

The evil mastiff at this time was almost anxious and angry.

You know, it's as good as the giant soft-shelled turtle. If you fight hard, you will only end up with a lose-lose result.

If that were the case, it would be fooled by this human kid.

"Shut up!"

However, the giant turtle was angry at this time, and roared: "Don't quibble me, you rushed to attack me, can't I see it because I'm blind?"

"I tell you, this innate power must be mine."

When the voice fell, the giant turtle's huge

body rushed directly to the evil mastiff.

idiot.

Seeing this scene, the evil mastiff screamed secretly, and then he didn't think much about it, and fought against the giant turtle in the void.

For a time, the huge bodies of the two sides were in the air, and the constant collisions caused the void to be violently distorted, as if the world was apocalyptic, and the scene was extremely shocking.

I go....

Seeing this scene, Yue Feng standing below was almost dumbfounded at the sight of the two innate evil beasts fighting each other. This scene would

hardly be encountered once in ten thousand years.

But I have to say that the strength of both sides is really strong.

In a blink of an eye, ten minutes passed, neither the evil mastiff nor the giant turtle could do anything about it, but after the fierce battle, both sides were injured, and they saw the giant turtle's head with several shocking wounds and blood. Sprinkled like rain.

And the evil mastiff was not much better. Several ribs were broken by the hard shell of the giant turtle, and the speed was obviously not as fast as before.

Seeing this, Yue Feng had planned to take the opportunity to leave, but he didn't

know what to think, so he decided to wait until they were defeated.

Bang bang bang...

Because they were both injured, the giant soft-shelled turtle and the evil mastiff were agitated, and the fierce fighting became more and more fierce. Finally, after the last collision between the two sides, both fell from a high altitude.

Two huge evil beasts smashed to the ground, and the dust suddenly filled.

At this moment, Yue Feng hurriedly urged his figure to dodge backwards.

call!

After ten seconds, when the dust and

smoke dissipated and seeing the situation in front of him clearly, Yue Feng breathed a sigh of relief, and a smile appeared at the corner of his mouth.

Haha... This time the plan is very successful.

I saw that the giant turtle and the evil mastiff were all paralyzed there, their huge bodies motionless, and each one was weaker than the other.

"Boy!"

At this moment, the giant turtle, regardless of the blood spewing on its head, shouted at Yue Feng: "You help me kill these three evil dogs. I don't need the innate power. I will give you a mount and take you away from here. "

Although they were the four great evil beasts, they were still beasts. At this time, the giant turtle only wanted to get rid of the evil mastiff.

Huh!

Hearing this, the evil mastiff's six eyes instantly became blood red: "Mad, old turtle shell, do you want to get rid of me? I'm afraid you don't have this chance."

As he said, the evil mastiff also yelled at Yue Feng: "Boy, don't listen to it, as long as you help me kill it, I don't need innate power, and I will not only take you out of here, but also will pass your secret words."

"This secret whisper skill, you have also learned, it is very mysterious."

As soon as the voice fell, the giant turtle scolded again, letting Yue Feng help it kill the evil mastiff, and also said the weakness of the evil mastiff.

hehe....

Seeing the two parties quarreling endlessly again, Yue Feng showed a slight smile and said lightly: "You two, I'm sorry, I won't help any of you."

With that, Yue Feng's eyes were a little cold: "But I still have to thank you for telling me the other party's fate and weakness, so that I will save trouble?"

The last word fell, and Yue Feng's figure burst out, rushing directly, and slapped the giant turtle's life gate with a palm.

It wasn't that Yue Feng was cruel, but he knew that these two evil beasts were beautiful, but once they helped them, they would be forever, so it's better to get rid of them decisively.

"Wow!"

The giant soft-shelled turtle was injured and could not dodge it. At that time, it let out a miserable howl, and its huge body fell to the ground with a sudden death. Then, the body gradually shattered and turned into a dust and scattered in the void, leaving only a deep body. Green panacea.

Speaking of it, it is difficult to get rid of the giant turtle with Yue Feng's own strength alone, but it is different if it

incorporates the innate spiritual power of the Nuwa Empress.

Gudong!

Seeing this scene, the evil mastiff couldn't help swallowing, his six eyes were full of panic.

Chapter 2600

The evil mastiff at this time has completely lost the arrogance and self-confidence he had before.

It would never have thought that the kid in front of him was even more cunning than himself, betraying himself at a critical moment, and using the giant turtle to deal with himself.

It's just that it's too late to say anything.

"hehe!"

Facing the evil mastiff's plea, Yue Feng smiled indifferently: "I'm sorry, senior, I won't believe a word of what you say. Don't blame me!"

As the voice fell, Yue Feng ran his palm power again, and his divine power burst out and patted directly on the top of the head in the middle.

Just now when the giant turtle was still alive, I told Yue Feng that the fatal weakness of these three evil mastiffs was on the top of the middle head, so Yue Feng did not hesitate at all.

Bang!

With a silence, the head in the middle of the evil mastiff shattered in an instant, and the other two heads screamed horribly. In the end, Qijue died, and the huge body also fell apart, dissipated into dust and smoke, and left in place. A scarlet elixir.

Yue Feng saw that the whole body of this spirit pill was wrapped in flames, and he put it away without thinking about it at the time.

Afterwards, Yue Feng sat there and took a break.

The four major innate evil beasts have already been solved by themselves, and the last one is left, but I don't know where it is, but now it doesn't matter so much, wait until you have enough energy, and then make plans.

.....

On the other side, the Ouyang family of the Earth Circle Continent.

Before, Youtian, one of the twelve sacred

demon kings of the Demon Race, came to attack. The entire family resisted desperately and suffered heavy casualties. Now half a month has passed, and the injuries of Wen Chou Chou and Sun Dasheng have recovered.

However, in the past two months, the Ouyang family has not forgotten to keep track of the situation in Kyushu.

Half a day ago, news came that Yue Feng had appeared in Fengyu Mountain in Dongao Continent, and then he was missing. It happened that Ren Yingying took some palace guards and went to Fengyu Mountain, and then returned to the Apocalypse Continent. He announced the alliance with the Nanyun royal family to serve the demons together.

Knowing these circumstances, Wen Chou Chou was greatly shocked, and he was grateful to call everyone to discuss.

At this moment, Wen Chouchou was sitting in the hall, frowning and looking complicated.

Sun Dasheng, Xiao Yuruo, Wen Xiaoyu, Yue Wuya and others, sitting around, looked very solemn.

"Brother Wen!"

Finally, Sun Dasheng took the lead and said angrily: "I didn't expect that Ren Yingying would be such a woman. We were all blind before and treated her as our own, but now? She actually took refuge in her. Demon."

"At that time, when she had a demon soul, I felt something was wrong. It only took a long time to expose her nature."

When he said this, Sun Dasheng was very angry. You should know that he has always respected Ren Yingying, but Ren Yingying has turned his back. How can he not be angry?

When the voice fell, other people around also all spoke up.

"Uncle Dasheng is right." Wen Xiaoyu took a deep breath and couldn't conceal her indignation: "When this woman left, she always concealed her purpose. I didn't understand it at the time, but now I know that she was afraid that we would stop us. ."

He didn't have much contact with Ren Yingying, only relying on instinctive judgment.

"Don't talk nonsense."

At this moment, Yue Wuya couldn't help it, and stood up with a look of excitement: "Auntie is not such a person at all. How can she take refuge in the demons because she loves my father so much? There must be something hidden in this."

Yue Wuya got along with Ren Yingying since she was a child, and knew her nature too much, and would never do such a thing at all.

He clearly remembered that the Emperor Tianqi wanted to execute him and his mother Qin Rongyin. At the critical

moment, Ren Yingying took the risk to rescue him from the prison. There was nowhere to stay, and he had spent the night in a ruined temple.

Ren Yingying is very affectionate, he puts feelings more important than anything, and doesn't care about God's glory and wealth. How can such a person betray his lover and friend?

"Ya'er!"

Feeling Yue Wuya's excitement, Sun Dasheng sighed and said seriously: "You don't have to speak for her, people will change. You must know that she is a descendant of the demon race, with the blood of the demon race flowing in her bones."

Chapter 2601

Hearing this, Yue Wuya was anxious all of a sudden, and he still had to argue.

At this moment, Wen Chouchou got a headache, stood up and interrupted everyone.

"Okay, okay." Wen Chouchou looked bitter and waved his hand: "Don't make any noise."

As he said, Wen Chouchou looked at Yue Wuya: "I understand Ya'er's mood. Speaking of it, my thoughts are the same as Ya'er. Younger sister Yingying is a gentleman, has deep affection for Fengzi, and has a tough temper. I believe she will not betray, let alone surrender to the demons."

"There must be other reasons for this."

Hearing these words, the hall was silent.

Sun Dasheng flushed, completely disagreeing with Wen Chouchou's words, but for a while, he didn't know how to refute it.

"Hall Master!"

At this moment, a disciple of the Palace of Longevity hurriedly walked in, with a complex expression, and quickly said: "Report to the lord of the palace that there is a famous eunuch outside the door, claiming that he is from the Weather Palace, and that he has brought the Queen's decree."

Wow...

Hearing this, the whole hall was in an uproar.

What a coincidence, she was just talking about Ren Yingying, so she sent someone.

At this moment, Wen Chouchou smiled and stood up and said, "Quickly, please come in." You knew that Ren Yingying would never forget the Ouyang family.

Yue Wuya directly greeted him.

But Sun Dasheng and Wen Xiaoyu frowned secretly, and Ren Yingying suddenly sent someone, what is the purpose?

After a while, the disciple came in with an

eunuch.

"The villain Deng Chong."

The eunuch looked respectful, and saluted Wen Chouchou and Sun Dasheng and said: "I have seen Palace Master Wen, Head Sun, and Excellencies." The tone was humble and polite, which made people feel good.

Wen Chou Chou showed a slight smile, and his face was polite: "Father-in-law, sit down!"

Deng Chong humbly shook his head: "I won't sit down anymore. This time I brought a message from Her Majesty the Queen to invite you to the Weather Palace."

When he said this, Deng Chong's face was polite and respectful, but his eyes flashed sinister.

Yes, this time Ren Yingying invited the Wen Chou Chou people, not to reminisce about the old, but to deal with them. The Ouyang family has a high reputation in the whole Kyushu rivers and lakes. At the same time, it is also the main force of resisting the demons. It is naturally eradicated by the demons. The first goal.

Wen Chouchou didn't notice the change in Deng Chong's eyes. He nodded and said with a smile: "Okay, father-in-law, wait a minute, we are ready to set off immediately."

In Wen Chouchou's heart, Ren Yingying had to leave before, must have his own

difficulties, this time he suddenly summoned everyone to the Weather Palace, he must be prepared to explain the situation.

He believes that when it comes to the weather palace, Ren Yingying explains the ins and outs, the Great Sage and other skeptics will let go of their prejudices.

But Sun Dasheng was full of indignation and said coldly: "Let's go to the palace, just right, I'm going to ask her face to face, why she has to take refuge in the evil spirits and can't get through with Kyushu."

After so many years, Sun Dasheng's hot temperament has not changed, and what he said, regardless of the occasion.

Uh....

Faced with this situation, Deng Chong's face was very embarrassed.

"The Great Sage?!"

At this moment, Wen Chouchou frowned and couldn't help but yelled: "You calm down."

Seeing the eldest brother had spoken, Sun Dasheng snorted and stopped speaking.

A few minutes later, everyone in Wen Chou Chou was ready, and followed Deng to the Apocalypse Continent.

Along the way, everyone in Wen Chouchou kept asking Deng Chong about Ren Yingying's recent situation and wanted to know a little bit in advance.

However, Deng Chong was a wise man, and always fooled the past by avoiding the most important thing.

Finally, after several hours of rushing, Wen Chou Chou and his party finally arrived at the Imperial City of Apocalypse.

call!

At this moment, Yue Wuya looked at the place he grew up in front of him, with mixed feelings in his heart. The imperial city is still prosperous, but it's a pity that things are not the same.

Soon, under the leadership of Deng Chong, the Wen Chou Chou people entered the Qianyuan Palace smoothly.

call!

The moment he entered Qianyuan Hall, he saw hundreds of civil and military officials standing quietly on both sides, with solemn expressions and a little dignified atmosphere.

On the dragon chair of the main hall, Ren Yingying sat quietly, a beautiful dragon and phoenix robe that showed her graceful figure vividly and vividly.

Chapter 2602

It's just that the delicate face is as cold as frost. Seeing Wen Chou Chou everyone coming in at this time, there is no even the slightest fluctuation.

"Brother and sister!"

At this moment, Wen Chou Chou couldn't hide his excitement. He stepped forward and bowed first, and said: "You have been walking for so long, and now you are in contact. You don't know how much people worry about you."

When the voice fell, Yue Wuya was also extremely excited, shouting: "Auntie, we are here."

However, Ren Yingying sat there with a

dull face, but did not look happy at all.

"Bold!"

At this moment, a military commander strode out and coldly scolded: "You are so bold. The Qianyuan Palace should be called Your Majesty Empress."

There is no doubt about the stern and violent expressions.

Made!

Seeing this, Sun Dasheng, who was already holding the fire, couldn't help but cursed: "What are you? Our family talks, and we need you to interrupt? Go away."

"What are you talking about?" The general was also angry, glaring at Sun Dasheng:

"It's really rampant, too rampant."

When the voice falls, he must pull out his long sword and start his hand.

Sun Dasheng was even more unwilling to show weakness, his whole body burst out, and he shouted: "Want to do it? Your grandfather I haven't been afraid of anyone, come on."

"okay!"

Seeing that the two sides were about to fight, Wen Chou Chou couldn't stand it anymore, and he grabbed Sun Dasheng: "You calm down, what are you going crazy? This is the palace. People are right. Even if it's a family, let's guard. rule."

As he said, Wen Chouchou gave a fist to

Ren Yingying: "It was abrupt just now, I hope Her Majesty will not be surprised."

"It's okay!"

Ren Yingying's delicate face still did not fluctuate in the slightest, and he responded, and then waved his hand to let the general retreat.

In the next second, Ren Yingying looked at the people in Wen Chou Chou, and continued: "Everyone has toiled all the way, drink a glass of wine to relieve fatigue, and then let's talk about business."

"Come on, serve wine!"

When the voice fell, a few court ladies came in, carrying a few glasses of wine to the crowd.

"That's the truth."

Sun Dasheng grumbled, took the wine glass and drank it, admiring: "The wine in the palace is really different." At the same time, the Wen Chou Chou everyone also drank the wine one after another.

After drinking the wine, Sun Dasheng looked at Ren Yingying and said straightforwardly: "I said, younger brothers and sisters, I drank the wine too, what is going on, should you explain it?"

"The demons are ambitious. You actually took the Apocalypse imperial family to seek refuge. Isn't this trying to seek the skin of a tiger and help the evildoer?"

Huh!

At this moment, the eyes of Wen Chouchou and the others also converged on Ren Yingying.

At the same time, Wen Chouchou couldn't help but said: "Brother sister, if you have any problems, just say it directly. I believe that as long as we face it together, there is nothing that cannot be solved."

When the voice fell, Yue Wuya beside him also nodded in agreement.

call!

Ren Yingying was expressionless, sighed lightly, and said indifferently: "The Demon Race has been conceived since the beginning of the heavens and the earth, and has noble blood. However, it has been

slandered and oppressed by the gods who claim to be the way of heaven. Now my Demon Race is coming back to dominate the world. It's already the general trend, but you people are still obsessed with it."

"And my Apocalypse Royal Family is originally a descendant of the demons. It is my duty to serve the clan."

"I invite you to come this time because I sincerely invite you to join. As long as you are willing and work for my demons, I promise that the Ouyang family will become the largest family in Kyushu and prosper for generations."

What?

Hearing these words, whether it was Wen Chouchou or Yue Wuya, everyone was

stunned.

Especially Wen Chou Chou, with furrowed brows, how could he not believe his ears.

How could this be?

I thought that Ren Yingying invited everyone to come here to explain the situation, but she never expected that she would want everyone to join the Demon Clan just like her.....

While shocked, Wen Chouchou once again observed Ren Yingying's expression and felt that something was wrong.

No... It's impossible for Ren Yingying to say this. Looking at her, her eyes are dull and her words are blunt. Could it be that she has been controlled?

Chapter 2603

At this time, Sun Dasheng also reacted and shouted at Wen Chou Chou: "Brother Wen, let me just say, she is no longer the younger brother and sister we know, she has already taken refuge in the demons, but you still believe her. ?"

With that, Sun Dasheng flushed and glared at Ren Yingying: "Ren Yingying, let's talk less nonsense. Although the Ouyang family has gone through disasters, they have never bowed their heads to any evil. You still have to die."

"Let's go!"

After the last sentence fell, Sun Dasheng greeted him, turned and strode towards the outside of the hall.

Wen Chouchou and Yue Wuya, with complex expressions, were also ready to turn around and leave.

"joke!"

At this moment, a military commander snorted coldly and shouted: "Who do you think you are? The palace hall, come whenever you want, or leave if you want?"

Wow!

When the voice fell, I heard a rush of footsteps. Then, thousands of palace guards poured in from all directions, surrounding the entrance of the main hall, Wen Chou Chou crowd.

"Do you?"

Sun Dasheng had a fierce temper and couldn't help it anymore. He looked around and angrily shouted: "I want to go, who dare to stop me?" He said, raising his hand, and saw a dazzling golden light flashing. Tian Axe held it firmly in his hand.

A cluster of wars inspired.

The atmosphere is also extremely solemn.

"The Great Sage!"

At this moment, Wen Chouchou took a deep breath and pulled Sun Dasheng in a low voice to comfort him: "You calm down first, I think there is a problem with this. Younger sister Yingying seems to be controlled."

Controlled?

Sun Dasheng was stunned, and then laughed: "Brother Wen, whether she is controlled or not, we have to kill her in this situation."

After the last word fell, Sun Dasheng was about to break through the encirclement, but at this moment, his body trembled suddenly, and he couldn't hold the axe firmly.

broken!

It was okay just now, why suddenly, my whole body was limp, and I couldn't get it out of any strength?

Not only that, but the inner strength of the Dantian was also suppressed by a

strange force and could not be used at all. This was clearly a sign of poisoning. At this moment, Sun Dasheng shook his body in fright, almost unable to stand on his feet.

"The Great Sage!"

Seeing this situation, Wen Chouchou looked surprised: "What's the matter with you?"

Sun Dasheng took a deep breath, gritted his teeth and said: "Brother Wen, we have all been brushed, this woman is poisoned by alcohol."

What?

Hearing this, whether it was Wen Chouchou or everyone around Yue Wuya,

their expressions changed, and then their eyes gathered on Ren Yingying who was sitting in the hall.

The next second, Sun Dasheng glared at Ren Yingying: "Okay, you are really good, you actually used such a despicable method to deal with your own people."

He has a fiery personality, and at this time, regardless of whether the opponent is controlled or not, he just wants to vent his anger.

"good!"

At this time, Ren Yingying, with an incomparably indifferent face on her delicate face, said every word: "The wine you drank just now contains Phantom Moss. This kind of poison will occur once

the power is stimulated. Therefore, I advise you Still give up resistance."

"As long as you obediently surrender and work for my demons, I will not only give you the antidote, but also give you everything you want."

When she said this, Ren Yingying didn't have the slightest softheartedness. Since she was controlled by Demon Lord Gone, she had no emotions and six desires. There was only one belief in her heart, and that was to do her best to do things for the demons.

"you....."

Hearing this, Sun Da's holy spirit was incapable, and he looked at Ren Yingying in fright and couldn't speak.

Wen Chou Chou also sighed deeply.

Alas, it was really a misstep this time, but who would have thought that Ren Yingying, who has always been wise and agile, would be controlled by the Demon Race?

"Auntie!"

At this moment, Yue Wuya couldn't help but said: "Why did you do this? Have you forgotten your relationship with my father?" Yue Wuya was very excited at this time.

He didn't believe that Ren Yingying, whom he had always respected, suddenly became so vicious that the six relatives would not recognize it.

"mutual affection?"

A gleam of light flashed in Ren Yingying's hollow and godless eyes, and then she fell dejectedly, and said coldly: "Compared with the great cause of the clan, love is not worth mentioning."

As he said, Ren Yingying had no patience: "If you don't surrender, you make a decision quickly. I don't have much patience."
