

Chapter 2184

"Sir!"

At this time, a divine soldier walked in quickly and cautiously said: "Then Yue Feng passed out, what should I do?"

Demon Zun Goni's face was cold, and he said coldly: "What else can I do? Just kill, destroy the soul, and destroy the corpse." Since this Yue Feng was useless, he executed the matter directly.

"Yes, sir!"

Hearing the order, the Demon Warrior responded and was about to go out and execute Yue Feng.

"Wait!"

At this moment, Mo Yan, who had been standing next to him silently, stepped out quickly to stop him: "Your honor, this Yue Feng is not an ordinary human being. It would be a pity to kill it directly. It's better to keep it temporarily, maybe it will be useful in the future. "

When saying this, Mo Yan's delicate face was full of earnestness and sincerity.

At this moment, Mo Yan didn't know why she wanted to save Yue Feng. She just felt that she had finally brought Yue Feng over from Fengmo Mountain and was executed like this, which was a pity.

call....

Seeing Mo Yan speaking, Demon Zun Goni

waved his hand and said lightly: "Well, since you brought the people back, you have the final say."

Mo Yan nodded and walked out of the big tent quickly.

.....

the other side.

Wei An brought thousands of Xuanwu warriors and colorful spirit phoenix, and quickly arrived in the new territory of the Yaozu.

Soon, when I arrived at the stone temple in the new territory, I saw that the leaders of the entire monster race had arrived, all with serious expressions.

The atmosphere is also somewhat depressing.

The White Tiger King sat there with a gloomy face.

Seeing this scene, Wei An was inexplicably flustered.

"Wei An!"

At this moment, King Xuanwu, who was sitting on the side, stood up abruptly and questioned Wei An, "Why didn't you follow us to the new territory, and took away three thousand Xuanwu warriors, what did you do?"

"I..."

When his father asked, Wei An was very

frightened, scratching his head and explaining: "Before I set off, I got news that a group of demons appeared nearby. The situation was critical at the time. I didn't have time to report to my father, so I took someone there. "

Hearing this, King Xuanwu's expression eased a lot, and he said lightly: "What then?"

"At that time, I wiped out that group of Demon Warriors. Then I passed through the canyon where Your Excellency Yue Feng was recuperating. I didn't expect something happened there." Wei An tried to calm himself and responded.

Something happened?

King Xuanwu was stunned.

At the same time, King White Tiger couldn't help standing up, and said eagerly, "What's the matter?" Yue Feng is the great benefactor of the monster clan, and there must be no trouble.

Also, daughter Liya is also there.

Wei An didn't answer directly, but looked at the colorful Lingfeng beside him for help.

Wei An is not stupid. He knows some things. He is not convinced to say it, but the colorful spirit phoenix is different. She is the elder of the Suzaku clan and has a high reputation in the entire monster clan.

Huh!

At this moment, the gaze of the entire stone hall suddenly converged on the colorful spirit phoenix.

Qi Cai Lingfeng didn't answer directly, but waved to the outside. Suddenly, two Xuanwu warriors came in carrying the unconscious Liya.

"Rhea!"

Seeing this scene, the White Tiger King's heart trembled, and he hurried to greet him. He was distressed and furious: "What happened?"

At this time, the White Tiger King clearly felt that Liya's body was disturbed and his face flushed, which was obviously a sign of poisoning.

At the same time, Mengya also ran over, with Jumei's face full of worry: "What's wrong with my sister? How did it become like this? You guys say it, say it."

Although she has been controlled by Liya, in Mengya's heart, she still loves this sister very much.

"His White Tiger King!"

At this time, Qi Cai Lingfeng slowly said: "Don't worry, Ria has taken Suzaku Pill, it is no longer dangerous."

Speaking of Qicai Lingfeng, he looked around, unable to conceal the anger in his heart, and continued: "Everyone, we were all deceived by Yue Feng's appearance before. On the surface, he is unparalleled in justice and righteousness, but in fact,

he is a despicable man. Shameless
lascivious."

what?

Hearing this, whether it was King White
Tiger, King Xuanwu, or the leaders of the
surrounding demons, their expressions
changed.

Chapter 2185

In the next second, the White Tiger King frowned, and said displeased: "Colorful Lingfeng, don't talk nonsense about this, don't forget, Yue Feng is the inheritor chosen by the Vermillion Bird Queen, and also passed on the strength of the bird ancestor to him. , And you have been doing your best to assist him before."

When the voice fell, the Yao leaders around all nodded in agreement.

"Yes, don't talk nonsense!"

"Yue Feng saved our entire Monster Race at the time, how could he be a lustful villain?"

Listening to the discussion around, Qicai

Lingfeng shook her head and said seriously: "When is it, would I make a joke about this? At that time, Yue Feng was in that cave and gave Liya 'Huanhe Water' to defile her. Fortunately, Wei An arrived in time and saved Liya."

"When I arrived, Liya had lost herself, so I gave her the Vermillion Bird Pill, so she was unconscious now."

"Later, Wei An and I returned to the cave. Yue Feng was gone. There were traces of fighting around, and there were many corpses of god soldiers. According to my guess, Yue Feng was captured by the demons."

At the end, Qicai Lingfeng looked at King Xuanwu: "These are what Wei An saw with his own eyes. If you don't believe me, ask

him."

For a moment, the entire stone hall was silent.

King Xuanwu and King Baihu looked at each other, and they were shocked.

There is such a thing, Yue Feng wants to tarnish Liya...

A few seconds later, King Xuanwu reacted and looked at Wei An and said, "These are all real?"

Huh!

At this moment, the gaze of the audience suddenly focused on Wei An.

Afterwards, King Xuanwu took a deep

breath and asked Wei An, "Wei An, what is said by Colorful Lingfeng is the truth?"

"Not bad!"

When the words fell, Wei An focused his head and said: "All the colorful Lingfeng said are facts. At that time, I was passing through the canyon and heard strange noises coming from the cave, so I was curious to take a look.

"As a result, I saw that Yue Feng had given Liya'Huanhe Water'. When I rushed in, Yue Feng was tearing Liya's clothes. At that time, Liya had lost her mind."

At the end of the talk, Wei An looked angry and said fiercely: "I was very angry at the time, so I taught Yue Feng a meal, then took Liya to leave, and finally

reached a valley. I wanted to help Liya solve After the poison of "Huanheshui", but the ability is limited, there is no way at all, but the colorful spirit phoenix arrived in time and used the Vermillion Bird Pill to calm Liya."

"Wow!"

When the voice fell, there was a lot of discussion in the entire stone hall!

This Yue Feng, on the surface of benevolence and righteousness, did not expect that he was such a person behind his back, and the entire Monster Race still regarded him as a great benefactor, so he was really blind.

"But..." At this time, King Xuanwu frowned and shook his head at the same time: "But

as far as I know, Yue Feng is not such a person."

Hearing this, the eyes around him looked at King Xuanwu in surprise.

Now that the evidence is solid, what is there to doubt?

At the same time, the White Tiger King next to him took a deep breath and said, "There must be something hidden in this matter. Who is Yue Feng? I also know a little bit about him. He would not do such a dishonest thing. ."

Mad.

At this moment, Wei An was a little anxious, and couldn't help but speak.

"King Xuanwu!"

But before Wei An could speak, he saw Colorful Lingfeng gritted his teeth and took a step forward, and said to King White Tiger and King Xuanwu, "Baihu King, Xuanwu King, you are all blinded by Yue Feng. He will not only defile Liya, but also before. He almost ruined Mengya's innocence."

With that said, Qi Cai Lingfeng looked at Mengya who was not far away, and continued: "The first night Yue Feng had just arrived, I went to visit his resting room and saw that he burned Mengya's clothes with the power of the bird ancestor."

Speaking of it, if this kind of thing were in the mainland of Kyushu, Colorful Lingfeng

would definitely not say it. After all, this kind of thing is related to a woman's innocence, but it is different in the monster clan, the girl of the monster clan is not as conservative as a human woman.

More importantly, Qicai Lingfeng was extremely disappointed with Yue Feng, and at this time he wanted the White Tiger King to see Yue Feng's personality even more.

what?

Upon hearing this, the entire stone hall was in an uproar again.

Yue Feng not only wanted to violent Liya, he also did this to Mengya before.

Neither sisters let it go, shamelessly.

It's shameless.

Chapter 2186

"|..."

At this time, Mengya walked out slowly, with a bit of blush on her delicate face, and whispered: "One night, I took the initiative to look for Yue Feng, wanting to see the power of the bird's ancestor."

Although Mengya didn't like Yue Feng, she was straightforward and didn't want everyone to misunderstand.

After all, what happened one night was mainly her fault.

However, Qi Cai Lingfeng shook his head: "Mengya, you are young, you are not sensible, let alone the characteristics of the power of the ancestor of the bird.

Although Yue Feng was injured, as the master of the power of the ancestor of the bird, but It can still control the power of the bird's ancestor."

"In other words, if Yue Feng doesn't want the power of the bird ancestor to catch fire, it will be extinguished in a moment, and he will just watch your clothes burn out."

Speaking of this, Qi Cai Lingfeng looked around: "So, Yue Feng did it on purpose that night."

call...

Hearing this, Mengya took a deep breath, her delicate body trembled and she was very angry.

According to Qi Cai Lingfeng's statement, Yue Feng pretended that one night, he could have extinguished the flame of the strength of the bird ancestor, but he just watched his clothes burn.

"Asshole!"

At this moment, the white tiger king's face changed and he couldn't help it anymore. He slapped the throne heavily, stood up abruptly, and exclaimed: "This Yue Feng is so despicable. I respect him so much, but he attacked my two daughters. ."

"This kind of scum, we still respect him so much in vain. If we have the opportunity in the future, we must cut him off."

"Yes, such a shameless villain, it's not a

pity to die!"

In a short time, the other leaders in the stone hall were also filled with righteous indignation, and they yelled.

Haha...

Seeing this situation, Wei An was as angry as everyone around him, but he was unspeakably excited. In the end, he couldn't help it, and a smile was drawn from the corner of his mouth.

That's great, this black pot successfully blamed Yue Feng. Of course, this also depends on the colorful spirit phoenix.

Wei An's expression changed, and the surroundings didn't pay much attention.

However, King Xuanwu could see clearly. At that time, I frowned secretly. Could it be that there is something hidden in this matter? Otherwise, why would my son be so excited?

"Everyone!"

At this moment, the White Tiger King returned to the throne and looked around and said loudly: "Now I announce that the entire Demon Race has been cut off from Yue Feng, and his life and death have nothing to do with the Demon Race."

When he said this, the White Tiger King was extremely angry.

He never expected that he respected Yue Feng so much, but the other party tried to attack his daughter.

At this time, the White Tiger King didn't know that he was deceived. All this was a lie made up by Wei An. Not only him, but even Qi Cai Lingfeng was also deceived.

"Follow the order of the White Tiger King."

The last word fell, and the leaders of the monster race in the entire stone hall responded one after another.

The White Tiger King felt tired physically and mentally, and waved his hand: "Okay, let's go!"

In an instant, the leaders walked out of the stone temple one after another.

Mengya also greeted the maid and carried her sister back to rest.

Wei An was relaxed and followed everyone out of the stone palace, but he was still a little worried.

The planting plan was successful, but it was only temporary. You must know that Liya was only temporarily in a coma and would wake up sooner or later. When she told the truth, she would be finished.

How to do it?

Outside the stone temple, Wei An became more worried as he thought about it.

.....

On the other side, Mozu Daying.

Using Yue Feng to force the God of Nine

Heavens to surrender failed, Mozun Gone was very annoyed. Then let the twelve sacred devil kings study together the method of cracking the innate formation.

However, the twelve sacred devil kings' attainments in the formation and skill are less than half that of Demon Lord Gone, and Demon Lord Gone can't break it, let alone them.

In this case, Mozun Gone was even more annoyed.

"Sir!"

At this moment, Youtian stepped out and said boldly: "I think we spend time cracking that innate magic circle, so we might as well think of another way."

"Do you have a way?" Demon Zun Gorne frowned and said angrily.

Youtian thought for a while, and slowly said: "Just now his subordinates got news that the monster race has moved its territory. However, during the migration process, many of our soldiers have been killed. I want to lead a reconnaissance team to find the monster race's territory. New territories, and then let them surrender by means of thunder."

Chapter 2187

"As long as the monsters surrender, we will let them be the vanguard and consume the power of the innate magic circle. When the power of the innate magic circle is almost consumed, we will take the opportunity to launch an attack. At that time, the Imperial Palace will be broken."

call....

Hearing this, Demon Zun Gorne groaned and nodded: "Okay, this method is feasible, and this matter is left to you!"

"Yes, sir!"

Youtian replied, and then quickly walked out of the big tent. After a few minutes,

he led five thousand demons warriors to explore the new territory of the demons.

.....

the other side. Demon territory.

At this time, outside the stone hall, Wei An was standing there, ready to see Liya's situation, but the moment he turned around, he was stunned.

I saw that the father, King Xuanwu, didn't know when, standing quietly behind him, looking at him closely, with a bit of scrutiny.

"Father!"

Wei An was uncomfortable looking at King Xuanwu's gaze, but still squeezed a

smile: "Why look at me like this?"

King Xuanwu didn't answer directly, but said lightly: "Come with me, I'll ask you something." As he said, he turned and walked towards the back mountain of the territory.

Wei An didn't dare to disobey, and silently followed.

Along the way, King Xuanwu looked indifferent, without the slightest expression, Wei An did not dare to ask more.

Soon, on the hill behind the territory, it was very remote and almost no one came.

"Father!"

At this moment, Wei An was inexplicably nervous, and asked cautiously: "What the hell is it? I still want to say it in a place like this?" Maybe there is a ghost in his heart. When he said this, Wei An was very uneasy.

"brute!"

As soon as the voice fell, King Xuanwu was full of anger, and suddenly shouted: "You kneel down for me."

With a sudden roar, Wei An trembled. His legs were soft at the time and he knelt on the ground.

"I'm asking you." King Xuanwu looked at Wei An closely, and asked coldly, "What is the truth about Liya? You tell it honestly. If you conceal a little bit, you will no longer

be my son in the future. ."

King Xuanwu was thoughtful, he had been in contact with Yue Feng several times, and he didn't believe that Yue Feng would be a lecherous villain. Moreover, he knew his son too well, and he had to do nothing to get what he wanted. Wei An has always loved Muria since he was a child.

Therefore, it was possible that it was not Yue Feng who wanted to defile Ria, but his son Wei An.

At the time in the stone hall, when this thought flashed, King Xuanwu was not sure, but seeing the smile on Wei An's face when he walked out of the stone hall, King Xuanwu firmly believed in his guess.

"Father...Father!"

Wei An knelt there, with cold sweat on his forehead, trying to defend: "In the stone temple just now, I have already said it, and it is all facts."

At this moment, Wei An was panicked, but he knew that the truth could never be told.

"fact?"

King Xuanwu's face was cold, and he scolded: "Others don't understand you, I don't know you yet? You were joking in the stone hall just now. I really thought I didn't see it? Don't say anything, I will hand you over to the White Tiger King. When there is no such son..."

King Xuanwu was upright and would never allow his son to do things that would

harm the tribe.

Huh!

Hearing this, Wei An's expression changed, and he hurriedly said, "No, Father, I said, I said..." The White Tiger King's methods are very cruel to the whole monster clan, and everyone knows it. On hand, it is completely finished.

Later, Wei An explained the true situation in detail.

At the end of the talk, Wei An knelt there and kept kowtow, sincerely and fearfully saying: "Father, it's all my fault, I am a beast, I shouldn't have evil thoughts about Leah, please, please forgive me this time. ,I beg you."

"you.."

Upon learning the truth, King Xuanwu was furious, trembling all over, pointed at Wei An and cursed: "You beast, Yue Feng is the great benefactor of our monster clan, you have done such a shameless thing and put on blame. Give it to him, the Xuanwu clan's face has lost you all."

As he said, King Xuanwu took a deep breath: "You go to the King White Tiger now and ask for your crime in public. As for how you will be dealt with, it depends on your good fortune."

When the voice fell, King Xuanwu turned around and was about to leave.

Chapter 2188

To be honest, King Xuanwu didn't want this either. After all, Wei An was his own son, but if he didn't do this, the truth would be revealed in the future, and the Xuanwu clan would not be able to lift his head in the entire monster clan.

After all, Yue Feng is the great benefactor of the entire monster clan, and Wei An slanders him, which is to despise the entire monster clan. This is no small matter.

"Father!"

Seeing King Xuanwu about to leave, Wei An was anxious all of a sudden, rushed to hug his leg, and kept crying and begging: "Please father, I don't want to be judged in

public, I don't want to die..."

At this time, Wei An was really scared. He really didn't expect that the father would make such a decision. You must know that he will be judged in public for slandering Yue Feng, and the end will be extremely miserable.

Facing his son's request, King Xuanwu was indifferent and said coldly: "When you slandered Your Excellency Yue Feng, you should have thought about this result."

As he said, King Xuanwu's expression of hatred and iron cannot make steel: "Wei An, I am so disappointed. Your Excellency Yue Feng saved our entire monster clan. Not only did you not be grateful, but you also blamed him, even if I wanted to forgive me. If you, the White Tiger King

and the other leaders know, will they spare you?"

"If I protect you, what about the Xuanwu tribe?"

"No, father..." Wei An panicked, kneeling there and kowtowing: "If you do this, how sad your mother is in the spirit of heaven, this time I really know that I was wrong, father, Please give me one chance, just one chance..."

call...

Seeing Wei An's pitiful look and mentioning his mother at the same time, King Xuanwu took a deep breath and felt relieved.

Wei An's mother was the most loved

woman of King Xuanwu. She was just a rosy face. When Wei An was very young, she contracted a serious illness. At that time, King Xuanwu looked for a lot of healing medicine, but it was still ineffective. In the end, Wei An 'S mother died in the Sealed Land.

Because of this, King Xuanwu has always felt guilty towards Wei An.

"it is good!"

Finally, after a moment of silence, King Xuanwu said: "Then I will spare you once for my father."

"Thank you, Father." Wei An was overjoyed and was about to stand up, but seeing King Xuanwu's face gloomy, he knelt down quickly.

"I can spare you, White Tiger King and the other leaders, but I can't spare you easily." King Xuanwu's face was cold, without the slightest fluctuation, and coldly said: "If you want to save your life, you have to take advantage of Liya. Before waking up, will you make up for your work?"

Will you make up for it?

Hearing this, Wei An's heart suddenly shook, and he subconsciously said, "What is your father going to do with me?"

Oh oh...

King Xuanwu was about to respond. Suddenly, a horn sounded from the entrance of the territory. In the demon clan, the sound of the horn meant that

there was a serious enemy situation.

At that time, King Xuanwu didn't hesitate, took Wei An, and hurried to the stone palace.

When I arrived at the stone hall, I saw that the White Tiger King and the other leaders had arrived, and their faces were solemn.

"What happened?" King Xuanwu couldn't help but said.

Wei Anan stood on the side, unspeakably uneasy, and compared with the happy mood before, it was completely above and below ground.

call!

King White Tiger breathed a sigh of relief and looked at King Xuanwu, "Just now there was news that Mozun's subordinate, Youtian, one of the twelve holy devil kings, is coming to our new territory with five thousand demon warriors."

As he said, the White Tiger King looked around: "This matter is not trivial, we must send a warrior as soon as possible to divert the sky away, otherwise, once the new territory is discovered, we will no longer have a place to hide."

Hearing this, the other leaders around all dropped their heads subconsciously.

Youtian, one of the twelve holy demon kings, is strong. Although this task is to lead him elsewhere, it is also a very dangerous task, because if you are

careless, you may not be able to come back alive.

At this moment, King Xuanwu looked around and finally set his eyes on Wei An: "Let Wei An do this task."

When he said this, King Xuanwu's eyes flickered with complexity.

Yes, King Xuanwu is going to let Wei An make up for his merits. You must know that Wei An slandered Yue Feng, but he was a heinous crime. Only by constantly making military exploits can it be possible to obtain forgiveness from the entire demon clan.
