Xu Muqing was still persevering.

Suddenly, a Rolls-Royce stopped outside the door.

The car door swung open and Huang Youguang stepped out.

When the elites saw him, their eyes glistened.

A woman who dressed up fashionably hurried towards him.

"You must be Mr. Wong," she said.

Wong Youguang gave her the side eye, with his face slightly perked up as he said, "How did you know?"

"I saw you in Sheng City, Mr. Wong." she replied.

"We had a drink in the bar too," she continued.

Wong Youguang looked at her. Her looks were pretty average, but her body curves were appealing.

He nodded slightly and said “Go and change into something more suitable.”

“A lacy maid skirt and some black silk stockings will do. Meet me in the Crown Hotel Residential Suite later.”

“Yes, Mr. Wong, I’ll get changed right now.”

The woman’s face chirped with excitement, as if serving Wong Youguang was something to feel honoured about.

The women who were standing behind her came forward to surround her.

Wong Youguang looked as if he was a superior who came for inspection; arrogance was all over his face.

Also, he brought a bunch of people to see Xu Muqing.

“We meet again, Ms. Xu,” he said.

“I told you, that in Sheng City, there is nothing I, Wong Youguang couldn’t do,” he continued.

ek until I'm satisfied with it, and then I will help you rebuild your company. Say, aren't these conditions tempting? To be honest with you, there is no one else who can get this kind of treatment in the entirety of the Jiangzhou Province. That's why Ms. Xu, you should feel incredibly honoured about it," he said.

As soon as Huang Yougang ended his speech, his henchmen and lackeys started to advise Xu Muqing about the matter enthusiastically.

At the moment, the elevator opened and out came Li Hang.

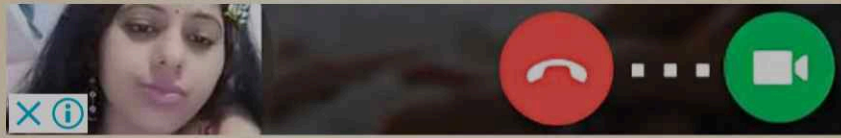

Cui Tianci gave him a cold snort as soon as he saw him.

"Cousin, the bastard who hit you is back," Cui Tianci said.

Wong Youguang gave the four masters who were behind him a look.

They quickly surrounded Li Hang.

Their movements were quick yet calm. You could clearly see their temples throbbing.

Chapter 31 Letting You Go If You Kowtow

They really do know their martial arts.

“Hey bitch! I’m usually magnanimous, you should kneel down and kowtow to me thrice,” one of them said.

Wong Youguang spat on the ground. “If you eat this sputum on the ground, I’ll let you go this time,” he said.

“What if I don’t?” Li Hang asked indifferently.

“Then you shall die,” Wong Youguang replied.

The four masters started their move as soon as he finished his sentence.

They attacked from four directions simultaneously, roaring and shouting with great momentum.

Suddenly, the sound of somebody’s bone cracked and they stopped the chaos in abrupt.

Immediately, the four of them cried out in pain at the same time.

The four masters who Huang Youguang

invited were defeated by Li Hang in the blink of an eye.

Li hang stepped onto one of the master's back as he strode towards Huang Youguang.

"If you dare to touch my elder cousin again, you will die for real," Cui Tianci was suddenly acting loyal.

"Don't think that you can depend on Liu Delun, to sit back and relax."

"My elder cousin only needs a phone call to deal with a gangster like Liu Delun..."

Li Hang asked calmly, "Are you done yet?"

“Look, my elder cousin, he’s...” Cui Tianci paused for a moment, and opened his mouth to speak again.

Li Hang suddenly lifted his leg and kicked Cui Tianci’s knee.

Cui Tianci fell at the direction of Li Hang.

Consequently, what met Cui Tianci, was Li Hang’s knee.

There was a loud bump.

Li Hang’s knee hit right into Cui Tianci’s face.

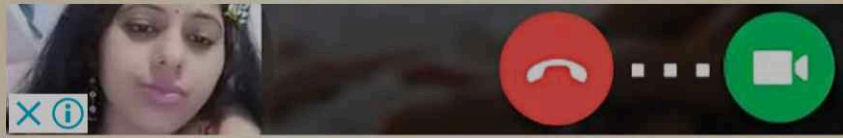

Cui Tianci fell down instantly, pressing his palm to his face and wailing in pain.

“Keep your distance! I’m Huang Youguang, and Huang Zhen is my dad!” Cui Tianci said.

“My dad could use a single finger to kill you, you...”

Li Hang slapped Huang Youguang in the face before he could finish his sentence.

“You’re such a noisy person.”

Chapter 32 This Guy Is Not Simple

“Don’t you know that my wife prefers peacefulness?”

“I could hear you screaming and shouting from miles away.”

Huang Youguang was still pressing on to his face.

“How dare you hit me! My dad will not show mercy! You’ll be dead for sure!”

Li Hang strangled Huang Youguang’s throat with one arm, lifting him up from the ground, as if he’s just a mere puppet.

In the next instant, he broke Huang Youguang’s legs without hesitation.

Amidst of Huang Youguang’s cries in pain, Li Hang said “This is my final warning.”

“Go back to your Jiang province. I don’t want to see you again anywhere in Ning Province,” he continued.

“If I ever see you again in Ning Province, I’ll break your third leg,” he threatened.

Li Hang kicked Huang Youguang out like a

stray dog.

At the same time, something else was happening in the car parked at the main entrance of Lingxiao Group.

Miao Le was deciding when to go in and help Li Hang.

But only to get his gratitude, of course.

And also to help settle anything that was happening in front of him.

Then, let Li Hang be Miao Le's slave dog and stay loyal to him.

When Miao Le saw someone getting thrown out the hall, the first thing that came to his mind was that it was Li Hang.

As he looked more closely, he was shocked to see that it was Huang Youguang instead!

What about the four masters that Huang Youguang had invited?

There was a rapport between them, having taught by the same grand master.

Chapter 32 This Guy Is Not Simple

Once, they defeated two hundred professional fighters, so they had quite a reputation in Sheng City.

While Miao Le was still mumbling to himself, the four masters got thrown out like rag dolls too.

Cui Tianci was also among them.

Miao Le rubbed his eyes to make sure that he wasn't hallucinating. He then clapped his hands in delight.

Wow!

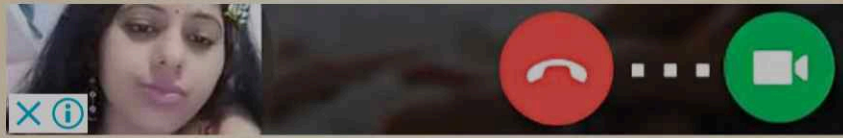

Li Hang was more powerful than he thought.

Miao Le, who was lurking in the dark, quickly ordered his people to help the defeated Huang Youguang into the car.

Before they left, Miao Le deliberately looked at Li Hang in the eye.

When their eyes met, Miao Le felt his body tremble.

He really isn't a simple man! He really should be working for me!

Chapter 32 This Guy Is Not Simple

Miao Le then brought Huang Youguang back into Sheng City swiftly.

Cui Tianci felt as though all of his bones were broken.

He was lying face down beside the road like a pile of mud.

It was at this moment a furry yellow dog happily ran towards him.

The dog sniffed around him, lifted its right back legs, and started peeing.

The spurt of urine formed a perfect arc in the air, and landed right onto Cui Tianci's head.

Chapter 33 Full Of Money

In the hall of the Headquarters of the Bank of The Ning Province.

A staff hastily knocked on Manager Chen's office door.

"Manager Chen, the Chairman of Alliance is here."

"What?"

Manager Chen was shocked and then appeared to be wild with joy.

The bank business in Ning Province was expanding quickly with his hard work.

The Chairman of Alliance must have personally come here to commend him.

Manager Chen quickly tidied his suit and tie.

The Chairman of Alliance was already walking in hastily when he decided to walk out of his office.

"It is a pleasure to meet you, Chairman."
Manager Chen said.

"Welcome to the Headquarters," he

continued.

While Manager Chen was bowing, he was feeling so excited that almost couldn't keep his thoughts to himself.

How will the Chairman of Alliance reward me?

Will he transfer me to work in the Headquarters of the Alliance?

With this title, won't I be able to make money anywhere?

That Xu Muqing woman is gorgeous; let's see if I can hit it off with her tonight.

"Manager Chen," the Chairman said.

"Yes, what can I do for you?" Manager Chen asked politely.

"I'm bringing you to meet an important client, so please prepare your personal belongings," the Chairman said.

Upon hearing this, Manager Chen had almost jumped with joy.

clients, then it must be someone truly great.

It would be incredibly beneficial to know someone this important. It's going to be a breeze to work with them.

Manager Chen arranged his briefcase in excitement.

“Don’t worry about bringing your suitcase or any files, you only need to bring one thing,” the Chairman said.

Manager Chen froze for a second.

He looked at the Chairman and asked, “What should I bring instead?”

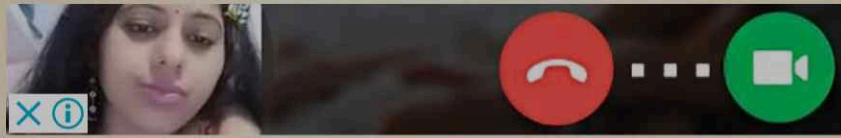

The chairman pointed at the ashtray on the table and said “That’s it.”

.....

The hall of the Ling Xiao Group Headquarters was packed with people.

All the employees who had heard about the news arrived at the ground floor’s hall.

Everyone standing in front of Li Hang and Xu

The business group was about to go bankrupt without these employees.

These highly educated, arrogant ex-employers stood together, all of them feeling high and mighty.

“General Manager Xu, this company really is something! We’re probably going to see you in the headlines tomorrow,” one of them said.

“You’ve broken the legend of Ning Province and you will go bankrupt very quickly,” another one said.

“This news is definitely one of a kind! We’ll never hear something similar like this again!”

“Bankruptcy is nothing, but my precious time wasted in this company is something!”

“That’s right! I’ve been working my arse off since the day it was established!”

Someone among the crowd shouted: “I want

a refund!”

Li Hang snapped his fingers just as the crowd was beginning to get agitated.

A staff member pushed out a cart that was covered with a big red cloth.

It was quite tall and it seemed to carry a lot of things.

Li Hang stepped towards the cart and pulled away the cloth, revealing the concealed items.

The crowd started exclaiming.

It was all money!

Chapter 34 Eat The Ashes

This scene had shocked the whole crowd.

“I thought Lingxiao Group was out of money!”

“I reckon there is at least two million dollars here.”

“Where’s the money from?”

As the crowd was discussing excitedly among themselves, a group of people appeared at the door.

The first person that stepped through was the Chairman of Alliance of the Ning Province bank.

“I’m sorry, General Manager Xu, I’m a bit late.”

Standing behind him were all presidents from the other divisions.

The crowd started an uproar as soon as they entered.

“Everyone, I am Gu Xingshun. I am the Chairman of Alliance at the bank of Ning Province. I am now representing the entire

bank to sign a partnership agreement with Lingxiao Group.”

The hall was immediately filled with sounds of people clapping.

“That’s great! I don’t have to leave here now.”

“Let’s go back and do our work.”

“I can’t wait to work more now!”

The wave of people swarmed towards Lingxiao group.

Some of them were also going to the top office to retrieve their resignation letters.

However, the elevator door wouldn’t open.

“To those who sent in their resignation letters, please come and collect your money here,” Li Hang said.

Those who hesitated to send in their letters sighed in relief.

They also felt lucky that they did not make any reckless decisions.

Chapter 34 Eat The Ashes

"I'm sorry, General Manager Lee, please give me another chance."

"I was persuaded by other people, General Manager Lee. I didn't want to leave!"

"I am a PhD graduate from Harvard, General Manager Lee. Your company needs someone like me!"

Li Hang saw a woman in her 50s and waved at her.

The woman was pushing the cleaning cart as she walked over.

He got a mop from the cart and handed it to the self-proclaimed PhD graduate from Harvard.

"We're lacking a few cleaners here. The wage is 3000 dollars a month, deal?"

"How dare you ask me to work for you as a cleaner!"

The graduate felt so insulted that he stomped in anger.

"You've been studying for twenty years, yet

you lack basic humanity, so why should I hire you?"

Once he finished his sentence, a burst of vigor radiated to all corners.

In that instant, everybody held their breath.

"We must never forget one's true self! When the Group was facing difficulties, some people think of leaving instead of helping the company." Li Hang said.

"You, you, you and all of you!" Li Hang pointed at the people as they cower in fear.

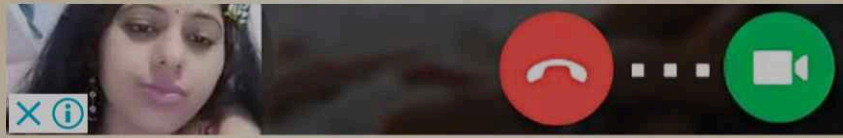

"You may have received great education, but your attitudes are awful."

"From now on, none of you will be hired to work for the Lingxiao group ever again!"

"Go get your money and scram."

When the crowd of people started to leave gloomily, the lady cleaner shouted, "Which one of you put the ashtray here?"

Manager Chen shrinks his neck like a turtle, trying to leave the scene.

Chapter 34 Eat The Ashes

“Hold on a minute,” Li Hang said.

“General Manager Xu has received the funds,” Li Hang told Manager Chen.

“Shouldn’t you keep your promise and eat the ash from the ashtray?”

Manager Chen’s face immediately turned white.

Amongst the crowd leaving was the lady cleaner, with the ashtray in hand.

Under the scrutiny of the crowd, he walked towards the cleaner shakily, and took the ashtray from her.

The lady cleaner then grabbed the ashtray and spat in it.

“You...” Manager Chen couldn’t even finish his sentence. “How dare you spit in the ashtray?”

“And how dare you bully our General Manager! You’re lucky that I did not poop in it. Now eat it!” replied the cleaner.

Li Hang spoke, “You can choose to not eat, but the partnership between the Ning Province Bank will also be terminated.”

“Mr. Lee, don’t! Just eat it!” Someone said.

Gu Xingshun trembled in fear.

He would not dare to disobey somebody like Li Hang.

He stared at Manager Chen. “What are you waiting for? Just eat it!”

Bitterness was plastered all over Manager Chen’s face as he held the ashtray.

He opened his mouth.

“Ugh!”

His face flashed white.

I can't eat that! It's too disgusting!

Especially the sputum that has been mixed with the ash!

Death probably feels better than this!

However, if he doesn't eat it, he's really facing death!

He had to pay for the house loan, car loan, and also his girlfriend's spending. He had to pay his wife's monthly expenditures too!

He gritted his teeth. Finally, he shut his eyes tight and opened his mouth...

With this money, new projects could be started.

Any smaller companies and factories under the name of Lingxiao Group could be gobbled up now.

The profit of Taian Corporation could be doubled within seconds.

At this moment, Cui Tianci hastily entered the room.

Although he had showered and put on clean clothes, he's still emitting a bad smell.

Cui Haifeng pinched his nose as he asked Cui Tianci, "Did you even shower? Why do you have a horrible smell? Why don't you accompany your elder cousin? Where's he gone?"

"He's already left Sheng City," Cui Tianci replied.

"He should have stayed for a few more days.

Didn't he fancy Xu Muqing? They should've hit it off, so that we can get more discounts from the Wong's family," Cui Haifeng said.

Cui Tianci's face grimaced. "Dad, he's been hit."

"What?!" Cui Haifeng was in shock. "Who hit him?"

Cui Tianci said in anger, "It's that jerk Li Hang!"

Cui Haifeng was about to ask for more details when his phone rang.

It's a call from Manager Chen, from The Ning Province bank.

Cui Haifeng's scowl immediately turned into a smile. "Manager Chen, is it finally settled? Tonight, let's –".

"What? The loan has been cancelled?!"

"Why? Oh my god, Manager Chen!"

The smile on his face was destroyed in a split second.

Chapter 35 Cannot Eat It That Is Too Disgusting

The phone rang again before he could react.

This time, it's a call from Citibank.

"Mr. Cui, we've been informed about the bad reputation in your corporation, so we've decided to cancel any fund lendings for your business."

Before Cui Haifeng could answer, they've already hung up.

Cui Haifeng then got more calls from other banks, all wanting to dissolve any partnerships they'd made in the past.

Chapter 36 That Is All Because Of You

After he hung up the phone call from Taian Corporation, he threw his mobile phone to the ground furiously!

“Bastard! Bastard! Bastard!”

“Xu Xiaoyang, it’s you again, you despicable instigator!”

This was the first time Cui Tianci witnessed Cui Haifeng emotionally out of control.

“Dad, what should we do now?”

“Our corporation will have to declare bankruptcy should this were to be continued.”

At this moment, there was a knock at the door.

Suddenly, Huang Lamei opened her eyes while lying down on the bed.

Cui Tianci opened the door and noticed an amiable-looking senior who was wearing a patient’s gown.

It turned out that he was the neighbour living next door.

Chapter 36 That Is All Because Of You

The senior had brought Huang Lamei something and left it at the bedside.

“Lamei, my daughter bought these from the Sheng City.”

“I can’t finish them all by myself, so if you don’t mind, I left some for you.”

Huang Lamei smiled and chatted with the senior for a while.

But, her smile varnished once the senior left the room!

“Grandmother, who was that?”

“Hmph! Just someone who has courted me since I was young.” Huang Lamei smiled coldly.

Cui Haifeng was puzzled.

“I think he looked familiar to me.”

“Did he attend your birthday party?” he asked again.

“Yes.” Huang Lamei nodded her head, “That dirty old man, he has been following me all

these years.”

“In order to get closer to me, he purposely admitted himself into this hospital.”

From Huang Lamei’s expression, there was no trace of affection towards the old man.

Instead, she felt disgusted and irritated!

Huang Lamei turned to Cui Haifeng:” Did you say that our corporation is going to be bankrupted soon?”

Cui Haifeng was speechless; in front of his mother, he was still a child.

“Useless fool!”

Right after shouting at him, Huang Lamei gestured to Cui Haifeng, asking him to move closer.

Cui Haifeng leaned forward immediately.

“Did you hear the old man saying that he has a daughter in Sheng City?”

Cui Haifeng nodded.

“The surname of this old man is Lei and his daughter is Lei Feifei!”

Cui Haifeng was startled!

Lei Feifei!

She was a popular “Big Sister” in Sheng City!

In fact, she was an important character in Sheng City!

All of the sudden, both Cui Haifeng and his son felt a little chilled looking at the old lady.

“In half an hour’s time, this old man will be having his nutritional tube feeding; and then he will take a short nap.”

“You, inject this into his nutritional pack.”

While talking, Huang Lamei took a small glass bottle out from her pocket.

The bottle was labelled “Epinephrine”!

“Mother, this is....”

“Grandmother, if this were to be injected into the old man’s body, he would be

unconscious right?"

Huang Lamei sneered.

She stared at his son and grandson: "I would like to quote what your grandfather used to say. *One must be ruthless in order to be successful!*"

Slightly after half an hour, a nurse shouted urgently from the room next to them.

"VIP patient from Room 3 is having a cardiac arrest; we need to perform resuscitation right now!"

.....

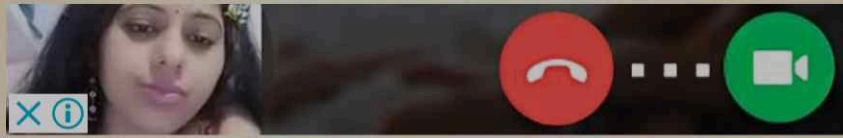

"Ka!"

Li Hang opened up a chocolate box, took a piece of chocolate and ate it right away.

So sweet.

While walking towards Xu Muqing's office, he enjoyed the silky texture of the chocolate.

Li Hang knocked at the door.

“You may come in.”

Xu Muqing did not lift her head. Instead, she was busy working.

“It’s almost 5pm, your work is not done yet?” asked Li Hang.

Chapter 37 Would Not Let You Lift Me

Li Hang walked towards Xu Muqing.

“Would you belittle me?” Xu Muqing looked up and asked Li Hang out of the blue.

“Why would I do that?”

“Because I’m good at nothing.”

Xu Muqing pursed her lips together tightly.

“I used to believe that if I try hard enough, nothing could bring me down.”

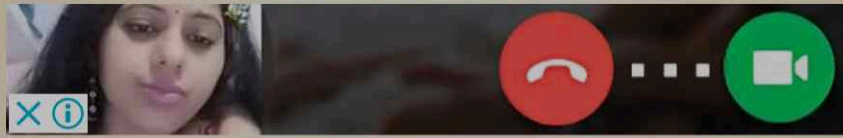

“But now I realise that sometimes, things will just run out of control no matter how hard I try.”

“I’m so disappointed with myself.”

Li Hang grabbed her hand and led her out of the General Manager’s office.

The staffs who were hurrying across the corridor would stop and bow respectfully to Xu Muqing.

All of them have one thing in common-- they all smiled when they saw her.

Chapter 37 Would Not Let You Lift Me

"Have you seen the smile on their faces?"

She nodded.

"And do you know why?"

She shook her head.

"They smiled because of you!"

"Me?"

He didn't answer. They continued to walk until they arrived at the pantry.

They could hear the staff's conversations.

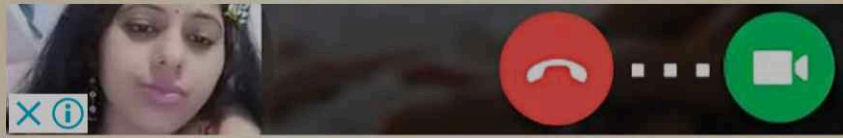

"Don't you guys agree that our General Manager is such a nice person?"

"Of course! She has always been so easy to talk to."

"Everyone's full of enthusiasm here, it's really great to work in the Lingxiao Group."

"Sometimes I wish that she would be harsher on me!"

"Now you know why?" asked Li Hang softly.

Chapter 37 Would Not Let You Lift Me

She nodded again.

“I will keep it up and do all my best!” Xu Muqing held up her fist and said enthusiastically.

“I won’t rely on you forever. One day I’m gonna show the world what I’m capable of.”

Li Hang ran his fingers gently across her slightly messy hair.

“There will be time when the fledgling grows strong.”

“So strong that she will be able to reach the sky that belongs to her.”

“And, I am the sky.”

“Don’t you ever think of leaving me.”

It was supposed to be such a romantic scene, until Li Hang uttered the last sentence.

Xu Muqing gave him an angry look, turned away and left.

Night time. A large manor in Jiang Province.

Huang Zhen, the current head of Huang Family, had just tossed a thousand porcelain vase onto the ground.

“Rubbish, a bunch of rubbish.”

“You can’t even protect my son! And you call yourselves top guards?!”

“Remind me again why would I need you?”

The housekeeper then said, “It’s the cousin from Ning Province, he has something important to tell you.”

“Ning Province?”

Huang Zhen pondered for a while.

Huang Lamei was the aunt of Huang Zhen! Even though she was married to Ning Province, her influence was still too great to be ignored.

Chapter 39 Killed With A Borrowed Knife

Even before coming here, Cui Tianci had made a lot of mental preparation.

But when facing such a horrible person, he couldn't help but sweat a little.

He didn't even dare to take a peek at what was under that dress.

"Mmm, Miss Lei, my grandma was kinda close to your father, in fact they were quite close."

"I know." She answered lightly.

"My dad had brought me to meet her when I was in Ning Province a few days ago."

Lei Feifei's phone rang when Cui Tianci was about to speak.

After a while, she became furious!

"What!?"

"My dad's in a coma!?"

She stood up in an instant. Her face turned pale.

When he saw Lei Feifei's reaction, Cui Tianci was secretly pleased.

Well done grandma!

Lei Feifei's reaction was exactly like what grandma had predicted!

"Miss Lei, did Uncle Lei tell you how did he end up in the hospital?" Cui Tianci asked at once.

"What do you mean?" Lei Feifei asked annoyingly.

"Are you trying to say that my dad was tricked by someone?!"

Lei Feifei's face was too horrifying for Cui Tianci to look at now!

He instantly replied, "Yeah!"

"Uncle Lei was admitted to hospital on the same day my grandma did!"

"They were both irritated by a man named Xu Xiaoyang!"

"Xu Xiaoyang?"

Chapter 39 Killed With A Borrowed Knife

She frowned.

She recognised who Xu Xiaoyang was! They were neighbours!

Lei Feifei had even saved her life once when Xu Muqing was still a kid!

They were inseparable.

According to their age, she was supposed to be her “aunt”.

But Lei Feifei preferred to be called “sister”.

Lei Feifei wouldn't believe it at first that Xu Xiaoyang had done it.

But when Cui Tianci repeated to her what Huang Lamei had said to him, Lei Feifei became more agitated!

“Crack!”

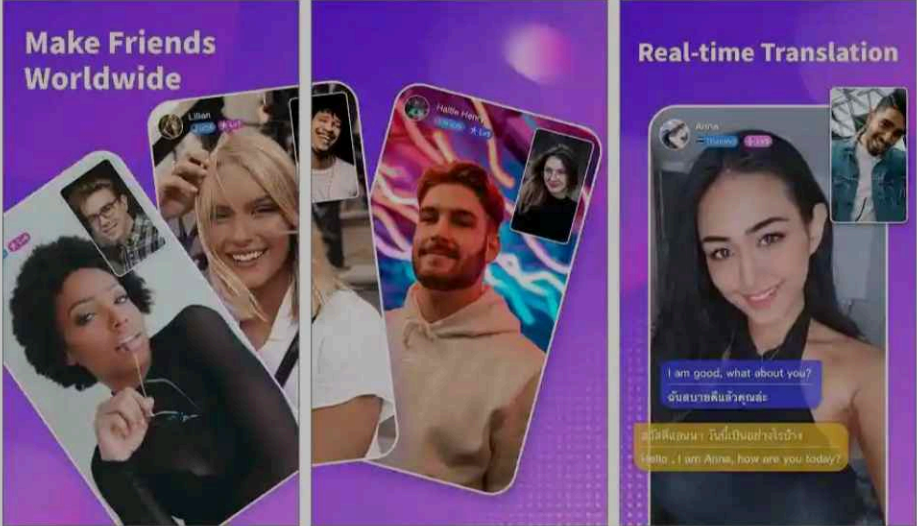

The entire wall mirror was shattered by a teapot!

Her screams punctuated the air.

“Xu Xiaoyang! You son of a b****! You're

gonna pay for this!!”

The distance between Jiang Province and Ning Province was only two hours’ drive via highway.

A Mercedes Benz sped through the road.

More than an hour later; in a sunny community.

Liu Yufen placed a steaming hot Lotus Root soup on the table.

Beside the table, Xu Muqing and her father Xu Xiaoyang were discussing their merger and acquisition project on a micro enterprise.

Liu Yufen couldn’t help but smile when she stared at Xu Xiaoyang’s serious face.

Even though there were signs of aging on his face, Liu Yufen could notice the reignited vigour in him.

“Where is Hao Ran and Hang?”

Li Hang was not there when Liu Yufen opened Xu Muqing’s bedroom.

Xu Muqing answered without looking up.

“They both sneaked out this afternoon, I have no idea what they were up to.” There was discontentment in her response as Li Hang always informed her everything he was up to.

But not today. He was avoiding her.

Liu Yufen pulled Xu Muqing aside and asked in a low voice.

“Are you fighting with each other?”

“Mum, you know I wouldn’t do that!” Xu Muqing pursed her lovely thin lips.

“Who am I to fight with him?”

“He is the reason why our family is doing so good now.”

Liu Yufen glanced at her and touched her head.

“Are you feeling bad?”

She shook her head.

“You are my daughter; you think I wouldn’t know what’s on your mind?”

“Are you thinking that he deserves someone better?”

She bit her lips gently and nodded.

“Feeling is a complicated thing.”

“The way Hang treated you goes without saying. But have you ever wondered why?”

Xu Muqing shook her head but nodded again without saying a word.

“Then stop worrying so much, just be yourself.”

“You can always talk to him if you feel pressured. Have a conversation with him.”

Xu Muqing nodded in earnest.

“Don’t worry mum! I will work harder and harder and.....”

“Bang!”

Suddenly there was a loud knocking noise

Chapter 40 Impulsive Woman

"What are you guys doing?" Liu Yufen pushed Xu Muqing to her back trying to protect her.

"Slap!"

A huge man gave Liu Yufen a big slap.

Liu Yufen covered her face and stepped aside with Xu Muqing.

At the same time, Xu Xiaoyang rushed in limply.

"You guys are trespassing; I'm going to call the police...."

While Xu Xiaoyang was still talking, a huge guy came and smashed him upon the table.

And then another guy pressed his arm down.

He took out a sharp knife and stabbed his hand.

"Thud!"

The knife stabbed through the table.

"What do you want?"

“We didn’t do anything wrong to you, what do you want from us?!”

Xu Muqing wanted to come and help.

But Liu Yufen restrained her tightly.

Both of them were standing against the wall trembling.

At the moment, someone on high heels walked from the outside.

“Cluck, cluck.”

Everyone turned towards the door and saw a tall, sexy woman.

“Aren’t you Aunt Feifei!?”

The moment Lei Feifei heard the word ‘Aunt’, she picked up the bowl of soup on the table and threw it towards Xu Muqing.

Liu Yufen immediately turned to her back and tried to block the hot soup using her back.

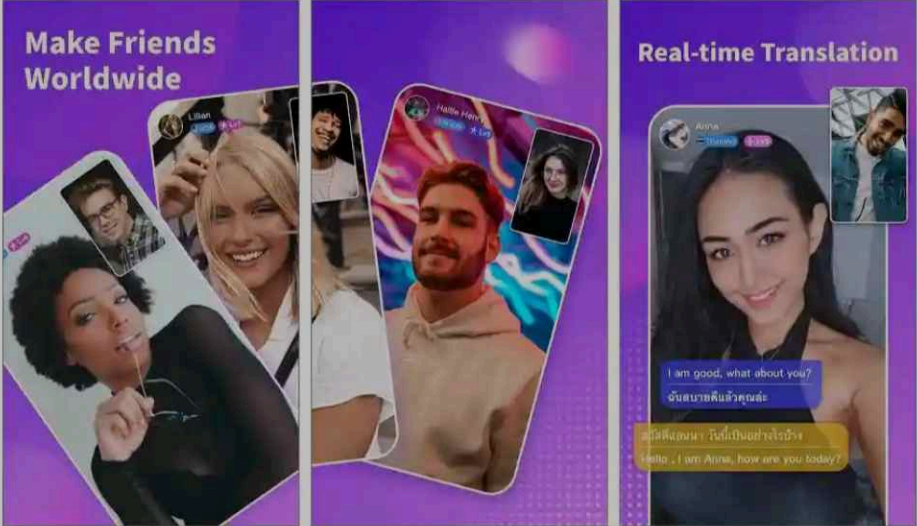

“Mum!”

Chapter 40 Impulsive Woman

She screamed.

Lei Feifei took the knife on the table and walked quickly towards Liu Yufen.

She gripped Liu Yufen's collar and threw her aside.

Soon afterwards, the edge of the knife was right on Xu Muqing's pretty face.

"You have grown up well. No wonder the nasty Liu Delun was so crazy about you!"

"Aunt, I didn't, I"

Xu Muqing had not even finished her sentence as she was pushed towards the wall.

"Cut the crap!"

"You little b****. I never expected that you would be this cunning!"

"I would have let you drowned if I had known about it back then!"

her own life saving her.

Xu Xiaoyang screamed from the table, "Sis Feifei, listen to me, it's nothing like that."

Lei Feifei threw Xu Muqing aside.

She grabbed his head and jammed the knife handle into his face.

"I just want to kill someone now!"

"I'm not interested in all your nonsense!"

Lei Feifei held onto Xu Xiaoyang's hair tightly. Her eyes were full of hatred!

"My dad is in the hospital because of you!"

"His life is in danger but you were all so happy enjoying life!"

Xu Xiaoyang quickly answered.

"Isn't your dad admitted to the hospital on purpose?"

"I talked to him on the phone the day before."
Xu Xiaoyang tried to clarify.

“Still denying. Fine. I’ll just tear off all your faces!” Lei Feifei shouted.

Lei Feifei turned to one of the huge guys beside her.

“Strip off that b**** Xu Muqing’s clothes!”

The huge guy grinned and walked towards Xu Muqing.

When he was about to reach Xu Muqing, a gust of wind came from the outside!

The huge guy’s hand was caught before anyone reacted.

Ah!

Ah!!!

There was a loud scream!

The man who came, threw the huge guy out of the window although he must have had weighted as much as a punchbag!

And they were on the third floor!
