

Chapter 489 Busted

The loud noise shocked the people in the Ji residence.

“Li Chengshuang, you b*tch! Come out right now! How many people have you and Xie Ansheng deceived? How much have you cheated?! You claimed that Mr. Anderson had met Xie Ansheng before, but it turns out that Mr. Anderson had never met this person before...” Wang Juan yelled and rushed into the dining hall with several people.

Li Chengshuang’s expression changed drastically, and she rushed out of the dining hall. “Madam Wang, why are you here?”

“Why am I here? If I don't come now, God knows how many more will fall into your trap! Spill it! Tell us, how did you

collude with that b*stard Xie Ansheng?!” Wang Juan accused them angrily.

“Collude? I have no idea what you’re talking about!” Li Chengshuang said.

“You have no idea? Alright! Let me ask you, did Xie Ansheng really meet Mr. Anderson?” Wang Juan asked.

“Of course, Xie Ansheng said so himself!” Li Chengshuang then laughed, trying to ease the tension. “Why would I lie about this, Madam Wang? Xie Ansheng met Mr. Anderson last night... Besides, they had a good time. Not only did Mr. Anderson agree with Ansheng’s investment, he even gave Ansheng a lot of investment suggestions!”

“Suggestion? That’s bullsh*t!” Wang

Juan scolded. She then pointed to the photo on her phone. “Can you see this? I took a photo with Mr. Anderson when I met him in the hotel just now! Xie Ansheng said that Mr. Anderson had left last night, but he didn’t! He will only leave this evening! You said Xie Ansheng had met Mr. Anderson, but Mr. Anderson told me otherwise. He disapproved of this project. He also said that Xie Ansheng’s project is too risky, and that it’s not worth investing in it!”

“What did you say?” Li Chengshuang’s expression changed greatly. “That’s impossible! There’s no way Ansheng would lie to me!”

“No way that he would lie to you? I think you teamed up with him to deceive us

all! Give us back our money! We don't want to invest anymore..." Wang Juan pulled at Li Chengshuang.

Li Chengshuang quickly broke free from her grip and retorted, "Xie Ansheng is here! If you don't believe it, we can confront each other now! Xie Ansheng won't lie to me. He must have met Mr. Anderson..."

"Where is he?! Where is that little b*stard?" Wang Juan roared.

At this time, they suddenly heard a sound from the dining hall. They quickly looked at the source of the sound. Xie Ansheng had broken the window and escaped from the window!

In fact, Xie Ansheng immediately knew

that his plan was ruined, and that Mr. Anderson must have exposed him after Wang Juan came in and roared loudly. Therefore, when Wang Juan came in, he kicked open the window and jumped out of the mansion.

Everyone was dumbfounded.

“Li Chengshuang!” The anger in Ji Mu immediately burst when she saw this scene. “How do you plan to explain this? The person that you brought over has run away. Do you still want to defend him? Tell me, how much money has my family invested in this project?”

Li Chengshuang was lost; she too felt that something was off. *If Xie Ansheng didn't do anything wrong, why did he run away? If he is telling the truth, why did he dare not confront Wang Juan?*

“Give me back my money, Li Chengshuang!” Wang Juan rushed up and began to strangle Li Chengshuang.

“What else can you say now? You’ve invested so much money in the project, and now that person just ran away!” Ji Mu also came over and slapped Li Chengshuang. “You short-sighted woman! You have lost the property of my family! What makes you qualified to be here now? You have disgraced the Ji Family and my ancestors!”

At first, Ji Ding wanted to stop Ji Mu, but when he thought of the 13 billion that the Ji Family had invested, he hesitated. That amount of money was the painstaking efforts of two

generations of the Ji Family.

“Don’t come here! I don’t know what’s going on! Xie Ansheng is the one who told me...” Li Chengshuang’s hair was all messed up; she looked awful.

“Xie Ansheng is the one who told you everything? Is that the reason for you to cheat us all?” Wang Juan grabbed Li Chengshuang’s hair and slapped her.

“The Ji Family is about to be ruined by you! Yet, you still dared to blame it on others?” Ji Mu continued scolding.

Meanwhile, Wang Lang watched the chaos in front of him. He secretly took a glance at the stairs, then turned around and ran up the stairs. He knew that the matter here had nothing to do with him.

He had to go up, find Ji Youyou, and deal with Tang Yin's affairs first.

Step, step, step... Wang Lang looked around the second floor, but he couldn't spot Ji Youyou. At the moment, his forehead was already full of sweat.

"Ji Youyou..." Wang Lang shouted and quickly pushed the bedroom door open, whereupon he saw a figure squatting by the window.

"Ji Youyou, is that you? Mr. Tang has asked me to pass his words. He said that you will always be his woman..." Wang Lang took a glance behind before he continued, "Mr. Tang has been looking for you these few days, and he has been trying to help you find a way!"

Ji Youyou's body trembled. She turned and looked at Wang Lang. "Mr. Tang? Do you mean Tang Yin?"

"Yes, it's Tang Yin! He said that he would never give up on you in this lifetime!" Wang Lang quickly added, "Do you want to tell him anything? I'll pass your message on to him..."

"I..." Ji Youyou's tears were pouring down. There were a lot of things that she wanted to say, but she suddenly lost her words. *What should I say?*

At this moment, the image of Tang Yin placing his arms on Tao Qingfan's shoulder in the Fangtian Shopping Mall flashed across her mind.

"Hurry up!" Wang Lang turned around in

a hurry. When he looked at his back, his body suddenly shivered. Ji Mu was standing at the foot of the stairs with a cold face. She was looking at Wang Lang coldly, and she was on fire. “What are you doing here?”

“I...” Wang Lang tried to say something, but he was too shocked to do so.

“I’m asking you! What are you doing here?” Ji Mu roared angrily. “Say something!”

Ji Mu suddenly realized something because she was not a stupid person. Wang Lang had made her develop an infatuation with him for the past two days. However, her heart was broken as soon as she saw Wang Lang go upstairs.
