

Chapter 713 Confrontation

Tang Yin looked at Tang Yuanbo indifferently.

“This is Tang Island! Do you have any manners? How could you kill people brutally like this? Is this how you treat your guests?” Tang Yuanbo pointed to Tang Yin. He then continued angrily, “You should have respected the rules here! Do you want to force me to carry out the family punishment?”

Tang Yin raised his head before questioning, “Do I have to endure it even when someone was trying to kill me?”

“Who will harm you? This is Tang Island! Do you think someone will harm you here?” Tang Yuanbo raged.

Tang Yin threw the body in his hands to

the ground before he gave his grandfather a meaningful look.

“Grandpa, didn’t you see that my driver was assassinated? My man was killed!”

“Assassinated? Don’t be ridiculous, Tang Yin! Stop it with your nonsense!” Tang Yuanbo’s face turned really dark. Gritting his teeth, he accused, “I only saw you killing people on Tang Island! I didn’t see anyone trying to assassinate you!”

“Well, let’s say there’s no assassination. However, was it polite for Tang Ke to beat up Ouyang Yan?” He squinted his eyes.

Tang Yuanbo was taken aback by Tang Yin’s question. Yet, he replied coldly, “That’s because Ouyang Yan didn’t know

how to behave well—she let his driver block Tang Ke's car. It's a different situation from yours!”

“Great... Hahaha!” Tang Yin burst out laughing.

“I don't want to argue with you now, but I hope that you won't try to touch my men. Otherwise, I don't mind making your life more difficult as it is now!” Tang Yin replied coldly.

After that, he dropped the dead body and walked away with Yuan Zhian.

“Bas*ard... Who allowed you to talk to me like that? You're just digging your own grave!” Tang Yuanbo's face turned ashen and ferocious. Looking at Tang Yin's back, he roared, “You want to take

over the Tang Family? Don't you even think about it!"

With that, Tang Yuanbo threw away his crutch and walked back to the room. His body was shivering because he was greatly offended by Tang Yin just now.

Walking all the way back to his bedroom, he opened the door to his room. *Thump!* He fell on his knees with his back leaning against the wall.

"Master! I've fought against Tang Yin just now. Master, you are the only one who could kill that bas*ard!"

"Are you asking me to kill him now?" Lin Cangqiu asked with disdain. From his point of view, killing Tang Yin was as simple as killing a chicken.

Chapter 713 Confrontation

At this time, Tang Yuanbo was finally himself again. Kowtowing his head to the ground, he pleaded, "Please wait for a little longer, Master! Tang Yin has arrived, but neither my sinful second son nor Jiang Hui has arrived yet! I implore your greatness to kill them after they've all arrived!"

"Alright! You may excuse yourself!" Lin Cangqiu ordered impatiently.

Tang Yuanbo nodded his head, stood up respectfully, and then turned out of the room.

He had no idea that Jiang Hui and Miao Bai had fallen into the hands of the Eight Great Families. Tang Yin didn't know that either. Both sides were waiting for the arrival of Jiang Hui, Miao

Bai, and Tang Lijiang.

Tang Yin had warned Tang Yuanbo not to touch his men in front of the estate entrance. In reality, he was hinting for Tang Yuanbo to not hurt Jiang Hui and Miao Bai. However, he didn't know that things were not as simple as he imagined.

After returning to the villa, seeing that Ouyang Yan had already treated the wound, Tang Yin could only comfort her with words.

I won't let this matter slip this easily!

Meng Sizhi and Wang Yiling had a long conversation with Tang Yin as they came to visit him. During this period, Yuan Zhian was making calculations

about the amount of support they had obtained.

“For now, it looks that we have the upper hand in votes that we could obtain from the overground network. However, since Mr. Miao has not appeared yet, I didn’t include his five votes! Anyhow, we don’t have the corresponding data for the support we could get from the underground network. So, it's impossible to know the exact number of votes we could get,” Yuan Zhian softly reported while standing respectfully at the side.

Tang Yin nodded his head without saying anything. His eyes were focused on Tang Island that was located at a distance.

Chapter 713 Confrontation

They could only analyze the data for the underground network after Tang Lijiang had arrived. When Tang Lijiang and Tang Yuanbo were confronting each other, they both took a step back. Tang Yuanbo's concession was on the underground network.

The exact number of votes that they could get from the underground network was still unclear to Tang Yin.

“Perhaps... Pei He and the rest might be the key,” Yuan Zhian suggested softly.

Tang Yin nodded while thinking to himself, *At this time, Tang Wei should have been on her way. Therefore, I think Pei He should have started with the plan.*

Tang Wei was indeed on her way.

Chapter 713 Confrontation

Furthermore, she was already at Tang Island's airport.

After talking to Tang Ke on the phone, Tang Wei had learned what happened on Tang Island. Her face was extremely gloomy.

Tang Wei got into the car when the old housekeeper opened the door for her. She then dialed Guan Shanyue's number. "Master, where are you now? I need to send someone to welcome you from the airport. So, please let me know if you've reached Tang Island."

"I'll let you know when I'm there. Just be ready!" With that, Guan Shanyue hung up the phone. Looking at Ding Xuan, who was kneeling in front of him, she touched his head. "Remember, you and

Tang Yin are both sons of b*tches...”

“Tang Yin and I are both sons of b*tches...” Ding Xuan said while gritting his teeth with his eyes filled with pain.

Guan Shanyue laughed with ridicule and irony in her eyes.

This scene may only be seen by people from the Eight Great Families. However, at the same time, a scene in Los Angeles was attracting the attention of the whole world.

After Pei He hung up Ouyang Dan’s phone call, he whispered while pinching his forehead, “Start it.”

“OK!” Pei Ruo nodded, then left the room.

Chapter 713 Confrontation

Half an hour later, a scandal about the factory of the Mojade Company had quickly taken all the headlines of the major media.

The scandal was about the union president of the Mojade Company, Modric. The main highlight of this scandal was about some workers falling into a coma when they were at work. Yet, they were all then driven out from the company by Modric.

Some workers felt that this matter was unreasonable, so they went on a strike to protest.

At the beginning of the strike protest, Modric did not pay attention to this matter. However, when more and more people left the Mojade Company, he

started to panic.

When the news was being reported, another new scandal quickly occupied the headlines of the major media.

This time, it was about Tao Qingfan.

Tao Qingfan was actually panicking as she was sitting at the press conference. “I would like to make an announcement in front of everyone here. There may be something wrong with Mojade Company’s products!”
