

Chapter 706 No Match for Him

Tang Yin sat in the car, his eyes on Zhuge Pei.

I know this woman!

In the video that Pei Ruo had shown Tang Yin earlier, he saw this woman in the video. This woman was related to the disappearance of Ding Xuan and Fu Ying!

“I would not like to repeat my words. Come down and kneel in front of me. I want you to kill yourself as an apology!” Zhuge Pei looked at Tang Yin coldly with her head held high.

Tang Yin narrowed his eyes and pushed the car door open.

“You filthy, secularly b*stard! Kneel

down right now and kill yourself as an apology! Otherwise, if I were to do it, I will torture you till you die!” Zhuge Pei pointed to the ground in front of Tang Yin.

“Where’s Ding Xuan?” Tang Yin asked coldly.

“Are you seeking death?” Zhuge Pei was furious. She didn’t expect that after she had said so much, Tang Yin, who stood in front of her, didn’t do as she said. Everyone among the Eight Great Families knew that when they met the Zhuge Family, they would have to make way for them. Let alone a filthy secular man like him?

As soon as Zhuge Pei spoke, she had already taken action on Tang Yin. She

really didn't want to spout nonsense with him, so she wanted to kill him straight away and take his head home before she said anything else.

With a brushing sound, the floating dust in Zhuge Pei's hands was already thrown out, and it went straight for Tang Yin's neck.

Tang Yin narrowed his eyes, for he could already feel the strong wind on Zhuge Pei's floating dust. However, when the sound of the wind flashed through him, he reached out one of his arms and grabbed the floating dust.

Zhuce Pei was taken aback for a moment, so she hurriedly tried to pull it back, but she realized that once Tang Yin had gotten hold of the floating dust,

his strength was even more powerful. She tugged on the floating dust with strength, but it didn't even budge.

The Inner Energy in Zhuge Pei suddenly exploded. She had tried her best to pull it, but she still couldn't get it back.

“Let go!”

Zhuce Pei was furious. Her face became slightly flushed, but in the meantime, she was horrified. She knew she had the Fundamental Level, but what was it with Tang Yin? He was able to get hold of the floating dust, and his Inner Energy seemed to be stronger than hers.

Is it that Tang Yin is also at the Fundamental Level?

“Where is Ding Xuan?” Tang Yin narrowed his eyes.

“Let go of it!” Zhuge Pei howled. She rushed forward in one step and pointed her finger at Tang Yin’s throat.

Her action was extremely dangerous and terrifying. When her voice broke through the air, it was as if the air was torn apart, which left a tingling sensation on the scalp.

Tang Yin raised his other hand and grabbed two of Zhuge Pei’s fingers, making her fingers frozen in mid-air, without moving an inch.

Zhuce Pei was stunned for a moment. Her face flushed when she felt her fingers being grabbed.

For so many years, no man had ever dared to touch her since she was young. Even the men of the Eight Great Families had to behave properly when they met Zhuge Pei. She didn't expect that such a secular man like him would dare to grab her by the finger.

At this moment, Zhuge Pei's heart was raging with an endless fire, as if her chest was about to explode.

Grievance and unwillingness with a trace of resentment and anger!

"You better let go of me..."

"I'm going to ask you for one last time. Where is Ding Xuan?" Tang Yin's anger was uncontrollable either.

Zhuge Pei was furious, so she tried to withdraw her fingers, but she couldn't do it at all. "You shameless man! How dare you do this to me? You're just seeking death. The Zhuge Family will not let you go! You disgusting cockroach! How dare you touch me..."

Tang Yin was not in the mood for nonsense, so he immediately pulled Zhuge Pei toward him with both hands at the same time. At this time, he had already raised his palm and slammed it against her face.

With the sound of a slap, Zhuge Pei was stunned by the blow!

Zhuge Pei, God's favored girl, was slapped? And it was by a secular cipher?

“You... I am going to kill you!” Zhuge Pei was furious, therefore she attacked Tang Yin with her palm.

Tang Yin’s body leaned sideways and avoided her palm. He grabbed her wrist, raised his other hand high, and gave her another tight slap on her cheek.

Slap! Slap! Slap!

Tang Yin gave Zhuge Pei a series of slaps, which made her dumbfounded.

Soon, he grabbed her hair, opened the car door, and threw her into the car.

Tang Yin finally knew that this woman was one of the members of the Eight Great Families. He had always believed that people from the Eight Great

Families had lost their minds. Especially this woman; she was insane!

Wait, does this mean Ding Xuan was taken away by the members of the Eight Great Families?

After Tang Yin got into the car, his face turned gloomy, but deep down in his heart, he felt relaxed. Since Ding Xuan was captured by people from the Eight Great Families, the matter could be easily solved!

In the eyes of the Eight Great Families, they themselves were a group of highly-ranked people, and the lives of their own would be even more precious than anyone else. When Zhuge Pei showed up, she was simply volunteering to be Tang Yin's bargaining chip against the

Eight Great Families.

The car made a turn, and Tang Yin turned to return to the manor.

As Tang Yin dragged Zhuge Pei, who was in an awkward state, off the car, he went all the way back to the manor, which made her really terrified and angry at the same time. She really didn't expect Tang Yin to be so powerful till the point where she couldn't fight back. She was angry because she was the Zhuge fairy who had always been superior, but she was now the prisoner of others.

Zhuce Pei felt that the anger burning in her chest was unbearable.

“Ask for her identity, and ask her to

contact the members of the Eight Great Families. Tell them that if they even dare to lay a finger on Ding Xuan, I will make sure Zhuge Pei's death will be worse than Duanmu Xiong's death!"

Tang Yin ordered coldly as he handed Zhuge Pei to Yuan Zhian.

"Tang Yin, you brute... How dare you treat me like this...? People from the Eight Great Families will never let you go..." Zhuge Pei raged.

Yuan Zhian simply gave a slap on Zhuge Pei's cheek. "How dare you be so arrogant in the hands of mine?"

Tang Yin ignored Zhuge Pei, gave a seal on her acupoint, and headed upstairs.

As for Ding Xuan, there wasn't much to be worried about.

The most important problem now was the Tang Family's Annual Meeting. Meanwhile, the Eight Great Families had received the call from Zhuge Pei saying that she had failed her mission, therefore everyone stood in shock, especially Zhuge Liu.

Zhuce Pei's physique was special, and she had a promising future. She was regarded as the pillar of strength of the Zhuge Family, but they did not expect her to fall into the hands of Tang Yin.

"Elder Zhuge, lead us to kill Tang Yin in a swoop..."

"Indeed, how could the Zhuge fairy fall

into the hands of such an ordinary man? Isn't that a humiliation to me and the others of the Eight Great Families?"

"Indeed, Elder Zhuge..."

"Prepare your men!" Zhuge Liu clenched his teeth and took a deep breath. He was determined to kill Tang Yin.

Everyone's expression was stunned as they hurriedly stood up. They knew this time they were going to kill Tang Yin for real. After all, those who dared to disrespect the Eight Great Families should have been tortured to death by the Eight Great Families long ago, and Tang Yin was no exception.

"Hold up!" Guan Shanyue stood up at this time.
