, Zhu Bajie explained the situation again, and finally said: “Brother Darryl, you come to judge, based on my friendship with old Shennong, is it inappropriate for him to drive me away like this?”

Uh.....

Darryl scratched his head and smiled bitterly: “I’m not involved in your business.”

Darryl knew Zhu Bajie too well, so the main purpose of staying so deadly was not to change his appearance at all, but to get close to Su Xueying.

Seeing that Darryl was not facing him, Zhu Bajie sighed very boringly, and then saw Nalan Xinran, his eyes suddenly lit up: "I'm going, where did my brother catch the beauty?"

"Tsk ts, it's like a fairy, not inferior to Chang'e back then."

While admiring, Zhu Bajie surrounded Nalan with joy.

Chapter 4131

Seeing Zhu Bajie like this, Darryl didn't know whether to laugh or cry, and explained: "Brother Zhu, don't get me wrong, this is my former classmate. Because she was controlled, I used this method to capture her."

Zhu Bajie was stunned: "It's just an old classmate, not your woman."

When saying this, Zhu Bajie looked complicated.

When I was with Darryl in the past, there were ten beauties I met, all of whom were related to him, which made Zhu Bajie have a shadow in his heart.

Darryl smiled: "Of course not, but they are getting married soon."

well!

Hearing this, Zhu Bajie couldn't help sighing: "Unfortunately..."

At this moment, Shennong walked over quickly, checked the situation of Nalan Xinran, and asked, "Darryl, have you gone to the Nalan family?"

Um!

Darryl nodded and told the situation: “It’s a pity that Gone is not in the Nalan family. At that time, I was about to leave and go back to Donghai City. She stopped me, so I had to bring her out.”

After speaking, Darryl’s expression became solemn: “If my guess is correct, Gone is using the demon’s soul control technique to control him. Although I have the power of the primordial spirit, I don’t know how to solve it. Seniors, spend more time.”

call.....

Shen Nong took a deep breath, nodded silently, and said with emotion: “Speaking of which, I am also responsible for this girl being controlled. If I hadn’t asked her to secretly use medicine for the Nalan Patriarch, the matter would not have been exposed.”

Having said that, Shennong pondered for a while, and continued: “I know a little about the soul control technique of the demon race, so I can try it.” The last word fell, and Darryl took Nalan into the room with joy.

“Old Shennong!”

At this time, Zhu Bajie looked urgent: “Do you need my help?”

Shen Nong glanced at him and said lightly: “Stay outside the door, don’t let anyone disturb me.”

okay!

Zhu Bajie responded and turned to sit in the pavilion. Shennong said this, indicating that he would not be driven away for the time being.

Just sitting down, Zhu Bajie said to Su Xueying, “Beauty, I have an interesting trick, do you want to learn it?”

“No learning, no interest.” Su Xueying replied lightly, turning around and entering the room to help.

Well...

Touching a soft nail, Zhu Bajie felt a little embarrassed. He touched his nose and said to Darryl, “Are all the beauties so cold now?”

Ha ha....

Seeing him like this, Darryl couldn't help laughing.

Years have passed, but Zhu Bajie's lustful nature has not changed.

Thinking to himself, Darryl took out the chess pieces under the stone table: “Brother Zhu, we haven't played chess for a long time, let's play chess.” With Zhu Bajie's personality, he would definitely not be able to go to the room to disturb him, so he must give it to him. Just find something to do.

“Come on...”

As soon as he heard the game of chess, Zhu Bajie's eyes lit up in an instant, he rolled up his sleeves, and began to play against Darryl. Zhu Bajie had two hobbies, one is beauty, and the other is to play chess.

.....

the other side! Nalan family.

The sea of fire formed by Darryl's red lotus karmic fire lasted for more than half an hour before it completely disappeared.

For a time, the faces of the family disciples present were extremely ugly.

It was a shame for the family that the eldest lady was taken away by Darryl.

hum....

At this moment, there was a powerful aura fluctuation from the sky in the distance, and then, a figure came quickly, with a cold expression, and the whole body was filled with a powerful aura.

It was Gogne.

After killing Mr. Su and others in the small town before, Gogne searched carefully within a radius of 100 miles, but could not find the whereabouts of Shennong. In desperation, he had to temporarily return to the Nalan family.

Um?

When he got to the front, Gogne frowned suddenly, and saw that the open space in front of the family gate was scorched black by the fire. Hundreds of family disciples stood there, each with a look of resentment.

“What happened?” Gogne couldn’t help asking.

A disciple came out and couldn’t hide his anger: “The eldest miss was taken away by Darryl.” Then, he explained the situation at that time in detail.

What?

Hearing this, Gogne’s face sank and he was furious.

Good you Darryl, I didn’t go looking for you, but you took the initiative to come to the door and took away my beloved woman

Chapter 4132

In anger, Gone commanded the crowd: “Be optimistic about the manor, and if outsiders make trouble, kill them.”

Whoosh!

The voice fell, and Gone’s figure erupted, turning into a streamer and heading into the distance.

Seeing this scene, the family disciples present were secretly surprised.

“So fast...”

“When did Senior Brother Nie Zhan’s strength become so powerful... Also, Darryl seemed to be calling ‘Goni’ before...”

“Yeah, I also feel that Senior Brother Nie Zhan is a little weird during this time...”

During the discussion, everyone’s faces were filled with doubts.

.....

On the other side, Xi Cang Continent.

Located in the northwest of Xicang Continent, is a desolate Gobi Desert. This Gobi Desert stretches for nearly a thousand miles, and after the past is the Rakshasa tribe.

In the Gobi Desert, there are many oases, but because of the harsh environment, few people live there, but it has become a paradise for sand thieves.

Among them is an oasis in Moon Bay, with a complex geographical environment, surrounded by a clear lake surrounded by peaks and cliffs.

On the most dangerous peak, there is a stone fortress. The fortress is completely built of boulders. There is only a small intestine path from bottom to top, which is easy to defend

and difficult to attack. This place is called Flying Eagle Fort, which is the most powerful gathering place for sand thieves in this Gobi Desert.

At this time, in the main hall of Flying Eagle Castle, the leader Yan Fei sat lazily on the throne, tasting the wine he had just grabbed a few days ago. Beside him, two maids waited cautiously.

Speaking of which, Yan Fei is not a local, but a direct disciple of Situ Wangqing, the owner of Wangyou Valley.

Many years ago, Maria was caught by the weather royal family. At that time, Clint coveted her beauty and planned to do something wrong, but was discovered by his wife Patsy at a critical moment. In desperation, Clint had to give Maria to Wangyou. Valley disciple.

After Maria was brought into Wangyou Valley, the owner of the valley, Situ Wangqing, forcibly poured Wangyou water down, which eventually led to amnesia.

Later, after Darryl helped Maria recover her memory, she was very annoyed when she learned what happened to her. At that time, she issued an order at Tianmen to suppress Wangyougu with all her might.

It was the heyday of Tianmen at that time, and Wangyougu was naturally not an opponent. Under the suppression for several years, the disciples in the valley fled and scattered, and the owner of the valley, Situ Wangqing, also fled and died on the way.

After Situ Wangqing died, Yan Fei went all the way west, and finally came to Flying Eagle Fort and joined the Sand Pirates.

In just a few short years, Yan Fei gained the trust of the previous leader with his powerful strength. From a sand thief at the bottom, he was promoted step by step. After the death of the previous leader, he was logically called the new leader.

“Brother Fei!”

Just when Yan Fei was enjoying it leisurely, a sand pirate ran in happily and shouted, “Brother Fei, happy event, happy event, haha...”

call!

Seeing how he was yelling, Yan Fei frowned, put down his glass, and said angrily: “How many times have I told you, don’t yell when you are in trouble, what’s it like? Also, call me later. My boss, don’t call me Fei Ge.”

When he said this, Yan Fei had a headache.

Being in the company of these sand thieves really lowered my level.

Uh.....

Seeing that Yan Fei was a little unhappy, the sand thief scratched his head and said with a smirk: “I forgot it in a hurry just now, don’t blame the big leader.”

Yan Fei was too lazy to talk nonsense and waved his hand: “Tell me, what’s the matter?”

The sand thief suddenly became excited, and said with a beaming expression: “Boss, we were patrolling outside just now and found a woman, oh, who looks like a fairy.”

Saying that, the sand thief flattered: “We have already brought her, just outside the hall, hehe, it’s just right for this woman to be the chief’s wife.”

Since Yan Fei became the big leader, he has been widowed because he missed his previous life in Wangyou Valley. The sand thieves below wanted to find him a wife. With a home, his heart would be settled.

However, Yan Fei’s enthusiasm for them was helpless.

“yes?”

At this time, when Yan Fei heard his subordinates' words, Yan Fei couldn't help crying and laughing: "You guys, whether you can think about something serious every day, you have said it many times. You don't have to worry about me."

"Brother Fei, oh no, big boss." The sand thief scratched his head: "That woman is really beautiful, and she seems to have an extraordinary origin, you really haven't seen her?"

Chapter 4133

"it is good!"

Yan Fei thought about it, nodded and said, "bring her in."

Anyway, it's okay today, just see if this woman is as beautiful as they say.

okay!

With permission, the sand thief responded, walked out quickly, and walked in with a slender figure in a short while.

I saw that this woman was wearing a long white dress, with finely crafted facial features, a graceful figure and charming curves.

This woman is Hai Ling'er.

Back in the Wudang faction, Hai Linger, Gary, and Darryl faced the heavy siege of Qin Tianjian. At the critical moment, Hai Linger took out the magic talisman and escaped. Because of the uncertainty of the divine rune, Hai Ling'er was teleported to this Gobi Desert.

Hai Linger grew up in the sea since she was a child. She had never experienced such a harsh environment. At that time, she walked in the desert for a day and a night without going out. In the end, she was tired and thirsty and passed out next door.

Half an hour ago, the sand thieves of Flying Eagle Castle went out on patrol, found Hai Linger by accident, and brought her back.

Swish!

At this moment, seeing Hai Linger's alluring face, Yan Fei's expression was startled, and his eyes were straight.

Beautiful, so beautiful.

This kid really didn't lie to me, is this a fairy descending to earth?

To be honest, the two maids beside her were carefully selected for half a year, but in front of this girl, they were completely overshadowed.

"you..."

Just when Yan Fei was fascinated, Hai Linger's red lips lightly opened, and she said weakly: "Who are you? Why are you arresting me?" Hai Linger was very anxious when she spoke.

There are desert Gobi everywhere here, and I don't know where it is.

There are also Brother Wu Ya and Uncle Darryl, who do not know where they have been sent.

"Ha ha!"

Hearing the question, Yan Fei recovered and said with a smile: "Don't panic, beauty, this is Eagle Castle, and I am the leader here. Don't worry, we have no grievances or enmity, and I will not hurt you."

Saying that, Yan Fei tentatively said: "Dare to ask the beauty's name."

call!

Hai Ling'er let out a sigh of relief and said slowly, "My name is Hai Ling'er."

Hailinger?

Hearing this name, Yan Fei recited it several times in his heart, and then his heart was shocked, and he quickly asked: "Could it be, which princess of the sea shark clan are you? The confidante of Gary, the current Tianmen sect master?"

In the past few years, Gary's reputation in the arena has become more and more famous, and the love between him and Hai Linger is unknown in the rivers and lakes. Yan Fei is naturally aware of these situations.

Swish!

Seeing that he asked so straightforwardly, Hai Ling'er's delicate face suddenly blushed, but she still nodded, "Yes."

Immediately, Hai Ling'er looked at Yan Fei seriously: "Since you know who I am, please let your subordinates untie me and let me go." The group of people in front of them are small forces in the desert Gobi, and they dare not Compete with Tianmen.

"Ha ha..."

However, when he heard Hai Ling'er's words, Yan Fei didn't mean to loosen his ties at all, but instead burst into laughter.

Hai Linger frowned: "What are you laughing at?"

"hey-hey!"

Yan Fei picked up a glass of wine, took a leisurely sip, and said with a wicked smile: “If you were a woman from an ordinary family, maybe I would be kind and let you go, but unfortunately, you are Gary’s woman, so I will never let you go. I can’t let you go.”

“you....”

Seeing him say that, Hai Ling’er was furious, and at the same time, she was also thinking about it in her heart.

There is resentment in Yan Fei’s words, and he obviously has a grudge with Tianmen, but when he was with Wu Ya before, I never heard him talk about this person.

“Reincarnation Paradise”

“No need to guess.”

At this time, Yan Fei saw Hai Linger’s eyes flickering, and couldn’t help laughing: “I have no grudge with Gary, but the grudge with his father, Darryl, is inexorable.”

“I’m not afraid to tell you that I used to be a disciple of Wangyougu. Back then, Darryl was angry with Wangyougu because of Maria’s incident, which caused me to be a disciple of Wangyougu. Under the chase, he died on the way to escape.”

“Although I escaped, but for so many years, staying in such a ghost place is no different from dying.”

At the end of the story, Yan Fei looked at Hai Linger with a burning gaze, and a hint of evil evoked the corner of his mouth: “It seems that God has eyes and sent Darryl’s future daughter-in-law to me. You said, I should What shall I do with you?”

Chapter 4134

What?

Hearing these words, Hai Ling'er's delicate body trembled, and her heart instantly panicked.

She had already heard about Maria's memory loss back then and heard Gary say it.

After Maria lost her memory, she was coaxed by Mateo to deal with Darryl, causing Darryl to be surrounded several times. Because of this, Darryl decided to destroy Wangyougu.

It's just that Hai Ling'er never thought that she would encounter a slippery fish in Wangyougu today.

In a panic, Hai Ling'er said coldly, "What do you want?"

hey-hey!

Yan Fei smiled and didn't answer directly, but looked at the men at the door, and said loudly: "Brothers, she asked me how, what do you think?"

Whoa!

Hearing the question, the men at the door, all of them screamed as if they had been beaten with blood.

"Needless to say? Of course, she's the wife of our brother Fei."

"What Fei brother, is the big leader."

"Yes, yes, to be the lady of our big leader, haha..."

When everyone's words came, Hai Linger was ashamed and angry, staring at Yan Fei and said, "I warn you, don't mess around."

Recklessly?

With an evil smile on his face, Yan Fei stepped off the throne and slowly came to Hai Ling'er.

Admiring Hai Linger up close, Yan Fei became more and more fascinated. At this time, he stretched out a finger and lifted Hai Linger's chin, tsk tsk admiringly said: "It is rumored that Gary's confidante is beautiful and charming, Looking at it today, it's even more beautiful than a fairy."

"Fairy Wood"

"God intends to arrange you in front of me, if I don't laugh at it, wouldn't it be a waste?"

Yan Fei's actions made Hai Linger unable to express the disgust. At that time, she turned her head to avoid it, and said coldly: "Please show some respect, I will not be your woman."

At this time, Hai Ling'er was five times ashamed and angry.

"hey-hey..."

Facing Hai Linger's attitude, Yan Fei was not angry at all, but laughed: "Whether you want it or not, it's not up to you."

Having said that, Yan Fei rushed to his subordinates and instructed: "Let her stay and take care of her for a long time. In addition, everyone should prepare. After three days, I will have a big wedding with this beauty."

Whoa!

The voice fell, and the sand thieves present cheered. Immediately, a few people forcibly took Hai Linger down, and the others began to deploy the wedding hall.

"Shameless, bastard, robber..."

When Hai Linger was taken down, she was so ashamed and angry that she kept shouting, in addition to anger, she was also a little flustered.

Brother Wuya, Linger was caught by the bad guys, where are you?

.....

On the other side, in an oasis southwest of Eagle Fort.

This oasis is not big, but because it is the only way to go with the Rakshasa tribe, a small town is formed here.

The town is very small, with only one inn and two taverns. It is convenient for passing pedestrians to rest here.

At this time, on the road north of the town, a man dragged his tired body and walked slowly.

It was Gary.

Like Hai Linger, Gary was also teleported to this desert, but the place where he landed was more than ten kilometers away, and the environment was harsh and complicated, so neither of them could find each other.

At this time, Gary had been walking in the desert all day and night, and his body was seriously dehydrated and very tired.

call!

When he arrived at the town, Gary took a deep breath.

Finally got to a place where there are people.

While muttering in his heart, Gary walked into the tavern and called the guy to ask for a bowl of water.

goo goo goo...

Soon, the man brought water, Gary took it and poured it down, feeling refreshed, and then asked, “Man, have you ever seen a beautiful woman and a middle-aged man?”

In Gary’s heart, he was transported to this place, and Hai Linger and Darryl should also be nearby.

The shop clerk shook his head: “In a place where birds don’t shit, it’s hard to meet a passerby in the year of the monkey, the horse and the month. I haven’t seen any of the two you mentioned.”

“In the past three days, you are the first guest.”

Uh....

Hearing this, Gary was very helpless. He was about to take the money, but he felt embarrassed when he touched his pocket.

After Gary became the sect master of Tianmen, people took care of everything in life, so he rarely brought money when he went out.

Chapter 4135

“Excuse me...”

In embarrassment, Gary looked at his friend with a bitter look: “I don’t have...”

Da da da....

Before he could finish speaking, he heard the sound of horse hooves coming from outside.

At this moment, the shop clerk's expression changed, and he said to Gary, "Hide quickly, sand thieves are here, they are just robbing passers-by like you."

While speaking, the shop assistant motioned for Gary to hide behind the door.

Sand pirates?

At this moment, Gary frowned. He didn't expect that such a bad place would not be peaceful.

Afterwards, Gary hid behind the door according to his friend's instructions.

It wasn't that Gary was cowardly, but that he was exhausted after walking for a day, and he was eager to find Darryl and Hai Ling'er, and didn't want to make trouble.

wow...

Just after hiding, several sand thieves broke in, and one shouted loudly.

"Boss? Is the boss there?"

"Get out now..."

Seeing this battle, the shop assistant greeted him with a smiling face: "Several uncles, what is the order, our boss is resting in the back."

The leading sand thief was very arrogant and pushed the man away: "Go away, what have you told you, can you be the boss?"

Just as he was talking, the shop owner came out from behind, hating these sand thieves so much, but he still smiled: "What wind is blowing a few masters here?"

“Stop talking nonsense!”

The leading sand thief looked impatient: “Before tomorrow, prepare fifty jars of wine for us.”

The shop owner was taken aback: “Fifty jars of wine? A few gentlemen, we are only a small business, and there are not so many wines in existence.”

“Go to Nimad!”

As soon as he finished speaking, the leading sand thief scolded: “Mother-in-law, let me tell you, the day after tomorrow is the day of our big leader’s wedding, and these wines are used at the wedding banquet, I don’t care what method you use, fifty jars. The wine must be ready, if the wedding banquet is delayed, I will smash your tavern and hang you in the desert to dry.”

After the last sentence, the sand thieves turned and left.

well!

Watching the sand thieves leave, the boss sat on the ground and wanted to cry without tears: “These goddamn sand thieves are trying to force me to death.”

“Too bullying.” The shop assistant was also indignant: “These bastards, is there really no one to control them?”

At this time, Gary walked out from behind the door and couldn’t help but ask, “Where did these people come from?”

call!

The boss took a deep breath and said with a bitter face: “They are the sand thieves of the Eagle Castle, killing people and committing crimes. I give them money every month in order to get peace, but I didn’t expect that they would intensify their efforts, and the

leader wanted me to get married. Prepare fifty jars of wine...so much wine, where can I get it?"

Saying that, the boss patted his thigh: "That's all, it's better to leave than to sit still. It's just a pity that I have run a tavern for many years."

After saying the last sentence, the boss greeted the shop assistant, packed up and left.

Seeing this, Gary wanted to comfort him, but he didn't know where to start, so he said goodbye to the boss and walked out of the tavern.

Leaving the town, Gary walked along the road towards the Rakshasa clan.

Gary thought about it, his father had a close relationship with the Rakshasa clan. If he was also transferred here, he would definitely rush to the Rakshasa clan as soon as possible, and go to the Rakshasa clan himself to find him, that's right.

After finding his father, he was trying to find a way to find Hai Linger.

Da da da....

After walking for a while, he heard the sound of horse hooves behind him, Gary instantly became alert, thinking it was the gang of sand thieves, and when he looked back, he breathed a sigh of relief.

I saw a caravan approaching slowly.

The leader was an old man with a little girl.

"Little friend!"

When he got to the front, the old man asked Gary, "Why are you traveling alone?"

Gary thought for a while, and replied, "I'm going to the Rakshasa tribe to join my relatives." This place is unfamiliar, so it's better not to reveal your identity.

I see.

Hearing the answer, the old man nodded and invited politely: "We are going to the Rakshasa clan to deliver goods. There are still hundreds of miles of desert ahead. The little friend does not dislike it. Let's walk all the way, or have someone to take care of. You call me Ma Lao. Daddy is fine."

Chapter 4136

"it is good!"

Seeing the sincerity on the other's face, Gary nodded: "Thank you, Father Ma."

At this time, the little girl next to Father Ma looked at Gary curiously: "My name is Xiaoqing, what's the name of the big brother?"

Gary thought for a while, then replied with a smile, "My name is Yue Shan!"

"Brother Yueshan!" Xiaoqing called out sweetly.

Gary nodded with a smile, and then went on with Father Ma and the others.

Along the way, Father Ma and others accompanied him, and it was not lonely. Before he knew it was dark, Father Ma and others found a weathered cave and decided to rest for one night, and continue on their way at dawn.

Gary sat at the entrance of the cave, closed his eyes and rested, silently recuperating.

hula....

When it was almost midnight, in the desert not far away, there was a sudden sound of chaotic footsteps, followed by a fire.

Gary opened his eyes alertly, and was stunned when he saw the scene in front of him.

I saw that there were nearly a hundred torches lit up not far away. The people holding the torches were wearing soft fur and armor unique to the desert, with a machete in the other hand, and the sand thieves who broke into the tavern during the day. Dress the same.

Yes, these people are the sand thieves of Eagle Castle.

During the day, the spies from Eagle Castle discovered Father Ma's caravan, but it was too hot during the day, so the sand thieves decided to do it at night.

"Sand thieves..."

"Oops....."

At this time, Dad Ma and everyone woke up, and when they saw the sand thieves outside the cave, they were all in a mess, panicking.

Xiaoqing was so frightened that she threw herself into Father Ma's arms and burst into tears: "Grandpa, bad people, many bad people."

"Don't panic, don't panic!"

Father Ma comforted a few words, then took the courage to walk out of the cave, and said to the sand thieves: "My fellow Ma Laowu, I passed by this place and couldn't visit the hilltops of your uncles, I hope you forgive me."

"Um!"

At this moment, a sand thief came out, nodded at Father Ma and said, “I see, you are quite sensible, our leader will get married soon, and we won’t take your lives. Hurry up and come with us with the goods. .”

The day after tomorrow, the leader’s wedding, and Feiyingbao’s manpower is not enough to do miscellaneous tasks, so I just caught these people and killed them after the big wedding.

What?

Hearing this, Father Ma’s heart trembled.

He often takes this trade route, knowing that these sand thieves generally only sell goods and rarely kill them, but today, they have to rob people and goods together...

Gary didn’t say anything, just stood at the entrance of the cave and watched silently.

At this time, Father Ma reacted, and bowed his hands to the sand thieves in front of him, begging: “Masters, please raise your hands, you can take the goods, and hope you can give us a way to survive.”

“Go to Nimad!”

As soon as he finished speaking, one of the leading sand thieves pointed at Father Ma’s nose and cursed: “Old people don’t know how to lift up, let you follow along to look down on you, and I will cut you off now.”

Saying that, the sand thief turned his head to see Xiaoqing, and a wicked smile evoked the corner of his mouth: “The little girl is quite beautiful, just in time to serve our leader’s wife.”

“Our chief wife, she looks like a fairy, but the princess of the sea shark clan, it is your blessing to be able to serve her...”

Faced with this situation, Father Ma, Xiaoqing and the others were all very frightened, and they were all silent.

Swish!

However, at this moment, Gary's eyes flashed, and he locked on the sand thief: "What did you just say? Who is your chief wife?"

"I Have a Scroll of Ghosts and Gods"

The princess of the sea shark clan, isn't she Ling'er?

Could it be... she was caught by these sand thieves?

Um?

At this moment, the eyes of the sand thieves present converged on Gary.

In the next second, the leading sand thief looked at Gary up and down: "Where did your kid jump out from? Do you have any reason to speak here?"

Gary's expression remained unchanged, and he said coldly, "I ask you, who is your chief wife?"

"Go to Nimad, court death!"

The leader of the sand thief was instantly angry, shouted loudly, raised the long knife in his hand, and directly thought of Gary cutting it. In his opinion, this kid is a stunned young man who doesn't know whether to live or die.

Swish!

Seeing the leading sand thief rushing over, Gary's pupils shrank. At that time, the figure dodged the opponent's long knife, and then punched the opponent's back. He heard a dull

sound, and the leading sand thief had not had time to scream. , was smashed more than ten meters away, and when he landed, he was out of breath.

Chapter 4137

What?

Seeing this scene, whether it was Father Ma and the others, or those sand thieves, they all stood on the spot.

Especially those sand thieves, looking at Gary one by one, their eyes are full of astonishment, they just feel chills down their spines... Who is this person? The strength is so terrifying.

Facing the gazes of everyone, Gary stood proudly, the breath all over his body was suffocating.

quiet.....

There was a dead silence all around, and you could hear a pin drop.

At this time, Father Ma's mood was very complicated. Looking at Gary, he was both shocked and delighted. He thought he was just a kid walking around the rivers and lakes, but he never expected to be a master of hiding.

This time, I am not afraid of losing my life, and the goods are also saved.

“I ask you!”

At this moment, Gary looked at the sand thieves in front of him, and asked coldly, “What did you say about the big leader who wants to marry the princess of the sea shark clan, is it true or false?”

“Sura Wushen”

His tone was cold and unquestionable.

call!

Feeling Gary's threatening aura, all the sand thieves looked at each other, their faces could not hide the fear, but soon, one of the sand thieves took a step forward and shouted at Gary: "Good boy, the person who dares to move our Eagle Castle, brothers, abolish him."

When the voice fell, the sand thief shouted, and took the lead in waving a long knife and charging towards Gary.

wow....

At this time, the other sand thieves also came to their senses, raised their long knives one after another, and followed closely behind.

In their hearts, Gary killed their comrades with one move just now, but it was only by surprise.

However, these sand thieves muttered about Gary's strength.

"court death!"

Seeing the sand thieves rushing up, Gary spit out two words coldly, his figure burst out, and he directly attacked them, fighting fiercely with these sand thieves.

call....

Seeing this situation, Father Ma and the others were very frightened, and they all retreated, for fear of being accidentally injured.

Xiaoqing hid behind Father Ma and was nervous, but he did not forget to shout at Gary, "Big brother, be careful, be careful..."

Hearing Xiaoqing's call, Gary smiled slightly, indicating that there is no need to worry.

bang bang bang...

Seeing that Gary was like a tiger entering a flock of sheep, his figure constantly shuttled among these sand thieves.

In less than half a minute, dozens of pirates all fell into a pool of blood and lost their breath.

Amazing...

Seeing this, Father Ma and everyone were completely dumbfounded.

Just when everyone was shocked, Gary slowly walked over and smiled at Father Ma: "Father Ma, don't be nervous, I'm not a bad person, these sand thieves have been dealt with by me, take advantage of their accomplices. If you don't come, you should pack up and leave, the sooner the better."

"Okay!" Father Ma nodded in shock, then called everyone to clean up quickly.

At this time, Xiaoqing took Gary's arm: "Big brother, won't you come with us?"

call!

Gary took a deep breath, glanced at the bright moon above his head, and said firmly: "I'm going to Fly Eagle Castle to save my future wife."

future wife?

Hearing this, Father Ma and the others who were busy were stunned for a moment, and then they all looked at Gary.

The princess of the sea shark clan, is his future wife? Then he...

In doubt, Father Ma couldn't help but ask, "Little brother, who are you?"

"Tianmen, Gary!"

Gary solemnly responded with a few words, then touched Xiaoqing's head, his figure rose into the sky, and disappeared from everyone's sight in the blink of an eye.

.....

At this moment, in the Great Hall of Flying Eagle Castle.

It was already late at night, but the hall was brightly lit and a lively scene.

In the main hall, the leaders of Flying Eagle Castle sat in order, all with smiles on their faces.

Yan Fei sat on the seat with a smile on his face.

People are in good spirits on happy occasions, and the day after tomorrow, they will marry the princess of the sea shark clan. Yan Fei is very happy. Tonight, he specially set up a banquet to celebrate with his subordinates in advance.

At this time, the big and small leaders present stood up and toasted Yan Fei.

"Congratulations to the big leader, you will soon bring the beauty back."

Chapter 4138

"Haha, the princess of the sea shark clan is as beautiful as a fairy, and the big leader is really a blessing."

"The big leader is so happy that he must not be drunk tonight..."

The congratulations from the big and small leaders kept coming. Yan Fei was in a very comfortable mood. He raised his glass and laughed: “Okay, okay, I won’t be drunk tonight, haha...”

hum!

However, at this moment, there was a sudden aura from outside the hall.

Immediately afterwards, a roar resounded through the night sky: “All the people in Eagle Castle, get out.”

The roar shook the world, and the big and small leaders in the hall couldn’t help but tremble in their hearts, and at the same time, they were all terrified.

Who is so daring to come to Fly Eagle Castle to make trouble...

Yan Fei also frowned tightly. He didn’t have time to think about it, and strode out.

Dozens of leaders followed suit.

Um?

When I got outside, seeing the scene in front of me, whether it was Yan Fei, or the big and small leaders present, and all the sand thieves in Flying Eagle Castle, they were all stunned.

I saw a man quietly suspended in the night sky, with knife-like facial features, extremely cold.

It was Gary!

At this time, Gary had a cold and stern expression, and looked around the entire Flying Eagle Fort, but did not see Hai Linger’s figure, and a trace of anxiety suddenly rose in his heart.

Linger is not here, has something happened?

At this time, Gary did not know that Hai Linger was locked up by Yan Fei at this time, and her life was not in danger for the time being.

Finally, Yan Fei was the first to react, looking up at Gary: “Who are you? Dare to break into my Flying Eagle Fort alone, you are not too timid.”

“I am the Lord of Heaven’s Gate, Yue! Wu! Ya!”

Gary spit out a few words coldly, his eyes locked on Yan Fei: “You are the leader of this gang of sand thieves? Hurry up and hand over Linger, or I will bloodbath your Flying Eagle Castle.”

What?

Hearing this, Yan Fei was shocked and looked at Gary closely.

Is he Darryl’s son? The current Lord of Tianmen, Gary?

Whoa!

At the same time, the entire Flying Eagle Castle was in an uproar.

“I’ll go, he is the Tianmen Sect Master Gary?”

“No wonder there is such a powerful aura.”

The sand thieves of Feiyingbao have always been active in the desert next door to the nearby area, and rarely do activities in the mainland, but the name of Tianmen is very loud.

After all, Gary has taken over Tianmen for many years, and his reputation has spread all over the continent of Kyushu. Who doesn’t know him?

Gary?

At this time, Yan Fei held Gary tightly, and a sneer appeared on the corner of his mouth: “Who am I, it turns out that the Tianmen Sect Master has arrived, Gary, you are really arrogant, you are only one person, you dare to threaten to wash me with blood. Eagle Fort?”

Saying that, Yan Fei’s mouth evoked a hint of abuse, and continued: “Yes, your woman was caught by me, but I can’t give it to you, because the day after tomorrow she will marry me and become the lady of the Eagle Castle. .”

Swish!

Hearing this, Gary’s eyes were extremely blood-red, and his body was filled with suffocating anger, surging with monstrous anger!

“You, look, die!” In the next second, Gary spit out three words coldly.

“Ha ha!”

Feeling Gary’s anger, Yan Fei didn’t panic at all, and said lightly: “I’m very angry, right? I’m not afraid to tell you that my name is Yan Fei. The disciples of Wangyougu, fled, fled, scattered, my master couldn’t bear the pain of being displaced and died on the way.”

“I have to settle this account with Darryl sooner or later, but I didn’t expect that his son’s confidante would fall into my hands so soon...”

“This is God’s will. Not only do I want to get your woman, but tonight I will cut off your head and send it to the Tianmen General Altar. Darryl killed my master, and I will let him experience the pain of losing a loved one.”

When he said the last, Yan Fei’s face was grim.

Speaking of which, when he first learned that the other party was Gary, Yan Fei was a little apprehensive, but he soon realized that Gary in front of him was tired and weak.

In this case, Yan Fei had no more worries.

Swish!

Hearing this prosperity, Gary's face changed: "It turns out that you are a slippery fish in Wangyou Valley."

While speaking, Gary's anger grew even stronger.

Gary was very clear about Maria's loss of memory in Wangyougu back then. It can be said that Wangyougu was finally destroyed, and it was entirely his own fault.

Chapter 4139

It just never occurred to me that in this Gobi desert, there is still a remnant of Wangyougu.

Feeling the change in Gary's face, Yan Fei sneered: "Whatever you call it, whether it's a remnant or a scum, in short, you don't want to leave alive tonight."

"yes?"

Gary said coldly, a powerful breath burst out, and the surrounding air suddenly distorted.

"Gary!" Yan Fei didn't panic at all, and said coldly: "If it was normal, I might be afraid of you three points, but your strength has not fully recovered now, and I don't need to come out of the Eagle Castle, I can take you out of the nest. beheaded."

Hearing this, the leaders around, who were originally a little afraid, were inexplicably excited at this time.

It turns out that this Gary has not regained his strength...

“Big Chief!”

In the next second, a burly man came out and said to Yan Fei, “Gary is just a mere mere man, don’t bother the big leader himself, and watch me take him down.”

This burly man is called Kou Tianhu. He is the number one general under Yan Fei and is known as the flying tiger in the desert.

“Gary!”

At this time, Kou Tianhu looked directly at Gary, and shouted: “Don’t be arrogant here, I will meet you.” The voice fell, and the whole person rose into the sky like a cannonball, heading straight for Gary.

“First Evolution”

call!

At the moment when people were in the air, Kou Tianhu roared and punched Gary in the face.

The punch was powerful and powerful, and the surrounding air roared.

However, Gary was suspended there, his face was indifferent, and he didn’t mean to dodge at all, but he punched lightly and attacked.

boom!

In the blink of an eye, the two fists collided fiercely, and Kou Tianhu groaned.

pedaling...

At the moment of landing, Kou Tianhu staggered back a dozen steps before he stabilized his figure. At that time, his face flushed, and his heart was even more shocked.

Ma De, this Gary is worthy of being the Lord of the Heavenly Sect, his strength has not completely recovered, but he is still able to confront him head-on.

puff...

In shock, Kou Tianhu's face showed a trace of pain, and then he spurted out a mouthful of blood, indescribably weak and weak.

Yes, that palm just now, Gary hurt Kou Tianhu's heart.

What?

Seeing this scene, the other leaders present couldn't help gasping for breath, staring at Gary in midair, speechless for a while!

This Gary looks so weak, but he can still shock Kou Tianhu with one move...

Although Gary is the sect master of Tianmen, he is very powerful. But Kou Tianhu is not weak. He is known as the flying tiger in the desert. Three years ago, Mingjian Villa sent someone to escort a sword to the Rakshasa tribe, but he was intercepted by Feiying Castle on the way. Nearly 100 elite disciples of Mingjian Mountain Villa were all beheaded, and their name was shocking for a while.

At this time, he was injured by Gary's punch...

This... How strong is Gary's strength?

"A gang of rabble!"

Just when everyone was secretly shocked, Gary looked around indifferently, and finally looked at Yan Fei: "With this little strength, you dare to fight with me, but it's

self-disgrace, Yan Fei, right? I'll give you the last one. If you have a chance, hand over Linger immediately, and then disband Eagle Castle, maybe I can save your life."

There is no doubt about the words.

Mad!

At this moment, Yan Fei's face was extremely gloomy. Flying Eagle Castle had dominated the desert for several years and had a great reputation. At this moment, in Gary's mouth, it was so unbearable, it was a great shame.

In anger, Yan Fei was too lazy to talk nonsense, and pointed at Gary and shouted: "Everyone in Feiying Fort obeys the order and immediately kills Gary."

"Whoever kills him, I will reward the princess of the sea shark clan..."

When he shouted the last sentence, Yan Fei's eyes flashed with madness.

When Darryl asked Wangyougu for advice, he wandered around like a lost dog, and finally had to live in this uninhabited place, but now, Darryl's son came to the door again...

The same thing must never happen again. No matter what this time, Gary will be killed to wash away the shame of Wangyougu's destruction.

Chapter 4140

But after shouting these words, Yan Fei didn't make a move, but stepped aside and watched the situation quietly. He thought about it, let these subordinates consume Gary's strength first, and wait for the right opportunity to make a sneak attack.

"kill!"

"Go together!"

Hearing these shouts, many sand thieves in the entire Flying Eagle Fort screamed like chicken blood, rushing towards Gary!

They also knew in their hearts that Gary was not weak, but with so many of them, taking turns in battle would also consume him.

Flying Eagle Castle has been entrenched here for several years, and all of them are not general, so these sand thieves are not weak.

call...

Seeing the sand thieves rushing up, Gary didn't panic at all, with a look of contempt on his face, and said coldly: "You people, murdering and overselling, doing all kinds of evil, today I will do the right thing for heaven."

The words fell, Gary's whole body burst out, and suddenly raised his hands!

"Death to all, Flame Venerable!"

The cold words came out of Gary's mouth. The moment the words fell, the temperature of the whole body suddenly increased. Then, a group of fire condensed and swept away towards the rushing sand thief.

The Flame Venerable Master is the unique teaching of the Ming Sect of the Diyu Continent.

In those days, Gary worshipped Lu Jiechen of Mingjiao as his teacher, and got his true inheritance. Later, Lu Jiechen and Mingjiao were destroyed one after another, but these unique skills were passed down on Gary.

"what!"

In an instant, the flames broke out in the crowd, and under the terrifying flames, dozens of sand thieves screamed constantly, one by one fell from the air, and after landing, they were burned to death.

hiss!

Seeing this scene, both Yan Fei and the leaders were shocked.

This kid is too strong.

With so many people, they couldn't even stop him!

In shock, Yan Fei forcibly calmed down and shouted at the surrounding subordinates:
“Don't panic, he is alone.”

Hearing this, everyone hesitated and charged toward Gary again.

Seeing this situation, Gary's eyes were full of contempt, he locked Yan Fei tightly, and said word by word, “I have given you a chance. Since you are obsessed, you can't blame me.”

hum!

The voice fell, and a terrifying aura erupted from Gary's body again. In an instant, the surrounding air seemed to be stagnant.

The terrifying aura suppressed everyone present and panicked!

“Crack!”

Immediately afterward, Gary raised his hand and waved, accompanied by a crisp sound, a pair of giant hammers appeared in Gary's hands.

It is the Overlord Hammer!

As soon as the Overlord Hammer came out, the surrounding temperature suddenly dropped a lot, and there was a bloodthirsty aura in the air.

call!

Feeling the power of the Overlord's Hammer, all the sand thieves present couldn't help but gasp.

“This is the magic weapon of Megatron, the Overlord Hammer?”

“As expected of a magic weapon, this power is too terrifying.”

Feeling the fear of everyone, Yan Fei suddenly became anxious and shouted: “Why are you all panicking? His strength has not fully recovered, he is just a tiger with lost teeth, go up together and consume him...”

Hearing these words, everyone looked at each other, and then rushed up.

“Get out of here...”

Seeing this, Gary shouted angrily, and with a sudden swing of the Overlord Hammer in his hand, he saw a golden beam tearing apart the world and heading straight for the crowd.

boom.....

In the blink of an eye, Jin Mang exploded in the crowd, and a scream was heard. At that time, dozens of sand thieves fell in a pool of blood and passed out.

Speaking of which, if Gary was at his peak and used the Overlord Hammer, the sand thieves present would not be able to escape, but his strength had not fully recovered. Can knock these sand thieves unconscious.

“The Guard is Here”

so strong...

Even so, the remaining sand thieves were secretly shocked and wanted to retreat.

At this time, Yan Fei shouted again: “Brothers, don’t be afraid. Although his Overlord Hammer is powerful, it consumes a lot of internal strength. He is already at the end of the force. At this time, he must be vigorous.”

Whoa!

Under Yan Fei’s clamor, the remaining sand thieves regained their morale and quickly surrounded Gary.

Chapter 4141

Gary was too lazy to talk nonsense, and waved the Overlord Hammer to fight with everyone. As Yan Fei said, his strength was not fully recovered at this time, and the Overlord Hammer consumed a lot of internal strength. After a while, Gary’s movements became much slower.

Haha.... the opportunity came.

Seeing this situation, Yan Fei, who had been waiting for the opportunity, suddenly showed a smile and was very excited.

“Gary, die!”

The next second, Yan Fei shouted, flew up, and rushed towards Gary!

hum!

When it was almost mid-air, Yan Fei burst out with all his strength. I saw a black light flashing around him, and then, a huge black bear condensed.

I saw that this black bear was more than ten meters high. Although it came out of illusion, it was lifelike, and its eyes were extremely blood red, which was shocking.

What Yan Fei performed was one of Wangyougu's unique skills, the Tyrant Profound Beast Art.

When the black bear appeared, the air in the entire Flying Eagle Fort was completely distorted, and everyone present felt that they were enveloped by a bloodthirsty aura.

Swish!

Seeing Yan Fei sneak attack from behind, Gary's pupils shrank and his eyes were extremely blood red.

This Wangyougu remnant is really despicable and shameless. I haven't made a move just now, just waiting for a surprise attack.

"Gary!"

At this time, Yan Fei's face was grim and he roared: "If you want to destroy Feiying Castle, I'm afraid you don't have this ability yet, go die!"

The voice fell, and the black bear transformed into a roar roared and rushed towards Gary in an instant, raised its huge bear paw, and slapped it fiercely on the top of Gary's head.

Whoa!

Seeing this scene, the sand thieves below were all excited.

"The big leader is mighty..."

"The big leader has made a killing move, this Gary will surely die."

"Yeah, the big boss grasped the timing too well."

During the discussion, everyone looked at Gary's eyes with a trace of pride. He was strong, so what if he had a magic weapon, and he didn't die at the hands of the big leader in the end?

call!

At this moment, Darryl looked at the huge black bear that erupted above his head, his face was not panic at all, and he sneered contemptuously: "Evil is invincible, you think that you can kill me by transforming a beast, you are too naive."

When the voice fell, Gary injected his inner strength into the Overlord Hammer and greeted the black bear.

"boom!"

In the blink of an eye, the huge figures of Gary and the black bear collided fiercely in mid-air, and they saw that the golden light of the Overlord's Hammer burst out like a scorching sun. Destroyed and vanished without a trace.

For so many years, Gary has devoted himself to comprehend the power of the Overlord Hammer, and he has already mastered it. At this time, even if his internal strength is severely depleted, he can easily defeat the black bear with the power of the Overlord Hammer.

After all, the black bear was just transformed by Yan Fei, and the Overlord's Hammer was a real weapon.

What?

Seeing that the black bear was defeated, Yan Fei opened his mouth wide, trembled all over, and his mind went blank.

This.....

At the same time, all the sand thieves present were also dumbfounded, looking at Gary in a daze, filled with shock.

The power of the Overlord's Hammer was so terrifying that the black bear transformed by the big leader was defeated in one move.

“Yan Fei!”

At this time, Gary was suspended in mid-air, looking down at Yan Fei: “In those days when you Wangyou Valley was wiped out, it was God's way and destiny, and today, Feiying Castle will have the same ending, and many injustices will inevitably lead to Suicide, this is the eternal truth.”

call.....

Hearing these heart-wrenching remarks, Yan Fei's face suddenly changed, and his anger rose.

“Gary.”

In the next second, Yan Fei locked on Gary, and said coldly, “Don't be proud, the rivers and lakes are not the rivers and lakes of your Tianmen, and this world is not the world of your surname Yue.”

When the last word fell, Yan Fei roared and greeted his men, and continued to besiege Gary.

At this time, Yan Fei was completely irrational. He grew up in Wangyou Valley since he was a child, and regarded it as his home completely, but he was killed by Darryl. Ya came to the door.

Thinking of Master's death again, Yan Fei's eyes were blood red, and he was completely mad. He cooperated with his men, and every move was extremely ruthless, and went straight to Gary's key point.

Chapter 4142

However, Gary, relying on the power of the Overlord's Hammer, was able to save danger every time.

Faced with this situation, Yan Fei was very angry, and finally shouted at Kou Tianhu, who was healing below: "Kou Tianhu, go and bring that woman out."

"Yes, Chief!"

Kou Tianhu understood and responded, turned around and rushed into the room at the back of the main hall. After a while, he walked out with Hai Linger.

Linger!

At this moment, seeing Hai Ling'er, Gary was shocked, surprised and happy.

He saw that Hai Ling'er's delicate face was a bit pale, and her breath was weak, but her clothes were neat and she should not have been humiliated. When she noticed this, Gary felt a lot at ease.

"Gary!"

At this moment, Yan Fei took the opportunity to rush down, put one hand on Hai Ling'er's neck, his face was gloomy, and said coldly to Gary: "Stop immediately, and capture it with your hands, otherwise, I will call her Xiangxiaoyushuang... ."

When saying this, Yan Fei's eyes flashed with madness.

To be honest, Yan Fei, as the leader of Flying Eagle Castle, holds his own identity, and Shanghai Linger is so beautiful and beautiful, he didn't want to use such despicable means to destroy flowers.

However, he never thought that Gary's internal energy consumption was so serious, but he could still use the power of the Overlord's Hammer to turn the entire Flying Eagle Castle upside down.

Swish!

Seeing this scene, Gary's eyes were instantly blood red, and he couldn't help roaring: "Yan Fei, if you dare to slam her, I will tell you to die without a place to be buried."

When the last sentence was shouted, Gary's voice was completely hoarse.

At this time, Gary could clearly see that Yan Fei's hand was clasped at Hai Linger's neck. As long as she used her internal force, Linger would die.

Seeing this, Gary was completely angry.

Burning with anger!

After many twists and turns, he and Linger finally came together. At this moment, seeing her being used as a threat by Yan Fei, my heart tingled.

call....

At this moment, seeing Gary in mid-air, Hai Ling'er was also trembling, with unspeakable joy and worry.

She clearly felt that Gary was holding the Overlord's Hammer, and he looked majestic, but his face was pale, and he couldn't hide his weakness.

"Brother Wuya!"

Worried, Hai Ling'er couldn't help shouting: "You go, leave me alone, go."

When she was caught in Feiying Castle, Hai Linger was very desperate, thinking that she would never see Gary again in her life, but she was really overjoyed to see him at this time.

But the situation at hand was too unfavorable, so he could only hold back his emotions and let Gary leave.

Hailinger Bingxue is smart, he can see that Yan Fei can't catch Gary, and he won't do anything to himself for the time being.

"Do not!"

Hearing this, Gary shook his head, his eyes blood red: "Linger, what are you talking about? If I don't save you, I won't leave."

Hai Ling'er suddenly became anxious: "Brother Wu Ya, don't be impulsive..."

Before he finished speaking, Yan Fei next to him couldn't help laughing. He looked at Gary playfully and said, "Tsk ts, the two of you are really in love and righteousness, but it's a pity that it didn't happen."

Afterwards, Yan Fei looked back at Hai Ling'er, hehe smiled and said, "Since God sent you to me, it proves that we are destined, what is good about Gary? As the master of Tianmen, is he not a lost dog now?"

"Follow me and keep you happy for a lifetime, haha, come to incense..."

Yan Fei became more and more excited as he talked, and finally put his mouth together slowly...

"Pooh!"

Seeing Yan Fei getting closer, Hai Linger was so ashamed and angry that at that time, her hands were tied and she couldn't break free, so she spat fiercely on Yan Fei's face.

"Shameless, you are the ugly mouse in this desert, and Brother Wuya is an eagle." After spitting, Hai Ling'er said coldly, "Are you worthy of being compared with Brother Wuya?"

This person wants to take advantage of me in front of Brother Wuya, which is really shameless.

Swish!

Hearing these words, Yan Fei's face was hideous, and he only felt that he had been greatly humiliated and burned with anger.

Snapped!

In the next second, Yan Fei suddenly raised his hand and slapped Hai Linger fiercely: "I don't know how to lift up, I really take myself seriously, and tell you, in the eyes of others, you are a sea shark who is high above the sea. Clan princess, but in my eyes, she is a female captive."

Chapter 4143

After being slapped, Hai Ling'er let out a low voice, but her delicate face showed no fear.

"f*** you ma."

Seeing this scene, Gary went crazy, his eyes were blood red, and he howled at Yan Fei: "Yan Fei, if you do something to an unarmed woman, are you still a man? One? Come on..."

Seeing the five fingerprints on Hai Ling'er's face, Gary only felt that his heart was broken. At that time, he was about to rush over, but he was stopped by countless sand thieves in front of him, so he couldn't rush forward at all.

“Ha ha!”

Hearing Gary’s clamor, Yan Fei sneered: “One-on-one with you? Gary, are you mentally ill? On my territory, what qualifications do you have to negotiate with me?”

The last word fell, and Yan Fei waved his hand.

Hai Linger guessed right, Yan Fei never thought of killing her, so he did this just to distract Gary.

wow....

After receiving Yan Fei’s signal, countless sand thieves regained their strength and rushed towards Gary.

Seeing this, Gary clenched the Overlord’s Hammer and fought with everyone again, but he was always thinking about Hai Ling’er, so it was inevitable that he would be distracted.

Soon, Kou Tianhu, who was waiting for an opportunity, roared when he found an opportunity, and slapped Gary’s back with a palm.

“Brother Wuya, be careful!”

Seeing this scene, Hai Ling’er’s delicate body trembled, and she couldn’t help exclaiming.

Feeling Kou Tianhu’s surprise attack from behind, Gary’s expression changed. At that time, he wanted to dodge, but it was too late to use up too much power!

boom!

The next second, Kou Tianhu slapped Gary with a palm, and a dull sound erupted.

This palm contained his ten successes, and when he heard Gary groan, his figure fell directly and smashed onto the platform in front of the main hall.

puff!

After landing, Gary staggered to his feet, his face was pale, and he spat out a mouthful of blood.

Gary endured the severe pain, looked around coldly, and finally his eyes fell on Hai Linger, feeling extremely uncomfortable.

Could it be... is it really impossible to rescue Ling'er?

At this time, Gary clearly felt that his dantian was injured by Kou Tianhu's palm. Although it was not very serious, in this situation, it would be difficult to rescue Hai Linger.

"it is good.."

Seeing this scene, Yan Fei was extremely excited, and praised Kou Tianhu: "This palm is good, kill him quickly, kill Gary, this leader will definitely reward him!"

"Yes, Chief!"

Hearing this, Kou Tianhu and the surrounding sand thieves responded in unison, then rushed towards Gary.

"Want to kill me? Come on, come on..." At this time, Gary, under the heavy damage, completely lost his mind. At that time, he screamed desperately, holding the Overlord's Hammer tightly, and went straight to meet him.

Thinking that Hai Ling'er fell into the hands of the other party, and her innocence would be tainted at any time, Gary almost went crazy.

However...

There were too many sand thieves in Flying Eagle Castle, and Gary was injured again. After a few rounds, Gary's speed became slower and slower.

puff puff...

Soon, Kou Tianhu and several sand thieves found an opportunity, and the long knives slashed at Gary.

In an instant, blood swarmed out, almost dyeing Gary's whole body red.

"Brother Wuya!"

Seeing this scene, Hai Ling'er was heartbroken, she couldn't help but exclaimed, tears streaming down her face: "You go, hurry up, leave me alone..."

Hai Ling'er kept crying, her tears were like broken pearls, and she couldn't stop it at all.

Seriously, Hai Linger and Gary have gone through so many things over the years, and they have long since looked down on everything, even if they die, they will die together, but at this moment, Gary is covered in blood, Hai Linger I really can't bear to watch it any more, let alone see him die.

After all, there is hope for survival.

call!

Listening to Hai Linger's cries over and over again, Gary's mind suddenly became clearer, and then turned to look at Hai Linger with a smile: "Linger, I'm really useless..."

Before he could finish speaking, Kou Tianhu rushed up quickly and shouted, "It's long-winded, go to hell." During the shouting, Kou Tianhu slapped Gary's back with his palm.

Chapter 4144

With a dull sound, Gary's whole body was shaken and flew out, falling towards the abyss below.

Boom!

At the same time, the Overlord Hammer flew out and fell on the platform, making a loud noise.

Ha ha....

Seeing this scene, Yan Fei was overjoyed and laughed at Kou Tianhu: "Okay, very good, Kou Tianhu kills Gary, and he should be credited first."

The Eagle Fort was built on the top of the cliff, and Gary fell from here, and he would definitely die.

Kou Tianhu's face was full of excitement, and his heart was even more excited.

Haha.... I killed the Lord of Tianmen myself, and I am about to make a name for myself.

wow....

At the same time, the sand thieves present also cheered.

At this time, Yan Fei walked over quickly, picked up the Overlord Hammer, his eyes were full of scorching heat: "I didn't expect that not only did Gary kill today, but also got the peerless divine weapon Overlord Hammer, haha..."

The voice fell, and the surrounding sand thieves congratulated.

"Congratulations to the big leader for eradicating the enemy."

“The big leader is mighty...”

In the cheers, Hai Ling'er's delicate body trembled, and her eyes went black, she couldn't believe this scene.

Uncle is dead....

No, he will not die!

For a time, Hai Ling'er's heart trembled, and finally she couldn't help crying.

“Brother Wuya, you can't die, you promise me to take care of me for the rest of your life, you don't want to die, don't die...” Hai Ling'er burst into tears and fell to the ground.
Can't stop.

She and Gary have known each other for so many years, and every bit of the past is like a movie, constantly showing in her mind.

Brother Wuya, you haven't married me yet, why did you die like this...

The more Hai Linger cried, the sadder she became. Suddenly, she didn't know where the strength came from, she stood up and hit the big rock behind her. When she was brought out, her hands were tied and she did not lose her mobility.

Gary is dead, and she is no longer alive.

Swish!

Seeing this scene, both Yan Fei and the sand thieves present were shocked.

This woman seems to be very weak, but her character is so strong, she actually followed Gary to death...

Soon, Yan Fei quickly reacted, his figure flashed in front of Hai Linger, and then he tapped the acupuncture point on her body. Suddenly, Hai Linger's delicate body trembled and could not move.

“Beauty!”

Yan Fei showed a smile, looked at Hai Linger's pear blossom with rain, and said with a smile: “It's not so easy to want to die, I'm still waiting for you to give me a big fat boy.”

“Go away, you let me die...” Hai Ling'er cried and wanted to die, but the acupuncture point was taped and she couldn't move at all.

Ha ha!

Seeing her making a fuss, Yan Fei didn't bother to talk nonsense, and waved at the sand thieves behind him: “Go, take the lady back to the room and take care of her.”

“Yes, Chief!”

Hearing the order, a few sand thieves walked over quickly and carried Hai Linger into the room.

At this moment, Hai Ling'er couldn't beg for death, she couldn't tell the despair in her heart, but she secretly swore in her heart.

Brother Wu Ya, wait for me, I will go down to find you soon.

.....

the other side.

Under Gary's serious injury, his body kept falling.

Did it die like that?

I still have to marry Linger, and I have to take charge of Tianmen, so I am so unwilling to die.

Haw!

At this moment, a shocking cry came from the top of his head. At that time, Gary was already in a semi-conscious state, and he opened his eyes in shock.

What it is?

Seeing this, Gary was stunned.

Just saw a golden giant shadow, like a bolt of golden lightning, coming quickly, because facing the sun, Gary couldn't see what it was, but he also instinctively sensed the danger.

bidige.com

This is a golden giant eagle with golden feathers, reflecting the bright golden light in the sunlight. The claws are like knives, and the wings are spread out, more than ten meters long.

This is a very rare golden-winged Cangyu eagle in the desert. Because of its ferocious nature, there are only some sporadic records in the ancient literature of Kyushu.

According to legend, the golden-winged Cangyu eagle is powerful and Qiongqi among the top ten beasts. When the unicorn encounters it, it does not lose the wind, but because it only appears in the desert, very few people know about it.

This golden-winged Cangyu eagle was foraging nearby, and when he saw Gary falling, he chased after him as a prey.

Chapter 4145

In the blink of an eye, the golden-winged Cangyu was sculpted in front of him. Until this moment, Gary could only see its appearance clearly. He was shocked and couldn't help taking a breath of cold air.

God, such a big golden eagle....

Swish!

Just when Gary was stunned, the golden-winged Cangyu Eagle stretched out its sharp claws and grasped Gary tightly. The huge figure turned and flew towards the desert in the distance.

Being caught by the sharp claws, Gary only felt that his muscles and bones were about to be broken, and he was sweating coldly from the pain. At that time, he couldn't help shouting: "Hey, where are you taking me?"

However, the golden-winged Cangyu Eagle simply ignored him and flew faster and faster.

Done!

At this moment, Gary was extremely depressed, Linger was not rescued, he still fell off the cliff, and finally fell into the hands of such a bird of prey, I'm afraid it would be more fortunate than for luck.

.....

On the other side, in the courtyard by the lake.

Darryl and Zhu Bajie played against each other a few times. Both sides won and lost, but the battle was fierce.

Snapped!

At this time, Darryl dropped his last son and couldn't help laughing: "Brother Zhu, this is your loss."

Zhu Bajie looked at the whole situation and scratched his head: “Brother Darryl is fine. Over the past few years, his chess skills have improved a lot...”

As he spoke, Zhu Bajie had a dissatisfied face: “Come again.” The voice fell, and the chessboard was set up again.

Darryl smiled and continued to play against Zhu Bajie.

With this sentence, Zhu Bajie had the upper hand, and his face was full of pride: “Hey, Brother Darryl, this is going to make me use my skills at home. I’m afraid you won’t be able to win.”

“yes?”

“Hey, I don’t dare to say anything else, but when it comes to playing chess and women, I, Zhu Bajie, say I’m number one in the world, and no one dares to say number two.”

“Uh....I believe it!”

While the two were talking, they were playing a game. Seeing that Zhu Bajie was taking every step of the way, he was about to win the overall situation. Suddenly, there was a wave of aura outside the yard.

boom!

Immediately afterwards, the gate of the courtyard was forcibly smashed by a terrifying force. Under the raging force, the pavilion was also blown away, and the chess pieces were also shaken to the ground.

“Tema’s!”

Zhu Bajie cursed angrily: “I’m going to win soon, that bastard with no eyes is making trouble?” While scolding, Zhu Bajie turned his head angrily.

Darryl also frowned and looked towards the door.

call....

Seeing this, Darryl and Zhu Bajie couldn't help but take a deep breath and froze on the spot.

I saw that above the leveled gate, a figure was quietly suspended, dressed in black, with a sharp-edged face, showing coldness and anger, and a terrifying aura permeating his body.

It was Gogne.

Knowing that Darryl had taken Nalan Xinran, Gogne was very furious and left the Nalan family to look around. Because he controlled Nalan Xinran, Gogne quickly found this place with his special induction.

The power of the demon soul?

At this moment, Zhu Bajie sensed the aura on Gogne's body and frowned secretly.

Haven't the demons been wiped out? How can the remnants survive?

Because Gogne had changed his appearance, Zhu Bajie had not yet seen his true identity at this time.

Muttering in his heart, Zhu Bajie took a step forward, pointed at Gogne's nose and cursed: "Where did the remnants of the demons come from? You are not too timid, and dare to disturb Lao Tzu to play chess."

Hearing the scolding, Gogne ignored it and just looked at Darryl coldly.

What the hell!

At this moment, Darryl didn't know whether to laugh or cry, and hurriedly whispered to Zhu Bajie: "Brother Zhu, don't underestimate the enemy, the opponent is not the remnant of the Demon Race, but the Demon Race Supreme Gone."

While speaking, Darryl's heart was complicated.

Gogne was very fast, and he found this place so quickly.

What?

Hearing Darryl's words, Zhu Bajie opened his mouth wide and was very shocked: "Supreme of the Demon Race, Gone?" During the speech, Zhu Bajie's expression became solemn, and his eyes also showed a bit of fear when he looked at Gone.

If it was someone else, Zhu Bajie wouldn't take it seriously, but Gone was different, this was something that God's Domain was afraid of.

"Darryl!"

At this moment, Gone looked closely at Darryl and said word by word, "Hand over Nalan gladly."

His tone was cold and unmistakable.

Feeling Gone's aura, Darryl took a deep breath, tried to calm himself down, and said indifferently, "Gonie, you are the Supreme Demon of the Demon Race, and I am ashamed for you to use such a method to deal with a woman."

Chapter 4146

"Nalan is glad that I won't give it to you. What do you want to say?"

When he said this, Darryl's face was calm, but his heart was uneasy.

Darryl clearly felt that the strength of Gone at this time was much stronger than the last time we met. Obviously, he was hiding in the Nalan family during this time, and his strength was almost restored.

In this case, let alone Darryl and him one-on-one, even if Zhu Bajie helped, I'm afraid it would not be an opponent.

Swish!

Hearing the ridicule, Gone's face darkened, and he said word by word, "Darryl, stop talking nonsense to me, what this deity does, it's not your turn to make irresponsible remarks."

Speaking of which, Gone wanted to kill Darryl immediately, but he held back for a while without seeing Nalan Xinran.

Darryl sneered and said nothing.

"oops?"

At this moment, Zhu Bajie looked at Gone up and down: "As expected of the Supreme Being of the Demon Race, the way he speaks is different, but others are afraid of you, and I, Lao Zhu, are not afraid of you."

"Let me tell you, no matter what the purpose of you looking for that Nalan Xinran, now that you are dead, this woman has already been favored by my Lao Zhu. Do you know?"

When speaking, Zhu Bajie looked serious.

Zhu Bajie could see that Gone and Darryl had a deep feud like the sea, and there must be a fierce battle to fight in the future. In this case, you should anger the other party well. As long as the other party is provoked, it is possible to reveal flaws.

Ha ha...

Seeing Zhu Bajie provoking Gone, Darryl couldn't help laughing.

As expected of Zhu Bajie, he dared to take the initiative to provoke Gone.

Swish!

At this moment, Gone's face was also extremely cold, and his heart was full of anger. Looking at Zhu Bajie, he said coldly, "What did you say?"

Nalan Xinran is the woman she likes.

Is this Zhu Bajie courting death?

"Aren't your ears good?"

Feeling Gone's anger, Zhu Bajie didn't panic at all, and said unhurriedly: "My old Zhu has already made it very clear just now that Nalan will gladly call me my woman, my woman, why? Maybe to you?"

"you wanna die."

At this moment, a killing intent flashed in Gone's eyes, and he said coldly: "Nalan is pleased to be the wife of the deity, how can you be so blasphemous?" The voice fell, Gone's figure flashed, and burst out towards Zhu Bajie.

As the figure passed, the air distorted violently.

so strong...

Seeing Gone's eruption, Zhu Bajie was secretly shocked, and then shouted, "I'm afraid you won't succeed?" With that, Zhu Bajie's inner strength exploded, and he rushed up to fight with Gone in mid-air.

This....

Darryl stood there, but his heart could not be calm for a long time.

What did Gone just say? Nalan is glad to be his wife? Isn't it expedient for him to change his name to Nie Zhan and hide in the Nalan family? Could it be.... is it a fake show and fell in love with Nalan Xinran?

If so, that would be interesting.

Muttering in his heart, Darryl saw that the two sides were fighting more and more fiercely in the air, and immediately shouted: "Brother Zhu, I will help you."

Whoosh!

The words fell, Darryl's strength exploded, and he rushed up to deal with Gone with Zhu Bajie.

Right now... in the room.

Shennong stood there, concentrating on giving Nalan the power to exorcise the demonic soul in his body, but he did not respond at all to what was happening outside.

But Su Xueying, who was standing by the side, couldn't sit still. Hearing the fierce fighting outside, she immediately stood up and said, "Master, it seems that someone is looking for trouble, I'll go take a look."

When the voice fell, Su Xueying was going to check the situation.

Just before taking a few steps, Shennong stopped him.

"Don't go out!" Shennong shook his head at Su Xueying with a solemn expression.

Su Xueying was stunned: "Why?"

call!

Shen Nong took a deep breath, his complexion and worry could not be concealed: “The other party is not good, if you go out hastily, you will die in vain.”

With that said, Shen Nong looked at Nalan who was still in a coma: “What we have to do now is to help her get rid of the demon power in her body as soon as possible, so that she can wake up, otherwise, if someone comes in, everything will be for nothing. .”

oh!

Seeing Master’s solemn expression, Su Xueying nodded and continued to fight beside her, but she was terrified when she heard the fierce battle outside.

Chapter 4147

While nervous, Su Xueying couldn’t help but worry about Darryl’s safety.

Swah...

At the moment of thinking of Darryl in his mind, Su Xueying’s delicate face couldn’t help but turn slightly red.

What happened to yourself? Why should you worry about Darryl’s safety?

Muttering in her heart, Su Xueying shook her head and continued to cheer up to fight Shennong.

.....

On the other side, high in the desert Gobi.

The golden-winged Cangyu eagle and Gary continued to move forward rapidly.

woohoo....

Hearing the wind whistling in his ears, Gary was indescribably anxious and wanted to struggle, but the golden-winged Cangyu Eagle's sharp claws were like iron hoops, and he couldn't break free at all.

Not knowing how long it took to fly, the golden-winged Cangyu Eagle slowed down.

call!

At this moment, seeing the scene in front of him, Gary couldn't help taking a deep breath.

I can see that there is an endless desert Gobi, the black sand next door, forming a gray-black world, and a few hundred meters ahead, stands a peak, the peak is straight into the sky, indescribably majestic.

This peak is several thousand meters high, the mountain is almost 90 degrees vertical, there is no way to go up, it is very dangerous.

As he got closer, Gary saw that at the top of the peak, there was a huge natural cave. This cave is the nest of the golden-winged Cangyu eagle.

slap!

Soon, the golden-winged Cangyu eagle brought Gary to the front of the cave, the sharp claws loosened, and Gary fell directly at the entrance of the cave.

Gary himself was seriously injured, and after that, he was caught by the golden-winged Cangyu Eagle and flew all the way.

Nima!

Gary scolded secretly, "It's over, this giant eagle took me back to its lair, and it must have treated me as food. No, I am the master of Tianmen, how could I be eaten by this flat-haired beast?"

Thinking to himself, Gary struggled to stand up, ready to fight the golden-winged Cangyu Eagle.

However, what he didn't expect was that the golden-winged Cangyu Eagle threw him at the entrance of the cave and did not follow him.

In just a short breath, the golden-winged Cangyu Eagle disappeared into the sky.

what's the situation?

Seeing the golden-winged Cangyudiao leave, Gary was stunned for a moment, and then secretly heaved a sigh of relief.

This big guy is gone, and before it returns, find a way to get out.

After making up his mind, Gary took a step forward and looked down. He was about to cry without tears. He saw that the dodge was steep and vertical, and there was no way at all, and he was seriously injured, so it was impossible for him to fly down.

With his current injury, it will take half a day at the earliest to recover. However, in this giant eagle's nest, how can there be half a day to wait?

chirp.....

Just when Gary was secretly anxious, he heard a tender cry from the cave behind him.

Hearing the cry, Gary suddenly became alert and quickly turned back to look at the cave.

I'm going.... this cry... a boy with a giant eagle in it?

For a time, Gary's body was tense, and his face was full of vigilance.

rustle....

A few seconds later, with the sound of footsteps, I saw two furry figures slowly walking out of the cave.

These are two young eagles that look like they should be about two months old.

The golden-winged Cangyu eagles are already big in size. Although they are young eagles, they are more than one meter tall when they stand up, with big round eyes and bright yellow mouths.

The two young eagles, which have not yet changed their feathers, are fluffy and look very cute.

call!

Seeing this scene, Gary's heart suddenly fell to the ground, and a smile appeared on his face. In his mind, Hai Ling'er immediately came to mind.

Ling'er likes these little animals the most. If she sees these two young eagles, she will be very happy.

Muttering in his heart, Gary thought about his situation, and couldn't help sighing. He was seriously injured, and he lost the Overlord's Hammer. Ling'er was still in the hands of the sand thieves at Flying Eagle Castle. so.

Dengdeng.....

Just when Gary was feeling sad, two young eagles staggered over, first tilted their heads to look at Gary curiously, and then pecked Gary with their tender mouths.

Seriously, if they were adults, they would definitely peck out a few blood holes in Gary's body, but it was still too small at this time, and these few strokes were not fatal to Gary at all.

Chapter 4148

But even so, Gary was hurt by being pecked.

shit...

Faced with this situation, Gary didn't know whether to laugh or cry. At that time, he was unwilling to take action on the two young eagles, so he had to dodge while shouting, "You two little guys, you are mistaken, I am not food."

When speaking, Gary was very depressed.

The Lord of the Heavenly Sect, who is famous in the rivers and lakes, is also considered a person with a head and face, but at this time, he was trapped in the giant eagle's lair, and was treated as lunch by two young eagles, which was too shameless.

If people know about this, I am afraid they will laugh out loud.

Swish!

Hearing this, the two young eagles stopped one after another, tilted their heads, and looked at Gary curiously.

The Golden-winged Cangyu Eagle's strength is comparable to that of the Four Great Beasts. It is full of spirituality and has a very high IQ. Although these two young eagles are young, they can understand Gary's words.

Seeing them stop, Gary breathed a sigh of relief, and after careful observation, he saw two young eagles in front of him.

Upon discovering these, Gary named them Xiaobai and Xiaohui, and then began to tease them. After a while, the two young eagles became acquainted with Gary.

Gary did this, of course, not just for fun.

“Little White and Little Grey!”

A few minutes later, Gary knew that the two young eagles were not wary of him, so he asked, “Do you know the way down the mountain?”

“Haw...”

Hearing the question, Xiaobai and Xiaohui looked at each other and shook their heads.

From birth to the present, they have been staying in the cave, relying on the adult golden-winged Cangyu eagle, looking for food to feed every day, and don't know how to go down the mountain.

Moreover, they are originally birds, and they don't need to go down the mountain at all. When they are a little older and their wings are getting fuller, they can fly directly.

“Heaven Comes”

call!

Seeing the reaction of the two little guys, Gary didn't give up, turned around and entered the cave to look for it, but after a few laps, he couldn't find the way down the mountain.

The cave has only one exit and no other access at all.

This is trouble.

For a time, Gary sat on the rock at the entrance of the cave, frowning. I can't go down the mountain, I just sit and wait here, the adult giant eagle will come back soon. His strength has not recovered, and he is not an opponent at all.

“Haw, haw...”

At this moment, Xiaobai and Xiaohui came over, leaned against Gary and rubbed them up, opened their mouths at the same time, and kept chirping.

Obviously, the two young eagles are hungry. Originally, Gary was the food that the giant eagle found for them, but things are changing. playmate.

But now, the two young eagles were so hungry that they asked Gary for food.

Uh....

Faced with this situation, Gary couldn't help laughing and crying: "I don't have any food on my body, please bear with me..." Gary was in a hurry to leave, how could he think about this, he just wanted to casually say a few words.

"Haw..."

It's just that the two young eagles didn't pay attention to this at all, and kept rubbing against Gary with their bodies, chirping in their mouths, like children playing tricks.

"Ahhh...don't be like this..." Gary's head was big for a while, he reached out and touched the small heads of the two young eagles, his tone was bitter: "I really don't have any food..."

At this time, Gary was very speechless, but he didn't want to get angry. These two little guys were really clingy.

sizzle....

At this moment, a strange sound came from outside the cave. At that time, Gary's heart froze, and he immediately turned his head to look, and was immediately stunned.

I saw a rock snake several meters long, meandering from the cliff on the left.

The rock snake is a unique snake in the desert. It likes to inhabit the sand next door, hence its name. This kind of snake is highly poisonous and very ferocious. The one in front of him, with the thickness of an arm, has lived for at least several decades.

Nima!

At this moment, when Gary saw the rock snake, his heart suddenly became bitter.

Today was really unlucky, I was first caught by a giant eagle, and then I encountered such a big rock snake.

Hiss!

Just when Gary was speechless, Yan Snake saw two young eagles, his eyes flashed with ferocious light, and he swam over quickly.

Chapter 4149

Yes, this rock snake came for two young eagles.

Speaking of which, the golden-winged Cangyu eagle is the nemesis of the rock snake, but the two young eagles are too small, only two months old, and they are not the opponents of this rock snake at all.

chirp....

At this moment, when the two young eagles saw the rock snake rushing towards them, they did not panic at all, but instead let out a cry of joy, and then staggered towards it.

The two eagle calves are not afraid of tigers. In their eyes, each other is food, and they are completely unaware of the danger.

The moment they rushed up, Xiaobai and Xiaohui went to peck at the head of the rock snake, but the rock snake was very flexible, and after quickly avoiding it, the snake's tail was instantly thrown over.

Snapped!

In the next second, Xiaobai was hit by the snake's tail, let out a cry, and stepped back a few steps.

shit...

Seeing this scene, Gary smiled bitterly.

These two little guys are really newborn calves who are not afraid of tigers.

Thinking to himself, seeing that Xiao Bai was about to fall off the cliff, Gary was quick-witted, grabbed its tender wings, and dragged it back.

At this moment of lightning, the rock snake had already wrapped Xiao Hui tightly.

“Haha!” As the rock snake got closer and closer, Xiao Hui realized the danger and made bursts of screams for help.

Gary didn't have time to think about it, he picked up a stone from the side and shouted, “Don't panic, Xiaohui.” The voice fell, Gary used the only power in his body and threw it hard.

Whoosh!

The stone shot out like a bullet, hitting the rock snake seven inches in the middle. Suddenly, the tightly coiled snake body loosened, lying on the ground and twitching lightly.

Xiao Hui got out of trouble and was very angry, stretched his wings and rushed up, pecking at the snake's head.

“Haw...”

At the same time, Xiaobai was also the same enemy, rushing up while shouting, and together with Xiaohui, used his sharp mouth to continuously attack the rock snake.

The Rock Snake was hit seven inches by Gary, completely lost his mobility, and was pecked to death by the two Xiaobai in a short while.

“Haw...”

After pecking the rock snake to death, Xiaobai and Xiaohui were very excited, chatting non-stop, then tore a hole in the rock snake and began to enjoy the snake meat.

While eating, Xiaobai and Xiaohui did not forget to shout at Gary a few times, motioning for him to eat snake meat together. Just now, Gary stepped in to help, and he was completely recognized by them.

At this time, in the hearts of Xiaobai and Xiaohui, Gary was like a relative.

Uh....

Seeing their movements, Gary smiled wryly, shook his head and said, “Good boy, eat, I’m not hungry.” After speaking, Gary walked over and took out the snake gall.

Although this rock snake has only been cultivated for a few decades, the snake gall is not a treasure, but it is also beneficial to Gary’s recovery of strength.

Gudong!

The next second, Gary took the snake gall and sat cross-legged at the entrance of the cave, calming down and recovering silently. Xiaobai and Xiaohui were enjoying the snake meat beautifully, and while eating, they couldn’t help but play and play, and the atmosphere was peaceful.

Soon, Xiaobai and Xiaohui were full, and when they saw Gary sitting there motionless, they lay down and rested.

Time passed by minute by minute.

“Hey...”

Just as Gary gradually entered the state, a loud chirping suddenly came from the sky in the distance.

Hearing this tweet, Gary suddenly opened his eyes and couldn't hide the anxiety on his face.

Oops... Before I fully recovered, the giant eagle came back.

Under the anxiety, Gary saw the sky in the distance, and a golden figure came quickly, it was the golden-winged Cangyu eagle.

“Haw..”

Seeing their mother come back, Xiaobai and Xiaohui were indescribably excited, and stood at the entrance of the cave jumping and jumping, shouting non-stop.

Whoosh!

At this moment, the golden-winged Cangyu Eagle saw that Gary was still sitting at the entrance of the cave, his eyes suddenly became sharp, the huge figure swooped down, and the sharp claws grabbed directly at the top of Gary's head.

Nima!

Seeing this scene, Gary jumped up and quickly ducked into the cave.

As soon as the hit was in the air, the golden-winged Cangyu Eagle did not give up, it made bursts of harsh screams, and rushed towards Gary again. In its heart, Gary was food, how could it be possible to let him live?

Seeing this situation, Gary was angry, Ma De, this flat-haired beast really treats me as food.

Thinking to himself, Gary was too lazy to talk nonsense, and his internal power was circulating in the cave and he fought fiercely with the golden-winged Cangyu Eagle.

Chapter 4150

It's just that the space in this cave is not large, Gary can't use it very well, and his strength has not fully recovered. Facing the sharp beak and claws of the golden-winged Cangyu Eagle, he was able to deal with it calmly at first, but gradually it became difficult to resist.

stab...

Soon, Gary was inattentive, and was caught on the shoulder by the golden-winged Cangyu eagle, and blood was dripping all of a sudden.

When the severe pain came, Gary couldn't help gasping for air, and his forehead was covered in cold sweat.

Mad, this bird of prey is quite strong...

Whoosh!

At this moment, the golden-winged Cangyu Eagle snarled and rushed over again.

Gary leaned against the rock in the cave, and there was no way to retreat behind him. At that time, his face was pale and his heart was very unwilling.

It would be too useless to die here.

“Haw, haw...”

At this critical moment, Xiaobai and Xiaohui were chirping, and their chubby bodies rushed up to block in front of Gary, constantly shouting at the golden-winged Cangyu Eagle.

This....

Seeing this scene, Gary was stunned, and felt a little moved in his heart.

He never thought that these two little guys would come forward at a critical moment.

At the same time, the golden-winged Cangyu Eagle was also stunned for a moment, his sharp eyes swept over the two children, and he made a chirping, motioning for them to move out of the way.

However, instead of letting go, Xiaobai and Xiaohui spread out their tender wings and tightly guarded Gary behind them, chirping, as if they were telling the golden-winged Cangyu Eagle not to hurt him.

“Demon Museum”

If someone else was there, they would definitely be amazed to see this scene.

You must know that the golden-winged Cangyu eagle has been reproduced in this desert Gobi for thousands of years. It is cruel and fierce, and has almost no natural enemies. Even if a cultivator encounters it, it will not escape death.

At this time, the two young eagles stood in front of their mother to protect a human being.

Simply incredible.

Faced with this situation, the golden-winged Cangyu Eagle seemed to be stunned, but soon after seeing the corpse of the rock snake at the entrance of the cave, he finally

understood something. The human in front of him helped kill the rock snake and protected his child...

Realizing this, the golden-winged Cangyudiao looked at Gary's gaze, a little less hostile.

call!

At this moment, Gary was also secretly relieved, then looked at the golden-winged Cangyu Eagle, and said seriously: "There is no grudge between us, I know that you arrested me just to nurture your children, but now they have eaten full."

"I have no intention of hurting you, and I hope we can live in peace with each other."

When he said this, Gary didn't let his guard down, he was always on guard.

Gary could see that the golden-winged Cangyu Eagle in front of him was not only fierce, but also had a low IQ. Although he could not speak animal language, he also believed that the giant eagle in front of him could understand his words.

"Haw..."

Hearing this prosperity, the golden-winged Cangyu Eagle stared at Gary for a moment, and finally let out a cry, and finally turned around to the entrance of the cave and began to eat snake meat.

Gary is right. The golden-winged Cangyu Eagle has a very high IQ. Knowing that the human being in front of him helped his child kill a rock snake, he decided not to hurt him.

However, like Gary, although he no longer does anything, the golden-winged Cangyu Eagle is still vigilant against Gary.

"Haw.."

Seeing that their mother no longer attacked their friends, Xiaobai and Xiaohui were very excited, jumping around happily beside Gary.

At the beginning, the golden-winged Cangyu Eagles also tweeted to signal them to keep their distance from Gary, but Xiaobai and Xiaohui didn't listen at all, and used their furry bodies to rub against Gary from time to time, very close.

Seeing this situation, the golden-winged Cangyu Eagle seemed a little helpless, and seeing that Gary didn't mean to hurt them, he simply ignored it.

“do not worry!”

At this moment, Gary sculpted towards the golden-winged Cangyu: “Although you arrested me, I will not hurt you and your children. When I regain my strength, I will leave immediately, and I will not disturb you.”

Hearing this, the golden-winged Cangyudiao nodded.

call!

Seeing that it really understood his words, Gary secretly sighed and said no more, then sat cross-legged and continued to practice and recover.

.....

On the other side, Eagle Fort.
