

CHAPTER 121:

After a burst of noise, the field gradually returned to calm.

Professor Tao glanced at the crowd and said, "what Wu Tian said just now is very good. I can't help but look at the students in Luzhou. We are really talented."

Finish this words, then he tone a turn: "next, please a classmate on the stage to express their views."

After this, the atmosphere was tense.

At this time, no one is willing to take the stage. If it is worse than what Wu Tian said, it will be a shame.

If you want to surpass Wu Tian, I'm afraid there is no second person in Luzhou.

When everyone was upset, Professor Tao looked at the list and began to speak slowly: "please welcome Lin Tao to the stage."

As soon as the words came out, everyone's eyes fell on Lin Tao.

Lin Tao was worried, thinking that he must not let himself on the stage, but he was still selected.

I'm afraid of everything.

At the moment, he can only be brave enough to go to the stage, and constantly admonishes himself that he must not be nervous and perform well.

Never lose face in front of classmates and Lin Weiwei.

The more I thought about it, the more nervous I became. As soon as I opened my mouth, I said, "Dear local tyrants, no No, it's leaders. Morning, no, it's Good afternoon

As soon as he said this, the audience burst into laughter.

When everyone laughed, Lin Tao became more nervous. He began to stammer and his legs trembled.

The leaders on the scene were very disappointed, shaking their heads and sighing one after another, feeling that the face of Lu university had been lost.

After a lot of explanation, the logic is chaotic, and there is no planning at all, that is to say the explanation casually.

Everyone in the audience couldn't help talking in a low voice. They all felt that Lin Tao was too weak and didn't know how to be the president of the student union.

As for Lin Tao, he can only be described as miserable.

After a few words, Lin Tao stepped down in a hurry. Hearing everyone's sarcasm and laughter, he was eager to find a place to get in.

I've never been so humiliated as I am today, especially those leaders who look at him with anger.

When he returned to his seat, she found that Lin Weiwei was looking at him with disgusting eyes, which made him unable to lift his head.

I've never been so humiliated as I am today.

The reason why he became like this is due to Wu Tian. He was cruel in his heart and wanted to find a chance to teach the boy a lesson.

In this way, Professor Tao finished his lecture.

After delivering a simple concluding remarks, Professor Tao took the lead and other guests also left.

As soon as Wu Tian takes Lin Weiwei out of the media center, she is blocked by a group of girls, clamoring to add wechat.

Wu Tian finds all kinds of reasons to get rid of it, and then he takes Lin Weiwei out of the

campus of Lu University for fear of becoming the public enemy of the boys.

"You're a big hit now." Lin Weiwei carries her hands behind her and says with a smile.

"I don't want to be a celebrity."

"Why don't you want to be red?"

"People are afraid of famous pigs, but I don't want to cause trouble."

"You are very interesting." Lin Weiwei pursed a smile and changed the topic: "just now there were some beautiful girls who added your wechat. Why don't you pay attention to them?"

"Are they beautiful?"

"Of course it's beautiful. One of them is our school flower."

"It may be beautiful, but it's not as good as you are." Wu Tian didn't try to please him. He just said a big truth.

Compared with Shen Xue and Huang Lan, Lin Weiwei is really beautiful and her face is perfect, but her figure is a little worse than Shen Xue and Huang Lan.

"Is it?"

On hearing this, Lin Weiwei blushed inexplicably and said in a low voice: "you look honest and

honest. I didn't expect that like other boys, you also like rhetoric."

"What I'm saying is true. You are really beautiful. You have a beautiful face and delicate features. You can never be tired of seeing it."

"Am I really so good?" Lin Weiwei couldn't close her happy mouth.

Any girl likes sweet talk, Lin Weiwei is no exception, let alone the boy who makes her feel very much.

"You are beautiful indeed, but there are also shortcomings."

"What's wrong?"

"Slightly mediocre."

"Er..."

Hearing this, Lin Weiwei's smile on her face disappeared in an instant. She bit her mouth angrily and held back her red face and said, "you You, what do you mean? "

"I mean..."

"Well, you hate it." After saying this, Lin Weiwei stamped her feet and walked toward the front.

After a few steps, he couldn't help but secretly inspect. He didn't feel small all the time. He

didn't expect to be disliked by Wu Tian.

A look at the girl angry, Wu Tian quickly catch up with, "that Did I say something wrong? "

"Or what do you think?" "Well, I'm sorry, I just said that casually. Don't take it to heart." Wu Tian apologized and quickly opened his mouth to please him: "in this way, I'll treat you to dinner. It's an apology. How about it?"

"That's about it." Lin Weiwei is not really angry, but Wu Tian dislikes her poor figure, which makes her feel very concerned.

This is the first time she has been rejected by a boy.

"There's a small restaurant across the street. Let's eat there." Wu Tian said this and took the lead to walk to the restaurant.

Lin Weiwei follows the past like a bird and is with Wu Tian, which makes her feel very happy and secure.

As soon as they entered the restaurant, the boss warmly welcomed them, "little couple, what do you want to eat?"

"I don't have that relationship with him." Lin Weiwei pretty face a red, hastened to speak back, she does not want to be misunderstood by the boss.

"Don't lie to me. You two are lovers. They look like husband and wife. They are talented and beautiful." The boss still looks serious.

"I..."

Lin Weiwei was too lazy to argue again. She just sat down in the corner, blushing with shame.

Wu Tian, with an embarrassed smile, said to the boss, "stir fry some specialty dishes for us and open two bottles of beer."

"Hello When the boss answered, he got busy.

The dishes were fried quickly and two bottles of beer were opened by the way.

Wu Tian poured two glasses of beer and pushed one of them to Lin Weiwei. "It's hot. Drink some beer to relieve fatigue."

"Do you guys like to make girls drink, get them drunk, and do something about it?" Lin Weiwei blinks two big eyes and suspects.

"I don't think so."

"Well, I know you won't admit it." Lin Weiwei picked up her glass and sipped her beer. She complained, "it's too hard to drink. I don't want to drink it."

"Forget it, then you have a drink." Wu Tian didn't force him to open the drink and poured a cup for Lin Weiwei.

While they were drinking and chatting, Lin Tao came in with two gangsters.

Lin Tao just followed them all the way to the restaurant.

Seeing Wu Tian and Lin Weiwei's intimate and ambiguous behavior, his whole person is about to explode.

In a fit of anger, he called two friends in the game hall and asked them to come over and teach Wu Tian a good lesson and export his evil spirit for him.

CHAPTER 122:

"Bang!"

Lin Tao kicks the restaurant door open and leads the two gangsters to Wu Tian.

As soon as Lin Tao brought people over, Lin Weiwei knew that she was going to do harm to Wu Tian. She quickly got up and stopped: "Chairman Lin, what are you doing?"

"I'm going to teach this boy a lesson." Lin Tao made no secret of his anger at Wu Tian and yelled.

"Don't do that. He's my friend..."

"What kind of asshole friend, this boy is trying to get you to bed." After Lin Tao roared at this, he ordered the two thugs behind him: "start, teach this boy a hard lesson for me."

"Good!"

When the two thugs got the order, they rushed at Wu Tian.

"Stop it!"

Seeing that the situation is not good, Lin Weiwei quickly gets up, opens her arms to protect Wu Tian in front of her, "I'm here, don't let you hurt him."

"Vivi, get out of the way. I have to teach this boy a lesson today." Lin Tao has no place to vent his evil spirit.

Today, I will teach the boy a lesson to relieve his anger.

"If you hit him, I won't let him."

"You..." Seeing Lin Weiwei so protect Wu Tian, Lin Tao Qi's body is shaking.

For a moment, the atmosphere was deadlocked.

At this time, Wu Tian got up and patted Lin Weiwei on the shoulder and said with a smile, "Weiwei, this is a matter between men. You stand behind me, so as not to hurt you."

"But..."

"Don't worry. I can handle this little thing." Wu Tian doesn't give Lin Weiwei a chance to speak. He forces her to protect her behind her and looks up at Lin Tao. "Chairman Lin, I don't want to start with you. Let's go."

"You don't want to do it with me. I'll do it with you." Lin Tao raised his head like a combative rooster.

After this, he turned to the two thugs and said, "let's go and teach this boy a lesson for me."

"No problem."

The two gangsters are rubbing their hands to approach Chao Wu Tian.

When the distance is less than half a meter, the two hands at the same time, and smash Wu Tian's face with fists.

"Ah

Seeing that the two gangsters are so ferocious, Lin Weiwei screams with fright, and her heart is almost hanging on her throat.

At this time, he was particularly worried that Wu Tian would be injured by the two gangsters.

Just as his fist was about to approach Wu Tian's face, Wu Tian's body quickly leaned back and unexpectedly avoided the attack.

At the same time, Wu Tian quickly raised his right leg and kicked one of the thugs to the ground.

And his right hand is not idle, suddenly hit out with a fist, will another gangster hit people overturned, fell to the ground, howling more than.

In this way, in less than a moment, the two thugs were easily turned over by Wu Tian, basically without any effort.

Until this time, Lin Weiwei was secretly relieved.

Seeing Wu Tiangang's strength and fierce technique, she couldn't help but murmur.

I didn't expect that the boy looked small and weak, and his skill was so strong that he used only three moves to subdue the two gangsters.

At this time, she was more obsessed with Wu Tian than before.

After solving the two gangsters, Wu Tian turned to face Lin Tao and said in a cold voice, "the people you bring are really weak."

"You..."

Lin Tao's body trembled, and he stepped back several steps. At this time, his eyes were full of fear and uneasiness.

He may have never dreamed that the weak and stupid boy in front of him was so brave that he could easily turn over the two helpers he had found.

"Now it's your turn." Wu TianChao Lin Tao hooked his fingers and said, "come on, do it!"

"I I won't fight you. " Lin Tao hides behind the table in a hurry.

I have seen Wu Tian's abnormal skills just now.

Even those two social rascals are not rivals, he is not worth mentioning, and now he is equal to looking for abuse.

"You don't have to fight. I'll just hit you." Wu Tian clenched his fist and slowly approached Lin Tao.

At the critical moment, Lin Weiwei hastened to stop him: "Wu Tian, I think forget it. After all, he is the president of the student union of our department. Beating him has a bad influence on you."

"Well, for Wei Wei's sake, I'll let him go." Wu Tian withdrew his fist.

Originally, I just wanted to scare Lin Tao, but I didn't really want to do it.

But still can't help warning: "if you dare to pick on me next time, then don't blame me for being rude to you."

"Yes, yes, yes." After Lin Tao responds, he turns around and runs. He runs out of the restaurant in a flash. He is afraid that Wu Tian will catch up and start again.

The two gangsters didn't dare to stay, so they ran out, and the restaurant soon became calm.

"Hoo!"

Lin Weiwei secretly breathed a breath, and said to Wu Tian with a smile, "you are so skillful that you feel safe with you." "What? Are you interested in me?" Wu Tiankou is joking.

Lin Weiwei pretty face a red, hastened to deny: "I just did not move it, just think you are very powerful."

"It's just two thugs running away. It's not very good."

"Anyway, you are more powerful than many boys. The posture of fighting is fierce and domineering. It seems that you have been trained professionally."

"I'm flattered." Wu Tian grinned. It seems that this period of training is really effective. Even Lin Weiwei thinks he is very professional.

"Alas

One side of the restaurant owner can not help but sigh.

Looking at the damaged tables and chairs in the restaurant, his heart throbbed with pain, which could take several days of turnover to earn back.

Wu Tian saw the depression of the restaurant owner's heart and took out ten hundred yuan bills from his pocket and handed it to him, "boss, this is to compensate for the loss of your restaurant."

"Ouch

Seeing that the young man suddenly took out so much money, the restaurant owner's eyes lit up, and tears of excitement rolled out, "young man, you are really a good man!"

The tables and chairs were all smashed by those gangsters who ran away. Unexpectedly, the young man took the initiative to bear the loss in front of him, which made the boss very excited.

"If you damage your dining room tables and chairs, you should be compensated." Wu Tian put the money in his hand and gave it to the restaurant owner. "Take it and change it to a new set of tables and chairs."

"Not so much, too much."

"The more we pay for our meals and our mental loss." Wu Tian forced the money into the hands of the restaurant owner.

The restaurant owner took the money and bowed again and again: "thank you very much.

Thank you very much."

"Well, you clean up the restaurant and we'll continue to eat." Wu Tian said this and took Lin Weiwei back to her seat.

Lin Weiwei held her chin in her hands and looked at Wu Tian like a flower maniac. "I didn't expect you to be so loving."

"It's not easy for uncle to open a restaurant to do business. If you break the dining room tables and chairs, you have to lose money." Wu Tianyi took it for granted.

"For this love, I respect you." Lin Weiwei held up the beer she had not drunk before and said with a smile.

"Don't you like beer?"

"I'd like to learn how to drink, because you're drinking hard."

"Don't you think I'll make you drunk and bully you?"

CHAPTER 123:

"Not afraid!"

Lin Weiwei shook her small head and said with a smile, "I believe you are not that kind of person and won't do those dirty things."

"Thank you for trusting me so much. Drink less." Wu Tian raised his glass and touched Lin

Weiwei's glass, then drank all the beer in the glass.

Lin Weiwei also learned to gulp beer, just drink two mouthfuls of straight cough, look very painful.

"Don't drink it." Wu Tian, a little distressed, grabbed the wine glass and handed the paper towel to him in a hurry.

Lin Weiwei coughed for a long time, then she pursed her mouth awkwardly, "it's really disgraceful just now. It makes you laugh."

"It's the first time you drink." Wu Tian grinned. In order to resolve the embarrassment in Lin Weiwei's heart, he took the initiative to switch the topic: "nothing in the afternoon. I'll go shopping with you."

With these words, he got up and made a gesture of invitation.

"Well, all right." Lin Weiwei couldn't find a reason to refuse, and she was very happy to go shopping with Wu Tian.

In this way, she followed out like a bird.

This is her first time to go shopping with a boy. She has some inexplicable expectations and

doesn't know what she is looking forward to.

They strolled in the street for a few times without talking to each other, but both felt very relaxed.

Walking to the door of a clothing store, Wu Tian suddenly stopped, turned to Lin Weiwei and proposed, "why don't I buy you clothes?"

Every time I see Lin Weiwei wearing clothes are very old, the body of this suit of clothes has obviously washed off color, but also reluctant to throw away.

Obviously, this girl is usually very thrifty, certainly reluctant to spend money on herself, so Wu Tiancai has this idea.

"Thank you for your kindness. No more." Lin Weiwei very tactfully refused, she does not want Wu Tian to spend these unjust money on her body.

"You're welcome between us. Let's go. I'll buy you clothes." Wu Tian couldn't help but say that he took the lead in walking towards the exclusive store.

Lin Weiwei meditated a few minutes secretly, and walked in with her.

But he couldn't help thinking: Why did Wu Tian go shopping with himself and bring himself in to buy clothes?

Does Wu Tian want to pursue himself?

If the boy confesses, will he agree?

Thinking about these things, Lin Weiwei feels her face is getting redder and redder. She even has a little shortness of breath.

Wu Tian naturally doesn't know Lin Weiwei's real thoughts at this time. He just wants to take this girl to buy some clothes.

Two people into the clothing store, found a few salesmen at the door a pair of love and ignore the appearance, with obvious contempt in the eyes.

In their eyes, Wu Tian and Lin Weiwei are no different from beggars. They look down on them in their heart.

For the attitude of the salesman, Wu Tian doesn't care, and takes Lin Weiwei into the clothing store for a few circles.

Finally, he stopped in front of a shelf with a skirt hanging on it, pointed to the skirt and said to the salesman, "take this dress down. We'd like to try it on."

"Don't waste time. You can't afford it even if you try it." One of the tall salesmen mercilessly hit the road, a low look at the eyes of a dog.

"How do you know we can't afford it?" Wu Tian asked in an aggressive tone.

I'm not used to these powerful eyes. I give money to the rich like an uncle, but I never treat ordinary people as people.

"Do you know what kind of skirt this is?" the tall salesman held his chest in both hands

"I don't know."

"You're a country bumpkin you haven't seen before." The salesman gave a blow, pointed to the skirt and said, "it's a custom made version of Barry. It's limited worldwide. It's sold for 30000 dollars."

She deliberately stressed the word dollar to highlight the value of clothes.

"My God

On hearing the offer, Lin Weiwei beside her couldn't help crying out. She didn't expect that such a skirt would cost 30000 beauties, more than 180000 yuan.

She has visited many shopping malls before, but it's the first time she sees such expensive clothes. It's really frightening.

She reached for Wu Tian's arm and whispered, "the clothes here are too expensive. Let's go."

"Don't be shameful, you two." The tall salesman snorted coldly, and his words were like cold bayonets.

"I bought it."

Wu Tianhao was very angry and raised his head.

Don't say 180000, even if 185, he won't be stingy.

Naturally, he can't look at the women around him being humiliated in vain. He wants to find face for Lin Weiwei in any case.

"Poof!"

"Ha ha ha ha..."

Hearing this, several salesmen in the exclusive store couldn't help laughing, as if they had heard the most funny joke in the world.

After some ridicule, the tall salesman said sarcastically: "you are such a bumpkin, dressed in shabby clothes and smelly of copper. What do you buy?"

"Pa!"

Wu Tian took out his bank card and patted it on the table: "don't talk nonsense. Swipe my card." "It's very similar. Do you have any money in your card?"

"Shall I check it for you?"

"Check, you do!" The salesman pointed to the card and yelled, "if the card needs 180000, I will eat it in public."

She firmly believed that the boy in front of her was a poor man. Let alone 180000 yuan, she was afraid that even 80000 yuan might not be able to take it out.

"OK, wait." Wu Tian is too lazy to talk nonsense. He takes out his mobile phone and dials the bank service phone. At the same time, he turns on the mobile phone hands-free.

Soon we heard the voice of the customer service assistant on the phone: "Dear VIP customer, your current balance is 143.99 million."

Boom!

After listening to the balance in the voice, the tall salesman was stunned. His eyes almost didn't pop out of his eyes.

I never imagined that the balance of the boy's card was nearly 150 million.

God, more than 100 million, this NIMA is a super rich.

All the salesmen in the store were frightened by the balance of the card, and the expression on their faces was exaggerated to some extent distorted.

Who would have thought that such a young, mediocre, hairy kid would have so much money.

Those salesmen couldn't laugh. They looked at Wu Tian as if they were looking at a monster.

They see many rich people, such as this kind of young billionaire, it is absolutely rare.

Thanks to their previous ridicule that this boy is a poor man, little did not know that this boy casually draw out the bank card, there is more than 100 million yuan.

The salesmen felt their faces slapped, their faces blue and white, not to mention their ugly faces.

This is probably the most serious one they've ever had.

Who would have thought that such a mediocre teenager would be a super rich.

If they hadn't heard about the balance of the bank card, they wouldn't believe it.

Even Lin Weiwei is frightened by the balance of the card and stares at Wu Tian.

Wu Tian had known for a long time that he was rich. What she didn't expect was that this guy was rich to this extent.

My God, it's over 100 million.

What is this concept?

For ordinary people, it's an astronomical number beyond our reach.

CHAPTER 124:

After a long time of stupidity, the salesmen came to their senses, changed their attitude and quickly fawn on Wu Tian:

"boss, we didn't know Taishan before, so don't take us for granted."

"Yes, yes, yes. You are the big boss. Don't be angry with us. Please sit down and I'll make coffee for you."

Several salesmen are busy, moving chairs and making coffee.

Knowing that Wu Tian is such a local tyrant, they all regard Wu Tian as a god of wealth and try to curry favor with him.

There are even two salesmen who stick their bodies on Wu Tian's body, all kinds of coquettish hair father, wish to take off their clothes.

It's a good opportunity for the salesperson.

If you can climb up to this kind of billionaire, you will become a Phoenix by flying on the branch, and you will not worry about eating and drinking in the rest of your life.

It's a pity that they made a wrong calculation, which did not work on Wu Tian.

Wu Tian pushed these women away from him and said coldly, "Shaote, you are half a meter away from me if you follow me like this."

Such a roar, several salesmen are embarrassed to step aside.

"Look at your virtues." Wu Tian pointed to several people's noses and reprimanded them mercilessly: "if you are eager to be inflamed, you will be open-minded when you see money. Don't you feel blushed that you treat common people as beggars and rich people as Godfathers?"

Several salesmen hung their heads in silence.

This is just the old saying: no money people speak more than fart, rich people fart is the truth.

If Wu Tian was just a poor boy, he would be beaten up by the salesman and expelled from the clothing store.

Now it's different.

Salesmen know that Wu Tian is a billionaire, so they can only bear to be scolded. They dare not even fart because they dare not offend such a rich man.

Lin Weiwei stands in the back, in the heart specially is relieved.

Seeing that the salesmen who looked down on others before were so scolded, she felt a kind of unspeakable comfort.

At the thought that the salesman who had humiliated her had such an end, his vanity was greatly satisfied.

What dignity, face now all have.

Thanks to Wu Tian, it was Wu Tian who slapped a salesman in the face, which helped her save her dignity and face, so that those salesmen did not dare to be unscrupulous in front of her.

Wu Tian taught the salesmen a lesson and said, "I bought that dress. I'll pay by card."

"Wait!"

I heard that she wanted to buy the dress, but Lin Weiwei said in a hurry: "forget it, that dress is too expensive. I don't want an 180000 skirt."

Don't say 180000, even if it's a thousand and eight dresses, she feels luxurious.

"It doesn't matter if you don't have money. I mainly think that this dress matches you very well. It seems that it's tailor-made for you. Why don't you try it first?" Wu Tian said.

He fell in love with this dress at the first sight. It must be very special on Lin Weiwei.

As long as he looks at the skirt, even if it is expensive, it doesn't matter, mainly because he thinks that Lin Weiwei is worthy of this dress.

"I won't try." Lin Weiwei dare not even try her skirt.

In case it fails, it's all money. It hurts to think about it.

"Don't you try?"

"No try."

"Really not trying?"

"No, really."

"It doesn't matter if you don't try. I'll try it for you." Wu Tian finished saying this and pretended to take off Lin Weiwei's skirt.

Scared, the girl hugged her body and stepped back several steps. Finally, she had to compromise: "I'm afraid of you. Can't I try?"

I'm really worried that Wu Tian tries on her skirt in public.

"Salesman, take off the skirt and let my friend have a try." Wu Tian turned to the salesman and

said.

If he tries to look good, he will definitely buy it.

Of course, if it doesn't look good on Lin Weiwei, he won't waste money buying useless things.

But before his eyes, this dress will never be bad, wearing Lin Weiwei must be very special.

"Well, I'll take the skirt off for you." When the salesman answered, he was busy preparing to take the skirt off the shelf.

"Don't move!"

Just at this time, a girl with heavy make-up walked into the store with a middle-aged man.

Two people's age difference is very big, but look at the two people so intimate behavior, obviously is that kind of lover relationship.

The girl with heavy make-up obviously took a fancy to the dress and told the salesman not to move the skirt. She went over and looked at the skirt carefully and watched it quietly, more seriously than appreciating antiques.

After staring at the skirt for a long time, the girl turned to the old man and asked, "honey, what do you think of this skirt? Is it perfect? "

"Yes, buy it." The old man waved his hand and looked rich.

Look at this momentum, as long as his woman is interested in things, even if the whole street will not hesitate to buy."Thank you, dear." After the girl said thanks, she turned to the salesman and asked, "how much is this dress?"

"188000."

"Take it down and give it to me." Hearing the offer, the girl with heavy make-up didn't blink, so she took it down to try on the clothes.

"Sorry!" The salesman said with an apologetic smile, pointing to Wu Tian and Lin Weiwei, "it was the two guests who first fell in love with this dress, and this is the global limit. This is the only one in Huaxia district."

"I can't afford to buy those two buns." The girl with heavy make-up gave Wu Tian two people a look, and then took out two hundred cash from the bag, "earth bag, give me these two hundred, give me your clothes."

"No Wu Tian resolutely refused.

Don't say two hundred. Even if it's two million, he won't let it.

"Oh, no money." The girl with heavy make-up glanced at Wu Tian contemptuously and said with a sneer, "can you afford to buy clothes if you don't give them to me?"

"Cough!"

The salesman beside him coughed twice, pointed to the card in Wu Tian's hand and whispered,

"this gentleman has checked the card just now, and his card has nearly 150 million yuan."

"Is it?" The girl with heavy make-up looks a little startled and looks at Wu Tian in astonishment.

I didn't expect that the young, seemingly poor boy in front of him had so much money.

But she soon regained her composure and turned to the middle-aged man and said, "honey, tell them how much money we have in our card?"

"Three hundred million." The middle-aged man said with great pride.

As soon as this word came out, several salesmen were very sorry.

I didn't expect that all the people who came to the store today were super big guys, with more money.

In view of this situation, the salesman had to smile and say, "otherwise, you can negotiate for yourself?"

After that, a few salesmen stepped aside. There were local tyrants on both sides. None of them dared to offend them.

At present, only two local tyrants can protect them.

"Come on, how can you give me your clothes?" The girl with heavy makeup holds her chest in her hands and looks at Wu Tian impatiently.

"No way." The tone of Wu Tian's reply was very firm, and the things he liked would not be handed over to others.

CHAPTER 125:

"You..."

Heavy make-up girl gas is not light, did not expect that she will meet this kind of dead pig, not afraid of boiling water hot man, it is really irritating.

A bite of teeth, vicious threat: "boy, dare to speak with me in this tone, do you know who my man is?"

"I don't know."

"Then you can listen." "My man is Huang Ze, President of orange China entertainment company," she said with great pride

"So what?" Wu Tian doesn't care. Even if the other party's background is corrupt, he still doesn't pay attention to it.

"You..."

The girl with heavy make-up couldn't help but shake Huang Ze's arm and said, "honey, this boy is too much. You must help me grab the skirt."

"Don't worry. Look at me." Huang Ze appeased a sentence, then glared at Wu Tian and

threatened in a cold voice: "silly boy, do you really want to fight against me?"

"I'm not against you, you are against me." Wu Tian looks at Huang Ze's eyes directly, and returns with no sign of weakness.

"No one can take what I want." Huang Ze took out a VIP card from his pocket and held it over his head. "Do you know what this is?"

"I don't know."

"Let me tell you, this is the VIP card of this clothing store. I am the VIP of this store, and I have the right of first refusal." Huang Ze finished saying this, handed the VIP card to the salesman and ordered, "help me wrap up this dress."

"Yes

As soon as the salesman saw the VIP card, he immediately became enthusiastic.

This card is different from ordinary VIP. It has great authority in the store, and the cardholder is equivalent to the top privileged customers.

That is to say, all the customers holding this kind of card enjoy various rights in the store, and the salesmen also give priority to the service of cardholders.

The salesman took a look at the VIP card, turned around and apologized to Wu Tian: "I'm sorry, that gentleman has VIP privilege. According to the regulations of the store, we can only sell the skirt to the cardholder."

After saying this, the salesman ignored Wu Tian and began to pack the skirt out of the shelf.

"Silly boy, if you want to rob me, you are too young." Huang Ze shakes his suit and puffs out his chest.

"Hum, silly boy, don't think you're corrupt just because you have a few money. This year's comparison is about comprehensive strength. In terms of contacts, resources and social status, you are far worse than my man."

With these words, she was ready to take the packaged skirt from the salesman.

"Wait!"

Wu Tian stopped in time, and coldly replied: "I said, no one can take away what I like."

"At this time, if you don't admit defeat, you should take back the skirt!" The girl with heavy make-up has a provocative way of schadenfreude.

She'd like to see how good the boy can be.

"Wait!"

Wu Tian finished saying this and touched out his mobile phone to call Liu Jun.

A moment ago, I took a look at the VIP card and found that it was marked with Liu's group. Presumably, this exclusive store is an industry of Liu's group.

So he called Liu Jun now. If this store is really an industry of Liu's group, he wants to take back the skirt, which is what Liu Shu said.

It is not only a skirt, but also a man's dignity and face.

After dialing the phone of Liu Jun, he just said a few words and hung up the phone with a smile of pride in his mouth.

Just talked with uncle Liu and learned that this clothing store is indeed an industry of Liu's group.

Uncle Liu immediately said that he would call the manager of the store immediately and let him come to handle the matter in person.

Less than a moment, a bald man rushed into the store, this is the store manager Han Guang.

"Manager Han, long time no see." As soon as Huang Ze saw the bald man, he would greet him with a smile.

The two met at the reception. It was a very common relationship in the shopping mall, not too

familiar.

"It turns out to be Mr. Huang. I'm glad to meet you." Manager Han is very warm and respectfully shakes hands with Huang Ze.

"Manager Han, I bought a skirt in your store, but a silly boy wanted to rob me." Huang Ze said here and pointed to the opposite Wu Tian, "trouble manager han to drive this boy out."

"This is Mr. Wu? " Manager Han turned to see Wu Tian, and suddenly his eyes were sharp and cold.

Just now, boss Liu called in person and said that it was his partner Wu Tian who had a dispute over the skirt in the store. He asked him to come and deal with it.

If this matter is not handled properly, he will not be a manager. I'm afraid he will lose his job tomorrow.

His eyes were very sharp. He recognized Wu Tian at one glance and tried to ask, "are you Mr. Wu?"

"It's me." Wu Tian knows that this is the manager sent by Liu Jun, and he is very indifferent when he speaks.

"Mr. Wu, you are welcome far away." With these words, manager Han bowed to Wu Tianjiu, showing great respect. Just now I learned from the phone call of boss Liu that Mr. Wu is the partner of boss Liu. If you neglect Mr. Wu, his future will be over.

That's why I'm so courteous.

When those salesmen saw that manager Han was so respectful and humble to Wu Tian, several of them were shocked.

Several salesmen couldn't help but wonder: is it possible that the young man in ordinary clothes is a big man?

Huang Ze and the girl with heavy make-up are also stunned. He didn't expect that the distinguished manager Han would bow to a silly boy so humbly.

After micro Leng, Huang Ze couldn't help but ask: "manager Han, you are also the manager of the exclusive store. Why should you be so humble to a silly boy?"

"What a fool." Manager Han wiped a cold sweat on his forehead, pointed to Wu Tian and said, "he is the partner of my boss, and half of the owner of this exclusive store."

"What?"

Hearing this, Huang Ze was stunned.

I didn't expect that the boy's identity was so corrupt, or the partner of manager Han's boss. No wonder he dared to be so arrogant.

The girl with heavy make-up is also a silly eye. Originally, she wanted to borrow Huang Ze to pretend to be forced to come. Unexpectedly, she met a cruel role today.

Pretending to be unable to force, she was severely beaten in the face. At this time, her face was

particularly ugly, just like wiping dog poop.

The most surprising thing is that the salesmen mocked the boy before, but they never thought that he was their half boss.

The salesmen were afraid. Fortunately, they changed in time, otherwise they would have made a big trouble.

"Manager Han." Wu Tian ignored everyone's eyes and said with a smile to manager Han: "I just want to buy a skirt for my friends. I just want to know if I have the qualification?"

"Yes, of course you have." Manager Han took the wrapped skirt from the salesman and handed it to Wu Tian with both hands. "It's my little heart. You don't have to pay a cent."

"What a good idea?"

"Mr. Wu, if you refuse, it's a slap in the face." Manager Han is very sincere.

He knew that only by ingratiating himself with Wu Tian, the road would be smooth.

CHAPTER 126:

"Then I'll be obedient rather than respectful." Seeing that manager Han was so sincere, Wu Tian had to accept the dress.

It must be uncle Liu's Secret advice behind his back. He is not good at refuting uncle Liu's intention, so he is too lazy to refuse.

After a few words with manager Han, Wu Tian walked to Huang Ze and the girl with heavy make-up. "As I said, no one can take my things away."

"You You, you You are cruel. " Heavy make-up girl gas of the body trembled, it took a long time to suppress such a sentence.

I haven't lost face like today for a long time. I thought I had the winning roll in my hand and I was absolutely sure I could grab the skirt. But I lost to the boy in front of me.

In the past, I always thought that Huang Ze's power was invincible. Until today, I found that Huang Ze was no better than a silly boy.

Put down this word, she twisted a small waist to run out of the store in a hurry.

"Boy, you win." Huang Ze put his head together, attached to Wu tianer's side, and whispered: "you won a skirt, but I lost face. I will write down this account and find you later."

"Then I can only advise Mr. Huang to leave me alone. It's not good for you." Wu Tian patted Huang Ze on the shoulder with a harmless smile on his face.

"Well, we'll see." Huang Ze bit his teeth and left angrily with his sleeve.

"Some people just take themselves seriously." Wu Tian whispered to Huang Ze's back, then handed the skirt to Lin Weiwei, "for you."

"I don't want such an expensive dress." Lin Weiwei stepped back two steps and waved her hand in a hurry.

Although the skirt didn't cost the last cent, she saw all the bumps and turns with her own eyes.

The reason why she can take back the skirt from the other party is that Wu Tian's strong contacts and resources are more important than money.

"It's just a little bit of my heart. Take it." Wu Tian was a little embarrassed when he was so refused.

"It's too expensive. I don't want it."

"Really not?"

"No

"Don't forget it." Wu Tian threw the skirt and the package into the garbage can.

Several salesmen are stupid eyes, did not expect Wu Tian so wayward, more than 100000 skirts said to throw away, this NIMA is simply ditch inhuman.

Lin Weiwei is also stunned, incredible way: "so expensive skirt, how did you throw it away?"

"This is my present for you. Since you don't want it, I'll throw it away." Wu Tian's tone is somewhat overbearing.

"You..."

Meet this kind of man, Lin Weiwei is really a little sad.

Biting his mouth, he finally went to pick up the skirt from the trash can and said, "OK, OK, I can't do it yet."

"That's good!"

"I'm so impressed."

"Well, go to the fitting room and change this dress. Let me have a look."

"All right." Lin Weiwei walked toward the fitting room with her over 100000 skirts in her hands. She felt that the dress was heavy and seemed more valuable than gold.

Just walked into the fitting room and found Wu Tian following her. She was scared: "Hey, I'll try on the clothes. Why do you follow me?"

"I'll help you."

"No, get out of here." Lin Weiwei quickly pushes Wu Tian out of the fitting room. Then she locks the door of the fitting room and leans her body against the door. Her heart is pounding.

I haven't known Wu Tian for a long time. Today is my first shopping date. But why is she upset?

I don't know why. As soon as she got close to Wu Tian's body, she felt very nervous and her heart pounded.

Especially when Wu Tian touches his body, he feels like an electric shock, and his whole body is numb and swish.

What's going on?

She's not attracted to Wu Tian, is she?

Impossible, never possible.

She has known Wu Tian for such a short time. How could she be attracted to this boy? She must have thought too much.

He shook his head and dispelled his confused thoughts. He took off his school skirt and began to try on the 180000 skirt.

She was careful not to stain the dress.

Wu Tian stands outside the fitting room.

After waiting for nearly ten minutes, I saw Lin Weiwei come out from inside in her brand-new dress.

Seeing Lin Weiwei at this time, Wu Tian felt his heart thump and tremble, and his eyes were dead on the girl.

The girl's face was originally beautiful and moving, with this dress, the whole person looks like a fairy down to earth, full of infinite charm.

Beautiful, so beautiful.

This dress is just like a tailor-made one for Lin Weiwei, showing her fresh and shy temperament to the full.

After staring at her for a long time, Wu Tian regained his mind and couldn't help praising: "it's so beautiful for you to wear this dress. It's so beautiful."

"Is it?" Lin Weiwei is obsessed with eating honey in her heart.

I can't help but think wildly. Is Wu naive interested in her?"Come on, let me have a look around." Wu Tian looks at Lin Weiwei from top to bottom, and can't bear to leave for a moment.

"Well!" Lin Weiwei nodded obediently and turned around in front of Wu Tian.

"Beauty is more beautiful than a butterfly." Wu Tian was fascinated by the girl in front of her.

It's true that people depend on clothes and horses on saddles. Lin Weiwei is a perfect match for this dress.

It seems that the reason why this dress is expensive is that this kind of dress can show the different flash points of women, and it looks much sexier than before.

Even the salesmen couldn't help saying that they were so beautiful.

Those salesmen can't help but envy Lin Weiwei. I'm afraid no man doesn't like her beautiful face.

Even a lot of guests gathered around and expressed their love for the dress. However, when they heard the offer, they all gave up.

Being surrounded by so many people, Lin Weiwei was somewhat embarrassed, "well, can I change my skirt now?"

"Don't change it. Just wear it all the time." Wu Tian turns around Lin Weiwei, a little tired of watching.

This girl used to wear a school skirt just beautiful, now change this dress, there is a fairy temperament.

"It's too expensive. I'm afraid I'll get dirty."

"It's OK. Just get used to it. Let's go. I'll show you around." Wu Tian finished saying this and took Lin Weiwei to the outside of the store.

Manager Han took the salesman to see him off in person. Before Wu Tian left, he flattered him severely.

Wu Tian is too lazy to pay attention to them, and takes Lin Weiwei to continue shopping along Xiangjiang Road, which soon attracts the attention of passers-by.

Many men envy Wu Tian and have such a beautiful sister around him. Women are jealous of Lin Weiwei, who can produce such a beautiful face.

Two people play very late, Wu Tiantian sent Lin Weiwei back to the dormitory, waved goodbye: "go back to the dormitory, have a rest early, bye."

"I'm very happy with you today, thank you!" Lin Weiwei holds her school skirt and says thanks in a soft voice. Her smile is more brilliant than flowers.

I haven't been so happy as today for a long time. Being together with Wu Tian makes her feel in love.

CHAPTER 127:

After chatting a few words, Wu Tian turns to leave the campus of Lu University and agrees to go out again when he has time next time.

Back home, Wu Tian locked himself in his study as usual.

In addition to learning professional management knowledge, the family's life notes are absolutely good things, he simply can't put it down.

In the next few days, Wu Tian spent most of his time studying and practicing kung fu, and his skills improved significantly.

On the afternoon of the third day, when he was studying hard with his life notes, he was interrupted by the urgent phone ring.

Take out a mobile phone to see, it is Huang Lan to call, connect then ask: "Lan elder sister, do you want to eat hot pot again?"

"I'm not looking for you to eat this time. I want to ask you for help." At the end of the phone, Huang Lan's voice was a little tired.

"Sister LAN, if you have anything to do, I will go through fire and water." Wu Tian agreed without hesitation.

This period of time, Lan Jie helped him a lot, two games in the early stage are thanks to Lan Jie promotion.

He always remembered this kindness. If sister LAN needed any help, he would spare no effort.

"That's what you said." Huang Lan mysterious smile, said: "sister want you to come over tonight to help sister warm up the bed."

"Er..."

Wu Tian is choked by this. You don't need to know that sister LAN is joking with him.

Just as he was thinking about how to reply, LAN elder sister chuckled on the phone and said in a tender voice: "silly boy, I'm afraid you can't speak."

"I knew from a guess that sister Lan was joking with me."

"Well, I'll tell you the truth." Huang Lan's voice before is very lazy, after laughing with Wu Tian, the voice obviously becomes sonorous and forceful, "you accompany elder sister to attend the auction tonight, have time?"

"Of course I have time. Even if I don't have time, I have to squeeze in time."

"Well, come and pick me up now. I'm at home."

"I'll be right here." Wu Tian hung up the phone, carefully put away some of his life notes, and then arranged for uncle Fu to drive to the capital city.

Touch out the mobile phone ready to call sister LAN, found that sister LAN carrying a famous

brand bag from the community came out.

At this time, sister LAN is wearing a black evening dress, showing her sexy figure incisively and vividly, which is extremely rich in pictures.

It can be said that, among the women he knows, sister LAN is the sexiest woman, none of them.

All aspects of this woman are developed to the extreme, like a ripe peach, enchanting and wild, people can not stop.

"Silly boy, have you seen enough?" Huang Lan comes over and shakes her hand in front of Wu Tian's eyes with a strange smile.

"Enough That's enough. " Wu Tian this just returned to God, hastily will look from LAN elder sister body take back.

"Do you want me to show you enough?"

"That Get in the car first. " Wu Tian grabs his head awkwardly and opens the car door with a gesture of invitation.

"Bad boy." Huang Lan coquettishly rolled a white eye, pressed the collar with the hand to drill into the back row position.

Wu Tian sat in the co pilot's seat, turned to Huang Lan and asked, "sister LAN, where are we going to participate in the auction?"

"Yunlong hotel."

"Uncle Fu Gui, go to Yunlong hotel." Wu Tian gave Liu Fugui an order.

Liu Fugui nodded and drove away from here.

The car drove all the way and soon came to Longyun hotel.

This is a five-star hotel, very famous in Xicheng District. After getting off the bus, they went straight to the hotel.

The auction reception was set up in the grand banquet hall on the third floor, which was full of guests, chatting and drinking.

As soon as he entered the venue, Wu Tian met two acquaintances, Huang Ze and a girl with heavy make-up that she had seen in the store yesterday.

Yesterday, the two sides were stiff in order to snatch a skirt. I didn't expect to see each other in such a place again today. It's really a bitter enemy.

Soon found that Huang Lan and Huang Ze seem to know each other, they are looking at each other strangely, the atmosphere is slightly embarrassed.

How to break the hostility with the girl's eyes

"Was it a shame to be in the store yesterday?" Wu Tian's tone is a bit of fun.

Deliberately mention the old thing again, is to take the opportunity to embarrass the woman, kill the woman's spirit.

"You..."

The corner of the mouth of the woman with heavy make-up was merciless. She turned her head and asked Huang Ze for help: "dear, this boy bullies me. Help me teach this boy a lesson."

"Just a silly boy. Don't take him too seriously." Huang Ze grabs a glass of red wine and stares at Wu Tian with hatred on his face, "boy, did you feel very powerful in the exclusive store yesterday?"

Yesterday, he was disgraced by the boy in the store. He was always angry and wanted to find a chance to revenge.

I didn't expect to meet this boy here today. What's more, he was with Huang Lan."It's just a skirt, that's not so much!" Wu Tian also grabs a glass of red wine and touches Huang Ze, so he savors himself.

"Well, you can drink like that?" Huang Ze grinned and couldn't help laughing.

In his opinion, the boy is a nouveau riche. He doesn't know how to drink red wine at all. Holding a glass of red wine is just pretending to be forced.

He grinned coldly and deliberately said, "well, tell me about the year and origin of the wine in your hand."

He just wanted to use the opportunity to make Wu Tian difficult and let the boy make a fool of himself in public.

This guy is shabby and tasteless. He knows nothing about red wine.

Wu Tian shook his glass and said with a smile, "this glass of red wine in my hand was made in Bordeaux winery. The year is 1995. Am I right?"

"You..." Huang Ze was speechless. He didn't expect that he didn't have any taste, but he still knew the origin and year of red wine.

Slightly a Leng, he continued to make trouble: "then you are to say, this wine has those advantages and disadvantages."

"It has many advantages, such as mellow color and taste, lingering fragrance at the entrance, delicate and rich sense of hierarchy..." Wu Tian talked about the advantages and disadvantages of red wine.

After talking about the advantages and disadvantages, I also talked about the taste of this wine.

On hearing this, the guests followed suit and praised Wu Tian's insight into red wine. Even Huang Lan couldn't help cheering.

Huang Ze and the girl with heavy make-up are completely stupid. They didn't expect that Wu Tian, a boy who knows so much about red wine, is better than a professional wine taster.

Seeing people praise Wu Tian, Huang Zeqi's face is red and his neck is thick. His anger is more vigorous than before.

Originally, he wanted to borrow red wine to make Wu Tian embarrassed in public, so that the boy would lose face in front of the public.

But it turns out to be the opposite.

Not only did he not lose face, but he made him show up in the banquet hall.

Seeing that Wu Tian was highly praised in the crowd, his whole old face became dark green.

At present, I had to take my female companion to the back of the crowd.

He is just angry in his heart. I must try to teach this boy a lesson tonight to relieve his anger.

CHAPTER 128:

The guests gradually dispersed.

Huang Lan bumped Wu Tian with her elbow. "I didn't find out. You're well-informed and you've studied red wine so thoroughly."

"I'll make you laugh." Wu Tian grabs his head awkwardly.

I heard that Li Meng likes to drink red wine before, so he has specially studied the knowledge of red wine, and he knows a few kinds of red wine that he often drinks.

"I like you more and more now."

"Hey, hey Wu Tian grinned and asked, "sister LAN, did you know Huang Ze before

"Well!"

Huang Lan nodded and said without expression: "I and Huang Ze are half brothers and sisters."

"Brother and sister?"

"Yes."

"Why don't you talk?"

"Maybe it's family reasons. We didn't have any feelings since we were young, and even had a lot of unhappiness." Huang Lan's mouth leakage out of a strange look.

See LAN elder sister don't want to mention at this time, Wu Tian didn't ask again, "by the way, I'll go to the toilet, and I'll come to find sister LAN later."

"Silly boy, what are you doing in the bathroom?" Huang Lan's eyes move down, with a bit of fun in her tone.

"Cough!"

Wu Tian coughed twice. Unexpectedly, elder sister LAN could make fun of this kind of thing, and replied, "of course, it's going to the toilet."

"Sister thought you were going to eat shit, ha ha ha." Huang Lan said this, then covered his mouth and giggled.

"Sister LAN, you are so boring." Wu Tian smiles bitterly and shakes his head. He turns and walks towards the bathroom.

Found that Lan sister in front of him more and more unscrupulous, any joke dare to open, really do not regard him as an outsider.

Go to the toilet to solve urination, when he finished washing his hands out of the men's room, found a girl with heavy makeup leaning on the door of the toilet, looking at him insidiously.

"What do you want?" Wu Tian has no good feelings for the girl, and asks coldly.

To tell you the truth, the girl looks very good, but the makeup on her face is too thick, but her beauty is covered.

"I want to beat you." After finishing these words, the girl with heavy makeup saw Huang Ze come over with two muscular men.

Three people enter the bathroom and lock the door of the bathroom, looking like they want to close the door and beat the dog.

Huang Ze shook his sleeve and asked in a cold voice, "boy, how can you be with Huang Lan?"

"It's my business. It's none of your business." Wu Tian shook off the water stains on his hands and was ready to walk outside.

Huang Ze stretched out his hand and blocked Wu Tian in a domineering way. "I'm not interested in knowing about you and Huang Lan, but you've offended my woman. How can this be counted?"

"What do you want to do?"

"Apologize to my woman. I won't let you die."

"What if I don't apologize?"

"Well, you may have to climb out of here." Huang Ze said this and took the girl with heavy makeup to step back.

Next to the two muscular men immediately understand, clench fist slowly approaching Wu Tian, a look to eat people.

"Mr. Huang, you are the president of orange China company. Is that appropriate?" Wu Tian asked, sharp eyes slowly scan the two men.

The fierce men are really fierce. The muscles on their arms are very strong, but I don't know how they fight.

"Don't talk nonsense. Either apologize or you'll be beaten." Huang Ze slightly narrowed his eyes, showing a trace of ferocity on his body.

"It's not sure who was beaten." Wu Tian's mouth was tilted, and he hooked his fingers at two fierce men: "let's start your performance."

Two fierce men look at each other and rush into the men's room at the same time, preparing to teach the boy a lesson.

"Bang!"

When they entered the door, Wu Tian slammed the toilet door hard and hit the heads of two fierce men.

"Ah! Ah

Two fierce men issued a cry of pain, the hit dizzy, covered their heads and stepped back several steps.

"Waste!" See this scene, Huang Ze gas's fierce scold a, urge a way: "silly Leng what, go to teach

that boy quickly."

"Yes The two fierce men got the order and rushed to Wu Tian again, more ferocious than before.

Huang Ze and the girl with heavy make-up are all standing in the same place, waiting to see the boy Wu Tian is tyrannized.

Can wait for the result to make two people disappointed.

Wu Tian suddenly punches and smashes one of the men, then kicks him over.

After fighting the first man, Wu Tian quickly shrinks to hide behind the door. When another man rushes in, he uses the same skill to hit the man with the door frame.

"Bang", the man was knocked over and fell to the ground, and then Wu Tian put his hands on him, beating the man whoa.

In this way, Wu Tian, relying on his powerful skills and wise mind, easily flattened the two strong men.

Then slowly raised his head, sharp eyes staring at Huang Ze, "Mr. Huang, now it's time for you." "You You, you Don't come here. " Huang Ze's body shrank and retreated. Now the look in Wu Tian's eyes is more terrible than that of a monster.

He did not expect that the seemingly thin and weak silly boy in front of him was so strong that he easily knocked over the invited two strong men.

The girl with heavy make-up also looks pale and hides behind Huang Ze. Her legs are trembling slightly.

"For the sake of sister LAN, I'll let you go today and get out of here." Wu Tian waved his hand impatiently.

After all, tonight is accompany LAN elder sister to participate in the auction reception, he also does not want to make a big deal, lest affect LAN elder sister's mood.

Huang Ze was relieved and ran to open the door of the bathroom.

However, he didn't appreciate Wu Tian for that. Before he went out, he couldn't help saying, "boy, this is not over. Let's wait and see."

With these words, he left in a hurry with a girl with heavy makeup.

Wu Tian fiddled with his handsome hairstyle, then walked out of the bathroom, and soon found Huang Lan in the crowd.

Seeing Wu Tian coming, Huang Lan pushed off to deal with it. Ning Mei didn't understand: "you went to the toilet for so long. I thought you fell into the toilet?"

"I had some trouble going to the bathroom just now." Wu Tian explained casually.

However, Huang Lan was particularly sensitive and asked, "what trouble did you encounter just now?"

"It's nothing. It's just that someone is trying to find fault."

"Did Huang Ze trouble you?"

"Yes."

"That's too much." Huang Lan bit his teeth and couldn't help asking, "how did you know him?"

"Yesterday, I took my friend to the store to buy clothes. In order to grab a skirt, I had a conflict with Huang Ze." Wu Tian explained briefly.

"Then be careful. Maybe he will target you." Huang Lan asked anxiously.

She knew her half brother very well. He was narrow-minded and would never admit defeat easily.

"Don't worry. I can handle it." Wu Tian didn't care.

He has seen so many people like Huang ze that he knows how to deal with them.

"All right." Huang Lan always felt worried.

She had never worried about other men before, and this was the first time she cared so much about the safety of a man.

CHAPTER 129:

The formal auction starts at eight o'clock in the evening.

This kind of banquet is not a formal auction, which is not so strict. It does not need to pay the deposit in advance. The auctioneer is also temporarily provided by the hotel manager.

Those who can come here to participate in the auction party are either rich or expensive. Generally, the auction items will be paid on the spot, and no one will regret it.

For the rich, face is more important than anything.

The auctioneer stepped onto the rostrum and announced in a loud voice: "the banquet of this auction has officially begun. Please do not bid blindly. Those who have won are not allowed to destroy the auction."

After a series of opening remarks, the auctioneer asked the workers to move the first piece onto the stage.

The first auction is a landscape painting of primary school students in poor areas. All the money obtained will be donated to children in poor mountainous areas.

The first auction itself has no value. It is mainly for public welfare. To put it bluntly, it is to warm

up the market.

"The starting price of this landscape painting is 10000 yuan. The auction starts. Please bid."
After a brief introduction to the auction, the auctioneer began to ask the guests to bid.

"I'll give you twelve thousand."

"Fourteen thousand."

"Fifteen thousand..."

Soldiers and customers bid in succession. They are not interested in landscape painting. The bidding is mainly to activate the atmosphere.

Soon landscape painting was carried to 30000 yuan.

"Fifty thousand." Wu Tian also can't help bidding, he mainly wants to make a little contribution for children in poor mountainous areas.

After the price was raised to 50000, the guests gradually calmed down and they did not continue to bid.

After all, the value of this landscape painting itself is not high. It is not more than 100 yuan at most. There is no need to spend so much money on such useless things.

"60000!" At this time, Huang Ze couldn't help bidding.

The reason why he raised the price was not for the children in poor mountainous areas, but only to suppress Wu Tian in public.

"Seventy thousand!" Wu Tian continues to raise the price and casts a provocative look at Huang Ze.

Huang Ze naturally can not easily admit defeat, continue to raise the price: "80000."

"Ninety thousand."

"One hundred thousand."

"100000..."

"....."

"200000."

In the fierce competition between the two, a landscape painting was raised to 200000 yuan.

The scene became angry and tense, as if it had become a battlefield without gunpowder.

Neither of them would admit defeat.

"Three hundred thousand." Wu Tian chuckled, continued to raise the price, and directly increased the price by 100000 yuan at a time.

Huang Ze still did not show weakness, followed by a price increase: "400000."

"Half a million."

"600000..."

"A million."

When the price was raised to one million, the scene instantly boiling.

A lot of paintings are worth less than a million yuan.

Even the auctioneer became very excited and glanced down the stage and asked, "a million dollars, is there anyone who will continue to raise the price?"

"....."

The scene was silent.

After waiting for a few seconds, the auctioneer asked again, "does anyone continue to increase

the price of this landscape painting?"

"Me

When the auctioneer asked for the second time, Wu Tian finally said, "I'll buy this painting. I'll give you two million."

As soon as he said this, the scene was boiling, and all eyes were on Wu Tian. Unexpectedly, the boy would spend two million yuan on a worthless painting.

Even Huang Lan was surprised, touched Wu Tian's shoulder and whispered, "crazy, how can I spend so much money on this painting?"

"Don't worry, I won't buy it." Wu Tian chuckles and looks at Huang Ze with that provocative look again.

He just digs a hole for Huang Ze. With Huang Ze's unyielding character, he will definitely jump into it.

"But..."

Huang Lan words did not finish, standing not far away from the Huang Ze bid again: "I give 3.5 million."

As soon as he made an offer, there was another exclamation.

"Four million." Wu Tian showed no weakness, and his face always showed a will to win.

"Four and a half million." Huang Ze hesitated for a few seconds and finally offered a price of 4.5 million yuan.

Naturally, he would not be so stupid. He would spend millions to buy this broken painting. He just wanted to dig a hole for Wu Tian and let the boy fall into the hole he dug.

This is his last bid, and after that, he will wait for Wu Tian to make an offer. He wants the boy to spend five million yuan to buy a piece of waste paper.

The girl with heavy make-up soon understood Huang Ze's intention. She looked at Wu Tian with a look of schadenfreude. When the boy fell into the hole Huang Ze dug, she would tease him severely.

Huang Ze and the girl with heavy makeup stare at Wu Tian without blinking, waiting for the boy's final bidding.

After waiting for a long time, he found that the boy was standing in the same place and indifferent, as if he had forgotten about the auction. Huang Ze walked over and couldn't help but remind Wu Tian: "boy, why don't you continue to bid?"

"Why should I bid?" Wu Tian asked with a smile.

"What? You don't bid? " Listen to this, Huang Ze immediately silly eye, two eyeballs stare bigger than frog.

"I think Mr. Huang's bid is high enough. I don't need to continue to bid."

"You..." Huang Zeqi had nothing to say, until then he understood that the boy had dug a hole and was waiting for him to jump.

At this time, the auctioneer on the stage said again, "4.5 million, is there anyone to continue to increase the price?"

"....."

The scene was silent. I'm afraid the fool won't raise the price.

"Well, congratulations to this gentleman. We won the first lot." The host walked out of the stage with the painting of the primary school student, handed the landscape painting to Huang Ze in public, "now, Congratulations, this painting is yours now."

"I..."

Huang Ze took over the landscape painting with a stiff expression.

Originally, he wanted to raise the price deliberately to let Wu Tian fall into the pit and let the boy eat a dumb loss.

But who knows, this boy is a counter tactic, on the contrary, he fell into the pit and lost 4.5 million in vain.

"Congratulations to Mr. Huang for winning this auction. Mr. Huang is really very rich." Wu Tian seems to be congratulating, but in fact, he is making fun of himself.

Only a fool would have spent so much money on a broken painting, not to mention Wu Tian, who couldn't help laughing, and all the other guests were laughing.

Although we didn't say it, we all thought that Huang Ze was a fool. Otherwise, we would not buy such worthless things with millions.

"You..."

Huang Zeqi's face turned black and his body trembled slightly.

He lost so much money in vain, but he became the laughingstock of the audience. I think it's very irritating.

This small game, Wu Tian again won the victory, huangzekeng will be completely destroyed.

"Mr. Huang." Wu Tian patted Huang Ze on the shoulder and said, "I told you so. Don't provoke me. Why don't you believe me?"

"Boy, it's not over. Sooner or later I'll bring you down." Huang Ze shook his arm and angrily turned to the trading area.

Since then, the resentment between the two has grown deeper and deeper. I'm afraid it will be very difficult to give up without fighting each other.

CHAPTER 130:

After the auction dinner, Wu Tian first asked the rich uncle to take Lan Jie home, and then drove back to his residence.

Just walked into the building where the community is located and saw the teacher Mu ran walking back and forth in the elevator.

Why, why did Mr. Mu come here?

At this time, Mr. Mu was wearing sportswear and refined with the gentleness and tenderness of a woman.

After a slight pause, Wu Tian went to greet Muran: "good evening, teacher mu."

"What a fart!"

At the sight of Wu Tian, Muran's face immediately became gloomy and black. He yelled: "do you know that you have been absent from school for several days?"

"Mr. Mu came to see me for my truancy?" Wu Tian's face is more bitter than bitter gourd.

Mr. Mu is really well intentioned. Because he has been absent from class during this period, he has come to see him personally.

Mr. Mu knows that his home address is not uncommon. He has registered with the school before and can be found by checking it.

"That's right." Mu ran held his chest in both hands and looked at Wu Tian angrily, "you said, how many days have you been absent from school?"

"Two days."

"Say it again?"

"Three Five days. "

"It's really more and more outrageous. Before I was absent from class for one or two days, now it's better to be absent from school for several days directly. Do you still pay attention to me as a teacher?" Muran's face is a reprimand.

"I'm sorry, Mr. mu. I'm wrong." Seeing that teacher Mu lost his temper, Wu Tian apologized and confessed: "I promise that I will never be absent from class again."

"You've said that many times before, but the result is the same. You'll still be absent the next day."

"I swear this time."

"It's no use swearing. Write a promise." Muran directly took out the paper and pen from the bag and handed it to Wu Tian. He said, "I want you to write a guarantee this time."

"Ah?" Wu Tian was so stupid that he didn't expect that Mr. Mu had a pen and paper with him.

Did he come to write a guarantee?

It seems that this time Mr. Mu is going to act seriously. He does not dare to neglect him. He quickly takes over the paper and pen, "Mr. mu, I will write a guarantee now."

Then he wrote a guarantee in front of the teacher.

"Just a few words?" Muran read the guarantee, a discontented frown.

Because there is only one sentence in the guarantee: I promise I will never be absent from school again.

Such a sentence is too insincere.

"I'll write more." Wu Tian cleverly took the pen and paper and added a few words.

Muran took over the guarantee and read it again, and then put the guarantee in the bag, and ordered: "remember to come to school on time in the future. Never be absent again. If you are absent again, you will be punished."

"Well, I promise I won't be absent next time." Wu Tian's sincere assurance, every time in front of the teacher's attitude is very in place.

"Well, don't be late tomorrow."

"Mr. mu, you are all here. Don't you come to my house?"

"It's too late for me to go."

"All right." Wu Tian didn't force him to go back. He asked again, "or I'll send Mr. Mu back?"

"No, I can take a taxi myself." Muran put up his anger on his face and walked towards the outside.

After a short walk, he suddenly stopped walking, turned his head and asked eagerly, "is there a toilet near here, classmate Wu?"

"Yes, over there." Wu Tian pointed to the public toilet on the back right and said to Mr. mu.

"Yes, thank you." Muran finished saying this, ran in a hurry toward the direction of the toilet, some ugly face.

Seeing Mr. Mu's twisted back, Wu Tian couldn't help laughing.

It is said that people have three anxieties. I didn't expect that teacher Mu was also in a hurry. It seemed that he was no different from ordinary women.

Standing in the corridor and waiting for a long time, he didn't see Mr. Mu come out. Worried that Mr. Mu had something to do, he went to the toilet.

This is the kind of simple toilet, divided into men's and women's toilets, for emergency use of residents in the community.

Of course, residents have toilets in their homes, which are rarely used for convenience.

"Mr. mu, are you ok?" Wu Tian walks over and whispers a word of concern to the toilet door.

"I I'm fine. " Teacher Mu's voice came from the women's toilet, but the tone was obviously unnatural.

"Really OK?"

"It's OK."

"Since Mr. Mu has nothing to do, I'll go home first." Wu Tian said this and stood outside the toilet for a long time, but did not hear a reply.

Just as she turned to leave, she heard Mr. Mu's voice: "Mr. Wu, are you still there?"

"Yes." Hearing this, Wu Tian had to stop.

"I'm in a bit of trouble now and I need your help." Inside the toilet, Muran's voice is very small, just like the buzzing of flies.

Wu Tian had to get closer and put his ear on the door of the toilet. "Mr. mu, if you have anything to do, please do not hesitate to ask. Even if you go to the daoshan mountain and go

down to the oil pan, the students will not refuse."He promised to be frank and flattered by the way.

"That I... " Muran's voice is getting smaller and smaller. She is embarrassed to speak.

Wu Tian thought for a moment and tried to ask, "Mr. mu, did you go to the toilet without paper?"

"No, no, I'm not I... "

"What's the matter?"

"It's me That... " Muran huff and puff for a long time, then whispered: "my Here comes the one

"Which one?"

"Big aunt."

"Er." Wu Tian understood this and tried to ask, "is Mr. Mu not bringing her aunt's scarf?"

"Yes." Muran's voice is getting smaller and smaller, "classmate Wu, can you help the teacher to buy some?"

"No problem."

"Buy the big one."

"It's against side leakage, isn't it?"

"Er..."

"Wait, I'll be there in a minute." Wu Tian finished saying this and ran to the outside of the community as fast as possible.

There is a supermarket not far from the community. Wu Tian quickly found his aunt's towel, and bought two bags of two brands and models.

Less than five minutes, carrying a few bags of Auntie towel back to the community, knocked on the door of the women's room, "teacher, the things bought back, open the door."

"Wait a minute." Muran after answering, for a long time will be the toilet door opened a small crack, will be five fingers out, "quick, give me the thing."

"Here you are." Because I bought too many Auntie scarves, I could only push the door open to pass things in.

So a push, Muran was scared to cry out a sound, grabbed aunt towel, rushed to the toilet door closed.

Standing outside the door and waiting for a long time, I saw Muran coming out of the toilet, still holding several bags of Auntie towel in his hand.

But her cheeks were red, as if she had been stained with blood, and now she looked gorgeous and feminine.

Muran raised his head and glared at Wu Tian. He hung his head in embarrassment and scolded, "you boy, I'm so disappointed that I don't learn at all."

"Where didn't I learn?" Wu Tian asked in reply.

Think about it carefully. I didn't do anything wrong just now. Why did Mr. Mu say that?
