Chapter 2448

Avery's face turned red.

Avery: "She said she was unmarried."

"Ben used to say that Gwen was unmarried! Now she is pregnant." Mike teased, "Just listen to what others say, you are so serious!"

Avery: "Well. Even if Gloria has a boyfriend, you don't need to be so excited, right? I don't interfere with employees' romance."

Mike: "I'm exciting her, is it? I'm obviously excited about how you can be so stupid."

Avery suddenly changed her face: "It's not a big deal, there's no need to be so serious. She says that she was bitten by a bug,

whether it was bitten by a bug or not. If it's what you guessed, it's embarrassing to tell the truth."

Mike: "I'll gossip with you in private. You see I didn't say anything in front of her just now."

Avery: "If you dare to say this, I'll just gag your mouth."

Mike: "Hahaha! I'm still measured. I'll go back to sleep first, and go see Ben and Gwen at night."

“Gwen was checked in the hospital yesterday, The progesterone level is low, and the doctor asked her to rest more. I don’t know if their wedding will be held as usual. I have to go see Gwen at night.” Avery said.

“The problem shouldn’t be serious, right?” Mike remembered how Ben gave out red envelopes frantically in the group last night, and thought everything was going well!

“It’s not serious. But the fetus is not stable in the first three months of pregnancy. Gwen wants to hold the wedding as usual, and

Ben listens to her, but Ben’s parents think that the child is the most important thing, and it will not be too late to do it when the

child is stable.” Avery said, “If Gwen persists, Ben should follow Gwen’s ideas. Gwen is pregnant now and can’t get angry.”

“Avery, to be honest, Gwen’s temper is not very good.”

Mike complained to her, “Ben cried a lot in the group.”

“Cry? What group? Pull me in.” Avery was full of curiosity.

“If I pull you in, they will kick me out. It’s all men. If you go in, they won’t tell the truth in the group!” Mike said, “your husband is in there too!”

“Oh?” Avery raised her eyebrows, “Who created the group?”

“It was a Playing cards game before, and everyone didn’t bring much cash, so they set up a group, and if they lost, they would

give out red envelopes.” Mike said, “It later became a group of men complaining. Mainly Ben and Jun were complaining in it, but

your husband didn’t seem to say much.”

“Give me your mobile phone and I’ll look for his chat records.” Avery asked Mike and reached out.

Mike immediately handed over his phone obediently, “Why don’t you check Elliot phone? Didn’t he check your phone for you?”

“Yes, but I feel a little embarrassed to use his phone to check.” Avery turned on Mike’s phone and asked,

“Which group?”

“Playing cards group.”

“Oh...” Mike had at least hundreds of groups, Avery typed in the word ‘Playing cards group’, and only then did she find the group

that the men complained about.

Opening the group, she found the chat record, typed in the words Elliot, and suddenly there were several chat records related to

Elliot in front of her.

Part of it was the records of other people Aite him, and the other was Elliot's speech in the group.

Elliot said a total of four sentences in the group.

From top to bottom in chronological order, they are:

message one: be patient.

message two: Patience.

message three: hold back.
