Chapter 2470

Nick: “Come on, why do you have the nerve to ask such a question?”

“I’m worried about Elliot.” Avery said truthfully, “Third Brother, have you seen Elliot?”

“Didn’t you contact Elliot?” Nick said, “He didn’t come to me, didn’t he tell you?”

“No. He just said he was tired, so I didn’t ask more.”

Avery said, “Third brother, can we talk?”

Nick’s temple twitched, and then eyelids also started to twitch.

Nick: “Aren’t we just talking now?”

“I mean we have a heart-to-heart chat.” Avery explained, “Just like when I performed your surgery, I asked you a lot of questions

before the surgery, you answered me truthfully.”

Nick had a headache, and it was obvious that Avery was playing the friendship card with him.

“Avery, you don’t need to remind me about my surgery. We settled it a long time ago. Did you forget?”

Nick got off the bed and went to find water to drink.

“I know we are cleared. But I need to remind you that your disease has a certain chance of relapse. If you relapse in the future, I can continue to operate on you. If you don’t come to me, it’s okay. Your operation, Other doctors can also do it for you. It’s just that if other doctors do it, the chance of failure will be higher.” Avery threatened calmly, “After failure, there will be two consequences.”

Nick knew that he was threatened, but listening to her threats, he actually listened with gusto.

Nick: “I’m listening! Go on.”

Avery swallowed a breath, and continued: “The first consequence is that he died on the spot. The second consequence is that after some rescues, he was lucky enough to save his life, but the person was either stupid or turned into a vegetable.”

Drinking the water in his mouth, Nick really want to spit it out. He swallowed it forcibly.

“It’s late at night, why are you threatening me? Avery, what on earth are you trying to say? Can you just say it? You don’t feel comfortable, and you don’t want me to, do you?” Nick put the water glass on the table, a hint of impatience appeared on his face.

Mainly at this point, it was very late.

Nick was almost falling asleep, but was woken up by Avery's phone call.

As a result, he was woken up and threatened, and his mood was completely destroyed.

"Third brother, does the destruction of the Jobin family have anything to do with you?" Avery asked doubtfully, "If it has nothing to do with you, I will apologize to you immediately."

"Don't apologize to me." Nick didn't even think about it, took her words, "Whether this matter has something to do with me or not, I will..."

Nick was suddenly stuck. He didn't know what to say. Was this going to be admitted directly?

If he admitted it, the second brother and the fourth child were not allowed to fry the pot?

"Third brother, why don't you speak anymore? Does this matter have anything to do with you?" Avery was raised in her throat, feeling that the truth was about to come out.

"Avery, why do you think this matter has something to do with me? In your eyes, am I such a cruel and merciless devil?" When

Nick said this, his face became hot, and his throat also felt hot.

“Third brother, let me tell you from the bottom of my heart. I think you are the only good person in this world. When I thought Elliot was heinous, I thought you were the only light in their group.” Avery boasted, “You have helped me many times, and you never find me troublesome. Although it is because I have saved you before and promised to save you in the future, no matter your appearance, figure or words and deeds, I feel that you are a knight full of justice!” Nick pursed his lips, resisting the urge to vomit. “Avery, it’s late at night, can you stop disgusting me?!” Nick couldn’t take it anymore.
