

Chapter 514 Breakthrough

When Yuan Zhian heard this voice, she started to tremble out of fear. She was a young lady, after all. Although she was a conniving person, her expression changed when she saw the usher's towering figure.

Tang Yin reached out and grabbed the usher's shoulder as he said with a smile, "Didn't you see everything she did just now?"

The usher was stunned. The next thing he knew, Tang Yin's huge fists approached him at lightning speed.

Slam! Before the usher had time to react, his vision turned dark while his body went limp.

"Tang Yin!" Yuan Zhian's body trembled

as she collapsed onto the ground in a sitting position. Her perfect figure was completely exposed in front of Tang Yin, owing to her improper sitting posture.

“Make haste!” Tang Yin grabbed the usher as he hurried inside the room.

Yuan Zhian struggled to stand up. At that moment, her forehead was beaded with sweat. “I don’t know what is going on here. I merely heard that somebody wanted to lure you into this room. They said that Mr. Audley wants to talk to me...”

“It must be a trap...” Tang Yin nodded before he swiftly closed the doors of the room. Then, he scanned his surroundings, but he found nothing unusual.

Chapter 514 Breakthrough

Under normal circumstances, if the perpetrator lured him here, he or she would definitely follow up with something. Otherwise, it wouldn't have any effect on him at all.

“Let's pull Tang E to the side first...” A dark look spread across Tang Yin's face as he walked toward Mr. Henley, one step at a time. He couldn't help but shake his head when he saw that Mr. Henley had passed out.

“Tang Yin, there is a corpse underneath the bed...” There was a noticeable tremble in Yuan Zhian's voice.

Tang Yin was slightly stunned. Following that, he quickly lowered his body to take a look. In that instant, his pupils constricted abruptly.

Chapter 514 Breakthrough

There was indeed a body below the bed. Moreover, a sharp knife was stuck to the chest of the body. Judging by the wounds inflicted by the sharp knife, this person died not too long ago, not more than ten minutes at most. How gruesome!

Tang Yin took a deep breath before reaching out his hand and pulled out the sharp knife directly.

“Tang Yin, what should we do now?” Yuan Zhian started to panic.

“Don’t be afraid...” Tang Yin put on a cold expression as he held the knife and approached Mr. Henley. Without any hesitation, he plunged the knife into Mr. Henley’s chest.

Chapter 514 Breakthrough

Mr. Henley was initially unconscious. The moment the knife pierced his body, he didn't have time to react at all before he took his last breath.

"Tang Yin..." Yuan Zhian felt afraid after the deed was done.

Tang Yin sullenly took a deep breath before he quickly plunged the knife twice into the other two ushers. In addition to that, he messed up the entire scene. There was fresh blood everywhere in the room. Moreover, the scene looked like a fight had broken out here.

Tang Yin took the knife and sliced it through Tang E's wrist after he was done with it. Then, he splashed a large amount of fresh blood on his body.

Chapter 514 Breakthrough

“Does your Love Magic still work on Tang E?” Tang Yin tilted his head to the side and asked.

“Yes,” Yuan Zhian quickly replied.

Tang Yin took a deep breath and wiped the hilt of the knife with his handkerchief. Then, he proceeded to destroy all traces of his and Yuan Zhian’s presence before placing the knife in Tang E’s hand.

“Let’s go!” said Tang Yin quickly after he took a deep breath.

The moment the words were out of his mouth, a series of footsteps were heard from the back quarters of the villa.

“I saw somebody going into the room

on the highest floor of the back quarters of the villa. Perhaps, they are still there. Let's go and find them quickly..."

They were fast!

Tang Yin held Yuan Zhian's hand as they quickly snuck out of the room. Then, they quickly hid in one of the washrooms beside them when they heard the approaching sounds of footsteps from the staircase.

"Start your Love Magic!"

Tang Yin opened the windows of the washroom while saying that.

"Okay!" Yuan Zhian did not hesitate to fish out a small war drum and started to shake it quickly in her hand.

Chapter 514 Breakthrough

*Thump! Thump! Thump!*The sounds of the drums were extremely intense, as if it was calling out to something.

At the moment, Tang Yin had already grabbed the window sill with one hand, while he carried Yuan Zhian in another. The moment this stunning woman got close to Tang Yin's body, she nearly went limp in his embrace. However, she knew that she had to continue performing the Love Magic.

Tang Yin kicked hard against the window sill as the both of them leaped off it. Eventually, they landed on the third floor.

There were a total of four floors in the back quarters of the villa. If they were to jump down from here, it would be quite

dangerous. So, Tang Yin did not test the waters blindly; instead, he grabbed the third floor's window sill with one hand and quickly opened the washroom's windows on the third floor.

The drumming sound continued. At that moment, Tang Yin had already leaped into the washroom of the third floor with Yuan Zhian in tow. On the other hand, in the innermost corner of the room on the highest floor, Tang E's eyes opened. His entire gaze was filled with lust at the moment.

In that instant, Tang E felt like there was fire within his body as it continued to consume him. No matter how much he tried, he wasn't able to extinguish this intense fire. Tang E did not know what was happening to him. He merely knew

that his body was shaking so badly, and there was nothing in his surroundings that could help him vent this burning feeling. Initially, he tried to ram the door open, but after four to five times, he felt that it was impossible to do that.

The burning feeling within his body got worse as his vision started to blur. He vaguely sensed that a few figures were lying in front of him. He couldn't help but gulp at the thought of it. At that moment, he couldn't care less and simply ripped his shirt off and launched himself toward one of the figures.

Tang E did not have a choice now. The only thing on his mind now was to vent his lust. He didn't care how he did that. After all, he couldn't endure it any longer.

Chapter 514 Breakthrough

At the same moment, the footsteps near the staircase finally approached.

Anson brought along a dozen bodyguards and Mr. Audley as they quickly made their way to the highest floor. "I heard that somebody was met with an accident here just now. Moreover, there was a cry for help from the walkie-talkie..."

"Let's go and take a look now..." Mr. Audley was starting to panic.

At that moment, Tang Yin happened to walk out from the corridor of the third floor with Yuan Zhian in his arms.

At the same time, Lilian happened to turn the corner. She looked at Tang Yin in surprise. "Tang... Why are you here?"

Chapter 514 Breakthrough

“This is the dance partner I brought with me tonight.” Tang Yin smiled.

Lilian smiled. That was because a lot of love affairs were bound to happen in this kind of gathering. Some people loved to find a female companion at the ball. On the other hand, some people would bring their female companions along. Hence, it wasn't surprising at all.

“Argh!” At that moment, a panicked cry was heard from the top floor.

“What's the matter?” Tang Yin pretended to be calm as he asked that question.

“I don't know. I heard that something had happened, so I ran up here to take a look...” Lilian answered as she walked

upstairs directly.

Tang Yin quickly followed behind her. The hand that was holding Yuan Zhian was covered in a thin layer of sweat.

The crowd made their way upstairs as they cast their gaze into the innermost corner of the room. In that instant, all their faces turned extremely dark.

When Lilian and Hermine saw the scene, they fainted out of fright, after which they completely collapsed onto the floor.
