

Chapter 703 Coincidental Meeting

Tang Yin wasn't the only one to receive the news that the Tang Family Annual Meeting would be brought forward earlier; Tang Wei, too, received the news.

Ten days!

However, ten days didn't seem to be too much of a problem for Tang Wei.

"If we only have ten days to prepare, we might not be able to decide who will be able to win between you and Tang Yin," Anderson spoke softly as he analyzed the situation.

Tang Wei nodded. Their situation in America right now was like an arrow fitted to the bowstring that couldn't avoid being discharged. The person

Chapter 703 Coincidental Meeting

who would be able to come out winning from their fight was still unknown. However, Tang Wei knew this—since Tang Yuanbo decided to hold the annual meeting earlier, this meant that his tolerance toward the Tang Family's Second Family had finally reached its limit.

The action of holding the annual meeting earlier itself was probably a warning toward the Tang Family's Second Family! Moreover, could the Tang Family's Second Family really have more votes than her?

“I want you to start pumping assets from all five companies and do your best to settle Tang Yin's influence in America within ten days!” Tang Wei finally made her decision and clenched

Chapter 703 Coincidental Meeting

her fists as she harrumphed and announced.

“Ten days? That’s impossible!”
Anderson shook his head.

“Just do your best! Since my grandfather gave us ten days, he will surely provide us with support!” Tang Wei motioned with her hands. “Just do your job and don’t worry about other stuff!”

“Those companies that previously collaborated with us had all terminated their contracts with us, causing a problem in our retails. I’m afraid that it might affect our market shares!”
Anderson voiced out his worries.

“We can always resign a terminated

Chapter 703 Coincidental Meeting

contract! Talk to their person in charge and offer to give them double of the profit when you guys discuss profit distribution! I'm sure that they will be tempted!" Tang Wei snorted.

"Double in profit?" Anderson was shocked.

"That's right! Double in profit! Don't try to change my mind. Just follow and do what I tell you to do!" Tang Wei waved him off coldly.

"Alright, then!" Anderson nodded and left.

Tang Wei's smile grew sinister after her eyes left Anderson's retreating figure. She was very confident and didn't think that there would be any problems if she

Chapter 703 Coincidental Meeting

were to give away more profits. The key to their solution right now was retailing as well as the future of these few companies.

Once they get on the right track, it would surely affect the market shares of the investing field. As long as they released good press about themselves then, their market shares would surely experience a growth spurt.

By that time, Tang Wei was confident that combining these five companies to form one big company would be enough to defeat Tang Yin.

After thinking everything through, Tang Wei fished her phone out and contacted a hidden number.

Chapter 703 Coincidental Meeting

A moment later, a deep and sexy voice rang out.

“What’s wrong?”

“Master, I hope that you can follow me to the Tang Family’s Annual Meeting ten days later...” Tang Wei’s voice sounded extremely respectful.

“In what way does that benefit me?”

“As long as you help me to settle my problem in the Tang Family, I’ll be able to concentrate fully to search for that man named Lin Cangqiu!” Tang Wei promised respectfully, “By then, I’ll be able to fish him out within a month no matter where he tried to hide!”

“Alright. Ten days later, then! However,

Chapter 703 Coincidental Meeting

I'm busy recently, so you better not contact me!"

"Of course!" Tang Wei promised dutifully and hung up.

On the other side of the call, Guan Shanyue kept her phone as she shut her mesmerizing eyes slowly.

If one looked at this woman carefully, one'd realized that she didn't look pretty at all. Not to mention those on Ji Youyou's level, she'd look plain next to girls like Lin Chuchu. However, the moment one looked at this woman, one'd realized that she was very captivating. Her captivating energy was so irresistible that she would be ingrained in one's mind in no time.

Chapter 703 Coincidental Meeting

A moment later, Guan Shanyue stood up. Her body's curve was outlined to perfection by that cheongsam that she was wearing.

Guan Shanyue got out of her room and headed downstairs before she rushed toward Shanghai Airport.

An hour later, Guan Shanyue got out of the car and sashayed into the departure lounge. On her way there, she had immediately become the center of the attraction no matter where she went.

Every men's gaze slowly turned lustful as they stared at her, while every woman's gaze turned submissive and envious instinctively when they saw her.

Guan Shanyue smiled seductively. When

she reached the security checkpoint, she smiled gently at the security officer. “I want to get inside. I’m sure that you’ll let me in, right?”

The security officer was confused. However, his eyes went blank for a moment after he looked up as he nodded. “You can enter...”

“That’s great. Thank you!” Guan Shanyue smiled softly.

The security officer immediately felt euphoric as if he had been taking stimulants. Being able to help Guan Shanyue seemed like his greatest accomplishment.

Guan Shanyue spotted around eight people sitting in the departure lounge

from afar as she headed over there.

The man that was leading these people had grayish hair and looked like he was in his forties or fifties, while the other seven people were young men and women. All of these young men and women looked attractive, especially one of the women. She had managed to capture everyone's attention.

This woman looked like a traditional beauty. She was like a flourishing bright pearl, causing others to melt the moment they saw her! Her beauty couldn't be compared to Guan Shanyue's seductive beauty. Instead, it was a natural kind of beauty.

Guan Shanyue couldn't help but feel slightly envious when she saw Zhuge

Chapter 703 Coincidental Meeting

Pei. If she had Zhuge Pei's beauty, she would have been able to reach a higher Fundamental Level with her 'Soul Lifting Technique'.

"Guan Shanyue, what took you so long?" The Zhuge Family's Elder, Zhuge Liu, raised his eyebrows and stared at Guan Shanyue.

Guan Shanyue smiled apologetically. "Uncle Zhuge, I was late because I had to settle some minor issues just now!"

"Well, since you're already here, let's board the plane now!" Zhuge Liu seemed to feel better after hearing Guan Shanyue's soothing voice and motioned toward everyone behind him. "Follow up, everyone. Do not fall behind! We are heading down from the

Chapter 703 Coincidental Meeting

mountains this time to start a war with the Tang Family! I want all of you to try your best to finish this so that we could return to the mountains as soon as possible!”

“Yes!”

Everyone nodded and started to follow suit. However, there were a few young men among them who stared closely at Guan Shanyue’s every movement before muttering insults like ‘tramp’.

The Guan Family’s ‘Soul Lifting Technique’ was terrifying. Although these were all people from the Eight Great Families, they still had to be cautious.

Then, everyone started boarding the

plane. At the same time, two people walked over from afar and lined up behind the crowd coincidentally.

Ding Xuan was holding Fu Ying's hand as he whispered, "The reason why I'm going over this time is to bring you there to have fun! Moreover, Tang Yin also told me yesterday that my body's problem could be solved after going over to Los Angeles!"

Chapter 704 Soul Lifting Technique's Horror

Everyone from the Eight Great Families narrowed their eyes, for they had all heard the mention of Tang Yin's name.

Guan Shanyue turned around and gave Ding Xuan a seductive smile. "Hello, stranger. Did you just mention a person named Tang Yin?"

Ding Xuan was stunned, whereupon he felt as if he was in a valley full of blooming flowers the moment Guan Shanyue turned around. The exotic beauty smiled softly at him, flirtiness evident in her eyes.

Every man in this world would have been palpitating due to her actions, not to mention Ding Xuan.

"I..." Ding Xuan mumbled because he

Chapter 704 Soul Lifting Technique's Horror

couldn't help but feel embarrassed.

"We did mention Tang Yin!" Fu Ying pulled Ding Xuan before moving to stand in front of him. "Do you guys know Tang Yin as well?"

"Of course we do!" Guan Shanyue's smile brightened as her gaze turned calm and gentle. "I'm acquaintances with Tang Yin. Don't mind me asking, but what's your relationship with him?"

At that moment, Fu Ying grew a sense of liking toward Guan Shanyue as she grinned anxiously. "We are his friends!"

"Friends..." Guan Shanyue mumbled to herself.

"Let's get on board!" Zhuge Liu

Chapter 704 Soul Lifting Technique's Horror

narrowed his eyes before heading toward the plane.

Guan Shanyue nodded and started moving as well.

Fu Ying seemed to have come back to her senses and was feeling confused about zoning out just now.

“Yeah, let’s get on board!” Ding Xuan was slightly confused as well.

“Sure!” Fu Ying nodded. She didn’t say anything as she boarded the plane along with Ding Xuan.

The two of them had been staying in Shanghai during this time period and had been dominating the markets. Ding Xuan had taken advantage of the

Chapter 704 Soul Lifting Technique's Horror

results from Tang Yin manipulating the market and had profited a lot from it.

Ding Xuan was just like a man that turned into a fatty immediately after eating a lot, making others fear him.

The plane departed after everyone boarded.

The people from the Eight Great Families chuckled coldly as they squinted their eyes. The reason why all of them came down from the mountain was because of Tang Yin. However, none of them expected that they'd run into someone related to Tang Yin right after they came down.

"I've met Tang Yin for a long time now..."
After noticing that Ding Xuan and Fu

Ying were seated, Guan Shanyue smiled before she spoke sultrily, "Every time Tang Yin sees me, he'd kneel down to kiss my toes..."

"Really..." Ding Xuan's eyes started becoming blank. However, there was a hint of struggle at the corners of his eyes.

Fu Ying tensed up as her eyes started turning blank as well.

"Of course!" Guan Shanyue chuckled softly before she continued, "To me, Tang Yin is a dog that I can command to come and go anytime. He'd kneel down every time I see him... Speaking of that, shouldn't you two kneel down to greet me as well?"

Chapter 704 Soul Lifting Technique's Horror

"We..." Ding Xuan looked impassive.

However, Fu Ying slowly got up. There was a slight change in her gaze.

"Kneel down and kiss my toe," Guan Shanyue instructed gently.

Ding Xuan immediately kneeled down on the ground with a loud thump at that.

Everyone from the Eight Great Families burst into laughter as they stared at Ding Xuan and Fu Ying as if they were circus animals.

"Say that Tang Yin is a b*stard!" someone yelled amongst the crowd.

Ding Xuan tensed up at that. It seemed like he was about to regain his senses.

Chapter 704 Soul Lifting Technique's Horror

However, Guan Shanyue immediately smiled and said, "Say that Tang Yin is a b*stard..."

"Tang Yin... is a b*stard!" Ding Xuan gritted his teeth. His nerves were tense, and he looked like he was about to faint.

"Haha!" Among the crowd, Qi Tianwei roared in laughter before he pointed at Ding Xuan and commanded, "Say that you're a b*stard!"

"I'm a b*stard!" Ding Xuan exclaimed.

Everyone from the Eight Great Families burst into laughter again.

"Get that girl over to serve me!" Qi Tianwei grinned lustfully as he reached

Chapter 704 Soul Lifting Technique's Horror

out to grab Fu Ying.

Anger shone past Ding Xuan's eyes while Fu Ying looked terrified. However, none of them were able to do anything as both of their minds were under Guan Shanyue's control.

"Dear passengers, please fasten your seat belts..."

Guan Shanyue looked up and gave Qi Tianwei a meaningful look before smirking coldly. Qi Tianwei looked slightly embarrassed when he saw the look Guan Shanyue gave him and knew that what he wanted to do probably wouldn't happen.

Everyone from the Eight Great Families stared at Ding Xuan and Fu Ying with

Chapter 704 Soul Lifting Technique's Horror

disdained looks as if they were tiny insects, while all of them looked proud and arrogant. However, this excluded Zhuge Pei, who sat at the very back and was staring at them in disgust.

Guan Shanyue smiled as she recalled this whole incident.

The Eight Great Families came down from the mountain to destroy the Tang Family while she was still working together with Tang Wei. By right, Tang Wei should also die since she was one of the Tang Family's family members. However, Guan Shanyue had other ideas. After all, Tang Wei could be counted as one of Guan Shanyue's ultimate cards.

If Tang Wei could be utilized properly, it

Chapter 704 Soul Lifting Technique's Horror

would surely benefit the Guan Family, who were residing on Luoja Mountain.

While Tang Wei couldn't die, Tang Yin must die. The two friends of Tang Yin's immediately became Guan Shanyue's power cards.

After a journey of more than ten hours, the plane finally landed at Los Angeles Airport.

Everyone from the Eight Great Families started getting off the plane one after another. However, Guan Shanyue turned to the back, where Ding Xuan and Fu Ying were still kneeling, and smiled as her eyes glistened before saying, "Kneeling while getting off the plane with us will be the proudest moment of your entire life..."

Chapter 704 Soul Lifting Technique's Horror

“Of course!” From the looks of Ding Xuan and Fu Ying’s eyes, it seemed like the two of them were completely hypnotized.

Kneeling on the plane during the journey of more than ten hours would surely damage their knees, especially Ding Xuan, who had sustained injuries previously. If he continued this, his body wouldn’t be able to take it anymore.

“Are you guys... willing to follow me?” The corners of Guan Shanyue’s lips curled up into an arrogant smile. Why should she care about the life or death of these two?

“I’m willing!”

“I’m willing as well!”

Chapter 704 Soul Lifting Technique's Horror

Ding Xuan and Fu Ying answered one after another. It seemed like this question had completely occupied their brains, as Guan Shanyue's voice was the only thing in their mind.

Guan Shanyue's smile deepened as she led the two of them out of the airport.

Zhuge Liu nodded slightly in acknowledgment of what Guan Shanyue was doing. However, Zhuge Pei was the only one among them who stood further, distancing herself from Guan Shanyue.

Everyone in the Zhuge Family knew that Zhuge Pei was a peculiar child. Even in the Eight Great Families, there weren't many people that she would approach and befriend willingly. Ordinary people

Chapter 704 Soul Lifting Technique's Horror

like Ding Xuan and Fu Ying were disgusting in Zhuge Pei's perspective. Even Guan Shanyue, who was walking Ding Xuan and Fu Ying, made Zhuge Pei want to stay away from her.

The bunch of them then got into a car and headed toward a manor in Los Angeles.

Guan Shanyue announced gently in the car, "It will be the Tang Family Annual Meeting nine days later. As long as we get on the Tang Family during the annual meeting, anything else won't be a problem..."

"Yes, of course!" Zhuge Liu nodded.

Guan Shanyue smiled, for she felt like she had managed to get the upper hand

Chapter 704 Soul Lifting Technique's Horror

on the situation.

“Where is Tang Yin? Why don’t we kill him first before killing what’s left of the Tang Family?” Zhuge Pei asked coldly.

Guan Shanyue was taken aback at that as she fell into silence before explaining softly, “That’s because Tang Yin is powerful...”

“Powerful?” Zhuge Pei chuckled coldly, like an arrogant fairy. “How powerful can he be? He’s still a b*stard after all! How could people from the Eight Great Families not be able to take him down?”

“Don’t forget that Duanmu Xiong died in his hands!” Guan Shanyue harrumphed.

“That’s because Duanmu Xiong was an

Chapter 704 Soul Lifting Technique's Horror

ignorant fool!” Zhuge Pei felt otherwise. “It’s his fault for boasting around even though he was weak!”

Many of them fell into silence, and none of them replied Zhuge Pei as they all knew that Zhuge Pei was from the Zhuge Family. The Zhuge Family’s presence was like a leader among the Eight Great Families. Moreover, Zhuge Pei was also an outstanding person, managing to get into the Fundamental Level last year. Most importantly, she possessed a rare body physique—the Nine-Yins Divine Body!

Those with this rare physique were more suitable to cultivate the Zhuge Family’s secret technique, ‘Heart Sutra of Nine-Yins’. Hence, this was why Zhuge Pei’s cultivation base had always

Chapter 704 Soul Lifting Technique's Horror

been regarded as the highest among everyone.

After the car stopped in front of the manor's entrance, Zhuge Pei got down from the car and stood a distance away as she stared at Guan Shanyue coldly. "Give me Tang Yin's coordinate. I'll kill him."

Everyone was shocked as they stared at her.

Guan Shanyue felt slightly annoyed. "He should be coming to Los Angeles in a few days. I'll inform you after he gets here..."

Zhuge Pei gave Guan Shanyue a cold glance before turning around and going upstairs.

Chapter 704 Soul Lifting Technique's Horror

The leftover people from the Eight Great Families were already used to Zhuge Pei's attitude, so they didn't really care about what she said. However, Guan Shanyue's eyes glistened before a sinister smile appeared on her face.

The news that the Eight Great Families were in Los Angeles was still under a sleath state.

Meanwhile, Tang Yin had just left the Meng Family's place in Zurich and was rushing to Los Angeles. Since the Tang Family Annual Meeting would be held earlier, he'd have to do something about it as well.

However, Tang Yin wasn't the only one who started making his moves. Tang Lijiang, as well as Jiang Hui, started

Chapter 704 Soul Lifting Technique's Horror

their actions as well.

The time period of ten days was too short for those two. Moreover, the announcement that the Tang Family's Annual Meeting would be held earlier had completely caught them off guard. If they weren't able to solve this quickly, it would surely lead to a huge swirl of mess.

None of them would be able to survive this swirling storm.

This was because the Tang Family Annual Meeting this time would surely involve their internal strife, and the Tang Family member's votes would surely affect whose hands the Tang Family would fall into.
