Tang Zichen said, "Is the interview over?"

At this moment, the Liu Chenming said hurriedly, "Brother, the interview is not over yet, what's your name? I'm General Manager Liu Chenming. "

Liu Chenming looked at Lu Guan and said, "Lu Guan, sorry, my daughter already has a bodyguard, please come back."

"Hahaha, hahaha." Lu Guan laughed, with a hideous look on his face.

"Liu Chenming, it seems that you are really toasting and not eating fine wine." Lu Guan clenched his fists and looked at Liu Chenming viciously.

Liu Chenming took a step back, looked at Lu Guan vigilantly, and said angrily: "Lu Guan, this is my office, don't be foolish. Do you really think you are a member of the irregular forces, so you can behave?"

"Hahaha, Liu Chenming, if you think so, then you really underestimate my Master Lu Guan's ability. Liu Chenming, you asked for it yourself." After speaking, Lu Guan slammed Liu Chenming up with a punch.

Suddenly, one hand grabbed Lu Guan's fist and it was Tang Zichen.

Lu Guan glared at Tang Zichen, gritted his teeth and said: "I count three times. If you don't roll, don't blame me for not letting you go."

"One."

"Two."

"Slap." A loud slap hit Lu. Lu Guan was slapped to the ground with a slap on Guan's face, and one face suddenly became swollen, blood oozing from the corner of his mouth.

"Bang." Liu Chenming's words were not finished, only Lu Guan hit the wall.

"Ah." Liu Chenming opened his eyes incredibly. It seemed that he reminded Tang Zichen that it was completely unnecessary. Tang Zichen's strength did not know how many times higher than Liu Chenming's.

"Bang." In the next second, Tang Zichen grabbed Lu Guan's head, and fell to the ground like a ball. The tiles on the ground split like a spider's web in an instant, and Lu Guan broke his blood.

"What. "Liu Chenming was really shocked. Lu Guan was abused so much that he didn't even have a chance to fight back. No, it should be because he didn't even have a chance to say a word. This mysterious Tang Zichen completely exploded Lu Guan.

" Get out of here. If you dare to provoke my boss in the future, you will just have trouble with me." "

Lu Guan got up with difficulty, gritted his teeth and said: "Let's walk and see. "

Tang Zichen wanted to chase out and beat him again. Liu Chenming hurriedly shouted, "Mr. Tang, don't chase, this person is not easy to provoke. He has already taught him a lesson. If he dares to attack my Liu family again, he must weigh up." We weighed it. "

"Being a bodyguard is already the most suitable job for me. By the way, boss, don't blame me for getting into the eyes of the money. When recruiting from the Song family, they gave me 50,000 yuan a month, including food and housing. , I don't know how you are here?
