Chapter 2477

“You brought your son to my house for dinner today. Let’s talk face to face.” Nick said, “Do you want to call the second brother

and the fourth brother? They are both at home!”

“Since they are at home, let’s call and get together.”

Elliot knew that this wave would not escape.

“Okay. Let’s go tonight then!” After setting the time, Nick asked, “Send me the dishes your son likes to eat later. It’s the first time

your son comes to my house, I will treat him well.”

“Yes.” After talking on the phone, Elliot copied the name of the dish Avery sent him the day before yesterday and sent it to Nick.

Later, he sent a message to Avery: [I decided to take Hayden to Nick’s house for dinner tonight. Just eat a meal and do nothing else.]

Avery: [What are you not doing, are you sure what they don’t want to do? You go to discuss it with Hayden and Mike, but you can’t go without preparation.]

Elliot: [Yes.]

After sending the message to Avery, Elliot went to Mike's room.

Before entering Mike's room, he knocked on the door. He didn't wait for Mike to respond, he opened the door and walked in. Mainly because it was already 10 o'clock in the morning.

Since Mike slept last night, he should have slept well. When Mike heard the movement, he opened his sleepy eyes, and when he saw Elliot, he immediately roared in fright.

"What are you doing?" Elliot was annoyed by his roar, "Am I that scary?"

"What are you doing in my room? Don't you know how to knock on the door? It's really rude to sneak in like this!" Mike

Immediately lifted the quilt and got up from the bed. He brushed back his messy blond hair, then picked up the T-shirt and pulled it over his head.

Mike: "What time is it? Did you come to wake me up, or something else?"

"I didn't want to come to you at first, but Avery asked me to discuss everything with you." Elliot sat down in the chair next to him,

watched him get dressed, "Nick invited Hayden and me to his house for dinner at night. I agreed."

Mike: "Oh, you mean you two go, don't you take me?"

Elliot: "Take you to find death together?"

Mike: “Pfft! Since it’s dangerous, why don’t you take Hayden there?”

Elliot: “I’ll try not to anger them. But if it’s unbearable, you can at least help with something.”

Mike: “Okay, I see. Then I will I won’t go with you. Did you tell Hayden about this?”

“Hayden’s door is still closed.” Elliot only said this, and Mike immediately glared at him.

“You are so funny! You don’t dare to knock on your son’s door, so you came to disturb me?” Mike snorted coldly, “Look at you.

Do you have breakfast? After I have breakfast, I will go to Hayden’s room to look.”

“Call someone else and it will be delivered.” Elliot got up from his chair, ready to call for breakfast.

“Hey! Don’t you ask me what I want to eat?” Mike called to stop him, “I want to eat...”

“I’ll just order what my son likes. You can order what you like.” Elliot wouldn’t be Mike’s servant.
