

Chapter Twenty One

"Working?" Song Daitian frowned.

"Just start work, I think, it's best to start work right away, don't be afraid of your jokes, I haven't finished dinner yet, just waiting for work."

"Haha." Song Daitian smiled politely in his heart. But he said, this Tang Zichen is really uninteresting, as his daughter said, he is a prodigal son. If it weren't for the face of the driver Xiao Tang, he would have no part in this interview today.

Tang Zichen thought it was appropriate to be the bodyguard of Song Daitian's daughter, and said, "Boss Song, Xiao Tang told me before that, it is 50,000 yuan a month, including food and accommodation, is it true?"

"Haha. "

Boss Song, I promise, you will never spend this fifty thousand yuan. By the way, I heard that your daughter is a very difficult lady. You can leave it to me without worry. I promise to help you treat her and be obedient. Post, I, Tang Zichen, is a legend in governing people, hehehe." Tang Zichen rubbed his hands excitedly.

Song Daitian didn't want to waste time with Tang Zichen, smiled and said, "Tang Zichen, I'm sorry, I didn't say that I would hire you."

"Ah." Tang Zichen was stunned, he thought he could start working.

"Sorry, you can leave, thank you for coming to participate in the election."

Tang Zichen asked puzzledly: "Why? No reason."

Song Daitian looked a little annoyed and said: "Tang Zichen, you want reasons, I can give you, First of all, my first impression of you is not good. My daughter called at noon and said you took advantage of her on the phone. You said, what qualifications do you have to be my daughter's bodyguard?"

"Ah, this is also called taking advantage? It was your daughter who asked me to call me Uncle Tang, and I didn't let her call. I also praised her as a polite child. How could this be." Tang Zichen said aggrievedly. Tang Zichen knew who it was at the time. , I came into this world, and I was very excited when I received a call for the first time.

"In short, thank you for coming to participate in the election. I can only apologize for the result that you were not admitted." Song Daitian seemed to have ordered an eviction in his tone. If it was someone else, he would hear it.

"Mr. Song, you think about it again, I really need this job. I am worried about the meal problem every day, so you can solve it. Besides, with my martial arts, it is not a small thing to protect a lady. One disc. I can't make up my mind to lower my status and enter the bodyguard industry." Tang Zichen said.

Song Daitian did not answer Tang Zichen again, and shouted: "Bo Li, send Mr. Tang out."
The

old man walked in and said to Tang Zichen: "Tang Zichen, please come back, we Mr. Song still has work to do."

Tang Zichen smiled and walked out of the office with regret.

Tang Zichen did not feel angry, but felt very regretful. He really valued the job. When the driver Xiao Tang told him before, he lowered his wages time and time again. In the end he called out to five hundred a month. Just eat and live. Unexpectedly, such a beautiful job would have missed him.

"Woo, how can I solve it for dinner?" Tang Zichen secretly said.

In the morning, Tang Zichen thought he had found a good job, so he ate up all his hundreds of dollars.

Tang Zichen shuffled to the first floor of the building.

At this time, the driver Xiao Tang hurriedly walked out from the side and deliberately asked: "Zichen, how about the interview?"

"I lost the election, did you know I would lose the election?"

"Ah." The driver Xiao Tang did not know what to say.

Tang Zichen said: "Since I knew I would lose the election, why did I come for an interview."
The

driver Xiao Tang sighed and comforted: "Zichen, don't do this, it's just a job. Or else, I will help. You have found a job as a bodyguard. I heard that the Liu family in Linjiang City is also looking for a bodyguard for their young lady. Why don't you go there and try your luck?"

Tang Zichen suddenly beamed his eyes and asked hurriedly: "This willow

What is the salary of the family? "

Hehe, don't worry about this, the Liu family's family business is also very big." I heard that the daughter of the Liu family was in school two days ago, and a boy gang deliberately took advantage of her to go to the bathroom and used her to fly in front of her. Therefore, the Liu family also wanted to find a school bodyguard for their young lady to prevent this. It happened again. "

Tang Zichen was taken aback: " Flying in the toilet?" "

Yes, at Baiyun Middle School, you don't know any pervert, maybe because you can't catch the daughter of the Liu family, you deliberately took the opportunity of her to go to the toilet and hit a plane in the toilet so that the daughter of the Liu family deliberately saw what was under him. Mr. Liu Chenming was very angry about this matter, so the Liu family also wanted to find a bodyguard for their young lady. Zichen, how about you go to Liu's house and try your luck. "

Tang Zichen didn't react for a long time, and said in his heart: "Isn't the person who was flying in the toilet?" "

Zichen, have you heard me talking?" "

Ah, I heard that." "

Then you go try your luck, I heard that it is also an interview this afternoon, you have to hurry up. "

Oh, well, thank you Xiao Tang. "

Tang Zichen didn't know what he was thinking. He seemed to be struggling with a question: Is the person who was flying in the toilet pointing to me? The

Liu family is also looking for a personal bodyguard. Tang Zichen was very excited when he heard the news. But as soon as he heard the words behind Xiao Tang, Tang Zichen hesitated

. Tang Zichen gritted his teeth.

Tang Zichen asked Xiao Tang immediately: "Xiao Tang, where will the Liu family go for an interview?" I can't find it. "The

driver Xiao Tang said, "It must be in the Changliu Building. You can take a taxi to go." "

But I have no money." "

Ah, don't you even have dozens of dollars on your body?" Xiao Tang broke into a cold sweat, this is too poor.

"No."

"Oh, forget it, let me lend you a little." Xiao Tang took a hundred yuan to Tang Zichen.

Tang Zichen gratitude and said: "Thank you Tangxiong generous."

"Well, and quickly took a taxi to Changliu building."

"Good."

Tangzi Chen stopped a taxi, told the driver: "Liu go a long building"

half Hours later, the taxi arrived at the entrance of Changliu Building.

After paying the money, Tang Zichen walked into the Changliu Building.

A front desk hurriedly asked: "Hello, sir, what can I do for you?"

Tang Zichen said: "I'm looking for your boss, his name is Liu Chenming, where is he?"

"I need to make an appointment in advance to see our general manager. Do you have an appointment in advance?"

"Make an appointment? I don't know."

"Then I'll help you ask." The

receptionist called and said to Tang Zichen, "I'm sorry, sir, you don't have an appointment.

"What should I do? I want to see him. I heard that he is looking for a bodyguard for his daughter. Is it true?"

"Sir, this is his family affair, I don't know."
