

Li Xubo lifted his head and gave him a sweeping gaze. "We are on a group business trip, and you want your cousin to follow us? I haven't pursued this matter with you yet, and now you want me to help you out?"

"Manager Li, my cousin had no other alternative..." Zhang Hongfeng looked embarrassed. "My cousin has lost her job in Wuhan, and she is not in a good mood. I am afraid that something will happen to her if I leave her alone."

"No other alternative?" Li Xubo smirked. "Let me make this clear. This time, the matter is of utmost importance, yet look at the trouble you caused us! What were you thinking?!"

"I am sorry, Manager Li! I was not considerate enough in this matter... We have a tight schedule to maintain for the job this time, and I don't wish to delay this matter. I beg you. Please tell the staff on the airplane not to chase my cousin down the plane..." Zhang Hongfeng was already pleading with him.

"Chase her down the airplane? Hmm, that is impossible." Li Xubo smiled indifferently as he turned to look at Zhang Hongfeng. "I

Chapter 281 A Deal

want you to ask your sister to go to the washroom and wait for me. Naturally, I will help you if I am satisfied.”

When Zhang Hongfeng heard this, his expression changed abruptly. He wasn't a three year old kid, so how could he not know the meaning behind Li Xubo's words?

“I am not forcing anybody.” Li Xubo was in his 40s, and he had seen through a lot of things. So, he did not really care about this matter at all.

If she agreed, then it would be a wonderful thing. On the other hand, if she disagreed, he wouldn't suffer any losses anyway.

Zhang Hongfeng's expression looked pale as he turned around and walked back to Zhang Hongxiu's side. Then, he sat beside her.

“So how did it go? What did your leader say?” Zhang Hongxiu asked in a soft voice.

Zhang Hongfeng's expression paled as he hesitated.

“Well, talk! What did he say?!” Zhang Hongxiu was starting to get pissed.

Chapter 281 A Deal

"M-Manager Li said that he wants you to wait for him in the washroom!" said Zhang Hongfeng as he lowered his head.

Zhang Hongxiu was stunned as her face turned red in that instant.

"Sister, if you can't do it, let's wait for the airplane to land..."

Zhang Hongxiu stood up and walked toward the washroom.

"Cousin..." Zhang Hongfeng grabbed her.

Zhang Hongxiu turned her head and lowered her voice. "What am I afraid of? If I can be with your leader, then I don't have to worry about anything else in the future. He is one of the big shots of Venture Capital Finance. Do you think I need to worry about the future?"

When Zhang Hongfeng heard this, he was dumbfounded.

Zhang Hongxiu turned her head and deliberately sashayed her way to the washroom.

Li Xubo looked from afar. He only stood up and walked toward the washroom after

Chapter 281 A Deal

Zhang Hongxiu entered it.

When he pushed the washroom doors open, Zhang Hongxiu pounced toward him.

Li Xubo was an experienced man, so naturally he knew what to do. Putting aside the foreplay, he went straight into the main activity.

Both of them were in the washroom for quite some time. Then, Zhang Hongxiu looked at him with a flushed expression. "Mr. Li, I feel upset just looking at that b*tch..."

"Since you have satisfied me, then I will satisfy you as well. I will definitely deal with that b*tch..." Li Xubo smirked.

Zhang Hongxiu deliberately made a bashful look as she leaned against him.

10 minutes later, Li Xubo walked out from the washroom and went straight toward the flight attendant.

"I am from Wuhan's Venture Capital Finance. This time I have an important matter to attend. I need to go to Shanghai to settle it... As for the matter of the plane landing, you guys can ignore it. I will ask

Chapter 281 A Deal

President Pei to speak with your CEO," said Li Xubo reasonably.

"I am sorry. We have rules here. The plane must land," answered Miss Jin.

"Listen to me! I am from Venture Capital Finance..." Li Xubo was pissed.

"I don't care who you are; the plane must land," answered Miss Jin.

Li Xubo was enraged. Just as he was about to rebuke her, he thought about the diamond card member on the plane. If she was sent away after the plane landed, wouldn't that delay the plan? Was it worth it to make such sacrifices for a woman he just met?

He thought about it carefully. Then he turned around and went back to his seat.

"Manager Li, how are things on your side?" Zhang Hongfeng approached him.

"I have settled it. They won't land the plane; instead they will fly directly to Shanghai," said Li Xubo.

"That's awesome!" Zhang Hongfeng was delighted. He walked back toward his seat

Chapter 281 A Deal

and started muttering something to Zhang Hongxiu in a whisper.

Zhang Hongxiu was delighted. She smirked when she thought about the diamond card member today. So what if Ji Youyou was a diamond card member? Ji Youyou was nothing but a paper tiger in front of Venture Capital Finance. As long as she was able to curry favors with a powerful person such as Li Xubo, she could cause some troubles for Ji Youyou later when she got down the plane.

When she thought about this, her face flushed as the scene of madness that happened in the washroom flashed across her mind.

Everybody in the cabin was paying attention to her, and they saw her and Li Xubo entering the washroom together.

If both of them did not care about this, then how could the other people say anything?

The only thing was, Li Xubo had no confidence about this matter. He did not know how to explain it to her once the plane landed.

At the moment, Tang Yin, who was in Shanghai, had received a text message. He sighted gently.

Ji Youyou was coming.

Tang Yin hesitated for a while. Then, he recalled the fact that somebody from Venture Capital Finance was coming to Shanghai today. Hence, he decided to bring along his entire convoy to the airport.

Wuhan was a distance away from Shanghai. However, in approximately 2 hours, the plane landed without a hitch at Shanghai Airport.

Hu Song watched as Ji Youyou held Cen Xia's hand and walked down the airplane. He heaved a gentle sigh of relief in his heart.

This girl was just too kind! She wasn't that pissed even if the woman treated her that way; instead she just allowed the plane to reach Shanghai. With that kind of personality, maybe she was the perfect match for Tang Yin after all.

The plane did not descend halfway. At the moment, Zhang Hongxiu's face was full of joy as her expression softened when she

Chapter 281 A Deal

looked at Li Xubo.

Venture Capital Finance was indeed a powerful entity, otherwise how could they pull this off?

“Mr. Li, you really are awesome!” After Zhang Hongxiu kept her belongings, she immediately leaned toward him.

Li Xubo laughed drily. Although he felt guilty, he still took credit for the situation. Since no one was going to confront him for it, why should he be afraid?

“Li, that b*tch is getting down the plane. Why don’t you accompany me to confront her?” Zhang Hongxiu held his hands.

“Ok!” Li Xubo nodded his head. She was a student anyway, so what was he afraid of? So what if she was a diamond card member? She could only use it on the airplane. It was useless once she got down the plane, right? Moreover, he did not really help Zhang Hongxiu at all. So, if he were to help her this time, maybe she would be at his beck and call in the future.

“Mr. Li, she is just right in front of us!” When Zhang Hongxiu heard this, she went mad with joy as she quickly pulled Li Xubo

Chapter 281 A Deal

into a jog.

Li Xubo followed behind her as they made their way to the departure lounge. Then, they walked toward the exit.

Ji Youyou and her entourage were right in front of them. If they were to increase their pace, Ji Youyou and the rest of them would not be able to escape.

“Here. I will stop her!” Zhang Hongxiu gritted her teeth as she couldn’t stop the hatred in her heart from gushing out.

Chapter 282 The Young Master and the Young Lady

Li Xubo wanted to show off in front of Zhang Hongxiu, especially after all that bragging he did on the airplane.

Both of them increased their pace. Then, Li Xubo stopped in his tracks after walking for about a few tens of meters.

At the moment, Tang Yin was standing at the exit. Scorpio and Yuan Zhian were behind him as well. His eyes were currently fixed upon Ji Youyou.

Ji Youyou looked like a guilty little girl. She lowered her head as she scrunched up the corners of the clothes uneasily.

"I-I just wanted to come over and have a look..."

Tang Yin nearly laughed when he heard her tone of voice. If it weren't for the fact that she was already on the plane, he would have stopped her from coming here. After all, he did not come to Shanghai for a holiday; he was here to conduct some serious business.

The risk of taking sides in the Tang Family had already been revealed in Shanghai. Hence, nobody could guarantee what would happen next.

Chapter 282 The Young Master and the Young Lady

"Tang Yin, Youyou misses you," Cen Xia giggled.

"I did not..." Ji Youyou retorted as she lowered her head, her face flushed.

Tang Yin laughed for a while. Then, he walked up to her and hugged her gently. "Please give me a heads-up the next time you are coming."

"Okay!" Ji Youyou answered gently.

"This kid came at the right time. Li, let's cripple him." Zhang Hongxiu's eyes gleamed the moment she saw Tang Yin. She was originally pissed when she was on the plane. Now, not only did she see Ji Youyou, even Tang Yin was in Shanghai as well. "These two little beasts often did nasty things behind my back. If it weren't for them, I would never have left Honghong Education. Li, you cannot allow them to leave the airport. I want to give them a taste of my mind..."

"That's right, Li. These are the two people that set up my sister behind her back!" said Zhang Hongfeng as he walked up to Li Xubo.

Li Xubo's expression underwent a series of

Chapter 282 The Young Master and the Young Lady

changes. The moment he saw Tang Yin, he felt a chill in his heart.

As Pei He's deputy, he had seen Tang Yin before. Moreover, he had seen him more than once. Was Zhang Hongfeng and Zhang Hongxiu trying to court their deaths?

"Li, let's break his leg. I want him to crawl out of the airport. Apart from that, I want you to cut Ji Youyou's face. Let's see whether she dares to put on airs in front of me anymore. I feel annoyed when I see them," Zhang Hongxiu said as she gritted her teeth. Then, she took two quick steps and pointed at Tang Yin. "You little beast! Since you are here as well, don't blame me for doing this to you! I will kill you today!"

Tang Yin's gaze turned cold as he looked at Li Xubo.

Li Xubo felt a chill running down his spine as he shivered in that instant.

"Li, ask your men to act now. I want them both dead!" Zhang Hongxiu pointed at Tang Yin and Ji Youyou. "Both of you can forget about escaping today!"

Slap!

Chapter 282 The Young Master and the Young Lady

The sound of that slap reverberated throughout the exit.

Zhang Hongxiu was seeing stars after that slap. She seemed to have lost her focus as she looked at Li Xubo blankly.

"You b*tch! What the f*ck were you thinking?! Is your brain full of dog sh*t?! Do you know who you are going to beat up?!" Li Xubo was enraged as he gave her another slap.

Zhang Hongxiu staggered backwards. She looked dumbfounded. "Li... You..."

"Manager Li..." Zhang Hongfeng was scared out of his wits. His cousin had a deal with him. So, how could Li Xubo break it off just like that?

Li Xubo turned his head. He looked deathly pale as he quickly approached Tang Yin and said, "Young Master, I am sorry for I did not settle this matter properly."

"Young Master?"

"Did you just call him Young Master?" Zhang Hongxiu's eyes widened as she looked at him in disbelief.

Chapter 282 The Young Master and the Young Lady

Beads of cold sweat were forming rapidly on Li Xubo's forehead. Li Xubo knew what Zhang Hongxiu and Ji Youyou were planning to do on the airplane. However, he did not know that Ji Youyou had some kind of connection to Tang Yin. If he knew that, he wouldn't have stood by and watched.

"Deal with it yourself!" Tang Yin gave Zhang Hongxiu a cold, sweeping gaze, for he already knew what happened on the plane.

Li Xubo's expression turned pale as he trembled.

Only then did Zhang Hongxiu react. "Li, listen to me..."

"Listen to you?! What kind of things do you want me to hear, huh? You have caused the Young Lady a lot of trouble on the plane, and yet you still want to explain yourself at this moment?" Li Xubo was incredibly pissed at Zhang Hongxiu. At the moment, he lifted his hand and slapped her face again.

Slap! Slap! Slap!

Young Lady?

Chapter 282 The Young Master and the Young Lady

After enduring a series of slaps, Zhang Hongxiu was seeing stars. However, she immediately knew that Ji Youyou and Tang Yin must be some kind of powerful people, otherwise Li Xubo wouldn't have treated her like that.

"Youyou... Youyou!" Zhang Hongxiu turned her head as she knelt on the floor.

"Youyou, back then, I did not treat you that badly. Please put in a word for me. I won't dare to do it anymore... It's all my fault! My fault! Please help me! Please..."

Ji Youyou quickly retreated in fright. She looked flushed as she opened her mouth slightly.

Tang Yin stood in front of her and prevented her from speaking. He merely fixed his cold gaze upon Zhang Hongxiu.

Zhang Hongxiu's tears started to well up as she cried bitterly and loudly, "I am sorry, Tang Yin! I am sorry..."

Zhang Hongfeng was scared out of his wits. How could he have known that Li Xubo would address Tang Yin as a Young Master? In another manner of speaking, what was he doing? Was he trying to steal his boss's woman?

Chapter 282 The Young Master and the Young Lady

Back then he was still dreaming of a life with Ji Youyou, and he even told her he could offer her a decent lower middle-class life and a 80 square meter house.

His thinking was just too stupid!

Li Xubo kicked Zhang Hongxiu away. Then, he gave Zhang Hongfeng a ferocious glare.

Zhang Hongfeng felt his scalp going numb as his legs turned to jelly. In that instant, he fell to his knees.

“Manager Li...”

“Youyou, what is going on here?” From afar, Dong Feifei had already brought along a dozen people from Honghong Education as they hurried over to them.

“Madam Dong!” Ji Youyou called out.

Dong Feifei pulled Ji Youyou away from them as she gave them a wary look. She was shocked when she saw Zhang Hongxiu, who was in a bloodied mess on the floor.

“I want you to settle this matter properly, understand?!” After Tang Yin threw down

Chapter 282 The Young Master and the Young Lady

those words, he turned to look at Dong Feifei with a smile. "Madam Dong? Where are you guys going? I happened to drive my car here. Why don't I give you all a lift?"

"Okay..." Dong Feifei nodded her head in confusion.

Tang Yin turned his head and gave them a meaningful look. Then, he turned around and walked outside.

"Youyou, who is this?" Dong Feifei quickly held Ji Youyou's hand and asked.

"He is my boyfriend!" Ji Youyou looked flushed.

"He is my Tang Yin..." Cen Xia giggled as she ran outside and held Tang Yin's hand.

At the moment, Tang Yin had exited the arrival hall. His convoy was waiting for him outside the entrance. There were more than 20 Mercedes-Benz there and a Rolls-Royce Phantom in the middle.

Scorpio opened the car door and respectfully invited Ji Youyou to enter. On the other hand, Dong Feifei and the rest of the people from Honghong Education, who were following behind her, were

Chapter 282 The Young Master and the Young Lady

dumbfounded.

Did he say he drove his car here?

Chapter 283 The Night Before the Incident

He did not look like he drove a car here; instead it looked like he brought along his entire convoy!

Dong Feifei thought on her feet and immediately recalled Zhang Hongxiu, who was in the arrival hall, back then. Then, she recalled Ji Youyou's boyfriend, and in that instant she understood what had happened.

Ji Youyou must have given her boyfriend a call so that he could call his men over to help her vent her anger.

That must be it!

When Dong Feifei thought about this, her expression turned dark. Like a puppet, she brought her entourage into the car.

Ji Youyou was not somebody to be trifled with.

How powerful his background was to be able to command such a grand scene? The dozens of Mercedes-Benz alone and that Rolls-Royce wasn't something an ordinary person would own while travelling.

Actually, Dong Feifei had the wrong idea.

Chapter 283 The Night Before the Incident

This wasn't the result of a call from Ji Youyou at all; instead it was caused by a message that was sent by Cen Xia to Tang Yin in secret. Otherwise, Tang Yin might still be in the dark about Ji Youyou's arrival in Shanghai.

After the convoy left, Li Xubo heaved a sigh of relief. That was because he did not have to worry about his actions or his words after Tang Yin left. However, he had completely revealed his ferocious side as he fixed his cold gaze upon Zhang Hongxiu. Who did not have their own tough methods if they were in his position. If they did not have it, how could they survive until now?

"Mr. Li, I was wrong. Please give me another chance!" Zhang Hongxiu cried bitterly as she knelt on the floor. "I honestly did not know that Ji Youyou had that kind of identity! If I knew, I would not dare to do what I did even if you gave me a hundred times the amount of courage that I have currently!"

"Manager Li, I did not know that as well..." Zhang Hongfeng cried bitterly.

"Zhang Hongfeng!" Li Xubo inhaled deeply. "You are fired!"

Chapter 283 The Night Before the Incident

“What?” Zhang Hongfeng was shocked.

“Are you deaf?! You are not part of Venture Capital Finance’s staff anymore. You nearly cost me dearly just now! Do you f*cking know this?!” Li Xubo smirked as he said, “Your cousin reminded me just now that I should break the guy’s legs and cut the woman’s face...”

“Manager Li! Manager Li!” Zhang Hongfeng was so terrified that he collapsed onto the floor.

Li Xubo kicked Zhang Hongfeng as he turned around and walked toward the arrival hall.

“Mr. Li...” Zhang Hongxiu cried.

A few men surrounded them, dragging both of them toward the washrooms in a distance.

Tang Yin did not know what exactly happened at the airport. However, he knew that Zhang Hongxiu’s end would be unpleasant.

They made their way back to Yun Ding Estate. Tang Yin got down from the car and dragged Ji Youyou out.

Chapter 283 The Night Before the Incident

The people that were sent by Honghong Education to study here were dropped off by Tang Yin at the hotel which they had previously reserved. Tang Yin would send a dedicated person to escort Ji Youyou over once they started their studies the day after tomorrow. Hence, it wouldn't take up too much time.

Cen Xia rushed out. Her face was full of delight as she exclaimed, "This place is huge..."

Tang Yin smiled and did not say anything. He ruffled Ji Youyou's hair and asked, "What if there is a next time?"

Ji Youyou turned red as she pouted and remained silent.

Tang Yin smiled. Then he whispered in her ear, "If there is a next time, I am going to spank you."

"How could you do that?" Ji Youyou stamped her foot bashfully.

Tang Yin pulled her to him as they walked toward the estate. Yuan Zhian, who was behind them, looked depressed when she saw this. However, she did not dare to show too much emotion as she was afraid

Chapter 283 The Night Before the Incident

that Tang Yin would be unhappy about it.

Only once they returned to the house did Hu Song appear by Tang Yin's side.

"Ding Xuan may need a few days to recover. If he can wake up from his coma within a week, then he still has some hope. However, if he doesn't, I am afraid that he would be in a vegetative state forever."

Tang Yin nodded his head as his entire expression looked cold.

"If the Tang Family really did have a hand in this, I am afraid that it will be difficult... Moreover, I am afraid that Miss Ji... might be in danger," said Hu Song as he pondered about the situation.

Tang Yin nodded his head. "Can you ask Fourth Madam Zhuang to come in..."

"Okay." Hu Song nodded his head and did not say anything.

Fourth Madam Zhuang was Tang Yin's mother's bodyguard. There were four bodyguards in total, namely, First, Second, Third, and Fourth Madam. The four of them were responsible for the safety of Tang Yin's mother. Naturally, they were

Chapter 283 The Night Before the Incident

responsible for her domineering attitude as well.

Tang Yin's mother was famous for being a powerful and domineering person. Regardless of the occasion or the people beside her, she dared to do anything. Naturally, with that kind of personality, she had made a lot of enemies as well. If it weren't for these 4 people, Tang Yin's mother would have nothing left of her for all the things she did.

"If the Duan Family and the Yin Family do not apologize after three days, what is your next course of action?" Hu Song asked hesitantly.

Tang Yin's face looked grim. "Nibble them!"

Hu Song did not understand what Tang Yin meant by that. However, he could see from Tang Yin's expression that the situation was serious.

"Okay!"

Tang Yin nodded his head and asked Hu Song to leave. Then, he closed his eyes gently and massaged his temples.

Chapter 283 The Night Before the Incident

Yuan Zhian entered the room quietly. Instead of massaging Tang Yin's shoulders like how she did previously, she placed the documents into Tang Yin's hand and stood at a corner.

If Ji Youyou wasn't here, she might be more daring. Since Ji Youyou was here now, Yuan Zhian did not have those thoughts anymore.

"I leave Shang Qing Group in your hands..." Tang Yin tapped the armrest of the sofa and cocked his head to look at her.

Yuan Zhian was excited as she quickly nodded her head. "Okay, no problem."

"What are your thoughts on the Yin Family and the Duan Family?" asked Tang Yin.

Yuan Zhian knew that Tang Yin was testing her. Hence, she quickly replied, "Most of the Yin Family's business are focused on renewable energy and material recycling. Especially Ning Feng Materials which is under them. They are the backbone of the Yin Family as they support more than half of the Yin Family's business. On the other hand, they do not rely much on Forest Energy Company. So, if we plan to take down the Yin Family, we have to strike

Chapter 283 The Night Before the Incident

Ning Feng Materials first.”

“I see...” Tang Yin listened attentively.

“On the other hand, most of the Duan Family’s businesses are focused on hotels and supermarket chains, plus some apartments and office buildings. Moreover, they dabble in real estate as well. If we plan to strike them, we have to crack down on their hotels first. This is the most direct way...” said Yuan Zhian respectfully.

Tang Yin pressed his lips together into a smile. “What if I want to kill them directly?”

Yuan Zhian was stunned as she did not know how to reply to his question.

“You can leave now.” Tang Yin waved his hand.

Yuan Zhian nodded her head gently as she turned around and walked outside.

Tang Yin stood up and poured himself a glass of red wine. Then, he swirled it as he walked toward the window.

Yun Ding Estate was built by the hillside. Hence, its terrain was much higher than most of the buildings in Shanghai. Looking

Chapter 283 The Night Before the Incident

out from the direction of the window, he could almost see the bustling night scene of Shanghai.

Tang Yin stood there with a thoughtful look in his eyes. *Tomorrow is the third day of the 3 day period. Are the Duan Family and the Yin Family prepared?*

Chapter 284 An Explosion

Yuan Zhian left the room excitedly but bumped into Ji Youyou who was walking up the stairs while holding Cen Xia's hand. Hurriedly taking a step back, Yuan Zhian lowered her head, not even bothering to glance at Ji Youyou.

Of course, Ji Youyou knew who Yuan Zhian was. It was her frame-up who once led Ji Youyou's relationship with Tang Yin to a tightrope. Without Yuan Zhian, the jade shop might not have its representative piece of the collection too.

Ji Youyou was not used to seeing Yuan Zhian standing aside with her head lowered. She blushed and led Cen Xia toward the house directly, keeping her head down too.

As Cen Xia was still a child with high curiosity, she ran a few steps after seeing the couch inside.

"Slow down..." Ji Youyou cried out. All of a sudden, she lost her balance and fell on Yuan Zhian due to Cen Xia's sudden movement.

Yuan Zhian jumped and retreated quickly; annoyance grew in her heart.

Chapter 284 An Explosion

"Ahh—" Ji Youyou let out a scream and her hand landed on Yuan Zhian, pushing her back a few steps. "Sorry! Sorry!"

Yuan Zhian quivered. She abruptly looked up and her eyes were lit with shock.

"I'm so sorry. I was too careless," Ji Youyou apologized with a blushed face.

Yuan Zhian was quivering—not due to annoyance but to the odd feeling that had surged from the bottom of her heart. It felt exactly like the feelings Tang Yin had been giving her.

"Sorry! I'm so sorry!" Ji Youyou was still apologizing.

Yuan Zhian held back her shiver with great effort. "It doesn't matter, Miss Ji! It was my fault last time. I—"

"It's okay! I'm sorry!" Ji Youyou entered the house hastily while pulling Cen Xia along.

Yuan Zhian still wished to speak, but Ji Youyou had entered the room with a puzzled look on her face. *Did my fear toward Tang Yin make me afraid of Ji Youyou as well? If this is true, I might not be able to face Ji Youyou as usual in the future.*

Chapter 284 An Explosion

Yuan Zhian took a deep breath before turning around and walking down the stairs.

Darkness had fallen. Under the shroud of night, Tang Yin held Ji Youyou close, both of them cuddling on the couch while watching a show on television together.

Cen Xia had fallen asleep and they were just cuddling here to pass time.

“Wanna have a drink?” Tang Yin cocked his head and looked at Ji Youyou.

“No!” Ji Youyou shook her head hurriedly.

A sip of wine would cost a fortune. She was not going to fall for it.

Tang Yin smiled softly. “I will instruct someone to bring you out tomorrow...”

“Sure!” Ji Youyou agreed to the idea in a gentle voice.

Tang Yin gazed into space and shut his eyes slowly.

The next morning dawned crisp and clear.

Chapter 284 An Explosion

It was the third day of the time limit by Tang Yin.

Everyone in Shanghai was paying attention to the Duan family and Yin family on this day. With Tang Yin's firm attitude, no one knew how these two families would cope with it.

This matter was rather tricky and anybody would have their hands tied if they were put in their shoes. Therefore, this had piqued everyone's curiosity about the Duan Family and Yin Family's upcoming response.

Unusual silence filled Yun Ding Estate for the whole day, as though not a single sound had been made.

The atmosphere was depressing.

As night closed, Hu Song walked into the Yun Ding Estate. "Fourth Madam Zhuang is here..."

Tang Yin was delighted and walked out toward the estate's entrance in a hurry. He saw a woman in black when he reached.

The woman was elegant and charming despite being in her late thirties and the

Chapter 284 An Explosion

fine wrinkles around her eyes.

“Tang Yin...” Fourth Madam Zhuang reached and rubbed Tang Yin’s head. “You’re all grown up! Are you taller than me now?”

“You flatter me...” Tang Yin grinned, behaving like an obedient child.

This woman had left an indelible impression on Tang Yin. When he was young, it was the female bodyguards who had taken care of him.

A flashy Lamborghini stopped miles away from Yun Ding Estate.

Duan Jincheng got out. A grim smile lifted the corners of his mouth when he said, “How about I treat you to a great show today?”

Yin Ningfu pulled the door open and stepped out of the car. Her slender body was accentuated perfectly by the black dress she was wearing. She answered, “What kind of show? The surprise you’ve been talking about?”

“Of course...” Duan Jincheng roared in laughter.

Chapter 284 An Explosion

“What kind of surprise?” Yin Ningfu asked with a stern expression.

“Since it’s a surprise, we must fully enjoy it —” Duan Jincheng pulled Yin Ningfu close to him while laughing.

Yin Ningfu clenched her teeth and hissed out, “What are you doing, Duan Jincheng? Don’t you know what kind of place we’re in now?”

Duan Jincheng grabbed her neck in one hand. “Stop acting innocent in front of me. Didn’t you enjoy it very much last time? What? Don’t tell me you forgot the feeling in less than two days?”

“Stop talking nonsense!” Yin Ningfu struggled but did not manage to break free.

“Me, talking nonsense?” Duan Jincheng licked his lips. He had Yin Ningfu pressed on the car, his lower body practically pressing against Yin Ningfu’s. “Did you forget how loud you were the last time?”

With this, Duan Jincheng grabbed the hem of her dress and tore it mercilessly.

Yin Ningfu was furious but unable to break

Chapter 284 An Explosion

free. She was a prideful person herself, so how could she accept doing such a thing with a man in the wild?

“Duan Jincheng...”

Choking her neck harder with one hand, Duan Jincheng slipped his other hand into her clothes.

Yin Ningfu’s face distorted with shock, but she had no choice at this moment but to forcefully calm herself down. *No matter how I’m being treated, it’s technically not a loss as Duan Jincheng is a man of high status; in addition, he is the most influential man of Shanghai.*

Duan Jincheng pushed further when Yin Ningfu was deep in her thoughts. Roaring with laughter, he pressed against Yin Ningfu firmly and began getting himself off in the wild.

“The show is starting soon...”

Duan Jincheng had a grin on his face. With a loudboom, a blast sent ripples from Yun Ding Estate. With flames rolling up, the place was soon ablaze.

“This—” Yin Ningfu stared in disbelief. For

Chapter 284 An Explosion

a moment, she felt numb. She could not even feel what Duan Jincheng was doing to her currently.

“Ha ha ha...” Duan Jincheng guffawed. He continued, “How? Apologize? Apologize for what? Does he even deserve it? Ha ha ha...isn't he burned alive like a bug in the end? Tang Family? What can the Tang Family do? The Tang Family is just a pack of dogs. If I were born a few decades earlier, they couldn't even mess with me!”

Yin Ningfu looked as white as a sheet and her mind went blank. For the past few days, she had been learning a lot about the Tang Family from Yin Ruihan. It was really hard for her to accept that a Young Master from the Tang Family just perished like that.

Chapter 285 A Close Call

Three miles away from Yun Ding Estate, three cars were driving at a smooth and steady pace.

Suddenly, a loud noise seemed to shake the skies and flames erupted. Three miles away, Yun Ding Estate was set ablaze.

Ji Youyou was still in the car. When she saw the fire from a distance, her face instantly turned pale.

“What’s happening?”

When Scorpio, who was driving the car, saw the fire, his heart sank. He floored the accelerator and rushed crazily toward the distant hillside.

“Estate! That estate! Tang Yin is still inside that estate!” Ji Youyou’s whole body started trembling.

“Let’s hurry back...” Yuan Zhian’s pupils shrank.

Cen Xia was also terribly shocked, and she pursed her lips. “Tang Yin...”

Swoosh...

The car suddenly sped up and rushed

Chapter 285 A Close Call

toward the direction of Yun Ding Estate. In less than three minutes, it had already reached the gate of the estate.

Right then, the huge Yun Ding Estate was completely engulfed in flames.

"Tang Yin..." Ji Youyou cried in exclamation, and her tears started to fall. Regardless of the obstruction from the other people beside her, she rushed inside the estate alone.

"Miss Ji!" Scorpio, who reacted fast enough, immediately blocked Ji youyou.

"Let me go! Let me go!" Ji Youyou shouted, her voice pained.

Yuan Zhian stood still as a statue, her hands and feet cold.

"You can't go in!" Scorpio shouted loudly.

Ji Youyou was sobbing hard while looking into the huge estate. She could feel her sanity slowly slipping away.

Tang Yin is still inside!

Can he still be safe in such a huge fire?

Chapter 285 A Close Call

"Tang Yin..." Cen Xia also started crying.

Scorpio gritted his teeth and he couldn't help but start trembling in his heart. *This is Yun Ding Estate! The Yun Ding Estate of the Tang family has the highest security level. How could there be such an explosion?*

With this kind of explosion, let alone the people, I'm afraid even the rats will die!

Tang Yin is still inside. His odds of survival...

Ji Youyou's face was completely covered in her own tears. All energy left her body and she fell to the ground on her knees.

At this time, a staggering figure rushed out of the estate, his body almost completely bent over. The man's forehead was soaked in blood, and he stumbled out of the manor, looking for all the world like a ghost.

"Young Master?" Scorpio called out with some doubt. He didn't dare to confirm whether this man was Tang Yin.

"G-G-Go inside and rescue Fourth Madam Zhuang and Hu Song..." Tang Yin was gasping heavily, and his view had turned

Chapter 285 A Close Call

red.

“Tang Yin...” Ji Youyou immediately rushed toward him, sobbing.

Tang Yin felt his body throbbing with pain. He gritted his teeth and forced himself to keep standing. “Hurry, go save them...”

Several people had already rushed in, and Tang Yin's body finally fell to the ground.

“Tang Yin! Tang Yin!” Ji Youyou held Tang Yin's body and continued crying.

Scorpio opened the car door and helped Tang Yin in. Those who had rushed in to rescue the remaining people had already come out. Two of them were holding Hu Song while the other two were carrying Fourth Madam Zhuang.

Hu Song's legs had been blown to pieces, and Fourth Madam Zhuang's abdomen was split open by a gaping gash.

Both of them had already passed out; whether they were dead or alive nobody could tell yet.

After Scorpio helped them into the car, he heard Tang Yin say weakly, “Leave here at

Chapter 285 A Close Call

once..."

Scorpio started the car, and with his men, he quickly sped toward the distance.

Tang Yin's expression was icy, and he gripped his hair regretfully. He should have thought of it earlier. Since Duan Jincheng was somehow related to the Tang Family, he shouldn't have chosen to live in Yun Ding Estate.

Yun Ding Estate was the Tang Family's property. Therefore, Tang Yin was not the only one who could come here; Tang Wei could do the same too! In fact, as long as it was a member of the Tang Family with certain status, they were allowed to come to this place.

Tang Yin would never have thought that this was all a trap, a very elaborate trap.

*The ultimate target is me! This plan has started since Ding Xuan was hurt!*The members in the Tang Family knew that once something had happened to Ding Xuan, Tang Yin would surely come from Wuhan to seek out Duan Jincheng to avenge Ding Xuan.

Once Tang Yin was in Shanghai, his first

Chapter 285 A Close Call

choice of accommodation would be Yun Ding Estate.

Someone must have buried explosives in Yun Ding Estate ahead of time. As soon as it was time, Yun Ding Estate would blow up.

If it wasn't for Fourth Madam Zhuang's visit, and that Tang Yin and Hu Song had been chatting with her near the swimming pool, all of them would have been corpses in the estate. If it weren't for Fourth Madam Zhuang and Hu Song who had hugged and shielded him desperately, Tang Yin feared that he would be dead by this time.

Tang Yin gritted his teeth, took out his mobile phone and dialed a number.

"Hello?" Shan Xuezhū's voice sounded from the other side.

Gnashing his teeth, Tang Yin took a deep breath and said sadly, "Yan Wu is dead!"

Shan Xuezhū was silent for a moment. "Noted!"

Yan Wu was from the Kingdom of Darkness, and Shan Xuezhū's subordinate.

Chapter 285 A Close Call

"Find out who stayed in Yun Ding Estate before I came here! Besides that, tell them to start putting the plan in motion..." Tang Yin coughed and felt a darkness in front of him.

Ji youyou held Tang Yin in both arms and held back her sobbing, but her tears kept falling.

Bright red blood kept on dripping through Ji Youyou's fingers onto the car seat.

"Alright!" Shan Xuezhū agreed in a soft voice.

Tang Yin hung up the phone, his vision beginning to blur. Suddenly, under the flash of the car lights, he could see two figures by the roadside who were doing naughty things in the wilderness.

However, the lights flashed past, and the scene fled by in a blink of an eye.

Yin Ningfu felt a burst of humiliation from the bottom of her heart. She stared back at Duan Jincheng fiercely and struggled to leave.

Duan Jincheng released his grip, a touch of madness on his face. After opening the

Chapter 285 A Close Call

door, he made a phone call. "There are three cars coming out from there; I don't know if it's Tang Yin!"

"Don't let anyone go no matter who they are!"

"Alright, Yashi! You know what? I've missed you until now..." Duan Jincheng's eyes were full of longing.

"I miss you too... I've taken off my clothes; I'm just waiting for you to return victorious..." said Lin Yashi, her voice dripping with infinite charm.

Just this moment, Yin Ningfu had opened the car door, her clothes in a bundle in her arms.

Duan Jincheng's anger rose. He pulled her hair and pressed her head between his legs. "Baby, wait for me..."

Yin Ningfu was seething with anger.

Duan Jincheng sneered, one hand on the gear knob, before quickly grabbing Yin Ningfu's neck. "Serve me well if you don't want to die! After all, I'm your fiance, aren't I?!"

Chapter 285 A Close Call

Swoosh...

The car quickly sped onto the road. The Lamborghini was a sports car so it took less than 10 minutes to catch up with the three cars in front.

“Hahaha... Tang Yin, didn't you say you want me to apologize? I am here to apologize...”

After he said that, the car suddenly accelerated. With a loud bang, it slammed against the car in front.

Chapter 286 Taking Shelter in the Hidden Bunker

Among the three cars, Yuan Zhian and a driver were sitting in the last car.

She had expected this situation when they were leaving from the estate, and it seemed that someone really *did* catch up with them.

“Haha...Tang Yin, did you become a coward? Aren't you all high and mighty? Aren't you looking for me? Don't you want me to apologize? Why are you escaping?” Duan Jincheng laughed wickedly. He wasn't sure if Tang Yin was in the car, but he would assume that Tang Yin was not dead, and was in that car anyway.

Yuan Zhian's expression was icy, her face as dark as coal.

Bang!

Again, Duan Jincheng's Lamborghini hit the car that Yuan Zhian was in, badly shaking the car.

Chapter 286 Taking Shelter in the Hidden Bunker

Yuan Zhian's expression hardened and she grasped the handle tightly.

"Do you really think you're all that impressive? Do you think you're God? In fact, you are just trash, just a lump of sh*t under my foot! Do you still want to kill me? I'm here, so come here and kill me!" Duan Jincheng cackled and smashed into the car again.

The three cars raced against the Lamborghini.

Scorpio turned the steering wheel, causing the car to turn away and squeeze away from the Lamborghini while pressing against the side of the road.

"Hahah... Come and kill me..."

Duan Jincheng laughed wildly. His eyes wide-open like a madman, he said exaggeratedly, "What? You're out of tricks?"

Chapter 286 Taking Shelter in the Hidden Bunker

Scorpio wanted to crush Duan Jincheng immediately, but Duan Jincheng's driving skills were so good that he didn't give him any chance. Even with three cars hitting him, he could still find a chance to hit the car in the middle.

Bang...

The glass shattered and the door crumpled inward from the impact. Cen Xia shrunk in fright and hugged Tang Yin's blood-soaked body.

Scorpio bit his lip and hit the Lamborghini sideways to force Duan Jincheng to slow down.

"Watch out, Young Master Tang. There's still a big present waiting for you..." Duan Jincheng bellowed with laughter.

At this time, a few cars appeared in front of them, blocking the road for Scorpio and the rest.

Chapter 286 Taking Shelter in the Hidden Bunker

With determination in his eyes, Scorpio frantically stepped on the accelerator. *Bang!* It directly smashed into the vehicles that were blocking his way and rushed out tens of meters away.

Behind the three cars, Duan Jincheng cursed and sped up again.

Suddenly, there was a roar in the distance. At this moment, they were very close to downtown Shanghai. If they reached there, the chaos would only take a few minutes to get the traffic police's attention.

Yuan Zhian obviously also noticed that. With a calm expression, she said, "Crash into his car!"

Without hesitation, the driver turned the steering wheel violently and ran into the Lamborghini.

Bang!

The two cars made a sharp noise from the

friction, causing them to decelerate rapidly.

Duan Jincheng turned around. He gritted his teeth and turned the steering wheel. While he leaned his car to one side, Yuan Zhian's car followed.

Yuan Zhian's plan was very simple—since they had arrived in the city, she would try her best to delay the Lamborghini so that Tang Yin could escape smoothly. As long as Tang Yin escaped successfully, she would not be in too much danger even if she was intercepted here.

"I will kill you someday, bi*ch..."

Duan Jincheng roared, and the car gradually stopped.

When Yuan Zhian saw this scene, she asked the driver to speed up and soon they were far away from the scene.

The hunt had finally ended here. If not,

Chapter 286 Taking Shelter in the Hidden Bunker

sooner or later, something bad might have happened.

The motorcade had already entered downtown. Led by the car in front of them, they quickly entered the underground parking lot of the hospital before plunging into the alley.

“Ask someone to immediately send them to the hospital...” Just before Tang Yin got out of the car, he was on the verge of losing consciousness, his thoughts blurred.

Scorpio nodded. Together with Yuan Zhian, they supported Hu Song and Fourth Madam Zhuang and quickly went into the elevator.

The rest of them changed cars and left at different intersections.

At this moment, Tang Yin had completely slipped into a coma, but he did not go to the hospital. Instead, he was brought into

Chapter 286 Taking Shelter in the Hidden Bunker

the hidden bunker after leaving the parking lot of the hospital.

In the cold alloy room, Shan Xuezhu, who was sitting on a wheelchair, looked at Tang Yin, who was in a coma. She slowly clenched her fists.

The wound on Tang Yin's forehead had been treated, and there was only a small area of burns on his back. However, there were a lot of cuts on Tang Yin's body, leaving bloody streaks of mangled flesh.

Ji Youyou wiped her tears. She wanted to say something, but she could say nothing at the moment.

"No one can find us here..." Shan Xuezhu whispered. She then remotely controlled the alloy room to move in a direction unknown to the rest.

This building was actually a shopping center. However, when it was built, there were countless secret passages hidden in

Chapter 286 Taking Shelter in the Hidden Bunker

it. These tunnels were equipped with mechanical equipment that could move the room.

With a light click, the alloy room stopped steadily.

“There are medical supplies next door; you can help clean his wounds first...” Shan Xuezhū whispered.

“Alright.” Ji Youyou nodded in agreement and turned to head next door.

Shan Xuezhū’s small face lifted up slightly. She mumbled softly while looking at the wall, “So, it has begun, hasn’t it?”

The Lamborghini’s tires rubbed violently against the ground. Duan Jincheng stopped the car at the door of the Yin Family and glanced at Yin Ningfu from the corner of his eye.

With a cold face, Yin Ningfu turned and pushed the door of the car open. She got

Chapter 286 Taking Shelter in the Hidden Bunker

out of the car with an icy expression.

The car started again and Duan Jincheng turned to leave.

From beginning to end, there was no communication between the two of them.

Yin Ningfu hated this feeling. Her standard for men had always been very high and ordinary men couldn't even get her interest. She used to think that even Duan Jincheng, who was the number one young master in Shanghai, was unworthy of her as well.

If it was not to kill Tang Yin, how could she be in a relationship with a b*stard like Duan Jincheng? Even if she was in a relationship with him, it was to take away his family's property.

At this time, two gardeners came out of the door.

Yin Ningfu took a look at the dirt on their

bodies, disgust evident in her gaze, and her face immediately sank. "Go away! You low-class scum, you stink all over. Don't be a nuisance here!"

When the two gardeners saw that it was Yin Ningfu, they quickly lowered their heads and left the yard in dismay.

Even though Yin Ningfu's clothes were a little messy, revealing her fair legs, the two gardeners did not dare to take a second glance. They knew that Yin Ningfu hated people with low social statuses. She would spit at them, or worse, drive them away with sticks. Therefore, they didn't dare to make her angry.

Yin Ningfu walked all the way into the estate and back to her own room. She went into the bathroom and couldn't stop scrubbing her body.

Even though the person she bedded was Duan Jincheng, a deep sense of disgust still rose from the bottom of her heart.

Chapter 286 Taking Shelter in the Hidden Bunker

After washing for nearly an hour, Yin Ningfu walked out of the room and saw that Yin Ruihan and Yin Ze were already waiting in the living room. Obviously, they had gotten word of the explosion of the Yun Ding Estate.

I guess this kind of news must have spread all over Shanghai by now.

Chapter 287 Reactions of All Parties

"Is he dead?"

Yin Ruihan looked at Yin Ningfu, his complexion not as pale as before. Even though he didn't clearly mention who he was referring to, Yin Ningfu knew very well who it was.

"I have no idea!" Knitting her eyebrows, Yin Ningfu recalled the scene just now. She had been seized by Duan Jincheng all the way in the car, so how could she know whether Tang Yin was dead or not?

"The explosion was real, wasn't it?" Yin Ze stared at Yin Ningfu.

Yin Ningfu looked at her father in disgust and said coldly, "Three cars escaped, so I have no idea whether he is dead or not!"

Yin Ruihan, on the other hand, caught on. *The deed has been done, but the result was still unknown.*

"Some police officers have rushed over to

Chapter 287 Reactions of All Parties

the scene, so I think we will know the result very soon! When I go back later, I'll contact the Tang Family. No matter what the result is, we have to exclude ourselves from this matter!" Yin Ruihan said softly.

Yin Ningfu arched her brow. She knew that Yin Ruihan had said before that he had a way to protect the whole Yin Family even if the family battle started. It turned out that he was thinking to go back and get in touch with someone in the Tang Family in order to start a golden era of the Yin Family to improve the situation of their family.

"Dad, shall we wait for the news and look at the situation?" Yin Ze asked in hesitation.

"What are you waiting for? How are you going to succeed with such an indecisive attitude?" Yin Ningfu stood up while saying that disdainfully and walked into the house.

Chapter 287 Reactions of All Parties

She hated this kind of person the most. *Either you do it or die; it's impossible for our family to turn back now anyway!* Yin Ningfu had always hated the men in her family. Then again, she probably hated most men.

That night, the entire Shanghai was shocked by the news.

In Duan Estate, Duan Jincheng had a beautiful woman with a V-shaped face in one of his arms, while holding his phone in front of him with another, having a video call.

"I'm not certain about the situation now. I'm not sure if Tang Yin is already dead..."

"Ask someone to check on it!" said Lin Yashi, who was on the video call screen.

"I've sent my man to check on that. We'll get the news very soon..." Duan Yincheng said while staring at his phone screen excitedly. "Lin, hurry up. You're getting

more and more adorable; I can't stop thinking of you..."

Lin Yashi grinned seductively. Slowly taking off one of the straps of the red lingerie pajamas on her sexy body, she stuck out her tongue and asked, "Do you like me that much?"

Duan Jincheng almost drooled while staring at her seductive act. Just then, a muscular arm appeared on the screen and held onto Lin Yashi's shoulder.

"Who are you with now?!" Duan Jincheng roared; he could feel the rage churned inside of him.

"Take a guess..." Lin Yashi laughed gracefully while covering her mouth and looked at Duan Jincheng with a flirty gaze.

"Lin Yashi!" he growled furiously.

"Tsk, tsk, tsk. Baby, don't cry... You're always in my heart. I will wait for the good news..." Lin Yashi

said while having an enjoyable look on her face. She then grabbed the man's arm on her shoulder and leaned on it with a lustful expression on her face.

"You b*tch, Lin Yashi!"

Lin Yashi laughed buoyantly when she heard his roar; she seemed to enjoy teasing and provoking Duan Jincheng.

Cuddling the pretty woman in his arms, Duan Jincheng vented his anger mercilessly and pointed at Lin Yashi on the screen with an irascible expression!

Outside of Yun Ding Estate in Shanghai, Han Qi stared at the scene happening in front of her eyes and her whole body trembled subconsciously.

As the regional manager, she was completely doomed since such a horrible thing happened here. She had never thought that such a thing would happen in Shanghai, especially within her jurisdiction.

Chapter 287 Reactions of All Parties

She wondered whether she would be able to keep herself alive when the Tang Family received this horrible news.

Han Siyu's face turned pale as well. "Aunty, we didn't even know such a thing would happen! It's his own luck that he has died like this. What does it have to do with us?"

"Cut the nonsense! What do you know?!" Han Qi turned to Han Siyu and scolded angrily.

Han Siyu shivered with fright and stepped backward frantically.

The fire engines had already arrived a while ago, so the fire had been controlled. However, Yun Ding Estate was completely destroyed in the fire. Even then, it was considered as a small matter compared to the life of the person inside the estate—Tang Yin!

I don't care if anyone else dies in the fire. I don't even mind if I lose my life too, but

Chapter 287 Reactions of All Parties

definitely not Tang Yin's! He can't die!

At this time, a few firefighters walked out from the fire while carrying a great number of dead bodies which looked dreadful.

Han Qi looked at those who came out first and went to them. "Chief Fang, how's the condition?"

"Based on the preliminary judgment, there are 123 people in total and none of them survived!" Chief Fang heaved a sigh, feeling helpless.

What a terrible tragedy!

The top authorities will definitely investigate such a big incident that happened here. I wonder if I would be able to keep my position as the chief by then.

As soon as Han Qi heard his words, the color drained from her face. "None of them survived..."

Chapter 287 Reactions of All Parties

"Aunty, stay strong!" Han Siyu said anxiously.

Ring-ring-ring!

Just then, her phone rang.

Han Qi finally came around and picked up the call immediately, thereupon a chuckle could be heard from the other end of the line. "Aunt Han, what's your decision regarding the things that I have asked you before this?"

"Tang Miao, is this your doing? You're the one behind the Yun Ding Estate's incident, aren't you?" Han Qi was enraged.

"Aunt Han, what are you talking about? I don't understand at all!" While laughing heartily, Tang Miao was thrusting his hips madly. He became wilder when he looked at Lin Yashi, who was lying under him ravishingly and daintily.

"Tang Miao!" Han Qi gnashed her teeth.

Chapter 287 Reactions of All Parties

“Aunt Han, I need to be clear on this...”
Tang Miao laughed. “Since it’s the critical period right now, it might seem inappropriate for me to force you like this. However, do bear in mind that I’m still a Young Master!”

Han Qi’s facial expression changed a little and remained silent.

“You haven’t answered my question yet,”
Tang Miao continued his words.

“Give me some time to think about it!” Han Qi said in a solemn voice.

“Alright. I’ll give you another three days...”
Tang Miao pursed his lips and said nothing else.

Han Qi hung up the phone call. Staring at the debris of Yun Ding Estate, she slowly closed her eyes.

This is too brutal!

Chapter 287 Reactions of All Parties

At this moment, Han Qi really wished to stay away from the Tang Family; she didn't want to have anything to do with them for the rest of her life.

Meanwhile, Tian Zhenzhong, who was at the Shang Qing Group's office in Shanghai, looked pale and worried.

Tian Wei glanced at Tian Zhenzhong and turned to leave the office while holding his fists tight. He then took out his phone and gave a call to Ji Yueshan. "Mr. Ji, it seems like Tang Yin is dead!"

"Dead?" As soon as Ji Yueshan heard that, he was stunned for a while, thereupon he began to laugh wildly. "Did you just say that the guy, who was so boastful a few days ago, has died?"

Chapter 288 The Beginning

“He’s dead for real...” There was a trace of mockery in Tian Wei’s voice. “It’s not like he was that impressive anyway; he was just bossy with the family background he had.”

“Haha...” Ji Yueshan sneered, “If he really is dead, then I think we should whoop it up!”

“You’re right!” Tian Wei hesitated for a while and said with a smile, “If you’re in such a mood, I have another suggestion to discuss with you!”

“What is it? Have you finally figured it out?” Ji Yueshan chuckled while asking.

“I have always had a good impression of you. It was my father who wanted to cooperate with Tang Yin, but now that Tang Yin is dead, you are certainly my first candidate to cooperate with! My father is old so he can’t tell things right; please forgive him!” said Tian Wei.

“Great! I like your sense of taste. However,

Chapter 288 The Beginning

I think you should know that our Ji Family does not specialize in business.” Ji Yueshan pursed his lips. “I’m only doing this for fun, but the price I offer ain’t cheap!”

“We can negotiate the price! No problem with that!” Tian Wei replied with a smile.

“Alright! Let’s meet at Sky World tonight to discuss it...” Ji Yueshan laughed.

“Okay. I will be there soon!” Tian Wei ended the call and turned to glance at his father who was in the office. He then let out a soft sigh and entered the elevator.

The news of the incident that happened in Yun Ding Estate had been spread rapidly like a wildfire to every corner of Shanghai.

All families received the news at the first moment. Although Tang Yin’s existence was worthy of the attention of everyone in Shanghai, he had been to the city only for a short time so he didn’t have a great

Chapter 288 The Beginning

influence on the society. Therefore, although the news had been spreading wildly, it didn't cause a huge fuss among the public; this issue would only be discussed by people in a private conversation.

It was almost midnight, and Tang Yin finally woke up.

The agony all over his body made it a little unbearable. In no time, his forehead had been coated by a layer of sweat.

"Tang Yin, don't move..." Ji Youyou said softly by his side.

Tang Yin looked up at her and saw that her eyes were red, and that little Cen Xia was looking at him with a concerned look.

Two of them had been staying by his side without taking a break since he was injured in the explosion.

"I remembered that Shan Xuezhu has

Chapter 288 The Beginning

rooms here; bring Cen Xia to one of the rooms and have some rest!”

“But...” Ji Youyou was a little hesitant.

“I’m fine. The kid needs to have some rest! Plus, you still need to go for class tomorrow!” Tang Yin said sternly.

Ji Youyou lowered her head and mumbled, “I don’t want to go to class...”

“Why not?” Tang Yin patted her gently on the head. “Go back first. I have something else to deal with.”

Ji Youyou only nodded her head after hesitating for a long time.

Tang Yin watched her leave and sighed softly. He didn’t want to let Ji Youyou be involved in the gruesome things that happened within the Tang Family, thus he couldn’t tell her about the things that he planned to do next.

Chapter 288 The Beginning

After Ji Youyou left the room with Cen Xia, Tang Yin pushed open the door and saw Shan Xuezhu, who was on her wheelchair, checking something on the computer in front of her.

There were a dozen red dots blinking on the computer screen; news had been sent in one after another.

“It’s confirmed that this matter has something to do with Tang Miao! Before your arrival at Yun Ding Estate, there were three people who had stayed there before – Third Madam, Mr. Miao and Tang Miao...” Shan Xuezhu said softly. “Third Madam is not involved in the battle of choosing sides in your family, and Mr. Miao would never do such a thing. So, the only possible person behind this is Tang Miao! It’s possible that Duan Jincheng worked together with Tang Miao to know when you would be in the estate and detonate the bomb!”

“Yes!” Gnashing his teeth, Tang Yin’s eyes

Chapter 288 The Beginning

were filled with murderous intent.

“Excluding Mr. Hu and Forth Madam Zhuang, there are a total of 123 people who were killed in the explosion,” Shan Xuezhu whispered.

“123 people!” Tang Yin gritted his teeth, his heart bleeding. 123 lives were lost in that explosion! They were all the talents that were trained in the hidden bunker over the years. He didn’t expect that all of them would die in an explosion. “Has the encroachment on the Yin Family and the Duan Family started?”

“Yes, it has started!” Shan Xuezhu replied to him.

“Good!” While squinting his eyes, Tang Yin took a deep breath and remarked, “Kill them all!”

It had been three days, and not only did the Duan and Yin Families not apologize, they were even involved in this incident. In

Chapter 288 The Beginning

particular, Tang Yin still remembered vividly the collision behind the motorcade that was caused by Duan Jincheng.

Tang Yin was going to begin the encroachment operation tonight.

As for the people in Shanghai, they felt the night passed in just a blink of an eye.

Early the next morning in Yin Estate, Yin Ningfu opened her eyes and felt goosebumps all over her body. Recalling what she had done with Duan Jincheng the day before, she felt disgusted. Immediately, she rushed to the bathroom and began to scrub her whole body; she felt as if her body had been smeared with a layer of faeces.

Once she was done with her shower, only then did she feel slightly relieved after getting rid of some of the trauma from the bottom of her heart. She then put on her clothes and left her room.

Chapter 288 The Beginning

As she got to the side of the dining table, her expression turned even colder when she saw that nothing on the table was her favorite food.

"I've sent someone to buy the food you like. He should be back in a while," Yin Ruihan said softly.

Yin Ningfu glanced at her grandfather, then took her seat at the table. She picked up a piece of toast indifferently and took a few bites on it gently. However, she couldn't taste anything.

"Regarding the incident yesterday, has the situation been confirmed yet?" Yin Ze voiced out a question.

Yin Ze didn't have a good sleep throughout the night as he was worrying about the incident that happened in Yun Ding Estate. Even if Tang Yin was dead, it still wasn't good news for the Yin Family, hence he had to race against time to make sure that his family was excluded from this matter.

Chapter 288 The Beginning

“Not yet...” Yin Ningfu replied with a passive face, but deep down, she despised her father very much at the moment.

After a slight hesitation, Yin Ze nodded his head lightly.

Ten minutes had passed, and they were about to finish their breakfast. Meanwhile, Yin Ningfu still hadn't gotten to eat her favorite food.

“Perhaps the man I sent to buy the food is stuck in traffic, otherwise the food should have been served already!” Yin Ruihan said with a sigh.

Yin Ningfu didn't respond to him; she put down her chopsticks and left her seat.

There isn't any food that I like; I don't feel like eating breakfast at all!

After leaving the dining room, she took out her mobile phone and gave a call to Duan Jincheng; she was uncertain whether Tang

Chapter 288 The Beginning

Yin had died in the explosion yesterday. Of course, she did hope that he had been killed so that she had successfully avenged her brother, Yin Ang.

Toot-toot-toot...

The call failed.

Stunned, Yin Ningfu took a look at her phone screen and noticed that there was neither signal nor network.

What's going on?

Is the server down?

Yin Ningfu cursed silently and turned back to her room without bothering much about it.

It was almost noon, and the door of her room was opened by Yin Ze.

“Ningfu, something’s wrong...” His face wore an ugly expression.

Chapter 288 The Beginning

Yin Ningfu looked at him and said disdainfully, "Dad, sometimes I wonder whether you're really a member of our Yin Family. You're such a coward! What's wrong now?"

"Are you able to make a phone call?" Yin Ze asked at once.

Stunned, Yin Ningfu took out her phone immediately. "There's no signal..."

"Everyone in our family has failed to make any calls! The man who we sent out to buy food this morning hasn't even come back yet. Not only do we have no signal and network, our house's landline is out of service too!" Yin Ze's face turned paler and he murmured, "We're doomed! The Tang Family must have already started to take revenge on us!"

"Impossible!" With a pale face, Yin Ningfu mumbled, "Why would they even dare to take revenge on us?"

Chapter 289 Attack From All Sides

“That’s the Tang Family! What can stop the Tang Family from seeking revenge?!” Yin Ze roared.

“So what? Isn’t the Tang Family human too?!” Yin Ningfu yelled and pushed Yin Ze away. “Dad, how can you be such a coward? The Tang Family is not God; what can they do to us? I don’t believe that they would dare to rush in and kill us now!”

Yin Ze stumbled backward from the push, and his expression became even angrier.

Yin Ningfu strode toward the living room and found that many of the Yin Family’s members were there.

Yin Ruihan was sitting on a wheelchair with a dignified expression, while the Yin Family’s second-generation members, aunt Yin Xinwen and uncle Yin Gang, were sitting on the sofa, and their facial expressions were not very good either.

“Now we can be sure that Tang Yin is not

Chapter 289 Attack From All Sides

dead at all; he has already made his move!" Yin Ruihan said, "If Tang Yin was dead, we wouldn't be facing such a situation, because it would be a much bigger storm!"

"Don't worry about it. Even if he is a member of the Tang Family, he is merely a person like us. Why should we be afraid of him?" Yin Ningfu coldly hummed. "All we have to do now is send someone out to see what's going on outside. Perhaps it'd be even better to call the police to deal with it! I don't believe that Tang Yin can fight with the police in Shanghai!"

While Yin Ruihan frowned, Yin Gang, who was at the side, said in a cold voice, "Even if he dare not fight against the police, he isn't someone that the Yin Family could fight against! I don't know why you had to go against Tang Yin!"

"Why did I want to go against him? I only did it for the sake of our Yin Family!" Yin Ningfu yelled and kicked her foot on the

tea table, thereupon she looked at her uncle contemptuously. "I really didn't expect that the Yin Family would have such cowards as you guys. You really are a disgrace to the family! My brother died in Wuhan, yet you guys didn't even have the courage to seek revenge for him! What kind of elders are you?!"

"Yin Ningfu! What did you say?" Yin Gang was furious.

"Are you deaf?" Yin Ningfu rolled her eyes and took a step backward in disgust. "Our Yin Family is one of the Three Great Families in Shanghai; I didn't expect all of you to be such cowards. *Hmph!* Don't go around telling others that you are a member of the Yin Family then..."

"Y-Y-You have no respect for your elders at all!" Yin Gang stood up, his arms trembling.

"Silence!" Yin Ruihan scolded loudly.

Chapter 289 Attack From All Sides

Yin Ningfu rolled her eyes and shot a glance at Yin Gang.

“So far, we don’t have any other choice, so just do as Ningfu said. Firstly, let’s send someone out to inquire some information!” Yin Ruihan said in a cold tone while looking around the room. “No matter what happens, everyone should stay within the estate first. Otherwise, worse things might happen!”

“You should have done this earlier!” Yin Ningfu sneered and turned to walk upstairs.

“Dad, are we really going to do as she said?” Yin Gang asked in disbelief.

“This is the best way; do you have any better ideas?!” Yin Ruihan glared at Yin Gang.

Taken aback, Yin Gang was rendered speechless by the question.

Chapter 289 Attack From All Sides

“Who should we send then?” Yin Ze came around and asked.

“For the time being, let the two bodyguards under you go out and have a look first...” Yin Ruihan said after hesitating for a while.

“All right.” Yin Ze nodded his head and quickly gave his order to his men.

A smart person could easily realize the problem that the Yin Family was facing now; their mobile phones had no signal nor network, their landline couldn't dial through at all, and they had no idea what was happening outside.

Somebody had to go out to find out the situation outside, otherwise Yin Estate was no different from a no man's land.

At this moment, Yin Ze's two bodyguards drove out of the estate in a Japanese brand car.

All members of the Yin Family fixed their

gazes on the car; they knew that this car driving out of the estate was their only hope during the current situation.

Yin Ruihan was sitting in front of the window in the living room with Yin Ze and Yin Gang standing next to him on each side. Meanwhile, Yin Ningfu was standing in the bedroom on the second floor, staring at the car as well.

Everyone breathed a sigh of relief when they saw that the car had left Yin Estate, but just two minutes later, a three-meter-high truck suddenly came charging from the other side of the estate.

All they could hear next was a loud bang, and they saw a flicker approximately 200 meters away.

Yin Ningfu's body trembled and her face turned pale at once. She had witnessed the scene with her own eyes; she saw the big truck hit the Japanese brand car so hard that it flew a few meters away.

Chapter 289 Attack From All Sides

As for the two bodyguards in the car, they must be dead now as it was impossible to have escaped from death in that brutal incident.

“How is this possible...” Yin Ningfu almost blacked out.

“They’re dead,” Yin Ze whispered softly as his face turned deathly pale.

“Look! What did I say? The Tang Family is coming for revenge! We can’t get out of here! There’s no way we are gonna get out of here!” Yin Gang scolded and roared, “It’s over! The Yin Family is finished!”

Yin Ze’s body was also shaking and his palms were full of sweat.

“What now?!” Yin Gang yelled.

“Shut up!” Yin Ruihan yelled.

At this time, Yin Ningfu came out of her bedroom, her face livid.

Chapter 289 Attack From All Sides

“Yin Ningfu, you still have the nerve to come out? Are you trying to kill us all?! You evil witch!” Yin Gang turned his head and roared at his niece.

Yin Ningfu clenched her teeth. “Me? Trying to kill all of you? You bunch of cowards! Even if I didn’t drag all of you into this, sooner or later, you all will be eaten alive by them! Aren’t you aware of the Yin Family’s situation for the past two years? Don’t you have a clue about it?!”

“Well, at least that’s better than dying now!” yelled Yin Gang.

“Shut up!” Yin Ruihan roared, his face filled with anger; his prestige over the years gradually made evident. “We must leave, or the Yin Family will be trapped till our deaths here...”

“Leave?! How do we leave?!” Yin Gang yelled, “The road outside is completely sealed! They want us dead!”

“We won’t die!” Yin Ningfu looked at Yin Gang with disdain, then turned her head to Yin Ruihan and said, “Grandfather, Duan Jincheng will come to see me today; I have an appointment with him. He will surely come here today! As long as Duan Jincheng is here, the Yin Family will be fine!”

“You still believe in Duan Jincheng?!” Yin Ze turned around and asked angrily.

Yin Ningfu was stunned for a moment, then gritted her teeth and said, “I trust him. He can surely defeat Tang Yin, and he can surely kill Tang Yin...”

Yin Ruihan had a solemn expression. “Once Duan Jincheng arrives, get him to contact the Tang Family immediately; I know a few people in the Tang Family!”

“Okay!” Yin Ningfu nodded and answered.

Was Duan Jincheng really any better than the Yin Family at this time?

Chapter 289 Attack From All Sides

When Duan Jincheng woke up in the morning, he too immediately noticed that his mobile phone had no signal and that the landline couldn't dial through at all.

He immediately knew that this was all Tang Yin's doing. However, he did not react like the Yin Family, instead he had chosen a different, unexpected approach.

Chapter 290 Staging a Protest

Duan Jincheng was lying on the sofa in a room in the Duan residence, rocking a wine glass in one hand as he stared at the video image on the wall.

It was a surveillance image around the perimeters of the Duan residence and it was very efficient for monitoring its surrounding situation.

In the video, there were a total of four large vehicles parked around the Duan residence. The large vehicles were not too different from each other; they looked exactly like those normal container lorries that probably wouldn't attract anyone's attention.

However, Duan Jincheng thought differently. He was sure that these four vehicles were more than what they appeared to be.

"Can we effectively jam the radio?" The corner of Duan Jincheng's mouth lifted into a smirk when he took out his phone

and saw that there was no signal. “This is like child’s play! Tang Yin, is this all you are capable of doing? If so, it is ridiculous!”

In fact, the four large vehicles were used to block signals from both satellite phones and the internet.

“Young Master... Our people who have gone out have not returned; I’m afraid that they may have met with an accident!” a bodyguard who came in from outside said to Duan Jincheng.

The corners of Duan Jincheng’s mouth lifted and an evil smile appeared on his face. “Well, let’s just stay in the house since there’s still enough food! As long as I don’t report about the situation here today, someone is bound to notice that something is off!”

“Well then... Do we need to take care of the Yin Family too?” asked one of the bodyguards.

The look on Duan Jincheng's face turned cold immediately and he said, "The Yin Family? Why should I care about their family matters? Why should I care whether they die or not? What has that got to do with us? You can't really be thinking of making me risk my life to help the Yin Family just because of my marriage contract?"

"No, of course not!" The bodyguard immediately lowered his head.

Duan Jincheng snickered, then put down his crossed legs and turned to walk into the house. "Ask only what you should ask and shut up about things that you shouldn't!"

"Understood!" The bodyguard immediately nodded.

Duan Jincheng was still scoffing with the corner of his mouth turned up as he walked back to the room. "Tang Yin, oh, Tang Yin! What a lucky man you are!"

Nevertheless, I don't see what you managed to do to me—Duan Jincheng—by pulling something like this. What's the point of dragging this out when you're going to end up dead anyway? It's not attractive at all..."

Duan Jincheng couldn't help mocking Tang Yin's actions.

At that very moment, Tang Yin had already left the Hidden Bunker.

The Hidden Bunker could be used as a temporary hiding spot, but it could never be used as his shelter.

Tang Yin knew that the Hidden Bunker could never be exposed even if he exposed his own tracks. It was his biggest hole card as well as where the core of all his secrets was at.

After leaving the Hidden Bunker, he headed toward another estate by car.

Tang Yin's forehead was wrapped in a bandage and his gaze looked fierce. Meanwhile, Scorpio was driving while Yuan Zhian sat beside Tang Yin.

"As per your instructions, I have taken over all matters regarding Shang Qing Group. However, there seems to be a problem when I contacted them earlier," reported Yuan Zhian softly.

"What problem?" Tang Yin's voice was icy cold.

"Shang Qing Group had been very nonchalant about me taking over their company. They were not as worked up as I thought they would be!" replied Yuan Zhian.

Tang Yin scrunched his forehead into a frown and said, "That's okay! Why don't you visit Shang Qing Group today before meeting with Han Qi in Yun Ding Corporation? You can decide yourself about what to do and how to do it. If

Shang Qing Group were to show strong retaliation, it would be best to just take it off our agendas then!"

"Okay!" Yuan Zhian nodded lightly.

Tang Yin turned his gaze out of the window to see the car drive all the way to the ground floor of Shang Qing Group. After letting Scorpio drop Yuan Zhian off, they drove off once more.

This time, Tang Yin had a clear destination in mind.

After twenty minutes, the car stopped outside of Yin Estate.

Tang Yin got out of the car first with Scorpio following closely behind while holding up an umbrella for him.

Both of them stood nearby where they could see the whole of the Yin Estate, and their faces looked as though they were smiling.

“It’s Tang Yin...”

Inside the Yin Estate, Yin Ze’s face changed drastically when he saw the two people standing nearby; he was so frightened that his whole body trembled nonstop.

Tang Yin is not dead!

Sure enough, the Young Master of the Tang Family was not dead but was only injured. Nevertheless, an injured beast was usually the most vicious.

“Is Tang Yin finally here? I knew it! I knew he would come here. If only you guys apologized to him earlier, then we wouldn’t be in this situation right now!” Yin Gang roared. “That’s just great! He’s blocking us right at our doorsteps now. What better solutions do you guys still have?”

Yin Ruihan stared at Tang Yin’s face that was not too far away with a slightly complicated look on his face. During the

Chapter 290 Staging a Protest

Tang Family side-taking forty years ago, Yin Ruihan had taken the side of Tang Yin's grandfather. Although he was just an insignificant person at that time, his decision eventually brought about his success from then on.

Tang Yin is here!

Someone from the Tang Family is here!

At that very moment, everyone in the Yin Estate was shrouded in fear.

"What are all of you scared of? What is there to be scared about? Do you actually think that he's daring enough to force his way in?" Yin Ningfu pretended to act calm as she growled, "So what if he's standing outside? Why should we be scared of him?"

"Don't be scared? Everyone who has gone out is dead and you're telling us to not be afraid? If you're so brave, why don't you get out there then?!" shouted Yin Gang.

Yin Ningfu gritted her teeth and said, "We'll be alright as long as Duan Jincheng is around!"

Yin Ruihan lifted his head to look at Yin Ningfu who was standing beside him. He knew for one that Yin Ningfu was not sure if Duan Jincheng would be able to help them out. Besides, as one of the Three Great Families in Shanghai, it would be pure stupidity if they depended on someone else for everything.

"Yin Ze!" Yin Ruihan demanded in a low voice.

Yin Ze walked over with an ugly expression on his face.

"Bring along the thing I gave you, then go out and have a talk with Tang Yin. Tell him that we used to be related to the Tang Family..." said Yin Ruihan softly.

"Talk? What's there to talk about?! There's no need for a discussion!" Yin Ningfu

sneered, “Just let him stand outside! Does he think that he will be able to scare us just by standing there?! Dream on! If you ask me, it will be better to hire a sniper and shoot him to death! Then, he won’t be able to disgust us by standing outside our house like a pest...”

“Yin Ningfu, are you trying to lead the Yin Family to its doom? What the hell are you thinking?!” Yin Gang roared at her loudly.

Yin Ningfu slanted her eyes to look at him and turned to walk toward her room with her eyes full of disdain.

A man like him wouldn’t count as a man!

In Yin Ningfu’s opinion, a man who would get flustered by something like this and had no views of his own could not be counted as a man!

“Dad, are you just going to leave her like this? If this goes on, our Yin Family would definitely be ruined!” said Yin Gang as he

turned to stare at Yin Ruihan.

Yin Ruihan kept quiet for a long time before lifting his head to look at Yin Ze.

“Okay! I-I-I will go now!” Yin Ze gulped, starting to panic on the inside.

At this very moment, even if Yin Ze had some courage before, it was all drowned in panic after what Tang Yin did.

“Dad, quick! Come and see this!” Yin Gang shouted loudly all of a sudden.
