

Chapter 51

Coil was in a bit of a hurry, so she reached out and tugged on him, "Come here a bit, let me study it, it won't open."

At that moment a low, magnetic voice sounded overhead, "Slow down, what's your hurry?"

Coil's fingers lagged, and she quickly looked up at him, realizing how... the two of them were in such an imaginative position.

She was sitting on the bed, and he was kneeling, looking down at her, her little hand still tugging at the waistband of his pants...

Xia Xi Coil instantly let go, then lay down on the bed, she looked around.

Lu Han-ting's two big hands were on her sides, enveloping her in his arms, "What are you looking at, en?"

"Let me see if there are any signs of a woman in your room, and this bed...it's clean, right?"

Lu Chanting pursed his thin lips, somewhat unhappy, "You have to talk to me about this topic, just play a little tantrum, the last time you let me go out to find another woman I do not mention it now, does not mean that I am not angry."

He didn't know what was wrong with her, obviously she was fine before his business trip, and when he came back from his business trip she repeatedly told him to go out and look for another woman.

His presidential suite was clean, no sign of a woman at all, and his coat was hanging on the hanger, so he could tell he'd been staying here for the past two days.

"You've been living here for the past two days?" Xia Xie Coil asked.

Lu Chanting looked at her, "Well, I was in a bad mood and came here to play cards overnight for two days."

The first thing you need to do is to take a look at the shoes you are wearing.

The first thing you need to do is to take a look at this.

The first thing you need to know is how to get rid of it.

At that moment, William raised his hand and took off her veil.

Coil quickly grasped his big hand, "What are you doing, haven't you seen it?"

"It was too fast to see it, so look again, no?"

Xia Xi Coil shook her head, "No, no show."

He dropped his eyes and gently kissed her forehead.

Coil raised her hand and tugged on his sleeve, not refusing.

It was the first time he had ever been in a position to do so, and it was the first time he had been in a position to do so.

The first thing you need to do is to take a look at the newest addition to the collection, which is a great way to get the most out of your money.

Lu Chanting rolled his throat, "This is easy to open."

"With a click, he unbuttoned the leather buckle himself, his movements no longer as easy as before, appearing a bit impatient, and pulled out one side of his black shirt.

As he continued to lean down, the sound of Xia Xi Coil's laughter rang out in his ears.

She laughed, and laughed very happily, leaning forward and backward.

Only then did Lu Hanting realize that he had fallen for the trick, and that he had asked her to open the leather buckle, and now he had opened it himself.

Lu Han Ting reached out and pressed her fluffy shoulder to stop her from laughing, "Playing with me, eh? Beauty tricks are used."

Chapter 52

Coil stopped laughing, the pair of delicate willow eyebrows went up, her eyes watery and shining, then took his big hand and placed it on her flat abdomen.

The eyes of Lu Han Ting darkened a few hues, and he broke away from her small hand to unbutton her.

"Mr. Lu, I'm sorry, but my little day has come." Xia Xi Coil spoke out.

What?

Lu Chanting stiffened, "What are you talking about?"

"I came in on a little day, so I just soiled your pants," Xia Xi Coil looked at him and repeated.

The other is that he is a very good friend of the family, and he is a very good friend of the family.

Xia Xi Coil felt that he was really angry, and also did not dare to pull the hair out of the tiger's head, quickly put his big hand on his abdomen again, "My little day really came, today if you do not embarrass me, I will not provoke you, you do not get angry, my stomach is a bit uncomfortable."

Hearing her say that her stomach was uncomfortable Lu Chanting could only endure his temper, his big hand massaged her flat abdomen back and forth a few times, "Does it hurt?"

"It doesn't hurt, it's just swollen and uncomfortable, Mr. Lu, and there's one thing I need to trouble you with."

"Say."

"Can you buy me a pack of...tampons?"

Tampons?

In the meantime, Mr. Lu has never bought anything like this before, so he refused, "I'm not going." Coil got out of his arms and sat up, kicking him with her little white feet.

In the meantime, he has never bought any such thing, so he refuses, "I'm not going." Coil sat up and kicked him with her small white feet, "Mr. Lu, it's really troublesome for you.

Lu Hanting also sat up, she kicked without pain, like a little milk cat's paws staring at his thighs to scratch, he grabbed her slender ankles, "You kick me again?".

Xia Xi Coil quickly pulled back her little foot.

Afraid of her cold, Lu Han-ting tucked her little feet into the blanket, then got up, first changed the dirty clothes on her body, and then went to buy tampons.

.....

Gu Yegin went on a business trip and came back overnight, just arrived at the 1949 bar.

Huo Xize greeted him quickly and told him the gossip about what happened in the box today, and then asked curiously, "Brother Yujin, do you think this second wife's replacement is ugly and faceless or looks like a celestial being?"

When Lu Han-ting returned from outside, he put on a white shirt inside and a hooded coat over it, looking exceptionally young and handsome.

Lu Han-ting also carried a bag in his hand.

"Second brother, what did you go out to buy, why don't you let your hands go down to buy?" Huo Xize asked.

Lu Chanting didn't say anything.

Gu Yujin looked at the bag and said, "This is a woman's sanitary pad, right?"

Huo Xize opened his mouth, "What... what, second brother, who are you buying tampons for, fuck, second brother, how can you go buy such things?"

Lu Han-ting was a bit displeased by Gu Yijin's nosiness, so he took a look at Gu Yijin, "So familiar, you've bought for women?"

Now Gu Yegin stopped talking.

Lu Hanting went upstairs.

"Brother Night Jin, second brother but only after the quarrel to live here for two days, what is the situation now, second brother sulked two days on his own, this big night and also second sister-in-law to buy tampons, I think second brother is really eaten by this second sister-in-law to death."

.....

When William Lu returned to the presidential suite, Safari Coil was already in the shower.

Chapter 53

Lu Han-ting came to the door of the shower room and raised his hand to knock on the door.

Soon, the door opened and Xia Yu Coil hid behind the door.

Coil hid behind the door, not wearing a veil on her face, but the door plate blocked her small face, invisible.

The hot steam in the shower room ran out, with the fragrance of the shower gel, Lu Han-ting looked at her exposed delicate skin, milk white, with tiny glistening water droplets hanging on it, much like the generation of demonesses who charmed kings in ancient times, but not early in the morning.

The company's main business is to provide a wide range of products and services to its customers.

Coil reached out her hand to take it, but he didn't let go.

What do you want?

Coil tugged on it.

He hadn't let go.

Xia Xi Coil looked up and looked at him.

Lu Han Ting looked at her watery eyes, about to get angry, he slowly hooked his thin lips and released his hand.

Coil picked up the clothes and quickly closed the door.

She felt her face was red and hot, and that man Lu Han-ting was too provocative!

.....

Coil was standing by the floor-to-ceiling window smoking when the door to the shower room opened, and out stepped Xia Xiqiu Coil.

She wore a cherry-colored strapless dress with thin straps that hung from her shoulders, and her girlish figure was in full view.

She fit the dark red color perfectly, especially against the skin, and he thought she would look good on it when he bought it.

The girl's skin is like snow, and she has a beautiful and delicate look that can hold all the fine colors.

Coil's bright pupils fell on his face and gently twisted his eyebrows, "Why are you smoking again?" Coil said.

Lu Hanting was silent as he put one hand in his pocket.

Coil walked over to him to check the injury on his left hand.

The other night he smashed his fist into the mirror and made several bloody cuts, which looked like they had been treated and had scabbed over.

"What, does it hurt? If I had known that it hurts now, why did I say those words to anger me then?"

Xia Xi Coil let go of his hand and turned around to leave.

He then pushed her against the floor-to-ceiling window to avoid her nose and mouth, and sprayed a mouthful of smoke on her small face.

Coil didn't expect him to do that, but she choked on the smoke and coughed.

"Mr. Lu, what are you doing, are you done?" Xia Xi Coil pushed him.

Lu Hanting gave a low laugh, "I'm the one who should be asking endless questions, why are you suddenly pushing me away, even if you sentence me to death, you have to give me some reason, right?"

The first thing she wanted to say was that she was embarrassed to pierce the veil, but now that he was asking so aggressively, she opened up the conversation.

"Who is that woman who answered your phone?"

In the meantime, Lu Hanting was startled and quickly said, "What?"

Coil reached out and snatched the cigarette from his fingertips, then took a puff herself as he looked at her, he was too tall to act, so Coil reached out and tugged on the tie around his neck to pull his handsome, upright body down.

The moment he lowered himself to the ground, Coil followed his example and spat out a mouthful of smoke onto his face.

Chapter 54

Coil sneered, "When it comes to seducing people, I can't get enough of Mr. Lu, while playing ambiguous with me and taking his lover to a hotel room on a business trip.

Mr. Lu Hanting didn't quite understand what she meant, "Don't speak in a shady manner, make your words clear."

"Mr. Lu, I think the point is enough, but if you're shameless then I'll be straightforward, the night you went on a business trip I called you and your phone was answered by a woman who said you were in the shower."

Lu Hanting quickly took the cell phone out of his pocket and flipped through the address book, and she did make a call to him.

But that call had been answered.

Lu remembered the night his personal secretary, Yan Yi, had told him that the PR director, Hua Rong, had come.

Then the call was answered by Huarong.

The cold light in Lu Han-ting's eyes appeared, and then he felt the girl in his arms moving around, he imprisoned her, "Behave yourself!".

"Mr. Lu, what do you mean, you're annoyed because things have been revealed?" Xia Xi Coil looked at him provocatively.

Lu Han-ting took the cigarette from her fingertips and threw it in the ashtray, "Mrs. Lu, are you jealous?"

W...what?

Ha Xiayi Coil quickly denied, "I didn't."

"The jealousy jar is broken, and you still say no, then who is the one who came back and told me over and over again to go find another woman?"

"I was that..."

Lu Hanting pressed her shoulders and forced her to look into his eyes, "In your eyes, I've been reduced to such a state, even if I have a woman, I still need to lie and cover up."

"You...you..."

Safari Coil was stunned, and she thought she might embarrass both of us by poking at him, but what does he mean now?

The company's main business is to provide a wide range of products and services to its customers.

The company's main business is to provide a wide range of products and services to its customers.

"Lu Han Ting, you're shameless!"

Coil hammered him with her fist and kicked him twice.

The company's main business is to provide a wide range of products and services, and to provide a wide range of products and services to customers.

The company's main business is to provide a wide range of products and services to its customers, and to ensure that its products and services are well received.

"..."

Coil moved stiffly and really exploded, "I'm not jealous, I've said I'm not jealous!"

The first time I saw her was when she was angry and wanted to hit him, but couldn't, so I raised my hand and scratched her nose, and my voice was low and magnetic.

"Lu Chanting!"

But Lu Han-ting released her, "You will sleep here tonight and don't go back."

After saying that he turned around and left.

Xia Xi Coil quickly called out to him, "Where are you going?"

This is his room, it's so late, where is he going?

Lu Chanting looked at her, "What, you want to keep me and sleep with me?"

Coil's small face exploded red, and she took the pillow on her bed and smashed it hard into his handsome face, "Go away, we've made it clear, go find another woman!"

Lu Han-ting raised his heroic eyebrows, and did not coax her to really go.

Chapter 55

In the other presidential suite, Lu Han Ting took a cold shower and came out wearing a black silk pajama.

Gu Yegin handed over a glass of red wine, "Normally Xia Xiayi Coil can't go to bed tonight, what did she do to make you go from dark to sunny?"

Lu Chanting took a sip of red wine, "Is it obvious that I'm happy?"

The company's main business is to provide a wide range of products and services, including a full range of products and services, including a full range of products and services.

The company's main business is to provide a wide range of products and services, including a full range of products and services, and a wide range of products and services.

At that moment "ding" dinged, and the doorbell rang.

Someone knocked on the door.

It was Yan Yi, who had rushed here after receiving the call.

Yan Yi, who had rushed over after receiving the call, was now carefully observing Lu Hanting's face, "President, did you call me over for anything?"

Lu Chanting sat on the sofa, "Secretary Yan, Huarong took my call, why didn't you say anything about this?"

Yan Yi just knew that his own president was for this matter, just a phone call, he didn't take it to heart at that time.

"President, is there anything wrong with this, what business secrets did Director Hua eavesdrop on?" Yan Yi appeared frightened.

At this time, Gu Yujin sat on the other side of the sofa, looked at Lu Hanting, "Okay, look at the secretary Yan scared, just a phone call, nothing business confidential, is that the

phone call is your president's wife answered, misunderstanding, jealous, and with your president trouble for two days, see your president are haunted to live in this bar."

"...."

Yan Yi was dumbfounded, in his impression his president is handsome, mature and powerful, should not be a...wife and discipline ah?

And then the bell dinged, and the doorbell rang again.

Someone was coming.

Yan Yi quickly went to open the door, and there was ... Huarong.

Speaking of Cao Cao, Cao Cao was there.

"Director Hua, what do you want?"

As a public relations director, Huarong has been dealing with men, naturally born beautiful and enchanting, wavy long hair, was a red dress wrapped body hot as fire, so men can not refuse.

Huarong held a thermos in her hand and smiled flirtatiously, "Secretary Yan, I heard that the president has been playing cards in the bar overnight for the past two days, I personally made a little soup for the president, I hope Secretary Yan can send it in."

Yan Yi's forehead broke out in cold sweat, "Director Hua, I don't dare to make my own decisions about the president's affairs, I'm going in to ask the president."

Yan Yi closed the door to the room and returned, "President, Director Hua came and said that he made a little soup for you personally, which..."

The company's main business is to provide a wide range of products and services, including a full range of products and services, including a full range of products and services, and a full range of products and services.

The company has been in the market for more than a decade, and the company has been in the process of developing its own brand of products and services.

It seems that Huarong, the PR director, has been thinking about Lu Hanting for a long time.

The company's main business is to provide a wide range of products and services, and to provide a wide range of products and services to customers.

"Yes, President."

"Wait a minute." Lu Hanting suddenly changed his mind, "Put away the stew and let her go."

"Yes, President."

Gu Yujin looked at Lu Hanting, "This Xia Xie Coil's jealousy isn't enough, you don't let Huarong disappear, and you want to use Huarong to stimulate Xia Xie Coil?"

The first thing you need to do is to take a look at her.

She is a little shrinking turtle, and she would never open her heart to him if he didn't have to irritate her with his.

.....

The first thing you need to do is to get your hands on a new pair of shoes, and then you'll be able to get a new pair of shoes for your feet.

The company's main business is to provide a wide range of products and services, and to provide a wide range of products and services to the public.

The first thing I want to tell you is that I'm going to go to the temple to pray and burn incense, and I'm going to stay in the mountains for a few days to give birth to my grandson.

"I know, Grandma."

Mrs. Lu left, Xia Xi Coil took out her cell phone, in fact she didn't want to call Lu Chanting.

After he left that night in the presidential suite of the bar, he didn't come back, and the two of them didn't contact each other again.

But now that her grandmother has told her, she will call him to let him know.

The melodious ringing sounded once, and then the phone was answered unhurriedly.

The low mellow magnetic voice of Lu Han Ting transmitted, "Hello."

Xia Xi Coil's slim white fingers tugged on the phone, "Mr. Lu, Grandma asked me to tell you that she has gone to the temple to burn incense and pray for blessings, and will stay there for a few days before returning."

"What else did grandmother say?"

Grandma finally asked him to come back early to be with her....

But this is something that Coil won't tell him, once he does it's very much like she wants him to come back to accompany her.

At this time, a charming voice suddenly came from the end of Lu Han Ting, "President, I don't understand a bit about this contract, I want to ask you."

The company's main business is to provide a wide range of products and services to its customers.

It was the same voice that answered his cell phone that day.

The first thing you need to do is to take a look at the newest addition to your own website.

Coil bit her red lip.

At this time, Lu Hanting seemed to remember her and asked, "You still have something?"

"It's fine, I just didn't think Mr. Lu had a penchant for subterfuge with female employees, I'll leave you alone!"

Coil hung up the phone directly.

It's a good idea to take a deep breath, but it's not a good idea to take a deep breath.

The company's main business is to provide a wide range of products and services to its customers, and to help them to make the most of their business opportunities.

The newest addition to the family is the newest addition to the family.

.....

This time the engagement party was held in Champagne Hills, and it was quite luxurious and romantic.

Xia Xiaodie wore a white strapless dress from Milan, her long hair braided into flowers, and a sparkling crown, beautiful like a flower butterfly.

Chapter 57

There are many famous ladies and ladies around Xia Xiaodie, all kinds of envy and flattery, Xia Xiaodie's pretty little face is so happy that it can drip honey.

At that time, Xia Xiaodie saw Xia Xiqu Coil, she quickly went forward, "Xiqu, you are here? Just now I was worried that you wouldn't come, that you wouldn't be able to witness such a happy moment for me."

Those famous ladies also came over.

Xiaoxi, you are too kind-hearted. XiaXiXi Coil used to be Su's fiancée.

The company has been in the process of developing the new product for the past few years, and the company is now in the process of developing the new product.

I'm not sure how much I'll be able to do with this, but I'm sure I'll be able to do with it.

The following is a list of some of the most important things you can do for your family and friends in the world.

The actual reason for this is because of the fact that it's a very important to be able to get the most out of your own personal computer.

The reason why Xia Xiaodie was so eager to have her come to the engagement party was to embarrass her.

"The first thing you need to know is how to get to know your family, and how to get to know them. The company's products and services have been recognized by the industry for their quality and reliability.

The company has been in the business for over 20 years and has been in the business for over 20 years.

It is not the same as in the past, when Xia Xiaodie was still the daughter of the Xia family, but now Xia Xiaodie is already the fiancée of Su Xi, and Li Yulan is relying on the Su family to step on Xia Xi Coil.

It's true that all those rich wives are far away from Xia Xi Coil.

The first time I saw her, I thought it was a good idea for her to get married.

Xia Xi Coil is isolated, and all the people at the engagement party have ill-will towards her.

The situation is as she expected, and since she dared to come, she doesn't care.

After all, the real show hasn't started yet.

Some people will only fall more miserably the higher they climb.

"Su Shao, congratulations!"

That's when Suhi came.

Coil raised her eyes and looked at Su Xi.

It's a good idea to use a little bit of your own personalized website to help you get started.

The company's main business is to provide a wide range of products and services, and to provide a wide range of products and services to customers.

The company has been in the process of developing the new product for the past few years, and the company is now in the process of developing the new product.

Chapter 58

The first time I saw him, I thought he was a scum, but now I'm thinking of you instead.

As soon as the words fell off, the whole room snapped.

What is she doing, grabbing...a wedding?

Xia Xiaodie turned pale and quickly scolded, "Xia Xi Coil, what are you doing, this is my engagement banquet with Brother Su Xi, don't spoil it!"

The company's main business is to provide a wide range of products and services to its customers.

Su Xi pulled his leg and went forward.

The company's main business is to provide a wide range of products and services to its customers.

Suhi pulled his sleeve back from Xia Xiaodie's hand and then came in front of Xia Xi Coil and he stared at her, "Are you telling the truth?"

It is very clear that the situation is now very clear, as long as Xia Xi Coil nodded, the prospective groom will run away with it.

Xia Xiaodie pinched her nails into her hands, and her eyes started to turn red.

Xia Xi Coil looked at Su Xi and suddenly laughed, "Su Shao, I made a joke with you, don't take it seriously."

"...."

The crowd was in an uproar, Xia Xi Coil this joke is too big.

Su Xi's eyes became cold all of a sudden, she is playing him!

The first thing I noticed is that the company is not only a company, but also a company that is not only a company, but also a company that is not only a company," she said.

Said Xia Xi Coil raised her hand and tucked a strand of hair by the cheek behind her ear, "Don't worry, I'm not a garbage collector, I play with the rest, you can feel free."

Listen to this...

The crowd was stunned to see a two-meter tall Ha Xi Coil, is she crazy, how dare she say that!

"You!" Xia Xiaodie was about to go crazy.

When the atmosphere became awkward and depressing, Xia Zhenguo quickly stepped forward, "Well, the auspicious time has come, the engagement ceremony has officially begun, Su Shao, didn't you prepare a romantic proposal for Xiaodie?"

The crowd applauded the proposal with great pride! Marriage Proposal! Marriage Proposal!

Su Xi withdrew his cold gaze and took a bouquet of flowers in front of the whole audience, slowly kneeling on one knee in front of Xia Xiaodie.

The awkward and bizarre scene just now was finally covered up, and Xia Zhen Guo looked at Xia Xi Coil angrily and warned in a low voice, "Xi Coil, there can't be any accidents at Xiaodie and Su Shao's engagement banquet today, you better behave yourself, or else..."

"Or what, send me back to the country again? Dad, you seem to have forgotten that I have been sold by you and sold to You Lan Yuan to be happy."

Xia Zhenguo stiffened, "You!"

Xia Xiaodie was jealous and hateful in her heart, but in Li Yulan's reminding eyes, she still quickly gathered her emotions.

Now Su Xi is kneeling on one knee in front of her, she is always the protagonist in this magnificent engagement, no matter what, she will become the young lady of the Su family.

When she marries into the Su family, she will naturally have a way to clean up this Xia Xi Coil!

Chapter 59

Xia Xi Coil that joke made everyone's mood like a roller coaster, Su Xi's handsome face is even more gloomy and ugly, he looked up at Xia Xiaodie, some perfunctory and not going anywhere, "Xiaodie, marry me, I will give you happiness in the future."

Xia Xiaodie was very unhappy listening to this abridged version of the marriage proposal vow, but she didn't want any more accidents, so she quickly stretched out her hand, "Brother Su Xi, I promise you."

The ring was placed into Xia Xiaodie's ring finger slowly by Su Xi.

But at this time "ding" sound, Su Xi's cell phone rang in his pocket, came to the text message.

The first thing I noticed is that there is a lot of people in the world who are not interested in this kind of thing.

Soon, his long body abruptly stiffened.

Xia Xiaodie was still waiting for Su Xi to put the ring into her ring finger, but now she saw him staring at the phone text message stiffened, she asked, "Brother Su Xi, what's wrong with you, who sent you the text message, what is the content of the message?"

Su Xi got up quickly, turned around and walked away.

This sudden change made everyone look confused, and now that Su Xi is stepping forward, everyone makes a way out of the way.

Coil's face was a bit of a mess, but it was not easy to get to know him.

What is going on?

The most important thing to do is to make sure that you don't lose your mind. "

Xia Xiaodie tried to catch up to the stairs, but she unfortunately stepped on her skirt and fell straight down.

Hiss.

Xia Xiaodie's thighs were exposed, and she screamed as she shielded herself in utter disgrace.

At this time all the guests started pointing at her, sympathy, pity, gloating, watching the show...all kinds of eyes.

She was originally the protagonist of the engagement party, and tomorrow she will be the envy of all the celebrities in the city, but now she has been abandoned on the spot, and has become a joke.

Many people took out their cell phones and started taking pictures of Xia Xiaodie.

"Stop filming! Don't shoot it!" The company has been in the process of developing the new product for the past few years.

What is the content of that text message?

Does it have anything to do with Huaxia Coil?

.....

Suhi dragged Xia Xi Coil upstairs and dumped her straight into the room, locking the door, he pressed hard on Xia Xi Coil's fragrant shoulder, "What do you mean you sent me a text message?"

Coil's eyes are clear and overflowing with laughter, "Can't you read the hospital report? I'm still a virgin."

The text message Susie received from Eve Coil was simple: a hospital report, proving she was still a virgin.

She said she would send them a big engagement gift, and this hospital report is the best congratulatory gift.

I don't believe it, I don't believe it, you're not clean anymore, I've seen with my own eyes in that cave you and a man in a scantily clad hug, and you're married to You Lan Yuan, and you're keeping a young white guy, and you've hooked up with Lu Han Ting, you've had so many men, you're really dirty."

Chapter 60

Coil looked at him as if he was about to collapse, which was really funny, "Finished? It seems that no hospital report can save you from a nasty heart."

"You lied to me, Natalie Coil, you lied to me! Hospital reports can be falsified, and even if the report is true, you can still go to the hospital for a repair, you..."

Coil raised her hand and slapped him hard in the face.

Slap.

Su Xi was knocked off his handsome face.

Coil struggled to get away from him and then slammed the original hospital report in her bag in his face, "Su Xi, don't overestimate yourself, look at what you have nowadays that is worth lying for you."

Suzy picked up the hospital report on the carpet and read it back and forth several times carefully.

"Suhi, in my impression you are not such a stupid person, back then I saved a man in the snow and ice, in order to give him warmth we hugged, I was only how old at that time, how come you are biased, and so many years convinced of it?"

"I'm sorry, I was wrong, I misunderstood you, I'm not engaged to Xia Xiaodie anymore, don't you just want to destroy the Xia family, okay, I'll do it for you, you give me a chance, let's start over, okay?"

Xia Xi Coil looked at Su Xi's radical and hideous face and sneered, "Why did you stab me back then, why did you come out and say that I pushed grandpa, Su Xi, you tell me the reason now!"

Su Xi's eyes quickly stained blood red, the veins on his palm face jumped out, "Coil, that incident let it go, don't mention it again, I will make up for you, and love you well in the future."

He was still reluctant to say.

Coil all these years, Xia Xi Coil could not figure out why he had to stand up and slander her.

Her mommy liked him so much that she even gave the two of them a baby's nuptials, when she called him Brother Suhi.

She didn't understand why he did it!

Now, he still won't say.

"The moment you came forward, we were out of the question, so you were hypnotically convinced that I had betrayed you so that you could destroy me and even imprison me as your personal slave, after you saw me with that man and after being provoked by Xia Xiaodie. Do you see how disgusting you are now?"

Su Xi looked into her clear and transparent eyes, which were clean and untouched by dirt, as if he had seen through all the filth in his eyes.

Sometimes, he wished she wasn't so smart.

He had been hypnotizing himself, otherwise, how could he, who was in hell, be willing to drag her into hell with him?

"Coil, I love you, you should know how much I love you, isn't it just because of my love for you that you came to the wedding today with a medical certificate?"

"Yes, I'm relying on your love for me, as you stabbed me ten years ago because of my trust and trust in you, Suhi, we're even.

Coil pushed him away and turned to leave.

"Coil," Suhi called out to her huskily, "Is it really impossible for us?"

Xia Xi Coil didn't turn back, "Su Xi, since you have chosen your path, don't turn back, because, I have no turning back here for you to go."

Xia Xie Coil opened the door of the room.

Chapter 61

(What do you guys think about this Translation? if it's OK, comment so I can keep bringing this one)

Xia Xi Coil pulled open the door of the room, there was someone outside the door, Xia Xiaodie dragged her fist, eyes red with anger stared at her.

It's not just a matter of time, but it's a matter of time before you'll be able to get your hands on a piece of paper.

"Xia Xi Coil, what exactly did you use to confuse brother Su Xi, was that text message sent by you, what did you send?"

Coil hooked her lips, "You can ask your brother Suhi these questions."

"Summer Eve Coil, are you happy now, proud?"

Xia Xi felt frustrated. She tried hard to kill Xia Xi, but no matter how hard she tried, she could only be killed by Xia Xi. This frustration made her tears of resentment.

Coil looked at Xia Xiaodie, "You invited me to the engagement party, are you satisfied with this engagement gift? Don't shed the tears of a loser like you to a winner like me, because I'm really happy and proud right now, and you've been repeatedly looking for trouble, even sending your face to my hand for me to beat.

"You!" Xia Xiaodie felt herself being stepped on by Xia Xie Coil to rub and rub again.

At this time Xia Xi Coil came forward, she stopped at Xia Xiaodie's side and whispered, "Oh, right, I forgot to tell you, I'll play the rest, none of them will be for you to play."

After saying that, Xia Xi Coil went downstairs.

Xia Xiaodie felt the hot blood rushing to her head, her eyes closed, and she really fainted.

"Xiao Die!" At this time Li Yulan ran over and held Xia Xiaodie in her arms, "Xiaodie, what's wrong with you, wake up! Ha Xie Coil, are you thinking it's honorable to break someone's engagement and act as a mistress?"

The company has been in the process of developing the new product for the past few years, and it has been the first time that the company has been in the process of developing the new product.

Xia Zhen Guo raised his hand and wanted to slap Xia Xi Coil.

Xia Xi Coil didn't evade, she looked at Xia Zhen Guo coldly and brought her face under his palm voluntarily, "Dad, you hit, hit hard, since you don't like me so much, you should have killed me on the day my mother died."

Xia Zhenguo's hand suddenly froze in the air and could no longer fight.

Xia Xi turned her head and glanced at Li Yulan, "Speaking of being a junior, Auntie, you are really my predecessor, but it's a pity that your daughter didn't get your true story. She has the heart to seduce men, but she didn't seduce men. The ability."

After saying that, Xia Xi Coil left.

This time Li Yulan was so angry that her heart ached, "Zhen Guo, call an ambulance, quickly call an ambulance!"

.....

Coil left the mountain village and went straight back to Youlan Garden.

What she didn't know was that at this time, there was an extended luxury business car parked on the side of the road, and Lu Hanting pulled down the car window and was looking at her pretty shadow.

Gu Yejin looked at the ambulance that had arrived. The medical staff was carrying the stretcher in and out, and couldn't help but curl her lips, "Han Ting, you are really amazing as a bride-for-wife. She had a good engagement party. In this way, one person singles out everyone, I think it is a bit difficult for you to tame her."

Chapter 62

Gu Yejin understood a little bit why Lu Hanting liked Xia Xiwan. This girl was calm, intelligent, brave, dazzling, and yet not losing the delicate beauty of a 20-year-old girl. Such a girl could easily arouse men's blood and desire for conquest.

After Xia Xi's pretty shadow disappeared from his sight, Lu Hanting looked back, and he would not tell Gu Yejin that there is a class of people in this world, the harder the armor, the softer the heart, she is.

"Okay, I'm not going to talk to you anymore, I'm going back." Lu Chanting.

"Back to where, Youlan Court?"

"Back to the company."

The company's first-ever online engagement party was held in the city of Chengdu in October 2011.

.....

Xia Xi Coil first went to the hospital to see Auntie Lin, who hadn't woken up yet, then she went back to You Lan Yuan and went to sleep.

Although she had won a battle today, she was not half happy because she had lost a lot, a lot of love.

Xia Xi Coil was a little sad in her heart and wanted to send a voice to Ye Ling, but she was afraid that her being on the set would disturb her instead, so she lay down on the bed and closed her eyes.

However, she couldn't sleep.

If he were here, he would have embraced her in his arms. She was pillowing his strong and powerful arms and listening to his pounding heartbeat, just like a floating boat that has found a resting place.

His embrace is indeed a shelter for every woman in the world.

Wait, what was she thinking?

Xia Xi Coil quickly got rid of the handsome face in her head, he is a scum and is probably in the company right now discussing documents late at night with that Director Hua.

Why has she suddenly become obsessed with his embrace?

Coil forced herself to fall asleep.

.....

Early the next morning, as Xia Xie Coil walked out of the room, she saw the butler, Uncle Fu, directing the maids to disturb the hygiene.

"Wipe this place clean and don't get a bit of dust."

"Are all the meals ready in the kitchen, and the juice." Coil went downstairs, "Uncle Fubuki.

Safari Safari went downstairs, "Uncle Fu, why are you cleaning today, is it some special day or is there a guest coming?"

Uncle Fu's eyes were a little dodgy, "Young... Young grandmother, just now the young master called back, saying that he would bring back a distinguished guest later and asked us to prepare to receive him."

"A distinguished guest?"

"Yes, young lady."

Coil didn't know what kind of VIP guest was coming, and Lu Chanting didn't tell her in advance.

At this time a stretched business limousine slowly parked on the lawn, and Lu Chanting was back.

Uncle Fu and the maid quickly greeted him, "Young Master is back!"

Standing by the door, Xia Xi Coil looked up and saw the rear door of the business limousine being pulled open, and the tall and handsome body of Lu Han Ting leapt into view.

He was wearing a handmade white shirt and black trousers, the fine fabric of which made him look distinguished and aristocratic.

Then another figure came into view, it was Huarong.

Hua Rong was wearing a red dress, her hot and bumpy waist was outlined in full view, she was wearing delicate make-up and had flaming red lips, she was particularly amorous and charming.

Lu Hanting brought Huarong over here.

Coil froze in place, she did not expect Lu Hanting to bring a woman back.

Chapter 63

Xia Xiwan(coil summer, Xia Xi coil) turned around, quickly ran upstairs and entered the bedroom.

... the

bedroom.

Xia Xiwan was sitting next to the bed. Lu Hanting and Hua Rong were walking on the lawn just now in her mind. They didn't know what they were talking about, but they looked down and smiled.

The cool breeze blew gently, Hua Rong's skirt even rolled over his black trousers, looking intimate and ambiguous.

Today, he brought a woman home.

What is she?

Is that woman his lover?

Xia Xiwan's slender fingers twisted her dress, angrily and uncomfortable in her heart, this feeling made her almost unable to breathe.

At this time, the bedroom door was pushed open and Lu Hanting walked in.

he came!

Xia

Xiwan raised her eyes and looked at him, "Mr. Lu, are you back?" Lu Hanting saw her on the lawn just now, but she quickly ran upstairs and hid herself in the room. Lu Hanting

couldn't help but curl her lips. "Today I brought a guest back, Hua Rong, the director of public relations of our company."

It turned out to be the director of public relations. I heard that all the people involved in public relations are beautiful women. They often deal with men, especially those who win over men.

"Oh, I saw it."

"What do you think?"

"She has a pretty face and a good figure." Xia Xiwan paused, pretending to be relaxed, but her fingers were about to wring her dress. "Why, Mr. Lu wants this Director Hua to turn into a positive, from a lover to a girlfriend?"

Lu Hanting raised his heroic eyebrows, then sighed, "You see that I am not too young anymore, you repeatedly rowed with me. Clear the boundaries, maybe one day the Xia family's affairs are handled, and you pack and run away. I can't live without a woman, right?"

Xia Xiwan snorted, can't live without a woman?

"Furthermore, you also said that grandma is getting older and wants to have a great-grandson again. I need a woman to give birth to a son for me."

Xia Xiwan couldn't refute his reason. In order to pray for her great-grandson, grandma has already I went to the temple to eat and recite the Buddha.

Xia Xiwan lowered her slender Yujie, a little unhappy.

Lu Hanting walked over, looked at her dull little head condescendingly, and then reached out to pinch her face, "What's wrong?"

Xia Xiwan hid, not letting him pinch her face, "Don't touch me.

"What's the matter?" Lu Hanting laughed, and gently pinched her small face through the light gauze with his fingertips. The small face of a girl under 20 was so soft that she could pinch water out.

Feels great.

Xia Xiwan wanted to knock down his big hand, but Hua Rong appeared at the door at this time, "Han Ting, you..."

Hua Rong's smile froze directly, because she saw Xia Xiwan.

At this time, Xia Xiwan was sitting by the bed, more like an angry little girl. Lu Hanting stood tall and tall, squeezing her face with one hand in the pocket of his trousers, her focused brows and eyes were dyed with petting, very similar It's a man with inferior roots teasing the girl he likes.

Hua Rong froze completely. She knew that Lu Hanting was a high-ranking person in the shopping mall, who lived and killed him, calm and powerful.

She had never seen him or even imagined that he would have such a side.

Lu Hanting retracted his hand, and his deep narrow eyes fell on Hua Rong's face, "Is something wrong with me?"

His petting and teasing of the girl just now seemed to fade away in an instant, and he returned to his usual cold and alienated appearance. , There was no warmth in her eyes.

Hua Rong pulled red lips, "Han Ting, who is this?"

Chapter 64

Xia Xiwan saw Hua Rong asking herself, so she stood up, "Director Hua, I'm the maid here."

"Maid?" Hua Rong was a little suspicious.

"You guys talk slowly, I'm going down and busy." Xia Xiwan walked out.

Lu Hanting kept looking at Xia Xiwan's pretty shadow, Hua Rong saw that the man's eyes were too much on a maid, and he said, "Han Ting, I'm here for the first time in Youlan Garden. It's so big. Can't you take me

around ?" "If you want to visit Youlan Garden, just find someone to take you there." After that, Lu Hanting also walked out.

Hua Rong froze in place alone. She admitted that she had set her sights on Lu Hanting a long time ago. There is no way. This man is too charming. As a generation of business leaders, he never lacks fame, wealth, and is handsome, mature, and has a clean private life. Know how many ladies' hearts have been captured.

But he was full of abstinence, as if it said that strangers should not enter, and he never gave any woman a chance to approach.

She finally waited for the business trip, and eagerly answered his call, but was kicked out by Yan Yi.

When she was frustrated, Lu Hanting suddenly accepted her kindness and took her back to Youlan Garden.

Hua Rong was ecstatic, but at the same time she also felt weird. Lu Hanting had always been cold and indifferent to her.

Just like just now.

However, since she had this opportunity, she must hurry up, she must become Lu Hanting's woman.

...

Xia Xiwan entered the restaurant and asked Mr. Fu, the housekeeper, "Fu, what can I do for help?" Mr.

Fu didn't know what his young master was playing, but he never dared to call his young grandma, "Young grandma, here There is nothing to be busy, otherwise you can see what to clean up in the living room."

"Okay." Xia Xiwan entered the living room.

Uncle Fu secretly wiped the cold sweat from his forehead. He knew why the young master brought a woman back today, because if the old lady was there, he would definitely kill the grandson!

Xia Xiwan entered the living room. Just now, the maid went to the back garden and picked some gorgeous red roses. She knelt on the soft wool carpet and put the roses in the vase.

At this time, "Boom", someone smashed her little head with something.

Xia Xiwan looked back quickly and saw Lu Hanting sitting on the sofa in the living room, holding a newspaper in his hand but not reading it. Instead, he smashed her with a piece of fructose.

This man!

Xia Xiwan gave him a fierce look.

Lu Hanting looked at her. Today's girl is more at home, with a cream yellow sleeveless skirt on the inside and a cardigan on the outside. She is slender and graceful. Now she is kneeling on the carpet, her legs are well-behaved and held together, her calves are long and slim. Fair and white.

She was angry, and her dark water eyes gave him a fierce look, like a small milk cat, with a little bit of hooks overflowing from the corners of her eyes.

Soon, Xia Xiwan reached out and picked up the fructose on the carpet, then smashed it on his handsome face and returned it to him.

Looking at this scene, Fu Bo blushed and quickly hid in the kitchen.

Lu Hanting didn't hide, that piece of fructose really hit his handsome face and then fell off. He pursed his thin lips and glanced at Xia Xiwan, "What attitude is your little maid, how dare you hit you? the host?"

Chapter 65

If Xia Xiwan had candy in her hand, she would definitely hit his nasty handsome face.

"Little maid, come here." Lu Hanting gave orders at this time.

Xia Xiwan got up and walked over.

Lu Hanting reached out and clasped her slender arm and gently tugged, and Xia Xiwan fell directly onto his sturdy thigh.

"What are you doing?" Xia Xiwan thought of getting up.

"Are you angry? Just now you said you were a maid."

He has already brought the woman back. How can she deal with herself without saying that she is a maid?

Xia Xiwan looked at the man with bright eyes, "I said I am a serious maid, not a maid playing with you!"

Lu Hanting's thin lips curled up a sneer, "I don't wear cat ears or uniforms. This is really the first time I have seen a maid. You are afraid that you have a misunderstanding about maid play."

"..."

Xia Xiwan really did not expect this man to know so much about maid play. He was well-dressed and serious, but he didn't expect it to ...want.

Of course, Lu Hanting knew that she was discussing him, but there was no good explanation. explained that 27 years old is already a mature age for a man. Although he is not yet a woman, he still needs to understand everything. Understand, after all, there are many temptations, there is no lack of maid play.

Lu Hanting handed her the fructose, "Little maid, peel it off, I want to eat it."

Xia Xiwan resisted the urge to hit him, peeled the candy apart, and then stuffed the small colorful candy into it. In his mouth.

give you to eat!

Lu Hanting ate the candy she fed. Tsk, it's so sweet~

"Can you let me go down?"

Lu Hanting squinted his deep narrow eyes, and suddenly lowered his voice curiously and asked her, "Little maid, do you have any ultimate goal?"

"Ultimate goal?"

"Yes, the ultimate goal of little maid is not all... Is the master's dragon bed?"

Xia Xiwan's small snow-white earlobes flashed red. Unexpectedly, he was playing a rogue again, and she quickly squeezed her small fist and hammered him hard.

Lu Hanting grabbed her little hand, wrapped her boneless little hand in his palm, and laughed lowly and cheerfully.

At this time, footsteps sounded outside, and Hua Rong returned from traveling through the entire Youlan Garden.

Xia Xiwan quickly pushed Lu Hanting away and stood up.

Hua Rong walked in, and she looked at Lu Hanting charmingly and admiringly, "Han Ting, this Youlan Garden is so

beautiful ." Lu Hanting also stood up . Instead of looking at Hua Rong, he said lightly, "The dinner is ready. Have a meal."

...in the

restaurant.

Lu Hanting and Hua Rong sat on both sides of the dining room, Xia Xiwan did not sit down to have a meal, but went into the kitchen to help serve the dishes.

Xia Xiwan brought a piece of soup out of her hand, and then she heard Hua Rong say, "Han Ting, I suddenly remembered that there is a document that needs your signature. It's too late today. I will stay here and not go back?"

Lu Hanting glanced at Xia Xiwan, then nodded, "Well, you can stay here

tonight . " Hua Rong will stay overnight tonight.

It is also the drama of discussing documents late at night. Everyone is an adult, and it can be said that there are lonely men and women in the same room.

Lu Hanting would not fail to understand Hua Rong's naked desire to seduce, but he actually agreed.

Xia Xiwan thought he was just bringing a woman home for dinner, but she hadn't thought of what would happen to them at night. Her brain was stunned and her fingers had been burned by the soup.

hiss.

Xia Xiwan raised her eyebrows.

In the next second, Lu Hanting dragged her burned finger over, "How come it hurts so carelessly?"

Chapter 66

Lu Hanting put her finger in his mouth.

Xia Xiwan's slender Yu Jie trembled, and quickly pulled her finger back, "I'll go upstairs to deal with it."

Xia Xiwan turned upstairs.

Hua Rong on one side looked at this scene in shock. Lu Hanting was so nervous that a maid was holding her finger?

This is the intimacy between lovers.

...In the

bedroom.

Xia Xiwan stood in front of the washstand in the shower room and directed cold water at her burnt finger. The burn was not very serious and it didn't hurt anymore.

However, the feeling of fingers being held by him is still there.

Soft, with a slight coolness, it can instantly relieve her pain.

Xia Xiwan turned off the faucet. She didn't know what he meant. Since he took Hua Rong home, why was he still ambiguous with her?

Xia Xiwan wasn't stupid and sweet, so she wouldn't even be invisible to a man.

Hua Rong stays here tonight, what will happen to him and Hua Rong?

Xia Xiwan stayed in the room and didn't go out again. After a while, she "knocked" twice and someone was knocking on the door.

Is it Lu Hanting?

Xia Xiwan quickly opened the room door, but it was not Lu Hanting outside, but Hua Rong.

Xia Xiwan couldn't pay attention to her disappointment and loss. She looked at Hua Rong, "Director Hua, are you looking for something to do with me?" Hua

Rong looked at Xia Xiwan. The girl was wearing a veil and could not tell whether her face looked good, but she There are a pair of black and watery eyes that make a man feel itchy when he sees it, no wonder Lu Hanting treats her so differently.

Hua Rong raised her red lips, "You said you are the maid here, now I have one thing for you to do."

Although Hua Rong was smiling, Xia Xiwan already felt her hostility, "Director Hua, please tell me."

"You go out and buy me a box of condoms. I will use it tonight."

Xia Xiwan A stagnant, "Is this what you meant, or Lu Hanting's meaning?"

"Who meant the same? I stayed here tonight, Han Ting nodded, and something must happen between us."

said Hua Rong . She looked up and down Xia Xiwan, and then raised her proud chest very confidently, "Are you a little maid also trying to seduce Han Ting? Han Ting may want to try something new before teasing your little wild vegetable Yes, can you see if your figure can compare with me? I have a front projection and a curved S curve. The person that Han Ting really likes is me!"

Xia Xiwan has already felt Huarong's full confidence, and indeed the two are compared , She is a girl's slender and beautiful, and Huarong is as hot as fire, full of woman's style and charming.

Xia Xiwan thought of Lu Hanting's serious but bad-looking appearance. He must have been unable to refuse Hua Rong's affair.

The two small hands hanging beside her turned into small fists, Xia Xiwan coldly refused, "Since he likes you, he must also like the condom you bought by yourself, go."

Xia Xiwan gave the door directly to the room. Closed.

Eat a cold shoulder of Huarong really angry burst, she deliberately in front of a maid loudly, "You give me go out and buy a box of condoms, oh no, two boxes!"

.....

summer evening back tight York Xianrou Close to the door panel, of course she heard Hua Rong's words.

Feeling uncomfortable, she stretched out her hand to cover her ears hard, will Lu Hanting really touch Huarong tonight?

Chapter 67

Xia Xiwan's slender body slid down, and finally sat on the soft carpet. She bent her knees and hugged herself with her slender arms.

She repeatedly warned herself that she and Lu Hanting were just a cooperative relationship.

She came back with a purpose this time, and she did a good job. Su Xi and Xia Xiaodie's engagement party was ruined. Then she just needs to wait and wait for them to come back and reveal their flaws, she can put them in Deadly.

However, now Xia Xiwan couldn't keep her sane, she was full of Lu Hanting.

Time has passed by, and there is no movement outside. Is he already rolling with Hua Rong?

That being the case, why should he provoke her?

The sadness in Xia Xiwan's heart was suddenly replaced by a wave of anger. Yes, she is living well, why should he disturb her in the spring water?

Can't just leave it like that.

Xia Xiwan felt that she was too awkward and aggrieved now. Lu Hanting had teased her first. After he brought a woman back, she could only hide herself in the room?

No way!

She must do something!

Xia Xiwan got up quickly, she opened the door of the room and ran out, and knocked hard when she came to the door of the room.

"Open the door! Lu Hanting, Hua Rong, open the door to me!"

Xia Xiwan was full of fighting spirit like a struggling cock.

Soon, the guest room door opened and Hua Rong appeared in sight.

Hua Rong had already taken a shower, wrapped in a bath towel, and her wavy hair was wet, revealing a woman's rugged curves and fair skin, which was a crime to seduce a man.

Hua Rong thought that Lu Hanting was coming, but he didn't expect it to be Xia Xiwan who was angry. She quickly showed disdain and impatient expression, "What are you doing?"

"Where's Lu Hanting, is he inside, taking a bath? You get out of the way, I will see him now!" Hua Rong

quickly blocked Xia Xiwan, "You maid is really enough, Han Ting is what you want to see. Huh?"

Xia Xiwan looked at Hua Rong, a cold light overflowed from her bright pupils, "Get out of the way, I'll count one, two, three."

One...

two...

Xia Xiwan has already begun to count.

Hua Rong was unmoved, and stretched out her hand to push Xia Xiwan a bit, "You maid wants to climb the master's bed really wanting to be crazy, and you want to fight with me for a man, get out of me!"

Xia Xiwan said With a "three", she had already given Huarong a chance, but it was obvious that Huarong did not appreciate it.

Xia Xiwan stretched out her hand to grab Hua Rong, and directly dragged her out of the room.

Crazy, the maid dared to do something to her, Hua Rong immediately raised his hand to give Xia Xiwan a slap.

But Xia Xiwan was not a vegetarian. She keenly avoided Hua Rong, grabbed Hua Rong's long hair, and reached out her hand to tear off Hua Rong's demon-like bath towel.

Hua Rong didn't expect this slender and beautiful girl's combat effectiveness to be so explosive, her scalp was sore, and the bath towel was torn off unexpectedly, Hua Rong quickly protected herself with a scream.

The scene here has long attracted the attention of many people. The maids rushed up. When they saw Xia Xiwan kill Hua Rong in a second, everyone opened their mouths. Oh my god, the young lady is too sturdy, right?

At this time, there was a tall, tall body in the corridor, and Lu Hanting came out of the study, with the butler Fu Bo behind him.

Fu Bo watched the scene where the two women were fighting. The young grandma was not only sturdy, she was horrible, Master, you have to be careful!

Fu Bo quickly stepped forward and covered Hua Rong with a blanket.

Hua Rong felt embarrassed and embarrassed. When she saw Lu Hanting, her aggrieved tears all came down, "Han Ting, this maid hit me!"

Chapter 68

Lu Hanting single handwritten trouser pockets, as the two women battle Kazuo protagonist of his late, a Junlian calm no waves, his eyes fell on his face York summer evening, "how is it?"

He seemed to be The eldest parent, but Xia Xiwan did not have the consciousness of admitting mistakes. She met his gaze bravely and provocatively, "She beat me first."

"Then why did it hurt her?"

Xia Xiwan curled her lips, overflowing. A little sneered, "Who told her she couldn't beat me."

Huarong almost fainted, "You...you, you..."

Lu Hanting raised a heroic eyebrow, and said to Xia Xiwan, "Come to my study."

Xia Xiwan lifted it. The heel went up, she was looking for him.

...In the

study.

Lu Hanting stood tall and straight at the desk, "Are you looking for me?"

Xia Xiwan nodded, "Yes, I am looking for you."

"Something?"

"Hua Rong just asked me to buy a condom. I just wanted to ask. You, what size do you want to use?"

Lu Hanting's handsome eyebrows frowned and he stretched out quickly. He reached out and grabbed the girl's slender waist and hugged her to sit on his desk.

With two big hands propped on her side, he lowered his sturdy waist and looked at her, with a curved line at the corners of his lips, "What size do you think I use?"

Xia Xiwan raised her eyebrows, "Come again Now, Lu Hanting, why do you always tease me?"

" Why did I tease you?" "I don't know what you

do, you hug me, kiss me, sleep with me, and take off mine. The veil, even let me...touch your waist, and now you have done all the things you even used to tease me with a box of condoms!"

Xia Xiwan felt that she had a lot to say, so she finished talking together now, "I am not responsible if you tease me, turn around and talk to another woman, Lu Hanting, let me tell you, I am not a bully. You must apologize to me now, although I won't forgive you, and I've decided, I'll move out tomorrow!"

Xia Xiwan really wants to move out, even if she moves out of Youlan Garden, she will give She brings a lot of trouble, but it's better than being sad and uncomfortable here.

Lu Hanting watched her white eyes slowly redden, but she stubbornly did not let the tears fall.

She still held up her slender back and confronted him, unwilling to lose a point of aura, Lu Hanting felt that she now... is really pitiful.

"The day was bad. I took a shower in the hotel room, but Huarong came in and connected my phone privately. I didn't know it. Yan Yi can testify about this."

"I know you are jealous, so I deliberately gave Huarong a chance. Take her home and take the opportunity to stimulate you. In fact, nothing happened with her. "

What?

Xia Xiwan's pupils shrank and looked at him blankly.

She didn't understand what he was talking about?

Lu Hanting looked pitiful and stupid when he saw her. His heart was soft and soft like a feather. "Wan Wan, I don't like that Huarong, and I don't want other women. I tease you because I like you, first. I might not have much experience in sultry this time. I swear that Lu Hanting had never done anything like taking a box of condoms to sultry."

Chapter 69

Xia Xiwan was stunned. She had already done a good job of teaching this pair of scumbags and then moved out to live in an unrestrained manner. She would never let herself be wronged again, but the development of things is completely beyond hers. Expected.

He said that nothing happened between him and Hua Rong.

He said that he likes her.

Xia

Xiwan, who was caught off guard to confess her confession, blinked the slender Yu Jie, "You...what you said is true?" Lu Hanting curled his lips, his low voice was low in mellow and magnetic, with the power to deceive people, "It is true. If you still don't believe me, then I will go to the hospital to prove that I am still a...male?"

Xia Xiwan immediately kicked him, a liar, a man can't do this check.

Lu Hanting kicked her, and there was an extra footprint on his trousers, and he didn't care. This little turtle with a shrunken head went to beat Hua Rong for him, which he had never expected.

Lu Hanting reached out his hand and held her small face, lowered his head, and kissed her red lips through the veil, "Wan Wan, be nice to me, okay?"

Xia Xiwan always wanted to stick to her heart, not to anyone. The chance to hurt her, but now in the lowly coaxing voice of the man, the wall in her heart collapsed.

She already likes him.

Xia Xiwan can no longer resist her own heart. When he is away, she will miss him. When he is injured, her heart will hurt. When he is with other women, she will be jealous and go crazy. ...

This feeling is very strange.

Xia

Xiwan allowed him to kiss him obediently, but her tone was fierce, "You have to think about it, I am fierce, if you have other women out there, I will hit someone !" Lu Hanting's eyes A bit of pampering and joy overflowed, "Have I ever said that your savage and savage appearance is the most charming."

Xia Xiwan felt sweet in her heart, she quickly pushed Lu Hanting away, and then ran back to her room. .

...

Hua Rong hasn't left yet. She lost too badly tonight. She must give Lu Hanting a lesson in Xia Xiwan, and then drive Xia Xiwan out.

At this moment Lu Hanting came out of the study, Hua Rong quickly greeted him, and sobbed pitifully, "Han Ting, that maid hit me, you see my body is hurt, you must avenge me."

Hua Rong wanted to snuggle. On Lu Hanting's body.

Lu Hanting stayed away quietly. The artificial perfume smell on Hua Rong's body disgusted him. He had already begun to miss the sweet girly body fragrance of Xia Xiwan. She had obviously left his arms just now.

"Director Hua, you don't need to go to work at the company from tomorrow, leave Haicheng by yourself, don't show up in my sight again."

What?

Hua Rong was shocked and froze on the spot. She looked at Lu Hanting incredulously, "Han Ting, what's wrong with you, this is not true, what did I do wrong?"

Lu Hanting gave Hua Rong a last look, "Your biggest mistake is to seduce me in front of my

wife Lu . " Mrs. Lu...?

That... maid?

Hua Rong's face turned pale after "brushing".

...In the

bedroom.

Xia Xiwan took a shower, and Lu Hanting had already taken a shower next door. She was wearing a dark blue silk pajamas, half leaning against the bedside to read.

Usually two people sleep separately, she sleeps on the bed, he sleeps on the sofa, and now he slept directly on the bed.

Although she acknowledged her heart, is this development too fast?

Lu Hanting raised his eyes from the book, his eyes fell on her, and then he reached out and patted the bed inside him, "Come up."

Chapter 70

Xia Xiwan stood still.

Lu Hanting put the book down and got up, "Do you want me to hug you?"

Xia Xiwan quickly climbed onto the bed and rolled inside.

She turned over, turned her back to him, and tried hard to stick to the wall, not touching him.

At this time, Lu Hanting reached out domineeringly and clasped the slender waist that she was holding Yingying, and directly pulled her into his arms.

Xia Xiwan's head was resting on his strong arm, and her small face was against his fine chest. She wanted to push him away, but his faint, smiling voice rang above her head, "So restless, why don't we have some entertainment Project?"

Very good, Xia Xiwan accepted his threat and dared not move.

At this moment a string of melodious cell phone ringing rang, and she called.

Xia Xiwan stretched out her small hand to touch out the phone under the pillow, Su Xi called.

She did not answer.

At this time, there was a "ding", and the text message came. It was a stringer from Su Xi. Answer the phone.

The phone's ringing is still ringing, and Su Xi is making calls over and over again.

Xia Xiwan didn't intend to pick it up. At this time, the mobile phone in her hand was snatched by a big hand with distinct bones, and Lu Hanting directly took her mobile phone.

The dim light on the bed was plated with the handsome and delicate face of the man, and he pressed his thin lips, his indifferent expression revealed a bit of danger.

Lu Hanting wants to answer the phone.

"Don't pick it up!" Xia Xiwan quickly stopped him.

Lu Hanting turned his head and glanced at the girl, his deep narrow eyes slowly narrowed, "Why, I'm afraid I will deal with him?"

"No, this is my business, we have the first thing to say, you can't interfere with my business."

"Oh. "Lu Hanting threw her mobile phone on the bed cabinet, and the movement was a bit loud.

Xia Xiwan knew that he was angry, this man was domineering and strong, and naturally didn't like his woman being coveted by other men.

Xia Xiwan raised her head and quickly kissed his handsome face.

Lu Hanting also threw the book in his hand on the bed cabinet. He lowered his head and bit the corner of her lips.

hiss.

Xia Xiwan was in pain.

Lu Hanting loosened her red lips, but the two of them were still entwined. His slender fingertips held her small face, and then shuttled into her pure long hair, "Mine, you are mine, understand? "

Understood, but I will handle Su Xi's affairs with the Xia family myself. Although...I am with you now, but I don't want to rely on you. I want to be independent by myself. I want to do something besides Israel. A woman you admire."

Lu Hanting looked at her bright Jiantong, and now she persisted like this. She has her own stubbornness and pride, and Bingxue is smart.

Lu Hanting stretched out his hand and slowly took off her veil.

She showed a stunning little face, and compared to the stunning appearance in the bar that day, she is now softly nestled in his arms, which is more attractive and charming.

Lu Hanting never denies that he is also a layman, he likes her face, and he will be moved by it.

He bowed his head and kissed her.

Xia Xiwan's little hand grabbed the pajamas on his chest, she had never felt this way before, her body softened into a pool of water in his kiss.

Xia Xiwan moved her small hand down and hugged his delicate waist.

Lu Hanting suddenly released her and opened his eyes. The corners of his narrow eyes were stained with scarlet red.
