

CHAPTER 181:

"Stop it!"

Just then, outside came a woman's drinking.

After the roar, Su Ruyun burst in. At this time, she was wearing a gray denim suit, and her whole body was domineering and leaking.

Originally, I came here to have dinner with my best friend. After dinner, I happened to visit the nearby residents and investigate the case of the bandits attacking the Huang family house last night.

When she passed the yellow house, she found that the situation inside was not good, so she rushed in to see the situation.

Who knew that as soon as she came in, she saw so many gangsters trying to do something to the Huang family, so she quickly said something to stop it.

"Another one to die." Zhao Longhu glanced at Su Ruyun and said coldly, "since you are here, don't want to go."

"Keep your dog's eyes open. I'm a policeman." Su Ruyun directly took out the police certificate from her pocket and yelled at the gangster: "everyone squats on the ground, holding their heads in both hands."

As soon as I heard of the police, Zhao Longhu and the gang of gangsters were frightened and sweating.

But on second thought, they have committed a lot of big crimes. If they are caught by the police, they will put Lao Di through even if they are not shot.

Think of here, Zhao Longhu heart a horizontal, to subordinate mobilization way: "was arrested by the police, we are dead end, it is better to do this female police."

"Good!" Naturally, the gangsters obey the master's arrangement.

"You are so bold that you dare to fight the police." Su Ruyun Mou color a sink, cold voice hiss a way: "believe it or not, I'll kill you all."

"Subdue the girl first." Zhao Longhu said this, and led the brothers toward Su Ruyun.

"Looking for death!"

Su Ruyun's courage was commendable, and she took the initiative to attack those gangsters.

Her little skilful Kung Fu is not a gangster's opponent. She has been beaten to pieces and back again and again.

Seeing that the gangsters wanted to take advantage of the situation and continue to attack Su Ruyun, Wu Tian cried out in a hurry: "officer Su, don't draw your gun. Be careful of fire injuries and innocent people."

Hearing of the gun, the gangsters were scared to retreat, looking for places to hide, for fear of being shot.

"What gun is there?" Su Ruyun used to touch his waist.

Only when you are on a mission will you wear a gun. It is strictly prohibited to carry a gun in your personal life.

"Officer Su, don't take out the snatch in your clothes. I'm afraid." Wu Tianwei raises his hands and winks at Su Ruyun.

Originally, I wanted this woman to cooperate with him in the play, pretending to have a pistol hidden in her clothes.

But the girl didn't react at all and glared at Wu Tian, "I told you that I didn't bring a gun."

On hearing this, those gangsters secretly relaxed their vigilance and knew that the woman did not have a gun, so there was nothing to be afraid of.

"Fool!"

Wu Tianan scolded and went to Su Ruyun in a low voice: "I'll make you pretend that you have a gun in your pocket, so as to frighten those gangsters."

"Why didn't you say it earlier?" Only then did Su Ruyun respond to it and turn her eyes towards Wu Tian.

At this time, he blamed Wu Tian for not explaining his intention earlier.

"If I told you, the gangsters didn't hear me, how could they act?" Wu Tian blushed and roared.

"Yes, too."

"Alas Wu Tian sighed, shook his head and sighed: "they all say that the chest is big and has no brain. This is true."

"Asshole, who do you call big chested?"

"Elder sister, I'm calling you brainless."

"You..."

In the face of the enemy, Su Ruyun had to suppress the anger in her heart, "I'm too lazy to talk nonsense with you. I'll try to deal with those gangsters first."

"There are so many gangsters, what are you going to do?"

"Call the police."

"Ah?"

"I told you to call the police."

"Oh Wu Tian nodded and put his arm around Su Ruyun's waist.

This action immediately made Su Ruyun furious, hit Wu Tian's body with her elbow and scolded, "asshole, I'll let you call the police."

"Isn't it tight enough?" Wu Tian hugs the woman more tightly.

"You..."

Su Ruyun bared his teeth and pushed Wu Tian away. He said angrily: "I'll call you 110, not to let you call me to the police."

"Well, you didn't say it earlier. I thought you asked me to call the police." When Wu Tian finished saying this, he laughed shamelessly.

Although he is joking, he is actually deliberately delaying time.

Just now, I have called Qinglong to ask for support. Before Qinglong arrives, we must find a way to stop the gangsters.

His and Su Ruyun's skills are not enough for gangsters to crack their teeth. After all, these gangsters are numerous, and each is a powerful role.

"Asshole, you just want to take advantage of me." Su Ru Yun gas gnashing teeth, never seen such a thick skinned stinky man.

"Officer Su, this is not the time to flirt..." "Bah, who is flirting with you?" Su Ruyun rolled her eyes fiercely and urged again: "I'll try to stop those gangsters later. You can call the police and let the Bureau send someone to support."

"How far is it from the nearest police station?"

"Five kilometers."

"How long will it take them to come as fast as they can?"

"If there is a traffic jam, it will take about half an hour."

"For half an hour, I'm afraid we'll be beaten to a pulp."

"What about that? Shall we wait here to die?" Su Ruyun glared at Wu Tian with more and more anxiety.

This is the first time that I have faced so many gangsters alone.

At present, if you fight hard with gangsters, you will surely be tortured to death.

But as a police officer, she can't shrink back. She has to rush in front of her to protect the safety of the people.

"I have an idea, I'm afraid you don't want to." Wu Tian put his head together and said with a smile.

"I really admire you. I can still laugh at this time." Su Ruyun fiercely white Wu Tian one eye, impatient way: "have what method, quickly say out."

"It's very simple. It's a beauty trick."

"What kind of trick?"

"As long as you take off your clothes, with your beauty and figure, those gangsters will surely be dazzled and their legs will be softened..."

"You want to die." Su Ruyun heard this, instantly angry: "can you say something?"

I thought that the boy could really think of some good way. After a long time of fighting, the rascal was spraying manure all over his mouth.

"Or will you try it?"

"Try mud girl." Su Ruyun glared at Wu Tian and was too lazy to talk to this guy again. She turned her head and glared at the gangsters and said, "I advise you to give up your resistance. The law will be lenient..."

"It's death all over the place. Maybe we'll have a way to live if we kill you." Zhao Longhu roared with a ferocious face.

"Even if you kill me, you still can't escape."

"Then try it." Zhao Longhu finished saying this, waved to his subordinates and said, "let's go together. Let's get rid of the women first."

At present, there is not much time. We have to deal with the police and the Huang family, and then run for their lives as quickly as possible.

CHAPTER 182:

"Wait!"

At the critical moment, Wu Tian once again came forward to stop: "don't rush to start, let's have a chat."

"What can I talk to you about?" Zhao Longhu gnaws his teeth impatiently and hates Wu Tian.

It was the boy who killed the branches of the Dragon Tiger hall and made their main force disappear from the south of the Yangtze River.

"Let's talk about women." Wu tianmingxian is deliberately delaying time, pointing to Su Ruyun, who is graceful, and asks, "what do you think of this woman around me?"

"It's none of my business what she does."

"Such a beautiful woman, do you want to marry home to be a wife?" Wu Tian asked Zhao Longhu with a smile.

As soon as he said this, Su Ruyun almost didn't vomit blood.

I didn't expect that Wu Tian, an asshole, would sell her to a gangster to be his wife. What a scum.

"I can't save my life now. I'm not in the mood to marry a wife." For Zhao Longhu, no matter how beautiful a woman is now, she is not interested.

"Why don't you let go of me and the Huang family and tie this girl back to be a wife, so that we won't invade the river in the future?" Wu Tian's tone of discussion tried to ask. His eyes were obviously full of wisdom.

It seems that he is trading Su Ruyun, but in fact he is deliberately delaying time.

It is believed that Qinglong has already arrived at this time. As long as we delay for a while, we can wait for rescue.

"You're such a jerk." Without waiting for Zhao Longhu to answer, Su Ruyun roared angrily,

hoping to tear up Wu Tian's broken mouth to relieve his anger.

I've never seen such a shameless man. It's despicable to trade with gangsters with her body.

"Officer Su, as a policeman, it's your duty to protect the people. You'll marry the leader of the dragon and tiger hall in exchange for the safety of the Huang family. It's worth the deal." When he said this, Wu Tian also deliberately winked at Su Ruyun.

It's a pity that Su Ruyun didn't understand the intention at all. He swore: "you're the worst man I've ever seen. I swear, sooner or later, I'll castrate you and feed the dog."

"Don't be angry, our rescuers are coming." When he saw the green dragon appear, Wu Tian was relieved.

Fortunately, he was just in a hurry to think of such a way to delay time, and finally came to Qinglong.

If we didn't delay for a few minutes, I'm afraid we would have been tortured to death by gangsters.

"Help the soldiers?"

Su Ruyun noticed the green dragon standing in the back and immediately responded: "did you just deliberately procrastinate?"

"Or you think I'm really going to give you to a gangster as a wife." Wu Tian smiles bitterly and shakes his head.

"Well, you didn't say so."

"Can you be a policeman even with your brain?"

"You..."

Su Ruyun's mouth was filled with anger and looked at the green dragon in the opposite direction. He doubted, "there's a rescue soldier. Is it useful?"

"Enough!"

Wu Tian confidently smiles and makes a gesture to Qinglong. Then he turns to Su Ruyun and asks, "how many can you do?"

"Three is fine."

"OK, you can play three on the left, I'll take four in the middle, and give the rest to Qinglong." Wu Tian finished saying this and made a few strokes to the green dragon again.

Qinglong nodded with tacit understanding, and immediately understood Wu Tian's meaning. At the same time, he stretched out his hand and drew a few strokes.

Wu Tian smiles and turns to Su Ruyun and asks, "officer Su, are you ready?"

"All right

"I count down three, let's take the initiative, three, two, one..."

When the day of Wu reached one, they made a gesture to Qinglong at the same time, and the three almost jumped at the gangster at the same time.

"Today I'll let you know how powerful the dragon and tiger hall is." Zhao Longhu didn't pay attention to these three people at all. He put a cruel word on them and rushed at them.

All of a sudden, the two sides were in a league.

Facing the siege of so many gangsters, Wu Tian and Su Ruyun are obviously not able to do what they want, especially Su Ruyun, who has the weakest fighting capacity among them.

What's more, she is a woman and her strength is much smaller than that of a man. It's natural for her to have a group fight with a man.

However, the green dragon is very powerful, fighting against the gangsters like thorns and thorns. The means are oppressive and the gangsters are frightened.

When the Huang family saw Qinglong's bravery and bravery, they couldn't help but exclaimed. They didn't expect that Wu Tian's people were so powerful.

After a fight, several of the gangsters were injured.

However, Wu Tian and Su Ruyun were not much better. Although they were not injured, they were exhausted and were beaten by their opponents.

In particular, Su Ruyun's physical strength was obviously overdrawn. In the face of two gangsters' fierce attacks, her moves became somewhat confused.

He was forced to retreat all the way by the gangsters, and finally hit Wu Tian fiercely.

"Ah..."

Wu Tian made a pretentious and exaggerated exclamation. He couldn't help joking: "officer Su, I didn't expect you to have such a strong body. It's almost like a rubber band."

"Can you stop talking so much nonsense?" Su Ruyun was so tired that she didn't even have the strength to fight. "Officer Su, it's no way to go on like this. Let's fight the enemy together."

"I'm not working with you." After saying this, Su Ruyun tried her best to attack the gangster again.

In a few moves, he was forced to retreat again and again by the gangsters.

On the contrary, the gangsters became more and more fierce. They waved their fists and called to the key parts of Su Ruyun's body, and their moves became more and more vicious.

"Be careful!" Seeing one of the gangsters hit Su Ruyun's face with a fist, Wu Tian was scared to rush up and put Su officer down. Only then did he escape a blow.

"Ah

As a result, Su Ruyun gave out a more painful scream and said: "Wu Tian, you are really shameless."

"Elder sister, I saved you, why do you still curse?" Wu Tian is full of grievances and complains.

"Asshole, where do you think you've got?"

"Er..."

Wu Tian bowed his head and found that he was pressed to the wrong position and apologized: "Amitabha, sin and sin."

No wonder officer Su is so angry. This was a bit too much.

But just now it was unintentional. He just rushed to save people out of instinct. He didn't expect this kind of accident.

"Asshole, don't get out of the way." Su Ruyun bit her lip and said angrily.

"Good!" Wu Tian also found that this posture was not elegant, and quickly got up from Su Ruyun.

Su Ruyun climbed up with the pain, but turned her eyes violently and didn't say much.

After all, Wu Tiangang is to save her will have that kind of unintentional move, she has no reason to entangle for this matter.

"We attacked the gangsters together." This time, Su Ruyun took the initiative to put forward this proposal.

At present, there are too many gangsters. If they don't work together, they will surely suffer great losses and take no advantage of it.

"Well, let's back-to-back. We'll focus on defense before and after you. We'll find the right time to attack in turn." Wu Tian put away his smile and said solemnly.

This is the decisive moment. If they don't work hard, they will become victims and be killed by gangsters.

"OK, let's go." Su Ruyun's energy is highly concentrated. Standing with Wu Tian, she stares at the gangsters in front of her.

CHAPTER 183:

Su Ruyun and Wu Tian cooperated in the battle. They cooperated very well. They did not take the initiative to attack, but deliberately delayed time. In this way, they could not only save their physical strength, but also bring down the gangsters.

In the end, with the cooperation of the three, more than ten gangsters were killed and killed.

"Get out, get out." Seeing the situation is not good, Zhao Long orders his subordinates to retreat.

Those gangsters did not dare to continue the siege, they all retreated, ready to flee here.

Naturally, Wu Tian couldn't watch these people escape. In a hurry, he rushed to lock the door and yelled to the Huang family: "it's a man. Let's do it together."

Huang's family just came back to their senses. They all surrounded them and smashed the gangsters.

The gangsters were already injured and exhausted under the drag of Wu Tian San. Now they are not able to cope with so many Huang family members.

With the help of the Huang family, the gangsters took refuge with their heads around. The whole restaurant was full of screams.

With the help of Qinglong and Huang's family, the gangsters were finally subdued and all were beaten to the ground.

It took more than half an hour for the police to come and handcuff Zhao Longhu and more than ten gangsters away without any effort.

Before he was taken out, Zhao Longhu still looked at Wu Tian with that kind of disgusting eyes. Up to now, Zhao Longhu still couldn't accept it. He had been famous in the south of the Yangtze

River for decades and was finally destroyed by a silly boy.

In this way, the dragon and tiger hall was completely destroyed, and all the leading gangs and more than ten subordinates were arrested.

In this case, Su Ruyun's contribution is naturally the biggest, and he must be able to reward him for it.

Of course, the Huangs are the happiest. After the destruction of the dragon and tiger hall, the Huang family has been spared a great deal of trouble. In the future, they will not be afraid and worried.

After dealing with the gangsters, Su Ruyun went over and patted Wu Tian on the shoulder. "I really can't see that you're smiling like a rogue. I didn't expect that the way to fight the gangsters was very sharp."

Although she didn't say it, she was very grateful to Wu Tian.

If it wasn't for the boy's resourcefulness and bravery, I'm afraid it would be difficult to catch the people from the dragon and tiger hall this time.

Not only can't catch these gangsters, I'm afraid she's also very unlucky this time. Maybe she will die in the hands of gangsters.

"To fight a gangster, of course, you have to play with your life, or you will die in the hands of the gangsters." Wu Tian said this and changed his tone: "but you didn't look like a policeman just now."

"What does that look like?"

"Like a shrew."

"Go away!" Su Ruyun angrily scolded, and her face became dark and gloomy.

Originally, he had a good feeling for Wu Tian, but when he heard this, he immediately cleared his mind.

"I really suspect that officer Su is the reincarnation of a female tiger. She is always so fierce." Every time I see this girl angry, Wu Tian can't help but want to tease.

Su Ruyun, on the contrary, became more angry and did not have a good airway: "you are the female tiger, your whole family are tigers."

"As a policeman, you can get an image by talking."

"I don't want to talk to you." Su Ruyun turned to go, but was blocked by Wu Tian. "I'm sorry, I said a wrong sentence before, I have to correct it."

"What words?"

"It's wrong to say that you have a big chest and no brain."

"You're a sensible boy." Su Ruyun raised her head slightly, thinking that Wu Tian was soft and

courteous. She was obviously a little proud.

Before he was happy for three seconds, he heard Wu Tian say: "other people have a big chest but no brain. If you have no brain, your chest is still so small."

"Asshole, you want to die." Su Ruyun almost didn't explode, and both eyes were about to stare out.

Damned smelly bastard, even if he has no brain, he still dares to call her small.

Shameless rascal, where is she?

"I'm just telling you the truth. I don't believe you'll let people judge." Wu Tian turns to look at the Huang family behind him.

The Huang family pretended to be deaf.

I didn't expect that Wu Tian was so brave. In broad daylight, he dared to openly molest the beautiful police flower. It was really fierce.

"Judge your sister, and I'll settle accounts with you later." Su Ruyun put down the words, then stomped her feet and walked out, her chest up and down.

If she hadn't been exhausted from the fight just now, she would have abused the bastard to relieve her anger.

"Officer Su, take your time Wu TianChao Su Ruyun waved her back and her smile was so bright.

He found that he is now more and more daring, even the police dare to molest, this is to change in the past did not dare to think.

Visual Su beauty walk far, just turned around, saw LAN elder sister standing behind.

Huang Lan ponders a smile, slightly take sour of ask a way: "that beautiful policewoman is quite with you taste mouth?"

"No!"

Wu Tian grabs his head awkwardly and explains, "I just see that woman is very fierce. I can't help but want to adjust."

"You're obviously interested in her." Huang Lan was sour and despised. Even she did not find out, at this time she showed a little woman's posture, the whole is a vinegar jar.

"That's not interested in that kind of female tiger, too fierce." Wu Tian said this with a grin.

At this time, Mr. Huang came with the Huang family and bowed deeply to Wu Tian: "Xiao Wu, thank you once again for saving our Wu family and helping us wipe out the dragon and tiger hall."

"Don't bow, old man. I don't dare to do it." Wu Tian hurried forward to hold Mr. Huang's body.

"Nothing else. I just want to express my thanks and respect in this way." "Come on, everybody bow to Mr. Wu and thank him for saving our lives to the Huang family."

After that, under the leadership of Huang Taiping, the Huang family bent down to thank Wu Tian, and the scene was very spectacular.

"Everybody, please get up." Wu Tian quickly raised his hand to signal the crowd to get up.

After two days, his prejudice against the Huang family has been eliminated.

As long as Huang family treats LAN elder sister well, he is willing to get along with Huang family.

"From now on, you are the biggest benefactor of our Huang family. In the future, as long as you can use our Huang family, you can't refuse to talk about it." Huang Laozi clapped his chest and assured him.

"As long as sister LAN lives well in Huang's, we are friends." The smile on Wu Tian's face sank slightly, and then added: "if sister LAN is wronged, don't blame me for turning my face mercilessly."

At this time, it is necessary to remind the Huang family that they should always be good to sister LAN, and they can't let sister LAN be wronged in the future.

"Don't worry about it. I will never let Lan'er suffer half an injustice in the future." Huang assured a word, and then warned the Huang family: "no matter who it is, as long as Lan'er is wronged, I will get out of the Huang family."

People repeatedly nodded and agreed to promise not to bully Huang Lan, will not let Huang Lan suffer any injustice in the Huang family.

For a while, Huang Lan became the only favorite of the Huang family and was supported and loved by thousands of people.

"That's good." Hearing this, Wu Tian felt relieved.

CHAPTER 184:

Next, Mr. Huang arranged a big banquet in the kitchen to celebrate the destruction of dragon tiger hall, the biggest enemy of the Huang family.

At the banquet, the Huang family toasted Wu Tian one after another, thanking him for saving the lives of the Huang family.

After 60 days of wine, Huang Laozi suddenly thought of business and said, "Xiao Wu, listen to Ozawa, your company is sitting on the mobile phone development system."

"Yes, the new system has just been developed and has not been officially launched yet." When it comes to the mobile phone system, Wu Tian feels a little headache.

The new system has been born, next need a lot of money to do promotion, for the company financing is a big problem.

"I have a comrade in arms who is keen on science and technology. He is not short of money, but he is too old to have that energy." Mr. Huang said here, his tone changed, trying to ask: "can you let him join your mobile phone system project?"

"No problem, of course." For Wu Tian, it was a hard won thing.

We are trying to find ways to raise funds. If someone is willing to invest in it, it will be a timely help.

"My comrade in arms said that money is not a problem. As long as we can get a good system, we will not worry about making money in the future." Huang said happily.

"Your comrade in arms is really visionary. Can you introduce me?"

"This..." The smile on the old man's face gradually solidified, some embarrassed said: "the old comrade in arms has retired, don't want to be disturbed and quiet."

"How can we cooperate?"

"The old comrades in arms like ze'er very much. Let ze'er go through the bridge." Mr. Huang said this and waved to Huang Ze.

Huang Ze quickly walked over and said with a smile: "my father's old comrade in arms, named Fu Changsheng, is the boss of Changsheng industrial group. He is very low-key."

After that, he handed Wu Tian a piece of information, "this is the detailed information of the old man. Please have a look first."

"Good." Wu Tian took over the information and opened it. There was a detailed introduction to Fu Changsheng.

Through the information, we can know that this is Luzhou super big guy, very low-key, so that few people have heard of his name.

After reading the materials, Wu Tian nodded with satisfaction: "if there is such a strong capital support, our domestic system will be as prosperous as the sun."

"On behalf of Changsheng Group, I will contact Mr. Wu to help Mr. Wu make the domestic system bigger and stronger." Huang Ze assures with full confidence.

"Is this a gift you sent me on purpose?" Wu Tian naturally saw Huang Ze's intention.

I'm afraid the Huang family wants to thank him in this way.

"I don't have the ability." Huang Ze, with an embarrassed smile, explained: "in fact, Mr. Fu asked me to find him good projects in science and technology. It happened that I found your company was working on mobile phone systems, so it contributed to this."

"Good!"

Wu Tian was very satisfied and said with a smile, "when the domestic system is made, you will be the greatest contributor."

"I don't dare. Let's discuss the details later, and I'll report to the old man."

"Come on, let's go into the room." Wu Tian said he would do it. After saying goodbye to the old man, he took Huang Ze to the house where sister Lan was.

The two began to discuss the details of the investment.

Wu Tianxian told Huang Ze about the detailed scheme and implementation details of the mobile phone system project, and then described the funds needed to promote the system.

As a middleman, Huang Ze has no decision-making power. He just needs to record these with a recorder and then go to Fu Laozi to make a decision.

Mr. Fu, who is also a happy man, agreed to inject money into the mobile phone system as an investment project.

In return, 70% of the profits of the mobile phone system belong to Changsheng Group, and the remaining 30% belong to Tianmu technology.

This kind of investment itself has a large amount of investment and a long return period. The profit return is naturally much higher than that of ordinary investment.

With the help of Huang Ze, a formal contract was signed the next morning, and Changsheng invested in the project.

The first round of investment was directly remitted into Tianmu science and technology account.

Knowing that the financing was successful, the whole company was boiling, especially Li Mu, who danced excitedly.

"That's great. The financing was successful." Li Mu was excited and exclaimed, as if he had won a battle.

I didn't sleep well for several nights, worrying about financing.

If the financing fails, the efforts of the previous half a year are all in vain, which is a terrible nightmare for everyone.

"Kung Fu pays off, and finally a boss is willing to invest for us." Seeing Li Mu so excited, Wu Tian couldn't help but feel happy.

"Boss Wu, you are so good." Li Mu held Wu Tian's arm tightly. He was so excited that he said incoherently, "I know that there is nothing that boss Wu can't do."

"I'm not as good as you said."

"In a word, boss Wu is the most corrupt in my mind."

"Well, don't patronize and be happy." Wu Tian poured a basin of cold water, patted Li Mu on the shoulder and said, "we have the capital now. Next, it's up to you." "Don't worry. I know what to do next. I won't let you down." Li Mu is full of confidence.

Full of ambition has been hidden for more than 20 years. It's time to fly with you.

"Just follow the established direction and don't put too much pressure on yourself." Wu Tian patted Li Mu on the shoulder and turned to leave the company.

After leaving Tianmu technology, Wu Tian went to seafood TV.

In the office, Sun Sheng seems to be more excited than Li Mu. It looks like a poor child suddenly gets millions.

"Mr. Sun, what's so happy about?" Seeing Sun Sheng happy, Wu Tian couldn't help pursing his lips.

In the impression, Sun Sheng has always been relatively calm, but he was not as impetuous as he is now.

"Let me tell you a piece of good news, our platform traffic exceeds many platforms, the growth rate of the whole network is the first." Before Sun Sheng finished speaking, he couldn't help laughing.

Compared with Sun Sheng's excitement, Wu Tiandao was very calm: "yes, if it goes on like this, our platform will soon be promoted to the first-class platform and compete with the big platform."

"That's right."

Sun Sheng still couldn't stop smiling: "I never dreamed that our platform could be promoted to a first-class big platform in such a short time."

"This is Mr. Sun. You are a good leader."

"No!" Sun Sheng shook his head and looked at Wu Tian with admiration on his face. "This is all because boss Wu's strategy is appropriate. Let Huang Lan come to our platform to broadcast, so that the drainage effect of the platform can be so good."

"You also have the credit, fine management and clear division of labor, which is the key."

"No, boss Wu is still the most meritorious. When boss Wu is elected as an investor in the primary election, he is really looking for the right person."

"Well, let's not flatter each other here." Wu Tian shook his head with a wry smile and asked, "what are the company's problems now?"

"At present, the company is developing steadily. We'll just wait for the money."

"Nowadays, competition in all walks of life is very fierce. We must not be careless, especially the trump card of sister LAN. We must protect it well."

"With you, Huang Lan won't leave."

"I'm not that attractive."

CHAPTER 185:

After chatting with Sun Sheng, Wu Tian and Sun Sheng went out to dinner. After dinner, they parted ways.

Now the company has nothing to do. Tianmu technology and seafood TV are on the right track. Fuyuan restaurant and Huiyue restaurant are all OK.

This period of time is really too tired. Next, Wu Tian plans to take a good rest for a period of time and spend all his time studying.

The next day he went to school, Wu Tian was once again criticized by Mu Ran's teacher, saying that he had been absent from school for two consecutive days and asked him to do practical training outside the school to earn credits.

With him are two roommates sun Xiaohao and Jiang Wan.

Out of the school, the three people are like birds flying, and immediately put the financial training out of the air.

Three people in the street to see the beauty, but also can not help but comment.

There are all kinds of girls on the street.

Some of them have beautiful faces and average figures, and some of them have scary faces.

When they were wandering along the street, they were suddenly attracted by the girl across the street.

I saw a school skirt girl standing across the street. She should be from the school next door. She not only has a beautiful figure, but also has a beautiful face.

"Have you seen that girl across the street, little day?" Jiang Wan asked Wu Tian mysteriously.

"Why, are you interested in her?"

"I'm interested, but I don't have the guts to ask." Jiang Wan finished saying this, will head close to Wu Tian, "how about you go to ask her to call?"

"I'm not interested. No."

"You go and get it for me."

"Go by yourself."

"It's no fun." Jiang Wan's face broke down and he complained, "on a hot day, we'll accompany you out for training. We can't ask for a phone call?"

"OK, I'll help you. Wait." Wu Tian fiddled with his handsome hair and walked quickly to the girl across the street.

Look at the school skirt she is wearing. This is the girl from the school next door.

"Hello, nice to meet you." Wu Tian reaches out his right hand and says hello to the girl with a smile.

The girl turned her head and looked at Wu Tian and said, "how happy are you?"

"I..."

Wu Tianyi didn't know how to answer for a moment, but he was cold.

After holding for a long time, he said, "well, can you call me?"

"For what, pay for it?" The short skirt girl asked.

"I don't mean that, I mean..."

"All right." The short skirt girl impatiently opened the mouth to interrupt: "on you this kind of straight man still wants to tease me, you still go home to play mud!"

With these words, he was ready to leave with long legs.

"Stop!"

Wu Tian was suddenly aroused to fight. He had no experience in teasing girls, but he didn't want to admit defeat.

If you go back empty handed, you can't be laughed at by two roommates.

"What else do you want?" The girl turned and asked impatiently.

"Do you think you can be so unscrupulous in front of me because you are beautiful and in good shape?"

"Oh Hearing this, the girl's face is happy: "did not see, your mouth is still very sweet?"

"No matter how sweet your mouth is, it's not as sweet as you are." Wu Tian said this and held out his right hand again. "My name is Wu Tian. It's necessary to get to know him again."

"My name is Yueyue." "I want to see how you want to tease me next."

"In fact, our teacher asked me to come out to tease you. Bah, let me come out to do financial knowledge speech training." Wu Tian grabs the other party's psychology and tries to be serious when joking.

"So coincidentally, I'm also a student of finance. I'd like to hear your speech on financial knowledge." Yueyue holds her chest in her hands and looks curious.

First impression, I feel that this boy is an honest straight man. He needs a phone number as soon as he comes up. It's disgusting.

But in a few seconds, I found that the whole temperament of the boy had changed, and even

the way he spoke was particularly attractive.

"Well, I'll tell you a paragraph." After some brewing, Wu Tian began to explain the financial knowledge he had learned.

His explanation is not so rigid, is to combine theoretical knowledge with daily practice, and then to speak in a colloquial way.

Only in this way can it be attractive, and it will not be so monotonous and boring that people will not be unable to listen to it.

Sure enough, Yueyue was attracted, listening with great interest, and her emotions were put in, and the whole person was immersed in it.

It was not until Wu Tian finished speaking that he could not help clapping his hands and exclaiming, "Wow, you are so good. You are wonderful."

I feel that the boy is better than the teacher. He has strong theoretical knowledge and has unique opinions on many aspects of finance.

It's not important. What's important is that Wu Tian's narrative style is very unique, which seems to bring moving desire and passion. I'm afraid the teacher can't do it."Thank you very much." Wu Tian has a bit of complacent smile way.

He had enough confidence in his speech, but he had moved Professor Tao before, and he didn't have a word to deal with the girl.

"Listening to your words is better than reading ten years." Yueyue quickly took out a pen and paper from the bag, wrote the phone number and handed it to him, "don't you want me to call?"

Here, this is my phone."

Thank you Wu Tian takes the phone number and smiles with satisfaction, and finally relies on his wisdom and strength to help Jiang Wan get to the phone.

Just as he turned to leave, he was grabbed by Yueyue and said, "Hey, are you going like this?"

"Well, I'm sorry, I forgot to say goodbye." Wu Tian solemnly waved his hand and said two words with a smile: "goodbye!"

"No!"

Seeing that Wu Tian is going again, Yueyue opens her arms to block Wu Tian's way. "Aren't you going to tease me? If you reach half of it, how can you suddenly leave?"

"Who said I was going to tease you?"

"Don't tease me. Why do you want me to call?"

"I asked for the phone for my roommate." Wu Tian had to confess and be lenient.

"What?" On hearing this, Yueyue suddenly became angry: "are you asking for my phone for others?"

"Yes

"You, you, you..." Moon Qi stuttered for a long time, and finally came up with a sentence:
"forget it, I don't care who you want my phone for, anyway, you mess up my heart, you have to be responsible for me."

The speech just now made her interested in Wu Tian and wanted to see the boy try his best to please her.

"What? It's all about it? "

"Yes, I will."

"Er..." Wu Tian opened his mouth in tears and laughter. He didn't expect to meet a unreasonable girl today.

After thinking about it for a while, Wu Tian quickly thought of a way to crack it. He said with an apologetic face: "I'm sorry, I already have a girlfriend. I can't be responsible for you."

"It's a scum to have a girlfriend come to tease me." Yueyue smashes Wu Tian with her fist and leaves quickly.

"Want a phone call. I almost lost my life." Wu Tian smiles bitterly, shakes his head and returns to the other side of the street with the number.

At this time, there was no sign of Jiang Wan and sun Xiaohao across the street.

Quickly touch out the mobile phone to call two people, prompting that the power has been turned off.

CHAPTER 186:

"Shit!"

Wu Tian scolded secretly in his heart, only then did he understand that he was played by those two guys.

Sun Xiaohao and Jiang Wan deliberately asked him to go to the girl for a phone call. They watched him make a fool of himself, and then they ran away.

No wonder I found that they were not strong before, and they were laughing so strangely.

That's too much, brother.

Wu Tian doesn't want to make training speech again. He plans to go back to the dormitory to find Jiang Wanhe and sun Xiaohao. They must be well educated.

It's too much to embarrass him.

When he returned to the dormitory in a hurry, he found that in addition to sun Xiaohao and Jiang Wan, he also found Mr. Muran and Liu Yueyao in the dormitory.

Before he could react, he heard everyone sing together: "Happy Birthday to you, happy birthday to you..."

Then, we all moved out the cake, fruit and champagne, and there were a few colorful balloons.

Seeing this, Wu Tian immediately understood that Jiang Wan and sun Xiaohao had made a joke with him to prepare a surprise for him in this special way.

Nose a sour, the heart incomparably moved.

"Thank you for helping me celebrate my birthday." Several people bowed deeply to express their joy.

I didn't expect that sun Xiaohao and Jiang Wan would surprise him. What's more, Mr. Mu and Liu Yueyao came to the dormitory to celebrate his birthday.

"Little day, this is a birthday present from our brother." After singing the birthday song, sun Xiaohao handed over two gift boxes.

Thank you

Wu Tian reached for the gift box and knew what was in it without looking at it.

Although it is not valuable, but the love contained in it is priceless, how much money can not buy.

"Xiaotian, your birthday, the teacher has no preparation, this is for you." Mu ran handed it to

Wu Tian and hung it on his chest.

Wu Tian waved his hand and declined to say, "teacher, you always have this. It must be very valuable. How can I take it?"

"Give it to you and take it. You deserve it." Muran forced the pen into Wu Tian's hand, and said: "the teacher hopes that you will always love learning and will always be as diligent as you are now."

"Yes, no matter what time, I will study hard and live up to the teacher's high expectations." Wu Tian, holding a pen, promised.

Muran will smile, then did not say any more.

At this time, Liu Yueyao held a large gift box and handed it over, "Xiaotian, this is my gift for you. Happy birthday to you."

Thank you

After thanking him, Wu Tian took the gift box and opened it to find that there was a cup in it.

This cup is not an ordinary cup, but made of Kunlun jade. It must be worth a lot.

I don't understand why Liu Yueyao sent the cup. Don't you understand that the cup implies the relationship between men and women?

But he didn't say much and put the cup away.

"Little day, I want to sing a song for you." Liu Yueyao got up from her chair after giving the gift.

"Pa pa pa pa..."

Before they started singing, sun Xiaohao and Jiang Wan couldn't help cheering and clapping.

"Cough!"

Liu Yueyao cleared her throat and began to sing a heart.

She has a very good voice, but her intonation is a little poor, and she has been out of tune several times in a row.

But it doesn't affect the atmosphere. It's not bad on the whole.

After singing, a few people eat cakes and open champagne.

Taking this opportunity, Wu Tian came to sun Xiaohao in a low voice and asked, "Xiao Hao, how can Mr. Mu run to our dormitory to celebrate my birthday?"

"We met Mr. Mu when we bought the cake just now. Mr. Mu heard that it was your birthday,

so he followed him." Sun Xiaohao explained in a low voice.

"What about Liu Yueyao? How does she know my birthday?"

"Then I don't know." Sun Xiaohao shrugged his shoulders and explained in a daze: "before we went back to the dormitory, we saw Liu Yueyao waiting outside the dormitory with a gift box."

"Is it?" Wu Tian frowned and looked more puzzled.

In this way, Liu Yueyao knew his birthday and was ready for it.

At this time, Jiang Wan took the cake to coax: "teacher mu, we used to celebrate our birthdays. Cake is not for eating."

"What is that for?" Muran did not understand.

"The cakes are all smeared on the birthday's face, but we dare not be presumptuous when you are here today." Jiang Wan grabs his head awkwardly.

To be honest, he didn't expect that Mr. Mu would offer to help Wu Tian celebrate his birthday.

I always feel that teacher Mu takes special care of Wu Tian, which makes people a little jealous.

"It's OK. You just think I don't exist and have fun." Muran chuckled.

She knew that she should not be too serious on such occasions, so that the students would not

let go.

"Thank you, Mr. mu." After Jiang Wan said thanks, he bravely wiped the cake on Wu Tian's face. Naturally, Wu Tian fought back with all his strength and wiped the cake back without showing weakness.

Sun Xiaohao just began to let go, see the two people play happily, also can't help but join the fight.

In this way, three people with cake in the dormitory crazy.

Seeing Wu Tian's face smeared like that, Liu Yueyao covered her mouth and was happy. Even teacher Mu couldn't help laughing.

The three played more and more, and finally began to throw the cake up.

Wu Tian was going to smash Jiang Wan with a cake. As a result, the boy dodged quickly, and the cake hit Mr. Mu's chest.

Mr. mu, dressed in a low collar shirt and hit by a cake, looked a little embarrassed. Her upper body was covered with cream.

"Mr. mu, I'm sorry. I didn't mean to." Wu Tian apologized and rushed forward to help Mr. Mu wipe the cake off his body.

"No problem." Fortunately, Muran was not angry.

But after being touched by Wu, her pretty face suddenly turned red and stopped: "stop it."

"Never mind. I'll wipe the cream off for you." Wu Tiangen didn't notice the details, and continued to help Mr. Mu wipe the dirty cream.

At first, I just wiped my shoulder, and soon I touched my collar. I accidentally touched something.

"Ah

Muran exclaimed, his face flushed with anger and exclaimed: "classmate Wu, where do you wipe your hands?"

"Yes, yes, yes Sorry, Mr. mu. I didn't mean to Wu Tian found out that he was not strong enough. He quickly retracted his hands.

Just now, I just wanted to help Mr. Mu wipe the dirty things on the collar. I didn't think so much.

But he made a big mistake when he was not careful.

"It's not big or small." Muran fiercely glared at Wu Tian, then got up and walked quickly to the bathroom.

After being touched by Wu, his heart pounded like a drum.

"Mr. mu, I'll wash it for you."

Wu Tian also wanted to follow in to help, but was stopped by Muran: "stand outside, don't come in."

Then close the bathroom door and lock the door.

Body against the door, heart inside like a calf running.

She knew that it was an accident and that Wu Tian had no intention of doing it, but she could not help blushing and beating her heart.

She was particularly embarrassed at the thought of what had just happened.

CHAPTER 187:

"Why is Mr. Mu suddenly angry?" Sun Xiaohao and Jiang Wan couldn't help but wonder.

Just now Wu Tian helped Mr. Mu wipe cream. They didn't see the picture, so they raised this question.

"Maybe we played too crazy!" Wu Tian shrinks his head a little guilty.

"Well, don't play. Let's tidy up the dormitory." With these words, sun began to clean up the dormitory.

At this time, Liu Yueyao came over, looked down at Wu Tian's hands, and said strangely, "you just gave Mr. mu..."

She is close to her. Wu Tian can see everything he does.

Just now, Wu Tian helped Mr. Mu clean up the cream with his hands. His action was so rude and bold.

"Shh!"

Wu Tian made a gesture of silence, indicating that Liu Yueyao would not go on, lest her two roommates would hear her.

At the same time, he explained in a low voice: "I just ran into Mr. mu by accident. I didn't mean to."

"What a mistake?"

"Of course, even if I borrow a hundred courage, I dare not belittle the teacher!"

"That's true." Liu Yueyao nodded.

She also felt that Wu Tian didn't have the courage to do that.

What's more, it's a sudden accident just now. In an emergency, it's an instinctive reaction. I

don't think so much at all.

"You have to keep it a secret. Don't tell it." Wu Tian said in a low voice.

If this is to be spread out, not only his reputation will be damaged, but also teacher Mu will be in bad luck.

"Don't worry. I'll keep it secret for you." Liu Yueyao's assurance with a smile.

Since it is a small mistake unintentionally made, there is no need to spread it out, so as not to let teacher Mu follow the shame.

When they were talking in a low voice, the bathroom door opened and teacher Mu came out.

At this time, Mr. Mu has cleaned up the dirty things on his body, pretending that nothing has happened and said: "everyone, you play first, the teacher has left in advance."

After saying this, she turned and walked away quickly, never daring to look at Wu Tian.

"Hoo!"

Seeing Mr. Mu leave, Wu Tiancai was relieved.

I don't know what happened. It's really embarrassing to make such mistakes in front of teacher Mu every time.

"Hello, this time you touch Mr. mu with your hand. Will she wear you little shoes in the future?" Liu Yueyao couldn't help but ask in a low voice.

"No, Mr. Mu is not that kind of person." Wu Tian is quite confident.

After all, this is not the first time that he has ever had a skin relationship with Mr. mu. If he wore small shoes, he would have been killed.

Mr. Mu may have taken good care of him because he recognized his academic strength.

"You'd better ask for your own good fortune. When you have time, you can apologize to Mr. mu." Liu Yueyao suggested with some sympathy.

"Sorry?"

"Yes."

"How can I apologize? Do you want to say to Mr. Mu: Mr. mu, I'm sorry. I bumped into the parts you shouldn't touch because I was careless. I'll never touch it again. Please forgive me... "

"Poof!"

Without saying that, Liu Yueyao couldn't help laughing and said angrily: "if you dare to apologize like this, teacher Mu will knock your teeth out."

"How can I apologize?"

"Stupid, you say you're wrong. You shouldn't throw the cake and express deep repentance and guilt. It's over."

"It makes sense." Wu Tian agreed and nodded, praising: "it's better for a woman with a small breast."

"I hate it. Who do you think has a small breast?" Hearing this, Liu Yueyao was not happy, and asked.

"No I didn't say you." Wu Tianwei covers his mouth in a hurry. He just offended Mr. mu, but he doesn't want to offend Miss Liu any more.

"Hum!"

Liu Yueyao hummed, then did not say anything more, just turned over the body and looked down at the collar.

She had never doubted her figure before. When Wu Tian said that, she couldn't help feeling a little inferior.

Wu Tian didn't dare to continue this topic. Thinking of another thing, he couldn't help asking,

"Yueyao, how do you know that I have my birthday today?"

"My dad told me."

"Uncle Liu?"

"Yes

"How does uncle Liu know my birthday?" Wu Tian said to himself.

Liu Jun has never mentioned his birthday before, it must be Liu Jun secretly to investigate to know.

"My dad knew your birthday today, so he asked me to come to you with a gift, which he had prepared for me." Liu Yueyao couldn't help but explain.

"I see." Wu Tian grinned strangely and turned to Liu Yueyao. "Do you know why your father asked you to bring me a gift for my birthday?"

"I don't know."

"In fact, your father is trying to set us up."

"You You're bullshit. My dad wouldn't do that. He just wanted to thank you, so he asked me to come over for your birthday Liu Yueyao retorted."Really..."

"Don't you think our Liu family is so mean that they come here and post you upside down?"

"Not that."

"You are." Liu Yueyao pushes Wu Tian aside and runs out angrily.

"Hello, I...."

Before Wu Tian had time to explain, she saw that Liu Yueyao had already slammed the door and left her angry back.

I don't know how to annoy this girl.

Perhaps just now this makes Liu Yueyao feel very shameless, so she lost her temper inexplicably.

A woman is really a strange animal. When she is happy, she talks and laughs. When she is angry, she doesn't give you an opportunity to explain.

Just when Wu Tian was feeling depressed, Jiang Wan came over and joked, "how quickly did you get angry with Liu Da Xiaohua?"

"I find that women are angry." Wu Tian smiles bitterly and shakes his head. He goes to lie on his back in bed.

"You don't understand. Women have to be coaxed."

"As far as you know, a single dog dares to teach me a lesson."

"You..." Jiang Wan choked at this, and asked curiously: "you are surrounded by beautiful women, such as Shen Xue, chef, Liu Yueyao, and Huang Lan. Which one do you like?"

"Both."

"My God, you are too playful

"There's no man without a heart."

"That's true." Jiang Wan nodded with approval and asked in a different way: "if you choose a girlfriend, who do you choose?"

"I..."

This is a real problem for Wu Tian.

If one of them is chosen to attack now, he will surely be able to catch up with him.

But the problem is that he doesn't know how to choose.

These three women each have their own good, body and appearance are different, are the best goddess.

However, the three women's personalities are quite different. Sister LAN is the standard imperial sister fan'er, Shen Xuejiao is pretty and gentle, and Liu Yueyao is a dignified and beautiful lady.

"Who are you going to choose, my dear?" After waiting for a long time without an answer, Jiang Wan could not help but ask.

"Choose your sister." Wu Tian replied impatiently, and did not know how Jiang Wan suddenly thought of asking this question.

CHAPTER 188:

"My sister is good, but a little fat." Jiang Wan said this, simply climbed to Wu Tian bed, "if you don't dislike it, then it will be my brother-in-law."

"Get out of the way." Wu Tian kicked the boy out of bed.

Jiang Wan got up from the ground, patted the dust on his buttocks and complained: "how can you treat your brother-in-law like this? Be careful that my sister makes you kneel durian."

"You're not finished, are you? Believe it or not." Wu Tian made a compromise on the ground and was ready to start.

Scared Jiang Wan's body shrunk, he quickly hid behind Sun Xiaohao, "Xiao Tian, don't do it. If you break your slippers, it's a pity. It's more than ten yuan."

"You can run fast." Wu Tian threw away his slippers and took the initiative to change the subject: "how about your internship in the company recently?"

"Not bad, the company atmosphere is very good, colleagues are very hard, but there are a few female colleagues." Jiang Wan once again talked about women.

Several big men chat together, three words do not leave the woman.

"Why have you been thinking about women lately?" Wu Tian rubs his chin and looks at Jiang Wan with a bad smile.

"If you look at you, there are so many beautiful women around you. If you look at us, you don't have a woman. Can you not want to?"

"I tell you, it's no use thinking about it." Wu Tian changed a comfortable position and fell on the bed, and said to them, "as long as you become strong enough, you don't have to think about it. Women will come to you."

"I agree with that." Sun Xiaohao couldn't help interrupting: "Xiaotian is an example. You can see that he is so excellent now. Even school flowers are around him."

"Why did you bring the subject back to me?"

"Who makes you a woman?" Jiang Wan said with a smile: "little day, there are so many women around you, how many can you introduce to us?"

"OK, I'll introduce Aunt Wang and Aunt Li to you some other day."

"Cough, cough..."

Jiang wanmeng coughed a few times, almost choked to death by saliva.

Coughing for a long time can't help but complain: "little day, this is too much for you. Introduce the old aunt to us, and leave all the beautiful girls to yourself."

"What's wrong with Auntie? I know everything. I don't need you to teach me."

"Auntie is so good, you'd better keep it by yourself."

"Hey, hey Wu Tian grinned and said, "we didn't meet a girl with a short skirt on the street before. You asked me to ask for her telephone number."

"That's when we make fun of you and sneak back to prepare your birthday surprise!" At the mention of this, Jiang Wan and sun Xiaohao couldn't help laughing.

They just said it casually. They didn't expect that Wu Tian would go to ask for the phone number.

Thinking of the picture that was rejected by the girl at that time, they couldn't help laughing.

"Here you are

Wu Tian took out the note from his pocket and handed it to him. "The girl's name is Yueyue. This is her phone number."

"I'll go. Do you really want her to call?" Both sun Xiaohao and Jiang Wan were particularly surprised.

Before clearly saw that girl refused Wu Tian, threw a cold face and turned to leave. As for what happened behind, they didn't look at it at all.

I just didn't expect that Wu Tian could still get a phone call in that case. NIMA is too powerful.

"I had to finish the phone, but I was still entangled by that girl, and then I said I had a girlfriend to get rid of it." Wu Tian said with a proud smile.

"Lying trough!"

Sun Xiaohao and Jiang Wan's startling voice was even more exaggerated. Unexpectedly, Wu Tian easily moved the girl. It was really envious, envious and hateful.

The two people put their heads together and questioned curiously, "tell us quickly, how did you deal with the girl?"

"Gave the girl a lecture on finance."

"I'll go. That's ok?"

"As long as you work hard, you can grind an iron bar into a needle." Wu Tian said this and shook the note in his hand, "do you want the phone number?"

"I want it!" Sun Xiaohao snatched the note quickly.

"This is mine." Jiang Wan did not show weakness and rushed to fight for it.

In this way, sun, Jiang two people for a girl's phone number open tear, no one would like to step back.

In the end, the note was torn up by the two people, and no one got the phone number.

Jiang Wan also couldn't help licking his face and trying to suggest to Wu Tian: "Xiao Tian, the phone number is torn up. Would you go and ask for one for me another day?"

"Get out of here

Wu Tian angrily scolded, pointed to his face and said, "do you think my face was made at the corner of the city wall? Is it that thick? "

"Don't just don't. It's urgent." Jiang Wan jumped out of bed and looked at sun Xiaohao.
"Xiaohao, today is Xiaotian's birthday. How can we help him celebrate his birthday next?"

"Not drunk, of course."

"A good one will not come back if he is not drunk." Jiang Wan snapped his fingers and turned to look at Wu Tian, "Xiao Tian, let's go out to drink and help you celebrate your birthday." "Go, drink." Naturally, Wu Tian couldn't refute the interest of his two brothers and jumped up.

After washing, they changed into clean clothes and left the dormitory.

Not far from the school to find a big stall, ordered dozens of meat kebabs, then began to drink and chat.

The topic of conversation is mainly about the past girls, and the three still comment on the women on the street.

"Xiao Hao, look at that girl." Seeing the beautiful girl passing by, Jiang Wan's eyes glowed green. "His face is particularly beautiful, and his eyes are moist and moving. His skin is smoother than jade, especially those legs, which are delicate and white..."

"It's really nice." Sun Xiaohao nodded with approval, "this is the most beautiful girl we see tonight."

"Seeing this girl, I feel like I'm in love."

"This girl seems to have met somewhere. It should be a girl from our school." Sun Xiaohao felt familiar, but he couldn't remember where he had seen her for a while.

"Don't eat it, little day." Jiang Wanyi snatched the kebab in Wu Tian's hand and said with a

smile, "can you go and get that girl's phone?"

"No

Wu Tian resolutely refused, and then continued to eat without raising his head.

I was teased by these two boys before. I will never be cheated again this time.

"You see, that girl is really beautiful." Seeing the girl getting closer and closer, Jiang Wan was very excited: "no, she seems to be coming towards us. Xiao Tian, don't patronize and eat, but you have a look at it!"

"You two guys."

Wu Tian was not happy. He patted his glass on the table and complained, "it's nice to say that it's a birthday with me, but actually it's to run out to see a beautiful woman."

"Beauty is coming. Should I do something?" Jiang Wangen didn't listen to Wu Tian and was busy with his hair.

On the contrary, sun was a little nervous.

I've never seen two people passing by like today. Did you really come here with some peerless beauty?

Unable to help being curious, Wu Tian slowly turned back and saw a familiar sister coming towards this side.

The sister wore a one-piece short skirt, which was very charming, especially the two tender legs under the skirt.

CHAPTER 189:

"Gu Xiaoman?"

The beautiful girl who came here is no other than Gu Xiaoman, vice president of the martial arts club of the University of technology.

Under the gaze of the three, Gu Xiaoman came slowly, smiling and waving: "president Wu, so clever."

"It's a coincidence." Wu Tian chuckled, saying hello.

I thought the two animals were watching Gu Xiaoman for a long time.

But Xiaoman is really beautiful, the body and face are first-class, plus this skirt tonight, it is really attractive.

"What? Do you know each other? " When he saw Meili come to say hello to Wu Tian, Jiang Wan was particularly disappointed.

It's not easy to see a beautiful girl coming. I didn't expect to know Wu Tian. A beautiful girl

would come to Wu Tian.

"Let me introduce you." Wu Tian gets up, points to Xiaoman and introduces them: "Gu Xiaoman, vice president of martial arts club of Gongda."

"Oh, so you are the vice president of the martial arts club." Jiang wanrub stood up from the chair, stretched out his right hand and introduced himself: "my name is Jiang Wan, and I am Wu Tian's classmate and roommate."

"Hello!"

Gu Xiaoman smiles and shakes hands with his right hand.

As a result, Jiang Wan took Gu Xiaoman's hand and was willing to let go of it and giggled.

"Pa!"

Wu Tian raised his leg and gently kicked Jiang Wan, reminding him, "if you pinch it again, your hand will break."

"Sorry." Jiang Wan just regained his mind and quickly drew back his hand.

Gu Xiaoman did not speak, but the expression on his face was extremely embarrassed.

"Don't pay attention to this boy. He is a flower maniac. He always looks like this every time he sees a beautiful girl." Wu Tian lost a sentence, pointing to sun Xiaohao nearby and introducing: "my roommate sun Xiaohao."

"Hello!" Gu Xiaoman simply asked hello and hid his hand behind him.

She is afraid of meeting Jiang Wan again, holding her hand, which is really annoying.

"Xiaoman, let's sit down and eat together." Wu Tian moved a chair to his side.

Gu Xiaoman wryly bit his mouth: "is this good?"

"Good." Jiang Wan nodded again and again. At the same time, he ran over to get the chopsticks and cups.

Thank you After Gu Xiaoman said thanks, he sat down beside Wu Tian and asked in a soft voice, "why don't you go to the martial arts club recently?"

"I've been so busy lately."

"I'm going to call you."

"Is there anything wrong with Wushu Club?"

"That's not true. I'm just..." Gu Xiaoman's words to the mouth and swallow back, the cheek inexplicably red up.

"If it's OK, come and have a string." Wu Tian picked up the kebab, wiped the skewer with a paper towel, and peeled the meat from it to Gu Xiaoman's bowl. He was very careful.

"You too."

Gu Xiaoman put a few pieces of lettuce into Wu Tian's bowl, "don't just drink, eat some lettuce, and this will nourish the stomach."

They took sun Xiaohao and Jiang Wan in the opposite place as the air and cared for each other.

Sun and Jiang looked at the two men and women so foolishly and envied to the extreme.

I really don't understand, little day how women fate so good, no matter where you go, there are beautiful women around her.

The world is really unfair. They don't have a sister around them, but Wu Tian is surrounded by beautiful women, who are still in the manger.

"No more." Jiang Wanqi threw chopsticks on the table.

Originally, Gu Xiaoman had some ideas. Seeing their ambiguous behavior, they were disillusioned.

"Why not eat?" Wu Tian looks up and looks at Jiang Wan and sun Xiaohao with a puzzled look.

"You two are abusing dogs here. How can we eat them?"

"Don't get me wrong. In fact, Xiaoman and I are..."

"Take your time. Let's go." Jiang Wansheng said this, and he got up and left.

Sun Xiaohao shrugged helplessly and left here.

"Hello..."

Wu Tian still wants to stay, and then he swallows it back to his mouth.

It would be more embarrassing to force them to stay here, so they should go back first.

"Poof!"

Seeing this scene, Gu Xiaoman couldn't help laughing.

After laughing for a long time, she blushed and whispered, "it seems that your two roommates misunderstood us."

"Leave them alone. Let's eat." Wu Tian pretended to be indifferent. He was used to the two roommates for a long time.

"Hee hee!"

Gu Xiaoman chuckles, and then lies down on the table to eat happily, inexplicably excited.

When they were talking and laughing, a young man in a suit and a pair of bodyguards came over.

This man is rich at first sight, wearing famous brand to serve. The watch on his hand alone is worth more than 100000 yuan.

"SUN Hao, why are you here again?" Seeing the man coming, Gu Xiaoman's pretty face suddenly sank, and his mood suddenly became worse. "Xiaoman, I've come to see you The man named SUN Hao came over, pointed to the things on the table and said, "how do you eat these roadside stalls? It's too dirty."

"You don't care what I eat. Let's go." Gu Xiaoman is tired of waving his hand, just want to drive this rich second generation away quickly.

It's not easy to get along with Wu Tian alone, but I don't want to be destroyed by this disgusting second generation of rich people.

"Xiaoman, let's go. I'll take you to a five-star hotel to eat." SUN Hao finished saying this, ready to reach out to pull Gu Xiaoman's arm.

Gu Xiaoman's body shrinks and rushes close to Wu Tian. He warns, "don't touch me. I have a boyfriend."

"Do you have a boyfriend?" SUN Hao's face sank, and the whole face became very ugly in an

instant.

At this time, Wu Tian put his arm around Gu Xiaoman's waist and said to the rich second generation, "I am Xiaoman's boyfriend."

This kind of situation has long been seen as strange. It must be that the rich second generation wants to pester Gu Xiaoman, so he will naturally come forward as a shield.

Gu Xiaoman didn't speak. When he was hugged by Wu Tian, his body trembled slightly and his heart thumped.

"What? Are you man's boyfriend? " SUN Hao's eyes widened in disbelief.

"Yes, he is my boyfriend." Gu Xiaoman is very serious to raise his small face, and there is a little happiness in his eyes.

"He, he, he..." SUN Hao ran out of words.

Originally thought of a lot of words to move Gu Xiaoman, but now suddenly came out such a boyfriend, all his plans are disrupted.

"Mr. Sun, do you have anything else to do?" Gu Xiaoman asked and then said, "if it's OK, don't disturb me and my boyfriend's date."

When she said this, she held Wu Tian's arm more tightly.

"My one..." After thinking for a long time, SUN Hao said, "I want to join your martial arts club."

"I don't agree." Without waiting for Gu Xiaoman to speak, Wu Tian gives the cold answer directly.

"It's none of your business if I join the martial arts club?"

"I am the president of the martial arts society, and I has the final say in Wushu society."

"Ah?" SUN Hao was so stupid that he didn't expect that he was the president of the martial arts club.

CHAPTER 190:

"Well, now you can go." Wu Tian Lengyan looks at the rich second generation and impatiently orders to leave.

"I..."

SUN Hao is not willing to leave like this. He bit his teeth and said grimly: "boy, grab a woman with me. Do you know who I am?"

"I don't know."

"That's what you told me SUN Hao took out a bank card from his pocket and threw it on the table. "The card has 50000 yuan. If you are sensible, give me Gu Xiaoman."

"You want to buy Gu Xiaoman with this 50000 yuan?"

"Yes."

"You think little man is too cheap."

"How much do you want?"

"In my heart, Xiaoman is priceless." Wu Tian hugs Xiaoman harder, and his eyes show a little affection.

I have to admit that Wu Tian's acting skills have already reached perfection, playing the role of Xiaoman's boyfriend is very in place.

Even Gu Xiaoman almost believed it, and the whole person was immersed in that kind of sweet happiness.

"I think you want to be beaten." SUN Hao put his head together in the past, cold voice threatened: "give you a last chance, if you know the truth, now leave Xiaoman."

"No one in the world can separate me from man." Wu Tian said firmly.

Gu Xiaoman's nose is sour, and his tears are moved by this.

It's just a pity that I was acting. If only all this was true.

"Boy, you're really toasting and not eating or drinking." SUN Hao had no patience. He waved to the two bodyguards behind him and ordered, "let's go together and teach this boy a good lesson for me."

"Yes

The two bodyguards were ordered to rush forward like wolves.

As soon as the bodyguard approached, he saw his body like a snake running out from behind the table. Then he grabbed the wine bottle and fiercely pointed at one of the bodyguards.

But he did not stop, then his body quickly rotated and kicked the second bodyguard hard, while his fist hit the bodyguard's chest.

"Ah

Accompanied by two shrill screams, the two bodyguards collapsed on the ground, the body constantly pumping stored pain howling.

Seeing this scene, SUN Hao's eyes were wide open and his whole face became purple black.

He didn't expect that the boy in front of him was so strong that he could easily kill his two

bodyguards.

No wonder the boy can be the president of the martial arts club. It turns out that he is a cruel character.

At this moment, which has just arrogant domineering, scared body slightly shaking, back to prepare to escape here.

"Stop!"

Wu Tian body a horizontal, blocked SUN Hao's retreat, "silly boy, so easy to go."

"You What else do you want? " SUN Hao's legs trembled and his forehead was sweating.

"I want you to know how good I am." Wu Tian finished saying this and smashed it with his fist.

"Ah..."

SUN Hao could not stand this tyranny. He was beaten and screamed and collapsed on the ground like mud.

Wu Tian waved his hand and hit him again. He asked coldly, "do you dare to harass Xiaoman in the future?"

"No, I dare not..." SUN Hao's words are with a cry, scared quickly beg for mercy: "I was wrong, I

will never be close to Xiaoman."

"Bang!"

Wu Tian waved his hand and smashed it again. He taught him, "who is Xiaoman? Did you call Xiaoman

"I was wrong, ah I call her Miss Gu

"Get out of here. I'll see you later and peel your skin." Wu Tian kicked SUN Hao's ass hard, and then he put his fists back.

It took SUN Hao a long time to get up from the ground, and then he ran away from here.

Seeing the master run away, the two bodyguards followed.

"What a waste." Wu Tianan scolded. Until then, he found that there were many passers-by nearby. Everyone picked up their mobile phones to take photos.

Wu Tian didn't care. He went back and sat down next to Gu Xiaoman. "Xiaoman, you were scared just now."

"I'm fine." Gu Xiaoman stroked his hair at the corner of his ear and said with gratitude: "thank you for helping me out again."

"Don't mention it if it's easy."

"Every time I'm with you, I feel very secure." Gu Xiaoman glanced up at Wu Tian, lowered his head and whispered, "if only someone could protect me all my life."

"What do you say?" Because Xiao man's voice was too small, like the buzzing of flies, Wu Tiangen could not hear clearly.

"No Nothing. " Gu Xiaoman's ear root is slightly red, have no good intention to repeat that sentence just now.

"Well, let's have dinner." Wu Tian did not ask again, accompanied Gu Xiaoman to continue to eat kebabs.

After eating the kebab, they went shopping again.

Wu Tian bought a lot of snacks for Gu Xiaoman, which made the girl very embarrassed and said with a smile: "in case I get fat and can't get married, you can be responsible for me.""Don't worry, I'll be responsible."

"What are you going to do about it?"

"Help you find a good husband and let him support you."

"Not at all." Gu Xiaoman did not have a good anger, for this answer heart slightly disappointed.

"Let's go back to school."

After that, the two returned to the school. At the east gate, they parted ways, and Wu Tian returned to his dormitory.

As soon as he entered the dormitory, Jiang Wan and sun Xiaohao both looked at him with hostile eyes.

"Jiang Wan, Xiao Hao, why do you look at me with such eyes, as if I have a feud with you?" Wu Tian was confused.

To tell you the truth, I don't know how to offend two roommates.

"My God, I really want to strangle you." Jiang Wan turned out of bed and looked at Wu Tian with resentment, "Gu Xiaoman is my favorite type."

"I'll chase you if you like, but I didn't stop you."

"After a fart." Jiang Wan severely kicked in the cupboard, painful way: "that wench has no interest in me at all, what she likes is you, how can I catch up with you?"

"Don't talk nonsense."

"I'm not talking nonsense. Gu Xiaoman just likes you. She looks at you with tenderness. She doesn't believe you and asks Xiaohao." Jiang Wan said this and turned his eyes to sun Xiaohao.

"Yes

Sun Xiaohao nodded: "I think Jiang Wan is right this time. Gu Xiaoman must have moved his

heart to you."

"Is it?"

Wu Tian grabs his head. He doesn't know whether he should be happy or sad.

"To be honest, how many girls like you?"

"I don't know."

"How could I have a roommate like you?" Jiang Wan hate iron not steel bite teeth, disdain way:
"you are simply a slag man."

"I think you are jealous." Wu Tian debunked Jiang Wan's real thoughts on the spot.

"I Alas

Jiang Wan sighed, looked up from the window, pretending to be sad: "I just want to take off a single, how so difficult?"

"When you meet, you are doomed to be a bachelor all your life." Wu Tian gave a merciless blow.

"Ha ha ha..."

Sun Xiaohao couldn't help laughing.
