

Chapter Thirty One

At this moment, Liu Xiangyun heard the creaking sound of the door lock on her balcony, and it seemed that someone was unlocking it outside.

Liu Xiangyun knew who it was without guessing. Liu Xiangyun was very angry. It turned out that she underestimated Tang Zichen's courage. She thought that Tang Zichen would have to do something in the middle of the night, but she didn't expect that she would dare to attack her after ten o'clock.

Liu Xiangyun immediately returned to the bedside, hid the knife behind him, and said angrily: "Tang Zichen, as long as you dare to step into my room for half a step, I will call the police."

At this time, the creak of unlocking stopped, and Tang Zichen's voice stopped. came out: "ha ha, the very tight lady, door locks Well, you know to protect yourself, I can rest assured, I was just testing you look at it, do not worry."

"Tangzi Chen, you go away."

in Outside the balcony, Tang Zichen was carrying a burly man who was knocked out.

"Miss, if you have something to call me, I'm right next door."

"Get off." Liu Xiangyun roared angrily.

After Tang Zichen finished speaking, carrying the burly man, he jumped from the balcony on the third floor and landed silently.

Just when Tang Zichen returned from the outside, he heard a movement, and then Tang Zichen stunned the burly man who was unlocking with a palm. It happened that the young lady was misunderstanding him, but Tang Zichen did not give any explanation. Because Tang Zichen didn't want Miss to worry, if there was any trouble, Tang Zichen would solve her silently. Of course, even if Tang Zichen explained it was useless, because the young lady would definitely not open the door.

Tang Zichen carried the burly man who passed out and came to the back of the villa.

"Slap." Tang Zichen slapped the burly man to wake up,

"Who, who attacked me." After waking up, the burly man hurriedly got up.

Tang Zichen smiled and said: "You don't even know who stunned. Just this three-legged cat, you are

embarrassed to come out ." The burly man looked at Tang Zichen and said in horror: "You stunned me?"

"Otherwise, who else is there."

"You." The burly man looked at Tang Zichen incredulously. His name was Sang Biao, one of the strongest generals under the deputy head of Fengyun Hall, Lu Bing, but he didn't expect it to return. Someone stunned him without noticing him.

Tang Zichen's eyes suddenly cold, and he asked, "What do you want to pry on our lady's door?"

"I."

"Say, don't blame me for being polite." Tang Zichen raised his hand.

"I said, I said, our boss called me to come."

"Who is your boss?"

"He is Lu Bing, one of Fengyuntang's deputy directors. His son went to Liu Chenming's company to interview personal bodyguards in the afternoon, but Liu Chenming didn't give face. , So the boss asked me to catch Liu Chenming's daughter."

"What are you doing?" Tang Zichen frowned.

"Originally, the boss said, let me strengthen Liu Chenming's daughter. Later, Master Lu Guan said, don't be strong and let me take it back. Therefore, Master Lu Guan must have been sleeping when

she was taken back." Tang Zichen was angry: " I thought this world is very peaceful. I didn't expect that there were so many rascals. If I didn't come back soon, you would have been taken away by your bastard."

Tang Zichen felt scared. If the young lady is really taken away, Where can Tang Zichen find it? Tang Zichen is very new to this city, and he can't find the address so quickly.

"Can I go now?" the burly man asked.

"Fuck you." Tang Zichen kicked his head and said angrily: "Do you think you can come as you want, and

leave if you want?" "Then what do you want?" Tang Zichen wanted to kill him. He, but this person is only a small person after all. The government of this world is very strict, and Tang Zichen does not want to get Liu Chenming and Liu Xiangyun into murder. Liu Chenming asked the bodyguard just to make his daughter safer. If it caused him a lot of trouble, it would be better not to invite him.

However, a homicide case can not be committed, but a bad beating is absolutely indispensable.

"Bang, bang, bang." Tang Zichen grabbed the burly man and beat him wildly, leaving the burly man with a bruised nose and a bloody head.

"Go back and tell Lu Bing that if you dare to touch my young lady's hair, don't blame me Tang Zichen for being rude."

"Yes, yes, I don't dare anymore."

"Go away." The

burly man ran away embarrassed. , and

Tang Zichen back at the villa, leap, fly balcony on the third floor of his room.

Tang Zichen pressed his hand on the wall, closed his eyes and felt the next room to see if there was anything wrong with the young lady. He heard Liu Xiangyun's heartbeat. Liu Xiangyun's heartbeat was fast. He seemed very scared. Maybe he was afraid that Tang Zichen would come in the middle of the night. Pry the door.

Tang Zichen sighed before turning on the TV in the room and watched it with gusto.

An hour later, in a villa, the burly man kneeled in the living room with a blue nose and a swollen nose. Next to him was kneeling another thin man who also had a blue nose and a swollen nose.

Lu Bing was full of anger. He sent two masters, one to teach Song Daitian and his daughter, and the other to catch Liu Chenming's daughter, but as a result, both masters came back with swollen noses and swollen faces. There was also a mercenary bodyguard sent to follow up and beat his man and woman, but he didn't even return.

Sangbiao cried: "Boss, what are you doing? You almost killed me. The bodyguard Liu Chenming invited to his daughter has a high level of martial arts. I am not an opponent at all. I almost can't return. I will do this kind of task in the future. I won't do it either."

Heiyun next to him also cried out: "Boss, Song Daitian also hired a bodyguard, and that bodyguard has a background. I heard that he came down from the mountain, and his master is the killer of the entire empire. The top 20 in the rankings. Boss, I'm sorry, I'm ashamed of you, I

pissed out on the spot." Lu Bing patted the table: "It's all waste."

"Woo, Boss, we really can't do it."

Lu Bing pondered for a while and said, "It seems that Song Daitian is really not easy to mess with, he has a backstage. But what is Liu Chenming, why can he even step on my face. Go, check it out for me, the one Liu Chenming requested What is the bodyguard?" The

blackhead asked, "Boss, what about

Song

Daitian's side?" "Song Daitian's side is for the time being, let's talk about it later." Early the next morning, Tang Zichen watched an all-night TV series. , Walked out of the room and stretched out on the balcony.

It happened that Liu Xiangyun also walked out of the balcony and saw Liu Xiangyun two dark circles under his eyes. Tang Zichen knew at once that the young lady must have been unable to sleep last night because she was always worried that Tang Zichen would slip into her room.

"Miss, I didn't sleep well last night."

"Humph." Liu Xiangyun glared at Tang Zichen. Although Tang Zichen didn't pry at her door last night, he still didn't give Tang Zichen a good face.

Tang Zichen smiled and said: "Miss, look at it, did nothing happen last night? You were worried about everything."
