

Chapter 2644

At this moment. In the Bieyuan behind the Imperial Palace.

Although there is no Yuyao Xianyuan in this area, it is elegant and delicate in every aspect.

At this time, Empress Hua Zhao sat in the pavilion of the Bieyuan Garden, facing the beautiful scenery in front of her, she was extremely melancholy and sad.

Nine Heavens God is gone, what about the beautiful scenery?

"Manny!"

At this moment, a figure came slowly, wearing golden soft armor with an

extraordinary aura, it was the Haotian Divine Sovereign.

Seeing God Lord Haotian coming, Empress Hua Zhao waved her hand and motioned to the maid beside her to retreat.

At this time, the Haotian God Lord walked to the front and respectfully bowed: "I rushed to disturb Niang Niang, and hope to redeem her sin." While talking, his eyes couldn't help but look up and down Hua Zhao Niang Niang.

Because of the death of the Nine Heavens, Empress Hua Zhao changed into a fine robe, and she was only wearing a plain dress at this time, but her graceful appearance could not be concealed, and she even revealed a different kind of

charm.

Speaking of which, God Sovereign Haotian has been secretly in love with Empress Hua Zhao, but because of the identity of the other party, he has never dared to have the slightest blasphemous heart. Now that God of Nine Heavens is not there, God Sovereign Haotian has lost a bit of scruples in his heart.

However, God Monarch Haotian knew that this was not the time to talk about the love between men and women, and that the purpose of his meeting this time was also for Yue Feng.

Feeling the gaze of God Monarch Haotian, Empress Hua Zhao didn't have the slightest displeasure. As a woman of the Nine Heavens God, she had been very

clear all these years that God Monarch Haotian liked herself.

Speaking of which, Empress Hua Zhao also admired Haotian God Sovereign very much, but due to her identity, neither of them pierced this layer of window paper.

"You came!"

At this moment, Empress Hua Zhao raised her hand and signaled God Monarch Haotian to dismiss the ceremony, and said softly, "What's the matter?"

Haotian Divine Lord brewed, and cautiously said: "Mother, I think it is a bit unreasonable to put Yue Feng in the jail, after all, he has made contributions to our God's Domain. Without him, the demons could not be eliminated so quickly. I

hope....."

When he said this, God Monarch Haotian was very sincere.

In fact, he was not trying to help Yue Feng, but for the sake of Empress Hua Zhao. After all, the Nine Heavens God had fallen. At this time, Empress Hua Zhao was temporarily in power in the entire Divine Realm, but she was a great hero in the presence of many priests. Yue Feng entered the prison, how could he convince the crowd like this?

Yue Feng! It's Yue Feng again.

Seeing him mentioning Yue Feng, Empress Hua Zhao's delicate face suddenly showed some impatience and irritation: "Don't tell Yue Feng before me.

It's not him. Your Majesty will not die. I haven't killed him now. , It's already a kindness."

Ugh!

Hearing this, God Monarch Haotian sighed and explained patiently: "Manny, I am not pleading for him, I am for you..." He said, he said what was in his heart.

for me?

Empress Hua Zhao's body trembled, she stared at God Monarch Haotian for a moment, and her red lips lightly opened: "Haotian, I understand what you think of me, but I don't do this just to vent my anger. There are other plans."

Well...

Haotian Divine Monarch was stunned, and couldn't help saying: "Manny, what are you..."

Before she finished speaking, she was interrupted by Empress Hua Zhao:

"Haotian, you should know that your majesty has given a verbal message that Aolin will be the next emperor."

God Monarch Haotian thought for a while, nodded and said: "Yes, your majesty did say it."

"That Ao Lin was only born of your majesty and a maid, how can He De be the next emperor?" Empress Hua Zhao coldly snorted, her delicate face was full of dissatisfaction: "The proud emperor I was born, what is not more proud of Lin Chai?"

Having said that, Empress Hua Zhao breathed a sigh of relief, and continued: "Your Majesty is gone, and a new emperor will be elected in a hundred days. At that time, because of your majesty's verbal decree, someone must recommend Ao Lin, and Yue Feng is proud. Master Lin, you said, what should I do in this situation?"

"Although Yue Feng is from Kyushu, he is a genius of Tianzong. With his teaching, Aolin's strength in all aspects must be better than my son Aotian, so I must start to be strong."

At the end of the talk, Empress Hua Zhao's expression was Ling Ran, beyond doubt.

call...

Hearing these words, Haotian God
Monarch Mao Sai suddenly understood.

Chapter 2645

It turned out that the empress detained Yue Feng not only to vent her hatred, but to pave the way for Prince Ao Tian to sit on the emperor in the future.

It's just..... At the beginning, the Nine Heavens God had issued an order to let Prince Aolin take over, but now Empress Hua Zhao suddenly did this, can it be done?

Thinking about it, Haotian Shenjun took a deep breath and said his thoughts.

"Haotian!"

Empress Hua Zhao bit her lip lightly and whispered: "I know all this in my heart, so I need your help."

"Me?" Haotian God Sovereign stunned, a little puzzled for a while: "How can I help?"

Empress Hua Zhao smiled lightly, and said: "You are a divine lord under one person in the realm of God, above ten thousand people, and the right arm of your majesty. As long as you are in the Imperial Palace, you publicly support Aotian as the next emperor, I believe, No one dares to object."

When she said this, Empress Hua Zhao looked over, staring at each other with God Monarch Haotian.

this....

Feeling this gaze, Divine Monarch Haotian throbbed in his heart, and at the same time he was a little surprised: "Is this

good? After all, your Majesty has given a verbal statement. If I deviate from his last wish and turn to support Aotian, wouldn't it be rebellious? "

God Monarch Haotian is straightforward and doesn't want to do treachery.

"Ugh!"

Seeing him hesitate, Empress Hua Zhao sighed faintly: "If you don't want to, just forget it. Anyway, your Majesty is gone. All hope in my heart is also shattered.

Tomorrow I will return to Yuyao Xianyuan with Aotian, our orphan and widow. Just be there for a lifetime."

At this time, Empress Hua Zhao's delicate face was full of sullen loss, and her pitiful appearance was pitiful.

However, her gaze was always paying attention to the changes in Haotian Divine Lord's expression.

Empress Hua Zhao has a quick mind, so she doesn't really want to give up, but to retreat.

God Monarch Haotian didn't answer for a while, but frowned in thought.

"Haotian!"

At this time, Empress Hua Zhao gently held the arm of God Sovereign Haotian, and said softly: "For so many years, I know what you think of me, and I admire you very much, but it's a pity that our identities are different."

"Originally, I thought that if Aotian became the emperor of heaven, we two would assist him together, and we would be able to see each other often. It doesn't seem to work now."

"I only have one last wish. Aotian and I live in Yuyao Xianyuan in seclusion. In the days to come, you can come and see me often. Okay?"

The words, with honey and tenderness, are deeply moving, especially at this time, with the pitiful appearance of Empress Hua Zhao, it is difficult for any man to refuse.

this...

God Monarch Haotian also moved his heart, and his mood surged instantly.

It turned out that the empress did this to create opportunities with herself. She was so stupid that she didn't even expect this.

If Aotian becomes the emperor of the heavens, and her empress status will rise with the tide, she will be able to summon herself more conveniently in the future...

Thinking of this, God Monarch Haotian could no longer restrain him, gently hugged Empress Hua Zhao in his arms, and his eyes became firm: "Okay, I promise Empress Aotian that I will definitely help Aotian sit on the emperor. I will protect Empress forever. "

Huh!

Haotian Divine Lord's movements made

Empress Hua Zhao's delicate face a little shy, a blush instantly rose up, but she felt the warmth on his body and did not break free.

For a while, both sides did not speak any more, feeling each other quietly.

The atmosphere in the pavilion is also a little more subtle.

"Queen!"

At this moment, a shout came from not far away, and a figure entered the Villa.

A silver robe, extraordinary nobleness, handsome facial features, but between the eyebrows and eyes, there is an unruly arrogance.

It was the son of Empress Hua Zhao,
Prince Ao Tian.

call...

Seeing Prince Aotian coming over, Divine Lord Haotian and Empress Hua Zhao were shocked and hurriedly separated.

Soon he arrived, and the Emperor Aotian saluted Empress Hua Zhao: "My son has seen his mother's queen."

As he said, he nodded at God Haotian again: "His Majesty." God Haotian is second only to God of Nine Heavens. He is also the protector of Yutian Palace. His position is superb. Even if the prince sees him, he must be courteous. .

Haotian nodded, then stepped aside.

Chapter 2646

"Aotian, why are you here?" At this moment, Empress Hua Zhao adjusted her emotions and asked softly, "Aren't you cultivating in Yuyao Xianyuan?"

"Emperor father is dead, how can I still be in the mood to practice?" Prince Aotian replied in a depressed voice, and then to Empress Hua Zhao's consolation: "Mother, don't be too sad."

Um!

Empress Hua Zhao smiled bitterly: "The queen mother is very pleased that you can see me so soon."

With that said, Empress Hua Zhao first glanced at the God Sovereign Haotian

next to her, and continued: "Heaven, there is an important thing, you must be serious."

"What's the matter?" Prince Aotian was taken aback and responded.

Empress Hua Zhao breathed a sigh of relief, her delicate face full of dignity; "Your father is gone, but the entire God Realm cannot be ruled for a day. Do you want to succeed to the throne, the emperor of the day?"

What?

Hearing this, Prince Aotian's heart was shocked, and he was very shocked: "What did you say about the queen? Do you want me to be the emperor of heaven?"

Seeing Empress Hua Zhao nodded, Prince Ao Tian's eyes changed, and he smiled bitterly: "I remember that at a banquet, the father of the emperor gave an orally to let Ao Lin be the next emperor. How can I have a chance?"

When he said this, Prince Ao Tian looked bitter, but his eyes were very unconvinced.

In terms of talents and strength, he is no worse than that Aolin, but the father has always liked Aolin since he was a child, and he was the first to think of him no matter how big or small it is.

Seeing the reaction of Emperor Ao Tian, Empress Hua Zhao smiled lightly and said softly: "It's because your father said that we have to fight for it, God, as long as you want, the queen will give you full support."

With that, Empress Hua Zhao pointed to the Haotian Divine Sovereign next to her: "Not only is it behind the scenes, but the Divine Sovereign will help you with all his strength."

"Yes!"

When the voice fell, God Monarch Haotian nodded earnestly: "I will do my best to help the prince ascend to the throne, but this requires the cooperation of the prince."

Ha ha....

Seeing this situation, Prince Ao Tian was taken aback for a moment, then smiled, unspeakably excited.

Great, with the support of the Haotian Divine Sovereign, the chance of becoming the Emperor of Heaven by oneself will be greatly increased.

Excited, Prince Ao Tian quickly nodded: "Thank you, Your Excellency Shen Jun, when I become the Emperor of Heaven, I will definitely not treat you badly."

God Monarch Haotian nodded, and then looked at each other with Empress Hua Zhao, and both smiled.

"All right!"

A few seconds later, Empress Hua Zhao smiled lightly: "I am an empress, it's not convenient to participate in politics.

When the gods are waiting, I will gather all the priests and discuss the matter in

the Imperial Palace. I will go back to Yuyao Immortal Garden and wait for your kindness. information."

"good!"

God Monarch Haotian nodded, and then rushed to Yutian Palace.

The prince proud and excited, followed closely.

A few minutes later, the Imperial Palace.

All the priests rushed to receive the call of the Haotian Divine Sovereign.

call!

At this moment, seeing Prince Ao Tian sitting on the throne, and Divine

Sovereign Haotian guarding the side like an iron tower, the expressions of all the priests were complicated and very surprised.

What's happening here?

Why did Prince Ao Tian sit on the throne, do you want to usurp the throne?

"Everyone!"

At this moment, Haotian Divine Sovereign looked around and said each word: "Your Majesty is dead, I am in grief just like everyone else, but God's Domain cannot be left alone for a day. Therefore, I decided to temporarily select a person with both virtue and ability. The prince, temporarily taking the throne of the emperor, will officially hold the succession

ceremony in a hundred days after your majesty."

As he said, God Monarch Haotian raised his hand and pointed at Prince Ao Tian: "Prince Ao Tian, he was smart, studious and talented since childhood. He is the most suitable candidate, so I decided to let Prince Ao Tian take the place of the emperor temporarily. What do you think? ?"

The voice was deep and loud, resounding through the entire Imperial Palace, and even more revealing an indisputable domineering.

Wow...

Upon hearing these words, the priests present were in an uproar.

"Let Prince Ao Tian be the emperor of heaven, this..."

"Even though Prince Ao Tian is good, he's almost an emperor, right?"

"Yes, I remember your majesty once issued an orally to ask Aolin to be the next emperor."

The priests talked a lot, and none of them stood up to support it, because they were all present when the Nine Heavens God issued an oracle.

Chapter 2647

Huh!

Seeing the scene in front of him, the prince Ao Tian sitting on the throne, his face was gloomy for an instant, and he was indescribable annoyed.

Mad, in the hearts of these priests, is Aolin really better than me?

"Don't panic!"

Seeing his face, God Monarch Haotian lowered his voice: "Leave this to me."

With that said, Haotian Divine Lord stepped forward and said in awe-inspiring manner: "What are you whispering about? Do you have any objections? If there are

no objections, this is the case."

The sound is not loud, but full of aura, beyond doubt.

After the last word fell, God Sovereign Haotian took out a golden sword and was about to give it to Prince Aotian. This sword was exquisite and exquisite, and it was the Sundanese wind thunder sword used by the God of Nine Heavens.

This sword belonged to the Nine Heavens God, and it was handed over to Prince Ao Tian to prove that sitting on the throne is justified.

call....

Seeing this situation, the following priests, look at me, I look at you, their

expressions are extremely complicated.

"Wait!"

Finally, a figure strode out and stopped the Haotian Divine Lord: "Everyone hasn't made a decision, you decide without authorization. Isn't it too trivial?"

The righteous words on his face are the sage monarch of Yaori.

Wow.

The moment the voice fell, several priests also walked out and accused Haotian Divine Sovereign.

"Yes, it is a big deal to support the next emperor, how could it be so hasty?"

"God Haotian, the first emperor treats you very seriously, and he once issued an oral statement that he wants Ao Lin to succeed the emperor, but now you want to succeed the emperor Ao Tian, so treachery, what is your intention?"

The accusations kept coming, and Haotian Shenjun's face sank, and he said coldly: "You are right. The first emperor did give an orally to make Prince Ao Lin the next emperor, but at that time he just said that there was no Clearly issued an edict."

"I think Prince Ao Tian is better than Ao Lin both in character and talent, and he is the most suitable candidate to be the Emperor of Heaven."

"Ha ha!"

As soon as the voice fell, Holy Monarch Yaori couldn't help but sneer, looked directly at God Monarch Haotian, and retorted: "Haotian, do you say that Prince Ao Tian is better than Prince Ao Lin? It's ridiculous!"

"Prince Aolin possesses both ability and political integrity, and is more popular with the first emperor, so he is the real candidate."

"You did the opposite today. You have to support Emperor Ao. From my point of view, it is fake that you support Emperor Ao. Is it true that you want to seize the opportunity to take power in secret?"

Wow!

As soon as this remark came out, there

was a lot of discussion around!

Haotian Divine Sovereign has always been loyal to Jiutian God, but today he violated his last wish, which is really suspicious.

For a moment, Haotian God Lord blushed, and for a while he was speechless. You know, he supports the Emperor Ao Tian in public, and he does have selfish intentions. He just thinks that he can meet with Empress Hua Zhao more in the future, but at this time, being mocked by the sage of the sun at this time is too suffocating.

Moreover, Haotian Divine Monarch never expected that the Sunshine Holy Monarch, who has always been easy-going, would dare to confront himself in public today!

For a while, the atmosphere became a little serious.

Snapped!

At this moment, the prince Aotian, who had been silent, stood up abruptly, slapped the throne, and glared at Shengjun Yaori with his face full of anger: "Shengjun Yaori, you are so bold, dare you to say that this prince is not as good as Aolin? You? Are you looking for death?"

The prince proud of his personality was unruly and rebellious, and he relied on his identity as a prince on weekdays, and was arrogant. At this time, seeing the prince on the sun belittle himself in public, he suddenly became murderous in his anger.

"His Royal Highness..."

Facing the anger of Emperor Aotian, Shengjun Yaori didn't panic, and responded neither humble nor arrogant: "I don't have the slightest disrespect, I just talk about the matter. Although the prince's ability is good, he is still a little worse than the prince Aolin. I am also thinking about the future of our God's Domain."

"you....."

Hearing this, the prince Aotian almost exploded in anger, pointing at the sage of Yaori, and trembling all over: "Are you really afraid of death?"

On the sun, the holy monarch looked indifferent and his attitude remained!

At this time, God Monarch Haotian whispered comfortingly: "His Royal Highness, let me deal with it!"

As he said, God Monarch Haotian looked at Saint Monarch Yaori and said coldly: "This matter has already been set by the Lord, and you can't tolerate your refutation."

However, the sage monarch of Yaori refused to give an inch, his face was awe-inspiring: "Haotian, what qualifications do you have to identify the right of the emperor's successor? Do you want to cover the sky with one hand?"

Chapter 2648

"Bold!"

Seeing that his oil and salt were not coming in, God Sovereign Haotian was also angry: "In the Imperial Palace, how can you let you go wild?"

As the words fell, the Haotian Divine Lord's figure burst out, rushed directly, and slapped the Yaori Shengjun with a palm.

To be honest, God Monarch Haotian didn't want to make a move, but Holy Monarch Yao Ri repeatedly challenged his authority and couldn't help it.

"Afraid you won't make it?"

Seeing the Haotian Divine Lord with a palm, the Yaori Divine Lord did not mean anything: "Don't think that you have a high status and you can do whatever you want. The Imperial Palace is not a place for your personal gain!"

this....

Seeing this scene, the other priests around were stunned!

No one expected that the Haotian Divine Lord would suddenly make a move, not to mention that the Yao Ri Shengjun had such a backbone and dared to fight forward.

In a blink of an eye, the two sides slapped a hand!

"bump!"

The palms of the two sides collided, and the sage of the sun only felt a strong force coming, he staggered back a dozen steps, and finally hit the pillar before stopping.

However, the powerful vibration still made his face pale, and a trace of blood leaked from the corner of his mouth.

The strength of the Haotian Divine Lord in the Divine Realm is obvious to all.

Obviously, this palm has suffered a big loss for the Yaori Divine Lord.

At this time, the face of Haotian Shenjun was extremely cold, and before the Yaori Shengjun stood still, he quickly walked over and slapped the Yaori Shengjun's

face with a fierce slap!

"Snapped!"

With a crisp sound, I saw the body of Shengjun Yaori, flying out more than 20 meters again, and finally fell heavily at the gate of Yutian Palace!

hiss!

Seeing this scene, the priests present took a deep breath!

This Haotian Divine Monarch is worthy of the first emperor's right-hand man. His strength is too strong. It was just a move that defeated the Yaori Holy Monarch.

"good!"

At this moment, the prince Aotian stood up excitedly and pointed at the prince Yaori and said fiercely: "Save you this kind of trash, and dare you to point to this prince? His Royal Highness Haotian, immediately kill him!"

The prince Aotian has a violent personality. At this time, he doesn't care about the loyalty to the gods of the Holy Monarch of the Sun. He only knows that whoever does not let himself be the emperor of heaven will die.

Gudong!

Sensing the killing intent of Emperor Ao Tian, Shengjun Yao couldn't help swallowing his saliva and panicked completely.

This proud prince is too cruel, but if he didn't support him, he would kill me?

Puff!

Panicked, Shengjun Yao hurriedly knelt down and repeatedly begged for mercy: "His Royal Highness makes atonement, I am not disrespectful at all. Just now I was confused and pleaded for mercy and mercy..."

However, Prince Aotian, with a cold face, waved his hand and said: "Now I know it is wrong, it's too late. Haotian is tortured immediately."

call....

God Monarch Haotian took a deep breath and walked over and said in a low voice:

"Although Saint Monarch is abhorrent this day, the sin is not dying, and the first emperor has not yet arrived in a hundred days. If he is killed, it will be inconsistent with reason."

When he said this, God Monarch Haotian looked serious, but his heart was extremely complicated.

This Aotian's personality is too violent. If he really became the Emperor of Heaven, it would not be a good thing for God's Domain. He had promised Niang Niang before, and I didn't know if it was right or wrong.

"good!"

Hearing the dissuasion, Prince Aotian took a deep breath and looked at the

Yaori Sage coldly: "Since His Highness Haotian helps you intercede, then I won't take your life, but the death penalty is unavoidable, and the living sin cannot escape. "

As he said, Prince Aotian waved and called in two magic soldiers: "Put him in a jail, and wait for the father to be a hundred days later before convicting him of offense."

"Yes!"

Upon hearing the order, the two god soldiers dragged the Yaori Shengjun out of the Imperial Palace and locked him in the sky prison.

call....

For a while, the entire Imperial Palace was silent.

Seeing the sage monarch in Yaori was locked up in the sky prison, the other priests were all silent, not daring to speak rashly.

In particular, those who had opposed opinions were even more trembling, and didn't dare to make a splash.

Seeing this scene, God Monarch Haotian nodded in satisfaction, then walked out, knelt down at the prince Aotian in public, and shouted: "Subordinate Haotian, see your Majesty."

When he said this, the figure of Empress Hua Zhao emerged in Haotian's mind.

The trend is over, and the empress will be very happy if she knows.

Wow!

When the voice fell, other priests around also knelt down and shouted in unison.

"See Your Majesty."
