

Chapter Twenty Six

Tang Zichen said: "Mr. Liu, don't worry, go ahead and leave everything at home to me. Tang Zichen will not white-collar your salary."

"Thank you." After a while

, the driver came.

Tang Zichen stood at the door of the villa, and Liu Chenming asked: "Zichen, please take care of you at home." Tang Zichen nodded.

On the third floor of the villa, by a window, Liu Xiangyun watched with tears as his father left in the car. Over the years, she has also got used to it.

Liu Xiangyun returned to the room and hid a sharp fruit knife under the pillow. This was for Tang Zichen. If Tang Zichen dared to do anything to her tonight, she would kill Tang Zichen without hesitation. No matter what, she can commit suicide and will never be defiled by Tang Zichen.

Tang Zichen was sitting in the living room while Ma Wu was cleaning the kitchen.

Tang Zichen asked: "Mother Wu, how old are you this year."

"Mr. Tang, I'm sixty years old."

"Oh , I'm still working here

when I'm so old?" "Hehe, I'm different from you, I If there is no salary, I have followed Mr. Liu when he was still there. Mr. Liu is also very relieved of me. I will handle all the family expenses and so on."

"Then you are Mr. Liu 's butler. . "

" Oh. "Wu Ma smiled slightly.

"By the way, Wu Ma, can you drive?" Tang Zichen asked.

"A little bit."

"Can you teach me then?"

"Ah, Mr. Tang, you can't drive?" Wu Ma was stunned. How common driving skills these days are, this bodyguard can't even drive.

"No, but I believe you can learn it once you learn."

"Then, okay."

Tang Zichen and Wu Ma came to the garage, Wu Ma said: "

Take out the key ." Tang Zichen took out the car key, Wu Ma said: "Press this switch to open the car door and enter the car."

"Then insert the key into this hole. , Twist it, and the car will start."

Tang Zichen followed Wu's instructions step by step.

"Now, if you put the gear to D, then gently step on the accelerator under your right foot, the car will move slowly. The deeper you step, the faster it will be."

Tang Zichen asked: "Then what if Do you want to stop?"

Mother Wu said, "If you think it's too fast, move your right foot slightly to the left and step on the brake next to it. After that, it just turns. You turn the steering wheel to the left and the car will stop. Go to the left, turn the front of the car to the right, and turn the front of the car to the right. How much you turn depends on how you feel. If you can learn it, it should be easy to grasp the feeling."

"Okay."

"Villa ." There is a lawn behind, you can go there to practice. This is an automatic car, it's very easy."

Tang Zichen cautiously drove the car to the lawn behind the villa, and began to practice.

Ten minutes later, Tang Zichen smiled and said, "It's easy, don't just throttle and brake."

As for the direction of turning, Tang Zichen also figured it out clearly, and it was easy to grasp how much he turned. Of course, Tang Zichen was not comfortable with reversing into the garage and parking on the side.

At this moment, Liu Xiangyun came downstairs and said to Tang Zichen: "Do you really want to be my bodyguard?"

"Miss, are you willing to accept me as a bodyguard?"

Liu Xiangyun said: "Tang Zichen, if you don't protect yourself What about me? What if you neglect your duty?"

"Hehe, negligence, this is impossible." Tang Zichen said confidently.

"You didn't answer me

directly . If you can't protect me, what should you do?" Tang Zichen said, "Well, if I really neglect my duty and fail to protect you, then I will never eat at your house."

Liu Xiangyun hummed: "Tang Zichen, this is what you said yourself. I will let you neglect your duty tonight."

"Uh." Tang Zichen was taken aback. What does this lady want to do?

Liu Xiangyun got on the Porsche and drove out of the villa with a bang, disappearing into the distance. Porsche has two keys, the other is in the hands of Tang Zichen.

Liu Xiangyun drove the Porsche and disappeared.

Tang Zichen was stunned, puzzled: "What does she want to do? Is it to commit suicide? Not so."

Tang Zichen caught a cold sweat and immediately chased after him.

In the car, Liu Xiangyun snorted triumphantly: "Tang Zichen, how many bodyguards this lady has passed, you fight with me, you are still too tender, I will just find a bar, go to the bar and be beaten up, huh, If you didn't protect me, you're going to fuck me tonight. You pervert, a few school

bachelors in Baiyun Middle School, you are making ideas one by one , and now you're hitting me, dreaming." Liu Xiangyun stopped the car in a bar. Standing in front of the bar. When she was about to enter the bar, she suddenly became a little scared again.

"Will I be too mad like this? I deliberately went to a chaotic place, deliberately let people hit me, I made fun of my body, would I be too

mad ?" However, Liu Xiangyun turned his eyes and thought again: "Tang Zichen's demon , In the women's toilet, there is nothing that this kind of person can do. He is my bodyguard, and his motive is not simple. My dad is often not there. What if this sex demon really rapes me. I am slightly injured. What's the matter, as long as you can drive away this sex

monster ." Liu Xiangyun entered the bar decisively.

Liu Xiangyun came to this place for the first time. If it hadn't been to drive Tang Zichen away, she would not have come to this chaotic place in her life.

At this

moment, a voice came from the bar: "Miss." Liu Xiangyun was shocked. The person who called her turned out to be Tang Zichen. How could this be possible. She drove a Porsche and drove all the way, even if Tang Zichen took a taxi. Maybe you can keep up so quickly, and there are so many cars on the road, you can't just keep up if you want to.

With a glass of liquor in his hand, Tang Zichen walked up to Liu Xiangyun and said with a smile: "Miss, you are also a good drinker. It seems that we don't have a common language."

"Who shares your voice with you." Liu Xiang Yun said that she was a good drinker.

"Miss is not a good

drinker, what are you doing here?" Liu Xiangyun asked hurriedly: "Why are you here? Are you still at home?"

"Miss, you are stupid, I am your personal bodyguard, my responsibility To protect you, where are you, where am I."

"But, why are you so fast?" Liu Xiangyun said depressed.

Tang Zichen smiled and said, "Miss, I'm obviously faster than you, OK?" In fact, Tang Zichen followed Liu Xiangyun's car all the way. When Liu Xiangyun stopped, Tang Zichen entered the bar first.

"You, how did you know that I am coming here, this is absolutely impossible." Liu Xiangyun was a little confused, and he didn't know how Tang Zichen did it.

"Miss, don't say so much, come here, come in and have a drink in the bar, we won't be drunk or

return tonight." "Who wants to stay drunk with you or return." Liu Xiangyun stomped angrily.

Liu Xiangyun secretly said in his heart: "What to do, this sex monster, I don't know how to do it. I originally planned to come to a bar at random and let myself be beaten by someone. How is this plan going on now?"
