

## Chapter 3310

Thea stomped her feet in a hurry, but didn't know how to refute it.

This Darryl is really stubborn.

"Darryl, you are so daring!"

At this moment, Seth, who had been sullen, pointed at Darryl and cursed: "Are you going to openly confront the entire Pearl City?"

"Haha!"

Darryl smiled lightly. With a loud voice, he responded: "City Lord, use these high-sounding reasons to suppress me. You want to protect McGrady, just say it!"

"City Lord." At this time, McGrady struggled from the ground, howling with a bitter expression on his face. "Darryl openly acted on me, and now he is so disrespectful to you, so rampant, no need to talk nonsense!" When the voice fell, Seth did not hesitate at all, pointing to Darryl and howling: "All the guards listen to the order, Take this Darryl down for me!"

Wow!

The voice fell, and the guard soldiers waiting outside the manor suddenly rushed in, hundreds of them.

These guard soldiers are responsible for the safety of Pearl City. They are under the direct command of the city lord, and their strength is not low.

Seeing this scene, the guests present were suddenly far away.

"Darryl!"

At this time Seth, with a gloomy expression, said coldly at Darryl: "Immediately you will be caught with your hands. If you dare to resist, you will be at your own risk!" The

voice fell, and Thea on the side also shouted anxiously: " Darryl, calm down, don't be impulsive, okay? "

Huh!

Darryl breathed a sigh of relief, looking at the hundreds of guards around him, with a look of pride: "A gang of guards wants to catch me? I want to leave, and none of you can stop it!"

The sound is not loud, but it spreads to the audience, unparalleled domineering! At this moment, feeling the aura on Darryl's body, everyone present felt tight. What a strong breath.

Finally, McGrady reacted and laughed and sarcastically said: "No one can stop you? What do you think you are?"

" Take it down, take it down immediately..." Seth was too lazy to talk nonsense and screamed loudly.

Buzzing... the

voice fell, and hundreds of guard soldiers burst out with holy power, holding their long swords tightly, and rushing towards Darryl.

Darryl stood there proudly, without the slightest tension, but a smile appeared on his face.

Since you want to fight, let's come with special codes!

Hum!

At this moment, a powerful breath burst out from Darryl's body and swept the entire manor.

At this time, Darryl held Heavenly halberd, and his body was covered with bloody light, his aura was like a rainbow, like a killing god.

"Blood fight in all directions!"

Four cold words came out frantically from Darryl's mouth, Heavenly halberd

suddenly waved, a dazzling blood-colored light burst out towards the surroundings.

Boom boom boom.... In an instant, hundreds of guard soldiers were shrouded in bloody light in an instant. Under the crushing force of terror, many soldiers let out a scream. In this bloody battle in all directions, nearly a hundred soldiers lost their combat power in an instant and fell into a pool of blood one by one.

What?

Seeing this scene, whether it was Seth or McGrady and the many guests who retreated to the distance, they couldn't help but breathe in cold air, and they were all stupid.

Just a door-to-door son-in-law, the strength is so terrifying.

What he broke out just now is obviously different from the holy power, what kind of power is it?

Also, what kind of weapon is in his hand?

For a while, shock and doubt filled the minds of everyone present.

At this moment, Lolita stood there, staring at Darryl blankly, she was also shocked.

## Chapter 3311

So he is so powerful...but why should he hide his strength?

At the previous wedding, McGrady came to make trouble, and Darryl violently abused him in public. Lolita didn't think much about it at the time, thinking that Darryl was just lucky, but at this time, seeing Darryl summon Fang Tian to paint a halberd. Realize that this man is much tougher than he thought.

"Darryl!"

At this moment, McGrady reacted, covering his face and shouting at Darryl:

"Finally reveals his true colors, right?" With

that, McGrady yelled at the surrounding: "Everyone has seen it. , This Darryl is very strong, otherwise, how can he collude with the wild male? Only his strength can secretly kill the old

man Dumen without leaving any evidence!" Hearing this, many people around, Nodded one after another.

At this time, Seth wiped the cold sweat from his forehead, and shouted at the remaining guard soldiers: "Don't be afraid, no matter how strong he is, there will only be one person. Let's go together and take this scum!"

Wow!

When the voice fell, the remaining guard soldiers looked at each other and rushed over by coincidence!

Mad!

Seeing this situation, Darryl's eyes were completely blood red, and he locked on McGrady firmly: "Meddie, even if the blood splashes three feet today, I will first take off your head to pay homage to the spirit of Father Dumen in the sky!"

"Those who stand against me will die. Come on!"

At this time, Darryl was completely angered. This McGrady was too sinister and contemptible. At this time, he still didn't forget to discredit himself and not get rid of him. It was hard to confuse his heart.

The last howl fell, Darryl held Heavenly halberd tightly, thinking of McGrady directly.

Huh!

Feeling the terrifying breath of Darryl, McGrady's heart was cold, his face was

extremely pale, and he crawled and fled to the crowd behind.

"Stop him!" Seth was even more furious.

In the next instant, Darryl was intercepted by the guards.

"Puff!"

"Puff!"

At this time, Darryl was determined to kill McGrady, and he didn't put these guard soldiers in his eyes at all. With his red eyes, Heavenly the halberd in his hand, constantly waving, every time Fang Tian With the painted halberd raised, several guard soldiers must fall.

Sigh!

Seeing this scene, the many guests in the distance were so shocked that they almost couldn't stand still, and some timid female guests even fainted with fright.

Horror, terrible!

Just one person, fighting so many guard soldiers, can still defeat so many people, is this still a human?

Everyone at this time didn't know that what Darryl showed was not the peak strength, otherwise, a handful of white lotus would burn the entire Dumen Family Manor to ashes.

"Everyone!" At

this moment, Seth was frightened and yelled at the guests not far away: "Darryl is a disaster for Pearl City, and the crime is horrendous. We must unite and ask your families to help!"

When yelling these, Seth panicked.

I thought that I would bring so many guard soldiers and could easily take down Darryl, but I never thought that the strength of this door-to-door son-in-law was too terrifying, as if the god of war descended to the world.

Under this circumstance, the major families present can only help. You must know that each major family has its own guard, and together, it is also a force that cannot be underestimated.

When the voice fell, the big families among the guests shouted one after another.

"Guardian of the Green Family, take Darryl for me!"

"Guardian of the Rock Family, take Darryl."

Wow!

In an instant, the guards of the major families, upon hearing the order, surrounded Darryl one after another, with a total of nearly a thousand people.

Fuck!!

Seeing this situation, Darryl was angry and anxious again.

There were more and more people, and things got worse, and he suddenly became the public enemy of the entire Pearl City.

But in any case, he will kill McGrady today to avenge Mr. Dumen.

## Chapter 3312

The

other side!

Located eighty miles northwest of Pearl City, it is a virgin forest.

At this time, in this forest, a figure kept running forward with a pale face. It was Moloch, the leader of the Hall of Living Beings.

Half a day ago, after being severely injured by Darryl, Moloch destroyed the main altar and took the opportunity to escape, without stopping at all along the way. After several hours of escaping, Moloch finally came to a steep mountain.

I saw that the peak was steep and straight, towering into the clouds, and very sinister. There was only a hidden path to reach the top of the mountain. This mountain, called the Giant's Peak, is a resting place for Moloch's benefactor.

Sigh!

At this moment, when he reached the foot of the mountain, Moloch let out a long sigh of relief. The panic of running away was completely gone. The benefactor of himself is unfathomable. Even if the door-to-door son-in-law chases here, he doesn't need to be afraid.

Thinking about it, Moloch took a short rest and quickly went up the mountain.

....

At this moment, the Giant Peak.

On the top of the peak, there is a wide cave, and at this time, at the entrance of the cave, a slim figure is sitting there, closing his eyes and resting.

This woman in her twenties, in a long black and red dress, shows the graceful curve, her facial features are exquisite and beautiful, with the surrounding smoke and clouds, she is really like a fairy, but her body is full of coldness that cannot be blasphemy. breath.

If Darryl was present at this time, he would definitely be surprised.

Because this woman is the Bonnie he has been looking for!

A few months ago, Bonnie, Darryl, and Yuri were involved in the vortex of chaos and were finally teleported to the Roland Continent. At that time, Bonnie had just swallowed Donogue's power of Pluto, but the power of Pluto was too strong, so he came. After arriving on this continent, Bonnie has been practicing fusion all the time.

Sigh!

At this moment, a figure slowly climbed to the top of the peak, and the fatigue that could not be concealed was Moloch!

Yes, Bonnie is Moloch's benefactor.

Speaking of it, Moloch was originally an unknown wanderer. A month ago, he was oppressed by the nobles in the New Moon Principality and almost died. As a result, he encountered Bonnie passing by and was rescued.

At that time, Bonnie discovered that this Moloch had fairly good aptitude, so he taught him some techniques and then asked him to build the Hall of All Living Beings.

Bonnie did this because he wanted to establish his own power in this different world.

"Moloch!"

Seeing Moloch, Bonnie's eyebrows frowned: "You don't manage the Palace of All Beings, why are you here?"

Bonnie explained to Moloch that there is nothing important, so don't bother yourself.

"His Honorable Goddess!"

Moloch walked up to the front with a bitter face, and said respectfully: "A major event has happened in the Hall of All Beings..." Because of his awe, Moloch has always called Bonnie his Highness the Goddess.

Afterwards, Moloch explained the situation in detail.

Huh?

After learning about the situation, Bonnie's eyes flashed, and her beautiful face suddenly became solemn: "What are you talking about? The main altar of the Palace of All Beings was destroyed? The other party is just a door-to-door son-in-law, even you are not an opponent?"

"Yes!" Moloch was ashamed, wiped off his sweat, and cautiously said: "That person is very evil. I used the power that His Royal Highness taught me, but was

suppressed by that person."

"Fortunately, I was witty, at the time. Destroyed the main hall, and then escaped, otherwise, he would have died in that person's hands."

Bonnie's eyes flickered, and he said lightly: "What's this person's name? Where is it from?"

Phew!

Moloch took a deep breath, unable to conceal the resentment in his heart: "This man is called Darryl, he is Pearl City, the son-in-law of the Dumen family..."

Darryl?

Before he could finish speaking, Bonnie's expression changed and she stood up all at once.

.....

On the other side, Pearl City, Dumen Family Manor.

The fierce battle continues.

To be honest, with Darryl's strength, these guards couldn't stop it at all if they broke out completely, but Darryl did not lose his mind. It was McGrady who was guilty of the crime, and these guards and guards were innocent.

Therefore, Darryl did not use the killer, but severely injured these guard soldiers and guards without taking their lives.

## Chapter 3313

However, it was precisely because of Darryl's kindness that he was besieged by the guards of the major families for a time, and it was difficult to rush to McGrady.

Bang Bang Bang...

Finally, after more than three hours of fierce fighting, I saw that the guards of the major families, as well as the guards of the city lord, were lying there, one by one, completely losing combat effectiveness, and no one could stand. Got up.

And Darryl stood there proudly, holding Heavenly halberd, majestic and majestic.

Phew... At

this moment, both the city lord Seth and the big families present are all stupid. Shock.

Completely shocked.

With so many people, they couldn't stop Darryl alone...

"Maddy!"

At this moment, Darryl stared at Maddy closely, and his cold voice spread throughout the manor: "Prepare to die, no one can save you! "

You..."

McGrady trembled, only feeling that his legs were soft and panicked : "You...you..." Under the huge panic, McGrady was already speechless, this Darryl The wind power is terrible.

Darryl didn't talk nonsense, holding Heavenly halberd tightly, thinking of McGrady step by step, every step seemed to step on McGrady's heart.

Hum! However, at this moment, I saw the sky not far away, the wind was surging, and then a charming figure flew quickly, charming figure, beautiful facial features, but cold as frost!

It is Bonnie!

Knowing from Moloch that Darryl had become a door-to-door son-in-law in Pearl City, Bonnie was very surprised, and then hurried over.

Darryl, it's really him!

At this moment, seeing Darryl standing proudly in the manor, Bonnie's body was

shocked.

Since he came out of the too illusory realm, Bonnetian was not afraid of being afraid, but was afraid of Darryl by three points.

Whoosh!

At this moment, Bonnie did not hesitate to speed up instantly, and at the same time an extremely strong breath burst out, condensed on her right palm, and slapped Darryl's back fiercely!

Wow!

The sudden appearance of Bonnie surprised everyone present, and at the same time, they were all attracted by Bonnie's charming appearance.

Especially the young masters of the family like McGrady and Matsuda, all eyes were straight.

What a beautiful woman.

Moreover, the aura is so powerful.

Um?

Darryl's attention was originally on McGrady, when he suddenly saw that the faces of the people around him were wrong, he turned his head subconsciously, but it was too late.

Bonnie was originally a fairy, but now he has the power of the Pluto, and his strength is extremely powerful.

"Bang!" In the

blink of an eye, Bonnie arrived and slapped Darryl's shoulder with a palm, and a dull vibration erupted. At that time, Darryl's body was directly blown out, flying out more than a hundred. Mi Yuan, falling heavily on the ground, a mouthful of blood spurted out!

Fuck!!

At the moment he landed, Darryl only felt that his internal organs had been shattered! There was a burst of pain, almost fainting!

Darryl wanted to struggle to stand up, but the palm just now was really powerful, and at this time Darryl was so soft that he couldn't try any strength.

Bonnie? is her!

Darryl endured the severe pain, tilted his head to look, his eyes fell on Bonnie, his heart shook, and the whole person was stunned.

Fuck!, how could it be her?

Wow!

At the same time, everyone present was also shocked, looking at Bonnie one by one, shocked.

Is this woman's strength so terrifying?

Just now this Darryl showed off his strength, which has already shocked people, and this beautiful woman seems to be more powerful than Darryl in strength.

Chapter 3314

"Darryl!" At

this time, Bonnie looked at Darryl up and down, with a bit of playful abuse on her delicate face: "Unexpectedly, let's meet again! Unexpectedly, your life is pretty big. , Was involved in the vortex of chaos and didn't die!" The voice fell, and Bonnie slowly walked over, full of evil spirits!

Bonnie couldn't conceal his anger at the thought of being brought into the chaotic vortex by Darryl.

Sigh!

Seeing Bonnie getting closer and closer, Darryl took a deep breath and showed a

smile: "You are all right, how could I die in the Chaos Vortex? Bonnie, you are a fairy in the illusory realm anyway, but you have also learned It's really disappointing to make a surprise attack from behind." At this moment, listening to the conversation between the two, everyone around was stunned.

Chaos vortex? Too illusory? Faerie?

What are Darryl and this woman talking about?

"Slap!"

At this moment, Bonnie walked to Darryl, first with a smile of evil charm, then raised his jade hand, and slapped Darryl in the face without warning.

Darryl had just been assaulted by Bonnie and was extremely weak. This slap could not be avoided at all. After a crisp sound, half of his face suddenly swelled. hiss!

For a moment, the audience was deadly silent.

Soon, McGrady was the first to react and laughed very relievedly: "The beauty is playing well, then..." Before he finished speaking, Bonnie was interrupted by a look in his eyes.

At this moment, feeling Bonnie's icy eyes, McGrady only felt a chill in his heart, and the words behind him abruptly suffocated.

This woman is so sexy and beautiful, but her eyes are so scary.

After glaring at McGrady, Bonnie turned his head!

"Darryl!" Bonnie looked at Darryl up and down, his eyes full of arrogance: "Don't be smiling with me, do you think you are still the famous Jiuzhou hero? This is a different world, and I am about to merge with King of the Dead. Power, when the time comes, no one will be my opponent in this other world continent, so talk to me and be polite, okay?"

Hearing this, Darryl rubbed his face, a little bit dumbfounded.

This Bonnie really hasn't changed at all, it's still so cold and arrogant.

Thinking about it, Darryl couldn't help but said: "How do you know that I am here?"

It's okay that Darryl didn't mention this. As soon as he mentioned this, Bonnie instantly became angry: "You hit my person, of course I am I can find you!"

Your man?

Darryl was stunned, and he reacted quickly, and said with a dumb smile: "It seems that I guessed well, that guy named Moloch is indeed yours."

Seeing that he can still laugh, Bonnie shows her eyebrows. Locked tightly:

"Darryl, are you really afraid that I will kill you?"

"You won't be for the time being!" Darryl shook his head and said with certainty:

"You know in your heart that this is not our world. You will go back sooner or later. , When you decide to go back, you will definitely ask me for help, won't you? "

Huh!

Hearing this, Bonnie went silent.

Darryl was right. After Bonnie came to this Roland Continent, he was not used to it everywhere. During this time, while fusing the power of the King of the Dead, he also thought about how to leave, but he didn't have a clue at all.

"Okay!"

Finally, Bonnie reacted and looked at Darryl complicatedly: "You are really smart, I will not kill you for the time being, but it is impossible to let you go now, unless you can promise me a condition! "

When he said this, Bonnie's eyes flashed with cunning, and his tone was beyond doubt.

"What conditions?" Darryl asked subconsciously.

"It's very simple!" Bonnie smiled and was extremely charming: "You swear to be

loyal to me, from now on, everything will obey my orders!"  
At that time, Bonnie and Darryl lost a bet and agreed to To obey Darryl's orders, this matter has always been a shame in Bonnie's heart.  
But now with such a good opportunity, Bonnie naturally wants to get his face back.  
What?

## Chapter 3315

At  
this moment, Darryl's expression froze, and the whole person was stunned.  
From now on, follow your orders?  
Fuck!, Bonnie's tone is not small.  
Muttering in his heart, Darryl looked at Bonnie secretly with a pair of eyes.  
I have to say that this Bonnie, as a fairy conceived in the illusory realm, is not only sexy, but also filled with a queen-like aura. And I haven't seen it for a while, it seems even more fascinating.  
Seriously, it is a pleasure to work with such a charming stunner.  
But Bonnie is evil in nature, so I really want to agree, I'm afraid Bonnie will let himself do many things that hurt the world and reason.  
"Hey!"  
Seeing that Darryl had been silent, Bonnie had lost his patience and urged: "Have you thought about it?" Darryl smiled: "Bonnie, do you think I will agree?"  
Huh!  
Hearing this answer, Bonnie's pretty face changed, and her eyes flashed with coldness.  
"Okay, very good, Darryl, you are very sturdy!" Bonnie said coldly, and then looked around: "These are all your enemies around you? I know, the practitioners of this world, and the continent of Nine Mainlands. There is a big difference between them, and you are strong and you are not afraid of them at all. But if I seal your Qi internal strength, guess what the result will be?"  
Pop! Snapped! Snapped!  
When the voice fell, Bonnie shot without warning, sealing several acupuncture points on Darryl's body.  
Bonnie made a quick move, and Darryl had no time to react, and couldn't move a single moment.  
Fuck!!  
Darryl's heart was full of bitterness, anger and helplessness.  
"Darryl, I'll give you one last chance!"  
Bonnie was very proud at this time. There was a bit of jealousy in his eyes: "Immediately surrender to me, and I will take you away safely! Otherwise, you will Do it well."  
Darryl gritted his teeth without responding.  
To be honest, agreeing to Bonnie's conditions may be the best choice at the moment, but in that case, it violates his own principles.  
Seeing that Darryl always refused to accept the softness, Bonnieqi couldn't do it.  
. "This ... this beautiful lady."  
At this point, Santo Seth came slowly, cautiously opening directed at Bonnie said: "? I ask who you are and what this mountain wind grudges?"  
Say During these times, Seth was sweating profusely and was very nervous.  
As the lord of Pearl City, Seth didn't want to be so embarrassed, but there was

no way, the aura of the woman in front of her was too powerful.

Huh!

At the same time, the eyes of other people around were also focused on Bonnie. Bonnie frowned and replied faintly: "I have nothing to do with him! But just passing by, I saw this person committing acts in public, so I came to help." Although Bonnie is a fairy, he is not stupid, naturally not. Tell them the truth. It turned out to be passing by.

At this moment, both Seth and McGrady everyone secretly breathed a sigh of relief.

At this time, Bonnie looked around the audience and asked: "What kind of grudge does this person have with you, why are you besieging him?"

After the words fell, McGrady quickly replied: "Beautiful lady, it is like this. This Darryl is despicable and shameless. He has become the son-in-law of the Dumen family and is not at all restful. Not only did he kill the Dumen father, but he also wanted to occupy other people's industry. .." In the next few minutes, McGrady explained the situation.

Of course, when McGrady said it, he deliberately distorted the facts and added fuel and jealousy to describe Darryl as a heinous scum.

## Chapter 3316

Fuck!!

Seeing that McGrady turned black and white, Darrylqi's eyes were blood red, and he wanted to refute, but his injuries were too serious, the acupuncture points were blocked, and he didn't have the strength to speak.

"Tsk tusk!"

Hearing these things, Bonnie showed a teasing smile, walked over, and mocked at Darryl: "I can't tell, the famous Darryl in the Nine Mainlands Continent would actually do such a thing. "He is a hypocrite, and still pretends to be upright in front of me? The conditions I said, whether or not I can agree to it!"

Darryl chuckled lightly, too lazy to refute.

"Okay, okay!" Bonnie sneered, "I see how long you can be hardened." In the next second, Bonnie looked around and slowly said, "This person has no combat power, how should you deal with it? !" The last sentence fell, Bonnie tapped the ground lightly with his toes, flew towards the distance, and disappeared from everyone's sight in the blink of an eye. Bonnie didn't give up Darryl completely, she thought it over, let Darryl suffer a bit in the hands of the people in Pearl City, and when he was almost unable to support it, she would come to negotiate terms.

Damn it!

Watching Bonnie leave, Darryl's heart was shocked, and he was immediately stunned.

Just left?

Wow!

At this moment, Seth and McGrady, not far away, reacted one by one, unspeakably excited.

"Darryl!" McGrady smiled at Darryl with a smug look: "Have you seen it? God will not watch it if you do too much. The beautiful lady who passed by was sent by God to punish you."

At the same time, Seth also waved his hand quickly: "Quick, tie Darryl."

Suddenly, a few people walked over quickly and tied Darryl's five flowers.

The Darryl acupoint was blocked, and there was no way to resist.

"You mean and shameless thing!" At

this time, a middle-aged woman came out from the crowd. It was Launa, the housekeeper of the Dumen family.

When she arrived at Darryl, Launa cursed, "Master was so good to you, but you killed him, you should go to hell!" After speaking, she spit on Darryl's face. Speaking of which, half an hour ago, Launa didn't dare to do this at all. At that time, Darryl was invincible, like a god of war.

But now it is different. Darryl was injured by that beautiful lady and tied up. Launa was not afraid at all.

Wow!

For a while, everyone around also reacted, punishing Darryl's mouth.

"Such a scum, kill him directly."

"Yes, hang him publicly!" During the

curse, many members of the big family looked at Darryl with strong hatred. In the previous battle, Darryl didn't know how many family guards he had injured. At this time, people from these big families couldn't wait to cramp him.

In the face of everyone's duties and abuse, Darryl didn't bother to explain.

This city lord Seth, colluding with the major families, it is useless to explain.

"Calm down everyone!"

At this moment, Seth yelled, then walked over, looked at Darryl and said coldly:

"Darryl, do you confess guilt now?"

Phew!

Darryl took a deep breath and looked directly at Seth, without fear: "I didn't kill him, what am I guilty of?"

Hearing this, Seth was so angry that he roared, "You can't just be stubborn."

Barbarian's subordinates have already identified you, what else can you say?" At

this time, McGrady came out and shouted: "Don't talk nonsense with this kind of person, give him some first!" The

voice fell. People from all the big families around also nodded one after another.

"Yes, this guy hurt so many of our guards just now, so we must not be merciless."

## Chapter 3317

, "take lessons from him, to see if he could fooling what time."

Listening to the crowd cried out, Seth did not hesitate, raising his hand waved:

"Come, give me, he pleaded guilty to hit so far"

voice Just after landing, a close-fitting soldier of Seth walked over quickly, holding a soft whip tightly in his hand. I saw that this soft whip is made of metal wire and beef tendon, and it is extremely tough.

Haha... At

this moment, McGrady was proud of his face, and said to Darryl playfully:

"Darryl, I advise you to confess your sins quickly, so as not to suffer from flesh and blood!" When

he said this, McGrady was indescribably excited. .

As long as Darryl confessed his guilt and killed Dumen, it would be hard and fast.

Fuck!!

Hearing this, Darryl was furious, and at the same time sneered in response:

"Meddie, don't be proud, as long as I can't die, I won't let you go!" When

he said this, Darryl looked meaningless and thought. But I want to cry without

tears.

Fuck!, it's really like being bullied by a dog. If Bonnie hadn't raided herself just now, it wouldn't have fallen into the hands of this group of people.

At this time, Seth next to him stopped talking nonsense and yelled: "Hit, give me a fight!"

Pop!

When the voice fell, the soldier immediately raised his whip and slammed it on Darryl. With a thunderous explosion, a blood stain appeared on Darryl's body, and the blood soaked his clothes in an instant!

Damn Fuck!.

When the severe pain came, Darryl couldn't help taking a breath, gritted his teeth and did not scream, but his eyes were extremely bloody red.

Seeing him gritting his teeth and still not confessing his guilt, Seth's face turned grimly: "Quickly, how did you kill Old Man Dumen?"

Darryl sneered without responding.

Seth was furious and let the soldiers continue to fight!

"Flap! Pop! Pop!" The

soldier waved his whip and kept falling on Darryl's body.

The Darryl acupoint was sealed, and he couldn't move at all. He could only bear it through gritted teeth. After a while, there was no good place on the whole body, and the clothes were all ripped off.

Seeing this scene, McGrady and everyone in the surrounding family smiled triumphantly.

Although this Darryl is very powerful, wasn't he caught in the end?

At the same time, Lolita stood not far away, looking at Darryl, who was dripping with blood, her eyes flickered with complexity, and her delicate body trembled slightly.

At that moment, Lolita was a little unbearable, but when she thought of Grandpa's tragic death, her eyes returned to indifference.

The whip was pulled down, and Darryl finally couldn't help it. He gritted his teeth and yelled at Seth: "You are the city lord, but you don't have the ability to distinguish right from wrong. In today's matter, McGrady obviously slandered me. But you have been shielding him, I tell you, if I can't die, I will pay back ten times what you did to me today!"

"There are also your families, none of them can run away!" After that, the voice was cold, like The hell came out in general.

Huh!

Suddenly, whether it was Seth or the big families present, hearing these words, they couldn't help fighting a cold war, and then, one by one, furious.

"Still so rampant now?"

"Kill him directly!"

In the anger of the crowd, Seth also drew out his large sword, and walked towards Darryl step by step, and said in a deep

voice : "I don't confess guilt? Then I will fulfill you!" After the voice fell, Seth raised the large sword and pointed directly at Darryl. The wind pierced.

Fuck!!

Seeing the stabbing of the giant sword, Darryl's eyes were blood red, and he was unwilling to tell.

Just died like this? Not reconciled!

"My Lord City Lord!"

However, at this critical moment, I heard an urgent voice, and then a heroic figure stopped Seth.

It was Thea.

"Thea?"

Seth frowned, very displeased, and said coldly: "What are you doing? Get out of the way!"

This Darryl is so rampant, he doesn't put himself and the big families in his eyes, he must kill him. Not possible.

At the same time, everyone around McGrady frowned.

"My Lord City Lord!" Thea bit her lip and said anxiously: "Don't be impulsive. The law of the Principality stipulates that if you want to execute a prisoner, you need to gather the people and execute the sentence publicly. If you kill him here, you are violating the law of the Principality. Fa." When she said this, Thea looked at Darryl intentionally or unintentionally, feeling anxious.

She believed that Darryl was framed, how could she just watch him be executed? Sigh!

Hearing this, Seth fell silent, then put away the big sword, and exclaimed angrily: "Come on, take Darryl to the prison first. Tomorrow morning, call the people of the city and execute them in public."

Seriously, Seth was very serious. He wanted to kill Darryl immediately, but Thea was right. The law of the Principality stipulated that no one could use the death penalty privately. As the lord of the city, I can't know why.

Wow!

Soon, a few soldiers came over and left the manor with Darryl.

At this moment, Darryl secretly breathed a sigh of relief, and at the same time gave Thea a grateful look.

At this time, Darryl didn't expect that at the last critical moment, Thea would help herself.

After Darryl was taken away, the major families also left, only McGrady stayed. "Lolita!"

Seeing everyone leaving, McGrady showed a slight smile and walked to Lolita to please: "The old man is gone, people can't be resurrected, don't be too sad!"

When

he said this, McGrady had a face. Sentimental, but happy in my heart.

Haha... Darryl has been ruined, and now there is no worries about it.

Lolita breathed a sigh of relief, and slowly said, "Maddy, thank you for coming today to expose Darryl's mask. Otherwise, I would still be kept in the dark by him."

When Darryl was mentioned, Lolita hit Disgust from the bottom of my heart.

"No, no need!" McGrady waved his hand with a look of course: "The old man is also my elder, and I should do this." As he

said, McGrady leaned a little closer: "Lolita, my heart for you, You should understand that when Darryl is executed tomorrow, you will marry me, OK. The old man is gone, and you need a man by your side to take care of you. Don't worry, I will treat you well for the rest of my life."

At this time, McGrady, in his eyes Full of expectation.

However, Lolita shook her head: "Sorry McGrady, I don't want to talk about marriage for the time being. Even if you want to marry, you have to keep your grandfather's filial piety for one year!"

One year of filial piety?

Hearing this, McGrady was a little disappointed, but he still nodded

pretentiously: "Lolita, you are so filial, well, I will wait for you for one

year."

One year is not too long, I can afford it. .

Later, McGrady talked a few more words with Lolita and left happily.

.....

At night, Pearl City, guarding the prison.

In the gloomy cell, Darryl was tied there, unable to move.

Across the prison door, listening to the sound of the sea in the distance, Darryl had a sad expression. He was drawn dozens of whips during the day, his wound was fierce and painful, and the acupuncture points were sealed by Bonnie.

However, Darryl didn't sit still, but gritted his teeth and endured the pain, secretly urging his internal strength, trying to break through the acupuncture points.

Sigh!

## Chapter 3319

Finally, after more than an hour of hard work, the acupuncture points rushed open.

"

Squeak-- " Before Darryl could breathe a sigh of relief, suddenly, he heard a sound of footsteps coming from outside the cell. The footsteps were very light and light, and then, the prison door was gently pushed open a gap, and a charming figure quickly flashed in.

Fuck!, wouldn't it be McGrady who secretly sent someone to assassinate himself? At this moment, Darryl was startled, and quickly looked at the door. After seeing the incoming person clearly, he immediately breathed a sigh of relief.

I saw that the man was wearing a knight armor, with exquisite features, charming curves, and a heroic spirit from all over his body. It was Thea.

"Thea, why are you here?" Darryl was very surprised and couldn't help but speak.

Thea did not answer directly, but walked over, first looked at Darryl's wound, and then blamed: "Darryl, why don't you listen to my advice during the day? You have to do it with the city lord and the major families, you There is only one person, can they be their opponent?" When

she said this, Thea was full of accusations, but there was a bit of worry in her eyes.

Sigh!

Darryl breathed a sigh of relief, and smiled bitterly: "You took the risk to see me, and you made a special trip to accuse me? You don't like me anymore?"

Hearing this, Thea's delicate face instantly turned red, no Good air said: "Shut up, you're dying, you're still so serious!" As he said, he quickly helped Darryl to untie the iron chain.

"Now is the time when the prison is most slack. I will send you away from Pearl City. Don't come back again!" Thea said seriously.

Hearing this, Darryl's heart was warm and moved, but he couldn't help but said, "You want to let me go?"

Phew!

Thea sighed, her eyes gleaming a little complicated: "The man named Amon, the man of the barbaric man, I investigated him yesterday. He was bought by McGrady, but I don't have enough evidence, but I believe , You are being slandered!" As he said, Thea's words turned: "The City Lord has a very close relationship with the Mcway family and has close contacts with other families. It's really unwise for you to conflict with them today."

"I'm today. I let you go late, not for liking you, but for justice, okay?"  
Hearing these words from Thea, Darryl fell silent, and admired Thea in his heart. Although this female knight is not very strong, this sense of justice is really rare.

Sigh, Darryl could not resist: "You let go of me, how do you do?"  
Thea shallow smile: "Do not worry, when I came in, no one sees, time is running out, let's get going!"

A voice After falling, Thea left the prison with Darryl.  
The guard prison of Pearl City is not very large, and soon Darryl and Thea arrived at the gate of the city.

Um?

When preparing to leave the city, Darryl suddenly stopped!  
Darryl clearly felt that there was faint movement in the direction outside the city gate!

Seeing Darryl suddenly stop, Thea couldn't help but curiously said: "Why don't you leave?" After saying that, she followed Darryl's gaze, and she suddenly trembled at this look!

I saw that on the roadside outside the city gate, many people stood quietly, waiting.

The leader, with a gorgeous robe and a gloomy face, is the city lord Seth!  
"Thea!"

At this time, Seth's eyes fell on Thea, and his tone was full of gloom: "If you don't let me kill Darryl during the day, I feel something is wrong. It seems I really guessed it. You and this Darryl are really related. Very shallow!" As he said, Seth's eyes sank, and he shouted: "Thea, let go of the felon in private, do you know the crime?" What a mess!

Thea's delicate face was a little pale, very flustered.

At this moment, Thea had never thought that Seth had already focused on herself. Darryl stood aside, his face seemed calm, and his heart was also secretly anxious!

## Chapter 3320

"Seth!"

Anxious, Darryl tried to calm down, and shouted at Seth: "Only based on the one-sided words of that barbarian man, you think I'm still the old man of Dumen. It seems that you secretly charge There are many benefits to McGrady!"

"As the city lord, secretly colluding with the major families, and hypocritically full of benevolence, righteousness and morality, it is really ridiculous!"

Swish!

Hearing this, Seth was very furious, too lazy to talk nonsense, and shouted:

"Take it, take both Thea and Darryl!" The voice fell, and nearly a hundred guard soldiers rushed over thinking of Darryl. .

Mad!

Seeing this situation, Darryl cursed secretly, his internal force circulated, and directly greeted him. At the same time, Thea also drew the long sword from her body.

Although Darryl rushed through the acupuncture points, his injuries were too serious. At the beginning, he was able to cope with the siege of many guards, but gradually he couldn't stand it.

boom!

Under the fierce battle, a guard soldier rushed from the rear and hit Darryl's back with a punch. Only hearing a dull sound, Darryl trembled, staggering back a few steps, and at the same time a mouthful of blood spurted out.

Seeing this scene, Thea was very anxious, swiping a sword to drive back the few people in front of her, and then quickly rushed over, holding Darryl's arm:

"Darryl, how are you?"

"It's okay.." Darryl Shaking his head, wiped off the blood from the corners of his mouth.

Huh(?), if it hadn't been for Bonnie's surprise attack before, and dozens of whips later, he wouldn't have been so weak. Moreover, Olena and the people from the Bloodhand Organization left Pearl City two days ago. If Olena were still here, she would not be so passive.

"Thea!"

At this moment, Seth stood there with a cold face and shouted at Thea: "Darryl is a scum, it's not a pity to die. As the captain of the guard, you colluded with him, have you ever thought about the consequences? Put down your weapons immediately. , I might be able to give you a chance!"

Hearing this, Thea's delicate face was full of determination: "Seth, don't be hypocritical. I have been working under your hands for these years, and I have clearly seen what you are. , The captain of the guard, I didn't want to do it a long time ago."

"Okay, very good!" At

this moment, Seth trembled all over, pointing at Thea and shouted: "I have given you a chance, since you don't Sure, don't blame me for being cruel!"

" Execute them on the spot." The

last words were shouted, Seth's eyes were full of madness.

After following his subordinates for several years, he suddenly betrayed himself. How about not being angry?

"Kill!" For

a while, nearly a hundred guard soldiers screamed and rushed up again.

To be honest, if it was daytime, these guard soldiers would not dare to charge at all. At the time, at the Dumen Family Manor, Darryl was fighting against the big families alone, like a god of war. But at this time Darryl was injured and there was no threat at all.

Seeing these guard soldiers rushing over, Thea's delicate face did not show the slightest tension.

In the next second, Thea pushed Darryl away and said seriously: "Darryl, I block them, you go!"

For fairness and justice, you must never let Darryl fall into their hands.

Damn it!

Darryl was stunned and shouted: "Are you crazy?" With

so many people on the other side, how could you be able to stop it alone?

"I'm not crazy, don't forget, I am the only female knight in Pearl City. These guards can't stop me at all!" Thea smiled and urged Darryl: "Go, go!" The

last sentence When the words fell, Thea exhausted all her strength to push Darryl away!

Wow!

At this moment, nearly a hundred guards rushed over and immediately surrounded Thea. In the blink of an eye, a fierce battle broke out between the two sides. Darryl saw that Thea was waving a long sword, like an elf in the dark night, her figure light and light, she constantly shuttled through the crowd, but there were too many enemies to rush out at all.

Fuck!.

Seeing this scene, Darryl clenched his fists, his eyes instantly red. Thea gave up her life to save her. If she left, would she still be a human being? "Hahaha..."

Seeing that Thea was surrounded by his subordinates, Seth was proud of his face: "Thea, I advise you to give up." When saying this, Seth's gaze swept over Darryl contemptuously. The wind glanced.

Originally, Seth was very jealous of Darryl, but seeing his weak appearance at this time, he was not afraid of him running away.

Seth thought it over and grabbed Thea first, as long as she grabbed Thea, Darryl couldn't run away.

Facing Seth's call, Seth did not respond, but bit his lip, and continued to fight fiercely with the guard soldiers around him, but his speed was obviously slowed down under the consumption of Holy Power.

Sigh!

At this moment, Darryl took a deep breath and moved a stone from the side.

What is he doing?

Seeing this scene, Seth frowned secretly. This Darryl knew that he couldn't run away, so he was going to use a stone to resist?

At the same time, Thea who was in the fierce battle was too anxious: "Darryl, why are you still not leaving? Go..." He temporarily dragged the guard soldiers, he didn't leave quickly, and what would he do with the stone? ?

However, Darryl did not respond, but continued to move rocks.

There were a lot of rocks in the grass outside the city gate, and Darryl found it effortlessly. Just as Thea was constantly urging, Darryl had already placed a lot of rocks in front of him.

Yes, Darryl used these stones to form a formation.

His injuries were not healed, and he couldn't help Thea fight, so he could only use the formation.

Um?

At this moment, Seth felt something was wrong when seeing the stones of Darrylbai. He clearly saw that these stones seemed to be placed in a mess, but there seemed to be a mystery in them.

"Seth!"

Just when Seth was muttering secretly, Darryl clapped his hands, with a defiant expression on his face: "Dignified Pearl City City Lord, let so many subordinates deal with a woman, I'm really ashamed of you, you don't want to catch Me? Come in if you have the courage." The

voice fell, and Darryl quickly entered the stone formation.

"You're looking for death!" Seth was furious: "Dare to laugh at me when death is coming?"

How can he be ridiculed by a fugitive, the lord of the city?

In anger, Seth did not hesitate at all, holding the big sword firmly, rushed directly into the stone formation.

Hahaha...

Seeing Seth rushing in, Darryl smiled, unspeakable excitement.

This Seth doesn't have a good IQ. It's irritating for being so simple.

Thinking about it, Darryl shouted at Thea: "Sita, bring in those guard soldiers!" When he said this, Darryl looked confident.

The stone formation that Darryl placed was called the Four Phase Formation. Among the Bai Qi Shen Formation, it belonged to a medium formation, but it was enough

to deal with Seth.

Hearing Darryl's shout, Thea was very anxious: "What the hell are you doing?" If you can't go, what's the use of getting these stones now?

At this moment, Thea was very depressed, but she didn't know why, seeing Darryl's self-confidence, she still chose to believe in him, and her body flashed, she led the guard soldiers into the four-phase formation.

"Darryl."

Seeing his subordinates being introduced into the stone formation by Thea, Seth looked disdainful and exclaimed: "You scum, thinking that you can deal with us by getting some stones? It's so naive." The

voice fell, Seth commanded At the beginning, he was ready to kill Darryl and Thea on the spot, but the next scene made him dumbfounded.

## Chapter 3322

Seth was surprised to see that the stones in front of him, as if he could move, blocked him from Darryl, not only that, after coming in, all his subordinates were also dizzy.

How could this be?

At the same time, Thea was also stunned, and saw that Seth and nearly a hundred guard soldiers were playing around among these stones by Darryl.

He... how did he do it?

"Thea!"

Just when Thea was secretly shocked, Darryl shouted with a smile: "Don't be stunned, follow me!"

Upon hearing this, Thea responded and quickly joined Darryl.

A few seconds later, Darryl took Thea to leave the four-phase formation.

And Seth and his men were still inside at this time, like headless flies, they couldn't rush out.

This...

At this moment, Thea's delicate body trembled faintly, completely shocked, and the gaze looking at Darryl was also full of incredible.

Just use some stones to trap the enemy. If you don't see it with your own eyes, who can believe it?

"Seth!"

At this time, Darryl stood outside the stone formation, smiling at Seth trapped inside, his tone was full of jealousy: "We will have a period of time, remember, I will come back, Darryl."

When the voice fell, Darryl greeted Thea to leave.

Mad!

At this moment, Seth almost vomited blood in anger, and kept howling: "Darryl, you scum, I will catch you sooner or later..."

The howling sound came, Darryl ignored it, and in a blink of an eye, he disappeared into the night with Thea.

boom!

Seeing Darryl and Thea walking away, Seth patted a rock fiercely, his expression ugly.

I thought I could easily intercept Thea and Darryl tonight, but I never thought that I would be trapped by Darryl with these stones.

What a shame.

In anger, Seth rushed into his hands and roared: "Every one is a rice bucket, look for an exit!"

At this time, the guard soldiers also wanted to cry without tears.

"

My Lord, the surrounding area seems to be blocked by stones..." "Yes, we can't find the exit." In a blink of an eye, more than an hour passed, and Seth and nearly a hundred of his men were still trapped in Sixiang. In the Formation.

Whoosh!

At this moment, there was a breath fluctuation in the night sky not far away, followed by a slender figure, which flew quickly.

A long black and red dress, with charming curves, but with coldness all over his body.

It is Bonnie.

After sealing Darryl's acupuncture points during the day, Bonnie decisively left, intending to let Darryl suffer a bit in Pearl City. It has been nearly ten hours, and Bonnie felt that it was almost done, so he came to see the situation.

From a distance, seeing Seth and nearly a hundred guard soldiers outside the city gate, trapped in the stone formation, Bonnie frowned and rushed over.

When he arrived, Bonnie questioned Seth: "Where is Darryl?" The voice was not loud, but it had a strong aura.

Wow!

Seeing Bonnie appeared, both Seth and the soldiers under him were extremely happy.

In the next second, Seth was very excited and said, "Dear lady, you came so timely. Darryl escaped from the prison and trapped us in these rocks." After speaking, Seth pleaded. : "Please help and let us out."

In Seth's heart, Bonnie is strong, and even Darryl is not an opponent. There is definitely a way to save himself.

What?

Upon learning of the situation, Bonnie's delicate face suddenly became cold, and said contemptuously: "It's really a bunch of rice buckets." Darryl was sealed by himself, and there was no resistance at all, but these people in front of him could still let him run. What is it, not a rice bucket?

## Chapter 3323

words

fell, Bonnie didn't bother to pay attention to Seth, her delicate body flashed, chasing in the direction where Darryl left.

Even though Bonnie is a fairy, but he doesn't know anything about the battle technique, how can he untie the stone formation for Seth?

Uh...

Seeing this scene, Seth looked embarrassed, almost crying without tears.

It's over, are you going to be trapped here forever?

...

Darryl and Thea walked all the way for more than two hours. After they were sure of safety, they slowed down.

At this time, the two came to a hillside.

Sigh!

Darryl took a deep breath and completely relaxed.

Fuck!, it's finally safe!

"Darryl!" At

this time, Thea stepped up and asked curiously: "How did you do it just now? What kind of fame are those stones? It's amazing how many people can be trapped. Now."

Thea couldn't conceal the excitement at the thought of Seth's group of people just now trapped in the stone and unable to get out.

Seeing Thea's look of expectation, Darryl smiled slightly: "That is called the four-phase formation, which belongs to a type of formation. Of course, your world has no formation. You can't understand it. It's normal..."

To be honest, Darryl didn't want to say it, but Thea risked her death to save herself. If she continued to conceal her identity, it would be really wrong.

Formation?

Hearing this, Thea frowned and her face was confused.

In the next second, Thea reacted and couldn't help asking: "What formation, what are you talking about? Also, why do you want to say 'your world'?"

"Wow!"

Darryl scratched his head. To explain, suddenly, he heard a roar that shocked the soul in the forest ahead, and immediately after, Darryl saw a huge black shadow appearing in his sight.

Fuck!, what kind of beast is this?

Darryl was taken aback, and quickly squinted to take a closer look.

I saw that it was a black bear, but it was very big, more than three meters tall, with dark hair and shiny black claws.

At this moment, Thea saw the big black bear. She was also shocked. She couldn't help but said, "

Well , we just ran just now and we came to the Giant Bear Mountain without knowing it." Giant Bear Mountain?

Hearing this, Darryl was stunned.

Thea took a deep breath and continued: "The environment around the Giant Bear Mountain is complicated, and there are often giant bears, so it is very dangerous!"

Then, Thea's delicate face became solemn: "Two years ago, a group of mountain bandits Occupying here, it is said that they have tamed the black bears here, and they are very powerful. Now, a giant bear suddenly appears here. It seems that the bandits are active nearby! "

Fuck, a group of bandits can tame the giant bears. ?

At this moment, Darryl couldn't help frowning secretly.

Wow!

At this moment, I heard a sound of footsteps not far away, and then a dozen big men gathered around, each holding a long knife, looking bad.

This group is the bandit of Giant Bear Mountain.

The headed one, burly in stature, holding a giant hammer in his hand, is very mighty, and it is Yama, the leader of this band of bandits.

Fuck!.

What about these bandits, these bandits appeared?

Seeing Yama and others, Darryl frowned.

At the same time, feeling the strength of these people like Aoshan, Darryl felt even more bitter in his heart.

All of them turned out to have the strength above the holy king.

Just escaping from Pearl City, there was no stop along the way, so Darryl's strength had not completely recovered.

Chapter 3324

the  
bandit of Giant Bear Mountain?

At the same time, Thea was shocked, her delicate face full of vigilance. "Danzaibuxiao, dare to break into Dire Bear Mountain?" At this time, Yama came slowly, a look of insolence: "to our site, hey, you will .... Why this woman really beautiful, ah?."

Said Halfway through, Yama's eyes fell on Thea, his eyes lit up suddenly. Huh!

At the same time, the accomplices behind him also looked at Thea closely, all eyes straightened.

What a beautiful woman, especially her temperament, is terrible.

Yama everyone's attention, so that Thea was very unhappy, coldly: ".. We're just passing through, no offense meant but I tell you, I was Pearl City horsewoman Thea, you'd better behave yourself,"

he said At these times, Thea looked calm, but she was unspeakable in her heart. You know, the group of people in front of them is very strong, and even the giant bear can be tamed.

The female knight of Pearl City?

Hearing this, everyone in Yama was stunned.

The next second, Yama couldn't help laughing. He looked up and down at Thea, and exclaimed: "It turns out to be the female knight of Pearl City. No wonder the temperament is so different." As he

said, Yama's eyes flashed with evil spirits: " I heard that the female knight in Pearl City is not only sexy, but also very beautiful. When I see it now, it is indeed well-deserved. To be honest, we have been entrenched in the Giant Bear Mountain for so long and have robbed a lot of aristocratic elites. We have never robbed a woman. The knight."

When Yama said this, more than a dozen companions had already surrounded Darryl and Thea.

"you..."

Seeing this scene, Thea was panicked and angry again: "Don't mess around."

Darryl stood there, but he was unusually calm.

The more Thea became nervous, the more proud Yama was, and laughed: "Beauty knight, don't be so nervous, as long as you don't resist, we won't hurt you. Did you see the giant bear not far away? It's us. Tame, if you resist and anger the giant bear, I won't be responsible!" When

he said this, Yama didn't even look at Darryl.

This guy doesn't have any sacred power at all, and he still has injuries on his body, which is nothing to worry about.

At this moment, Thea was anxious and desperate.

I thought that he escaped Seth's pursuit and was temporarily safe, but unexpectedly broke into the Giant Bear Mountain by mistake.

"Haha!"

At this

moment, Darryl smiled faintly, and said to Yama: "It's just a bunch of little thieves, it's really lawless. Hurry up and apologize to Miss Thea, otherwise you will be at your own risk!" Darryl said this. His face was indifferent, and there was no tension in the danger.

What?

When the voice fell, Yama and the surrounding men were stunned, thinking that they had heard it wrong.

What did he say? Want to apologize to this female knight?

This kid has a problem with his brain.

"Darryl." Thea was also too anxious, and said to Darryl: "Don't talk nonsense!"

These bandits, one by one, were extremely vicious, Darryl was wounded, but they took the initiative to provoke.

Darryl smiled and motioned to Thea not to be nervous. Finally, Yama reacted and glared at Darryl: "Boy, are you looking for death?" Darryl ignored it, but put his finger in his mouth and made a string of 'whoops'. Yes, Darryl used his ventriloquist and sent an offensive signal to the giant bear not far away. Not only that, Darryl secretly took out the Royal Beast Ring. When observing the giant bear just now, Darryl could see that these bandits used special medicine to tame the giant bear, because in the mainland of World Universe, some people used this method to tame wild beasts. Speaking of, this method, compared with Darryl's method, is completely pediatric. Haha... Looking at Darryl's movements, Yama and the surrounding men couldn't help laughing.

## Chapter 3325

"What does this kid learn?"

"Is this a fool?"

Amidst the ridicule, Oushan was too lazy to talk nonsense, holding the sledgehammer tightly, and slammed directly towards Darryl. Seeing Oushan's hands, Darryl didn't panic at all, first stepped back, and at the same time shouted at Thea: "Xia, come behind me."

Hearing Darryl's shout, Thea stomped her feet in a hurry.

You irritated the other party, and want me to hide behind you, is it useful?

"Ohhhhhh..."

Seeing that the giant hammer was about to hit Darryl, at this critical moment, I saw that the giant bear not far away suddenly became violent, and then quickly rushed over.

I saw that the giant bear's eyes were extremely bloody red, and he had completely lost his reason, and the target was Yama.

what's the situation?

Seeing the giant bear rushing, Yama's face changed drastically, and he hurriedly hid to the side, while taking out a packet of powdered medicine from his body and sprinkling it on the giant bear.

Darryl had a good guess. The Oushan gang was able to tame giant bears only by relying on a special kind of powdered medicine.

However, what made Yama depressed was that the powder seemed to be ineffective at this time. The giant bear in front of him was completely insane, with a terrifying roar in his mouth, waving the bear's paw, and pounced on it again.

For a moment, Yama dodged desperately, almost crying.

All the companions around were dumbfounded.

How did this giant bear suddenly go crazy?

This...

Seeing the scene in front of her, Thea was also shocked, and she was stunned.

what happened?

Hasn't this giant bear been tamed by these bandits? But now, suddenly he went crazy, desperately attacking and chasing a bandit leader...

Haha...

Darryl stood there, holding his arms, his expression relaxed!

Just now Darryl used his ventriloquist, and at the same time he gave instructions to the giant bear, he also urged the beast ring. The beast ring can control the world's spirit beasts, and naturally it can also make this giant bear follow instructions.

At this time, under the constant attack of the giant bear, Yama was extremely embarrassed.

Soon, the surrounding companions reacted one by one, preparing to help Yama restrain the giant bear. However, the giant bear was too strong and powerful, and a dozen bandits united and couldn't control it.

"Hey!"

At this moment, Darryl smiled and said: "If you don't want to be shot to death by the giant bear, you should quickly apologize to Miss Thea."

Huh(?)!

Hearing this, Yama suddenly reacted and glared at Darryl: "Is it your kid?"

At this time Yama suddenly remembered that the giant bear passed by Darryl several times just now, and he didn't mean to attack him at all. , But always staring at yourself.

Obviously, the giant bear was suddenly violent, it was his ghost.

Stupid!

Darryl cursed secretly, and said coldly: "I have limited patience, so I have to make a decision quickly."

"You..." At

this moment, Ooshan's anger rose from the bottom of his heart, and this kid threatened himself. He and his brothers have been entrenched in the Giant Bear Mountain for so long, who have they served?

However, facing the violent giant bear, Yama and a dozen of his companions quickly couldn't stand it. They saw that the shoulder of Yama was swept by the giant bear, blood dripping, and it was very miserable.

"Okay, I apologize, apologize!" Yama yelled quickly under the severe pain.

To be honest, Theang Darryl's wind suit was soft, Ou Shan was 10,000 unconvinced, but there was no way, if he didn't compromise, he would really die under the bear's paw.

## Chapter 3326

"Miss Thea, I'm sorry." In the next second, Yama begged Thea for mercy: "How offended you just now, I hope you don't remember the villain, don't care about us!"

"I know it's wrong, Quickly let this giant bear stop."

Yama almost cried when he yelled this.

Don't stop, I really will be shot to death by the giant bear.

Sigh!

At this moment, Thea reacted with a delicate face with a bit of complexity, and said softly at Darryl: "Darryl, you can stop the giant bear."

Although these bandits like Yama are very hateful, But it does not lead to death. Darryl smiled slightly, then blew a whistle, and saw that the extremely violent giant bear calmed down all of a sudden, and then slowly crawled towards the distance.

Phew...

Seeing the giant bear leave, both Yama and the surrounding companions were relieved.

Seeing this scene, Thea was surprised and curious: "Darryl, how did you do it?"

Before using the formation method to trap Seth everyone, but now, with just a whistle, you can make A giant bear obeyed the order. How many secrets does this man have?

"I'll tell you later!" Darryl smiled, and walked quickly towards Aoshan and the

others.

When he got to the front, Darryl took out a pill from his body and stuffed it directly into Aoshan's mouth.

Gudong!

Ooshan was exhausted just after being chased by the giant bear, and he couldn't react at all, so he swallowed the pill.

"Huh(?)!"

Ooshan was very angry, and glared at Darryl: "Boy, what do you give me to eat?" "Don't be nervous, I'm giving you heaven cult Pill." Darryl smiled and said: "This is a kind of Chronic poison, after one year, if you don't take the antidote, you will ulcerate and die."

"If you do n't believe it, do you press your lower abdomen and make a dull pain?"

Darryl looked leisurely when he said this.

After going through the Pearl City incident, Darryl realized that if he wanted to gain a foothold in this other world, he had to build his own strength, and all the bandits in front of him were not weak, so it was a pity to kill them directly.

heaven cult pill?

At this moment, Yama's face was stubborn, and he was very unconvinced, but after reaching out and pressing his lower abdomen, his face suddenly changed drastically.

At this time, Yama clearly felt the pain of acupuncture in the lower abdomen. Obviously, the person in front of him was right.

Mad!

At this time, Aoshan's subordinates were all frightened and yelled at Darryl.

"Boy, you're

looking for death!" "Dare to poison our boss?"

"Quickly take out the antidote, otherwise, I will teach you to die without a place to bury." In the

roar, a dozen men quickly surrounded Darryl stand up.

Darryl didn't panic at all, and said slowly: "Want to do it? That giant bear hasn't gone far yet, and I'm telling you, the whole Roland Continent is the only antidote I can prepare, and you killed me. , One year later, just waiting to collect the corpse for your boss!"

This...

heard this, a dozen big men looked at each other and didn't dare to act rashly.

At this time, Darryl looked towards Yama, and said word by word: "In fact, we have no grievances. When I do this, it is because you are good at each one, and then I decide to accept you as little brothers. As long as you surrender to me, I will keep you safe and sound. How?"

"Of course, if you don't surrender, I won't force it. A year later, you will wait for the poison to die."

Hearing this, Yama's face changed, almost furious, but he couldn't refute it. .

## Chapter 3327

"Okay!"

Finally, after ten seconds of silence, Yama put down his arrogance, and bowed his head towards Darryl: "I surrender, you will be our boss from now on."

Then, he didn't forget to charge. He shouted at the surrounding accomplices:

"What are you doing in a daze? You can't come to see the new boss?" To be

honest, Theang Darryl surrendered, Oushan felt 10,000 reluctance in his heart. But there is no way, his own life is pinched in the opponent's hand, if you don't bow your head, you will die.

For a while, the dozens of people around also put away their weapons one after another, bending over to salute Darryl.

"I've seen the boss!"

"Boss!"

Haha...

Seeing this scene, Darryl felt uncomfortable and waved his hand: "Very well, from now on, we are our own people. My name is Darryl. , In the future you can call me Feng Ge."

Hearing this, Yama nodded quickly.

This...

Seeing this scene, Thea's body trembled, completely stunned.

Overcome these bandits so easily? It's incredible.

Soon, under the leadership of Oushan, Darryl and Thea came to their camp.

Originally, Yama was very unconvinced, but after the exchange, he was quickly overwhelmed by Darryl's personality. After returning to the camp, Yama quickly asked the brothers to prepare a banquet for the new boss.

"Brothers!"

At this time, at the banquet, Darryl took a glass of wine and looked around: "I am very glad to know you brothers. I toast you with this glass of wine!"

When the voice fell, Yama everyone hurriedly raised their glasses.

Only Thea was sitting there, her delicate face showing a little bit of displeasure.

She was originally a female knight in Pearl City, very proud, how could she sit with a bunch of bandits and drink, and Darryl's behavior also made Thea feel a little disgusted.

In Thea's heart, she had always thought that Darryl was an upright person, but she never expected that Darryl would get along with these bandits.

Darryl saw Thea's abnormality, but he didn't care, and continued to drink with everyone.

It is said that the friendship between men is established on the wine table, and this sentence is indeed correct. After drinking for three rounds, the relationship between Darryl and Oushan everyone suddenly became much closer.

"Boss!"

At this moment, Yama, taking advantage of his drunkenness, said to Darryl: "I heard you just now that you were the son-in-law of the Dumen Clan in Pearl City, but you were framed and escaped?" With

that, Yama Very angry: "Huh(?), early tomorrow morning, I will take my brothers and rush into Pearl City to avenge the boss!" The voice fell, and everyone around him echoed loudly.

"Yes, you must help the boss."

"Huh(?), those big families in Pearl City, I have long been displeased."

Everyone yelled, and the silent Thea, who had been silent, suddenly became anxious. NS.

"Darryl, you can't mess around!" Thea bit her lips tightly, and said to Darryl: "Even though the major clans in Pearl City are hateful, there are also good people, you..."

Before she finished speaking, Darryl interrupted with a smile.

"Don't worry, I, Darryl, act upright and will not mess around!"

As he said, Darryl looked around at Yama: "Brothers, you don't care about retaliating against the big clans. I only ask you one thing. Starting tomorrow, I will secretly protect Miss Lolita of the Dumen family. . Remember, you must not

conflict with other families, let alone reveal your identity, understand?" When saying this, Darryl looked serious. Yes, although he escaped from Pearl City, Darryl couldn't worry about Lolita. After all, he had promised Father Dumen to protect Lolita.

## Chapter 3328

This...

Hearing this, Yama and everyone stared at each other and were stunned.

In the next second, Yama took a deep breath and admired: "Boss, the Dumen family is so indifferent to you, but you still want to help them secretly. This mindset is really admirable. Well, don't worry, we will go to Pearl tomorrow. Cheng, as long as I am here, Miss Lolita will never be allowed to do anything."

At the same time, Thea trembled as she looked at Darryl speechlessly.

It turns out... he subdued these bandits in order to protect Miss Lolita.

At the time in the Dumen family's manor, Lolita didn't believe him so much, but he was still concerned about Lolita's safety, this kind of tolerance, this kind of mind, this is a real man.

The banquet went on very late.

"Darryl!"

At the end of the banquet, Thea stood up and said to Darryl: "You don't need my protection anymore because you have collected so many subordinates. I think I should go too."

"You Where to go?" Darryl was stunned.

Thea smiled lightly: "When I was very young, I had a dream of traveling the entire continent, but then I became a female knight, and my dream was put on hold. Now that I have left Pearl City, I can just travel around for a while."

Hearing this Then, Darryl nodded and smiled: "Well, I will help you with the wind. If you are in trouble, you can go to the Blood Hand Organization for help. You can say that it is my friend. The Blood Hand Organization will definitely help you. "

Blood Hand Organization?

Thea's heart was shocked, and she looked at Darryl blankly: "Are you also related to the blood hand organization?"

This man is really unfathomable.

Darryl smiled and said: "Yes, I have some friendship with the leader of the bloodhand organization." Darryl didn't want to say too much about the relationship with Olena.

Thea was a wise man, so she didn't ask much, and after a few greetings, she bid farewell to Darryl and left.

Sigh!

At this moment, watching Thea leave, Darryl's heart was ups and downs, very emotional.

The only female knight in Pearl City, although she sometimes acted recklessly, she has a sense of justice. In order to help herself, she lost her position as the captain of the guard, and she didn't know if she would be able to see her again in the future.

With emotion, Darryl looked around and saw everyone in Aoshan, all drunk drunk. Sleeping soundly there.

However, Darryl did not have the slightest drowsiness.

I escaped from Pearl City, and I don't know what happened to Lolita. correct!

At this moment, Darryl suddenly thought of something and took out a simple jade piece from his body.

This jade piece was auctioned for 10,000 gold coins at the previous auction of Rose Manor.

At that time, Darryl had thought that after returning to Pearl City, he would go to Alcatraz Island to take out the treasure left by the pirates to pay for the ten thousand gold coins. As a result, after the auction was over, Lolita helped to pay.

Just now when Lolita appeared in Darryl's mind, he suddenly thought of this jade piece.

Um?

At this moment, Darryl was standing on the cliff outside the camp, groping for the jade piece with his hand, and looking at it carefully through the moonlight, he clearly sensed that there seemed to be a strange power in the jade piece. Perceiving this, Darryl subconsciously urged his internal force and injected it into the jade piece.

Hum!

The moment the internal force was injected, the power in the jade piece was suddenly stimulated, and suddenly, a dazzling light came out, forming a beam of light, rushing straight into the sky.

Damn it!

Darryl blocked his eyes subconsciously, and he was secretly shocked.

There is such a powerful force in a small jade piece?

## Chapter 3329

After more than ten seconds, after the beam of light gradually disappeared, Darryl looked at the jade piece in his hand again, preparing for in-depth study. Om, hum!

However, at this moment, there was a breath fluctuation in the place under the cliff, and then, two figures flew quickly!

These two figures were too fast, almost in the blink of an eye, they arrived in front of Darryl!

These are two young men, about twenty-five years old, well-proportioned, wearing uniform golden armor, and full of powerful aura.

Darryl saw that the armors of the two men were very different from the knight costumes they had seen before. Not only that, there was also a six-pointed star in the position of the chest.

Who are these two people? How could it appear here?

While looking at it, Darryl frowned secretly.

After feeling the strength of these two people, Darryl was even more shocked.

Fuck!, these two turned out to be the strength of the Saint Emperor of the upper stage.

One step higher is the highest realm holy god.

Huh!

At this time, the two golden armored men also looked at Darryl up and down, the two of them didn't have the slightest expression, they looked very indifferent. These two people are the paladins of the Temple of Light.

The Temple of Light is the most sacred place in the Roland Continent, and it is the Goddess of Light believed by the people of the entire Roland Continent that rules the Temple of Light.

The Paladins are the most powerful subordinates of the Goddess of Light. There

are twelve in total, named after the twelve constellations unique to Roland Continent, called the Twelve Paladins. The strength is very strong. In front of Darryl at this time, it was the Golden Lion Paladin and Capricorn Paladin among the Twelve Paladins.

"Who are you?"

Finally, the Golden Lion Paladin react, Shining eyes staring at the mountain wind: "? Why do you have on hand pieces of jade book canon"

canon jade book, is bright temple heritage of two thousand A classic book for many years, it is rumored that bread is everywhere, but a thousand years ago, the Temple of Light suffered a catastrophe, and half of the jade book of the holy book was missing.

And the jade piece in Darryl's hand is the fragment of the lost part of the sacred jade book!

Holy Book of Jade?

Hearing this, Darryl frowned secretly, suddenly a little confused.

In the next second, Darryl shook his head and said: "I don't know what you are talking about." The

Golden Lion Paladin was too lazy to talk nonsense, and said lightly: "In that case, you come with us!" The

voice was not loud, but it was beyond doubt!

Recently, the Principality of the Sun, in the name of the support of the Goddess of Light, suddenly launched a war. After the Temple of Light learned of the situation, it sent the Golden Lion Paladin to investigate the situation with the Capricorn Paladin. After passing by the Giant Bear Mountain, a ray of light broke through the sky.

At that time, the two holy knights rushed over without hesitation, and saw the jade piece in Darryl's hand, and immediately recognized the jade piece in the jade book of the holy code.

The jade piece belongs to the Temple of Light, so naturally you have to take it back.

Come with you?

With a whisper, Darryl didn't even think about it. He shook his head and said, "Sorry, I'm not interested!" On the

Dumen family's side, Yama and others are secretly protecting him. Don't worry about it for the time being. Bonnie also has news, and now he has to do it. , Is to find Yuri as soon as possible, how could it be possible to go with them?

Snapped!

Hearing the answer, the Golden Lion Paladin was too lazy to talk nonsense, suddenly shot, and clasped Darryl's wrist tightly!

Darryl's internal strength didn't fully recover, he couldn't react at all, he just felt like he was caught by iron tongs.

Before he could struggle, the Capricorn Saint Knight next to him suddenly raised his hand and cut a palm on the back of Darryl's neck. Darryl suddenly turned around and passed out directly.

## Chapter 3330

didn't know how long he was in a coma, Darryl woke up.

When he opened his eyes, Darryl only felt that his head was still a little dizzy. Fuck!, are those two sick?

Darryl's eyes were red, and while cursing inwardly, he looked around subconsciously.

At this moment, seeing the surrounding environment, Darryl's heart was shocked, and the whole person was stunned!

Damn, where is this?

Darryl saw that there was a small island in front of him. The small island was surrounded by the sea with beautiful scenery. On the beach not far away, there stood a huge statue of the goddess.

This statue is more than a hundred meters high, beautifully curved, vivid, and vivid when seen from a distance, as if it were real.

Snapped!

Just when Darryl looked at the statue and secretly sighed, suddenly, he was hit hard on the back of the head.

Darryl was frightened and angry. Looking back, he saw the golden lion paladin who kidnapped him, standing there with a cold expression on his face.

"This is a statue of the Goddess of Light. If you dare to stare at it like this, it would be blasphemy." The Golden Lion Paladin coldly warned: "This time it is a warning, and the next time I gouge your eyes."

What?

Hearing this, Darryl was startled.

Is this the statue of the Goddess of Light?

Could it be that the legendary Temple of Light is on this island?

When he first came to Roland Continent, Doug told Darryl about a lot of legends here. The Temple of Light was one of them. However, the Temple of Light was very hidden and few people knew about it.

At this time, the golden lion paladin didn't talk nonsense, and pulled Darryl up: "Go, let me see His Royal Highness, the Goddess of Light!"

Fuck!

At this moment, Darryl was completely shocked.

I thought that the goddess of light was created by the spiritual sustenance of the people of Roland mainland, but I didn't expect it to actually exist.

The subordinates are so powerful, this goddess of light must be terrifying in strength.

While Darryl was thinking about this in secret, the Golden Lion Paladin dragged him and slowly walked towards a palace on the island.

Darryl saw that the palace in the center of the island was all built with white boulders, and the golden roof was shining in the sun, giving people a magnificent and solemn spirit.

In front of this palace, there is a huge square.

The square is very large, surrounded by statues of twelve paladins, it is very magnificent.

And behind the square is the Temple of Light.

hiss!

The moment he entered the temple, Darryl couldn't help taking a breath of cold air when he saw the scene in front of him.

I saw that on both sides of the temple, there were ten paladins standing neatly, the strength of which was the same as the golden lion paladin, they were all the strength of the Saint Emperor of the upper stage.

In the center of the temple, there is a throne studded with treasures.

On the throne, there was a woman sitting quietly, wearing a colorful crown and a golden robe.

This woman has a delicate face, like a fairy, and her body curve is even more exquisite. Under the background of the golden robe, her body is filled with a suffocating aura.

It is the goddess of light, Yalena.

Gudong.

At this moment, Darryl stared blankly, and feeling the strength of Yalena was even more secretly surprised.

It was unfathomable, and I couldn't perceive it...

"Your Highness the Goddess!" At

this time, the golden lion paladin stepped forward and said respectfully to Yalina: "When his subordinates passed through the Principality of the Sun, they accidentally found this person in his hands. There were fragments of the jade book of the holy code, so I brought it back immediately!" He said, he submitted the jade piece.

"What's your name?" Yanina looked at the jade film and asked Darryl, her tone soft, but full of majesty.

## Chapter 3331

"Darryl!" Darryl reacted and replied.

Yalena nodded and continued to ask: "Where did you get this jade piece?" When she said this, Yalena's delicate face was full of expectation.

Sigh!

Darryl breathed a sigh of relief, and answered truthfully: "I got it at an auction!" After

speaking, Darryl continued: "Listen to you, this is part of your sacred book, which will allow me Take a look at this holy book of jade?"

The words on the jade piece are ancient characters from the mainland of World Universe. Since there are many more in this temple of light, Darryl will naturally not miss the opportunity.

Wow!

When the voice fell, whether it was Yalina or the surrounding paladins, their expressions changed.

"You are so bold!" The golden lion paladin reacted first, rushed over and kicked Darryl, and scolded: "The holy book is the holy artifact of our Temple of Light, how can I show it to you?"

Fuck!!

Darryl was very annoyed, and at the same time he was a little dumbfounded.

"It's really interesting."

Darryl scratched his head and said helplessly: "You guys caught me back because of this jade piece, but didn't let me see it. Moreover, on this continent, except for me, I'm afraid No one can recognize the words above. "

What?

Hearing this, the whole temple suddenly became silent.

The gazes of Yalena and the surrounding paladins, looked at Darryl closely, each of them thought they had misheard.

"you...."

Finally, Yalina reacted and couldn't help but speak to Darryl: "Do you know the words above?" When

she said these, Yalina couldn't hide her excitement.

Two thousand years ago, the famous legend of the mainland, Fu Yi established the Temple of Light, dedicated to protecting the justice of the world.

Afterwards, Lord Fuyi secretly selected the most talented girls in the entire Roland Continent and trained them into the goddess of light to lead the temple of light.

After the establishment of the Light Temple, Lord Fuyi left the cultivation technique, and a book of holy scriptures, and then left the void.

For thousands of years, every goddess of light has been able to successfully practice the exercises, but the book of sacred books left by Lord Fuyi has never been able to comprehend.

At this time, Yalena was already the twenty-sixth generation of the goddess of light, and half of the book of the holy book was left, but Yalena had been studying for several years and had no clue.

However, the Darryl in front of him said that he knew the words above, how could he not be excited?

Uh...

aware of the expectation in Yarina's eyes, Darryl was very puzzled.

Even if I know the words above, there is no need to be so excited.

"Boy!" At

this time, the golden lion paladin came over and said coldly at Darryl: "I warn you, this is the Temple of Light. It is best to think clearly before you speak. If you dare to deceive the goddess, you will be at your own risk. !" After speaking, the Golden Lion Paladin continued: "The Holy Book of Jade Book is a holy relic left by Lord Fu Yi back then. Are you sure you know the words on it?" Lord Fu Yi?

Hearing this, Darryl was taken aback for a moment, and then couldn't help laughing.

It's no wonder that the jade piece is carved with ancient characters from the mainland of World Universe, which was originally left by Fuxi.

Thinking about it, Darryl couldn't help but smile and said: "It turns out that it was left behind by Lord Fu Yi, no wonder. I really didn't lie to you, because I am a descendant of Lord Fu Yi. What's weird about knowing the words above? Of?"

What?

The voice fell, and the whole hall was silent.

Whether it was Yalena or the surrounding paladins, they were all stunned.

What did he just say?

He... is he a descendant of Lord Fuyi?

## Chapter 3332

"Good boy!"

Finally, the golden lion reacted and yelled at Darryl: "You are getting bolder and stronger, dare to say that you are the descendants of Lord Fuyi." Lord Fuyi is the founder of Light victory The ancestor sage of the temple, a legend that has been passed down through the ages, and this Darryl dares to pretend to be his descendants, it is simply disrespectful.

Moreover, there is a record in the Temple of Light that Master Fu Yi left in the shattered void two thousand years ago, how could there be descendants.

As soon as the words fell, the other holy knights around, all slowed down, one after another glaring at Darryl and angry.

"Yes, this kid is so bold that he doesn't put the Temple of Light in his eyes at all!" "Don't talk nonsense with him, just kill him!"

"Yes, kill him!" In

angrily, twelve The holy knights blasted their internal strength together to lock in Darryl!

For a time, the atmosphere of the entire temple was extremely solemn and full of gunpowder.

At the same time, Yalena frowned, her eyes filled with anger.

This person is getting more and more ridiculous!

Like the twelve paladins, Yalena also thought that Darryl was talking nonsense. Ugh!

Hearing the scolding, Darryl sighed and said helplessly: "If you tell the truth, you don't believe it, then I can't help it! By the way, the jade piece has the words 'Carrying Heaven's Way...' written on it. This is an ancient text, no one can understand except for the descendants of Lord Fuyi!"

Hearing this, the temple fell into silence again.

He... Does he really know the words above?

But what he said is true or false, and there is no way to prove it.

"Okay!"

Finally, Yanina stood up slowly, looked at Darryl, and a soft voice came from her mouth: "You said you are a descendant of Lord Fu Yi, except you can say the words on the jade film. , Is there any other way to prove it?"

This...

Darryl pondered, a little embarrassed for a while.

His own alchemy is a must, but there is no such thing as alchemy on this continent.

After thinking about it, Darryl suddenly had an idea, and smiled at Yalena: "When Lord Fuyi traveled to the mainland, he was very good at arranging troops, right!"

The

city lord of Simon City, Doug, collected one. This master Fuyi's classics recorded the Theantian Bagua Array. From this, it can be inferred that Master Fuyi once demonstrated the formation technique in front of the world two thousand years ago.

"Not bad!" Yalena nodded.

Hearing the answer, Darryl said with ease: "If this is the case, let's do it, wait until the Lord Goddess allocates fifty people to me, let's perform an offensive and defensive battle. If I win, it means I am Fu Yi. The descendants of your lord, if you lose, you can leave it to you, how about it?"

Wow...

Hearing this, the whole temple was in an uproar, and the twelve paladins looked at each other, thinking they had misheard.

Is this kid going to compare offense and defense against the Temple of Light?

Who gave him the courage.

You must know that the Temple of Light is the most mysterious and strongest place in the entire Roland Continent. Let alone offensive and defensive battles, there are twelve Paladins, any one pulled out, can set off a shock among the six Mainlands.

At this time, Yalena was also stunned, and then looked at Darryl and said, "Darryl, I admire your courage. Okay, I'll give you a chance. Then how do you compare this offensive and defensive battle?"

Darryl smiled and slowly said: "In this offensive and defensive battle, I only need fifty people to be responsible for the defense. Everyone present, you can lead as many people as you want. Within half an hour, you can disperse me.

Formation, even if you win! "

What?

When the voice fell, the whole temple suddenly exploded!

Crazy, too mad.

Only fifty people are needed to challenge the entire Temple of Light.

Yalena also frowned secretly, this Darryl seemed to be overconfident. There are only fifty people, and the formation is too fragile. How can it withstand the impact of thousands of troops?

Looking at Yarina's expression, Darryl's face was calm and calm: "His Royal Highness, you can arrange someone for me now."

## Chapter 3333

Yalena nodded, and immediately summoned fifty guards to be led by Darryl. Immediately afterwards, everyone left the temple and came to the outside square. "Everyone!"

When he got outside, Darryl looked around at the twelve Paladins, with a smile on his lips: "The game can start, who wants to come up and try?" The voice fell, and the golden lion said coldly: "Boy, Don't be too crazy, I will lead a hundred guards, and compare with you first! "

One hundred?

Darryl shook his head and said faintly: "A hundred people can't break my formation at all. I think, you twelve Paladins, come together!"

Huh!

Darryl's words made the Golden Lion feel humiliated, and said coldly: "Good boy, I think you are really boastful." As he

said, the Golden Lion gritted his teeth and said to the other holy knights around: "This kid is like this. Confident, let's go together, I want to see how good this guy who claims to be a descendant of Lord Fuyi is in the formation!" Hearing this, the other Paladins nodded one after another. At the same time, looking at Darryl's gaze, anger was also flashing.

"Okay, I will also lead a team, try his greatness!"

"And me!" When

these were said, the twelve Paladins each led a hundred people, adding up to a total of 1,200 people.

One thousand and two hundred people, against fifty people, there is a huge gap between the numbers of the two sides.

Seeing this scene, Yanina stood there quietly, without the slightest fluctuation on her face.

I don't know why, looking at Darryl's indifferent expression, Yarina felt indescribable.

Just led fifty people, can he really win?

Soon, Darryl set up his formation.

At this time, the twelve Paladins did not speak any nonsense, and their subordinates launched an offensive!

Wow!

In an instant, the words of the twelve Paladins fell, and 1,200 people formed a charge formation, rushing towards Darryl like a tide.

Dozens of people, fighting more than a thousand people, it's like hitting rocks with pebbles!

However, Darryl didn't panic at all. On the contrary, a smile appeared on Darryl's face as he watched the more than a thousand people rushing up.

"A few of you!"

Seeing that the other party was about to rush to the front, Darryl commanded at the fifty people behind him: "Ten steps forward, you...15 steps to the right, and the rest, back five steps. ..." When

he said this, Darryl looked relaxed and relaxed.

As the voice fell, fifty people acted one after another and began to change positions.

Huh!

It was also at this time that 1,200 people from the other party had already rushed to the front and immediately surrounded Darryl's people.

Sigh!

Seeing this scene, Yanina shook her head secretly.

With such a huge disparity in strength, there is no suspense about the outcome, this Darryl must be defeated!

However, at this moment, a shocking scene appeared.

It was seen that the fifty guards, under the command of Darryl, cooperated closely with each other, standing together like a copper wall and iron wall, no matter how the twelve paladins attacked, the formation was not chaotic at all. What?

This Darryl relied on fifty people, really blocked more than a thousand people? Seeing this scene, Yanina's body trembled, she looked at Darryl's eyes, full of shock, she clearly saw that the fifty people led by Darryl easily blocked the more than 1,000 people of the twelve holy knights. .

Chapter 3334

Fuck!!

How could this be?

At the same time, the Golden Lion and the remaining eleven Paladins were also extremely furious.

This game is related to the glory of the Temple of Light, and at this time, with the absolute advantage of the number of people, it is actually impossible to capture the fifty people led by Darryl?

Shame is simply a great shame.

At this time, everyone at the Golden Lion didn't know that Darryl deployed the Nine Palaces Bagua Formation. This formation came from the Theantian Bagua Formation, but it had been improved a lot. Not to mention one thousand or two hundred people, even if it is ten times more, it will be difficult to break through.

In fright, the twelve golden lion paladins used various methods to continuously attack Darryl, but what annoyed them was that the fifty people led by Darryl were as stable as Mount Tai, like a thousand troops.

"Okay!"

Seeing that half an hour was about to pass, Yanina reacted and slowly said: "Stop everyone."

Yanina could see it, even if it was given another half an hour, Golden Lion and others, Can't defeat Darryl either.

When the voice fell, the two sides stopped immediately.

At this time, Yalena concealed her heart shock, and asked Darryl: "Darryl, how did you do it?"

Darryl smiled: "I used the Jiugong Bagua Formation, Master Fuyi back then Created innate gossip, and after improvement, it became the current nine palace gossip. " Huh!

Upon hearing this, Ya Lina thought for a moment, and finally nodded his head: ". ! That being said, you really are the descendants of the adult volt easy to rush to the temple you caught the light, really offended"

at this time Yalena no longer doubted Darryl's identity.

Because this innate gossip is also recorded in the jade book of the holy code, since this Darryl can use gossip, he must be a descendant of Lord Fu Yi.

Not only that, Yalena's attitude towards Darryl has also become much more polite.

Just now Darryl used fifty people to fight against more than a thousand people.

He was able to command from start to finish, and he had to be admired.

Seeing Yalena confessing her identity, Darryl smiled slightly. However, the paladins of the Golden Lion looked unconvinced.

"Your Highness the Goddess!"

At this time, the Golden Lion took the lead, his face full of unwillingness and anger: "Don't believe this kid, he is lucky, and we also underestimated the enemy just now." The

voice fell, the other paladins, also nodded one after another.

Yarina frowned, glanced at the golden lion, coldly said: "More than a thousand people, can't attack the formation of 50 people, you are ashamed to say that you underestimate the enemy?"

"I..."

Jin Lion's face flushed, and he didn't know how to answer for a while.

Yalena no longer paid attention, her eyes fell on Darryl again.

"Mr. Darryl!" In the

next second, Yalena smiled lightly and said politely: "Two thousand years ago, Master Fu Yi left the world in Broken Void. Can you tell me where he went?"

This. ..

Darryl pondered, scratched his head, and said: "In fact, Lord Fuyi did not leave in a broken void, but found a remote place to live in seclusion. In order not to disturb people, he deliberately released the news and said that he had left. this world."

Darryl didn't know whether Fuxi had left this other world two thousand years ago. He could only make up a reason at will.

It turned out to be like this!

Yarina believed it to be true, nodded suddenly, and then smiled: "Mr. Darryl, this Light Temple was created by Lord Fuyi back then. As his descendant, you were caught here by mistake. This proves that you The temple is very destined ." As she said, Yalena's exquisite face showed a bit of seriousness, and continued: "I decided that from now on, you will be the Lord of the Temple of Light. The status is the same as mine and can be free. Mobilize anyone in the Temple of Light! What do you think?"

What? !

When the words fell, the twelve Templar knights of the Golden Lion were all stunned.

## Chapter 3335

Not only that, the surrounding guards were also in an uproar, and then, all their eyes focused on Darryl, unspeakable shock and envy.

Lord?

At the same time, Darryl froze there, secretly delighted.

Haha...Unexpectedly, I was talking nonsense, not only deceived this saint of light, but also mixed up with the position of a saint.

It's cool to think about this right to mobilize anyone in the Temple of Light.

"His Royal Highness!"

Just when Darryl was secretly excited, he saw the golden lion shouting anxiously: "Is this Darryl a descendant of Lord Fu Yi? I haven't confirmed yet. How can he be sealed? He's a saint? Moreover, he doesn't have any sacred power on his body. If he is caught in the future, wouldn't it damage the reputation of our Temple of Light?" While

talking about this, the golden lion looked at Darryl's gaze. A bit of contempt.

At this moment, other Paladins also spoke.

"His Royal Highness, think twice!"

"Yes, this Darryl has nothing special at all except good luck."

Everyone's doubts continued to come, and Darryl stood there with a leisurely look.

This group of people is really interesting. They obviously lost, but they still refuse to admit it.

Sigh!

Yarina frowned and was very unhappy. Her eyes swept across the golden lions and said coldly: "I've decided on this matter, so don't talk too much !" The voice was not loud, but transparent. There is no doubt that there is a strong sense of oppression.

I have to say that as the goddess of light, Yalena's aura is really too strong. Seeing that Yalena was a little angry, Golden Lion dared not say anything, and stepped aside. The other Paladins also quickly closed their mouths.

The Goddess of Light, the supreme ruler of the Temple of Light, has the supreme right, and no one dares to violate her wishes.

"Mr. Darryl knows the characters in the jade book, and he will also have the gossip Formation created by Master Fu Yi. These two points are enough to prove that he is the descendant of Master Fu Yi. What else do you have to doubt?"

Yalena looked around. Circle, coldly said.

Upon hearing this, Golden Lion and the others were even more afraid to talk nonsense.

Sigh!

Darryl at this moment was also extremely relaxed in his heart.

"Mr. Darryl!"

At this time, Yalena looked at Darryl and said with a smile: "It's late now, you will rest in the temple tonight, and I will send someone to send you out of here tomorrow, okay?"

"Okay!" Darryl nodded quickly, and at the same time couldn't help saying: "By the way, what sacred book, can I look at it?"

This...

Yalina pondered: "You take a good rest first. Tomorrow I will make a special trip to take you to see it!"

Hearing this, Darryl was a little disappointed, but he nodded.

Afterwards, Yalina chatted with Darryl a few more words, and asked the Golden Lion to take Darryl to rest.

Golden Lion was somewhat reluctant, but did not dare to violate it.

Soon, taking Darryl to the rest room, Golden Lion couldn't help but said: "Are you really a descendant

of Lord Fuyi ?" Although the offensive and defensive battle just now had a terrible loss, the Golden Lion is proud and still has an arrogant personality. Believe in Darryl's identity.

Ha ha....

Darryl couldn't help laughing, this golden lion was really interesting.

Thinking about it, Darryl smiled slightly: "Then you can believe it?"

Golden Lion thought for a while and said: "Master Fuyi is the greatest sage of the Roland mainland. He knows everything and knows everything, and you, In addition to being a good mouthpiece and being able to line up a bit, I really don't see anything outstanding."

Hearing this, Darryl was very helpless: "In this case, dare you make a bet with me!"

"What gambling?" Golden Lion frowned.

Darryl smiled and slowly said: "It's very simple, you let me tap on you, before tomorrow morning, you must come to me! If I am right, you must listen to my orders wholeheartedly in the future, if I If you don't say it, you don't want the position of the Lord, how? "

What?

At this moment, Golden Lion was taken aback for a moment, and then laughed: "You can really blow, just click on me. I have to come to you before tomorrow morning? Okay, I'll bet with you." The

voice fell. , Darryl didn't talk nonsense, directly raised his hand and touched the golden lion's wind hemp point.

Fengma is one of the important acupuncture points in the human body. After being clicked, there will be no signs at the beginning, but then, the body will appear sore and numb symptoms. The longer the time, the more severe the symptoms.

Darryl firmly believes that no one can bear this tingling in the whole night, even the paladin is no exception.

After being clicked on the acupuncture point, the golden lion didn't feel anything, thinking that Darryl was frightening himself, couldn't help but sneer: "I think you are playing mystery. You will be driven out of the Temple of Light by me early in the morning."

Having said this, Golden Lion strode away.

Darryl didn't care about Golden Lion's mockery, so he lay in the room and rested. Unconsciously, it was late at night.

Bang Bang Bang...

At this moment Darryl was meditating, and suddenly, he heard a knock on the door. Darryl quickly opened the door and saw a temple maid standing outside respectfully.

"His Royal Highness, the goddess, please!" The saint said softly.

Um?

Darryl was stunned. It was so late, what did the goddess want to do with herself? Muttering in his heart, Darryl didn't ask much, and followed the maid to the palace where the goddess Light rested.

Sigh!

After arriving, Darryl was stunned when he saw the scene in front of him.

I saw that in the luxurious and elegant room, Yalena was wearing a white long dress, sitting there, holding some gems in her hand, deducing something, that serious look, unspeakably charming.

Soon, Darryl could see that she was studying the formation.

After understanding, Darryl was very shocked.

It is indeed the goddess of light, it is too extravagant to use gems to deduct the formation.

"Mr. Darryl?"

Just when Darryl secretly sighed, Yarina saw him with joy on her face.

Standing at the door, Darryl felt Yalina's joy, and smiled slightly: "His Royal Highness came to me so late, what's the matter?"

Yalina smiled, greeted Darryl to come in, and then said: "Darryl Sir, don't you want to read the jade book of the holy code? Right here!" With that, Yalina pointed to the half-volume jade book on the table.

Darryl quickly picked it up and read it carefully.

Sigh!

Soon, Darryl read the half-volume jade book, his excitement could not be concealed, and at the same time he was a little depressed.

It turns out that in this jade book, in addition to some classic scriptures, it also wrote how to leave the world, but it was cut off at key points. Depressed, Darryl couldn't help asking: "Where is the second half of this jade book?"

At this time, Darryl was very anxious.

## Chapter 3337

After finding the second half of , you can leave here and return to the mainland of World Universe.

Yalena bit her lip lightly, and said with shame: "A thousand years ago, the Temple of Light broke out in civil strife, and the second half of the volume was missing." With

that, Yalena continued: "But in recent years , I sent the twelve holy knights to investigate the news all the time. With some eyebrows, I believe that I will find the missing second half soon!"

Hearing this, Darryl felt a little better.

"Mr. Darryl!"

At this moment, Yalina bit her lip, and stopped talking: "Can you translate for me, what is written in the first half of the volume?"

Darryl nodded, and then said something. Translate.

Yalena listened very seriously. After half an hour, she understood the mystery and couldn't help but sigh: "It turns out that the content of this holy book is so mysterious." After

speaking, Yalena continued: " By the way, the Jiugong Bagua Array you used during the day, I just studied it for a long time, but I still couldn't understand it. Can you teach me?" When

she said this, Yalina's eyes were full of expectation.

Yes, this is the real purpose of Yalina calling Darryl to come. In the temple during the day, so many people around watched, Yalina couldn't let go of her identity, so she could only make an appointment with Darryl alone at night to ask for the formation.

Sigh!

Seeing the expectation in Yalina's eyes, Darryl breathed a sigh of relief, and slowly said: "You have never been in contact with the formation technique. It may be a bit difficult to learn for the first time..." With

that, Darryl picked up the gems on the table. , Began to cover up in detail how to deploy the formation.

As the goddess of light, Yalina is gifted and intelligent. Under Darryl's careful guidance, she quickly understood the mystery. Her exquisite face was full of exclamation: "It's so amazing. No wonder fifty people can block one.

Thousands of people attacked..." With excitement, Yalina couldn't help but ask: "Mr. Darryl, besides this nine palaces and gossip Formation, are there other formations?"

"Of course!" Darryl Weiwei With a smile, he nodded and said: "The formation is a skill, broad and profound, and the gossip formation is just an introduction!" Is the

gossip formation only an introduction?

At this moment, Yalina was so excited that she couldn't help but took Darryl's arm and said softly: "Mr. Darryl, you...can you be my teacher and teach me the formation?"

After seeing the mystery of the formation, Yalina was immediately attracted, and

Darryl was still a descendant of Lord Fu Yi, and was naturally qualified to be her own teacher.

What?

At this moment, Darryl was stunned.

Goddess of Light, do you want to recognize yourself as a teacher?

After a few seconds, Darryl scratched his head and smiled: "Your Majesty, your status is noble, how can I be qualified to be your teacher!"

Yalina shook her head quickly: "Mr. Darryl, you are too modest. Yes, you are a descendant of

Lord Fuyi, and Light Temple was created by Lord Fuyi. You are the most qualified to be my teacher!" As she said, Yalina bit her lip and took Darryl's arm: "Mr. Darryl, just accept me, okay!"

Gudong.

At this moment, listening to Yanina's coquettish tone, Darryl couldn't help swallowing.

Who could have imagined that the goddess of light, who was aloft, turned out to be like a little girl at this time.

With emotion, Darryl had to smile and nodded: "Okay, I agree."

Seeing Darryl finally agreed, Yalina opened her eyes and smiled: "The disciple has seen the teacher!"

Darryl smiled and said seriously: "However, I can't give you too much for the time being, because I will return to the mainland early tomorrow morning, and I have important things to do."

Hearing this, Yanina nodded again and again: "Okay, tomorrow I will let Golden Lion and them go with you. Protect the safety of teachers at any time! Someone recently used my name to support the Principality to start a war. By the way, let them investigate the situation."

## Chapter 3338

"No need!" Darryl didn't even want to refuse.

The most important thing for me now is to find Jewel. How can I let the Paladin follow this kind of thing?

"Well then!" Yalina did not force her, and

said with a smile: "It's late, teacher go and rest!" When she said this, Yalina's delicate face was full of gentleness, and she was in the same way as before. The posture of the lofty hall is completely different from two people. Darryl nodded, bid farewell to Yalina, and returned to his room.

With this sleep, Darryl slept soundly.

"Mr. Darryl!"

Early the next morning, an anxious voice came from outside the door.

Darryl rubbed his eyes, got up and opened the door, he suddenly laughed when he saw the scene outside.

I saw the Golden Lion standing outside the door, twisting all over, looking very uncomfortable, and the expression on his face was even more dumbfounding.

"Mr. Darryl, oh no, it's His Royal Highness!"

The moment the door opened, the golden lion seemed to grab a life-saving straw, and pleaded at Darryl: "I was wrong. I was offended yesterday. Please raise your hand and help. I'll treat it."

After betting with Darryl last night, Golden Lion didn't care at first, and even thought that Darryl was playing mystery, but soon felt that something was wrong, and there was tingling all over his body, and After a full night, the Golden Lion

was almost tortured and desperate for life.

Golden Lion realized that Darryl was really a descendant of Lord Fuyi, and he hurried to beg for mercy early this morning.

Ha ha...

Seeing the pitiful appearance of the golden lion, Darryl couldn't help laughing, and nodded and said: "It's good to know what's wrong." As he said, he raised his hand and unlocked the golden lion's wind pit.

At this moment, the Golden Lion clearly felt that the unbearable feeling of itching all over his body disappeared suddenly, and the five bodies admired by Darryl: "His Royal Highness, from now on, I, the Golden Lion, wish to be loyal to life forever. "

Darryl waved his hand and said lightly: "It's all right, I'm going to leave here soon, you can help me prepare."

"Okay, I'll make arrangements!"

Ten minutes later, Golden Lion arranged for a ship. Ship, send Darryl off the island.

Sigh!

At this moment, Darryl sat on the boat relaxedly, feeling very happy.

I thought that I was caught this time, but I didn't expect it to be the holy lord of the Temple of Light, and also became the teacher of the Goddess of Light.

By the way, try to practice holy power.

In joy, Darryl suddenly thought of something, and sat cross-legged, and began to cultivate the holy power. When teaching Yalena formation last night, Darryl also asked Yalena about the sacred power of this different world.

Through in-depth understanding, Darryl learned that the biggest difference between the internal power of the Jiuzhou Continent and the holy power is that one is introverted and the other is outward.

Internal force requires Qi Yun Qi to travel through the meridians of the whole body, while sacred force exercises one's own limits, senses Qi machine, and then bursts out in a concentrated manner.

Darryl was extremely talented, and his comprehension was far beyond ordinary people, and he quickly understood the mystery.

Hum.

Half an hour later, a powerful force lingered around Darryl's body, and at the same time, Darryl opened his eyes and burst out two brilliant lights.

Haha, success!

The saint king of the last paragraph!

At this time, Darryl was very excited. He possessed strong internal strength. He had a natural advantage compared to anyone in this world. Only after half an hour of cultivation, he reached the Saint King of the upper stage. At this speed, it takes less than half. Within months, you will be able to reach the Holy Spirit. Darryl became more excited as he thought about it, and couldn't help laughing.

...

At this moment, the Temple of Light.

After Darryl left, Yalina gathered the twelve holy knights.

"The Principality of the Day uses my name to launch a war on the mainland!"

Yalina sat on the throne and looked around the twelve Paladins: "This matter must be thoroughly investigated."

Chapter 3339

As

said, Yalina waved her hand: "Okay, you can set off!"

"Yes, Your Majesty!" The

twelve paladins responded in unison, and then set off for the mainland.

...

On the other side.

King New moon City.

In the palace of the royal city, the king is sitting there, tasting wine.

In front of him, several beautiful women are dancing gracefully.

"Not good!"

At this

moment, a guard hurriedly walked in with a panic on his face: "Your Majesty, the army of the Principality of the Sun has already breached our two cities." When he said this, the guard was full of heads. Sweating profusely, his voice trembled.

What?

The king was shocked, and immediately sat upright, and said angrily: "How strong is the Principality of Sunshine?" A day ago, the king heard the news from the Principality of Sunshine, and he didn't take it seriously. The Grand Province, the strength of each other is equal, even if they start a war, it will not last long.

"Your Majesty the King!" The guard wiped off his cold sweat, and said cautiously: "The strength of the Province of Sun is about the same as ours, except that they have the goddess of light, their morale is greatly increased, and the momentum is like a rainbow. Our defenders can't stop it. "

Goddess of Light?

The king shook his whole body and looked at the guard closely: "What you said is true?" The

guard nodded again and again: "Every sentence is true. Our defeated soldiers have seen this goddess of light with their own eyes. It is said to be very beautiful and powerful. Unpredictable. "

Huh!

Hearing this, the king took a deep breath, and the whole person was a little dazed.

The Goddess of Light supported the Principality of the Sun. I thought it was a rumor, but I didn't expect it to be true.

It's just... why does the Goddess of Light support the Province of Sun?

The more he thought about it, the more confused he became. After a few minutes, he gradually calmed down and said: "Quickly, send an envoy immediately and ask for help from other Mainlands." The

so-called cold lips and teeth, his New Moon Principality is really going to be destroyed, and other Mainlands will also be destroyed. It's dangerous, they won't care about it.

"Yes, Your Majesty!"

The guard responded quickly and walked out of the palace quickly.

At this time, the king was not in the mood to watch the dance, and waved his hand: "Okay, you all get back!" The

loss of two cities at once was really a headache.

After half an hour, the request for help from the New Moon Principality soon spread to the other four Mainlands. In an instant, these Mainlands were extremely shaken.

However, only two Mainlands promised to send troops to support.

...A

day later, Storm City.

Storm City is a prosperous city in the northwest of the New Moon Province. It was captured by the Province of Sun two days ago.

The Principality of the Day is led by Abel, and at the same time there is the 'Goddess of Light', Yuri.

After capturing Storm City, Abel was going to attack the King City of the New Moon Principality in the next step. However, at this moment, the other two Mainlands suddenly sent troops to assist the New Moon Principality.

For a while, Abel was caught in a dilemma.

At this time, in the command post of Storm City!

Abel sat there with a gloomy expression on his face. I thought that Yuri, the "Goddess of Light," was in charge, and other Mainlands did not dare to act rashly, but did not expect that two Mainlands would send troops to support the New Moon Principality.

## Chapter 3340

Abel at this time is very irritable.

Now the armies of the two Mainlands, one is on the way, the other is directly attacking the Province of Sun.

In this case, I can only return to aid as soon as possible. You must know that the main force of the Principality of the Day has been brought out by myself, and the border defense is empty.

But if it comes back to help, Storm City, which is struggling to be defeated, will give up.

Faced with this dilemma, Abel has a headache!

"Abel!"

At this moment, Yuri, who had been silent sitting next to her, said softly: "Or, you will lead an army and go back to support, I will take one to guard in Storm City."

Said this. At that time, Yuri's delicate face was full of seriousness.

When I was with Darryl before, I had learned some formations from Darryl and defended a storm city, which was not a problem at all.

To be honest, Yuri is not interested in fighting at all, but in order to find Darryl, she can only do so. More importantly, I promised the king of the Principality of Sun to boost his morale as the goddess of light and not to break his promise.

Hahaha....

Seeing Yuri speak, Abel was very excited and overjoyed: "Miss Yuri said that, I really can't ask for it." Speaking of which, Abel was a little worried about Yuri's ability to command troops. You must know. Defending the city is not easy, but thinking of Yuri's strength, I no longer worry about it.

Before Yuri killed the city lord of Flying Eagle Castle with a single move, who was her opponent among the six Mainlands?

A few minutes later, Abel mobilized a large army and left Storm City.

...

On the other side!

Darryl took a boat and finally arrived at a seaside city after half a day of sailing.

This seaside city is called Amatera City, which belongs to the Principality of the Sun.

Um?

As soon as he went ashore, Darryl heard clearly that a fierce battle was erupting outside the city of Amatera. The sound of killing and the clashing of weapons were intertwined and resounded through the world.

Hearing this, Darryl didn't think much, and hurried over.

Sigh!

When he arrived outside the city, Darryl was stunned when he saw the scene in front of him.

I saw that in the open space outside the city, the two armies were at war. The numbers on both sides were small, only tens of thousands, and the fighting was very fierce.

On one side, the armor of the soldier is embroidered with the pattern of the scorching sun. It is the army of the Principality of Sun, and the commander is Abel.

On the other side, it was the army of the Principality of Heaven.

A few hours ago, the Principality of Heavenly Star received help from the Principality of New moon Moon, and directly sent a large army to attack Amatera City. It happened that Abel led his army back to support, and the two sides fought directly.

At this time, the two sides had been fighting fiercely for half an hour, and they saw that the army led by Abel was already showing signs of defeat.

Speaking of it, Abel is strong and has a good commander. He won't be easily defeated. But after a few hours of marching, the soldiers didn't have much rest. When he encountered the waiting star army, he naturally fell in love.

"Haha..."

At this time, Wengi, the commander of the Sky Star Army, smiled at Albert:

"Unexpectedly, you came back to support very quickly, but now your soldiers are almost dead, I think , You'd better surrender quickly. "

Huh!

Hearing this, Abel took a deep breath and said coldly: "My Abel, I never know what surrender is. If I am here today, you don't want to break Amatera City." The voice was not loud, but it spread throughout the entire city. battlefield.

Seeing this scene, Darryl couldn't help nodding secretly.

This one is called Abel, and he is bloody.

Muttering in his heart, Darryl looked at Wengi, and there was an indescribable disgust in his heart.

Half a month ago, Darryl was still a royal knight of the Heavenly Star Principality, but after being framed, he was hunted down by the entire Heavenly Star Principality. When he thought of this, Darryl couldn't tell.

## Chapter 3341

At this moment, on the battlefield!

Seeing Abernin's unyielding death, Wengi couldn't help but chuckle: "It's awe-inspiring, but don't forget that it was your Principality that started the war first. You captured the two cities of the New Moon Principality and are now attacked by us. It's also a report for a report."

"Shut up!"

Abel was very excited, his eyes red, and angrily shouted: "We follow the Principality of the Day, with the support of the Goddess of Light, and it is the will of God to unify the mainland, and your Principality of Heaven, in turn, To help New Moon Principality is to defy God's will."

"You..."

Hearing this, Wengi was stunned, not knowing how to refute it for a while.

Um?

At this moment, Darryl's heart also moved, frowning secretly.

The goddess of light that Abel is talking about is an impersonation, right? You

know, the true Goddess of Light is still in the Temple of Light, and I taught her the formation last night.

"Abel!"

Just as Darryl muttered secretly, he saw Wengi react, his face was full of sneers: "Even if it is really supported by the Goddess of Light, it is deceived by you! Not much nonsense, this day Zhaocheng, I will definitely take it today. Since I don't surrender, I will lead to death obediently."

"The whole army obeys the order. If you don't keep one, let me kill." In the last sentence, Wengi almost howled.

Wow!

For a time, an army of tens of thousands of heavenly stars surged up like a tide. At this time, the soldiers under Abel were almost exhausted. The formation was suddenly dispersed, and many soldiers fell in a pool of blood.

"Soldiers, swear to defend Amatera City to the death!"

Seeing the soldiers falling down one by one, Abel instantly became blood-red and almost fell into madness, howling loudly, and rushing into the enemy crowd.

Bang Bang Bang...

At this time, Abel exploded with all his strength, like a tiger entering a flock of sheep. Under the swing of the big sword, enemy soldiers continued to fall down. However, there were too many people on the other side. Gradually, Abel's face became pale. The big sword in his hand was almost unsteady, and he looked extremely weak.

"Haha!"

Seeing this situation, Wengi couldn't express his excitement. He laughed and sarcastically said: "Abel, your men will soon be killed by me. How long will you last? How much blood can you shed?"

When the voice fell, Wengi's holy power broke out, thinking of Abel directly. Seeing the gentle rushing, Abel looked terrified.

"Hehe, my Abel is a glorious life and is highly regarded by the king. I originally wanted to help His Majesty, expand the territory and complete the great cause of reunification, but I didn't expect that I would die in the hands of someone like you. I...not reconciled! "Abel held the big sword tightly, with an expression of incomparable grief and anger, and yelled up to the sky.

When the voice fell, Abel was about to rush up and make the final battle with Wengi.

Hum!

However, at this moment, I saw a figure burst out, blocking Abel's body.

It is Darryl.

At the same time, Wengi rushed forward.

boom!

At this moment, Darryl raised his right hand and slapped Wengi's big sword with a palm. He heard a dull sound and Wengi was shaken back a few steps.

What?

Seeing this scene, whether it was Wengi, Abel, and the soldiers on both sides, they were all stunned.

Who is this person and where did it come from?

Moreover, the gentleness was shaken away with one palm, so strong.

And then, feeling the strength of Darryl, the audience was shocked again.

This... this kid only has the strength of a holy king, but he shattered the gentleness of the holy realm? How can it be?

Huh(?)!

Finally, Wengi took the lead in reacting, staring at Darryl closely: "Who are you? Dare to attack me, do you want to die?" The commander of his dignified army, the strength of the Holy Marshal, was attacked by a kid with the strength of the Holy King. , How not to be angry?

Huh!

At the same time, the tens of thousands of soldiers in the Heavenly Star Army also locked on Darryl, with killing intent flashing in their eyes. Like Wengi, these soldiers all believed that Darryl had retreated Wengi with a palm of his hand, by surprise. If there was a head-on confrontation, Commander Wengi could kill him with one move.

"Who am I? You don't need to worry about it!" Darryl looked at Wengi, with a cold tone: "Anyway, I just see you not pleasing to your eyes!" The voice was not loud, but it contained deep contempt.

Before Darryl was chased by the Heavenly Star Principality, he almost died. At this time, seeing the Heavenly Star Army, he naturally didn't have a good impression.

More importantly, the appearance of Abel defying death just now reminded Darryl of the days when the Apocalypse army attacked Donghai City. At that time, he and Dax, Brother Wen, were also preparing to coexist and die with Donghai City. At this time, Abel was also in the same predicament. With the same feelings, Darryl did not hesitate to help!

Wow!

Hearing this, the tens of thousands of heavenly stars suddenly exploded.

This guy is so mad that he said it was not pleasing to our eyes?

At the same time, Wengi's face turned blue and white, and he almost exploded with anger. He pointed at Darryl and howled: "What a arrogant kid, I think you are really tired of living." The

voice fell, and Wengi burst into sacred power. , Holding the big sword tightly, slashed towards Darryl fiercely.

With this sword, Wengi used all his strength, and the air was distorted wherever the figure passed, which was amazing.

"Sir, be careful!"

Seeing this scene, Abel couldn't help exclaiming, his eyes full of worry.

This unfamiliar man helped himself at the crucial moment, which is very moving, but he is only the strength of the holy king, why is it a gentle opponent?

At this time, Abel didn't know that Darryl was only hiding his strength, not just the Saint King realm.

Hearing Abel's reminder, Darryl smiled and motioned not to worry.

Hum!

In the next second, Darryl's internal strength exploded, and at the same time he summoned Fang Tian to paint a halberd, directly meeting Wengi.

"Boom."

Heavenly the halberd and the big sword, and slammed together. With a loud noise, I saw that the big sword in Wengi's hand shattered instantly. At the same time, Wengi let out a scream and was directly shaken out. He flew a full tens of meters before landing heavily on the ground.

The gentleness at this time clearly felt that his internal organs were severely traumatized.

"You...!" Wengi struggled to stand up, staring at Darryl fiercely, full of shock and resentment: "What the hell are you..." Before he finished speaking, he fell down. On the ground, he died of anger.

What?

Suddenly, the entire battlefield was deadly silent.

one move? Killed Wengi with just one move?  
Isn't this person's strength too terrifying?  
But he only has the strength of the Saint King.  
Especially the tens of thousands of heavenly stars, one by one was dumbfounded and inexplicably panicked. I thought that this battle could kill Abel and successfully occupy the city of Amatera, but unexpectedly, a strange man appeared suddenly and killed the commander-in-chief Wengi with one move.  
At this moment, Darryl put away Heavenly halberd and looked around the audience: "Who else will die, just come up." The vigorous voice spread throughout the battlefield, shocking people.

## Chapter 3343

For a time, the tens of thousands of stars looked at each other, and no one dared to respond.  
"Run!" In the next second, I didn't know who shouted, then turned his head and ran away, followed by the other Sky Star soldiers, desperately fleeing into the distance, like a frightened herd.  
Commander Wengi is dead, who would dare to stay?  
Have you won?  
Seeing this scene, no matter it was Abel or the wounded soldiers around, they were all stunned, and it was a long time.  
"Thank you!"  
Finally, after more than ten seconds, Abel reacted and gratefully said to Darryl: "Thank you for this gentleman's help." As he said, Abel endured the pain and directed towards Darrylshen. Bowed deeply.  
At the same time, the surrounding soldiers looked at Darryl in admiration.  
"You're welcome!" Darryl smiled slightly and said lightly: "I just passed by, seeing these soldiers from the Principality of Heavenly Stars are not pleasing to the eye, so I came to help. You are seriously injured, take a good rest."  
After saying this, Darryl turned and prepared to leave.  
"Mr. Stay!"  
However, before Darryl took two steps, Abel hurriedly shouted!  
"Why, do you still have something?" Darryl stopped and looked back at Abel.  
Abel looked sincere and said politely: "I don't know what your husband's name is? Where is he from? You saved the entire Amatera city. As the commander-in-chief, I must thank you very much."  
Darryl thought for a while and said: "My name is Danny, and I'm just a wanderer. As I said just now, I'm just passing by and it's not pleasing to see the Principality of Heaven, so you don't need to be particularly grateful."  
I used to be a royal knight in the Principality of Heavenly Star, and then he was hunted down. This matter, Er Darryl, Feng didn't want too many people to know, so he used his previous fake name.  
However, Abel did not give up, walked up quickly, and smiled: "Mr. Danny, your strength level is not high, but your skill is not weak. It's a rare talent. It's a pity just to be a wanderer."  
Now that we follow the Principality of the Day, with the support of the Goddess of Light, we want to unify the mainland, it is the right time to hire people. How about joining us and accomplishing a career?" When he said this, Abel's eyes were full of expectation.  
to join you guys?

Hearing this, Darryl frowned, feeling a little reluctant.

Speaking of it, when he was in the mainland of World Universe, Darryl hated war the most, because once the war broke out, the people and the people would suffer. At this moment, Darryl was about to refuse, and suddenly thought of something, he asked Abel: "You just said that your Principality of the Day is supported by the Goddess of Light?"

"Yes!" Abel nodded.

Darryl showed a slight smile and continued to ask: "Are you sure, is that the real Goddess of Light?"

Huh?

Hearing this, Abel became instinctively alert: "Mr. Danny, I don't understand what you mean."

Ms. Yuri faked the Goddess of Light. Only she and Your Majesty knew that Danny could not know. .

"Nothing!" Darryl smiled, and said relaxedly: "I have a little friendship with the Goddess Light. I want to know if someone is impersonating her." To be honest, Darryl is not interested in these things, but what? Saying that he is also the saint of the Temple of Light, if you know that someone is faked the Goddess of Light, and you don't care about it, you will be a little bit overwhelmed.

What?

At this moment, Abel's heart was shocked and he was stunned.

what did he say? He has a little friendship with the goddess of light?

This is a lunatic.

You know, for thousands of years, the Goddess of Light has only been in rumors, and no one has seen it with his own eyes. Even the temple where the Goddess of Light is located is extremely mysterious. The person in front of him has not only said that he has seen the Goddess of Light, but also Have friendship with her, what is this not a lunatic?

## Chapter 3344

Seeing Abel's expression, Darryl smiled: "What? Is there any problem?"

"No!"

Abel reacted and shook his head: "Since Mr. Danny and the Goddess of Light know each other, wait until this is over. In a war, I will take you to see her, how about it?"

No matter whether this person is brother or not, he is a rare talent who can kill gentleness in one shot, and he must be kept anyway.

"Okay!" Darryl thought for a while, nodded in agreement.

Yuri didn't have any clues, and she didn't have a place to go for the time being, so it's better to stay in this storm city temporarily.

Seeing his promise, Abel smiled, then greeted the surrounding soldiers and returned to Storm City.

...

On the other side.

Wengi led the army and the news of the fiasco in the attack on Storm City soon spread to the Principality of Stars. For a while, the whole Principality was in an uproar.

You know, Wengi was the youngest commander in the Star Principality, and he died just like this.

Soon, some rumors spread in the Principality of Heavenly Stars. Some said that the goddess of light supported by the Principality of the Sun, and the will of

God is hard to violate, so Wengi would fail miserably.

Located in the northwest of Alandis, there is a Raymond Academy.

Raymond College was founded by the Principality of Tianxing, specializing in cultivating cultivators, and is the highest institution of the Principality of Tianxing. Many well-known cultivators in the Principality of Sky Star came from this Raymond Academy.

Of course, including gentleness.

At this time, in a courtyard of Raymond College, an old man was sitting there, meditating.

It is Mr. Ray.

Mr. Ray is the greatest sage of Raymond Academy, close to the strength of the Holy Spirit, and is a gentle teacher. His position is extraordinary, even if Wang Jue sees him, he must be courteous.

"Teacher!" At

this time, a few young men walked into the yard quickly, with complex expressions.

These are all students of Mr. Ray, and the one headed by him is called Kevin. He is a burly figure with extraordinary momentum, and is the most admired disciple of Mr. Ray.

Hearing footsteps, Mr. Ray slowly opened his eyes.

"Teacher!"

At this time, Kevin and several people arrived and said: "Wengi led the army to attack the Principality of the Sun and was killed. Do you know this?" When he said this, Kevin's eyes flashed with grief and anger.

Because he is also a disciple of Mr. Ray, Kevin has the best relationship with Wengi. Now Wengi is no longer there, and it is very sad.

Sigh!

Mr. Ray breathed a sigh of relief and said indifferently: "I see, the two armies are fighting, and casualties are inevitable. Wengi's death may be his fate."

After

that, Mr. Ray sighed: "After all, this time It's too hasty for our Principality of Heaven to send troops."

Mr. Ray looked indifferent when he said this. By his age, he was already indifferent to life and death.

Hearing this, Kevin and some of his disciples looked at each other.

In the next second, Kevin took a deep breath and said seriously: "I've found out clearly. When Wengi attacked Storm City, he had a fierce battle with Abel. He could have broken Storm City, but a strange man appeared out of thin air. Kill Wengi."

"It is said that this strange man is just the strength of the Holy King."

What?

Mr. Ray was stunned, and moved slightly: "The strength of the holy king?"

Wengi, the strength of the holy king, was killed by a holy king. At

this moment, Kevin continued: "Teacher, if Wengi died During the battle between the two armies, I would not say much, but this matter is really weird. I think we need to go to Storm City to meet this strange man." The voice fell, and the other disciples behind him , They all nodded one after another.

"I also think Wengi was killed."

"Yes, how could a fellow with the strength of the Saint King killed Wengi?"

"Teacher, Wengi is your most important disciple. You must be in charge of the unclear death."

The voices of the disciples kept coming, and Mr. Ray secretly raised his eyebrows.

"Okay!"

Finally, after a few seconds, Mr. Ray settled his attention and slowly said: "You go and prepare, let's set off as soon as possible." To be honest, Raymond Academy shouldn't have participated in the war between the two countries, but gentle. He was his favorite disciple, but he died so strange, so I really need to check it out.

...

On the other side, Storm City!

At this time, in the main hall of the city, a sumptuous banquet was already ready.

However, there were only three people at the huge dinner table.

Darryl, Abel, and Tina, the lord of Storm City.

Yes, the lord of Storm City is a woman, and also a very cold, arrogant and beautiful woman.

At this time, Tina, wearing a gorgeous long skirt, was unspeakably sexy and mature, but sitting at the dinner table at this time, his delicate face was uninterested.

If sitting with Abel, Tina would be happy, but when he saw Darryl, he was a little unhappy.

During the day when Wengi led his army to attack Storm City, Tina was in the king's city to be summoned by the king, so he did not rush back in time.

After returning in the evening, Tina was very happy to learn that Abel had successfully defended Storm City. However, when he learned that Wengi had died at Darryl's hands, Tina was suddenly surprised.

The person in front of him, dressed in an ordinary dress, had only the strength of a holy king, how could it be possible to kill Wengi.

Tina believed that it was Wengi and Abel fighting fiercely at that time, and the saint power was almost consumed, and Darryl took advantage of it.

Under this circumstance, Tina looked at Darryl more and more displeased. From time to time, there was a bit of disgust on his face.

Had it not been for Abel to have a meal with Darryl, Tina would have stood up and sat at a dinner table with a person of unknown origin, which would be too shameful.

Darryl didn't care about Tina's indifferent attitude, and talked and laughed with Abel.

After understanding, Darryl admired Abel's character very much.

After drinking for three rounds, Darryl smiled slightly, took out a healing pill from his body, and handed it to Abel's hand: "You are injured, drink less alcohol, this is my unique healing medicine, which can speed up Your injury has recovered."

This healing medicine was refined by Darryl before, and it has been useless. It was given to Abel.

During the day, Darryl admired Abel's unyielding performance.

Unique healing medicine?

At this moment, Abel took the pill, a little stunned.

Is this Danny still a pharmacist?

Before Abel could react, Tina, who was sitting at the side, couldn't help it.

"Abel, you can't take the medicine casually!" When

she said this, Tina frowned. This man named Danny, dressed so ordinary, and took out a dirty pill, must be a liar.

However, Abel laughed and swallowed the pill directly, not forgetting to thank Darryl: "Thank you, Mr. Danny . Thank you, thank you." He and Danny have no grievances, how could he harm himself? ? What's more, he also killed Wengi during the day, helping himself to defend Storm City.

At this moment, Tina wanted to stop him, but it was too late and he stomped his feet with anger.

The origin of this wind is unknown, how could Abel believe in him so much? A few minutes later, a scene that surprised Tina appeared.

I saw that after taking the pill, Abel's face was pale, his rosy recovered, and his spirit was much better than before.

"Haha..."

At this time, Abel was very excited, and laughed at Darryl: "This medicine is really amazing, Mr. Danny, did you refine it yourself?"

Darryl smiled slightly: " Yes, I have learned some medical skills."

## Chapter 3346

What?

Seeing this scene, Tina's body trembled, and the whole person was stunned.

This person can actually be a doctor?

"I really can't see it, my sir is deeply hidden."

Abel's expression was full of admiration, and he said with emotion: "Not only did he stretch out his hand, but his medical skills were so brilliant." Abel clearly felt that after taking the pill, his injuries recovered. The speed has increased significantly.

Darryl smiled, with a humble expression on his face.

In the next second, Abel was going to ask how Darryl made the healing medicine into the shape of a sphere, because there is no such thing as a pill in Roland Continent, so it is very novel.

But before he spoke, he was interrupted.

"My Lord City Lord!"

A city gate guard ran in sweating profusely: "No, there is a group of people who want to forcefully break into Storm City. They claim to be from Raymond College, and one of them is Mr. Ray."

What?

Hearing this, both Abel and Tina were shocked.

You know, Mr. Ray is a well-known figure in the Principality of Heavenly Star, and he holds a pivotal position in Raymond Academy. Many experts in the Continent of Heavenly Star are all his disciples.

It's just that Mr. Ray has been teaching and preaching at Raymond Academy, and he rarely talks about the disputes between the various Mainlands. Why did he suddenly come to Storm City?

Thinking about it, Abel and Tina looked at each other, and they understood something at once.

Wengi was a disciple of Mr. Ray, but he was killed by Danny. Could it be because of this?

"Mr. Danny!"

Realizing this, Abel took the lead in reacting, and hurriedly said to Darryl: "Things are a little troublesome, I will immediately send someone to escort you out of Storm City."

Darryl stunned: "Why?"

Abel took a deep breath and quickly. Explain: "You killed Wengi, and Wengi was a

disciple of Mr. Ray. This Mr. Ray was very terrifying. He suddenly came to Storm City because of Wengi..."

It turned out to be like this.

Hearing this, Darryl looked indifferent and smiled and said: "What's the matter, he will come, why should I run?"

Abel suddenly became anxious: "He really wants to do it to you, I'm afraid of Storm City. Among them, no one can stop, and you are no more than the Saint King Realm, how is his opponent?"

At the same time, Tina also looked displeased.

This person is not strong, but he is full of big words, which is really annoying. Darryl smiled and said: "It's okay, since they have come to the door, let's see it, if I sneak away, what kind of man would I be?" He said, he strode out of the hall.

Abel looked anxious and quickly followed.

Tina couldn't help but flirted, and followed out.

Sigh!

When he arrived outside the city gate, Darryl couldn't help taking a deep breath when he saw the scene in front of him.

I saw four figures standing quietly outside the city, one by one filled with a powerful aura, and an old man headed by him, wearing a gray robe, looked kind, but not angry or pretentious.

It is Mr. Ray.

At this moment, feeling Mr. Ray's strength, Darryl was secretly surprised.

It turned out to be close to the strength of the Holy Spirit.

However, Darryl didn't care either. You must know that the twelve paladins of the Temple of Light were all the strength of the Holy Gods. Compared with them, the strength of the old man in front of him was a little worse, and it was nothing at all.

Huh!

At this moment, Mr. Ray and a few of his disciples suddenly focused on Darryl. Abel and Tina are both the identity of the city lord, and they naturally know it, and this stranger, whose strength is only the power of the holy king, is very consistent with the information of the investigation. It is obvious that Wengi died in his hands.

Finally, Mr. Ray reacted and said to Darryl: "Wengi died in your hands?"

## Chapter 3347

Fuck

, so direct?

Hearing this, Darryl was stunned, and then nodded: "Yes!"

Hearing the answer, Mr. Ray's face showed a little dignity, and he asked each word: "You are not the strength of the saint king, how did you kill it?" His? Or, what means did you use secretly?"

Darryl laughed at once, and said lightly: "What other means do I need to kill Wengi? I heard that you are his teacher? Seriously, your disciple was too much at the time. Confident, and his strength is really not very good." When saying this, Darryl looked calm, but he was a little irritable.

Huh(?), I was interrupted by eating well, and I was in a bad mood for who it was! Huh!

Hearing this, both Mr. Ray and the disciples behind him all looked angry.

This kid is crazy.

At the same time, Abel was too anxious. I asked him to leave quietly just now,

and now he challenged Mr. Ray face-to-face. Isn't this looking for death?  
Even if you are skilled, you are only a holy king.

Sigh!

At this moment, Mr. Ray took a deep breath and looked at Darryl coldly with a gloomy face: "Dare to talk to me like this, you are very courageous, what is your name?"

"Danny!" Darryl said lightly.

As soon as the voice fell, Kevin strode out and said angrily: "Teacher, stop talking nonsense with him, let me go over and kill him and avenge Wengi!" When he said this, Kevin glanced at Darryl coldly. Full of contempt.

Only the strength of the saint king must have used despicable means to kill the gentle, this kind of person can be completely abused with one hand.

Mr. Ray nodded silently: "It's okay, you try his strength!" To be honest, on the way here, Mr. Ray was still wondering if he was too reckless, but after seeing Darryl, he realized, Wengi's death is indeed full of doubts, the person in front of him is really the strength of the Saint King, fighting alone, he will never kill Wengi.

Get the teacher's permission, strode East Shen, pointing to the mountain air and shouted: "?! Boy, can dare to fight me,"

Darryl wind chuckle loudly: "What can not?!"

Said Darryl wind He said to Mr. Ray: "Mr. Ray, right? Let's say yes. You asked your apprentice to challenge me. When he loses or is killed by me, you can't hold him accountable."

Mr. Ray There was no response, but frowned.

"You are looking for death!" Kevin was even more furious. This kid was so arrogant that he said that he was not his opponent.

In his anger, Kevin stopped talking nonsense, and he roared straight towards Darryl.

Hum!

At the same time, a violent sacred power burst out, forming a strong storm around Kevin, which was very shocking.

Seeing this scene, Abel couldn't help but squeeze a sweat for Darryl: "This person is much stronger than Wengi, and I don't know if Mr. Danny can stop it..."

The

voice fell, Tina's face fell. indifferent, understatement, said: "even if not rivals, do not blame us, before you propose to let him leave, this may Danny did not listen, even to be killed, and we have nothing to do with the next and so on."

in the red In Chang's eyes, Darryl only had the strength of the Saint King, and he was not Kevin's opponent at all.

Sigh!

At this time, Kevin had already rushed to the front, making a fist with his right hand, and smashing towards Darryl fiercely.

Darryl didn't panic at all, he also threw a fist to greet him, and in an instant, the two fists violently collided, causing a dull vibration.

After the vibration disappeared, Kevin's figure was seen shaking, while Darryl was standing there, as stable as Mount Tai.

What?

Seeing this scene, both Abel and Tina, or Mr. Ray on the opposite side, were all taken aback.

This storm actually blocked Kevin's punch?

He only has the strength of the Saint King, how did he do it?

## Chapter 3348

Huh(?)!

At the same time, Kevin was also frightened.

This guy in front of me is a bit weird as expected. With that punch just now, he exploded with five layers of sacred power, but he was so easily blocked by him.

At this moment, Darryl looked relaxed, and said to Kevin, "You are not my opponent, do you want to fight?"

Hearing this, Kevin's face flushed, and he only felt that he was greatly humiliated.

"Boy!" In the

next second, Kevin's eyes were extremely red, and he locked on Darryl tightly, and said coldly: "Don't be proud of me, I will kill you today."

Om!

When the voice fell, Kevin broke out completely, a violent holy power erupted from his body, and immediately after, he saw the skin on his arm showing bloody lines.

Ka Ka...

Immediately afterwards, I heard a burst of crisp sound from his whole body bones. Then, the figure grew bigger at the speed that the naked eye could see. In the end, it turned into a giant ten meters high, like a hill. Generally, it is shocking.

hiss!

Seeing this, Abel looked solemn and couldn't help taking a breath of cold air secretly.

This Mr. Ray is worthy of being a rare cultivation genius in the past 100 years. Six months ago, there were rumors that Mr. Ray created a technique that can instantly increase his strength and his body shape will also become bigger. I thought it was. The rumor, I didn't expect it to be true.

The Tina next to her trembled and was shocked.

At the same time, he was a little sympathetic to Darryl.

Kevin showed his true strength, and this wind wave, I am afraid that he will lose miserably.

Sigh!

At the same time, Mr. Ray on the opposite side also showed a slight smile.

The other disciples behind him were even more excited.

"Haha...Kevin performed his domineering stunts, and this kid is dead."

"Kevin, slap him to death!"

"Yes, revenge Wengi!"

Hearing the shouts of his companions, Kevin had a face. confident, playful wind directed at Darryl said: "boy, this is my real strength, you now kneel at once, and say, what means despicable plot with gentle, perhaps I will spare your life!"

Darryl stood there with a look of contempt: "Is this your true strength? It's just that!" When

he said this, Darryl's eyes were full of calm, without the slightest panic.

You know, in "Wuji Pill", there is a kind of Bawang Pill. After taking it, it can not only increase strength, but also increase the body, just like the Kevin in front of you. This type of Bawang Pill, in the World Universe mainland, only needs Anyone who has some accomplishments in alchemy can be refined.

Therefore, Darryl would naturally not take it seriously.

What?

When the voice fell, the two parties and others present were all stunned.

Kevin's domineering stunts were so shocking, but this wind and turbulence

didn't even take it seriously.

This is not self-confidence, but arrogance.

At

this moment , Kevin was also stunned, and then his face was extremely stubborn, and he stared at Darryl coldly and said: "Good boy, you really do not live or die!" At this time, Kevin was extremely furious.

The guy in front of him was so contemptuous of himself and didn't kill him, it was hard to understand the hatred in his heart.

"When facing the enemy, how could you be so impetuous, how could you win?" Darryl showed a slight smile and said lightly: "Since you have taken out the stunt at the bottom of the box, I will also show you my true strength. !"

Click!

As the voice fell, Darryl's internal force revolved, and at the same time slowly raised his right hand.

In an instant, I saw the heaven and earth aura surging, and then crazily gathered towards Darryl, and then, I saw a huge figure bursting out of the sky, floating above Darryl's head.

Surprisingly, it is a huge unicorn.

And this unicorn is formed entirely by internal forces, with black hair, blood red eyes, sharp teeth and claws, and it is lifelike.

Darryl knew that to deal with Kevin's hegemonic stunts, he absolutely couldn't go head-to-head, he could only deal with it in this way.

Um?

## Chapter 3349

Seeing the unicorn above Darryl's head, everyone present was stunned.

What a fierce beast, how did this man get it out?

Moreover, what kind of beast is this, I have never seen it before.

At this time, whether it was Abel, Tina, or Mr. Ray and others, apart from the deep shock, they were also a little confused. You should know that there is no unicorn beast in Roland mainland, and they naturally don't know them.

Sigh!

At this moment, Kevin was also stunned, staring blankly at the condensed unicorn.

But soon, Kevin reacted and sneered: "Get a fake beast, you think I would be afraid of it?"

Kevin clearly felt that the beast in front of him was transformed by Darryl, not at all. real.

Since it is fake, there is nothing to be afraid of.

"Kill!" In the

next second, Kevin roared wildly, and the huge figure rushed over, hitting the unicorn with a fist.

Seeing Kevin, who was like a small mountain, rushed over, Darryl didn't panic at all, and quickly issued instructions to the Unicorn beast. He heard the Unicorn beast roar

that stunned the world, and then, a huge figure rushed forward.

boom!

Kevin's huge figure and Unicorn beast slammed into each other, making a roar that resounded throughout the world. Suddenly, the dust was filled with smoke.

Not only that, the surrounding trees, under the violent vigor, broke and turned into powder.

At this moment, whether it was Abel, Tina, or Mr. Ray and others, they all

stepped back to avoid the violent aura.

Ten seconds later, as the dust filled, Kevin's figure returned to normal size, pale and very weak.

But Darryl still stood quietly on the spot, his expression as usual.

Wow!

Seeing this situation, Mr. Ray's heart was shocked and his face was full of consternation.

impossible!

The overlord stunt is a defensive stunt that he created after ten years of comprehension. It is extremely powerful, but at this time, he was easily defeated by this person.

More importantly, he is just the strength of the Saint King.

The disciples behind him were also dumbfounded.

"How could this happen?"

"This... is this guy really only the Holy King?"

"..."

In their hearts, Kevin is already the upper-stage sage, and there is no suspense at all against this wind. It was properly crushed, but never expected that it was Kevin who was crushed.

This...

At this moment, Abel was also stunned, staring closely at Darryl, with a strange light shining in his eyes, and his heart was extremely shocked.

Completely shocked.

If he played by himself, when Kevin performed his domineering stunt just now, he would have already lost.

And this wind wave, there was nothing wrong, not only that, but also beat Dong Shen back to his original form.

It's incredible.

Tina, who was standing on the side, was even more weak in his legs, and he couldn't stand still, staring at Darryl blankly, speechless.

This...this wind is so powerful.

When I heard that he killed Wengi before, I thought he was just lucky, but I didn't expect that he really had this strength.

But the point is that he only has the realm of Saint King, and he can completely abuse Kevin in the realm of Saint Marshal.

If you don't see it with your own eyes, who can believe it?

quiet!

At this moment, the audience was silent, and a needle drop could be heard clearly.

"You..."

Finally, Mr. Ray came back to his senses and looked at Darryl complicatedly: "Who are you on earth?"
