

Her tone was very flat, as if she was talking about a very easy little thing.

Elliot: "Have you thought about it?"

"Do you still need to think about this matter?" Avery asked him.

Elliot shook his head.

"Don't shake your head. Did you forget that you have a wound on your head?"

Avery sighed.

She knew Elliot's intentions.

After so many things, it was enough to see a person's heart.

"How about next Monday? Hayden said he would leave on the weekend. We went to the Civil Affairs Bureau on Monday and asked Hayden to accompany us." Avery was particularly reluctant to part with his son.

"If you want to keep Hayden at home for a few more days, you can choose to collect the certificate next Friday." Elliot saw her careful thought, so he suggested.

"I can't keep Hayden by my side just because he listens to me. This will affect his studies. Do you know how tired Hayden is? What he has to learn in a year is two or three years for children of the same age. He just finished learning, or even more. I can't influence his plans." Avery said.

"What plans does he have?" Elliot knew very little about Hayden's life.

"He must have his own study plan. Although I haven't asked, I believe he is a person who has a plan for himself." Avery said firmly, "Hayden is actually very similar to you. So whatever he wants, he will

follow it."

Elliot: "Hmm."

Two days later.

Emilio returned to Bridgedale. After a night's rest, his jet lag was basically reversed.

At 8:00 in the morning, he appeared at Travis's mansion.

"Norah disappeared?" Travis was not satisfied with his trip to Aryadelle, so his face was very ugly and his tone was harsh, "Tell me how she disappeared? She is so big, she wants to meet people. I want to see the corpse!"

"Dad, I found her cell phone in her room." Emilio took out Norah's cell phone and handed it to his father, "Do you remember this cell phone? I saw She used it."

"I didn't pay attention to this kind of small problem. What did you give me her phone? Is there anything in it?" Travis casually picked up the phone and turned it on.

"Dad, do you know Sasha Johnstone? It's the female criminal that Norah bribed in Yonroeville. Norah asked the female criminal to deceive Elliot and Avery into the suburban basement and lock them up in the basement." Emilio followed the matter up. He explained, "It was Sasha Johnstone on Norah's phone who did all this. The two of them got in touch again."

WHEN HIS EYES OPENED

Chapter 2243

"I didn't expect her to be under our nose all the time. But if she doesn't know Hazel's whereabouts, then she is useless."

When Emilio said this, he thought of himself to Avery This is also the case for Avery, and it is inevitable that she is a little bit heartbroken,

“No one would have thought that Sasha Johnstone knew everything.”

“Sasha Johnstone is not simple.

Elliot and Avery have been looking for her, but she can hold back and not tell them the truth.”

Travis looked at Norah’s cell phone and narrowed his fox eyes, “Norah easily attracted her again.

I should say that Norah is good at means, or this Sasha Johnstone has no eyesight! Instead, I am her, I will definitely choose Elliot.”

“Dad, for Sasha Johnstone, she may feel that Norah is more trustworthy.” Emilio said, “The top priority now is to contact Sasha Johnstone.”

“Emilio, you can handle this matter. You take Norah’s mobile phone and go meet this Sasha Johnstone.

Whatever benefit Norah gives her, we can double it. We must draw her to our side.” Travis said, his blood boiled,

“If we can find Hazel before Elliot and Avery hold Hazel in their hand, then our new project will not have to die! This is our last venture!”

Emilio had different opinions.

Emilio: “Dad, in fact, we can be a little more conservative, so as not to be too aggressive and irritate Elliot...”

“Emilio, you are too much like your stupid mother! You really didn’t inherit my courage and courage at all.

Wisdom.” If Travis was not in a good mood, he would have scolded him long ago, “Small success can be achieved by luck, but great success must be achieved by extraordinary vision and courage.”

“More attractive. As long as the project can be successful, it will definitely make a lot of money!” In order to make Emilio follow his orders, Travis drew a cake for him, “Once I succeed, it is only a matter of time before your future worth surpasses Elliot.”

“Dad!” Emilio’s chest heaved up and down quickly, after a brief struggle, he resigned, “Then do as you say!”

How could Travis not notice the change in his son.

Travis said in a soothing tone for the first time: “I am very pleased to see you grow up.

If you do this well, I will give you what you want in the future! But I will give you everything on the premise that you Must be good enough!”

Emilio: “Dad, I will try my best.”

Travis handed Norah’s phone to Emilio, “You use Norah’s mobile phone to ask Sasha Johnstone to come out.”

Emilio: “Okay.”
