

## Chapter 2694.

Can not do it!

But soon, Yue Feng calmed down. He was here to investigate the situation. He didn't pretend to be the God Monarch Haotian and kissed me with Empress Hua Zhao.

Thinking of this, Yue Feng imitated the tone of God Monarch Haotian and asked: "Manny, it seems to have heard that you want to integrate the power of the ancestor's soul? Is it true?"

Um!

At this time, Empress Hua Zhao didn't realize that there was anything wrong with the 'Haotian Divine Sovereign' in front of her, and she nodded without hesitation:

"I thought about this for a day, and it is considered to be a lot of thought."

"I did this to prevent Fairy Pipa from secretly engaging in ghosts. You think, she is an immortal outside the sky, and she has a strong strength. Then she has to Aolin to be the emperor of heaven. What should I do? Only if I am strong can I be invincible. ."

When she said this, Empress Hua Zhao was drunk, but her tone was still firm.

call!

Yue Feng lightly breathed, and said with earnest consolation: "Manny, I understand what you said, and I can understand your difficulties, but have you ever thought about it, if you merge with the ancestor's

soul, what will the entire God Realm think of you? ?"

"After all, the ancestor is the mentor of the ancestor. If you do this, you are deceiving the ancestor and destroying the ancestor. If the empress is charged with this crime, even if Aotian becomes the emperor, how can he convince the crowd?"

"And when that happens, Fairy Pipa will also use this to make a fuss. It's not worth the loss, my mother!"

When saying this, although Yue Feng used his ventriloquist and imitated the accent of God Monarch Haotian, it was also from the bottom of his heart.

After all, the great ancestors are the spiritual pillar of the entire God's Domain,

how can they be ruined by Empress Hua Zhao?

this....

Hearing the dissuasion, Empress Hua Zhao frowned and began to think.

Seeing her hesitating, Yue Feng hurriedly struck the iron while it was hot, and continued: "Manny, don't worry, Aotian will do the things of the Emperor of Heaven, I will definitely do my best."

"All right!"

Empress Hua Zhao was very moved, and smiled lightly, "Then I will listen to you, and I won't do this."

call!

Seeing her promised, Yue Feng breathed a sigh of relief. Great, this trip tonight is not in vain.

Seeing that the sky is getting late, Yue Feng said: "Manny, it's getting late, you are also drunk, rest quickly, I should also leave." While talking, Yue Feng was about to break free.

However, Empress Hua Zhao's intentions were still unfinished. A pair of jade hands hugged Yue Feng tightly, and she did not mean to let go. Her delicate face was full of coquettishness: "This palace does not allow you to go, you will stay here to accompany this palace tonight. ,OK?"

Damn it!

Yue Feng was startled, unable to laugh or cry.

I pretended to be Haotian Divine Sovereign, already taking a big risk. If I stay here tonight, once the truth is revealed, it will be completely over.

Thinking about it, Yue Feng quickly persuaded him: "Manny, this is not appropriate, let's..."

Before he finished speaking, Empress Hua Zhao interrupted: "My palace says it's appropriate, Haotian, you are also an upright man, why are you so courageous? My palace is not afraid, what are you afraid of?"

"Furthermore, there is no order from this palace. No one dares to come in. You will

stay with me tonight, and you will leave tomorrow morning."

While talking, Empress Hua Zhao took Yue Feng's hand and walked directly towards Ruansu.

I go.

At this moment, Yue Feng only felt his brain humming, and he was not calm at all.

It collapsed after opening this way, wouldn't it be...

Thinking about it, Yue Feng wanted to turn around and leave, but Empress Hua Zhao tightly pulled on the back of her hand and couldn't get rid of it at all.

"Haotian!"

The next second, when she arrived on the soft couch, Empress Hua Zhao lay halfway there, her face resting on Yue Feng's legs, her drunk face, she was full of coquettishness: "Tell me well, these days, this palace It's so lonely."

Yue Feng was sweating profusely, so he was not in the mood to chat, but at this point, there was no other way, so he had no choice but to bite the bullet and chat with Empress Hua Zhao.

I don't know how long we talked, but finally Empress Hua Zhao couldn't hold it anymore and went to sleep.

Nima!

Yue Feng breathed a sigh of relief, and

finally stopped.

Muttering in his heart, Yue Feng cautiously collapsed from the soft, and then crept out of the bedroom.

## Chapter 2695

Back in Yuxi Xianyuan, it was late at night, Yue Feng was tired, and when he arrived in the room, he lay directly on the soft couch and fell asleep.

Of course, before the rest, Yue Feng hadn't forgotten to change himself back to the appearance of Qing Xuxian Weng.

Unconsciously, a few hours passed.

Squeak!

When the sky was dark, Yue Feng was sleeping soundly, and he heard the door being gently pushed open, followed by a beautiful and slender figure sneaking in.

Damn it!

Could it be that the matter of pretending to be the God Monarch Haotian was exposed last night? Empress Hua Zhao sent someone to investigate?

Hearing the movement, Yue Feng was awakened in an instant, but instead of getting up immediately, he slightly narrowed his eyes and took a peek at the person who had entered.

Um?

At this sight, Yue Feng was stunned, and he saw that the one who broke in was a sixteen or seventeen-year-old girl, wearing a bright yellow short skirt, showing slender and slender legs, with exquisite features and beautiful, bright features. Touching, full of youthful and

beautiful breath, without losing the royal aristocracy.

Who is this girl? What did you break into my room early in the morning?

In a daze, Yue Feng couldn't help whispering secretly in his heart, looking at her strange and strange appearance, it didn't look like Empress Hua Zhao sent her.

Could it be that Prince Aolin, specially arranged for himself? But this temperament, how does it look like a girl...

Because he couldn't know the identity of the other party, Yue Feng didn't dare to act rashly, so he lay there and continued to pretend to sleep.

At this time, Yue Feng didn't know that

the girl in front of him was Princess Xia, the daughter of Nine Heavens God's beloved daughter. Among the many princes and princesses of Nine Heavens God, the two most loved princesses, one is Princess Tanglin, and the other is Xi'an. Ya princess.

Princess Xi Ya was young and often lived in the deep palace, so Yue Feng had never seen it before.

Speaking of which, this princess Xiya was born to God of Nine Heavens and Empress Hua Zhao. According to reason, her relationship with Aotian and Aotian should be the closest, but Princess Xiya and Aotian have the same relationship, but go with Ao Lin instead. Recently.

For Princess Xiya, compared with the

arrogant and violent Aotian, Aolin has a gentle personality and is more like a brother. Yesterday I learned that Aolin had worshiped a new master, and that this new master was from nine days away. , Princess Xia was very curious, so she came over to have a look early this morning.

Although she was a princess, she was still young. Seeing that the door was closed, she didn't think so much at the time, so she pushed the door directly in.

call!

At this time, Princess Xiya slowly approached, looked at Yue Feng from a close range, and couldn't help but curl her lips and said, "This is Brother Aolin's new master? It doesn't look anything special,

just an old man with a white beard... ."

Old man with white beard?

Hearing this, Yue Feng couldn't laugh or cry, but after thinking about it carefully, now he is playing the role of the "Xinxu Immortal Weng" with white beard and hair, not just the old man with white beard.

call out...

Just as Yue Feng was muttering secretly, she saw Princess Xiya suddenly stretched out her jade hand, quickly pulled off a few beards of Yue Feng, and said to herself: "Why does this beard look like a fake?"

Although the beard was glued on, it was suddenly pulled down, and Yue Feng felt his heart tighten, and a pain came.

I go!

In pain, Yue Fengdun couldn't go on  
fashion anymore, and almost jumped up  
from the soft couch, staring at Princess  
Xiya: "What a brave girl, dare to pull the  
old man's beard?"

"Who sent you? There are really no rules."

While scolding, Yue Feng covered his face  
with one hand, he wanted to cry without  
tears in his heart.

Nima, it's really unlucky today. Before I  
could sleep well, I was pulled by someone  
early in the morning.

Seeing that Yue Feng woke up with pain,  
Princess Xia took two steps back when

she knew that something had gone wrong, but she quickly calmed down and said slyly, "Oh, it turned out to be a real beard. I thought it was fake. "

Then, Princess Xia clasped her fists in a decent way: "Old man with white beard, I'm sorry, I didn't mean it."

Damn it, isn't this intentional?

Hearing this, Yue Feng almost laughed angrily, and looked at her up and down: "Who are you? What did you run into my room early in the morning? Tell me honestly."

When saying this, Yue Feng seriously admired Princess Xiya, and couldn't help but secretly admire.

## Chapter 2696

Although this girl is a little weird, her looks and figure are also the best, and her eyebrows are somewhat similar to Empress Hua Zhao. If this girl is mature, she would be a proper goddess level.

Princess Xiya didn't care about Yue Feng's gaze. She smiled slightly and said mischievously: "Guess what."

I guess?

Yue Feng's head suddenly became big, this Yuxi Immortal Garden is so big, there are thousands of maids, how can I guess who you are?

"Master!"

Just when Yue Feng had a headache, he heard a call from outside, and then Prince Aolin walked in quickly.

The moment he entered, he saw the scene in front of him, and Prince Aolin was taken aback for a moment, and then frowned at Princess Xia and rebuked: "Xia, why are you running around again? Didn't I tell you yesterday? This is Master's. The room, don't bother you casually."

With that, Prince Aolin apologized to Yue Feng: "Master, this is the younger sister Xiya, who is young and doesn't understand etiquette. Don't be offended."

Little girl?

Hearing this, Yue Feng was stunned.

The prince's little sister, isn't it a princess?

Seeing Yue Feng stunned, Princess Xia chuckled and said with pride: "Yes, I am the smart and beautiful Princess Xia."

With that said, Princess Xiya handed the beards she had just pulled off to Yue Feng's hand, and bowed in a pretended manner: "Master Baibeard, I'm so sorry for not holding back for a while."

Well...

Seeing her strange look, Yue Feng couldn't get angry, so he had to smile wryly.

Prince Aolin was taken aback, and said dumbfounded: "Little sister, you are such a fool, how can you pull Master's beard?"

"I didn't mean it!" Princess Xia looked aggrieved.

As she said, Princess Xia put her feet on her feet, leaned to Prince Aolin's ears, and whispered: "Brother, my brother, you said, when I pulled his beard just now, he jumped up with pain. Really Immortal Tianwai, how can he know that it hurts? I see, he didn't say anything great."

I go!

Princess Xiya's voice was very small, but Yue Feng could still hear her clearly. She was so angry and funny at the time.

This princess Xiya plucked my beard and didn't say anything, but she said ill of me secretly. It's really a distinguished status,

and it's full of lawlessness.

He was very unhappy, but in front of Prince Aolin, Yue Feng had no choice but to bear it.

"Don't talk nonsense."

At this time, Prince Aolin was also a little angry, and said with a stern face and very upset: "Little girl, you are really getting more and more nonsense. You disturbed Master to rest, and I didn't say you about pulling your beard. Now I say it again. It's not the master's, so hurry up and apologize."

To be honest, the first time I saw the Qingxu Immortal Weng who was pretending to be Yue Feng, Prince Aolin also had some doubts in his heart.

Whether the master in front of him had any great skills, but in any case, he was introduced by Fairy Pipa, for sure. You can't go wrong.

"elder brother!"

Seeing that Prince Aolin didn't seem to be joking, she was really angry. Princess Xia pouted: "I was just playing with Master Baibeard, and it was not on purpose."

Prince Aolin resolutely said: "Don't play tricks, I don't know what you think? Hurry up and apologize."

call!

Upon hearing this, Princess Xiya slowly walked to Yue Feng and lowered her head and said, "Master Baibeard, I'm sorry for

what happened just now."

When she said these words, Princess Xia was full of reluctance.

But there was no way, he angered Brother Aolin, and no one would play with him in the future.

Yue Feng could tell that Princess Xiya didn't really apologize, but she didn't care, waved her hand and said, "It's okay, it's not a big deal, forget it."

With that, Yue Feng looked at Prince Aolin and said, "Your Royal Highness, what skills do you want to learn from today?"

call....

Prince Aolin took a deep breath and

began to think.

"I want to learn too." At this moment, Princess Xia leaned forward with a look of interest: "Master Baibeard, what skills do you know, is there any fun?"

This girl!

Seeing her interrupted again, Yue Feng couldn't laugh or cry.

You are young, you know how to play before you have passed through the world.

"Xiya, don't make trouble here." Aolin also frowned, and said angrily: "You go outside to play first."

## Chapter 2697

"Do not!"

Princess Xia shook her head, leaped gently on the soft couch, tilted her head and said: "I'm going to be here. I'll be outside and no one will accompany me. I don't want to go out."

"you...."

Facing this kind of situation, Aolin had a headache, but he was helpless.

Boom boom boom!

In the next second, Ao Lin was about to speak, and suddenly, there was a roar from outside. This roar was very far away, and the shock that could be caused made

people's hearts tremble.

This vivid silence, whether it was Yue Feng, Prince Aolin and Princess Xiya, were shocked.

what's going on?

Yue Feng frowned. Could it be that the Demon Clan was not completely wiped out and revived?

At the same time, Prince Aolin and Princess Xiya looked at each other in surprise.

Whoosh!

In the next second, Princess Xiya was the first to react, and hurriedly ran outside to take a look, and couldn't help shouting,

"Brother, it seems to be the direction of the Spirit Beast Garden."

Spirit Beast Garden?

Hearing this, Prince Aolin's face changed.

Yue Feng was also shocked. When he was running away with Princess Dongling before, he encountered a giant beast called Kunmeng, and finally hid in the Imperial Palace in desperation. Because of this, he came across Yu by chance. Tong Xianweng.

Yue Feng clearly remembered that Princess Donglin told him at the time that in God's Domain, there was a Spirit Beast Garden, which contained spirit beasts specially tamed by the royal family. Each of these spirit beasts was powerful and

not weaker than that. Four congenital spirit beasts.

But.... These spirit beasts have been specially tamed and have been doing their duties. Why did a vision suddenly appear today?

"Come on!"

Just as Yue Feng was muttering secretly, Prince Aolin called a patrolling soldier and said: "Hurry up to the Spirit Beast Garden to see what's going on."

"Yes, Your Royal Highness."

Hearing the order, the divine soldier responded and hurried to the Spirit Beast Garden.

At this time, Princess Xiya no longer had any panic on her face, but was extremely excited. She took Prince Aolin's arm and said, "Brother, do you think those spirit beasts in the Spirit Beast Garden are fighting? If so, then So funny."

"Freeze said."

Prince Aolin was speechless, and said with a serious face: "The spirit beasts in the Spirit Beast Garden are all tamed, how can they fight each other?"

Yue Feng was also dumbfounded.

This strange princess Xiya is really afraid that the world will not be chaotic.

"Your Highness!"

As he was talking, the divine soldier who was sent to the Spirit Beast Garden ran over in a panic, sweating, and said to Prince Ao Lin: "Return to your Highness, the subordinates just went to see it, it is the Spirit Beast Xuan Kun. Suddenly violent, the movement just now was caused by Xuan Kun."

What?

Hearing this, Prince Aolin's face changed drastically.

Princess Xia stopped smiling and stayed there.

Yue Feng looked curious and couldn't help asking, "What kind of beast is Xuan Kun?"

Although Yue Feng was very

knowledgeable, it was the first time Xuan Kun had heard of it.

"You're still my brother's master." As soon as the voice fell, Princess Xiya stuck out her tongue and mocked: "We don't even know about the profound kun spirit beasts of our God Realm."

As soon as the voice fell, Ao Lin glared at him. At that time, Princess Xia stopped talking and closed her mouth obediently.

Yue Feng ignored Princess Xiya's rudeness, but looked at Prince Ao Lin tightly, waiting for his answer.

"Master doesn't know anything."

At this time, Prince Aolin adjusted his emotions and slowly said: "Speaking of

this mysterious spirit beast, but the great hero of our God's Domain, the battle between the gods and demons ten thousand years ago, the ancestor Honghuang ancestor was relying on Xuan Kun's help completely defeated the Demon Clan, but it was precisely because of that battle that Xuan Kun was hit hard, and he has been training in the Spirit Beast Garden ever since."

As he said, Prince Aolin frowned: "Xuan Kun has a gentle temperament, how can he suddenly become violent?"

call!

Hearing this, Yue Feng nodded suddenly.

It turns out that this Xuankun spirit beast, together with the ancestors of the great

ancestors, dealt with the demon race, and the background was not small.

At the same time, a past event also emerged in Yue Feng's mind.

A few years ago, there was a vision of heaven and earth in the Central Yuan Continent. At that time, many people in the rivers and lakes believed that there were magical soldiers who came to the world, but only when they arrived at the place did they realize that it was the movement made by the sacred beast Qilin of the Tianquan Sect.

## Chapter 2698

Yue Feng clearly remembered that the unicorn was frustrated and violent because of a bottleneck in cultivation.

And the movement just now, it seems that the situation of Xuan Kun, like the Huo Qilin of the year, was violent when it encountered a bottleneck in cultivation...

"Go and see!"

Just as Yue Feng was thinking about this secretly, Prince Aolin said anxiously, and then quickly hurried towards the Spirit Beast Garden.

Yue Feng and Princess Xiya followed closely.

hiss.....

Soon I arrived at the Ling Beast Garden, and saw the scene in front of me, not only Yue Feng, but also Prince Aolin and Princess Xiya, they couldn't help taking a breath.

Especially Yue Feng, the whole person was shocked.

I saw that there was a huge body suspended in the midair of the Spirit Beast Garden, which looked like a hill from a distance. The body was like a huge whale, more than 100 meters long, with sharp teeth lined up in the mouth. .

At first glance, it looked like a giant shark, but Yue Feng clearly saw that on its back, there were a pair of lavender wings.

Sharks have wings on their backs? But unheard of.

Yes, this huge beast is exactly the Xuan Kun mentioned by Prince Ao Lin just now.

Damn it!

It took a few seconds for Yue Feng to relax, and he secretly admired, is this the spirit beast Xuan Kun? What a strong breath.

"Roar..."

At this moment, Xuan Kun let out a loud roar, his eyes were extremely blood red, and a terrifying aura burst out of pressure around his body.

Yue Feng guessed right, this Xuan Kun had reached a bottleneck in his cultivation, which caused confusion in his mind and aroused rage.

"quick!"

At this moment, a divine general in charge of the Spirit Beast Garden quickly arrived with hundreds of divine soldiers, and loudly ordered: "Hurry up and encircle Xuan Kun, and don't let it leave the Spirit Beast Garden."

Once the violent Xuan Kun left the Spirit Beast Garden, the consequences would be disastrous.

Whoosh whoosh.

Upon hearing the order, hundreds of

divine soldiers burst out one after another, forming a huge array, enclosing Xuan Kun in the middle.

In the next second, the surrounding heaven and earth auras continued to converge towards the big formation, forming a powerful array of coercion, heading towards Xuan Kun to suppress it.

Seeing this, Yue Feng looked solemn and shook his head secretly.

This Xuan Kun is already violent, suppressing it with tough means, I'm afraid it will be counterproductive.

"Roar!"

Yue Feng's guess was good, that Xuan Kun felt the coercion from the magic circle,

and immediately lost his reason, his eyes were extremely bloody, and he let out a roar that shocked the world!

"Om! Om! Om!" In the next second, Yue Feng clearly saw the sound waves that were shaped like a substance, emanating from Xuan Kun's mouth, directly erupting towards the surrounding magical soldiers.

Damn it!

Seeing this scene, Yue Feng opened his mouth, extremely shocked. Can't help but mutter to himself: "This Xuan Kun actually attacked with his voice..."

Seeing his shocked face, the Emperor Ao Tian nodded and said: "Yes, this Xuan Kun is very different from other spirit beasts. What he is best at is to defend his

enemies with 'sound waves'."

"I heard from the emperor that at the time, Master took Xuan Kun against the Demon Clan, and when Xuan Kun's voice waved, he dazzled many Demon Clan fighters with tinnitus and confused the formation."

When talking about this, Prince Aolin looked at the hundreds of divine soldiers in front of him, and couldn't hide his worry: "Xuan Kun is very strong, just a magic circle, I am afraid it will be difficult to trap it..."

"Om! Om..."

As soon as the voice fell, I saw Xuan Kun emitting two sound waves. In a short time, when the sound waves were

shocked, many magic soldiers uttered a muffled hum and were directly shocked and flew out.

Seeing this situation, many of the magical soldiers who came later rushed up to fill the vacancy in the magic circle.

Huh!

At the same time, the movement also attracted more people to rush over, and saw Empress Hua Zhao slowly coming, surrounded by the priests, behind her, followed by the proud and proud Prince.

call!

Seeing that Empress Hua Zhao was also here, Yue Feng couldn't help but look at it from a distance, and the scene of last

night appeared in his mind.

What happened last night is like a dream. Who could have imagined that after drinking wine, Hua Zhao, who is aloof, would be so charming and moving.

"this..."

When Yue Feng secretly remembered, he saw Empress Hua Zhao's delicate face with a trace of astonishment, and asked:

"What's the matter?"
