

Chapter One

Baiyun Middle School, Grade Three and Five, all students are listening carefully to the teacher.

Suddenly, one of the students who was dozing off stood up and looked around in amazement.

The teacher on the podium roared: "Tang Zichen, what are you nervous about? Sit down for me."

However, the dozing student muttered to himself, "Am I not dead? Where is this place? It's strange. The place."

Tang Zichen looked around and saw that there was a black board on the front and back walls, and he didn't know why it was used. There were many boys and girls in the whole room, watching him at the moment.

Tang Zichen immediately bowed his hand to everyone and asked, "Dear brothers, where is this place? How could this young man appear here? Why is this strange here."

"Hahaha!" The classmates suddenly laughed. They secretly said, what kind of nerves did Tang Zichen make today?

The teacher on the podium roared angrily: "Tang Zichen, don't sit down and don't force me to get angry."

Tang Zichen looked at the podium and said, "Excuse me, brother, are you calling me? My name is Tang Zichen?" The

teacher suddenly turned black and called him Xiongtai. Is this playing him?

When the teacher was about to get angry, Tang Zichen's tablemate hurriedly pulled him down.

The teacher glared at Tang Zichen for a long time before continuing to lecture.

Tang Zichen looked at his deskmate and smiled: "Xiongtai, are you...?"

"What's the matter with you today?" Wang Qiang asked hurriedly.

"Xiongtai, do you know me?"

Wang Qiang wiped his sweat and went crazy. Tang Zichen must be crazy.

"Zichen, you are in class now, stop talking nonsense, be careful that the teacher throws you out of the class."

"Class? On the rivers and lakes, why have I never heard of this place." Tang Zichen muttered softly.

Wang Qiang shook his head speechlessly, regardless of Tang Zichen, and continued to attend the class.

At this moment, Tang Zichen turned his head and caught his face on the window glass.

Surprised.

"It's not me, who is this?"

Tang Zichen was shocked when he saw him, he even looked different. Tang Zichen was there in a daze, without moving for ten minutes.

Tang Zichen felt unbelievable. He was discovered by his wife because he watched the little junior sister take a bath, and accidentally fell off the cliff when escaping. Tang Zichen only remembered that he finally had time to shout: "Who built the house so high?" After that, Tang Zichen didn't know anything, and when he woke up, he found that he was in this strange place. Even the name and appearance have changed.

At this moment, Tang Zichen's mind flashed, and he thought of an almost impossible word: Soul rebirth?

"No?"

Tang Zichen was stunned for more than ten minutes without moving, unable to accept such an absurd fact.

"Ring!" The bell rang after class.

Everyone walked out of the classroom.

Tangzai Chen felt a sudden urgency, hurriedly asked the same table: "brethren, may I ask where the latrine?"

Wang Qiang and wiped the cold sweat, said: "? Tangzi Chen Knock it off, will you,"

"brethren, I really Very anxious."

Wang Qiang said helplessly: "Go out and turn left, at the end."

Tang Zichen hurriedly walked out of the classroom. At the end of the corridor, he could smell the smell of the hut, and he was sure that it was the hut.

"The cottage in this world is like this, Sure enough, more advanced. "Tang Zichen secretly said.

Tang Zichen didn't know what men's and women's toilets were, and walked directly into one of the doors.

At this time, there was no one in this toilet.

Tang Zichen immediately went to untie his belt.

"Huh? What's the matter with this belt? "Tang Zichen didn't know what to do with the belt, and he didn't untie it for a long time. Suddenly, Tang Zichen touched a zipper, drew it down, and opened it.

"Wow, these pants are in the hut . " There is no need to untie the belt! Sure enough, more advanced. "Tang Zichen said secretly, and then he released it in a

clatter . After the sprinkling, Tang Zichen trembled and said with a smile: "Yes, like an eagle, it didn't make me reborn in this body. "

" Ah! "Suddenly, there was a scream, Tang Zichen looked up and saw a stunning beauty looking at him in disbelief.

"Uh! "Tang Zichen was also taken aback. Why suddenly a beautiful woman came in from the cottage. After

the beautiful woman screamed, she hurriedly covered her eyes. She was completely

stunned at the moment. Tang Zichen entered the women's toilet, but he was not urinating on the toilet. , on the door, against the wall of urine, at the moment the ground was still flowing line of yellow urine. urine no problem against the wall, but he actually has self-serving in that playing their own thing.

"rogue ! "The beauty blushed, cursed, and ran away. She regretted coming to this toilet and polluting her eyes. How could she be so perverted.

"Girl, this young man didn't mean to blaspheme. I hope the girl will forgive me!" "Tang Zichen immediately chased up.

"Rogue, what are you doing with you!" "

Girl, you must not misunderstand this young man. This young man has good morals and disdains to insult women." I said to blame, just blame yourself, girl, why didn't you knock on the door before entering the cottage? It was you who entered into the misunderstanding by yourself, everything has nothing to do with this young man! "Tang Zichen would quibble, and pushed it cleanly.

That anger in that beauty's heart, this abnormality, what was said, was stern, and in a blink of an eye the responsibility was completely shrugged off.

"You are sick, I enter the women's bathroom, what door should I knock on!" The beauty roared angrily.

"Then don't blame me. Just ask anyone who doesn't knock before entering the door. If it is reasonable, you see my body, and you are the one who takes advantage!" Tang Zichen said roguely.

"You, shameless! Obscene." The beauty cursed and left.

Tang Zichen murmured: "Are people in this world so unreasonable? It's obviously I who occupied the hut first! I broke in without knocking, and blamed others."

At this time, a boy who looked like a drag came from the door. After passing by, I saw that angrily beauty, as if I was wronged. This beauty was named Liu Xiangyun, a woman appointed by his boss. At this moment, seeing his sister-in-law seemed to be bullied, she was furious.

"Sister-in-law, who bullied you?" the dragged boy asked hurriedly.

Liu Xiangyun was already very angry at first, and heard a gangster call her sister-in-law, even more angry, and shouted: "Who is your sister-in-law!"

"Hehe, sister-in-law, who is bullying you! Tell me, I will take care of him Go, isn't it this kid?" The dragging student pointed at Tang Zichen.

Liu Xiangyun thought, even if their eldest brother hates him no matter how much he hates him, he doesn't have this perverted hatred of running into the women's bathroom. This

abnormality can't be described in words, and its abhorrent level surpassed their boss by many times. Liu Xiangyun secretly said in his heart: "Alright, let this bastard student teach him a lesson, otherwise I don't know how many girls will be harmed after this perversion."
