

Chapter 2314

The small flame in this jade bottle has such a big origin?

Under the shock, Princess Dongling's eyes flickered, and suddenly she thought of something, she was excited, and looked at Yutong Xianweng with excitement:

"Senior, according to you, will it be Yue Feng in this jade bottle? Spirit?"

Although Princess Dongling is sometimes headstrong, she is thoughtful.

When I encountered Demon Lord Gone before, I learned that Yue Feng was dead, and Yue Feng had been inherited by the Vermillion Queen before, possessing the power of the bird ancestor in his body, and possessing the ability to regenerate

the Vane.

The two clues add up, and it exactly matches the situation in the jade bottle.

In other words, in the entire God's Realm, only Yue Feng is the only one whose spirit can last for a long time with a ball of flame.

"Damn!"

Hearing this, Yutong Xianweng's eyes lit up, and he couldn't help but patted his thigh: "Nu Wa is really quick in mind, why didn't I think of this?"

As he said, Yutong Xianweng carefully looked at the flame in the jade bottle, and said with emotion: "Look at this, this flame is the kid of Yue Feng, this kid is

really dead, and he hasn't died like this."

Ok!

Princess Dong Ling replied softly, and then began to think.

A few seconds later, Princess Dongling looked at Yutong Xianweng, bit her lip and said softly: "Senior, the sky blue pearl is gone, and I can't reshape the soul for the time being. Why don't you help Yue Feng first and help him rebirth? Resurrection. Okay?"

When she said this, Princess Dong Ling's eyes were full of plea and expectation.

To be honest, Princess Dong Ling didn't have the slightest affection for Yue Feng. If it hadn't been for Yue Feng to pretend

to be Gong Ao, Princess Dong Ling would not lose her innocence, let alone marry Yue Feng due to the situation.

It's just that after experiencing so much during this time, Princess Dong Ling has seen everything. Moreover, through understanding later, Princess Dong Ling also knows that Yue Feng is not as despicable as before.

But now, Yue Feng ended up like this because he helped God's Domain fight against God's Domain, which made Princess Dong Ling sigh with emotion and distress.

"Uh.."

At this time, facing Princess Dongling's request, Yutong Xianweng scratched his

head, a little embarrassed: "Girl, don't you think of me as a panacea, before helping you reshape your soul, you need to use Azure The power of the bead, now this kid only has a ball of fire, how can I make him reborn?"

Princess Dong Ling was anxious all of a sudden, she took Yutong Xianweng's arm and shook it gently: "Senior, you and Yue Feng have seen each other like each other, and you can't bear him becoming like this."

"What's more, he took you to Kyushu to taste delicious food before. If you don't care, can you still be a friend?"

"Good, good..."

Hearing this, Yutong Xianweng was very helpless, and nodded with a wry smile:

"Stop talking girl, I'm afraid of you."

As he said, Yutong Xianweng scratched his head while meditating: "Yue Feng's current situation is very special. The reason why he has become like this is obviously because he wanted to rebirth from Pannier, and he suffered a second blow. "

"But no matter what, he only has a ray of fire left. It is very difficult to be reborn. This is the first time I have encountered this situation..."

At the end, Yutong Xianweng almost scratched his scalp.

It's over.

Seeing this, Princess Dong Ling's delicate

face revealed deep despair and anxiety.

If Yutong Xianweng couldn't help it, let alone others.

"Yes!"

At this moment, Yutong Xianweng suddenly brightened his eyes and said excitedly: "Thousands of years ago, Nezha, the third son of Li Jing, the king of Tota, committed suicide at that time, leaving only a trace of his soul. His master reshaped the body with lotus flowers."

"As far as I know, the place where God's Domain and Void are linked, there is a kind of red lotus of magic karma. This kind of red lotus of magic karma is even rarer than Nezha's rebirth lotus. As long as we find it, we may be able to bring Yue Feng

back to life. Up."

Speaking of the last, Yutong Xianweng looked triumphant.

Fortunately, I have a good understanding, otherwise, I will be ashamed in front of this little girl.

is it?

Upon hearing this, Princess Dong Ling cheered up and pulled Yutong Xianweng excitedly: "That's great, I know that Senior must have a way, let's go find that Faye Honglian!"

Chapter 2315

Ok!

Yutong Xianweng nodded, and immediately took Princess Dong Ling into the air, rushing towards the border of the gods.

.....

the other side.

The fierce battle between Fairy Pipa and Mozu continued.

Just above the mid-air, the twelve sacred devil kings cooperated with Demon Zun Gone, surrounded by the Pipa Fairy. Under the fierce battle between the two sides, the surrounding sky was extremely

distorted, dark clouds billowing, and thunderous, like the end of the world.

call!

Facing the enemy's siege, Fairy Pipa's delicate face seemed calm, but her heart was indescribably anxious.

This Demon Lord Gone is so shameless that he even joined his men to deal with me.

Speaking of it, Fairy Pipa is not afraid of Demon Zun Gone at all if it is alone, but with the addition of the twelve holy devil kings, it is completely different, being suppressed to death, there is no chance to rush out.

Mad!

And Demon Gone was also secretly annoyed. He personally took action, with the help of the twelve holy demon kings. After dozens of rounds, he still couldn't take her down. This matter spread out, and the demon clan's reputation was greatly reduced. How to conquer God's Domain?

What made Mozun Gone even more anxious was that the one who didn't pay attention just now made Yutong Xianweng slip away.

This Yutong Immortal Weng must have been looking for Princess Dongling, and he couldn't let him succeed.

"Fairy Pipa."

Thinking of this, Demon Zun Gone became more anxious, and coldly shouted at Fairy Pipa: "Do you think you can hold us back by yourself? You are too naive."

"Not only can you not run away today, Yutong Xianweng and the daughter of Nine Heavens God, don't even try to escape from my palm."

Hum!

After the words fell, Demon Lord Gone suddenly raised his hand, and in an instant, the power of a terrifying demon soul condensed, as if in the air, forming a huge scarlet skull, directly blasting towards Princess Dongling.

Wherever the skull passed, the sky was stained with blood, which was terrifying.

Seeing this, the twelve holy demon kings hurriedly backed away. They all knew in their hearts that at this time, one of the demon lord's stunts, 'Blood Demon Falling', was unmatched in power and would not die or be injured if touched.

At the same time, Fairy Pipa also changed her pretty face, secretly surprised.

In the next second, Fairy Pipa couldn't think too much, and quickly raised Pipa in his hand to resist.

boom!

The huge skeleton carried endless power and slammed against Pipa, and saw that the fairy Pipa trembled, his face instantly paled, and his body was shaken out by the

volley.

"Haha..."

Seeing this scene, Demon Lord Gone proudly sneered at Fairy Pipa: "Fairy Pipa, the deity said that you can't escape, so let's give up."

Fairy Pipa bit her lip tightly and did not respond. She knew that if she continued to fight, it would be more and more disadvantageous to herself. At that time, she was no longer in love with the pipa.

Buzzing...

These rhythms were created by Fairy Pipa during this period. They were called "Fan Shiyin", which contained incomparable mysterious power, and they were regarded

as Fairy Pipa's trump card.

Originally, Fairy Pipa didn't want to take out the stunt of pressing the bottom of the box so quickly, but now being pressed by Demon Lord Gone step by step, there is really no way.

I have to say that the power of this mortal sound is really amazing, just look at the fluctuations of the rhythm, the surrounding air is extremely distorted in an instant, and the Demon Warriors who hear these rhythms are also dizzy.

The twelve sacred devil kings hurriedly covered their heads to resist the power of the rhythm. Even so, their bodies trembled and they couldn't stand firmly.

Even Demon Lord Gone, subconsciously

urged the Demon Soul to resist the power of the rhythm.

Whoosh!

At this moment, Fairy Pipa couldn't think much about it. Taking advantage of the influence of the rhythm of the demon Zun Gone and his men, his delicate body flashed and flew directly to the distant sky.

In a blink of an eye, Fairy Pipa's slender and charming figure disappeared between the clouds. When Demon Zun Gone reacted, he wanted to stop it, but it was too late.

Huh!

At this time, Demon Zun Gone, his face was extremely sullen and sullen, his eyes

were blood red, and he almost burst into flames.

"waste."

Afterwards, Mozun Gorne looked around and roared angrily: "There are so many people, I can't catch a Pipa Fairy, all are rubbish." First, Yutong Xianweng rushed out of the encirclement, and then the Pipa Fairy ran away. Now, it's hard to calm down this matter for who it is.

Chapter 2316

Feeling the anger of Demon Lord Gone, whether it was the twelve holy demon kings or the nearly 20,000 demon warriors around, they all bowed their heads in shame, and did not dare to let out the atmosphere.

"Sir!"

However, at this moment, a figure came quickly, and it was Gong Ao.

Seeing Gong Ao coming back, Mozun's face was gloomy and ignored.

"Wei An!"

Mo Yan on the side couldn't help it. He walked out quickly and asked Gong Ao: "I

will let you intercept Princess Dongling and bring her back. How about people?"

Until this time, Mo Yan and Mozun Gone, as well as their surrounding companions, had not realized that the 'Wei An' in front of them was fake, and the soul inside was actually Gong Ao's.

"Your Lord Demon."

Hearing the question, Gong Ao looked ashamed, and said tremblingly: "The subordinate was incompetent. At that time, she was stopped on a cliff. He wanted to catch her back. Who knew that she stepped on the air and fell down."

With that said, Gong Ao carefully glanced at the change in the expression of Demon Zun Gone, and continued: "The cliff is not

bottomless, and you will definitely die if you fall, so I am back."

call....

At this moment, whether it was Mo Yan or the other holy demon kings, their brows were frowned.

This Wei An is so stupid that she actually let Princess Dongling fall off the cliff.

"Pass the deity's order."

At this moment, Demon Lord Gorne took a deep breath and looked around coldly and said: "Immediately go to the bottom of the cliff and investigate, be sure to find the whereabouts of Princess Dongling, to see people alive, and a corpse to die."

To Mozun, Princess Dongling did not threaten him at all, but in any case, she was the daughter of God of Nine Heavens. If she caught her, she had a bargaining chip in her hand.

"Subordinates obey."

In an instant, Mo Yan and the other Saint Demon Kings, as well as the surrounding Demon Warriors, responded in unison, shaking the sky, and then quickly hurried towards the direction of the cliff Gong Ao said.

.....

At this moment, the boundary of God's Domain.

Between the lofty mountains and ridges,

Yutong Xianweng took Princess Dongling and flew slowly at a low altitude. While flying, the eyes of the two kept searching around.

At this time, the sky dimmed, and Princess Dong Ling's delicate face couldn't hide her anxiety.

"senior."

Princess Dong Ling looked around and couldn't help but said: "Did you remember wrong, is there a red lotus in this place? We have been searching for it for a long time, and we haven't even found a shadow."

Yutong Xianweng scratched his head and said dumbfounded: "Girl, where is this? You don't know how big the boundary of

God's Domain is, and what we are looking for is the Red Lotus of the Law Karma."

"Do you know how rare the Dharma Red Lotus is? It only appears once in five thousand years, and there is only one. It is harder to find it than to find a needle in a haystack."

What?

Upon hearing this, Princess Dongling's body trembled, and she was immediately stunned.

It only appears once in five thousand years, and there is only one. When will this be found?

"Haha..."

When Princess Dongling was secretly depressed, she saw Yutong Xianweng staring at a mountain in front of him, shining with strange brilliance, and the whole person was extremely excited: "Fire...red lotus fire... .It seems to be the Red Lotus of the Dharma Industry, haha...we are really lucky..."

Princess Dong Ling was very excited, and quickly followed his gaze. As expected, she saw a red flame on the mountain peak ahead, looming.

"Go and see."

Yutong Xianweng was very excited, and after saying something, he took Princess Dongling to speed up and headed towards the mountain.

Soon, when she reached the top of the mountain, the scene in front of her stunned Princess Dong Ling directly, and her Jiao body was trembling with indescribable excitement.

I saw a strange flower and grass growing in a stone crack on the top of the mountain, azure-blue leaves, and a red lotus on top of it. The lotus was bright red, like a burning flame.

Princess Dong Ling clearly felt that this lotus contains a peculiar power and extremely abundant vitality.

Not only that, this blood-colored lotus flower seems to be spiritual, and it feels that someone is approaching, and it shrinks into a crack in the stone.

that's amazing.

Seeing this, while Princess Dong Ling was excited, she couldn't help feeling secretly in her heart.

Chapter 2317

"Haha..."

At this time, Yutong Xianweng watched for a while, then looked up to the sky and laughed: "The red lotus of the law industry is indeed the red lotus of the law industry. This kid Yue Feng has a good life. I thought I was looking for ten and a half months, I didn't expect to find it so soon."

Upon hearing this, Princess Dong Ling was very excited, walked quickly over, and said as she walked: "It's great, with the Red Lotus of Dharma Karma, Yue Feng will be able to be reborn."

When the voice fell, Princess Dongling had already reached the stone seam, and she stretched out her hand to collect.

"Oh, don't touch..."

Seeing this scene, Yutong Xianweng's expression changed, and he quickly stopped. He was about to jump up in a hurry.

However, it was still a step slower.

When she heard the stop, Princess Dongling's body shook, and she stopped subconsciously. Although she did not collect the red lotus from the law industry, the jade hand had already touched it.

"What's the matter? Senior?" Princess Dong Ling retracted her hand and asked uncertainly.

What's the matter with this Jade Boy

Immortal Weng Senior? Surprised.

call!

Yutong Xianweng took a deep breath and said dumbfounded: "Girl, as the daughter of Nine Heavens God, haven't you read a book, don't you know the situation and taboos of Dharma Honglian?"

Princess Dongling's delicate face was full of ignorance: "What is the situation and taboo?"

Although she had a noble background, she was greedy and self-willed since she was a child, and was not interested in books at all. Therefore, she knew very little about everything in God's Domain, and she really didn't know about the red lotus of the law industry.

Seeing her ignorant look, Yutong Xianweng almost wanted to cry without tears.

In the next second, Yutong Xianweng slowly said: "I told you before that the red lotus of the Law Karma only appears once in five thousand years, and there is only one, so the requirements for the growth environment are very demanding. Look at this place, The surrounding innate aura is extremely full, which is suitable for its growth."

Princess Dong Ling looked around, nodded and said, "What about then?"

Ugh!

Seeing her at this time, she hadn't

understood yet, Yutong Xianweng was speechless, pointing to the red lotus in the stone cracks and said: "This red lotus is obviously not fully mature yet. You just collected it rashly. It would be counterproductive."

"But I didn't pick it."

"But you did. As I said just now, its growth environment is very harsh, and there can be no slight error in the growth process. Once it is disturbed by external forces, there will be unpredictable situations."

Speaking of the last sentence, Yutong Xianweng's face was bitter, and at the same time his eyes were closely watching the changes in Dharma Honglian.

Unpredictable situation?

When she heard this, Princess Dong Ling was also a little flustered, and she hurried back a few steps, observing the Dharma Honglian closely.

Buzzing...

Nothing happened at first, but ten seconds later, the innate aura around the top of the mountain suddenly began to surge violently.

It's over...

Feeling the innate aura surging around them, Yutong Xianweng and Princess Dongling looked at each other, and they had a bad premonition in each other's hearts.

Obviously, Princess Dongling rashly touched the red lotus of the law industry just now, causing it to grow normally.

call...

Just when the two were uneasy, they saw the red lotus in the crevice of the stone, suddenly flashing a ball of fire, and then, the crystal petals began to roll inward, and at the same time, the lines on the top appeared. Signs of wilting.

"senior!"

Seeing this situation, Princess Dong Ling suddenly became anxious and couldn't help but said: "It....is it going to wither? What shall we do? Shall we collect it?"

Although he didn't know much about the

law industry red lotus, the current situation also made Princess Dongling realize that once the law industry red lotus withered completely, it would lose its original effect, and Yue Feng would not be able to rebirth.

"I...."

At this time, Yutong Xianweng was also very anxious, listening to Princess Dongling's cry, with a wry smile on his face: "Girl, I said before, I am not almighty, how can I know what to do?"

When saying this, Yutong Xianweng's face was bitter.

Speaking of it, although he knows some knowledge about Dharma Red Lotus, he has only read it in ancient books, and has

never encountered it. Today is the first time I saw Dharma Red Lotus.

Chapter 2318

Upon hearing this, Princess Dong Ling almost cried, and pleaded: "Senior, you must find a way."

Princess Dong Ling was very anxious and guilty at this time.

Had it not been for marrying herself, Yue Feng would not have been arrested in God's Domain. Although she had been robbed of innocence by him before, Princess Dongling felt a bit resentful, but she had already seen so much during this period of time.

In Princess Dong Ling's heart, Yue Feng ended up like this, although it was not caused by her, but it couldn't get rid of the relationship.

If Yue Feng completely lost the chance of rebirth, Princess Dong Ling would not be at ease for the rest of her life.

"Don't worry, don't worry..."

Under the urging of Princess Dongling, Yutong Xianweng was also anxious. While scratching his head, he comforted: "Let me think of a way..."

After speaking, Yutong Xianweng sat on the ground, closed his eyes and began to think.

call...

Seeing this scene, Princess Dong Ling was anxious, but she didn't dare to interrupt, she could only wait anxiously from the

side.

At the same time, I also hope that Yutong Immortal Weng can come up with a solution quickly.

Huh!

A few seconds later, Yutong Xianweng seemed to have thought of something, his eyes opened suddenly, and he stood up at the same time: "I thought of a way..." However, halfway through, he shook his head and muttered to himself: "No, it's definitely not possible."

"senior!"

Seeing him hesitating to speak, Princess Dong Ling stomped her feet in anxious manner: "What is the method? Tell me

quickly."

"No way..."

Yutong Xianweng kept shaking his head, like a child who had done something wrong: "This method is too cruel, and it will completely ruin you."

Ruined me?

Upon hearing this, Princess Dong Ling was stunned, and then bit her lip firmly and said: "Senior, don't worry too much, as long as you can bring Yue Feng back to life, let me do anything?"

After that, Princess Dong Ling took out the jade bottle, looked at Yue Feng's spirit inside, and said meaningfully: "Although I had some entanglements with him before,

but the wedding was held anyway, I am his wife, and I have the responsibility. Protect him, save him."

"Senior, what is the method? Tell me, if I can do it, I will do it."

Seeing her expression, Yutong Xianweng frowned and did not immediately respond.

Ugh!

Two seconds later, Yutong Xianweng sighed, and said with emotion: "It's a sin."

As he said, Yutong Xianweng put away the hippie smiling face before, with an extremely serious and complicated expression: "The method I said is a special blood sacrifice ceremony."

"You don't need to explain what happened just now. You rashly touched the Dharma Red Lotus, which caused it to wither prematurely. If you want it to return to normal, you need to burn your blood and life and blend into the Dharma Red Lotus. Let it return to normal."

"You are the daughter of Nine Heavens God, with noble blood. You can definitely do it."

"It's just.... Once you do this, not only will you not be able to reshape your soul, but you will also lose your body and soul."

At the end of the talk, Yutong Xianweng's eyes flashed unbearable, and he sighed: "Why don't you forget it, Yue Feng has come this far, maybe it is his life, you don't need to burn your own blood and life to

help he."

This....

At this moment, after listening to these princesses, Dongling was stunned, her body trembled faintly, and she couldn't recover for a long time. My heart is even more deeply entangled.

Only in this way can Yue Feng be cured?

I have been away for so long and want to return to Yuyao Xianyuan to be reunited with my father and queen, so I can't just die like this.

But if you don't do this, Yue Feng won't be able to rebirth. He is a Kyushu hero, and there are many important things to do.

"Girl!"

Seeing that Princess Dongling was unable to pay attention, Yutong Xianweng smiled bitterly and greeted: "Maybe this is Yue Feng's fate. Maybe God is destined. He can't be reborn with Dharma Karma Red Lotus, so forget it, let's Get out of here and think of other ways."

When the voice fell, Yutong Xianweng turned around and was about to leave.

"Wait for seniors."

However, before taking two steps, Princess Dong Ling's eager voice came from behind him.

Yutong Xianweng turned around and saw Princess Dongling standing there, with a

delicate and beautiful face showing a bit of complexity and determination.
