When His Eyes Opened by Simple Silence Chapter 822 Elliot's breathing was a little heavy as if he was thinking about this question. "A few days later." If Avery did not ask him about this, he never thought about it. "Oh...if you can't sleep, you could go out." Avery was afraid that Elliot would be bored. "If you find it boring to go out alone, you can take Mike with you." "Do you think we get along well with each other?" Elliot sneered and asked, "Aren't you tired? Am I disturbing you?" Avery took a deep breath.

"I am very sleepy, but at the thought that you're next to me..." "Do you want me to leave?"

" Elliot did not want to disturb her rest.

"Where could you go?"

" Avery muttered softly, "It's not entirely because you're next to me that's why I can't sleep.

I feel that we have conflicts that are not resolved yet, but I can't pinpoint it.

" "Avery, if you keep thinking of unhappy things, you won't be able to sleep tonight.

" Elliot patted her on the shoulders.

"Flip over.

" "What are you doing?"

" Avery did not understand but she still flipped over obediently.

"Don't think about anything, just close your eyes.

" He placed his huge palms on her lower back.

Isn't it good that they reconciled?

Don't spoil it.

" "Do you think I'll dare to do anything?

Even if it's not because of you, I won't dare to do anything!

Avery better not care for him too much!

" Mike said sourly, "I don't want to talk about them anymore!

Let's talk about you!

Did your parents urge you to get married?

" "What do you think?

" Chad has a little girl in his arms.

The little girl was about two years old.

She looked at Mike on the screen with her big eyes, silently.

"Not only marriage.

They are also demanding I have children.

This is my cousin's daughter.

" "Get your parents to give birth to another one then!

" Mike teased, "No matter what, you're mine.

" "Are you nuts?

If I were to tell my parents that, they would break my legs," Chad suddenly said agitatedly.

He brought her along to look for snacks and toys.

“There's no need...” “What do you mean no need?

She has already come over!

You're just too shy!

” Mike's expressions sank.

Chad that coward.
