

When His Eyes Opened

Chapter 2440

Chapter 2440

“Wife, shouldn’t you scold your daughter? Don’t talk about her. I don’t mean to blame her. She must be tired of seeing me every

day.” Elliot was eager to protect Layla.

“What are you thinking! My daughter is so old, how could I scold her for such a trivial matter.” Avery

couldn’t help laughing, “Give her your phone!”

Elliot was still worried and asked, “What are you going to tell Layla?”

“I asked her to care more about her father, what’s the matter, can’t I say this?” Avery asked.

“Yes, of course. My wife still loves me.” Elliot walked towards Layla happily.

After giving the phone to Layla, Elliot stood beside her, pricked up his ears, and listened to the mother and daughter.

“Layla, did you have a good time today?” Avery said softly.

Layla smiled and said excitedly: “Happy! Mom, I’m so happy today! It’s so beautiful here! I just took a picture of Uncle Eric skiing

and chasing a drone in the sky... woo woo woo, he's so handsome! Uncle Eric skiing is so handsome!"

Layla held her phone and jumped up.

Looking at the shaking camera, Avery could feel Layla's excitement. Remember the website

"Layla, do you know that your father is here to accompany you today?" Avery said after her daughter calmed down a little, "He

should have gone to work, and learned that you are going to such a cold place to see but he was afraid that you would freeze, so

he came with you. You can't just look at your uncle Eric and forget about Dad!"

Layla made an 'oh', then glanced at Dad.

"Be nice to dad, okay? Your dad is very fragile at heart, and he needs our care. You can't let him keep giving and get nothing in

return! Right?" Avery continued to educate Layla.

Layla nodded at her mother's words.

"Dad, come here!" Layla shouted to Elliot.

Elliot immediately walked to Layla's side.

"Dad, you squat down." Layla demanded, grabbing Dad's big palm.

Elliot didn't know what to do, but he squatted down obediently.

After Elliot crouched down, Layla immediately slapped his face and gave him a kiss.

“Dad, I love you very much! If Uncle Eric is compared with you, you must be more important! It’s just that I haven’t played with Uncle Eric for a long time, so I have been following him today. I’m with him every day, so I’ll definitely be happier to see you than to see him now.” Layla boasted loudly, making Elliot elated.

“My little baby’s mouth is so sweet!” All Elliot’s grievances and jealousy dissipated.

“Dad, next time you’re jealous, just tell me directly! Why do you tell your mom secretly?” Layla began to educate her dad, “Can I see you sad and leave you alone? Impossible!” Elliot couldn’t help laughing and crying: “Okay, Dad got it.”

“I also want to let you hold me like my brother Robert at any time, but now that I’m so big, you can’t hold me anymore.” Layla

continued to act coquettishly with her father, “Dad, you stand next to me! Can I hold you?”

Elliot nodded and held Layla’s hand.

In an instant, all the fatigue dissipated.

Avery was relieved to see the father and daughter reconciled.

For lunch, they ate the dishes to be eaten on the day of the banquet at the hotel.

“Ben and his parents came to try the dish.” Gwen said,
“You can try it, if you don’t think it’s to your taste, you
can change it now!”

“You think those guests came to your wedding just for
the sake of eating this meal, hahaha!” Tammy laughed,
“Your wedding is
about to be held, so what are you going to change now?
All ingredients like must be purchased in advance. As
long as it’s not
unpalatable, it’s ok.”

Gwen: “This table is not cheap, and it certainly won’t
be unpalatable. But I ate breakfast in the morning and
I’m still not hungry.

Have you ever had pigeon soup? I suspect that the
pigeon soup is too filling.”
