

## Chapter 2766

' Why don't I go look at where the Endless Sky members are resting? It would be great if I can find Zhang Jue.' When he thought of that, Darryl headed toward the Endless Sky Organization's resting pavilion in the dark.

What?

Darryl noticed two figures walking secretly as he entered the hall's entrance; they looked suspicious. Anger started to boil in Darryl's mind when he saw the identities of those two people.

They were Zhang Jue's disciple, Vito Chapman, and the person who impersonated Darryl, Harold Lionel.

Of course, Harold had stopped pretending to be Darryl and had reverted to his original self. Darryl could not recognize him at that time.

Darryl wanted to charge forward and take down the two of them. However,

once he realized he was in the North Moana royal palace's side garden, he exerted strong control over himself and hid behind a tree, Darryl's reaction was so quick that neither of them realized he was there, " Brother Harold!

At that moment, the corner of Vito's mouth lifted with an evil grin. " We are the only people who can complete the assignment that Master has assigned us. I heard Zoey from the Jade Sect is also a goddess in the community. We might be able to taste her sweetness after we capture her!" Then, they laughed.

" That's right!"

A smile appeared on Harold's face.

Lately, the Endless Sky Operation is getting stronger. Countless sects had joined us secretly. Of course, there are still a few that do not respect us! "

' Master had asked Zoey from the Jade Sect to join us a month ago, but she had refused to ally with us. How arrogant!

" Luckily, Master has a good plan. He's using this Supreme Conference to lure Zoey here. Later, we will trick her into coming out to see us. And when we've abducted her, you can do whatever you want!"

Harold's eyes were hideous when he said the last sentence!

Sh \* t!

Darryl could hear the two persons ' conversation clearly

" Just as I expected, this Supreme

Conference is a trap. ' At the same time, Darryl was impressed too, Zoey might have looked soft and weak, but she had her principles. She had refused Zhang Jue's invitation to ally with him.

Zhang Jue, on the other hand, carried

vengeance in his heart. He had sent his disciples to ambush Zoey the night before the Supreme Conference.

' Since I bump into that, I will never let you all get what you want.'

Darryl took a deep breath and secretly followed them when he realized that.

Darryl wanted to rush forward and question Vito and Harold about their plan to ambush Zoey. However, he was concerned that he would alert them unnecessarily, so he exerted strict control over himself.

Vito and Harold were completely unaware that someone was following them. They chatted softly and smiled as they made their way toward the pavilion where the Jade Sect was resting

Soon, Vito and Harold arrived in front of the Jade Sect's pavilion. It was obvious both of them had already planned their action that night. They had already set up, and they were familiar with the environment there

Sigh!

Darryl saw Harold take something from his body and paste it on his own face. He immediately transformed into a different person!

Sh \* t!

Darryl, who stood behind him, took a deep breath; his anger boiled.

He saw Harold retrieve a unique mask; it was Darryl's look from three years ago.

Darryl understood immediately. That man was the person who pretended to be him at the Saint Sect.

Laughter ensued.

When Vito saw Harold's new face, he complimented him. " Master is really powerful; he managed to create such a real mask. If I hadn't known any better, I would have thought you were Darryl!"

Vito smiled. " I am pretending to be Darryl to trick Zoey into coming out. Even if there are any mistakes, Darryl will take the blame. It has nothing to do with us!"

" That's right!"

The both of them laughed as they spoke. Then, Harold cleared his throat and walked toward the door.

## Chapter 2767

At that moment, Vito quickly hid in a nearby garden.

"Stand right there! Who are you?"

When he got to the door, he heard yelling. Reddy walked forward quickly and stood in front of Harold!

Even though they were in the palace's side garden, the Jade Sect did not let their guard down. Reddy, as the senior sister, was in charge of patrolling the area. She went over to inquire as soon as she noticed someone there!

"I apologize for disturbing you; please inform Sect Master Jenn that Darryl Darby would like to meet with her!"

Harold said with a smile.

Darryl?

Reddy's body trembled, and she could not help but check out Harold. '

Rumors are spreading throughout the Nine Mainland that Darryl disrespected Lady Chang Er and committed a great crime. How dare he still come to the North Moana royal palace.

"Why do you want to see our master?" Reddy asked as she pondered.

Harold's eyes rolled back as he smiled and said, "It is a critical issue concerning the safety of the Jade Sect. My beautiful lady, please assist me in informing her!"

That ...

"Alright, please wait here for a moment," Reddy said after a brief pause. She turned around and walked into the pavilion and headed toward Zoey's room!

Harold chuckled inwardly.

He was overjoyed that his identity had not been revealed. He exchanged glances with Vito, who was in the shadows. They were both very excited and emotional!

Darryl, who was hiding behind them, furrowed his brows discreetly at the same time

'Sh\*t, that guy is so engrossed in pretending to be me

Darryl wanted to dash forward at the

time, but he was able to restrain himself. He was curious to see what tricks those two people would pull that night!

Soon after, Reddy walked out, followed by Zoey!

" Sect Master Darby! "

Zoey spoke softly as she walked in front of him; she also observed the man.

Zoey was dressed in a long, dark purple gown. She resembled a fairy in her subtlety, softness, and elegance. Even though she was a little tired from the journey, her magnificent aura could not be hidden. It even added to her individuality!

Wow!

When they saw Zoey in front of them, whether it was Harold or Vito hiding among the bushes, they could not help but take a deep cold breath. They could not move their gaze away from her. Beautiful, so beautiful!

They had heard that the Sect Master of Mistloren's Jade Sect was charming and elegant. It seemed like she did live up to their expectations.

Sect Master Jenn! "

Harold finally gathered his thoughts. He smiled and turned to face Zoey."

There is a critical issue concerning the safety of the Jade Sect. Is it possible for Sect Master Jenn to accompany me alone? "

Harold sounded serious when he said that, but he continued to stare at her.

" Sect Master Darby, you may speak here! " Harold's stare made Zoey very uncomfortable.

At the time, Zoey had a terrible impression of the man in front of her eyes-Darryl.

' I assume he's an honest man because he's the Elysium Gate Sect Master. I had not believed the rumors about Darryl disrespecting Lady Chang Er. Now that I think about it, this person is not an honest man at all.!

Harold was taken aback when he was rejected. He kept a smile on his face

and said, " Sect Master Jenn appears to have a bad impression of me. That's fine; I shall leave since you do not believe me!"

As he spoke, Harold pretended to leave to trick Zoey!

She felt a little panic in her heart when she saw Darryl was so decisive about

leaving. She immediately said, " Hold on. I shall accompany you since you came specifically to look for me, Sect

Master Darby."

At that moment, Zoey still did not realize that the person in front of her was not Darryl.

## Chapter 2768

Harold chuckled inwardly. She stepped into our trap!

Harold was ecstatic at that precise moment. He quickly took the lead in front, leading Zoey to a nearby flower garden. Reddy was right on his tail!

At the time, Zoey and Reddy did not notice anything out of the ordinary.

Sigh!

Darryl secretly followed behind them when he saw that.

When they arrived at the small flower garden, Zoey exclaimed, " Sect Master Darby, what is the matter? Tell me right away!"

Reddy, who was beside her, observed her surroundings discreetly. It was late at night, so no one was around.

" Sect Master Jenn, what's the hurry ?!" Harold said as he smiled.

Whoosh!

Vito, who was hiding in a dark corner, dashed out just as he finished speaking. He raised his hand and punched Reddy on her back.

Bang!

That happened far too quickly. Reddy had no time to respond at all. At the same time, she had no idea that the

Darryl in front of her would set a trap for them!

That punch smacked Reddy in the middle of her back. Reddy moaned as her body weakened. Then, she collapsed on the ground!  
What?

When Zoey saw that, her expression changed; she was stunned and enraged. " Darryl! How dare you ?! How dare you trick me into that garden and attack my disciple?" she yelled at Harold.

Zoey was furious, but she did not know the man in front of her was an imposter.

Harold laughed coldly; his eyes shone with malice. " What about the palace garden? Well, we have controlled the entire royal city. Besides, I am not Darryl!"

Harold activated his internal energy and charged toward Zoey to attack her alongside Vito!

" You are not Darryl ?!"

Zoey's body trembled when she heard that. She was completely taken aback.

' How is that possible? Darryl is right in front of my eyes; how can he be a fraud?'

Zoey activated her interna energy as she thought about that in her heart, and the two of them engaged in a fierce Battle.

" You don't have to struggle, Zoey. We are acting on Mister Zhang's disciple's orders to take action against you. Everything has a chance to work out as long as you agree to serve and be loyal to Mister Zhang. But don't blame us if you insist on being stubborn!" Harold attacked her as he spoke.

Vito's face was also adorned with devilish grins.

" I see. So, you all are Zhang Jue's men!

" Zoey understood everything; she clenched her teeth as she defended

their attacks.

Zoey was very confident at first, but she soon realized that something was wrong. Her entire body was overcome with exhaustion. It was not only that but her internal energy was being controlled as well.

That was clear evidence that she had been poisoned

"Sect Master Jenn, are you feeling tired and depleted of energy?" Vito said with a smile, "The Ecstasy Poison has poisoned you. My master was the one who created the Ecstasy Poison. No one else in the world has the antidote except him!"

Vito had released the Ecstasy Poison in a dark corner earlier when Zoey entered the small garden. The poison was colorless and odorless. The poisoned person would feel weak and unable to use any of their energy.

How despicable!

Zoey was enraged and embarrassed at the time. She was surprised that she, the Sect Master of Jade Sect, had been so careless. She had fallen into the trap set by the two heinous individuals.

Soon, Zoey could not stand it anymore. Harold sealed her acupoint, and her body trembled as she fell to the ground.

Laughter rang out.

Vito took a slow step forward and looked at Reddy, who was unconscious. Then, he looked at Zoey. "Brother Harold, your mission is complete. Both of them are beautiful women. Please, choose! We will report back once done!"

Harold, too, was overcome with emotion. "You are Mister Zhang's disciple, so you can pick first!" he said with a smile.

Even though Harold was Zhang Jue's right-hand man, Vito was Zhang Jue's disciple. How could he pick ahead of him?

"Great!"

Vito did not reject further; he walked toward Zoey. "Excuse me, Sect Master Jenn, don't blame me too. You will only be obedient once I make you my woman.

"You..stay away! Stay away!" Zoey was furious, but her acupoint had been

sealed. She could not move at all.

" Shout as you wish. There are no palace guards around, so no one will come to your rescue! "

Vito smiled as he said that. Then, he grabbed Zoey on her wrist.

## Chapter 2769

At that point, Zoey bit her lips. Her lovely face was filled with despair. She had never been so humiliated as the Sect Master of the Jade Sect.

Will my innocence and purity for so many years be ruined tonight!?

Zoey shut her eyes.

Whoosh!

Just at that critical moment, a body dashed out and stood beside Zoey. His face was sharp and cold like a knife!

It was Darryl!

" How dare you!" Darryl stated coldly as a powerful aura surrounded his entire body!

Hiss!

Vito and Harold were both taken aback when a person appeared out of nowhere.

Darryl activated his internal energy the next second without waiting for them to react. He raised his palms and struck them directly.

Puff, puff!

Vito and Harold, like Reddy before them, had no time to react. They were both hit. They almost screamed at the same time. Their bodies flew more than ten meters backward before collapsing on the ground together.

" Junior Brother?"

When Zoey saw Darryl, she was both surprised and delighted. At the same time, she could not stop herself from saying, " Those two people are very cunning; you must be careful! Even though her junior brother was skilled in medicine, she worried that his cultivation power would be insufficient to defeat them.

Darryl smiled and told her not to worry.

Hiss!

Harold and Vito struggled to stand up; they were taken aback when they saw Darryl. They could not help but gasp.

' Sh \* t, it's him?'

Vito pointed at Darryl. " Darryl, you've belittled Lady Chang Er. You wreaked havoc on the North Moana Royal City and disgraced all cultivators around the world. How dare you appear now"

Vito's facial expression was hideous when he said that, but he was extremely nervous in his heart.

What?

Zoey's delicate body trembled, her gaze was drawn to Darryl, and she was utterly taken aback.

' He is Darryl? No wonder his medical skills are excellent, and his elixir production skills are extraordinary too.

Huh!

Darryl's eyes were extremely red at the time as he walked toward Vito!

It would have been better if Vito had not mentioned it. Darryl's heart was burning and boiling with rage. Zhang Jue and the Endless Sky Organization had ruined the Elysium Gate Sect and his reputation. Vito still dared to use it to humiliate Darryl. He must be looking

for death!

" You! What do you want to do ?! "

Vito's heart trembled, he startedt sweat profusely-such horrible eyes were staring at him!

Slap!

Darryl did not say any other nonsense; instead, he slapped Vito hard. He expended all of his energy on that slap! Vito sobbed as his body flew backward from the slap. He flew more than ten meters before landing on the ground.

Puke!

Vito spat out a mouthful of fresh blood. Darryl stepped forward again to slap him again and again; he did not give him a chance to stand up.

Slap! Slap! Slap!

The slaps ' crisp sound filled the small flower garden.

Vito desperately wanted to fight back at that point, but Darryl's aura was too terrifying. Vito felt fear seep through the pores of his entire body, not to mention the desire to fight back.

" Darryl, stop!"

Harold could not help but yell angrily a t that point. He punched Darryl with his raised palm. The Endless Sky Organization had complete control of North Moana Royal City. Where would their reputation be if Darryl was able to act unscrupulously there?

Bang!

Darryl did not even turn around at that point. He raised his hand and slapped Harold across the face!

Harold flew and slammed into a nearby pillar after the slap landed on his face. Then, he slid down to the ground like a mud puddle!

Zoey felt an unknown excitement in her heart when she saw that.

' That is the real Elysium Gate Sect's Sect Master; the previous one was an imposter. How did I not notice that earlier?'

## Chapter 2770

" I will grant you your wish if you want to die." Darryl looked coldly at Harold; his whole body was filled with a killing aura.

Darryl's eyes flashed with murderous intent as he said that. He desired to assassinate Harold right away. Lady Chang Er would not have been captured from Saint Sect if Harold had not pretended to be him. Darryl kept his cool when he remembered that the real culprit behind all of that was Zhang Jue.

Furthermore, one of the two people in front of him was Zhang Jue's disciple, while the other was Zhang Jue's confidant. He would be able to get information from them. It would be irresponsible to kill them directly.

" What happened to Lady Chang Er?" Darryl asked as he stared at Harold.

Sigh!

Harold was sweating profusely as he felt Darryl's killing intent; he said, Master has taken control of Lady Chang Er! Lady Chang Er's name was used to convene the Supreme Conference. "

Darryl suddenly understood everything after he heard that. At the same time, he was deeply shocked.

Chang Er's strength was no longer what it used to be. What method did Zhang Jue use to control her?

" Harold, you must not tell him." Vito

was worried. He could not help but scold his accomplice.

Harold was embarrassed. He wished he could cry, but there were no tears.

He did not want to betray Zhang Jue, but he did not have a choice. Darryl was in front of him, and he would die if he did not tell the truth. Who would not want to live?

Darryl could not help but laugh coldly when he saw that. He raised his hand and sent Vito flying, causing him to faint from the vibration,

Next, Darryl continued to question Harold. "Where is Zhang Jue?"

Darryl was terrified at the prospect of Chang Er being in Zhang Jue's hands. He must first locate Zhang Jue.

That ...

Harold hesitated, then said bitterly, "I don't know. Master has been cultivating in seclusion for the past few days after being named North Moana Lord to defeat the warriors during the Supreme Convention. No one knows the exact location where he's cultivating!"

Darryl creased his brows when he heard that. He stated icily, "Are you trying to lie to me? You have no idea where Zhang Jue is? Who will you report to once you have captured Zoey?"

"I swear I did not lie to you! Master approved tonight's plan, but the person in charge was Master Hanson!" Harold was worried, he said immediately.

Master Hanson?

Darryl was shocked!

Harold took a deep breath and cautiously said, "A month ago, Master Hanson of the Saint Fire Sect allied

with Master. He admired her for her ability to make decisions. Master Hanson was the one who directed the ambush on Sect Master Jenn tonight."

What? Laura Hanson?

At that moment, Darryl finally understood. At the same time, he was shocked and furious

' Sh \* t, no wonder there has not been any news of Laura in a long time; it's because she had allied with Zhang Jue.'

" Sect Master Darby!"

Harold hesitated when he saw Darryl's facial reaction. He continued to say, " Please forgive me. I know I've offended you by pretending to be you, but I am following someone else's orders, so I really have no choice.

" I know where Master Hanson is. Once you find her, you may be able to find Master Zhang Jue. Please, let me go ...!

Then, Harold revealed Laura's location to Darryl.

Bang!

Darryl did not hesitate when he heard that. He walked forward and hit Harold until he passed out.

Those two people were the most essential in Zhang Jue's life; he could not afford to lose them.

Then, Darryl searched Harold and Vito's bodies. He found nothing else except for a bottle of the Ecstasy Poison.

Darryl put the Ecstasy Poison away before he said to Zoey, " Go back to your people first and take care. I will return soon!"

Darryl released Zoey's acupoint after he finished speaking. He shifted his weight and stepped into the side

garden. Harold had told him about Laura's location in that direction.

Darryl had a plan- he must find Laura first. Once he controlled Laura, he would be able to find Zhang Jiao,

## **Chapter 2771**

With Darryl's strength, breaking in would be no problem. However, that was the North Moana Royal Palace, and there were sects from all over the world in that garden. There was no benefit to all of that commotion.

Sigh!

Darryl arrived at a quiet room a few minutes later. He noticed several palace guards stationed around that room. It was clear that the person inside held a position of great importance.

However, Darryl managed to avoid the guards.

When he arrived outside the door, Darryl remembered something. He took a bottle of powder from his body. It was the Ecstasy Poison that he had found from Harold's body just now.

Then Darryl scattered the Ecstasy Poison into the room through the gaps in the door.

Darryl had a plan. He would let Laura have a taste of her own medicine since she had acted in such a heinous manner against Zoey.

" What"

As soon as he finished spreading the Ecstasy Poison, Darryl heard a soft moan from the room, but it stopped abruptly after only two words.

He chuckled inwardly

Darryl's face lit up with a smile. He walked in after pushing the door open!

Darryl's smile widened as he entered the room and saw what was in front of him. At the same time, he could not take his gaze away!

He saw a woman lying quietly on the bed. She had delicate features and an alluring body figure

It was Laura!

"How are you lately, Laura!" Darryl said as he took a slow step forward, but no one knew if he were smiling.

Darryl snooped on Lauren while he spoke!

Laura was regarded as a famous goddess throughout the Nine Mainland. She was dressed in a long fiery red gown with long hair scattered on both sides of her face. Her skin was as white as jade, and her features were exquisite. However, she looked a little weak

Darryl chuckled inwardly again.

He was delighted while he admired her.

That Ecstasy Poison is extremely beneficial. Laura would never have imagined that the method she used against Zoey would be used on herself.'

"Darryl?"

Laura trembled when she saw Darryl. A trace of anger appeared in her eyes." Why are you here? "

'Didn't Zhang Jue say that Darryl was imprisoned at the Saint Sect Mountain? How did he show up in the palace garden? '

'Also, I feel weak all over my body, and I can't use any of my internal energy. It seems like I have been poisoned by Zhang Jue's Ecstasy Poison. Where did

Darryl get it?

Darryl felt incredibly relieved when he saw how terrified and angry Laura was at the time.

Then, Darryl smiled and said, " Why? Only you are allowed to participate in the Supreme Conference, but I can't?"

Laura furrowed her brows as her eyes flashed with anger!

Darryl looked outside at the time; he did not want to waste time, so he said, " Laura, you and I are both smart people. Zhang Jue ordered for someone to impersonate me. He purposefully ruined the Elysium Gate Sect and my reputation. I will die if I don't get my revenge!"

" Even though we had our disagreements, I will not do anything to you today if you tell me where Zhang Jue is!

Laura furrowed her beautiful brows when she heard that.

Laura chuckled and looked fearlessly at Darryl a few seconds later. " Why should I tell you where Zhang Jue is, Darryl? Despite the fact that this is the North Moana Palace, it is surrounded by my people."

" You thought you could overturn the situation by capturing me? You're mistaken."

Laura's gorgeous face was full of hatred. She had a feud with Darryl, and they hated each other. Why would she help him?

" Not bad; you have a strong character and personality!" Darryl was not angry at all when he heard Laura's reply. He nodded in admiration.

Darryl knew she would not agree so easily. After all, she has a deep feud with me. Furthermore, she is the Saint Fire Sect's Sect Master, a noble identity. She is not going to be threatened by a few words of mine, will she? '

However, Darryl already figured out a

way to deal with Laura while he was on his way there earlier.

## Chapter 2772

At that precise moment, Darryl leaped and jumped onto the bed. He raised his hand, sealed Laura's acupoint, and pressed down hard on her.

In an instant, the two of them were facing each other, almost touching!

" You ... what are you doing? "

" You ... what are you doing?"

Laura was embarrassed and enraged as she felt Darryl's breathing and could not help but yell. At the same time, she wanted to fight, but she was restrained by Darryl and could not move.

" What are you doing?"

Darryl sneered, " Laura, you allowed Zhang Jue's disciple to use the Ecstasy Poison to attack the Jade Sect's Sect Master. You almost caused her to lose her virtue. Did you not think that you would have a similar ending?"

Darryl was checking out Laura from a close distance as he said that, and he continued to say, " Tsk, tsk, tsk. Noble and cold, the Saint Fire Sect's Sect Master, the famous goddess of the New World community. I believe many men were overwhelmed when they saw you all those years ago. There must have been a lot of men who wanted to spend the night with you! How many warriors in the community will feel sorry for you if you lose your purity and reputation tonight?"

Huh!

Laura blushed; she was embarrassed and angry at the time. Her eyes were so clear and bright that they could almost shoot out flames.

" How dare you!" Laura growled.

Darryl was delighted, and he clutched both of her wrists tightly, not sure if he was smiling or not, when he said, " Let's see if I am brave enough. You

have also tarnished my name by secretly assisting Zhang Jue in destroying the Elysium Gate's reputation. Do not push me because I have nothing to lose. Otherwise, I might do anything!"

" You ... you dare to touch me? I'll never let you go even if I were to turn into a ghost after I die." Laura bit her lips and said coldly. Those few words were as if they were forced out between the gaps of her teeth

Laura stared at Darryl without fear when she said that. Her expression indicated that she would not give in to him!

Sigh!

At that moment, Darryl felt conflicted.' She is too stubborn. I wanted to scare her, but she was not intimidated at all.

' What should I do? '

As he thought, Darryl lost his patience. He said coldly," Hurry up, tell me where Zhang Jue is. Otherwise, I will sleep here tonight. " As he spoke, Darryl removed his shoes and socks and laid down comfortably beside Laura.

" I did not want to embarrass you today, Laura. You'd better get your acts together!

" Get lost!" Laura spat those two words.

Darryl lost his patience immediately. He grabbed Laura's clothes, and the sound of a sharp tear was heard. Laura's lovely shoulders were instantly exposed in front of Darryl!

" Still not talking?" Darryl moaned and roared loudly.

" Get lost!" Laura snorted coldly again.

Darryl could not hold it anymore. He continued to tear Laura's long dress!

However, at that juncture, Darryl saw Laura's facial expression looked strange. Her angry and humiliated eyes showed a sense of determination.

Then, she even stuck out her tongue.

Darryl was shocked, ' She wanted to bite her tongue to commit suicide!

She would rather die than surrender;  
Laura's temper was too strong,

Darryl did not have time to think further as he knew he would be too late to stop her. He put his hand into Laura's mouth immediately.

Laura wanted to bite her tongue to kill herself. When she saw Darryl put his hand into her mouth, she almost fainted from her anger. She bit down hard at that precise moment. Even though her acupoint was sealed, Laura could still speak. So, naturally, she could bite too.

" Argh!"

At that moment, Darryl felt a heart wrenching pain attacking him. He could not help but take a cold breath. His body retreated by instinct; he pressed onto a bulging section on the side of the wall.

Click!

Suddenly, they felt a vibration. The mattress beneath their bodies collapsed and revealed a dark secret tunnel!

" Wow!"

Before Darryl and Laura could react, their bodies fell into the tunnel!

" There is a secret trap under the mattress! What a coincidence that I happened to run into it by accident!"
