Chapter 2434

Hayes gave up after hearing what Avery said.

Avery continued with a smile: “Hayes, your company has a lot of outstanding single female employees, and all of them are beautiful women.”

Hayes raised an embarrassed smile: “President Tate, I don’t accept office romance. It’s better to be separated from life.”

“Oh...our company also has many single female employees. Next time the employees of the two companies meet, you can pay more attention.” Avery joked.

“My plan at this stage is to work hard.” Hayes must show his attitude towards work in front of his boss.

Avery: “Your boss won’t interfere with your relationship. You don’t need to be so nervous.”

“President Tate, I didn’t mean to say this in front of the boss. The last failed relationship made me feel a little tired.” Hayes

explained, “I don’t have a job. It will make me feel tired.”

“Then you should work hard and adjust your mood.” Avery said.

Hayes: "Yeah."

After dinner, Elliot asked Hayes to send Gloria back. Gloria refused directly, saying that she could take a taxi back.

"Assistant Wiens, it just so happens that I have to take a taxi back. Let's take a car! It's very late now. If you go back as a girl, your boss and my boss will both be worried."

After Elliot and Avery left, Hayes and Gloria waited for the bus by the roadside.

"Assistant Wiens, I'm a little thirsty. I'm going to buy a bottle of water. Just wait for me." Hayes said to Gloria after seeing the boss's car drive away.

Gloria nodded.

During dinner, after Avery told Hayes that Gloria was from Yonroeville, Hayes stopped staring at her.

Everyone was an adult, and Gloria believed that Hayes also knew that it was completely impossible between them.

After a while, Hayes bought two bottles of water and handed it to Gloria.

"I'm not thirsty, thank you." Gloria refused.

"Take it! It's just a bottle of water, you can drink it when you get home." Hayes smiled and shoved the water into her hand, then stopped a taxi on the side of the road.

After the two got into the car, Hayes reported to the taxi driver where he lived, and then looked at Gloria. Gloria immediately said where she lived.

“Go to her side first.” Hayes said to the driver.

“Okay!” The driver responded and turned around at the intersection ahead.

The neighborhood they both lived in was not right.

“I’m renting a house, so are you?” The atmosphere in the carriage was a little awkward, so Hayes took the initiative to speak up

and broke the silence, “I heard that you submitted your resume for Sterling Group, you are really brave.”

“Are you laughing at me?” Gloria smiled lightly, “I think of what I did now, and I feel so stupid.”

“Not stupid. Sometimes it is because we do things that others dare not do, so we compare ourselves to it.

Others are the first to

touch the opportunity.” Hayes praised her, “Being an assistant by Avery’s side is actually similar to being an assistant by my

boss’s side.”

“Can we be friend? If there is any problem at work in the future, we can communicate.” Hayes took out his mobile phone.

Gloria saw that Hayes had already taken out his mobile phone, so it was not easy to refuse.

After the two added friends, Hayes revised her note: “Is your name written like this?”

Gloria leaned in front of his phone and said, “Art is the art of art.”

“Okay. My name is Hayes Klein, the sea of the sea. You can call me Hayes.”

“Are you older than me?” Gloria hesitated for a while, “It seems inappropriate to call your name, I’ll call you Brother Hayes.

Brother Hayes, let’s go!”

“Ahh.” Hayes was a little hot, so he unscrewed the water bottle and prepared to take a sip of water.
