

"Aunt Ji, don't panic. It's not what you think it is!" Ji Yueshan explained in a panic. "I have talked this over with Yuan Zhian, but she..."

"Ji Yueshan!" Ji Mu bellowed. "What do you think you are doing?! They have a sword above your head! How could you f\*cking think of bedding a woman?! Do you even wish to escape from their control?!"

Ji Yueshan nearly cried. "Aunt Ji, I..."

"You useless piece of trash!" Ji Mu bellowed. Then, she turned her head to the driver. "Start the engines and bring me to the airport directly. I have no reason to stay here any more! There are other people in the Ji Family, so even if Ji Yueshan dies, it wouldn't affect the Ji Family."

"Don't do that, Aunt Ji!" Ji Yueshan was panicking as he held on to her. "Aunt Ji, please help me! I cannot go up against Yuan Zhian! Aunt Ji, please I beg you! I asked you to come because I wanted you to help me figure a way out of this situation. In the future, I will do whatever you say. I won't go against you! I swear!"

Ji Mu looked stern. She felt that her nephew was a useless piece of trash, and

## Chapter 341 I Will Ruin You

he would amount to nothing in the future.

“Aunt Ji, please I beg you. I will get on my knees...” Ji Yueshan tried to shift his body into a kneeling position inside the car.

“Get up! How could the Ji Family produce such a useless piece of trash like you?!” Ji Mu was enraged.

Ji Yueshan’s movements were awkward. “Aunt Ji, does that mean you agree? I beg you. Please help me out this time. As long as I can get back that recording, Yuan Zhian will have no evidence even if she wanted to make false accusations against me.”

“Are you sure that those are false accusations? Those are irrefutable evidence!” Ji Mu gave Ji Yueshan a vicious glare.

Ji Yueshan started to panic. He lowered his head and did not dare to speak. When he initially came to Shanghai, Ji Yueshan really wanted to make something of himself through his own hands. Who knew that the situation would turn out like this? It was indeed out of his expectations. The ambitious youth back then was gone; instead he would soon become one of

## Chapter 341 | Will Ruin You

Yuan Zhian's dogs.

"Three days later, I want you to find a place and ask Yuan Zhian to meet you there. Tell her that you can give her enough benefits in exchange for the video recording." Ji Mu massaged her temples which were hurting badly. "As for the rest of the matter, I can help you feel her out."

"Ok! Ok!" Ji Yueshan nodded his head vigorously.

The car sped into the distance and vanished from the view of the estate.

Yuan Zhian retracted her gaze as she drummed her fingers lightly against the table. She saw Ji Yueshan getting into the car and leaving.

Yuan Zhian did not plan on releasing Ji Yueshan from her grasp at the moment. At least, he was still useful. She needed Ji Yueshan's intervention regardless whether it was to control Shang Qing Group or Yin Group.

Yuan Zhian expected that she would have to step forward to solve this mess. However, she knew that Shanghai had recently gone through a huge crisis. If she

## Chapter 341 I Will Ruin You

was to enter the fray now, she would cause a huge backlash.

If Ji Yueshan entered the fray, then they wouldn't have this problem. Even if there were some problems, everybody would turn their attention toward the Ji Family in Beijing.

It was all within her calculations, and he was an important link. After all, this wasn't the first time Yuan Zhian made someone else her sacrificial lamb. As long as Ji Yueshan was firmly within her grasp, then everything she had obtained up till now was still within her hands.

When she turned her head around, her gaze fell upon Yin Ningfu's blank expression.

Yin Ningfu was hugging her clothes to her body with an empty expression on her face. She recalled the humiliation she suffered under Ji Yueshan's hands, which made her feel ashamed.

"What's wrong? He has left already. Are you still reminiscing about the good times you have together?" asked Yuan Zhian with a smile.

## Chapter 341 I Will Ruin You

Only then did Yin Ningfu regain her senses. She gritted her teeth and looked at Yuan Zhian. "What do you want? The Duan Family and the Yin Family's businesses are already in your hands! Why don't you let me go?"

Yuan Zhian fixed her gaze upon Yin Ningfu as the corners of her mouth curled up into a smile. Then, she approached Yin Ningfu, one step at a time. Following that, she lifted Yin Ningfu's chin with a finger as she sized up her body. Then, she tutted. "Who told you that I only want the Duan Family and the Yin Family's businesses?"

"Then, what else do you want?" Yin Ningfu asked angrily.

Yuan Zhian smirked. "Do you wish to know? Then, I will tell you. You shouldn't have offended certain people in your lifetime. When you tried to harm Tang Yin back then, you should know the consequences you are going to face. Do you think I went too far in my punishment? Then, have you ever thought about the things that you did to Ding Xuan? Don't you think that you went too far? Did you ever stop to think that the ball that you organized to kill Tang Yin and I when we first came to Shanghai was too much?"

## Chapter 341 I Will Ruin You

Yin Ningfu gritted her teeth as she glared at Yuan Zhian.

Yuan Zhian smiled and said, "Since you can go to such extreme lengths, then why can't I do that as well? Since you wanted to kill us, naturally we would like to ruin you as well. This is society! This is how the world works! A wrong decision from you can dictate your future. Don't you think so?"

"Release me! I can give you whatever you want!" said Yin Ningfu through gritted teeth.

"What do I want? I want to destroy your arrogance and you as a person!" Yuan Zhian shook her head and said heartlessly, "Didn't you always think that you were an extraordinary person in the past? Didn't you always look down upon other people? I want to change your logic and your mindset one step at a time, so that you will feel that everybody in this world is equal..."

"You..." Yin Ningfu gritted her teeth.

"Wear your clothes and go back to your room. I have already arranged two gardeners for you. Although they are not that young, they have strong bodies. I think

## Chapter 341 I Will Ruin You

that they can pleasure you.” With that, Yuan Zhian turned around and walked outside.

“You demon!” Yin Ningfu started to shudder as tears appeared at the corner of her eyes.

She was a demon! A cruel, heartless demon! She knew that Yuan Zhian was a woman of her word. Tonight, there would be two gardeners waiting for her, and they would be waiting to unleash all their lust on her body.

After she came out of the room, Yuan Zhian turned around and walked upstairs.

She noticed that Ji Youyou was by Tang Yin’s side. She sighed gently in her heart as she turned around and entered the kitchen.

Both of them needed some rest. They shouldn’t be spending their energy like that. At the moment, Yuan Zhian did not wish to interrupt them, hence she could only walk into the kitchen to make some nutritional supplements for both of them since they needed to nourish their bodies.

When night descended, the entire estate

## Chapter 341 | I Will Ruin You

was plunged into silence.

Yuan Zhian brought out some chicken soup and went upstairs. She noticed that Tang Yin and Ji Youyou were already fast asleep. She stood at the entrance hesitantly. However, she did not enter the room.

The night in Shanghai seemed calm and peaceful.

However, the waves near Tang Island in the Pacific Ocean seemed unusually choppy that night.

A large passenger aircraft had just descended upon the airstrip of Tang Island, and a strong, healthy looking man in his 40's descended from the plane.

Tang Lijiang!

The rightful, chosen Patriarch of the Tang Family had finally returned from Africa.

## Chapter 342 Father and Son, at Odds With Each Other

Tang Lijiang looked at the estate in the distance as he walked down the spiral staircase. The dozen people behind him followed him one after the other. They lowered their heads in silence, leaving behind only the resounding sounds of their footsteps echoing within the small airport.

The moment they got down the plane, Tang Yuanbo, who was in the estate, had already received the news.

The old butler stood at the side as he lowered his gaze. He seemed indifferent to it.

“He came back?”

“Yes!”

Tang Yuanbo looked cold as he lifted his head to look at the entrance of the estate. “It’s good that he returned. We need to discuss this matter.”

The old butler remained silent as he did not answer him.

*Creak!*

The doors were opened as Tang Lijiang, who was dressed in a trench coat, walked

## Chapter 342 Father and Son, at Odds With Each Other

in.

Tang Lijiang was in his prime. He was youthful and strong. In another manner of speaking, he was at the peak of his life. 20 years of ups and downs in the business world had made him—the rightful Patriarch of the Tang Family—a more mature and bold man. He exuded a powerful aura that nobody possessed when he walked.

When he entered the room, he bowed awkwardly. “Dad..”

“You still know that I am your father?”  
Tang Yuanbo smirked.

Tang Lijiang did not answer. He merely straightened his body. He looked like he was waiting for some good news.

“Go ahead. What kind of results did you expect this time upon your return?” asked Tang Yuanbo.

Tang Lijiang was silent for a moment, before he asked, “I want to know whether you are going to enforce the household law? If you are going ahead with it, I will ask Jiang Hui and Tang Yin to come back to await your punishment.”

## Chapter 342 Father and Son, at Odds With Each Other

The meaning behind his words were obvious. In the past, he had made this clear as well that he wouldn't rest if Tang Yuanbo insisted on carrying out the household law.

"If I insist on enforcing it, will you be willing to allow me to do so?"

"Of course not!" Tang Lijiang had no intention of hiding it. "If you choose to carry it out, I will kill everybody in the main family. I will slice them open bit by bit and feed them to the sharks. On the other hand, if you choose to stay your hands, then I will leave this matter at that. I can leave now. Moreover, I can fly back to Africa to settle the issue at hand."

"Lijiang, are you trying to force me?" asked Tang Yuanbo.

"Dad, I am not forcing you. From the beginning, this matter had been caused by the people from the main family. From Tang Yin's education in Wuhan to cutting off his pocket money, and even the assassination attempt on Tang Yin were all initiated by Tang Licheng's men. First, it was Tang Wei's assassination attempt, then Tang Miao caused the explosion in Yun Ding Estate, and now Tang Yin was

## Chapter 342 Father and Son, at Odds With Each Other

nearly gunned down by Tang Licheng in Shanghai Stadium. I believe that you are aware of this matter.”

Tang Yuanbo did not speak. His expression remained cold.

Tang Lijiang smiled. “So, you only allow Tang Licheng’s men to kill people and burn things down, but you won’t allow me to cause a small ruckus here? Where is the logic in this? I still felt that it was a good thing that Jiang Hui chopped off Tang Licheng’s hands. Otherwise, he might kill me straightaway in Africa next time.”

“Hmph!” Tang Yuanbo snorted coldly. “You should be prepared to sharpen yourself on the grindstone the first time you spread your wings. Don’t you think so?”

“You’re right.” Tang Lijiang smiled. “Then, I will be taking my leave first. I will help you sharpen the children from Tang Licheng’s family. I hope that they can survive it!”

“Tang Lijiang, what are you planning?!” Tang Yuanbo was enraged.

Tang Lijiang turned his head with a smile. “Dad, didn’t you say that we have to sharpen ourselves on the grindstone?”

## Chapter 342 Father and Son, at Odds With Each Other

Tang Yuanbo's clouded eyes fixed themselves upon Tang Lijiang with hatred. After some time, he finally said in a low voice. "Lijiang, you have made great contributions to the Tang Family over the past few years. The Tang Family will never forget about it."

"Dad, don't you think that Jiang Hui is a capable person? I don't know where she got her hands on two missiles. Now, she is fishing away happily in the sea every day approximately 100 nautical miles from here..." Tang Lijiang smiled and did not continue; instead he said, "I will go and have a chat with her..."

"Lijiang!" Tang Yuanbo raised his eyelids. He couldn't tolerate it anymore. "I will punish Tang Licheng's side for that matter. However, you cannot do it yourself..."

Tang Lijiang stood in his original spot and remained silent for quite some time.

"Then, what do you want me to do?" Tang Yuanbo's voice was cold.

Tang Lijiang smiled. "I want Tang Miao to hand over the things from Australia."

"What do you plan to do with it?" Tang

Yuanbo slammed his hands on the table.

"I am thinking of killing him!" Tang Lijiang blurted it out without a care in the world.

"Fine! Fine!" Tang Yuanbo gritted his teeth in anger as he inhaled deeply. "You can ask Miao Bai to go over to Australia and get it."

"Thank you. I will leave now." Tang Lijiang smiled as he turned and left.

*Smash!*

The moment Tang Lijiang left the room, Tang Yuanbo picked up the teacup and flung it down on the floor. "He turned against me! How dare he turn against me?!"

The old butler watched him from the sides. His expression looked grim, but he still did not say a word.

Tang Yuanbo was so pissed that he started to tremble. He wanted to curse out loud, but he swallowed it back forcefully.

At the moment, Tang Lijiang had already left the house. Strangely enough, he sighed. Then, he shook his head and

## Chapter 342 Father and Son, at Odds With Each Other

walked toward the airplane. "Give my wife a call. Ask her to leave immediately. She will be found out soon enough..."

"Ok!" The person behind him answered.

Tang Lijiang was tired. He came this time to force his father to give him something useful. However, he knew that he could only go that far with his methods. Although he was the rightful Patriarch of the Tang Family, he did not know how capable the Tang Family was. The only thing that he knew was that Tang Yuanbo still had an ace up his sleeves. Even if he had a falling out with his father now, he might not be able to suppress him.

Now that the Tang Family was in this situation, most of the power was still in Tang Yuanbo's hands.

Tang Lijiang had to look for an opportunity to reap some benefits from him. He had to analyze the situation and identify his lifeline, otherwise there would be no hope at all.

Tang Yuanbo did not wish the Tang Family to descend into chaos now. That was because he wanted to place a perfect, complete family into the hands of his

## Chapter 342 Father and Son, at Odds With Each Other

eldest son.

Tang Lijiang knew this in his heart. He had always known it.

“Main family... The eldest son? The eldest grandchild?”

Tang Lijiang stood on top of the spiral staircase of the airplane as he turned to look at the estate. There was some bitterness in his heart. Although he had contributed a lot to the family for these past few years, it wasn't as important as the time of birth.

“Master, Madam said... Either you die with them, or she will end everything to avoid future troubles.”

Tang Lijiang was stunned. Then, the corners of his mouth curved into a slight smile. “Let's go out to sea then...”

“Go out to sea?”

“Yes. We shall leave by boat,” said Tang Lijiang.

“Then what about the matters in Africa?”

“Let them wait. If they can't do that, then

## Chapter 342 Father and Son, at Odds With Each Other

there is no reason for us to cooperate with them anymore. The Tang Family will withdraw from there.” Tang Lijiang pondered for a moment before he opened his mouth and said, “I don’t know who am I fighting for for so many years. Are they even worth it?”

When the people beside him heard this, they took two steps back and did not say anything.

Tang Lijiang walked all the way to the harbor. Then, he got on a speedboat and drove a hundred nautical miles away.

Somebody in the estate saw this as they quickly reported it back to Tang Yuanbo.

Tang Yuanbo looked grim as he held his cane. Then, his eyes gleamed. “If I ask my men to surround him now, what will happen?”

The old butler’s expression changed slightly for he did not expect Tang Yuanbo to say that.

“If I order my men to get on a speedboat and kill them both... What will happen?” said Tang Yuanbo as the gleam in his eyes got brighter and brighter, as if it could

Chapter 342 Father and Son, at Odds With Each Other

illuminate the entire house. "Come my men! Prepare to go out to sea!"

“Are you sure, Master?” The old butler asked him in a low voice.

Tang Yuanbo narrowed his eyes as the expression on his face looked solemn. Following that, his gaze became solemn as well.

“There are over a hundred people on this island, so the second master must have some spies here. If you go out to sea now, the second master will notice it the moment you get on his boat. By then, it would be a life and death struggle.” The old butler sighed gently and continued, “The second master may not do anything to you, but if Jiang Hui knew that you are going to kill them, nobody can guarantee what she will do next.”

Tang Yuanbo clenched his fist as he slammed his hands on the table furiously. “This unfilial son...”

The old butler looked at him and shook his head slightly. He did not say anything any more.

In the Tang Family, almost everyone knew Tang Yuanbo’s thoughts, and they knew how he treated the second master of the Tang Family. In his heart, he had always

## Chapter 343 The Shameless Second Master of the Tang...

wanted to give his eldest son the position as the Patriarch of the Tang Family. Even if his eldest son was incompetent, he would pass it on to his eldest grandchild. If he was incompetent as well, then he would pass it on to the descendant of the eldest grandchild. As for the second master of the Tang Family, although he had brought supreme glory to the Tang Family's name, it was too bad he was born later.

A person who was born later would live an unfortunate life in Tang Yuanbo's eyes, so how could he hand over the seat of the Patriarch of the Tang Family to him?

Waves continued to be generated under the curtain of the night.

A speedboat that was travelling at the speed of lightning had departed from Tang Island. It only took 10 minutes for the boat to reach a hundred nautical miles away from Tang Island.

From this position, he could see a huge ship which was anchored in the distant sea.

There were a dozen men on the ship. Their cold gazes were fixed upon the men in the speedboat.

## Chapter 343 The Shameless Second Master of the Tang...

Tang Lijiang walked out of the speedboat and stood at the sides of the boat as he looked at the person on the huge ship. Then he smiled lightly and called out, "Hey, you there! Are you the most important person in my heart?"

Jiang Hui glared at him in a cold manner. Then, she fished out a Desert Eagle from her pockets and aimed it at Tang Lijiang.

"Hey! Jiang Hui! Distance makes the heart grow fonder. What do you think you are doing?! Be careful when you handle the gun! You might just kill your beloved husband!" Tang Lijiang yelled before he took two steps back.

*Bang! Bang! Bang!*

Jiang Hui fired three shots continuously.

Tang Lijiang was so frightened that he quickly jumped. "Hui, please don't play around with that thing! It will kill somebody!"

"The world will only be peaceful if I kill you!" snorted Jiang Hui coldly as she turned around and returned to her cabin.

Tang Lijiang laughed heartily. He knew that

## Chapter 343 The Shameless Second Master of the Tang...

since Jiang Hui did that, that meant her anger had almost dissipated.

“Come. Bring the boat closer, and let’s get on the ship.” Tang Lijiang laughed heartily as he waved his hand at his subordinates. “Have you noticed that my wife has become more beautiful after we haven’t seen each other in a long time?”

His subordinates lowered their heads and did not speak. They knew that he was a sweet-talker, hence they merely followed his orders and anchored their speedboat next to the huge ship.

They were used to seeing Tang Lijiang flattering Jiang Hui. This couple was made up of a woman with an iron fist and a brazen man. In reality, they knew that if the second master of the Tang Family were to become serious, his wife would not dare to confront him directly.

When the speedboat was close enough, the First Madam and her men dropped the rope ladder.

“Oh my! This place is way better as the ship is bigger. First Madam, can you go and fetch me some hot water? I am going to take a bath with my wife as a couple.”

## Chapter 343 The Shameless Second Master of the Tang...

Tang Lijiang laughed heartily as he made his way toward the cabin.

First Madam spat. Then, she turned around and thought about it as she walked toward the cabin. She knew that since the second master was already here, the Madam would not be pissed anymore, and this matter would be resolved.

The internal strife within the Tang Family was suppressed by Tang Lijiang's imposing aura. On the other hand, the problems in Shanghai continued.

Tang Yin ordered his men to send Ji Youyou back home as he was worried about her health. After all, she was injured back in the stadium which caused her to faint for quite some time.

After Ji Youyou left, Tang Yin tried to sit up.

The pain from his broken rib continued to plague his body. He was lucky that he had his Inner Energy to reinforce his body. Otherwise, Tang Yin did not know whether he could last that long.

Tang Yin's forehead was beaded with cold sweats as he tried to manipulate the Inner

Energy in his body. However, the pain in his body finally lessened.

At the moment, the doors to the room were pushed open as Yuan Zhian walked in. She was in her uniform.

"Scorpio has awakened..."

"Oh?" Tang Yin was delighted. "Let him rest first. Moreover, I want you to tell him not to think of anything else. In addition to that, I want you to remind Li Xubo not to be too idle during this period of time."

"Ok!" Yuan Zhian nodded her head, but she did not move from her original spot.

Tang Yin looked at her doubtfully. "Is there anything else?"

"N-Nothing!" Yuan Zhian started to panic, but she lowered her head and said, "Youyou has gone back. You better have somebody beside you, and I am willing to stay by your side."

Tang Yin was stunned. "Alright. Help me up. I want to take a walk."

"Ok!" When Yuan Zhian saw that he did not chase her away, she was delighted.

## Chapter 343 The Shameless Second Master of the Tang...

She quickly walked to his side and placed her arms around his shoulders as she helped him up. Then, she shifted his body to the sides of the bed. Following that, she almost knelt down as she helped him put on his shoes.

Tang Yin watched Yuan Zhian with a mixture of emotions in his heart. Since getting acquainted with her, she had changed a lot. Although she would do anything to accomplish her goals, she had become Tang Yin's right hand man.

"Put your legs down slowly," said Yuan Zhian softly. She did not dare to lift up her head to look at him.

Tang Yin placed a hand on her shoulder. He could smell a faint fragrance from her body. Even if he did not deliberately look at it, he could see two huge mounds on her chest, especially since she had a devilish looking body.

Tang Yin walked slowly. When he felt his Inner Energy stabilizing, only then did he stop.

Suddenly, the pain from his ribs caused him to bend over as he sucked in a cold breath.

## Chapter 343 The Shameless Second Master of the Tang...

"Be careful!" Yuan Zhian quickly held on to Tang Yin. By doing so, half of her body was almost touching his body.

Tang Yin could feel a soft sensation on his body. In that instant, his body reacted to it.

"Help me back onto the bed..." said Tang Yin gently.

Yuan Zhian slowly helped him back onto bed. Then, she knelt down to take off his shoes. Following that, she obediently got onto her knees.

"How do you want me to treat you?" Tang Yin asked as a mixture of emotions filled his heart.

Yuan Zhian blushed. "Y-You can just treat me as a slave. I am your slave as well as Youyou's slave. You can do anything to me."

Tang Yin tilted his head as his gaze fell upon Yuan Zhian's anxious face. Then, he lifted her chin with one finger as he said, "Can I really do anything to you?"

Yuan Zhian shuddered. This was something that she had yearned for for the longest time, and she might finally obtain it

## Chapter 344 Tang Yin Is Learning

“Yes. You can do whatever you want with me!” said Yuan Zhian eagerly. There was an inexplicable sense of anxiousness in her heart. This anxious feeling was akin to the unsettling feelings of true love in which one yearned for, yet was afraid to lose at the same time.

“Kneel properly then!” said Tang Yin in a cold voice.

Yuan Zhian trembled as she felt her inner desire bursting forth.

“Lift your head!”

Yuan Zhian clenched her fist and lifted her head anxiously. She was staring straight at Tang Yin.

Tang Yin kept his eyes locked on her. He saw her looking at him, then there was a hint of panic in her gaze. In the end, she managed to endure it as she continued to look at him. Although there was a hint of struggle in her eyes, she was able to express her emotions well.

“I don’t know exactly how to do it.” Tang Yin sighed as he thought about it. Then, he said, “Why don’t you buy a few books for me? I will try to learn.”

## Chapter 344 Tang Yin Is Learning

"I have it! I have it!" Yuan Zhian quickly said.

"Good. Get it for me. I want to take a look at it." Tang Yin sighed gently.

"Ok!" Yuan Zhian quickly stood up and walked out of the room in a hurry as she ran down the stairs.

Tang Yin looked at the ceiling as he let out a helpless laugh. Judging by Yuan Zhian's situation now, he was afraid that no psychologist would be able to help her. He would not shirk from his responsibilities if the time came for him to do something about it.

This time, if it weren't for Yuan Zhian, Ji Youyou would have been killed in the stadium. Moreover, if it wasn't for her, he might not have been able to leave there safely.

Tang Yin did not wish to betray Ji Youyou. Naturally, he did not wish for Yuan Zhian to continue like this as well.

If a person kept his or her desire in their heart for a long time, it would lead to unimaginable harm to that person.

## Chapter 344 Tang Yin Is Learning

Within less than 2 minutes, Yuan Zhian had rushed back. Not only was she holding a few books in her hands, there was a rectangular box in her hands as well.

Tang Yin took the books from her as he scanned through it. He felt a mixture of emotions within his heart. Based on his status, he had been exposed to many types of information such as these. However, this was the first time that Tang Yin actually read a book about it.

Yuan Zhian continued to kneel on the floor. She did not dare to lift up her head to look at Tang Yin.

After Tang Yin browsed through it for a moment, he placed the book down. "I will try to learn it. However, I can only help you when there is nobody around."

"Ok!" Yuan Zhian nodded her head obediently. It was so different from her usual arrogant manner.

Tang Yin smiled. "Go back and take a rest first."

Yuan Zhian hesitated for a moment before she turned around to leave.

## Chapter 344 Tang Yin Is Learning

The next day, Wang Jin arrived at the estate.

Tang Yin was still lying on the bed. When he saw the guy who grew up with him, his expression turned cold as he couldn't help but sigh.

Tang Yin and Jiang Hui did not deliberately cultivate Wang Jin's character. On the contrary, he was a Young Master of a powerful family back in Beijing. In the end, his family had lost the fight, and all of them were killed. Wang Jin was the sole survivor of that family. Hence, he was still traumatized till now.

"My king. Tang Miao was able to escape as I did not handle this matter properly. Hence, I am willing to accept my punishment," said Wang Jin as he bowed.

Tang Yin shook his head. "It's not that you did not handle it well. On the contrary, the situation was out of my expectations. Hence, this has nothing to do with you. I want you to pick a day out of the next few days and fly back to Africa..."

Wang Jin lifted his head and looked at Tang Yin excitedly. "My king, I-I am so near to Beijing."

## Chapter 344 Tang Yin Is Learning

“Even if you are near to Beijing, you don’t stand a chance against them.” Tang Yin gave him a meaningful look. “Go back to Africa. You can come over the next time I need you... I know that you are obsessed with Beijing, but it is not time for you to clear your obsessions yet. I promise you that within a year, I will let you get rid of your obsessions.”

“Ok!” Wang Jin nodded his head as he turned and left.

“Beware of Rogers!” said Tang Yin in a low voice.

Wang Jin stopped in his tracks. “Do you want me to kill him?”

“No need. Just be careful around him.” Tang Yin waved his hand.

Wang Jin nodded his head as he walked outside.

After Wang Jin left, Tian Wei left the estate as well. He seemed to have been reborn.

Yuan Zhian stood behind the windows as she watched Tian Wei leaving in delight. The smile at the corners of the mouth grew brighter and brighter.

## Chapter 344 Tang Yin Is Learning

The outcome of everything had already been predetermined.

The moment Tian Wei left here, his fate was already in Yuan Zhian's hands. He would never be able to escape from her clutches forever. As long as she released the video recordings of him killing his father, even if he wasn't persecuted by the law, society would condemn him forever, enough to keep him from raising his head in the future.

*Ring! Ring! Ring!*

The phone rang.

Yuan Zhian answered the call. Ji Yueshan's voice was heard from the other end of the phone. "I want to have a chat with you the day after tomorrow."

"Ok! Do I need to bring Yin Ningfu along? Last night, she told me that she missed you," asked Yuan Zhian.

"No need!" With that, he hung up the phone directly.

Yuan Zhian smiled faintly as she turned around and sashayed into Tang Yin's sickroom.

## Chapter 344 Tang Yin Is Learning

Inside Tang Yin's hospital ward, Ji Youyou was supporting Tang Yin as he walked. Ji Youyou felt uneasy with every step Tang Yin took, even to the point of being anxious. The tip of her nose was beaded with cold sweat at the moment due to her anxiety.

"I have applied for three days leave from my company. I have to go back in three days," said Ji Youyou gently.

"Ok!" Tang Yin smiled evilly. "Since you are going to leave, then you should let me hug you tonight."

"No way!" Ji Youyou pouted.

Tang Yin laughed heartily. With Ji Youyou's support, he walked around until he was covered in sweats. Then, he turned around and got back to his bed to rest.

"Erm..." Ji Youyou blushed. "After I leave, you can ask Zhian to wait on you."

"Ok. But aren't you afraid that she will do something to me when you are not here?" asked Tang Yin in a teasing manner.

"She won't. I have warned her already." Ji Youyou did not have any confidence at all

## Chapter 344 Tang Yin Is Learning

when she said this.

Tang Yin laughed heartily as he patted her head. "It's good that you are going back. I will go back to Wuhan as soon as I can after I settle the matter here in Shanghai."

"Ok!" Ji Youyou nodded her head.

Yuan Zhian saw them joking and teasing each other from outside the entrance. However, she did not feel jealous at all.

Maybe in Yuan Zhian's heart, she felt that she had to face this situation calmly.

Finally after two days, Tang Yin was able to walk around by himself.

During this period of time, Han Qi came to visit him once. She only came here to visit Tang Yin. Afterward, she left the estate.

This morning, Han Qi received an unexpected call from Ji Mu.

On the phone, Ji Mu was practically grinning when she said, "I came here to ask for your support today."

"You are a feisty woman from the Ji Family in Beijing, are you sure you really need

someone to support you?" asked Han Qi as she smiled.

"It's a big matter, and I am not joking with you." Ji Mu smiled before the conversation took a sudden twist. "Help me find some thugs. Today, I am going to discuss something with a person."

"Who is that person?" Han Qi was stunned before she recovered her senses and asked.

“Please put aside this question first. Anyway, that person isn’t some big shot. I just need you to find some manpower for me,” said Ji Mu with a smile.

“Ok! I promise!” Han Qi smiled. “But, how are you going to repay me?”

“What kind of reward do you want? I am already a middle-aged woman, so my body isn’t in its prime anymore. Don’t tell me you are still thinking about the past?” said Ji Mu in a teasing manner.

“F\*ck off! However, since you mentioned it, I really want it. When you are done with your business, you better come and wait upon me for a night and I will consider it even. What do you say?” asked Han Qi with a smile.

“Or you can have my nephew? He is an expert,” said Ji Mu teasingly.

“Get lost! It must be you!” Han Qi glared at her.

“Fine! Fine! Fine! I will help my nephew settle his problem first, then we can handle the rest of the matter easily. Just wait for my news...” With that Ji Mu hung up the phone directly.

## Chapter 345 Going To the Meeting Alone

After pondering for a moment, Ji Mu pressed the button on the microphone again and said, "Ask Ji Yueshan to come in and see me."

A moment later, Ji Yueshan slowly walked in as he looked at Ji Mu expectantly. "Aunt Ji, are you looking for me?"

"Yes! How's the preparation for the things I ordered you to do coming along?" asked Ji Mu.

"It's almost done. However, that b\*tch, Yuan Zhian, is a thorough person as she did not leave a single trace behind after she finished her job. I have ordered my men to go to Wuhan to investigate her background, and they only found that she used to work in her own auction company before going to a bioengineering company. In the end, she ended up with Tang Yin..." said Ji Yueshan.

"Tang Yin..." Ji Mu said softly.

"That's right! It's Tang Yin! During this period of time, all the incidents that happened in Shanghai had something to do with him. Moreover, recently, I believe that you have heard about the incident that happened to the Duan Family and the Yin

## Chapter 345 Going To the Meeting Alone

Family, right? In addition to that, Shang Qing Group..." Ji Yueshan looked solemn. "He is a really capable guy. Furthermore, he is Han Qi's Young Master!"

"When did you become such a coward?" asked Ji Mu sarcastically.

Ji Yueshan blushed. "Aunt Ji, I-I suffered some losses in their hands. Otherwise, I would not act this way."

"Hmm..." Ji Mu nodded her head. "After you suffered some losses, you have learned to be more cautious, so I guess you made some progress after all. However, at times, we cannot always be timid. Most profits can be obtained when you put yourself on the line. If you want to pursue such gains, you have to learn to bear with the risks which come along with it."

"Aunt Ji, what are you planning to do?" asked Ji Yueshan.

Ji Mu lifted her head. Her eyes were gleaming. "Since Tang Yin came to Shanghai, all these incidents occur. I am pretty sure that the people in Shanghai will oppose him. I have made an appointment with Han Qi. By then, I will let Yuan Zhian

## Chapter 345 Going To the Meeting Alone

offend Han Qi so that they would be at odds with each other. Naturally, we can get some benefits from there.”

“Then...” Ji Yueshan hesitated for a moment. “What are the exact arrangements?”

“The exact arrangements? Well, I will make it so that Han Qi’s men accidentally kill Yuan Zhian. That way, Tang Yin’s plans would be thrown into chaos...” said Ji Mu coldly.

“Aunt Ji, if Yuan Zhian is killed, then wouldn’t that be the end of me? What if that woman has everything prepared. The moment she dies, all my information will be released...” Ji Yueshan was panicking.

“Don’t worry. It won’t come to that. When the time comes, we will step forward and make friends with Tang Yin. Then, we can sell Han Qi out and promise Tang Yin some benefits. I believe that we will be able to get back the evidence. Yuan Zhian is a dispensable person in Tang Yin’s eyes. Will Tang Yin give up his interest and offend us? I don’t think so as it isn’t worth it,” said Ji Mu.

Ji Yueshan felt his heart tighten. After a

long time, he finally nodded his head quietly.

“Send out the invitation. This afternoon, I want you to stall Yuan Zhian at Eastern Restaurant for as long as possible.” Ji Mu said to Ji Yueshan while waving up her hands.

Ji Yueshan still felt anxious. Then, he turned to leave and gave Yuan Zhian a call directly to tell her to meet him at Eastern Restaurant.

After Yuan Zhian hung up the phone, there was a cold sneer in her eyes. Although she could not guess exactly what he was thinking, she knew that he was trying to escape from her clutches.

How could she tolerate such a situation?

“Zhian, we are going out shopping. Do you want to come with us?” asked Cen Xia as she pushed the door open and ran in.

“I am not going. Please be careful,” answered Yuan Zhian.

“Ok!” Cen Xia turned around and ran out the room.

## Chapter 345 Going To the Meeting Alone

Yuan Zhian fished out her phone and hesitated for a long time before she gently put the phone down.

She took a look at the time. It was almost afternoon already. Hence, she turned around and went inside to change into a dress. Then, she left the house.

She picked a car from the estate and made her way to Eastern Restaurant.

At the moment, Eastern Restaurant was full of people and a cacophony of voices.

The commotion that happened in Shanghai this time had affected a lot of people. Moreover, it had a major impact on its structure.

The gathering in Eastern Restaurant this time was the first ray of light that shone through the chaos in Shanghai.

A Tesla sedan stopped in front of Eastern Restaurant's entrance. Ji Mu came down from the car first, followed by Ji Yueshan.

After both of them alighted from the car. Then, Ji Yueshan approached her and said, "I have news that Yuan Zhian came here alone. On the other hand, Tang Yin and his

girlfriend are out shopping.”

“She is quite a bold woman! I give her that.” Ji Mu pressed her lips together into a smirk. “Ask our men to get ready. Remember that there cannot be a single mistake. If we cannot shift the blame onto Han Qi, then everything we did up till now will be futile.”

“Ok!” Ji Yueshan nodded his head as he fished out his phone and dialed a number. He briefed the person on the other end about the situation.

Yuan Zhian knew Ji Yueshan’s intention, but she did not know that Ji Yueshan had set a trap for her in Eastern Restaurant this time, and was waiting for her to walk into it.

At the moment, Tang Yin and the rest of them had just reached Shanghai’s largest shopping mall. They left the estate at almost the same time as Yuan Zhian.

This shopping mall was said to be the top shopping mall in the country; it had always been the pride of Shanghai.

Tang Yin was wearing light-colored jeans and a light blue shirt on top. He was

## Chapter 345 Going To the Meeting Alone

wearing a pair of sunglasses as well. On the other hand, Ji Youyou was wearing a white dress. She did not wear any makeup, but she looked extraordinarily pure and innocent.

The moment the three of them stepped into the shopping mall, Cen Xia was stunned by the scene before her. Her eyes were gleaming.

“Tang Yin... I want this one... And that one as well...”

Tang Yin patted Cen Xia’s head when he saw her excited face. Then, they walked toward a toy shop which was located in the distance together with Ji Youyou. For the past few days, Tang Yin was recovering well from his injuries. Coupled with the restoration of his Inner Energy, he was finally able to walk like a normal person. As long as he did not make any large movements, he would not have any problem.

The three of them approached the toy shop. Cen Xia grabbed a huge soft toy and chuckled. “I want to hug this to sleep at night...”

Tang Yin patted her head. Then he looked

at the merchant and asked, "How much is it?"

"800..."

Tang Yin fished out his phone to make the payment. At the moment, several people had gathered together at a distance. They were gesturing in Tang Yin's direction from time to time.

"That's her..."

"Yeah! I saw her face clearly just now. She is the one that caused that ruckus in Yu Chen's concert..."

"It's really her..."

"What should we do?" One of the girls looked toward the three of them.

"I have contacted the people from the fan club. I have asked them to notify Yu Chen so that he can come over here as quickly as possible. In addition to that, I want you guys to find a few people. We will stall her here first. It will be better if we can teach that girl a lesson..." A tall girl lowered her voice and said, "We can stall her here and then..."

## Chapter 345 Going To the Meeting Alone

“Are you sure about this? Won’t we be discovered?”

“Don’t worry, My brother is a security guard here. We can do this to ease the burden on Yu Chen. Anyway, a woman like her would do anything for her self interest,” said the tall girl.

“Ok.”

The girls nodded their heads as they looked at Ji Youyou with hatred. They could not accept the fact that their idol had been humiliated no matter what. If their parents died, they would be sad for a little while. However, if their idol had been humiliated, that would spell the end for their faith and belief system.

“I will head over there first. You guys follow me...” said the tall girl.

“Ok. Then, we will listen to Qin Xiaolu’s orders,” said the rest of the group.

The tall Qin Xiaolu nodded her head as she turned around and walked a distance away.

At the moment, Qin Xiaolu was feeling anxious. After all, this was the first time she had done something like this. Hence, she couldn’t help but feel anxious. However, when she recalled the scene whereby her idol got humiliated, she couldn’t help but clench her fists.

How could Ji Youyou humiliate such a nice guy like Yu Chen?! She deserved what was coming to her.

At the moment, Tang Yin had just paid for the huge soft toy, and just as he placed it into his hands, he felt someone bumping into him.

Qin Xiaolu turned her head and said with embarrassment, “I am really sorry for bumping into you.”

“It’s alright!” Tang Yin did not mind it as he turned around and prepared to leave.

“Sir, I am an intern in this shopping mall.

## Chapter 346 Framed

Our mall is currently organizing an activity regarding men's skincare. If you are interested, you can follow me to the third floor to experience it. You can let your girlfriend and this little girl here shop around on their own. After they are done with their shopping, they can go up to the third floor to find you..." said Qin Xiaolu with a smile.

"No need. I still have something to do."  
Tang Yin waved his hand.

"Erm..." Qin Xiaolu was stunned as she did not expect her plan to fail. She thought that all men did not like to shop around. Tang Yin should be glad to have an opportunity to escape from it, so why would he reject it?

"Tang Yin, do you want to take a break? Cen Xia and I can shop around by ourselves," said Ji Youyou.

"No need. Let's continue our shopping."  
Tang Yin declined politely.

In reality, Tang Yin did not like shopping at all. He only felt guilty for not accompanying Ji Youyou and Cen Xia during this period of time when they were in Shanghai. Finally, he had the opportunity

## Chapter 346 Framed

to bring them out. As such, he wasn't willing to abandon them like that.

"Sir, we can give you a discount. If you go for the activity today, our shopping mall will give you a 20% discount for all your expenses in this mall today," said Qin Xiaolu quickly.

Tang Yin was stunned for a moment. However, he opened his mouth and said, "No need for that. I'm not interested in skincare."

"Tang Yin, you should go. I will take Cen Xia with me. It's a 20% discount, so why don't you want to do it?" Ji Youyou pushed Tang Yin.

Tang Yin started to hesitate, not because of the 20% discount, but because the injury to his ribs had not healed completely. So, he would feel uncomfortable if he shopped for a long time. In addition to Ji Youyou's persuasion, he was put into a difficult position.

"Tang Yin, don't worry. I will help you protect Youyou," said Cen Xia as she chuckled.

Tang Yin smiled. "Ok! Remember to come

## Chapter 346 Framed

to the third floor to find me. If anything happens, just give me a call.”

“Ok!” Both of them nodded their heads.

When the girls, who were standing at a distance, saw that Tang Yin had left, they started to discuss with each other immediately.

“I have contacted Yu Chen’s fan club. They will be arriving here soon. Who knows, Yu Chen might even come with them?”

“Really? Yu Chen will be here as well?”

“Of course. I heard that Yu Chen wanted to come here to get an explanation for his fans.”

“Then, what should we do?”

“Let’s teach Ji Youyou a lesson first so that she would feel dejected. We can take action the moment Qin Xiaolu comes back.”

“Ok!”

They continued to chatter with each other as they finalized their plan. In their eyes, Ji Youyou was a b\*tch, through and through.

## Chapter 346 Framed

She should be executed in the cruelest method for humiliating their idol.

A moment later, Qin Xiaolu rushed back. She was holding something in her hands.

“How did it go? Did you manage to lead him away?”

“I manage to do it!” said Qin Xiaolu. Then, she turned around and looked at one of the girls. “Wang Liping, I have already prepared everything. I want you to go over to them and tell them that this is a free gift from the shopping mall...”

“Ok!” Wang Liping nodded her head as she took the thing from Qin Xiaolu’s hands. Then, she quickly walked toward Ji Youyou.

Qin Xiaolu led the rest of them as they observed from a distance. They saw that Wang Liping had already walked toward Ji Youyou and Cen Xia.

“In a moment, when we take action, we must act fast so that we would not be discovered by anyone else!” said Qin Xiaolu as she looked at the time. “The fan club will be here soon. In a moment, Yu Chen will be here as well. We need to

## Chapter 346 Framed

make that woman apologize in this shopping mall today!”

“That’s right! Make her apologize! I want her to kneel down and kowtow!”

“That’s right!”

At the moment, Wang Liping had already approached Ji Youyou. She was holding a gift box in her hands. Then, she smiled at Ji Youyou and said, “Nice to meet you, Madam. You are the 1000th person to have entered the shopping mall today, so the mall has specifically prepared this gift for you.”

“Gift? What gift?” Ji Youyou was surprised.

On the other hand, Cen Xia was delighted. “Where is the gift?”

“It’s this necklace. I hope you can take good care of it, and I wish that you will enjoy your shopping experience...” With that, she handed Ji Youyou the box in her hands.

When Ji Youyou opened the box, there was indeed an exquisite necklace inside the box. However, the whole necklace was made out of platinum with a few small

diamonds on top. Even if Ji Youyou wasn't that knowledgeable in this field, she knew that the necklace was invaluable.

"How could you guys give us such an expensive gift?" asked Ji Youyou.

"This is a gift from our store. I hope you like it." With that, she turned around and walked into the distance.

Ji Youyou was rooted to the spot. However, since it was a gift from somebody, she wasn't in any position to say anything. Thus, she kept the necklace and turned around as she walked into the distance.

At the moment, the sound of footsteps could be heard from a distance.

4 or 5 men in security uniforms appeared in the corridor. They seemed to be in a rush.

"Where is she?"

"Where did she run off to?"

"Shen, there she is. It's her..."

One of the security guards pointed toward

## Chapter 346 Framed

Ji Youyou. "It's her. I saw everything just now. I saw her stealing something from one of the shops. I did not expect her to run here."

Wang Shen's expression looked vicious. "Such atrocity! How dare you steal from here?! Do you want to meet your death?!"

Ji Youyou jumped in fright. "What do you mean steal? We didn't steal anything. We just came here..."

"How dare you refute it?! I have seen it with my own eyes. It's her..." Qin Xiaogang pointed toward Ji Youyou as he started to curse, "I can't believe you would pretend to be a decent human being after stealing from the shopping mall! Don't you think you have let down your parents?!"

"We did not steal anything!" Cen Xia stepped forward and yelled.

"Everybody saw it! Both of you had stolen something! How dare you remain stubborn about it?!" Qin Xiaogang scolded.

"Who saw it?" asked Cen Xia.

"I saw this girl. She ran from that direction..." At the moment, Qin Xiaolu

walked in. "How could they resort to stealing?"

"It's them alright! Everybody come and take a look! There is a thief here!" Qin Xiaogang shouted. He had already attracted the attention of the crowd.

Steal?

It wasn't a minor matter to steal in a shopping mall.

If they were caught red-handed, they would be despised by the crowd.

"We did not..." Although Cen Xia was small in size, she had a loud voice.

Ji Youyou's face was flushed as she quickly explained. "We did not steal anything! You guys have the wrong person! You better chase after the real thief. Don't let them get away with it!"

"It's none other than you. Why do you still want to deny it?" Qin Xiaogang was furious as he pointed at Ji Youyou.

"Do you have any evidence to say that it was us?" Cen Xia glared fiercely at the people around her.

"What do you have in your hands?" With that, Qin Xiaolu grabbed the box in Ji Youyou's hands and threw it down on the floor.

*Smash!* The box shattered immediately.

## Chapter 347 Personal Punishment

The crowd immediately surrounded them as their gazes were drawn toward the box.

“Shen, this is the necklace from one of the shops. It’s in their hands!” Qin Xiaogang yelled.

Wang Shen took a look at the necklace which had fallen on the floor. In that instant, he shifted his attention toward Ji Youyou.

“We didn’t steal it! We didn’t!” Ji Youyou was feeling aggrieved as she quickly waved her hands and said.

“Now that the suspect and the evidence is here, how dare you deny it? If you guys did not steal, then why is the necklace in your hands?” said Qin Xiaogang as he pushed Ji Youyou away.

Ji Youyou staggered.

“We did not steal it. Somebody gave it to us just now. They told us that we were the 1000th customer that came to the shopping mall today!” said Cen Xia quickly.

“The 1000th customer? We never had this kind of rule in our shopping mall. Who would inspect the number of people that

## Chapter 347 Personal Punishment

come through the doors of the shopping mall every day? What are you guys rambling about? Don't deny it anymore. Take them away..." said Qin Xiaogang angrily.

Ji Youyou looked pale as she recalled the incident just now. Although she was timid, she was bright. She knew that the gift just now was a trap.

"Give Tang Yin a call now!" Ji Youyou told Cen Xia.

Cen Xia fished out her phone as she quickly dialed Tang Yin's number in an attempt to reach him.

*Slap!* Qin Xiaogang took one step forward and slapped Cen Xia's wrist.

Cen Xia cried as her phone fell to the ground. Her wrist was swollen as well.

"How dare you try to make a call, you little thieves?! Are you trying to report back to your accomplices? Let me tell you that you can forget about it!" Qin Xiaogang pointed at Cen Xia. "Shen, take them away quickly. Otherwise, once their accomplices find out about it, it would not be easy to capture them any more."

## Chapter 347 Personal Punishment

“Why did you hit her?” Ji Youyou stepped forward and pulled Cen Xia toward her.

“Why did I do that? Because both of you are thieves. So what if I hit you? There are so many eyewitnesses here that can confirm that both of you are the thieves. How dare you try to deny it? Moreover, you were even thinking of reporting it back to your accomplices!” Qin Xiaogang stood up first and looked at Ji Youyou loftily. “Don’t even think of giving your accomplices a call! There is no way I am allowing you to do that! Putting aside the fact that I hit you, even if I kill both of you now, what can you do about it?”

The crowd started to mutter under their breath. Although Ji Youyou and Cen Xia looked aggrieved, the crowd thought that both of them were thieves, hence they did not pity them.

“Oh! I remember. This must be Ji Youyou, right?”

At the moment, a girl suddenly appeared in the crowd and pointed at Ji Youyou and said, “Isn’t this the woman who slandered Yu Chen during his concert?”

“It’s true...”

## Chapter 347 Personal Punishment

“She is right! She really is the woman who slandered Yu Chen.”

At the moment, the voices of the crowd continued to grow. After a series of exclamations, somebody finally recognized her.

“It’s her. I looked it up on the internet just now. She is the one... She slandered Mr. Yu Chen during his concert. I never expected her to steal from here. It really is infuriating! Everyone, don’t pity her. Come, let’s hit her...”

“That’s right! Let’s hit her...”

Wang Shen took a step forward and tried to stop them. However, Qin Xiaogang tugged on his sleeve. “Shen, let’s ignore this. She has stolen from us and slandered Yu Chen. Let’s leave this matter to his fans. We can turn a blind eye to it. Besides, we will be able to get her back for stealing after the fans are done with her, right?”

Wang Shen hesitated, but when he thought about it, he realized that Qin Xiaogang’s words were logical. “Let’s go. Let’s stay away from here. We can observe from a distance, but we will not stop them.”

## Chapter 347 Personal Punishment

“Ok!” Qin Xiaogang nodded his head.

The crowd continued to curse and scold her as many people started taking out the things in their hands and hurled them at Ji Youyou and Cen Xia.

Cen Xia’s tears streamed down her face furiously as she looked at the crowd stubbornly.

Ji Youyou hugged her to herself. “I did not... I did not do anything. What evidence do you guys have to hurl those accusations at me?”

“How dare you deny your wrongdoings?! You have stolen from the shopping mall and you slandered Yu Chen. What else do you plan on doing?” Wang Liping suddenly appeared and kicked Ji Youyou’s body.

Although Wang Liping was a girl, the force of that blow under the influence of adrenaline was powerful. It was enough to kick Ji Youyou to the floor.

Ji Youyou was beaten up by Tang Licheng a few days ago. Although most of her injuries had healed, it was inevitable that there would be some bruises left on her body. Now that the crowd was ganging up

## Chapter 347 Personal Punishment

on her, Ji Youyou was in excruciating pain whenever they touched her wounds.

“Kick her!”

“That’s right! Grab her hair. How could a b\*tch like her shop here?!”

“Don’t let her get away...”

The crowd continued to curse. Some of them grabbed her hair, while others grabbed her clothes. Luckily, the quality of the clothes that Yuan Zhian bought for her were quite good. Hence, they did not rip apart.

“Tie her up. I want her to kneel at the entrance of the shopping mall so that everybody can look at her with disdain...”  
Qin Xiaolu stepped forward and pointed at Ji Youyou.

Ji Youyou’s tears streamed down her face. She could only hug Cen Xia tightly.

“Separate them...” Wang Liping came forward and pulled Ji Youyou’s hand.

Qin Xiaolu also came forward and pulled Cen Xia away.

## Chapter 347 Personal Punishment

This incident was planned by them all along, hence they were more enthusiastic about it.

“Y-You guys are a bunch of bad guys!” Cen Xia cried out. “When Tang Yin gets back, he won’t let you guys get away with it!”

“You little beast! How dare you be so stubborn?!” Qin Xiaolu lifted her hand and gave Cen Xia a slap.

*Slap!* Cen Xia’s face swelled up. Her face was so swollen that her eyes were narrowed into slits.

Ji Youyou quickly dragged her back into her embrace.

“Where is the rope? Bring the rope quickly!”

Qin Xiaogang ran out from the depths of the corridors. He happened to have a rope in his hands.

They ignored Ji Youyou and Cen Xia’s struggles as they tied them up.

“Let’s go! Push them to the entrance. I want both of them to kneel in front of the entrance and apologize to Yu Chen.”

## Chapter 347 Personal Punishment

“Let’s go...”

They dragged them along and finally pushed them downstairs. Then, they grabbed Ji Youyou’s hair and tried to force her into a kneeling position at the entrance of the first floor.

Ji Youyou locked her knees; she had no intention of kneeling.

“B\*tch! How dare you resist?!” Qin Xiaolu kicked the back of Ji Youyou’s knees as she pressed her head down viciously.

Ji Youyou fell down onto the floor in a kneeling position with a resounding thud.

"Youyou..." Cen Xia howled loudly.

Ji Youyou was in a daze. Her hair was grabbed by someone, while an egg was thrown onto her face by an unknown person. She cut a sorry figure.

Qin Xiaolu pointed at Ji Youyou's nose as she spat, "Don't you know that you are just a b\*tch?! What gives you the right to humiliate Yu Chen like that? Yu Chen invited you up onstage to sing with him because he had a favorable impression on you. How dare you refuse his goodwill?"

Ji Youyou's expression looked blank as she looked around her. The only thought in her mind right now is to look for Tang Yin. Tang Yin was her only lifeline and her only hope.

"You said—Hey! I am talking to you! How dare you refuse to answer me?!" Qin Xiaolu pushed Ji Youyou away.

Ji Youyou could not bear it anymore as

she fell to the floor.

“Youyou...” Cen Xia howled.

The crowd was swelling in size as many people came to join in the lively atmosphere. The entire scene was surrounded by a huge crowd. Many people felt sorry for them, but when they heard that Ji Youyou had stolen some things, and slandered Yu Chen before, most of their pity dissipated in an instant.

“Why aren’t you dead yet?!” Qin Xiaolu grabbed Ji Youyou’s hair as she dragged her away. “I want you to apologize, you hear me?! Apologize to Yu Chen!”

Ji Youyou pressed her lips together as she hugged Cen Xia. Tears started to stream down their faces uncontrollably, but they still remained silent.

“Apologize!” Wang Liping raised her leg and kicked Ji Youyou viciously.

## Chapter 348 Wronged

"I did not do anything wrong! So, why should I apologize?" Ji Youyou answered boldly.

"How dare you remain stubborn?!" Qin Xiaolu lifted her hand and slapped Ji Youyou's head.

At the moment, 4 or 5 people walked toward them from a distance. One of them was a woman in her 40's. She was leading the group.

"I am Yu Chen's manager, Zhao Lei..."

When Qin Xiaolu heard that she was Yu Chen's manager, she stopped what she was doing as a hint of delight flashed across her face. "Miss Zhao, why are you here? I saw you on the news before... Oh! By the way, we contacted the people from the fan club. So, we did not expect you to come here."

Zhao Lei smiled as she nodded her head. However, her gaze skipped past Qin Xiaolu

and fell upon Ji Youyou.

Although Ji Youyou seemed to be in a sorry state, Zhao Lei was able to recognize her. She was the one that messed up the concert the other night. Otherwise, how could such a major incident occur?

“Mr. Yu Chen will arrive here immediately. He will give you his utmost support...” said Zhao Lei in a soft voice.

“Really? Can I get a picture with Mr. Yu Chen? It would be better if he can give me his autograph!” said Qin Xiaolu delightedly.

“Me too! I want an autograph too!” Wang Liping added as well.

“No problem! I have reminded Mr. Yu Chen about this, and he agreed to it. However, I feel that we should explain this to the crowd...” said Zhao Lei.

“That’s right... I briefly told them what happened just now. Why don’t you explain

it again to the crowd?" said Qin Xiaolu.

"Ok!" Zhao Lei took the microphone and glanced at Ji Youyou with a smirk on her face. Then, she turned her head to the crowd and said, "Ladies and gentleman, I am Yu Chen's manager. My name is Zhao Lei... A few days ago, this evil woman made a mess of Yu Chen's concert that was held in Shanghai Stadium. She is nothing but a pile of dog sh\*t... Just now, I heard somebody say that she had stolen something from here as well. That made me think of the things she did in Yu Chen's concert, and I feel so disgusted. How could such a sinister person like her have the dignity to continue living in this world?"

The crowd continued to increase in size as it became harder to move around. They recalled the sensational incident that happened at the concert a few days ago when they heard her words. According to some gossip on the internet, they had indeed heard of these rumors.

The crowd started to look at her with hatred as they started to criticize her, even to the point of hurling curses at her.

At the moment, Tang Yin, who was on the third floor, was enjoying his facial spa.

Two men walked in. As they walked, they continued to converse with each other. "Who was that person just now? I heard that she had stolen something from the shopping mall."

"Who knows? Moreover, I heard that she had offended Yu Chen... However, those two girls looked pitiful."

"That's right! The woman and the child are kneeling at the entrance..."

Tang Yin felt a tug in his heart as he started to frown. Then, he fished out his phone and called Ji Youyou's number.

The dial tone continued to ring, yet nobody answered the call.

At the moment, the entrance of the mall was getting livelier.

Yu Chen had arrived!

As the most popular singer in the country, Yu Chen was immediately recognized by the crowd. Although the explosion last time caused him to lose a leg, he still arrived in a wheelchair.

Everybody was looking at Yu Chen with a passionate, enthusiastic look in their eyes.

## Chapter 348 Wronged

“Mr. Yu Chen, look over here... Can you give me an autograph?!”

“Mr. Yu Chen, you are really handsome...”

Everybody was shouting as if they saw the manifestation of faith itself. Some of them were so moved that they started crying as they jumped around and waved their hands at Yu Chen.

Yu Chen enjoyed the entire process. He knew how much he meant to them.

“I am sorry. I did not come to meet my fans today, so I can't fulfill everybody's wishes. I hope that everybody can forgive me...” Yu Chen sat in the wheelchair as he held a microphone in his hand. His eyes were slightly wet. “I have been mourning my fans for a few days now, so my mood isn't that good...”

“Wow! Yu Chen is really a kind person!”

“That's right. Yu Chen treats his dead fans

well. He is definitely a good guy..."

"I don't know why this girl who goes by the name of Ji Youyou appeared here today!" Although Yu Chen tried to control his emotions, he choked a little. "Back then during the concert, I kindly invited her on stage, but was rejected by her. Actually, I really don't mind this at all. However, my beloved fans thought that this was unfair and wanted to fight for me... I understand that it was the wrong thing to do, but I didn't manage to stop them in time. My fans went to look for her and that incident happened... I suspect that she is the mastermind behind that incident!"

Cacophony arose from the crowd.

The moment Yu Chen ended his speech, the crowd was in an uproar. Everybody knew what happened at Shanghai Stadium, but they did not expect the girl in front of them to be the mastermind behind it.

## Chapter 348 Wronged

In that instant, the crowd's anger was stirred up as they started to hurl abuses at Ji Youyou.

Yu Chen dried the corners of his eyes. "I cannot imagine how a woman could be so cruel and vicious? They were my fans and I loved them. All of them were living, breathing human beings, yet they left the world just like that..."

"That's her! She is definitely the one behind this!" Qin Xiaolu bellowed as she pointed at her. "Not only did she steal things from the mall, she even wanted to kill Mr. Yu Chen's fans."

"That's right! She cannot be allowed to live." Wang Liping went on stage and grabbed Ji Youyou's hair. "We will eliminate these criminals for society."

Tears streaked down Yu Chen's face. "I just want to ask her what she was thinking at that time!"

## Chapter 348 Wronged

“You don’t have to. I will beat her up now!”  
At the moment, Wang Liping had already raised her hand and was about to give Ji Youyou a slap in the face.

At the moment, a figure dashed out from the mall as he grabbed Wang Liping’s wrist.

“Tang Yin!” When Ji Youyou saw that Tang Yin had arrived, she cried bitterly in that instant.

When Tang Yin saw Ji Youyou’s sorry state, he hugged her with one hand. His heart was bursting with anger at the moment. “Who hit you?”

## Chapter 349 Conflict

“Tang Yin...” Ji Youyou cried as she lay in his embrace.

“You...” Wang Liping jumped in fright. Obviously, she knew who Tang Yin was. Just now, when Qin Xiaolu was luring Tang Yin away, she was actually watching from the sides. “What do you think you are doing?! I advise you to leave as soon as you can! Your girlfriend was caught shoplifting in the mall, and we have caught her...”

Tang Yin clenched his fists tightly as he gently wiped away the filth on Ji Youyou and Cen Xia’s body with one hand. He felt incredibly tormented.

Ever since Ji Youyou got into a relationship with him, she had gone through a lot of grievances. She just barely escaped with her life from Tang Licheng a few days ago, and now, unexpectedly, she was humiliated by these people.

“Do you hear what I am saying? Get lost!”

## Chapter 349 Conflict

Wang Liping looked at Tang Yin with contempt.

Tang Yin managed to get the filth off Ji Youyou's face with much difficulty. Afterward, he turned his bloodshot eyes toward her. He couldn't suppress his killing intent anymore. He saw Qin Xiaolu and Yu Chen as well. In that instant, he wanted to kill someone to vent his anger.

"What do you plan on doing?" Wang Liping jumped in fright when she saw Tang Yin's gaze.

"Tang Yin, what do you think you are doing? Do you intend to murder someone in front of the crowd?" Yu Chen saw Tang Yin as well. Then, he shouted in an accusing manner, "Do you know the law?! Your girlfriend was caught shoplifting. Moreover, she hurt my fans. Don't you think that we deserve an explanation from her?"

"Explanation? Hahaha!" Tang Yin laughed

## Chapter 349 Conflict

maniacally. He looked like the Devil himself. "Then, I will give you an explanation today!"

With that, Tang Yin grabbed Wang Liping's collar and slapped her face.

*Slap!*

Tang Yin had put a tremendous amount of energy in this slap. The force of that slap caused Wang Liping's head to arch backward as two teeth flew out.

"Didn't you wish to ask me what I am about to do?" Tang Yin lifted his hand again. "Then, I am going to tell you now what I am about to do."

*Slap!*

Another slap ensured. This time, blood started to flow out of Wang Liping's nose as the inside of her head started to buzz.

"Since you wanted an explanation, an

## Chapter 349 Conflict

explanation is what you will get. If you want me to tell you what I am about to do, I will tell you that as well..." Tang Yin lifted his hand for the third time. This time, his Inner Energy gushed out as he slapped her head.

*Slap!*

This slap flung Wang Liping away. The force of that slap also made her chin look deformed.

The crowd was stunned as they looked at Tang Yin in horror. They wondered how a tyrant like him could appear?

"Tang Yin!" Yu Chen shouted as he pointed at him. "What do you think you are doing? How could you assault someone in front of so many people? Do you wish to be arrested?"

Tang Yin turned his head and fixed his gaze upon Yu Chen. "Assault?"

## Chapter 349 Conflict

With that, Tang Yin walked toward Yu Chen one step at a time.

“What do you think you are doing?”

Yu Chen sat on the wheelchair. His expression did not look too good.

“Stop it!” Zhao Lei came forward and stood in front of Tang Yin.

Tang Yin lifted his leg and kicked her chest. In that instant, Zhao Lei flew away.

His kick had broken Zhao Lei’s ribs.

A dozen bodyguards immediately surrounded Tang Yin as they looked at him like a tiger studying its prey.

Tang Yin took a step forward and appeared in front of Yu Chen. The bodyguards immediately stepped forward and reached out their hands to stop him.

Tang Yin lifted his hand and grabbed one

of them. Then, he kicked him away.

*Crack!*

Everybody could hear the sound of ribs cracking.

The rest of the bodyguards were horrified as they went up against him. The two people nearest to him lifted their legs as they moved to kick his calves. However, Tang Yin grabbed one of them suddenly and lifted his own knee to deliver a blow to his chest.

*Crack!*

“Come and take a look everyone! This guy is in cahoots with Ji Youyou! I suspect that the incident in Shanghai Stadium was caused by the two of them. Don’t let them get away with this!” A flash of panic appeared in Yu Chen’s eyes as he did not expect Tang Yin to be that powerful. “He might be the big shot that is making me his target. He noticed that I was becoming

## Chapter 349 Conflict

too popular, and hence he ordered Ji Youyou to humiliate me on stage!”

“That’s right. He definitely did those things as Mr. Yu Chen is getting too popular!” Qin Xiaolu continued to hurl accusations at them. “The words that Ji Youyou spoke on stage might have been taught by him! I have seen a lot of people like him. He must have been afraid that his girlfriend would be snatched away by Mr. Yu Chen because he is just too handsome. Hence, he deliberately slandered Mr. Yu Chen...”

“Let’s report him to the police. We cannot let him get away with it! A scoundrel like him deserves to die!” Zhao Lei was helped up by somebody. She started scolding Tang Yin like a shrew.

“That’s right! This is not the place for him to act in such a reckless manner!” Qin Xiaolu looked at Tang Yin with contempt. “Who does he think he is? How dare he beat people up and try to cause a ruckus here? Where are the security guards?”

## Chapter 349 Conflict

Where are the security guards of this shopping mall?!"

"Who dares to cause a ruckus here?" Qin Xiaogang ran out and looked at his sister. "Who is causing a commotion here?"

"Xiaogang, it's him..." Qin Xiaolu pointed at Tang Yin. "You cannot let him escape! His girlfriend stole something from the shopping mall, and he is beating up people in the shopping mall as well. Just now, he even threatened Yu Chen. How can we allow a jerk like him to get away with this?"

"Come, my men! I want you to tie him up! I want to see who dares to cause trouble on our turf in Shanghai!" Qin Xiaogang bellowed as 7 or 8 security guards appeared with batons in their hands.

"Whoever dares to come near me shall die!" Tang Yin lifted his gaze. There was a cold glint in his eyes.

Qin Xiaogang jumped in fright when he

saw his gaze. However, he said forcefully, "My brothers, why should we be afraid of him?! Let's get him!"

7 or 8 people rushed up to him in an instant as they tried to aim at Tang Yin's body.

Tang Yin's reflexes were as quick as lightning as he kicked away Yu Chen's bodyguards. Then, he grabbed one of the batons and sent another person flying away with his kick. Since the baton was in his hand now, Tang Yin wasn't afraid anymore as he lifted his arm and brought the baton down upon one of the security guards.

*Smash!*

Fresh blood was seen spurting out from the security guard's wounds.

Tang Yin was ruthless as he rushed up to him directly and smashed that guy's forehead.

## Chapter 349 Conflict

This security guard's vision started to become blurry as he collapsed onto the floor. At that moment, Qin Xiaogang rushed toward him. However, before he had the chance to bring his baton down, Tang Yin had already lifted his hand and grabbed the baton. Then, with his other hand, he brought the other baton down upon Qin Xiaogang's head.

*Smash! Smash! Smash!*

The baton was brought down upon his head for three consecutive times with resounding smacks.

Three wounds appeared on Qin Xiaogang's head as blood started to gush out from the wounds. It was extremely horrifying.

"Xiaogang... Xiaogang!" Qin Xiaolu was scared out of her wits. When she saw what happened to Qin Xiaogang, she collapsed onto the floor.

7 or 8 men could not subdue him?

## Chapter 350 Wang Shen's Apology

At the moment, the first security guard to collapse first crawled up as he looked at Tang Yin in horror. Then, he turned around and ran to the security office. He wasn't a match for Tang Yin, so naturally he wouldn't just sit around and wait for his death. He had to seize this moment to look for backup.

In the security office...

Wang Shen had just sat down with a grim look on his face.

Every shopping mall had their fair share of shoplifting incidents. However, this shopping mall had lost quite a number of things recently. Hence, the top management was quite unhappy about it. Luckily, they managed to capture one after much difficulty. Now that she was kneeling outside the entrance, Wang Shen could finally heave a sigh of relief.

*Ring! Ring! Ring!*

The phone rang.

Wang Shen quickly picked up the phone.

"I am Han Siyu..." Han Siyu said in a cold voice. "Is there somebody in your security office who has a misunderstanding with Tang Yin and Ji Youyou?"

"Misunderstanding? I don't think so, President Han. We just captured a thief by the name of Ji

Youyou, and we made her kneel outside the entrance. President Han, I don't think there is a misunderstanding here. She is definitely a thief... We have been working hard these past few days, and finally we managed to capture the thief!"

"Do you not have brains?! Who said that Ji Youyou is a thief? She is one of the members of the Board of Directors! How dare you say she is a thief?!" Han Siyu was enraged as she bellowed, "If anything happens to Ji Youyou, you will not live to see the next day..."

"What?! She is a member of the Board of Directors?!" Wang Shen felt his vision darkened as he nearly fainted.

Ji Youyou was a member of the Board of Directors?

How could this be?

*Slam!*

A series of footsteps echoed outside the door as a security guard burst into the room with blood gushing out from his head. "Shen, somebody came to rescue Ji Youyou. We are no match for him. We need some reinforcements quickly."

Wang Shen finally recovered from his shock as his eyes were filled with horror. "Who came to rescue her? Who?"

"It's a guy. He managed to subdue several men already. Please send some reinforcements quickly so that we can break his legs first."

"You are courting your own death!" Wang Shen raised his hand and gave him a slap. "Go there? Why do we need to go there? Do you f\*cking know what kind of trouble we are in right now?"

The person who got slapped was dumbfounded as he stood rooted to the ground. "Shen, what is happening? Do we need to go over there?"

"Go over there?" Wang Shen was enraged as he quickly regained his senses. Then, he bellowed, "Let's go! Let's go there quickly!"

With that, Wang Shen rushed out of the security office. 

At the moment, numerous people had surrounded the scene.

Qin Xiaolu cried as she pointed at Tang Yin. "This is the guy! This is him! His girlfriend had stolen something from here, and he tried to kill somebody just now... Please surround him! Don't let him get away with this!"

Tang Yin kicked Qin Xiaogang away. His eyes were filled with rage.

"You can't escape! You are dead meat! How dare you beat up our men in our territory?!" Although Qin Xiaogang's face was full of blood,

he continued to howl, "You can forget about leaving here today... Don't even think about it!"

"Don't let him escape!"

"Everybody, stand firm. Don't let the three of them escape!"

"Shen! Shen is here!"

Qin Xiaogang was delighted as he turned around and gave Tang Yin a hideous smile. "You are doomed. Shen is here, so you can forget about escaping. For many years, nobody has ever met a good ending if they dared to cause a ruckus in our territory."

Wang Shen brought 8 or 9 men along with him, as he rushed over at the fastest speed he could muster.

"Shen, he hit me! It's him! Don't let him get away with it!" Qin Xiaogang lay on the floor as he held Wang Shen's hand.

Qin Xiaolu came over as well. "Shen, that's him!"

"Are you trying to court your f\*cking death?!" Wang Shen raised his leg and kicked Qin Xiaogang's face. "Get lost!"

Qin Xiaogang was momentarily stunned as he collapsed onto the floor. "Shen, he was the one who started it. You should be hitting him! Him!"

“That’s right, Shen!” Qin Xiaolu quickly helped Qin Xiaogang up. “That woman stole the necklace, and that guy is beating up other people. So, why are you beating up my brother?”

“F\*ck off! Get lost!” Wang Shen kicked Qin Xiaolu away as he grabbed Qin Xiaogang’s collar. Then he said viciously, “Do you know who you have beaten up?”

“Who?” Qin Xiaogang asked in a daze.

“Just you wait. If I can’t survive this ordeal today, you can forget about it as well...” said Wang Shen as he gritted his teeth. Then, he quickly turned around and walked toward Tang Yin. 

Tang Yin watched this scene coldly. His eyes were filled with killing intent. 

“I am sorry, Miss Ji. We did not investigate this matter thoroughly... We did not know that you were a member of the Board of Directors of this shopping mall,” Wang Shen said as he bowed. He couldn’t control the shivering in his body. “I am really sorry! I truly am!”

Ji Youyou held onto Tang Yin’s arm. Her face was extremely pale.

“She is a member of the Board of Directors?”

“How could she be one of them?”

## Chapter 350 Wang Shen's Apology

Qin Xiaogang was stunned. There was fear written all over his face.

Qin Xiaolu and Wang Liping stood, frozen to the ground. They were dumbfounded. They never expected that Ji Youyou was a member of the Board of Directors. If this was true, then why would she steal from the shopping mall?

She had some shares in this shopping mall, so there was no reason for her to steal from her own mall.

"I am sorry! I truly am!" Wang Shen did not dare to lift his head. However, his heart was filled with terror.

Tang Yin continued to put on a cold face as he stood in front of Ji Youyou.

The more he did that, the more terrified Wang Shen felt.

The crowd started murmuring to themselves. After all, a lot of people knew that Ji Youyou had been tied up because somebody said she had stolen the necklace.

How could a member of the Board of Directors be a thief?

When Yu Chen heard the crowd around him, he felt that something bad was going to happen. Hence, he quickly pulled the bodyguard beside him and said, "Make the necessary

preparations. If this ends up in a mess, we shall leave here immediately.”

“Ok!”

*Screech!*

At the moment, two fleets of cars sped toward them from a distance.

Han Siyu brought along the top management of the shopping mall as they quickly got down from their cars. When she saw the scene before her, she felt that she was going to collapse.

Tang Yin had a cold expression on his face, while Ji Youyou cut a sorry figure. Even Cen Xia, whom they had brought along, was crying.

What kind of situation was this?

She was afraid that it would be a disaster this time!

“Make way!”

Two people from the top management quickly pushed their way through the crowd.

Han Siyu took two steps forward quickly. When she saw Yu Chen, who was at a distance, she seemed to realize what was going on.

“Young Master, I am so sorry. I just arrived here...” Han Siyu lowered her head as she said

## Chapter 350 Wang Shen's Apology

in an extremely humble manner, "I am sorry. Please leave the rest of the matter to me."

Tang Yin still had a cold look on his face as he wordlessly remained where he was.

Han Siyu was trembling. She felt that Tang Yin's actions were giving her an inexplicable sense of pressure.

When Wang Shen, who was standing at the sides saw this scene, he felt the world spinning around him. He nearly wanted to faint at the moment.

*Young Master?*
