

Chapter 201

The four gunmen are obviously familiar, not the first time such a thing has been done. Kiki Wei ordered that they pulled the trigger without any hesitation.

Suddenly, four hot bullets attacked Fade Chen from four different directions, with a breath of death.

With a confident and proud expression on his lips, Kiki Wei looked at Fade Chen, as if he was ready to see the horrified and painful before he died.

But what killed her was that Fade Chen, who faced the bullet, didn't change his face, and he didn't have any fear at all. Instead, a light smile appeared, and then gently raised his right hand.

The right hand volleyed a few times beside him, and the scene was silent, and everything seemed to have not happened.

Kiki Wei looked at the four gunmen in a daze, then looked at Fade Chen again, with a puzzled look on his face. It seemed strange that the gunshots sounded, why Fade Chen was fine. Did all four gunmen miss?

Just when she was doubtful and hesitant, Fade Chen spread her right hand and presented it to Kiki Wei, saying lightly: "Are you looking for these?"

Kiki Wei looked around and saw Fade Chen lying with four deformed

bullets in his palm. Meng suddenly pupil contraction, her face showing disbelief, incredible shook her head, his mouth muttered: "No, this is not possible, but how is it possible that the bullet, how can your hands?"

Mouth talking about Kiki Wei's eyes shrank suddenly, and then he turned and shouted at the four gunmen: "Quick, shoot quickly, kill him, kill me."

The four gunmen were also looking shocked and unscathed at the moment. Fade Chen. Hearing Kiki Wei's words, he immediately pulled the trigger.

But at the moment, Fade Chen shook his head gently, his eyes faintly swept, he snorted, and his right hand flung out.

All of a sudden, the sound of "sloppy" pierced the air, and four deformed bullets pierced the air to become a deadly weapon, accurately nailed between the four people's eyebrows.

The four burly killers instantly lost their eyes and lost their breath. They fell to the ground and became a cold body.

Kiki Wei turned to look at the four killers outside the car. His face was terrified, and he opened the door sideways to escape.

But Fade Chen's palm lightly grasped, and suddenly an invisible force pulled Wei Kiki Wei, making her unable to move forward.

"You, what the hell do you want to do to me?" Kiki Wei asked Fade Chen

with a trembling voice in horror.

At this time, she was really scared. Fade Chen grabbed a bullet empty-handed and let go to kill four gunmen, so martial arts strength. She was completely beyond her understanding, and she was terrified.

Fade Chen looked at Kiki Wei lightly and said in a cold voice: "You want to kill me, what do you think I will do to you?"

After hearing this, Kiki Wei couldn't help but tremble with a chill from his heart. The whole person felt terrified. At this moment, she finally realized the truly powerful martial arts strength.

Recalling that Fade Chen just said that she "does not use martial arts", Kiki Wei's heart filled with infinite regret.

In regret, Kiki Wei pleaded, looking at Fade Chen, saying: "Mr. Chen, I know I was wrong. I shouldn't have dealt with you, nor should I seduce Scott Huang, sorry, I'm wrong Please, please let me go. "

Fade Chen didn't speak, but just looked at Kiki Wei coldly, and said: "Do you think it's credible? "

Kiki Wei nodded, saying. "I absolutely dare not deceive Mr. Chen. If Mr. Chen is dissatisfied, I am willing to give up my Wei family business to Mr. Chen, begging Mr. Chen to save my life."

Fade Chen shook his head and said: "The reason is not enough! When you give birth to me from the moment of killing, your death is doomed. "

Kiki Wei's face suffocated, his eyes rolled quickly, and then he suddenly thought of something.

A tear her own coat, revealing a white skin, his mouth issued a temptation voice, soft body towards Fade Chen by the past, "Mr. Chen, I am willing to offer you my all."

Under the moonlight, Kiki Wei climbed up on Fade Chen's chest with one hand and stroking it scorchingly. The other hand grabbed Fade Chen's right hand and stroked it deep into his thigh.

At the same time, the delicate body twisted like a snake, with a strong temptation.

This woman, as she really is, is not ordinary. If it is a general man, I am afraid that he would have burned his body long before, and let her down, let her go.

However, Fade Chen is not an ordinary person. Facing Kiki Wei's temptation, Fade Chen's body gave a slight shock, and he burst out with vigor, directly flicking Kiki Wei's soft and delicate body.

Then, Fade Chen grabbed Kiki Wei's neck and said in a cold voice: "Your tricks are useless to me."

The palm began to work hard, and Kiki Wei's complexion flushed, and

began to show symptoms of breathlessness. She desperately squeezed out a smile and begged: "Mr. Chen, I want to give you whatever you want. As long as you keep my life."

Fade Chen didn't move and didn't mean to spare her.

The palm continued to exert force, and Kiki Wei's complexion had begun to turn purple.

"Mr. Chen, I, you killed me, Scott Huang, he will be sad. Now, he is completely hooked on me. I" Kiki Wei said with difficulty.

Mentioning this, Fade Chen frowned slightly. He did not want to let Kiki Wei go, but worried about Fatty Huang. Judging from the situation of these days, Fatty Huang was completely fascinated by this guy.

If Kiki Wei died suddenly, Fatty Huang might be grieved. This is troublesome.

Thinking of this, Fade Chen's palm slightly loosened.

Kiki Wei felt a little vitality and quickly continued: "Mr. Chen, as long as you let me go. I will do whatever you ask. I will no longer be entangled with Scott Huang, I"

Fade Chen coldly said, "You think so, can you threaten me? "

" No, Mr. Chen, I didn't want to threaten you, I just" Kiki Wei wanted to explain.

But at the moment, Fade Chen, his right hand extended, his fingertips lingered with a reddish aura, and he lightly touched Kiki Wei's eyebrows. Suddenly, a burning breath penetrated into Kiki Wei's body.

"This is what" Kiki Wei was curious and frightened.

She didn't finish a word, and immediately felt a pain in her head, and the pain was getting worse. My own brain seemed to be burned by flames, and it was extremely painful.

Kiki Wei grasped the hair with both hands, tearing it fiercely, tearing off a lot of hair, and even bringing up some bloody scalp, it seemed that he wanted to break his head and put out the flame inside.

But everything didn't help. The burning pain that could not be tolerated at all caused Kiki Wei to make a miserable howl, and the whole person twisted on the seat.

A minute later, Fade Chen's palm flicked gently, and Kiki Wei felt the heat in his mind dissipated. The whole person collapsed on the seat in a prostration, her eyes fluttered, even the desire to survive seemed to be gone. At this moment, she felt what life is better than death.
