

CHAPTER 811.

When the front desk looked at the posture of the duo, they couldn't help turning their eyes, their expressions were strange, and they thought of some other things. However, it was still swift to open a room for Yu Qingmei.

After receiving the room card, Yu Qingmei and Chen Fei walked upstairs to the room.

Behind him, the front desk looked at their backs and could not help whispering, "What's the matter with these two people? The woman seems to be wearing a wedding gown, so why did she come out and open the room? Is this to prepare for a final farewell to her ex boyfriend Hey, young people now. "

Chen Fei's sharp ears, hearing these words, suddenly filled with black lines.

Seeing this, Yu Qingmei looked at Chen Fei and said with a smile: "Why, Brother Chen, shy."

Chen Fei said: "No, no. It's just that I was going to eat."

Yu Qingmei frowned lightly and said: "Before eating, I have to take a bath and change my clothes. After all, I don't want to wear this suit

anymore ." Chen Fei understood Yu Qingmei's meaning and nodded: "Well, sister Qing Mei, you take a bath and change your clothes , Let's go to dinner again. "When the

two came to the room, Yu Qingmei rushed into the bathroom and began to take a shower.

In this way, Chen Fei has another task, that is to buy clothes for Yu Qingmei. After all, the two came directly from the Yue family, and Yu Qingmei did not change the clothes at all.

Fortunately, there was a shopping mall not far below the hotel. Chen Fei rushed into the shopping mall, bought a bunch of clothes directly, and brought it back.

As a result, when entering from the lobby, Chen Fei saw Chen Fei again at the front desk, and couldn't help but look surprised, whispering, "Don't the young man just open the room not long afterwards? Why did he come out so soon, is it, Isn't it good? "

Chen Fei listened, a black thread. Suddenly accelerated his pace, rushed into the elevator and came to the upper room.

Came to the door of the room, put the big bag in the hand on the ground, Chen Fei got out the room card and swiped the card to open the door.

Opening the door, Chen Fei stooped and lifted the big bag, ready to enter the house.

At this moment, a figure quickly rushed towards this side, grabbed Chen Fei's arm, and said, "Brother, save me!"

Chen Fei was stunned, and then looked around. Found a 16-year-old girl beside himself look like, messy clothes at the moment, looking panic clutching his arm, his face the color pleading, "Brother, help me, they want to bully me."

Then, on the other side There was a sound of footsteps, and two sturdy brawny men came over.

"Dare to run, come back to Lao Tzu."

"Damn, Lao Tzu hasn't finished paying, so I want to run." During the talk

, the two strong men approached, and they reached out to grab the little girl's arm, ready Drag her back.

Upon seeing this, Chen Fei frowned, put down his bag, stared at the two, and shouted: "Wait a minute!" The

two heard Chen Fei shouted and looked over, then threatened with a loud voice.

"Boy, don't

worry too much." "It's none of your business, just go away!" The

two reached out and pushed Chen Fei away, as well as pulling the girl away.

The girl burst into anxiety and cried with a pleading look, "Brother, they want to force me, you help me, you call the police."

"Damn, dare to talk nonsense, I will kill you!" Hearing the words, a strong man looked furious and flicked his hand at the little girl's face.

Chen Fei froze his head, leaned out his right hand, grabbed the strong man's arm, and said coldly, "Stop!"

"Boy, do you dare to deal with us! Are you looking for death?" The strong man's slap was blocked by Chen Fei, and he couldn't help but look angry and stared at him fiercely.

The other strong man also smashed it with a punch, "Find the dead thing, get away!"

As a result, Chen Fei kicked out and kicked fiercely on the strong man's belly and kicked them directly. Go out and roll out more than ten meters in the corridor, and then it stopped.

"Dare to beat my brother, Lao Tzu--" The strong man who was blocked by Chen Fei's arm kicked him out of it, trying to kick it out.

But would Chen Fei let him succeed, grab the right hand of his arm, and twist gently.

Suddenly, there was a clicking sound, and the brawny man's right arm twisted into a twist, making a cry of pain, and the whole person collapsed to the ground.

"Get off!" Chen Fei stared at the two of them and slammed.

Then, he looked at the little girl with panic and tears in his face, and said softly, "You, come in!"

Chen Fei took the clothes and led the little girl into the room.

In the room, Yu Qingmei had just finished taking a bath, and came out wrapped in bath towels. As a result, Chen Fei walked in with a disheveled little girl, and was shocked. "Brother Chen, you are-are you so lonely and unbearable? This time can't wait."

Chen Fei felt suddenly while stunned, quickly explained: "green Mekong sister, I did not, I just -"

the little girl panicked, quickly waved explains: "sister, Big brother and I'm not just save my brother, I -"

looked at The two panicked, Yu Qingmei laughed and said, "Okay, no need to explain. I just joke with you. I heard some of the movements outside. Someone bullied this little girl!" "

Chen Fei said, suddenly relieved, and then handed the clothes to Yu Qingmei, said: "Sister Qingmei, the clothes were bought back. You change it!"

Yu Qingmei turned her eyes and said: "Brother Chen, you I was so anxious to ask me to wear clothes. Don't you like me without clothes? "

" Cough, this-- "Chen Fei's cheek was hot, glancing at the little girl with her head down next to her, and said quickly," Qing Mei Sister, is there a child next to you? Do n't talk nonsense. "

Yu Qingmei chuckled and said, " Brother Chen, you are also a child in my eyes! Well, I 'm not going to tease you, I 'll change clothes That's it. "

After finishing, Yu Qingmei turned into the bathroom, quickly changed her clothes, and came out.

When Yu Qingmei came out, Chen Fei and the little girl suddenly opened their eyes.

Chen Fei did not expect Yu Qingmei after the bath to be so charming and charming, with a natural and mature woman's charm. Every slight movement seems to tease and touch the man's heartstrings, making people's hearts rise fiery.

And the little girl was dumbfounded at the moment, staring blankly at Yu Qingmei, her eyes motionless.

Seeing this, Yu Qingmei couldn't help but smile, throwing a wink at Chen Fei, and then sitting across from the little girl, she smiled softly and said, "Little sister, how stupid?" The

little girl heard the sound, and then she recovered. Come, with a red face, said: "I, I have never seen my sister you such a beautiful person!"

"Hey, little sister's mouth is very sweet!" Yu Qingmei smiled, then reached out and immediately took a small hook The girl's chin said, "Little sister, you are also a beauty. It must be very charming to dress up. Many men are probably going to lose their minds."

After that, Yu Qingmei gave a special glance to Chen Fei.

CHAPTER 812.

Chen Fei heard, and could not help coughing, and then said: "Sister Qing Mei, don't say this, let's ask what happened just now!"

Yu Qingmei nodded, looking serious, looking softly at the little girl. Asked: "Little sister, can you tell us, what's your name and where are you from? What happened just now, what's going on?" The

little girl couldn't help flashing a panic and fear in her eyes when she mentioned the matter just now. Clothing corner, whispered: "My name is Yang Miaomiao, and he is from Heinigou, Xiwu City, Western Chongqing Province."

This place name, Chen Fei is naturally unclear. However, Yu Qingmei, a native of Yuxi province, knows quickly and said to Chen Fei: "Xiwu City is in the west of Yuxi Province, and it is a small town on the mountain side."

Yang Miaomiao nodded and continued, saying: "After graduating from junior high school, I helped plant at home for two years, but the harvest has been bad. My dad is sick again, and I want to go out to work to make money."

"Later, the older sister Yang in the village said she had a relationship in Yuqing City , Can introduce me to work in a big hotel, I can get 3,000 yuan a month's salary. So, I will come with Sister Yang. "

" Sister Yang introduced me to this hotel, I have been here for most of the month Waiter. Just now, Sister Yang said that the room needed to be cleaned and let me go to service. He also said that the guests there were generous. As long as I had the service in place, they would tip me. "

" I went to the room without much thought . " It was cleaned. But they didn't expect that they would move their feet to me

and also— " Speaking of which, the little girl Yang Miaomiao sobbed, her eyes were red, and she looked very pitiful.

Hearing this, Chen Fei and Yu Qingmei frowned and looked at each other. Without going on, they can guess what is going on.

Sister Yang was clearly a liar. From various remote and poor places, cheat the little girls with little social experience in the name of working to make money, and then let them engage in the skin and meat business in the hotel. They earn headcount and introduction fees.

Thinking of this, Chen Fei and Yu Qingmei's expressions were cold, and there was a flash of anger on their faces.

"Is Sister Yang here? Don't the hotel people care?" Yu Qingmei asked.

Yang Miaomiao sobbing, she said:. "Young Sister on when the foreman at the hotel, she said it was the hotel's rules, I do not do it, can not get wages before, but can not go home,"

heard this, and Chen Fei Yu Qin is even more angry, which is completely forcing prostitutes to prostitutes.

Suddenly, Chen Fei eyes of a cold, Nu Sheng said: "! These people, damn,"

Yu Yang Miaomiao grabbed Mae green, softly comfort:. "Miao Miao, rest assured there are brother and sister, you'll be fine

Yes , we will help you get justice. " " Well, thank you brother and sister! "The girl thanked.

At this moment, there were several bangs at the door of their room. "Open the door, open the door for me!" At

this sound, the girl couldn't help but tremble with fear. .

Chen Fei stood up and walked towards the door.

At this time, the door of the room was opened directly with the sound of "drop". Four people stood at the door and rushed in.

These included the strong man who had just been kicked off, two hotel security guards, and a middle-aged woman in her forties wearing a hotel uniform.

Upon seeing these people, Yang Miaomiao suddenly appeared horrified. "Sister Yang!"

Chen Fei immediately understood that it seemed that this middle-aged woman was the younger sister Yang who lied to Yang Miaomiao.

He glanced at the room card that Sister Yang was holding, and he looked dumb and said coldly: "Is this the way your hotel does things? Take the room card and open the guest room casually?"

The question facing Young Sister, without blinking an eye, pointed Yang Miaomiao, said: "The guests, our staff you will be brought into the room, we are worried about her, naturally want to take a look."

"Worry She? "Chen Fei sneered and asked sharply," Is it because she is following you, do you have to worry about it? Do you think that the actions you have done, no one knows? "

Sister Yang looked dumbfounded, then said:" This Sir, I do n't know what she said to you nonsense. But this is something inside our hotel staff, please do n't interfere. "

" And, you are also suspected of attacking the guests of our hotel, causing serious injury to the guests. At this point, we Guests have the right to ask you to make compensation. "

Then, the strong man stared at Chen Fei, gritted his teeth and said:" Boy, dare to beat you, my brother, I think you are tired of living. Give me immediately Kneeling and apologizing, I can spare you. "

Immediately, Sister Yang waved her hand, and two hotel security officers came in, and Yang Miaomiao was forcibly taken away.

Chen Fei moved one step, stopped two security guards, and said coldly, "No one wants to take Yang Miaomiao with me here today."

"And your hotel, secretly doing these prostitutes for prostitution, I will let you Punished. "Chen Fei Li said.

Sister Yang completely disregarded it. Obviously, she heard more of this threat, even with a smug expression on her chest, and said, "This gentleman, I advise you to take care of your own affairs. Do more business. Otherwise, the consequences are not something you can afford. "

" If you don't say the owner of our hotel, just say that this brother is in front of you, then you can't afford it! "

Brother Biao said at this time: "Boy, I'm called Huang Biao. The piece in Qiantiao Street is Laozi's territory. Laozi has a hundred brothers under him. You don't give Laozi a knock and admit your mistakes. Laozi takes his brothers to destroy you.

Chen Fei was not afraid, and said coldly: "What means do you have, even if it comes out, if I take a step back, I will lose."

"I don't know what to do, do it!" Sister Yang frowned, and the two security guards Suddenly rushed over, to start.

Brother Biao also took the opportunity to rush up and wanted to report the hatred kicked by Chen Fei just now.

However, what he did not expect was that the two burly security guards persisted in Chen Fei's hands for less than five seconds. After two cracks, Chen Fei was knocked to the ground.

So, when Courier Biao rushed to Chen Fei, Chen Fei kicked out again, kicked on Biao's stomach, kicked Biao Fei out again, wailed and fell to the ground, not knowing to hit How many rolls.

In this situation, Sister Yang, who turned her face up, could not help but change her face, showing a look of consternation on her face, and took a few steps back in a hurry. of. "

go! "Chen Fei simply not interested in hearing her noisy, smoke direct slap in the face Young Sister, pits her cheek swelling up, then kick to kick her out.

Then, it was two feet. Chen Fei kicked out two paralyzed security guards on the ground, closed the door, and walked back.

CHAPTER 813.

Chen Fei, who had just turned around and returned to the room, saw the little girl Yang Miaomiao came over with an anxious face, and she said to Chen Fei with a worried face: "Brother, please take your sister away! This is very dangerous."

" That brother Biao is a bastard. If you hit him, brother, he won't give up. "

" And sister Yang, she has a very good relationship with the hotel manager. Now she must call the manager. Brother and sister, you go quickly Come on. "

Chen Fei and Yu Qingmei glanced at Yang Miaomiao with an anxious look. There was a smile on the corner of his mouth. Instead of leaving in panic, he pulled Yang Miaomiao and sat down with a smile.

"Miao Miao, don't worry, we will be fine." Yu Qingmei comforted.

"But—" the little girl was still very worried.

Chen Fei smiled and said: "Miao Miao, don't worry. They know people. I have a relationship in the local area. Don't be afraid."

Then, Chen Fei took out his mobile phone and made a phone call. "Are everything ready?"

"Then take it, I'm in the xx hotel."

Hang up the phone, Chen Fei and Yu Qingmei poured Yang Miaomiao a cup of hot water again, and chatted with him softly, The panicked little girl finally calmed down.

When the little girl finished drinking half a glass of water, Chen Fei suddenly got up and walked towards the door.

Yang Miaomiao was a little strange, and was wondering when Chen Feiqian did it.

Chen Fei opened the door directly and said coldly, "Everyone is here!"

Then, the door opened, and a group of people stood outside the door, glaring towards the room with bad looks.

Among them, the leader was a middle-aged man in his fifties with a big belly. On both sides of the middle-aged man, there was Sister Yang and Brother Biao just seen.

Upon seeing these people, Yang Miaomiao, who had just calmed down, suddenly changed his face, a look of panic appeared in his eyes, "Manager Hu, Sister Yang and Brother Biao. They, they all came, this--"

Yu Qingmei looked cold and glared at those people, then squeezed Yang Miaomiao's hand and comforted him softly.

At this time, Chen Fei looked at them coldly and said, "Speak, what are you going to do?"

Chen Fei's somewhat calm attitude made the manager Hu a little surprised.

But, then, Manager Hu mouth slightly raised, revealing a hint of a smile, then he spoke and said: "Now that this gentleman is so direct, so I do not beat around the bush"

"I Hu Kai, manager of this hotel I came over. , Just want to bring back the staff of our hotel, at the same time, you will settle the accounts with you, how to compensate the guests and employees of our hotel, how to compensate." Hu Kai looked at Chen Feidao with pride.

Chen Fei heard the words, his eyes were cold, and he said, "I want to settle accounts with me? Would you like me to compensate?"

"Yes!" Manager Hu said, and then glanced at the people on both sides. He glanced, "Of course, if Mr. If you want to talk to me, you can talk to them personally." During the talk

, Brother Biao stood up with a big face on his face, staring fiercely at Chen Fei, and said sharply: " Boy, you just started working on me just now. Take a chance, kneel down, give Laozi three knocks, and then compensate one million. For this matter, Laozi will let you go. "

Sister Yang also said at this time: " Also, let Miaomiao come over immediately. also, my injury, also require compensation "

Chen Fei heard two words, mouth raised, revealing a hint of sneer, he said: " you want money? " "

a million, a point not less otherwise, I. Break your leg and strengthen your maiden. I see her protruding forward and backward, but it is much more mature than the little girl. "Biao looked at Yu Qingmei with a lewd smile on her face. meaning.

As soon as this remark came out, Chen Fei's face fell for a moment, and there was a chill in his eyes

, and he said coldly, "Look for something dead!" Immediately, he kicked out.

This foot is very fast and unprepared. So that Brother Biao could not dodge, he could only watch his big feet strike at him.

Moreover, the most important thing is that this kicking part is the key part under Biao's lower abdomen.

When one foot came down, Brother Biao suddenly swelled with redness, and the whole person fell to the ground with a click, screaming, and finally the pain suddenly passed out.

This time, I couldn't help making Sister Yang and Manager Hu startled, my face changed, and I quickly stepped back a few steps, leaving the security guards behind them in front of them.

Chen Fei withdrew his gaze from the dead brother Biao, and then looked at Manager Hu and Sister Yang, and said coldly: "Now, do I have to pay compensation?"

Sister Yang's face sank with a look of horror on her face.

However, Hu Kai, Manager Hu or calm down, looking sank, croon heard of Chen Fei said: "! Young, skill is not bad, quite play thing"

"However, mixed in this society, only brute force but not enough You know, your current behavior is already a serious violation of the law. As long as I call the police and sue you to intentionally injure someone, I will be able to send you into the horn to be shut down for three to five years. "

Sister Yang He added fiercely: "There is also illegal imprisonment and human trafficking. Miao Miao is the best proof for twenty or thirty years."

Chen Fei said, looking cold, staring at the two, saying: "Speaking I thought of illegal imprisonment and human trafficking. You colluded with each other. One cheated the little girl over and provided a place to prostitute for prostitution. This kind of behavior is a serious illegal act. "

"White slavery? Ha ha!" Hu Kai laughed, "Sir, you said this, you had better be responsible for, and our hotel, can not engage in these illegal activities. You are so nonsense, that's false."

Young Sister also look Proudly, he said: "If you don't accept it, let me tell you. Does anyone take care of you?"

Chen Fei's eyes flickered slightly, looking at the duo with fearless looks. I can't imagine how many similar things have happened in this hotel before I met Miaomiao.

Thinking of this, Chen Fei burst into anger and stared at the two fiercely, Shen said: "Enough arrogance. Do you really think that no one can

cure you?" "Govern us?" Sister Yang sneered, Contemptuously, "Boy, you don't want to inquire. What kind of person is our manager Hu in Yuqing City. There are different industries and departments, no one knows what our manager Hu knows."

"Not to mention our hotel behind Boss Huang, who is a master of martial arts at the peak of Huang. Can enter the Yue family and be a big man at the wedding banquet. "

" In front of Manager Hu and Boss Huang, what do you count, and you want to fight us to find something dead! "Sister Yang Full of pride and disdain.

CHAPTER 814.

Manager Hu hands behind their back, a look of proud Italian, said:. "My time is valuable, and you have no time to dawdle, to deliver him immediately, and then lose money otherwise, I let you taste my means."

Speak In the meantime, Manager Hu waved his hand, and a group of security guards approached him, and they had to deal with Chen Fei.

Sister Yang also confuses Yang Miaomiao at this time: "Miao Miao, I gave you the opportunity, what do you hide. You know, after Biao, I will be comfortable with you in the future. You can eat spicy and spicy, not like you in a ravine It 's much stronger! "

" Again, your dead old man lying in a hospital bed, is still waiting for medical expenses! Do you want your dad to die like that? "

Speaking of which, Yang Miaomiao's eyes Can not help dimming, biting thin lips, the expression on his face constantly changing.

Seeing this, Yu Qingmei hugged Yang Miaomiao and said, "Miao Miao, don't listen to her. We will help you with anything you encounter."

"Thank you!" Yang Miaomiao seemed to figure it out What, nodded, and said firmly to Sister Yang, "You are a liar, I won't believe you. And, I have to sue you, let the police arrest you, can't let you deceive others. "

Sister Yang heard it and couldn't help but become angry and scolded," I don't know what to do! "

Then she looked at Manager Hu and said," Mr. Hu, they don't know what to do, they don't need to waste any more words. Just start. "No!"

Hu Kai nodded, then waved his hand, said: "Do it."

Suddenly, a group of security guards rushed into the house, lifted the stick, and smashed Chen Fei fiercely.

Chen Fei's eyes were cold, his fists and feet fluttered, and there was a crackling sound. In less than three minutes, the group of security guards was beaten upright, all of them fell to the ground, howling, and there was no more fighting power.

Then, Chen Fei looked serious towards Hu Kai.

Hu Kai suddenly shivered, his fat body kept going back, and said at the same time: "What do you want to do? I tell you, you dare to move me, our boss Huang will not let you go."

"Yes, Huang The boss came back to the hotel for inspection today. If you dare to take action against us, Boss Huang will definitely do it. "Sister Yang also said.

"Is it?" Chen Fei said lightly. "Then I still have to try it out to see how big the boss is."

Chen Fei waved his fist and banged Manager Hu and Sister Yang come.

As soon as the two saw Chen Fei's hands, they were so frightened that they yelled and fled instinctively. But in a panic, the security guard who was thrown out lying on the ground tripped, slammed on the ground, and a dog came to eat shit.

His legs were soft, and they were panicking. They couldn't stand up anymore, and they even fled on the corridors.

But Chen Fei has already stepped forward, and his face is cold, so he has to deal with them.

At this critical moment, a thick icy voice sounded, "Stop it!"

Hearing the sound, several people turned their heads and looked at it. I saw a thirty-six or seven-year-old man with short hair and a sturdy man stepped over.

The masculinity is strong, the pace is steady, at first glance is the martial arts.

Manager Hu and Sister Yang who were lying on the ground saw the person coming, and suddenly they were happy, and they were crawling towards the man.

"Boss Huang, you are here!"

"Boss Huang, this man is messing up in our hotel, you have to clean up him

quickly ." The two yelled quickly . Boss Huang heard this, glanced at the security guard on the ground, and looked Glancing at the dead brother Biao, then his face sank, stared at Chen Fei, and said, "You did all these."

Chen Fei also looked at the boss Huang at the moment and said coldly: "It's my hand."

Boss Huang heard the words and sneered. Is the bear heart leopard guts? "

Chen Fei didn't change his face, said:" That's their damn, a group of guys who are forced to prostitute for prostitutes, bully and hard, I abolish them, it is for the people to eliminate harm. And, your hotel does this illegal Do n't say you do n't know what to do. "

Upon hearing this, Boss Huang 's face changed slightly and he clearly understood what was going on.

However, even so, he was still angry, and said: "What business does my hotel do, you can't control it."

"You say, how should this matter be resolved?" Boss Huang stared at Chen Fei coldly and said .

Chen Fei looked cold and said: "Listen to you, the hotel's business is yours."

"How is it. You dare not deal with me!" Huang Wei looked proud.

"Yes, then you go to die together!" Chen Fei said with a deep tone, he punched Huang Wei directly.

Huang Wei saw that Chen Fei dared to take action against himself, and suddenly angered and shouted, "Dare to find something, dare to do it with me." During the

speech, Huang Wei slammed and smashed with a punch, with fierce Incomparable momentum.

This situation made Manager Hu and Sister Yang so excited that they sat on the ground and applauded.

"Boss Huang has shot, the kid is done."

"Don't know what to do, dare to fight with our boss Huang, it's just to death."

"That is, our boss Huang is the master of martial arts at the peak of Huang."

Just because they were all proud Yangyang, when he thought boss Huang would win.

"Boom", the two's attacks collided together, a burst of momentum burst, Boss Huang's face changed, the whole person was even knocked out, hit the floor of the corridor, and slid out more than ten M, just stopped, a blood oozed from the corners of the mouth.

At this time, Manager Hu and Sister Yang who were called Zhenghuan were dumbfounded. Like a duck pinched by his neck, his voice stopped abruptly.

Boss Huang wiped the blood from the corner of his mouth and got up from the ground. He stared fiercely at Chen Fei and gritted his teeth. ! shijazi ah " "

now, I tell you, you angered me, I want the real thing! " "

before, I was ready to just teach you something now, I want you to -.! death "

looking grim With a roar, Boss Huang burst into an impetus, and the strength of Huang-level peak all exploded in an instant.

At this time, Chen Fei, indifferent, just looked coldly at boss Huang. There was a chill in his eyes.

"Roar!"

A roaring, angry boss Huang directly rushed over Chen Fei. It seemed fierce to tear him completely.

The offensive has moved, and collisions can occur at any time.

And at this moment, a loud roar came, "Huang Wei, what are you doing, stop me!"

CHAPTER 815.

The sound of Huanghuang sounded like thunder in nine days, thundering down.

This roared loudly, and the violent boss Huang, who was directly shocked, shuddered in his heart, his head was stunned, and he suffocated and stopped at the same place.

Manager Hu and Sister Yang even felt their heads buzzing, feeling dizzy and almost vomiting, and this person felt extremely uncomfortable.

Boss Huang turned

angrily, turned his head, and shouted: "Who is bad about me, get out of me--" However, the angry roar did not completely roar out, and Boss Huang looked at the figure coming over and was stiff directly. When he was there, his face was full of shock, and his tongue felt a little tingling. "Yue, Mr. Yue, you, how are you--"

Manager Hu and Sister Yang also looked at it at the moment, even more intense Shock. Because of the people coming in front of him, it was Yue Qiaoxi, the head of the Yue family.

Such a big person, they can only hear people mention in the discussion. At this time, they saw it with their own eyes, which is unprecedented.

The majestic momentum directly overwhelmed the two people with trembling, lying directly on the ground, and the head should not be lifted.

Boss Huang squeezed his smile, nodded and greeted him, saying: "Mr. Yue, you come to my shop, is there anything? What do you need, I will arrange it for you immediately, I--"

Face Boss Huang The flattering meeting, Yue Qiaoxi didn't pay any attention, but went straight to Chen Fei, bowed respectfully, and then took out a stack of documents, saying: "Mr. Chen, I have brought relevant documents and materials. Please look around! "

" Well! "Chen Fei took over the document and opened it at will. It was the contract for the Yuejia family property transfer.

Chen Fei could not see the complicated clauses and the thick stack of documents. The documents can only be handed over to Yu Qingmei, so that Qing Mei, an authentic business expert, can help herself.

When Yue Qiaoxi moved Chen Fei, he did not dare to have any extra movements, and still maintained a stooped and bowed posture, so he stood still.

Seeing this scene, boss Huang was dumbfounded, his face was shocked and puzzled, and his heart was full of doubts.

"Hey, what's going on? Master Yue, how can you be so respectful to the kid?"

"Who is he, how can he be like this?"

"Did I get any big guys ? This, how is this good!"

Yu Qingmei was still looking at the document. Chen Fei looked at Yue Qiaoxi and said lightly: "Get up, get this matter resolved for me first."

Then, Chen Fei glanced at boss Huang.

"Yes!" Yue Qiaoxi stood up straight, walked in front of Huang Wei coldly, said coldly, "Say, what happened, I will be honestly recruited."

"Mr. Yue, this, this, I—" Huang Wei was horrified in his heart and wanted to make excuses.

But at this time, Yue Qiaoxi looked sharply and shouted: "Huang Wei, don't think about lying to make excuses. In front of Mr. Chen, I dare not have any concealment. If you dare to come, you will find your own way. "On

hearing this, Huang Wei was really shocked. He didn't expect that Yue Qiaoxi was so respectful to Chen Fei."

"This, this—" Huang Wei suddenly thought of something when he was shocked and puzzled. He was shocked in his heart and looked at Yue Qiaoxi and Chen Fei with shock. In his eyes, there was no expression of consternation. .

You know, not long ago, he was also attending the wedding banquet of Yue Qiaoyu among the Yue family.

Later, the wedding banquet changed abruptly, and the Yue family hadtily ended the wedding banquet, and their group of guests naturally left with it.

Such a change naturally made Huang Wei puzzled, and he inquired with others about it, wondering what happened when he arrived.

However, their strength and status are not enough. They just sat in the ordinary seats on the periphery, and did not enter the VIP seats in the center. What I heard was only a few words, not detailed enough at all.

Only vaguely, Huang Wei seems to have heard of it. It was said that on the VIP seat, a guest had a conflict with the Yue family and directly smashed the Yue family's place. In the end, even Yue Qingwu, the eldest son of Yue, took action in person, but he did not overwhelm the other party, letting the other party completely suppress the Yue family, and even forced to give up 80% of the property of the Yue family.

When Huang Wei heard these rumors at the time, he just sneered and didn't take it seriously.

After all, the Yue family is definitely a giant in Yuqing City and the entire Yuxi Province. Yue Qingwu is even a master at the prefecture level. For these yellow-level warriors, it is a heavenly existence.

Such a Yue family is almost invincible in the west of Chongqing.

According to rumors, the other party had only one person and directly defeated Yue Qingwu's grandfather, suppressing the entire Yue family to bow their heads.

Huang Wei didn't believe this rumor.

Now, he looked at the scene in front of him, watching Yue Qiaoxi's respectful attitude towards Chen Feigong, and even glancing at the words "transfer of property" on the document. Then connect the rumors I heard before.

Suddenly, Huang Wei was shocked.

Because, what is said in the rumors, what is incredible is actually true.

The young man in front of him turned out to be a big man who pressed down the Yue family with only one hand.

Thinking of this, Huang Wei felt as if something was broken in his head. With a buzz, countless sounds recalled in his mind, leaving him as a whole astonished.

"Huang Wei, what are you doing stunned, don't you want to tell the truth?" Yue Qiaoxi drank aloud and woke up with a shocked Huang Wei.

Huang Wei dares to hide something at the moment, kneeling on the ground with a click, and thumping his head at Yue Qiaoxi and Chen Fei, "Mr. Yue, this gentleman, I am wrong, I am really wrong, "I shouldn't have it."

Immediately, Huang Wei confessed all the dirty things he had done in his hotel.

Next to him, Manager Hu and Sister Yang were so shocked that they were speechless, and the whole person was stupid.

After listening, Yue Qiaoxi shot it with a palm, banged it, and abolished Huang Wei's arm.

Then, he said in a cold voice: "You close the hotel immediately, and the previous victims will all give compensation. And the people who committed your crimes, get out and surrender yourself."

"If I find that I stole, I Directly killed you. "

" Yes, yes, we must compensate, we must surrender! "Huang Wei couldn't care about the pain of the broken arm, the expression on his face was terrified, and he kept knocking out his head.

As for Manager Hu and Sister Yang, they were completely scared at the moment. They couldn't say anything at all. They lay on the ground and shivered.

After finishing this, Yue Qiaoxi looked at Chen Fei respectfully and asked: "Mr. Chen, how can you do this? Can you see it?"

Chen Fei did not speak, but looked in the direction of Manager Hu and Sister Yang Two Limang, directly discard the two arms.

Then he said lightly: "Yes!"

Yue Qiaoxi saw this and waved his hand quickly, let Huang Wei take his own person and leave quickly.

CHAPTER 816.

After solving the problem, Chen Fei returned to the room, Yu Qingmei walked out with the stack of documents, and said to Chen Fei: "I have looked at it in general, and there is no problem. However, there are too many clauses and many details. I still need Time to look at it slowly. "

Chen Fei waved his hand and then took the document and

said, " No, I will sign it directly. " Then, Chen Fei signed his name on the document, and then handed over one of the documents. Yue Qiaoxi.

For these contract terms, Chen Fei expected that Yue Qiaoxi did not dare to resort to any means. Therefore, I won't take a closer look and just sign it.

After all, even if Yue Qiaoxi really got fooled by the terms of the contract, Chen Fei was just a sword-cutting thing by then. For masters of this level of Chen Fei, for many periods, it has been less complicated, and it is simply crushed with strength.

Yue Qiaoxi, who received the document, nodded and stood at the door at this time and did not leave for the first time.

Seeing this, Chen Fei could not help but frown lightly, and said, "Why, is there something else?"

Yue Qiaoxi looked respectfully and nodded, "Mr. Chen, there is one more thing. I don't know if I should let you I know. "

" What's the matter, say it! "Chen Fei said lightly.

Yue Qiao said: "After Mr. Chen left, our Yue family started to clean up. But when we cleaned up, we found that my brother's body was gone."

"What, Yue Qiaoyu's body was gone!" I couldn't help being surprised.

However, there was still some doubt on his face. After all, Yue Qiaoyu's body disappeared or not, and had nothing to do with himself.

At this moment, Yue Qiaoxi found a small finger-length object and handed it to Chen Fei, "We found this where Yue Qiaoyu's body disappeared."

Chen Fei heard the words and looked closely, and found that Yue Qiaoxi was holding a small domino. This domino is almost exactly the same as the domino of the Skull and Bones Club that Chen Fei has seen before. It has also been used by Yue Qiaoyu above the Budo Assembly in the five provinces.

After Yue Qiaoyu was defeated by Chen Fei at the time, he confessed the whole thing. Saying that he encountered a casual Taoist, Yue Qiaoyu grabbed people to experiment with the other party in order to improve his strength, and thus got the domino from the other party.

As a result, after Yue Qiaoyu died, the body was gone, and the domino appeared again. It's just that this domino is incomplete and has broken apart.

Such a situation has to remind Chen Fei of the Skull and Bones Society.

For a time, Chen Fei's expression became serious, and he said to Yue Qiao: "You, send someone to investigate this matter immediately. The focus can be on some remote forests. The other party's characteristics include this domino and a skull mask. Investigation When the news arrived, notify me immediately. "

" Yes! "Although Yue Qiaoxi didn't understand why Chen Fei was so serious, he nodded and agreed immediately." I immediately mobilized all the forces of Yue's family and outsiders and began to investigate this matter. " "

Well, you go!" Chen Fei waved and let Yue Qiaoxi leave.

Subsequently, Chen

Fei

returned to the room, Yu Qingmei asked with concern: "It doesn't matter?" Chen Fei shook his head and said: "It's okay, sister Qing Mei, don't worry." Immediately, the two looked at the little girl Yang Miaomiao.

Yang Miaomiao didn't dare to look at Chen Fei at this time, his eyes flickered constantly. After all, in her eyes, Sister Yang and Manager Hu, who were already big figures, were totally unworthy of mention in front of Chen Fei.

Chen Fei's identity is almost beyond her imagination. Therefore, at this moment, she does not know how to face Chen Fei.

Seeing this, Chen Fei gently smiled: "Miao Miao, don't be afraid, just treat me like before."

"Don't be afraid of him. His name is Chen Fei. If you want, you can call him Brother Chen." Yu Qingmei also said.

Yang Miaomiao looked at Chen Fei timidly and called out, "Brother Chen."

Then Yu Qingmei asked, "Miao Miao, what are you going to do now? Continue to work or something else? If you work, I can help you find a job. "

Yang Miaomiao said, thankful, said: "Sister, thank you. However, I worry about my dad's illness, I, I want to go home to see him. "

" Well , That's fine. "Yu Qingmei nodded, and immediately took out a stack of banknotes and gave it to Yang Miaomiao." You take this money and go home to see your dad. "

Yang Miaomiao looked at the thick stack of red Cancan's banknotes suddenly waved his hand and said, "No, no. Sister, you have helped me so much, I can't ask for your money anymore."

Yu Qingmei still has to give money, Yang Miaomiao insists on refusing.

The two pulled, but it made Chen Fei look down, and said: "Okay, Sister Qing Mei, don't pull anymore. Money, you should still withdraw it!"

"But, Miaomiao's father--" Yu Qingmei was a little worried.

Chen Fei smiled and said, "Relax, this matter, I will solve it."

Then, Chen Fei leaned in front of Yang Miaomiao, squatted down, and carefully asked about some of the symptoms of Yang Miaomiao's father.

After listening to the description, Chen Fei had roughly counted, so he said to Yang Miao and Miao: "Miao Miao, I am a Chinese medicine doctor. I understand the condition of your father. I will give you a medicine. This time tomorrow , Or come to this hotel, I will give you the medicine. You can take the medicine and go back, is it okay? "

" Yes! Thank you, Brother Chen, thank you sister! "Yang Miaomiao nodded quickly, thanking constantly.

Immediately, both parties left their mobile phone numbers, and Yang Miaomiao again thanked her for leaving the room.

Sending Yang Miaomiao, Yu Qingmei couldn't help but feel a little strange, and asked Chen Fei: "Brother Chen, why don't you prescribe Miao Miao directly and let her take the medicine yourself! You have to ask you to dispense the medicine yourself. You see that the little girl is beautiful, so she is worried about it? "

Chen Fei immediately called out:" Sister Qing Mei, you are wronging me. Do you think I am the one who sees a woman and can't move? " Are you a man with legs? "

" Yes! "Yu Qingmei nodded firmly." As far as I know, Brother Chen, you are in Longjiang City, there are several confidantes. It seems that there is a beautiful boss Lin Qiuhan, Beauty secretary Wei Ling, beauty star Huo Dongwei, etc. "

Chen Fei suddenly covered the black line, and quickly waved his hand:" Sister Qing Mei, me, me and them-- "

" Okay, okay, don't tease you. Who let Are you so attractive? It's normal for so many women to like you. "Yu Qingmei looks with emotion.

Chen Fei explained at this time: "I decided to dispense my own medicine, and then let Miaomiao take the medicine. That is because there is a precious mysterious medicinal material in this prescription. Not to mention whether she has money to buy it, even if she wants to buy I'm afraid I won't

be able to buy it. " " So, this medicine can only be handed over to me after I have made it! "

Yu Qingmei nodded and said," So, this explanation is good, I I believe it. "

CHAPTER 817.

"Sister Qing Mei, you are also hungry, let's go down to dinner!" Chen Fei opened the topic.

Yu Qingmei heard the words and immediately smiled at Chen Fei charmingly, "Why, brother Chen, don't you want to stay alone with me in the room?"

"This, this, of course I--" Chen Fei was speechless for a while. , Can only cope with dry cough.

"Okay, don't tease you anymore. I changed my clothes and then went downstairs to eat." Yu Qingmei Jiao smiled, and then brought the clothes Chen Fei bought into the bathroom.

The bathroom is the kind of translucent frosted glass, the light inside is lit, although the scene inside cannot be seen from the outside. But you can see the graceful posture and undressing.

The beauty under this dimness gives people a different sense of seduction. It made Chen Fei feel a little hot in his nose, and his heart seemed to jump faster.

After a few minutes, Yu Qingmei changed clothes and walked out.

Chen Fei quickly turned around as a guilty conscience, and at the same time explained: "Sister Qing Mei, I didn't peek."

Yu Qingmei suddenly heard a chuckle and said, "Brother Chen, I didn't say you peek. Now, what are you doing so nervously, did you really peek just now? "

" No, no! "Chen Fei quickly waved his hand, picked up a glass of water, and covered up his panic drink.

Yu Qingmei Jiao said with a smile: "Okay, I'm kidding you. If you really want to see it, tell your sister directly, I'll show it to you in person, why don't you sneak around.

" Chen Fei heard that he was almost choked to death by a sip of water.

Seeing this, Yu Qingmei smiled even more charmingly, and he said, while tidying his hair: "Brother Chen, if you know it from outsiders. Just domineering, just overwhelming Chen Fei Chen master of the Yue family, it was such a private Shy little boy, what do you think? "

"I'm not a little boy!" Chen Feidao said.

"Is it, not a little boy. Is it-big-boy?" Yu Qingmei turned her eyes and licked her red lips, tempting very loudly.

Chen Fei felt that if he continued like this, he was afraid that he would be unable to control it. Quickly stepped out of the room and said: "Sister Qing Mei, you have changed your clothes, let's go downstairs to eat!"

Yu Qingmei saw that, giggling, and came out to hug Chen Fei's arm, said: "Go, eat Go. "The

two went downstairs to the hotel restaurant, ordered a few dishes, and added a bottle of red wine, and slowly ate it.

After eating for several hours, when the two had finished their meal, it was almost evening.

Chen Fei and Yu Qingmei walked out of the hotel side by side and asked, "Sister Qing Mei, where do you want to go next?"

Yu Qingmei smiled and said, "Otherwise, let's go to the movies. Since I took over After the business of Ome Jewelry

, I have n't been to a movie theater for a long time to watch a movie. " " Okay, I'll check to see where there is a movie theater nearby! "Chen Fei touched his mobile phone and began to inquire.

"Sister Qing Mei, I found it, right in front, not far away." And when Chen Fei just found the location and was about to speak with Yu Qingmei, a ringing of the phone rang.

Yu Qingmei looked down and found that it was his mobile phone. Then he touched the phone and looked at the number, and immediately connected the phone. He said, "Mom!"

What was said on the phone, Yu Qing, who was originally smiling Mae, his face suddenly changed, and his expression sank immediately, "Mom, what are you talking about?"

"How come they came? My heart has been decided, and it won't change. And, don't they know what's going on here?" ? " "

I know, yes, I go back to that, do not cry. "

After finishing speaking, Yu Qingmei hung up the phone and apologized to Chen Fei: "Chen Fei, I'm sorry, the movie can't be watched, I'm going back to the villa."

Chen Fei immediately got up and said, "Qing Mei Sister, what happened? "

Yu Qingmei said:" My mother called and said that my grandpa, uncle and my dad came over and asked me to go back to the villa and explain to them the matter of regretful marriage. "

After hearing this, Chen Fei frowned. Immediately thought, it should be Yu Jianan's side heard the news of regretful marriage, so he hurried over and wanted to question Yu Qingmei.

It's just, don't they know that the Yue family has lost in their own hands? In this case, are they willing to marry the Yue family?

Confused, and with worries at the same time, Chen Fei followed Yu Qingmei's footsteps and said, "Sister Qing Mei, I will go back with you."

"Well!" Yu Qingmei nodded, and the two went out together and stopped A taxi drove towards the Yujia villa.

In the taxi, Yu Qingmei introduced the situation of his family.

Yu Qingmei's grandfather Yu Cangshan, who originally founded the Yu family's business empire, took the Yu family from a small workshop to the point where it is today. It can be said that it is the backbone of the Yu family and an absolute authority.

This absolute authority represents Lao Yu's might and strength. But it also brought a certain negative impact, that is, in the Yu family, almost no one dared to fight against the old man, even dare not say a word in front of the old man.

Therefore, the old man could not listen to the suggestions of others. This is not a problem before.

But in this society where business is rapidly developing and transforming, Yu Lao's strong parental style seems stubborn and rigid.

Many business problems of Yu's family are also due to old man's stubborn opinion, which led to insufficient strain, and finally gradually began to go downhill.

It is the Qingmei jewelry that Yu Qingmei took over himself. Because the headquarters is located in Beijing, far from the Yu family, it is less affected by the old man, but it has developed well.

It can be said that the grandfather is at Yu's house, that is to say that there is absolutely nothing, whether right or wrong.

Yu Qingmei's uncle Yu Baiyun is now the owner of the Yu family and takes care of many of the business of the Yu family.

As for Yu Qingmei 's own father, Yu Baihai, as a son, coupled with a weak personality, he dare not argue with his father and brother, so his sense of presence in the family is weak and his status is not high.

The hotel is not far from the villa. Soon, the two arrived at the door of the villa.

Chen Fei and Yu Qingmei got off and walked towards the villa.

At the door of the villa, Yu Rongmei 's mother, Ren Rong, with anxious face, saw the two return and hurried up, "Qingmei, you are back."

"Mr. Chen, you, you are also here." Ever since At the wedding banquet, I saw Chen Fei's power. Ren Rong faced Chen Fei at this time, and I was a little bit unsure what to do.

Chen Fei nodded and offered a gentle smile. He said, "Auntie, how are you!"

Yu Qingmei held her mother's arm and hurriedly said, "Mom, what's going on? Grandpa, they came over, what is it? Meaning? "

CHAPTER 818.

Ren Rong whispered quickly: "Yesterday evening, your second aunt called and contacted you at home. I talked about things here, and specifically mentioned Chen Fei taking you out."

Speaking of which Ren Ren couldn't help but glance at Chen Fei.

Chen Fei and Yu Qingmei immediately changed their faces, and roughly guessed what was going on.

Sure enough, Ren Rong immediately said: "Your grandfather, after they heard about it, they worried that you would regret your marriage and anger the Yue family. So, early this morning, they went out collectively and rushed over to Yuqing City. Now, they just Arrived, I was waiting for you in the villa. "

Yu Qingmei immediately frowned as soon as she heard this, " They still do. They heard the regret of marriage and thought of how to anger the Yue family, but they did n't even consider me. Feeling. "

" This, your grandfather he-- "Ren Rong didn't know what to say at this time. After all, Yu Qingmei said the truth.

Yu Qing Mei see the mother's appearance, could not help a soft heart, and said: ". "? Mom, I just do not blame you mean, they come, do not know what happened at noon in loyalty to you"

any flash Rong looking toward Chen Fei glanced at him with a strange look, and then said: "Qing Mei, you know your grandfather's character. Without his permission, others dare to speak in front of him. Plus he just came, I don't know here Situation.

So— " Needless to say, Yu Qingmei knows roughly what the situation is.

Just as she was going to ask in detail, a frivolous voice came from the door and whistled, "Sister Qing Mei, since she is back, what is she doing at the door, come in and talk. Grandpa waits Here! "

Yu Qingmei and Chen Fei both looked up at the sound. I saw a man in his thirties standing in the direction of the door. It seemed that he was not too young, but the man had long hair covering his eyebrows, his hands were in his trouser pockets, and he looked as if he was a child.

"Yu Qingshan, I don't need you to take care of my affairs." Yu Qingmei glanced at each other and then walked side by side with Chen Fei towards the villa.

Yu Qingshan's eyes at this moment also looked over, fell on Chen Fei, looked around, and then whistled: "Sister Qing Mei, he is the little white face named Chen Fei that made you regret your marriage? I see Is n't that good? For such a guy, regretting the marriage and

angering the Yue family, and letting my grandfather and my dad come in person, do you think it's a good deal? "

" I said, my thing, you Yu Qingshan is not qualified to manage. "Said At the end, Yu Qingmei snorted and ignored Yu Qingshan, and walked into the villa courtyard side by side with Chen Fei.

Behind him, Yu Qingshan looked at the two, his face showed a bit of hatred, and he gritted his teeth, whispering: "Yu Qingmei, don't be arrogant. This time you have caused a big disaster, even tearing your face and regretting the Yue family, grandpa is absolutely not I will be satisfied. "

" After this time, it will be no use for you to do well in Yu Qingmei's commercial business. Yu's industry will definitely be mine in the future. "

Thinking of this, Yu Qingshan's mouth showed a smile, his hands. Inserted in his pocket, he walked into the room.

At this time, Yu Qingmei walked side by side with Chen Fei and introduced to him: "Just now Yu Qingshan was the only son of my uncle Yu Baiyun, and he was also the youngest of our Yu family."

"Although he is not young , but he grew up ignorant and incompetent, grow up, but eat, drink, do not have that ability, so many family businesses, they all fell into the hands of other peers. " "

One, I'm in charge of Ome jewelry The company did the best job, which caused his enmity and worried that I would take away the position of the successor of his family. Therefore, he always likes to find fault for me and gloat in front of me. "

Chen Fei heard it with a sigh , Said: "It seems that no matter what the giants are, this kind of dudes who are uneducated and inexperienced are indispensable!"

"If he Yu Qingshan feels at ease as a playboy, my Yu family can also make him worry-free for a lifetime. But he is not greedy enough to fight for power. If the Yu family is really handed over to us, our Yu family will definitely be finished in the future. "

Chen Fei heard this, seriously said:"! green Mae sister, if you want, I can help you in charge of the Yu family, "

Yu Qing Mei heard this, silent child, said:" Well, these things, or talk about it later. Let's talk about the matter before our eyes first. "

" Well! "Chen Fei nodded and several people walked into the villa.

As soon as he walked into the hall of the villa, Chen Fei at a glance saw a serious looking grey-haired old man sitting in the main seat.

The old man looks like he is in his 70s. Although a crutch is placed next to the seat, the rocker is straight, and his face is serious. Without a word, he can feel his stubbornness and strength with just a glance.

There is no doubt that this is Yu Qingmei's grandfather, Yu's grandfather Yu Cangshan.

On both sides of Yu Lao, sitting on the left is a suit and leather shoes, dressed in a bright middle-aged man, Yu Qingshan sitting next to this man.

Naturally, this is the current head of the Yu family, Yu Qingmei's uncle Yu Baiyun.

In the position on the right hand side of Old Lao Yu, a middle-aged man with glasses and fat body was sitting.

The man's face was somewhat similar to Yu Cangshan's, but he sagged his eyelids and bent slightly. It is completely different from Yu Cangshan's strong style, and it is very gentle, even weak.

No need to guess, this is Yu Qinghai's father Yu Baihai.

The seats in the hall are all men of the Yu family. The two daughter-in-laws like Kang Bihua and Ren Rong, as well as the younger daughter Yu Qin and the younger women such as Yu Qingzhi, are all squeezed into a small hall on the side of the hall.

Across the curtain, listening to inquire about the situation.

At first glance, Chen Fei frowned.

What time is it, this old man Yu also engages in this set of rules of respecting men and women. Do not allow women to participate in family matters.

Before speaking, this incident alone made Chen Fei's perception of Grandpa Yu very bad.

At this moment, as Yu Qingmei and Chen Fei walked in together, the eyes of everyone in the hall fell on them all at once.

The old man, Yu Cangshan, looked serious and stern.

Yu Baiyun and Yu Qingshan, the elders of the two people, all have a smile on their faces at the moment, looking towards Yu Qingmei and Yu Baihai.

Yu Baihai glanced at the old man quickly, then squeezed out a smile, and said as gently as possible: "Qing Mei, you are back. Please don't hurry to grandpa."

Yu Qingmei arched his hand, just about to give Yu Cangshan Salute greetings.

But she just action when a beat Yu Cangshan armrest, Nu Sheng shouted: "! You dare to come back, give me kneel"

CHAPTER 819.

This loud drink suddenly made Yu Qingmei stiff, and the expression on his face changed suddenly.

She took a breath, straightened himself, with a calm voice as much as possible looking at the main seat of Yu Cangshan, opening: "? Grandpa, what did I do wrong, you want me to kneel down."

His words, Yu Cangshan's face was even more serious, and he shouted angrily: "Don't you know what's wrong now?"

Yu Qingmei said with a stubborn face, "I didn't think I did anything wrong, grandpa, don't use your thoughts

Let's judge— " With Yu Qingmei's words, the old man in the main seat looks more and more gloomy.

Yu Baihai hurriedly said to Yu Qingmei: "Qingmei, don't talk back to grandpa. If you have anything to say, please say it well."

However, Yu Baiyun across the road snorted and said: "Second brother, Qing Let Mae tell her what she thinks. What are you doing, do n't you worry about what Qing Mae said should n't be said? "

" Brother, I do n't mean that. "Yu Baihai looked suffocated and flashed on his face. A touch of displeasure, but after all, his temperament was soft and he dared not be angry with his elder brother.

Yu Baiyun heard that, leaning on the back of the chair, her fingers gently squeezed on the armrests, and then said: "If it doesn't mean that, then let Qing Mei talk. Just, we also want to hear, Qing Mei she What's the reason for doing such a big

deal ? " Yu Baihai heard the words, her expression changed, and she couldn't help it. She wanted to explain a few words to her daughter.

But at this time, the old man Yu Cangshan said, "Let her continue!"

Suddenly, everyone was quiet, and Yu Baiyun and Yu Qingshan had a smug look on their faces. Yu Baihai was worried.

Yu Qingmei, how can't see the situation at the moment, looking serious, looking at Yu Cangshan seriously: "Since Grandpa asked me to say it, then I won't turn around. Grandpa and Uncle, you hurried today, it's just that It's the marriage between Yue Qiaoyu and me. "

" For this matter, I have to say that I did nothing wrong. "Yu Qingmei's words sounded loudly .

But Yu Cangshan was furious and shouted, "Did you do anything wrong? You still dare to say this kind of things."

"Why don't I dare!" See it.

Yu Cangshan was really angry at the moment, shouting: "Do you know, what a bad influence you will have if you regret your marriage!"

"My Yu family was already under pressure from the Jing family in Beijing, so it was difficult to find a relationship with the Yue family. Marriage, to solve the pressure of the Zhong family. But you, but regretted the marriage with the Yue family. This made all our previous efforts in vain. "Yu Cangshan said angrily.

Hearing this, Chen Fei couldn't bear it anymore, and sneered directly, and said directly: "Your contribution? It's ridiculous, what did you pay for? The family business is oppressed. Instead of thinking about how to solve the problem, you will instead The granddaughter rolled out to ask for help. "

" What other face do you have to sit in this position? What other face do you have for Sister Qing Mei to apologize and admit that she is wrong? "Chen Fei stared at Yu Cangshan fiercely and screamed directly.

As soon as this remark came out, the expression on the scene suddenly changed. Yu Baiyun and Yu Qingshan quickly got up and drunk.

"Shut up!"

"

Non-talking things, get out!" Yu Baihai was also nervous

at the moment, and said, "Qing Mei, you are about to tell him not to say, this--" At this time, Yu Cangshan directly Standing up, staring at Chen Fei fiercely, said sharply: "Who are you? This is my Yu family's business, what does it have to do with you. Get out!"

Chen Fei was unimpressed and said in a

deep voice : "I am Sister Qing Mei's friend. Sister Qing Mei's business is my business." "Friend?" Yu Cangshan snorted and said, "My people are not allowed. There are friends like you. "

Yu Baiyun and Yu Qingshan father and son, at this time also quickly screamed and drank.

"You are what Chen Fei in Longjiang City, I have heard of you. The last thing was that you were messed up."

"It's just a reckless husband, what are you qualified to talk about friends in my Yu's house." "

Li Chou, Yu Cangshan waved his hands, Shen Chou shouted:" Come here, kick him out for me! "

Suddenly, there was a clattering movement. When someone came out, he would have to deal with Chen Fei.

Yu Qingmei hurriedly shouted: "Grandpa, Chen Fei is not what you think? This time during the Yue family, Chen Fei has been resolved, you don't--"

But, wait for Yu Qingmei to explain.

Yu Qingshan snorted and interrupted Yu Qingmei's words, saying: "Sister Qingmei, these nonsense, who are you

cheating ? You can solve the Yue family's affairs? What is he!" Yu Baiyun At this time, also spoke, this time for his younger brother Yu Baihai said:. "white sea, green Mekong commercial capabilities is the ability to distinguish good but, lest some less ah you go, can get a good teachings taught.."

Yu The white sea sank and wanted to say something, but didn't know what to say.

But at this time, the person called by Yu Cangshan had already surrounded Chen Fei, so he had to start.

Seeing this, Yu Qingmei was even more anxious and shouted to Yu Cangshan: "Grandpa, Chen Fei is a master of martial arts. If you do it, you will regret it—"

But now Yu Cangshan obviously can't listen to Yu Qingmei's words, sneered, and glared at Chen Fei: "My Yu family's affairs don't need outsiders to intervene. Get out right away, otherwise, don't blame me for being rude. "

Yu Qingmei still wanted to say something, but Yu Cangshan shouted sharply and said," You shut up. You will not be allowed to interfere in the family's future business. Wait, you follow us and go to the Yue family to apologize for the mistake. Begging for the Yue family's Forgive. "

Yu Baiyun heard a smile, a smile on her lips, said:" I support my father's decision. The woman shouldn't have been involved in business. After this time, let Qing Mei learn the virtues of women! "

Yu Qingshan He was even more excited and said, "That is, a woman should stay at home to serve her husband. At that time, the business at home should not be given to her, otherwise it would not cause such a thing."

Yu Cangshan waved at this time : "Let's do it!"

Listening to these words, Yu Qingmei couldn't help feeling sad.

At this time, Chen Fei just felt sick.

He frowned, glanced at Yu Cangshan and others, and said in a cold voice: "A group of feudal and stubborn old guards, for the sake of benefit, actually did something like a pig or a dog."

Chen Fei looked at Yu Qing Mei said, "Sister Qing Mei, this family of Yu is no longer good enough for you."

Yu Qingmei looked sad, and finally nodded, showing a decisive look in her eyes.

Chen Fei saw this, his face narrowed, and he said in a deep voice: "Since that is the case, then be sure to die!"

CHAPTER 820.

As soon as the words fell, Chen Fei's body was shocked. A majestic breath rose into the sky, and a strong wind was lifted directly in the hall. The impact was shocked to Yu Cangshan and others, and his face flashed with amazement.

However, the stunnedness on their faces immediately turned into anger.

Yu Qingshan sternly shouted: "Boy, you are so arrogant! What a ridiculous ridiculous boy, Yu

Qingmei is not worthy of our Yu's family to say anything." Yu Baiyun sneered coldly.

Yu Cangshan even frowned, waved his hand and said in a deep voice: "The arrogant, damn it!"

Suddenly, the security guards around Chen Fei started to move.

The atmosphere circulated one by one, and the momentum was good, and he came to Chen Fei for a siege.

Although the Yu family is not a family of martial arts, the business of the Yu family is so large after all, and there is still money. With the money, it is natural to be able to invite the warriors who sold their lives for them.

These warriors are a group of personal bodyguards who specifically protect the old man. All strengths are good, and the realm is in the early stage of the Xuan level.

Several masters from the early stage of Xuan-level teamed up to attack. That kind of momentum has to be said that the momentum is quite huge. Yu Cangshan has a smile on his mouth and a confident look.

"Let the kid be arrogant, now we must know that our Yu's family is so powerful?"

"And Qing Mei, after this incident, you have to be disciplined, and you can no longer let her and those who are inconsistent. Come and go. "

Just as they talked in triumph, a crackling sound rang, followed by a scream.

Yu Cangshan heard the words and looked at them immediately, suddenly showing a look of consternation and frowning.

Because, the bodyguards of the Xuan-level masters who besieged Chen Fei, at the moment, all of them were thrown out by Chen Fei, fell to the ground, covering the wound, howling, and completely lost their fighting power.

At the moment, Chen Fei, who stood in the center, looked cold and completely unharmed.

Such a situation can't help but make people stunned.

"How could this be the bodyguards, but Hyun-level master, this -? "

?" Is that kid attack is not "

"? Qing Mei said he was martial arts master, is his martial strength, really good is not "

consternation In the middle, Chen Fei glanced over. Suddenly, the affection of Yu Baiyun and Yu Qingshan flickered, looking a little frightened. After all, they are guys with no help, and if Chen Fei really shoots them, they have absolutely no room for resistance.

Yu Cangshan on the main seat also showed a look of surprise on his face. However, immediately his expression sank, looking at Chen Fei and Yu Qingmei who were walking towards him, and said, "What do you want to do, are you going to kill me, the old man?"

"Kill you, it's dirty my hands!" "Chen Fei cold voice disdain, watching Yu Cangshan, said," I just said, and now the Yu family, has been good enough for a sister Mae green. green Mae sister, also from the Yu family and live with each other. "

Yu Cangshan face muscle flick, with anger and said: "???. you want to live with each other is not a threat to me from my unknown nationality nationality Yu home to giant Yuxi business, which step is not the reign of terror came to be." "now,

a woman, and I am Yu Cangshan doesn't care. "

" Since it has already done so, let me get out of the Yu family! "Yu Cangshan yelled at Yu Qingmei.

Yu Baihai heard the words and couldn't help but change her face. She quickly said: "Dad, don't! Qing Mei, she's just a short talk, don't take it seriously!"

Yu Baiyun sneered at this moment: "Second brother, what Qing Mei just said, it doesn't look like angry words."

"That's right, it's all angry with Grandpa's bodyguards. Is this still angry words?"

Yu Baihai still wanted to ask for explanation, but before speaking, Yu Cangshan shouted, "There is no room for discussion. From now on, Yu Qingmei is officially expelled from the Yu family and is no longer a member of my Yu family."

As soon as this remark came out, Yu Baihai's face changed drastically, and the whole person's expression sank.

Ren Rong, who was behind the curtain in the small hall, couldn't bear it anymore, rushed out and said, "Dad, no! Don't expel Qing Mei from the house."

Yu Cangshan stared at Ren Rong. , Li shouted: "Who made you come out? This is where our men discuss things, and go back immediately."

Ren Rong, who was always weak, gritted her teeth at the moment, and became hardened hard. She came to Yu Qingmei, Standing side by side with Yu Qingmei, he said to Yu Cangshan: "If Dad insists on expelling Qingmei from the house, then even me will drive away."

"Are you threatening me?" Yu Cangshan is cold With a snort, he immediately patted the armrest and shouted, "No one can threaten me at Yu's house. Since that is the case, then leave your mother and daughter together!"

"Ren Rong and Yu Qingmei will all be expelled from Yu's house!" "Cangshan Yu shouted.

Yu Baihai's face changed suddenly, and he couldn't care about anything else. He rushed out at once, "Dad, don't,

I--" Li shouted, "Do you want to threaten me? Or do you want to leave Yu's house?" Yu

Baihai's face changed, and he looked at his wife and daughter behind him, his face hesitant.

But at this time, Yu Baiyun said with a sneered sneer: "Second brother, don't be impulsive. Isn't it just a wife? If you leave, you can leave. If you look back, you can find another one."

"I know a lot introduce to you, a young and beautiful girl, just to have a taste! In the words, this Yu Baiyun didn't even consider the women of Yu's family.

Ren Rong also changed his face, and looked at Yu Baihai, saying: "Yu Baihai, you want to stay and stay. Our mother and daughter will not force you."

Yu Baihai suddenly shocked when he heard this, and then again looking at others, Zheng Se looked at Yu Cangshan and said, "Dad, if you don't take back your life, then drive out my family of three."

Although Yu Baihai's temperament is weaker, his relationship with Ren Rong is still very firm. of.

Master Yu Cangshan heard the words, his face sank, and stared at Yu Baihai fiercely, lowering his voice, and said, "Are you sure?"

Yu Baihai nodded firmly, "I'm sure!"

"Then I will complete you. Yu Baihai, also chase out of the Yu's house. Get out, you all get out of me." Yu Cangshan shouted angrily.

Yu Baihai's family of three suddenly looked dull, but then suddenly revealed a relief, as if they had unlocked the shackles for many years.

But Yu Baiyun and Yu Qingshan father and son looked at each other at the moment, a smile appeared on the corner of their mouths.

The departure of Yu Baihai and Yu Qingmei means that the main line of the Yu family is only their father and son. Yu's family property will never be left by others. Thinking of this, the smile on their faces was even brighter.
