

## Chapter 2464

“Avery, I am going to Yonroeville.” Elliot told Avery of his thoughts, “You stay here and take care of the children.”

Facing his firm decision, Avery was a little confused: “Are you going to see Gloria?”

“Gloria is dead. She was forced to die. I suspect that the person who forced her to death behind her back was the murderer of the Jobin family annihilation case.” Elliot rolled his Adam’s apple, “Now whether I can find Haze or not, I will find the murderer.”

If the Jobin family hadn’t been destroyed, they would have brought Haze back to their side long ago...

“If the murderer is in Yonroeville and is from Yonroeville, do you know how dangerous you were in the past?” Avery was separated from the lively atmosphere of the scene, “If you have to go, then I will accompany you.”

Elliot: “I need someone at home to take care of children.”

Avery: “Hayden and Layla no longer need someone to take care of. Robert needs someone to take care of, but there are nanny and elder brothers and sisters, so he won’t stick to me.”

“Avery, there are too many uncertainties in this trip. I don’t want you to take risks with me.” Elliot’s tone was pleading, “You stay at home. I don’t know if I can spend the Spring Festival with you. If I can’t come back during the Spring Festival, at least you can spend it at home with the children.”

Avery: “Are you determined to go to Yonroeville?”

“Yes. Gloria makes some people anxious.” Elliot said, “If I don’t go to Yonroeville now, I don’t know if I will have a chance to find out the real murderer in the future. This matter is a knot in my heart, and I want to untie it.”

“Then go!” Avery regretted after saying this, but it was impossible to take back what he said.

Moreover, even if she stops, Elliot will definitely go.

“Avery, don’t worry, I’ll be fine.” After hesitating for a while, Elliot comforted her.

“Do you believe this?” Avery took a deep breath, “Elliot, I hope you can really put your own safety first.”

Elliot: “I will. I just want to know if our daughter is still alive and who is responsible for this disaster. There must be an explanation for this matter.”

“Are you going to Yonroeville now?”

“Yes...” Elliot didn’t think about it.

“Go without luggage?” Avery really wanted to see Elliot again before he left.

“I can buy necessities when I get there. Avery, you don’t have to worry. I remember that you and our child are waiting for me at home, and I will avoid danger.” Elliot assured again and again.

“Well. Gloria is dead, who sent me the email?” Avery didn’t quite understand.

Elliot: "When I pass by, I will investigate clearly. You stay at home with the child and don't think about it."

If Elliot didn't go to Yonroeville, Avery could stop thinking about it.

He's gone, how could Avery not think wildly?

After the call ended, Avery felt as if her body had been hollowed out.

"What's the matter? What happened?" Since Avery answered the phone, Mike noticed that she was abnormal, so he stood behind her all the time.

When Avery put down her phone, Mike immediately pulled her aside and asked.

"Elliot has gone to Yonroeville." Avery lowered her head and took a deep breath, "Gloria is dead. He suspects that the murderer of the Jobin family murder case was in Yonroeville."

"Oh... Gloria is dead... ..Why did Gloria die? Could it be that she has something to do with what happened back then?" Mike was a little surprised.

Gloria, a seemingly innocent and harmless woman, why did she die?

“I also want to know the truth.” Avery squeezed the phone tightly, “I hope Elliot could find out the whole thing after he went to Yonroeville.”
