

## **The Ultimate Husband Chapter 4351 - 4400**

### **Chapter 4351**

In the blink of an eye, Gu Qianqiu landed in the yard.

Um?

The next second, seeing the situation in front of him, Gu Qianqiu couldn't help frowning secretly, and he saw that on the ground beside the courtyard, there were dozens of corpses of Li Tiandao disciples neatly arranged, and the air still had the smell of blood.

However, the entire courtyard was deployed in a red and festive look, especially the door of the back wing, with the big red happy characters pasted.

what's the situation?

Seeing this, Gu Qianqiu frowned and looked at Chen Kuan coldly: "Chen Kuan, what's going on?"

As the altar master, so many of his subordinates died, but he arranged the sub-altars so festively, did his brain flood?

poof...

Feeling the anger of Gu Qianqiu, Chen Kuan's heart trembled, he quickly knelt down, and said in fear: "Sect Master, I..."

Halfway through the words, the mother-in-law Honghua slowly walked out of the main hall and looked at Gu Qianqiu with a grim look: "Gu Qianqiu, do you still recognize my old wife?"

The voice was not loud, but there was a chilling coldness.

Swish!

Gu Qianqiu's eyes fell on the mother-in-law Honghua, and his face changed suddenly, and he said in surprise: "Mother-in-law?"

Seeing this scene, Chen Kuan and the surrounding disciples were secretly surprised.

Sect Master...I really know this safflower mother-in-law.

"Ha ha..."

Granny Honghua squinted, looked at Gu Qianqiu carefully, and said coldly: "Gu Qianqiu, you still have the face to call me mother-in-law? You hypocrite, you killed my Yu'er, the old lady came this time to settle accounts with you. of."

The last sentence was extremely cold, as if it came from hell.

Twenty years ago, Gu Qianqiu had not yet joined Litian Dao. At that time, he traveled around the rivers and lakes and became a disciple of Grandma Safflower, Hong Yu. The two fell in love at first sight, so they privately settled for a lifetime. They found a beautiful valley and lived with the world. A day without contention.

Who knew that the good times would not last long, Gu Qianqiu suddenly left without saying goodbye, Hong Yu searched everywhere, and there was no news of him, so he wanted to commit suicide. Although Hong Yu survived, she always thought about Gu Qianqiu in her heart, and finally, she died in last winter.

Hong Yu is the mother-in-law of Honghua, the most beloved disciple. Seeing her dying in depression, she was so angry that she attributed everything to Gu Qianqiu.

Whoa!

Seeing this situation, whether it was Chen Kuan or the other disciples around, were shocked...

It turns out that the suzerain has something to do with the disciples of Granny Safflower...

“Mother-in-law...”

Seeing that Honghua’s mother-in-law mentioned Hongyu, Gu Qianqiu took a deep breath, showing complicated emotions on his face, and said: “There are many twists and turns in the matter between me and Hongyu, and it is not clear in one sentence or two...”

“you shut up!”

Hong Hua’s mother-in-law scolded coldly: “Stop arguing with me, it is a fact that you abandoned Hong Yu, and I tell you, my old wife is avenging Hong Yu today.”

“Sword Comes”

Saying that, Granny Safflower pointed to the corpses beside the yard: “I killed all of your subordinates, and I also arranged a wedding for your beloved disciple and let her marry a man named Darryl. people.”

When talking about her future, Granny Safflower showed revenge on her face.

I see.

Hearing these words, Gu Qianqiu suddenly nodded.

It is no wonder that so many people died in the sub-altar, and they were deployed into a festive atmosphere.

“metropolitan!”

At this moment, Chen Kuan came to his senses, knelt there and pleaded with Gu Qianqiu: “It’s all incompetent, failed to save the lives of the disciples below, and was coerced by mother-in-law Honghua to preside over the wedding...”

Later, Chen Kuan quickly explained the situation at that time.

call....

Knowing these circumstances, the anger in Gu Qianqiu's heart subsided a lot, and he took a deep breath and said: "Get up, it's not your fault, it's all because of me."

Speaking, Gu Qianqiu looked at the corpses of the disciples in the courtyard, and was very uncomfortable: "After dawn, give them a good burial."

"Yes, Sect Master!" Chen Kuan nodded quickly.

"Gu Qianqiu!"

At this moment, Granny Safflower couldn't stand it any longer, and said coldly, "Don't pretend to be pitiful in front of your subordinates, you are a hypocrite, villain."

"Give me Yu'er's life!"

Chapter 4352

The last sentence fell, and the figure of Granny Safflower burst out, coming straight to Gu Qianqiu.

Seeing that the mother-in-law of Honghua broke out, Gu Qianqiu sighed and said complicatedly: "Mother-in-law, you are a senior, I don't want to do anything with you, please calm down, I will give you an explanation about Yu'er."

"Explain?"

Granny Safflower was full of anger: "Everyone is dead, how do you explain to my old lady? Tell you, the best explanation is to pay her life..."

The voice fell, and the mother-in-law Honghua had already arrived in front of her, raised her right hand, and called towards Gu Qianqiu's heart like lightning.

call....

This palm contains the ten successful powers of Granny Safflower, and when she sees the surrounding air, it is violently twisted, and the power is amazing.

Feeling the power of this palm, Gu Qianqiu didn't dare to be careless. He didn't have time to dodge, so he just raised his hand and greeted him.

Bang.

In the blink of an eye, the palms of the two sides collided, and a roar broke out. Immediately, Gu Qianqiu and Granny Honghua were seen, each being shaken back by the volley.

Whoa!

Seeing this scene, Chen Kuan and everyone below stared at the two people in mid-air, and they were all shocked.

This safflower mother-in-law is so strong, how can she be evenly matched with the sect master? You must know that in the hearts of the disciples of Li Tiandao, Gu Qianqiu is a god-like existence, and his strength is unfathomable.

“Good good...”

At this time, the mother-in-law Honghua stabilized her figure, stared at Gu Qianqiu and nodded: “It is different to be the sect master of Li Tiandao, and the strength has become much stronger. Today, the old lady will take a look, how much are you?”

The voice fell, and the figure of Granny Safflower burst out, rushing towards Gu Qianqiu again.

Gu Qianqiu was very helpless. The situation in front of him could not be forced back at all. He could only stand up in the night sky with Granny Safflower.

For a time, the figures of the two were constantly shuttled in the air, causing the surrounding air to distort, and the scene was indescribably shocking.

At this time, in the back room.

bang bang bang...

Hearing the sound of fighting from outside, Feixue's delicate face couldn't hide her worry: "Oh, the Sect Master and Granny Safflower got into a fight."

With that said, he quickly opened the door and ran out to watch the situation.

call!

Watching Feixue go out, Darryl let out a sigh of relief.

You fight, I won't be here to interfere with your affairs.

Thinking about it, Darryl walked out of the room and quickly left while Gu Qianqiu and Granny Safflower were fighting fiercely.

Darryl thought about it, first left Qizhou City, found a secluded place to restore his strength, and then deployed the Chaos Teleportation Formation to return to the Kyushu Continent.

"Sword Comes"

What the hell!

Just when he was about to reach the city gate, Darryl was stunned when he saw the scene in front of him.

I saw that the gates of the city were densely populated by soldiers, all of them holding long swords, waiting in battle. Not only that, the gates of the city were closed.

An hour ago, when the King of Shaoyang learned that Xuanguguan had fallen, he immediately made a decision to temporarily give up his plan to attack Ji Beiye, and instead defend Qizhou City, waiting for work.

For a time, the entire Qizhou city was under martial law immediately.

Looking at it like this, I could only find a place where no one was there, flip through the city walls and go out.

Soon, Darryl came to his senses and secretly made up his mind. He was going to find a weakly defended place and read the city wall to leave. However, it was already late, and the people of the entire Qizhou City had rested, quietly everywhere. , Darryl alone looks very eye-catching.

Soon, a team of patrol soldiers found Darryl.

“Who? Stop!”

The captain of the soldiers at the head couldn't help drinking, and at the same time called his companions to rush over quickly and surrounded Darryl.

Well...

In the face of this situation, Darryl was speechless, Nima, this is too unfortunate to be discovered so quickly.

While muttering in his heart, Darryl still smiled and said, “Don't panic, gentlemen, I'm just going out for a walk.” In this strange place, with no relatives and no reason, there is really no other reason.

walk?

Hearing this, the captain of the soldier frowned: “Now the city of Qizhou is under martial law, and there will be a war soon, and the prince has ordered that the people in the city are not allowed to go out without permission. What are you walking?”

Saying that, the soldier captain stretched out his hand: "Take out your household registration card and let me see it."

## Chapter 4353

Household card is a symbol of the identity of the people in Qizhou city.

At that time, after Ji Beiye conquered the imperial capital, in order to prevent spies from mixing in Qizhou City, the King of Shaoyang specially ordered someone to count the number of people in the lower Qizhou City, and each household was issued a special household card.

ddxs.com

If there is a household card, it proves that they are the people of Qizhou City. If not, it is very likely that they are spies sent by Ji Beiye.

What? account number?

At this moment, Darryl was stunned, not knowing whether to laugh or cry.

What is this sign? ID card?

Depressed, Darryl scratched his head: "That... I don't have a household name."

Um? No account number?

Hearing the answer, the captain of the soldier's face changed greatly, and he immediately pulled out the long knife on his body, and the surrounding soldiers also became vigilant.

No account number? It's not the people in Qizhou City, it must be spies.

"No account number?"

The next second, the captain of the soldiers exclaimed excitedly: "It seems that you are a spy sent by the Ji Beiye rebels. You are not small, you dare to break into Qizhou City so arrogantly? Say, do you have any accomplices?"

Uh....

Facing the situation, Darryl couldn't help laughing and laughing, and quickly explained: "Misunderstanding, you have misunderstood, I am a spy, in fact, I am a friend of the little emperor. Before, I escorted the little emperor all the way to Xuangu Pass, we are our own people... ."

At this time, Darryl was very helpless. He didn't want to talk about Ying Kuang, but in the current situation, there was really no other way.

Swish!

Seeing him mentioning the little emperor, the faces of the soldiers present changed greatly, and they were full of anger.

Immediately, the soldier captain shouted: "You are so bold, you dare to call our majesty that, what is it not a spy?" Although the emperor was young, he was also the emperor, and the person in front of him didn't call his majesty, he actually said that the little emperor, Definitely a spy.

In anger, the captain of the soldiers was too lazy to talk nonsense, and shouted: "Take it, tie it up and send it to the palace, and let the prince go."

Whoa!

The last word fell, and the surrounding soldiers rushed up.

Seeing this scene, Darryl's mind quickly turned, and he wanted to resist at the time, but after thinking about it, he held back. The soldiers in front of him were all first-ranked soldiers. With Darryl's strength, they could easily get rid of them.

But it was because these soldiers were too weak, and Darryl was afraid that he would be killed by accident, so he decided to hold back for the time being.

Moreover, Gu Qianqiu has returned to the sub-altar, indicating that the little emperor has been safely sent to the king of Shaoyang....

Soon, several soldiers tied Darryl Wu Hua and led him towards the palace.

At this moment, in the palace.

In the splendid hall, Ying Kuang changed into a new suit and sat on the main seat. On his right, there was a handsome and extraordinary young man in his twenties, with sword-brow and star-shaped eyes, and his whole body was filled with a good-looking aura. aura.

It was the king of Shaoyang.

On both sides of the hall, several maids stood respectfully.

At this moment, King Shaoyang waved his hand to signal these maids to step down, then looked at Ying Kuang and said, "I haven't heard from you for the past two days, but I'm so anxious."

"You can be safe and sound, it proves that our Dayan Dynasty is not exhausted, haha..."

In the end, King Shaoyang was very pleased.

King Shaoyang and Ying Kuang are cousins. Although they are not close relatives, they have always had a good relationship in private. When there are outsiders, they are monarchs and ministers.

"Third Brother!"

At this time, Ying Kuang was in a good mood and said, "I thought I would never see you again. At that time, Grandpa Qu and I escaped from the imperial capital. Grandpa Qu was seriously injured, and he couldn't take it anymore... Well, we met a strange man."

weirdo?

Hearing this, King Shaoyang frowned: “What kind of strange method?”

Ying Kuang breathed a sigh of relief, and said in a complicated tone: “At that time, he was wearing strange clothes, and Grandpa Qu thought he was someone who was out of the way of heaven, and he didn’t argue.”

“Furthermore, this person is very strong. In the blink of an eye, he defeated dozens of bandits, and... at Xuangu Pass, Wang Huacheng rebelled and trapped us in the room. He used a table at the door. The chair and stool, deployed a few times, actually blocked Wang Huacheng’s hundreds of subordinates...”

“It’s incredible that you didn’t see the situation at the time...”

#### Chapter 4354

When it came to the end, Ying Kuang recalled the scene of Darryl’s confrontation with the enemy at that time, and his eyes flashed.

There is such a person...

At this moment, King Shaoyang frowned secretly, and he couldn’t help but admire secretly in his heart, it was unheard of for anyone who could use a table, chair or stool to defend the enemy.

Admiring, King Shaoyang couldn’t help but ask, “What’s that person’s name?”

“Darryl!” Ying Kuang replied.

call!

The King of Shaoyang took a deep breath and said with emotion: “If such a talented person can be used by us, it will be much easier to defeat Ji Beiye, the traitor, but unfortunately, this person should be an expert who is not greedy for glory. solicit.”

Ying Kuang nodded, and then thought of something: “By the way, I have never understood why Li Tiandao wants to help us.”

“this...”

King Shaoyang pondered for a while and said slowly: “It’s hard to say, the ideas of Li Tiandao’s people are hard to guess all the year round...”

Just as he was talking, a soldier ran in sweating profusely: “My lord, there is a situation.”

King Shaoyang frowned, and said very displeased: “I didn’t say that just now, there is no order, and I must not break in casually, how can I be so reckless?”

The two brothers finally met each other, and they were interrupted before they said a few words, and they were naturally very unhappy.

Pfft!

Feeling the anger of King Shaoyang, the soldier trembled and knelt down quickly: “It’s your subordinate’s recklessness, Your Majesty forgives your sins, Your Majesty forgives your sins!”

“That’s it!” King Shaoyang waved his hand: “I won’t punish you this time. What’s the matter? What’s the situation?”

The soldier wiped the cold sweat on his face, lowered his head and said, “Your Highness, my subordinate was patrolling the city just now and caught a spy sent by the rebel army.”

“That spy is very cunning. He doesn’t say anything without a household name, and he claims to...”

Having said this, the soldier carefully glanced at Ying Kuang, but he hesitated.

“What else do you call yourself?” King Shaoyang frowned, obviously impatient.

call!

The soldier breathed a sigh of relief and responded, “The man claimed to know His Majesty, but his address was presumptuous, calling His Majesty ‘little emperor’...”

Hearing this, King Shaoyang's face changed, and his heart instantly burst into anger.

At the same time, Ying Kuang's expression changed. Although he was young, he was as ambitious as anyone. He was most disgusted by who called him the little emperor.

“Yes, Your Majesty!”

Seeing His Majesty's anger, the soldier did not dare to neglect, hurriedly responded and walked out.

A few seconds later, the soldier came back with Darryl, who was tied up with five flowers.

It's him?

Seeing Darryl, Ying Kuang's face froze, very surprised and pleasantly surprised. After separating at Xuangu Pass, Ying Kuang thought it would be difficult to see Darryl again, but he did not expect to meet again so soon.

Ha ha...

At the same time, Darryl also had a smile on his face when he saw Ying Kuang.

It seems that his guess is correct, the little emperor is indeed here.

Does this kid have the guts to laugh?

The soldier didn't know what was going on, but he could still laugh when he saw Darryl, and immediately kicked Darryl's leg and scolded: “Bold, you can laugh without kneeling when you see Your Majesty and the Prince?”

call!

At the same time, King Shaoyang was also staring at Darryl, his anger unstoppable.

This man is really arrogant.

Darryl was kicked, but he didn't kneel down, and the soldier still had to do it.

“stop!”

At this moment, Ying Kuang hurriedly shouted, then stood up quickly, and said to the soldier, “Quickly untie.”

Having said that, Ying Kuang smiled at Darryl and said, “So you are also in Qizhou City.”

This....

Facing this scene, the soldier was dumbfounded.

What is the situation, His Majesty actually took the initiative to speak to this person, and his tone was so polite... Could it be that what this person said before is true, that he and His Majesty are friends?

Frightened and puzzled in his heart, the soldier did not dare to neglect, and quickly released Darryl.

At this time, King Shaoyang was also stunned, and looked at Ying Kuang in surprise: “This... what's going on?”

Ying Kuang smiled and introduced: “Third brother, this is the strange man I told you about Darryl, who escorted me all the way to Xuangu Pass.”

Chapter 4355

It was him.

Hearing Ying Kuang's words, King Shaoyang nodded, couldn't help but looked up and down at Darryl and muttered secretly.

There is nothing special about this person, is he really as good as His Majesty said?

What?

The soldier standing by the side was shocked at this time, as if struck by lightning, the whole person was blinded, and looked at Darryl in a daze, completely dumbfounded, and his heart was full of fear.

He...he is really His Majesty's friend...

It's over, it's over.

Thinking to himself, the soldier was sweating profusely, and hurriedly knelt down at Darryl, saying in fear, "I have offended your Excellency, please forgive me."

When begging for mercy, the soldier watched Ying Kuang's reaction carefully. He knew in his heart that in the current situation, as long as Darryl didn't care, His Majesty would not blame him.

After all, ignorant people are not guilty.

Darryl didn't care about it at first, and smiled lightly: "It's not strange for those who don't know, don't be nervous."

"Thank you, Your Excellency." Hearing this, the soldier was overjoyed and grateful.

At this time, Ying Kuang waved at the soldier: "Okay, you can step back."

"Yes, Your Majesty!"

The soldier wiped away the cold sweat on his forehead as if he was in a state of amnesty, and exited the hall in response.

As soon as his forefoot left, King Shaoyang stepped forward and smiled at Darryl: "It turns out that Your Excellency is Darryl, and His Majesty mentioned you just now. Before, you escorted His Majesty all the way to Xuangu Pass, it was also hard work, this King Thank you so much."

popping....

Saying that, King Shaoyang clapped his hands, and immediately two maids came out from behind, each holding a beautiful box in their hands. After opening, the dazzling brilliance illuminated the hall.

I saw that one box was filled with jewels and jade, and the other was filled with golden ingots.

Seeing this scene, Darryl was stunned.

Ying Kuang, who was next to him, was calm. He knew the King of Shaoyang best, and it was true that he took out the treasure reward at this time, but at the same time, he also used it to observe whether Darryl was greedy for wealth and glory.

“Ha ha!”

Seeing Darryl stunned, King Shaoyang smiled lightly: “Be careful, it’s not respectful, you have protected Your Majesty all the way before, you have worked hard and made a lot of work, and accept these treasures.”

When he said this, King Shaoyang’s eyes showed some deep meaning.

Ying Kuang guessed right, he was testing Darryl’s character at this time. You must know that these beautiful jewels are of high quality, and each piece is invaluable, enough for a person to live happily for a lifetime.

If this Darryl was someone who loved money, he would definitely be tempted. If this is the case, it is easy to take it for your own use.

interesting!

The King of Shaoyang’s eyes, Darryl looked at it in his heart, and he couldn’t help but chuckle.

This King of Shaoyang is testing me.

I can’t see that, at such a young age, he is quite shrewd.

Muttering in his heart, Darryl smiled slightly and said to the king of Shaoyang: “It’s just a gesture of effort, the prince is polite, let’s put these things away, I’m just an idle cloud wild crane, it’s useless to ask for these things.”

“Now that the battle of Qizhou City is about to come, the prince really wants to reward them, so it is better to use these treasures for military expenses. This is the right way.”

When he said this, Darryl didn’t even look at the treasure in the box.

This remark, Darryl is not a pretense, after all, with his current strength, he has no extravagant desire for money, and two boxes of treasure will naturally not be seen in his eyes.

call...

Hearing the answer, King Shaoyang and Ying Kuang looked at each other and nodded approvingly to each other.

Seeing treasures as nothing, this man has extraordinary knowledge and is really different.

“Ha ha..”

In the next second, King Shaoyang couldn’t help laughing and praised Darryl: “Your Excellency speaks very well, you are indeed a master of the world, and you were brought into the palace today. Although it was a misunderstanding, it also proved that we are destined. And Your Majesty also appreciates your Excellency. In my opinion, Your Excellency might as well stay here for a few days.”

This....

Darryl hesitated, then nodded and said, “Okay, then I’ll disturb you.”

Speaking of which, Darryl was in a hurry to return to the Kyushu Continent, and did not intend to stay here, but after thinking about it, looking for a quiet place outside, it is difficult to guarantee that he will not be disturbed. In contrast, the palace in front of him is relatively safe and clean.

Chapter 4356

“it is good!”

Seeing Darryl’s agreement, King Shaoyang was very happy, and immediately laughed: “Your Excellency is indeed a happy person, we must have a few drinks later.”

With that said, King Shaoyang ordered the servants next to him: “Quickly prepare the banquet, I will treat the distinguished guests well!”

“Yes, my lord!”

Hearing the order, the servants hurried to prepare.

Half an hour later, a sumptuous feast was prepared, and the King of Shaoyang very politely invited Darryl to be seated. Sit calmly in the guest seat.

Soon, the two parties toasted and chatted happily.

After a brief understanding, Darryl saw that the King of Shaoyang was also a person with a free and easy personality, and he had great ambitions, and his conversation showed the royal style.

“Third Brother!”

While chatting vigorously, I heard a crisp and pleasant voice from outside the hall, and then, a beautiful woman, surrounded by several maids, walked in slowly.

It is the younger sister of the King of Shaoyang, the Princess of Qingyu. This year is just over 20, young and beautiful, charming and charming.

When he got to the front, Qingyu bowed to Ying Kuang. Although Ying Kuang was very depressed at this time, he was also the emperor, and the courtesy should not be lost.

Ying Kuang nodded, indicating that he would be exempted from the ceremony.

“Qingyu!”

At this time, King Shaoyang smiled: “Why are you here?”

Qingyu looked indifferent: “My own palace, why can’t I come over? I heard that you are entertaining distinguished guests, so I came to have a look out of curiosity.”

“The Guard is Here”

When speaking, Qingyu couldn’t help looking at Darryl, her brows unable to hide her disgust. This person is dressed in ordinary clothes, how can he look like a person with ability, I am afraid he is a liar.

At this time, King Shaoyang introduced: “This is Darryl, who escorted His Majesty all the way to Xuangu Pass. The credit is not small.”

“yes?”

Qingyu curled her lips: “I don’t think so, Ji Beiye’s army of hundreds of thousands, how could he be able to protect His Majesty’s comprehensiveness by himself? I really want to say that he is also His Majesty’s Destined Son, blessed by the sky, and others, a little bit. It doesn’t matter.”

Speaking of this, Qingyu couldn’t help but said to King Shaoyang: “Third brother, I heard that many liars have infiltrated Qizhou City recently. They want to take advantage of the war to make a fortune. Don’t be deceived.”

As the county owner, Qingyu, with golden branches and jade leaves, thought that he was a liar from the clothes of Darryl, and looked down on him from the bottom of his heart.

Ha ha...

Feeling Qingyu’s contempt, Darryl smiled and said nothing. Anyway, I am not a person in this world, and I don’t need to care about other people’s opinions.

“Don’t talk nonsense!”

However, Ying Kuang, who was sitting on the side, couldn’t listen anymore, frowned and said, “Your Excellency Darryl, you are a person with great ability. At Xuangu Pass that

day, Wang Huacheng rebelled. It was Your Excellency Darryl who deployed the formation to block the way. enemy.”

Having said that, Ying Kuang explained the situation at that time in detail.

call!

Hearing this, Qingyu frowned lightly, then let out a sigh of relief, and said with a smile, “Your Majesty, you are still too young to know that the rivers and lakes are dangerous and people are unpredictable.”

As she said that, Qingyu glanced at Darryl intentionally or unintentionally: “He is neither a palace guard nor a person from Heaven, why should he escort you to Xuangu Pass only by the care of Prime Minister Qu?”

“Also, I’ve never heard of someone using tables, chairs and benches to fight the enemy. I suspect that this person is very likely to be an associate of Wang Huacheng. The scene at that time was deliberately played for you.”

This....

Hearing this, Ying Kuang was stunned.

King Shaoyang also frowned, and couldn’t help muttering in his heart, “Yes, it’s incredible that just using some tables, chairs and stools to block hundreds of soldiers at Xuangu Pass.”

Could it be true as the little sister said, this person is Wang Huacheng’s comrade?

“wrong!”

At this moment, Ying Kuang reacted, shook his head and said, “Your Excellency Darryl and Wang Huacheng can’t be the same party. I was in Xuanguan at the time, and I had no way out. They just gave me to Ji Beiye at that time. the play.”

Qingyu smiled lightly: “Their purpose is not only your majesty.”

At this time, Qingyu, under the preconceived situation, thought that Darryl was a spy, and all kinds of deliberation were quickly carried out in his mind.

“What do you mean?” Ying Kuang looked puzzled

Chapter 4357

The king of Shaoyang next to him also frowned secretly, not knowing what to think.

call!

Qingyu took a deep breath and said slowly: “Their ultimate goal is to completely subvert the Dayan royal family. Just imagine, Your Majesty, they acted in a play and made Your Majesty mistake this person for a talent. When they arrived in Qizhou, the third brother also Treat him like a guest.”

“And after he learned about the situation in Qizhou, he quietly spread the news, what would be the consequences?”

At the end of the story, Qingyu looked at Darryl with a half-smile, “How is it? I’m right.”

Swish!

At this moment, both Ying Kuang and King Shaoyang’s expressions changed.

Darryl was indifferent, sitting there quietly, secretly laughing in his heart.

This Princess Qingyu has a very rich imagination. Not only did he think I was a spy, but he also guessed my motives... This is persecutory paranoia.

Ha ha...

Thinking to himself, Darryl smiled slightly, looked at Qingyu and said, “The county master’s imagination is indeed extraordinary, but unfortunately, I really am not Wang Huacheng’s party.”

With that said, Darryl looked at King Shaoyang: “If the lord doesn’t believe me, he can lock me up, as long as no one disturbs me. When the war is over, everything will be clear.”

“Dare to argue.” Qingyu snorted softly.

King Shaoyang took a deep breath and said with a smile: “Don’t take offense, Your Excellency, my sister has always been like this. You escorted Your Majesty before and protected His Majesty comprehensively. How can I treat you as a spy?”

Having said that, King Shaoyang said to Qingyu: “Qingyu, don’t speculate anymore, Your Excellency Darryl was mistakenly arrested into the palace, not with His Majesty.” Then, he explained the situation just now. came out.

This....

Hearing this, Qingyu was stunned for a moment. Did she think too much?

But she is the princess, how could she admit wrong? He immediately pouted and said, “Be careful, it’s not an exaggeration.”

Saying that, Qingyu found something, and said coldly to Darryl: “Even if you are not a spy, as a commoner, you are on an equal footing with Your Majesty.

No matter what, it’s just not pleasing to look at this person.

Darryl smiled slightly: “The county lord is wrong. I didn’t take the initiative to sit down, but the prince asked me to sit down.”

“All right!”

At this time, King Shaoyang also said: “Qingyu, don’t be fooling around. Your Majesty and I have a lot of things to discuss with Your Excellency Darryl. You go out first.”

The King of Shaoyang firmly believed in his own judgment. The Yue had an extraordinary demeanor in front of him. How could he be the accomplice of such a villain as Wang Huacheng?

“you....”

Seeing her brother talking to an outsider, Qingyu was so angry that she stomped her feet and left the hall with the maid.

Outside the door, Qingyu turned back and gave Darryl a cold look.

This liar, the county master must find a way to make you reveal your secrets.

in the hall.

call!

Seeing his sister leave, King Shaoyang breathed a sigh of relief, and said with a wry smile at Darryl: “My little sister is willful and rude, you made me laugh, please don’t take it off.”

Darryl smiled: “It’s okay.”

King Shaoyang nodded, and then couldn’t help asking: “Dare to ask, where is Your Excellency Darryl from?”

Darryl thought for a while, then replied with a smile: “I traveled everywhere, and I live in the world, and I don’t know where I belong.”

King Shaoyang is a wise man. Hearing this answer, he didn’t ask any more questions at that time. He continued to chat with Darryl. Finally, when talking about the current situation, King Shaoyang couldn’t help sighing: “Now I have only ten men. Ten thousand soldiers and horses, compared with Ji Beiye’s traitor, there is a big disparity.”

Having said that, King Shaoyang looked at Darryl: “In your opinion, what should this king do?”

Darryl thought about it for a while, and said lightly: “Keep the city of Qizhou, wait for work, and wait and see how it changes.”

Hearing the answer, King Shaoyang smiled and said, "This king also thinks the same way. The city of Qizhou is strong, and the traitor who dares to come will surely make him come and go."

The voice fell, and the two looked at each other and laughed.

This meal was drunk for more than two hours, and it was not over until the sky was getting brighter. Afterward, King Shaoyang specially prepared a room for Darryl in the palace. Darryl was not polite and went to sleep when he entered the room.

From Xuanguguan to Qizhou, Darryl hardly rested, and was already tired.

Chapter 4358

In this sleep, Darryl slept for more than ten hours, and when he woke up, it was almost dusk outside.

call!

Darryl stretched his waist, took a deep breath, and couldn't help sighing.

Since arriving in this strange world, this is the first time that I have slept so soundly.

At this moment, there was a soft knock on the door outside, and then a maid's voice came: "Your Excellency Darryl, are you awake?" This maid was specially sent by King Shaoyang to serve Darryl.

Because Darryl was sleeping, the maid did not dare to come in to disturb her, so she stayed outside the door the whole time.

Darryl responded: "Wake up."

Hearing the response, the maid said, "I'm going to prepare dinner." After speaking, she left quickly, and after a while, she returned with a few delicate dishes.

Darryl tasted it and it tasted good.

After dinner, Darryl was a little bored, so he went for a walk in the garden at the back.

I have to say that the palace is very big, and the palaces of Qionglou are staggered. Under the background of the sunset, it gives people a different visual experience. The garden is also very elegantly decorated. It is midsummer at this time, and there are hundreds of flowers in the courtyard, which is very beautiful.

Darryl enjoys while walking.

Turning around a rockery, there is a pavilion behind. At this time, a slender figure is sitting in the pavilion. Several maids and many guards are guarding it. It is the Princess Qingyu.

Um?

Seeing Princess Qingyu, Darryl was stunned, how did he meet her?

Muttering in his heart, Darryl was about to turn around and leave, but before he turned around, he heard Qingyu coldly say, "Stop."

Well...

Darryl was very helpless. He turned around and smiled at Qingyu: "What is the command of the county master?"

Qingyu's delicate face was full of contempt: "Who do you think you are? You can also walk around in the back garden?" The origin of this person is unknown, but the third brother is still talking to him. more angry.

Darryl didn't want to entangle with her too much, so he smiled bitterly and said, "I'm going to disturb the princess, I'll leave now."

With that said, Darryl was about to turn around and leave.

However, Qingyu didn't intend to spare him at all, she chuckled at that time: "Did I let you go?" At the same time, Qingyu raised her hand.

Immediately, the two palace guards understood and hurried over to block Darryl's path.

Darryl frowned secretly, and said calmly, "What does the county master want?" At this time, Darryl was already a little unhappy. There is something wrong with this county master. I have nothing to do with you, but I am always targeting.

"Fairy Wood"

Qingyu did not answer immediately, but said lightly: "I heard that before you and Your Majesty arrived at Xuangu Pass, you encountered a group of bandits?"

call!

Darryl took a deep breath and said patiently, "Not bad."

Hearing the answer, Qingyu's face showed a bit of playfulness: "Your Majesty said, you have defeated dozens of mountain bandits alone, and your strength is not weak, so let's let these guards around you compete with you, this county master I want to see how strong you are."

This time the third brother is not here, we must take the opportunity to test this person.

test?

Darryl frowned and said without hesitation, "I'm sorry, as a guest, how dare I take action in the palace? The county master should not be too hard on others."

"I prefer to be strong."

With an arrogant look on Qingyu's face, she said without doubt: "In this gentleman's place, you can't do it!"

Whoa!

The last word fell, and the surrounding palace guards urged their figures to quickly charge towards Darryl.

None of these palace guards are weak. The lowest level is also the fourth rank, and most of them are above the fifth-rank. At this time, they erupted together, and the air around the pavilion was violently distorted.

Nima, you have to make an inch.

Seeing this scene, Darryl frowned and couldn't help but murmured in his heart, but he didn't panic at all.

Whoosh!

In the next second, Darryl's figure flashed, he quickly stepped back, grabbed a bonsai beside him, and placed it in front of him, and then grabbed another one and placed it on the left...

Seeing this, Qingyu was stunned.

What is this man doing?

At the same time, those palace guards were also secretly wondering. At the same time, continue to besiege Darryl.

Chapter 4359

However, Darryl was so fast that these palace guards couldn't even touch the corners of his clothes.

While Darryl was avoiding these guards, he also kept moving the bonsai around the pavilion.

Yes, Darryl moved these bonsai and deployed a small five-element array.

Speaking of which, Darryl really wanted to do something, and he could easily defeat these palace guards, but he was a guest after all, so it would be inappropriate if he really wanted to do something.

Therefore, in order not to tear the face, it is most appropriate to use the formation method.

This....

Seeing this situation, Qingyu County Master frowned and was very puzzled.

What the hell is he doing, wouldn't he want to use these bonsai to deal with these palace guards?

The deployment of the Five Elements Array was completed soon. More than a dozen palace guards were trapped inside before they could react.

what happened?

At this moment, more than a dozen guards of the palace were secretly surprised. In their eyes, these bonsai seemed to move by themselves. No matter how they walked, there would always be a bonsai standing in front of them.

“What's the matter with you?”

At this time, Qingyu couldn't help but drink softly: “If you don't hurry up, what are you doing in the same place?”

Qingyu saw that more than a dozen guards of the palace, like headless flies, were going back and forth between these bonsais, and Darryl was right in front of them, but they didn't seem to see it.

In the face of Qingyu's scolding, more than a dozen guards of the palace were all complaining.

“Princess!”

The next second, one of the guards said with a bitter face: “These bonsai are so weird, I can’t rush past them at all.”

The voice fell, and the other guards also responded.

“Yeah, it’s too evil.”

“These bonsai seem to be alive.”

“I...I can’t tell the way right now.”

Hearing the words of these guards, Qingyu’s delicate body was shocked and completely stunned. She stared at the bonsai blankly, speechless.

Could it be....is this an array?

Impossible, just some bonsai, how can you form an array?

call!

Soon, Qingyu reacted and was very annoyed. There were so many palace guards who couldn’t even catch a single person. Isn’t it a joke when the news spread?

Thinking to herself, Qingyu bit her lip tightly, and then said to the guards behind her: “What are you doing, hurry up and help.”

“Yes, the princess!”

After receiving the order, several guards mobilized their figures and joined the battle one after another.

However, Darryl did not give them a chance to move the bonsai quickly and change the layout of the formation. In the blink of an eye, these guards were trapped inside before they could react.

“idiot!”

Seeing this scene, Qingyu stomped her feet in a hurry: “Hurry up and rush out.” These guards are really stupid, and they can actually be trapped by these bonsai.

Hearing Qingyu’s words, these palace guards immediately tried to break the formation.

However, ten minutes later, these palace guards were still trapped inside, sweating profusely and spinning around.

This....

At this moment, Qingyu was completely stupid, and the maids next to her were also dumbfounded.

With some bonsai, you can trap people. If you don’t see it with your own eyes, who would dare to believe it?

“The princess!”

At this time, Darryl looked at Qingyu with a smile, and said slowly: “Now I should believe that I was in Xuanguguan before, and I didn’t cooperate with that Wang Huacheng in acting.”

Qingyu opened her mouth and didn’t know how to respond for a while, her delicate face was also full of complexity.

popping...

It was at this time that there was applause from the path behind the pavilion, and I saw King Shaoyang walking slowly, with a smile of admiration on his face.

The King of Shaoyang came to the garden for a walk just now, and when he heard something going on in the pavilion, he came over to take a look. He happened to see Darryl using the bonsai to trap these palace guards.

When he got to the front, King Shaoyang couldn't hide the shock in his heart, and smiled at Darryl: "It's amazing, I heard your Majesty talk about the Xuangu Pass before, but this King didn't quite believe it, but when I see it now, it's really wonderful. "

Having said that, King Shaoyang said to Qingyu: "Little sister, do you still doubt the identity of Your Excellency Darryl? How can such a strange person be a spy? Apologize to Your Excellency Darryl."

Chapter 4360

"I...."

Qingyu blushed and was very unconvinced: "I won't apologize to him..." After saying that, she stomped her feet and left with a few maids.

He is the dignified princess, and even if Darryl has some skills, he is not qualified to apologize.

call....

Seeing this, Darryl was not angry at all. If he breathed a sigh of relief, he moved the surrounding bonsai and released the guards of the palace.

"Retreat all..." King Shaoyang scolded in a low voice.

wow..

Hearing the order, the guards present did not dare to neglect, and left one by one.

At this time, King Shaoyang stepped forward, with a bit of embarrassment on his handsome face: "Your Excellency Darryl, I'm so sorry, my little sister is too self-willed."

When he said this, King Shaoyang looked at Darryl and couldn't hide his praise.

If it wasn't for the little sister's mischief just now, this Darryl wouldn't have shown his true skills.

Speaking of which, the scene just now was really amazing. Just using some bonsai, it was incredible to trap more than a dozen guards of the palace.

It seems that His Majesty is right, this Darryl is really a rare talent.

Excited in his heart, King Shaoyang got closer, and couldn't help asking Darryl, "I dare to ask Your Excellency Darryl, what kind of fame are these bonsais deployed just now?"

When asked, King Shaoyang's eyes were full of expectations.

"this..."

Darryl was about to answer, but he was interrupted just as he said two words.

A guard of the palace ran over in a panic, his face was pale, and shouted at King Shaoyang: "My lord, it's not good, it's not good, Ji Beiye's army is calling."

When he said this, the guard of the palace was sweating profusely, and his eyes were full of fear.

What?

Hearing this, King Shaoyang's heart was shocked, and his face instantly became solemn, and he said fiercely: "Ji Beiye, this traitor, really has the courage to come."

Then, King Shaoyang asked, "How far is the enemy army from Qizhou City now?"

"Reporting to the lord, it's less than ten miles away." The guard quickly responded.

Knowing the situation, King Shaoyang pondered for a while, and immediately ordered: "Quick, pass my order, and the army outside the city will immediately retreat to the city without any mistake. In addition, gather all the generals and gather at the city gate."

King Shaoyang's original plan was to fight Ji Beiye directly, but considering the disparity in strength between the two sides, in order to avoid unnecessary casualties, he decided to hold Qizhou City.

"Yes! Your Majesty."

Hearing the order, the guard responded and hurried to give the order.

King Shaoyang took a deep breath and looked back at Darryl: "Your Excellency Darryl, let's go to the city gate to see the situation together?" This man is extraordinary, maybe he has different opinions and countermeasures for Ji Beiye's attack.

"it is good!"

Darryl thought for a while and nodded in agreement. Immediately, he left the palace with King Shaoyang, and hurried towards the city gate. Before leaving the palace, Ying Kuang would also go with him, but under the persuasion of King Shaoyang, he stayed in the palace.

After all, Ying Kuang is the honor of the ninety-five, plus his young age, it is inconvenient to go to the city gate to watch the battle.

When they reached the city gate, they saw that all the generals had gathered.

call!

At this moment, Darryl saw the scene outside the city. Although he was somewhat prepared, he couldn't help but be moved.

I saw that a few miles outside the city, Ji Beiye's army of hundreds of thousands, lined up with a neat policy, came in a mighty manner. From a distance, there were many long knives, black and dark, and the momentum was shocking.

At the forefront of the army, there were more than a dozen horses pulling a chariot. At this time, Ji Beiye, dressed in black armor, stood quietly at the front of the chariot, with a cold and arrogant expression.

A day ago, after Ji Beiye dealt with Wang Huacheng, he was ready to lead his army to attack Qizhou City after some deliberation.

As long as King Shaoyang is destroyed, no other royal power can compete with him.

Soon, the army arrived at the foot of the city gate.

Swish!

At this moment, Ji Beiye's eyes directly locked on King Shaoyang above the city gate, with a playful smile on his face: "King Shaoyang, stay safe."

Seeing his face, King Shaoyang couldn't restrain the anger in his heart, and said coldly: "You forget your ancestors, collude with the Hu people to make trouble, a complete villain, and now you still have the face to talk to this king?"

Chapter 4361

When he said this, King Shaoyang's eyes were full of resentment.

Ha ha...

Hearing this scolding, Ji Beiye was not angry at all, but said with a smile: "King Shaoyang, I know that you are talented and talented, but it's a pity, your fate is not good, you are just a prince, you can't be an emperor. "

"As for that kid Ying Kuang, although it's not bad, it's a pity that he is too young to rule this huge dynasty in a short time."

Having said that, Ji Beiye shook the whip in his hand with a leisurely expression: "In other words, the Dynasty Building is about to collapse, and his anger is exhausted, and it is time for a replacement on the throne in the palace."

When the last sentence fell, Ji Beiye looked directly into the eyes of King Shaoyang, unable to speak arrogantly.

Mad!

Hearing this, King Shaoyang was furious and cursed: “Treacherous thief, you dare to be so arrogant, this king will not kill you, and swear to be a human being.”

It’s abominable, this Ji Beiye committed the following crime, but he still plausible, as if he thought it was very reasonable.

Swah...

At the same time, the soldiers at the city gate were also filled with righteous indignation and cursed at Ji Beiye one after another.

“Shameless traitor...”

“If you commit the following crimes, you must not die.”

Listening to the scolding of the soldiers, Ji Beiye became even more proud, and shouted at King Shaoyang: “King Shaoyang, the two armies are fighting, I will not argue with you, if you have the ability, immediately open the city gate and join me. A battle.”

At this time, Ji Beiye was full of confidence.

He has an army of 500,000 people, and King Shaoyang’s army in Qizhou City is at most 100,000. With such a huge disparity in numbers, he will win.

call!

Hearing this provocation, King Shaoyang took a deep breath, frowned, and did not respond. He naturally understood that Ji Beiye was deliberately provocative. You must know that the environment outside Qizhou is complex, and it is not suitable for long-term stationing.

As long as they defend without fighting, Ji Beiye's army of hundreds of thousands will be difficult to maintain.

So, just hold on right now.

At this time, the surrounding generals also opened their mouths.

"My lord, the enemy army is in full swing and cannot be confronted head-on."

"Yes, let's let him dry..."

Darryl, who was next to him, nodded his approval silently. Given the current situation of Qizhou City, holding on for the time being is the best choice. After all, the number of the two sides is too different, and the head-to-head battle will not have an advantage at all.

"First Evolution"

Um!

Listening to the generals' words, King Shaoyang nodded.

In the next second, King Shaoyang looked at Ji Beiye and said coldly, "This king is in a bad mood today and has no character. Let's fight another day."

Fight another day?

Hearing this, Ji Beiye frowned.

What is this King of Shaoyang doing? He had already reached the door of his house, but he actually defended without fighting. This was not his style in the past.

However, Ji Beiye is not a fool, and he soon understood that King Shaoyang is a tactic of 'waiting for labor'. The environment outside Qizhou is complicated, and there is no water source to supply hundreds of thousands of troops. unstable.

Hehe, play this with me?

Realizing this, Ji Beiye sneered secretly, and when he rolled his eyes, the city paid attention, and shouted at King Shaoyang: “King Shaoyang, I still admired you a little bit, but I didn’t expect you to be so cowardly. Lao Tzu’s army is under the city, you dare not go out to fight?”

Ji Beiye thought about it, deliberately angered King Shaoyang and forced him to go out of the city to fight.

Ha ha...

Hearing these words, King Shaoyang chuckled lightly and ignored it. Instead, he ordered people to bring tables and chairs and brew tea leisurely above the city gate.

At the same time, the King of Shaoyang did not forget to invite Darryl: “Your Excellency Darryl, this is our local famous tea in Qizhou. It is sweet and delicious. I will try it later.”

“Okay!” Darryl nodded with a smile.

At the same time, Darryl felt that King Shaoyang was so generous, and couldn’t help but nodded in approval.

In the face of the pressure of hundreds of thousands of troops, it is really rare to be so calm.

Seeing King Shaoyang brewing tea on the city gate, Ji Beiye’s face was extremely ugly in an instant, Ma De, this King of Shaoyang looked down on me so much, even during the war, he still had the mind to make tea..

## Chapter 4362

In anger, Ji Beiye thought of something and instructed the generals around him.

Immediately, the general took a step forward and shouted at the city gate: “Shaoyang child, hurry out of the city and die, don’t be a tortoise.”

While shouting, the general waved at the hundreds of thousands of troops.

In an instant, hundreds of thousands of troops, all the soldiers shouted.

“Shaoyang child, come out quickly and die.”

“Don’t be a shrinking turtle.”

Hundreds of thousands of soldiers shouted in unison, and the whole Qizhou city could hear it clearly.

Ji Beiye’s solution is very simple, that is, insulting, the Shaoyang King who is about to scold can’t bear it.

However, he muttered too much about King Shaoyang’s state of mind and concentration.

call!

The scolding outside the city kept coming, and King Shaoyang didn’t seem to hear it, his expression was indifferent.

After touching a cup of tea with Darryl, King Shaoyang said with a smile: “Your Excellency Darryl, what do you think of Ji Beiye’s army of hundreds of thousands?”

interesting.....

Darryl was stunned for a moment, the other party scolded so fiercely, this Shaoyang King not only was not angry, but still had the heart to discuss this issue with me.

If you can endure it like this, you will surely achieve great things in the future.

Thinking to himself, Darryl turned his head to look at the hundreds of thousands of troops outside the city, and said slowly: “These enemy soldiers seem to be a gang of rabble, but they are well-trained and should not be underestimated.”

Um!

Hearing this, King Shaoyang nodded in agreement, and then said: “If you want to defeat the army of hundreds of thousands, what plan do you have?” Before Darryl used bonsai to trap the guards of the palace, the King of Shaoyang was amazed. . At this time, I couldn’t help but ask for advice on how to deal with the enemy.

Darryl thought for a while: “The best way is to divide and disintegrate.”

Disintegration?

Hearing this word, King Shaoyang was a little confused: “Could you be more detailed, Your Excellency?”

Darryl smiled slightly and said, “As far as I know, among the hundreds of thousands of Ji Beiye’s army, only half of Ji Beiye’s soldiers are under his command, and the other half are barbarians. These barbarians only join because of their interests. Ji Beiye, the two sides are not really of one mind.”

“As long as you think of a way to provoke their relationship, their alliance will naturally disintegrate...”

After saying this, Darryl took a sip of tea.

Wonderful!

Hearing this suggestion, King Shaoyang’s eyes lit up, and he suddenly became enlightened. He said with a smile, “Your Excellency is indeed resourceful and learned. Tonight, this king will send someone to sneak into their military camp.”

Darryl nodded.

At this time, the hundreds of thousands of troops of Ji Beiye outside the city were still shouting slogans and insulting them all the time.

But after scolding for a while, there was no reaction from King Shaoyang. Ji Beiye couldn't bear it any longer, standing on the station bus and scolding: "Special code, this kid can really bear it."

"First Evolution"

With that said, Ji Beiye suddenly thought of something and shouted at the soldiers beside him: "Go, bring me all those beauties in the palace. By the way, there is also the corpse of King Shaoyang's mother."

The mother of King Shaoyang, Mrs. Yuanqing, happened to meet the Empress at the palace when Ji Beiye broke the imperial capital. She couldn't escape at that time, so Mrs. Yuanqing and the Empress committed suicide by throwing herself into the well.

However, when Ji Beiye's men searched the palace, they finally found their bodies in the well.

Ji Beiye was cunning and cunning. Knowing that King Shaoyang was not easy to deal with, he ordered his subordinates to take Mrs. Yuanqing's corpse with the army, so that when he fought against King Shaoyang, he would disturb his defense line.

Originally, Ji Beiye planned to take out Mrs. Yuanqing's body in the fierce battle. However, seeing that King Shaoyang was not affected by the abuse, he couldn't help but use this trick in advance.

"Yes, General!"

When he got the order, the general complied and then ordered his soldiers to prepare quickly.

A few minutes later, dozens of beautiful palace beauties were driven out from the rear of the army, lined up, and stood in front of the city gate. These beauties are all good-looking, but they have been tortured for a few days. One is very weak.

Not only that, but a corpse was carried out. The female corpse was dressed in a gorgeous robe and had a good temperament, but it was covered in blood and was indescribably miserable.

It was Mrs. Yuan Qing who committed suicide by throwing herself into a well.

Chapter 4363

Swish!

Despite the distance, King Shaoyang sensed something when he saw the corpse, stood up suddenly, walked quickly to the city wall, and looked down carefully.

The next second, seeing Mrs. Yuanqing, King Shaoyang's heart trembled: "Mother..."

After the fall of the imperial capital at that time, King Shaoyang knew that his mother was in a bad way, but he never thought that Ji Beiye would take his mother's body with him all the way.

Such behavior is simply too despicable and shameless.

"hey-hey!"

Seeing King Shaoyang's reaction, Ji Beiye laughed evilly and said slowly: "King Shaoyang, do you see who this is? Mrs. Yuanqing, your mother, I think she was also a famous beauty at the beginning, and she was a beautiful woman. ."

"For many years, I have been obsessed with her, but unfortunately I didn't have a chance. This time I broke the imperial capital. I didn't expect that she and the queen would commit suicide by jumping into the well."

"But don't worry, she's dead, and I didn't do anything excessive."

When saying this, Ji Beiye paid close attention to King Shaoyang's face.

Oops!

Seeing this, Darryl couldn't help frowning secretly.

This Ji Beiye is really shameless. He even used King Shaoyang's dead mother to provoke him. In anyone's heart, his relatives are the bottom line. I'm afraid King Shaoyang will not be able to calm down this time...

"Ji Kitano!"

At this moment, King Shaoyang's eyes were instantly blood red, and he said coldly: "You blaspheme the dead, aren't you afraid of being punished by God?"

It is difficult for the other party to provoke the dead mother, and it is difficult for anyone to hold back.

"Hehe..."

Feeling the anger of King Shaoyang, Ji Beiye knew that the plan was successful, and smiled proudly: "King Shaoyang, what you said is wrong, I brought Lingtang's corpse all the way, you should be grateful to me. right."

"To be honest, even though Lingtang is over half a hundred years old, he still retains his charm, even if he is dead, he is so charming."

"When I salvaged her from the well, I almost couldn't hold it back, but I still held back. In the end, I could only use my obsession with Lingtang on these beauties in the palace. "

At the end, Ji Beiye's words became more and more unbearable.

Swish!

For a time, the generals at the city gate were all angry and cursed.

"Damn..."

"Bold thief, it is not a pity to die 10,000 times."

At the same time, King Shaoyang's anger also rose, and finally he couldn't bear it anymore, and roared: "All generals obey the order and open the city to kill the enemy."

hum!

When the last word fell, King Shaoyang's strength exploded, he pulled out his long sword, jumped down from the city wall, and went straight to Ji Beiye.

Seeing this situation, all the soldiers were shocked and wanted to stop it, but it was too late.

Pregnant!

Darryl also shook his head secretly.

The other party was obviously provocative and wanted to deliberately anger King Shaoyang. King Shaoyang performed very well at first, but in the end he was fooled.

"Oops, the lord rushed down."

"Then what are you waiting for? Let's rush down together."

"kill!"

In the next second, the generals came to their senses one after another, and after a quick discussion, they rushed down the tower and led the army out of the city.

Hahaha...

Seeing King Shaoyang bursting out, Ji Beiye didn't panic at all, but laughed: "Even if you can bear it, you won't be fooled by me in the end? Well done."

When the last word fell, Ji Beiye's figure erupted, and he fought fiercely with King Shaoyang in mid-air.

At the same time, the armies of the two sides also collided outside the city.

bang bang bang...

During the slaughter, I saw a lot of defending soldiers of Qizhou City, one by one, fell in a pool of blood, the disparity between the numbers of the two sides was too great, and this battle would not have to be fought at all.

boom!

At this moment, I saw King Shaoyang and Ji Beiye collided in midair, and a dull sound broke out. I saw that both of them were shaken, and at the same time they were shaken back by the volley.

The two sides are evenly matched, and it is difficult to tell the winner for a while.

However, in the anger of Shaoyang King, he had lost his mind, and Ji Beiye soon found the flaw. A palm hit him in the back.

puff!

With this palm, Ji Beiye burst out with all his strength, only to hear King Shaoyang's wow, a mouthful of blood spurted out, his face pale, and the whole person became weak.

Chapter 4364

Seeing this scene, the surrounding generals who were fighting fiercely couldn't help exclaiming.

"My lord..."

"Hurry up and help the lord."

In exclamation, the commander-in-chief wanted to rush over to help King Shaoyang defend against the enemy, but faced with the enemy army several times his own, they couldn't rush forward at all.

"hey-hey!"

At this time, Ji Beiye smiled evilly, looked at King Shaoyang and said, “With this little strength, do you still want to compete with me? It’s really over your own power, you should die.”

As soon as the words fell, Ji Beiye clenched his long sword tightly and burst out towards King Shaoyang quickly.

Madd...

Seeing Ji Beiye getting closer and closer, King Shaoyang’s eyes were blood red, and at the same time he was angry, but also a little desperate.

He clearly felt that Ji Beiye’s slap just now greatly hurt his vitality. At this time, facing Ji Beiye’s pursuit, he had almost no strength to fight again.

Alas, isn’t this self-inflicted.

At this moment, Darryl was standing on the gate of the city. Seeing this scene, he couldn’t help shaking his head in regret.

With emotion, Darryl planned to rescue him, but thinking of hiding his strength, he finally held back. Instead, he buckled a brick on the city wall and popped it out with his fingers.

laugh!

I heard a cracking sound, and the bricks shot out like lightning.

“King of Shaoyang!”

At this time, Ji Beiye had already arrived in front of King Shaoyang, and his face could not hide the excitement and excitement: “The destruction of the Dayan Dynasty is God’s will, and I, Ji Beiye, are the real son of destiny, so you can die with peace of mind.”

The last word fell, Ji Beiye’s strength exploded, and the long knife slashed towards King Shaoyang’s head.

“Rebel!”

King Shaoyang had just been slapped, and his breath was very weak. At this time, when he saw Ji Beiye slashing with a long sword, he couldn't dodge at all, and he yelled and cursed at that time.

laugh!

Seeing that King Shaoyang was about to die under the sword, suddenly, a sound of breaking through the air came from behind Ji Beiye.

what?

Feeling the danger coming from behind, Ji Beiye's face changed greatly, he immediately abandoned King Shaoyang, turned around quickly, and saw a streamer shot coming, because the speed was too fast, he couldn't see what it was at all.

In panic, Ji Beiye couldn't dodge, so he had to block with the long knife in front of him.

bang...crash...

In the next second, Liu Guang slammed into the long knife with a loud explosion, and the long knife was immediately broken, split into several sections, and fell to the ground.

And Ji Beiye was also shaken by the powerful force, so he staggered back, and took a dozen steps back to stabilize his figure.

hiss!

The moment he stabilized his figure, Ji Beiye subconsciously looked at the ground and took a breath.

I saw that next to the long knife that was divided into several sections, there were some broken bricks scattered. Obviously, the attack from behind was an ordinary brick.

Seeing this scene, Ji Beiye was dumbfounded.

A brick can burst out with such terrifying power, who is the other party? Could it be the peerless master that the King of Shaoyang specially invited from the rivers and lakes?

“General!”

“How are you, General?”

At this time, the non-commander rushed over and asked about Ji Beiye’s injury.

Ji Beiye shook his head, indicating that he was fine, and shouted at the same time, “Don’t worry about me, kill people, you must destroy Qizhou City today.”

However, it was already too late. At this time, many defenders rushed to King Shaoyang and took him back to the city quickly. At the same time, they shouted: “Retreat, quickly retreat.”

The defenders of Qizhou City were also well-trained. When they heard their companions shouting, they didn’t have time to think, and they quickly retreated to the city gate.

pity!

Seeing this situation, Ji Beiye was very annoyed that King Shaoyang was not killed by such a good opportunity.

However, this time, the Qizhou defenders were severely damaged, and the opponent’s morale must have been greatly reduced.

Thinking of this, Ji Beiye showed a smile, jumped on the horse, and said loudly: “Ming Jin, withdraw your troops.”

hula.

After receiving the order, hundreds of thousands of troops immediately retreated to the wilderness a few miles away and set up camp.

The enemy retreated.

Seeing Ji Beiye's army retreat, many generals who had just returned to the city with King Shaoyang were all secretly relieved.

“Mother!”

At this time, King Shaoyang's face was pale and pale, but he still had one thing in mind, and asked the generals: “Did you get my mother's corpse back?”

Chapter 4365  
call!

Hearing the question, the surrounding generals looked at each other, each with a very embarrassed expression, and then one of the generals whispered: “There are too many enemy soldiers, I waited to fight to the death, but I didn't get my lady's body back...”

The words fell, and the other generals bowed their heads in shame.

“Pfft...” Hearing this, King Shaoyang's face was gloomy and changeable, and finally he was in a hurry, spurring out a mouthful of blood, and fainted directly. When he fought against Ji Beiye before, he was seriously injured. At this time, he knew that his mother's remains were still in the other's hands, so he couldn't hold back.

“My lord...”

“No, the lord passed out.”

“Quickly escort the prince back to the mansion...”

In an instant, the generals were in a panic, and they rushed to the palace with King Shaoyang.

well!

Darryl shook his head, this King of Shaoyang was really impulsive just now. He was outnumbered by the enemy, but he couldn't help but open the city to fight with anger, but fortunately, there were not many casualties in the battle just now.

Thinking about it, Darryl followed and returned to the palace.

Speaking of which, Darryl wanted to leave, but now Qizhou City has been involved in the war, and he can't leave for the time being.

At this time, the hall of the palace was also in a panic.

Qingyu County Lord sat there, his delicate face was full of anxiety, and he couldn't help looking outside, looking forward to it.

“Third Brother!”

Seeing King Shaoyang being brought in, Qingyu's pretty face changed, and she hurried up to meet him: “This... what's going on?” She clearly saw that King Shaoyang was pale, his eyes were tightly closed, and he was unconscious. Awake.

The surrounding generals all had complex expressions on their faces.

“The county master!” A general took a deep breath and walked over to tell the situation.

For a time, the atmosphere in the hall was indescribably depressing.

“Mother....”

Knowing the situation, Qingyu came out of sadness and couldn't help crying: “Why is this...”

Crying, Qingyu looked around at the generals present, and accused with grief and indignation: “What are you all doing to eat? Mother’s body is not cold, but she will be humiliated by the thieves, but you can’t even get the body back.”

Faced with the accusations, all the generals present bowed their heads and remained silent.

call!

Seeing this scene, Darryl, who was standing beside him, couldn’t help but let out a sigh of relief.

Now, Ji Beiye’s army is stationed outside the city, while King Shaoyang is unconscious, and there are no leaders in Qizhou city. If this Qingyu County Lord does something out of the ordinary, the consequences will be disastrous.

Finally, Qingyu criticized and asked, “What’s the situation outside the city now?”

“Return to the county master.”

Faced with the question, a general hesitated and responded, “Now Ji Beiye’s army is stationed outside Qizhou City...”

Hearing this, Qingyu couldn’t help but shouted: “Then what are you all doing here? Why don’t you go out of the city to kill the enemy? Do you want my mother’s body to be completely destroyed by Ji Beiye’s traitor?”

Qing Yu said more and more angrily: “Within an hour for you, be sure to snatch back the remains of your mother, otherwise, you will not have to come back.”

This....

Feeling the anger of the Qingyu County Master, the generals looked at each other, each with a look of embarrassment.

Just now, King Shaoyang rushed out of the city to meet the enemy, which has already caused a lot of casualties. Now, the morale in Qizhou city has been greatly reduced.

More importantly, the disparity between the two sides admitting defeat is too great to have a fight at all.

Ugh...

Seeing this, Darryl couldn't help but sigh.

Sure enough, I guessed correctly, the county owner began to be willful again.

“how?”

Seeing that all the generals were standing still, Qingyu was furious, patted the table, and said tenderly, “Do you all want to disobey?”

Saying that, Qingyu took out something and slowly raised it: “The tiger talisman is here, whoever dares to disobey will be executed.”

At this time, in Qingyu's hands, it was the tiger talisman of King Shaoyang.

Like the military talismans in the Kyushu mainland, the tiger talisman is the supreme token of the army. With the tiger talisman, the army can be mobilized. Originally, this tiger talisman was always carried by King Shaoyang, but recently, considering that there may be rebel spies sneaking into Qizhou City, in order to prevent the tiger talisman from being stolen, King Shaoyang asked Qingyu to take care of it.

call....

Seeing the tiger talisman in Qingyu's hand, all the generals present were shocked. Oops, the county lord took out the tiger talisman, and it seems that he can't do it without fighting.

Chapter 4366

Thinking about it, the generals looked at each other, and then said to Qingyu in unison: “My subordinates take orders.”

As soon as the voice fell, the generals were about to leave the hall and prepare to go out of the city to confront the enemy.

Oops!

Seeing this scene, Darryl was about to stop him, but before he could speak, he was interrupted by another voice.

“Wait!”

At this moment, a slight voice sounded, and then, Ying Kuang slowly approached the hall, with a dignified expression on her delicate face.

Seeing Ying Kuang, the generals were stunned for a moment, and immediately knelt down.

“See Your Majesty!”

At the same time, Qingyu hurriedly saluted: “Your Majesty!”

Ying Kuang nodded, walked slowly to the chair, sat down, and looked around: “I heard that Ji Beiye’s rebels have already invaded Qizhou City, how is the situation now?”

Qingyu bit her lip and quickly explained the situation.

At the end, Qingyu couldn’t stop her tears: “Your Majesty, my mother’s corpse is still in the hands of the rebels. No matter what, I have to snatch it back and let her go to the ground for safety...”

When saying this, Qingyu’s delicate face could not hide the grief and anger.

call!

Hearing these circumstances, Ying Kuang took a deep breath and said solemnly: “The corpse must be taken back, but it is too risky to go out to meet the enemy at this time. The

defenders of Qizhou are only tens of thousands, but Ji Beiye has hundreds of thousands of troops. Confrontation is undoubtedly hitting the stone with the egg.”

Having said that, Ying Kuang looked at the generals present and continued: “The corpse of Madam fell into the hands of Ji Beiye, which will damage the dignity of the royal family, but... Although the dignity of the royal family is important, these generals, as well as the entire people of Qizhou City life is more important.”

wow...

Hearing these words, the generals present were extremely excited and immediately shouted in unison.

“Your Majesty Shengming.”

“This subordinate must swear allegiance to His Majesty to the death.”

At the same time, Darryl couldn’t help but nodded in approval.

Although this emperor is young, he has a clear mind. At a young age, he can also know how to win people’s hearts, which is very good...

Facing the praises of the generals, Ying Kuang nodded.

Qingyu was embarrassed and couldn’t say a word.

At this time, Ying Kuang quietly looked at Qingyu and said slowly: “As the county owner, according to the ancestral rules, you cannot participate in the decision-making of war, but you use the tiger talisman without authorization, do you know the crime?”

Although Ying Kuang and Qingyu have a good relationship in private, the military law is not sympathetic.

Ying Kuang’s voice was not loud, but he had a suffocating aura of oppression.

Pfft!

At this moment, Qingyu's delicate body trembled, and immediately knelt down: "I just want to get back my mother's body as soon as possible. I didn't think about it so much, and I ask Your Majesty to forgive me."

When she spoke, Qingyu was full of fear.

call!

Ying Kuang took a deep breath and raised his hand: "Forget it, you also made an unintentional mistake, and the situation is special now, so I won't take your fault, get up."

"Thank you for your kindness, Your Majesty." Qingyu responded, then got up and stepped aside obediently.

"Everyone!"

At this time, Ying Kuang looked around the audience and said slowly, "The King of Shaoyang is temporarily unconscious, so let me temporarily command the power. Qizhou City is in danger right now, what are your best strategies?"

When speaking, Ying Kuang looked indifferent, but his heart was unspeakable.

After all, he was just an eight or nine-year-old child. He used to live in the imperial palace and had no idea how to fight, but he had no choice. As an emperor, he had to face the situation in front of him.

"His Majesty!"

At this time, a general came out and said loudly: "In my opinion, let's take advantage of Ji Beiye's rebels, who are not familiar with the environment outside Qizhou City, and send a cavalry to harass them. Send the main force to annihilate it."

As soon as the words fell, many people nodded.

However, at this moment, another general came out and retorted: "No, Ji Beiye's rebels are several times larger than me, how could a cavalry disrupt the formation? The

subordinates think that we should follow the prince's previous deployment. , stick to Qizhou City.”

“The city of Qizhou is strong. As long as we can't defend it, the rebels will have nothing to do. When their military heart is dissipated, it will not be too late to think of ways to defeat the enemy.”

Many people agree with this strategy.

For a time, the generals in the hall were divided into two factions, one group advocated raids, and the other group advocated sticking, and they quarreled on the spot.

Chapter 4367

“Stand up? Do you hope that Madam's noble body will always fall into the hands of Ji Beiye's traitor?”

“Hehe, according to what you said, if the raid fails, the city of Qizhou is destroyed, and the people of the whole city, what should they do?”

“You don't make excuses...”

The more the two sides quarreled, the more fierce, Ying Kuang's brows were also furrowed when he heard it, and his head was big for a while.

“All right!”

Finally, Ying Kuang clapped the table: “Don't make any noise.”

Seeing His Majesty speak, the generals quickly shut up.

“The opinions of the generals are not wrong.” Ying Kuang looked around and said slowly: “It's just that it may not be easy to implement. Is there a way to get the best of both worlds? It can not only save Qizhou City, recapture the remains of the wife, but also strategy against the enemy.”

call...

Hearing this, the generals led you to look at me, and I looked at you, and all fell silent.

Seeing this scene, Ying Kuang secretly sighed, his eyes fell on Darryl at the door, his eyes lit up, and he said, “Your Excellency Darryl, do you have a good plan?”

Swish!

At this moment, the eyes of the entire hall were all focused on Darryl.

Qingyu couldn't help but pouted: “He will play tricks, what can he do?” Although in the garden, Darryl used bonsai to trap more than a dozen guards of the palace, but in Qingyu's heart, it was nothing more than Just some tricks.

If you really want to use it on a large-scale battlefield, this trick is useless at all.

Hearing this, Ying Kuang frowned and couldn't help but glance at Qingyu.

Qingyu quickly closed her mouth.

At this time, Darryl took a step forward and said slowly: “It's not that there are no countermeasures, but there is a premise.”

Hearing this, Ying Kuang was overjoyed: “What premise?”

Darryl smiled slightly and pointed to the tiger talisman on the table: “Give me the tiger talisman, and I will take charge of the command of Qizhou City, so that I can deploy.” Darryl has experienced wars of this scale, I don't know how many times, In his mind, there are already many ways to deal with Ji Beiye's army.

What?

However, upon hearing this, both Qingyu and the generals present changed their expressions.

This guy is quite popular, so he asks for the tiger talisman when he comes up. You must know that the tiger talisman is the supreme token in the army. It has always been in charge of the commander-in-chief.

After being stunned, Qingyu took the lead to react, and eagerly said to Ying Kuang:  
“Your Majesty, you must not give it.”

Saying that, Qingyu looked at Darryl vigilantly: “This person asks for a tiger talisman as soon as he opens his mouth, he must be deceived, I think he is really a spy sent by Ji Beiye, and asking for a tiger talisman at this time, he just wants to give random orders, so that Ji Beiye attacked Qizhou City.”

The voice fell, and the surrounding generals also spoke.

“Yes, Your Majesty think twice.”

“Tiger talismans cannot be easily given to others.”

Although these generals are not as complicated as Qingyu thought, the tiger talisman is an important thing in the army, and it must not be easily changed.

call!

Hearing everyone’s advice, Ying Kuang frowned and hesitated.

Yes, the tiger talisman is so important, should you give it or not?

Seeing Yingkuang’s hesitation, Qingyu struck while the iron was hot, and quickly said,  
“This Darryl is asking for a tiger talisman with ulterior motives. Come and take him down.”

Whoa!

The voice fell, and several palace guards guarding the door rushed over immediately.

However, Darryl didn’t panic at all, standing there, looking at Ying Kuang with a smile:  
“If Your Majesty doesn’t believe me, then there’s nothing you can do.”

“Eternal God Emperor”

Hearing this, Ying Kuang made a decision in his heart, nodded and said, “Yes, I will give you the tiger talisman.”

“Your Majesty can’t.”

However, at this moment, Qingyu’s delicate body was shocked, and quickly walked over to stop: “This person may be a spy, and he must not be given a tiger charm.”

Facing Qingyu’s obstruction, Ying Kuang hesitated again.

Well...

Darryl is also a little depressed, this county owner is really interesting, and he is against me everywhere.

Thinking to himself, Darryl smiled at Qingyu and said, “County Lord, why do you keep saying that I am a spy?”

“Aren’t you?” Qingyu said angrily: “How can you prove that you are not?” When she spoke, her eyes were full of vigilance and hostility.

“All right!”

Darryl smiled bitterly and said slowly: “Otherwise, I will make a bet with the county master. If I can do it, I will take the tiger talisman. If I can’t do it, please ask Your Majesty to arrest me as a spy, how about it?”

Chapter 4368

“it is good!”

Qingyu nodded without hesitation: “How do you want to bet?”

At this moment, Ying Kuang and the surrounding generals couldn’t help looking at Darryl, waiting for his next words.

Darryl smiled slightly: “I’ll bet if I can bring back Madam’s body.”

To be honest, Darryl had no interest in participating in this war in Tianxin Continent, but that Ji Beiye actually used a woman's corpse to make a fuss.

Moreover, although this Ying Kuang is young, he also knows how to take into account the safety of the people. He is a rare and good emperor, and it is okay to help him.

Hearing this, Qingyu's eyes flickered, and then nodded: "Okay, this county master is gambling."

"This..."

Seeing this scene, Ying Kuang recovered, looked at Darryl and said, "Is it too risky, Your Excellency, to sneak into the rebel camp alone?"

"Hehe, Your Majesty doesn't need to worry." Darryl smiled and then looked at Qingyu: "If I bring back Madam's body, the county master doesn't need to be grateful, just make me a cup of tea."

"you..."

Seeing his confident look, Qingyu didn't get angry.

This Darryl is really arrogant, he wants me to make tea for him even before the bet starts...

Under the anger, Qingyu finally held back because of Yingkuang's presence, and said to Darryl: "Okay, but if you can't do it, the county will kill you."

"If it can't be done, I will naturally deal with it." Darryl smiled.

Qingyu was too lazy to talk nonsense with him, and snorted softly: "Stop talking nonsense, don't hurry up."

call!

Darryl breathed a sigh of relief and looked at the sky outside: "No hurry, it is noon now, and this kind of thing naturally has to wait until evening."

“Sword Comes”

“To make things mysterious.”

Qingyu said something coldly, then bowed to Ying Kuang and walked out of the hall.

Seeing this situation, Ying Kuang waved at the generals: “You guys also step back first, and tell the soldiers below to stick to the city gate. Once you find the situation, report it immediately.”

“Follow the holy sage.” The generals responded and walked out of the hall one after another.

“Your Excellency Darryl!”

As soon as his forefoot left, Ying Kuang looked at Darryl curiously: “Do you really want to visit the rebel camp at night?”

Darryl nodded and said with a deep expression: “Some things are not worth taking risks, but some things have to be taken risks. Your Majesty doesn’t need to worry, I never do anything I am not sure about.”

Hearing the meaning of these words, Ying Kuang pondered.

The next time, Darryl returned to the room to meditate and rest, and it was not until late at night that he left the palace and sneaked into Ji Beiye’s rebel camp.

call!

At this time, Darryl arrived at the camp, and when he saw the deployment of the camp, he immediately smiled.

I saw that the camps of Ji Beiye’s soldiers were neatly arranged, but the tents of the barbarians who were allied with them were irregular and messy.

For a time, Darryl couldn’t help feeling secretly.

The alliance of Ji Beiye and the barbarians has indeed strengthened a lot of power, but everything has its advantages and disadvantages. Although these barbarians are brave and good at fighting, they are not disciplined. This time they sneaked into the enemy camp.

Thinking to himself, Darryl showed his figure and sneaked in from the tent area where the Hu people were resting.

Darryl's strategy was right. The patrolling and defense of the Hu people's tent area was a complete mess. With little effort, Darryl sneaked in.

When passing through the central army tent, Darryl heard clearly that Ji Beiye and his subordinate generals were joking.

"Haha, although Qizhou City was not defeated today, the previous battle also brought down the morale of the defenders of Qizhou City."

"It's still the mighty general."

"I'm waiting for a toast to the General..."

Hearing these conversations, a smile appeared on the corner of Darryl's mouth.

This Ji Beiye is quite confident, only a small victory during the day, and a celebration feast at night.

Muttering in his heart, Darryl walked around quietly, looking for the past to the tent behind.

rustling....

It was just that they didn't go far when they saw several Hu soldiers, holding a slender figure, walking towards a tent not far away.

Through the moonlight, I saw that graceful figure, a very beautiful palace woman, with long wet hair, she must have just taken a shower, and her beautiful face was full of horror.

Chapter 4369  
call!

Seeing this situation, Darryl couldn't help but take a deep breath, and something vaguely came to his heart.

Obviously, this woman should be given to the general to enjoy.

Darryl guessed right, this woman was sent to the camp of the Hu people general Nuliha.

Nuliha is the commander-in-chief of the Hu people, responsible for cooperating with Ji Beiye to attack Qizhou City.

Nuliha is a womanizer. When they attacked the imperial capital together before, he was fascinated by the beauty of those palace women. It's just that Ji Beiye took it too seriously at that time and ordered that his subordinate generals not be disturbed, so Nuliha never had a chance.

In the daytime today, Ji Beiye angered King Shaoyang. After the two sides fought a small victory, Ji Beiye was very happy, so he distributed the captured palace women to his generals.

Nuliha was very excited to be rewarded by a beautiful woman, so he asked his subordinates to take a bath with a beautiful woman, while he himself accompanied Ji Beiye to drink and celebrate in the central army tent.

At this time, Darryl saw that the beauty was brought into the camp, and couldn't help but muttered in his heart, it's too risky to find the lady's body like this, it's better to grab a soldier and ask.

After making up his mind, Darryl quietly followed.

The two Hu soldiers, unaware, couldn't help but sigh after sending the beautiful woman into Nuliha's tent.

“Well, it's better to be a general, not only to drink, but also to enjoy beautiful women.”

“Isn’t that right, we can only be envious, but then again, this beauty, our general Nuliha, had taken a fancy to it when we were in the imperial capital, but General Ji didn’t let him mess around, Nuliha. The general has waited until now to finally get his wish.”

“yes....”

“I’m still lying to you? I was there at the Imperial Palace at the time, and when General Nuliha saw this beauty, his saliva came down...”

The conversation between the two soldiers kept coming, and Darryl couldn’t help frowning secretly when he heard it, and at the same time he was paying attention.

Since this Hu Ren general, like Ji Beiye, is a womanizer, perhaps he can use this to alienate their relationship.

Thinking of this, Darryl went straight up.

Swish!

At this moment, the faces of the two Hu soldiers changed when they saw Darryl, and immediately drew out their long knives and scolded coldly, “Who?”

Darryl was too lazy to talk nonsense, his figure flashed in front of him, knocking one of them unconscious.

popping...

Immediately, Darryl did not wait for the other to react, raised his hand and knocked off the long knife, sealing his acupuncture point.

Feeling the lightning-like speed of Darryl, the Hu soldiers were completely blinded.

Darryl was too lazy to talk nonsense, and said lightly: “Let me ask you, where is the body of King Shaoyang’s mother? If you say something, I will spare you a name. If you don’t say it, your head will fall.”

When the words fell, Darryl picked up the long knife and placed it across the soldier's neck.

"I say..."

Feeling the coldness from the blade, the barbarian soldier's voice was trembling: "It's behind the central tent."

Um!

Darryl nodded, dropped the long knife, and knocked him unconscious with a palm. Then, Darryl hid the two Hu soldiers in the shadows beside the tent.

After doing this, Darryl did not rush to find his wife's body, but approached the tent in front of him.

After entering the tent, although Darryl was mentally prepared, he was still stunned when he saw the scene inside.

Just saw the beautiful woman curled up on the tent's bunk. Because she just took a bath, her skin was glowing with a different kind of charming luster, but the whole person was very frightened, and her delicate body trembled slightly.

"excuse me!"

Darryl looked at it for a few seconds before regaining his senses. He simply said two words at that time, then walked over and hugged the beauty, turned around and walked out of the tent.

When they got outside, Darryl distinguished the direction and hurried to the tent where Ji Beiye was resting.

Darryl's plan was very simple. Send this beauty, who originally belonged to the Hu people's general, to Ji Beiye's resting place, so as to lead to misunderstandings. Although this method is simple, it has a high success rate.

After all, is the hero sad about the beauty pass, not to mention, Ji Beiye and this barbarian general are not heroes.

“Blue Gourd Sword Fairy”

Soon, after finding Ji Beiye’s tent, Darryl put down the beauty and left quietly, heading towards the Zhongjun tent.

Chapter 4370

At this time, in the central army tent, Ji Beiye and his subordinate generals were still drinking and celebrating. Inside the big tent, there was a lively atmosphere. Under the influence of this atmosphere, the soldiers guarding around the central army tent also relaxed their vigilance.

In this case, Darryl easily found the place where his wife’s body was placed.

A few minutes later, Darryl took his wife’s body and quietly left the camp and returned to Qizhou City.

.....

At this moment, in Qizhou City.

In the hall of the palace, Ying Kuang sat there with an indifferent expression.

The generals stood respectfully on both sides, each with a complex expression on their faces.

Darryl has been gone for nearly two hours, and he has not returned, and he does not know what the situation is.

rustle...

At this moment, footsteps came from outside the hall, and then, Qingyu, accompanied by several maids, walked in slowly.

“His Majesty!”

When they got to the front, Qingyu bowed first, and then asked Ying Kuang, “Then Darryl really left the city?”

Ying Kuang nodded.

Immediately, a general couldn’t help but said: “Your Excellency Darryl has been gone for two hours, and there is no news yet.”

Two hours gone?

Hearing this, Qingyu frowned and couldn’t help but say, “If he had been able to do it for so long, he would have brought back his mother’s body long ago. In my opinion, he is a spy.”

Saying that, Qingyu looked at Yingkuang: “Perhaps, he has already told Ji Beiye the traitor about the deployment in Qizhou City. Your Majesty, we have to guard against it.”

Until now, Qingyu still thinks Darryl is a spy.

call!

Ying Kuang breathed a sigh of relief and said slowly: “Until there is no conclusive evidence, we cannot jump to conclusions. Perhaps, Your Excellency Darryl encountered a situation, so it was delayed.”

Qingyu suddenly became anxious: “Your Majesty, do you still believe in him? This man has ulterior motives. He asked for the tiger talisman before, which explains the problem...”

However, Ying Kuang insisted on his own judgment and said lightly: “It’s okay, you don’t have to say it, I decided to wait until dawn. If Your Excellency Darryl hasn’t come back before dawn, I will make another plan.”

Seeing him say this, Qingyu was in a hurry, but she didn't dare to say anything.

Whoa!

At this moment, there was a commotion outside the hall, and then, the voice of a palace guard sounded: "Your Excellency Darryl is back."

Qingyu's delicate body trembled.

came back?

Ying Kuang was so excited that he stood up at once, staring at the door of the hall. I saw that Darryl walked in very easily with a smile on his face.

"Your Excellency Darryl!" Ying Kuang asked quickly.

Darryl smiled slightly and was about to answer, but was interrupted by Qingyu.

"Looking at him like this, he must have gained nothing." Qingyu's delicate face, unable to hide the contempt, said coldly: "After so long, I am afraid I have gone to Ji Beiye to report the situation."

Ha ha...

Hearing this, Darryl smiled lightly: "The county lord said this wrong. If I really get nothing, wouldn't I die when I come back?"

With that said, Darryl looked outside the hall: "The body of Mrs. Zun is just outside."

Whoa!

As soon as these words came out, everyone present was very excited, and then walked out of the hall one by one, and sure enough, they saw the body of the lady, where it was placed.

Amazing!

Seeing this scene, whether it was Ying Kuang or the generals present, they couldn't help but admire secretly, and looked at Darryl's eyes with admiration.

In the barracks of hundreds of thousands of troops, who can bring out the body of his wife alone, and look at the entire Qizhou city, who can do it?

And this Darryl really did it.

Sure enough, it is a strange person, and the art is bold.

“Mother!”

Qingyu let out a cry of grief and fell on the corpse, crying. The surrounding generals also looked sad.

Ying Kuang sighed softly and instructed: “Quickly deploy the mourning hall, and bury the madam in the coffin in three days.”

“Yes, Your Majesty!”

Everyone responded in unison and went to prepare.

Qingyu cried for a while, then stood up slowly, looking at Darryl in a complicated way: “How did you bring your mother's body back?”

Darryl breathed a sigh of relief, and briefly said what happened.

Hearing the answer, Qingyu was suspicious: “So simple?”

“It's that simple.” Darryl nodded.

Chapter 4371  
call!

Qingyu took a deep breath, and her delicate face was full of suspicion: “Ji Beiye’s army of hundreds of thousands is heavily guarded, so you can easily do it alone?”

“Let this county master guess, it was Ji Beiye who deliberately asked you to bring back the body to gain our trust, right?”

Well...

At this moment, Darryl could not laugh or cry.

The delusional disorder of this county owner is too serious. Why do you always think I’m a spy?

Thinking to himself, Darryl smiled bitterly, but did not respond.

Seeing that he didn’t speak, Qingyu thought that he had acquiesced, and immediately shouted at the surrounding: “Someone, take him down.”

However...

The generals around, look at me, I look at you, none of them stepped forward to attack Darryl. They all knew in their hearts that the county master was making trouble unreasonably, but because of his status, no one dared to say it.

Seeing that no one started, Qingyu was completely anxious: “You are all stunned...”

“All right!”

Before he finished speaking, Ying Kuang, who was on the side, interrupted: “Qingyu, don’t be fooling around anymore. Your Excellency Darryl is an expert outside the world. It’s not unusual to do this.”

“You don’t appreciate the fact that Madam’s body can be brought back. Instead, you slander it again and again. It really shouldn’t be. Also, don’t forget about the previous bet.”

Swish!

The last word fell, and the eyes of the surrounding generals, as well as those of the maids, all converged on Qingyu.

Qingyu County Master has a strong personality. If he loses the bet, will he deny it?

“I...”

At this moment, Qingyu bit her lip tightly, facing Ying Kuang’s gaze, she was speechless for a while.

Seeing her expression, Ying Kuang said lightly: “Qingyu, as the county master, you are a relative of the royal family, and every word and deed is related to the royal face, if you lose, you lose, how can you keep your word? Go, give it to Yue Your Excellency Feng, pour some tea.”

It’s not loud, but it’s unmistakable.

When he was escorted to Xuangu Pass by Darryl before, Ying Kuang knew that this person was not simple, and seeing him successfully bring back his wife’s body today, he felt even more admiration and admiration in his heart.

“Yes... Your Majesty!”

Seeing what Yingkuang said, Qingyu could only nod her head and take orders even though she was reluctant.

The next second, Qingyu poured a cup of tea and walked slowly to Darryl: “Your Excellency Darryl, please drink tea.”

To be honest, Qingyu was reluctant to pour tea to Darryl, but she couldn’t help it. His Majesty’s mouth was already open.

Um!

Darryl nodded, took a sip of the tea, and said with a smile: “The tea made by the county master is really different, and it is fragrant and delicious.”

When talking, Darryl looked at Qingyu with a half-smile.

“you...”

Feeling the ridicule in his words, Qingyu’s face flushed, and she was about to scold her, but she finally held back when she thought that Ying Kuang was on the side.

Darryl took it away when he saw it, no longer ridiculed, but put down the teacup and said to Ying Kuang: “The body of Madam has been brought back safely, and now we have no worries, we can let go and fight Ji Beiye.”

Um!

Ying Kuang nodded, then took out the tiger talisman and gave it to Darryl solemnly: “Your Excellency Darryl, the safety of the people of Qizhou City will be handed over to you.”

Having said that, Ying Kuang looked around the audience: “All generals obey orders, from now on, obey all the deployments of Your Excellency Darryl, and must not violate.”

“Subordinates obey.”

All the generals present responded in unison.

.....

On the other side, Ji Beiye camp outside Qizhou city.

The banquet in the military tent continued until very late.

At this time, a general of the Hu people, on the way back to the camp, hummed a little tune excitedly: “The person in my heart... I would like to gallop with you, on the green grassland... .”

“Your thin curved eyebrows are like crescent moons, and your eyes are like clear lake water...”

The general became more and more excited as he sang, and he couldn't wait.

It is the commander-in-chief of the Hu people, Nuliha.

At this time, Nuliha was in a very good mood. After fighting with Ji Beiye for a few days, he was exhausted both physically and mentally. He could finally enjoy it tonight. When he thought of the beautiful woman he liked, he was waiting for him in the tent at this time, Nuliha It's like drinking honey, it's too beautiful in my heart.

“Beauty, here I come.”

Soon, in front of the tent, Nuliha opened the curtain and walked in with a smile, but when he saw the scene inside, he frowned secretly.

Chapter 4372

The tent is empty, where can there be a shadow of beauty?

Swish!

Seeing this, Nuliha's face sank, and the wine was half awake in an instant.

Beauty isn't there? Mad, is it those bastards who enjoy my beauty in private?

Thinking of this, Nuliha got angry, and quickly walked out of the tent and shouted:  
“Here, where are the guards? Where did they all die?”

Whoa!

The words fell, and several guards rushed over, seeing Nuliha's face full of anger, and they were all uneasy.

Nuliha looked hostile: “Who is responsible for escorting the beauty?”

“It's Hu Laosan and two.”

“Where are they?” Nuriha almost growled.

“No...not sure!”

“Made, are you still looking for it?”

Seeing Nuliha’s anger, the guards didn’t dare to neglect them, so they hurriedly searched in private. Soon, they found the unconscious Hu Laosan and two people behind the tent.

popping...

Nuliha didn’t say a word, walked over, slapped Hu Laosan awake a few times, stared and said, “Where’s my beauty?”

Hu Laosan was beaten: “Yes, in the tent?”

Snapped!

Nuliha’s eyes lit up, and he slapped him in the face again: “Are you drunk as Lao Tzu? There’s no one inside.”

“The First Minister of the Ming Dynasty”

“We obviously sent it here.” Hu Laosan almost cried, covering his face and said, “It’s definitely not wrong.”

Nuriha took a deep breath and asked, “What’s the matter with you two?”

This...

Hu Laosan glanced at each other and said hesitantly: “We were raided, and the other party was too fast to see who it was.”

Mad!

Knowing the situation, Nuliha was furious and scolded: “It’s really two wastes. Look, go through the entire camp, and find someone for me.”

It is impossible for the enemy to infiltrate the camp of hundreds of thousands of troops.

Nuriha guessed that it was most likely someone in the camp who stole his beauty.

“Yes, General!”

Hearing the order, the guards present responded, and immediately led people to search the entire camp. In an instant, the entire camp became a mess.

At this moment, in the general’s tent, Ji Beiye hugged from side to side, enjoying the tenderness. Because he was too drunk, after Ji Beiye entered the camp, he didn’t find another beautiful woman at all.

Mad!

Hearing the commotion outside, Ji Beiye was very upset, got up and shouted outside: “What’s going on outside? The defenders of Qizhou City are calling?”

As soon as the voice fell, the soldier guarding outside responded: “Reporting to the general, it seems that the woman of General Nuliha has disappeared. Are you searching the entire camp now?”

What? Missing woman?

Hearing this, Ji Beiye was very angry, Ma De, the brains of these Hu people are really muddled, and they made such a big noise for the sake of a mere woman.

Thinking to himself, Ji Beiye said angrily, “Call Nuliha to see me immediately.”

“Yes, General!”

A few minutes later, the soldiers took the angry Nuriha to the gate of the camp.

Ji Beiye walked out of the camp and said coldly, “Nuriha, what the hell are you doing? You disturbed the camp in the middle of the night, do you know the consequences?”

call!

Nuliha took a deep breath and said slowly: “General, I don’t want to do this either, but my woman was taken away, I really can’t swallow this breath.”

“Nonsense!” Ji Beiye was stunned for a moment, and then scolded: “I gave you a woman as a reward, who is so bold, dare to rob?”

“I...”

Nuriha opened his mouth and wanted to answer, but at this moment he saw the scene inside the tent through the curtain, and his face froze.

Nuliha clearly saw that the beauty that originally belonged to him was now on Ji Beiye’s soft couch...

Swish!

In an instant, Nuliha was furious and looked at Ji Beiye closely: “General, you gave me the woman, but you took it back and enjoyed it yourself, what does this mean?”

The situation in front of him is obvious. It was Ji Beiye who stole the woman.

At this time, Nuliha didn’t know that he was caught in Darryl’s alienation scheme.

“What did you say?”

At this moment, Ji Beiye’s face turned gloomy in an instant: “Nuriha, you said that General Ben robbed your woman? Who is General Ben? Need to rob you of a woman? ?”

Chapter 4373

At this time, Ji Kitano was very angry.

Mad, this Nuliha just wanted to die because he dared to talk to me like that because he was the commander-in-chief of the Hu people.

call!

Seeing this situation, the soldiers next to him were all too daring to come out. The atmosphere is also extremely solemn.

Feeling Ji Beiye's anger, Nulihajiu woke up completely, and was even more annoyed in his heart.

Good you Ji Beiye, you robbed me of the woman you sent me, but you go back on your word, and you are so righteous, I really thought I was easy to bully.

The more Nuliha thought about it, the angrier he was, so he planned to turn against Ji Beiye, but he held back in the end. You must know that the Hu soldiers in his hands were only 100,000 people, and the disparity between Ji Beiye and Ji Beiye was too great.

More importantly, if we cooperate to attack Qizhou City right now, if we really turn our face, it will not benefit anyone.

Thinking of this, Nuliha suppressed his anger, and a smile appeared on his face: "What the general taught is that he drank too much tonight, and his mind was confused."

"I will apologize to the general now."

The last word fell, and Nuliha bent down at Ji Beiye and gave a military salute. However, in his eyes, there was a flash of coldness.

Seeing his apology, Ji Beiye showed a trace of contempt on his face: "Hurry up and go back to rest." The voice fell, Ji Beiye didn't look at Nuliha, turned around and approached the camp.

"Yes!"

Nuliha responded, but secretly hated her teeth.

Ji Beiye, you wait for me. Today's humiliation will be returned tenfold in the future.

Thinking to himself, Nuliha turned around and said to the guards: "Let everyone rest and stop searching."

"As ordered."

After a few minutes, the entire camp returned to calm.

On the other hand, Nuliha was so aggrieved, he returned to his tent and drank suffocating wine alone.

Soon, a confidant learned of the situation, walked into the tent and said: "General, then Ji Beiye went back on his word and robbed the woman given to the general. This is completely despising us barbarians. This tone, let's swallow it like this. already?"

"Of course I can't be this vicious right now." Nuliha took a sip of wine, with resentment flashing in his eyes: "When you find an opportunity, settle accounts with him."

At this moment, Ji Beiye is here.

Ji Beiye just lay down and was about to continue to enter Wenrou Township, but a soldier shouted outside: "General, it's not good..."

Nima!

At this moment, Ji Beiye was furious: "What's the matter?"

The soldier stood outside the tent and said with sincerity: "The lady's body, no.... is gone. It should have been stolen by someone from the Qizhou City defenders."

Swish!

Hearing this, Ji Beiye's face turned dark, and he scolded: "What a bunch of waste, can't you see a corpse?"

Biquge

The barracks of the hundreds of thousands of troops have been quietly stolen and the corpses have been stolen. It is really shameful.

However, Ji Beiye quickly calmed down and said coldly, “Order the soldiers on patrol to strengthen their guard and attack the city early in the morning.” That lady’s corpse was originally used to deal with King Shaoyang.

During the day, King Shaoyang was comatose due to vomiting blood, and his goal had been achieved, so the lady’s body was useless, and if it was stolen, it was stolen.

Without the King of Shaoyang in Qizhou City, the battle will be successful tomorrow.

“As ordered.”

.....

On the other side, Qizhou City.

After Darryl got the Tiger Talisman, he readjusted the entire Qizhou City’s defense deployment, and then went back to his room to rest.

bang bang...

The next morning, Darryl slept soundly when there was a knock on the door: “Your Excellency Darryl, wake up, Ji Beiye’s rebels are calling out outside the city again. Your Majesty asks you to come over and discuss the countermeasures.”

Um!

Darryl responded, got up and washed quickly, and then rushed towards the city gate.

When they arrived, they saw Ying Kuang and all the generals already waiting above the city gate, all with solemn expressions on their faces.

Outside the city, Ji Beiye's army gathered at the foot of the city gate, with long knives brimming with amazing momentum.

“Ha ha!”

At this moment, seeing Ying Kuang above the city gate, Ji Beiye raised a trace of contempt at the corner of his mouth, and mocked loudly: “King Shaoyang can't do it anymore, now it's your turn, you stinky brat, do you take the seat in person?”

“Hurry up and surrender to Kaicheng, or you won't be able to save your life when I break through Qizhou City.”

hateful!

Hearing these arrogant words, Ying Kuang's childish face suddenly became difficult to look at.

However, Ying Kuang still suppressed his anger and did not attack.

At this time, Qingyu also rushed over. Seeing the situation outside the city, she suddenly trembled. The opponent's army of hundreds of thousands, can Qizhou City stop it?

Then thinking of her mother's death, Qingyu was extremely sad and angry, and shouted at Ji Beiye Jiao: “Ji Beiye, you traitor, you will die.”

When scolding, Qingyu's eyes locked on Ji Beiye tightly, full of resentment.

This traitor, first humiliated his mother's body, and then made the three unconscious, wishing he could be smashed to pieces.

If eyes could kill, Ji Beiye would have been riddled with holes and died hundreds of times.

“Ha ha!”

Hearing the abuse, Ji Beiye was not angry at all, but squinted to admire Qingyu’s graceful appearance, tsk tsk admiring: “It is said that King Shaoyang’s younger sister has turned into a beautiful beauty, now it seems that it is true. .”

“When I break through Qizhou City, I will ask you to accompany me at the celebration banquet, haha.”

After saying the last sentence, Ji Beiye laughed proudly and looked extremely arrogant.

“Shameless...”

Hearing these words, Qingyu was so angry that she even yelled, but was stopped by Ying Kuang.

“Okay, don’t make a pointless argument with him.” Ying Kuang said calmly, slowly.

Seeing Yingkuang speak, Qingyu suppressed her anger and closed her mouth.

call!

At this time, Ying Kuang took a deep breath and asked Darryl, “Your Excellency Darryl, how should we deal with it now?”

At the moment when the voice fell, the eyes of everyone around him also converged on Darryl.

Darryl’s expression was indifferent, and he said slowly: “It’s very simple, Kaicheng should respond to the enemy, and the other party will come to the door to call. If you can’t hold on, won’t you be laughed at?”

What?

Hearing this, whether it was Ying Kuang or Qingyu and the generals present, their expressions changed drastically.

You heard right, this Darryl is actually going out of the city to meet the enemy?

There is so much difference in the strength of the two sides, and a head-to-head confrontation, isn't it self-defeating?

Finally, Ying Kuang was the first to react and looked at Darryl with a complicated look: "Isn't this too risky?"

Ha ha!

Darryl smiled lightly: "Since Your Majesty has given me the Tiger Talisman, you should trust my ability and support my decision. Don't worry, I will never do anything I am not sure about."

Hearing this, Ying Kuang no longer hesitated, nodded and said, "Okay, just follow your wishes."

Saying that, Ying Kuang looked at the surrounding generals: "Follow the command of Your Excellency Darryl, and immediately go out of the city to meet the enemy."

"As ordered!"

After receiving the order, all the generals present responded in unison, then assembled the defenders, opened the city gate and killed them out.

Um?

Seeing this scene, Ji Beiye was stunned for a moment. This little emperor was quite courageous, and he actually let his subordinates go out of the city to meet the enemy?

Afterward, Ji Beiye came back to his senses, with a smile on his face, and shouted: "Soldier, it's time to build meritorious deeds, attack!"

When shouting, Ji Beiye's eyes were full of excitement and excitement.

Haha... Although this little emperor is bloody, he doesn't know how to fight at all. The situation in Qizhou City is only suitable for holding on, but he dispatched an attack. This is simply a chance for him to break the city in vain.

“kill!”

The voice fell, and the hundreds of thousands of troops let out a thunderous howl, and quickly greeted the tens of thousands of defenders in Qizhou City.

In the blink of an eye, the two sides collided, and many soldiers of the Qizhou City defenders were seen screaming and falling in a pool of blood under the siege of the enemy.

With such a huge disparity in strength, the defenders of Qizhou City were simply powerless to resist.

Done!

Seeing this scene, Qingyu, who was standing on the city gate, was both anxious and angry, and scolded Darryl angrily: “This is your strategy against the enemy? You are not fighting the rebels at all, but want to Give Qizhou City hand in hand.”

At the same time, Ying Kuang also frowned, and his heart was extremely complicated.

Is it really wrong to hand over the command to Darryl?

In the face of Qingyu's anger, Darryl's expression was indifferent, and he didn't care at all.

Whoosh!

In the next second, Darryl urged his figure to fly into the air, holding the tiger talisman high, and shouting loudly, “All soldiers, obey my order and move fifty steps to the right without making any mistakes.”

Chapter 4375

Swish!

At this moment, the eyes of Ji Beiye and the hundreds of thousands of troops all locked on Darryl.

Especially Ji Beiye, who looked at Darryl from a distance and frowned secretly.

Who is this person? Was the helper that Shaoyang Wang Gang recruited? never seen before....

Whoa!

At the same time, the defenders of Qizhou City had lost their morale in the face of the disadvantage in front of them, but when they saw the tiger talisman in Darryl’s hand, none of them dared to disobey their orders. They followed Darryl’s command and moved quickly to the right. .

bang bang bang...

However, in the process of moving, there was another non-commander who died tragically under the enemy’s saber.

Seeing this situation, Qingyu’s delicate body trembled, staring at Darryl, her eyes couldn’t hide the anger and anxiety, he did this to send the soldiers to death in vain.

Anxious, Qingyu said to Ying Kuang: “Your Majesty, there is definitely something wrong with this person. This is a war. It is clearly to send the soldiers to death. Quickly issue the imperial decree and let all the soldiers withdraw to the city.”

“Otherwise, all the soldiers will be destroyed, and Qizhou City will not be able to keep it.”

When it came to the end, Qingyu almost burst into tears.

You must know that Qizhou City is the fief of Shaoyang King. When Qingyu was a few years old, she came to live in Qizhou. After more than ten years, Qizhou City has a unique feeling and naturally does not want to be attacked by Ji Beiye.

call!

Hearing this, Ying Kuang took a deep breath and looked at Darryl in midair: “Your Excellency Darryl, this...”

Before he could finish speaking, Darryl said lightly: “Your Majesty, don’t worry, this is just the beginning, and the good show is at the back.” The voice fell, Darryl held the tiger talisman high, and his powerful voice spread throughout the battlefield.

“The first 30,000 people, go 50 paces to the east. The last 30,000 people, 50 paces to the west, and the tens of thousands of people in the middle, stick to the spot, act quickly, don’t neglect, fast!”

When he shouted the last sentence, Darryl looked calm and confident, but his heart was a little dignified.

After all, this is not the mainland of Kyushu, and the way of fighting is completely different. I wonder if these defenders of Qizhou City can cooperate well.

“Fairy Wood”

If you don’t cooperate well, you will take such a risk and the consequences will be unimaginable.

wow...

At this moment, upon hearing Darryl’s command again, the Qizhou City defenders who were present did not hesitate, and acted again, quickly arranging their formations.

They all knew in their hearts that in a head-to-head confrontation, it was not an enemy opponent at all, so it would be better to trust this Darryl once.

“Darryl!”

Seeing that Yingkuang didn’t stop it, Qingyu was so anxious that she couldn’t help shouting at Darryl: “Hurry up and return the tiger talisman, don’t give orders anymore, if Qizhou City is destroyed, you will die a hundred times. Not a pity.”

Hearing Qingyu’s coquettish drink, Darryl remained calm and continued to command the defenders of Qizhou City.

Ha ha.....

At this time, Ji Beiye stood on the station car, looked at Darryl in the air with contempt, and a sneer sneered at the corner of his mouth: “Where is Yamano, do you think a child can play the house? I thought this would defeat my few. One hundred thousand troops? What a fool’s dream...”

Like Qingyu, Ji Beiye also believed that Darryl was commanding blindly.

What?

Just before he finished speaking, Ji Beiye was stunned for a moment, and couldn’t help rubbing his eyes, his face was full of astonishment.

This...it’s impossible.

It was seen that the defenders of Qizhou City, which were originally besieged in groups, moved quickly under the command of Darryl, and actually surrounded Ji Beiye’s army of hundreds of thousands.

That’s right, tens of thousands of defenders surrounded hundreds of thousands of troops.

For a time, Ji Beiye was completely stunned, thinking that he had read it wrong.

Mader, how is this possible when tens of thousands of people surround hundreds of thousands of people? I have never encountered such a situation in my entire life.

Did it work?

At the same time, Ying Kuang, who was standing above the city gate, was also shocked, his eyes fixed on Darryl, with indescribable admiration and excitement.

Sure enough, he did not see the wrong person.

Your Excellency Darryl did it, he really did it....

“This.....”

On the other hand, Qingyu, who was beside her, trembled even more, and looked at Darryl in surprise, full of shock, her mind buzzing, almost blank, unable to speak.

The situation turned around, he... how did he do it?

“Soldiers!”

Just when everyone on both sides was shocked, Darryl took a deep breath, and his voice resounded in the sky: “Counterattack, defend Qizhou City.”

Chapter 4376

“Defend Qizhou City!”

“kill!”

“Kill...”

Hearing Darryl’s majestic voice, all the soldiers and soldiers in Qizhou City at the scene were boiling with enthusiasm, bursting out with thunderous howls, waving long swords, and starting a counterattack.

“what!”

At this time, Ji Beiye’s army of several hundred thousand was surrounded and lost their direction one by one. At this time, facing the counterattack of the defenders of Qizhou

City, they had no strength to fight back. At that time, they screamed and fell in a pool of blood. among.

In less than two copies, tens of thousands of people will be wiped out.

Mad!

Seeing this scene, Ji Beiye's eyes were extremely blood red, and his face was extremely ugly. Looking at Darryl in the air, he was even more angry.

With just a few simple commands, I have ruined so many soldiers and soldiers. If this person is not eliminated, it will become a serious problem.

In anger, Ji Beiye's eyes locked on Darryl: "Who are you? How dare you make a name for yourself?"

"Darryl!" Darryl hovered proudly in the air, responding lightly to two words.

Darryl?

Hearing the answer, Ji Beiye frowned and muttered, and then his heart was shocked.

This name sounds familiar, isn't it the person Haotian Your Excellency is looking for?

"good very good!"

Thinking of this, Ji Beiye took a deep look at Darryl, gritted his teeth and said, "This general remembers you."

With that said, Ji Beiye looked around the audience and shouted: "All generals obey orders, break through, break through with all their strength..."

When he roared, Ji Beiye's eyes were full of unwillingness. Originally, King Shaoyang was not there, and it was a sure thing to capture Qizhou City today, but unexpectedly, a Darryl suddenly appeared.

Right now, the army is besieged, and the formation is in complete chaos.

“Breakout, breakout!”

Hearing the order, hundreds of thousands of soldiers let out a howl and struggled to break through, but they were trapped in a large formation, one by one, and it was difficult to tell the direction.

“what...”

For a time, many soldiers died tragically under the swords of the defenders of Qizhou City during the breakout.

Seeing this situation, Ji Beiye didn't have time to think about it, he pulled out his long sword and rushed into the battlefield. As the commander of the Zhenguan Army, Ji Beiye is strong and brave, and he will break through a gap in the formation.

“Withdraw, withdraw!”

Ji Beiye's eyes were blood red, and he roared loudly, leading the soldiers to break through the gap.

Looking at the soldiers who fell in a pool of blood, Ji Bei's ambition was dripping blood. Ma De, these soldiers were all cultivated by himself at the border and worked so hard for so many years, but now they have lost tens of thousands of people here...

In the anger, Ji Beiye saw Nuliha who was following the breakout, and immediately shouted: “Nuliha, after you lead the Hu people to break, protect the army to retreat, there must be no mistake.”

His own soldiers, but the elite of the elite, can no longer be damaged.

As for these Hu soldiers, they are not their own, so it doesn't matter how many they die.

Swish!

Hearing the order, Nuliha did not agree immediately, his face became cold in an instant, and his heart was even more angry.

Special code, this Ji Beiye really took me for a fool.

Are your subordinates human, and my soldiers, are they beasts? deserve to be killed?

Last night, Nuliha had a lot of complaints against Ji Beiye because of the beauty. At this time, after seeing his order to cut off the Hu people and soldiers, he couldn't bear it any longer.

“Nuriha!”

Seeing that Nuliha was silent, Ji Beiye shouted angrily, “What are you stunned for? Still not carrying out the military order?”

When the voice fell, Nuliha reacted and smiled coldly: “Ji Beiye, what do you mean? The Hu people under my command have suffered a lot of damage just now, how can they be broken?”

“You have hundreds of thousands of troops to suppress Guanguan, and only tens of thousands of people have been killed or injured. If you want to cut off, it's also after the troops are cut off.”

Mad!

Hearing this prosperity, Ji Beiye was furious, locked on Nuliha tightly, and shouted: “Nuriha, you want to disobey?” Just after the defeat, Ji Beiye was in a terrible mood. Order, suddenly angry.

Ha ha...

In the face of Ji Beiye's anger, Nuliha did not panic at all, and chuckled lightly: "Ji Beiye, you are treating us barbarians as fools, you and I are just an alliance, not your subordinates. I still want mine Man, work for you in vain?"

"What are you trying to say?" Ji Beiye's face was gloomy.

Chapter 4377

"hey-hey!"

Nuliha smiled coldly: "Ji Beiye, I have seen you clearly, and we have nothing to say. I will tell you now that we Hu people will cut off the alliance with you from now on."

"In the future, we will walk halfway down the road to the sky and say goodbye."

The last word fell, and Nuliha led the Hu people team and quickly broke through and left.

Mad!

Seeing this situation, Ji Beiye's face became dark with anger, and he said fiercely: "Okay, very good, Nuliha, you dare to throw stones at me, and when I sit on the dragon chair, the first ones to destroy are you barbarians. I am waiting."

After saying this, Ji Beiye led his remnants of defeated soldiers and quickly evacuated.

Whoa!

At this moment, the Qizhou city soldiers present cheered.

Winning the battle... Under such a disparity in strength, not only did he keep Qizhou City, but he also defeated Ji Beiye's army of hundreds of thousands. This is simply unthinkable.

Excited and excited, the non-leaders all looked at Darryl, each with their admiration and admiration that could not be concealed.

The formation of this person is really amazing.

call!

At this moment, Darryl was also secretly relieved. Fortunately, these Qizhou city soldiers obeyed the command. Otherwise, the consequences would be hard to say.

With emotion, Darryl urged his figure to return to the city gate.

“Your Excellency Darryl!”

At this moment, Ying Kuang hurried up to meet him, his face full of excitement and excitement: “It was really wonderful just now, tens of thousands of people actually surrounded hundreds of thousands of people, today’s battle will definitely cause a sensation in the entire Tianxin Continent. “

When speaking, Ying Kuang looked at Darryl’s eyes, full of praise and admiration.

At the same time, Qingyu also came over slowly, bit her lip lightly, and said to Darryl: “Your Excellency Darryl, I’m really sorry before, I have been misunderstanding you, please don’t take offense.”

A word from the heart.

In Qingyu’s heart, she always thought that Darryl was a spy sent by the enemy army, approaching Ying Kuang and infiltrating Qizhou City, with ulterior motives, until just now, she saw with her own eyes Darryl’s formation and defeated Ji Beiye’s Zhenguan Army. Only then did I realize that I had misunderstood Darryl before.

“Fairy Wood”

Ha ha!

Darryl smiled slightly: “The county master is serious. In such a situation, the county master suspects that I am normal. How can I care?”

Just as he was talking, he saw a palace guard hurried over, with an undisguised joy on his face: “Your Majesty, the princess, the prince has woken up.”

Great.

At this moment, both Ying Kuang and Darryl were excited.

Immediately, Ying Kuang smiled and said, “Quickly return to the palace and have a celebration banquet.”

.....

the other side.

Ji Beiye led the remnants of the defeated generals and fled for dozens of miles all the way, making sure that there were no chasing troops behind, and then set up camp in a valley.

Half an hour later, Ji Beiye sat in the tent, drinking suffocating wine alone.

Originally, he was able to capture Qizhou City today and have a feast for the celebration. Who knew that a Darryl suddenly appeared and made him feel ashamed. What is even more disgusting is that Nuliha actually led the barbarians and openly rebelled.

boom!

The more Ji Beiye thought about it, the more angry he became. Finally, he clapped the table and called his personal guard: “Quick, hurry back to the imperial capital immediately, and ask Your Excellency Haotian to discuss important matters.”

Because of his special status, Haotian did not follow Ji Beiye’s Zhenguan Army to attack Qizhou City, but stayed in the Imperial Palace to cultivate and recuperate.

When saying this, Ji Beiye’s eyes flashed coldly.

Today, Qizhou City can be saved entirely by Darryl. As long as Your Excellency Haotian takes action and controls Darryl, everything can be solved.

“Yes, General.”

After receiving the order, the personal guard did not dare to neglect, and immediately took people to the imperial capital with a sound.

.....

On the other side, the mainland of Kyushu.

In the palace of the Rakshasa clan, Nalan sat happily in the pavilion in the back garden, staring blankly at the sky.

After a few days of rest, Nalan Xinran's injury was completely healed, but her mood was always low.

“aunt!”

I was in a daze when I heard a clear call, and then, Ginger and Tie Bowen came over.

Seeing them, Nalan Xin Ran reluctantly showed a smile.

Chapter 4378

When she got to the front, Ginger hugged her arm and shook it gently: “Auntie, why are you so unhappy, are you not used to being here?”

Because of his love with Tie Bowen, Ginger has adapted to the customs and environment of the Rakshasa clan, and at this time, he also hopes that his aunt can stay here.

After all, the Nalan family no longer exists, and there is no need to return to Kyushu.

“I'm fine!” Nalan happily replied softly.

Seeing her appearance, Ginger thought for a while, and said with great interest, “Maybe my aunt is a little bored after staying in the palace for a few days. Let's go to the pasture. I heard that the grassland in the pasture is very beautiful.”

When he said this, Nalan Wu's eyes were full of anticipation.

call!

However, Nalan Xinran was indifferent. At that time, he breathed a sigh of relief and smiled lightly: "Auntie doesn't want to go, so let Bowen accompany you."

Saying that, Nalan Xinran looked at Tie Bowen: "Bowen, have you found that piece of jade?" At the same time as asking, Nalan Xinran's eyes showed deep expectation.

The family is gone, the father is gone, and Wushuang already has support.

In Nalan's heart now, the only thing he cares about is the piece of jade left by Gone after his death. If the jade is gone, I really don't know how to spend the rest of my life...

This....

Facing the inquiry, Tie Bowen and Ginger looked at each other, their expressions could not hide their embarrassment: "Aunt... I sent someone to search all over the Kyushu, but there is no news for a while."

"Really!" Nalan responded happily, her beautiful face full of disappointment.

At this time, Ginger quickly comforted: "Aunt, don't worry, we will definitely help you find..."

"Fairy Wood"

Ugh...

Before she could finish speaking, Nalan smiled bitterly, shook his head and said, "Finding a small piece of jade in Kyushu is like looking for a needle in a haystack. Forget it, maybe this is God's will."

With that said, Nalan slowly got up and said seriously: "Wushuang, Auntie is leaving. Now that you have support, Auntie is happy for you from the bottom of her heart. I hope you and Bowen will be happy in the future."

ah?

Hearing this, Ginger trembled: “Where is Auntie going?”

“Home is the world.” Nalan said happily and leisurely: “Wherever you go, it counts. Wushuang, you don’t need to persuade me. Auntie wants to go out for a walk. If there is a chance, Auntie will come back to see you, okay?”

Having said this, Nalan happily stretched out his jade hand and touched Ginger’s head, his eyes full of love.

“But...”

Ginger’s delicate face was full of reluctance, hugging Nalan Xinran’s arm tightly: “I think you are always here, with me...”

“fool!”

Nalan pursed his lips and smiled: “If you are going to marry Bo Wen in the future, you will naturally stay here. Aunt is different. How can I stay here all the time?”

Hearing this, Ginger nodded: “Okay, auntie’s words count, she must come to see me in the future.”

Um!

Nalan nodded happily, chatted with Ginger for a few more words, and left the palace.

After leaving the Rakshasa clan, Nalan happily began to travel around, intending to use this method to dilute the thoughts of Gone, but after traveling a few places, the thoughts in his heart became stronger.

This made Nalan Xinran very painful, and finally found a cave, intending to cultivate and break through the realm.

However, there was always the shadow of Gone in her heart, and she couldn't get rid of the distracting thoughts at all. At the last moment, she failed to break through and gave birth to the fire of inner demons.

Is this his destiny?

At this moment, Nalan happily curled up in the cave, enduring the burning of the karmic fire, her beautiful face was full of despair. Finally closed your eyes slowly.

Just die like this, and you can see Gone when you get downstairs.

Thinking of this, Nalan smiled happily.

woohoo...

The karmic fire burned more and more vigorously, gradually covering Nalan Xinran completely.

hum!

Seeing that Nalan Xinran was about to be buried in the raging fire of karma, suddenly, a powerful aura wave came from outside the cave, followed by a low voice.

“Infinite Heavenly Venerate!”

The last word fell, and a figure slowly stepped into the cave.

Chapter 4379

An old man came.

The old man looked in his seventies or eighties, with silver-white beard and hair, a red face, a moon-white Taoist robe, and immortal style and bones, which made people admire.

It was Lu Dongbin, the former Holy Master of the Holy Sect, who was known as the ‘Pure Yang Son’ on the rivers and lakes.

Ten years ago, Lu Dongbin established a new holy master because of his visit to the Taoist Church, so he closed himself in the back mountain of Shengzong, and did not leave the customs until half a month ago.

I passed by the neighborhood just now and noticed that there was a situation in the cave, so I came in to investigate.

This...is this a fairy?

At this time, Nalan Xinran was in a daze under the burning fire of inner demons and karma. When he saw Lu Dongbin, he thought he saw an immortal.

Are you already dead?

“The girl is so young, why did she commit suicide?”

At this time, Lu Dongbin came to the front, and just glanced at it, he was clear about the situation. You must know that with Nalan’s happy cultivation and strength, when he first went into trouble, he could completely save himself.

And she did not save herself, but let the fire of her inner demons burn more and more.

“I...”

Hearing Lu Dongbin’s words, Nalan gladly opened her red lips, but only said one word, because of the pain all over her body, she couldn’t continue.

Lu Dongbin didn’t ask any further, and sighed softly: “Forget it, you and I are destined to save you once.”

hum!

When the words fell, Lu Dongbin sat cross-legged behind Nalan Xinran, running the Taoist Mysterious Art to help her drive away the karmic fire of her inner demons.

Time passed by minute by minute.

I don't know how long it took, Nalan Xinran's inner demon karma finally went out, and after going through this, she was also mentally and physically tired, and fell to the side and fell asleep.

Lu Dongbin did not leave, but quietly guarded him.

“Um..”

I don't know how long it took, Nalan happily uttered a soft moan, and Youyou woke up and opened his eyes to see Lu Dongbin.

Although Nalan Xinran was groggy before, he also knew that the Taoist senior in front of him had saved him.

The next second, Nalan let out a sigh of relief and said gratefully to Lu Dongbin, “Thank you for saving your life, Senior.”

call!

Lu Dongbin breathed a sigh of relief and smiled: “It's all right, no need to thank you.”

Nalan nodded happily, seeing his demeanor falling out of the dust, he couldn't help saying: “Dare to ask the senior's Dao name.” In the entire Jianghu, there are probably no more than three Daoist seniors with such aura.

“Lu Dongbin!” Lu Dongbin replied with a slight smile.

What?

Hearing this, Nalan's body was shocked, and the whole person was completely awake.

Is he the famous Daoist master in Kyushu, senior Lu Dongbin?

Shocked, Nalan couldn't help but said: “It turns out to be Senior Chunyang.” Lu Dongbin's name is Chunyangzi, so naturally he should be honored as Senior Chunyang.

Lu Dongbin nodded and asked, “Just now you let the fire of your inner demons burn, and asked for death with all your heart. Why is this?”

This....

Facing the question, Nalan bit her lip happily, her heart was complicated and she didn't know how to answer.

Lu Dongbin had an insight into the secret, and when he saw her appearance, he vaguely guessed something, and smiled at that time: “If the poor man guessed correctly, but for love?”

When his mind was guessed, Nalan Xinran was very embarrassed, and her beautiful face instantly turned red.

But soon, Nalan calmed down with pleasure: “He is dead and no longer exists, but his death has something to do with me, so I have been brooding and can't let go.”

Um!

Lu Dongbin nodded and said slowly, “Let it go or not, it's fine to follow everything naturally.”

Hearing this, Nalan happily recited it a few times in his heart, as if he understood something, but if he didn't understand, he couldn't help saying: “Senior, if everything follows nature, what is the ultimate meaning of a cultivator?”

Lu Dongbin smiled: “Experience all beings, the universe!”

Nalan nodded silently, silently for a moment, and then bowed to Lu Dongbin Yingying.

“The little girl Nalan is pleased. Today I want to worship the senior as a teacher, and I implore the senior to take her in.” Nalan kneeled there happily, looking up at Lu Dongbin, her beautiful face full of sincerity.

She didn't want to be immersed in the pain of missing Gone all the time, so she wanted to follow Lu Dongbin and comprehend the Taoist classics, so that she could spend the rest of her life.

Chapter 4380

Um?

Hearing this, Lu Dongbin was stunned for a moment, and then he couldn't help laughing: "Pindao has already stopped accepting apprentices. The karmic fire in your body has been completely cleared away. Let's meet by fate."

When the last word fell, Lu Dongbin turned around and was about to leave.

Nalan was stunned for a while, and hurriedly said, "Senior stay."

Lu Dongbin stopped and looked back at her with a smile: "Is there anything else?"

"senior!"

Nalan took a deep breath and bit her lip lightly and said: "My family no longer exists, I really don't know where to go. If the seniors don't take it, I really don't know where to go."

"Senior, I really want to enter the Dao Sect, please fulfill it."

After saying this, Nalan gladly bowed again.

call.....

Seeing his sincere expression, Lu Dongbin breathed a sigh of relief and pondered.

After a few minutes, Lu Dongbin slowly walked over, nodded and said, "Okay, we can meet in this barren mountain, it's a fate, and the poor road will accept you as a disciple."

To be honest, Lu Dongbin hasn't accepted apprentices for many years, but Nalan in front of her is so sincere and sincere, and she has good aptitude.

Great.

Seeing that Lu Dongbin finally agreed, Nalan smiled happily and hurriedly bowed down: "Thank you, senior."

"Also called senior?" Lu Dongbin smiled.

Nalan Xinran quickly changed his words: "Master is here, please accept the apprentice's worship."

"well!"

Seeing her so well-behaved, Lu Dongbin was in a good mood. He raised his hand and said, "There are not so many common etiquettes in our Taoist sect. Get up." The moment he raised his hand, Lu Dongbin performed the Taoist profound art.

call...

Nalan Xinran only felt an invisible force dragging her to stand up. At the time, she was shocked and emotional. According to the rumors, Lu Dongbin was like a living immortal, possessing profound and unfathomable Taoism. Now it seems that the rumors are true.

"Let's go!"

Just when Nalan Xinran was secretly shocked, Lu Dongbin said something lightly and walked out of the cave first, his figure floating.

Nalan quickly followed and asked, "Master, where are we going?"

"Nowhere to go, no place to go, no matter where you go."

"Um!"

.....

On the other side, Zhongzhou City.

The weather is nice and sunny today.

In the garden behind the villa, Zhu Bajie accompanied Gonggong on a walk along the cobblestone path.

Since Shennong helped the miscarriage, Gonggong felt much better. Now that she was ten months pregnant, her belly was round and she was about to give birth. Under such circumstances, Zhu Bajie naturally had to take care of her carefully.

And behind them, is a medical team of dozens of people, standing by quietly.

When Zhu Bajie became a father for the first time, he was both excited and apprehensive. In order to ensure the safe birth of the child, he paid a lot of money to invite a medical team to guard the villa 24 hours a day.

“Wife!”

At this moment, Zhu Bajie said with a smile: “The doctor said that the delivery period will be in these two days, so we have to be careful.”

Hearing this, Gonggong couldn’t help but give him a look, and said angrily, “You only worry about the child. My situation doesn’t matter at all, right?”

Gonggong was originally an eccentric character, but after becoming pregnant, he became even more unpredictable and very irritable, which gave Zhu Bajie a headache.

“how come?”

At this moment, Zhu Bajie hurriedly said: “Look at what you said, you are my wife and are as important as children. How can I favor one over the other?”

Gonggong snorted softly and said coldly: “Don’t smile in front of me, you men are all the same, and you can’t hold your heart when you have children, especially you Zhu Bajie, you are romantic and merciful at all times.”

“Let me tell you, if you let me know that you are messing with flowers and weeds outside again, then I will take the child and walk far away so that you will never be able to find it in your life.”

Uh....

Hearing this, Zhu Bajie was very depressed: “How is this possible? Is I Zhu Bajie like that? You and the children will be the main focus in the future, I...”

Just halfway through, I saw Gong Gong’s eyebrows furrowed, and the pain on his delicate face couldn’t be concealed.

Chapter 4381

Zhu Bajie was startled and quickly said, “Wife, what’s the matter?”

“I...”

Gong Gong covered his big belly, his voice trembling: “I seem to be... I’m about to give birth.”

to give birth...

Hearing this, Zhu Bajie was both excited and nervous, and hurriedly called to the medical team behind him: “Quick, help Madam to the delivery room, quick...”

Great, finally giving birth.

wow....

When the voice fell, the medical staff behind quickly gathered around and carefully carried Gong Gong to the delivery room on the second floor. Zhu Bajie quickly followed behind.

“Gene Era”

Soon, Gonggong was sent to the delivery room, and Zhu Bajie stood in the living room outside, waiting anxiously, almost fidgeting.

Time passed by minute by minute.

Squeak.

Finally, two hours later, the door of the delivery room opened, and the female doctor came out slowly.

“Doctor!” Zhu Bajie was refreshed and hurried up to meet him, with an urgent look on his face: “How is the situation? Has my wife given birth?”

“very smooth!”

The female doctor nodded and said to Zhu Bajie, “Congratulations, it’s a boy.”

Hearing this, Zhu Bajie was overjoyed, and immediately laughed: “Haha, that’s great, my Zhu Bajie has another son.”

However, the female doctor was hesitant to speak.

The child was born very smoothly, but it was a little different. Generally, children would cry when they were born, but this child was very calm, not only that, but also quietly staring at the birth doctor.

Moreover, that kind of look is not as pure and innocent as other children, but it gives people a feeling that cannot be said.

The female doctor is also experienced and has delivered many children, but this is the first time I have encountered such a situation.

“Ha ha...”

At this time, Zhu Bajie was immersed in great joy. He didn't give the female doctor a chance to describe.

With that said, Zhu Bajie handed a bank card without a password to the female doctor's hand, and couldn't wait to enter the delivery room.

In the delivery room, where Gong Gong was lying, because he had just given birth, his delicate face couldn't hide the tiredness, but as a new mother, he couldn't hide the joy.

The newborn baby is in the crib next to it.

call!

At this moment, Zhu Bajie took a deep breath and smiled at Gonggong: “Wife, it's been hard work.” After saying that, he walked slowly to the crib.

I can see that the child is chubby, handsome and delicate, and he must be a handsome boy who is popular with thousands of girls when he grows up.

“hey-hey!”

Zhu Bajie scrutinized it carefully, and couldn't help but laugh: “It's not bad that it's my Zhu Bajie's son, the foundation is good.”

When he was talking, Zhu Bajie liked it more and more, and the child stared at him quietly.

“Beautiful!”

Where Gonggong was lying, he couldn't help spit when he heard his words: “The child has grown up, it's better not to be like you.” After saying that, he propped himself up to look at the child.

Zhu Bajie scratched his head, smiled, and continued to look at the child.

“Cuckoo...”

The child seemed to be very curious about this world. He looked at Zhu Bajie and Gonggong, and then let out a crisp laugh, his hands and feet fluttering happily.

Zhu Bajie and Gonggong were both mothers for the first time, and they didn't notice anything unusual at this time. Instead, they were very happy to see their children like this.

Um?

However, at this moment, Zhu Bajie discovered something, and was stunned for a moment.

I saw that when the child fluttered, he kicked the quilt away, and saw a strange mark on his heart. Gong Gong also saw it, and immediately picked up the child and looked at it carefully.

I saw that the mark on the child's heart was vaguely a shape similar to gossip.

Zhu Bajie took a closer look and couldn't help but mutter to himself, “What is this, is it a birthmark?” Strangely, it turned out to be in the shape of a gossip.

“if not?”

Gonggong said angrily: “It's not a birthmark, could it be painted on?” When he spoke, Gonggong sensed something, and his delicate face showed a bit of complexity.

She clearly sensed that there was a very strange power fluctuation in the child's body.

“What's wrong?” Seeing her look different, Zhu Bajie couldn't help but ask.

Gonggong's red lips parted lightly: “There seems to be a power hidden in the child's body.”

Chapter 4382

What?

Hearing this, Zhu Bajie was stunned, and then quickly took over the child to sense it. Sure enough, he sensed a special power fluctuation in the child's body.

After being stunned for a few seconds, Zhu Bajie thought of something and said indifferently: "Perhaps, it was the power of the beast soul that the old Shennong merged into."

While talking, Zhu Bajie held the child and said proudly, "Haha, you have such a strong inner strength at birth, and you will get twice the result with half the effort if you practice in the future."

Hearing this, Gonggong was no longer worried, and a smile appeared on his face.

At this time, neither of them knew that the power in the child's body was not the power of the beast's soul, but the power of the demon soul left by Gone. Not only that, the mark on the child's heart was not gossip, but a demon The seal of honor.

It symbolizes the unique mark of Demon Venerable, which is similar to gossip, but if you distinguish it carefully, there are still some differences.

However, at this time, Zhu Bajie and Gonggong had preconceived the idea that the child was born with extraordinary abilities, and did not think deeply at all.

"Wife!"

Zhu Bajie hugged the child for a while, and said excitedly: "Our child is destined to be extraordinary, and we will find him a good master in the future."

"That's natural." Gong Gong nodded in agreement.

"Let me think about it."

Zhu Bajie pondered for a while, and said slowly: "The child has a gossip mark in his heart, maybe he has a relationship with the Taoist school, and he will find a master for him in the Taoist school in the future."

“But there are many sects in the Taoist sect, who should I look for?”

Seeing him chattering non-stop, Gonggong was both angry and funny, and couldn't help saying: “Okay, don't think so far, quickly put the child down, don't catch a cold.”

“Look at me, I almost forgot!”

Zhu Bajie reacted and quickly put the child into the crib.

.....

On the other side, Tianxin Continent.

At this time, it was late at night, Ji Beiye was sitting in the tent of the camp, his face full of anxiety, without the slightest drowsiness.

Two hours ago, he sent his subordinates to the imperial capital to deliver the letter, and he didn't know if Your Excellency Haotian would come to help when he got the news.

“Bring the wine!”

Ji Beiye was so impatient, he couldn't help shouting outside.

hum!

As soon as the voice fell, he sensed a strong aura fluctuation outside the tent, and then, a tall and handsome figure slowly approached the tent.

It is Haotian.

“Ha ha!”

Seeing Haotian, Ji Beiye's face was overjoyed, he got up and laughed and said, “It can be said that you are looking forward to it.” As long as Haotian is willing to take action, it is no problem to break Qizhou City.

Haotian remained calm and said lightly, “You sent someone to tell me that there is something important?”

When talking, Haotian was very unhappy. In the Imperial Palace, he was disturbed at a critical moment in his practice, and at this time, he naturally had no good face towards Ji Beiye.

“certainly!”

Ji Beiye smiled and said mysteriously: “Your Excellency Haotian, the general Darryl you mentioned earlier has already found his whereabouts.”

Swish!

Hearing this, Haotian’s face froze, and he almost blurted out: “Where is the person?”

Ji Beiye took a deep breath and said slowly, “It’s in Qizhou City.”

“Are you sure.” Haotian narrowed his eyes, as if he didn’t believe it. Although Ji Beiye had an army of hundreds of thousands, it was not easy to find someone in the entire Tianxin Continent.

“How dare I deceive you?”

Ji Beiye smiled and said: “This person is in Qizhou City, and he has already taken refuge with the King of Shaoyang, Ma De, speaking of this Darryl, if it weren’t for him, this general would not have suffered a defeat...”

In the next ten minutes, Ji Beiye explained the situation of the siege during the day in detail.

It’s really him.

Knowing the situation, Haotian’s eyes flickered, and his heart was indescribably excited.

Can use tens of thousands of people, trap hundreds of thousands of people, win more with less, who else can be except Darryl?

At this time, Ji Beiye continued: “Your Excellency Haotian, please...”

Whoosh!

Before the words were finished, Ji Beiye had a flower in front of his eyes, and there was no figure of Haotian.

In an instant, Ji Beiye was stunned, but he couldn’t wait for a long time. This speed.... is too fast.

.....

On the other side, Qizhou City.

Although it was late at night, the palace of Shaoyang was brightly lit.

Chapter 4383

In the daytime, under the command of Darryl, the defenders of Qizhou City defeated Ji Beiye’s army, and the morale of the entire Qizhou City was greatly boosted.

Ying Kuang was very excited and held a celebration banquet at the palace that night.

At this time, in the hall of the palace, everyone sat in order, all with smiles on their faces.

“Your Excellency Darryl!”

At this time, Ying Kuang sat on the main seat, held up a cup of tea, and said to Darryl: “Your Excellency Darryl has made a great contribution to defeating the enemy recently. I don’t know how to drink, so I will replace water with tea now Toast to you.”

Darryl smiled slightly: “Your Majesty is polite.”

With that said, Darryl picked up the wine glass and drank it all in one go.

At this time, the generals present also raised their glasses to Darryl, especially King Shaoyang, because he had just woken up, his face was still a little weak, but he couldn't hide his excitement.

“Your Excellency Darryl, I also toast you!”

“And I...”

In the face of the enthusiasm of everyone, Darryl refused to come, and he even drank more than a dozen glasses in a short time.

“All right!”

At this moment, King Shaoyang slowly stood up and said to the surrounding: “Everyone, please be quiet first, don't be busy toasting Your Excellency Darryl, this king wants to say something important.”

The voice fell, everyone closed their mouths one after another, and the whole hall was silent.

King Shaoyang looked at Darryl and said with a smile: “I discussed with Your Majesty just now that I would like to invite Darryl to serve as a military advisor. I don't know your Excellency Darryl, what do you think?”

Swish!

At this moment, the eyes of the entire hall all converged on Darryl.

If someone else was appointed as a military adviser, everyone might have objections, but Darryl was different, and he was fully qualified to serve. After all, Darryl commanded the army during the day and defeated the Zhenguan army of hundreds of thousands of Ji Beiye. Everyone has seen it.

shit...

Facing the attention of everyone and the expectations of King Shaoyang, Darryl instantly sobered up a lot.

Speaking of which, helping Qizhou City against the enemy during the day was only a temporary move, and he never thought of staying in Qizhou City forever. At this time, facing the invitation of King Shaoyang to serve as a military adviser, Darryl's heart suddenly became complicated.

boom!

Just when Darryl was hesitating, he heard a loud noise from outside, the gate of the palace was smashed abruptly, and several guards of the palace were also killed on the spot and fell in a pool of blood.

what's the situation?

Hearing the movement, everyone in the hall was shocked and stood up one after another.

King Shaoyang was even more furious: "What's the situation?"

As soon as the words fell, a palace guard ran in quickly, his face full of horror: "No, a man has come in, his strength is unfathomable, and the guards can't stop it at all."

What?

Hearing this, everyone reacted in shock and anger.

who? I just ate the guts of a bear and a leopard, and dared to break into the palace?

"You're not too brave!"

King Shaoyang was even more furious. He took a deep breath at that time and said to Ying Kuang, "Your Majesty will stay here first, and this king will take someone to take a look." The voice fell, and King Shaoyang walked out of the hall first.

wow...

The soldiers followed.

Darryl hesitated for a moment and followed him out.

call....

When they got outside, everyone in King Shaoyang was stunned when they saw the scene in front of them.

I saw that in the mid-air, a figure was quietly suspended, dressed in a black long gown, with a cold face, and an unfathomable aura pervaded his body.

The gate of the palace was completely in ruins, and the corpses of more than a dozen palace guards lay on the ground, all of them bloody and breathless.

Seeing this situation, King Shaoyang was both angry and shocked.

Who is this person? The strength is so powerful.

Holy crap... how is he?

And Darryl, who followed him, was shocked when he saw the figure in the air.

The person who came was the God King Haotian.

Darryl thought that the God King Haotian was transported to another world by the Chaos Vortex, but he never thought that the other party was also in this Tianxin Continent.

Swish!

Just when Darryl was stunned, Haotian God King also found him, his cold face changed several times, and finally said coldly: "Darryl, you are really here."

Hearing this, Darryl regained his senses, took a deep breath and said, "Yeah, it's really a narrow road for the enemy." When he spoke, Darryl's face was indifferent, but his eyes flashed with anger.

When he thought of Ao Lin's tragic death at the hands of Haotian, Darryl couldn't help himself.

## Chapter 4384

At this time, King Shaoyang also reacted and glared at Haotian: “Who are you? People who dare to go straight into the palace and kill this king?”

When speaking, King Shaoyang was very angry.

However!

Haotian didn't seem to hear King Shaoyang's angry shout, he didn't even look at him, his eyes just stared at Darryl.

In Haotian's heart, even if the other party is a prince and dominates one side, he is just an ant...

Swish!

Seeing that the other party was so arrogant, King Shaoyang's face instantly became ugly, and the anger in his heart rose.

“So bold!”

In the next second, Hou Biao, the captain of the palace guards, strode out and glared at Haotian: “Dare to be disrespectful to the prince and seek death.”

hum!

The voice fell, Hou Biao's strength exploded, he rose into the air, holding a long knife tightly, and slashed towards Haotian fiercely. Hou Biao was a seventh-rank powerhouse. Distorted, the power is amazing.

However, Haotian's expression remained unchanged, and there was even more disdain in his eyes.

“Shameless ants.”

The cold four words came out of Haotian's mouth, and then slowly raised his right hand.

Seeing this scene, Darryl's face changed, and he hurriedly shouted at Hou Biao: "Captain Hou, don't be impulsive, come down quickly..." At the same time, Darryl wanted to rush over to stop it.

But it was too late.

laugh!

Before Darryl could finish a sentence, he saw a terrifying force condensing in the night sky, and then, a dazzling golden light burst out from Haotian's hands.

Jin Mang was as fast as lightning, Hou Biao couldn't react at all and was directly hit.

"what..."

The next second, accompanied by a roar, Hou Biao let out a scream, and the whole person was shocked and flew out. The blood sprayed like a rain of blood, flew more than 100 meters away, and finally landed at the entrance of the hall.

When he landed, Hou Biao was bloody and out of breath.

What?

Seeing this scene, whether it was King Shaoyang or the other generals around, they were all shocked, and they couldn't help gasping for air.

Is this man so terrifying?

With just one move, he killed Hou Biao of the seventh-rank realm?

Especially the King of Shaoyang, while shocked, the anger in his heart also reached the extreme.

This person is really arrogant. He went straight into the palace and killed people in front of him. He was simply lawless.

Finally, King Shaoyang reacted, raised his right hand, and was about to summon the guards, but he was stopped by Darryl before he could speak.

“My lord!”

At this moment, Darryl looked solemn and said slowly: “The strength of the other party is far beyond your imagination. Don’t let your subordinates die. This is a personal grievance between me and him. Let me solve it myself.”

call!

Hearing this, King Shaoyang took a deep breath, and even though he was very angry, he finally nodded.

Darryl no longer hesitated, and leaped deep into the air, staring at Haotian: “I didn’t expect that you were also transported to this Tianxin Continent. It seems that this is God’s will, and I want to kill you with my own hands and avenge Ao Lin. “

revenge?

Hearing this, the corner of Haotian’s mouth twitched into a sinister smile: “It’s too early to say this now. It’s not certain who will live and who will die recently.”

The last word fell, and Haotian’s figure flashed, coming straight towards Darryl, as fast as lightning.

This speed....

Feeling Haotian’s speed, the King of Shaoyang below and the surrounding generals were all shocked.

Darryl didn’t change his face, he didn’t panic at all.

“Bang!”

In the next second, Darryl raised his hand and collided with Haotian's palm. He heard a roar, and the entire night sky was instantly distorted, and a terrifying power fluctuation swept across the entire palace.

In the roar, Darryl and Haotian were both shaken by their figures, and then they were shaken back by the volley at the same time.

Obviously, no one took advantage of this palm-to-hand encounter.

Seeing this situation, everyone in King Shaoyang looked horrified and retreated subconsciously. At the same time, they were also very curious.

“Your Excellency Darryl's strength is so powerful?”

“Yeah, and this person is also very terrifying...”

“I am afraid that their strength has passed the realm of hearing Taoism, but before in the rivers and lakes, why have I never heard of their rumors?”

#### Chapter 4385

Especially the King of Shaoyang, looking at Darryl's eyes at this time, is even hotter.

This Darryl is not only good at arranging troops, but his own strength is also so powerful. He is really a rare talent. If he can be completely loyal to His Majesty, the Kuangfu Royal Family will be just around the corner.

At this time in midair.

Haotian stabilized his figure and looked closely at Darryl: “Very good, I didn't expect your strength to recover very quickly in such a short time.” He clearly remembered that when Darryl was involved in the chaotic vortex, Darryl The power of the primordial spirit has been exhausted.

At this time, he clearly felt that Darryl's strength had recovered at least 70%.

Ha ha...

Hearing this, Darryl sneered: "The same is true for you. Speaking of which, I thought you died in the chaotic vortex. A scum like you can be safely transported to this world. It's really heaven. don't have eyes."

The words were full of ridicule and resentment.

Haotian's face became gloomy, and he was too lazy to talk nonsense at the time: "No need to talk nonsense, let's settle the account today."

hum!

At the moment when the last word fell, Haotian's divine power exploded, and in an instant, the air above the entire palace was completely twisted.

It's like... the end of the world.

hiss....

Seeing this situation, whether it was the King of Shaoyang, or the soldiers and guards of the palace, all of them were shocked, and they all gasped.

What kind of existence is this, in order to burst out such terrifying power.

Just when everyone was shocked, Haotian raised his hand and waved, and a golden beam pierced the night sky, carrying the power of thunder, and burst out towards Darryl.

Seeing this, everyone below couldn't help but sweat for Darryl.

Feeling Haotian's eruption, Darryl did not panic at all. At that time, he raised his hand and waved, activating the power of his primordial spirit and deploying a protective film in front of him.

I saw that on the protective film, there were faintly flickering flaming lotuses coming out.

Yes, this protective film, Darryl combines the power of the red lotus of the law, and the defense power is more than ten times higher than that of simply using the power of the primordial spirit.

boom!

In the next second, Jin Mang erupted and slammed into the protective film, making an earth-shattering roar. Under the terrifying force, the entire palace was filled with dust and smoke.

Under the impact of the powerful breath, King Shaoyang and everyone present were shaken out, and all of them turned pale.

After a few minutes, the dust and smoke completely dissipated.

He saw that the protective film in front of Darryl had completely shattered in mid-air, but Darryl's expression remained the same. Obviously, Haotian's attack just now did not cause him any damage at all.

“Darryl!”

At this time, Haotian, with blood-red eyes and a ferocious face, roared wildly, “I will kill you today.”

“Come on!” Darryl showed no signs of weakness.

The moment the voice fell, the two broke out together, and their figures were like two lightning strikes colliding together, starting a fierce battle.

boom boom boom...

I saw that the silhouettes of the two sides kept colliding back and forth in the air, and there was a loud noise like thunder. For a time, the people of King Shaoyang below were all dumbfounded.

Such a terrifying battle scene, I am afraid it is rare to encounter in a thousand years.

call...

In the blink of an eye, the two sides fought fiercely for more than a dozen confluent. After Haotian avoided Darryl's blow, the figure took advantage of the situation to detour behind Darryl, his hands suddenly raised, and he called towards Darryl's back.

This move is extremely fast, and if it were someone else, he would definitely die under Haotian's palms.

However, Darryl was destined not to be a mortal. He reacted quickly at that time, and as soon as his figure turned, he was greeted with both palms. The moment the two palms collided, they did not separate, but pressed against each other.

Yes, Darryl decided to compete with Haotian for divine power.

Speaking of which, Haotian has practiced for nearly 10,000 years, and Darryl has only had Primordial Spirit for only a year. The background is simply different, but Darryl has the power of the red lotus of the law to protect his body, and he will fight with all his strength to win. Negative unpredictable.

This....

At this moment, the following people of King Shaoyang were shocked when they saw this scene. You must know that this kind of competition of strength is a very dangerous behavior in any place.

Chapter 4386

Under the shock, the King of Shaoyang wanted to send someone up to help Darryl.

It's just that the strength of Darryl and Haotian is far beyond their imagination, especially the breath that permeates their bodies, it's terrifying, and the distance is so suffocating, let alone getting close to help.

woohoo....

Darryl and Haotian pressed their palms against each other, seemingly motionless, but as the strength of the two sides continued to erupt, the surrounding air also distorted violently, and finally formed terrifying storms.

rumbling...

Immediately afterwards, the spiritual energy of heaven and earth above the entire Qizhou City was also affected, and dark clouds quickly condensed and rolled endlessly, and thunder continued to resound in the clouds.

Yes, Darryl and Haotian competed with all their strength, and finally brought about changes in the world.

click...

Accompanied by the thunder in the dark clouds, finally a purple thunderbolt pierced the sky and slashed straight down. Thunderbolt's targets were Darryl and Haotian.

hiss....

Seeing this scene, King Shaoyang was completely stunned, looking at Darryl and Haotian, his mind was almost blank.

The others around couldn't help but exclaimed.

“Tianlei...”

“God, what kind of strength is this, that actually attracted Tianlei.”

“terrible.”

Just like King Shaoyang, the other people around them also had blank minds, and they were extremely imaginative, and it was difficult to describe their emotions about the scene in front of them.

According to the rumors in the rivers and lakes, only breaking through the last three realms can trigger the thunder.

And Darryl and Haotian in front of them, just competing for strength, attracted Tianlei... It's just too terrifying.

In the exclamation, several palace guards reacted, quickly protecting King Shaoyang, and retreating to the entrance of the hall to avoid being injured by the thunder. Immediately afterwards, the others also retreated towards the surroundings.

boom!

Just as everyone panicked and retreated, this thunderbolt crashed down and exploded between Darryl and Haotian. In an instant, the entire Qizhou city was enveloped in dazzling light.

“puff...”

In the sound of the explosion, Darryl and Haotian spit out a mouthful of blood at the same time, and then they were shaken by this terrifying force and flew out a few hundred meters away. Haotian fell heavily on the wilderness outside Qizhou City.

Darryl, on the other hand, fell into the moat outside the city.

Pfft!

At the moment of falling into the water, Darryl's eyes turned black for a while, and finally fainted, his body sank rapidly, and went away with the undercurrent.

This.....

Seeing this scene, whether it was King Shaoyang or everyone present, they were all stunned, never expecting such a result.

Immediately, King Shaoyang took the lead in reacting and shouted eagerly: “Quick, everyone out of the city must find Your Excellency Darryl and ensure his safety.”

Such a talent, if something goes wrong, it will be a big loss for the Dayan Dynasty.

“Yes, my lord!”

Hearing the order, the soldiers present responded in unison, and then quickly rushed out of Qizhou City to look for Darryl’s figure.

At this moment.

In the wilderness outside Qizhou City, Ji Beiye rushed over with several hundred guards.

Before Haotian and Darryl fought fiercely in the high sky in Qizhou City, Ji Beiye could see it clearly on the hillside outside the city, and was stunned by the terrifying strength of both sides.

Later, when he saw that the two of them were hit by lightning, Ji Beiye didn’t have time to think about it, so he could lead someone to search the place where Haotian fell.

“found it!”

Soon, a guard found Haotian and couldn’t help shouting.

Ji Beiye hurried over, quickly helped Haotian up, and asked, “Lord Haotian, how are you?” Ji Beiye was extremely shocked when he spoke.

Just saw Haotian’s skin was charred black under the bombardment of the sky, and there was a bowl-sized wound on his shoulder, which was shocking.

What shocked Ji Beiye was that Haotian was still breathing under such an injury.

He didn’t die even after being hit by lightning.

This...is this still human?

At this time, Ji Beiye didn't know that the Haotian in front of him was not a human at all, but the leader of the gods in the realm of the gods, known as a generation of gods.

“puff...”

Hearing the question, Haotian opened his eyes, and another mouthful of blood spurted out, and said slowly: “Don't worry about me, quickly search around, find that Darryl, live to see people, die to see corpses...”

Chapter 4387

When speaking, Haotian's eyes flickered with perseverance.

In any case, Darryl cannot be allowed to live, this time he must die.

“Don't worry, Your Excellency.”

Ji Beiye nodded and said seriously: “I will help you find him.”

With that said, Ji Beiye shouted at the surrounding guards: “What are you doing, hurry up and search the surrounding area, you have to find that Darryl, hurry up...”

“Yes, General!”

Hearing the order, hundreds of personal guards responded in unison, then quickly dispersed and searched around.

For a while, King Shaoyang and Ji Beiye searched outside Qizhou City at the same time. They searched from night to day and then to night, but they never found Darryl's whereabouts...

.....

Eighty miles northwest of Qizhou City, there is a mountain range with beautiful scenery.

At this time, two slim figures on the mountain road were slowly moving forward.

I saw these two women, the older one was around 30, dignified and beautiful, wearing a long white dress, giving people a graceful beauty.

The younger one is seventeen or eighteen years old, wearing a green short skirt, bright eyes and white teeth, indescribably youthful and beautiful.

The older woman is Li Suqiu, the elder of Mingyuemen.

Mingyuemen is an ancient sect on the rivers and lakes of Tianxin Continent. It has been passed down for thousands of years. As early as a thousand years ago, it was one of the best sects, and it has a strong influence on the rivers and lakes.

However, the prosperity must decline. In the past thousand years, the Mingyuemen has gradually declined, and it has no right to speak in the arena, and is even about to be forgotten.

The youngest is Lin Ping, Li Suqiu's direct disciple and the only one.

Li Suqiu has a gentle and graceful personality, while Lin Ping has a stronger personality, but she respects her master very much and obeys every word. Half a month ago, Li Suqiu took her to the arena for training, and she has returned to Mingyuemen today.

“Master!”

At this moment, Lin Ping wiped the sweat from her forehead and muttered, “It's too hot today, let's take a break and then go on our way.”

Li Suqiu smiled lightly, nodded and said, “Okay, there is a small stream ahead, let's rest there.”

Lin Ping cheered and quickened her pace.

Soon, at the creek at the foot of the mountain, Lin Ping cheered and squatted by the creek to wash her face, while Li Suqiu sat under the tree to meditate and rest.

“ah....”

At this moment, Lin Ping discovered something and exclaimed: “Master, there is a dead person floating in the water.” As she shouted, she quickly left the shore, her beautiful face full of surprise.

dead?

Hearing the call, Li Suqiu quickly stood up and looked towards the creek. Sure enough, he saw a figure floating up and down on the water. Although he was far away, Li Suqiu was keenly aware that the person was not dead.

The next second, Li Suqiu said, “The man is not dead yet, hurry up and salvage him.”

Saying that, Li Suqiu stepped closer to the stream first.

Lin Ping was stunned for a moment and walked in. A few seconds later, the master and apprentice brought the person in the stream ashore, and Lin Ping was startled when they saw the other person’s appearance: “My God, what happened to this person?”

I saw that this person was charred all over, and there was a huge wound in front of him. If it was someone else, he would have already died, and this person was still breathing.

Yes, this person is Darryl who was hit by the thunder.

A day ago, Darryl and Haotian were struck by a thunderbolt, and finally fell into the moat outside Qizhou City. The moat was connected to this small stream, and Darryl drifted with the current and was rushed here.

call!

At this moment, Li Suqiu also frowned. It is the first time I have seen someone so seriously injured after walking the rivers and lakes for so many years.

“Ping’er, support him.” Soon, Li Suqiu calmed down and instructed softly, then took out the healing elixir of Mingyuemen from his body.

Lin Ping was a little disgusted, but she still carefully helped Darryl up and asked, “Master, what are you going to do?”

Li Suqiu said softly, “Saving people, the purpose of our Jianghu people is to help the strong and help the weak. This person has suffered such a serious injury, and he can’t wait to die.”

Saying that, Li Suqiu squeezed Darryl’s mouth and stuffed the medicine pill into it.

Gudong!

At this time, Darryl was completely in a coma, but he still instinctively swallowed the medicinal pill.

Chapter 4388  
well!

Lin Ping sighed softly and said disapprovingly, “Master, you are just too kind. This person was injured so badly, even if he was rescued, he might not live long.”

“You are so attentive, I’m afraid that in the end, the medicine pill will be wasted in vain.”

Hearing this, Li Suqiu frowned slightly, and said a little displeased: “Ping’er, it’s not like that, whether he can survive is his own creation, but if we want to save, we must do our best. “

“Okay, I see.” Seeing that she was about to talk again, Lin Ping quickly stuck out her tongue.

Afterwards, Lin Ping glanced at Darryl and said in surprise, “Oh, are you really awake?”

call!

While speaking, Darryl breathed a sigh of relief and slowly opened his eyes.

Mad, it's really unfortunate, he was hit by a thunderbolt and finally fell into the moat...

Muttering in his heart, Darryl was stunned when he saw the master and apprentice in front of him, and then he was stunned by their looks.

Two beautiful women.

Judging by their age, they should be masters and apprentices.

“Hey!”

Darryl's eyes made Lin Ping very unhappy, and immediately said angrily: “What's your name? Why are you floating in the water? I tell you, it's fortunate that you met my master, otherwise, it's not To be eaten by fish is to wash up on the shore and be carried away by wild dogs...”

Lin Ping has a flamboyant personality and speaks a bit meanly.

As soon as he finished speaking, Li Suqiu said angrily, “Ping'er, don't be rude.”

Afterwards, Li Suqiu looked at Darryl: “Where are you from and what happened to you?”

“I..”

Darryl scratched his head, thought for a moment, and said, “My name is Feng Tao, and I escaped from the imperial capital.” In order to avoid unnecessary trouble, Darryl decided to temporarily conceal his identity.

Did the imperial capital escape?

Hearing the answer, Li Suqiu nodded silently. Ji Beiye broke the imperial capital a few days ago, and the world knows it. At that time, many refugees fled.

Later, Li Suqiu asked, “What’s the matter with your injury?”

Darryl took a deep breath and looked very sad: “The rebels burned down my house. When I fled, I was hit by a burning wooden beam.”

Having said that, Darryl bowed his hands: “Thank you two heroines for saving you.”

“It’s pathetic.”

Li Suqiu didn’t have the slightest doubt, and said angrily: “That Ji Beiye is so abhorrent, and if he commits the following crimes, it’s okay to try to usurp the throne, and he actually poisons innocent people. Such scum, everyone can get them and kill them.”

call!

Hearing this, Darryl breathed a sigh of relief and nodded secretly.

This beauty is not only kind-hearted, but also quite righteous.

Just thinking about it, Li Suqiu asked him, “Do you have any relatives or friends, we two masters and apprentices can escort you for a ride.” When he said this, Li Suqiu’s delicate face was full of sincerity.

The family in front of him is gone. With such a serious injury, it is also appropriate to help him escort his relatives.

this....

Darryl scratched his head and smiled bitterly: “I have no relatives or friends in this world.” He was right. All relatives and friends are in the Kyushu Continent, and the Tianxin Continent in front of him can be said to have no relatives.

“Is that so...”

Hearing this, Li Suqiu bit her lip lightly, and finally said, “Otherwise, you can come with us first, and then decide where to go after your injury is healed.”

To be honest, Mingyuemen rarely accepts outsiders, but the man in front of him is seriously injured. Li Suqiu is kind-hearted and can’t bear to leave him alone.

“The Ronin from Douluo”

“Master!”

As soon as the words fell, Lin Ping became anxious and couldn’t help saying, “How can we bring him back to the mountain gate? When others see it, they will definitely make irresponsible remarks.”

Both myself and my master are women, so what’s the matter with bringing a man back?

Moreover, this man looked at me like that just now, so annoying.

Well...

At the same time, Darryl was also embarrassed, and said a little embarrassedly: “This seems a little inconvenient, I still don’t bother the two of you.”

Li Suqiu looked serious: “Your injury is very serious. If you don’t treat it in time, it may endanger your life. As long as you follow my arrangements, there is no inconvenience.”

She is kind-hearted, and she doesn’t want to see others suffer, so she decides to take Darryl back to Mingyuemen. After all, he was hurt too badly.

Chapter 4389

Moreover, Li Suqiu noticed that Darryl, who was in front of him, did not have the slightest fluctuation of strength around him. He was obviously an ordinary person, and he did not threaten him at all.

She didn’t know that Darryl’s strength was tyrannical, but the previous battle had exhausted his strength.

call!

Seeing Li Suqiu's sincere expression, Darryl secretly breathed a sigh of relief and smiled: "Okay then, trouble the two of you."

He competed with Haotian in Qizhou City before, and his divine power was exhausted. He urgently needed to find a place to meditate. Naturally, he could not go back to Qizhou City. Therefore, in the face of Li Suqiu's invitation, he could not ask for it.

"Master!"

Lin Ping next to him was very reluctant and couldn't help but say, "You..."

Just before she could finish speaking, Li Suqiu interrupted: "Okay, Master has already decided, so don't say more." The tone was gentle, but unquestionable.

Seeing her insistence, Lin Ping nodded even if she was reluctant.

Afterwards, the three rested for a while by the creek and continued on their way.

Along the way, Li Suqiu asked Darryl some questions. Darryl was well prepared and answered without leaking, which made Li Suqiu more and more convinced that Darryl was just a refugee.

What surprised her was that Darryl was injured so badly, but he seemed to be fine.

But thinking that he had taken the medicine pill before, there was no doubt about it.

Finally, after several hours of traveling, the three finally arrived at the main altar of Mingyuemen.

The main altar of Mingyuemen is located by the lake. It is dusk at this time, and the afterglow of the setting sun is sprinkled on the lake. The reflections dye the whole main altar with a golden color, which makes people feel indescribably relaxed and happy.

Nice place.

Seeing the environment in front of him, Darryl nodded secretly, very satisfied.

At this moment, Lin Ping said: “Hey, I warn you, don’t rush in when you enter the mountain gate, otherwise, if something happens, you will bear the consequences yourself.”

When she spoke, Lin Ping couldn’t hide the displeasure on her face.

Darryl didn’t care about Lin Ping’s attitude at all, and nodded with a smile. Then he looked around the building of the mountain gate and pretended to be shocked: “This is your mountain gate? It’s so majestic...”

“right!”

Lin Ping looked proud: “You ordinary people, you have never seen it before.”

Like Li Suqiu, Lin Ping also believes that Darryl is an ordinary person.

Seeing Lin Ping’s high-spirited attitude, Li Suqiu was a little displeased and frowned, “Ping’er, how did Master teach you before? Be careful!”

Having said that, Li Suqiu greeted Darryl and walked towards the resting place in the back.

Along the way, many disciples of Mingyuemen looked at Darryl curiously, but due to the identity of Elder Li Suqiu, they did not dare to come over and ask.

The small courtyard where Li Suqiu and Lin Ping live is located in northeast of the mountain gate.

Soon Li Suqiu arranged a room for Darryl, and smiled: “During this time, you will live here temporarily.”

“Thank you!” Darryl nodded.

wow...

Just as he was talking, several disciples approached the small courtyard, and the leader was a man in his twenties with a high-spirited attitude: “Is Elder Li back?”

The man’s name is Tong Shan, a direct disciple of the Great Elder. Relying on the status of the Great Elder, he is arrogant and domineering in the entire Mingyuemen, and no one cares.

Hearing the question, Li Suqiu and Lin Ping walked out of the room.

Darryl followed.

When they got outside, Lin Ping was very displeased when she saw Tong Shan’s attitude and couldn’t help but say, “Tong Shan, do you have any rules? Who told you to break in?”

Lin Ping was often oppressed by Tong Shan, so she didn’t look good when she saw him barging in at this time.

Facing the accusation, Tong Shan chuckled lightly: “I’m here to find Elder Li, what are you talking about?”

Speaking, Tong Shan saw Darryl and was stunned: “Huh? Why is there a man?”

call!

At this time, Li Suqiu breathed a sigh of relief, took a step forward, and said lightly: “This is the way I came back. I rescued the refugees and let him recuperate here. Tong Shan, what do you have to do with me?”

“Tsk tsk...”

Hearing the question, Tong Shan did not answer immediately, but smiled meaningfully: “Two master and apprentice rescue a man back, interesting...”

Chapter 4390

Li Suqiu is located at the end of the nine elders, and has a graceful personality. Therefore, Tong Shan has never put her in his eyes.

After all, Li Suqiu's strength is only eighth-rank, and Tong Shan's master, the great elder, has broken through the ninth-rank realm two months ago, and his strength is second only to the sect master.

Swish!

Hearing something in Tong Shan's words, Li Suqiu's face flushed instantly, and she was very unhappy: "Tong Shan, don't talk nonsense, my master and apprentice are innocent and cannot allow you to slander."

When the words fell, Lin Ping also shouted: "I think you are a dog who can't spit out ivory. If you continue to talk nonsense, believe it or not, my master will teach you? Get out now."

At this time, Lin Ping was furious.

It's okay to bully yourself on weekdays, but now you're disrespectful to your master.

Ha ha!

In the face of the anger, Tong Shan did not panic at all, but smiled contemptuously and said to Lin Ping, "Stinky girl dares to talk to me like this, it will fall into my hands one day, you will be beautiful."

Feeling Tong Shan's evil spirit, Lin Ping suddenly felt a little timid. After all, he had suffered a lot from him for so many years, but thinking that Master was on the side, he still pretended to be calm and retorted, "I'm afraid of you."

Tong Shan was too lazy to talk nonsense with her, looked at Li Suqiu and said, "The day after tomorrow is the annual sunflower competition. My master asked me to inform me. I hope Elder Li will not forget it."

"Of course, my master is already determined to win."

When the last sentence fell, Tong Shan's eyes were full of arrogance, and he turned and walked away.

“Awe what?”

Looking at the back of Tong Shan leaving, Lin Ping pouted and said angrily, “Isn't it because of the Great Elder?”

Sunflower Competition...

Where was Li Suqiu standing, silently reciting these four words in her heart, her beautiful face was indescribably complicated.

Tianxin Continent has a long history and a long history. Many powerful sects have been born in the past ten thousand years. However, as the years have changed, many sects have ceased to exist, leaving only some secret realms. These secret realms are just like the Kyushu Continent. The ancient tombs are generally descended, and will only be opened at specific times.

The place where the main altar of Mingyuemen is located used to be the site of an ancient sect. The secret realm left behind will only be opened every three years. Because the entrance to the secret realm is full of sunflowers, it is called the sunflower secret realm.

Three years ago, the owner of Mingyuemen explored the secret realm of sunflowers alone, but he never returned. No one came out until the secret realm was closed. At that time, the whole Mingyuemen was in panic.

Some say that the door owner died in a secret realm.

Some said that the door owner was not dead, but was trapped in the secret realm.

Because there are different opinions and the life and death of the sect master is uncertain, Mingyue Sect has not elected a new sect master, and the big and small affairs are temporarily in charge of the elders.

It's just that the first elder is very ambitious and wants to be the sect master. As early as two months ago, he proposed that when the secret realm was opened, a competition would be held, and the winner would become the new sect master.

At that time, Li Suqiu was resolutely opposed, because the sect master was not meant to her. Although there was no news of entering the secret realm for three years, but he was not sure whether he was dead or alive, Li Suqiu naturally would not agree to the arrangement of the elder.

However, the other elders had been secretly bought by the first elder, and all of them voted in favor. At that time, Li Suqiu was weak and could not change at all.

Two months have passed now, and the day after tomorrow is the day when the secret realm opens.

well!

Thinking of this, Li Suqiu couldn't help sighing softly.

The first elder is strong and powerful, and he is the first in the sunflower competition. At that time, he will be the new alliance leader of Mingyuemen.

“Master!”

At this time, Lin Ping closed the gate of the yard, walked back quickly and said, “What kind of sunflower competition, the first elder deliberately made a form in order to sit in the door, we don't mind if we don't participate.”

The master and the first elder have always been at odds. If the first elder took advantage of the sunflower competition this time and secretly plotted against the master, it would be troublesome.

So, the safest way is not to participate.

“Do not!”

As soon as the words fell, Li Suqiu shook her head, her delicate face showed a bit of determination, her red lips parted lightly, and she said slowly: “This competition, the teacher must participate.”

“King Kong Is Not Bad Dazhai Master”

“why?”

Lin Ping’s body trembled, and she said in a puzzled manner, “This competition was organized by the Great Elder, and he must have arranged it.”

Chapter 4391

“Also, Tong Shan said just now that they are determined to win...”

At this time, Lin Ping was very anxious.

What’s wrong with the master? Knowing that there are tigers in the mountains tend to walk in the mountains, isn’t this asking for trouble?

But before she could finish speaking, Li Suqiu interrupted lightly, “It is precisely because this competition was organized by the Great Elder that I should participate.”

“In case the sect master is not dead and is just trapped in the secret realm, the first elder is really going to be detrimental to him. How can the sect master deal with it alone? So, I must go.”

Having said this, Li Suqiu looked outside: “No matter whether I win or lose this competition, I must find the whereabouts of the sect master. I want to see people when I live, and I want to see corpses when I die.”

well!

Seeing her firm tone, Lin Ping knew she couldn't be persuaded, so she just nodded helplessly and said, "Master, be careful, then you must be careful and guard against the Great Elder."

Li Suqiu nodded and smiled lightly: "Don't worry, Master has a good idea."

"that..."

At this moment, Darryl, who had been beside him, couldn't help but ask, "What are you talking about, what sunflower competition, secret realm..."

Darryl didn't want to talk too much, but he was too bored, so he asked curiously.

"To shut up!"

Just as soon as he spoke, Lin Ping scolded angrily: "You still have the face to talk? Do you know that if it weren't for you, Master and I would not be slandered by Tong Shan."

"Also, as a commoner, you don't know anything, so what are you asking?"

Faced with Tong Shan's anger just now, Lin Ping was unhappy at first, but when she saw Darryl asking, she couldn't help it.

Uh....

In the face of Lin Ping's accusations, Darryl was speechless.

The girl is young and has a good temper. I just ask casually, is there something wrong?

"OK OK!"

Seeing this scene, Li Suqiu said softly, "Fengtao doesn't understand anything, just ask, and you shouldn't say that to him."

Seeing Master speak, Lin Ping snorted coldly. She didn't bother to say anything at the time. She turned around and went to the yard to play with the flowers and plants.

call!

Seeing her like this, Li Suqiu shook her head and smiled bitterly, and then apologized to Darryl: “Fengtao, don’t mind, this child Ping’er has an unruly personality.”

“It’s okay.” Darryl smiled.

Li Suqiu nodded, then calmed down and said slowly: “In our Mingyuemen, there is a sunflower secret realm, and the competition for the day after tomorrow will be held in this secret realm...”

In the next few minutes, Li Suqiu explained the situation roughly.

Of course, Li Suqiu didn’t go into great detail, especially when it comes to the core issues of Mingyuemen.

“One Sword”

However, Darryl is an old river and lake. From this simple description, he already understood the general situation, and he couldn’t help but mutter in his heart.

It seems that the secret realm they are talking about is similar to the arrival of the ancient tombs in the Kyushu continent.

With...

Muttering, Darryl suddenly thought of something, and his heart suddenly cheered up.

Thinking that in these secret realms, the spiritual energy is relatively abundant, and the primordial spirit has been destroyed, and it is urgent to find a suitable place to cultivate and recover, and this sunflower secret realm is a good choice.

Of course, this matter must be carried out quietly, and Li Suqiu’s master and apprentice must not know about it, otherwise his identity will be exposed.

“All right!”

After chatting for a while, Li Suqiu gave Darryl two more pills: “You are seriously injured, hurry up and rest, these two pills should be taken once a day.”

Um!

Darryl nodded, smiled and thanked: “Thank you.” After saying that, he returned to his room to rest.

In order not to be suspected by the master and the apprentice, Darryl returned to the room and lay down and pretended to sleep.

Before you know it, night falls.

Lin Ping was busy in the small courtyard for a long time. She was sweating profusely in order to trim the flowers and plants, and she was very tired.

Speaking of which, these flowers and plants were arranged by Li Suqiu. Lin Ping had a flamboyant personality and didn’t like them at all, but the name of the master had to be followed. Every once in a while, these flowers and plants had to be trimmed.

Li Suqiu did this just to cultivate her mood.

“worn out!”

At this time, Li Suqiu was resting, and Lin Ping didn’t dare to speak loudly, and muttered: “Hurry up and take a bath, it will be more comfortable.”

## Chapter 4392

Talking to herself, Lin Ping got a big wooden bucket in the room and started to get water for a bath. She was only halfway busy, and suddenly thought of something, and looked at the next room.

The room where Darryl was resting was only separated from Lin Ping’s room by a wall. There was a lattice window on the wall, and there was nothing blocking the window.

This room was originally a study, and was temporarily used for Darryl’s rest.

“Hey!”

At this time, Lin Ping looked at Darryl through the lattice window and saw that he was lying down and resting, but he couldn't help but shout, “Are you asleep?”

At this time, Lin Ping was very upset.

I don't know what Master thinks. He has to bring this man back and arrange him in the study. The lattice windows are unobstructed. When you wait for a shower, won't he see it all?

call!

At this time, Darryl, who was in the critical period of cultivation, sat up when he heard the call, and smiled at Lin Ping across the lattice window: “Is there something wrong with Miss Lin?”

Lin Ping didn't say a word and walked around directly from the outside.

clap clap!

When she got to the front, Lin Pingyu raised her hand and quickly clicked on Darryl's Qingming point.

The Qingming acupoint is related to the eyes. Lin Ping's purpose is very simple, to seal Darryl's Qingming acupoint and temporarily blind him, so that he doesn't have to worry about being seen.

However, at this time, Lin Ping didn't know that although Darryl's strength was exhausted, he still protected his body with the red lotus. Unfastened, the eyes returned to normal.

call....

At this moment, after Lin Ping clicked Darryl's Qingming point, she reached out and shook it in front of him: “Can you see it?”

Of course Darryl could see it, but he did pretend to be panicked: “Miss Lin, what did you do to me just now? I...why are my eyes dark?”

When he said this, Darryl was very flustered.

To be honest, Darryl didn't want to act in his heart, but he had no choice. If he didn't cooperate with Lin Ping, his identity would be suspected. After all, how could ordinary people unravel the acupoints on their own?

“To shut up!”

Seeing Darryl's appearance, Lin Ping was very satisfied, but she scolded angrily: “I just clicked on your acupuncture point, you can't die, you are honest, I will come to solve your acupuncture point later.”

Darryl nodded and said, “Okay, then hurry up.”

Lin Ping was too lazy to talk nonsense, and was about to leave after answering, but still felt inappropriate, and clicked on the other two acupoints of Darryl, causing him to temporarily lose his hearing.

It's just that she didn't know that Darryl's hearing was not affected at all.

All right!

Lin Ping was kept in the dark and thought he was safe. At that time, he was completely relieved. This person couldn't see or hear it, and he didn't have to worry about it. He could take a good bath.

Thinking to herself, Lin Ping returned to her room, prepared hot water, and began to take a bath.

clap la la...

Soon, the sound of water splashes from Lin Ping's bath kept coming. Darryl sat there, motionless, and could see clearly through the lattice window.

I didn't expect this girl's figure to be quite good.

To be honest, Darryl's concentration is far superior to ordinary people, but the scene in front of him is also difficult to calm down, and his face turns red in a short while.

Time passed by minute by minute.

Finally, Lin Ping finished bathing, put on clean clothes and went to Darryl's room, ready to relieve him.

Um?

However, seeing Darryl's appearance, Lin Ping was stunned.

I saw that at this time, Darryl's face was red and glowing, like a cloud of fire, and his body also seemed to be on fire, and it was too hot.

“you...”

In a daze, Lin Ping frowned and said, “What's wrong with you? Why is your body so hot?” In her subconscious, she didn't think that Darrylhui would solve the acupoints on her own, thinking it was for other reasons.

Uh....

At this moment, Darryl was very embarrassed. It was broken and broken, and he was afraid that he would be exposed.

Muttering in his heart, Darryl turned his head quickly and responded, “I don't know either. Suddenly, my whole body looks like it's on fire. Miss Lin, didn't you say it's alright to click on the acupuncture points?”

Hearing this, Lin Ping was also taken aback.

This Feng Tao was seriously injured, and he sealed his acupoint again...

Chapter 4393

Is it really because of this?

Thinking to herself, Lin Ping hurriedly unblocked Darryl's acupoints. Until this time, she was completely unaware that she had been seen by Darryl.

call!

After unblocking the acupoints, Lin Ping took a deep breath and said fiercely to Darryl: "I warn you, don't tell my master what happened just now, do you understand?"

If the master knew, he would definitely blame himself.

"understand..."

Darryl Xiaoji nodded and said with a smile, "Miss Lin tapped my acupuncture point just now to help me heal, right? Miss Lin has done a good deed, but she doesn't want to let Master know, she is really a good person."

He said this, but Darryl secretly laughed in his heart.

This Lin Ping, blocked my acupuncture points for fear of being punished by Master, it's really interesting.

a fool...

Listening to Darryl's answer, Lin Ping nodded, but she was secretly contemptuous.

Sure enough, he was an ignorant commoner. I gave him acupuncture points just to prevent him from watching me take a bath. He thought I was helping him heal his wounds, but that was fine.

At this time, Lin Ping didn't know that everything she did just now was clearly seen by Darryl. The real clown was herself, not Darryl.

After explaining a few more words, Lin Ping returned to the room to rest.

Darryl also lay down again and continued to practice and recover... It was not until the middle of the night in the cultivation way that he fell asleep. This sleep, Darryl slept soundly.

the next morning.

After breakfast, Li Suqiu checked Darryl's injury and was stunned.

I saw that the wound in Darryl's heart was still bloody yesterday, and after just one night, it began to scab... The speed of self-healing seems to be too fast.

In a daze, Li Suqiu bit her lip lightly: "It's already crusted..."

shit...

Darryl was also stunned for a moment, his heart was a little complicated. He had the Dharma Karma Red Lotus to protect his body, and his self-healing ability was very comparable to others.

Just when Darryl was thinking about how to deal with it, Lin Ping came over, with a delicate face that couldn't hide his pride: "Master, what's so strange about this, you've been giving him our Mingyuemen elixir, and it will be fine. unhappy?"

"Yep.."

Hearing this, Darryl nodded quickly and said with a smile: "It is all thanks to your elixir that I can recover so quickly. Speaking of which, I am really grateful."

Yeah?

Li Suqiu frowned slightly, when did the medicinal herbs of this sect work so well?

Because he was entangled in the sunflower competition, Li Suqiu didn't think much about it, and said slowly to Darryl: "You can't stay in the room all the time because of your injury, you need to do more activities."

“It’s just that our main altar has strict rules. You’d better not rush in other places. You can walk around in the woods behind the courtyard.”

After saying this, Li Suqiu returned to the room to study and practice to prepare for the sunflower competition.

call!

Darryl took a deep breath and was finally able to turn around.

Thinking to himself, Darryl looked at Lin Ping subconsciously.

Lin Ping pouted: “What do you see me doing? I’m not obliged to accompany you for a walk.” After speaking, she turned and left without looking at Darryl.

Lin Ping’s attitude, Darryl did not take it to heart at all, but rather relaxed. It’s just right without Lin Ping to follow, and when I have a chance, I’ll have a good look at the sunflower secret realm.

After making up his mind, Darryl walked out of the courtyard and took a walk in the woods behind.

“Hey!”

Just before taking a few steps, I heard a coquettish shout from behind.

Darryl looked back subconsciously and was stunned for a moment. He saw a woman in a long yellow dress walking quickly with a long sword in her hand. The woman was about twenty-five, with a beautiful appearance, but there was a bit of meanness between her brows.

The woman’s name is Liu Yulei. She is the direct disciple of the second elder. She is arrogant and arrogant, and no one looks down on her. I was practicing swordsmanship on the edge of the woods just now, and when I saw a strange man, I immediately reprimanded.

Soon, Liu Yulei came to the front, looked up and down at Darryl, and said coldly: “Who are you? Dare to break into our Mingyuemen? Are you impatient?”

The words are full of aggressiveness.

Darryl smiled slightly and explained, “The girl misunderstood. My name is Feng Tao. I am a refugee. Because of my injuries, I was brought back by Elder Li to recuperate.”

Chapter 4394

While talking, Darryl couldn’t help but look at Liu Yulei.

I can’t see that there are many beauties in Mingyuemen, but Elder Li, most of them don’t have much self-cultivation.

“What are you looking at?”

Darryl’s gaze made Liu Yulei very displeased, and immediately said coldly, “It’s an ignorant pariah, and there are no rules at all.”

call!

Hearing this, Darryl frowned, but did not attack.

At this moment, Liu Yulei thought of something and chuckled, “I remember, yesterday, Senior Brother Tong Shan said that Li Suqiu brought back a wild man, and it was you.”

Li Suqiu has a pure and good-natured personality, and she is excluded from everywhere at Mingyuemen. Even Liu Yulei does not take her seriously, and she often speaks out her name behind her back.

“girl!”

Seeing her aggressiveness, Darryl couldn’t listen anymore, and said seriously: “Elder Li just kindly saved me, he is a good person, please don’t slander her.”

Darryl's actions have always been 'the grace of dripping water is reciprocated by the spring'. Seeing that Liu Yulei was disrespectful to Li Suqiu at this time, she couldn't help it.

However!

Liu Yulei sneered and said coldly, "What is your relationship, I'm too lazy to care."

As she said that, Liu Yulei's eyes flashed, and she thought of something, and continued: "If you disturb my sword practice, you have to be a wooden man for me." She has learned a new set of swordsmanship, and she is not very proficient, so she plans to use Darryl Practice it.

In her eyes, Darryl was a pariah, and it didn't matter if he was stabbed to death.

What? wooden man?

At this moment, Darryl frowned secretly and said with a smile, "What wooden man? I don't understand what the girl said."

"The wooden man is the target."

Liu Yulei looked arrogant: "In this forest, you can run as you like, as long as you avoid my sword, even if you are lucky, you can only blame your bad luck."

Nima...

Hearing this, Darryl finally understood and was very annoyed.

This woman is too ruthless, I didn't recruit you or provoke you, and she actually wanted to use me as a living target...

Thinking to himself, Darryl was about to say no, but Liu Yulei didn't give him a chance at all. At that time, he clenched his long sword and shouted tenderly, "Look at the sword!"

laugh..

The voice fell, Liu Yulei figured lightly, clenched the long sword, and stabbed directly at Darryl's heart.

At this moment, Darryl was shocked and angry. At that time, he really wanted to show his strength and knocked Liu Yulei unconscious with a palm, but he held back after thinking about it.

Thinking to himself, Darryl endured his anger and shouted in a panicked look: "Young lady, have something to say, it will kill people."

While speaking, Darryl pretended to be embarrassed to retreat, and secretly used his body technique to avoid the sword.

Um?

Liu Yulei stabbed the air with a sword, and was very annoyed at the time.

But Darryl's acting was very similar, she didn't realize that the other party was a hidden powerhouse, she just thought it was because she was not proficient in swordsmanship.

"I don't believe I can't stab you."

The next second, Liu Yulei said coldly, clenched the long sword again, and stabbed towards Darryl.

Darryl shouted, and dodged awkwardly around the surrounding trees.

click click...

For a while, many small trees were cut off by Liu Yulei. When Darryl saw this situation, he immediately took it to heart. While dodging, he moved the cut small trees and quietly deployed a 'Sun Gathering Array' around him.

The so-called Yang Gathering Array is to integrate the power of the extreme sun around it. Come to subtly suppress Liu Yulei, after all, Liu Yulei is a woman and belongs to the yin.

In the blink of an eye, the formation was formed.

buzzing...

At this time, it was near noon, and the scorching sun above the head was in full bloom, and for a while, a lot of extreme sun power quickly gathered into the formation.

“So hot..”

At this time, Liu Yulei had to continue chasing Darryl. She felt the scorching aura coming from her surroundings, her figure suddenly stopped, and her delicate face was also inexplicably frightened.

what happened? Why is it so good, it's getting so hot around?

At this time, Liu Yulei only felt like she was in a big stove, and the scorching air waves swept in from all directions, as if to bake her.

Ha ha!

Seeing her like this, Darryl smiled secretly and stopped.

Don't take other people's lives seriously, I will teach you a lesson today.

Chapter 4395

Thinking to himself, Darryl looked surprised and said to Liu Yulei, “Oh, girl, what's wrong with you? Why are you sweating so much all of a sudden?”

“Is it too tiring to practice swords just now? I'm not telling you, how can you find a living person as a target when you practice swordsmanship?”

When it came time to say this, Darryl looked serious, but secretly smiled.

“you....”

Hearing Darryl’s serious lecture, Liu Yulei was very embarrassed and shouted:  
“You...you shut up...” This man, but a pariah who fled, actually made irresponsible remarks to me. Yes, that’s nasty.

Ha ha!

Facing the scolding, Darryl looked helpless, and sneered secretly in his heart, and said,  
“Okay, okay, I won’t talk anymore.”

Are all trapped by the formation, but also a high-spirited attitude? Well, then you can enjoy it slowly.

Liu Yulei ignored him and secretly urged her energy to resist the surrounding heat wave. However, the power of the formation was not something she could contend against. The more she resisted, the stronger the surrounding heat.

How could this be?

For a time, Liu Yulei almost remembered to cry.

Could it be because the swordsmanship he practiced was not skilled enough, and he forced the use of it just now to change the surrounding environment? That’s not right.... I am only a sixth-grade strength, and I haven’t reached the realm of changing the surrounding environment...

The more Liu Yulei thought about it, the more anxious she became, completely unaware that she was trapped in a formation, and this formation was deployed by the so-called ‘untouchables’ in front of her.

chi chi.....

Finally, the scorching heat around her became stronger and stronger, and she saw that Liu Yulei's long skirt was instantly burned, and her charming curves were exposed without any concealment.

Because of the hot breath around, the skin was completely reddened...

goo...

Seeing this scene, Darryl froze for a moment, couldn't help swallowing secretly, and couldn't help feeling emotional.

Although this woman is bullying and disgusting, I have to say that this figure is really top-notch and can be called the best.

Muttering in his heart, Darryl stared at it without blinking, silently appreciating it.

Swish!

At this time, Liu Yulei was already depressed because her long skirt was burnt down, but when she noticed Darryl's gaze and kept staring at herself, she was so angry at the time, she said coldly, "You untouchable, close your dog's eyes. ..."

Although he is not golden branches and jade leaves, he is also pure and clean, especially under the protection of Master, in the entire Mingyuemen, no one dares to bully him, but at this time, he is looked down upon by this pariah.

This feeling is even more disgusting than eating a fly.

Nima!

Feeling Liu Yulei's contempt and anger, Darryl was also a little angry, and said with a half smile: "You girl, you are really unreasonable, your clothes are on fire yourself, and I didn't order them. How can you curse?"

"I didn't mean to look at it. Besides, I just took a look without losing a piece of meat."

Having said that, Darryl looked up and down at Liu Yulei, and looked even more wanton.

“you wanna die...”

In the face of Darryl’s provocation, Liu Yulei almost exploded with anger. When the attack was activated, a mouthful of blood spurted out.

The pariah looked at me and said nasty things.

What a shame.

At this time, Liu Yulei wanted to slash Darryl with a thousand knives, but was suppressed by the scorching hot air around her.

“oops!”

Seeing her vomiting blood, Darryl couldn’t bear it, and said, “Girl, you are not young, but your temperament is not young. You can’t protect yourself. If you want to kill me, I think you should take care of yourself.”

“you....”

Hearing this, Liu Yulei’s eyes turned black and she almost fainted.

But Darryl wasn’t finished, he picked up a few branches from the ground and threw them in front of Liu Yulei: “Good girl, it’s not good for you to be seen like this, hurry up and cover it with branches.”

When he spoke, Darryl’s eyes were full of teasing.

“Go away, go away.”

Liu Yulei’s face flushed with anger, and she kept scolding: “Wait, sooner or later, I will tear you into pieces, a pariah.” She is a noble disciple of Mingyuemen, how can she cover it with branches...

This pariah is really deceiving.

## Chapter 4396

“Oh?” Darryl said with a stunned look on his face, “I’m kind enough to help you with something to block it. If you don’t appreciate it, forget it, and scold me...”

“Okay, since that’s the case, then you can stay here, I can go.”

When the last word fell, Darryl was about to turn around and leave.

Whoosh!

However, at this time, a figure came quickly from a distance, with a proud face, it was the disciple of the first elder, Tong Shan.

Tong Shan passed by here just now, and when he heard the movement in the woods, he came to check it out of curiosity.

“What happened?”

Soon, Tong Shan entered the woods, his eyes locked on Darryl instantly: “Why are you here?” Because Liu Yulei was trapped in the formation, Tong Shan hadn’t found out yet.

“Of course it’s a walk.” Darryl looked indifferent.

call!

At the same time, Liu Yulei was very nervous. If she was like this, if she was seen by Senior Brother Tong Shan, how would she see others in the future?

Anxious, Liu Yulei wanted to hide, but her body was limp, and she lost the strength to walk.

It was at this time that Tong Shan saw Liu Yulei.

hiss....

In an instant, as soon as Tong Shan's eyes fell on Liu Yulei, the whole person was stunned, and he couldn't help taking a deep breath.

She saw Liu Yulei's body was completely uncovered, her perfect curves were exposed in the air, and her delicate face was full of shame, anger, tension, and despair.

Seeing Tong Shan seeing herself, Liu Yulei closed her eyes and wanted to die.

It's over, now his innocence is completely ruined.

At the same time of despair, Liu Yulei thought of something, and stared at Darryl fiercely, wishing to peel him off. It's all him, all this pariah, if it weren't for him, I wouldn't be so embarrassed.

call!

Tong Shan watched for more than ten seconds before he regained his senses. He took a deep breath at that time and couldn't help but secretly marveled.

Junior Sister Yulei has always been one of the female disciples of Mingyue Sect, a notoriously cold and arrogant beauty. I didn't expect her figure to be so charming. If she could enjoy it once, it would be worth dying.

For a time, Tong Shan's thoughts came to his mind.

Speaking of which, Tong Shan is very lecherous. Most of the female disciples of Mingyuemen have been disturbed by him, but this Liu Yulei is the beloved disciple of the second elder, and the relationship between the second elder and the first elder has always been good, so Tong Shan is right. Liu Yulei has always had a coveted heart, but she did not dare to take action.

But at this time, seeing Liu Yulei so embarrassed, Tong Shan knew that the opportunity was coming.

"Sister..."

At this time, Tong Shan's eyes turned, and he looked very surprised, and said with concern: "You... what is your situation? How did you get it like this?"

While asking hypocritically, Tong Shan couldn't help looking at Liu Yulei.

"Brother..."

Tong Shan's gaze made Liu Yulei feel uncomfortable and a little unhappy in her heart, but when she heard the question, she couldn't help but feel aggrieved: "I just practiced swordsmanship again, and I don't know how it happened..."

Saying that, Liu Yulei picked up the branch in front of her and covered her body.

Practicing swords?

Hearing the answer, Tong Shan was stunned, and his mind was full of question marks.

Can you train yourself like this with swordsmanship? It's the first time I've met him when I've grown up so much.

Ha ha...

At this moment, Darryl scratched his head and smiled at Liu Yulei: "Since your senior brother is here, then I'm leaving, you have to remember in the future, don't be impulsive, and don't take other people's lives seriously. "

Zero Point Reading Network

The last word fell, Darryl quietly removed a branch on the ground, destroyed the formation, and then turned to leave.

Although this Liu Yulei is hateful, the lesson has already been taught, and there is no need to keep her trapped.

However, hearing this, Liu Yulei's heart aroused, how could he let him leave safely? At that time, he shouted at Tong Shan: "Senior brother, help me kill him, this person...he wants to plot against me..."

At the end, Liu Yulei looked at Darryl, full of resentment.

This person saw all of me and wanted to walk away. There is no such easy thing in the world...

Swish!

Hearing this, Tong Shan's eyes instantly locked on Darryl, and he said coldly, "You're not too timid to actually hit my junior sister's attention, go to hell."

Chapter 4397

He was eager to perform in front of Liu Yulei, and naturally he would not miss such a good opportunity.

hum!

The last word fell, Tong Shan's strength exploded, he pulled out his long sword and rose into the air, heading straight for Darryl.

Seeing Tong Shan's move, Liu Yulei's delicate face showed a bit of revenge. Senior brother shot, this pariah will surely die.

This pariah dares to reason with me, he really doesn't know whether to live or die.

"oops!"

Seeing the eruption of Tong Shan, Darryl made a panicked look and shouted, "This is a misunderstanding, I didn't bully her, how can I do it..."

As he said that, Darryl ran away.

To be honest, with Darryl's strength, it was easy to defeat Tong Shan, but in order not to reveal his identity, Darryl held back.

"run?"

Tong Shan was too lazy to talk nonsense, and said coldly, “Boy, you can’t run away today, you insult my junior sister’s innocence, and you must die today.” After the words fell, Tong Shan speeded up and stabbed the back of Darryl with a sword.

This sword is extremely fierce, and if it is an ordinary person, it will be pierced immediately on the spot.

However, Darryl was different from ordinary people. At this time, he couldn’t explode the power of his primordial spirit, but he secretly used his footwork and fell forward to the ground, avoiding the sword.

At the same time, Darryl pretended to be very flustered and kept shouting: “Someone, I’m going to kill...”

Mad!

Tong Shan was very annoyed with a sword stabbing in the air. In his opinion, Darryl accidentally stumbled and avoided the sword just now. He was completely lucky.

After cursing, Tong Shan clenched his long sword and stabbed towards Darryl again.

At the same time, Tong Shan did not forget to shout at Liu Yulei in the woods: “Junior sister, don’t panic, wait until I kill this lecher for you, and come back to save you.”

“Thank you, Senior Brother.” Liu Yulei bit her lip and responded.

Whoosh!

At this moment, a slender figure came quickly from not far away.

It was Li Suqiu.

Darryl walked out of the small courtyard and hadn’t returned for nearly two hours, so Li Suqiu came out to take a look.

At this time, Li Suqiu saw from a distance that Tong Shan was going to kill Darryl with his sword. At that time, his pretty face changed and he scolded, “Stop!”

hum!

As soon as the words fell, Li Suqiu stood up, flew quickly, and slapped the back of the sword with a palm. At that time, Tong Shan only felt a strong force coming, and he couldn't hold it in his hand, and the long sword fell to the ground.

Damn it!

Seeing Li Suqiu appear, Liu Yulei bit her lip tightly, indescribably annoyed.

Seeing that this pariah was about to die under the sword, at a critical moment, Li Suqiu came...

At the same time, Tong Shan's face was also gloomy, and he said coldly to Li Suqiu: "Elder Li, you really can, bring back a shameless scum, and now you want to stand up for him?"

Shameless scum?

Hearing this, Li Suqiu frowned, "What do you mean?"

Saying that, Li Suqiu looked back at Darryl and said softly, "What's the matter? Why did Tong Shan want to kill you?" In her impression, Darryl was just a fleeing commoner, and he spoke and behaved very politely. , what's going on shameless scum?

"Master, what's the situation?"

At this moment, Lin Ping also walked over from a distance.

When she got to the front, Lin Ping saw Tong Shan with a gloomy face, and then looked at Darryl, who was in a state of embarrassment. She guessed that Darryl was in trouble, and immediately blamed: "What's the matter with you? I told you before. , you're still in trouble."

Lin Ping has always had a bad impression of Darryl, so, subconsciously, she thought it was Darryl's fault.

This silly girl!

Facing Lin Ping's accusation, Darryl shook his head secretly, but ignored it at the time.

"Elder Li, you are here."

The next second, Darryl pretended to wipe the sweat from his forehead and complained to Li Suqiu: "I was just walking here, I didn't recruit anyone and didn't mess with anyone, but the female disciple wanted to use me as a wooden figurine target, so I practiced by myself. Something went wrong."

"Then, this person appeared again, saying that I was plotting something wrong, and he was going to kill me.."

"Oh, I'm so wronged."

When he said this, Darryl looked pitiful.

female disciple? Do you want to use him as a wooden target?

Hearing this, Li Suqiu frowned: "That female disciple?" Her attention was all on Darryl and Tong Shan, and she hadn't noticed Liu Yulei in the woods not far away.

Chapter 4398

Darryl did not answer, but raised his chin and pointed to the woods not far away.

Li Suqiu frowned slightly, subconsciously tilted her head and looked at it, she was stunned.

This....

At the same time, Lin Ping was stunned when she saw Liu Yulei in the woods, and then she couldn't help but say, "Isn't this Senior Sister Liu? Why...why are there no clothes?"

When speaking, Lin Ping's tone was very surprised, but there was an inexplicable joy in her heart.

Like Tong Shan, Liu Yulei often bullies Lin Ping on weekdays. Lin Ping's status is humble and she has no chance to fight. Every time she is bullied, she can only endure it. A lot of resentment had already accumulated in my heart.

At this time, seeing Liu Yulei in such a state of embarrassment, Lin Ping felt indescribably happy.

call!

At this moment, Li Suqiu reacted, walked over slowly, and asked Liu Yulei, "Liu Yulei, what's going on? What happened just now? Was it what Feng Tao said?"

When asked, Li Suqiu's beautiful face was full of indifference, without the slightest fluctuation.

She is even Liu Yulei's disposition, relying on herself to be deeply loved by the second elder, she is arrogant, and likes to bully the weak the most. The situation in front of her should be what Darryl said.

But as an elder, Li Suqiu naturally had to ask.

"I..."

At this time, Liu Yulei's face was flushed, and she could not wait to find a hole to crawl in. Facing the question, her face flushed, and she couldn't go on with just one word.

"Liu Yulei!"

Seeing her like this, Li Suqiu felt even more convinced that it was not Darryl's fault, and immediately said coldly: "As a disciple of Mingyue Sect, you disregard the lives of others and use Feng Tao as a wooden target, which has violated the sect rules. As an elder, I should have punished you."

Having said that, Li Suqiu looked at Liu Yulei's appearance and continued: "But you are inconvenient now, so I won't delve into it."

Um!

Hearing this, Liu Yulei nodded reluctantly.

To be honest, Liu Yulei originally wanted to refute a few words, but her appearance was really indecent, so she had to endure it.

Li Suqiu wasn't talking nonsense, she turned her head towards Lin Ping and said, "Get her a dress."

Although this Liu Yulei is very hateful, she is still a disciple of Mingyuemen, so she has been unobstructed and not decent.

"Master!"

Hearing the order, Lin Ping didn't do it immediately, but made a look of embarrassment: "How can I have extra clothes for her? Let her figure out a way by herself."

She was often bullied by Liu Yulei, and Lin Ping hated her deeply. At this time, she wished Liu Yulei was embarrassed, so how could she get her clothes?

Li Suqiu frowned: "Go!"

Seeing Master's serious face, Lin Ping nodded, even though she was reluctant, turned around and went to the courtyard to get a suit and threw it to Liu Yulei.

Liu Yulei put on her clothes and left in a hurry.

Seeing this, Lin Ping couldn't help but pouted: "Who doesn't know how to say thank you?"

"bare hill!"

As soon as the forefoot left, Li Suqiu quietly looked at Tong Shan: "Why did you kill Darryl?"

Tong Shan's face was full of arrogance: "This person is trying to tarnish Junior Sister Liu's innocence, I know, how can I just sit back and ignore it?" When he spoke, Tong Shan was very angry.

Ma De, what a great opportunity just now, after killing this person, you can take the opportunity to get close to Liu Yulei, and maybe you can take advantage of it, but now it has all been destroyed by Li Suqiu's master and apprentice.

"Anti-God Evil God"

call!

Seeing his dissatisfaction, Li Suqiu breathed a sigh of relief and said slowly: "You heard it just now, it was Liu Yulei who made a mistake first, and it has nothing to do with Feng Tao."

When the words fell, Lin Ping couldn't help but said, "That is, don't rely on yourself as a disciple of the Great Elder, and you can mess around."

Ha ha!

In the face of the accusation, Tong Shan laughed instead of anger, and said to Li Suqiu: "You are an elder, what you say is what you say, I will not argue with you."

Speaking, Tong Shan glared at Darryl viciously: "Boy, you are lucky today." After the voice fell, Tong Shan turned around and strode away.

Seeing his attitude, Lin Ping was furious: "It's too hateful."

Li Suqiu didn't care at all, but walked into the woods and looked at the scattered branches, her eyebrows furrowed and thoughtful.

## Chapter 4399

Lin Ping quickly followed and asked curiously, “Master, what are you looking at?”

call!

Li Suqiu let out a light sigh of relief, and said in a complicated tone, “I’m thinking about my teacher, Liu Yulei is just practicing swordsmanship, how could her clothes be on fire?”

Having said that, Li Suqiu looked back at Darryl: “What was the situation at that time?”

Oops!

Seeing her expression, Darryl secretly said that it was not good, but he still replied: “She was here just now, saying that she would use me as a wooden target and keep stabbing me with a sword...”

In the next few minutes, Darryl recounted the scene at that time.

Of course, Darryl didn’t mention anything about the deployment of the formation.

so...

Knowing the situation, Li Suqiu fell into contemplation. Could it be that Liu Yulei’s newly learned swordsmanship was not good enough, which caused him to suffer backlash?

However, to be able to burn her own clothes, she has not yet reached this level.

For a time, Li Suqiu couldn’t figure it out.

Is it...

Afterwards, Li Suqiu looked at Darryl in front of him, and suddenly had a thought. This person is not an ordinary person, but an expert in the arena who hides his identity?

Thinking of Darryl's injury, the speed of self-healing is much faster than ordinary people, and he is even more suspicious.

At this moment, Li Suqiu looked at Darryl: "Fengtao, where are you from?"

Pregnant, really suspected.

Darryl murmured in his heart, and replied very naturally: "Imperial capital."

"In the Imperial City?"

"Yes."

"Any family?"

"Uh... During the war, they were all lost..."

Seeing that Darryl's answer was not leaking, Li Suqiu didn't ask any more questions, but he had already made up his mind to try him in the next time.

.....

On the other side, the mainland of Kyushu.

In the courtyard of the villa in Zhongzhou City, Zhu Bajie accompanied Gonggong and walked in the garden with a stroller.

Time flies, and in the blink of an eye, the child is already a month old.

Just yesterday, Zhu Bajie specially held a full moon wine for his children in a hotel in Zhongzhou City. At that time, many people came to celebrate, and the full moon wine was held very smoothly.

But what worries Zhu Bajie and Gonggong is that the child is only a month old, yet he is very irritable and loses his temper if he doesn't understand.

"It's time to breastfeed."

Arriving at the villa pavilion at this time, Zhu Bajie looked at the time and instructed the maid behind him, "Go and get milk."

"Yes!"

The maid responded and hurried to prepare.

Soon, the maid came back with the bottle, squatted beside the stroller, and carefully fed the child. Perhaps the milk was a little hot, and the child coughed out at once.

"Ah ah ah..."

The next second, the child waved his hands and feet and cried out angrily, and then he opened his mouth and spewed out a cloud of fire. I saw that the flame was purple-red and the temperature was extremely high.

The maid screamed and hurried back to dodge.

Zhu Bajie and Gonggong were also surprised. When the child was born, there was a strange power in his body. At that time, they were very happy and believed that the child was talented, but they never thought that he could still breathe fire now.

Whoa!

In shock, Zhu Bajie pulled Gonggong with one hand and quickly pulled the stroller out of the pavilion with the other.

I saw that half of the pavilion had been burnt down between the lightning and the fire.

This....

Seeing this scene, Zhu Bajie and Gonggong looked at each other, unable to calm down in each other's hearts.

What kind of fire is this, it's terrifying.

After more than ten seconds, Gong Gong reacted, took the child out of the stroller, and gently comforted him. Soon, the child calmed down under the comfort.

Soothing the good boy, Gong Gong frowned and said to Zhu Bajie: “It seems that this boy is really destined to be extraordinary, but it’s not the way to go on like this. He is so irritable, something will happen sooner or later.”

After speaking, Gonggong continued: “You said earlier that you would find a Taoist master for him, have you decided who to find?”

call...

Zhu Bajie took a deep breath, scratched his head and said, “Let me think about it, in the world, the highest level of Daoism is Lu Dongbin of the Holy Sect. Why don’t we take our children to the Holy Sect.”

The child’s personality is so violent, he can only rely on Taoism to cultivate his character.

## **Chapter 4400**

Um!

Hearing this, Gong Gong nodded: “The Holy Sect is indeed the most suitable, but Chunyang Lu Dongbin, whose whereabouts are uncertain and disappearing, is not easy to find him.”

When he said this, Gonggong’s delicate face showed a bit of unbearableness.

The so-called mother-child connection, such a small child is really reluctant to send it to the blessed land, but there is no way.

“Don’t worry about that.”

Feeling the anxiety of Gonggong, Zhu Bajie smiled slightly: “The so-called sincerity is spiritual, let’s go to Shengzong to try our luck, maybe we can meet him.”

“it is good!”

After deliberation, Zhu Bajie and Gonggong simply cleaned up, then took the children and hurried towards the Holy Sect.

.....

On the other side, Tianxin Continent, Mingyuemen.

Early in the morning, Darryl was sleeping soundly when he was woken up by a hurried knock on the door. He heard Lin Ping shouting from outside the door: “Wake up, sleep like a dead pig.”

The words were full of impatience.

Darryl rubbed his eyes, got up to open the door, and saw Lin Ping standing outside, her delicate face a little irritated.

“What’s wrong?” Darryl asked.

“Are you a pig? You don’t wake up after knocking for a long time.” Lin Ping said angrily, “Master and I are going to participate in the sunflower competition, so you just stay in this yard, you know?”

At this time, Lin Ping was very depressed.

I and my master were ostracized at Mingyuemen, and it was impossible for me to protect myself, but I still had to carry this burden. Really annoying.

Oh, today is the sunflower contest.

Hearing this, Darryl suddenly woke up, nodded at Lin Ping and said, “Okay.” He said so, but Darryl was secretly paying attention to something else.

Last night, Darryl quietly went to investigate the location of the entrance to the secret realm, but the secret realm was not opened at that time, and he returned without success.

Darryl thought about it, and after the sunflower competition started, he would find an opportunity to sneak in.

Seeing his obedient agreement, Lin Ping nodded, and then continued to exhort: “Master and I are not here, you better be careful. Yesterday you offended Tong Shan and Liu Yulei. With their personalities, you will definitely get revenge.”

“So, as long as you stay here obediently and don’t walk around, there shouldn’t be any trouble.”

After saying this, Lin Ping turned around and left.

Darryl turned to her back and said, “Thank you Miss Lin for reminding me...” Although this Lin Ping has an unruly personality, she is still kind in her heart. Otherwise, she would not have warned her like this.

After a while, Lin Ping and Li Suqiu left the yard and went to participate in the sunflower competition.

call!

After the two left, Darryl took a deep breath and went back to the room to meditate silently.

Darryl thought about it, recharged his energy first, and waited until the sunflower competition started, and then figured out a way to get in.

.....

At this moment, the front hall square of Mingyuemen.

The sunflower competition is about to start, the nine elders are ready, and all the disciples are gathered here.

Among the crowd, Liu Yulei, who was wearing a long white dress, was particularly eye-catching. Many disciples around her took the initiative to flatter and please. Liu Yulei forced a smile, but there was a lingering melancholy between her brows.

Liu Yulei was embarrassed at the thought of being seen by a pariah yesterday. This incident has become a thorn in her heart.

“Sister...”

At this moment, the crowd parted ways, and then Tong Shan strode over and greeted Liu Yulei with a smile: “Junior sister is so pretty today.”

Speaking, Tong Shan couldn’t help admiring it, and yesterday’s scene also appeared in his mind.

Feeling Tong Shan’s gaze, Liu Yulei’s delicate face turned red all of a sudden. Yesterday, she was not only seen by that pariah, but also by Senior Brother Tong Shan. Seeing it again at this time, I felt a little embarrassed.

Although she felt awkward, Liu Yulei responded, “Hello, senior. Thank you for your praise.”

call!

Tong Shan smiled and admired it for a while, then calmed down and said with a sigh of relief, “Why does my junior sister look so sullen?” After what happened yesterday, Tong Shan knew that the opportunity to approach Liu Yulei had come.

Biquge

Liu Yulei smiled bitterly, not knowing how to answer for a while.

Tong Shan is a smart person. Knowing that Liu Yulei was worried about what happened last night, he leaned closer and said in a low voice, “Is it because of that wind and wave that Junior Sister is unhappy?”
