Ji Youyou's body trembled, and she hurriedly drew back her hand.

Xie Ansheng was stunned but smiled graciously. "About this place... I know that the scenery here is great because I've visited here before. When I was very young, I loved visiting and playing at the Ji residence. That time, I noticed that you guys had a huge garden and I even pestered my mom to build one for me too! Too bad the Xie Family wasn't very well-to-do back then and didn't own many properties unlike now!"

Ji Youyou kept her head lowered and didn't respond because she didn't know what to say. Also, she didn't feel like talking to the person in front of her.

Seeing this, Xie Ansheng was a little

unhappy, but the complaints in his heart dissolved as soon as he recalled that this girl had just arrived here from Wuhan.

“The Ji residence is still as beautiful as before!” Xie Ansheng took a few steps and smiled as he remarked, “Before this, Ji Yueshan was here when I visited. Now that he is not in the Ji residence anymore, it honestly disappoints me a little!”

Ji Youyou still did not raise her head and kept her mouth shut.

Xie Ansheng stared at her profile and noticed that her mood was truly in the dumps, not to mention that she was slightly introverted. This made him even more excited. In fact, he had been

looking for girls like Ji Youyou. He did not expect to meet a girl like her at the Ji residence of all places.

“What are you up to these days?”

Ji Youyou felt that it would be rude to stay silent, so she softly replied, “I’m still in school.”

“Oh, really? Are you looking to do your internship soon? If you need one, you can come to my company. I have a decent investment company in Beijing...” Xie Ansheng smiled and suggested but was met with silence from Ji Youyou.

The two then took a stroll around the garden before Ji Youyou requested to return to the mansion as she was not feeling well. Therefore, Xie Ansheng

nodded and relented. He led her back to the mansion to find the rest still chatting happily.

“Ansheng, how was it? Did you have a good chat with Youyou?” Li Chengshuang asked with a smile on her face upon seeing their return.

“It was okay. Youyou might have some troubles in her heart. It will be fine as long as it gets resolved!” Xie Ansheng replied with a smile as well.

“If so, you could visit more often to accompany Youyou. After all, youngsters nowadays will have more topics to talk about together!” Li Chengshuang’s excitement was written all over her face.

“Sure! If possible, I hope to invite Youyou to go out tomorrow. That might be beneficial to soothe her troubles!” Xie Ansheng answered with a smile and nudged his glasses again.

“No problem!” Li Chengshuang readily agreed. “You can fetch her tomorrow morning. Both of you can go out and have some fun!”

“Okay.” Xie Ansheng nodded.

Meanwhile, Ji Youyou listened on the side, and her expression changed because she didn't feel like going out. She only wanted to contact Tang Yin as soon as possible for him to get her away from here. Going out for a stroll was totally not something that she wanted.

“We will call it a day here. Let’s meet again next time!” Madam Xie stood up and was followed by the smiling Li Chengshuang, who escorted both the mother and son out.

Ji Youyou sat in the living room, feeling slightly overwhelmed. Li Chengshuang turned to walk in and sighed as she asked, “Youyou, what do you think of Xie Ansheng? You might not know him that well since that was your first encounter. I watched him grow up, and my judgment should not be wrong. If you have good feelings toward him, I think you will be a good match!”

Ji Youyou finally pulled herself together and hurriedly shook her head. “No... I have a boyfriend. Tang Yin is my boyfriend!”

“Ji Youyou, do you even know what you’re talking about?” Li Chengshuang abruptly stood up and pointed a finger at her daughter. “Do you still see Tang Yin as your boyfriend? If he really likes you, couldn’t he give us Venture Capital Finance? We only asked for one of the Tang Family’s properties, but even so, he hesitated! How could you betroth yourself to a man like him?”

“No... Tang Yin is really my boyfriend. I love him, and he loves me too!” Ji Youyou’s tears fell like a waterfall.

“Bullsh*t!” Li Chengshuang raised her hand and slapped Ji Youyou in the face. “Love? How much is love worth? I will make it clear to you now—if he can give us Venture Capital Finance, I don’t mind giving him your hand in marriage. If he

doesn't want to give anything, he shouldn't dream of getting anything as well!"

Ji Youyou looked at Li Chengshuang in shock, her face full of grievance.

"I'm your mother. You will marry whomever I ask you to!" Li Chengshuang raged and pointed at the second floor. "Get back up there. Tomorrow, you will go on a date with Xie Ansheng. I'll see what Tang Yin can do about it!"

Ji Youyou's heart almost shattered like pieces of glass.

"Are you not moving?" Li Chengshuang yelled in anger, which made Ji Youyou tremble and slowly make her way up to

the second floor in tears.

Furious, Li Chengshuang sat on the sofa with arms folded across her chest.

“What an obstinate child! I don’t know how I could have given birth to a daughter like that!”

Ji Ding watched on and shook his head as well. He was obviously unhappy with Ji Youyou’s stubbornness too.

Simultaneously, the mother and son from the Xie Family had just left the Ji residence for their own car. Madam Xie’s smiling face immediately sank when they were in the car. “Li Chengshuang can only see short term benefits, so she changes faster than one could flip a page! Back then, when the Xie Family went through our lowest

period, the Ji Family didn't even bother to bat an eye at us. Now that someone from the Xie Family has succeeded in life, she immediately sent her daughter to us!"

Xie Ansheng flashed a smile and nudged his glasses. A hint of delight appeared at the corner of his lips.

"What is it? Did you fall in love with the daughter from the Ji Family?" Madam Xie started laughing.

"She is alright and she looks quite innocent. Seems to be a nice girl!" Xie Ansheng concluded.

"Go after her then if you like her! But in my opinion, no matter how good the Ji daughters are, they are still a chip off

the old block. She might act all innocent in front of you, but she's probably secretly wild in bed!" Madam Xie sneered indifferently. "It's fine to go after her but do it just for fun. Dump her when you've had enough. You definitely shouldn't let her marry into our family!"

"Got it!" Xie Ansheng concurred.

"By the way, I have arranged a meeting with the Tao Family for you. Cherish the opportunity by then! This opportunity is difficult to come by. We spent a lot of effort to make it happen for you!"

Madam Xie softly advised, "I heard that Tao Huaisheng has backing from a global consortium. Since the business of the Xie Family has just taken off, we still have a lot to learn from them. The most important business is to get his

capital investment for our project this time!”

“No problem! When can we meet?” Xie Ansheng paused to think and asked in a hushed voice.

“If everything goes smoothly, you can meet Tao Huaisheng tonight,” Madam Xie told him.
