

Substitute Bride's Husband Is An Invisible Rich Man

Chapter 12: Million Yuan

Mo Yan stood in front of the glittering counter in a daze for a while. Then, she saw a young man who was about 25 years old and looked very respectable walking towards her.

As he walked over, the young man smiled and greeted her, "Hello, I'm the owner of this shop. I am Mr. Qin."

The owner of the largest jewelry shop in the city was actually so young?

She thought that he would be older. She paused for a moment and replied with a smile, "Hello, Mr. Qin."

The young boss walked over quickly and took the silk gloves handed over to him by the lady at the counter. He put them on quickly and carefully picked up the Jade bracelet in the box, looking at it carefully under the light.

Qin Yuan flipped the Jade bracelet and turned it around. In an extremely hidden place on the inside, he indeed found a signature unique to the Qin family. His eyes immediately darkened.

Usually, he would not involve himself in the business of pawning jade. A mere few hundred thousand was nothing to him.

However, the sharp-eyed lady at the counter today recognized at a glance that the craftsmanship of this Jade bracelet was that of the style of the Qin family. Moreover, the color was very similar to the one that had recently been given away to a distinguished guest. That was why she had specially invited him over to confirm that it was the same Jade bracelet.

Qin Yuan easily recognized this Jade bracelet. Just a few days ago, it was he who had picked out this unique Jade bracelet that was not too expensive but still obviously had a high value. He gave it to his good friend, Huo Zhen.

He did not expect that this jade bracelet would be sent back to him a few days later and pawned.

“This bracelet is not common. I quite like it. May I ask, where did you get it from?” Qin Yuan held the bracelet and seemed to be unable to put it down. He raised his head and asked.

“Uh, it’s passed down from my husband’s family.” Mo Yan answered with a little guilt.

When Luo Tao gave her the bracelet, he did not tell her the origin of the bracelet, so she could only make wild guesses.

Husband? Could it be that the woman in front of him was his good friend Huo Zhen’s new wife?

Raising his eyebrows, Qin Yuan continued to smile without batting an eyelid, “Yes, the quality of your bracelet is excellent. May I know how much you would like for it?”

He didn’t expect Luo Tao’s bracelet to gain the high recognition of the boss of the jewelry store. Mo Yan was stunned and thought of her mother in the hospital bed as she gritted her teeth.

Could this bracelet be worth 500,000 yuan to pay for her mother’s medical fees?

“I... It’s hard to say. Mr. Qin, how much would you give me for it?” Mo Yan tightly squeezed her sleeve, feeling uneasy.

Sighing in his heart, Qin Yuan put down the bracelet, stretched out his two index fingers, and crossed them to make a figure.

Since Huo Zhen’s wife had chosen to sell the bracelet given by her husband, he might as well take advantage of the situation to do Huo Zhen a favor and help him see her true colors.

“100,000 yuan?” Mo Yan looked at Qin Yuan’s gesture and was a little absent-minded.

“No.” Qin Yuan shook his head, and a meaningful smile appeared on his face as he said, “One million yuan.”

This bracelet was actually so expensive that it was worth one million?

Mo Yan was so shocked that she took a step back. She knew that this bracelet given to her by Luo Tao was valuable, but she did not expect it to be worth this much.

That would mean that the bracelet definitely had extraordinary significance to Luo Tao who was as poor as a pauper!

“What? Miss, do you think it’s too little?” Qin Yuan looked at Mo Yan’s shocked expression and could not help but have a disgusted look on his face.

He had already offered a high price of one million, yet this woman was still not satisfied and wanted more money. She was really too arrogant and vain!

“No, no.” Mo Yan quickly shook her head. Her chest rose and fell, and she bit her lips.

Since Luo Tao had given her the most precious thing in his family, then she definitely could not betray his trust and pawn it.

“I sincerely want this bracelet. How about this, 1.5 million yuan.” Qin Yuan rested his hands on the counter and looked at Mo Yan.

As soon as the deal was done, he was going to call Huo Zhen immediately and ask him to kick this greedy woman out of his life!

“No, I’m not selling it anymore. Sorry.” Mo Yan’s eyes became firm. She took a step forward and quickly put away the wooden box. Then, she glanced at Qin Yuan again and left quickly.

Looking at Mo Yan’s slender figure leaving, Qin Yuan could not help but be a little absent-minded.

What was going on? Didn't this woman want to exchange the bracelet for money? Why did she suddenly change her mind?

Qin Yuan was confused, but he still took out his phone and dialed Huo Zhen's number. He said casually, "Hello? Little Four, guess who I just met?"

Luo Tao was holding a dumbbell in one hand and his phone in the other, his head full of blank lines.

Huo Zhen was his real identity, and he was ranked fourth. So, Qin Yuan liked to call him Little four.

Luo Tao coughed lightly. "Qin Yuan, don't call me Little Four. If you have something to say, say it quickly."

"Okay, okay. Fourth Master Huo, I just saw your wife." Qin Yuan laughed.
