“What are the effects of this powder?”  
Tang Lishan asked softly.

“Don’t ask questions that you shouldn’t be asking!” Duanmu Xiong glared at Tang Lishan viciously, giving her a cold smile.

Duanmuxiong’s gaze made her tremble without a reason. She could feel that Duanmu Xiong was really powerful. His imposing manner alone was much more daunting than ordinary people.

*Tang Yin’s skills were indeed good, but if he were to be compared with DuanmuXiong, I don’t think he would be strong enough to defeat DuanmuXiong?*

At this moment, Tang Ai was walking out of the manor. She looked at the

intersection in front of her from a distance and quickly walked over with her head lowered. On the brick at the intersection, she found a stone, and there was a square-shaped box under the stone.

Tang Ai was thrilled. Taking that square-shaped box into her arms, she stood up and looked around before she quickly left with her head lowered.

At this moment, Tang Ai felt a buzz from her phone.

Tang Ai hurriedly took out her phone and glanced over the screen. It was a text from Tang Lishan.

Tang Ai immediately deleted the text, hesitated for a moment, and walked

toward the manor. After a while, a car drove over from behind, and a bag was thrown out of the car window.

After the bag was thrown out, the car sped off.

Tang Ai hurriedly picked up the bag and rushed into the manor.

It was only a short moment, but Tang Ai felt her heart thumping so hard, as if it was going to jump out of her throat.

As Tang Ai headed into the villa, she saw Yuan Zhian lying outside the villa basking in the sun. Tang Ai instantly lowered her head, like a frightened quail, as she walked further.

“Stop right there!” Yuan Zhian lay on the

chair, acting very casually.

Tang Ai was shocked and immediately stopped her footsteps. With her head lowered, she averted the gaze of Yuan Zhian.

“Come and give me a foot massage!” Yuan Zhian ordered.

Tang Ai gritted her teeth, and her anger in her heart suddenly rose. However, the moment she remembered that she was still in Tang Yin’s manor, she suddenly lost her confidence.

Tang Ai lowered her head and walked toward Yuan Zhian. Kneeling on the ground slowly, she grabbed Yuan Zhian’s sexy tiny feet and started to give a soft massage.

Yuan Zhian enjoyed the force that Tang Ai was using. Yuan Zhian narrowed her eyes as she checked out Tang Ai repeatedly. “Are you upset that I’m asking you, the Young Lady of the Tang Family to massage my feet?”

“N-No, I’m not!” Tang Ai answered hurriedly.

Yuan Zhian smiled and gave her body a stretch, with the exquisite curves on the outline of her body making one’s blood boil. “Everything will be fine once you get used to it!”

Tang Ai buried her head low, not saying a word.

Yuan Zhian’s lips curled upwards, as she continued mocking Tang Ai.

Mockery?

Yuan Zhian has never lost to anyone in this aspect before.

Half an hour later, Tang Ai's fingers were already sore. After escaping from Yuan Zhian's evil hands, she ran straight into the villa. As soon as she entered the villa, Tang Ai's face was gloomy. She held the things in her hands and headed straight to her room.

Her room was a room for the nanny, located under the stairs on the second and third floor.

Since the day Tang Ai moved in, she had checked this place in detail. Knowing that there was no pinhole camera or any tapping device, she finally took out the

things from her arms.

After she opened the box, the pills in the box were revealed.

Tang Ai picked up the pill excitedly. Swallowing it in one mouthful, she waited patiently for the change to happen in her body. According to Tang Lishan, after Tang Ai took this pill, her body would sweat immensely, and she would feel that her body was being cleansed.

Tang Ai waited for a long time, and she really felt a layer of fine sweat beaded on her body. The sweat penetrated her clothes, making her body feel drenched.

After a while, Tang Ai felt her body tremble, and she could clearly feel as if

all aspects of her body functions had improved. Even her fingers were no longer feeling sore.

*It worked!*

*It really worked!*

Tang Ai was overjoyed, and her expression turned ferocious. She must take revenge for all the sufferings and hardships that she had been through during her time here.

After Tang Ai made up her mind, she took out the things from the bag, hid it in the palm of her hand, and quietly walked out of the room.

There weren't many of them in the manor, and most of them were resting.

Tang Ai couldn't wait to laugh out loud. She hurriedly went to the side of the drinking fountain, opened the lid, and gently poured some of the powder into the water.

There were four drinking fountains all over the manor in total, all of which were patronized by Tang Ai.

A moment later, Tao Qingfan's annoying voice was heard from outside the manor.

As soon as Tao Qingfan entered the manor, he rushed toward the drinking fountain, filled a cup of cooling water and drank it all at once.

Tang Ai watched the scene happen from the side, with her features all

scrunched together.

“I’m so exhausted!” Tao Qingfan hopped toward the couch, flung his shoes away, and lay on the couch.

Ohashi Miki and Ohashi Iori walked through the entrance. They gave each other a glance and headed back into their own rooms.

“Tang Yin that b\*stard... How could he give me such a tough job. If it wasn’t for my experience in the Qingfan Association, I probably wouldn’t have solved it by now...” Tao Qingfan wiped the sweat from his forehead and stroked his short hair.

Tao Qingfan’s head that had been shaved bald by Tang Yin had already

grown back by now. Although it was still short, it gave him a witty look.

Ji Youyou held Cen Xia's hand and dragged her downstairs. When they saw Tao Qingfan's actions, they smirked.

"Youyou, you have to help me!" Tao Qingfan almost cried out loud.

"You're so useless, why would she need to help you?" Cen Xia had an ice cream in her hand.

"Let me have a bite!" Tao Qingfan stared at the ice cream in Cen Xia's hand. He pounced over like a hungry tiger, and took a bite after snatching it from Cen Xia.

"How could you do that!" Cen Xia

stomped her feet angrily.

Tao Qingfan threw the ice cream back at Cen Xia. She then shouted at Ji Youyou in exaggeration, “Youyou, you don’t know how many documents that the company has! Ji Yueshan hasn’t recovered up till now, and I can’t stand it anymore!”

“Thank you for your hard work!” Ji Youyou smiled and gave him a pat on his head. “Let me get you some water...”

“Oh, it’s nothing at all!” Tao Qingfan chuckled.

Tang Ai stared at their movements from a distance. She was extremely happy when she saw Ji Youyou really getting the water for Tao Qingfan.

*Go on, drink it!*

*You all shall die!*

Everyone in the manor mostly drank water from the drinking fountain throughout the day. Only Tang Ai had been hiding in her room, drinking the mineral water she bought.

...

At night, a private jet slowly landed at the airport in New York City.

The hatch opened, and several young men with cold faces got off the plane.

The man in lead was Hei Shou, the dark guard of the Tang Family.
