

## Chapter 668 Entering the Ouyang Family Again

A group of more than thirty men walked down the spiral staircase calmly at night.

Standing under the spiral staircase, Ouyang Chen saw Hei Shou's arrival. A smile immediately appeared on his face. "Everyone, this way..."

Hei Shou raised his unconcerned eyes, looked at Ouyang Chen, and turned to enter the car.

Ouyang Chen's body trembled, for he could clearly feel the sanguinary breath on Hei Shou. That was the breath that had encountered a lot of corpses and bloodshed.

*Hei Shou was definitely a cold-blooded murderer!*

## Chapter 668 Entering the Ouyang Family Again

Ouyang Chen was full of joy. He sat in the passenger seat next to the driver and headed straight to Ouyang's manor.

*This is the foreign aid provided by Tang Wei!*

It has been said that the Tang Family was able to be so prosperous all these years due to the existence of these people who supported them in silence. These dark guards are the ones handling all those things under the table, and their hands are covered in innumerable blood.

“Everyone, I would like to inform you beforehand that Tang Yin has exceptionally good skills, so you have to be careful!” Ouyang Chen was still concerned, so he voiced out softly.

## Chapter 668 Entering the Ouyang Family Again

Hei Shou raised his eyes and said coldly, “Would killing him be harder than killing an African Chief?”

“I don’t think so!” Ouyang Chen said with a grin.

Ouyang Chen clearly knew how difficult it was to kill an African chief. Even if Tang Yin had amazing skills, would he even be stronger than an African chief?

“Countless African chiefs had been killed in the hands of mine...” Hei Shou’s smile was cold, as he whispered softly. “It’s really a pity that I don’t have the blood of the Tang Family smeared on my hands!”

“It will no longer be a regret of yours once you killed Tang Yin!” Ouyang Chen

## Chapter 668 Entering the Ouyang Family Again

said.

“That’s so easy...!” As soon as Hei Shou finished his words, he slowly closed his eyes. In his opinion, it was only considered a challenge if he were to kill people like Jiang Hui and Tang Lijiang. It was a pity that he almost succeeded in killing Jiang Hui once, but in the end he let her escape. Since he was facing Tang Yin, he hoped that Tang Yin wouldn’t be too much of a disappointment.

The group of men hurried to Ouyang’s manor and was ready to kill Tang Yin.

The Ouyang Family members had a bloody premonition, especially Ouyang Yan and Ouyang Xiang who were upstairs.

## Chapter 668 Entering the Ouyang Family Again

When the two girls saw the scene, they looked at each other in horror, but since Ouyang Xiang was relatively younger than Ouyang Yan, she couldn't help but cry. "Yan, what are we supposed to do now? They might be trying to kill Tang Yin and the both of us..."

Ouyang Yan's face was pale, and she forcibly cheered herself up. "If Tang Yin comes here tomorrow, we shall find a way to inform him about this. Then, maybe we can find a way to leave this monster den like Ouyang Dan!"

"Okay!" Ouyang Xiang shrank her body in fright and wiped her tears off.

A grave specially built for Tang Yin was unfolding silently, and Tang Yin had no idea what was going on.

## Chapter 668 Entering the Ouyang Family Again

It was a sign that a new day had begun when the morning sun fell on the streets in New York City.

Tang Yin had eaten his breakfast, put on his clothes, and walked downstairs.

Ouyang Dan who followed behind appeared to be extremely respectful. “Young Master Tang, are you really planning to cure Ouyang Lu today?”

“Cure him?” Tang Yin raised his brows, shook his head and smiled bitterly. “What I said yesterday was Ouyang Lu’s illness would be relieved after today’s treatment. I did not say that it could be cured! I’m afraid it is not that easy to cure him in his current state!”

“Then should we inform him

## Chapter 668 Entering the Ouyang Family Again

beforehand?” Ouyang Dan said.

Tang Yin hesitated for a moment and nodded. “I guess it’s okay to tell him after today’s treatment! I’m not going to use this matter to threaten him, I just wanted to get Ouyang Family on my side by collaborating with them...”

“Okay.” Ouyang Dan nodded, but she had mixed feelings.

In Ouyang Dan’s point of view, no one was ever a good person in the Ouyang Family. Even if Tang Yin were to treat them with courtesy, the Ouyang Family would not repay his kindness. If this was the case, it was better to let Tang Yin threaten the Ouyang Family.

“Mr. Tang!”

## Chapter 668 Entering the Ouyang Family Again

Ouyang Mingxiu stood outside the entrance of the hotel. He slightly respectfully bowed to Tang Yin.

Tang Yin nodded his head and entered the car. With his squinted eyes, Ouyang Mingxiu gloomily stared at Ouyang Dan before he turned and walked toward the passenger seat next to the driver.

Ouyang Dan's expression changed. She clearly felt that Ouyang Mingxiu's attitude today was much worse than that of yesterday. She had seen this look on Ouyang Mingxiu before. Ouyang Mingxiu had given her this look after he killed her biological mother.

Ouyang Dan didn't know much about what happened back then. What she knew was that her mother tried to take

## Chapter 668 Entering the Ouyang Family Again

advantage of Ouyang Mingxiu when she was pregnant with her. However, Ouyang Mingxiu was extremely cruel and buried her mother alive.

Ouyang Dan would always be haunted by that scene.

“Is there anything wrong?” Tang Yin felt that Ouyang Dan seemed a bit off.

“N-Nothing!” Ouyang Dan said softly.

Tang Yin nodded, not paying too much of an attention to her, as the car rushed all the way to the manor of the Ouyang Family.

On the way there, Ouyang Dan was worried. She had a premonition that something serious might happen that

day.

Half an hour later, the car was parked in front of Ouyang's manor.

When Tang Yin was about to get out of the car, he felt that his wrist was being grabbed by Ouyang Dan, who looked exceptionally worried.

“Everything’s fine, I’m just here to treat him!” Tang Yin smiled and turned to get out of the car.

“Young Master Tang...” Ouyang Dan hesitated for a moment and hurriedly trailed behind him.

“Mr. Tang, come on in...” Ouyang Mingxiu said with a smile. He then led Tang Yin with one hand toward the

Ouyang Family's manor.

Tang Yin Followed behind him, and he appeared a lot more relaxed.

Meanwhile, Ouyang Yan and Ouyang Xiang seemed to have seen Tang Yin entering the manor from the window upstairs.

The two sisters immediately panicked.

"Yan, he's here...Tang Yin is here!"

"Quick! We need to act fast!" Ouyang Yan said as she got up and took the vase by her bed and rushed toward the window, smashing the vase onto the window glass.

*Bang-* There was a loud banging sound, but ne

## Chapter 668 Entering the Ouyang Family Again

Neither the vase nor the window glass cracked.

“Why can’t we break it?” Ouyang Xiang stomped her feet angrily.

Ouyang Yan’s face expression changed. She hurriedly took the vase and banged it hard onto the window glass.

After a few tries, the window glass was still as good as new.

The two sisters were really panicking hard.

“Yan, someone’s coming!” Ouyang Xiang was so nervous that her tears started streaming down her face. She was able to hear the footsteps running toward their room. If they were to be caught by

## Chapter 668 Entering the Ouyang Family Again

others, they would be beaten up badly. The two of them might even be beaten to death.

Ouyang Yan was startled, and with all her might, she held the vase and smashed it onto the window glass.

*Smash—*

The window glass was finally broken, and the vase was thrown out of the window.

At the same time, someone barged into their room. It was Ouyang Chen with a grim face. “The both of you are trying to get yourself killed...”

“Chen!” Ouyang Xiang was so scared that she immediately started crying.

“Kill them!” Ouyang Chen howled.

In the manor, Tang Yin stopped walking, and his gaze fell onto the broken vase in front of him. He then raised his eyes in silence and looked at the window.

## Chapter 669 Preparing to Fall Out

Ouyang Mingxiu's face changed drastically, and he turned his head toward Tang Yin with a forced smile on his face. "This... is an accident! Just an accident!"

Tang Yin smiled without caring too much about it and continued to walk inside again.

Ouyang Dan's face was ghastly pale. She knew that something was going to happen today, otherwise the atmosphere would not have become so strange. She wanted to stop Tang Yin at this moment, but she realized that he had walked into the living room, following Ouyang Mingxiu all the way to Ouyang Lu's room.

Ouyang Dan's body trembled, and she

## Chapter 669 Preparing to Fall Out

hurried to catch up with Tang Yin. He was her only life-saving straw, so she didn't want to lose even her last straw in a moment like this. In Ouyang Dan's point of view, the Ouyang Manor really looked like a cemetery today, making people feel gloomy and forlorn.

Tang Yin, who was in the center of the cemetery, had no response at all. He slowly walked into Ouyang Lu's room, just like how he did yesterday.

Ouyang Lu's complexion had improved a lot. Compared to yesterday, his face seemed to be richer in complexion. Seeing Tang Yin enter the room, Ouyang Lu smiled slightly and said, "I feel bad that an old man like me still needs to bother a young man like you."

## Chapter 669 Preparing to Fall Out

“It’s okay!” Tang Yin smiled, sat next to Ouyang Lu, placed his hand onto the latter’s wrist, and began to check the latter’s pulse.

The entire Ouyang Manor seemed to fall silent upon Tang Yin’s movements. Only a burst of crying was heard from the room upstairs. Ouyang Chen grabbed Ouyang Yan’s hair, banged her head onto the wall, and stepped on her body. “Are you trying to report to Tang Yin?”

Ouyang Yan couldn’t help but tremble lightly when she felt out of breath.

“Both of you are b\*tches and thieves; what you’re doing is pushing the Ouyang Family into the abyss!” Ouyang Chen kicked Ouyang Yan ferociously twice, spat on her head, and turned to

## Chapter 669 Preparing to Fall Out

look at Ouyang Xiang.

Ouyang Xiang was so terrified that she was crying her heart out. She wrapped her arms around her head and squatted on the floor.

“Let me tell the both of you; you better stay here obediently. Once I get rid of Tang Yin, I will let you both die instantly! Or else, I will make the both of you regret coming to this world!” Ouyang Chen laughed ominously, walked out of the room, relaxed his neck for a moment, and walked downstairs with a gloomy expression.

Meanwhile, Tang Yin had already stopped checking Ouyang Lu’s pulse. Instead, he reached out to flip Ouyang Lu’s eyelids. After carefully observing it,

## Chapter 669 Preparing to Fall Out

he nodded, saying, “You are recovering pretty well. Later, you need to take another medication, and then repeat the Nine-Yangs Acupuncture Therapy, then your condition will be better!”

“Really?” Ouyang Lu’s face was filled with joy.

“Yes!” Tang Yin smiled and nodded his head.

“It’s all thanks to you!” Ouyang Lu chuckled.

Tang Yin didn’t reply. He was about to get up to prepare the medication, but he realized Ouyang Mingmu, who was outside, was already bringing in the medication, placing it in front of him.

“The medication is prepared; I think you

## Chapter 669 Preparing to Fall Out

better perform the therapy session as soon as possible!” Ouyang Mingmu said with a cold face.

Tang Yin frowned. He glanced at Ouyang Lu but realized that the latter had no intentions of explaining anything, so a sneer appeared in his heart. “If that’s the case, let Old Master have the medication, and I shall perform the therapy,” Tang Yin said calmly.

Ouyang Dan raised her head as she tried to give a signal to Tang Yin, but she realized that Tang Yin didn’t even look at her. Ouyang Dan had already noticed the difference on Ouyang Mingmu’s face. She could tell that the Ouyang Family was now a barrel of gunpowder, and it might explode once Tang Yin finished the acupuncture

## Chapter 669 Preparing to Fall Out

therapy session.

Ouyang Lu finished the medication in one go and nodded at Tang Yin. Tang Yin did not hesitate anymore; he took out the silver needles and started to perform Nine Yangs Acupuncture Therapy according to the sequence. The process was not much different compared to yesterday. It was the same sequence: Baihui Acupoint, then Shenting Acupoint, then Renzhong Acupoint...

After the therapy, Ouyang Lu's complexion had clearly improved. The migraine that he had for so many years was surprisingly relieved. This made Ouyang Lu very happy, and his face was filled with joy.

## Chapter 669 Preparing to Fall Out

“Tang Yin, is my migraine cured?”  
Ouyang Lu couldn’t help but ask softly.

“I wouldn’t say it’s cured. It can only be regarded as being relieved! If you want it to be fully cured, you need to treat it along with another treatment course, which would take up about half a month!” Tang Yin answered with a smile.

“Half a month?” Ouyang Mingmu narrowed his eyes. “Tang Yin, are you here trying to bully us, thinking that we are bad at maths?”

Tang Yin frowned when he heard those words. Ouyang Dan’s heart was racing. She knew that the relationship between Ouyang Lu and Tang Yin was like the farmer and the snake. Now, the snake

## Chapter 669 Preparing to Fall Out

was finally about to open its bloody mouth wide and swallow Tang Yin!

“Half a month is indeed a long time, and I may not be able to wait till then!”

Ouyang Lu muttered softly, “Tang Yin, you’ve been practicing medicine for so many years, so I believe you should have the prescriptions to cure this disease. Why don’t you write the prescription down so that I can prepare the medication in the future? If you do so, you don’t have to travel here often. It’s so troublesome for you...”

“I do have the prescriptions, but some of these medicinal materials might have insufficient medicinal properties. I am afraid that it will not be effective for your illness!” Tang Yin explained.

## Chapter 669 Preparing to Fall Out

“Nonsense!” Ouyang Mingmu sneered. “Tang Yin, don’t you try to act all aloof here! Do you think the Ouyang Family won’t know what you are trying to do? You’re just trying to use the medication to get hold of my dad and take control over the Ouyang Family...”

Tang Yin’s gaze turned old. “What are you trying to say?”

“Tang Yin, you just need to write down the prescription. I will pay you the consultation fee anyway.” Ouyang Lu waved his hand in annoyance.

“Consultation fee?” Tang Yin pursed his lips and laughed loudly. “So you’re trying to tell me that the Ouyang Family no longer wants to collaborate with me?”

## Chapter 669 Preparing to Fall Out

“You want us to continue collaborating with you? We’re fine as long as you change the contract and increase the Ouyang Family’s profit by thirty percent; otherwise, you can forget about it.” Ouyang Mingxiu entered the room, looking at Tang Yin nonchalantly.

Watching that scene, Ouyang Dan was trembling with fright, for she knew that the Ouyang Family had started with their own plan. Tang Yin laughed loudly when he heard those words. “Increasing the Ouyang Family’s profit by thirty percent? The Tang Family wouldn’t be making a single penny then?”

“Tang Yin, what I’m doing is for your own sake!” Ouyang Lu, who was lying on the bed, spoke softly, “You better just give me the prescription as I say. Do

change the contract so that I will let you leave this place safely. Or else, I won't be merciful to you even for the sake of your parents."

"Grandpa, why all the talking? We should never let this kind of person who tramples over our dignity and insults the reputation of the Ouyang Family leave this place... Come in, kill Tang Yin for me!" Ouyang Chen howled, thereupon eight men swarmed into the room.

## Chapter 670 The Strike

Ouyang Dan's face paled with fright. With her body, which was faintly trembling, she leaned against Tang Yin. She had noticed something bad was about to happen the moment she entered the Ouyang Manor, but she didn't expect that this kind of thing would really happen before her eyes!

There were eight men surrounding Tang Yin in the room as he stood in the center of all of them.

Everyone had their gaze on Tang Yin.

Tang Yin raised his brows and looked at Ouyang Lu calmly. "Old Master, are you planning to repay my kindness with ingratitude?"

"Repaying your kindness with

## Chapter 670 The Strike

ingratitude?” Ouyang Lu lay on the bed and chuckled. “Tang Yin, even if I were to kill you now, I don’t think it’s repaying your kindness with ingratitude. Didn’t you come all the way to New York City to plot a frame-up on the Ouyang Family? I knew that the poisonous prescription came from you! Didn’t you also request for the Patriarch of the Ouyang Family to drive all the way to fetch you and even hand you the womenfolk in our family so that you can humiliate them while they serve you? Since you’ve trampled over the dignity of the Ouyang Family, shouldn’t you be prepared to suffer the consequences? I don’t think I’m repaying your kindness with ingratitude at all.”

“The Patriarch to be my driver? Sending your womenfolk so that I can humiliate

## Chapter 670 The Strike

them?” Tang Yin suddenly laughed and said self-deprecatingly, “I did ask the Patriarch to come and welcome me and the womenfolk of your family to accompany me... However, I didn’t say that I would humiliate your womenfolk! I traveled thousands of miles from Los Angeles, yet you sent your illegitimate granddaughter to come to the airport and drive me back to Los Angeles. What’s wrong with me asking the Patriarch of the Ouyang Family to come and welcome me while I use it to show some power?”

“What do you mean?” Ouyang Lu’s face sunk.

Everyone’s gaze gradually changed. Tang Yin didn’t ask the Patriarch to drive, nor did he want to humiliate the

## Chapter 670 The Strike

womenfolk; he just asked the Patriarch of the Ouyang Family to welcome him and the womenfolk to be his companion!

How did things get twisted into something else?

“Grandpa, don’t listen to his nonsense; I am going to kill him now...” Ouyang Chen knew that he was going to be exposed soon, so he immediately howled, “Attack! Kill this damned man, and I’ll see how he can still quibble here!”

The men swarmed up against Tang Yin.

Ouyang Lu’s face sunk, for he immediately understood what was going on. The intention of Tang Yin

## Chapter 670 The Strike

requesting that treatment was not to trample on the dignity of the Ouyang Family at all; he was just requesting it for the sake of saving his own dignity.

How could he be welcomed by an illegitimate daughter?

Ouyang Lu and Ouyang Mingxiu both turned to look at Ouyang Dan.

Ouyang Dan's face was ghastly pale. "Indeed, Ouyang Chen did tell me to go and welcome Tang Yin at the airport the other day, and he told me to drive him away from the airport itself because he didn't want Tang Yin to come to the Ouyang Manor..."

"You b\*tch, you're spouting nonsense! Kill her!" Ouyang Chen howled.

## Chapter 670 The Strike

The men had already rushed toward Tang Yin with swords in their hand raised. However, at this moment, Tang Yin's body moved. Tang Yin skimmed his way to the front of one of those men like an afterimage, grabbed the man's wrist with his fingers, and ferociously dragged him over.

With the sound of a click, the man screamed in dismay. His wrist was abruptly broken off by Tang Yin, and the sword in his hand had fallen into Tang Yin's hand.

The Ouyang Family members were shocked to watch the scene unfold.

"Go on and kill him!" Ouyang Mingmu was howling too. Everything had come to a point where it was impossible to

## Chapter 670 The Strike

reconcile with Tang Yin! Although Ouyang Mingmu had come to realize that this might be one of Ouyang Chen's mischievous ideas, he could only question Ouyang Chen about the matter after they got rid of Tang Yin.

The men were throwing their swords at Tang Yin, but as he waved his arms upwards, only the sound of swords hitting each corner of the room was heard, which caused an outburst of a series of sparks.

Tang Yin avoided the men's swords, then slashed his own sword downward, hitting one of the men's shoulders.

The man's arm was directly slashed off due to Tang Yin's powerful strength. The man was given a flying kick by Tang Yin

## Chapter 670 The Strike

before he had the time to scream in pain.

Tang Yin retracted his arm as the blade of the sword slashed through the neck of two men. The moment everyone saw the blood of the two men, their throat had already been slit opened, and one of them even had his head drooped.

It was an extremely bloody scene.

The people of the Ouyang Family were all slightly appalled when they saw the scene. Only Ouyang Mingmu, who was fierce tempered, watched the scene with his angry eyes fixed at Tang Yin as if they were about to break. He took out the gun he had before he raised his hand and pointed it straight at Tang Yin's head.

## Chapter 670 The Strike

Simultaneously, Tang Yin raised his wrist, and the sword swept across Ouyang Mingmu's side. Before the latter could shoot, his head was already chopped off by the sword.

Ouyang Mingmu's head soared into the sky, with blood spurting out of his neck.

At this moment, the members of the Ouyang Family were appalled.

*Ouyang Mingmu is dead!*

Ouyang Mingmu was an outstanding figure in the second generation of the Ouyang Family. He was only considered the second most outstanding figure due to Ouyang Mingxiu's existence. It was said that even if he couldn't be the one that controlled the Ouyang Family, he

## Chapter 670 The Strike

could still become the pillar of the Ouyang Family.

The pillar of the Ouyang Family had collapsed at a time like this. How could the Ouyang Family accept what had happened?

Ouyang Lu's eyeballs had protruded when he saw the scene. "He's the devil himself. Kill him... Kill this evil creature!"

"Somebody, come quickly!"

"Somebody... Hei Shou, what are you doing?!" Ouyang Chen howled loudly.

Tang Yin stepped forward, with the reflection of the light on his sword appearing frequently. He blocked the swords of the three remaining men and

## Chapter 670 The Strike

then gave one of the men a kick which sent the man flying. With his other hand, he grabbed one of the other man's head and crushed it with his inner energy. The man's head was as fragile as a watermelon, and it exploded into a puddle of mud.

Among the three, when the last person saw the scene, his body shook in fright before he knelt to the ground with a thud.

Tang Yin held the katana in his hand as he looked around. His gaze finally fell on Ouyang Lu. Although Ouyang Lu had gone through countless storms, his face was still ghastly pale when he saw the way Tang Yin killed those men.

*What on earth just happened?*

## Chapter 670 The Strike

*This man is Lucifer himself!*

“Tang Yin! How dare you kill my son!”  
Ouyang Lu regained his senses before he howled. “I will never let you leave this place... Not in a thousand years...”

Tang Yin stepped forward calmly. In front of him, only Ouyang Mingxiu and Ouyang Chen were left.

Ouyang Mingxiu had not recovered from the shock, whereas Ouyang Chen had quickly escaped the room. “Father, you hold on for a bit here while I go and find Hei Shou. I will let Hei Shou come and deal with him...”

By the time Ouyang Mingxiu regained his senses, Ouyang Chen had already rushed out of the house and

## Chapter 670 The Strike

disappeared without a trace. At this moment, Ouyang Mingxiu wanted to curse Ouyang Chen, but he couldn't speak at all. Therefore, he could only look at Tang Yin while his body trembled.

Tang Yin raised his sword, having the tip of the sword pointed at Ouyang Mingxiu's nose.

"Tang Yin, that's the Patriarch of the Ouyang Family; if you really did kill him, I will fight you till the day I die!" Ouyang Lu was so angry that he almost spat blood as he struggled to get out of bed.

Tang Yin raised his hand and dropped it in a swift motion. He chopped off Ouyang Mingxiu's head and turned to look at Ouyang Lu, with his body

Ouyang Lu was terrified. He almost shattered his own steel teeth when he watched the scene unfold. “Tang Yin, you’re such an evil creature...”

Tang Yin turned around as he held his katana, which was still dripping blood, and approached Ouyang Lu one step at a time. “Evil creature? Mr. Ouyang, didn’t you say earlier that even if it’s for the sake of my parents, you might not be merciful toward me? I would really like to know, for the sake of who, that I should have some mercy on you?”

“Tang Yin, I swear I will make sure you die...” Ouyang Lu clenched his teeth. “My grandson, Ouyang Chen, has already gone out to get back up, and someone will come to kill you soon. Don’t even think of walking out of my

house today! Even if you killed me, you would have to die here with me too!”

Tang Yin raised his sword slightly, but his gaze turned toward Ouyang Dan.

Ouyang Dan’s face changed. Looking at Tang Yin, who was covered in blood, her heart started to tremble. She really didn’t expect that he would be so powerful. It took him less than five minutes to kill so many people in this room!

“Do you hate the people of the Ouyang Family?”

Ouyang Dan was dumbfounded for a moment. As she heard Tang Yin’s devilish voice, the hatred in her heart seemed to be suddenly aroused.

## Chapter 671 Ignorance

“I do!”

“If I were to give you this sword, do you dare to kill him?” Tang Yin sneered slightly.

“I dare!” Ouyang Dan didn’t even hesitate when she took the sword from Tang Yin’s hand. However, when she turned to Ouyang Lu, she started to tremble.

Although Ouyang Dan felt the courage in her heart, when she wanted to do it, she was still a little scared.

“Don’t you dare... Ouyang Dan, you’re such a b\*tch. You’re an evil creature! You’re just an illegitimate child of the Ouyang Family, so how dare you point your sword at me?” Ouyang Lu’s body

## Chapter 671 Ignorance

was trembling as he cursed Ouyang Dan cold-heartedly. He could tolerate his own death in the hands of Tang Yin, but he would never allow himself to die in the hands of an illegitimate daughter like Ouyang Dan.

*This could never happen!*

*Never in a thousand years!*

“Get rid of him...” Tang Yin finished his words and turned to leave.

Now that the killing had started, they had to make sure everything was done properly! If Ouyang Chen was left behind, sooner or later, he would be a scourge.

In the meantime, Ouyang Chen had just

## Chapter 671 Ignorance

rushed to the second floor and smashed open the door of Hei Shou's room. "Hei Shou, hurry up! Quickly take action! Tang Yin had started killing people! He started his killing spree already!"

Hei Shou lifted his eyelids and glanced coldly at Ouyang Chen before he slowly stood up. "He killed someone? Wouldn't it be a benefit for the Tang Family if he were to kill some members of the Ouyang Family?"

"W-What are you saying?" Ouyang Chen's face sunk.

Hei Shou sneered and grabbed his walkie-talkie. "Time for action..."

"Okay, sir!"

## Chapter 671 Ignorance

“Okay, sir!”

Hei Shou glanced at Ouyang Chen coldly and slowly walked downstairs.

Meanwhile, Tang Yin headed upstairs slowly. Suddenly, he felt a tiny fright in his heart, and his body shook violently before he heard a loud bang. The window in front of him suddenly exploded, and a large-caliber sniper bullet exploded under his feet.

*There's someone!*

Tang Yin moved his body, and his feet jumped upward flexibly as he landed upstairs.

Hei Shou stood at the top of the stairway, like a king in the dark, as he

## Chapter 671 Ignorance

watched over Tang Yin.

“Second Young Master?” Hei Shou smirked and gazed at Tang Yin with a hint of admiration. “I once thought that you would be very powerful, but I’ve never expected you to be this strong! What a pity that you would be dying in my hands today!”

“Tang Yin, you’re going to die! This is Hei Shou, the dark guard of the Tang Family...” Ouyang Chen had already rushed out. Looking at Tang Yin, who was at the corner of the stairs, Ouyang Chen couldn’t help but laugh. “Do you think that you are strong enough already? Thinking that you could defeat the Ouyang Family? You are wrong then... You must’ve never expected that your own family would have stabbed

you in the back!”

Tang Yin remained silent and raised his head to look at Hei Shou.

*Hei Shou is indeed quite powerful!*

*However, he is just 'quite' powerful!*

“Second Young Master, I shall give you a chance to kill yourself with a gunshot, and I will send your body back to our Patriarch!” Hei Shou smiled faintly as he warmed up his wrist. “If I were to lay my hands on you, I’m afraid you might not even have a body left...”

“Bring it on!” Tang Yin raised his hand and waved toward Hei Shou.

“The audacity! If that’s the case, I will let

Tang Yin remained silent and raised his head to look at Hei Shou.

you see the power of the dark guard of the Tang Family!” Hei Shou took a step forward and landed directly next to Tang Yin, whereupon he slammed his knee onto the latter’s chest.

The proficiency of that action was definitely not comparable to any ordinary people. It was the kind of subconscious reaction by someone who had gone through countless killings and survived through mountains of corpses and bloodshed.

Tang Yin watched as Hei Shou landed in front of him. With a swift action, Tang Yin gave a spinning kick toward Hei Shou’s body.

“How dare you!” Hei Shou howled.

## Chapter 671 Ignorance

However, as soon as Tang Yin's foot was about to ferociously kick Hei Shou's chest, the latter blocked his chest with both hands before his body was thrown out with a loud thud.

Hei Shou was terrified, and his eyes were filled with fear because he was able to feel how strong Tang Yin was. The latter's power was beyond his imagination. The most important thing was Tang Yin's movement, which had already followed up quickly. He grabbed Hei Shou's hair with a hand and slammed the latter's head against the wall.

*Thud!*

There was a big hole in the wall, and Hei Shou's head was covered in blood. His

## Chapter 671 Ignorance

inner energy forcibly protected his head, but he was still seriously injured.

It was Hei Shou's first encounter with Tang Yin, and he had already been seriously injured.

Hei Shou was terrified, for he finally understood how ridiculous he was earlier. He acted like a three-year-old yelling at an adult, looking all so ignorant.

Tang Yin did not stop there, even after the wall was broken apart. He continued to grab Hei Shou's hair and slam the latter's head against another wall.

*Thud!*

The wall at the corner of the stairway

## Chapter 671 Ignorance

was harder than the previous wall, and only a piece of the wall fell off when Hei Shou's head was knocked into a daze.

At this moment, it was as if Tang Yin didn't seem to feel tired. He grabbed Hei Shou's hair once again and slammed his face directly against multiple walls.

*Thud! Thud! Thud!*

The powerful Hei Shou was like a ball in front of Tang Yin. He was knocked into a daze, with blood gushing out from the seven orifices of his head. A hint of despair flashed through his eyes as he had a flashback of his own mockery earlier and his disrespect toward Jiang Hui. Moreover, he even had the faces of Tang Wei and Tang Yuanbo flashing through his eyes.

## Chapter 671 Ignorance

*Do you both even know how powerful Tang Yin has become?*

“You shall die!” Tang Yin’s five fingers pressed hard as he patted Hei Shou’s head and slammed it hard onto the ground.

*Puff!*

Tang Yin directly smashed Hei Shou’s head into pieces. It was as if the watermelon that was ripened had been slapped into pieces with a tight slap.

Looking at the scene, Ouyang Chen was so terrified that he was going berserk. He staggered a few steps backward and sat on the ground with a puff.

“Tang Yin... Don’t you... Don’t you ever

come over!”

Tang Yin raised his head, glanced at Ouyang Chen with bloodshot eyes, and slowly walked toward him.

## Chapter 672 Killing Them All

“No... Don’t come over!” Ouyang Chen was about to go crazy. He staggered backward and turned to run upstairs.

Tang Yin’s current strength had surpassed Ouyang Chen’s imagination. Even if the latter had seen much of life, he really didn’t predict today’s situation to happen.

All the powerful members of the Ouyang Family had gathered here today, but they were all killed by Tang Yin.

“Somebody! Come quick!”

Ouyang Chen howled and snarled at the same time.

A few men rushed out from the corridor and rushed toward Tang Yin. Some of

them fished out their guns from the room and pointed it at Tang Yin. A few of them even chased him from downstairs and pounced on him. However, none of them were his match. The moment they met him, their necks were either snapped by him with one hand or they were killed by him with a punch.

The entire Ouyang Family was filled with a thick bloody atmosphere. Whether it was the members of the Ouyang Family or the Tang Family's dark guard, they all died in this grave that they built for Tang Yin.

Ouyang Chen rushed to the top floor and barged into the rooms of Ouyang Yan and Ouyang Xiang. Looking at the two terrified girls sitting together, he

## Chapter 672 Killing Them All

knelt down with a puff.

“Yan, Xiang, you both had an encounter with Tang Yin before. Please help me plead with him so that he will spare my life!”

Ouyang Yan and Ouyang Xiang were terrified. They only knew that Tang Yin was here, and they then heard sounds that came from downstairs, but they had no idea what happened.

The two of them looked at Ouyang Chen’s appearance, and they were even more shocked. Ouyang Xiang, who was still young, was no longer able to hold back her tears, so she buried herself in Ouyang Yan’s arms and cried.

At this time, Tang Yin had already

arrived at the door.

Hearing the sound of the footsteps, Ouyang Chen was extremely frightened, therefore he turned his head and knelt in front of Tang Yin and begged, “Tang Yin, can you spare my life? I’ve failed to recognize that you were a great man, and I’ve failed to appreciate what was good. Can you be the bigger person and spare me a chance?”

Tang Yin walked to the front of Ouyang Chen without saying a word.

“I beg you, please...” Ouyang Chen cried bitterly, as if he had gone berserk, and wailed loudly. “Have mercy on me! Please forgive me for once! I will do anything that you ask me to do in the future. I’ll be your slave and provide you

with the best things...”

Tang Yin stared at the actions of Ouyang Chen and slowly raised his right hand.

“Tang Yin! Tang Yin, I beg you to let me go!” Ouyang Chen cried out loud for help.

Tang Yin gave a tight slap on his face, which caused his seven orifices to bleed and his pupils to dilate as his body slowly fell to the ground.

“Ah...”

Ouyang Yan and Ouyang Xiang had never seen such a scene before. They were so terrified that they screamed and hugged each other, crying bitterly.

## Chapter 672 Killing Them All

Tang Yin glanced at them. He saw a puddle of liquid left under the two of them and suddenly fell silent.

The two girls grew up in the Ouyang Family, and they were both pampered kids. At this time, they were so scared that they peed their pants when they saw Tang Yin's murder. There was really nothing he could do.

In the meantime, Ouyang Dan had entered the room. Her blank gaze stared at the scene as she fell to the ground, with her tears streaming down her face. "Young Master Tang, I've done everything that you asked me to do..."

"Good." Tang Yin nodded.

"Dan..." Ouyang Xiang cried the moment

## Chapter 672 Killing Them All

she saw Ouyang Dan.

A trace of unbearable flashed through Ouyang Dan's expression. Although she had been boycotted by many since young, seeing the two girls, Ouyang Yan and Ouyang Xiang, she really couldn't bring herself to do anything toward them.

"Young Master Tang..." Ouyang Dan struggled to get up and crawled under Tang Yin's feet. "Young Master Tang, too many people have been killed... Would you please let Yan and Xiang go?"

Hearing this, Tang Yin was slightly stunned and only then did he come back to his senses.

## Chapter 672 Killing Them All

Tang Yin had killed so many people earlier, and the muscles on his face were tightened. He was afraid that the two girls were also terrified by the look on his face. In fact, Tang Yin had never thought of killing the both of them. After all, they didn't do him any wrong, and they even thought of warning him by throwing a vase when he entered the manor.

"I didn't even think of killing them..." Tang Yin sighed and walked toward Ouyang Yan and Ouyang Xiang. "You both can leave first!"

"Really? Okay, sure!" Ouyang Dan was overjoyed and hurriedly crawled forward, pulling Ouyang Yan up.

Ouyang Yan was still capable of getting

## Chapter 672 Killing Them All

up, but Ouyang Xiang was so terrified that she had broken down, and her body collapsed onto the ground, not being able to stand up at all.

Tang Yin had no choice but to carry the girl on his back and walked toward the door. At this moment, Tang Yin felt the warmth between Ouyang Xiang's legs. Probably because Ouyang Xiang was too nervous, she peed her pants again when she was on Tang Yin's back.

Tang Yin didn't know how to comfort them, so he gave up on even trying to comfort them at all. He just walked out of the room with the girl on his back and headed out of the Ouyang Manor.

Apart from the four of them, there was no one else alive in the manor.

After leaving the manor, Tang Yin asked softly, “Can the three of you manage the Ouyang Family?”

“Yes! We can!”

“Indeed, we can manage it!”

Ouyang Dan and Ouyang Yan spoke at the same time because they were really afraid that if they were of no use, they would be despised by Tang Yin and eliminated from the Ouyang Family.

Tang Yin touched his eyebrows and glanced at Ouyang Yan and Ouyang Xiang. After a moment of silence, he still didn’t say anything. In fact, although Tang Yin never thought of killing the both of them, he still didn’t want them to have contact with the outside world

either.

After all, so many lives in the Ouyang Family were all slaughtered by Tang Yin alone. If they were to spread the news out, it might cause unnecessary disturbances.

“Young Master Tang, we will solve all the Ouyang Family’s affairs, and you can rest assured to leave it to us...” Ouyang Dan drove the car while showing Tang Yin her residual values.

Tang Yin nodded and did not say much. He turned his gaze toward the scenery beyond the window, as if he was feeling the night of New York City. Before he came here, all he wanted was to collaborate with the Ouyang Family, but he did not expect that he would have

slaughtered almost everyone in the Ouyang Family.

This wasn't the ending that Tang Yin wanted, but he had no other choice!

Meanwhile, the relationship between Duanmu Xiong and Tang Lishan had caused the calm water in Los Angeles to have waves of ripples while Tang Yin was drowning in his thoughts.

Under the night sky, the two of them drove to Tang Yin's manor once again.

Outside the manor, a faint flame was flickering continuously.

Tang Lishan's expression was overjoyed, and she hurriedly sat up straight, disheveled. "Our plan

Duanmu Xiong also retracted his huge hand that was touching Tang Lishan. He laughed grimly and immediately pushed his car door open. “Come on! Tonight, I would like to see whether Tang Yin’s family members would be able to live to see the sun tomorrow!”

## Chapter 673 Asking for Death

Tang Lishan hurriedly opened the car door and followed Duanmu Xiong into Tang Yin's manor.

"Stop right there!" someone in the manor shouted.

"Go to hell!" Duanmu Xiong stamped on the ground and formed a whirlwind around his body before he appeared ten meters away and clenched the person's neck. A cracking sound could be heard in the night. The security guard's neck was twisted by Duanmu Xiong just like that.

Without stopping, he jumped into the manor.

The atmosphere around the huge manor turned howling and murderous.

## Chapter 673 Asking for Death

When Tang Lishan walked over and saw Duanmu Xiong's combat skill, she was overjoyed. Upon shooting a gloomy look at the manor, she clenched her fists.

Then, they walked into the manor with dark expressions.

Clothed in pajamas and with her hair hung loose, Tang Ai scurried downstairs and ran to the door before she shouted, "All of them have drunk the water. Hurry up..."

Duanmu Xiong shot a look at Tang Ai and shifted his attention upstairs. Then, he balled up his fists and went up.

"This way..." Tang Ai led the way as she could finally take revenge. "Yuan Zhian's room is here. Let's get rid of that b\*tch

## Chapter 673 Asking for Death

first!”

With that, she moved forward with the people behind her and pushed the door of Yuan Zhian’s room open.

Yuan Zhian had become unconscious on her bed and wasn’t aware of the arrival of Tang Lishan, Tang Ai, and Duanmu Xiong.

“Kill her! Kill that b\*tch first!” Tang Ai growled and wanted to do it herself.

“We can’t kill her so easily!” Tang Lishan took a step forward and tried to grasp Yuan Zhian’s hair. Right then, a sword beamed in the night as someone jumped in from the window and tried to slash Tang Lishan’s wrist.

## Chapter 673 Asking for Death

“Go to hell!” Duanmu Xiong raised his hand and blocked the sword before he jumped up and landed a kick on that figure.

*Puke.*

Unable to dodge, Ohashi Miki spat out blood. When she jumped backward and landed on the ground, her vision turned dark.

“How could you not fall asleep?”  
Duanmu Xiong grinned and walked over.  
“Even if you could remain awake, how long could you last? This is the secret drug of the Eight Great Families that could make anyone fall asleep...”

Ohashi Miki’s expression changed when she heard that. Gritting her teeth, she

## Chapter 673 Asking for Death

took a few steps backward and landed a slap on the wall.

The alarm suddenly sounded and permeated across the entire manor.

Duanmu Xiong guffawed upon seeing that. “Do you think the alarm could awaken them? You’re so wrong. Even if you pinch their ears, you won’t be able to wake them up...”

Ohashi Miki drew a deep breath and tried to retreat, but Duanmu Xiong already made a move. His move was swift as he appeared before Ohashi Miki in a split second and landed a kick on her chest, which sent her flying backward.

*Crack!*

## Chapter 673 Asking for Death

The window in Yuan Zhian's room broke into pieces in an instant as Ohashi Miki was kicked out of the room.

“Hurry up...” Duanmu Xiong turned around quickly and saw Tang Lishan and Tang Ai grasping Yuan Zhian's hair together as they lugged her out of bed and reached for the door.

The mother and daughter were most resentful of Yuan Zhian. If it weren't for Yuan Zhian, all of these wouldn't have happened.

Tang Ai couldn't control herself anymore and slapped Yuan Zhian on the face twice. Like a corpse, Yuan Zhian gave no reaction at all.

“B\*tch... B\*tch... I'll kill you...”

## Chapter 673 Asking for Death

As they cursed and walked out of the room, their bodies shook.

At the end of the corridor, Hu Song was seated in a wheelchair with a gloomy expression as he stared at the three people in front of him.

“Did I underestimate you guys? So many of you remain conscious...” Duanmu Xiong grinned and said somberly, “Old man, since you’re standing in my way, I’ll kill you next!”

“Release her, and you can leave!” Hu Song demanded coldly.

“Hu Song, you’re such an old fart. You’ve assisted Tang Lijiang for many years... I’ll make sure to send you to hell today!” Tang Lishan grinned and pointed

## Chapter 673 Asking for Death

at Hu Song. “Duanmu Xiong, kill that old fart!”

“I’ve made a call to inform the others. You’d better release her and leave immediately. Otherwise, all of you will lose your lives here!” Hu Song warned glacially.

“Old man, you’re asking for death...”  
Duanmu Xiong growled and summoned all his energy before he charged forward and tried to punch Hu Song’s chest.

Gathering his inner energy, Hu Song raised his hand to block the attack as the sound of popping could be heard around his palm.

*Pop, pop, pop...*

## Chapter 673 Asking for Death

Both of them were pushed backward. A tinge of shock flashed across Hu Song's face, and Duanmu Xiong's expression turned gloomy.

It was a draw!

"Didn't you take my drug?" Duanmu Xiong squinted his eyes.

Hu Song straightened his back and looked straight into Duanmu Xiong's eyes. "I don't know what drug you're talking about. I'll give you one last chance. Release her and leave this place immediately!"

"You're asking for death!" Duanmu Xiong snarled. He had come here to vent his anger by murdering people, but he had never expected that Hu Song

## Chapter 673 Asking for Death

would stop his plan. He stamped on the ground and launched himself at Hu Song.

*Boom!*

Their palm and fist met as a blast happened and caused a series of intensive popping sounds.

Duanmu Xiong tried to stop his body from moving backward, so he twisted his ankle before sweeping a leg at Hu Song. Hu Song raised his hand to block it, but his lower body was unstable due to the fact that he was wheelchair-bound, and he was sent hitting the wall.

“Go to hell!” Duanmu Xiong tried to land a punch.

## Chapter 673 Asking for Death

Hu Song hurriedly blocked it with one hand as he extended his other hand and reached for Duanmu Xiong's chest.

*Thud.*

Both of them were pushed backward. Duanmu Xiong could feel that his breathing had become unstable, while Hu Song was kicked out of his wheelchair and hit the wall.

Trying to seize the chance, Duanmu Xiong charged forward and landed a kick on Hu Song's chest.

Hu Song blocked the attack with both hands and moved backward with the help of that force.

“Old man, I'm going to kill you!” Duanmu

## Chapter 673 Asking for Death

Xiong snarled. It had never crossed his mind that as a member of a hidden family, he could not even destroy an old man in the outside world. It was an intolerable situation for an arrogant man like himself.

Gathering all his inner energy in his fist, Duanmu Xiong wanted to kill his opponent in one strike. Meanwhile, Hu Song just wanted to make time for the others to come. While he was thrown backward, he directed all his inner energy into his fists and tried to block Duanmu Xiong's fatal blow.

"You've been fooled..." Duanmu Xiong growled. His energy never subsided as he charged forward with the help of the force in his fists and rammed into Hu Song.

## Chapter 673 Asking for Death

Hu Song's lower body was unstable, therefore he could not resist his opponent's strike. After he was rammed into, he was thrown backward and broke the window. Duanmu Xiong jumped out of the window and landed a kick on Hu Song's chest.

## Chapter 674 On the Brink of Death

Hu Song crossed his arms before his chest and gathered all his inner energy. When their bodies touched, one blast exploded after another.

*Thud.*

Although Hu Song could block Duanmu Xiong's attack, he couldn't stop himself from falling. When Duanmu Xiong's knee hit him, his falling accelerated before his body forcefully hit the ground.

Instead of retracting his energy, Duanmu Xiong pressed down harder as he pressed against Hu Song's chest with his knee and directly pushed the latter into the ground.

Just then, Tang Lishan and Tang Ai

## Chapter 674 On the Brink of Death

finally managed to lug Yuan Zhian out of the house. When they saw car lights flashing in the distance, they screamed in fright, “They’re coming! Let’s go...”

Duanmu Xiong had gone mad. It was because of Hu Song that he missed the chance to kill Tang Yin’s relatives. At that moment, he was out of his mind as he kicked Hu Song’s chest incessantly.

“Screw you! I’ll send you to hell!”

As he growled, his expression became more ferocious, and he became even madder. “Old fart, I’m kicking you to death! I’ll kick you until you die!”

*Thud, thud, thud...*

Duanmu Xiong stamped on Hu Song’s

## Chapter 674 On the Brink of Death

body repeatedly, which caused the latter to sink deeper and form a pit on the ground.

Both of them were competing with each other with their inner energies. As the attacker, Duanmu Xiong stamped on his opponent's body increasingly quicker and harder until Hu Song's blood gushed out of his mouth.

Hu Song could feel that Duanmu Xiong had directed more inner energy into his foot until he was no longer able to resist the attack. His vision turned cloudy, and he was slowly losing all his energy. His arms before his chest were kicked until they were deformed and twisted.

“Go to hell!” Duanmu Xiong directly landed a ruthless kick on Hu Song's

## Chapter 674 On the Brink of Death

chest, which caused his chest to crack and break. Then, Hu Song completely lost his senses.

“Hurry up. They’re coming!” Tang Lishan rushed over and pulled the bloodshot-eyed Duanmu Xiong.

Panting heavily, Duanmu Xiong stared at Hu Song and turned to leave.

Instead of harming Tang Yin’s relatives this time, they only managed to hurt Hu Song and take Yuan Zhian away.

Unresigned, Duanmu Xiong shot a look at the manor again. He knew that if he were indecisive, he might not be able to leave the place. Then, they clenched Yuan Zhian’s hair and rushed over to their car outside the manor.

## Chapter 674 On the Brink of Death

Upon turning on the car lights, Tang Lishan stepped on the gas and sped off.

Right then, a carcade stormed into the manor.

When Yang Long saw Hu Song lying on the ground, he immediately burst into tears. “Junior master... Junior master! Please wake up! Wake up!”

Hu Song’s body had been deformed, and his breathing was weak. If he couldn’t be rescued in time, he might lose his life at any moment.

“Come here! Somebody!” Yang Long turned around and growled, “Send him to the hospital! Hurry up!”

More than ten people rushed over as

## Chapter 674 On the Brink of Death

they carried Hu Song up and placed him in a car before they headed for the hospital. Then, Yang Long told the others to race after the culprits and called Tang Yin.

Upon receiving the news over the phone, Tang Yin's expression turned gloomy.

Hu Song was severely injured, and Yuan Zhian had gone missing!

*DuanmuXiong!*

Tang Yin clenched his fists. He had never expected that Duanmu Xiong and Tang Lishan would be captured in the surveillance footage of the manor.

At that moment, Tang Yin tried to

## Chapter 674 On the Brink of Death

suppress his fury and stood straight up.

“Young Master Tang?” Ouyang Dan looked at him in shock.

With a glacial expression, Tang Yin shot a look at the sisters across the table and asked gently, “Can you three control the Ouyang Family?”

“We can!” Ouyang Dan hurriedly answered. Although she didn’t even believe what she said, she couldn’t appear to be weak at that point.

“Alright, I’ll tell Pei He to send someone over tomorrow and draft the contract. I won’t take anything from the Ouyang Family. All of the benefits belong to the three of you!” Upon finishing his words, Tang Yin stared at them coldly.

## Chapter 674 On the Brink of Death

“However, you have to follow our command by assisting Pei He to kill Tang Wei...”

“Alright, we understand!” Ouyang Yan nodded.

Tang Yin turned around. “I need to leave here now. You’ll handle the rest!”

“Don’t worry, Young Master Tang...”  
Ouyang Dan quickly nodded.

Without hesitation, Tang Yin packed up his stuff and left Hillington Hotel. Then, he called Shan Xuezhu.

“Investigate Tang Lishan’s every move. I want to find out her exact location in the shortest time!”

## Chapter 674 On the Brink of Death

“Okay!” Shan Xuezhū directly started the investigation.

Upon getting into the car, Tang Yin ordered, “Go to the airport!”

The driver started the engine and headed for the airport.

Seated in the car, Tang Yin closed his eyes and clenched his fists.

*Tang Lishan!*

He had never expected that such a huge event would happen in Los Angeles after only a few days. Meanwhile, the people around him were hurt or involved in accidents one after another.

He could never tolerate it.

## Chapter 674 On the Brink of Death

*Ring, ring, ring...*

After a while, his phone started ringing.

He immediately picked up the phone and heard Shan Xuezhū's voice, reporting, "Tang Lishan's private jet is going back to China!"

"Are you sure?"

"I am!" Shan Xuezhū replied.

Tang Yin hung up the call and told the person beside him, "Make the plane go back to China directly..."

"Are we going back tonight?"

"Yes!" Tang Yin nodded and clenched his fists as he exerted more force on his

## Chapter 674 On the Brink of Death

hands.

Meantime, inside an airport in Los Angeles, Tang Lishan took a look at Duanmu Xiong beside her. It never crossed her mind that he was going to China as well.

“Tang Yin is more powerful in China!”

“More powerful?” Duanmu Xiong grinned viciously. “Could he be more powerful than the Eight Great Families? If that were not the case, then he’s nothing more than an ant... Go to the Snow Mountain of Nine Dragons in China. I want to find out how powerful Tang Yin is in China!”

“Okay, go to the Snow Mountain of Nine Dragons in China,” Tang Lishan said

## Chapter 674 On the Brink of Death

gently and shot a look at Yuan Zhian.

Yuan Zhian had awakened as she stared at the three people before her with a sneer.

“B\*tch!” Tang Lishan was enraged by her smile and directly landed a slap on her face, which caused her face to cock to another side.

Soon, Yuan Zhian’s face became swollen. When she turned her head again, the sneer remained on her face as she stared at Tang Lishan and Tang Ai.

“Do you believe that I’ll kill you right in this airport?” Tang Lishan directly clenched Yuan Zhian’s collars and suddenly thought of something. “I won’t

## Chapter 675 Trying to Flee

“Yes, strip her clothes and shame her in this airport! I also have to post the video online to let the whole world see this b\*tch and remember her face!” Tang Ai beamed with glee when she heard what Tang Lishan had said. Upon casting a vicious glance at Yuan Zhian, she grasped the latter’s clothes.

Yuan Zhian tilted her body in an attempt to dodge Tang Ai’s grab, but her collars were clenched, and two buttons directly broke off.

In that instant, her fair chest was exposed.

“B\*tch, how dare you try to dodge? Who in the world gave you the right to doge?” Tang Ai snarled. Imitating her mother, she directly landed a slap on Yuan

Zhian's face.

*Slap!* Yuan Zhian's other cheek became swollen as well.

"Come here!" With a ferocious expression, Tang Ai grabbed Yuan Zhian's hair and flung her to the ground before she raised her hand and slapped the latter another time. "B\*tch, don't you remember how you treated me before? You made me serve you tea, help you wash your feet, and make up your bed! Who do you think you are? How could you make me do all these? I have to make you pay for it today!"

As she spoke, she pulled Yuan Zhian's hair and clothes and lugged her along the ground before she stripped the latter's shirt.

## Chapter 675 Trying to Flee

Although Yuan Zhian had awakened, she remained weak and couldn't resist the moves of Tang Ai and Tang Lishan. A short while later, she was stripped of all of her clothes and made to kneel.

“Hahaha...” Tang Ai guffawed and stared at Yuan Zhian with a sneer. “How is it? Does it feel shameful? Do you feel despondent? There's more to come. You're like a dog now, so you have to kneel and follow me...”

With that, she raised her hand and landed another forceful slap on Yuan Zhian's face.

*Slap!* Yuan Zhian was slapped to the ground before her hair was pulled up by Tang Ai.

## Chapter 675 Trying to Flee

Everyone was shocked upon seeing that.

“B\*tch, you’re famous now... All the citizens of Los Angeles will remember you. The whole world will remember you...” Tang Ai laughed and fished out her phone before she took a video and sent it to Tang Yin.

Yuan Zhian stared coldly at Tang Ai and kept the sneer on her face. She was hinting at Tang Ai that the latter was a servant before.

“Go to hell!” Tang Ai was enraged upon seeing Yuan Zhian’s sneer and grasped the latter’s hair. “B\*tch, I’ll send you to hell. I’ll kill you now!”

“The plane has arrived. Let’s go on

board first!” Tang Lishan looked at the time and grabbed her daughter’s wrist before reaching for the boarding gate.

“So what if the plane has arrived? I just want to shame her in front of so many people. I want to make life a living hell for her!” Tang Ai growled.

Duanmu Xiong observed everything from the side and shot a look at Yuan Zhian’s body with his lustful gaze before following Tang Lishan. He didn’t have the courage to make a fuss here since they hadn’t returned to China.

Considering Tang Yin’s power in Los Angeles, he wasn’t confident.

As soon as they reached the Mountain of Nine Dragons in China, they would step into the territory of the Duanmu

## Chapter 675 Trying to Flee

### Family.

The Eight Great Hidden Families had always been the almighty presence in the world. Duanmu Xiong had thought that his power would transcend the others when he returned to the outside world. However, he had never expected that he would come across Tang Yin and suffer massive losses.

He could never tolerate it. When he bumped into Tang Lishan at the airport sometime back, he had wanted to return to the Mountain of Nine Dragons to get some help. After he joined forces with Tang Lishan, he managed to make Tang Yin suffer setbacks. However, he didn't dare be careless, for he knew what he had done would certainly attract Tang Yin's revenge. The best solution for him

## Chapter 675 Trying to Flee

now was to go back to the Snow Mountain of Nine Dragons and lure Tang Yin to that place as well.

As soon as he returned to the Snow Mountain of Nine Dragons, he would have all sorts of ways to kill Tang Yin.

The three of them pulled Yuan Zhian and entered their private jet. The pictures of Yuan Zhian being lugged along like a dog spread across the internet and caused a commotion.

Tang Yin clenched his fists upon seeing the pictures on his phone.

*Ring, ring, ring...*

His phone started ringing.

## Chapter 675 Trying to Flee

Upon picking up the call, he heard Wang Jin's voice over the phone, "King... Hu Song is dying!"

"What did you say?" Tang Yin's expression changed.

"Elder Hu is in a critical condition. His bones have pierced through his lungs, and all his organs are badly damaged..."

"Save Elder Hu no matter what!" With reddened eyes, Tang Yin said through gritted teeth, "Get the best doctors over in Los Angeles. Even if I have to spend all my money, I have to save Elder Hu..."

"Yes!" Wang Jin nodded in shame and hung up the call.

Wang Jin happened to be drugged by

## Chapter 675 Trying to Flee

Tang Ai and couldn't wake up. He remained unconscious even when Ohashi Miki had awakened. It wasn't because Ohashi Miki was powerful, but she hadn't consumed a lot of water that day.

If Yang Long and the others never came in time, Wang Jin would have been asleep up until now.

Tang Yin closed his eyes and pinched his forehead while rushing to the airport.

“Go to Los Angeles first!” Infuriated, Tang Yin took a deep breath and knocked on the seat handle. Yuan Zhian was in danger, but Hu Song was in a more critical condition. Although Tang Yin wasn't skilled in medicine, he had

## Chapter 675 Trying to Flee

abundant inner energy and might be able to save Hu Song.

Upon reaching the airport, Tang Yin moved past the boarding gate and entered the plane before it soared into the night sky.

*Ring, ring, ring...*

Shan Xuezhū called again and reported, “Tang Lishan’s plane has departed. Its destination is the Snow Mountain of Nine Dragons in China...”

“Call my dad and tell him to intercept the plane...” Tang Yin ordered coldly.

“Okay,” Shan Xuezhū replied gently.

Upon hanging up the call, Tang Yin

## Chapter 675 Trying to Flee

closed his eyes to take a rest. Meanwhile, the plane that had just departed from Los Angeles Airport became the Tang Family's target.

Right after the plane soared into the sky, a flight attendant walked over and whispered in Tang Lishan's ear, "We just received an order from the control tower demanding that we should head back now. Otherwise, we'll have to bear the consequences!"

"The consequences?" Tang Lishan snarled, "Who has the guts to make me head back?"

"We haven't figured it out yet, but it's apparently a threat!"

"A threat? Who dares threaten me?"

## Chapter 675 Trying to Flee

Enraged, Tang Lishan stood straight up and growled, “Don’t you dare head back! Keep going! I want to know who could threaten me here. Keep going...”

Duanmu Xiong tensed up upon hearing that. He had a premonition that if they returned to the airport now, he would never leave the place again.

“If we don’t go back now, we might be intercepted...”

## Chapter 676 The Current Situation

“We’ll be intercepted?” Tang Lishan was startled for a moment and snarled, “Who dares intercept me? I’m from the Tang Family. Who has the courage to stop me?”

As soon as she finished her words, she flushed and couldn’t say a word. Who was intercepting her plane? She indeed came from the Tang Family, but what if it were the Tang Family members who were stopping her?

“It must be Tang Yin...” Tang Ai shuddered and shot a look at Yuan Zhian. “With this b\*tch with us, Tang Yin would never let us go. Why don’t we kill her now?”

Tang Lishan’s gaze fell upon Yuan Zhian as she turned around and slapped the

latter.

Yuan Zhian was slapped to the ground, which caused blood to stream down from the corner of her mouth.

She was severely injured when she and Tang Yin bumped into the leader of Tiandihui at the hospital some time back. If it weren't for the fact that she had recuperated well recently, she wouldn't have been able to withstand this kind of torture.

“B\*tch, if I die, I won't let you live!”  
Gritting her teeth, Tang Lishan grasped Yuan Zhian's hair and hurled her to the seat before kicking her face.

Standing on the side, Duanmu Xiong wanted to make a move.

## Chapter 676 The Current Situation

Yuan Zhian suddenly burst into laughter before she said mockingly and disdainfully, “You’re afraid! You’re in fear!”

“Go to hell!” With a ferocious expression, Tang Lishan landed a kick on Yuan Zhian’s face. She was resentful of the woman before her eyes and wanted to kill her. However, this woman was her safety charm at the moment, so it wasn’t the right time to kill her. Otherwise, she would listen to Tang Ai and end that woman’s life right away.

“Slap her!” Tang Ai charged forward and slapped Yuan Zhian’s face repeatedly.

The more forcefully they slapped, the harder Yuan Zhian laughed until she shuddered and almost couldn’t breathe.

## Chapter 676 The Current Situation

Duanmu Xiong was annoyed by the laughter, so he kicked Yuan Zhian away. Upon landing on the seat, Yuan Zhian took a long time to stabilize her breath.

“Leave here right away to the Snow Mountain of Nine Dragons...” Duanmu Xiong gritted his teeth and stared fiercely at Tang Lishan.

“Go to the Snow Mountain of Nine Dragons now!”

Upon hearing that, the flight attendant nodded and walked into the cabin.

At that time, Tang Yin was on his way while calling Miao Bai and Tang Lijiang.

Upon hanging up the call, Tang Lijiang took a look at Hades and said after

smoking the cigar, “When a plane leaves the territory of America, there might be a lot of accidents, right? For example... an arms dealer might shoot down a plane with a missile.”

“Of course I can!” Without the courage to refute, Hades put on a fawning smile.

“Unfortunately, a woman named Yuan Zhian on the plane must not die. Do you understand what I mean?” Tang Lijiang put on a grin that was as ferocious as a beast.

Hades was stunned for a moment. If the plane were shot down, all the people in the plane would lose their lives. There wouldn't be any survivors.

“Why don't we try to force them to

land?” Hades asked with a hollow laugh.

Tang Lijiang nodded. “Do it as you have suggested!”

“Alright!” Hades smiled and turned to leave.

Tang Lijiang picked up the document on the desk and scowled. The content of the document was horrifying to him.

The Ouyang Family of sixty-two all died in an accident.

This was made known to the outsiders. However, Tang Lijiang knew that it was Tang Yin’s doing. He understood the causality of the matter. Although he felt that his son had successfully taken revenge, he also felt a little unease in

his heart.

Although the Four Great Families were not the top families in the world, they were in control of the regional economies in the world. The downfall of the Ouyang Family caused the other three families to feel anxious.

The Meng Family stay put upon learning the news. Meanwhile, the Shen Family in Europe directly hired two groups of mercenaries from Africa after they got the news.

The Shen Family was in support of Tang Wei, therefore it was understandable why there would be a change in the family after the demise of the Ouyang Family.

## Chapter 676 The Current Situation

With a lamentable expression, Tang Lijiang rubbed his forehead as he picked up Miao Bai's call and questioned gently, "What are the other moves from the Shen Family?"

"From what I've gathered, the Shen Family has held two family meetings. Some of them have suggested joining forces with Tang Wei. They want to nip Young Master in the bud when he hasn't established himself! Some of them are frightened by Young Master, so they are ready to transfer their business partnerships with the Ouyang Family. They don't want to have anything to do with Tang Wei anymore!" Miao Bai explained.

Tang Lijiang felt a headache because this matter was difficult to deal with,

even for himself.

“Where’s Jiang Hui now?”

“Madam... has been attending balls for the past few days. She just declared in a ball for socialites that Young Master has come of age and doesn’t need her help anymore...” Miao Bai replied in embarrassment.

“Tell her to go to Europe now and stop the Shen Family’s moves. I’ll handle the rest!” Tang Lijiang announced his plan.

“Okay, no problem!” Miao Bai gave it a thought and inquired gently, “Patriarch, have you noticed that apart from the Ouyang Family members, some dark guards of the Tang Family are dead as well?”

## Chapter 676 The Current Situation

“Pfft! I don’t care whether those dark guards are dead or alive!” Tang Lijiang hung up the call upon finishing his words. He was worried about the impact this matter would have on the current situation.

Meantime, Tang Yin, who was the heart of the matter, had just come out of the plane and entered the car before heading to the hospital.

Wang Jin and the others were keeping guard outside the hospital. When he saw the carcade approaching, he immediately hung his head low in shame and looked uneasy.

After getting out of the car, Tang Yin headed straight to the intensive care unit.

## Chapter 676 The Current Situation

Upon reaching the place, he saw Ji Youyou and the others hanging their heads low in self-blame. They seemed to have the intention of apologizing to Tang Yin, but they didn't know what to say.

“He's still being saved!” Ji Youyou whispered.

Tang Yin nodded and walked into the operation room. After he was sanitized and put on the medical garment, he slowly pushed the door open and went in.

Hu Song was placed on life support as he could be seen breathing weakly. The beeping sound was heard on the machine beside him.

## Chapter 676 The Current Situation

Tang Yin was infuriated upon seeing that. When the medical staff saw Tang Yin, they were shocked. However, upon seeing the clothes he was wearing, they didn't try to stop him.

*Beep, beep, beep...*

Just then, an elongated sound was heard from the machine.

“Save him!”

The medical staff hurriedly came together and picked up the device before pressing it against Hu Song.

Tang Yin felt sore in his heart upon seeing that. *He had suffered immensely for me.*

*Beep, beep, beep...*

The electrocardiogram on the machine turned from waves into a long line, which seemed to suggest that Hu Song had departed from the world.

When the doctors saw that, they raised their heads in a daze and didn't know what to say.

It seemed that no one could save Hu Song anymore.

“Don't give up!” Tang Yin moved forward and clenched Hu Song's wrist before directing all his inner energy into the latter's body.

“Sir, please respect the deceased's body...”

“Yes, we've done our best. It's a shame that we couldn't save his life...”

“Silver needles... Pass me the silver needles!” Tang Yin growled. He could feel that the meridians in Hu Song's

body had completely split off, which caused him to tremble as he held the latter's wrist.

As he directed all his inner energy into Hu Song's body, a continuous popping sound could be heard in the room.

"Sir..."

Tang Yin controlled his inner energy and hurriedly poked repeatedly on Hu Song's deformed body. Right then, the machine around him started beeping again.

"My God..."

"Hurry up..."

The medical staff quickly came forward. Seeing Tang Yin's move, they

were lost for words.

“Go on with your operation. I’ll try to stabilize his heartbeat with my inner energy...” Tang Yin said solemnly. The only thing he could do was to save Hu Song’s heartbeat and try to keep him alive. If the operation turned out to be successful during this period of time, Hu Song might stand a chance to awaken.

“Okay, we’ll do it now...”

The doctors nodded as they had just witnessed a medical miracle. Then, they quickly cut Hu Song’s wounds open and corrected his broken bones before stitching the wounds up.

The process was very slow. Any

changes would make their effort go down the drain.

Ji Youyou appeared in the doorway with the silver needles, but she didn't move forward.

Tang Yin took over the silver needles with one hand and hurriedly jabbed some needles into the acupoints that could stop the patient from bleeding. He was trying to assist the medical staff so that they could carry out the operation without worries.

The operation lasted for four hours.

Sweat dripped from Tang Yin's forehead incessantly. The nurse helped him wipe off the sweat as well.

## Chapter 677 Saving Lives

After the operation was over, Tang Yin was drained of all his energy. When he saw the stable signal on the machine, he heaved a sigh of relief. Looking at Hu Song, he could finally put on a smile.

Even if he had to use up all his energy, he didn't want Hu Song to depart from the world. Fortunately, he managed to save the latter from hell.

After he walked out of the operation room, Yang Long came forward and looked anxiously at him. "Young Master Tang, my junior master..."

"He's alright for the time being!" Tang Yin took a deep breath and gave him a consoling look before shifting his attention to Ji Youyou and the others. "I'll tell Meng Wan to come over and

fetch you. Go to her place for now! About your studies... You can take some time and go back to take the exam..."

"Am I going as well?" Cen Xia questioned.

Tang Yin nodded and turned to Wang Jin. "Only Pei He, Tao Qingfan, and you are left here! I don't care how you'll do it. Just assist Pei He and settle the matter in America!"

"Yes!" Wang Jin answered with a bow.

"When I return, I want all the members of the Kingdom of Darkness to gather..." Upon finishing his words, Tang Yin turned around and left the hospital. He still had to fly to China and look for Yuan Zhian. He had wanted to hold a

meeting for the Kingdom of Darkness early on, but the plan was delayed by matters in America. Otherwise, he should have shaken up the Kingdom of Darkness when Rogers betrayed him.

After he left the hospital, he headed straight to the airport.

He wouldn't want to waste even a minute at this point.

Meanwhile, inside the plane that was flying above the ocean, Tang Lishan looked at the information she had received and landed a forceful slap on the desk before snarling, "How dare they try to intercept me with military jets? Who allowed them to do that?"

Tang Ai's face was transformed by

hatred. Upon shooting a look at Yuan Zhian on the ground, she raised her foot and kicked the latter ruthlessly. “Mom, just don’t let our plane land on the ground. I don’t think they have the courage to shoot us down.”

Duanmu Xiong’s expression changed as he raised his head and looked at the crazy mother and daughter with regret. If he knew this would happen, he wouldn’t have gone onboard the same plane with them.

Right after the plane left Los Angeles Airport, the control tower demanded them to head back. Upon leaving America’s territory, military jets appeared and tried to force them to land.

## Chapter 677 Saving Lives

Duanmu Xiong wasn't a timid man. Instead, he was very bold. He just didn't want to be shot down and die for no reason. After returning to the outside world, he hadn't gotten what he wanted. He couldn't accept it if he were shot down at this point.

Right then, they could see through the windows that two military jets were pressing close to them.

Tang Lishan shot a look at the military jets and grabbed Yuan Zhian's hair. Then, she pressed the latter's face against the window and hit her forcefully against the glass.

"Come on, shoot me down. This b\*tch will lose her life as well..."

Tang Lishan laughed madly and turned to Tang Ai before snarling, “Call Tang Yin. I want to hear his voice!”

Tang Ai hurriedly fished out her phone and dialed Tang Yin’s number.

The call was connected, but Tang Yin remained silent.

“Tang Yin, I know you can hear my voice...” Tang Lishan took over the phone and growled, “You want to kill me, right? You want me dead in this ocean? Come on... Kill me right away! If you do that, your lover won’t survive as well! Can you hear her voice?”

With that, she grasped Yuan Zhian’s hair and hit her against the window repeatedly until the latter couldn’t help

moaning lightly.

“Hahaha...” Tang Lishan laughed crazily as she grabbed Yuan Zhian’s hair and hit her against the window harder. She almost peeled off the latter’s scalp. “Tell the military jets to shoot me down! Tell them to shoot me down!”

Hearing Tang Lishan’s hysterical voice, Tang Yin remained silent.

“Tang Yin!” Tang Lishan’s voice turned resentful as she said through gritted teeth, “I know what you want, and I know what your plan is... Let me tell you... Dream on! Once I lose my life here, your grandpa will start a war with you immediately!”

“I don’t mind starting a war with him!”

Tang Yin declared coldly.

“You don’t mind it? Then shoot me down...” Tang Lishan grinned and snarled, “If you don’t shoot me down now, I’ll shame your lover right in this plane... I will never forget what she had done to me. I’ll make her have a taste of her own medicine right away!”
