

Chapter 131 Two More Chances

Yao Ruonan did not deny anything.

She nodded, "But he doesn't like me."

Viper blinked, "I heard you were defeated in Ning Province. The person you're thinking of right now - it's him right?"

Yao Ruonan responded, "His name is Li Hang. He's already married - he's actually a live-in son-in-law."

"You really like him?"

"Yes. I want to spend my life with him," Yao Ruonan said without hesitation.

Viper immediately got up. "Then leave it to me."

There were several reasons why the Golden Knife Club was able to dominate the provincial capital.

First, because Master Dao was extremely powerful and fearsome.

He was a well-established lion in the underground world. Nobody dared undermine his place.

Second, the Golden Knife Club had a killing machine.

Chapter 131 Two More Chances

At just 16 years old, he devoted himself to Master Dao. He followed the man everywhere, engaging in fights and achieving great feats.

Everyone in the provincial capital knew that he was Master Dao's champ!

And now, he had come to Ning Province.

Thanks to the efforts of Liu Delun and Li Erniu, Ning Province's underground world had become very unified.

At the same time, many gray-area businesses had been wiped out and replaced by real, legitimate ones.

Li Erniu had become the ruler of Ning Province's underground world.

However, as long as he had time, he would go to the training grounds to train and challenge his limits.

Just then, a thunderous applause was heard on the training grounds.

Simultaneously, Li Erniu and Zhang Pengfei were both running while dragging along with them two huge tires.

They were competing against each other, while

at the same time trying to break the record set by their boss, Li Hang.

They ran and ran, then stopped all of a sudden.

They turned to their right almost at the same time.

A man stood there alone.

A very peculiar man.

He was dressed very ordinarily and looked rather uncouth.

But in his hand was a violin case.

The man moved.

He headed towards Li Erniu and Zhang Pengfei, step by step.

The two men immediately dropped their ropes and grimly stared at this strange man.

"Who are you?" "What are you here for?" Li Erniu growled.

The man who had showed up was Tian Yidao - Golden Knife Club's killing machine!

"Which one of you is Li Hang?"

Chapter 131 Two More Chances

The moment he threw this question, Zhang Pengfei laughed out loud. "Are you taking the piss with us? Why would our boss be here?"

"The two of you must be the strongest among the bunch. I'll give you a chance at survival."

"Join forces, both of you. If you can counter my attacks three times, I'll spare your lives."

Wang Xiaoqi walked over from the side. "Hey, old man, you still asleep or somethin'?"

"Do you have any idea who these two guys are? "They're..."

Before he could finish, Tian Yidao suddenly vanished.

Suddenly, an intense deathly aura enveloped Wang Xiaoqi's entire body.

In almost a blink of an eye, an vicious knife reached for his neck.

Wang Xiaoqi was the last person to join this group.

And so, he spent more time than others training everyday.

At this point, the results of his hard work were

Chapter 131 Two More Chances

paying off and it really showed.

The knife was just about to reach his throat.

Wang Xiaoqi swiftly leaned back, and for a moment he saw a flash of light dangerously cut through the air, barely touching the tip of his nose.

The knife moved so quickly that it couldn't be seen by the naked eye. All Wang Xiaoqi could see was a flash of light.

Then, a strand of hair on his forehead was cut off.

Having been lucky enough to evade that attack, he scrambled to hide.

At this time, Li Erniu and Zhang Pengfei were already charging towards Tian Yidao.

This was their first time joining hands.

They hardly saw eye to eye, but this time they let loose all their energy together.

They both grabbed a metal rod from nearby and charged towards Tian Yidao from each side.

However, a flash of the blade was all that could be seen.

Clank!

He had sliced the metal rods into halves with his knife!

In his hand, Tian Yidao was holding what looked to be a regular iron knife.

Chapter 132 You Could Die

"Two more chances," he said coldly.

At this moment, everyone felt a chill.

Having gone through their training, they thought they had gained much strength.

Of course, comparing with Li Hang, they still had a long way to go.

But they truly thought they had become strong.

Yet, right in front of Tian Yidao, they felt like mere ants waiting to be crushed to death by him!

They could die!

They're all gonna die!

The same thoughts appeared in everyone's minds at this time.

Even Li Erniu and Zhang Pengfei felt this deadly aura.

At this moment, they felt like their throats had been latched by Tian Yidao.

It was as if the Grim Reaper had grabbed them by their throats, never letting them escape. They could do nothing but await their deaths!

Chapter 132 You Could Die

He's too strong!

Aside from Li Hang, this man was the strongest they had ever come across.

So strong that they wanted to give up!

They were like a flock of chickens waiting to be slaughtered!

Tian Yidao let out a cold laugh, and once again lashed out with his knife.

The knife gleamed.

Before Li Erniu and Zhang Pengfei could react, the blade was already approaching their necks!

Fingers. Two fingers suddenly appeared from thin air.

The knife was easily deflected.

Without anyone realizing, Li Hang was already standing beside the two men.

He easily held Tian Yidao's deadly knife between his two fingers.

Tian Yidao's sharp gaze instantly became a horrified one.

Chapter 132 You Could Die

How could this be?

How could someone block his attack with just two fingers!?

Tian Yidao immediately withdrew his knife.

With a twist of his body, he aimed the knife at Li Hang at a speed much faster than before.

A finger - just one finger.

It bent.

It lightly flicked the seemingly deadly knife.

Clang!

The sound resonated across the entire training ground.

Tian Yidao couldn't believe that Li Hang had merely used one finger to fend off his attack!

Impossible! How could such a thing happen!?

Even Master Dao couldn't do such a thing during his prime!

Tian Yidao grabbed his knife and backpedaled, staring at Li Hang. "Who are you?"

Chapter 132 You Could Die

Li Hang said nothing; instead, he beckoned Wang Xiaoqi to come over.

The young chap rushed over, placing a melon seed in Li Hang's palm.

Li Hang aimed the seed at Tian Yidao and flicked lightly.

Suddenly...

Whoosh!

The seed moved like a bullet.

Clang!

Once again, a clear, ringing noise pierced the air.

This was followed by the sound of a blade breaking.

Crack!

The knife that had accompanied Tian Yidao for over 20 years instantly broke! And half of the blade was on the ground.

Pure terror!

Then panic followed.

Chapter 133 Straight To The Point

Horrified, Tian Yidao immediately turned and ran.

Li Hang did not chase after the man; he merely watched him run.

Then, he turned to everyone.

"Imagine your fates had I not come here."

They all lowered their heads.

Such shame!

"Do you think you've worked hard enough?"

"Do you think you could have already conquered the world with your fists?"

"That guy just now - he was nothing but a low-level henchman."

"And yet you were no match for him."

The men were so ashamed that they wanted to bury their heads in the sand beneath their feet.

Li Hang's eyes scanned everyone and said coldly, "Starting today, you will all receive double the amount of training!"

"Yes sir!"

Chapter 133 Straight To The Point

Their response filled the training grounds.

A few hours later, at the Golden Knife Club.

"What!?"

Upon seeing Tian Yidao's broken knife, Viper was shocked beyond belief.

"No wonder!" "It's no wonder Ruonan is into him!"

"To have reached this level of attainment at such a young age..."

"Give him a ladder and he'll easily reach the skies!"

The expression in Viper's eyes changed. He turned and hurriedly left the room.

Left alone, Tian Yidao looked visibly unsettled.

He couldn't stop replaying Viper's words in his head.

After a while, he whipped out his phone and made a call.

A call to another province.

In a very muffled voice, Tian Yidao said, "Mr. Lei,

Chapter 133 Straight To The Point

I accept your offer."

"But on one condition: I will personally kill Master Dao, and I want his granddaughter, Yao Ruonan!"

.....

Su Fanghua had locked himself up in the library of his hillside villa.

It had been three days since he remained indoors.

He felt too ashamed to leave the house.

It was also because his bum was still in pain.

Uncontrollable rage.

Lingering hatred.

Su Fanghua was on the verge of collapsing.

Li Hang! Li Hang! He must kill that bastard! Cut him into pieces!

But for now, Su Fanghua's family had decided to confine him in the villa.

At least until this whole ordeal has passed.

Until people eventually forget.

Only then could Su Fanghua stand in public again.

But in the meantime, what should he do?

He gritted his teeth at the thought of all the humiliation he went through.

Every night, he would think of ways to kill Li Hang.

Ways to torture Xu Muqing.

Just then, his secretary opened the door and stood by it, saying, "Master, Cui Tianci is here to see you."

"I refuse!" "Tell him to buzz off."

Su Fanghua yelled without turning his head.

The woman remained standing, saying softly, "Cui Tianci says he's here to discuss how to solve this current predicament, as well as how to crush Xu Muqing."

Upon hearing this, Su Fanghua immediately turned his head.

"Get him in here at once!"

Chapter 133 Straight To The Point

In Su Fanghua's eyes, Cui Tianci is nothing but trash.

Normally, he wouldn't even look Cui Tianci in the eyes.

But what his secretary just said had managed to captivate him.

At this point of time, Su Fanghua had but one desire.

He wanted to ravage Xu Muqing and murder Li Hang!

Upon entering, Cui Tianci got straight to the point.

"Master Su, I have an idea that will not only destroy Li Hang."

"You'd also be able to toy with Xu Muqing right in front of him!"

Cui Tianci was a godsend!

Su Fanghua remained calm on the surface and asked sullenly, "Speak on it. What do you have in mind?"

Cui Tianci replied bluntly, "Xu Muqing has an older cousin named Zhang Miaomiao. She's

"Zhang Miaomiao's family is full of greed. So long as you give them some money, they'd be willing to betray anyone."

Hearing that, Su Fanghua harrumphed. "Zhang Miaomiao is a whore who sleeps around with thousands of people; what good is she?"

"Master Su, Zhang Miaomiao may be useless, but her mother isn't!" "Liu Honghua is way greedier than her daughter."

"We just need to make sure Liu Honghua remains as a bridge that connects Su Group and Lingxiao Group."

"You can then make use of this collaboration and trick Xu Muqing and Li Hang into coming to Sheng City!"

Hearing this, Su Fanghua's eyes lit up.

Cui Tianci's plan made sense.

Su Fanghua gave his desk a few knocks, his tone becoming less impatient than it initially was.

But he began to sound more urgent. "Continue."

"Aside from Li Hang and Xu Muqing, there's another important person who must come."

Chapter 134 Extraordinarily Precious

"And that person is Xu Muqing's brother - Xu Haoran."

"The kid has no skills or abilities. All he does is dreaming of becoming a star."

"Moreover, he really loves gambling. Master, you can make use of Xu Haoran, separate Li Hang from Xu Muqing, then set up a trap for Li Hang!"

"By then, you'll be able to enjoy the view of Li Hang getting beaten half to death by those you arrange."

"At the same time, you can toy with Xu Muqing in bed, right in front of Li Hang!"

"Excellent!" Su Fanghua smiled wickedly. "Then the matter is set!"

Cui Tianci walked out of the villa smiling, holding in his hand a gold card given to him by Su Fanghua.

He got into his own sports car as a cold smile crept up his face.

"Li Hang and Xu Muqing - I'm going to enjoy this!"

Chapter 134 Extraordinarily Precious

"Mom, I'm home."

Dressed in a branded suit, a pair of sunglasses and shiny leather shoes, Xu Haoran opened the door to his own house.

Liu Yufen had just walked out of the kitchen, bringing with her a plate of vegetables.

"Mom, today I..."

Before he could continue, Liu Yufen set the dish onto the table.

Xu Xiaoyang had just got off work, and was enjoying a rare occasion: watching TV on the couch.

He had been so busy with work, and often had to socialize too.

It had been quite a few days since Xu Xiaoyang last enjoyed Liu Yufen's homecooked meals.

Xu Haoran sat next to his father grinning, "Dad, let me tell you, today..."

"We're about to eat. Go wash your hands." Xu Xiaoyang reminded him.

"OK." Xu Haoran briefly responded.

Chapter 134 Extraordinarily Precious

As he headed towards the washroom, Xu Muqing came out of her own room.

Again, Xu Haoran excitedly started to say to her, "Sis, today I..."

"Mom!" "Isn't he backing yet?" Xu Muqing walked past Xu Haoran, as if the latter was never there.

Then, the door opened.

Li Hang walked in.

"Hang, you're back. Wash your hands and come have dinner." Liu Yufen shouted.

The moment Li Hang entered the house; Xu Xiaoyang got up and smiled at him. "You're home!"

Meanwhile, Xu Muqing hurried over to Li Hang's side, asking what he'd been up to and where he had gone. What had he done? Who had he met?

To put it simply, everyone's attention was on Li Hang.

Just then, a desolate-sounding erhu played on the TV.

Xu Haoran suddenly felt sad.

Chapter 134 Extraordinarily Precious

He couldn't help but follow the music and sang an old Taiwanese song.

"The lives of others are like gold and silver."

"Mine is worth nothing."

"The words spoken by others are like gold."

"But when I speak..."

Before he could finish his miserable song, there was a knock on the door.

Chapter 135 Deteriorating Morals

Liu Yufen gave Xu Haoran a kick. "What are you standing there for?" "Go answer the door."

"Mom!" "My dear mother!" "Can't you see I'm on the verge of tears?" "I'm starting to wonder if I was given to you for free as a baby."

"You weren't a free gift; I found you in a public restroom all those years ago. Got it?" "Go get the door."

Xu Haoran sighed and walked towards the door.

When he opened it, Liu Honghua's family was standing outside.

They had brought with him a fruit basket and some gifts.

Acting as if he saw nothing, Xu Haoran slammed the door.

Bang.

Xu Xiaoyang turned off the TV which was playing the sad erhu music and walked over.

He asked Xu Haoran, "Who was that outside? Why did you close the door?"

Just then, they heard Liu Honghua's voice from

Chapter 135 Deteriorating Morals

outside. "Cousin-in-law, it's me. Open the door."

Upon hearing that voice, Xu Xiaoyang couldn't help but frown.

He opened the door to see Liu Honghua and Zhang Quande carrying gifts in their hands.

Zhang Miaomiao was outside too, smiling pretentiously.

He didn't like this family very much, but they were still relatives.

He invited them in.

After a few words of pleasantries, Liu Honghua explained that they had come to apologize.

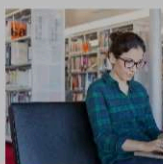

She attempted to settle the conflicts between the two families with a couple of sentences.

The woman talked about how the two families used to be so close back in the day.

She then concluded by stating her wish for Lingxiao Group and Su Group to have a chance at collaboration once again.

This way, Zhang Miaomiao would be able to get a promotion.

Chapter 135 Deteriorating Morals

On the other hand, Lingxiao Group would successfully grow in the provincial capital. It was a win-win situation.

Presently, Lingxiao Group had already established a firm foothold in Ning Province.

Indeed, Xu Xiaoyang had thought of expanding to Sheng City to start new ventures.

Xu Xiaoyang and Xu Muqing had originally hoped to work together with Su Group.

However, Su Fanghua turned out to be different from who they thought he was.

Just over the course of a meal. With that, all the differences in the past had been settled.

Blood is thicker than water, after all.

After Liu Honghua's family left, Xu Haoran quietly walked to Li Hang's side and whispered to him.

"Something doesn't feel quite right about all this."

Before Li Hang could respond, Liu Yufen pulled on her son's ear. "What are you talking about?"
"She's your aunt. Our own relatives will never do us harm."

Chapter 135 Deteriorating Morals

Xu Muqing turned to Li Hang, "What do you think?" "Should we work with Su Group?"

Li Hang took the opportunity to grab his wife's tender hand and place it in his. He replied with a smile.

"The decision is in your hands. No matter what you do, I'll always have your back."

Saying that, he stretched out a finger and gently caressed Muqing's palm with it.

In her heart, Xu Muqing felt like a kitten being tickled lightly. She immediately retracted her hand.

She snapped at Li Hang, "You're a pain!"

"Tsk tsksk..." At the side, Xu Haoran kept shaking his head. "People's morals sure are going downhill!"

At the same time, Liu Honghua got into their Audi.

The car moved slowly on the road.

Zhang Miaomiao was exceptionally thrilled.

"Mom, once you get home, takes all our money and buy the shares of Su Group."

Chapter 135 Deteriorating Morals

Being a department leader, Zhang Quande was much more cautious in doing things.

Chapter 136 Lack Of Human Heart

"Dad, you don't understand!" "We're not going to buy their commons stock; we're buying Su Group's original shares!"

"Mr. Su had specially assigned his own shares to our family."

"If it weren't for our low income, I would've bought more."

Zhang Quande's brows creased. "I still don't get it. Why would the Young Master give us part of his original shares?"

Zhang Miaomiao sneakily said, "Dad, let me tell you. The Young Master is into Xu Muqing."

Before Zhang Quande could respond, his wife shouted, "Really!?"

"It's true. It was because Mr. Su is interested in Xu Muqing that he decided to collaborate with Lingxiao Group."

Upon hearing this, Liu Honghua's eyes lit up.

She immediately said to her husband, "Hurry up and take out the deed to our house."

"For what?" Zhang Quande was stunned.

"For what else?" "To get a bank loan!"

Chapter 136 Lack Of Human Heart

"Call up your old friend and have him send over the money within three days."

"Since the Young Master went out of his way to transfer his original shares to us, we're going to buy more, or buy none at all!"

Zhang Quande hesitated. "But Xu Muqing is already married!"

"And the young couple is doing pretty well too. If we do this..."

"Shut up!"

"What do you know?" "For a nobody like Xu Muqing to be able to reach the Young Master, it would be a blessing!"

"I'm her aunt and I'm doing this for her sake. She will surely thank me for it."

While driving, Liu Honghua became more and more excited. "This time, we're gonna be filthy rich!!"

The next day, Su Group sent a team over to Ning Province for a business negotiation, as Zhang Miaomiao had predicted.

The discussion went on very smoothly.

The Group also invited Xu Muqing and her team over to the provincial capital for a study visit in three days.

Xu Muqing was an alumna of a university in the provincial capital.

So the place was not foreign to her.

On the other hand, it was going to be Xu Haoran's first time visiting. He was so excited that he couldn't sleep all night.

The two siblings had different reasons for visiting the provincial capital.

The young man was invited by a film and television company there to take part in an audition.

Upon reaching the provincial capital, Xu Muqing and her team started busying.

Under Su Group's arrangements, they rushed around and inspected every area.

Having remained by her side all this while, Li Hang could see his wife improving day by day.

Ring ring!

Li Hang and Xu Muqing were in a conference

room.

A phone call had interrupted their meeting.

Li Hang took out his phone and turned to leave the room.

The call came from Xu Haoran.

The moment Li Hang answered; he heard his brother-in-law's screams.

"Brother-in-law, come and save me!"

This didn't sound like an act.

Shortly after, over the phone came a man's rough voice.

"Hey punk, if you want to save your little brother-in-law, comes over with 1 million in cash."

"If you don't get here in 10 minutes, I'll chop this guy's ears off and have them delivered to you."

After an address was given, the call was immediately cut off.

Li Hang broke the news to Xu Muqing, and the two immediately headed downstairs.

Chapter 136 Lack Of Human Heart

Upon reaching the underground parking lot, instead of using Xu Muqing's car, Li Hang walked towards a Toyota MPV.

Li Hang opened the car door and took a seat.

Li Hang bluntly replied, "I knew you've been lurking somewhere in the shadows ever since I arrived."

"You used seven different cars to follow me. Do you want me to recite all the plate numbers?"

Yao Ruonan thought to herself:

When did my stalking abilities become this bad?

No - he's just too sharp!

As expected of the man I love!

Li Hang gave her a phone number. "Help me find out the owner of this number, as well as the one giving him orders."

Who else would dare order Yao Ruonan around?

Only Li Hang would!

Chapter 137 How Did You Know I Was Here

It didn't take her long to get the info Li Hang wanted. "This man goes by the alias 'Wild Dog'."

"He used to mingle with Zhang Quanwu."

"After Zhang Quanwu was disposed of, this man led several dozens of brothers and sought refuge with Dong Biao, one of the Four Kings."

Hearing that, Li Hang frowned. "Who is behind Dong Biao?"

"The Su Family!" Yao Ruonan immediately replied.

At this very moment, inside an abandoned slaughterhouse on the outskirts of Sheng City.

Almost 200 men had gathered here.

The Wild Dog was riding high after he began to follow Dong Biao, one of Sheng City's Four Kings.

Presently, only two of Sheng City's Four Kings remained.

Many territories had become unoccupied and surely there will be a huge fight in these areas.

Chapter 137 How Did You Know I Was Here

As long as the Wild Dog and his 200 brothers remained loyal to Dong Biao, he could eventually rise up to become a somebody like Zhang Quanwu.

The man was ecstatic at the thought of this.

"Bastard! You're a dead man!"

Xu Haoran yelled from above.

He was hung upside down.

The young man was hanging in the air like a piece of meat.

Directly underneath him was a wooden shelf.

There were over a dozen sharpened iron pipes attached to it.

If Xu Haoran fell, the pipes would immediately stab into his body.

"When my brother-in-law gets here, you'll all be done for!"

He was then instantly beaten up by several thugs nearby.

Chapter 137 How Did You Know I Was Here

A few whips and he became docile.

"Punk, weren't you shouting happily just a while ago?" "Come on, yell some more!"

Xu Haoran stared right at the thugs and shouted, "You bastards!" "Touch me and my brother-in-law won't forgive you!"

Xu Haoran was serious, but the thugs just laughed even louder instead.

Especially Wild Dog, who was sitting on the couch.

He laughed while holding on to a woman with crazy hair colors.

"When your brother-in-law gets here, I'd like to see what he can do."

One of the thugs immediately began to butter him up. "Brother Dog, I heard from the others that your darts never miss."

"How about when this punk's brother-in-law arrives, we tie him to a turntable and have you grace us with your dart-throwing skills?"

Chapter 137 How Did You Know I Was Here

"Sounds good. And after getting rid of these two scums, we'll go get wasted in a nightclub - my treat!"

All the thugs cheered in excitement.

Just then, two men hurriedly entered the house.

"Brother Dog, they're here."

The Wild Dog remained seated, waving his hand, "Go. Bring them over."

A group of thugs enthusiastically left.

At this time, Li Hang had just gotten down from the Toyota.

Yao Ruonan was about to get out of the car too, but Li Hang kept her door shut.

"Stay here and watch the car."

Chapter 138 Save Me Brother In Law

Having said that, Li Hang stepped forward and headed towards the gate of the slaughterhouse.

Not even a few steps in, he was already surrounded by several dozen men.

Leaning on the car window, Yao Ruonan fixed her gaze on Li Hang's back.

He stood tall and straight.

His pace was calm and steady.

Among the large group of menacing-looking hooligans, he looked like a blade of grass on the sidewalk; an ant in the cracks of a rock.

A dozen men took the lead, charging at him with a roar.

Bam!

Bam!

Bam!

They had just come close, but were immediately sent flying.

Accompanied by more cries, the men came rushing up, screaming while waving their clubs.

Two fingers!

Two straight, pale-looking fingers had easily stopped the dart from coming even closer.

Clap, clap, clap!

The Wild Dog applauded as he stood up from the couch.

"Not bad. Not bad at all, kid. You actually managed to catch my dart."

He and his remaining hundred thugs and slowly began to surround Li Hang.

He played with a dart between his fingers.

Chapter 138 Save Me Brother In Law

He collided with Xu Haoran mid-air, and they both fell to the ground.

"Brother-in-law, I know you're in a rush, but how could you do this to me?"

Xu Haoran stood up. "I almost died just now!"

The moment he got up, he was horrified by the spectacle in front of him.

Chapter 139 Cousin You Lied To Me

At this moment, Li Hang was already in a brawl with the group of thugs.

It was a one-sided battle!

Li Hang was like a dragon - none of the hooligans could evade his punches.

One punch after another!

Straight onto the flesh!

All that could be heard were moans of pain and the sounds of bones breaking.

He's too ruthless! He's too strong! Is this guy really human?

In an instant, the 100 men who charged at Li Hang were now beaten to the ground.

The agony!

The howls of pain!

All the sounds meshed together were like background music to Li Hang.

He slowly and blankly walked towards the

On the screen, Su Fanghua looked confused.

"What happened?" "What's going on?" "Why can't I see anything?"

Li Hang stood over the phone and looked at Su Fanghua on the screen.

Seeing Li Hang again, he laughed.

"Hahaha!" "I didn't think you could fight so well, Li Hang." "You actually cleaned up this bunch of hooligans so easily."

"But what's the point?" "Your wife has just arrived."

"Do you hear the sound of water coming from my bathroom?"

"In a while, I'll give your woman a nice bubble bath."

"Then, I'll lick her all over..."

Before he could finish, Li Hang had already lifted his foot and crushed the phone with it.

Su Fanghua mercilessly threw his phone onto the ground.

With a cold smile, he turned to the bodyguards next to him.

"Let's go downstairs and welcome Ms. Xu!"

Just then, a car slowly stopped in the villa's courtyard.

Xu Muqing and Zhang Miaomiao got down from the vehicle.

Xu Muqing looked at the villa entrance and couldn't help but wonder.

"Strange, why haven't Mr. Chen and the others arrived yet? Their cars aren't here." "They were right behind us just now."

"Maybe we drove too quickly. Let's just enter the villa and take a look."

Saying that, Zhang Miaomiao was about to grab her cousin's hand.

But Xu Muqing cautiously stepped back.

"Cousin, I think we should just wait here by the door."

"Besides, it's Mr. Chen's villa. It's not polite of us to go inside without the owner's permission."

Zhang Miaomiao had tricked Xu Muqing into coming all the way here. By now, she no longer felt the need to keep an act up.

She laughed, "Mr. Chen only earns tens of thousands a month."

"This is the most expensive hillside villa in Sheng City; each one costs over 200 million. Do you think Mr. Chen can afford it?"

"To be honest with you, this villa belongs to Young Master Su. He's already waiting for you inside. Let's go in."

The moment she heard this villa belonged to Su Fanghua, Xu Muqing immediately walked back towards the Mercedes Benz.

Zhang Miaomiao scorned. "How many times have you been deceived by me since we were young?"

"Every time I talked to you nicely, you would believe me. You're as dumb as your mother!"

Zhang Miaomiao could no longer put up an act. A hideous smile showed on her heavily Botoxed face.

"I don't understand, Xu Muqing. What good is a live-in son-in-law like Li Hang?"

A confident smile appeared on his handsome, pretty-boy face.

He felt an itch in his heart the moment he saw Xu Muqing.

How he yearned to hold her tightly.

To grab her.

To walk all over her and ravage her!

"Xu Muqing, I'm giving you one last chance."

"Come into my arms obediently, and I'll forget everything that happened in the past."

"I'll not only give you the best things in life, but help you in your career too."

He couldn't resist any longer!

"I refuse."

Those two words left Xu Muqing's lips without a hint of doubt.

Any woman who saw him would throw herself into his arms and try to win his attention.

Except for Xu Muqing!

And only Xu Muqing!

"What are you all standing there for?" "Take Ms. Xu into my room at once!"

At Su Fanghua's orders, several bodyguards came up to her.

One of them was especially quick.

He sped towards the front of the car, reaching out to catch Xu Muqing.

Suddenly, the door that was tightly shut opened up.

The female driver, Chen Guo, forcibly rammed the car door into the bodyguard.

"After them! Take them both to my room!"

At his orders, the guards ran up to them shouting.

To them, even if Chen Guo could fight, she was still just a girl.

How could she be any match for a bunch of grown men?

And yet, one by one, they were beaten to the ground by that girl.

She wasn't just a girl; she was a tigress.

The men clutched their wounds, wailing on the floor.

Clap, clap, clap!

The applause came from Su Fanghua, who had watched the entire ordeal.

He could already somewhat picture the exciting scene of the two women lying in his bed, beckoning him with their bare bodies and letting him do whatever he wanted with them.

As he spoke, two men appeared behind him from both sides.

One was tall; the other was short. One was fat; the other was thin.

Su Fanghua said, "Allow me to introduce these two."

He pointed to the taller, thinner man on his left. "This is Master Gong. He specializes in leg-based martial arts. In just one kick, he can destroy even a security door."

"The one on my right is Master Song. He has practiced the Golden Armor Technique for more than 20 years. Any knife that slashes him would never leave a mark on his skin!"

Disdain showed in the martial artist's eyes.

The collaboration between Lingxiao Group and Su Group fell through due to Su Fanghua's death.

As Xu Muqing and her team left their hotel to head home, Su Zhengguo was sitting in Master Dao's Golden Knife Club.

"What? Master Dao doesn't wish to see me?"

Su Zhengguo quickly got up and faced Viper. "Did you not tell Master Dao that I'm Su

Viper gave a half-smile. "I did, but the Master refuses to meet anyone."

"Since he won't see me, then will the Second Master help me issue a bounty?" "I want Li Hang's entire family murdered! Name your price!"

"Mr. Su, without the approval of Master Dao, subordinates are not allowed to call any shots. Why don't you come back in a few days?"

"I can't even wait an hour! If this goes on, those bastards will have already returned to Ning Province!"

But no matter what Su Zhengguo said, Viper could do nothing but wave him off.

Before Su Zhengguo could respond, the man continued, "Master Dao is old now. He can't make the best decisions."

Chapter 144 White Eyed Wolf

"I'm a fighter. I'm not good at beating around the bush, so I'll get straight to the point. I've wanted to take Master Dao's place."

"I've already contacted Lei Wujia."

Upon hearing Lei Wujia's name, Su Zhengguo gasped.

"Lei Wujia?" "The leader of Huang Hai province's underground world!?"

"I didn't know that you were also acquainted with Chief Lei," Tian Yidao smiled.

Su Zhengguo shook his head, "I'm not, but I've heard too many rumors about him."

"Calling him to our province is like leading a wolf into our room."

"No, they're not wolves - they're tigers who eat everything without leaving behind any bones!"

Tian Yidao laughed, "So?" "As long as I can achieve my goal, who cares what he is?"

"As for Li Hang, I'll have his entire family's heads after I'm done with Master Dao!"

Not long after Li Hang and the others returned to Ning Province, the Golden Knife Club closed

A huge earthquake!

A tremendous earthquake, after more than 20 years of stability in Sheng City!

Master Dao was ambushed and heavily injured!

At the same time, rumors swept the entire underground world.

Chief Lei had come!

Real name: Lei Wujia - leader of Huang Hai Province's underground world!

Lei Wujia's father, Lei Kuang, was a slayer!

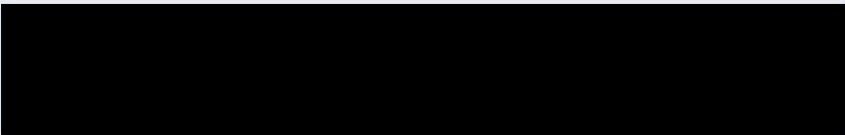

He became an expert before he turned 15, and by 20 he was invincible.

He bore 5 sons, all with ruthless characters.

Since young, the sons had recklessly killed, burned and looted.

Pure wickedness!

He eventually led his men to invade Jiang Province, but Boss Tiger and Master Dao joined forces to fight against him.

Chapter 144 White Eyed Wolf

It was that year when Boss Tiger personally killed Lei Kuang.

Master Dao also murdered Lei Wujia's two brothers with his golden blade.

They were forced to retreat back to Huang Hai!

Who would've thought that after all these years, Lei Wujia would once again infiltrate Jiang Province!

This time, there was no Lei Kuang.

But Lei Wujia was much stronger than his father!

In today's Jiang Province, Boss Tiger had retired and was no longer part of the underground world.

Whereas, Master Dao was lying on his bed, heavily injured.

Who would be able to stop the formidable Lei Wujia now?

20 cars and 30 buses headed straight for Jiang Province from Huang Hai province like a monstrous flood.

Sheng City's underground world was in chaos!

Chapter 144 White Eyed Wolf

Immediately, one of the Four Kings, Dong Biao, courteously invited Chief Lei into Sheng City like an obedient grandson.

Sheng City's underground world originally relied on Master Dao's small forces.

Anyone who spoke wrongly would be instantly obliterated!

Reign of terror swept across the entire underground world of Sheng City!

Zhang Quanwu and his two brothers, Zhou Cheng and Black Panther, were currently recuperating in one of Sheng City's hospitals.

Their bodies had recovered a bit.

Zhang Quanwu and Zhou Cheng could now walk.

The two brothers, Zhang Quanwu and Zhou Cheng, were discussing their future plans.

Suddenly, a group of men aggressively walked in.

"What are you doing?" "Do you know what this place is?" Zhou Cheng shouted in anger.

A man who was so thin that he looked like he

could be easily blown away, entered.

The moment he saw the man, Zhang Quanwu's pupils dilated in fear.

Just as he was about to alert Zhou Cheng next to him, the skinny man shook his own arm slightly and a knife came out of his sleeve.

He grabbed onto the knife and slashed at Zhou Cheng.

Instantly, a bloody opening formed on his neck.

Fsshhh!

Fresh blood sprayed out like a water pipe that had just been cut open. Zhou Cheng's head tilted.

He was dead.

Just like that, Ning Province's fastest swordsman died - under the hands of someone whose name he didn't even know.

Lei Wuyi!?

Zhang Quanwu shouted the opponent's name in horror.

Lei Wuyi smiled coldly.

He glanced down at Zhang Quanwu from above. "I'll give you a chance. Bow down to me and become my dog."

"Are you f***ing kidding me? I'd rather die than serve you!"

Zhang Quanwu yelled at the man.

He quickly took a sword from underneath his own pillow.

With whatever strength and speed he had left, he slashed at Lei Wuyi.

Clang!

Lei Wuyi easily blocked the attack. "This is what they call one of the Four Kings?" he laughed.

The knife in his hand flashed like a light.

Instantly, Zhang Quanwu's head wobbled slightly, and then fell off his neck, completely detached.

"Since Master Dao hasn't woken up, the only person we can call for help is Boss Tiger!"

Yao Ruonan's eyes lit up. "Right! Find him!"

A few hours later, in Ning Province.

Yao Ruonan sat impatiently in Boss Tiger's living room.

The man slowly poured her some tea and smiled.

"Calm down. Before your Second Grandpa died, he had sent me a short letter."

"I already know who attacked your grandfather."

"As for his wounds, there is one person who can heal him."

Hearing those words, Yao Ruonan breathed a long sigh of relief.

She said to Boss Tiger, "Grandpa Tiger, you're the only one who can save us now."

Chapter 146 | I Want Revenge

"Please come back to Sheng City with us. As long as you're in the Golden Knife Club, Lei Wujia wouldn't dare show up."

"When Grandpa recovers, that man will retreat for sure."

"And peace in Sheng City's underground world will be restored."

Boss Tiger suddenly laughed loudly, "Silly girl!"

"Lei Wujia has already taken a huge risk by doing all this."

"Your grandfather might wake up." "But that certainly doesn't mean the man would leave."

"Rather, he would join hands with his two maniac brothers and bite your grandfather to death."

Hearing this, Yao Ruonan replied, "Then it's even more crucial that you come with us to Sheng City."

Boss Tiger shook his head. "Jiang Hu has Jiang Hu's rules. This matter is beyond my control."

He continued before Yao Ruonan could speak, "But, I can introduce someone to you."

Chapter 146 | I Want Revenge

"Who?" Yao Ruonan asked quickly.

"Do you still remember the man you kept looking for in the banquet hall?"

Boss Tiger's question caused Yao Ruonan to involuntarily think of Li Hang.

"Boss Tiger, I know Li Hang is powerful. I can't defeat him. But is he really strong enough to fight against Lei Wujia?"

"He's not."

Hearing that, the woman couldn't help but sigh.

But, Boss Tiger's next words stunned her.

Chapter 147 Ant VS Dinosaur

"Because Li Hang is a mere ant in front of someone like Lei Wujia," the old man continued.

"Do you think an ant is any match for an elephant--" "No!" "Do you think a small ant is any match for a T-Rex?"

At this time, Li Hang was quietly sitting by the training grounds.

He watched Li Erniu, Zhang Pengfei and the others train diligently.

Tian Yidao had made a huge impact on them.

Because of that incident, training increased for this bunch of wolves.

Durations became longer.

Naturally, the whole process became tougher too.

But from that, it was very clear that they were improving.

Liu Delun remained standing, despite there was a chair right beside.

He was anxious, to the point that he looked a bit scared.

Chapter 147 Ant VS Dinosaur

"Sir, Lei Wujia really went at it this time and Master Dao has been taken out by Tian Yidao. Looks like things are going to be real bad."

"If Sheng City's underground world falls into Lei Wujia's hands, then it'll be trouble for us here in Ning Province too!"

"Why are you panicking over a bunch of jesters?" Li hang asked coolly.

Liu Delun was speechless.

But it was Lei Wujia!

Leader of Huang Hai Province's underground world.

There were thousands of underlings within his palm.

Lei Wujia himself was a monster - a vicious tiger.

Yet, Li Hang merely described them as clowns.

Liu Delun knew how powerful Li Hang is.

But, their own people were too few.

If a fight broke out, Ning Province would definitely be taken control of!

Liu Delun cautioned, "Sir, Lei Wujia is known to have been a monster since young."

"His two brothers also kill without a thought. If they were to come to Ning Province..."

Before he could finish, Li Hang suddenly lifted his finger and pointed to Chen Guo, who was training hard.

"What's your impression of Chen Guo?"

Liu Delun was stunned for a moment. He couldn't understand why Li Hang would suddenly bring up the woman.

He gave it a thought. "Back then, she was just a village girl who could endure much hardship."

"But now, everyone secretly calls her a tigress."

As Liu Delun said this, Chen Guo used her two hands to drag along a large tire.

She roared as she dragged it.

With that posture, appearance and aura, she really looked like a tigress.

For the past few days ever since returning from Sheng City, Chen Guo would train diligently as long as she had the time.

Chapter 147 Ant VS Dinosaur

She was already running faster than Zhang Pengfei.

Li Hang asked coolly, "If Chen Guo were to fight Lei Wujia, do you think she'd win?"

Liu Delun was shocked by the question. "How could Chen Guo beat Lei Wujia!?" he naturally answered.

"In the entire underground world, the only person who can compete with that guy is Master Dao."

"Even Tian Yidao, Master Dao's prized pupil, is no match for Lei Wujia!"

"Then what if I told you that Lei Wujia would surely die by Chen Guo's hands?" Li Hang bluntly asked.

Liu Delun was dazed.

How is that possible!?

Don't even think about Lei Wujia; imagine Liu Delun getting into a fight with Chen Guo.

The woman would still be no match for him!

But Liu Delun gazed at Li Hang's calm demeanor.

Chapter 147 Ant VS Dinosaur

He knew that Li Hang would never lie.

But why?

Why would Lei Wujia die if he were to go against Chen Guo?

Just then, a Toyota MPV slowly approached.

The door opened, and out came Yao Ruonan.

Chapter 148 Help Me And I Will Marry You

Yao Ruonan was shocked by the sight in front of her the moment she got out from her car.

She had begun training under Master Dao since she was 6.

She had always thought she could endure intense hardship.

But seeing the people in front of her really jolted her.

Are they all crazy? Do they not want to live?

Even an elephant wouldn't be able to withstand such training methods!

She looked at Chen Guo who was dragging two large tires.

There was no way Yao Ruonan could run as quickly as her.

At the same time, Tian Mingqiang saw Li Erniu.

Li Erniu was running in the mud while carrying 200kg worth of weights.

One step in and the mud went all the way up his waist.

Even so, he kept running.

Chapter 148 Help Me And I Will Marry You

He was like a farm tractor plowing soil!

Tian Mingqiang, too, was shocked by Li Erniu's training methods.

He and Yao Ruonan looked at each other.

They both had a look of horror in their eyes!

"Li Hang, lend me a hand!"

"Please save my grandfather! Boss Tiger said you can cure him."

Yao Ruonan begged for help the moment she went over to Li Hang.

"Too busy," Li Hang replied nonchalantly while cracking sunflower seeds.

Yao Ruonan started to panic.

She hurriedly stood in front of Li Hang, blocking his view.

"If..." "If you help me this time, I'll marry you!"

Saying those words took Yao Ruonan a great deal of courage.

Li Hang's expression remained unchanged. He responded in the same tone as before.

"Not interested."

Standing beside him, Liu Delun was about to go nuts.

Deep down, he couldn't stop shouting.

Sir, this is the granddaughter of Sheng City's Master Dao!

Marrying her means you'd have the entire Sheng City's underground world in your hands!

Yao Ruonan not only had a beautiful face. She had an amazing figure.

Any normal man would surely take her up on her offer.

But Yao Ruonan did not expect Li Hang to respond this way.

She bit her own lip.

"Then what do I have to do to get you to help me.?"

Li Hang pointed towards Chen Guo, who was not far in front of him.

By then, Chen Guo had already successfully dragged the two tires to the finish line.

Chapter 148 Help Me And I Will Marry You

Then, she buried her own face into a washbasin.

"If you can surpass her in that training program, I'll help you."

Yao Ruonan gritted her teeth. "I'll do it!"

.....

At the same time, in the Miao Family villa.

"Dad, this is a golden opportunity for our entire family."

"The entire underground world is in chaos."

"Lei Wujia's intervention has reshuffled Sheng City's underground world."

"We can use this chance to have a piece of the pie."

"With activities in both the outside and underground world, our business will surely grow - surpassing the Su Family won't be just a dream anymore!"

"Ever since I was young, you've always told me about your dream."

"And that is to surpass the Su Family! Now the

chance has finally come!"

Hearing Miao Le's words, Miao Xiaodong was captivated. He excitedly asked, "What are we going to do?"

"I heard from Dong Biao that Lei Wujia had left Sheng City on short because something came up back home."

"He left behind Lei Wuyi, and at the same time, sent his only son Lei Yiming over to Sheng City."

"Lei Yiming has just arrived. I'll invite him over to dinner at once!"

Saying that, a cunning look appeared in Miao Le's eyes.

"It's just that you might go broke from today's dinner, Dad."

Miao Xiaodong nonchalantly waved his hand. "Whether or not our family makes it depends on this moment. It doesn't matter how much we spend."

Miao Le smiled and said nothing.

A few hours later.

Miao Le personally chauffeured Lei Yiming and Lei Wuyi in a luxurious car, heading towards the Miao Family manor.

Lei Yiming exited the car. He looked around and let out a cold snort.

"I thought it'd be some fancy place, but looks like there's nothing special about it."

Miao Le courteously brought the man into the manor.

Miao Xiaodong had been awaiting their arrival.

"Welcome, Young Master Lei! It's an honor to have you."

Lei Yiming swaggered into the house, barely acknowledging Miao Xiaodong's presence.

Lei Wuyi continued to follow closely behind.

Their eyes were like daggers, which made Miao Xiaodong very uncomfortable.

But the old man still continued to force a smile.

"Hey, I'm a busy man. I don't have much time to play with a geezer like you." "If you have any interesting things to show me, do it quick."

"Alright, alright. I will have someone bring it out at once for you."

Miao Xiaodong was a collector.

He normally enjoyed collecting antique calligraphy and paintings.

At the clap of his hands, the sound of heels was heard from upstairs. Click, clack. Click, clack.

An elegant young woman in a traditional Chinese dress began to appear.

She had a slender waist and a large bosom. She walked down the stairs carrying a wooden pallet in her hands.

On the pallet was three pieces of treasure worth more than 10 million in total.

But Lei Yiming's eyes were not on those things.

He was staring at the woman's curvy figure.

"Hmm, not bad."

Upon hearing that, Miao Xiaodong breathed a sigh of relief.

The three treasures on the wooden pallet were his prized possessions.

Normally, he wouldn't even bring them out for his best business partners.

The old man said to Lei Yiming, "Since you like it, why not take a closer look?"

Lei Yiming immediately got up and walked over.

Miao Xiaodong quickly explained from the side. "This one in the middle is an Emerald Praying Mantis. Ten years ago, I spent 8 million to..."

Before he could finish, Lei Yiming grabbed the pallet and overturned it.

"What's there to see about that!? I'm talking about this beauty here!"

He opened his arms and proceeded to embrace the curvaceous young woman.

Chapter 149 No Bottom Line

"Heh heh heh, you're not bad, old man Miao. You went out of your way to prepare what I like."

Standing there, Miao Xiaodong was so horrified that he turned pale.

He immediately explained, "No, no, no! She's my trophy."

"Trophy?" Lei Yiming laughed as he stretched out his hand and grabbed one of her bums tightly.

The woman screamed, "You're hurting me!"

"She really is a trophy!"

Without another word, Lei Yiming carried the woman upstairs.

Miao Xiaodong quickly shouted, "No, no! She's my wife!" "She's my wife!"

Lei Yiming turned and said to the man, "From today onwards, she isn't anymore."

"Hahahahahah..."

"Master!" "My Lord!" "Save me!" "Master!"

Chapter 150 Give Me The Hands Of Li Hang

The woman relentlessly struggled in Lei Yiming's arms.

Yet, the more she struggled, the more Lei Yiming laughed.

He carried her upstairs, all the while looking at Miao Xiaodong!

Miao Xiaodong wanted to chase after him, but Lei Wuyi had blocked the entrance to the staircase.

Miao Xiaodong, a tycoon having dwelled in the business world for so many years, could do nothing but step back the moment he locked eyes with Lei Wuyi.

He was afraid.

Because right at that moment, he could feel a murderous aura.

Sitting on the couch, Miao Le laughed.

His laughter turned increasingly dark.

That woman was the mother of his brother, Miao Zihao.

After Miao Zihao died, this woman had been yapping about how she wanted another child.

Chapter 150 Give Me The Hands Of Li Hang

But from today onwards, even if she had a son, his surname would be Lei!

Miao Xiaodong walked quickly towards Miao Le and bellowed at him.

"This was your plan all along, wasn't it!?"

"Dad, ever since I was young, you told me not to bother about the small details."

Miao Xiaodong was so furious that he turned red. "He's your stepmother! Your mom!"

"She was, but not anymore."

"Besides, she's just a woman."

"With your status, you could just spend several million more and get yourself another young woman to marry you."

"Besides, can't you hear how much fun Young Master Lei is having?" "Even my ex-stepmother seems to be really into it."

The door to the room upstairs wasn't closed.

Lei Yiming had purposely left it open.

He enjoyed turning other men into cuckolds while letting them hear it happen at the same

time.

Initially, it sounded very chaotic upstairs.

The woman could be heard screaming "stop".

But some time passed.

She soon began to add "don't" before "stop".

Lei Yiming was like a mad bull, plowing non-stop.

Downstairs, Miao Xiaodong had a terrible look on his face and could do nothing but cover his ears with his hands.

The woman's screams could still be heard.

Shortly, Lei Yiming haughtily walked back downstairs while fastening his belt.

With a satisfied look on his face, he sat in between Miao Xiaodong and Miao Le.

Patting the old man on the shoulder, he said, "Mr. Miao, I must praise your methods. This woman really suits my taste. She'll be mine from now on."

Arrogance.

Such arrogance!

Such was the character of Lei Wujia's son - future king of Jiang Province's underground world!

Miao Xiaodong could only gulp and nod his head.

Suddenly, Lei Yiming let out a huge laugh.

"You're funny, old man!" "I'm just joking with you."

"She's your wife. How could I take her away?"

"Just let me have her for a few days. When I leave, I'll return her to you."

"In return, tell me all the names of your family's enemies. I'll send my men over and destroy them!"

Those were the words Miao Le had been waiting for.

"Speaking of the Miao family's enemies, there is indeed one in Ning Province."

brother was killed by him."

The woman who was ravaged by Lei Yiming earlier had put on her clothes and come back down.

Hearing what Miao Le said, she enthusiastically flung herself at Lei Yiming.

Completely pressing her petite frame on the man's body, she talked to him with tears in her eyes.

"Young Master Lei." "Please avenge my son. If you kill Li Hang, I'll let you do anything you want with me!"

While speaking, she deliberately rubbed her soft body against Lei Yiming's.

The tension Lei Yiming had just gotten rid of immediately rose again.

He picked the woman up and quickly walked towards the study room nearby.

While doing so, he said to Lei Wuyi behind, "Uncle Wuyi, get Six to bring his men to Ning Province. Bring back the hands of the man named Li Hang!"
